**PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 8, 2014**

COMMONLY ASKED QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Q: WHEN WAS THIS PROXY STATEMENT FIRST MAILED OR MADE AVAILABLE TO STOCKHOLDERS?

A: This proxy statement was first mailed or made available to stockholders of Caesars Entertainment Corporation (“Caesars”, “we” or the “Company”) on or about April 14, 2014. Our 2013 Annual Report to Stockholders is being mailed and made available with this proxy statement. The annual report is not part of the proxy solicitation materials.

Q: WHAT IS THE PURPOSE OF THE ANNUAL MEETING AND WHAT AM I VOTING ON?

A: At the annual meeting you will be voting on two proposals:

1. The election of three directors to serve as Class II directors for three-year terms expiring in fiscal 2017. This year's board nominees are:
 - Kelvin Davis
 - Eric Press
 - David Sambur
2. A proposal to ratify the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending December 31, 2014.

Q: WHAT ARE THE BOARD'S VOTING RECOMMENDATIONS?

A: The board of directors is soliciting this proxy and recommends the following votes:

1. **FOR** each of the director nominees.
2. **FOR** the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending December 31, 2014.

Q: WHO MAY ATTEND THE ANNUAL MEETING?

A: Stockholders of record as of the close of business on March 17, 2014, which is the “Record Date,” or their duly appointed proxies, may attend the meeting. “Street name” holders (those whose shares are held through a broker or other nominee) must bring a copy of a brokerage statement reflecting their ownership of our common stock as of the record date. Space limitations may make it necessary to limit attendance to stockholders and valid picture identification is required. Cameras, recording devices, and other electronic devices are not permitted at the meeting. Registration will begin at 11:30 a.m., local time and the annual meeting will commence at 12:00 p.m. local time, in the Concert Venue, Harrah's Resort Atlantic City, Atlantic City, New Jersey.

Q: WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING?

A: Only stockholders of record as of the close of business on the Record Date are entitled to receive notice of and participate in the annual meeting. Each outstanding share of common stock is entitled to one vote on each matter presented. As of the Record Date, Caesars had 137,176,531 shares of common stock outstanding. Any stockholder entitled to vote may vote either in person or by duly authorized proxy. Cumulative voting is not permitted with respect to the election of directors or any other matter to be considered at the annual meeting.

Q: WHO IS SOLICITING MY VOTE?

A: The Company's Board of Directors is sending you and making available this proxy statement in connection with the solicitation of proxies for use at the annual meeting. The Company pays the cost of soliciting proxies. Proxies may be solicited in person or by telephone, facsimile, electronic mail, or other electronic medium by certain of our directors, officers, and employees, without additional compensation. Forms of

proxies and proxy materials may also be distributed through brokers, custodians, and other like parties to the beneficial owners of shares of our common stock, in which case we will reimburse these parties for their reasonable out-of-pocket expenses.

Q: WHAT CONSTITUTES A QUORUM?

A: The presence, in person or by proxy, of the holders of record of shares of our capital stock entitling the holders thereof to cast a majority of the votes entitled to be cast by the holders of shares of capital stock entitled to vote at the annual meeting constitutes a quorum. There must be a quorum for business to be conducted at the meeting. Failure of a quorum to be represented at the annual meeting will necessitate an adjournment or postponement of the meeting and will subject the Company to additional expense. Votes withheld from any nominee for director, abstentions, and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum.

Q: WHAT IS A “BROKER NON-VOTE”?

A: Under the rules, brokers and nominees may exercise their voting discretion without receiving instructions from the beneficial owner of the shares on proposals that are deemed to be routine matters. If a proposal is a non-routine matter, a broker or nominee may not vote the shares on the proposal without receiving instructions from the beneficial owner of the shares. If a broker turns in a proxy card expressly stating that the broker is not voting on a non-routine matter, such action is referred to as a “broker non-vote.” Broker non-votes will be counted for purposes of determining the presence of a quorum.

Q: WHAT IS THE VOTE REQUIRED TO ELECT DIRECTORS?

A: Directors are elected by a plurality of the votes cast in person or by proxy at the annual meeting and entitled to vote on the election of directors. “Plurality” means that the nominees receiving the greatest number of affirmative votes will be elected as directors, up to the number of directors to be chosen at the meeting. Broker non-votes will not affect the outcome of the election of directors because brokers do not have discretion to cast votes on this proposal without instruction from the beneficial owner of the shares.

Q: WHAT IS THE VOTE REQUIRED TO APPROVE THE RATIFICATION OF DELOITTE & TOUCHE LLP?

A: The ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending December 31, 2014 must receive the affirmative vote of a majority of the votes cast by stockholders present in person or by proxy at the annual meeting and entitled to vote at the annual meeting.

Q: WHAT IF I ABSTAIN FROM VOTING?

A: If you attend the meeting or send in your signed proxy card but abstain from voting, you will still be counted for purposes of determining whether a quorum exists. Abstentions will have no effect on the outcome of the vote on either Proposal 1 or 2 because abstentions do not represent votes cast for or against a director or proposal.

Q: WILL THERE BE OTHER MATTERS TO VOTE ON AT THIS ANNUAL MEETING?

A: We are not aware of any other matters that you will be asked to vote on at the annual meeting. Other matters may be voted on if they are properly brought before the annual meeting in accordance with our by-laws. If other matters are properly brought before the annual meeting, then the named proxies will vote the proxies they hold in their discretion on such matters.

For matters to be included in our proxy materials for annual meeting, proposals must have been received by our Corporate Secretary no later than November 18, 2013. For matters to be properly brought before the annual meeting, we must have received written notice, together with specified information, not earlier than December 25, 2013 and not later than January 24, 2014. We did not receive notice of any matters by the deadlines for this year's annual meeting.

Q: WILL MY SHARES BE VOTED IF I DO NOT SIGN AND RETURN MY PROXY CARD OR VOTE BY TELEPHONE OR OVER THE INTERNET?

A: If you are a registered stockholder and you do not sign and return your proxy card or vote by telephone or over the Internet, your shares will not be voted at the annual meeting. Questions concerning stock certificates and registered stockholders may be directed to Computershare, P.O. Box 30170, College Station, TX 77842-3170 or Computershare, 211 Quality Circle, Ste. 210, College Station, TX 77845 or by telephone at 800-962-4284. If your shares are held in street name and you do not issue instructions to your broker, your broker may vote shares at its discretion on routine matters, but may not vote your shares on non-routine matters. Under applicable stock market rules, Proposal 2 relating to the ratification of the appointment of the independent registered public accounting firm is deemed to be a routine matter and brokers and nominees may exercise their voting discretion without receiving instructions from the beneficial owners of the shares. Proposals 1 is a non-routine matter and, therefore, may only be voted in accordance with instructions received from the beneficial owners of the shares.

Q: HOW DO I VOTE IF MY SHARES ARE REGISTERED DIRECTLY IN MY NAME?

A: We offer four methods for you to vote your shares at the annual meeting. **While we offer four methods, we encourage you to vote through the Internet or by telephone, as they are the most cost-effective methods.** We also recommend that you vote as soon as possible, even if you are planning to attend the annual meeting, so that the vote count will not be delayed. Both the Internet and the telephone provide convenient, cost-effective alternatives to returning your proxy card by mail. There is no charge to vote your shares via the Internet, though you may incur costs associated with electronic access, such as usage charges from Internet access providers. If you choose to vote your shares through the Internet or by telephone, there is no need for you to mail your proxy card.

You may (i) vote in person at the annual meeting or (ii) authorize the persons named as proxies on the enclosed proxy card, Gary Loveman, Timothy Donovan and Michael Cohen, to vote your shares by returning the enclosed proxy card by mail, through the Internet or by telephone.

- By internet: Go to www.proxypush.com/CZR. Have your proxy card available when you access the website. You will need the control number from your proxy card to vote.
- By telephone: Call (866) 416-3128 toll-free (in the United States, U.S. territories and Canada), on a touch-tone telephone. Have your proxy card available when you call. You will need the control number from your proxy card to vote.
- By mail: Complete, sign and date the proxy card, and return it in the postage paid envelope provided with the proxy material.

Q: HOW DO I VOTE MY SHARES IF THEY ARE HELD IN THE NAME OF MY BROKER (STREET NAME)?

A: If your shares are held in street name, you will receive a form from your broker or nominee seeking instruction as to how your shares should be voted. You should contact your broker or other nominee with questions about how to provide or revoke your instructions.

Q: WHO WILL COUNT THE VOTE?

A: Mediant Communications, LLC has been engaged as our independent inspector of election to tabulate stockholder votes for the 2014 annual meeting.

Q: CAN I CHANGE MY VOTE AFTER I RETURN OR SUBMIT MY PROXY?

A: Yes. Even after you have submitted your proxy, you can revoke your proxy or change your vote at any time before the proxy is exercised by appointing a new proxy or by providing written notice to the Corporate Secretary or acting secretary of the meeting and by voting in person at the meeting. Presence at the annual meeting of a stockholder who has appointed a proxy does not in itself revoke a proxy.

Q: MAY I VOTE AT THE ANNUAL MEETING?

A: If you complete a proxy card, or vote through the Internet or by telephone, then you may still vote in person at the annual meeting. To vote at the meeting, please give written notice that you would like to revoke your original proxy to the Corporate Secretary or acting secretary of the meeting.

If a broker, bank or other nominee holds your shares and you wish to vote in person at the annual meeting you must obtain a proxy issued in your name from the broker, bank or other nominee; otherwise you will not be permitted to vote in person at the annual meeting.

Q: WHERE CAN I FIND THE VOTING RESULTS OF THE ANNUAL MEETING?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in a Current Report on Form 8-K that will be filed with the SEC following the annual meeting. All reports we file with the SEC are available when filed. Please see the question “Where to Find Additional Information” below.

Q: WHEN ARE STOCKHOLDER PROPOSALS AND STOCKHOLDER NOMINATIONS DUE FOR THE 2015 ANNUAL MEETING?

A: Under Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the Corporate Secretary must receive a stockholder proposal no later than December 16, 2014 in order for the proposal to be considered for inclusion in our proxy materials for the 2015 annual meeting. To otherwise bring a proposal or nomination before the 2015 annual meeting, you must comply with our by-laws. Currently, our by-laws require written notice to the Corporate Secretary between January 8, 2015 and February 7, 2015. The purpose of this requirement is to assure adequate notice of, and information regarding, any such matter as to which stockholder action may be sought. If we receive your notice before January 8, 2015 or after February 7, 2015, then your proposal or nomination will be untimely. In addition, your proposal or nomination must comply with the procedural provisions of our by-laws. If you do not comply with these procedural provisions, your proposal or nomination can be excluded. Should the board nevertheless choose to present your proposal, the named proxies will be able to vote on the proposal using their best judgment.

Q: HOW MANY COPIES SHOULD I RECEIVE IF I SHARE AN ADDRESS WITH ANOTHER STOCKHOLDER?

A: The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, commonly referred to as “householding,” potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers may be householding our proxy materials by delivering a single proxy statement and annual report to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, or if you are receiving multiple copies of the proxy statement and annual report and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you are a stockholder of record. You can notify us by sending a written request to our Corporate Secretary at Caesars Entertainment Corporation, One Caesars Palace Drive, Las Vegas, Nevada 89109, or by calling the Corporate Secretary at (702) 407-6000. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the annual report and proxy statement to a stockholder at a shared address to which a single copy of the documents was delivered.

Q: CAN YOU DESCRIBE THE ASSET PURCHASE TRANSACTION CAESARS ACQUISITION COMPANY ANNOUNCED ON MARCH 3, 2014?

A: On March 1, 2014, the Company entered into a transaction agreement (the “Property Sale Agreement”) by and among the Company, Caesars Acquisition Company (“CAC”), Caesars Entertainment Operating Company, Inc. (“CEOC”), Caesars License Company, LLC, Harrah’s New Orleans Management Company (“HNOMC”), Corner Investment Company, LLC, 3535 LV Corp., Parball Corporation, JCC Holding Company II, LLC and Caesars Growth Partners, LLC (“Growth Partners”). Pursuant to the terms of the

Property Sale Agreement, Growth Partners (or one or more of its designated direct or indirect subsidiaries) agreed to acquire from CEOC or one or more of its affiliates, (i) The Cromwell (f/k/a Bill's Gamblin' Hall & Saloon), The Quad Resort & Casino, Bally's Las Vegas and Harrah's New Orleans (each a "Property" and collectively, the "Properties"), (ii) 50% of the ongoing management fees and any termination fees payable under the Property Management Agreements to be entered between a property manager and the owners of each of the Properties (the "Property Management Agreements"); and (iii) certain intellectual property that is specific to each of the Properties.

The Property Sale Agreement was fully negotiated by and between a Special Committee of Caesars' Board of Directors (the "CEC Special Committee") and a Special Committee of CAC's Board of Directors (the "CAC Special Committee"), each comprised solely of independent directors, and was recommended by both committees and approved by the Boards of Directors of Caesars and CAC. The CEC Special Committee, the CAC Special Committee and the Boards of Directors of Caesars and CAC each received fairness opinions from firms with experience in valuation matters, which stated that, based upon and subject to (and in reliance on) the assumptions made, matters considered and limits of such review, in each case as set forth in the opinions, the purchase price was fair from a financial point of view to Caesars and Growth Partners, respectively.

The transaction is subject to certain closing conditions, including the receipt of gaming and other required governmental approvals, accuracy of representations and warranties, compliance with covenants and receipt by Caesars and the CEC Special Committee of certain opinions with respect to CEOC. In addition, the consummation of the transaction by CAC is subject to CAC's receipt of financing on terms and conditions satisfactory to CAC and Growth Partners.

Q: HOW DOES CAESARS 2012 INITIAL PUBLIC OFFERING AFFECT THIS PROXY STATEMENT?

A: Caesars completed its initial public offering ("IPO") on February 8, 2012 and its common stock began trading on the NASDAQ Global Select Market ("NASDAQ") on that same day. As a result of the IPO, Caesars is holding its second annual meeting of stockholders as a public company. This is therefore the second proxy statement that we are sending to our stockholders for an annual meeting. To the extent that this proxy statement describes actions or information prior to February 8, 2012, they occurred prior to our becoming a public company, and therefore at a time when various SEC and NASDAQ rules did not yet apply to us.

As the result of the IPO, our common stock trades on NASDAQ under the symbol "CZR." In connection with the IPO, the Company effected a 1.742-for-one split of its common stock. Unless otherwise stated, all applicable share and per-share data presented herein have been retroactively adjusted to give effect to this stock split.

Prior to our IPO, on January 28, 2008, Caesars was acquired by affiliates of Apollo Global Management, LLC (together with such affiliates, "Apollo") and affiliates of TPG Capital, LP (together with such affiliates, "TPG" and, together with Apollo, the "Sponsors") in an all-cash transaction, hereinafter referred to as the "Acquisition," valued at approximately \$30.7 billion, including the assumption of \$12.4 billion of debt, and the incurrence of approximately \$1.0 billion of acquisition costs. Subsequent to the Acquisition, our stock was no longer publicly traded.

CORPORATE GOVERNANCE

Director Independence. Hamlet Holdings LLC (“Hamlet Holdings”), the members of which are comprised of an equal number of individuals affiliated with each of the Sponsors, as of the Record Date, beneficially owns approximately 63.9% of our common stock pursuant to an irrevocable proxy providing Hamlet Holdings with sole voting and sole dispositive power over those shares, and, as a result, the Sponsors have the power to elect all of our directors. Therefore, we are a “controlled company” under NASDAQ corporate governance standards, and we have elected not to comply with the NASDAQ corporate governance requirement that a majority of our Board and human resources (i.e., compensation) and nominating and corporate governance committees consist of independent directors. See “Certain Relationships and Related Person Transactions.”

Our Board of Directors affirmatively determines the independence of each director and director nominee in accordance with guidelines it has adopted, which include all elements of independence set forth in the applicable rules of listing standards of NASDAQ. These guidelines are contained in our Corporate Governance Guidelines which are posted on the Corporate Governance page of our web site located at <http://investor.caesars.com>.

As of the date of this proxy statement, our Board of Directors consisted of ten members: Gary Loveman, Jeffrey Benjamin, David Bonderman, Kelvin Davis, Fred Kleisner, Eric Press, Marc Rowan, David Sambur, Lynn Swann, and Christopher Williams. Mr. Jeffrey Housenbold resigned from our Board effective March 28, 2014. Mr. Loveman's employment agreement provides that the Company shall use its best efforts to cause our Board of Directors to appoint Mr. Loveman as a member of the Board of Directors or cause Mr. Loveman to be nominated for election to the Board of Directors by the Company's stockholders. Based upon the listing standards of the NASDAQ, we do not believe that Messrs. Loveman, Benjamin, Bonderman, Davis, Press, Rowan, or Sambur would be considered independent because of their relationships with certain affiliates of the Sponsors and other relationships with us. Our Board of Directors has affirmatively determined that Messrs. Kleisner and Williams are independent from our management under the NASDAQ listing standards. The Board has also affirmatively determined that Messrs. Williams and Kleisner, the current members of our Audit Committee, meet the independence requirements of Rule 10A-3 of the Exchange Act.

Executive Sessions. Our Corporate Governance Guidelines provide that the independent directors shall meet at least twice annually in executive session.

Stockholder Nominees. Our by-laws provide that stockholders seeking to nominate candidates for election as directors or to bring business before an annual meeting of stockholders must provide timely notice of their proposal in writing to the Secretary of the Company. Generally, to be timely, a stockholder's notice must be delivered to or mailed and received at our principal executive offices, addressed to the secretary of the Company, no earlier than 120 days and no later than 90 days prior to the first anniversary of the date of the preceding year's annual meeting; provided, however, that if the annual meeting is advanced by more than 30 days, or delayed by more than 70 days, from the first anniversary of the preceding year's annual meeting, to be timely the stockholder notice must be received no earlier than 120 days before such annual meeting and no later than the later of 90 days before such annual meeting or the tenth day after the day on which public disclosure of the date of such meeting is first made. In no event shall the public announcement of an adjournment or postponement of an annual meeting of stockholders commence a new time period (or extend any time period) for the giving of the stockholder notice. You should consult our by-laws for more detailed information regarding the process by which stockholders may nominate directors. Our by-laws are posted on the Corporate Governance page of our web site located at <http://investor.caesars.com>.

Board Committees. Our Board has six standing committees: the Audit Committee, the Human Resources Committee, the Nominating and Corporate Governance Committee, the Finance Committee, the Executive Committee and the 162(m) Plan Committee. The Board has determined that all of the members of the Audit Committee, one of the members of the Human Resources Committee (the “HRC”), one of the members of the Nominating and Corporate Governance Committee and both of the members of the 162(m) Plan Committee are independent as defined in the NASDAQ listing standards and in our Corporate Governance Guidelines. The Board has adopted a written charter for each of these committees. The charters for each of these committees are available on the Corporate Governance page of our web site located at <http://investor.caesars.com>.

The chart below reflects the current composition of the standing committees:

Lynn Swann ⁽¹⁾	X	X	X			X

(1) On April 13, 2014, Lynn Swann was appointed to the Audit Committee.

Audit Committee

During 2013, our audit committee consisted of Christopher Williams, as chairperson, Fred Kleisner and Jeffrey Housenbold. Mr. Housenbold resigned from our Board effective March 28, 2014. On April 13, 2014, Lynn Swann was appointed to the Audit Committee.

Our audit committee met on 14 occasions during 2013. Our Board has determined that Messrs. Williams and Kleisner each qualify as an “audit committee financial expert” as such term is defined in Item 407(d)(5) of Regulation S-K and that Messrs. Williams and Kleisner are independent as independence is defined in Rule 10A-3 of the Exchange Act and under the NASDAQ listing standards. The purpose of the audit committee is to oversee our accounting and financial reporting processes and the audits of our financial statements, provide an avenue of communication among our independent auditors, management, our internal auditors and our Board, and prepare the audit-related report required by the SEC to be included in our annual proxy statement or annual report on Form 10-K. The principal duties and responsibilities of our audit committee are to oversee and monitor the following:

- preparation of annual audit committee report to be included in our annual proxy statement;
- our financial reporting process and internal control system;
- the integrity of our financial statements;
- the independence, qualifications and performance of our independent auditor;
- the performance of our internal audit function; and
- our compliance with legal, ethical and regulatory matters.

The audit committee has the power to investigate any matter brought to its attention within the scope of its duties. It also has the authority to retain counsel and advisors to fulfill its responsibilities and duties.

Human Resources Committee

Our HRC serves as our compensation committee with the specific purpose of designing, approving, and evaluating the administration of our compensation plans, policies, and programs. Our HRC currently consists of Kelvin Davis, Marc Rowan and Lynn Swann, each of whom were members of the HRC throughout 2013. The purpose of the HRC is to ensure that compensation programs are designed to encourage high performance, promote accountability and align employee interests with the interests of our stockholders. The HRC is also charged with reviewing and approving the compensation of the Chief Executive Officer and our other senior executives, including all of the named executive officers.

The qualifications of the HRC members stem from roles as corporate leaders, private investors, and board members of several large corporations. Their knowledge, intelligence, and experience in company operations, financial analytics, business operations, and understanding of human capital management enables the members to carry out the objectives of the HRC. We have chosen the “controlled company” exception under the NASDAQ rules which exempts us from the requirement that we have a compensation committee composed entirely of independent directors.

Our HRC is entitled to delegate any or all of its responsibilities to a subcommittee of the HRC or to specified executives of Caesars, except that it may not delegate its responsibilities for any matters where it has determined such compensation is intended to comply with the exemptions under Section 16(b) of the Exchange Act.

Each year the HRC reviews whether the work of its compensation consultants raises any conflicts of interest. The HRC has determined that the work of Towers Watson, Mercer Investment Consulting and Stoel Rives LLP (whose services are described under “Compensation Discussion and Analysis-Role of outside consultants in establishing compensation” below) did not raise any conflicts of interest in fiscal 2013 and does not currently raise any conflicts of interest. In making this assessment, the HRC considered that neither Towers Watson, Mercer Investment Consulting nor Stoel Rives LLP provided any other services to the Company unrelated to executive compensation and the other factors enumerated in new Rule 10C-1(b) under the Exchange Act.

162(m) Plan Committee

The 162(m) Plan Committee reviews and approves compensation that is intended to qualify as “performance based compensation” under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). For more information about our 162(m) Plan Committee, please see “-Executive Compensation-Compensation Discussion and Analysis-Our Human Resources Committee.”

Nominating and Corporate Governance Committee

Our Board has established a nominating and corporate governance committee whose current members are Kelvin Davis, David Sambur and Lynn Swann, each of whom served on the committee throughout 2013. Our nominating and corporate governance committee met twice during 2013. The principal duties and responsibilities of the nominating and corporate governance committee are as follows:

- to establish criteria for board and committee membership and recommend to our Board proposed nominees for election to the Board and for membership on committees of our Board;
- to make recommendations regarding proposals submitted by our stockholders; and
- to make recommendations to our Board regarding board governance matters and practices.

We have chosen the “controlled company” exception under the NASDAQ rules which exempts us from the requirement that we have a nominating and corporate governance committee composed entirely of independent directors.

Finance Committee

Our finance committee consists of Kelvin Davis and Marc Rowan. The purpose of the finance committee is to assist the Board of Directors in the oversight of our financial matters primarily relating to indebtedness and financing transactions.

Executive Committee

Our executive committee consists of Gary Loveman, as chairperson, Kelvin Davis and Marc Rowan. The executive committee has all the powers of our Board of Directors in the management of our business and affairs other than those enumerated in its charter, including without limitation, the establishment of additional committees or subcommittees of our Board and the delegation of authority to such committees and subcommittees, and may act on behalf of our Board of Directors to the fullest extent permitted under Delaware law and our organizational documents. The executive committee serves at the pleasure of our Board of Directors and may act by a majority of its members, provided that at least one member affiliated with TPG and Apollo must approve any action of the executive committee. This committee and any requirements or voting mechanics or participants may continue or be changed if Apollo and TPG no longer own a controlling interest in us.

Director Qualifications. The Board of Directors seeks to ensure the Board is composed of members whose particular experience, qualifications, attributes and skills, when taken together, will allow the Board to satisfy its oversight responsibilities effectively. In identifying candidates for membership on the Board, the Board takes into account (1) minimum individual qualifications, such as high ethical standards, integrity, mature and careful judgment, industry knowledge or experience and an ability to work collegially with the other members of the Board and (2) all other factors it considers appropriate, including alignment with our stockholders, especially investment funds affiliated with the Sponsors. While we do not have any specific diversity policies for considering Board candidates, we believe each director contributes to the Board of Directors' overall diversity, meaning a variety of opinions, perspectives, personal and professional experiences and backgrounds.

When considering whether the Board's directors and nominees have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board to satisfy its oversight responsibilities effectively in light of the Company's business and structure, the Board focused primarily on the information discussed in each of the Board members' biographical information set forth below under "Proposal 1 - Election of Directors."

Each of the Company's directors possesses high ethical standards, acts with integrity, and exercises careful, mature judgment. Each is committed to employing their skills and abilities to aid the long-term interests of the stakeholders of the Company. In addition, our directors are knowledgeable and experienced in one or more business, governmental, or civic endeavors, which further qualifies them for service as members of the Board. Alignment with our stockholders is important in building value at the Company over time.

Stockholders Agreement regarding Nominees and Elections. Each of the directors other than Messrs. Kleisner, Williams and Swann was elected to the Board pursuant to the Stockholders' Agreement (as defined below). Under the Stockholders' Agreement, until we cease to be a "controlled company" within the meaning of the NASDAQ rules, each of the Sponsors have the right to nominate four directors to our Board of Directors. In addition, under the Stockholders' Agreement, until we cease to be a "controlled company" each of the Sponsors has the right to designate four members of each committee of our Board of Directors except to the extent that such a designee is not permitted to serve on a committee under applicable law, rule, regulation or listing standards. Pursuant to the Stockholders' Agreement, Messrs. Benjamin, Press, Rowan and Sambur were appointed to the Board as a consequence of their respective relationships with Apollo and Messrs. Bonderman and Davis were appointed to the Board as a consequence of their respective relationships with TPG. TPG has elected not to appoint a third or fourth director in accordance with the terms of the Stockholders' Agreement. Mr. Loveman was appointed to the Board pursuant to the Stockholders' Agreement and as a consequence of his being Chief Executive Officer and President of the Company.

Criteria for Director Nomination. Our Nominating and Corporate Governance Committee identifies and recommends to the Board persons to be nominated to serve as directors of the Company. Directors are selected based on, among other things, understanding of elements relevant to the success of a large publicly traded company, understanding of the Company's business and educational and professional background. The Nominating and Corporate Governance Committee also considers the requirements of any stockholders agreement in existence (as such may be amended from time to time), including but not limited to the Stockholders' Agreement, which governs the composition requirements of the Company's Board of Directors and committees. In recruiting and evaluating new director candidates, the Nominating and Corporate Governance Committee also considers such factors as industry background, financial and business experience, public company experience, other relevant education and experience, general reputation, independence and diversity. The Company endeavors to have a Board composition encompassing a broad range of skills, expertise, industry knowledge and diversity of background and experience. The Nominating and Corporate Governance Committee considers, consistent with applicable law, the Company's certificate of incorporation and by-laws and the criteria set forth in our Corporate Governance Guidelines, and any candidates proposed by any senior executive officer, director or stockholder. The Nominating and Corporate Governance Committee evaluates candidates proposed by stockholders on the same basis as all other candidates.

In addition, individual directors and any person nominated to serve as a director should demonstrate high ethical standards and integrity in their personal and professional dealings and be willing to act on and remain accountable for their boardroom decisions, and be in a position to devote an adequate amount of time to the effective performance of director duties.

Prior to nominating a person to serve as a director, the Nominating and Corporate Governance Committee evaluates the candidate based on the criteria described above. In addition, prior to accepting renomination, each director should evaluate himself or herself as to whether he or she satisfies the criteria described above.

Board Leadership Structure. The Board appointed the Company's Chief Executive Officer and President as Chairman because he is the director most familiar with the Company's business and industry, and as a result is best suited to effectively

identify strategic priorities and lead the discussion and execution of strategy. The Board believes the combined position of Chairman and Chief Executive Officer promotes a unified direction and leadership for the Board and gives a single, clear focus for the chain of command for our organization, strategy and business plans. The Board has not designated a lead independent director.

Board's Role in Risk Oversight. The Board exercises its role in the oversight of risk as a whole and through the Audit Committee. The Audit Committee receives regular reports from the Company's risk management and compliance departments.

Compensation Risk Assessment. On an annual basis, our management reviews our compensation policies and practices to determine whether any risks arising from our compensation policies and practices for employees, including non-executive officers, are reasonably likely to have a material adverse effect on the Company and presents its findings to the HRC. Based on this assessment and review, we believe that our compensation policies and practices do not present risks that are reasonably likely to have a material adverse effect on us. In evaluating our compensation policies and practices, we considered the following elements of our compensation programs, from the perspective of enterprise risk management and the terms of the Company's compensation policies generally:

- The Company's executive compensation practices are intended to compensate executives primarily on performance, with a large portion of potential compensation at risk.
- The HRC has set senior executive compensation with two driving principles in mind: (1) delivering financial results to our stockholders, and (2) ensuring that our customers receive a great experience when visiting our properties. To that end, historically the HRC has set our senior executive compensation so that at least 50% of our senior executives' total compensation is at risk based on these objectives.
- The HRC has the authority to claw back bonuses paid to participants in the event of a termination for cause or material noncompliance resulting in financial restatement by a plan participant.
- The Company is subject to a number of restrictions due to gaming, compliance and other regulations that mitigate business risks by our employees, including executive officers.

Board Meetings and Committees; Policy Regarding Director Attendance at Annual Meeting of Stockholders. During 2013, our Board of Directors held eight meetings. All directors attended at least 75% of the Board meetings and meetings of the committees of the Board on which the director served, other than Kelvin Davis and Marc Rowan, who were unable to attend three of the eight meetings of the Board. It is our policy that directors are encouraged to attend the Company's annual stockholder meeting. Six of our directors attended our 2013 annual meeting of stockholders.

Policy Regarding Communication with Board of Directors. Stockholders and other interested parties may contact the Board of Directors as a group or to any individual director by sending a letter (signed or anonymous) to: c/o Board of Directors, Caesars Entertainment Corporation, One Caesars Palace Drive, Las Vegas, NV 89109, Attention: Corporate Secretary.

We will forward all such communications to the applicable Board member(s), except for material that is unduly hostile, threatening, illegal or similarly unsuitable. In addition, the Company's Board has requested that certain items which are unrelated to the duties and responsibilities of the Board should be excluded, such as product complaints, suggestions, resumes and other forms of job inquires, surveys and business solicitations or advertisements. The Law Department will review the communication and concerns will be addressed through our regular procedures for addressing such matters. Depending on the nature of the concern, management also may refer it to our internal audit, legal, finance or other appropriate department. If the volume of communication becomes such that the Board adopts a process for determining which communications will be relayed to Board members, that process will appear on the Corporate Governance page of our web site located at <http://investor.caesars.com>.

Corporate Governance Guidelines. The Company has adopted Corporate Governance Guidelines that we believe reflect the Board's commitment to a system of governance that enhances corporate responsibility and accountability. The Corporate Governance Guidelines contain provisions addressing the following matters, among others:

- Board composition (i.e., size);
- Director qualifications;

Code of Ethics. We have a Code of Business Conduct and Ethics, which is applicable to all of our directors, officers and employees (the “Code of Ethics”). The Code of Ethics is available on the Corporate Governance page of our web site located at <http://investor.caesars.com>. To the extent required pursuant to applicable SEC regulations, we intend to post amendments to or waivers from our Code of Ethics (to the extent applicable to our chief executive officer, principal financial officer or principal accounting officer) at this location on our website or report the same on a Current Report on Form 8-K. Our Code of Ethics is available free of charge upon request to our Corporate Secretary, Caesars Entertainment Corporation, One Caesars Palace Drive, Las Vegas, Nevada 89109.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and greater than ten-percent stockholders to file initial reports of ownership and reports of changes in ownership of any of our securities with the SEC and us. Based solely on a review of copies of such reports received with respect to the 2013 fiscal year and the written representations received from certain reporting persons that no other reports were required, we believe that during the 2013 fiscal year, all of our directors, executive officers and greater than ten-percent stockholders complied with the requirements of Section 16(a).

Independent Registered Public Accounting Firm's Independence

In considering the nature of the services provided by the independent auditor, the Audit Committee determined that such services are compatible with the provision of independent audit services. The Audit Committee discussed these services with the independent auditor and Company management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the SEC to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants.

Policy on Audit Committee Pre-Approval

The services performed by Deloitte & Touche LLP in 2013 and 2012 were pre-approved in accordance with the pre-approval policy and procedures adopted by the Audit Committee at its February 26, 2003, meeting. This policy describes the permitted audit, audit-related, tax, and other services that Deloitte & Touche may perform. Any requests for audit services must be submitted to the Audit Committee for specific pre-approval and cannot commence until such approval has been granted. Except for such services which fall under the *de minimis* provision of the pre-approval policy, any requests for audit-related, tax, or other services also must be submitted to the Audit Committee for specific pre-approval and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings. However, the authority to grant specific pre-approval between meetings, as necessary, has been delegated to the Chairperson of the Audit Committee. The Chairperson must update the Audit Committee at the next regularly scheduled meeting of any services that were granted specific pre-approval.

In addition, although not required by the rules and regulations of the SEC, the Audit Committee generally requests a range of fees associated with each proposed service. Providing a range of fees for a service incorporates appropriate oversight and control of the independent auditor relationship, while permitting the Company to receive immediate assistance from the independent auditor when time is of the essence.

The policy contains a *de minimis* provision that operates to provide retroactive approval for permissible non-audit, tax, and other services under certain circumstances. The provision allows for the pre-approval requirement to be waived if all of the following criteria are met:

1. The service is not an audit, review, or other attest service;
2. The estimated fees for such services to be provided under this provision do not exceed a defined amount of total fees paid to the independent auditor in a given fiscal year;
3. Such services were not recognized at the time of the engagement to be non-audit services; and
4. Such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or its designee.

No fees were approved under the *de minimis* provision in 2013 or 2012.

OTHER MATTERS

We are not aware of any matters other than those discussed in the foregoing materials contemplated for action at the annual stockholders meeting. The persons named in the proxy card will vote in accordance with the recommendation of the Board of Directors on any other matters incidental to the conduct of, or otherwise properly brought before, the annual meeting of stockholders. EXECUTIVE COMPENSATION

Compensation Risk Assessment

The HRC has evaluated the Company's compensation structure from the perspective of enterprise risk management and the terms of the Company's compensation policies generally. As discussed below, the Company's executive compensation practices are intended to compensate executives primarily on performance, with a large portion of potential compensation at risk. The HRC has set senior executive compensation with two driving principles in mind: (1) delivering financial results to our stockholders, and (2) ensuring that our customers receive a great experience when visiting our properties. To that end, historically the HRC has set our senior executive compensation so that at least 50% of our senior executives' total compensation is at risk based on these objectives. In addition, the HRC has the authority to claw back bonuses paid to participants in the event of a termination for cause or material noncompliance resulting in financial restatement by a plan participant. As a result, together with the restrictions placed on the Company by gaming, compliance and other regulations, the HRC does not believe that the Company's compensation policies and practices provide incentives to take inappropriate business risks.

Compensation Discussion and Analysis

Executive Summary

2013 was highlighted by significant investment in our properties, expansion into new regional markets, and a number of initiatives to enhance the Company's capital structure. Adjusted EBITDA results for the year came in at \$1,854 million. Customer satisfaction, measured through our customer surveys, continued to improve reaching record high results for 2013.

The HRC set senior executive compensation with two driving principles in mind: (1) delivering financial results to our stockholders and (2) ensuring that our customers have a great experience when visiting our properties. To that end, historically the HRC set our senior executive compensation so that at least 50% of our senior executives' total compensation is based on these objectives:

- The most significant compensation plan that is directly affected by the attainment of performance goals is our Annual Management Bonus Plan (the "Bonus Plan"). The financial measure for the Caesars Entertainment Corporation 2009 Senior Executive Incentive Plan (the "Senior Executive Incentive Plan") is EBITDA. The financial measurement used to determine the bonus under the Bonus Plan is Adjusted EBITDA. For select participants with direct influence over cash management, an additional financial metric of cash flow was included in the 2013 bonus score. The non-financial measurement used to determine plan payments for all participants is customer satisfaction, as measured by surveys of our loyalty program ("Total Rewards") customers taken by a third party.
 - The 2013 annual cash incentives paid to our named executive officers were based on our Adjusted EBITDA of \$1,854 million and customer satisfaction improvement of 2.57%, resulting in a corporate score of 76, within a range of 0 to 200. Bonuses were thus paid at 76% of target bonus opportunity.
- The Customer Service Jackpot Bonus Plan functions are measured against the same customer service metric as the Bonus Plan, but require in effect two years' worth of maximum service performance in a single year. Payout of the Customer Service Jackpot is targeted at 5% of an employee's base salary for all management. No payments were made under this plan in 2013 to the named executive officers.
- Our Project Renewal Incentive Plan was designed to incentivize our leadership to undertake the cost savings initiatives proposed as part of a comprehensive program to streamline our operations, launched in the fourth quarter of 2010. This plan expired by its terms in March 2013 and no further payments were made under the plan since 2011.

Following our IPO, we adopted the Caesars Entertainment Corporation 2012 Performance Incentive Plan, as amended (the "2012 Plan") and returned to annual equity awards in 2013 to maintain a competitive long term incentive program. We granted options and restricted stock units with a target value made up of 35% options and 65% restricted stock units for Mr. Loveman, and a target value made up of 25% options and 75% restricted stock units for Messrs. Colvin, Jenkin, Payne, and Donovan. The equity compensation analysis performed by Towers Watson and the available shares under the plan were considered when determining the mix for each participant. The values of the 2013 options and restricted stock units granted to our

Chief Executive Officer were below market median, while the grant value for our other named executive officers were at market median. In addition, our outstanding performance options that vest based on our common stock price being at or above \$57.41 were modified in 2013 so that the options vest 50% in each of March 2014 and 2015 regardless of our stock price performance, in order to deliver realizable value without further share usage under our plans. However, if the Company's 30-day trailing average stock price equals or exceeds \$57.41 per share prior to the revised vesting dates, the outstanding \$57.41 performance options will vest immediately.

Given the market competitiveness of our salaries, no further increases in salaries for our named executive officers were approved in 2013. In 2013, we also took steps to be mindful of stockholder concerns by adopting clawback provisions and suspending financial counseling services perquisites.

2013 Say on Pay Vote

At the 2013 Annual Meeting, the stockholders approved, on an advisory basis, the Company's named executive officer compensation. Approximately 96% of the votes cast on the advisory vote on named executive officer compensation proposal were in favor of our named executive officer compensation. Despite this support in favor of our existing executive compensation practices, the HRC continues to design, approve, and evaluate the administration of our compensation plans, policies, and programs. The stockholders also approved, on an advisory basis, holding future advisory votes to approve named executive office compensation every three years.

Process

Our Human Resources Committee. The HRC serves as our compensation committee with the specific purpose of designing, approving, and evaluating the administration of our compensation plans, policies, and programs. The HRC's role is to ensure that compensation programs are designed to encourage high performance, promote accountability and align employee interests with the interests of our stockholders. The HRC is also charged with reviewing and approving the compensation of the Chief Executive Officer and our other senior executives, including all of the named executive officers. The HRC operates under our Human Resources Committee Charter. The HRC Charter was last updated on February 21, 2013. It is reviewed no less than once per year with any recommended changes presented to our Board for approval.

The HRC currently consists of Kelvin Davis, Marc Rowan and Lynn Swann. The qualifications of the HRC members stem from roles as corporate leaders, private investors, and board members of several large corporations. Their knowledge, intelligence, and experience in company operations, financial analytics, business operations, and understanding of human capital management enables the members to carry out the objectives of the HRC. We have chosen the "controlled company" exception under the NASDAQ rules which exempts us from the requirement that we have a compensation committee composed entirely of independent directors.

In fulfilling its responsibilities, the HRC is entitled to delegate any or all of its responsibilities to a subcommittee of the HRC or to specified executives of Caesars, except that it may not delegate its responsibilities for any matters where it has determined such compensation is intended to comply with the exemptions under Section 16(b) of the Exchange Act.

In February 2009, our Board formed the 162(m) Plan Committee comprised of two members: Lynn Swann and Christopher Williams. The purpose of the 162(m) Plan Committee is to administer the Senior Executive Incentive Plan.

HRC Consultant Relationships. The HRC has the authority to engage services of independent legal counsel, consultants and subject matter experts in order to analyze, review, recommend and approve actions with regard to Board compensation, executive officer compensation, or general compensation and plan provisions. We provide for appropriate funding for any such services commissioned by the HRC. These consultants are used by the HRC for purposes of executive compensation review, analysis, and recommendations. The HRC has engaged and expects to continue to engage external consultants for the purposes of determining Chief Executive Officer and other senior executive compensation. However, with respect to 2013 compensation, the HRC did not engage any consultants. Rather, consultants were engaged by our Human Resources executives, and these consultants helped formulate information that was then provided to the HRC. See "Role of outside consultants in establishing compensation" below.

2013 HRC Activity

During five meetings in 2013, as delineated in the Human Resources Committee Charter and as outlined below, the HRC performed various tasks in accordance with their assigned duties and responsibilities, including:

- Chief Executive Officer Compensation: reviewed and approved corporate goals and objectives relating to the compensation of the Chief Executive Officer, evaluated the performance of the Chief Executive Officer in light of these approved corporate goals and objectives and relative to peer group, evaluated and awarded the equity compensation and annual bonus of the Chief Executive Officer based on such evaluation.
- Other Senior Executive Officer Compensation: set base compensation and annual bonus compensation (other than for those executives that receive bonuses under the Senior Executive Incentive Plan), and awarded equity compensation for all senior executives, which included an analysis relative to our competition peer group.
- Director Compensation: set base compensation and awarded equity compensation for non-management directors, which included a review of our practices against peers both in the gaming industry and outside the gaming industry.
- Executive Compensation Plans: reviewed status of various executive compensation plans, programs, and incentives, including the Bonus Plan, our various deferred compensation plans, our various equity plans and amendments to plans.
- Equity Compensation Plans: approved implementation of an annual equity grant program under the 2012 Plan, awarded equity compensation to certain employees and approved a change to the \$57.41 performance options vesting so that the options vest 50% in each of March 2014 and 2015 regardless of our stock price, as described below.
- Committee Charter: reviewed and amended the HRC charter to include consideration of the shareholder advisory vote on executive compensation (“Say on Pay Vote”) required by Section 14A of the Exchange Act in evaluating and determining the compensation of the Chief Executive Officer.
- Talent Succession: reviewed and evaluated the succession plans relating to the Chief Executive Officer and other executive officer positions.

Role of Human Resources Committee. The HRC has sole authority in setting the material compensation of our senior executives, including base pay, incentive pay (other than those executives that receive bonuses under the Senior Executive Incentive Plan) and equity awards. The HRC receives information and input from our senior executives and outside consultants (as described below) to help establish these material compensation determinations, but the HRC is the final arbiter on these decisions.

Role of Company executives in establishing compensation. When determining the pay levels for the Chief Executive Officer and our other senior executives, the HRC solicits advice and counsel from internal and external resources. Internal Company resources include the Chief Executive Officer, Executive Vice President, Human Resources, and Vice President of Compensation and Leadership. The Executive Vice President, Human Resources is responsible for developing and implementing our business plans and strategies for all company-wide human resource functions, as well as day-to-day human resources operations. The Vice President of Compensation and Leadership is responsible for the design, execution, and daily administration of our compensation and leadership services operations. Both of these Human Resources executives attend the HRC meetings, at the request of the HRC, and act as a source of informational resources and serve in an advisory capacity. The Corporate Secretary is also in attendance at each of the HRC meetings and oversees the legal aspects of our executive compensation and benefit plans, updates the HRC regarding changes in laws and regulations affecting our compensation policies, and records the minutes of each HRC meeting. The Chief Executive Officer also attends HRC meetings.

In 2013, the HRC communicated directly with the Chief Executive Officer and Human Resources executives in order to obtain external market data, industry data, internal pay information, individual and our performance results, and updates on regulatory issues. The HRC also delegated specific tasks to Human Resources executives to facilitate the decision making process and to assist in the finalization of meeting agendas, documentation, and compensation data for HRC review and approval.

The Chief Executive Officer annually reviews the performance of our senior executives and, based on these reviews, recommends to the HRC compensation for all senior executives, other than his own compensation. The HRC, however, has the discretion to modify the recommendations and makes the final decisions regarding material compensation to senior executives, including base pay, incentive pay (other than those executives that receive bonuses under the Senior Executive Incentive Plan), and equity awards.

Role of outside consultants in establishing compensation. Our internal Human Resources executives regularly engage outside consultants to provide advice related to our compensation policies. Standing consulting relationships are held with several global consulting firms specializing in executive compensation, human capital management, and board of director pay practices. During 2013, the services performed by consultants that resulted in information provided to the HRC are set forth below:

1. Towers Watson provided us with advice regarding our annual equity program and external benchmarking.
2. Mercer Investment Consulting was retained by the Savings & Retirement Plan (401k) and Executive Deferred Compensation Plan Investment Committees to advise these committees on investment management performance, monitoring, investment policy development, and investment manager searches.
3. Stoel Rives LLP was retained by the Savings & Retirement Plan (401k) Administrative Committee to advise this committee on plan design, compliance and operational consulting for our qualified defined contribution plan.

The consultants provided the information described above to our Human Resources executives to help formulate information that is then provided to the HRC. The fees paid to Stoel Rives LLP in 2013 were \$361,292 for the 401(k) Plan. The fees for paid to Mercer Investment Consulting in 2013 were \$129,449 for the 401(k) Plan and \$142,336 for the Executive Deferred Compensation Plans. The fees paid to Towers Watson were \$16,500.

The HRC has determined that the work of Towers Watson, Mercer Investment Consulting and Stoel Rives LLP did not raise any conflicts of interest in fiscal 2013. In making this assessment, the HRC considered that neither Towers Watson, Mercer Investment Consulting nor Stoel Rives LLP provided any other services to the Company unrelated to executive compensation and the other factors enumerated in new Rule 10C-1(b) under the Exchange Act.

Objectives and Philosophy of Compensation Programs

Our executive compensation program is designed to achieve the following objectives:

- align our rewards strategy with our business objectives, including enhancing stockholder value and customer satisfaction;
- support a culture of strong performance by rewarding employees for results;
- attract, retain and motivate talented and experienced executives; and
- foster a shared commitment among our senior executives by aligning our and their individual goals.

These objectives are ever present and are at the forefront of our compensation philosophy and all compensation design decisions.

Our compensation philosophy provides the foundation upon which all of our compensation programs are built. Our goal is to compensate our executives with a program that rewards loyalty, results-driven individual performance, and dedication to the organization's overall success. These principles define our compensation philosophy and are used to align our compensation programs with our business objectives. Further, the HRC specifically outlines in its charter the following duties and responsibilities in shaping and maintaining our compensation philosophy:

- assess whether the components of executive compensation support our culture and business goals;
- consider the impact of executive compensation programs on stockholders;
- consider issues and approve policies regarding qualifying compensation for executives for tax deductibility purposes;
- approve the appropriate balance of fixed and variable compensation; and
- approve the appropriate role of performance based and retention based compensation.

Our executive compensation programs are structured to reward our executives for their contributions in achieving our mission of providing outstanding customer service and attaining strong financial results, as discussed in more detail below. Our executive compensation policy is designed to attract and retain high caliber executives and motivate them to superior performance for the benefit of our stockholders.

Various Company policies are in place to shape our executive pay plans, including:

- salaries are linked to competitive factors, internal equity, and can be increased as a result of successful job performance;
- our annual bonus programs are competitively based and provide incentive compensation based on our financial performance and customer service scores;
- long-term incentives are tied to enhancing stockholder value and to our financial performance; and
- qualifying compensation paid to senior executives is designed to maximize tax deductibility, where possible.

The executive compensation practices are intended to compensate executives primarily on performance, with a large portion of potential compensation at risk. The HRC sets senior executive compensation with two driving principles in mind: (1) delivering financial results to our stockholders and (2) ensuring that our customers receive a great experience when visiting our properties. To that end, historically the HRC has set our senior executive compensation so that at least 50% of our senior executives' total compensation is at risk based on these objectives.

Compensation Program Design Emphasizes Variable and At Risk Compensation

The executive compensation program is designed with our executive compensation objectives in mind and is comprised of fixed and variable pay plans, cash and non-cash plans, and short and long-term payment structures in order to recognize and reward executives for their contributions to our Company today and in the future. The impact of individual performance on compensation is reflected in base pay merit increases, setting the Bonus Plan payout percentages as compared to base pay, and the amount of equity awards granted. The impact of our financial performance and customer satisfaction is reflected in the calculation of the annual bonus payment and the intrinsic value of equity awards. Supporting a performance-based culture and providing compensation that is directly linked to outstanding individual and overall financial results is at the core of our compensation philosophy and human capital management strategy.

The table below reflects our short-term and long-term executive compensation programs during 2013:

Short-term	Long-term
<i>Fixed and Variable Pay</i>	<i>Variable Pay</i>
Base Salary	Equity Awards - Options and Restricted Stock Units
Senior Executive Incentive Plan (employing the goals under the Annual Management Bonus Plan)	Executive Supplemental Savings Plan II
Customer Service Jackpot Plan	Project Renewal Incentive Plan ⁽¹⁾

(1) The Project Renewal Incentive Plan expired on March 1, 2013.

Market Review and Competitiveness

We periodically assess and evaluate the internal and external competitiveness for all components of our executive compensation program. Internally, we look at critical and key positions that are directly linked to our profitability and viability. We review our compensation structure to determine whether the appropriate hierarchy of jobs is in place with appropriate ratios of Chief Executive Officer compensation to other senior executive compensation. We believe the appropriate ratio of Chief Executive Officer cash compensation compared to other senior executives ranges from 2.16:1 on the low end to 6:45 on the high end. These ratios are merely a reference point for the HRC in setting the compensation of our Chief Executive Officer, and were set after reviewing the job responsibilities of our Chief Executive Officer versus other senior executives and a gaming peer group. Internal equity is based on both quantitative and qualitative job evaluation methods, including span of control, required skills and abilities, long-term career growth opportunities as well as relevant comparative financial and non-financial job metrics. Externally, benchmarks are used to provide guidance and to improve our ability to attract, retain, and recruit talented senior executives. Due to the highly competitive nature of the gaming industry, as well as the competitiveness across industries for talented senior executives, it is important for our compensation programs to provide us the ability to internally develop executive talent, as well as recruit highly qualified senior executives.

The overall design of the executive compensation program and the elements thereof is a culmination of years of development and compensation plan design adjustments. Each year the plans are reviewed for effectiveness, competitiveness, and legislative compliance. The current plans have been put into place with the approval of the HRC and in support of the principles of the compensation philosophy and objectives of our pay practices and policies.

In 2009, our Human Resources department conducted a review of compensation practices of competitors in the gaming industry and our Human Resources department continued to review and update the analysis in 2010, 2011, and 2013. The review covered a range of senior roles, including those of our named executive officers and board of directors, and competitive practices relating to cash compensation. The findings of the peer group analysis were presented to the HRC when reviewing cash compensation for our executives. As a result of this review, the HRC believes that the current compensation program adequately compensates and provides incentive to our executives. The companies comprising our peer group for the 2009 review and 2010, 2011, and 2013 updates were:

Ameristar Casinos, Inc.	Penn National Gaming, Inc.
Boyd Gaming Corporation	Station Casinos, Inc.
Isle of Capri Casinos	Pinnacle Entertainment, Inc.
Las Vegas Sands Corp.	Wynn Resorts, Limited
MGM Resorts International	

In 2013, we engaged Towers Watson to provide a review of equity compensation practices and the outcome of this review was used to provide guidance in the development of the annual equity grant program. Given the structure of our Company, with operations throughout the United States and internationally, the review covered equity grant practices of a broad range of companies of comparable size and geographic scope, and was not limited to peers in the gaming industry with a smaller geographic reach. Below is the list of the 168 companies used in the review:

Elements of Active Employment Compensation and Benefits

The total direct compensation mix for each named executive officer varies. For our Chief Executive Officer, the allocation for 2013 was 47% for base salary and 53% for annual bonus. For the other named executive officers in 2013, the average allocation was 62% for base salary and 38% for annual bonus. Each compensation element is considered individually and as a component within the total compensation package. In reviewing each element of our senior executives' compensation, the HRC reviews peer data, internal and external benchmarks, our performance over the calendar year (as compared to our internal plan as well as compared to other gaming companies) and the executive's individual performance. Prior compensation and wealth accumulation is considered when making decisions regarding current and future compensation; however, it has not been a decision point used to cap a particular compensation element.

Peer Group Data

We and the HRC review the compensation of our named executive officers against our peer groups. The table below shows the amounts paid for our named executive officers in 2013 and the Peer Group Median for each category of compensation, as measured in 2012 for the 2013 SEC filings, the latest data available for the peer group.

Mr. Loveman's base salary is above the median and is a reflection of our position as one of the world's largest gaming companies. Additionally, several of Mr. Loveman's peers are significant shareholders of their respective companies and, therefore, choose to receive a reduced base salary; this does not apply to Mr. Loveman. Messrs. Colvin's and Donovan's base salaries are in line with their peer group median. Messrs. Jenkin's and Payne's base salaries are above the peer group median but this is a reflection of our position as one of the world's largest gaming companies with operations larger than the average size for our industry. In 2013, we introduced an annual equity program awarding a mix of stock options and restricted stock units to our leadership population, which all of our named executive officers participated in. The Option Awards and Stock Units figures in the above table reflect grant date fair value of the awards granted during 2013. With respect to non-equity incentive plan compensation, our Senior Executive Incentive Plan (for Messrs. Loveman, Colvin (commencing in 2013), Jenkin, Payne, and Donovan) is a discretionary program based on our financial performance and customer service improvement. Bonus amounts are determined at the sole discretion of the 162(m) Plan Committee, with input from the Chief Executive Officer for the other named executive officer's. With respect to all other compensation, costs above peer group median are related to the costs of Mr. Loveman's personal security, aircraft usage and hotel lodging expense while in Las Vegas. See Note 5 of "-Summary Compensation Table."

Elements of Compensation

Base Salary

Salaries are reviewed each year and increases, if any, are based primarily on an executive's accomplishment of various performance objectives and salaries of executives holding similar positions within the peer group, or within our Company. Adjustments in base salary may be attributed to one of the following:

- Merit: increases in base salary as a reward for meeting or exceeding objectives during a review period. The size of the increase is directly tied to pre-defined and weighted objectives (qualitative and quantitative) set forth at the onset of the review period. The greater the achievement in comparison to the goals, generally, the greater the increase.
- Market: increases in base salary as a result of a competitive market analysis, or in coordination with a long term plan to pay a position at a more competitive level.
- Promotional: increases in base salary as a result of increased responsibilities associated with a change in position.
- Additional Responsibilities: increases in base salary as a result of additional duties, responsibilities, or organizational change. A promotion may be, but is not necessarily, involved.
- Retention: increases in base salary as a result of a senior executive's being recruited by or offered a position by another employer.

All of the above reasons for base salary adjustments for senior executives must be approved by the HRC and are not guaranteed as a matter of practice or in policy. Due to the general economic environment, our Chief Executive Officer and other named executive officers did not receive an increase in base salary in 2013.

Cash Incentive Payments

Senior Executive Incentive Plan and Annual Management Bonus Plan

In December 2008, the Senior Executive Incentive Plan was approved by the HRC and our then sole voting stockholder, to be effective January 1, 2009. The awards granted pursuant to the Senior Executive Incentive Plan are intended to qualify as performance-based compensation under Section 162(m) of the Code. Eligibility to participate in the Senior Executive Incentive Plan is limited to senior executives of Caesars and its subsidiaries who are or at some future date may be, subject to Section 16 of the Exchange Act. The 162(m) Plan Committee set the performance criteria, target percentages, and participants under the Senior Executive Incentive Plan in February 2013. The 162(m) Plan Committee set the bonus target for each participant in the Senior Executive Incentive Plan at 0.5% of the Company's EBITDA for 2013. Subject to the foregoing and to the maximum award limitations, no awards will be paid for any period unless we achieve positive EBITDA. The Senior Executive Incentive Plan is discretionary, including making no payments under the plan.

Messrs. Loveman, Colvin, Jenkin, Payne, and Donovan and certain other executive officers participated in the Senior Executive Incentive Plan for 2013. As noted above, the 162(m) Plan Committee has authority to reduce bonuses earned under the Senior Executive Incentive Plan and also has authority to approve bonuses outside of the Senior Executive Incentive Plan to reward executives for special personal achievement.

It has been the 162(m) Plan Committee's practice to implement its discretion under the Senior Executive Plan (decrease the bonus target of 0.5% of EBITDA) by reference to the achieved performance goals and bonus formulas used under the Bonus Plan discussed below.

The Bonus Plan provides the opportunity for our senior executives and other participants to earn an annual bonus payment based on meeting corporate financial and non-financial goals. The goals may change annually to support our short or long-term business objectives. These goals are set at the beginning of each fiscal year by the HRC. In accordance with the terms of the Bonus Plan, the HRC is authorized to revise the financial goals on a semi-annual basis if external economic conditions indicated that the original goals did not correctly anticipate movements of the broader economy. Based on performance goals set by the HRC each year, there are minimum requirements that must be met in order for a bonus to be provided under the Bonus Plan. Just as bonus payments are increased as performance goals are exceeded, results falling short of goals reduce or eliminate bonus payments. In order for participants in the Bonus Plan to receive a bonus, a minimum attainment of 85% of the financial goals approved by the HRC must be met; however, the HRC has the discretion to award bonuses even if the target threshold is not met.

The Bonus Plan performance criteria, target percentages, and plan awards under the Bonus Plan for the bonus payments for the fiscal year ended December 31, 2013 (paid in 2014) were set in February 2013; however, the HRC continued its past practice of periodically reviewing performance criteria against plan. For the 2013 plan year, the Bonus Plan's goal for our named executive officers and other members of senior management consisted of a combination of Adjusted EBITDA and customer satisfaction improvement, with cash flow incorporated for select participants, other than the named executive officers. Although officers that participated in the Senior Executive Incentive Plan during 2013 do not participate in the Bonus Plan, goals are set for all officers under this plan. The measurement used to gauge the attainment of these goals is called the "corporate score."

For 2013, financial goals are based on Adjusted EBITDA, representing up to 80% of the corporate score. EBITDA is a common measure of company performance in the gaming industry and as a basis for valuation of gaming companies and, in the case of Adjusted EBITDA, as a measure of compliance with certain debt covenants.

Under the terms of the Bonus Plan, bonus payments are not paid if Adjusted EBITDA is less than 85% of target, which is threshold; however, the HRC has the discretion to award bonuses even if the threshold is not met.

Adjusted EBITDA under the Bonus Plan means "Adjusted EBITDA" as defined in the agreements governing our CEOC senior secured credit facilities, which are publicly available on our website and the SEC's website, and is further adjusted by exceptions approved by the HRC to account for unforeseen events that directly impact Adjusted EBITDA results. "EBITDA" under our Senior Executive Incentive Plan means the Company's consolidated net income before deductions for interest expense, income tax expense, depreciation expense, amortization expense for the performance period, each computed in accordance with accounting principles generally accepted in the United States. The HRC may make adjustments to the calculation of the Company's EBITDA when the performance goal is established.

In April 2013, the HRC approved an additional metric to the Bonus Plan for select participants with direct influence over cash management. The cash flow metric was not incorporated in the bonus score for any of our named executive officers in 2013. The cash flow metric represents 25% of the bonus score for the corporate participants and 10% of the bonus score for property participants. The metric measures performance against targets approved by the HRC and was incorporated in the plan to reward management for delivering additional liquidity and reducing working capital. Payout is dependent on achievement of the minimum EBITDA plan results.

Non-financial goals consist of one measurement: customer satisfaction. We believe we distinguish ourselves from competitors by providing excellent customer service. Supporting our property team members who have daily interaction with our external customers is critical to maintaining and improving guest service. Customer satisfaction is measured by surveys of our Total Rewards customers taken by a third party. These surveys are taken weekly across a broad spectrum of customers. Customers are asked to rate our casinos' performance using a simple A-B-C-D-F rating scale. The survey questions focus on friendly/helpful and wait time in key operating areas, such as beverage service, slot services, Total Rewards, cashier services and hotel operation services. Each of our casino properties works against an annual baseline defined by a composite of their performance in these key operating areas from previous years. Customer satisfaction comprised 20% of the corporate score for 2013, and the target was set at a 3% change from non-A to A scores for 2013. A minimum 0.6% change from non-A to A scores is required to receive any portion of the customer satisfaction payout. Actual customer satisfaction score for 2013 was 2.5% change in non A to A scores, which resulted in a corporate score of 17 after giving effect to 20% weighting.

After the corporate score has been determined, a bonus matrix approved by the HRC provides for bonus amounts of participating executive officers and other participants that will result in the payment of a specified percentage of the participant's salary if the target objective is achieved. The target payout percentage for Mr. Loveman is 150% and target payout percentage for Messrs. Colvin, Jenkin, Payne, and Donovan is 75%. This percentage of salary is adjusted upward or downward based upon the level of corporate score achievement.

After the end of the fiscal year, the Chief Executive Officer assesses our performance against the financial and customer satisfaction targets set by the HRC. Taking into account our performance against the targets set by the HRC, the Chief Executive Officer will develop and recommend a performance score of 0 to 200 to the HRC. If the minimum of 85% of the financial goal is not met, the performance score is 0. If the threshold of 85% of the financial goal is met but not exceeded, the performance score is 16. To achieve the maximum score of 200 points, the financial performance must meet or exceed 115% of the financial goals and the customer satisfaction score must meet or exceed the 3% shift. A score of 200 results in payment of two times target bonus, while a score of 100 results in payment of target bonus opportunity.

The 2013 corporate score of 76 was approved by the HRC in January 2014. The score was based on Adjusted EBITDA performance at 95% of the target and a 2.5% shift in non-A's to A's on our customer surveys. See "-Summary Compensation Table" for actual payouts.

The HRC has the authority under the Bonus Plan to adjust any goal or bonus points with respect to executive officers, including making no payment under the Bonus Plan. These decisions are subjective and based generally on a review of the circumstances affecting results to determine if any events were unusual or unforeseen.

Customer Service Jackpot Plan

Since 2011, the HRC has maintained an incentive plan for all management (including the named executive officers) designed to incent greatly enhanced performance against our customer service metric. The Customer Service Jackpot functions as a supplement to the Bonus Plan and is measured against the same customer service metric as the Bonus Plan. In order to qualify for an award under the Customer Service Jackpot, a property must have a minimum positive shift of non-A to A customer scores of 6.0%, which is double the shift that earns the maximum customer service bonus points in the Bonus Plan, and we consider the Customer Service Jackpot to be an award for the achievement of two years' worth of maximum service performance in a single year. Payout of the Customer Service Jackpot is targeted at 5% of an employee's base salary for all management. No payments were made under this plan in 2013 to the named executive officers.

Project Renewal Incentive Plan

In 2011, the HRC adopted the PRIP, a plan designed to incent our leadership to undertake the cost savings initiatives proposed as part of a comprehensive program to streamline our operations that was launched in the fourth quarter of 2010. PRIP provides payouts when pre-determined cumulative, run rate savings milestones are achieved and maintained for at least three consecutive months, as certified by the HRC. PRIP includes four savings milestones in the amounts of \$100 million, \$200 million, \$300 million and \$400 million. Payout under PRIP is further subject to the maintenance of a minimum EBITDA threshold per \$100 million of cost savings to ensure that actual savings flow through to EBITDA.

The maximum payout any participant can receive based on achieving each of the four savings milestones is equal to two times the participant's annual bonus target. Upon achievement (and maintenance) of each of (i) the first and second savings milestones (\$100 million and \$200 million, respectively) 33% of the annual bonus target is payable, and (ii) the third and fourth milestones (\$300 million and \$400 million, respectively) 67% of the annual bonus target is paid. Participants must be employed as of the day bonuses are paid in order to be eligible to receive payment.

In 2011, the HRC approved payouts under the PRIP, concluding that the first \$100 million run rate savings milestone was achieved, sustained for at least three months, and that the EBITDA governor was achieved as well. While savings targets above the \$100 million threshold were achieved, the plan incorporated governors based on EBITDA margin and performance that were not met, so payouts above this level were not made.

The PRIP expired on March 1, 2013. No payouts were made to the named executive officers under the PRIP in 2013. Prior to its expiration, the Project Renewal Incentive Plan was discretionary, including making no payments under the plan.

Discretionary Bonus Awards

The HRC has the discretion to award one-time bonuses to our named executive officers and other members of our management team as a recognition tool. In November 2013, the HRC awarded Mr. Donovan a one time discretionary bonus of \$100,000 in recognition of his efforts on the company's behalf on several significant commercial and legal matters, including the sale of land in Macau owned by the company. Mr. Donovan was the only named executive officer to receive a discretionary bonus in 2013.

Equity Awards

In 2008, as a result of our reorganization and there being no public market for our common stock, the HRC awarded a "megagrant" equity award with a mix of time based options and performance based options. The megagrant was awarded in lieu of annual equity grants that we had historically awarded like many other public companies. In 2012, the HRC approved a stock option reprice/exchange which allowed employees, service providers and directors holding options granted on or prior to February 9, 2012 and had an exercise price equal to or greater than \$20.09 per share to exchange those options on a one-for-one basis for new stock options with an exercise price equal to the fair market value of shares of common stock on the date of the option repricing, except that certain options that vest on or prior to the second anniversary of the option repricing would be exercisable at an exercise price of \$20.09 per share until the second anniversary of the option repricing and after such date will have an exercise price equal to the fair market value of shares of our common stock on the date of the option repricing.

Eligible participants for the repricing were all employees, directors and service providers of the Company or any of its subsidiaries on the date of the option repricing commenced and remained as such through the date of the option repricing. The exercise price for outstanding time-based options was reduced to \$8.22 for options vesting immediately, and \$20.09 for options vesting on or before August 21, 2014, at which time the exercise price reverts to the fair market value on grant date of \$8.22. All options vesting after the August 21, 2014 date have an exercise price of \$8.22. All exchanged time-based options vest at 20% on each of the first four anniversaries of the grant date, with 20% of options vesting immediately. All exchanged two times performance-based options were revised to vest at such time as the Company's 30-day trailing average stock price equals or exceeds \$57.41 per share, and all exchanged one and a half times performance-based options were revised to vest at such time as the Company's 30-day trailing average stock price equals or exceeds \$35.00 per share. Each replacement option had a ten year term. The 2012 re-pricing was initiated because at the time the stock options held by employees had little or no current value as an incentive to strengthen employee, service provider and director retention. Following the transition back to a public company in 2012, we adopted our 2012 Plan and returned to an annual equity awards in 2013 to maintain a competitive long term incentive program.

2013 Annual Long Term Incentive Program

In April 2013, the HRC approved an annual long term incentive plan as part of our variable compensation programs. The plan is designed to offer long term value to our leaders through a mix of restricted stock units and time based stock options in order to attract and retain top talent. Restricted stock units were adopted in 2013 based on results from the market review performed by Towers Watson. The companies reviewed typically had a diversified equity plan with more than one vehicle. When determining exact size of the grants to leaders, individual performance, market practice, and target value are considered by the HRC. Both the restricted stock units and the stock options vest ratably over a three and a half year period and require continued service with the Company, in order to promote retention. As with our other variable compensation plans, this annual long term incentive plan is discretionary and grants under the plan require approval from the HRC.

2013 Amendment to 2012 Plan and 2013 Annual Grants

In June 2013, the HRC approved equity grants for all of the named executive officers and certain other management as part of the Annual Long Term Incentive Plan, described below. The annual grants contained time-vested options and restricted stock units, all vesting over three and a half years in order to promote retention.

In June 2013, the HRC approved the following annual grants to the named executive officers:

Executive	Number of Shares of Time Based Options	Number of Shares of Restricted Stock Units	Grant Date Fair Value of Stock and Option Awards ⁽¹⁾
Gary Loveman	110,834	102,917	2,069,219
Thomas Jenkin	37,500	56,250	993,680
John Payne	28,125	42,188	745,267
Donald Colvin	21,875	32,813	579,654
Timothy Donovan	20,313	30,469	538,250

(1) The figures in this column reflect the grant date fair value of stock awards and option awards granted during the year in accordance with Accounting Standards Codification, or ASC, Topic 718.

Modification to Certain Performance Based Options

In December 2013, the HRC approved a change to the \$57.41 performance options vesting that applied to all relevant outstanding performance options and required no action from the option holder. The vesting for the outstanding \$57.41 performance options was revised to vest 50% of options on March 15, 2014 and 50% of options on March 15, 2015. If the Company's 30-day trailing average stock price equals or exceeds \$57.41 per share prior to the revised vesting dates, the outstanding \$57.41 performance options will vest immediately. These were granted in our option exchange in 2012 and have an exercise price of \$8.22, and the closing stock price on the date of the modification was \$20.24. Mr. Loveman holds 768,709 of the performance-based options, which were originally scheduled to vest upon a \$57.41 price target and whose vesting was so modified. Messrs. Colvin, Jenkin, Payne, and Donovan hold performance-based options in the amounts of 28,125, 35,947, 25,808, and 9,737, respectively, which were originally scheduled to vest upon a \$57.41 price target and whose vesting was so modified.

The HRC acted to secure retention and engagement by amending existing equity grants to enhance their realizable value. Factors that were considered in modifying the vesting provisions on the \$57.41 options included historical equity value realization, market and industry practices, shares usage under our equity plan, the lack of any accounting expense from the modification and historical stock prices.

Clawbacks and Forfeitures

Under our Omnibus Incentive Plan, the HRC has the authority to cancel without payment, to require forfeiture and payment to the Company all or any portion of the compensation, gain or other value on all awards unless the awards agreement provides otherwise upon the occurrence of certain events.

Under our 2012 Plan, unless an award agreement provides otherwise, in the event of an accounting restatement due to material noncompliance by the Company with any financial reporting requirement under the securities laws that reduces the amount payable or due in respect of an award under the 2012 Plan that would have been earned had the financial results been properly reported, the award will be canceled and the participant will forfeit the cash or shares received or payable on the vesting, exercise or settlement of the award and proceeds of the sale, gain or other value realized on the vesting or exercise of the award or the shares of common stock acquired in respect of the award (and the participant may be required to return or pay such shares or amount to the Company). If, after a termination by a participant from employment or services with the Company and its subsidiaries, the plan administrator determines that the Company or any of its subsidiaries had grounds to terminate such participant for “Cause” (as defined in the 2012 Plan), then (i) any outstanding award held by such participant may be canceled without payment therefor and (ii) the plan administrator may require the participant to forfeit and pay over to the Company, on demand, all or any portion of the compensation, gain or other value realized upon the exercise of any option or stock appreciation right, or the subsequent sale of shares of common stock acquired upon exercise of such option or stock appreciation right and the value realized on the vesting, payment or settlement of any other award during the period following the date of the conduct constituting cause. To the extent required by applicable law and/or the rules of any exchange or inter-dealer quotation system on which shares of common stock are listed or quoted, or if so required pursuant to a written policy adopted by the Company (as in effect and/or amended from time to time), awards under the 2012 Plan shall be subject (including on a retroactive basis) to clawback, forfeiture or similar requirements (and such requirements shall be deemed incorporated by reference into the 2012 Plan and all outstanding award agreements).

On November 14, 2012, the 162(m) Plan Committee amended the Senior Executive Incentive Plan to include the authority of the committee to claw back bonuses paid to participants in the event of a termination for cause or material noncompliance resulting in financial restatement by a plan participant.

Employment Agreements

We have entered into employment agreements with each of our named executive officers. The HRC and the Board put these agreements in place in order to attract and retain the highest quality executives. At least annually, our compensation department reviews our termination and change in control arrangements against peer companies as part of its review of our overall compensation package for executives to ensure that it is competitive. The compensation department's analysis is performed by reviewing each of our executives under several factors, including the individual's role in the organization, the importance of the individual to the organization, the ability to replace the executive if he/she were to leave the organization, and the level of competitiveness in the marketplace to replace an executive while minimizing the affect to our on-going business. The compensation department presents its assessment to the HRC for feedback. The HRC reviews the information and determines if changes are necessary to the termination and severance packages of our executives.

Under Mr. Loveman's employment agreements, in the event of a termination by us without cause or a resignation for good reason, we would provide Mr. Loveman a cash severance payment equal to two times (three times in the event of qualifying termination in connection with a change in control) the sum of (i) the greater of (a) his base salary and (b) \$2,000,000, and (ii) his target bonus as in effect on the date of termination. We also provide benefits for two years and tax gross up payments under Section 280G of the Internal Revenue Code. In the event of a termination by us without cause or a resignation for good reason, or a notice of non-renewal, Messrs. Jenkin, Payne, Colvin and Donovan will receive a cash severance payment equal to one and a half times his base salary.

We do not provide for any equity acceleration in connection with a change in control or any terminations of employment.

Policy Concerning Tax Deductibility

The HRC's policy with respect to qualifying compensation paid to its executive officers for tax deductibility purposes is that executive compensation plans will generally be designed and implemented to maximize tax deductibility. However, non-

deductible compensation may be paid to executive officers when necessary for competitive reasons or to attract or retain a key executive, or where achieving maximum tax deductibility would be considered disadvantageous to our best interests. Our Senior Executive Incentive Plan is designed to comply with Section 162(m) of the Code so that annual bonuses paid under these plans, if any, will be eligible for deduction by us. See “-Senior Executive Incentive Plan.”

Stock Ownership Requirements

We do not have a policy regarding stock ownership.

Chief Executive Officer's Compensation

The objectives of our Chief Executive Officer are approved annually by the HRC. These objectives are revisited each year. The objectives for 2013 were to:

- achieve 2013 plan revenue, margins and liquidity;
- improve capital structure;
- continue to enhance domestic distribution position by actively pursuing opportunities to enter attractive markets;
- establish a casino, online and non-gaming presence in Asia;
- develop Caesars Interactive Entertainment as the leader online for rake and “for fun” gaming;
- stimulate Las Vegas growth and Atlantic City revitalization; and
- recruit, develop and motivate key talent.

The HRC's assessment of the Chief Executive Officer's performance is based on a subjective or objective review (as applicable) of performance against these objectives. Specific weights may be assigned to particular objectives at the discretion of the HRC, and those weightings, or more focused objectives, are communicated to the Chief Executive Officer at the time the goals are set. However, no specific weights were set against the Chief Executive Officer's objectives in 2013.

As Chief Executive Officer, Mr. Loveman's base salary was based on his performance, his responsibilities and the compensation levels for comparable positions in other companies in the hospitality, gaming, entertainment, restaurant and retail industries. Merit increases in his salary are a subjective determination by the HRC, which bases its decision upon his prior year's performance versus his objectives as well as upon an analysis of competitive salaries. Although base salary increases are subjective, the HRC reviews Mr. Loveman's base salary against peer groups, his roles and responsibilities within the Company, his contribution to our success and his individual performance against his stated objective criteria.

The 162(m) Plan Committee used the Senior Executive Incentive Plan to determine the Chief Executive Officer's bonus for 2013. Under this plan, bonus target is set as a percentage of EBITDA, as more fully described above. The 162(m) Plan Committee has discretion to reduce bonuses (as permitted by Section 162(m) of the Code), and it is the normal practice of the 162(m) Plan Committee to reduce the Chief Executive Officer's bonus by reference to the achievement of performance goals and bonus formulas used under the Bonus Plan. In February 2014, the 162(m) Plan Committee made the determination to award a bonus to the Chief Executive Officer for 2013 performance. See “-Summary Compensation Table.”

Mr. Loveman's salary, bonus and equity awards differ from those of our other named executive officers in order to (a) keep Mr. Loveman's compensation in line with Chief Executive Officers of other gaming, hotel and lodging companies, as well as other consumer-oriented companies, (b) compensate him for the role as the leader and public face of our Company and (c) compensate him for attracting and retaining our senior executive team.

Personal Benefits and Perquisites

During 2013, all of our named executive officers, with the exception of Mr. Colvin, received a financial counseling reimbursement benefit, prior to suspension of the benefit on April 24, 2013, and all of our named executive officers were eligible to participate in our deferred compensation plan, the Executive Supplemental Savings Plan II (the “ESSP II”), and our health and welfare benefit plans, including the Caesars Savings and Retirement Plan, (the “S&RP”). In previous years, the named executive officers also received matching amounts from us pursuant to the plan documents, which are the same percentages of salary for all employees eligible for these plans. However, in February 2009, Company matching was suspended for the S&RP and ESSP II. A modified matching program was approved by the HRC in November 2011, and reinstated for the S&RP exclusively in April 2012.

For 2012, the annual cap on the match was pro-rated to a maximum of \$450, due to the April 2012 effective date. For the year 2013 and all future years, the match will be capped at a maximum of \$600. In order to be eligible to receive the match, plan participants must be actively employed on the last day of the year.

Additionally, we provided for Mr. Loveman's personal use of Company aircraft at certain times during 2013. Lodging and certain other expenses were incurred by Mr. Loveman for use during his Las Vegas-based residence. We also provided security for Mr. Loveman and his family. The decision to provide Mr. Loveman with the personal security benefit was prompted by the results of an analysis provided by an independent professional consulting firm specializing in executive safety and security. Based on these results, the HRC approved personal security services to Mr. Loveman and his family.

These perquisites are more fully described in “-Summary Compensation Table.”

Our use of perquisites as an element of compensation is limited. We do not view perquisites as a significant element of our comprehensive compensation structure, but we do believe that they can be used in conjunction with base salary to attract, motivate and retain individuals in a competitive environment.

Under our group life insurance program, senior executives, including the named executive officers, are eligible for an employer provided life insurance benefit equal to three times their base annual salary, with a maximum benefit of \$5.0 million. Mr. Loveman is provided with a life insurance benefit of \$3.5 million under our group life insurance program and additional life insurance policies with a benefit of \$5.5 million. In addition to group long term disability benefits, which are available to all benefits eligible employees, Messrs. Loveman, Jenkin and Payne are covered under a Company-paid individual long-term disability insurance policy paying an additional \$5,000 monthly benefit. Messrs. Donovan and Colvin were not employed with the Company at the time this policy was in effect and do not receive this benefit. Mr. Loveman also has a Company-paid short-term disability policy with a \$25,000 monthly benefit and an individual long-term disability insurance policy with a \$5.0 million paid benefit.

Deferred Compensation Plans

We have one currently active deferred compensation plan, the ESSP II. However, we have five other plans that contain deferred compensation assets: Harrah's Executive Deferred Compensation Plan, or EDCP, the Harrah's Executive Supplemental Savings Plan, or ESSP, Harrah's Deferred Compensation Plan, or DCP, the Restated Park Place Entertainment Corporation Executive Deferred Compensation Plan, and the Caesars World, Inc. Executive Security Plan.

Further deferrals into the EDCP were terminated in 2001 when the HRC approved the ESSP, which permitted certain key employees, including executive officers, to make deferrals of specified percentages of salary and bonus. No deferrals were allowed after December 2004 into ESSP, and we approved the ESSP II, which complies with the American Jobs Creation Act of 2004, and allowed deferrals starting in 2005. ESSP II, similar to ESSP, allows participants to choose from a selection of varied investment alternatives and the results of these investments will be reflected in their deferral accounts. To assure payment of these deferrals, a trust fund was established similar to the escrow fund for the EDCP. The trust fund is funded to match the various types of investments selected by participants for their deferrals.

ESSP and ESSP II do not provide a fixed interest rate, as the EDCP and DCP do, and therefore the market risk of plan investments is borne by participants rather than us. To encourage EDCP participants to transfer their account balances to the ESSP thereby reducing our market risk, we approved a program in 2001 that provided incentives to a limited number of participants to transfer their EDCP account balances to the ESSP. Under this program, a currently employed EDCP participant who was five or more years away from becoming vested in the EDCP retirement rate, including any executive officers who were in this group, received an enhancement in his or her account balance if the participant elected to transfer the account balance to the ESSP. The initial enhancement was the greater of (a) twice the difference between the participant's termination account balance and retirement account balance, (b) 40% of the termination account balance, not to exceed \$100,000, or (c) four times the termination account balance not to exceed \$10,000. Upon achieving eligibility for the EDCP retirement rate (age 55 and 10 years of service), the participant electing this program will receive an additional enhancement equal to 50% of the initial enhancement. Pursuant to the ESSP, the additional enhancement vested upon the closing of the Acquisition. Mr. Loveman elected to participate in this enhancement program, and therefore no longer has an account in the EDCP.

Mr. Jenkin is the only named executive officer who maintained a balance in a non-active deferred compensation plan, the EDCP, during 2013. Under the EDCP, the executive earns the retirement rate under the EDCP if he attains (1) specified age and service requirements (55 years of age plus 10 years of service or 60 years of age) or (2) attains specified age and service requirements (is at least 50 years old, and when added to years of service, equals 65 or greater) and if his employment is

terminated without cause pursuant to his employment agreement. The executive receives service credit under the EDCP for any salary continuation and non-compete period. Additionally, if an executive is “separated from service” within 24 months of the Acquisition, the executive earns the retirement rate under the EDCP. Mr. Jenkin has met the requirements to earn the retirement rate.

While further deferrals into the EDCP were terminated, and while most EDCP participants transferred their EDCP account balance to the ESSP, amounts deferred pursuant to the EDCP prior to its termination and not transferred to the ESSP remain subject to the terms and conditions of the EDCP and will continue to earn interest as described above.

Under the deferred compensation plans, the Acquisition required that the trust and escrow fund be fully funded.

2014 Compensation Actions

On April 13, 2014, the Board adopted the CAC Equity-Based Compensation Plan, which provides our officers, employees, consultants advisors, contractors and other service providers the opportunity to receive compensation in the form of shares of Class A common stock of CAC. The Board determined that it is in the best interests of the Corporation and its stockholders for our employees to have incentives tied to success of our joint venture, Growth Partners. We expect that each of the named executive officers will receive an award under this plan, but none have been granted to date. Subject to the officer’s continued employment or service, each grant shall generally vest in three equal installments, on October 21 of each of 2014, 2015 and 2016.

REPORT OF THE HUMAN RESOURCES COMMITTEE

- (1) Amounts in this column reflect the grant date fair value of stock awards and option awards granted during the applicable year and were determined as required by Accounting Standards Codification ("ASC") Topic 718. Assumptions used in the calculations of these amounts are set forth in Note 20 to our consolidated financial statements included in the Company's Annual Report on Form 10-K for the fiscal year ending December 31, 2013.

Performance-based options are valued using a Monte Carlo simulation option pricing model. This model approach provides a probable outcome fair value for these types of awards. The estimated maximum potential values for the performance options, and the related total Option Award fair values for the 2011 awards, respectively, were \$3,018,339 and \$9,055,000 for Mr. Loveman.

In August 2012, the HRC approved an options re-pricing reducing the price of outstanding time-based options to \$20.09, for those options vesting on or before the second anniversary of the grant date. On the second anniversary of the grant date, the price of these options reverts to the grant date value of \$8.22. The exercise price of the time based options vesting after the second anniversary of the grant date and of all outstanding performance-based options was reduced to \$8.22 per share. See "-2012 Stock Option Re-Pricing" for additional information. Included in the figures in this column is the incremental fair value, computed as of the date of the above amendments in accordance with FASB ASC Topic 718 with respect to such amended stock options. See "-2012 Stock Option Re-Pricing" for additional information.

In December 2013, the HRC approved a change to the \$57.41 performance options vesting that applied to all relevant outstanding performance options and required no action from the option holder. The vesting for the outstanding \$57.41 performance options was revised to vest 50% of options on March 15, 2014 and 50% of options on March 15, 2015. If the Company's 30-day trailing average stock price equals or exceeds \$57.41 per share prior to the revised vesting dates, the outstanding \$57.41 performance options will vest immediately. There was no incremental fair value associated with this modification under FASB ASC 718 and thus there is no reportable compensation from this modification.

- (2) Reflects a signing bonus of \$150,000 awarded in December 2012 to Mr. Colvin and a \$100,000 one-time discretionary cash bonus to Mr. Donovan in recognition of his work on the Macau land sale in 2013.

- (3) Messrs. Loveman, Colvin, Jenkin, Payne and Donovan received 2013 bonuses pursuant to the Senior Executive Incentive Plan in the amounts of \$2,166,000, \$525,000, \$675,000, \$600,000, and \$399,000, respectively. Messrs. Loveman, Jenkin, Payne and Donovan received 2012 bonuses pursuant to the Senior Executive Incentive Plan, and Mr. Colvin received a 2012 bonus pursuant to the Bonus Plan. In 2011, Messrs. Loveman, Jenkin, and Payne received bonuses related to the Project Renewal Incentive Plan in the amounts of \$1,000,000, \$300,000, and \$256,250, respectively. Messrs. Jenkin and Payne received 2011 bonuses pursuant to the Bonus Plan in the amounts of \$1,050,000 and \$696,806, respectively. Mr. Loveman received a 2011 bonus pursuant to the Senior Executive Incentive Plan in the amount of \$2,900,000.
- (4) Includes above-market earnings on the balance Mr. Jenkin maintains in the EDCP. Mr. Jenkin has met the requirements to earn the retirement rate of interest. In October 1995, the HRC approved a fixed retirement rate of 15.5% for all account balances under the EDCP as of December 31, 1995 (subject to plan minimum rates contained in the EDCP). The interest rates on post-1995 deferrals continue to be approved each year by the HRC. The retirement rate on post 1995 deferrals during 2013 was the EDCP's minimum retirement rate of 6.87%.
- (5) All Other Compensation includes perquisites, which may include executive security, personal aircraft usage, company lodging, health, life and disability insurance, financial planning, and tax reimbursements based on taxable earnings for company lodging and on premiums paid for life and disability insurance.

The table below details the amount of (i) tax gross-up payments and 401K employer match; (ii) the value of life and disability insurance premiums paid by the Company for coverage in excess of the nondiscriminatory group insurance generally available to all salaried employees; and (iii) any other perquisites to the extent that the amount of any individual item exceeds the greater of \$25,000 or 10% of the executive's total perquisites:

Name	2013				
	401K Employer Match (\$)	Cost of Life and Disability Insurance (\$)	Executive Security (\$)	Allocated amount for aircraft usage (\$)	Tax Reimbursements (\$)
Gary Loveman	600	79,042	229,706	982,715	57,875
Donald Colvin	600	—	—	—	—
Thomas Jenkin	600	2,295	—	—	—
John Payne	600	1,170	—	—	—
Timothy Donovan	600	—	—	—	—

Mr. Loveman is required to have executive security protection. See “Compensation Discussion & Analysis-Personal Benefits and Perquisites” for additional information.

For security reasons, Mr. Loveman is required to use private aircraft for personal and business travel. The amount allocated to Mr. Loveman for personal and/or commuting aircraft usage is calculated based on the incremental cost to us of fuel, trip-related maintenance, crew travel expenses, on-board catering, landing fees, trip-related hangar/parking costs, and other miscellaneous variable costs. Since our aircrafts are used primarily for business travel, we do not include the fixed costs that do not change based on usage, such as pilots' salaries, depreciation of the purchase costs of our aircraft, the cost of maintenance not specifically related to trips, and, through 2012, fractional ownership commitment fees. During 2013, the Company entered into an amended contract with its fractional ownership provider, under which the fractional ownership commitment fees were converted from a fixed rate to an incremental hourly rate. The change in contract terms resulted in a lower overall cost to the Company; however, the change resulted in an increased incremental cost used for the calculation of Mr. Loveman's aircraft usage. The increase in Mr. Loveman's usage in 2013 when compared to 2012 is substantially comprised of this change in contract terms.

In 2013, Mr. Loveman received tax reimbursements related to lodging of \$57,875.

- (6) Mr. Colvin was appointed Executive Vice President and Chief Financial Officer of the Company on November 15, 2012.

Discussion of Summary Compensation Table

Each of our named executive officers has entered into employment agreements with us that relate to the benefits that the named executive officers receive upon termination.

Chief Executive Officer. Mr. Loveman entered into an employment agreement on January 28, 2008 (as amended to date), which provides that Mr. Loveman would serve as Chief Executive Officer and President until January 28, 2013, and the agreement shall extend for additional one year terms thereafter unless terminated by us or Mr. Loveman at least 60 days prior to each anniversary thereafter. In accordance with the terms of his employment agreement, Mr. Loveman's employment has been extended until January 28, 2015. Additionally, pursuant to the agreement, Mr. Loveman received a grant of stock options pursuant to the 2012 Performance Incentive Plan (described above). Mr. Loveman's annual salary is \$2,000,000, subject to annual merit reviews by the HRC. In February 2009, Mr. Loveman agreed to reduce his salary to \$1,900,000 as part of a broader management reduction of salaries, and despite the retraction of the reduction of base salary for the other named executive officers in July 2010, Mr. Loveman's annual salary remains at \$1,900,000.

Pursuant to his employment agreement, Mr. Loveman is entitled to participate in the annual incentive bonus compensation programs with a minimum target bonus of one and a half times his annual salary. In addition, the agreement entitles Mr. Loveman to an individual long-term disability policy with a \$180,000 annual maximum benefit and an individual long term disability excess policy with an additional \$540,000 annual maximum benefit, subject to insurability.

Mr. Loveman is also entitled to life insurance with a death benefit of at least three times the greater of (i) his base annual salary and (ii) \$2,000,000. In addition, Mr. Loveman was entitled to financial counseling reimbursed by us, up to \$50,000 per year, until that reimbursement benefit was suspended by the HRC effective April 24, 2013. The agreement also requires Mr. Loveman, for security purposes, to use our aircraft, or other private aircraft, for himself and his family for business and personal travel. The agreement also provides that Mr. Loveman will be provided with accommodations while performing his duties in Las Vegas, and we will also pay Mr. Loveman a gross-up payment for any taxes incurred for such accommodations. Our Board can terminate the employment agreement with or without cause, and Mr. Loveman can resign, at any time. Mr. Loveman's employment agreement also provides for certain severance benefits discussed below under "-Potential Payments Upon Termination or Change of Control."

Other Named Executive Officers. We entered into employment agreements with each with Thomas Jenkin and John Payne on February 28, 2008. Each of those agreements is for a term of four years beginning on January 4, 2012 and is automatically renewed for successive one year terms unless either we or the executive delivers a written notice of nonrenewal at least six months prior to the end of the term. The agreements of Messrs. Jenkin and Payne were renewed on January 4, 2012 and expire on January 4, 2016. We entered into an employment agreement with Timothy Donovan on April 2, 2009. Mr. Donovan's agreement is for a term of four years beginning on April 2, 2009 and expired on April 2, 2013, but was automatically renewed for a one year term and will continue to be renewed for successive one year terms unless either we or the executive delivers a written notice of nonrenewal at least 60 days prior to the end of the term. We entered into an employment agreement with Donald Colvin on November 14, 2012. The agreement with Mr. Colvin is for a term of four years beginning on November 14, 2012 and is automatically renewed for successive one year terms unless either we or the executive delivers a written notice of nonrenewal at least six months prior to the end of the term.

Pursuant to the employment agreements, the executives will receive base salaries as follows: Mr. Jenkin, \$1,200,000; Mr. Payne, \$1,125,000; Mr. Donovan, \$700,000; and Mr. Colvin, \$700,000. Pursuant to Mr. Colvin's employment agreement, Mr. Colvin received a signing bonus of \$150,000 on December 6, 2012. If Mr. Colvin voluntarily leaves employment with the Company unless he resigns for good reason (as defined in the employment agreement and set forth below) or if Mr. Colvin is terminated for cause (as defined in the employment agreement and set forth below), Mr. Colvin is obligated to repay his signing bonus in accordance with the following schedule: (i) prior to 365 days after Mr. Colvin's start date, all of the signing bonus, (ii) more than 365 days, but less than 730 days after Mr. Colvin's start date, fifty percent of the signing bonus, and (iii) more than 730 days after Mr. Colvin's start date, none of the signing bonus. In addition, we have agreed to pay Mr. Colvin a bonus of \$87,500 (which represents one-sixth of his annual bonus paid at the target percentage of 75%) and guaranteed Mr. Colvin a bonus of at least \$525,000 (75% of Mr. Colvin's base salary) for 2013 paid in 2014.

In February 2009, Messrs. Jenkin and Payne agreed to reduce their respective base salaries by 5% as part of a broader management reduction of salaries. In January 2010, Mr. Payne was given a market based salary increase to \$1,025,000 and took a 5% reduction of that salary to \$973,750. The 5% salary reductions were reinstated for each of the executives discussed above in July 2010. In July 2011, the HRC approved a salary increase for Mr. Payne from \$1,025,000 to \$1,125,000. The HRC will review base salaries on an annual basis with a view towards merit increases (but not decreases) in such salary. In addition,

each executive will participate in our annual incentive bonus program applicable to the executive's position and shall have the opportunity to earn an annual bonus based on the achievement of performance objectives.

Each of Messrs. Payne, Jenkin, Colvin and Donovan is entitled to participate in benefits and perquisites at least as favorable to the executive as such benefits and perquisites currently available to the executives, group health insurance, long term disability benefits, life insurance, financial counseling (until this benefit was suspended in April 2013), vacation, reimbursement of expenses, director and officer insurance and the ability to participate in our 401(k) plan. With respect to Messrs. Payne and Jenkin, if (a) the executive attains age 50 and, when added to his or her number of years of continuous service with us, including any period of salary continuation, the sum of his or her age and years of service equals or exceeds 65, and at any time after the occurrence of both such events executive's employment is terminated and his or her employment then terminates either (1) without cause or (2) due to non-renewal of the agreement, or (b) the executive attains age 55 and, when added to his or her number of years of continuous service with us, including any period of salary continuation, the sum of his or her age and years of service equals or exceeds 65 and the executive's employment is terminated other than for cause, he or she will be entitled to lifetime coverage under our group health insurance plan. The executive will be required to pay 20% of the premium for this coverage and we will pay the remaining premium, which will be imputed taxable income to the executive. This insurance coverage terminates if the executive competes with us.

(1) Represents potential threshold, target, and maximum incentive compensation for 2013. The threshold, target, and maximum payouts are calculated by applying the percentage payouts set by the 162(m) Committee to each named executive officer's base salary. Actual target and maximum payouts are determined by Adjusted EBITDA performance and customer satisfaction results under our Bonus Plan, as the means by which the 162(m) committee exercises its negative discretion under the Senior Executive Incentive Plan, described more fully under the "Senior Executive Incentive Plan and Annual Management Bonus Plan".

(2) The figures in this column reflect the grant date fair value of stock awards and option awards granted during the year in accordance with Accounting Standards Codification, or ASC, Topic 718. Assumptions used in the calculations of these amounts are set forth in Note 20 to our consolidated financial statements included in the Company's Annual Report on Form 10-K for the fiscal year ending December 31, 2013.

Outstanding Equity Awards at Fiscal Year-End

In 2012, the Board approved and adopted the 2012 Performance Incentive Plan. Grants to each of our named executive officers under this plan are listed below, as of December 31, 2013. (1) One-half of unvested options vest on August 21, 2015 and 2016, respectively.

(2) Performance options vest if the simple average of the last reported sale prices per share of the option shares for the 30 calendar day period ending on the day immediately preceding the date of determination is equal to or greater than the specified price target. Specifically, 478,375 of the performance-based options vest upon a \$35.00 price target and 768,709 of the performance-based options were originally scheduled to vest upon a \$57.41 price target, respectively. In December 2013, the HRC approved a change to the vesting criteria for the \$57.41 performance options, adjusting the terms to 50% vesting on March 15, 2014 and 50% vesting on March 15, 2015 regardless of the stock price. If the \$57.41 price target is reached prior to the amended vesting dates, the options will vest immediately.

(3) The exercise price for time based options is \$20.09 until August 21, 2014, at which time the exercise price shall be \$8.22.

(4) One-third of unvested options vest on December 7, 2014, 2015 and 2016, respectively.

(5) Performance options vest if the simple average of the last reported sale prices per share of the option shares for the 30 calendar day period ending on the day immediately preceding the date of determination is equal to or greater than the specified price target. Specifically, 50% of the performance-based options were originally scheduled to vest upon a \$35 price target and \$57.41 price target, respectively. In December 2013, the HRC approved a change to the vesting criteria for the \$57.41 performance options, adjusting the terms to 50% vesting on March 15, 2014 and 50% vesting on March 15, 2015 regardless of the stock price. If the \$57.41 price target is reached prior to the amended vesting dates, the options will vest immediately.

(6) Unvested shares vest on December 7, 2014.

(7) One- fourth of options and stock units vest on each of January 2, 2014, 2015, 2016, and 2017, respectively.

(8) Unvested shares vest on August 21, 2014.

Option Exercises and Stock Vested

The following table gives certain information concerning stock option and stock award exercises and vesting during 2013.

(1) Value realized is calculated as the number of shares vested times the closing price on the date vested.

(2) Value realized is calculated as the difference between the market price on the day of exercise minus the exercise price, times the number of shares.

Discussion of Nonqualified Deferred Compensation Table

We do not provide a fixed benefit pension plan for our executives but maintain deferred compensation plans, including the ESSP II. During 2013, certain key employees, including executive officers, had the option to defer a portion of their salary and bonus into the ESSP II. The ESSP II is a variable investment plan that allows the executives to direct their investments by choosing among several investment alternatives. The contributions of the executives and the Company into the ESSP II during 2013 are reflected in the above table. The earnings of the executives in 2013 on current and prior year deferrals are also reflected in the above table.

Mr. Jenkin currently maintains a balance in the EDCP. Under the EDCP, the executive earns the retirement rate under the EDCP if he attains (a) specified age and service requirements (55 years of age plus 10 years of service or 60 years of age) or (b) attains specified age and service requirements (is at least 50 years old, and when added to years of service, equals 65 or greater) and if his employment is terminated without cause pursuant to his employment agreement. The executive receives service credit under the EDCP for any salary continuation and non-compete period. Additionally, if an executive is “separated from service” within 24 months of the Acquisition, the executive earns the retirement rate under the EDCP. Mr. Jenkin has met the requirements under the EDCP to earn the retirement rate. Deferrals into the EDCP were terminated in 2001. The HRC approves the EDCP retirement rate (which cannot be lower than a specified formula rate) annually. In October 1995, the HRC approved a fixed retirement rate of 15.5% for all account balances under the EDCP as of December 31, 1995 (subject to plan minimum rates contained in the EDCP). The interest rates on post-1995 deferrals continue to be approved each year by the HRC. The retirement rate on post-1995 deferrals during 2013 was the Plan's minimum retirement rate of 6.87%. Mr. Jenkin's earnings in 2013 under the EDCP are included in the above table.

The table below shows the investment funds available under the ESSP and the ESSP II and the annual rate of return for each fund for the year ended December 31, 2013:

Pursuant to the terms of the DCP and ESSP II, any unvested amounts of the participants in the plans became fully vested upon the Acquisition.

Potential Payments Upon Termination or Change of Control

We have entered into employment agreements with the named executive officers that require us to make payments and provide various benefits to the executives in the event of the executive's termination or a change in control. The terms of the agreements are described below. The estimated value of the payments and benefits due to the executives pursuant to their agreements under various termination events are detailed in the tables below.

Mr. Loveman.

If we terminate the employment agreement without Cause, or if Mr. Loveman resigns for Good Reason:

- Mr. Loveman will be paid, in equal installments over a 24 month period, a cash severance payment equal to two times the sum of (i) the greater of (a) his Base Salary and (b) \$2,000,000, and (ii) his target bonus as in effect on the date of termination;
- Mr. Loveman will continue to have the right to participate in our benefit plans (other than bonus and long-term incentive plans) for a period of two years beginning on the date of termination; and
- Mr. Loveman will be paid his pro-rated bonus (at target) for the year of termination.

After his employment with us terminates for any reason, Mr. Loveman will be entitled to participate in our group health insurance plans applicable to corporate executives, including family coverage, for his lifetime. We will pay 80% of the premium on an after-tax basis for this coverage, and Mr. Loveman will incur imputed taxable income equal to the amount of our payment. When Mr. Loveman becomes eligible for Medicare coverage, our group health insurance plan will become secondary, and Mr. Loveman will be eligible for the same group health benefits as normally provided to our other retired management directors. He will incur imputed taxable income equal to the premium cost of this benefit.

If a change in control were to occur during the term of Mr. Loveman's employment agreement, and his employment was terminated involuntarily or he resigned for Good Reason within two years after the change in control, or if his employment was involuntarily terminated within six months before the change in control by reason of the request of the buyer, Mr. Loveman would be entitled to receive the benefits described above under termination without Cause by us or by Mr. Loveman for Good Reason, except that (a) the multiplier would be three times (in lieu of two times) and (b) the payment would be in a lump sum (as opposed to over a 24 month period). In addition, if the payments are subject to a federal excise tax, or Excise Tax, imposed on Mr. Loveman, the employment agreement requires us to pay Mr. Loveman an additional amount, or the Gross-Up Payment, so that the net amount retained by Mr. Loveman after deduction of any Excise Tax on the change in control payments and all Excise Taxes and other taxes on the Gross-Up Payment, will equal the initial change in control payment, less normal taxes.

The agreement provides that Mr. Loveman will not compete with us or solicit employees to leave us above a certain grade level for a period of two years after termination of his active full time employment (which for this purpose does not include the salary continuation period).

“Cause” is defined under the agreement as:

- (i) the willful failure of Mr. Loveman to substantially perform his duties with us or to follow a lawful reasonable directive from our Board (other than any such failure resulting from incapacity due to physical or mental illness), after a written demand for substantial performance is delivered to Mr. Loveman by our Board which specifically identifies the manner in which our Board believes that Mr. Loveman has willfully not substantially performed his duties or has willfully failed to follow a lawful reasonable directive and Mr. Loveman is given a reasonable opportunity (not to exceed thirty (30) days) to cure any such failure, if curable.
- (ii) (a) any willful act of fraud, or embezzlement or theft by Mr. Loveman, in each case, in connection with his duties under the employment agreement or in the course of his employment or (b) Mr. Loveman's admission in any court, or conviction of, or plea of nolo contendere to, a felony that could reasonably be expected to result in damage to our business or reputation.
- (iii) Mr. Loveman being found unsuitable for or having a gaming license denied or revoked by the gaming regulatory authorities in Arizona, California, Colorado, Illinois, Indiana, Iowa, Kansas, Louisiana, Mississippi, Missouri, Nevada, New Jersey, New York, or North Carolina.
- (iv) Mr. Loveman's willful and material violation of, or noncompliance with, any securities laws or stock exchange listing rules, including, without limitation, the Sarbanes-Oxley Act of 2002, provided that such violation or noncompliance resulted in material economic harm to us, or a final judicial order or determination prohibiting Mr. Loveman from service as an officer pursuant to the Exchange Act or the rules of the New York Stock Exchange.

“Good Reason” is defined under the agreement as: without Mr. Loveman's express written consent, the occurrence of any of the following circumstances unless, in the case of paragraphs (a), (d), (e), (f), or (g) below, such circumstances are fully corrected prior to the date of termination specified in the written notice given by Mr. Loveman notifying us of his resignation for Good Reason:

- (a) the assignment to Mr. Loveman of any duties materially inconsistent with his status as our Chief Executive Officer or a material adverse alteration in the nature or status of his responsibilities, duties or authority;
- (b) the requirement that Mr. Loveman report to anyone other than our Board;
- (c) the failure of Mr. Loveman to be elected/re-elected as a member of our Board;
- (d) a reduction by us in Mr. Loveman's annual base salary of \$2,000,000, as the same may be increased from time to time as approved by the HRC;
- (e) the relocation of our principal executive offices from Las Vegas, Nevada, to a location more than fifty (50) miles from such offices, or our requiring Mr. Loveman either: (i) to be based anywhere other than the location of our principal offices in Las Vegas (except for required travel on our business to an extent substantially consistent with Mr. Loveman's present business travel obligations); or (ii) to relocate his primary residence from Boston to Las Vegas;
- (f) our failure to pay to Mr. Loveman any material portion of his current compensation, except pursuant to a compensation deferral elected by Mr. Loveman, or to pay to Mr. Loveman any material portion of an installment of deferred compensation under any of our deferred compensation programs within thirty (30) days of the date such compensation is due;

- (g) our failure to continue in effect compensation plans (and Mr. Loveman's participation in such compensation plans) which provide benefits on an aggregate basis that are not materially less favorable, both in terms of the amount of benefits provided and the level of Mr. Loveman's participation relative to other participants at Mr. Loveman's grade level, to those in which Mr. Loveman is participating as of January 28, 2008;
- (h) our failure to continue to provide Mr. Loveman with benefits substantially similar to those enjoyed by him under the Savings and Retirement Plan and the life insurance, medical, health and accident, and disability plans in which Mr. Loveman was participating as of January 28, 2008, the taking of any action by us which would directly or indirectly materially reduce any of such benefits or deprive Mr. Loveman of any material fringe benefit enjoyed by Mr. Loveman as of January 28, 2008, except as permitted by the employment agreement;
- (i) delivery of a written notice of our non-renewal of the employment agreement by us to Mr. Loveman; or
- (j) our failure to obtain a satisfactory agreement from any successor to assume and agree to perform the employment agreement.

Mr. Loveman waived his right to terminate his employment agreement for Good Reason in connection with the 5% reduction of his base annual salary implemented in February 2009.

Other Named Executive Officers

Upon a termination without Cause (as defined in the employment agreement and set forth below), a resignation by the executive for Good Reason (as defined in the employment agreement and set forth below) or upon our delivery of a non-renewal notice, the executive shall be entitled to his or her accrued but unused vacation, unreimbursed business expenses and base salary earned but not paid through the date of termination. In addition, Messrs. Jenkin, Payne, Colvin and Donovan will receive a cash severance payment equal to one and a half times his base salary payable in equal installments during the 18 months following such termination and pro-rated bonus for the year in which the termination occurs based on certain conditions. In the event that the employment of Messrs. Jenkin, Payne, Colvin or Donovan is terminated by reason of his disability, he will be entitled to apply for our long term disability benefits, and, if he is accepted for such benefits, he will receive 18 months of base salary continuation offset by any long term disability benefits to which he is entitled during such period of salary continuation. Furthermore, during the time that the executive receives his base salary during the period of salary continuation, he will be entitled to all benefits. Payment of any severance benefits is contingent upon the execution of a general release in favor of us and our affiliates.

The executives each have covenants to not compete, not to solicit and not to engage in communication in a manner that is detrimental to the business. The executive's "non-compete period" varies based on the type of termination that the executive has. If the executive has a voluntary termination of employment with us without Good Reason, the non-compete period is six months. If we have terminated the executive's employment without Cause, or the executive has terminated for Good Reason, we have delivered a notice of non-renewal to the executive or if the executive's employment terminates by reason of disability, the non-compete period is for 18 months with respect to Messrs. Jenkin, Payne, Colvin and Donovan. If the executive's employment is terminated for Cause, the non-compete period is for six months. The non-solicitation and non-communication periods last for 18 months following termination with respect to Messrs. Jenkin, Payne, Colvin and Donovan. A breach of the non-compete covenant will Cause our obligations under the agreement to terminate. In addition, the executives each have confidentiality obligations.

"Cause" under the employment agreements is defined as:

- (i) the willful failure of executive to substantially perform executive's duties with us or to follow a lawful, reasonable directive from our Board or the Chief Executive Officer or such other executive officer to whom executive reports (other than any such failure resulting from incapacity due to physical or mental illness), after a written demand for substantial performance is delivered to executive by our Board (or the Chief Executive Officer, as applicable) which specifically identifies the manner in which our Board (or the Chief Executive Officer, as applicable) believes that executive has willfully not substantially performed executive's duties or has willfully failed to follow a lawful, reasonable directive;
- (ii) (a) any willful act of fraud, or embezzlement or theft, by executive, in each case, in connection with executive's duties under the employment agreement or in the course of executive's employment under the employment agreement or (b) executive's admission in any court, or conviction of, or plea of *nolo contendere* to, a felony;
- (iii) executive being found unsuitable for or having a gaming license denied or revoked by the gaming regulatory authorities in any jurisdiction in which we conduct gaming operations;

- (iv) (a) executive's willful and material violation of, or noncompliance with, any securities laws or stock exchange listing rules, including, without limitation, the Sarbanes-Oxley Act of 2002, provided that such violation or noncompliance resulted in material economic harm to us, or (b) a final judicial order or determination prohibiting executive from service as an officer pursuant to the Securities and Exchange Act of 1934 or the rules of the NYSE or NASDAQ, as applicable; or
- (v) with respect to Messrs. Jenkin, Payne, or Donovan, a willful breach, and with respect to Mr. Colvin, a breach, of non-competition provisions or confidentiality provisions of the employment agreement.

For purposes of definition, no act or failure to act on the part of executive, shall be considered "willful" unless it is done, or omitted to be done, by executive in bad faith and without reasonable belief that executive's action or omission was in our best interests. Any act, or failure to act, based upon authority given pursuant to a resolution duly adopted by our Board or based upon the advice of our counsel shall be conclusively presumed to be done, or omitted to be done, by executive in good faith and in our best interests of our Company. The cessation of employment of the executive shall not be deemed to be for Cause unless and until executive has been provided with written notice of the claim(s) against him under the above provision(s) and a reasonable opportunity (not to exceed 30 days) to cure, if possible, and to contest said claim(s) before our Board.

"Good Reason" under the employment agreements is defined as:

The occurrence, without executive's express written consent, of any of the following circumstances unless such circumstances are fully corrected prior to the date of termination specified in the written notice given by executive notifying us of his or her intention to terminate his or her employment for Good Reason:

- (a) a reduction by us in executive's annual base salary, other than a reduction in base salary that applies to a similarly situated class of our employees or our affiliates;
- (b) solely with respect to Messrs. Jenkin, Payne or Donovan, any material diminution in the duties or responsibilities of such executive as of the date of the employment agreement; provided that a change in control of the Company that results in our becoming part of a larger organization will not, in and of itself and unaccompanied by any material diminution in the duties or responsibilities of the executive, constitute Good Reason;
- (c) our failure to pay or provide to the executive any material portion of his or her then current Base Salary or then current benefits under the employment agreement (except pursuant to a compensation deferral elected by the executive) or (ii) the failure to pay executive any material portion of deferred compensation under any of our deferred compensation programs within 30 days of the date such compensation is due and permitted to be paid under Section 409A of the Code, in each case other than any such failure that results from a modification to any compensation arrangement or benefit plan that is generally applicable to similarly situated officers;
- (d) solely with respect to Messrs. Jenkin or Payne, our requiring such executive to be based anywhere other than Atlantic City, New Orleans or Las Vegas, and with respect to Mr. Donovan, anywhere other than Las Vegas, depending on the executive (except for required travel on Company business to an extent substantially consistent with the executive's present business travel obligations); or
- (e) our failure to obtain a satisfactory agreement from any successor to assume and agree to perform the employment agreement.

The following tables show the estimated amount of potential cash severance payable to each of the named executive officers, as well as the estimated value of continuing benefits, based on compensation and benefit levels in effect on December 31, 2013.

For each of the named executive officers employed by the Company as of December 31, 2013, we have assumed that their employment was terminated on December 31, 2013 and the market value of their unvested equity awards was \$21.54 per share, which was the fair market value of our stock as of December 31, 2013. Due to the numerous factors involved in estimating these amounts, the actual value of benefits and amounts to be paid can only be determined upon a named executive officer's termination of employment.

(2) Mr. Housenbold had a total of 6,500 options and 5,000 restricted stock units outstanding on December 31, 2013 and resigned from the Board on March 28, 2014.

(3) Mr. Swann had a total of 7,190 options and 5,000 restricted stock units outstanding on December 31, 2013.

(4) Mr. Williams had a total of 7,416 options and 5,000 restricted stock units outstanding on December 31, 2013.

(5) Mr. Kleisner had a total of 2,500 options and 5,000 restricted stock units outstanding on December 31, 2013.

(6) Mr. Peterson resigned from the board on October 21, 2013.

In 2013, only Messrs. Housenbold, Kleisner, Swann and Williams received compensation for their services as members of our Board. Messrs. Williams and Swann received a one-time option grant on July 1, 2008, which vests ratably over five years from the date of election to our Board. Mr. Williams received an option to purchase 4,916 shares of common stock, and Mr. Swann received an option to purchase 3,688 shares of common stock. In January 2011, Mr. Swann received an option to purchase an additional 1,002 shares of common stock. In July 2011, the HRC approved amendments to outstanding stock options reducing the price of outstanding time-based options to \$20.09, with the reduced exercise price being phased in between a four to six year period, depending on the grant date. In August 2012, the HRC approved an options re-pricing reducing the price of outstanding time-based options to \$20.09, for those options vesting on or before the second anniversary of the grant date. On the second anniversary of the grant date, the price of these options reverts to the grant date value of \$8.22. The exercise price of the time based options vesting after the second anniversary of the grant date and of all outstanding performance-based options was reduced to \$8.22 per share. Of the repriced options, 20% vested immediately and the remaining 80% vest ratably over a four year period from the date of grant. Of the repriced options, 20% vested immediately and the remaining 80% vest ratably over a four year period from the date of grant.

In June 2013, as part of our annual equity program, Messrs. Williams, Swann, and Housenbold each received options to purchase 2,500 shares of common stock and 5,000 restricted stock units, which vest 25% on January 2, 2014, 2015, 2016, and 2017, respectively. In July 2013, when Mr. Kleisner joined our board, he received an option to purchase 2,500 shares of common stock and 5,000 restricted stock units, which vests ratably over a four year period from the date of grant.

In addition, each of these directors received annual cash compensation paid monthly in arrears. Board members receive a base salary of \$75,000, plus an additional \$25,000 for service on the Audit Committee, an additional \$15,000 for service on the Human Resource Committee, and an additional \$10,000 for committee chairmanship. Mr. Williams received \$110,000 annually, Mr. Swann received \$115,000 annually, Mr. Housenbold received \$100,000 annually and Mr. Kleisner received a pro-rated amount based upon compensation of \$100,000 annually. Additionally, Messrs. Kleisner and Swann each received \$50,000 in 2013 for their service on the Special Committee in connection with the previously disclosed transaction whereby CEOC is selling four properties to Growth Partners. In 2014, Messrs. Swann and Kleisner will receive \$25,000 each

for each Opportunity considered while serving on the Committee. An "Opportunity" is defined as an "evaluation of, and determination as to whether to pursue within the Company or to decline, corporate opportunities relating to the Company's business."

The remaining directors do not receive compensation for their service as a member of our Board and all of our directors are reimbursed for any expenses incurred in connection with their service.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transaction Policy

Our Board has a written related party transaction policy and procedures which gives our Audit Committee the power to approve or disapprove potential related party transactions of our directors and executive officers, their immediate family members, and entities where they hold a 5% or greater beneficial ownership interest. The Audit Committee is charged with reviewing all relevant facts and circumstances of a related party transaction, including if the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and the extent of the person's interest in the transaction.

The policy has pre-approved the following related party transactions:

- compensation to an executive officer or director that is reported in the Company's public filings and has such been approved or recommended to the Board of Directors for approval by the HRC or the 162(m) Plan Committee;
- transactions where the interest arises only from (a) the person's position as a director on the related party's board; (b) direct or indirect ownership of less than 5% of the related party; or (c) the person's position as a partner with the related party and all other related parties, in the aggregate, have an interest of less than 5% interest and is not the general partner of and does not have another position in the partnership; and
- transactions involving services as a bank depository of funds, transfer agent, registrar, trustee under a trust indenture, or similar services.
- any transaction where the related party's interest arises solely from the ownership of any class of the Company's securities and all holders of that class of the Company's securities receive the same benefit on a pro rata basis.
- any transaction involving a related party where the rates or charges involved are determined by competitive bids.

A related party transaction is defined as a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its subsidiaries) was, is or will be a participant and the amount involved exceeds \$120,000, and in which any related party had, has or will have a direct or indirect interest.

Transactions with Related Persons

Hamlet Holdings Operating Agreement

All holders of Hamlet Holdings' equity securities are parties to Hamlet Holdings' limited liability company operating agreement. The operating agreement provides, among other things, for the various responsibilities of the members. The members include Leon Black, Joshua Harris, and Marc Rowan, each of whom is affiliated with Apollo (the "Apollo Members"), and David Bonderman, and James Coulter, each of whom is affiliated with TPG (the "TPG Members" and, together with the Apollo Members, the "Members"). The Members have the full and exclusive right to manage Hamlet Holdings, and the consent of at least one Apollo Member and one TPG Member is required for all decisions by or on behalf of Hamlet Holdings. The operating agreement also contains customary indemnification rights.

Stockholders' Agreement

In connection with the Acquisition, Hamlet Holdings, the Sponsors and certain of their affiliates, the co-investors, and certain of their affiliates entered into a stockholders' agreement with the Company (the "Stockholders' Agreement"). The Stockholders' Agreement contains, among other things, the agreement among the stockholders to restrict their ability to transfer stock of the Company, as well as rights of first refusal, tag-along rights and drag-along rights. Pursuant to the Stockholders' Agreement, certain of the stockholders have, subject to certain exceptions, preemptive rights on future offerings of equity securities by the Company. The Stockholders' Agreement also provides the stockholders with certain rights with respect to the approval of certain matters and the designation of nominees to serve on the Board, as well as registration rights of securities of the Company that they own.

Following the Acquisition, our Board was initially comprised of at least nine directors, (i) four of whom were designated by the Apollo Members and (ii) four of whom were designated by the TPG Members, and (iii) one of whom is the chairman. As ownership in us by either of the Sponsors decreases, the Stockholders' Agreement provides for the reduction in the number of directors the respective Members can designate.

Pursuant to the Stockholders' Agreement, approval of our Board and at least two directors (one designated by Apollo Members and one designated by TPG Members) is required for various transactions by us, including, among other things, our liquidation, dissolution, merger, sale of all or substantially all of our assets as well as the issuance of our securities in connection with certain acquisitions and joint ventures.

The Stockholders' Agreement has been amended in connection with the IPO to prevent certain rights under the Stockholders' Agreement (including certain rights described above) from terminating.

Management Investor Rights Agreement

In connection with the Acquisition, the Company entered into a Management Investor Rights Agreement, as amended (the "MIRA"), with certain holders of securities of the Company, including certain members of management of the Company. The agreement governs certain aspects of the Company's relationship with its management security holders. The agreement, among other things:

- restricts the ability of management security holders to transfer shares of common stock of the Company, with certain exceptions, prior to a qualified public offering;
- allows the Sponsors to require management security holders to participate in sale transactions in which the Sponsors sell more than 40% of their shares of common stock;
- allows management security holders to participate in sale transactions in which the Sponsors sell shares of common stock, subject to certain exceptions;
- allows management security holders to participate in registered offerings in which the Sponsors sell their shares of common stock, subject to certain limitations;
- allows management security holders below the level of senior vice president to require Caesars Entertainment to repurchase shares of common stock in the event that a management security holder below the level of senior vice president experiences an economic hardship prior to an initial public offering, subject to annual limits on the Company's repurchase obligations;
- allows management security holders to require the Company to repurchase shares of common stock upon termination of employment without cause or for good reason; and
- allows the Company to repurchase, subject to applicable laws, all or any portion of the Company's common stock held by management security holders upon the termination of their employment with the Company or its subsidiaries, in certain circumstances.

On May 6, 2013, the Company amended the MIRA to provide that shares of the Company's common stock issued upon exercise of an award granted under the Company's Management Equity Incentive Plan and/or 2012 Performance Incentive Plan are not subject to the terms and provisions of the MIRA, including, but not limited to, the restrictions on transfer set forth in the MIRA.

The agreement will terminate upon the earliest to occur of the dissolution of Hamlet Holdings or the occurrence of any event that reduces the number of security holders to one.

Services Agreement

Upon the completion of the Acquisition, the Sponsors and their affiliates entered into a services agreement with us relating to the provision of certain financial and strategic advisory services and consulting services. We paid the Sponsors a one-time transaction fee of \$200 million for structuring the Acquisition and pay an annual fee for their management services and advice equal to the greater of \$30 million and 1% of our earnings before interest, taxes, depreciation and amortization. The fees paid to the Sponsors are included in corporate expense and were \$22.5 million for the year ended December 31, 2013. Due to attaining certain cost savings measures during the fourth quarter of 2013, the Sponsors granted a waiver of the monitoring fee due for the fourth quarter of 2013 and first quarter of 2014. Also, under the services agreement, the Sponsors have the right to act, in return for additional fees based on a percentage of the gross transaction value, as our financial advisor or investment banker for any merger, acquisition, disposition, financing or the like if we decide we need to engage someone to fill such a role. We have agreed to indemnify the Sponsors and their affiliates and their directors, officers and representatives for losses relating

to the services contemplated by the services agreement and the engagement of affiliates of the Sponsors pursuant to, and the performance by them of the services contemplated by, the services agreement.

Currently, the annual monitoring fee payable under the services agreement would terminate automatically upon an initial public offering of our common stock (among other circumstances), and we would be required to pay to the Sponsors a lump-sum representing the remaining annual fees due to the Sponsors for the remainder of the services agreement term. If this lump-sum fee was due upon consummation of our 2012 initial public offering, we would have been required to pay an approximately \$195 million termination fee to the Sponsors. However, the Sponsors agreed that our recent offering did not trigger the termination of the services agreement or cause any termination fee to be due. The current terms and provisions, including as to periodic and termination fees, of the services agreement will continue to apply.

Proxy

All shares of Caesars held by funds affiliated with and controlled by the Sponsors and their co-investors were made subject to a proxy in favor of Hamlet Holdings effective as of November 22, 2010. The proxy, which is irrevocable, granted Hamlet Holdings sole voting and dispositive control over all such shares. The members of Hamlet Holdings are comprised of an equal number of individuals affiliated with each of the Sponsors. In connection with our recent IPO, Hamlet Holdings has agreed to cause its irrevocable proxy to be terminated with respect to 24,150,456 of the Released Shares held by certain co-investors. As of the Record Date, approximately 63.9% of Caesars' outstanding common stock is subject to the proxy in favor of Hamlet Holdings.

The following discussion reflects related party transactions entered into during 2013 and does not reflect relationships prior to that time.

Agreements with Caesars Acquisition Company and its Subsidiaries

On October 21, 2013, (i) CAC, Growth Partners, a joint venture between CAC and the Company consummated the Contribution Transaction (as defined below), (ii) affiliates of the Sponsors exercised their basic subscription rights in full to purchase \$457.8 million worth of CAC's Class A common stock and CAC used such proceeds to acquire all of the voting units of Growth Partners, and (iii) Growth Partners used the proceeds to consummate the Purchase Transaction (as defined below, and together with the Contribution Transaction, the "Transactions"). In connection with the consummation of the Transactions, we contributed all of our shares of CIE's outstanding common stock held by one of our subsidiaries and approximately \$1.1 billion in aggregate principal amount of senior notes (the "CEOC Notes") previously issued by CEOC that were owned by another one of our subsidiaries in exchange for non-voting units of Growth Partners (collectively, the "Contribution Transaction"). Additionally, on October 21, 2013, Growth Partners used \$360.0 million of proceeds received from CAC to purchase from subsidiaries of Caesars (i) the Planet Hollywood Resort and Casino Located in Las Vegas, Nevada, (ii) CEC's joint venture interests in a casino to be developed by CBAC Gaming, LLC (the "Maryland Joint Venture") in Baltimore, Maryland, and (iii) a 50% interest in the management fee revenues for both of those properties (collectively, the "Purchase Transaction"). Various agreements were executed in connection with the Transactions.

CGP LLC Operating Agreement

CAC and certain subsidiaries of the Company entered into an amended and restated limited liability company agreement (the "CGP Operating Agreement") of Growth Partners under which CAC manages and operates the business and affairs of Growth Partners as the managing member and sole holder of its voting units, and may request certain back-office and advisory services from CEOC under the CGP Management Services Agreement (as defined below). Approval by the CAC board of directors is required to approve certain significant corporate actions at Growth Partners, including, among other things, liquidation or dissolution; merger, consolidation or sale of all or substantially all of the assets; acquisitions or investments outside of the ordinary course of business; and material amendments to the CGP Operating Agreement.

All of the holders of Growth Partners' units will be entitled to share equally in any distributions that CAC, as managing member, may declare from legally available sources, subject to the distribution waterfall in connection with a liquidation, a partial liquidation or sale of material assets. All of the holders of units will also be entitled to receive quarterly cash tax distributions (other than in connection with a liquidation or certain partial liquidations). The Call Right, the liquidation right held by CAC and the development of ongoing business opportunities are further described below.

The management, operation and power of Growth Partners is vested exclusively in CAC and independent of the Company; provided, however, that the CGP Operating Agreement contains certain provisions requiring CAC to cause Growth Partners to interact with the Company on an arm's length basis.

Call Right

As set forth in CAC's Certificate of Incorporation and the CGP Operating Agreement, after the third anniversary of the closing of the Transactions, the Company and/or its subsidiaries will have the right, which it may assign to any of its affiliates or to any transferee of all non-voting units of Growth Partners held by the Company and which only may be exercised under certain circumstances as described below, to acquire all or a portion of the voting units of Growth Partners, or at the election of CAC and subject to the approval of CAC's stockholders, the shares of CAC's Class A common stock, not otherwise owned by the Company and/or its subsidiaries at such time (the "Call Right"). The purchase consideration may be, at the Company's option, cash or shares of the Company's common stock valued at market value, net of customary market discount and expenses, provided that the cash portion will not exceed 50% of the total consideration in any exercise of the Call Right. The purchase price will be the fair market value of the voting units of Growth Partners (or shares of CAC's Class A common stock) at such time based on an independent appraisal, subject to (i) a minimum purchase price equal to the capital contribution in respect of such units plus a 10.5% per annum return on such capital contribution, or (ii) a maximum purchase price equal to the capital contribution in respect of such units plus a 25% per annum return on such capital contribution, in either case, taking into account prior distributions (other than tax distributions) with respect to such units.

The Call Right may be exercisable in part by the Company (up to three times), but until the Call Right is exercised in full, any voting units of Growth Partners (or shares of CAC's Class A common stock) acquired by the Company will be converted into non-voting units (or non-voting shares of CAC's Class B common stock). Additionally, the Call Right may only be exercised by the Company and/or its subsidiaries if, at the time of such exercise, (w) the Company and CAC enter into a resale registration rights agreement with respect to the shares of the Company common stock used as all or a portion of the purchase consideration in connection with the exercise of the Call Right, (x) the common stock of the Company (i) is registered with the Securities and Exchange Commission, (ii) is listed for trading and trades on a national securities exchange, and (iii) issuable upon exercise of the Call Right will represent, in the aggregate, not more than one half of the total the Company's common stock issued and outstanding giving effect to the exercise of the Call Right, (y) the Company has a minimum liquidity of \$1.0 billion and a maximum net debt leverage ratio of 9.00 to 1.00, and (z) no event of default has occurred and is in effect under any financing agreement of the Company or its subsidiaries. Further, in the event that a stockholder vote of the Company is required in connection with the exercise of such Call Right, receipt of affirmative approval of such vote will be a condition to the exercise of the Call Right and at the closing of the Transactions, affiliates of the Sponsors will enter into a voting support agreement in favor of any such stockholder approval. In addition, a majority of the independent directors of the board of directors of the Company must approve the exercise of the Call Right by the Company and/or its subsidiaries. The Call Right will be transferable to a transferee that also receives a transfer of all the non-voting units of Growth Partners, and exercisable by the transferee upon the same terms and conditions (including same consideration in the form of the Company stock) as apply to the Company and its subsidiaries.

Liquidation Right

Following the fifth anniversary of the closing of the Transactions and until the eighth year six month anniversary of the closing of the Transactions, CAC's Board will have the right to cause a liquidation of Growth Partners, including the sale or winding up of Growth Partners, or other monetization of all of its assets and the distribution of the proceeds remaining after satisfaction of all liabilities of Growth Partners to the holders of Growth Partners' units according to the waterfall described below. On the eighth year and six month anniversary of the closing of the Transactions (unless otherwise agreed by the Company and CAC), if CAC's Board has not previously exercised its liquidation right, Growth Partners shall, and CAC's Board shall cause Growth Partners to, effect a liquidation.

Upon a liquidation, partial liquidation or sale of material assets, all net cash and other assets not monetizable of Growth Partners shall, subject to applicable gaming regulatory laws, be distributed as follows: (i) first, to all units held by CAC until amounts distributed equal return of CAC's capital contribution (less an amount equal to the aggregate of the amount reimbursed in the form of the approximately \$1.1 billion of aggregate principal amount of senior notes previously issued by CEOC and the aggregate value of the CAC subscription rights that were distributed by the Company and that were restored to the Company by Growth Partners in the form of CEOC Notes with equivalent value to the rights value (such amount, the "Capital Shift Amount")) plus a 10.5% per annum of return on such capital contribution (such return to begin accruing on the proceeds in excess of the purchase price of Planet Hollywood, Horseshoe Baltimore and 50% of the related management fees only upon the investment of such excess proceeds by Growth Partners); (ii) second, to all units held by the Company and/or our subsidiaries until the Company catches up (on a per unit basis) to its respective amount distributed in provision (i) (including the 10.5% per annum of return on the capital contribution) and the Company receives the Capital Shift Amount; and (iii) third, to all holders of units pro rata.

The structure pursuant to which Growth Partners will effect a liquidating distribution, sale of Growth Partners or other similar transaction that provides liquidity to the holders of Growth Partners' units as described above will be determined by a

special-purpose liquidation committee that will include representatives from the Company and CAC. In connection with any liquidation of Growth Partners, CAC will have an approval right over any sale or other monetization of assets of Growth Partners that would not exceed the greater of (x) the book value of Growth Partners, and (y) the value of Growth Partners as determined by an appraiser selected by CAC.

Business Opportunities

When CAC considers new investment and acquisition opportunities, they will have to submit them to us, except for any expansion, add-on or additional investment in respect of any existing gaming property of Growth Partners or its subsidiaries, or with respect to CIE, any potential future investment or acquisition by CIE. A committee of the board of directors of the Company comprised of disinterested directors will make the determination on behalf of the Company to (1) exercise its right of first offer to pursue any potential project itself, or (2) decline the project for itself, after which Growth Partners may elect or decline to pursue the project. When the Company considers new investment and acquisition opportunities, the Company will have the option to (1) pursue any potential project itself, or (2) decline the project for itself, after which Growth Partners may elect or decline to pursue the project. In the event the Company declines an opportunity and Growth Partners undertakes the opportunity, Growth Partners will retain a 50% financial stake in the management fee to be received by the Company, unless otherwise agreed, and Growth Partners will acquire 100% of the new equity in such opportunity. In the event Growth Partners plans to sell any of its assets to third parties, the Company will have the first right to make an offer to purchase such assets.

Registration Rights

The CGP Operating Agreement provides that on and after the fifth anniversary of the closing of the Transactions, the non-voting units of Growth Partners will be exchangeable into non-voting shares of CAC's Class B common stock with equivalent terms to the non-voting units of Growth Partners and with the addition of rights to have all such Class B common stock registered under the Securities Act, pursuant to demand and shelf registration rights. In addition, to the extent that the CAC Class A common stock held by the Sponsors and their co-investors are deemed control and/or restricted securities, the Sponsors and their co-investors will also have the right to have all of their Class A common stock registered under the Securities Act, pursuant to demand and shelf registration rights with respect to such Class A common stock. CAC, Growth Partners, certain subsidiaries of the Company as holders of Growth Partners' non-voting units convertible into CAC's Class B common stock, and the Sponsors and their co-investors entered into a registration rights agreement (the "Registration Rights Agreement") that governs the terms of the demand and shelf registration rights.

In addition, the Company and CAC entered into a registration rights agreement in substantially the same terms as the registration rights agreement discussed above that grants demand and shelf registration rights to CAC in the event that CAC receives the Company publicly traded stock as compensation upon exercise of the call right and such stock is deemed control and/or restricted securities.

Transaction Agreement

In connection with the Transactions, CAC and Growth Partners entered into a Transaction Agreement with the Company and certain of its subsidiaries that govern the distribution of the rights, the contribution and purchase of certain assets by subsidiaries of the Company and the ongoing rights and responsibilities among the parties. The Transaction Agreement, among other things, provides for the:

- distribution of the CAC subscription rights via dividend to the stockholders of record of the Company;
- contribution by CAC to Growth Partners of the proceeds in exchange for voting units of Growth Partners;
- contribution by certain subsidiaries of the Company of the Contributed Assets in exchange for non-voting units of Growth Partners (reflecting the closing date allocation true-up for the CEOC Notes), subject to certain closing conditions and adjustments for an earnout based on a component of CIE's earnings in 2015;
- issuance of non-voting units of Growth Partners to a subsidiary of the Company if, within nine months after the closing of the Transactions, Growth Partners sells or agrees to sell all of its interests in CIE (or any material component part) to any third party other than the Company at a sale price greater than the valuation of CIE (or any such material component part) at the time of contribution to Growth Partners;
- purchase of the Purchased Assets by Growth Partners for fair value, subject to certain closing conditions and adjustments;
- option, at the election of the Sponsors, to proceed with a closing in multiple stages (deferred closings will not be applicable);
- agreement to enter into the CGP Management Services Agreement (as described below); and
- return of the aggregate fair-market value, if any, of the subscription rights distributed by the Company will be restored to the Company in the form of CEOC Notes.

CGP Management Services Agreement

In connection with the Transactions, CAC and Growth Partners entered into a Management Services Agreement with CEOC pursuant to which CEOC and its subsidiaries will provide certain services to CAC, Growth Partners and their subsidiaries (the “CGP Management Services Agreement”). At the request of CAC, CEOC may also provide certain business advisory services, including identifying and analyzing opportunistic investments and developing and implementing corporate and business strategies. While CEOC will provide recommendations in its role as service provider, its primary role under the CGP Management Services Agreement is to provide administrative and operational services as requested by CAC’s Board and executive officers. CAC holds all of the voting and decision-making power to authorize and implement strategies and operational direction at Growth Partners.

The agreement, among other things:

- contemplates that CEOC and its subsidiaries shall provide certain corporate services and back-office support, which shall include, but not be limited to: (1) maintaining books and records in accordance with United States generally accepted accounting principles (“GAAP”); (2) preparing financial statements in accordance with GAAP; (3) preparing operating and capital budgets (including budgets in support of the services fees required to be paid) which shall be approved by CAC; (4) establishing bank accounts, if necessary, and providing treasury and cash management functions; (5) arranging for letters of credit, as needed; (6) paying certain outstanding accounts payable, payroll and other expenses on a fully reimbursable basis; (7) preparing and filing all regulatory filings, including SEC filings and those required by any gaming control board or regulatory authority governing gaming; (8) providing access to certain trademarks for use in entity names; (9) providing access to certain proprietary business plans, projections and marketing, advertising and promotion plans, strategies, and systems; (10) providing access to lobbying services; and (11) providing certain centralized services including information technology services, information systems, website management, vendor relationship management, real estate, strategic sourcing, design and construction, regulatory compliance functions, finance and accounting, consolidated finance operations, risk management, internal audit, tax, record keeping and subsidiary management, treasury functions, regulatory compliance, human resources, compensation, benefits, marketing and public relations, legal, payroll, accounts payable, security and surveillance, government relations, communications and data access;

- allows the parties to modify the terms and conditions of the performance of any of the services and to request additional services from time to time; and
- provides for payment of a service fee by CAC and/or Growth Partners in exchange for the provision of services.

CIE Shared Services Agreement

CIE is party to a Shared Services Agreement with the Company and HIE Holdings, pursuant to which CEOC provides certain services to CIE. The agreement, among other things:

- contemplates that CEOC will provide certain services related to accounting, risk management, tax, finance, recordkeeping, financial statement preparation and audit support, legal, treasury functions, regulatory compliance, information systems, office space and corporate and other centralized services;
- allows the parties to modify the terms and conditions of the Company performance of any of the services and to request additional services from time to time; and
- provides for payment of a service fee to the Company in exchange for the provision of services in an amount equal to the fully allocated cost of such services plus 10%.

CIE Cross Marketing and Trademark License Agreement

CIE is party to a cross marketing and trademark license agreement with each of Caesars World, Inc., Caesars License Company LLC, the Company and CEOC (the “Cross Marketing and Trademark License Agreement”). In addition to granting CIE the exclusive rights to use various brands of the Company in connection with social and mobile games and online real money gaming in exchange for a 3% royalty, this agreement also provides that CEOC will provide certain marketing and promotional activities for CIE, including its participation in the Total Rewards loyalty program, and CIE will provide certain

marketing and promotional activities for the Company and CEOC. The agreement also provides for certain revenue share arrangements where CIE pays CEOC for customer referrals. This agreement is in effect until December 31, 2026, unless earlier terminated pursuant to the agreement's terms. During the year ended December 31, 2013 and the fiscal year ended December 31, 2012, CIE paid \$0.7 million and \$0.4 million, respectively, pursuant to the terms of the Cross Marketing and Trademark License Agreement.

Tax Matters Agreement

In connection with the contribution of CIE to Growth Partners, CIE entered into a tax matters agreement with the Company (the "Tax Matters Agreement"). The Tax Matters Agreement governs the respective rights, responsibilities, and obligations of the Company and CIE with respect to tax liabilities and benefits, tax attributes, the preparation and filing of tax returns, the control of audits and other tax proceedings, and other matters regarding taxes with respect to CIE. The Tax Matters Agreement will remain in effect until the parties agree in writing to its termination.

In general, under the Tax Matters Agreement:

- CIE and the Company agree to cooperate with each other in the preparation of tax returns and with regard to any audits related to the tax returns of CIE or the Company;
- with respect to any period (or portion thereof) ending prior to CIE's deconsolidation from the Company's "consolidated group" for U.S. federal income tax purposes, the Company will pay (i) any U.S. federal income taxes of the "consolidated group" of which the Company is the common parent, and (ii) any state or local income taxes that are determined on a consolidated, combined, or unitary basis, and if CIE (including any of CIE's subsidiaries) is included in that consolidated, combined, or unitary group, CIE will pay the Company an amount equal to the amount of U.S. federal, state, or local income tax (as applicable) that CIE would have paid had CIE filed a separate consolidated U.S. federal, state, or local income tax return (as applicable) for any such period (or portion thereof), subject to certain adjustments;
- with respect to any period (or portion thereof) beginning after CIE's deconsolidation from the Company's Consolidated Group, CIE will be responsible for any U.S. federal, state, or local income taxes of CIE and its subsidiaries;

- CIE will be responsible for any U.S. federal, state, local, or foreign taxes due with respect to tax returns that include only CIE and/or CIE's subsidiaries.

Asset Sales

On March 1, 2014, Caesars entered into a Property Sale Agreement by and among Caesars, CEOC, Caesars License Company, LLC, HNOMC, Corner Investment Company, LLC, 3535 LV Corp., Parball Corporation, JCC Holding Company II, LLC, CAC and Growth Partners. The Property Sale Agreement was fully negotiated by and between the CEC Special Committee and the CAC Special Committee, each comprised solely of independent directors, and was recommended by both committees and approved by the Boards of Directors of Caesars and CAC. The CEC Special Committee, the CAC Special Committee and the Boards of Directors of Caesars and CAC each received fairness opinions from firms with experience in valuation matters, which stated that, based upon and subject to (and in reliance on) the assumptions made, matters considered and limits of such review, in each case as set forth in the opinions, the Purchase Price (as defined below) was fair from a financial point of view to Caesars and Growth Partners, respectively. Pursuant to the terms of the Property Sale Agreement, Growth Partners (or one or more of its designated direct or indirect subsidiaries) agreed to acquire from CEOC or one or more of its affiliates, (i) The Cromwell (f/k/a Bill's Gamblin' Hall & Saloon), The Quad Resort & Casino, Bally's Las Vegas and Harrah's New Orleans, (ii) 50% of the ongoing management fees and any termination fees payable under the Property Management Agreements to be entered between a Property Manager (as defined below) and the owners of each of the Properties; and (iii) certain intellectual property that is specific to each of the Properties (together with the transactions described in (i) and (ii) above, the "Subsequent Property Transaction") for an aggregate purchase price of US \$2,000.0 million (the "Subsequent Property Purchase Price"), net of assumed debt, in the Subsequent Property Transaction, and also subject to various pre-closing and post-closing adjustments in accordance with the terms of the Asset Purchase Agreement.

Consistent with the 2013 sale of Planet Hollywood Las Vegas, this transaction will also be accounted for as a reorganization of entities under common control. The Subsequent Property Transaction is subject to certain closing conditions, including the receipt of gaming and other required governmental approvals, accuracy of representations and warranties, compliance with covenants and receipt by Caesars and the CEC Special Committee of certain opinions with respect to CEOC. In addition, the consummation of the Subsequent Property Transaction by CAC is subject to CAC's receipt of financing on terms and conditions satisfactory to CAC and Growth Partners. In connection with the Subsequent Property Transaction, a wholly-owned subsidiary of Growth Partners entered into a commitment letter with certain financial institutions (the "Lenders"), pursuant to which, subject to the conditions set forth therein, the Lenders committed to provide \$1,325.0 million in senior secured credit facilities (a \$1,175.0 million senior secured term facility and a \$150.0 million senior secured revolving facility) and \$675.0 million in second lien indebtedness to consummate the Subsequent Property Transaction. The Property Sale Agreement provides that, at the closing of the Subsequent Property Transaction (the "Closing"), the owner of each Property will enter into a Property Management Agreement with the applicable Property Manager, pursuant to which, among other things, the Property Managers will provide management services to the applicable Property and Caesars Licensing Company, LLC will license enterprise-wide intellectual property used in the operation of the Properties.

The Property Sale Agreement contains customary indemnification obligations of each party with respect to breaches of their respective representations, warranties, covenants and obligations, and certain other designated matters, which in certain circumstances are subject to specified limitations on the amount of indemnifiable damages and the survival period in which a claim may be made. Additional indemnification obligations of Caesars and the sellers include amounts expended for new construction and renovation at The Quad in excess of the \$223 million budgeted for renovation expenses (up to a maximum amount equal to 15% of such budgeted amount and subject to certain exceptions) and certain liabilities arising under employee benefit plans. In addition to the aforementioned indemnification obligations, the Agreement requires that CEOC ensure that the remaining amounts required to construct and open The Cromwell be fully-funded by CEOC, including providing a minimum amount of House Funds (as defined in the Property Sale Agreement) in connection with the opening of The Cromwell. Caesars and certain of its affiliates will indemnify CAC, Growth Partners and certain of their affiliates for a failure to open the hotel and casino at The Cromwell by a specified date and for failure to open the restaurant and nightclub at The Cromwell by a specified date.

The Property Management Agreements will be entered into at Closing by and between each of the four property management entities (each a "Property Manager" and collectively, the "Property Managers"), each of which (other than HNOMC, which is the existing manager of Harrah's New Orleans) will be formed as a wholly-owned subsidiary of CEOC, and each of the respective owners of the Properties (the "Property Owners"). The ongoing management fees payable to each of the Property Managers consists of a (i) base management fee of 2% of net operating revenues with respect to each month of each year during the term of such agreement and (ii) an incentive management fee in an amount equal to 5% of EBITDA for each operating year. CEOC will guarantee the obligations of the Property Managers under each of the Property Management Agreements.

Pursuant to the terms of the Property Sale Agreement, the parties have agreed to use reasonable best efforts to establish a new services joint venture (the "Services JV") between CEOC, Caesars Entertainment Resort Properties, LLC ("CERP") and Growth Partners and certain of their respective subsidiaries. The purpose of the Services JV includes the common management of the enterprise-wide intellectual property, which will be licensed by the Services JV to, among other parties, each of the Property Owners, and shared services operations across the portfolio of CEOC, CERP and Growth Partners properties. Following the Closing, at Growth Partners' request and subject to receipt of any required regulatory approvals, the Property Management Agreements will be assigned to the Services JV which will thereafter perform the obligations of the Property Managers (in which case CEOC's guarantee of the obligations under the assigned Property Management Agreements will be released). The Property Sale Agreement is subject to termination if the Closing is not completed by June 30, 2014, which date may be extended until August 31, 2014 in certain circumstances.

Caesars Acquisition Company Equity-Based Compensation Plan

On April 13, 2014, the Board of Directors adopted the CAC Equity-Based Compensation Plan, which provides our officers, employees, consultants, advisors, contractors and other service providers the opportunity to receive equity-based compensation. Awards under the plan will be dollar-denominated and settled in shares of Class A common stock of CAC. The plan authorizes the grant of awards up to a maximum aggregate value of \$25,000,000 of such shares. Pursuant to the plan, and subject to a participant's continued employment or service, each grant generally vests in three equal installments, on October 21 of each of 2014, 2015 and 2016.

Upon a vesting date or event, CAC will contribute to Growth Partners a number of shares of Class A common stock of CAC with an aggregate value equal to the value of award installments that vest on such date or event. Growth Partners will issue to CAC a number of interests equal to the number of shares of Class A common stock contributed by CAC on such date. After the contribution by CAC of the shares of CAC Class A common stock to Growth Partners, Growth Partners shall deliver such shares to CEOC, which shall deliver the shares to the participants that vest on such date or event.
