With respect to any notices required or permitted under the UCC, Grantor agrees that ten (10) days' prior written notice shall be

deemed commercially reasonable. At any such sale by virtue of any judicial proceedings, power of sale or any other legal right, remedy or recourse, the title to and right of possession of any such property shall pass to the purchaser thereof, and to the fullest extent permitted by law, Grantor shall be completely and irrevocably divested of all of its right, title, interest, claim, equity, equity of redemption, and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against Grantor, and against all other persons claiming or to claim the property sold or any part thereof, by, through or under Grantor. Beneficiary or any of the other Secured Parties may be a purchaser at such sale. If Beneficiary or such other Secured Party is the highest bidder, Beneficiary or such other Secured Party may credit the portion of the purchase price that would be distributed to Beneficiary or such other Secured Party against the Obligations in lieu of paying cash. In the event this Deed of Trust is foreclosed by judicial action, appraisal of the Mortgaged Property is waived to the fullest extent permitted by law. Beneficiary (and/or Trustee as so required by applicable law) may adjourn from time to time any sale by it to be made under or by virtue hereof by announcement at the time and place appointed for such sale or for such adjourned sale or sales, and Beneficiary (and/or Trustee as so required by applicable law), without further notice or publication, may make such sale at the time and place to which the same shall be so adjourned.

(e) Receiver. Make application to a court of competent jurisdiction for, and obtain from such court as a matter of strict right and without notice to Grantor (unless such notice is required by applicable law) or regard to the adequacy of the Mortgaged Property for the repayment of the Obligations, the appointment of a receiver of the Mortgaged Property, and Grantor irrevocably consents to such appointment. Any such receiver shall have all the usual powers and duties of receivers in similar cases, including the full power to rent, maintain and otherwise operate the Mortgaged Property upon such terms as may be approved by the court, and shall apply such Rents in accordance with the provisions of Section 5.7; *provided, however*, notwithstanding the appointment of any receiver, Beneficiary shall be entitled as pledgee to the possession and control of any cash, deposits or instruments at the time held by or payable or deliverable under the terms of any applicable Loan Document to Beneficiary.

(f) Other. Exercise all other rights, remedies and recourses granted under the applicable Loan Documents or otherwise available at law or in equity, including pursuit of a deficiency judgment, if applicable.

**Section 5.2 Separate Sales**. The Mortgaged Property may be sold in one or more parcels and in such manner and order as Beneficiary in its sole discretion may elect. The right of sale arising out of any Event of Default shall not be exhausted by any one or more sales.

**Section 5.3 Remedies Cumulative, Concurrent and Nonexclusive**. Beneficiary and the other Secured Parties shall have all rights, remedies and recourses granted in any applicable Loan Documents and available at law or equity (including the UCC), which rights (a) shall be cumulative and concurrent, (b) may be pursued separately, successively or concurrently against Grantor or others obligated under any applicable Loan Documents, or against the Mortgaged Property, or against any one or more of them, at the sole discretion of Beneficiary or such other Secured Party, as the case may be, (c) may be exercised as often as occasion therefor shall arise, and the exercise or failure to exercise any of them shall not be construed as a waiver or release thereof or of any other right, remedy or recourse, and (d) are intended to be, and shall be, nonexclusive. No action by Trustee or Beneficiary or any other Secured Party in the enforcement of any rights, remedies or recourses under any applicable Loan Documents or otherwise at law or equity shall be deemed to cure any Event of Default.

**Section 5.4 Release of and Resort to Collateral**. Beneficiary, and, at Beneficiary's written direction, Trustee, may release, regardless of consideration and without the necessity for any notice to or consent by the holder of any subordinate Lien on the Mortgaged Property, any part of the

Mortgaged Property without, as to the remainder, in any way impairing, affecting, subordinating or releasing the Lien or security interest created in or evidenced by any applicable Loan Documents or their status as a first priority Lien and security interest in and to the Mortgaged Property. For payment of the Obligations, Beneficiary may resort to any other security in such order and manner as Beneficiary may elect.

**Section 5.5 Appearance, Waivers, Notice and Marshalling of Assets.** After the occurrence and during the continuance of any Event of Default and immediately upon the commencement of any action, suit or legal proceedings to obtain judgment for the payment or performance of the Obligations or any part thereof, or of any proceedings to foreclose the Lien and security interest created and evidenced hereby or otherwise enforce the provisions hereof or of any other proceedings in aid of the enforcement hereof, Grantor shall enter its voluntary appearance in such action, suit or proceeding. To the fullest extent permitted by law, Grantor hereby irrevocably and unconditionally waives and releases (a) all benefit that might accrue to Grantor by virtue of any present or future statute of limitations or law or judicial decision exempting the Mortgaged Property from attachment, levy or sale on execution or providing for any stay of execution, exemption from civil process, redemption or extension of time for payment, (b) all notices of any Event of Default (except for those Events of Default of which Beneficiary is required to provide notice to Grantor pursuant to the terms of any applicable Loan Document) or of Beneficiary's election to exercise or the actual exercise of any right, remedy or recourse provided for under any applicable Loan Documents, and (c) any right to a marshalling of assets or a sale in inverse order of alienation. Grantor shall not claim, take or insist on any benefit or advantage of any law now or hereafter in force providing for the valuation or appraisal of the Mortgaged Property, or any part thereof, prior to any sale or sales of the Mortgaged Property which may be made pursuant to this Deed of Trust, or pursuant to any decree, judgment or order of any court of competent jurisdiction. Grantor covenants not to hinder, delay or impede the execution of any power granted or delegated to Trustee or Beneficiary by this Deed of Trust but to suffer and permit the execution of every such power as though no such law or laws had been made or enacted.

**Section 5.6 Discontinuance of Proceedings.** If Beneficiary or any other Secured Party shall have proceeded to invoke any right, remedy or recourse permitted under any applicable Loan Documents and shall thereafter elect to discontinue or abandon it for any reason, Beneficiary or such other Secured Party, as the case may be, shall have the unqualified right to do so and, in such an event, Grantor, Beneficiary and the other Secured Parties shall be restored to their former positions with respect to the Obligations, any applicable Loan Documents, the Mortgaged Property and otherwise, and the rights, remedies, recourses and powers of Beneficiary and the other Secured Parties shall continue as if the right, remedy or recourse had never been invoked, but no such discontinuance or abandonment shall waive any Event of Default which may then exist or the right of Beneficiary or any other Secured Party thereafter to exercise any right, remedy or recourse under any applicable Loan Documents for such Event of Default.

**Section 5.7 Application of Proceeds.** Beneficiary (or the receiver, if one is appointed) shall, subject to any applicable Intercreditor Agreement and the Master Lease Intercreditor Agreements, promptly apply the proceeds of any sale of, and the Rents and other amounts generated by the holding, leasing, management, operation or other use of the Mortgaged Property, in the following order unless otherwise required by applicable law:

(a) FIRST, to the payment of all fees and reasonable and documented out-of-pocket costs and expenses incurred by Trustee or Beneficiary of taking possession of the Mortgaged Property and of holding, using, leasing, repairing, improving and selling the same, or otherwise in connection with this Deed of Trust, any other Loan Document or any of the Obligations secured by such Mortgaged Property, including, without limitation (1) receiver's fees

and expenses, including the repayment of the amounts evidenced by any receiver's certificates, (2) all court costs, (3) the reasonable fees and expenses of Beneficiary's agents and legal counsel and Trustee's agents and legal counsel, (4) the repayment of all advances made by Trustee or Beneficiary hereunder or under any other Loan Document on behalf of any applicable Loan Party, (5) any other reasonable costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any applicable Loan Document and (6) costs of advertisement;

(b) SECOND, to the payment in full of the Obligations secured by such Mortgaged Property (the amounts so applied to be distributed among each Series of Secured Parties pro rata based on the respective amounts of such Obligations owed to them on the date of any such distribution (or in accordance with such other method of distribution as may be set forth in any applicable First Lien Intercreditor Agreement)), with (x) the portion thereof distributed to the Credit Agreement Secured Parties to be further distributed in accordance with the Credit Agreement and (y) the portion thereof distributed to the Secured Parties of any other Series to be further distributed in accordance with the applicable provisions of the Other First Lien Agreement governing such Series; and

(c) THIRD, to Grantor, its successors or assigns, or as a court of competent jurisdiction may otherwise direct;

provided, that in no event shall (x) the proceeds of any collection or sale of any Specified Excluded Collateral be applied to the relevant Series of Obligations under any Other First Lien Agreement or replacement Credit Agreement that is not secured by such Specified Excluded Collateral or (y) the Mortgaged Property or the proceeds of any collection or sale of any Mortgaged Property of Grantor be applied to any Excluded Swap Obligations.

Unless otherwise required by applicable law, Beneficiary shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Deed of Trust. Subject to applicable law, upon any sale of Mortgaged Property by Beneficiary (and/or Trustee as so required by applicable law) (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by Beneficiary or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Mortgaged Property so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Beneficiary or such officer or be answerable in any way for the misapplication thereof.

**Section 5.8 Occupancy After Foreclosure.** Subject to applicable law, any sale of the Mortgaged Property or any part thereof in accordance with Section 5.1(d) will divest all right, title and interest of Grantor in and to the property sold. Subject to applicable law, any purchaser at a foreclosure sale will receive immediate possession of the property purchased. If Grantor retains possession of such property or any part thereof subsequent to such sale, Grantor will be considered a tenant at sufferance of the purchaser, and will, if Grantor remains in possession after demand to remove, be subject to eviction and removal by process of law.

**Section 5.9 Additional Advances and Disbursements; Costs of Enforcement.**

(a) Upon the occurrence and during the continuance of any Event of Default, Beneficiary shall have the right, but not the obligation, to cure such Event of Default in the name and on behalf of Grantor. All reasonable sums advanced and expenses incurred at any time by Trustee or Beneficiary under this Section 5.9, or otherwise under this Deed of Trust or applicable law, shall bear interest from the date that such sum is advanced or expense incurred, to and including the date of reimbursement, computed at the highest rate at which interest is then computed on any portion of the Obligations and all such sums, together with such interest thereon, shall be secured by this Deed of Trust to the extent permitted by applicable law.

(b) To the extent contemplated by Section 9.05 of the Credit Agreement or any equivalent provision of any Other First Lien Agreement, Grantor shall pay all reasonable and documented out-of-pocket expenses (including reasonable attorneys' fees and expenses) of or incidental to the perfection and enforcement of this Deed of Trust or the enforcement, compromise or settlement of the Obligations or any claim under this Deed of Trust, and for the curing thereof, or for defending or asserting the rights and claims of Trustee or Beneficiary in respect thereof, by litigation or otherwise.

**Section 5.10 No Mortgagee in Possession.** To the fullest extent permitted by applicable law, neither the enforcement of any of the remedies under this Article V, the assignment of the Rents and Leases under Article VI, the security interests under Article VII, nor any other remedies afforded to Beneficiary under any applicable Loan Document, at law or in equity shall cause Beneficiary or any other Secured Party to be deemed or construed to be a mortgagee in possession of the Mortgaged Property, to obligate Beneficiary or any other Secured Party to lease the Mortgaged Property or attempt to do so, or to take any action, incur any expense, or perform or discharge any obligation, duty or liability whatsoever under any of the Leases or otherwise.

#### ARTICLE VI ASSIGNMENT OF RENTS AND LEASES

**Section 6.1 Assignment.** In furtherance of and in addition to the assignment made by Grantor in Section 2.1, Grantor hereby absolutely and unconditionally assigns, sells, transfers and conveys to Beneficiary all of its right, title and interest in and to all Leases (but only to the extent permitted under such Leases), whether now existing or hereafter entered into, and all of its right, title and interest in and to all Rents. This assignment is an absolute assignment and not an assignment for additional security only. So long as no Event of Default shall have occurred and be continuing, and so long as Beneficiary has not provided written notice of its revocation of such license, Grantor shall have a revocable license from Beneficiary to exercise all rights extended to the landlord under the Leases, including the right to receive and collect all Rents and to hold the Rents in trust for use in the payment and performance of the Obligations and to otherwise use the same. The foregoing license is granted subject to the conditional limitation that no Event of Default shall have occurred and be continuing and no such notice has been given. Upon the occurrence and during the continuance of an Event of Default, whether or not legal proceedings have commenced, and without regard to waste, adequacy of security for the Obligations or solvency of Grantor, the license herein granted shall, at the election of Beneficiary, expire and terminate, upon written notice to Grantor by Beneficiary.

**Section 6.2 Perfection Upon Recordation.** Grantor acknowledges that it has taken all actions necessary to obtain, and that upon recordation of this Deed of Trust, Beneficiary shall have, to the extent permitted under applicable law, a valid and fully perfected, first priority, present assignment of the Rents arising out of the Leases and all security for such Leases. Grantor acknowledges and agrees that upon recordation of this Deed of Trust, Beneficiary's interest in the Rents, to the extent permitted under applicable law, shall be deemed to be fully perfected, "choate" and enforced as to Grantor and to the extent permitted under applicable law, all third parties, including, without limitation, any subsequently appointed trustee in any case under Title 11 of the United States Code (the "**Bankruptcy Code**"), without the necessity of commencing a foreclosure action with respect to this Deed of Trust, making formal demand for the Rents, obtaining the appointment of a receiver or taking any other affirmative action.

**Section 6.3 Bankruptcy Provisions.** Without limitation of the absolute nature of the assignment of the Rents hereunder, to the extent permitted under applicable law, Grantor and Beneficiary agree that (a) this Deed of Trust shall constitute a “security agreement” for purposes of Section 552(b) of the Bankruptcy Code, (b) the security interest created by this Deed of Trust extends to property of Grantor acquired before the commencement of a case in bankruptcy and to all amounts paid as Rents and (c) such security interest shall extend to all Rents acquired by the estate after the commencement of any case in bankruptcy.

## ARTICLE VII SECURITY AGREEMENT

**Section 7.1 Security Interest.** This Deed of Trust constitutes a “security agreement” on personal property within the meaning of the UCC and other applicable law and with respect to the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance, Condemnation Awards and Records. To this end, Grantor grants to Beneficiary a first priority security interest in the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance, Condemnation Awards, Records and all other Mortgaged Property which is personal property (except that Tenant’s Pledged Property shall be subject to a security interest held by Lessor pursuant to and in accordance with the Mortgaged Lease and the Master Lease Intercreditor Agreements) to secure the payment and performance of the Obligations, and agrees that Beneficiary shall have all the rights and remedies of a secured party under the UCC with respect to such property. Any notice of sale, disposition or other intended action by Beneficiary with respect to the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance, Condemnation Awards and Records sent to Grantor at least ten (10) days prior to any action under the UCC shall constitute reasonable notice to Grantor. In the event of any conflict or inconsistency whatsoever between the terms of this Deed of Trust and the terms of the Collateral Agreement with respect to the collateral covered both therein and herein, including, but not limited to, with respect to whether any such Mortgaged Property is to be subject to a security interest or the use, maintenance or transfer of any such Mortgaged Property, the Collateral Agreement shall control, govern, and prevail, to the extent of any such conflict or inconsistency. For the avoidance of doubt, no personal property of Grantor that does not constitute “Article 9 Collateral” under and as defined in the Collateral Agreement shall be subject to any security interest of Beneficiary or any Secured Party or constitute collateral hereunder.

**Section 7.2 Financing Statements.** Grantor shall prepare and deliver to Beneficiary such financing statements, and shall execute and deliver to Beneficiary such other documents, instruments and further assurances, in each case in form and substance reasonably satisfactory to Beneficiary, as Beneficiary may, from time to time, reasonably consider necessary to create, perfect and preserve Beneficiary’s security interest hereunder (and such financing statements may describe the collateral as “all assets”). Grantor hereby irrevocably authorizes Beneficiary to cause financing statements (and amendments thereto and continuations thereof) and any such documents, instruments and assurances to be recorded and filed, at such times and places as may be required or permitted by law to so create, perfect and preserve such security interest. Grantor represents and warrants to Beneficiary that Grantor’s jurisdiction of organization is the State of [•].

**Section 7.3 Fixture Filing.** This Deed of Trust shall also constitute a “fixture filing” for the purposes of the UCC against all of the Mortgaged Property which is or is to become fixtures. The information provided in this Section 7.3 is provided so that this Deed of Trust shall comply with the requirements of the UCC for a deed of trust instrument to be filed as a financing statement. Grantor is the “Debtor” and its name and mailing address are set forth in the preamble of this Deed of Trust (immediately preceding Article I). Beneficiary is the “Secured Party” for purposes of the UCC and its name and mailing address from which information concerning the security interest granted herein may be obtained are also set forth in the preamble of this Deed of Trust (immediately preceding Article I). A statement describing the portion of the Mortgaged Property comprising the fixtures hereby secured is set forth in the definition of “Mortgaged Property” in Section 1.1. Grantor represents and warrants to Beneficiary that (a) Grantor is the owner of [•]; and (b) Lessor is the record owner of [•].

ARTICLE VIII MISCELLANEOUS

**Section 8.1 Notices.** All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 9.01 of the Credit Agreement (whether or not then in effect) or, with respect to any holder of obligations under any Other First Lien Agreement, addressed to the Authorized Representative of such holder at its address set forth in the applicable Other First Lien Secured Party Consent, as such address may be changed by written notice to Grantor.

**Section 8.2 Covenants Running with the Land.** All grants, covenants, terms, provisions and conditions contained in this Deed of Trust are intended by Grantor, Trustee and Beneficiary to be, and shall be construed as, covenants running with the Land. As used herein, "Grantor" shall refer to the party named in the first paragraph of this Deed of Trust and to any subsequent owner of all or any portion of the Mortgaged Property. All persons who may have or acquire an interest in the Improvements and/or the lessee's interest in the Land under the Mortgaged Lease shall be deemed to have notice of, and be bound by, the terms of the Collateral Agreement and the other Loan Documents; *provided, however*, that no such party shall be entitled to any rights thereunder without the prior written consent of Beneficiary.

**Section 8.3 Attorney-in-Fact.** Subject to any applicable Intercreditor Agreements and the Master Lease Intercreditor Agreements, Grantor hereby irrevocably appoints Beneficiary as its attorney-in-fact, which agency is coupled with an interest and with full power of substitution, with full authority in the place and stead of Grantor and in the name of Grantor or otherwise (a) to execute and/or record any notices of completion, cessation of labor or any other notices that Beneficiary reasonably deems appropriate to protect Beneficiary's interest, if Grantor shall fail to do so within ten (10) days after written request by Beneficiary, (b) upon the issuance of a deed pursuant to the foreclosure of this Deed of Trust or the delivery of a deed in lieu of foreclosure, to execute all instruments of assignment, conveyance or further assurance with respect to the Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance, Condemnation Awards and Records in favor of the grantee of any such deed and as may be necessary or desirable for such purpose, (c) to prepare and file or record financing statements and continuation statements, and to prepare, execute and file or record applications for registration and like papers necessary to create, perfect or preserve Beneficiary's security interests and rights in or to any of the Mortgaged Property, and (d) after the occurrence and during the continuance of any Event of Default, to perform any obligation of Grantor hereunder; *provided, however*, that (1) Beneficiary shall not under any circumstances be obligated to perform any obligation of Grantor; (2) any sums advanced by Beneficiary in such performance shall be added to and included in the Obligations and shall bear interest at the highest rate at which interest is then computed on any portion of the Obligations; (3) Beneficiary as such attorney-in-fact shall only be accountable for such funds as are actually received by Beneficiary; and (4) Beneficiary shall not be liable to Grantor or any other person or entity for any failure to take any action which it is empowered to take under this Section 8.3. Grantor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof.

**Section 8.4 Successors and Assigns.** Whenever in this Deed of Trust Grantor, Trustee or Beneficiary are referred to, such reference shall be deemed to include the permitted successors and assigns of each of them, and all covenants, promises and agreements by or on behalf of Grantor that are contained in this Deed of Trust shall bind its permitted successors and assigns and inure to the benefit of Trustee and Beneficiary and each of their successors and assigns.

#### **Section 8.5 Waivers; Amendments.**

(a) No failure or delay by Beneficiary or any other Secured Party in exercising any right, power or remedy hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy, or any abandonment or discontinuance of steps to enforce such a right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies of Beneficiary and any other Secured Party hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights, powers or remedies that they would otherwise have. No waiver of any provision of this Deed of Trust or consent to any departure by Grantor therefrom shall in any event be effective unless the same shall be permitted by Section 8.5(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan, the issuance of a Letter of Credit or the incurrance of any Other First Lien Obligations shall not be construed as a waiver of any Default or Event of Default, regardless of whether Beneficiary or any other Secured Party may have had notice or knowledge of such Default or Event of Default at the time. No notice or demand on Grantor in any case shall entitle Grantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Deed of Trust nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by Beneficiary and Grantor (and, if required by applicable law, Trustee), subject to any consent required in accordance with Section 9.08 of the Credit Agreement (or any Equivalent Provision thereof), and the consent of each other Authorized Representative if and to the extent required by (and in accordance with) the applicable Other First Lien Agreement, and except as otherwise provided in any applicable Intercreditor Agreement. Beneficiary may conclusively rely on a certificate of an officer of the Borrower as to whether any amendment contemplated by this Section 8.5(b) is permitted without any further inquiry.

(c) Notwithstanding anything to the contrary contained herein, Beneficiary may grant extensions of time or waivers of the requirement for the creation or perfection of security interests in or the obtaining of insurance (including title insurance) or surveys with respect to the Mortgaged Property where it reasonably determines, in consultation with the Borrower, that perfection or obtaining of such items cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required by this Deed of Trust or any other Loan Document.

**Section 8.6 WAIVER OF JURY TRIAL.** GRANTOR AND, BY ITS ACCEPTANCE HEREOF, BENEFICIARY, EACH HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS DEED OF TRUST (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). GRANTOR CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF BENEFICIARY OR ANY OTHER SECURED PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT BENEFICIARY OR SUCH OTHER SECURED PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER.

#### **Section 8.7 Termination or Release.**

In each case, subject to the terms of any applicable Intercreditor Agreement and the Master Lease Intercreditor Agreements:

(a) This Deed of Trust and all Liens and security interests created by this Deed of Trust shall automatically terminate and/or be released all without delivery of any instrument or performance of any act by Trustee or Beneficiary, all rights to the Mortgaged Property shall automatically revert to Grantor, and Beneficiary shall automatically assign back to Grantor all of its right, title and interest in the Leases and Rents, upon the occurrence of the Termination Date or, if any Other First Lien Obligations are outstanding on the Termination Date, the date when all Other First Lien Obligations (in each case other than contingent or unliquidated obligations or liabilities not then due and any other obligations that, by the terms of any Other First Lien Agreements, are not required to be paid in full prior to termination and release of the Mortgaged Property) have been paid in full and the Secured Parties have no further commitment to extend credit under any Other First Lien Agreement.

(b) Grantor shall automatically be released from its obligations hereunder and the Lien and security interests in the Mortgaged Property of Grantor shall be automatically released upon the consummation of any transaction not prohibited by the Credit Agreement or any Other First Lien Agreement as a result of which Grantor ceases to be the Borrower or a Subsidiary of the Borrower or otherwise becomes an Excluded Subsidiary or ceases to be a Loan Party, all without delivery of any instrument or performance of any act by any party, and all rights to the Mortgaged Property shall revert to Grantor.

(c) (i) Upon any sale or other transfer by Grantor of any of the Mortgaged Property that is not prohibited by the Credit Agreement or any Other First Lien Agreement to any person that is not (and is not required to become) a Loan Party, (ii) upon the effectiveness of any written consent to the release of the security interest granted hereby in any Mortgaged Property pursuant to Section 9.18 of the Credit Agreement (or any Equivalent Provision thereof) and any equivalent provision of any applicable Other First Lien Agreement (in each case, to the extent required thereby), or (iii) as otherwise may be provided in any applicable Intercreditor Agreement or any Master Lease Intercreditor Agreement, the Lien and security interest in such Mortgaged Property shall be automatically released, all without delivery of any instrument or performance of any act by any party.

(d) Solely with respect to the Credit Agreement Secured Obligations, Grantor shall automatically be released from its obligations hereunder and/or the Lien and security interests in the Mortgaged Property securing the Credit Agreement Secured Obligations shall in each case be automatically released upon the occurrence of any of the circumstances set forth in Section 9.18 of the Credit Agreement (or any Equivalent Provision thereof) without delivery of any instrument or performance of any act by any party, and all rights to the Mortgaged Property shall revert to Grantor.

(e) Solely with respect to any Series of Other First Lien Obligations, Grantor shall automatically be released from its obligations hereunder and/or the Lien and security interests in the Mortgaged Property securing such Series of Other First Lien Obligations shall in each case be automatically released upon the occurrence of any of the circumstances set forth in the section governing release of collateral in the applicable Other First Lien Agreement governing such Series of Other First Lien Obligations, all without delivery of any instrument or performance of any act by any party, and all rights to the Mortgaged Property shall revert to Grantor.

(f) If any Mortgaged Property shall become subject to the release provisions set forth in any applicable Intercreditor Agreement, the Lien created hereunder on such Mortgaged Property shall be automatically released to the extent (and only to the extent) provided therein.

(g) Upon the natural expiration or permitted termination of the term that is permitted pursuant to the Loan Documents of the Mortgaged Lease, Grantor shall automatically be released from its obligations hereunder and the security interests of Trustee and Beneficiary shall be automatically released, all without delivery of any instrument or performance of any act by Trustee and Beneficiary.

(h) In connection with any termination or release pursuant to this Section 8.7, Beneficiary and/or Trustee shall execute and deliver to Grantor, at Grantor's expense, all documents that Grantor shall reasonably request and reconveyances to evidence such termination or release (including, without limitation, deed of trust releases or UCC amendment or termination statements, as applicable), and will duly assign and transfer to Grantor, such of the Mortgaged Property that may be in the possession of Trustee or Beneficiary and has not theretofore been sold or otherwise applied or released pursuant to this Deed of Trust. Any execution and delivery of documents pursuant to this Section 8.7 shall be without recourse to or warranty by Trustee and Beneficiary. In connection with any release pursuant to this Section 8.7, Grantor shall be permitted to take any action in connection therewith consistent with such release including, without limitation, the filing of UCC termination statements. Upon the receipt of any necessary or proper instruments of termination, satisfaction or release (forms of which shall be reasonably acceptable to Beneficiary and/or Trustee) prepared by the Borrower pursuant to this Section 8.7, Beneficiary and/or Trustee shall execute, deliver or acknowledge such instruments or releases to evidence the release of the Mortgaged Property permitted to be released pursuant to this Deed of Trust. Grantor agrees to pay all reasonable and documented out-of-pocket expenses incurred by Beneficiary and/or Trustee (and its representatives and counsel) in connection with the execution and delivery of such release documents or instruments.

**Section 8.8 Waiver of Stay, Moratorium and Similar Rights.** Grantor agrees, to the full extent that it may lawfully do so, that it will not at any time insist upon or plead or in any way take advantage of any stay, marshalling of assets, extension, redemption or moratorium law now or hereafter in force and effect so as to prevent or hinder the enforcement of the provisions of this Deed of Trust or the Obligations secured hereby, or any agreement between Grantor and Beneficiary or any rights or remedies of Beneficiary or any other Secured Party.

**Section 8.9 Applicable Law.** The provisions of this Deed of Trust shall be governed by and construed under the laws of the state in which the Land is located.

**Section 8.10 Headings; Interpretation.** The Article, Section and Subsection titles hereof are inserted for convenience of reference only and shall in no way alter, modify or define, or be used in construing, the text of such Articles, Sections or Subsections. All Articles, Sections, Subsections or Exhibits are references to the Articles, Sections, Subsections or Exhibits of this Deed of Trust unless otherwise expressly stated.

**Section 8.11 Severability.** In the event any one or more of the provisions contained in this Deed of Trust should be held invalid, illegal or unenforceable in any respect, such provision shall be enforced to the maximum extent permitted by law and the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. Grantor and Beneficiary shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

**Section 8.12 Entire Agreement.** This Deed of Trust and the other Loan Documents embody the entire agreement and understanding between Grantor, Trustee and Beneficiary relating to the subject matter hereof and thereof and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, the applicable Loan Documents may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

**Section 8.13 Person Serving as Beneficiary.** On the Closing Date and as of the date hereof, Beneficiary is the Administrative Agent. Written notice of resignation by the Administrative Agent under the Credit Agreement pursuant to the Credit Agreement shall also constitute notice of resignation as Beneficiary under this Deed of Trust. Upon the acceptance of any appointment as the Administrative Agent under the Credit Agreement by a successor, that successor shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Beneficiary pursuant hereto. Immediately upon the occurrence of the Termination Date, if any other Series of Secured Obligations is then outstanding, the Authorized Representative of such Series (or, if more than one such Series is outstanding, the Applicable First Lien Authorized Representative) shall be deemed Beneficiary for all purposes under this Deed of Trust. Beneficiary immediately prior to any change in Beneficiary pursuant to this Section 8.13 (the “**Prior Beneficiary**”) shall be deemed to have assigned all of its rights, powers and duties hereunder to the successor Beneficiary determined in accordance with this Section 8.13 (the “**Successor Beneficiary**”) and the Successor Beneficiary shall be deemed to have accepted, assumed and succeeded to such rights, powers and duties. The Prior Beneficiary shall cooperate with Grantor and such Successor Beneficiary to ensure that all actions are taken that are necessary or reasonably requested by the Successor Beneficiary to vest in such Successor Beneficiary the rights granted to the Prior Beneficiary hereunder with respect to the Mortgaged Property, including (a) the filing of amended financing statements in the appropriate filing offices, (b) to the extent that the Prior Beneficiary holds, or a third party holds on its behalf, physical possession of or “control” (as defined in the UCC) (or any similar concept under foreign law) over Mortgaged Property pursuant to this Deed of Trust or any other Security Document, the delivery to the Successor Beneficiary of the Mortgaged Property in its possession or control together with any necessary endorsements to the extent required by this Deed of Trust, and (c) the execution and delivery of any further documents, financing statements or agreements and the taking of all such further action that may be required under any applicable law, or that the Successor Beneficiary may reasonably request, all without recourse to, or representation or warranty by, the Prior Beneficiary and at the sole cost and expense of Grantor. In addition, Beneficiary hereunder shall at all times be the same person that is the “Collateral Agent” under each First Lien Intercreditor Agreement then in effect. Written notice of resignation by the “Collateral Agent” pursuant to each First Lien Intercreditor Agreement then in effect shall also constitute notice of resignation as Beneficiary under this Deed of Trust. Upon the acceptance of any appointment as the “Collateral Agent” under each First Lien Intercreditor Agreement by a successor “Collateral Agent”, the successor “Collateral Agent” shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Beneficiary pursuant to this Deed of Trust. Beneficiary shall have the right hereunder to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including, without limitation, the release or substitution of the Mortgaged Property) in accordance with the terms of the Credit Agreement, this Deed of Trust and other Loan Documents. Beneficiary and all other persons shall be entitled to rely on releases, waivers, consents, approvals, notifications and other acts of Beneficiary, without inquiry into the existence of required consents or approvals of the Secured Parties therefor. The provisions of Section 8.04 of the Credit Agreement apply *mutatis mutandis* as if set forth herein.

**Section 8.14 Recording Documentation to Assure Security.** Grantor shall, forthwith after the execution and delivery hereof and thereafter, from time to time, cause this Deed of Trust and any financing statement, continuation statement or similar instrument relating to any of the Mortgaged Property or to any property intended to be subject to the Lien hereof or the security interests created hereby to be filed, registered and recorded in such manner and in such places as may be required by any present or future law and shall take such actions as Beneficiary shall reasonably deem necessary in order to publish notice of and fully to protect the validity and priority of the Liens, assignment, and security interests purported to be created upon the Mortgaged Property and the interest and rights of Beneficiary therein. Grantor shall pay or cause to be paid all taxes and fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment thereof, and of

any instrument of further assurance, and all Federal or state stamp taxes or other taxes, duties and charges arising out of or in connection with the execution and delivery of such instruments. In the event Trustee or Beneficiary advances any sums to pay the amounts set forth in the preceding sentence, such advances shall be secured by this Deed of Trust.

**Section 8.15 Further Acts.** Grantor shall, at the sole cost and expense of Grantor, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, mortgages, assignments, notices of assignment, transfers, financing statements, continuation statements, instruments and assurances as Beneficiary or Trustee shall from time to time reasonably request, which may be necessary in the reasonable judgment of Beneficiary from time to time to assure, perfect, convey, assign, mortgage, pledge, transfer and confirm unto Beneficiary and Trustee, the property and rights hereby conveyed or assigned or which Grantor may be or may hereafter become bound to convey or assign to Beneficiary and Trustee or for carrying out the intention or facilitating the performance of the terms hereof or the filing, registering or recording hereof. Grantor shall pay or cause to be paid all taxes and fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment thereof, and of any instrument of further assurance, and all Federal or state stamp taxes or other taxes, duties and charges arising out of or in connection with the execution and delivery of such instruments. In the event Beneficiary or Trustee advances any sums to pay the amounts set forth in the preceding sentence, such advances shall be secured by this Deed of Trust.

**Section 8.16 Additions to Mortgaged Property.** All right, title and interest of Grantor in and to all extensions, amendments, relocations, restakings, improvements, betterments, renewals, substitutes and replacements of, and all additions and appurtenances to, the Mortgaged Property hereafter acquired by or released to Grantor or constructed, assembled or placed by Grantor upon the Land, and all conversions of the security constituted thereby, immediately upon such acquisition, release, construction, assembling, placement or conversion, as the case may be, and in each such case without any further pledge, mortgage, conveyance, assignment or other act by Grantor, shall become subject to the Lien and security interest of this Deed of Trust as fully and completely and with the same effect as though now owned by Grantor and specifically described in the grant of the Mortgaged Property above, but at any and all times Grantor will execute and deliver to Beneficiary any and all such further pledges, assurances, mortgages, conveyances or assignments thereof as Beneficiary may reasonably require for the purpose of expressly and specifically subjecting the same to the Lien and security interest of this Deed of Trust.

**Section 8.17 Relationship.** The relationship of Beneficiary to Grantor hereunder is strictly and solely that of creditor and debtor and grantor and beneficiary and nothing contained in the Credit Agreement, the Collateral Agreement, any Other First Lien Agreement, this Deed of Trust, any other Loan Document or any other document or instrument now existing and delivered in connection therewith or otherwise in connection with the Obligations is intended to create, or shall in any event or under any circumstance be construed as creating a partnership, joint venture, tenancy-in-common, joint tenancy or other relationship of any nature whatsoever between Beneficiary and Grantor other than as creditor and debtor and beneficiary and grantor.

**Section 8.18 Beneficiary's Fees and Expenses; Indemnification.**

(a) Grantor agrees that Beneficiary shall be entitled to reimbursement of its expenses incurred hereunder by Grantor, and Beneficiary and other Indemnitees shall be indemnified by Grantor, in each case of this clause (a), *mutatis mutandis*, as provided in Section 9.05 of the Credit Agreement (or any Equivalent Provision thereof) or any equivalent provision of any Other First Lien Agreement.

(b) Any such amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Security Documents. The provisions of this Section 8.18 shall remain operative and in full force and effect regardless of the termination of this Deed of Trust or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Deed of Trust or any other Loan Document, or any investigation made by or on behalf of Beneficiary or any other Secured Party. All amounts due under this Section 8.18 shall be payable within thirty (30) days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) For the avoidance of doubt, the provisions of Article VIII of the Credit Agreement or any equivalent provisions of any Other First Lien Agreement shall also apply to Beneficiary acting under or in connection with this Deed of Trust in such capacity. No provision of this Deed of Trust shall require Beneficiary to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

**Section 8.19 Jurisdiction; Consent to Service of Process.** (a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the non-exclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Deed of Trust, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Deed of Trust shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Deed of Trust, the Mortgaged Property, the Collateral, or Grantor's other properties, in the courts of any jurisdiction.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Deed of Trust or any other Loan Document in any New York State or federal court of the United States of America sitting in New York City, and any appellate court from any thereof. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 8.1. Nothing in this Deed of Trust or any other Loan Document will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

**Section 8.20 Subject to Intercreditor Agreements, Master Lease Intercreditor Agreements and Master Leases.**

(a) Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted herein to Beneficiary for the benefit of the Secured Parties pursuant to this Deed of Trust and (ii) the exercise of any right or remedy by Beneficiary hereunder or the application of proceeds (including insurance and condemnation proceeds) of any Mortgaged Property, in each case, are subject to the limitations and provisions of any applicable Intercreditor Agreement to the extent provided therein. In the event of any conflict between the terms of such applicable Intercreditor Agreement and the terms of this Deed of Trust, the terms of such applicable Intercreditor Agreement shall govern.

(b) Notwithstanding anything herein to the contrary, the Lien and security interest granted to Beneficiary pursuant to this Deed of Trust in the Tenant's Pledged Property (as defined in each Master Lease) and the exercise of any right or remedy by Beneficiary hereunder against the Tenant's Pledged Property are subject to the provisions of the applicable Master Lease Intercreditor Agreement. In the event of any conflict between the terms of any Master Lease Intercreditor Agreement and this Deed of Trust, the terms of such Master Lease Intercreditor Agreement shall govern and control.

(c) Notwithstanding anything herein to the contrary, [(i) any exercise of remedies hereunder or under any other Security Document that would affect the Leasehold Estate (as defined in the CPLV Master Lease) is subject and subordinate to the terms of the CPLV Master Lease, (ii) any exercise of remedies hereunder or under any other Security Document that would affect the Leasehold Estate (as defined in the Non-CPLV Master Lease) is subject and subordinate to the terms of the Non-CPLV Master Lease, and (iii) any exercise of remedies hereunder or under any other Security Document that would affect the Leasehold Estate or similar term (as defined in each other Master Lease, Additional Master Lease or Additional Lease) is subject and subordinate to the terms of such other Master Lease, Additional Master Lease or Additional Lease.]†

**Section 8.21 Other First Lien Obligations.** Upon the execution and delivery by the Borrower to Beneficiary and each Authorized Representative of a fully executed Other First Lien Secured Party Consent in accordance with Section 7.23 of the Collateral Agreement, the holders of the Other First Lien Obligations as set forth in such Other First Lien Secured Party Consent shall automatically be secured by the Mortgaged Property hereunder without any further action, and such holder shall automatically become a Secured Party hereunder.

**Section 8.22 Application of Gaming Laws and Liquor Laws.** Notwithstanding anything herein to the contrary, this Deed of Trust and any other Loan Document are subject to Gaming Laws and Liquor Laws. Without limiting the foregoing, Beneficiary's acceptance of this Deed of Trust shall be conclusively deemed an acknowledgment by Beneficiary that (i) the Secured Parties are subject to the jurisdiction of the Gaming Authorities and Liquor Authorities, in their discretion, for licensing, qualification or findings of suitability or to file or provide other information, and (ii) all rights, remedies and powers in or under this Deed of Trust and the other Loan Documents, including with respect to the Mortgaged Property and the ownership and operation of facilities may be subject to the jurisdiction of the Gaming Authorities and Liquor Authorities, and may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws and Liquor Laws and only to the extent that required approvals (including prior approvals), if any, are obtained from the relevant Gaming Authorities and Liquor Authorities.

## ARTICLE IX REGARDING TRUSTEE

### **Section 9.1 Trustee's Powers and Liabilities.**

(a) Trustee, by acceptance hereof, covenants faithfully to perform and fulfill the trusts herein created, being liable, however, only for gross negligence, bad faith or willful misconduct, and hereby waives any statutory fee for any services rendered by it in accordance with the terms thereof. All authorities, powers and discretions given in this Deed of Trust to Trustee and/or Beneficiary may be exercised by either, without the other, with the same effect as if exercised jointly;

(b) Trustee may resign at any time upon giving thirty (30) days' notice in writing to Grantor and to Beneficiary;

---

† Relevant provisions to be included in the applicable deed of trust.

(c) Beneficiary may remove Trustee at any time or from time to time and select a successor trustee. In the event of the death, removal, resignation, refusal to act, inability to act or absence of Trustee from the state in which the Premises are located, or in its sole discretion for any reason whatsoever, Beneficiary may, upon notice to Grantor and without specifying the reason therefore and without applying to any court, select and appoint a successor trustee, and all powers, rights, duties and authority of the former trustee, as aforesaid, shall thereupon become vested in such successor. Such substitute trustee shall not be required to give bond for the faithful performance of his duties unless required by Beneficiary. Such substitute trustee shall be appointed by written instrument duly recorded in the county where the Land is located. Grantor hereby ratifies and confirms any and all acts that the herein named Trustee, or his successor or successors in this trust, shall do lawfully by virtue hereof. Grantor hereby agrees, on behalf of itself and its heirs, executors, administrators and assigns, that the recitals contained in any deed or deeds executed in due form by any Trustee or substitute trustee, acting under the provisions of this instrument, shall be prima facie evidence of the facts recited, and that it shall not be necessary to prove in any court, otherwise than by such recitals, the existence of the facts essential to authorize the execution and delivery of such deed or deeds and the passing of title thereby;

(d) Trustee shall not be required to see that this Deed of Trust is recorded nor liable for its validity or its priority as a first deed of trust, or otherwise, nor shall Trustee be answerable or responsible for performance or observance of the covenants and agreements imposed upon Grantor or Beneficiary by this Deed of Trust or any other agreement. Trustee, as well as Beneficiary, shall have authority in their respective discretion to employ agents and attorneys in the execution of this trust and to protect the interest of the Beneficiary hereunder, and to the fullest extent permitted by law they shall be compensated and all expenses relating to the employment of such agents and/or attorneys, including expenses of litigation, shall be paid out of the proceeds of the sale of the Mortgaged Property conveyed hereby should a sale be had, but if no such sale be had, all sums so paid out shall be recoverable to the fullest extent permitted by law by all remedies at law or in equity; and

(e) At any time, or from time to time, without liability therefor and with ten (10) day's prior written notice to Grantor, upon written request of Beneficiary and without affecting the Lien of this Deed of Trust upon the remainder of the Mortgaged Property, Trustee may (A) reconvey any part of the Mortgaged Property, (B) consent in writing to the making of any map or plat thereof, so long as Grantor has consented thereto, (C) join in granting any easement thereon, so long as Grantor has consented thereto, or (D) join in any extension agreement or any agreement subordinating the Lien or charge hereof.

#### ARTICLE X MORTGAGED LEASE

**Section 10.1 No Merger; Acquisition; Power of Attorney.** So long as any of the Obligations remain unpaid or unperformed, the fee title to and the leasehold estate in the Land shall not merge but shall always be kept separate and distinct notwithstanding the union of such estates in the Lessor or Grantor, or in a third party, by purchase or otherwise. If Grantor acquires the fee title or any other estate, title or interest in the Land, or any part thereof, the Lien of this Deed of Trust shall attach to, cover and be a Lien upon such acquired estate, title or interest and the same shall thereupon be and become a part of the Mortgaged Property with the same force and effect as if specifically encumbered herein. Grantor agrees to execute all instruments and documents that Trustee and/or Beneficiary may reasonably require to ratify, confirm and further evidence the Lien of this Deed of Trust on the acquired estate, title or interest.

**Section 10.2 New Leases.** If the Mortgaged Lease shall be terminated prior to the natural expiration of its term due to default Grantor or any tenant thereunder, and if, pursuant to the provisions of the Mortgaged Lease, Beneficiary or its designee shall acquire from the Lessor a new lease of the Land, Grantor shall have no right, title or interest in or to such new lease or the leasehold estate created thereby, or renewal privileges therein contained.

**Section 10.3 No Assignment.** Notwithstanding anything to the contrary contained herein, this Deed of Trust shall not constitute an assignment of the Mortgaged Lease within the meaning of any provision thereof prohibiting its assignment and Trustee and Beneficiary shall have no liability or obligation thereunder by reason of their acceptance of this Deed of Trust. Trustee and Beneficiary shall be liable for the obligations of the tenant arising out of the Mortgaged Lease for only that period of time for which Trustee and/or Beneficiary is in possession of the Premises or has acquired, by foreclosure or otherwise, and is holding all of Grantor's right, title and interest therein.

**Section 10.4 Rejection of Mortgaged Lease by Landlord.** If a landlord under the Mortgaged Lease becomes a debtor in a case under the Bankruptcy Code and rejects the Mortgaged Lease under Section 365 of the Bankruptcy Code and Grantor has the rights provided for under Section 365(h) of the Bankruptcy Code and has been given a full and fair opportunity to elect the treatment offered by Section 365(h) of the Bankruptcy Code, then:

(a) Grantor shall not suffer or permit the termination of the Mortgaged Lease by electing to terminate the Lease pursuant to Section 365(h) or otherwise without Beneficiary's consent. Grantor acknowledges that because the Mortgaged Lease is a primary element of Beneficiary's security for the Obligations, it is not anticipated that Beneficiary would consent to termination of the Mortgaged Lease. Therefore, provided that Grantor receives due and proper notice and is given a full and fair opportunity to make an election, Grantor shall, unless directed otherwise by Beneficiary, elect to remain in possession of the Premises pursuant to Section 365(h)(1)(A)(ii) of the Bankruptcy Code.

(b) To the extent permitted by law, and until the Obligations have been satisfied in full, if Grantor does not make an election to remain in possession of the Premises pursuant to Section 365(h)(1)(A)(ii) within a reasonable period, Grantor hereby assigns to Beneficiary the right to make such election on behalf of Grantor. Grantor acknowledges and agrees that the foregoing assignment of its rights under Section 365(h) of the Bankruptcy Code and any related rights, are rights that Beneficiary may use to protect and preserve Beneficiary's other rights and interests under this Deed of Trust.

(c) Grantor acknowledges that if it elects to remain in the Premises pursuant to Section 365(h)(1)(A)(ii) of the Bankruptcy Code, then Grantor's resulting occupancy rights, as adjusted by the effect of Section 365 of the Bankruptcy Code, shall then be part of the Mortgaged Property and shall be subject to the lien of this Deed of Trust.

(d) All the terms and provisions of this Deed of Trust and the Lien created by this Deed of Trust shall remain in full force and effect and shall extend automatically to all of Grantor's rights and remedies arising at any time under, or pursuant to, Section 365(h) of the Bankruptcy Code, including all of Grantor's rights to remain in possession of the Premises.

#### ARTICLE XI LOCAL LAW PROVISIONS‡

**Section 11.1 Local Law Provisions.** Notwithstanding anything to the contrary contained in this Deed of Trust, in the event of any conflict or inconsistency between the provisions of this Article XI and the other provisions of this Deed of Trust, the provisions of this Article XI will govern.

[FORM OF]  
PERMITTED LOAN PURCHASE ASSIGNMENT AND ACCEPTANCE

This Permitted Loan Purchase Assignment and Acceptance (this “*Permitted Loan Purchase Assignment and Acceptance*”) is delivered in connection with the Credit Agreement dated as of October 6, 2017 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “*Credit Agreement*”), among Caesars Entertainment Operating Company, Inc., CEOC, LLC, the Lenders party thereto from time to time and Credit Suisse AG, Cayman Islands Branch, as administrative agent (in such capacity, together with its successors and assigns in such capacity, the “*Administrative Agent*”) and the collateral agent for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement.

The Assignor identified on Schedule 1 hereto (the “*Assignor*”) and the assignee identified on Schedule 1 hereto (the “*Permitted Loan Assignee*”) agree as follows:

1. The Assignor hereby irrevocably sells and assigns to the Permitted Loan Assignee without recourse to the Assignor, and the Permitted Loan Assignee hereby irrevocably purchases and assumes from the Assignor without recourse to the Assignor, as of the Effective Date (as defined below) and pursuant to the terms and conditions set forth in the Credit Agreement for Permitted Loan Purchases (including, without limitation, Sections 9.04(i) and 9.04(j) thereof), the interest described in Schedule 1 hereto (the “*Assigned Interest*”) in and to the Assignor’s rights and obligations under the Credit Agreement with respect to those credit facilities contained in the Credit Agreement as are set forth on Schedule 1 hereto (individually, an “*Assigned Facility*”; collectively, the “*Assigned Facilities*”), in a principal amount for each Assigned Facility as set forth on Schedule 1 hereto.

2. The Assignor (a) represents and warrants that (i) it is the legal and beneficial owner of the Assigned Interest, (ii) the Assigned Interest is free and clear of any lien, encumbrance or other adverse claim and (iii) it has full power and authority, and has taken all action necessary, to execute and deliver this Permitted Loan Purchase Assignment and Acceptance and to consummate the transactions contemplated hereby; (b) makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with the Credit Agreement or with respect to the execution, legality, validity, enforceability, genuineness, sufficiency or value of the Credit Agreement, any other Loan Document or any other instrument or document furnished pursuant thereto, other than that the Assignor has not created any adverse claim upon the interest being assigned by it hereunder and that such interest is free and clear of any such adverse claim; (c) makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower, any of its Subsidiaries or any other obligor or the performance or observance by the Borrower, any of its Subsidiaries or any other obligor of any of their respective obligations under the Credit Agreement or any other Loan Document or any other instrument or document furnished pursuant hereto or thereto; and (d) attaches any Notes held by it evidencing the Assigned Facilities. To the extent the Assignor has retained any interest in the Assigned Facility and holds a Note evidencing such interest, the Assignor hereby requests that the Administrative Agent exchange the attached Notes for a new Note or Notes payable to the Assignor, in each case in amounts which reflect the assignment being made hereby (and after giving effect to any other assignments which have become effective on the Effective Date).

3. The Permitted Loan Assignee (a) represents and warrants that (i) it is legally authorized to enter into this Permitted Loan Purchase Assignment and Acceptance and has taken all action necessary to execute and deliver this Permitted Loan Purchase Assignment and Acceptance and to consummate the transaction contemplated hereby and (ii) it is not in possession of material non-public information (within the meaning of United States federal and state securities laws) with respect to the Borrower, its Subsidiaries or their respective securities (or, if none of the Borrower, CEC or any Parent

Entity is a public reporting company on the Effective Date, material information that is not publicly available and that is of a type that would not reasonably be expected to be publicly available if the Borrower, CEC or a Parent Entity was a public reporting company on the Effective Date) that (A) has not been disclosed to the Assignor or the Lenders generally (other than because the Assignor or any other Lender does not wish to receive material non-public information with respect to the Borrower or its Subsidiaries) and (B) could reasonably be expected to have a material effect upon, or otherwise be material to, the Assignor's decision to assign the Assigned Interest to the Assignee; and (b) represents and warrants that it satisfied the requirements specified in the Credit Agreement that are required to be satisfied in order to make a Permitted Loan Purchase of the Assigned Interest.

4. The effective date of this Permitted Loan Purchase Assignment and Acceptance shall be the Effective Date of the assignment described in Schedule 1 hereto (the "**Effective Date**"). On the Effective Date, the Assigned Interest shall be deemed to be automatically and immediately cancelled and extinguished (with a corresponding permanent reduction in Revolving Facility Commitments to the extent the Assigned Interest consists of Revolving Facility Loans). The Administrative Agent shall update the Register, effective as of the Effective Date, to record such event as if it were a prepayment of such Assigned Interest (with a corresponding permanent reduction in Revolving Facility Commitments to the extent the Assigned Interest consists of Revolving Facility Loans) pursuant to Section 9.04(j) of the Credit Agreement.

5. Upon such acceptance and recording, from and after the Effective Date, the Administrative Agent shall make all payments in respect of the Assigned Interest (including payments of principal, interest, fees and other amounts) to the Assignor for amounts which have accrued prior to the Effective Date. No payments in respect of the Assigned Interest (which shall be deemed to have been cancelled and extinguished as of the Effective Date) shall be due to the Assignor or the Permitted Loan Assignee from and after the Effective Date.

6. As of the Effective Date, the Assignor shall, to the extent provided in this Permitted Loan Purchase Assignment and Acceptance, relinquish its rights and be released from its obligations under the Credit Agreement.

7. This Permitted Loan Purchase Assignment and Acceptance shall be binding upon, and inure to the benefit of the parties hereto and their respective successors and assigns. This Permitted Loan Purchase Assignment and Acceptance may be executed in any number of counterparts, each of which shall constitute an original but all of which when taken together shall constitute one instrument. Delivery of an executed counterpart of a signature page of this Permitted Loan Purchase Assignment and Acceptance by facsimile or other electronic delivery shall be effective as delivery of a manually executed counterpart of this Permitted Loan Purchase Assignment and Acceptance.

8. This Permitted Loan Purchase Assignment and Acceptance shall be governed by, and construed in accordance with, the law of the State of New York.

The undersigned Lender hereby gives you notice, pursuant to Section 2.11(g)(iii) of the Credit Agreement, that it is willing to accept a Discounted Voluntary Prepayment on Loans held by such Lender:

1. in a maximum aggregate principal amount of [\$\_\_\_\_\_ of Term B Loans] [and] [\$\_\_\_\_\_ of Revolving Facility Loans]<sup>1</sup> (collectively, the “**Offered Loans**”), and

The undersigned Lender expressly agrees that this offer is subject to the provisions of Section 2.11(g) of the Credit Agreement. Furthermore, conditioned upon the Applicable Discount determined pursuant to Section 2.11(g)(iii) of the Credit Agreement being a percentage of par value less than or equal to the Acceptable Discount, the undersigned Lender hereby expressly consents and agrees to a prepayment of its Loans pursuant to Section 2.11(g) of the Credit Agreement in an aggregate principal amount equal to the Offered Loans, as such principal amount may be reduced if the aggregate proceeds required to prepay Qualifying Loans (disregarding any interest payable in connection with such Qualifying Loans) would exceed the Proposed Discounted Prepayment Amount for the relevant Discounted Voluntary Prepayment, and acknowledges and agrees that such prepayment of its Loans will be allocated at par value, but the actual payment made to such Lender will be reduced in accordance with the Applicable Discount. In addition, in the case that the Offered Loans include Revolving Facility Loans, the undersigned hereby expressly consents and agrees to a permanent reduction in its Revolving Facility Commitments equal to the aggregate principal amount of Revolving Facility Loans so prepaid.

[FORM OF]  
GLOBAL INTERCOMPANY NOTE

October 6, 2017

FOR VALUE RECEIVED, each of the undersigned, to the extent a borrower from time to time from any other entity listed on the signature pages hereto (each, in such capacity, an “**Issuer**”), hereby promises to pay on demand to the order of such other entity listed below (each, in such capacity as lender to the applicable Issuer, a “**Holder**” and, together with each Issuer, a “**Note Party**”), in immediately available funds in the currencies as shall be agreed from time to time, at such location as the applicable Holder shall from time to time designate, the unpaid principal amount of all loans and advances or other credit extensions made by such Holder to such Issuer. Each Issuer promises also to pay interest on the unpaid principal amount of all such loans and advances or other credit extensions in like money at said location from the date of such loans and advances until paid at such rate per annum as shall be agreed upon from time to time by such Issuer and such Holder.

With respect to any Issuer and any Holder between whom loans, advances or other credit extensions exist as of the date of this Note (such loans, advances or other credit extensions, “**Existing Obligations**”), (a) if any Existing Obligation is evidenced by a promissory note or other instrument or agreement in existence as of the date hereof (an “**Existing Note**”), it is agreed between such Issuer and such Holder that the obligations under such Existing Note are hereafter to be evidenced by this Note and (b) it is agreed between such Issuer and such Holder that the agreements in existence as of the date hereof with respect to any Existing Obligation (including agreements contained in any Existing Note) as to principal, amortization, currency, payment location and interest rate (if any) will continue to have effect under this Note until modified by agreement between such Issuer and such Holder.

Reference is made to the Credit Agreement dated as of October 6, 2017 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”), among Caesars Entertainment Operating Company, Inc., CEOC, LLC, the Lenders party thereto from time to time and Credit Suisse AG, Cayman Islands Branch, as administrative agent (in such capacity, together with its successors and assigns in such capacity, the “**Administrative Agent**”) and the collateral agent for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement.

Anything in this note (the “**Note**”) to the contrary notwithstanding, the indebtedness evidenced by this Note (other than any intercompany current liabilities incurred in the ordinary course of business in connection with the cash management, tax and accounting operations of the Borrower and its Subsidiaries) owed by any Issuer that is the Borrower or a Subsidiary Loan Party to any Holder that is not a Loan Party shall be subordinate and junior in right of payment, to the extent and in the manner hereinafter set forth, to (i) all Obligations of the Borrower or such Issuer under the Credit Agreement and (ii) all other Indebtedness of such Issuer or any guaranty thereof (including, without limitation, any Other First Lien Obligations (as defined in the Collateral Agreement), other than Indebtedness that by its terms expressly provides that it shall not be Senior Indebtedness hereunder (such Obligations and such Indebtedness and other indebtedness and obligations in connection with any renewal, refunding, restructuring or refinancing thereof, including interest thereon accruing after the commencement of any proceedings referred to in clause (i) below, whether or not such interest is an allowed claim in such proceeding, being hereinafter collectively referred to as “**Senior Indebtedness**”):

(i) in the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or other similar proceedings in connection therewith, relative to any Issuer or

to its creditors, as such, or to its property, and in the event of any proceedings for voluntary liquidation, dissolution or other winding up of such Issuer, whether or not involving insolvency or bankruptcy, then, if an Event of Default has occurred and is continuing after written notice from the Administrative Agent to each Holder, except as otherwise agreed in writing by the Administrative Agent, (x) the holders of Senior Indebtedness shall be paid in full in cash in respect of all amounts constituting Senior Indebtedness (other than in respect of contingent indemnification and expense reimbursement claims not then due) before any Holder is entitled to receive (whether directly or indirectly), or make any demands for, any payment on account of this Note and (y) until the holders of Senior Indebtedness are paid in full in cash in respect of all amounts constituting Senior Indebtedness (other than in respect of contingent indemnification and expense reimbursement claims not then due) or such Event of Default is cured or waived, any payment or distribution to which such Holder would otherwise be entitled (other than debt securities of such Issuer that are subordinated, to at least the same extent as this Note, to the payment of all Senior Indebtedness then outstanding (such securities being hereinafter referred to as “**Restructured Debt Securities**”)) shall be made to the holders of Senior Indebtedness;

(ii) if any Event of Default has occurred and is continuing with respect to any Senior Indebtedness (including any Event of Default under the Credit Agreement) after written notice from the Administrative Agent to each Holder, except as otherwise agreed in writing by the Administrative Agent, then no payment or distribution of any kind or character shall be made by or on behalf of the Issuer or any other Person on its behalf with respect to this Note; and

(iii) if any payment or distribution of any character, whether in cash, securities or other property (other than Restructured Debt Securities), in respect of this Note shall (despite these subordination provisions) be received by any Holder in violation of clause (i) or (ii) before all Senior Indebtedness (other than in respect of contingent indemnification and expense reimbursement claims not then due) shall have been paid in full in cash, such payment or distribution shall be held in trust for the benefit of, and shall be paid over or delivered to, the holders of Senior Indebtedness (or their representatives) to the extent necessary to pay all Senior Indebtedness in full in cash.

To the fullest extent permitted by law, no present or future holder of Senior Indebtedness shall be prejudiced in its right to enforce the subordination of this Note by any act or failure to act on the part of any Issuer or by any act or failure to act on the part of such holder or any trustee or agent for such holder. Each Holder and each Issuer hereby agree that the subordination of this Note is for the benefit of the Administrative Agent and the other Secured Parties and the Administrative Agent and the other Secured Parties are obligees under this Note to the same extent as if their names were written herein as such and the Administrative Agent may, on behalf of itself and the other Secured Parties, proceed to enforce the subordination provisions herein.

The indebtedness evidenced by this Note owed by any Issuer that is not the Borrower or a Subsidiary Loan Party shall not be subordinated to, and may rank *pari passu* in right of payment with, any other obligation of such Issuer.

Notwithstanding the foregoing, nothing contained in the subordination provisions set forth above is intended to or will impair, as between each Issuer and each Holder, the obligations of such Issuer, which are absolute and unconditional, to pay to such Holder the principal of and interest on this Note as and when due and payable in accordance with its terms, or is intended to or will affect the relative rights of such Holder and other creditors of such Issuer other than the holders of Senior Indebtedness.

Each Holder is hereby authorized to record all loans and advances or other credit extensions made by it to any Issuer (all of which shall be evidenced by this Note), and all repayments or prepayments thereof, in its books and records, such books and records constituting *prima facie* evidence of the accuracy of the information contained therein. For the avoidance of doubt, this Note as between each Issuer and each Holder contains additional terms to any intercompany loan agreement between them and this Note does not in any way replace such intercompany loans between them nor does this Note in any way change the principal amount of any intercompany loans between them.

Upon execution and delivery after the date hereof by the Borrower or any subsidiary of the Borrower of a counterpart signature page hereto, such subsidiary shall become a Note Party hereunder with the same force and effect as if originally named as a Note Party hereunder. The rights and obligations of each Note Party hereunder shall remain in full force and effect notwithstanding the addition of any new Note Party as a party to this Note.

Each Issuer hereby waives presentment, demand, protest or notice of any kind in connection with this Note. All payments under this Note shall be made without offset, counterclaim or deduction of any kind.

**THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**

[FORM OF]  
SUBORDINATION, NON-DISTURBANCE AND ATTORNMENMENT AGREEMENT

This SUBORDINATION, NON-DISTURBANCE AND ATTORNMENMENT AGREEMENT (this "Agreement") is made and entered into as of \_\_\_\_\_ by and between [TENANT] ("Tenant"), and CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, as collateral agent (in such capacity, the "Collateral Agent") pursuant to that certain Credit Agreement dated as of October 6, 2017 (the "Credit Agreement") among Caesars Entertainment Operating Company, Inc., a Delaware corporation, CEOC, LLC, a Delaware limited liability company, the lenders party thereto from time to time and Credit Suisse AG, Cayman Islands Branch, as administrative agent for the lenders and collateral agent for the Secured Parties (as defined in the Credit Agreement).

RECITALS:

A. Tenant is the tenant under that certain lease dated \_\_\_\_\_ between [APPLICABLE LOAN PARTY] ("Landlord"), as landlord, and Tenant, as tenant (as amended through the date hereof, the "Lease"), for the leased premises as described in *Schedule A* attached hereto (the "Leased Premises"), which Leased Premises is located on the property known as [ ], located at [ ], as more particularly described in *Schedule B* attached hereto (the "Property").

B. Landlord has granted a mortgage lien on and security interest in the Property to Collateral Agent (for its benefit and for the benefit of the Secured Parties) pursuant to one or more mortgages, deeds of trust, deeds to secure debt or similar security instruments (collectively, the "Security Instruments").

C. Tenant has agreed to subordinate the Lease to the Security Instruments and to the lien thereof and Collateral Agent has agreed not to disturb Tenant's possessory rights in the Leased Premises under the Lease on the terms and conditions hereinafter set forth.

AGREEMENT:

NOW, THEREFORE, the parties hereto mutually agree as follows:

1. **Subordination.** Notwithstanding anything to the contrary set forth in the Lease, the Lease and the leasehold estate created thereby and all of Tenant's rights thereunder are and shall at all times be subject and subordinate in all respects to the Security Instruments and the lien thereof, and to all rights of Collateral Agent thereunder, and to any and all advances to be made thereunder, and to all renewals, modifications, consolidations, replacements and extensions thereof.

2. **Nondisturbance.** So long as Tenant or any subtenants of Tenant permitted under the terms of the Lease is in actual possession of the Leased Premises and complies with the provisions of this Agreement, pays all rents and other charges as specified in the Lease and is not otherwise in default (beyond applicable notice and cure periods) of any of its obligations and covenants pursuant to the Lease, Collateral Agent agrees for itself and its successors in interest and for any other person acquiring title to the Property through a Termination Event (each an "Acquiring Party"), that Tenant's possession, including possession by any permitted subtenants of Tenant, of the Leased Premises as described in the Lease will not be disturbed during the term of the Lease by reason of a Termination Event. Collateral Agent shall give Tenant prompt written notice of the occurrence of any Termination Event.

“**Termination Event**” means:

- (i) Any termination, surrender, abandonment or acceptance of surrender of the Lease for any reason, including by foreclosure, trustee’s sale or by the termination or rejection of the Lease by any trustee in bankruptcy under the provisions of United States Bankruptcy Code; or
- (ii) The sale, assignment or transfer of Landlord’s interest under the Lease pursuant to the exercise of any remedy of Collateral Agent under the Security Instruments, by foreclosure, trustee’s sale, deed or assignment in lieu of foreclosure, or otherwise; or
- (iii) Any other transfer of Landlord’s interest in the Property under peril of foreclosure.

3. **Attornment.** Tenant agrees to attorn to, accept and recognize any Acquiring Party as the landlord under the Lease, pursuant to the provisions expressly set forth therein for the then remaining balance of the term of the Lease, and any extensions thereof as made pursuant to the Lease. The foregoing provision shall be self-operative and shall not require the execution of any further instrument or agreement by Tenant as a condition to its effectiveness.

4. **No Liability.** Notwithstanding anything to the contrary contained herein or in the Lease, it is specifically understood and agreed that neither the Collateral Agent, any receiver nor any Acquiring Party shall be:

- (a) liable for any act, omission, negligence or default of any prior landlord (including Landlord); or
- (b) liable for any failure of any prior landlord (including Landlord) to construct any improvements or bound by any covenant to construct any improvement at the commencement of the term of the Lease; or
- (c) subject to any offsets, credits, claims or defenses which Tenant might have against any prior landlord (including Landlord); or
- (d) bound by any (i) rent or additional rent which is payable on a monthly basis and which Tenant has or might have paid for more than one (1) month in advance to any prior landlord (including Landlord) or (ii) security deposit or other prepaid charge which Tenant has or might have paid in advance to any prior landlord (including Landlord), except, in each case, to the extent delivered to the Collateral Agent, receiver or the Acquiring Party, as the case may be; or
- (e) liable to Tenant hereunder or under the terms of the Lease beyond the Collateral Agent’s, receiver’s or the Acquiring Party’s interest in the Leased Premises or the Property; or
- (f) bound by any assignment, subletting, renewal, extension or any other agreement or modification of the Lease made without the written consent of Collateral Agent except to the extent such things (i) are expressly permitted under the terms of the Lease or (ii) do not materially adversely affect Collateral Agent’s or Landlord’s rights and obligations under the Lease; or
- (g) bound by any consensual or negotiated surrender, cancellation or termination of the Lease, in whole or in part, agreed upon between Landlord and Tenant unless effected unilaterally by Tenant pursuant to the express terms of the Lease or made with the prior written consent of Collateral Agent; or

(h) liable to any broker or other third party for future commission or other fees and expenses.

Notwithstanding the foregoing, Tenant reserves its right to any and all claims or causes of action against such prior landlord for prior losses or damages.

5. ***Certain Acknowledgments by Tenant.*** This Agreement satisfies any and all conditions or requirements in the Lease relating to the granting of a non-disturbance agreement.

6. ***Collateral Agent To Receive Default Notices.*** Without limiting the general nature of Section 4 above, Tenant shall notify Collateral Agent of any default by Landlord under the Lease that would entitle Tenant to cancel the Lease, and agrees that, notwithstanding any provisions of the Lease to the contrary, no notice of cancellation thereof shall be effective unless Collateral Agent shall have received notice of default giving rise to such cancellation and shall have failed within thirty (30) days after receipt of such notice to cure such default or, if such default cannot be cured within thirty (30) days, shall have failed within thirty (30) days after receipt of such notice to commence and thereafter diligently pursue any action necessary to cure such default.

7. ***Estoppel.*** Tenant hereby certifies and represents to Collateral Agent that as of the date of this Agreement:

(a) the Lease is in full force and effect;

(b) except as noted on Schedule C, all requirements for the commencement and validity of the Lease have been satisfied and there are no unfulfilled conditions to Tenant's obligations under the Lease;

(c) to the best of Tenant's knowledge, Tenant is not in default under the Lease and has not received any uncured notice of any default by Tenant under the Lease; to the best of Tenant's knowledge, Landlord is not in default under the Lease; to the best of Tenant's knowledge, no act, event or condition has occurred which with notice or the lapse of time, or both, would constitute a default by Tenant or Landlord under the Lease; and to the best of Tenant's knowledge, no claim by Tenant of any nature exists against Landlord under the Lease and all obligations of Landlord to date have been fully performed;

(d) there are no defenses, counterclaims or setoffs against rents or charges due or which may become due under the Lease;

(e) none of the rent which Tenant is required to pay under the Lease has been prepaid, or will in the future be prepaid, more than one (1) month in advance;

(f) Tenant has no right or option contained in the Lease or in any other document to purchase all or any portion of the Leased Premises;

(g) the Lease has not been modified or amended and constitutes the entire agreement between Landlord and Tenant relating to the Leased Premises;

(h) Tenant has not assigned, mortgaged, sublet, conveyed or otherwise transferred any or all of its interest under the Lease; and

(i) Tenant has full authority to enter into this Agreement, which has been duly authorized by all necessary action.

8. **Notices.** All notices or other written communications hereunder shall be deemed to have been properly given (i) upon delivery, if delivered in person with receipt acknowledged by the recipient thereof, (ii) three (3) Business Days (hereinafter defined) after having been deposited for overnight delivery with any reputable overnight courier service, or (iii) five (5) Business Days after having been deposited in any post office or mail depository regularly maintained by the United States Postal Service and sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the receiving party at its address set forth on its signature page hereto or addressed as such party may from time to time designate by written notice to the other parties. For purposes of this Section 8, the term "Business Day" shall mean any day other than Saturday, Sunday or any other day on which banks are required or authorized to close in New York, New York or Las Vegas, Nevada. Either party by notice to the other may designate additional or different addresses for subsequent notices or communications.

9. **Successors.** The obligations and rights of the parties pursuant to this Agreement shall bind and inure to the benefit of the successors, assigns, heirs and legal representatives of the respective parties; *provided, however*, that in the event of the assignment or transfer of the interest of Collateral Agent, all obligations and liabilities of Collateral Agent under this Agreement shall terminate, and thereupon all such obligations and liabilities shall be the responsibility of the party to whom Collateral Agent's interest is assigned or transferred. In addition, Tenant acknowledges that all references herein to Landlord shall mean the owner of the landlord's interest in the Lease, even if said owner shall be different from the Landlord, named in the Recitals.

10. **Duplicate Original; Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed original.

11. **Limitation of Collateral Agent's Liability.**

(a) Collateral Agent, in its capacity as such, shall have no obligations nor incur any liability with respect to any warranties of any nature whatsoever, whether pursuant to the Lease or otherwise, including, without limitation, any warranties respecting use, compliance with zoning, Landlord's title, Landlord's authority, habitability, fitness for purpose or possession.

(b) In the event that Collateral Agent shall acquire title to the Leased Premises or the Property, Collateral Agent shall have no obligation, nor incur any liability, beyond Collateral Agent's then interest, if any, in the Leased Premises or the Property, and Tenant shall look exclusively to such interest of Collateral Agent, if any, in the Leased Premises or the Property for the payment and discharge of any obligations imposed upon Collateral Agent hereunder or under the Lease, and Collateral Agent is hereby released and relieved of any other obligations hereunder and under the Lease.

12. **Modification in Writing.** This Agreement may not be modified except by an agreement in writing signed by the parties hereto or their respective successors in interest.

13. **Lien of Security Instruments.** Nothing contained in this Agreement shall in any way impair or affect the lien created by the Security Instruments or the provisions thereof.

14. **Compliance with Lease.** Tenant agrees that in the event there is any inconsistency between the terms and provisions hereof and the terms and provisions of the Lease, the terms and provisions hereof shall be controlling.

15. **Governing Law; Severability.** This Agreement and any claims, controversy, dispute or causes of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement shall be construed in accordance with and governed by the law of the State of New York, without regard to any principle of conflicts of law that could require application of any other law. In the event any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

16. **Further Actions.** Tenant agrees to execute and deliver, at any time and from time to time upon the reasonable request of Collateral Agent or any Acquiring Party, such documents and instruments as may be reasonably necessary or appropriate to fully implement or to further evidence the understandings and agreements contained in this Agreement.

(a) Subject to the provisions of Section 7.19, each Pledgor agrees promptly (and in any event within 45 days after the acquisition (or such longer time as the Collateral Agent shall permit in its reasonable discretion)) to deliver or cause to be delivered to the Collateral Agent, for the benefit of the Secured Parties, any and all Pledged Securities to the extent such Pledged Securities are either (i) Equity Interests in Subsidiaries or (ii) in the case of promissory notes or other instruments evidencing Indebtedness, are required to be delivered pursuant to paragraph (b) of this Section 3.02.

(b) Each Pledgor will cause any Indebtedness for borrowed money constituting Pledged Collateral having, in each case, an aggregate principal amount in excess of \$25,000,000 (other than (1) intercompany Indebtedness incurred in the ordinary course of business in connection with the cash management, tax and accounting operations and intercompany sales of the Borrower and each Subsidiary or (2) to the extent that a pledge of such promissory note or instrument would violate applicable law) owed to such Pledgor by any person to be evidenced by a duly executed promissory note that is pledged and delivered to the Collateral Agent, for the benefit of the Secured Parties, pursuant to the terms hereof. To the extent any such promissory note is a demand note, each Pledgor party thereto agrees, if requested by the Collateral Agent, to immediately demand payment thereunder upon an Event of Default specified under Section 7.01(b), (c), (h) or (i) of the Credit Agreement (or any Equivalent Provision thereof) or under any equivalent provision of any Other First Lien Agreement, unless such demand in such Pledgor's reasonable judgment would not be commercially reasonable or would otherwise expose such Pledgor to liability to the maker.

(c) Subject to the provisions of Section 7.19, upon delivery to the Collateral Agent, (i) any Pledged Securities required to be delivered pursuant to the foregoing paragraphs (a) and (b) of this Section 3.02 shall be accompanied by stock powers or note powers, as applicable, duly executed in blank or other instruments of transfer reasonably satisfactory to the Collateral Agent and by such other instruments and documents as the Collateral Agent may reasonably request and (ii) all other property comprising part of the Pledged Collateral delivered pursuant to the terms of this Agreement shall be accompanied to the extent necessary to perfect the security interest in the Pledged Collateral by proper instruments of assignment duly executed by the applicable Pledgor and such other instruments or documents as the Collateral Agent may reasonably request. Each delivery of Pledged Securities shall be accompanied by a schedule describing the securities, which schedule shall be attached hereto as Schedule III (or a supplement to Schedule III, as applicable) and made a part hereof; provided that failure to attach any such schedule hereto shall not affect the validity of such pledge of such Pledged Securities. Each schedule so delivered shall supplement any prior schedules so delivered.

SECTION 3.03 Representations, Warranties and Covenants. The Pledgors, jointly and severally, represent, warrant and covenant to and with the Collateral Agent, for the benefit of the Secured Parties, that:

(a) Schedule III correctly sets forth (and, with respect to any Pledged Stock issued by an issuer that is not a subsidiary of the Borrower, correctly sets forth, to the knowledge of the relevant Pledgor), as of the date hereof, the percentage of the issued and outstanding units of each class of the Equity Interests of the issuer thereof represented by such Pledged Stock and includes all Equity Interests, debt securities and promissory notes or instruments evidencing Indebtedness required to be (i) pledged in order to satisfy the Collateral and Guarantee Requirement or (ii) delivered pursuant to Section 3.02(b);

(b) the Pledged Stock, to the best of each Pledgor's knowledge, as of the date hereof, has been duly and validly authorized and issued by the issuers thereof and is fully paid and nonassessable;

(c) except for the security interests granted hereunder (or otherwise not prohibited by the Loan Documents), each Pledgor (i) is and, subject to any transfers made not in violation of the Credit Agreement and any Other First Lien Agreement, will continue to be the direct owner, beneficially and of record, of the Pledged Securities indicated on Schedule III as owned by such Pledgor, (ii) holds the same free and clear of all Liens, other than Permitted Liens, (iii) will make no assignment, pledge, hypothecation or transfer of, or create or permit to exist any security interest in or other Lien on, the Pledged Collateral, other than pursuant to a transaction not prohibited by the Credit Agreement and any Other First Lien Agreement and other than Permitted Liens, and (iv) subject to the rights of such Pledgor under the Loan Documents to dispose of Pledged Collateral, will use commercially reasonable efforts to defend its title or interest thereto or therein against any and all Liens (other than Permitted Liens), however arising, of all persons;

(d) other than as set forth in the Credit Agreement or the schedules thereto or in any Other First Lien Agreement or the schedules thereto, and except for restrictions and limitations imposed by the Loan Documents, Gaming Laws, or securities laws generally or otherwise not prohibited by the Credit Agreement or any Other First Lien Agreement, the Pledged Stock (other than any partnership interests or limited liability company interests) is and will continue to be freely transferable and assignable, and none of the Pledged Stock is or will be subject to any option, right of first refusal, shareholders agreement, charter, by-law, memorandum of association or articles of association provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect the pledge of such Pledged Stock (other than any partnership interests or limited liability company interests) hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder other than under applicable Requirements of Law;

(e) each Pledgor has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;

(f) other than as set forth in the Credit Agreement or the schedules thereto and as required under Gaming Laws and under any securities law applicable to the transfer of securities, as of the date hereof, no consent or approval of any Governmental Authority, any securities exchange or any other person was or is necessary to the validity of the pledge effected hereby (or the transfer of the Pledged Securities upon a foreclosure thereof), in each case other than such as have been obtained and are in full force and effect;

(g) by virtue of the execution and delivery by the Pledgors of this Agreement (and any applicable Intercreditor Agreement, as the case may be), when any Pledged Securities are delivered to the Collateral Agent, for the benefit of the Secured Parties, in accordance with this Agreement (and any applicable Intercreditor Agreement, as the case may be) and a financing statement naming the Collateral Agent as the secured party and covering the Pledged Collateral to which such Pledged Securities relate is filed in the appropriate filing office pursuant to Section 4.02(b), the Collateral Agent will obtain, for the benefit of the Secured Parties, a legal, valid and perfected lien upon and security interest in such Pledged Securities under the applicable Uniform Commercial Code, subject only to Permitted Liens, as security for the payment and performance of the Secured Obligations to the extent such perfection is governed by the applicable Uniform Commercial Code; and

(h) subject to Section 7.19, the pledge effected hereby is effective to vest in the Collateral Agent, for the benefit of the Secured Parties, the rights of the Collateral Agent in the Pledged Collateral as set forth herein.

(i) each Pledgor that is an issuer of the Pledged Collateral hereunder confirms that it has received notice of the security interest granted hereunder and consents to such security interest and, subject to the terms of this Agreement, any applicable Intercreditor Agreement, the Master Lease Intercreditor Agreements and any applicable Requirements of Law (including Gaming Laws), agrees to transfer record ownership of the securities issued by it in connection with any request by the Collateral Agent if an Event of Default has occurred and is continuing.

#### SECTION 3.04 Certification of Limited Liability Company and Limited Partnership Interests.

(a) Each interest in any limited liability company or limited partnership Controlled by any Pledgor, pledged hereunder and represented by a certificate, shall be a “security” within the meaning of Article 8 of the New York UCC and shall be governed by Article 8 of the New York UCC or Article 8 of the Delaware UCC (or, if required by applicable Requirements of Law, Article 8 of any other applicable Uniform Commercial Code), and each such interest shall at all times hereafter be represented by a certificate.

(b) Each interest in any limited liability company or limited partnership Controlled by a Pledgor, pledged hereunder and not represented by a certificate shall not be a “security” within the meaning of Article 8 of the New York UCC and shall not be governed by Article 8 of the New York UCC (or other applicable Uniform Commercial Code in effect in another jurisdiction), and the Pledgors shall at no time elect to treat any such interest as a “security” within the meaning of Article 8 of the New York UCC or issue any certificate representing such interest, unless the applicable Pledgor provides notification to the Collateral Agent of such election and promptly delivers any such certificate to the Collateral Agent pursuant to the terms hereof (and in any event within 45 days or such longer period as the Collateral Agent may permit in its reasonable discretion).

SECTION 3.05 Registration in Nominee Name; Denominations. The Collateral Agent, on behalf of the Secured Parties, shall have the right (in its sole and absolute discretion) to hold the Pledged Securities in the name of the applicable Pledgor, endorsed or assigned in blank or in favor of the Collateral Agent or, if an Event of Default shall have occurred and be continuing, in its own name as pledgee or the name of its nominee (as pledgee or as sub-agent). Upon the occurrence and during the continuance of an Event of Default, each Pledgor will promptly give to the Collateral Agent copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Pledgor. If an Event of Default shall have occurred and be continuing, the Collateral Agent shall have the right to exchange the certificates representing Pledged Securities held by it for certificates of smaller or larger denominations for any purpose consistent with this Agreement. Each Pledgor shall use its commercially reasonable efforts to cause any Subsidiary that is not a party to this Agreement to comply with a request by the Collateral Agent, pursuant to this Section 3.05, to exchange certificates representing Pledged Securities of such Subsidiary for certificates of smaller or larger denominations.

SECTION 3.06 Voting Rights; Dividends and Interest, Etc.

(a) Unless and until an Event of Default shall have occurred and be continuing and the Collateral Agent shall have given written notice to the relevant Pledgors of the Collateral Agent's intention to exercise its rights hereunder:

(i) Each Pledgor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Collateral or any part thereof for any purpose not prohibited by the terms of this Agreement and the other Loan Documents; provided that, except as not prohibited by the Credit Agreement or any Other First Lien Agreement, such rights and powers shall not be exercised in any manner that would materially and adversely affect the rights and remedies of any of the Collateral Agent or the other Secured Parties under this Agreement or any other Loan Document or the ability of the Secured Parties to exercise the same.

(ii) The Collateral Agent shall promptly execute and deliver to each Pledgor, or cause to be executed and delivered to such Pledgor, all such proxies, powers of attorney and other instruments as such Pledgor may reasonably request for the purpose of enabling such Pledgor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

(iii) Each Pledgor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral to the extent and only to the extent that such dividends, interest, principal and other distributions are not prohibited by, and otherwise paid or distributed in accordance with, the terms and conditions of the Loan Documents and applicable laws; provided that any non-cash dividends, interest, principal or other distributions or other consideration in respect thereof that would constitute Pledged Securities, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral (except to the extent constituting Excluded Securities or Excluded Property), and, if received by any Pledgor, shall be

promptly (and in any event within 60 days of their receipt (or such longer time as the Collateral Agent shall permit in its reasonable discretion)) delivered to the Collateral Agent, for the benefit of the Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Collateral Agent).

(b) Upon the occurrence and during the continuance of an Event of Default and after written notice by the Collateral Agent to the relevant Pledgors of the Collateral Agent's intention to exercise its rights hereunder, all rights of any Pledgor to receive dividends, interest, principal or other distributions with respect to Pledged Securities that such Pledgor is authorized to receive pursuant to paragraph (a)(iii) of this Section 3.06 shall cease, and all such rights shall thereupon become vested, for the benefit of the Secured Parties, in the Collateral Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions; provided that the Collateral Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Pledgors to receive and retain such amounts; provided, further, that even after the occurrence of an Event of Default and delivery of written notice by the Collateral Agent, any Pledgor may continue to exercise dividend and distribution rights solely to the extent permitted under Section 6.06 (or any Equivalent Provision) of the Credit Agreement. All dividends, interest, principal or other distributions received by any Pledgor contrary to the provisions of this Section 3.06 shall not be commingled by such Pledgor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Collateral Agent, for the benefit of the Secured Parties, and shall be forthwith delivered to the Collateral Agent, for the benefit of the Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Collateral Agent). Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this paragraph (b) shall be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 5.02. After all Events of Default have been cured or waived and the Borrower has delivered to the Collateral Agent a certificate to that effect, the Collateral Agent shall promptly repay to each Pledgor (without interest) all dividends, interest, principal or other distributions that such Pledgor would otherwise be permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 3.06 and that remain in such account.

(c) Upon the occurrence and during the continuance of an Event of Default and after written notice by the Collateral Agent to the relevant Pledgors of the Collateral Agent's intention to exercise its rights hereunder, subject to applicable Gaming Laws, all rights of any Pledgor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 3.06, and the obligations of the Collateral Agent under paragraph (a)(ii) of this Section 3.06, shall cease, and all such rights shall thereupon become vested in the Collateral Agent, for the benefit of the Secured Parties, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; provided that the Collateral Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Pledgors to exercise such rights. After all Events of Default have been cured or waived and the Borrower has delivered to the Collateral Agent a certificate to that effect, all rights of any Pledgor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 3.06, and the obligations of the Collateral Agent under paragraph (a)(ii) of this Section 3.06, shall in each case be reinstated.

(d) Any notice given by the Collateral Agent to the Pledgors suspending their rights under paragraph (a) of this Section 3.06 (i) may be given by telephone if promptly confirmed in writing, (ii) may be given to one or more of the Pledgors at the same or different times and (iii) may suspend the rights of the Pledgors under paragraph (a)(i) or paragraph (a)(iii) in part without suspending all such rights (as specified by the Collateral Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Collateral Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing.

#### ARTICLE IV.

##### Security Interests in Other Personal Property.

###### SECTION 4.01 Security Interest.

(a) As security for the payment or performance, as the case may be, in full of the Secured Obligations when due, each Pledgor hereby collaterally assigns and pledges to the Collateral Agent, for the benefit of the Secured Parties, and hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest (the "Security Interest") in all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Pledgor or in which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, the "Article 9 Collateral"):

- (i) all Accounts;
- (ii) all Chattel Paper;
- (iii) all cash and Deposit Accounts;
- (iv) all Documents;
- (v) all Equipment;
- (vi) all Fixtures;
- (vii) all General Intangibles (other than the Pledged Collateral, which is governed by Article III);
- (viii) all Instruments (other than the Pledged Collateral, which is governed by Article III);
- (ix) all Intellectual Property;
- (x) all Inventory;

- (xi) all Investment Property (other than the Pledged Collateral, which is governed by Article III);
- (xii) all Letter of Credit Rights;
- (xiii) all Commercial Tort Claims reasonably estimated to exceed \$15,000,000 individually, as described on Schedule II hereto;
- (xiv) all books and records pertaining to the Article 9 Collateral; and
- (xv) to the extent not otherwise included, all Proceeds, Supporting Obligations and products of any and all of the foregoing and all collateral security and guarantees given by any person with respect to any of the foregoing.

Notwithstanding anything to the contrary in this Agreement or any other Loan Document, this Agreement shall not constitute a grant of a security interest in (and the Article 9 Collateral shall not include), and the other provisions of the Loan Documents with respect to Collateral need not be satisfied with respect to, the Excluded Securities and the Excluded Property. In addition, for the avoidance of doubt, the provisions of Section 9.22 of the Credit Agreement (or any Equivalent Provision thereof) and 7.24 of this Agreement shall apply to all the terms and provisions of this Agreement.

(b) Each Pledgor hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any relevant jurisdiction any initial financing statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment, including (i) whether such Pledgor is an organization, the type of organization and any organizational identification number issued to such Pledgor, (ii) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates and (iii) a description of collateral that describes such property in any other manner as the Collateral Agent may reasonably determine is necessary or advisable to ensure the perfection of the security interest in the Article 9 Collateral granted under this Agreement, including describing such property as “all assets” or “all property” or words of similar effect. Each Pledgor agrees to provide such information to the Collateral Agent promptly upon request.

The Collateral Agent is further authorized to file with the United States Patent and Trademark Office or United States Copyright Office (or any successor office) such documents as may be reasonably necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest granted by each Pledgor in such Pledgor’s United States registered or pending Patents, Trademarks and Copyrights, without the signature of such Pledgor, and naming such Pledgor or the Pledgors as debtors and the Collateral Agent as secured party. Notwithstanding anything to the contrary herein, no Pledgor shall be required to take any action under the laws of any jurisdiction other than the United States of America for the purpose of perfecting the Security Interest in any Article 9 Collateral of such Pledgor constituting Patents, Trademarks or Copyrights or any other assets.

(c) The Security Interest is granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Pledgor with respect to or arising out of the Article 9 Collateral.

(d) Notwithstanding anything to the contrary in this Agreement, (i) none of the Pledgors shall be required to enter into any control agreements or control, lockbox or similar arrangements with respect to any Deposit Accounts, Securities Accounts, Commodities Accounts or any other assets (other than the delivery of Pledged Securities to the Collateral Agent to the extent required by Article III), (ii) no foreign law governed security documents or perfection actions under foreign law shall be required, (iii) no landlord, mortgagee or bailee waivers shall be required and (iv) no notice shall be required to be sent to account debtors or other contractual third parties prior to an Event of Default.

SECTION 4.02 Representations and Warranties. The Pledgors jointly and severally represent and warrant to the Collateral Agent and the Secured Parties that:

(a) Each Pledgor has good and valid rights in and title to the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder, except where the failure to have such rights and title would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, and has full power and authority to grant to the Collateral Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other person as of the date hereof other than any consent or approval that has been obtained and is in full force and effect or has otherwise been disclosed herein or in the Credit Agreement and the schedules thereto.

(b) The Perfection Certificate has been duly prepared, completed and executed and the information set forth therein, including the exact legal name of each Pledgor, is correct and complete, in all material respects, as of the Closing Date. Except as provided in Section 5.10 of the Credit Agreement, the Uniform Commercial Code financing statements (including fixture filings, as applicable) or other appropriate filings, recordings or registrations containing a description of the Article 9 Collateral that have been prepared by the Collateral Agent for filing in each governmental, municipal or other office specified in the Perfection Certificate constitute all the filings, recordings and registrations (other than filings required to be made in the United States Patent and Trademark Office and the United States Copyright Office in order to perfect the Security Interest in Article 9 Collateral consisting of United States issued Patents, United States registered Trademarks and United States registered Copyrights) that are necessary, as of the Closing Date, to publish notice of and protect the validity of and to establish a legal, valid and perfected security interest in favor of the Collateral Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration of a financing statement in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration of a financing statement is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements or amendments. Each Pledgor represents and warrants that IP Security Agreements executed by the applicable Pledgors containing a description of all Article 9 Collateral consisting of Intellectual Property with respect to issued United States

Patents (and Patents for which applications are pending), registered United States Trademarks (including Trademarks for which registration applications are pending other than pending United States “intent-to-use” trademark applications for which a verified statement of use or an amendment to allege use has not been filed with and accepted by the United States Patent and Trademark Office) and registered United States Copyrights have been delivered to the Collateral Agent for recording with the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, to protect the validity of and to establish a legal, valid and perfected security interest in favor of the Collateral Agent, for the benefit of the Secured Parties, in respect of all Article 9 Collateral consisting of such Intellectual Property in which a security interest may be perfected by recording with the United States Patent and Trademark Office and the United States Copyright Office, and no further or subsequent filing, refile, recording, rerecording, registration or reregistration is necessary (other than (x) the filing of financing statements or analogous documents under the Uniform Commercial Code and (y) such actions as are necessary to perfect the Security Interest with respect to any Article 9 Collateral consisting of Patents, Trademarks and Copyrights (or registration or application for registration thereof, as applicable) acquired or developed after the Closing Date).

(c) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Secured Obligations, (ii) subject to the filings described in Section 4.02(b), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform Commercial Code or other applicable law in such jurisdictions and (iii) subject to Section 4.02(b), a security interest that shall be perfected in all Article 9 Collateral in which a security interest may be perfected upon the receipt and recording of the IP Security Agreement with the United States Patent and Trademark Office and the United States Copyright Office, as applicable. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral other than Permitted Liens.

(d) The Article 9 Collateral is owned by the Pledgors free and clear of any Lien, other than Permitted Liens. None of the Pledgors has filed or consented to the filing of (i) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Article 9 Collateral, (ii) any assignment in which any Pledgor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office or (iii) any assignment in which any Pledgor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Permitted Liens.

(e) None of the Pledgors holds any Commercial Tort Claim individually reasonably estimated to exceed \$15,000,000 as of the Closing Date except as indicated on the Perfection Certificate.

(f) Except as set forth in the Perfection Certificate, as of the Closing Date, all Accounts owned by the Pledgors have been originated by the Pledgors and all Inventory owned by the Pledgors has been acquired by the Pledgors in the ordinary course of business.

#### SECTION 4.03 Covenants.

(a) Each Pledgor agrees promptly (and in any event within 30 days after such change, or such longer period of time as may be agreed by the Collateral Agent) to notify the Collateral Agent in writing of any change (i) in its legal name, (ii) in its identity or type of organization or corporate structure, (iii) in its organizational identification number or (iv) in its jurisdiction of organization. Each Pledgor agrees promptly to provide the Collateral Agent with certified organizational documents reflecting any of the changes described in the immediately preceding sentence. Each Pledgor agrees not to effect or permit any change referred to in the first sentence of this paragraph (a) unless all filings have been made, or will have been made within any applicable statutory period, under the Uniform Commercial Code or otherwise that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Article 9 Collateral, for the benefit of the Secured Parties, with the same priority as prior to such change. Each Pledgor agrees promptly to notify the Collateral Agent if any material portion of the Article 9 Collateral owned or held by such Pledgor is damaged or destroyed.

(b) Subject to the rights of such Pledgor under the Loan Documents to dispose of Collateral, each Pledgor shall, at its own expense, use commercially reasonable efforts to defend title to the Article 9 Collateral against all persons and to defend the Security Interest of the Collateral Agent, for the benefit of the Secured Parties, in the Article 9 Collateral and the priority thereof against any Lien that is not a Permitted Lien.

(c) Subject to Section 4.01(d) hereof, each Pledgor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement and the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith.

Without limiting the generality of the foregoing, each Pledgor hereby authorizes the Collateral Agent, with prompt notice thereof to the Pledgors, to supplement this Agreement by supplementing Schedule IV or adding additional schedules hereto to specifically identify any asset or item that is a Copyright, Patent or Trademark (other than any Excluded Property); provided that any Pledgor shall have the right, exercisable within 90 days after it has been notified by the Collateral Agent of the specific identification of such Collateral, to advise the Collateral Agent in writing of any inaccuracy of the representations and warranties made by such Pledgor hereunder with respect to such Collateral. Each Pledgor agrees that it will use its commercially reasonable efforts to take such action as shall be necessary in order that all representations and warranties hereunder shall be true and correct with respect to such Collateral within 90 days after the date it has been notified by the Collateral Agent of the specific identification of such Collateral.

(d) After the occurrence of an Event of Default and during the continuance thereof, the Collateral Agent shall have the right to verify under reasonable procedures the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Article 9 Collateral, including, in the case of Accounts or Article 9 Collateral in the possession of any third person, by contacting Account Debtors or the third person possessing such Article 9 Collateral for the purpose of making such a verification. The Collateral Agent shall have the right to share any information it gains from such inspection or verification with any Secured Party, subject to Section 9.16 of the Credit Agreement (or any Equivalent Provision thereof) and any equivalent provision of any Other First Lien Agreement.

(e) At its option, upon the occurrence and during the continuance of an Event of Default, the Collateral Agent may discharge any past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and that is not a Permitted Lien, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Pledgor fails to do so as required by the Credit Agreement, any Other First Lien Agreement or this Agreement, and each Pledgor jointly and severally agrees to reimburse the Collateral Agent on demand for any reasonable and documented payment made or any reasonable and documented out-of-pocket expense incurred by the Collateral Agent pursuant to the foregoing authorization; provided, however, that nothing in this Section 4.03(e) shall be interpreted as excusing any Pledgor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Pledgor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents.

(f) Each Pledgor (rather than the Collateral Agent or any Secured Party) shall remain liable for the observance and performance of all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral and each Pledgor jointly and severally agrees to indemnify and hold harmless the Collateral Agent and the Secured Parties from and against any and all liability for such performance.

(g) None of the Pledgors shall make or permit to be made an assignment, pledge or hypothecation of the Article 9 Collateral or shall grant any other Lien in respect of the Article 9 Collateral, except to the extent such Lien is a Permitted Lien or as otherwise not prohibited by the Credit Agreement and any Other First Lien Agreement. None of the Pledgors shall make or permit to be made any transfer of the Article 9 Collateral and each Pledgor shall remain at all times in possession of the Article 9 Collateral owned by it, except as not prohibited by the Credit Agreement and any Other First Lien Agreement.

(h) None of the Pledgors will, without the Collateral Agent's prior written consent (which consent shall not be unreasonably withheld), grant any extension of the time of payment of any Accounts included in the Article 9 Collateral, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any person liable for the payment

thereof or allow any credit or discount whatsoever thereon, other than extensions, credits, discounts, compromises or settlements granted or made in the ordinary course of business and consistent with prudent business practices, except as not prohibited by the Credit Agreement and any Other First Lien Agreement.

(i) Each Pledgor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as such Pledgor's true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Pledgor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that any Pledgor at any time or times shall fail to obtain or maintain any of the policies of insurance required by the Loan Documents or to pay any premium in whole or part relating thereto, the Collateral Agent may, without waiving or releasing any obligation or liability of the Pledgors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Collateral Agent reasonably deems advisable. Sums disbursed by the Collateral Agent in connection with this Section 4.03(i), including reasonable and documented attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable by the Pledgors to the Collateral Agent to the extent and in the manner provided in Section 7.06 and shall be additional Secured Obligations secured hereby.

**SECTION 4.04 Other Actions.** In order to further ensure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, for the benefit of the Secured Parties, the Collateral Agent's security interest in the Article 9 Collateral, each Pledgor agrees, in each case at such Pledgor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) **Instruments and Tangible Chattel Paper.** If any Pledgor shall at any time own or acquire any Instruments (other than debt obligations governed by Article 5) or Tangible Chattel Paper evidencing an amount in excess of \$25,000,000, such Pledgor shall promptly forthwith endorse, assign and deliver the same to the Collateral Agent, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request.

(b) **Commercial Tort Claims.** If any Pledgor shall at any time hold or acquire a Commercial Tort Claim in an amount reasonably estimated to exceed \$15,000,000, such Pledgor shall promptly notify the Collateral Agent thereof in a writing signed by such Pledgor, including a summary description of such claim, and grant to the Collateral Agent in writing a security interest therein and in the Proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

**SECTION 4.05 Covenants Regarding Patent, Trademark and Copyright Collateral.** Except as permitted by the Credit Agreement:

(a) Each Pledgor agrees that it will not knowingly do any act or omit to do any act (and will exercise commercially reasonable efforts to prevent its licensees from doing any act or

omitting to do any act) whereby any Patent that is material to the normal conduct of such Pledgor's business may become prematurely invalidated or dedicated to the public, and agrees that it shall take commercially reasonable steps with respect to any material products covered by any such Patent as necessary and sufficient to establish and preserve its rights under applicable patent laws.

(b) Each Pledgor will, and will use its commercially reasonable efforts to cause its licensees or its sublicensees to, for each Trademark that is material to the normal conduct of such Pledgor's business, (i) maintain such Trademark in full force free from any adjudication of abandonment or invalidity for non-use, (ii) maintain the quality of products and services offered under such Trademark, (iii) display such Trademark with notice of federal or foreign registration or claim of trademark or service mark to the extent required under applicable law and (iv) not knowingly use or knowingly permit its licensees' use of such Trademark in violation of any third-party rights.

(c) Each Pledgor will, and will use its commercially reasonable efforts to cause its licensees or its sublicensees to, for each work covered by a material Copyright necessary to the normal conduct of such Pledgor's business that it publishes, displays and distributes, use copyright notice as required under applicable copyright laws.

(d) Each Pledgor shall notify the Collateral Agent promptly if it knows that any Patent, Trademark or Copyright that is material to the normal conduct of such Pledgor's business may imminently become abandoned, lost or dedicated to the public, or of any materially adverse determination or development, excluding office actions and similar determinations or developments, in the United States Patent and Trademark Office, United States Copyright Office, any court or any similar office of any country, regarding such Pledgor's ownership of any such material Patent, Trademark or Copyright or its right to register or to maintain the same.

(e) Each Pledgor, either itself or through any agent, employee, licensee or designee, shall (i) inform the Collateral Agent on an annual basis at the time of delivery of financial statements for such year (commencing with the financial statements for the fiscal year ending December 31, 2017) of each application by itself, or through any agent, employee, licensee or designee, for any Patent or Trademark with the United States Patent and Trademark Office and each registration of any Copyright with the United States Copyright Office filed during the preceding twelve-month period, and (ii) upon the reasonable request of the Collateral Agent, execute and deliver any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to evidence the Collateral Agent's security interest in such United States federally registered or pending Patent, Trademark or Copyright.

(f) Each Pledgor shall exercise its reasonable business judgment consistent with its past practice in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any comparable office or agency in any other country with respect to maintaining and pursuing each material application relating to any Patent, Trademark and/or Copyright (and obtaining the relevant grant or registration) that is material to the normal conduct of such Pledgor's business and to maintain (i) each issued Patent and (ii) the registrations of each Trademark and each Copyright, in each case that is material to the normal conduct of such Pledgor's business, including, when applicable and necessary in such Pledgor's reasonable

business judgment, timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if any Pledgor believes necessary in its reasonable business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(g) In the event that any Pledgor knows or has reason to know that any Article 9 Collateral consisting of a Patent, Trademark or Copyright that is material to the normal conduct of its business has been materially infringed, misappropriated or diluted by a third party, such Pledgor shall promptly notify the Collateral Agent and shall, if such Pledgor deems it necessary in its reasonable business judgment, promptly sue and recover any and all damages, and take such other actions as are reasonably appropriate under the circumstances.

(h) Upon and during the continuance of an Event of Default, at the request of the Collateral Agent, each Pledgor shall use commercially reasonable efforts to obtain all requisite consents or approvals from the licensor under each Copyright License, Patent License or Trademark License that constitutes Article 9 Collateral to effect the assignment of all such Pledgor's right, title and interest thereunder to (in the Collateral Agent's sole discretion) the designee of the Collateral Agent or the Collateral Agent; *provided, however*, that nothing contained in this Section 4.05(h) should be construed as an obligation of any Pledgor to incur any costs or expenses in connection with obtaining such approval.

## ARTICLE V.

### Remedies

SECTION 5.01 Remedies upon Default. Subject to applicable Gaming Laws, any applicable Intercreditor Agreement and the Master Lease Intercreditor Agreements, upon the occurrence and during the continuance of an Event of Default, each Pledgor agrees to deliver each item of Collateral to the Collateral Agent on demand, and it is agreed that the Collateral Agent shall have the right to take any of or all the following actions at the same or different times: (a) with respect to any Article 9 Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Article 9 Collateral by the applicable Pledgors to the Collateral Agent or to license or sublicense (subject to the obligation to maintain the quality of goods and services provided under any Trademark consistent with the quality of such goods and services provided by the Pledgors immediately prior to such Event of Default), whether general, special or otherwise, and whether on an exclusive or a nonexclusive basis, any such Article 9 Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers thereunder cannot be obtained or in violation of or otherwise inconsistent with the terms thereof) and (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Article 9 Collateral and without liability for trespass to the applicable Pledgor to enter any premises where the Article 9 Collateral may be located for the purpose of taking possession of or removing the Article 9 Collateral and, generally, to exercise any and all rights afforded to a secured party under the applicable Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing, each Pledgor agrees that the Collateral Agent shall have the right, subject to the requirements of applicable law, to sell or

otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized in connection with any sale of a security (if it deems it advisable to do so) pursuant to the foregoing to restrict the prospective bidders or purchasers to persons who represent and agree that they are purchasing such security for their own account, for investment, and not with a view to the distribution or sale thereof. Upon consummation of any such sale of Collateral pursuant to this Section 5.01, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives and releases (to the extent permitted by law) all rights of redemption, stay, valuation and appraisal that such Pledgor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Collateral Agent shall give the applicable Pledgors 10 days' prior written notice (which each Pledgor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or the portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In the case of any sale of all or any part of the Collateral made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in the event that any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in the case of any such failure, such Collateral may be sold again upon notice given in accordance with provisions above. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section 5.01, any Secured Party may bid for or purchase for cash, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Pledgor (all such rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Pledgor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Pledgor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full. As an alternative to

exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose under this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 5.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

SECTION 5.02 Application of Proceeds. The Collateral Agent shall, subject to any applicable Intercreditor Agreement and the Master Lease Intercreditor Agreements, promptly apply the proceeds, moneys or balances of any collection or sale of Collateral realized through the exercise by the Collateral Agent of its remedies hereunder, as well as any Collateral consisting of cash at any time when remedies are being exercised hereunder, as follows:

FIRST, to the payment of all fees and reasonable costs and expenses incurred by the Collateral Agent in connection with such collection or sale or otherwise in connection with this Agreement, any other Loan Document or any of the Secured Obligations secured by such Collateral, including all court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder or under any other Loan Document on behalf of any Pledgor and any other reasonable costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Loan Document and all other fees, indemnities and other amounts owing or reimbursable to the Collateral Agent under any Loan Document in its capacity as such, in each case to the extent required to be paid by any Pledgor under any Loan Document;

SECOND, to the payment in full of the Secured Obligations secured by such Collateral (the amounts so applied to be distributed among the Secured Parties *pro rata* based on the respective amounts of such Secured Obligations owed to them on the date of any such distribution (or in accordance with such other method of distribution as may be set forth in any applicable First Lien Intercreditor Agreement)); and

THIRD, to the Pledgors, their successors or assigns, or as a court of competent jurisdiction may otherwise direct;

provided, that in no event shall (x) the proceeds of any collection or sale of any Specified Excluded Collateral be applied to the relevant Series of Secured Obligations under any Other First Lien Agreement or replacement Credit Agreement that is not secured by such Specified Excluded Collateral or (y) the Collateral or the proceeds of any collection or sale of any Collateral of any Pledgor be applied to any Excluded Swap Obligations.

The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

SECTION 5.03 Grant of License to Use Intellectual Property. Solely for the purpose of enabling the Collateral Agent to exercise rights and remedies under this Agreement at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Pledgor hereby grants to (in the Collateral Agent's sole discretion) a designee of the Collateral Agent or the Collateral Agent, for the benefit of the Secured Parties, an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to any Pledgor) to use, license or sublicense (subject to the obligation of the applicable licensee or sublicensee to maintain the quality of goods and services provided under any Trademark consistent with the quality of such goods and services provided by the Pledgors immediately prior to such Event of Default) any of the Article 9 Collateral consisting of Intellectual Property now owned or hereafter acquired by such Pledgor, wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof, the right to prosecute and maintain all such Intellectual Property and the right to sue for past infringement of such Intellectual Property. The use of such license by the Collateral Agent may be exercised, at the option of the Collateral Agent, upon the occurrence and during the continuation of an Event of Default; provided, that any license, sublicense or other transaction entered into by the Collateral Agent in accordance herewith shall be binding upon the Pledgors notwithstanding any subsequent cure of an Event of Default.

SECTION 5.04 Securities Act, Etc. In view of the position of the Pledgors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the Securities Act or any similar federal statute hereafter enacted analogous in purpose or effect (the Securities Act and any such similar statute as from time to time in effect being called the "Federal Securities Laws") with respect to any disposition of the Pledged Collateral permitted hereunder. Each Pledgor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Collateral Agent if the Collateral Agent were to attempt to dispose of all or any part of the Pledged Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Collateral Agent in any attempt to dispose of all or part of the Pledged Collateral under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Pledgor acknowledges and agrees that in light of such restrictions and limitations, the Collateral Agent, subject to the terms of any applicable Intercreditor Agreement, in its sole and absolute discretion, (a) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws or, to the extent applicable, Blue Sky or other state securities laws and (b) may approach and negotiate with a single potential purchaser to effect such sale. Each Pledgor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Collateral Agent shall incur no responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Collateral Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been

realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached. The provisions of this Section 5.04 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Collateral Agent sells.

[Intentionally Omitted]

ARTICLE VII.

Miscellaneous

SECTION 7.01 Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 9.01 of the Credit Agreement (or any Equivalent Provision thereof) (whether or not then in effect) or, with respect to any holder of obligations under any Other First Lien Agreement, addressed to the Authorized Representative of such holder at its address set forth in the applicable Other First Lien Secured Party Consent, as such address may be changed by written notice to the Collateral Agent and the Borrower. All communications and notices hereunder to any Subsidiary Loan Party shall be given to it in care of the Borrower, with such notice to be given as provided in Section 9.01 of the Credit Agreement (or any Equivalent Provision thereof) (whether or not then in effect).

SECTION 7.02 Security Interest Absolute. To the extent permitted by law, all rights of the Collateral Agent hereunder, the Security Interest, the security interest in the Pledged Collateral and all obligations of each Pledgor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of any Loan Document, any other agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from any Loan Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Pledgor in respect of the Secured Obligations or this Agreement (other than a defense of payment or performance).

SECTION 7.03 Limitation by Law. All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law or regulation (including any Gaming Law or Liquor Law), and all the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of law or regulation (including any Gaming Law or Liquor Law) that may be controlling and to be limited to the extent necessary so that they shall not render this Agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any applicable law or regulation (including any Gaming Law or Liquor Law).

SECTION 7.04 Binding Effect; Several Agreement. This Agreement shall become effective as to any party to this Agreement when a counterpart hereof executed on behalf of such party shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such party and the Collateral Agent and their respective permitted successors and assigns, and shall inure to the benefit of such party, the Collateral Agent and the other Secured Parties and their respective permitted successors and assigns, except that no party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as not prohibited by this Agreement, the Credit Agreement and any Other First Lien Agreement. This Agreement shall be construed as a separate agreement with respect to each party and may be amended, modified, supplemented, waived or released in accordance with Section 7.09 or 7.15, as applicable.

SECTION 7.05 Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party, and all covenants, promises and agreements by or on behalf of any Pledgor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns.

SECTION 7.06 Collateral Agent's Fees and Expenses; Indemnification.

(a) The parties hereto agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder by the Pledgors, and the Collateral Agent and other Indemnitees shall be indemnified by the Pledgors, in each case of this clause (a), *mutatis mutandis*, as provided in Section 9.05 of the Credit Agreement (or any Equivalent Provision thereof) or any equivalent provision of any Other First Lien Agreement.

(b) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Security Documents. The provisions of this Section 7.06 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, any investigation made by or on behalf of the Collateral Agent or any other Secured Party or the resignation of the Collateral Agent. All amounts due under this Section 7.06 shall be payable within thirty (30) days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) For the avoidance of doubt, the provisions of Article VIII of the Credit Agreement or any equivalent provisions of any Other First Lien Agreement shall also apply to the Collateral Agent acting under or in connection with this Agreement in such capacity. No provision of this Agreement shall require the Collateral Agent to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

**SECTION 7.07 Collateral Agent Appointed Attorney-in-Fact.** Subject to applicable Requirements of Law, any applicable Intercreditor Agreements and the Master Lease Intercreditor Agreements, each Pledgor hereby appoints the Collateral Agent as the attorney-in-fact of such Pledgor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest until the Termination Date. Without limiting the generality of the foregoing, subject to applicable Requirements of Law, any applicable Intercreditor Agreements and the Master Lease Intercreditor Agreements, the Collateral Agent shall have the right, upon the occurrence and during the continuance of an Event of Default, with full power of substitution either in the Collateral Agent's name or in the name of such Pledgor, (a) to receive, endorse, assign or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to ask for, demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due under and by virtue of any Collateral; (d) to sign the name of any Pledgor on any invoice or bill of lading relating to any of the Collateral; (e) to send verifications of Accounts to any Account Debtor; (f) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (g) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (h) to notify, or to require any Pledgor to notify, Account Debtors to make payment directly to the Collateral Agent; and (i) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes; provided that nothing herein contained shall be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Pledgor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

**SECTION 7.08 GOVERNING LAW.** THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

SECTION 7.09 Waivers; Amendment.

(a) No failure or delay by the Collateral Agent or any other Secured Party in exercising any right, power or remedy hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy, or any abandonment or discontinuance of steps to enforce such a right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies of the Collateral Agent or any other Secured Party hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights, powers or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Pledgor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 7.09, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan, the issuance of a Letter of Credit or the incurrence of any Other First Lien Obligations shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Collateral Agent or any other Secured Party may have had notice or knowledge of such Default or Event of Default at the time. No notice or demand on any Pledgor in any case shall entitle any Pledgor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof or of any other Security Document may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Pledgor or Pledgors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 9.08 of the Credit Agreement (or any Equivalent Provision thereof), and the consent of each other Authorized Representative if and to the extent required by (and in accordance with) the applicable Other First Lien Agreement, and except as otherwise provided in any applicable Intercreditor Agreement. The Collateral Agent may conclusively rely on a certificate of an officer of the Borrower as to whether any amendment contemplated by this Section 7.09(b) is permitted.

(c) Notwithstanding anything to the contrary contained herein, the Collateral Agent may grant extensions of time or waivers of the requirement for the creation or perfection of security interests in or the obtaining of insurance (including title insurance) or surveys with respect to particular assets (including extensions beyond the Closing Date for the perfection of security interests in the assets of the Pledgors on such date) where it reasonably determines, in consultation with the Borrower, that perfection or obtaining of such items cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required by this Agreement or any other Loan Document.

SECTION 7.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.10.

SECTION 7.11 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 7.12 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 7.04. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed original.

SECTION 7.13 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 7.14 Jurisdiction; Consent to Service of Process.

(a) Each party to this Agreement hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof (collectively, "New York Courts"), in any action or proceeding arising out of or relating to this Agreement or any other Loan Document to which it is a party, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document in the courts of any jurisdiction, except that each of the Pledgors agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Secured Parties who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Pledgor in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Pledgor from asserting or seeking the same in the New York Courts.

(b) Each party to this Agreement hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any New York State or federal court of the United States of America sitting in New York City, and any appellate court from any thereof. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 7.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement or any other Loan Document to serve process in any other manner permitted by applicable law.

SECTION 7.15 Termination or Release. In each case, subject to the terms of any applicable Intercreditor Agreement and the Master Lease Intercreditor Agreements:

(a) This Agreement and the pledges made by the Pledgors herein and all other security interests granted by the Pledgors hereby shall automatically terminate and be released upon the occurrence of the Termination Date or, if any Other First Lien Obligations are outstanding on the Termination Date, the date when all Other First Lien Obligations (in each case other than contingent or unliquidated obligations or liabilities not then due and any other obligations that, by the terms of any Other First Lien Agreements, are not required to be paid in full prior to termination and release of the Collateral) have been paid in full and the Secured Parties have no further commitment to extend credit under any Other First Lien Agreement.

(b) A Subsidiary Loan Party shall automatically be released from its obligations hereunder and the security interests in the Collateral of such Subsidiary Loan Party shall be automatically released upon the consummation of any transaction not prohibited by the Credit Agreement or any Other First Lien Agreement as a result of which such Subsidiary Loan Party ceases to be a Subsidiary of the Borrower or otherwise becomes an Excluded Subsidiary or ceases to be a Pledgor, all without delivery of any instrument or performance of any act by any party, and all rights to the applicable portions of the Collateral shall revert to such Subsidiary Loan Party.

(c) (i) Upon any sale or other transfer by any Pledgor of any Collateral that is not prohibited by the Credit Agreement or any Other First Lien Agreement to any person that is not a Pledgor, (ii) upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 9.08 of the Credit Agreement (or any Equivalent Provision thereof) and any equivalent provision of any applicable Other First Lien Agreement (in each case, to the extent required thereby), or (iii) as otherwise may be provided in any applicable Intercreditor Agreement or any Master Lease Intercreditor Agreement, the security interest in such Collateral shall be automatically released, all without delivery of any instrument or performance of any act by any party.

(d) Solely with respect to the Credit Agreement Secured Obligations, a Pledgor shall automatically be released from its obligations hereunder and/or the security interests in any Collateral securing the Credit Agreement Secured Obligations shall in each case be automatically released upon the occurrence of any of the circumstances set forth in Section 9.18 of the Credit Agreement (or any Equivalent Provision thereof) without delivery of any instrument or performance of any act by any party, and all rights to such Collateral shall revert to any applicable Pledgor.

(e) Solely with respect to any Series of Other First Lien Obligations, a Pledgor shall automatically be released from its obligations hereunder and/or the security interests in any Collateral securing such Series of Other First Lien Obligations shall in each case be automatically released upon the occurrence of any of the circumstances set forth in the section governing release of collateral in the applicable Other First Lien Agreement governing such Series of Other First Lien Obligations, all without delivery of any instrument or performance of any act by any party, and all rights to such Collateral shall revert to any applicable Pledgor.

(f) If any Collateral shall become subject to the release provisions set forth in any applicable Intercreditor Agreement, the lien created hereunder on such Collateral shall be automatically released to the extent (and only to the extent) provided therein.

(g) In connection with any termination or release pursuant to this Section 7.15, the Collateral Agent shall execute and deliver to any Pledgor, at such Pledgor's expense, all documents that such Pledgor shall reasonably request to evidence such termination or release (including, without limitation, UCC termination statements), and will duly assign and transfer to such Pledgor, such of the Pledged Collateral that may be in the possession of the Collateral Agent and has not theretofore been sold or otherwise applied or released pursuant to this Agreement. Any execution and delivery of documents pursuant to this Section 7.15 shall be without recourse to or warranty by the Collateral Agent. In connection with any release pursuant to this Section 7.15, the Pledgors shall be permitted to take any action in connection therewith consistent with such release including, without limitation, the filing of UCC termination statements. Upon the receipt of any necessary or proper instruments of termination, satisfaction or release (forms of which shall be reasonably acceptable to the Collateral Agent) prepared by the Borrower pursuant to this Section 7.15, the Collateral Agent shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Agreement. The Pledgors agree to pay all reasonable and documented out-of-pocket expenses incurred by the Collateral Agent (and its representatives and counsel) in connection with the execution and delivery of such release documents or instruments.

SECTION 7.16 Additional Subsidiaries. Upon execution and delivery by the Collateral Agent and any Subsidiary that is required or permitted to become a party hereto by Section 5.10 or the Collateral and Guarantee Requirement of the Credit Agreement (or any Equivalent Provision thereof) or by any Other First Lien Agreement of an instrument substantially in the form of Exhibit A hereto (or another instrument reasonably satisfactory to the Collateral Agent and the Borrower), subject to applicable Gaming Laws and the receipt of all approvals required thereunder, such subsidiary shall become a Subsidiary Loan Party hereunder with the same force and effect as if originally named as a Subsidiary Loan Party herein. The execution and delivery of any such instrument shall not require the consent of any other party to this Agreement. The rights and obligations of each party to this Agreement shall remain in full force and effect notwithstanding the addition of any new party to this Agreement.

SECTION 7.17 Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender, the Administrative Agent and each L/C Issuer is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender, the Administrative Agent or such L/C Issuer to or for the credit or the account of any party to this Agreement against any of and all the obligations of such party now or hereafter existing under this Agreement owed to such Lender, the Administrative Agent or such L/C Issuer, irrespective of whether or not such Lender, the Administrative Agent or such L/C Issuer shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each Lender, the Administrative Agent and L/C Issuer under this Section 7.17 are in addition to other rights and remedies (including other rights of set-off) that such Lender, the Administrative Agent and such L/C Issuer may have.

SECTION 7.18 Person Serving as Collateral Agent. On the Closing Date, the Collateral Agent hereunder is the Administrative Agent. Written notice of resignation by the Administrative Agent under the Credit Agreement pursuant to the Credit Agreement shall also constitute notice of resignation as the Collateral Agent under this Agreement. Upon the acceptance of any appointment as the Administrative Agent under the Credit Agreement by a successor, that successor shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent pursuant hereto. Immediately upon the occurrence of the Termination Date, if any other Series of Secured Obligations is then outstanding, the Authorized Representative of such Series (or, if more than one such Series is outstanding, the Applicable First Lien Authorized Representative) shall be deemed the Collateral Agent for all purposes under this Agreement. The Collateral Agent immediately prior to any change in Collateral Agent pursuant to this Section 7.18 (the “Prior Collateral Agent”) shall be deemed to have assigned all of its rights, powers and duties hereunder to the successor Collateral Agent determined in accordance with this Section 7.18 (the “Successor Collateral Agent”) and the Successor Collateral Agent shall be deemed to have accepted, assumed and succeeded to such rights, powers and duties. The Prior Collateral Agent shall cooperate with the Pledgors and such Successor Collateral Agent to ensure that all actions are taken that are necessary or reasonably requested by the Successor Collateral Agent to vest in such Successor Collateral Agent the rights granted to the Prior Collateral Agent hereunder with respect to the Collateral, including (a) the filing of amended financing statements in the appropriate filing offices, (b) to the extent that the Prior Collateral Agent holds, or a third party holds on its behalf, physical possession of or “control” (as defined in the New York UCC or the Uniform Commercial Code of any other applicable jurisdiction) (or any similar concept under foreign law) over Collateral pursuant to this Agreement or any other Security Document, the delivery to the Successor Collateral Agent of the Collateral in its possession or control together with any necessary endorsements to the extent required by this Agreement, and (c) the execution and delivery of any further documents, financing statements or agreements and the taking of all such further action that may be required under any applicable law, or that the Successor Collateral Agent may reasonably request, all without recourse to, or representation or warranty by, the Prior Collateral Agent, and at the sole cost and expense of the Pledgors. In addition, the Collateral Agent hereunder shall at all times be the same person that is the “Collateral Agent” under each First Lien Intercreditor Agreement then in effect. Written notice of resignation by the “Collateral Agent” pursuant to each First Lien Intercreditor Agreement then in effect shall also constitute

notice of resignation as the Collateral Agent under this Agreement. Upon the acceptance of any appointment as the “Collateral Agent” under each First Lien Intercreditor Agreement by a successor “Collateral Agent”, the successor “Collateral Agent” shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent pursuant to this Agreement.

SECTION 7.19 Compliance with Gaming Laws. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document, the Collateral Agent, on behalf of the Secured Parties, acknowledges and agrees that:

(a) the pledge of the Pledged Stock of any Pledgor, any subsidiary of any Pledgor or any other person that is a licensee or registered holding company under the Gaming Laws (x) applicable in the Commonwealth of Kentucky (“Kentucky Gaming Laws”) (any such entity, a “Kentucky Licensee”), (y) applicable in the State of Mississippi (“Mississippi Gaming Laws”) (any such entity, a “Mississippi Licensee”) or (z) applicable in the State of Nevada (“Nevada Gaming Laws”) (any such entity, a “Nevada Licensee”), pursuant to this Agreement or any other Loan Document, will not be effective without the prior approval of the Gaming Authorities having jurisdiction in Kentucky (the “Kentucky Gaming Authorities”), Mississippi (the “Mississippi Gaming Authorities”) or Nevada (the “Nevada Gaming Authorities”), as applicable, and no certificates evidencing any such Pledged Stock may be delivered to the Collateral Agent until such approval has been obtained. Furthermore, no amendment of this Agreement shall be effective until any approvals required from the Kentucky Gaming Authorities under the Kentucky Gaming Laws, the Mississippi Gaming Authorities under the Mississippi Gaming Laws or the Nevada Gaming Authorities under the Nevada Gaming Laws, as applicable, have been obtained;

(b) in the event that Collateral Agent exercises one or more of the remedies set forth in this Agreement with respect to the Pledged Stock of any Kentucky Licensee, any Mississippi Licensee or any Nevada Licensee, including, without limitation, the foreclosure, transfer, sale, distribution or other disposition of any interest therein (except back to the applicable Pledgor), the exercise of voting and consensual rights, and any other resort to or enforcement of the security interest in such Pledged Stock, such action will require the separate and prior approval of the Kentucky Gaming Authorities, the Mississippi Gaming Authorities or the Nevada Gaming Authorities, as applicable, or the licensing of the Collateral Agent or any transferee thereof unless such licensing requirement is waived thereby;

(c) the Collateral Agent, and any custodial agent of Collateral Agent in the Commonwealth of Kentucky, the State of Mississippi, or the State of Nevada, as applicable, will be required to comply with the conditions, if any, imposed by the Kentucky Gaming Authorities, the Mississippi Gaming Authorities or the Nevada Gaming Authorities, as applicable, in connection with their approval of the pledge granted hereunder, including, without limitation, requirements that the Collateral Agent or its custodial agent maintain the certificates evidencing the Pledged Stock of Nevada Licensees at a location in Nevada provided to the Nevada Gaming Authorities, and that the Collateral Agent or its custodial agent permit agents or employees of the Nevada Gaming Authorities to inspect such certificates upon request during normal business hours;

(d) neither the Collateral Agent nor any custodial agent of the Collateral Agent will be permitted to surrender possession of any Pledged Stock of Kentucky Licensees, Mississippi Licensees or Nevada Licensees to any person other than the applicable Pledgor thereof without the prior approval of the Kentucky Gaming Authorities, the Mississippi Gaming Authorities or the Nevada Gaming Authorities, as applicable, or as otherwise permitted by the Gaming Laws;

(e) any approval of the Gaming Authorities (including, for the avoidance of doubt, the Kentucky Gaming Authorities, the Mississippi Gaming Authorities and the Nevada Gaming Authorities, as applicable) of this Agreement or the pledge of the Pledged Stock of any person hereunder, or any amendment hereto, does not constitute approval, either express or implied, of the Collateral Agent to take any actions or exercise any remedies provided for in this Agreement, for which separate approval by the Gaming Authorities (including, for the avoidance of doubt, the Kentucky Gaming Authorities, the Mississippi Gaming Authorities and the Nevada Gaming Authorities, as applicable) may be required by the Gaming Laws;

(f) the Collateral Agent, the Secured Parties and their respective successors and assigns are subject to being called forward by the Gaming Authorities (including, for the avoidance of doubt, the Kentucky Gaming Authorities, the Mississippi Gaming Authorities and the Nevada Gaming Authorities, as applicable) in their sole and absolute discretion, for licensing or a finding of suitability or qualification; and

(g) in the event the Collateral Agent, on behalf of the Secured Parties, exercises one or more of the remedies set forth in this Agreement with respect to Article 9 Collateral consisting of gaming devices, mobile gaming systems, interactive gaming systems, cashless wagering systems and associated equipment (as those terms are defined in the Gaming Laws), including, but not limited to, the foreclosure, transfer, sale, distribution or other disposition of such Collateral, such exercise of remedies may require the separate and prior approval of the Gaming Authorities (including, for the avoidance of doubt, the Kentucky Gaming Authorities, the Mississippi Gaming Authorities and the Nevada Gaming Authorities, as applicable) or the licensing of the Collateral Agent or any transferee thereof pursuant to the Gaming Laws.

**SECTION 7.20 General Authority of the Collateral Agent.** By acceptance of the benefits of this Agreement and any other Security Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (i) to consent to the appointment of the Collateral Agent as its agent hereunder and under such other Security Documents, (ii) to confirm that the Collateral Agent shall have the authority to act as the exclusive agent of such Secured Party for the enforcement of any provision of this Agreement and such other Security Documents against any Pledgor, the exercise of remedies hereunder or thereunder and the giving or withholding of any consent or approval hereunder or thereunder relating to any Collateral or any Pledgor's obligations with respect thereto, (iii) to agree that it shall not take any action to enforce any provisions of this Agreement or any other Security Document against any Pledgor, to exercise any remedy hereunder or thereunder or to give any consents or approvals hereunder or thereunder except as expressly provided in this Agreement or any other Security Document and (iv) to agree to be bound by the terms of this Agreement, the Master Lease Intercreditor Agreements and any other Security Documents and any applicable Intercreditor Agreement then in effect.

SECTION 7.22 Subject to Intercreditor Agreements, Master Lease Intercreditor Agreements and Master Leases.

(a) Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted to the Collateral Agent for the benefit of the Secured Parties pursuant to this Agreement and (ii) the exercise of any right or remedy by the Collateral Agent hereunder or the application of proceeds (including insurance and condemnation proceeds) of any Collateral, in each case, are subject to the limitations and provisions of any applicable Intercreditor Agreement to the extent provided therein. In the event of any conflict between the terms of such applicable Intercreditor Agreement and the terms of this Agreement, the terms of such applicable Intercreditor Agreement shall govern.

(b) Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to this Agreement in the Tenant's Pledged Property (as defined in each Master Lease) and the exercise of any right or remedy by the Collateral Agent hereunder against the Tenant's Pledged Property are subject to the provisions of the applicable Master Lease Intercreditor Agreement. In the event of any conflict between the terms of any Master Lease Intercreditor Agreement and this Agreement, the terms of such Master Lease Intercreditor Agreement shall govern and control.

(c) To the extent that pursuant to any applicable Intercreditor Agreement or any Master Lease Intercreditor Agreement any person other than the Collateral Agent is entitled to have a prior security interest to the Collateral Agent in any Collateral or is otherwise entitled to possession thereof, then notwithstanding any other provision of this Agreement, any requirements to deliver Collateral to the Collateral Agent shall be deemed satisfied if such Collateral is delivered to such other person.

(d) Notwithstanding anything herein to the contrary, (i) any exercise of remedies hereunder or under any other Security Document that would affect the Leasehold Estate (as defined in the CPLV Master Lease) is subject and subordinate to the terms of the CPLV Master Lease, (ii) any exercise of remedies hereunder or under any other Security Document that would affect the Leasehold Estate (as defined in the Non-CPLV Master Lease) is subject and subordinate to the terms of the Non-CPLV Master Lease and (iii) any exercise of remedies hereunder or under any other Security Document that would affect the Leasehold Estate or similar term (as defined in each other Master Lease, Additional Master Lease or Additional Lease) is subject and subordinate to the terms of such other Master Lease, Additional Master Lease or Additional Lease.

SECTION 7.23 Other First Lien Obligations. On or after the date hereof and so long as such obligations are not prohibited to be incurred under the Credit Agreement and any Other First Lien Agreement then in effect, the Borrower may from time to time designate obligations in respect of Indebtedness to be secured (except with respect to any applicable Specified Excluded Collateral) on a *pari passu* basis with the then-outstanding Secured Obligations as Other First Lien Obligations hereunder by delivering to the Collateral Agent and each Authorized Representative (a) a certificate signed by a Responsible Officer of the Borrower

(i) identifying the obligations so designated and the initial aggregate principal amount or face amount thereof, (ii) stating that such obligations are designated as Other First Lien Obligations for purposes hereof, (iii) representing that such designation of such obligations as Other First Lien Obligations is not prohibited by the Credit Agreement or any Other First Lien Agreement then in effect, and (iv) specifying the name and address of the Authorized Representative for such obligations, (b) an Other First Lien Secured Party Consent (in the form attached as Exhibit B) executed by the Authorized Representative for such obligations and the Borrower and (c) if not already then in effect, execute and deliver a First Lien Intercreditor Agreement (or, to the extent such First Lien Intercreditor Agreement is then in effect, a joinder thereto to the extent required thereby). Upon the satisfaction of all conditions set forth in the preceding sentence, (x) the Collateral Agent shall act as collateral agent under and subject to the terms of the Security Documents for the benefit of all Secured Parties, including without limitation, any Secured Parties that hold any such Other First Lien Obligations (except with respect to any applicable Specified Excluded Collateral), and shall execute and deliver the acknowledgement at the end of the Other First Lien Secured Party Consent, (y) each Authorized Representative agrees to the appointment, and acceptance of the appointment, of the Collateral Agent as collateral agent for the holders of such Other First Lien Obligations as set forth in each Other First Lien Secured Party Consent and agrees, on behalf of itself and each Secured Party it represents, to be bound by this Agreement and the applicable Intercreditor Agreements and (z) such Other First Lien Obligations shall automatically be deemed to be “Other First Priority Obligations” (or analogous term) in any First Lien Intercreditor Agreement. The rights and obligations of each party to this Agreement shall remain in full force and effect notwithstanding the addition of any new Secured Obligations to this Agreement.

SECTION 7.24 Application of Gaming Laws and Liquor Laws. Notwithstanding anything herein to the contrary and without limiting Section 7.19, this Agreement and any Other First Lien Agreement are subject to Gaming Laws and Liquor Laws. Without limiting the foregoing, the Secured Parties acknowledge that (i) they are subject to the jurisdiction of the Gaming Authorities and Liquor Authorities, in their discretion, for licensing, qualification or findings of suitability or to file or provide other information, and (ii) all rights, remedies and powers in or under this Agreement and the other Loan Documents, including with respect to the Collateral (including the pledge and delivery of the Pledged Collateral), the Mortgaged Properties and the ownership and operation of facilities may be subject to the jurisdiction of the Gaming Authorities and Liquor Authorities, and may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws and Liquor Laws and only to the extent that required approvals (including prior approvals), if any, are obtained from the relevant Gaming Authorities and Liquor Authorities.

SUPPLEMENT NO. \_\_\_\_\_ dated as of \_\_\_\_\_ (this “Supplement”), to the Collateral Agreement dated as of October 6, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”), among CAESARS ENTERTAINMENT OPERATING COMPANY, INC., a Delaware corporation, CEOC, LLC, each Subsidiary of the Borrower (as defined in the Collateral Agreement) from time to time party thereto (each, a “Subsidiary Loan Party”) and CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, as collateral agent (together with its successors and permitted assigns in such capacity, the “Collateral Agent”) for the Secured Parties (as defined therein).

A. Reference is made to the Credit Agreement, dated as of October 6, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among the Borrower, the Lenders party thereto from time to time, Credit Suisse AG, Cayman Islands Branch, as administrative agent, and the other parties party thereto.

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Collateral Agreement referred to therein.

C. The Pledgors have entered into the Collateral Agreement in order to induce the Lenders to make Loans, each L/C Issuer to issue Letters of Credit, any Cash Management Bank and any Hedge Bank to provide financial accommodations under any Secured Cash Management Agreement or any Secured Swap Agreement, respectively, and to induce the holders of any Other First Lien Obligations to make extensions of credit under the applicable Other First Lien Agreements, as applicable. Section 7.16 of the Collateral Agreement provides that additional Subsidiaries of the Borrower may become Subsidiary Loan Parties and Pledgors under the Collateral Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned Subsidiary (the “New Subsidiary”) is executing this Supplement in accordance with the requirements of the Credit Agreement and any applicable Other First Lien Agreement to become a Subsidiary Loan Party and a Pledgor under the Collateral Agreement.

Accordingly, the Collateral Agent and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 7.16 of the Collateral Agreement, subject to Section 7.19 and 7.24 of the Collateral Agreement, the New Subsidiary by its signature below becomes a Subsidiary Loan Party and a Pledgor under the Collateral Agreement with the same force and effect as if originally named therein as a Subsidiary Loan Party and a Pledgor, and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Collateral Agreement applicable to it as a Subsidiary Loan Party and a Pledgor thereunder and (b) represents and warrants that the representations and warranties made by it as a Pledgor thereunder (it being understood that such representations do not include any representations made only as of the Closing Date or another date prior to the date hereof) are true and correct in all material respects on and as of the date hereof. In furtherance of the foregoing, subject to any approvals required

under Gaming Laws, the New Subsidiary, as security for the payment and performance in full of the Secured Obligations, does hereby create and grant to the Collateral Agent, for the benefit of the Secured Parties, their successors and assigns, a security interest in and Lien on all of the New Subsidiary's right, title and interest in and to the Collateral (as defined in the Collateral Agreement) of the New Subsidiary. Each reference to a "Subsidiary Loan Party" or a "Pledgor" in the Collateral Agreement shall be deemed to include the New Subsidiary (except as otherwise provided in clause (ii) of the definition of Pledgor to the extent applicable). The Collateral Agreement is hereby incorporated herein by reference.

SECTION 2. The New Subsidiary represents and warrants to the Collateral Agent and the other Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, subject to (i) the effects of bankruptcy, insolvency, moratorium, reorganization, fraudulent conveyance or other similar laws affecting creditors' rights generally, (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and (iii) implied covenants of good faith and fair dealing.

SECTION 3. This Supplement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract. This Supplement shall become effective when (a) the Collateral Agent shall have received a counterpart of this Supplement that bears the signature of the New Subsidiary and (b) the Collateral Agent has executed a counterpart hereof. Delivery of an executed signature page to this Supplement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 4. The New Subsidiary hereby represents and warrants that, as of the date hereof, (a) set forth on Schedule I attached hereto is a true and correct schedule of all the Pledged Stock and Pledged Debt Securities of the New Subsidiary, (b) set forth on Schedule II attached hereto is a true and correct schedule of all Intellectual Property constituting United States registered Trademarks, Patents and Copyrights, (c) set forth on Schedule III attached hereto is a true and correct schedule of all Commercial Tort Claims reasonably estimated to exceed \$15,000,000 and (d) set forth under its signature hereto, is the true and correct legal name of the New Subsidiary, its jurisdiction of formation and organizational ID number.

SECTION 5. Except as expressly supplemented hereby, the Collateral Agreement shall remain in full force and effect.

SECTION 6. THIS SUPPLEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS SUPPLEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

SECTION 7. In the event any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Collateral Agreement

shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. All communications and notices hereunder shall (except as otherwise expressly permitted by the Collateral Agreement) be in writing and given as provided in Section 7.01 of the Collateral Agreement.

SECTION 9. The New Subsidiary agrees to reimburse the Collateral Agent for its reasonable and documented out-of-pocket expenses in connection with this Supplement, including the reasonable and documented fees, disbursements and other charges of counsel for the Collateral Agent.

SECTION 3. ***Collateral Agreement.*** The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. Each Pledgor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the IP Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. ## 2. THE GUARANTY.

(a) Guarantee of Guaranteed Obligations. Each Guarantor unconditionally guarantees to the Collateral Agent, jointly with the other Guarantors and severally, as a primary obligor and not merely as a surety, the due and punctual payment and performance of the Obligations for the ratable benefit of the Secured Parties (the “Guaranteed Obligations”); provided that (i) the Guaranteed Obligations of any Guarantor shall exclude any Excluded Swap Obligations with respect to such Guarantor and (ii) Guaranteed Obligations, as it applies to any Loan Party in its capacity as a Guarantor hereunder, shall exclude any Direct Obligations of such Loan Party. Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee notwithstanding any extension or renewal of any Guaranteed Obligation. To the extent permitted by applicable law, each Guarantor waives presentment to, demand of payment from and protest to the Borrower or any other Loan Party of any of the Guaranteed Obligations, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment.

(b) Guarantee of Payment. Each Guarantor further agrees that its guarantee hereunder constitutes a guarantee of payment when due and not of collection, and, to the extent permitted by applicable law, waives any right to require that any resort be had by the Collateral Agent or any other Secured Party to any security held for the payment of the Guaranteed Obligations or to any balance of any deposit account or credit on the books of the Collateral Agent or any other Secured Party in favor of the Borrower or any other person.

(c) No Limitations. Except for termination of a Guarantor’s obligations hereunder as expressly provided for in Section 5(i), the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise (other than defense of payment in full in cash

or immediately available funds of the Guaranteed Obligations). Without limiting the generality of the foregoing, the obligations of each Guarantor hereunder shall not be discharged or impaired or otherwise affected by: (i) the failure of the Collateral Agent or any other Secured Party to assert any claim or demand or to exercise or enforce any right or remedy under the provisions of any Loan Document, Secured Swap Agreement, Secured Cash Management Agreement or otherwise; (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document, Secured Swap Agreement, Secured Cash Management Agreement or any other agreement, including with respect to any other Guarantor under this Guaranty (other than the payment in full in cash or immediately available funds of all the Guaranteed Obligations); (iii) the release of, or the failure to perfect any security interest in, or the exchange, substitution, release or any impairment of, any security held by the Collateral Agent or any other Secured Party for the Guaranteed Obligations; (iv) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; (v) any other act or omission that may or might in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the payment in full in cash or immediately available funds of all the Guaranteed Obligations); (vi) any illegality, lack of validity or unenforceability of any Guaranteed Obligation; (vii) any change in the corporate existence, structure or ownership of the Borrower, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Borrower or its assets or any resulting release or discharge of any Guaranteed Obligation (other than the payment in full in cash or immediately available funds of all the Guaranteed Obligations); (viii) the existence of any claim, set-off or other rights that the Guarantor may have at any time against the Borrower, the Collateral Agent, any other Secured Party or any other corporation or person, whether in connection herewith or any unrelated transactions, provided that nothing herein will prevent the assertion of any such claim by separate suit or compulsory counterclaim; and (ix) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Collateral Agent or any other Secured Party that might otherwise constitute a defense to, or a legal or equitable discharge of, the Borrower or any Guarantor or any other guarantor or surety (other than the payment in full in cash or immediately available funds of all the Guaranteed Obligations). To the fullest extent permitted by applicable law, (i) each Guarantor expressly authorizes the Secured Parties to take and hold security for the payment and performance of the Guaranteed Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Guaranteed Obligations, all without affecting the obligations of any Guarantor hereunder, (ii) each Guarantor waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than the payment in full in cash or immediately available funds of all the Guaranteed Obligations, (iii) the Collateral Agent and the other Secured Parties may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with the Borrower or any other Loan Party or exercise any other right or remedy available to them against the Borrower or any other Loan Party, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been paid in full in cash or immediately available funds, and (iv) each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against any other Loan Party, as the case may be, or any security.

(d) Reinstatement. Each Guarantor agrees that its guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Guaranteed Obligation is rescinded or must otherwise be restored by the Collateral Agent or any other Secured Party upon the bankruptcy or reorganization of the Borrower, any other Loan Party or otherwise.

(e) Agreement To Pay; Subrogation. In furtherance of the foregoing and not in limitation of any other right that the Collateral Agent or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Borrower or any other Loan Party to pay any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Collateral Agent for distribution to the applicable Secured Party in cash the amount of such unpaid Guaranteed Obligation. Upon payment by any Guarantor of any sums to the Collateral Agent as provided above, all rights of such Guarantor against the Borrower or any other Loan Party arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall be fully subordinated to the payment in full in cash or immediately available funds of the Guaranteed Obligations (other than contingent or unliquidated obligations or liabilities to the extent no claim therefor has been made); provided that if any amount shall be paid to such Guarantor on account of such right of subrogation, contribution, reimbursement, indemnity or otherwise prior to the Termination Date and an Event of Default shall be continuing, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Collateral Agent to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with Section 5.02 of the Collateral Agreement. For the avoidance of doubt, notwithstanding any other provision of any Loan Document to the contrary, no such payment received from any Guarantor that is not a Qualified ECP Guarantor shall be applied by the Collateral Agent or any other Secured Party to the payment of any Excluded Swap Obligations.

(f) Information. Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's and each other Loan Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that neither the Collateral Agent nor any other Secured Party will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

(g) Maximum Liability. Each Guarantor, and by its acceptance of this Guaranty, the Collateral Agent for itself and on behalf of each Secured Party hereby confirms that it is the intention of all such persons that this Guaranty and the obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of the U.S. Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law (collectively, "Fraudulent Transfer Laws") to the extent applicable to this Guaranty and the obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Collateral Agent, for itself and on behalf of each Secured Party, and the Guarantors hereby irrevocably agree that the obligations of each Guarantor under this Guaranty at any time shall be limited to the maximum amount as will, after giving effect to any rights to contribution and/or subrogation pursuant to any agreement or arising under applicable law providing for an equitable contribution and/or subrogation among such Guarantor and the other Guarantors, result in the obligations of such Guarantor not constituting a fraudulent transfer or conveyance.

(h) Representations and Warranties. Each Guarantor acknowledges and agrees that it is familiar with the Credit Agreement and the representations and warranties applicable to it thereunder. Each Guarantor also agrees that the representations and warranties contained in Article III of the Credit Agreement, insofar as the representations and warranties contained therein are applicable to such Guarantor and its properties, are true and correct in all material respects on each date on which such representations and warranties are repeated in accordance with the Loan Documents (except to the extent

they relate to any earlier date in which case they shall be true and correct in all material respects as of such earlier date), each representation and warranty set forth in Article III of the Credit Agreement (insofar as applicable as aforesaid) and all other terms of the Credit Agreement to which reference is made therein, together with all related definitions and ancillary provisions, being hereby incorporated into this Guaranty by this reference as though specifically set forth in this Section 2(h).

(i) Covenants. Each Guarantor acknowledges and agrees that it is familiar with the Credit Agreement and the covenants applicable to it thereunder. Each Guarantor covenants and agrees that, at all times prior to the termination of this Guaranty in accordance with Section 5(i), it will be bound by all of the agreements, covenants and obligations contained in Articles V and VI of the Credit Agreement, to the extent applicable to such Guarantor, each such agreement, covenant and obligation contained in Articles V and VI of the Credit Agreement, together with all related definitions and ancillary provisions, being hereby incorporated into this Guaranty by this reference as though specifically set forth in this Section 2(i).

3. **FURTHER ASSURANCES.**

Each Guarantor agrees, upon the written request of the Collateral Agent at the direction of the Administrative Agent, to execute and deliver to the Collateral Agent, from time to time, any additional instruments or documents reasonably considered necessary by the Administrative Agent to cause this Guaranty to be, become or remain valid and effective in accordance with its terms.

4. **PAYMENTS FREE AND CLEAR OF TAXES.**

Each Guarantor agrees that such Guarantor will perform or observe all of the terms, covenants and agreements that Section 2.17 of the Credit Agreement requires such Guarantor to perform or observe, subject to the qualifications set forth therein.

5. **OTHER TERMS.**

(a) Entire Agreement. This Guaranty, together with the other Loan Documents, and, as applicable, the Secured Swap Agreements and Secured Cash Management Agreements, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements relating to a guaranty of the loans and advances under the Loan Documents and of the financial accommodations under the Secured Swap Agreements and Secured Cash Management Agreements.

(b) Headings. The headings in this Guaranty are for convenience of reference only and are not part of the substance of this Guaranty.

(c) Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document shall survive the execution and delivery of this Guaranty and the other Loan Documents and any increase in Commitments under the Credit Agreement.

(d) Severability. Whenever possible, each provision of this Guaranty shall be interpreted in such a manner to be effective and valid under applicable law, but if any provision of this Guaranty shall be prohibited by or invalid under applicable law in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Guaranty and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

(e) Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be given as provided in Section 9.01 of the Credit Agreement.

(f) Successors and Assigns. Whenever in this Guaranty any Guarantor is referred to, such reference shall be deemed to include the permitted successors and assigns of such party (in accordance with the terms of the Credit Agreement); and all covenants, promises and agreements by any Guarantor that are contained in this Guaranty shall bind and inure to the benefit of its respective permitted successors and assigns.

(g) No Waiver; Cumulative Remedies; Amendments. No failure or delay by the Collateral Agent in exercising any right, power or remedy hereunder shall operate as a waiver hereof, nor shall any single or partial exercise of any such right, power or remedy, or any abandonment or discontinuance of steps to enforce such a right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies of the Collateral Agent hereunder are cumulative and are not exclusive of any rights, powers or remedies that it would otherwise have. No waiver of any provision of this Guaranty or consent to any departure by any Guarantor therefrom shall in any event be effective unless the same shall be permitted by this Section 5(g), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or the issuance of a Letter of Credit shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Collateral Agent may have had notice or knowledge of such Default or Event of Default at the time. No notice or demand on any Guarantor in any case shall entitle any Guarantor to any other or further notice or demand in similar or other circumstances. Neither this Guaranty nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Guarantor or Guarantors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 9.08 of the Credit Agreement.

(h) Collateral Agent's Fees and Expenses, Indemnification. The Guarantors jointly and severally agree to pay, or cause to be paid, on demand, and to save the Secured Parties harmless against liability for, any and all reasonable and documented costs and expenses incurred or expended by any Secured Party in connection with this Guaranty, all in accordance with and subject to the terms of Section 9.05 of the Credit Agreement.

(i) Termination and Release.

(1) This Guaranty shall terminate on the Termination Date.

(2) A Guarantor shall automatically be released from its obligations hereunder in accordance with Section 9.18 of the Credit Agreement.

(3) In connection with any release pursuant to this Section 5(i), the Collateral Agent shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such release. Any execution and delivery of documents pursuant to this Section 5(i) shall be without recourse to or warranty by the Collateral Agent.

(j) Counterparts. This Guaranty may be executed in any number of counterparts, each of which shall collectively and separately constitute one and the same agreement. Delivery of an executed signature page to this Guaranty by facsimile or electronic transmission shall be as effective as delivery of a manually signed counterpart of this Guaranty.

6. **INDEMNITY, SUBROGATION AND SUBORDINATION.**

(a) Indemnity and Subrogation. In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable law (but subject to Section 6(c)), the Borrower agrees that (i) in the event a payment shall be made by any Guarantor under this Guaranty in respect of any Guaranteed Obligation, the Borrower shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the person to whom such payment shall have been made to the extent of such payment and (ii) in the event any assets of any Guarantor shall be sold pursuant to this Guaranty or any other Security Document to satisfy in whole or in part a Guaranteed Obligation, the Borrower shall indemnify such Guarantor in an amount equal to the greater of the book value or the fair market value of the assets so sold.

(b) Contribution and Subrogation. Each Guarantor (a “Contributing Guarantor”) agrees (subject to Section 6(c)) that, in the event a payment shall be made by any other Guarantor hereunder in respect of any Guaranteed Obligation or assets of any other Guarantor shall be sold pursuant to any Security Document to satisfy any Guaranteed Obligation owed to any Secured Party and such other Guarantor (the “Claiming Guarantor”) shall not have been fully indemnified by the Borrower as provided in Section 6(a), the Contributing Guarantor shall indemnify the Claiming Guarantor in an amount equal to the amount of such payment or the greater of the book value or the fair market value of such assets, as applicable, in each case multiplied by a fraction of which the numerator shall be the net worth of such Contributing Guarantor on the date hereof and the denominator shall be the aggregate net worth of all the Guarantors on the date hereof (or, in the case of any Guarantor becoming a party hereto pursuant to Section 5.10(d) of the Credit Agreement, the date of the supplement hereto executed and delivered by such Guarantor). Any Contributing Guarantor making any payment to a Claiming Guarantor pursuant to this Section 6(b) shall be subrogated to the rights of such Claiming Guarantor under Section 6(a) to the extent of such payment.

(c) Subordination. Notwithstanding any provision of this Guaranty to the contrary, all rights of the Guarantors under Sections 6(a) and 6(b) and all other rights of indemnity, contribution or subrogation of any Guarantor under applicable law or otherwise shall be fully subordinated to the payment in full in cash or immediately available funds of the Guaranteed Obligations (other than contingent or unliquidated obligations or liabilities to the extent no claim therefor has been made). No failure on the part of the Borrower or any Guarantor to make the payments required by Sections 6(a) and 6(b) (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Guarantor with respect to its obligations hereunder, and each Guarantor shall remain liable for the full amount of the obligations of such Guarantor hereunder.

7. **SECURITY.**

To secure payment of each Guarantor’s obligations under this Guaranty, concurrently with the execution of this Guaranty, each Guarantor has entered into the Collateral Agreement and has entered into or may enter into certain other Security Documents pursuant to which each Guarantor has granted to the Collateral Agent for the benefit of the Lenders and the other Secured Parties, a security interest in the Collateral described therein.

8. **APPLICABLE LAW.**

THIS GUARANTY AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS GUARANTY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

9. **CONSENT TO JURISDICTION.**

EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF ANY NEW YORK STATE COURT OR FEDERAL COURT OF THE UNITED STATES OF AMERICA SITTING IN NEW YORK CITY, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTY, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS GUARANTY SHALL AFFECT ANY RIGHT THAT ANY PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS GUARANTY IN THE COURTS OF ANY JURISDICTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTY IN ANY NEW YORK STATE OR FEDERAL COURT. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT. EACH PARTY TO THIS GUARANTY IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 5(e). NOTHING IN THIS GUARANTY WILL AFFECT THE RIGHT OF ANY PARTY TO THIS GUARANTY TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

10. **WAIVER OF JURY TRIAL.**

A. Reference is made to the Credit Agreement dated as of October 6, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among Caesars Entertainment Operating Company, Inc., CEOC, LLC, the Lenders party thereto from time to time, Credit Suisse AG, Cayman Islands Branch, as administrative agent for the Lenders, the Collateral Agent and the other parties party thereto.

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement or the Guaranty, as applicable.

C. The Guarantors have entered into the Guaranty in order to induce the Lenders to make Loans and to participate in Letters of Credit under the Credit Agreement and each L/C Issuer to issue Letters of Credit under the Credit Agreement and the Hedge Banks and Cash Management Banks to provide financial accommodations under the Secured Swap Agreements and Secured Cash Management Agreements. Section 12 of the Guaranty provides that additional Subsidiary Loan Parties may become Guarantors under the Guaranty by execution and delivery of an instrument in the form of this Supplement. The undersigned Subsidiary (the “New Subsidiary”) is executing this Supplement to become a Guarantor under the Guaranty in order to induce the Lenders to make additional Loans and to participate in additional Letters of Credit and any L/C Issuer to issue additional Letters of Credit and as consideration for Loans previously made and any Letters of Credit previously issued and to induce the Hedge Banks and Cash Management Banks to provide financial accommodations under the Secured Swap Agreements and Secured Cash Management Agreements.

Accordingly, the Collateral Agent and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 12 of the Guaranty, the New Subsidiary by its signature below becomes a Guarantor under the Guaranty with the same force and effect as if originally named therein as a Guarantor and the New Subsidiary hereby agrees to all the terms and provisions of the Guaranty applicable to it as a Guarantor thereunder. In furtherance of the foregoing, the New Subsidiary does hereby guarantee to the Collateral Agent and the other Secured Parties the due and punctual payment and performance of the Guaranteed Obligations as set forth in the Guaranty. Each reference to a “Guarantor” in the Guaranty shall be deemed to include the New Subsidiary. The Guaranty is hereby incorporated herein by reference.

SECTION 2. The New Subsidiary represents and warrants to the Collateral Agent and the other Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, subject to (i) the effects of bankruptcy, insolvency, moratorium, reorganization, fraudulent conveyance or other similar laws affecting creditors’ rights generally, (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and (iii) implied covenants of good faith and fair dealing.

SECTION 3. This Supplement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract. This Supplement shall become effective when (a) the Collateral Agent shall have received a counterpart

of this Supplement that bears the signature of the New Subsidiary and (b) the Collateral Agent has executed a counterpart hereof. Delivery of an executed signature page to this Supplement by facsimile or electronic transmission shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 4. Except as expressly supplemented hereby, the Guaranty shall remain in full force and effect.

**SECTION 5. THIS SUPPLEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS SUPPLEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.**

SECTION 6. In the event any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Guaranty shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 7. All communications and notices hereunder shall be in writing and given as provided in Section 5(e) of the Guaranty.

SECTION 8. The recitals contained herein shall be taken as the statements of each of the Guarantors, and the Collateral Agent assumes no responsibility for the correctness of the same. The Collateral Agent makes no representations as to the validity or sufficiency of this Supplement.

Priorities and Agreements with Respect to Shared Collateral

SECTION 2.01 *Priority of Claims.*

(a) Anything contained herein or in any of the Secured Credit Documents to the contrary notwithstanding (but subject to Section 1.01(b)), if an Event of Default has occurred and is continuing, and the Collateral Agent or any other First Lien Secured Party is taking action to enforce rights in respect of any Shared Collateral, or any distribution is made in respect of any Shared Collateral in any Bankruptcy Case of any Grantor or any First Lien Secured Party receives any payment pursuant to any intercreditor agreement (other than this Agreement) with respect to any Shared Collateral, the proceeds of any sale, collection or other liquidation of any such Collateral by any First Lien Secured Party or received by the Collateral Agent or any First Lien Secured Party pursuant to any such intercreditor agreement with respect to such Shared Collateral and proceeds of any such distribution (subject, in the case of any such distribution, to the sentence immediately following) to which the First Lien Obligations are entitled under any intercreditor agreement (other than this Agreement) (all proceeds of any sale, collection or other liquidation of any Collateral and all proceeds of any such distribution being collectively referred to as “**Proceeds**”), shall be applied by the Collateral Agent in the order specified in Section 5.02 of the Security Agreement (or the Equivalent Provision thereof). Notwithstanding the foregoing, with respect to any Shared Collateral for which a third party (other than a First Lien Secured Party) has a lien or security interest that is junior in priority to the security interest of any Series of First Lien Obligations but senior (as determined by appropriate legal proceedings in the case of any dispute and after giving effect to any applicable intercreditor agreement (other than this Agreement)) to the security interest of any other Series of First Lien Obligations (such third party an “**Intervening Creditor**”), the value of any Shared Collateral or Proceeds which are allocated to such Intervening Creditor shall be deducted on a ratable basis solely from the Shared Collateral or Proceeds to be distributed in respect of the Series of First Lien Obligations with respect to which such Impairment exists.

(b) It is acknowledged that the First Lien Obligations of any Series may, subject to the limitations set forth in the then extant Secured Credit Documents and subject, to the extent applicable, to Section 2.08, be increased, extended, renewed, replaced, restated, supplemented, restructured, repaid, refunded, Refinanced or otherwise amended or modified from time to time, all without affecting the priorities set forth in Section 2.01(a) or the provisions of this Agreement defining the relative rights of the First Lien Secured Parties of any Series.

(c) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of First Lien Obligations granted on the Shared Collateral and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other applicable law or the Secured Credit Documents or any defect or deficiencies in the Liens securing the First Lien Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to Section 1.01(b)), each First Lien Secured Party hereby agrees that the Liens securing each Series of First Lien Obligations on any Shared Collateral shall be of equal priority.

**SECTION 2.02 *Actions with Respect to Shared Collateral; Prohibition on Contesting Liens.***

(a) Notwithstanding anything in this Agreement or any other Secured Credit Documents to the contrary, Collateral consisting of cash and cash equivalents pledged to secure Credit Agreement Obligations consisting of reimbursement obligations in respect of letters of credit or otherwise held by the Collateral Agent pursuant to Section 2.05(g), Section 2.11 or Section 2.22 or the Credit Agreement (or the Equivalent Provision thereof) shall be applied as specified in the Credit Agreement and will not constitute Shared Collateral.

(b) With respect to any Shared Collateral, (i) notwithstanding Section 2.01, only the Collateral Agent shall act or refrain from acting with respect to the Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), and then only on the instructions of the Applicable Authorized Representative, (ii) the Collateral Agent shall not follow any instructions with respect to such Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral) from any Non-Controlling Authorized Representative (or any other First Lien Secured Party other than the Applicable Authorized Representative) and (iii) no Non-Controlling Authorized Representative or other First Lien Secured Party (other than the Applicable Authorized Representative) shall or shall instruct the Collateral Agent to, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), whether under any First Lien Security Document, applicable law or otherwise, it being agreed that only the Collateral Agent (or any person authorized by it), acting on the instructions of the Applicable Authorized Representative and in accordance with the applicable First Lien Security Documents, shall be entitled to take any such actions or exercise any such remedies with respect to Shared Collateral. Notwithstanding the equal priority of the Liens securing each Series of First Lien Obligations, the Collateral Agent (acting on the instructions of the Applicable Authorized Representative) may deal with the Shared Collateral as if such Applicable Authorized Representative had a senior Lien on such Collateral. No Non-Controlling Authorized Representative or Non-Controlling Secured Party will contest, protest or object to any foreclosure proceeding or action brought by the Collateral Agent, the Applicable Authorized Representative or the Controlling Secured Party or any other exercise by the Collateral Agent, the Applicable Authorized Representative or the Controlling Secured Party of any rights and remedies relating to the Shared Collateral, or to cause the Collateral Agent to do so. The foregoing shall not be construed to limit the rights and priorities of any First Lien Secured Party, Collateral Agent or any Authorized Representative with respect to any Collateral not constituting Shared Collateral.

(c) Each of the Authorized Representatives agrees that it will not accept any Lien on any Collateral for the benefit of any Series of First Lien Obligations (other than funds deposited for the discharge or defeasance of any Secured Credit Documents governing such Series of First Lien Obligations) other than pursuant to the First Lien Security Documents, and by executing this Agreement (or a Joinder Agreement), each Authorized Representative and the Series of First Lien Secured Parties for which it is acting hereunder agree to be bound by the provisions of this Agreement and the other First Lien Security Documents applicable to it.

(d) Each of the First Lien Secured Parties agrees that it will not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity or enforceability of a Lien held by or on behalf of any of the First Lien Secured Parties in all or any part of the Collateral, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair (i) the rights of any of the Collateral Agent or any Authorized Representative to enforce this Agreement or (ii) the rights of any First Lien Secured Party from contesting or supporting any other Person in contesting the enforceability of any Lien purporting to secure First Lien Obligations constituting unmatured interest pursuant to Section 502(b)(2) of the Bankruptcy Code.

**SECTION 2.03 *No Interference; Payment Over.***

(a) Each First Lien Secured Party agrees that (i) it will not challenge or question in any proceeding the validity or enforceability of any First Lien Obligations of any Series or any First Lien Security Document or the validity, attachment, perfection or priority of any Lien under any First Lien Security Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any First Lien Secured Party from challenging or questioning the validity or enforceability of any First Lien Obligations constituting unmatured interest or the validity of any Lien relating thereto pursuant to Section 502(b)(2) of the Bankruptcy Code; (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by the Collateral Agent, (iii) except as provided in Section 2.02, it shall have no right to (A) direct the Collateral Agent or any other First Lien Secured Party to exercise any right, remedy or power with respect to any Shared Collateral (including pursuant to any intercreditor agreement) or (B) consent to the exercise by the Collateral Agent or any other First Lien Secured Party of any right, remedy or power with respect to any Shared Collateral, (iv) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the Collateral Agent or any other First Lien Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and none of the Collateral Agent, any Applicable Authorized Representative or any other First Lien Secured Party shall be liable for any action taken or omitted to be taken by the Collateral Agent, such Applicable Authorized Representative or other First Lien Secured Party with respect to any Shared Collateral in accordance with the provisions of this Agreement, (v) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral and (vi) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any of the Collateral Agent or any other Authorized Representative to enforce this Agreement.

(b) Each First Lien Secured Party hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any Proceeds or payment in respect of any such Shared Collateral, pursuant to any First Lien Security Document or by the exercise of any rights available to it under applicable law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of each Series of First Lien Obligations, then it shall hold such Shared Collateral, Proceeds or payment in trust for the other First Lien Secured Parties and promptly transfer such Shared Collateral, Proceeds or payment, as the case may be, to the Collateral Agent, to be distributed by the Collateral Agent in accordance with the provisions of Section 2.01(a) hereof.

**SECTION 2.04 *Automatic Release of Liens; Amendments to First Lien Security Documents.***

(a) If, at any time any Shared Collateral is transferred to a third party or otherwise disposed of, in each case, in connection with any enforcement by the Collateral Agent in accordance with the provisions of this Agreement, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the Collateral Agent for the benefit of each Series of First Lien Secured Parties upon such Shared Collateral will automatically be released and discharged upon final conclusion of foreclosure proceeding; provided that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01 hereof.

(b) Each First Lien Secured Party agrees that the Collateral Agent may enter into any amendment (and, upon request by the Collateral Agent, each Authorized Representative shall sign a consent to such amendment) to any First Lien Security Document (including, without limitation, to release Liens securing any Series of First Lien Obligations) so long as such amendment, subject to clause (d) below, is not prohibited by the terms of each then extant Secured Credit Document. Additionally, each First Lien Secured Party agrees that the Collateral Agent may enter into any amendment (and, upon request by the Collateral Agent, each Authorized Representative shall sign a consent to such amendment) to any First Lien Security Document solely as such First Lien Security Document relates to a particular Series of First Lien Obligations (including, without limitation, to release Liens securing such Series of First Lien Obligations) so long as (x) such amendment is in accordance with the Secured Credit Document pursuant to which such Series of First Lien Obligations was incurred and (y) such amendment does not adversely affect the rights of the First Lien Secured Parties of any other Series.

(c) Each Authorized Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Collateral Agent to evidence and confirm any release of Shared Collateral or amendment to any First Lien Security Document provided for in this Section.

(d) In determining whether an amendment to any First Lien Security Document is not prohibited by this Section 2.04, the Collateral Agent may conclusively rely on a certificate of an officer of the Borrower stating that such amendment is not prohibited by Section 2.04(b) above.

SECTION 2.05 *Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings.*

(a) This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under the Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against the Borrower or any of its subsidiaries.

(b) If any Grantor shall become subject to a case (a “**Bankruptcy Case**”) under the Bankruptcy Code and shall, as debtor(s)-in-possession, move for approval of financing (“**DIP Financing**”) to be provided by one or more lenders (the “**DIP Lenders**”) under Section 364 of the Bankruptcy Code or the use of cash collateral under Section 363 of the Bankruptcy Code, each First Lien Secured Party (other than any Controlling Secured Party or any Authorized Representative of any Controlling Secured Party) agrees that it will raise no objection to any such financing or to the Liens on the Shared Collateral securing the same (“**DIP Financing Liens**”) or to any use of cash collateral that constitutes Shared Collateral, unless any Controlling Secured Party, or an Authorized Representative of any Controlling Secured Party, shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the Controlling Secured Parties, each Non-Controlling Secured Party will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any First Lien Secured Parties constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank *pari passu* with the Liens on any such Shared Collateral granted to secure the First Lien Obligations of the Controlling Secured Parties, each Non-Controlling Secured Party will confirm the priorities with respect to such Shared Collateral as set forth herein), in each case so long as (A) the First Lien Secured Parties of each Series retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-a-vis all the other First Lien Secured Parties (other than any Liens of the First Lien Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the First Lien Secured Parties of each Series are granted Liens on any additional collateral pledged to any First Lien Secured Parties as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-a-vis the First Lien Secured Parties (other than any Liens of the First Lien Secured Parties constituting DIP Financing Liens) as set forth in this Agreement, (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the First Lien Obligations, such amount is applied pursuant to Section 2.01(a) of this Agreement, and (D) if any First Lien Secured Parties are granted adequate protection, including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection is applied pursuant to Section 2.01(a) of this Agreement; provided that the First Lien Secured Parties of each Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the First Lien Secured Parties of such Series or its Authorized Representative that shall not constitute Shared Collateral; and provided, further, that the First Lien Secured Parties receiving adequate protection shall not object to any other First Lien Secured Party receiving adequate protection comparable to any adequate protection granted to such First Lien Secured Parties in connection with a DIP Financing or use of cash collateral.

SECTION 2.06 ***Reinstatement.*** In the event that any of the First Lien Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under the Bankruptcy Code, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all such First Lien Obligations shall again have been paid in full in cash.

SECTION 2.07 ***Insurance.*** As between the First Lien Secured Parties, the Collateral Agent, acting at the direction of the Applicable Authorized Representative, shall have the right to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral.

SECTION 2.08 ***Refinancings.*** The First Lien Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the refinancing transaction under any Secured Credit Document) of any First Lien Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; provided that the Authorized Representative of the holders of any such Refinancing indebtedness, if not already a party hereto, shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness.

SECTION 2.09 ***Possessory Collateral Agent as Gratuitous Bailee/Agent for Perfection.***

(a) The Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral that is part of the Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee and/or gratuitous agent for the benefit of each other First Lien Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First Lien Security Documents, in each case, subject to the terms and conditions of this Section 2.09. Pending delivery to the Collateral Agent, each other Authorized Representative agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee and/or gratuitous agent for the benefit of each other First Lien Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First Lien Security Documents, in each case, subject to the terms and conditions of this Section 2.09.

(b) The duties or responsibilities of the Collateral Agent and each other Authorized Representative under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee and/or gratuitous agent for the benefit of each other First Lien Secured Party for purposes of perfecting the Lien held by such First Lien Secured Parties therein.

(c) The agreement of the Collateral Agent to act as gratuitous bailee and/or gratuitous agent pursuant to this Section 2.09 is intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2), 9-104(a)(2) and 9-313(c) of the UCC.

ARTICLE III.

Existence and Amounts of Liens and Obligations

Whenever the Collateral Agent or any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any First Lien Obligations of any Series, or the Shared Collateral subject to any Lien securing the First Lien Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative and shall be entitled to make such determination on the basis of the information so furnished; provided, however, that if an Authorized Representative shall fail or refuse reasonably promptly to provide the requested information, the requesting Collateral Agent or Authorized Representative shall be entitled to make any such determination or not make any determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Borrower. The Collateral Agent and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any First Lien Secured Party or any other person as a result of such determination.

ARTICLE IV.

The Collateral Agent

SECTION 4.01 *Appointment and Authority*.

(a) Each of the First Lien Secured Parties hereby irrevocably appoints Credit Suisse AG, Cayman Islands Branch to act on its behalf as the Collateral Agent hereunder and under each of the other First Lien Security Documents and authorizes the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof, including for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Grantor to secure any of the First Lien Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 4.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under any of the First Lien Security Documents, or for exercising any rights and remedies thereunder at the direction of the Applicable Authorized Representative, shall be entitled to the benefits of all provisions of this Article IV, Section 8.07, and Section 9.05 of the Credit Agreement (or the Equivalent Provision thereof) and the equivalent provision of any Other First Lien Agreement (as though such co-agents, sub-agents and attorneys-in-fact were the “Collateral Agent” under the First Lien Security Documents) as if set forth in full herein with respect thereto.

(b) Each Non-Controlling Secured Party acknowledges and agrees that the Collateral Agent shall be entitled, for the benefit of the First Lien Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the First Lien Security Documents, without regard to any rights to which Non-Controlling Secured Parties

would otherwise be entitled as a result of holding any First Lien Obligations. Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Collateral Agent, the Applicable Authorized Representative or any other First Lien Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the First Lien Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any First Lien Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured Parties from such realization, sale, disposition or liquidation. Each of the First Lien Secured Parties waives any claim it may now or hereafter have against the Collateral Agent or the Authorized Representative of any other Series of First Lien Obligations or any other First Lien Secured Party of any other Series arising out of (i) any actions which the Collateral Agent, any Authorized Representative or any First Lien Secured Party takes or omits to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the First Lien Obligations from any account debtor, guarantor or any other party) in accordance with the First Lien Security Documents or any other agreement related thereto or to the collection of the First Lien Obligations or the valuation, use, protection or release of any security for the First Lien Obligations, (ii) any election by any Applicable Authorized Representative or any holders of First Lien Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code by, the Borrower or any of its subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Collateral Agent shall not accept any Shared Collateral in full or partial satisfaction of any First Lien Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Authorized Representative representing holders of First Lien Obligations for whom such Collateral constitutes Shared Collateral.

**SECTION 4.02 *Rights as a First Lien Secured Party.*** The Person serving as the Collateral Agent hereunder shall have the same rights and powers in its capacity as a First Lien Secured Party under any Series of First Lien Obligations that it holds as any other First Lien Secured Party of such Series and may exercise the same as though it were not the Collateral Agent and the term “First Lien Secured Party” or “First Lien Secured Parties” or (as applicable) “Credit Agreement Secured Party”, “Credit Agreement Secured Parties”, “Initial Other First Lien Secured Party”, “Initial Other First Lien Secured Parties”, “Other First Lien Secured Party” or “Other First Lien Secured Parties” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any subsidiary or other Affiliate thereof as if such Person were not the Collateral Agent hereunder and without any duty to account therefor to any other First Lien Secured Party.

SECTION 4.03 *Exculpatory Provisions.*

(a) The Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other First Lien Security Documents. Without limiting the generality of the foregoing, the Collateral Agent:

(i) shall not be subject to any fiduciary or other implied duties of any kind or nature to any Person, regardless of whether an Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other First Lien Security Documents that the Collateral Agent is required to exercise as directed in writing by the Applicable Authorized Representative; provided that the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Collateral Agent to liability or that is contrary to any First Lien Security Document or applicable law;

(iii) shall not, except as expressly set forth herein and in the other First Lien Security Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Collateral Agent or any of its Affiliates in any capacity;

(iv) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Applicable Authorized Representative or (ii) in the absence of its own gross negligence or willful misconduct or (iii) in reliance on a certificate of an authorized officer of the Borrower stating that such action is not prohibited by the terms of this Agreement. The Collateral Agent shall be deemed not to have knowledge of any Event of Default under any Series of First Lien Obligations unless and until notice describing such Event of Default is given to the Collateral Agent by the Authorized Representative of such First Lien Obligations or the Borrower;

(v) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other First Lien Security Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other First Lien Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the First Lien Security Documents, (v) the value or the sufficiency of any Collateral for any Series of First Lien Obligations, or (v) the satisfaction of any condition set forth in any Secured Credit Document, other than to confirm receipt of items expressly required to be delivered to the Collateral Agent;

(vi) shall not have any fiduciary duties or contractual obligations of any kind or nature under any Other First Lien Agreement (but shall be entitled to all protections provided to the Collateral Agent therein);

(vii) with respect to the Credit Agreement, any Other First Lien Agreement or any First Lien Security Document, may conclusively assume that the Grantors have complied with all of their obligations thereunder unless advised in writing by the Authorized Representative thereunder to the contrary specifically setting forth the alleged violation; and

(viii) may conclusively rely on any certificate of an officer of the Borrower provided pursuant to Section 2.04(d).

(b) Each First Lien Secured Party acknowledges that, in addition to acting as the initial Collateral Agent, Credit Suisse AG, Cayman Islands Branch also serves as Administrative Agent under the Credit Agreement and each First Lien Secured Party hereby waives any right to make any objection or claim against Credit Suisse AG, Cayman Islands Branch (or any successor Collateral Agent or any of their respective counsel) based on any alleged conflict of interest or breach of duties arising from the Collateral Agent also serving as the Administrative Agent.

(c) Each First Lien Secured Party hereby waives any claim it may now or hereafter have against the Collateral Agent, any Authorized Representative of any other Series of First Lien Obligations or any other First Lien Secured Party of any other Series of First Lien Obligations arising out of (i) any actions which the Collateral Agent (or any of its representatives), any such Authorized Representative (or any of its representatives) or any such First Lien Secured Party takes or omits to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, disposition, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the First Lien Obligations from any account debtor, guarantor or any other party) in accordance with any relevant First Lien Security Documents, or any other agreement related thereto, or to the collection of the First Lien Obligations or the valuation, use, protection or release of any security for the First Lien Obligations; provided that nothing in this clause (i) shall be construed to prevent or impair the rights of the Collateral Agent or any Authorized Representative to enforce this Agreement, (ii) any election by the Collateral Agent (or any of its agents) or the Applicable Authorized Representative or any other First Lien Secured Party, in any proceeding instituted under the Bankruptcy Code or any similar provision in any applicable Bankruptcy Law, of the application of Section 1111(b) of the Bankruptcy Code or any similar provision in any applicable Bankruptcy Law, or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any similar provision in any applicable Bankruptcy Law by, the Borrower or any of its Subsidiaries, as debtor-in-possession.

**SECTION 4.04 *Reliance by Collateral Agent.*** The Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have

been signed, sent or otherwise authenticated by the proper Person. The Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. The Collateral Agent may consult with legal counsel (who may include, but shall not be limited to counsel for the Borrower or counsel for the Administrative Agent), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

**SECTION 4.05 *Delegation of Duties.*** The Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other First Lien Security Document by or through any one or more sub-agents appointed by the Collateral Agent. The Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Affiliates of the Collateral Agent and any such sub-agent.

**SECTION 4.06 *Resignation of Collateral Agent.*** The Collateral Agent may at any time give notice of its resignation as Collateral Agent under this Agreement and the other First Lien Security Documents to each Authorized Representative and the Borrower. Upon receipt of any such notice of resignation, the Applicable Authorized Representative shall have the right (subject, unless an Event of Default relating to the commencement of an Insolvency or Liquidation Proceeding has occurred and is continuing, to the consent of the Borrower (not to be unreasonably withheld or delayed)), to appoint a successor, which shall be a bank or trust company with an office in the United States, or an Affiliate of any such bank or trust company with an office in the United States. If no such successor shall have been so appointed by the Applicable Authorized Representative and shall have accepted such appointment within 30 days after the retiring Collateral Agent gives notice of its resignation, then the retiring Collateral Agent may, on behalf of the First Lien Secured Parties, appoint a successor Collateral Agent meeting the qualifications set forth above; provided that if the Collateral Agent shall notify the Borrower and each Authorized Representative that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Collateral Agent shall be discharged from its duties and obligations hereunder and under the other First Lien Security Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the First Lien Secured Parties under any of the First Lien Security Documents, the retiring Collateral Agent shall continue to hold such collateral security solely for purposes of maintaining the perfection of the security interests of the First Lien Secured Parties therein until such time as a successor Collateral Agent is appointed but with no obligation to take any further action at the request of the Applicable Authorized Representative, any other First Lien Secured Parties or any Grantor) and (b) all payments, communications and determinations provided to be made by, to or through the Collateral Agent shall instead be made by or to each Authorized Representative directly, until such time as the Applicable Authorized Representative appoints a successor Collateral Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Collateral Agent hereunder and under the First Lien Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Collateral Agent, and the retiring Collateral Agent shall be discharged from all of its duties and obligations hereunder and under the other First Lien Security Documents (if not

already discharged therefrom as provided above in this Section). After the retiring Collateral Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article, Section 8.07 and Section 9.05 of the Credit Agreement (or, in each case, the Equivalent Provision thereof) and the equivalent provision of any Other First Lien Agreement shall continue in effect for the benefit of such retiring Collateral Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Collateral Agent was acting as Collateral Agent. Upon any notice of resignation of the Collateral Agent hereunder and under the other First Lien Security Documents, the Borrower agrees to use commercially reasonable efforts to transfer (and maintain the validity and priority of) the Liens in favor of the retiring Collateral Agent under the First Lien Security Documents to the successor Collateral Agent as promptly as practicable.

SECTION 4.07 ***Non-Reliance on Collateral Agent and Other First Lien Secured Parties***. Each First Lien Secured Party acknowledges that it has, independently and without reliance upon the Collateral Agent, any Authorized Representative or any other First Lien Secured Party or any of their Affiliates and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and the other Secured Credit Documents. Each First Lien Secured Party also acknowledges that it will, independently and without reliance upon the Collateral Agent, any Authorized Representative or any other First Lien Secured Party or any of their Affiliates and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Secured Credit Document or any related agreement or any document furnished hereunder or thereunder.

SECTION 4.08 ***Collateral and Guaranty Matters***. Each of the First Lien Secured Parties irrevocably authorizes the Collateral Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Collateral Agent under any First Lien Security Document in accordance with Section 2.04 or upon receipt of a written request from the Borrower stating that the release of such Lien is not prohibited by the terms of each applicable Secured Credit Document, on which the Collateral Agent may conclusively rely;

(b) to release any Grantor from its obligations under the First Lien Security Documents upon receipt of a written request from the Borrower stating that such release is not prohibited by the terms of each applicable Secured Credit Document, on which the Collateral Agent may conclusively rely.

As agreed to in writing among the Collateral Agent and each Authorized Representative from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable person provided from time to time by such person.

SECTION 5.02 ***Waivers; Amendment; Joinder Agreements.***

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Authorized Representative, the Collateral Agent and the Borrower. Notwithstanding anything in this Section 5.02(b) to the contrary, this Agreement may be amended from time to time at the request of the Borrower and without the consent of any Authorized Representative, the Collateral Agent or any First Lien Secured Party to add other parties holding Other First Lien Obligations (or any agent or trustee therefor) to the extent such obligations are not prohibited by any Secured Credit Document. Each party to this Agreement agrees that at the request of the Borrower, without the consent of any First Lien Secured Party, each of the Authorized Representatives shall execute and deliver an acknowledgment and confirmation of such modifications and/or enter into an amendment, a restatement, an amendment and restatement or a supplement of this Agreement to facilitate such modifications (it being understood that such actions shall not be required for the effectiveness of any such modifications).

(c) Notwithstanding the foregoing, without the consent of any First Lien Secured Party, any Authorized Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 7.23 of the Security Agreement (or the Equivalent Provision thereof) and upon such execution and delivery, such Authorized Representative and the Other First Lien Secured Parties and Other First Lien Obligations of the Series for which such Authorized Representative is acting shall be subject to the terms hereof and the terms of the other First Lien Security Documents applicable thereto.

SECTION 5.03 ***Parties in Interest.*** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other First Lien Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

SECTION 5.04 ***Survival of Agreement.*** All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 5.05 ***Counterparts.*** This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile transmission or via electronic mail shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 5.06 ***Severability.*** Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.07 ***Governing Law.*** THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

SECTION 5.08 ***Submission to Jurisdiction; Waivers.*** The Collateral Agent and each Authorized Representative, on behalf of itself and the First Lien Secured Parties of the Series for whom it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the First Lien Security Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the state and federal courts located in New York City and appellate courts from any thereof and waives any objection to any action instituted hereunder in any such court based on forum non conveniens, and any objection to the venue of any action instituted hereunder in any such court;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Authorized Representative) at the address referred to in Section 5.01;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any First Lien Secured Party) to effect service of process in any other manner permitted by law; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 5.08 any special, exemplary, punitive or consequential damages.

SECTION 5.09 ***WAIVER OF JURY TRIAL.*** EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.09.

SECTION 5.10 ***Headings.*** Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 5.11 ***Conflicts.*** In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the other Secured Credit Documents or First Lien Security Documents, the provisions of this Agreement shall control.

SECTION 5.12 ***Provisions Solely to Define Relative Rights.*** The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the First Lien Secured Parties in relation to one another. None of the Borrower, any other Grantor or any

other creditor thereof shall have any obligations hereunder, except as expressly provided in this Agreement (provided that nothing in this Agreement (other than Sections 2.04, 2.05, 2.08, 2.09, 5.02(c), 5.11 and 5.12) is intended to or will amend, waive or otherwise modify the provisions of the Credit Agreement or any Other First Lien Agreements and the Borrower and the other Grantors may rely on such provisions). Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the First Lien Obligations as and when the same shall become due and payable in accordance with their terms.

SECTION 5.13 ***Integration.*** This Agreement together with the other Secured Credit Documents and the First Lien Security Documents represents the agreement of each of the Grantors and the First Lien Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, the Collateral Agent, or any other First Lien Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Credit Documents or the First Lien Security Documents.

SECTION 5.14 ***Junior Lien Intercreditor Agreements.*** The Collateral Agent, the Administrative Agent, the Initial Other Authorized Representative and each other Authorized Representative hereby appoint the Collateral Agent to act as agent on their behalf pursuant to and in connection with the execution of any intercreditor agreements governing any Liens on the Shared Collateral junior to Liens securing the First Lien Obligations that are incurred on or following the date hereof in compliance with the Secured Credit Documents. The Collateral Agent, solely in such capacity under any such intercreditor agreements, shall take direction from the Applicable Authorized Representative with respect to the Shared Collateral.

law or the Second Priority Documents or the Senior Lender Documents, (iii) whether any First Lien Agent, either directly or through agents, holds possession of, or has control over, all or any part of the Common Collateral, (iv) the fact that any such Liens may be subordinated, voided, avoided, invalidated or lapsed or (v) any other circumstance of any kind or nature whatsoever, each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, hereby agrees that: (a) any Lien on the Common Collateral securing any Senior Lender Claims now or hereafter held by or on behalf of any First Lien Agent or any Senior Lenders or any agent or trustee therefor regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall have priority over and be senior in all respects and prior to any Lien on the Common Collateral securing any Second Priority Claims and (b) any Lien on the Common Collateral securing any Second Priority Claims now or hereafter held by or on behalf of any Second Priority Agent or any Second Priority Secured Parties or any agent or trustee therefor regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Common Collateral securing any Senior Lender Claims. All Liens on the Common Collateral securing any Senior Lender Claims shall be and remain senior in all respects and prior to all Liens on the Common Collateral securing any Second Priority Claims for all purposes, whether or not such Liens securing any Senior Lender Claims are subordinated to any Lien securing any other obligation of the Borrower, any other Grantor or any other Person.

**2.2 Prohibition on Contesting Liens.** Each Second Priority Agent, for itself and on behalf of each applicable Second Priority Secured Party, and each First Lien Agent, for itself and on behalf of each Senior Lender in respect of which it serves as First Lien Agent, agrees that it shall not (and hereby waives any right to) take any action to challenge, contest or support any other Person in contesting or challenging, directly or indirectly, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, perfection, priority or enforceability of (a) a Lien securing any Senior Lender Claims held (or purported to be held) by or on behalf of any First Lien Agent or any of the Senior Lenders or any agent or trustee therefor in any Senior Lender Collateral or (b) a Lien securing any Second Priority Claims held (or purported to be held) by or on behalf of any Second Priority Secured Party in the Common Collateral, as the case may be; provided, however, that nothing in this Agreement shall be construed to prevent or impair the rights of any First Lien Agent or any Senior Lender to enforce this Agreement (including the priority of the Liens securing the Senior Lender Claims as provided in Section 2.1) or any of the Senior Lender Documents.

**2.3 No New Liens.** So long as the Discharge of Senior Lender Claims has not occurred and subject to Section 6, each Second Priority Agent agrees, for itself and on behalf of each applicable Second Priority Secured Party, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Borrower or any other Grantor, that it shall not acquire or hold any Lien on any assets of the Borrower or any other Grantor securing any Second Priority Claims that are not also subject to the first-priority Lien in respect of the Senior Lender Claims under the Senior Lender Documents; provided that the foregoing shall not apply to any Regulation S-X Excluded Collateral (as defined in the Senior Collateral Agreement as in effect on the date hereof) to the extent any Series of Senior Lender Claims is not given a Lien thereon pursuant to the applicable Senior Lender Documents. If any Second Priority Agent or any Second Priority Secured Party shall (nonetheless and in breach hereof) acquire or hold any Lien on any collateral (other than any Regulation S-X Excluded Collateral) that is not also

subject to the first-priority Lien in respect of the Senior Lender Claims under the Senior Lender Documents, then such Second Priority Agent shall, without the need for any further consent of any party and notwithstanding anything to the contrary in any other document, be deemed to also hold and have held such lien for the benefit of the First Lien Agents as security for the Senior Lender Claims (subject to the lien priority and other terms hereof) and shall promptly notify each First Lien Agent in writing of the existence of such Lien and in any event take such actions as may be requested by any First Lien Agent to assign such Liens to the First Lien Agents (and/or their designees) as security for the applicable Senior Lender Claims or release such Liens. To the extent that the provisions of the immediately preceding sentence are not complied with for any reason, without limiting any other right or remedy available to any First Lien Agent or any other Senior Lender, each Second Priority Agent agrees, for itself and on behalf of the other Second Priority Secured Parties, that any amounts received by or distributed to any Second Priority Secured Party pursuant to or as a result of any Lien granted in contravention of this Section 2.3 shall be subject to Section 4.1 and Section 4.2. This Section 2.3 shall not be violated with respect to any Senior Lender Claims if the applicable First Lien Agent is given a reasonable opportunity to accept a Lien on any asset or property and either a Grantor or the applicable First Lien Agent states in writing that the applicable Senior Lender Documents prohibit such First Lien Agent from accepting a Lien on such asset or property, or such First Lien Agent otherwise expressly declines to accept a Lien on such asset or property.

**2.4 Perfection of Liens.** Neither the First Lien Agents nor the Senior Lenders shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Common Collateral for the benefit of the Second Priority Agents and the Second Priority Secured Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the Senior Lenders and the Second Priority Secured Parties and shall not impose on the First Lien Agents, the Second Priority Agents, the Second Priority Secured Parties or the Senior Lenders or any agent or trustee therefor any obligations in respect of the disposition of proceeds of any Common Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

**2.5 Waiver of Marshalling.** Until the Discharge of Senior Lender Claims, each Second Priority Agent, on behalf of itself and the applicable Second Priority Secured Parties, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the Common Collateral or any other similar rights a junior secured creditor may have under applicable law.

**2.6 Nature Of Senior Lender Claims.** Each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, acknowledges that (a) a portion of the Senior Lender Claims is revolving in nature and that the amount thereof that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed, (b) the terms of the Senior Lender Documents and the Senior Lender Claims may be amended, restated, amended and restated, supplemented or otherwise modified, and the Senior Lender Claims, or a portion thereof, may be Refinanced from time to time and (c) the aggregate amount of the Senior Lender Claims may be increased, in each case, without notice to or consent

by the Second Priority Agents or the Second Priority Secured Parties and without affecting the provisions hereof, except as otherwise expressly set forth herein. The Lien priorities provided for in Section 2.1 shall not be altered or otherwise affected by any amendment, restatement, amendment and restatement, supplement or other modification, or any Refinancing, of either the Senior Lender Claims or the Second Priority Claims, or any portion thereof. As between the Borrower and the other Grantors and the Second Priority Secured Parties, the foregoing provisions will not limit or otherwise affect the obligations of the Borrower and the other Grantors contained in any Second Priority Document with respect to the incurrence of additional Senior Lender Claims.

2.7 Certain Cash Collateral. Notwithstanding anything in this Agreement or any other Senior Lender Documents or Second Priority Documents to the contrary, collateral consisting of cash and deposit account balances pledged to secure Senior Lender Claims consisting of reimbursement obligations in respect of letters of credit or otherwise held by any First Lien Agent pursuant to Section 2.05 of the Credit Agreement shall be applied as specified in the Credit Agreement and will not constitute Common Collateral.

Priority Secured Parties represented by it may exercise any or all such rights after the passage of a period of 180 days from the occurrence of both (i) an Event of Default (under and as defined in the applicable Second Priority Documents) and (ii) the date of delivery of a notice in writing to each First Lien Agent of such Second Priority Agent's or Second Priority Secured Party's intention to exercise its right to take such actions which notice shall specify that an "Event of Default" as defined in the applicable Second Priority Documents has occurred and as a result of such "Event of Default", the principal and interest under such Second Priority Documents have become due and payable (the "**Second Priority Standstill Period**") unless (i) a First Lien Agent has commenced and is diligently pursuing remedies with respect to any material portion of the Common Collateral (or such attempt is stayed by an Insolvency or Liquidation Proceeding), (ii) the Grantor that has granted a security interest in such Common Collateral is then a debtor under or with respect to (or otherwise subject to) any Insolvency or Liquidation Proceeding or (iii) the acceleration of the applicable Second Priority Claims is rescinded in accordance with the terms of the applicable Second Priority Documents and (B) (1) in any Insolvency or Liquidation Proceeding commenced by or against the Borrower or any other Grantor, each Second Priority Agent may file a proof of claim or statement of interest with respect to the applicable Second Priority Claims, (2) each Second Priority Agent may take any action (not adverse to the Liens on the Common Collateral securing the Senior Lender Claims, or the rights of either First Lien Agent or the Senior Lenders to exercise remedies in respect thereof) as necessary in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Common Collateral, (3) in any Insolvency or Liquidation Proceeding commenced by or against the Borrower or any other Grantor, each Second Priority Agent may file any necessary or responsive pleadings in opposition to any motion, adversary proceeding or other pleading filed by any Person objecting to or otherwise seeking disallowance of the claim or Lien of such Second Priority Agent or Second Priority Secured Party, (4) each Second Priority Agent may file any pleadings, objections, motions, or agreements which assert rights available to unsecured creditors of the Borrower or any other Grantor arising under any Insolvency or Liquidation Proceeding or applicable non-bankruptcy law and (5) each Second Priority Agent and each Second Priority Secured Party may vote on any plan of reorganization in any Insolvency or Liquidation Proceeding of the Borrower or any other Grantor, in each case (B) (1) through (5) above to the extent such action is not inconsistent with, or could not result in a resolution inconsistent with, the terms of this Agreement. In exercising rights and remedies with respect to the Senior Lender Collateral, each First Lien Agent and the Senior Lenders may enforce the provisions of the Senior Lender Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Common Collateral upon foreclosure, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured lender under the uniform commercial code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) So long as the Discharge of Senior Lender Claims has not occurred, each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, agrees that, except as expressly provided in the proviso to the first sentence of Section 3.1(a), it will not take or receive any Common Collateral or any proceeds of Common Collateral in connection with the exercise of any right or remedy (including setoff or recoupment) with respect to any Common Collateral in respect of the applicable Second Priority Claims. Without limiting the generality of

the foregoing, unless and until the Discharge of Senior Lender Claims has occurred, except as expressly provided in the proviso in clause (ii) of Section 3.1(a), the sole right of the Second Priority Agents and the Second Priority Secured Parties with respect to the Common Collateral is to hold a Lien on the Common Collateral in respect of the applicable Second Priority Claims pursuant to the Second Priority Documents, as applicable, for the period and to the extent granted therein and to receive a share of the proceeds thereof, if any, after the Discharge of Senior Lender Claims has occurred.

(c) Subject to the proviso in clause (ii) of Section 3.1(a) above, (i) each Second Priority Agent, for itself and on behalf of each applicable Second Priority Secured Party, agrees that no Second Priority Agent or other Second Priority Secured Party will take any action that would hinder any exercise of remedies undertaken by any First Lien Agent or Senior Lenders with respect to the Common Collateral under the Senior Lender Documents, including any sale, lease, exchange, transfer or other disposition of the Common Collateral, whether by foreclosure or otherwise, (ii) each Second Priority Agent, for itself and on behalf of each applicable Second Priority Secured Party, hereby waives any and all rights it or any Second Priority Secured Party may have as a junior lien creditor or otherwise to object to the manner in which any First Lien Agent or Senior Lenders seek to enforce or collect the Senior Lender Claims or the Liens granted in any of the Senior Lender Collateral, regardless of whether any action or failure to act by or on behalf of any First Lien Agent or Senior Lenders is adverse to the interests of the Second Priority Secured Parties, and (iii) each Second Priority Agent, for itself and on behalf of each applicable Second Priority Secured Party, hereby acknowledges that any Senior Lender may direct the First Priority Designated Agent to take actions to enforce rights or exercise remedies (v) in any manner in its sole discretion in compliance with applicable law, (w) without consultation with or the consent of any Second Priority Secured Parties, (x) regardless of whether or not an Insolvency or Liquidation Proceeding has commenced, (y) regardless of any provision of any Second Priority Documents (other than this Agreement) and (z) regardless of whether or not such exercise is adverse to the interest of any Second Priority Secured Parties.

(d) Each Second Priority Agent hereby acknowledges and agrees that no covenant, agreement or restriction contained in any applicable Second Priority Document shall be deemed to restrict in any way the rights and remedies of any First Lien Agent or Senior Lenders with respect to the Senior Lender Collateral as set forth in this Agreement and the Senior Lender Documents.

**3.2 Cooperation.** Subject to the proviso in clause (ii) of Section 3.1(a), each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, agrees that, unless and until the Discharge of Senior Lender Claims has occurred, it will not commence, or join with any Person (other than the Senior Lenders and any First Lien Agent upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Common Collateral under any of the applicable Second Priority Documents or otherwise in respect of the applicable Second Priority Claims relating to the Common Collateral.

3.3 Actions Upon Breach. If any Second Priority Secured Party, in contravention of the terms of this Agreement, in any way takes, attempts to or threatens to take any action with respect to the Common Collateral (including, without limitation, any attempt to realize upon or enforce any remedy with respect to this Agreement), this Agreement shall create an irrebuttable presumption and admission by such Second Priority Secured Party that relief against such Second Priority Secured Party by injunction, specific performance and/or other appropriate equitable relief is necessary to prevent irreparable harm to the Senior Lenders and the Grantors, it being understood and agreed by each Second Priority Agent on behalf of each applicable Second Priority Secured Party that (i) the Senior Lenders' and the Grantors' damages from its actions may at that time be difficult to ascertain and may be irreparable, and (ii) each Second Priority Secured Party irrevocably waives any defense that the Grantors and/or the Senior Lenders cannot demonstrate damage and/or can be made whole by the awarding of damages, any defense based on the adequacy of a remedy at law, and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by any First Lien Agent, any other Senior Lender or any Grantor.

So long as the Discharge of Senior Lender Claims has not occurred and regardless of whether an Insolvency or Liquidation Proceeding has been commenced, (x) the Common Collateral or proceeds thereof received in connection with the sale or other disposition of, or collection on, such Common Collateral upon the exercise of remedies as a secured party (including setoff or recoupment) and (y) any recoveries or distributions received on account of any Common Collateral after the commencement of an Insolvency or Liquidation Proceeding, shall be applied by the First Lien Agents to the Senior Lender Claims in such order as specified in the relevant Senior Lender Documents until the Discharge of Senior Lender Claims has occurred. Upon the Discharge of Senior Lender Claims, subject to Section 5.7 hereof, each of the First Lien Agents shall deliver promptly to the Second Priority Designated Agent any Common Collateral or proceeds thereof held by it in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct to be applied by the Second Priority Designated Agent to the Second Priority Claims in such order as specified in the Second Priority Documents.

4.2 Payments Over. So long as the Discharge of Senior Lender Claims has not occurred and regardless of whether an Insolvency or Liquidation Proceeding has been commenced, (x) any Common Collateral or proceeds thereof received by any Second Priority Agent or any Second Priority Secured Party in connection with the sale or other disposition of, or collection on, such Common Collateral upon the exercise of remedies as a secured party (including setoff or recoupment) and (y) any recoveries or distributions received on account of any Common Collateral after the commencement of an Insolvency or Liquidation Proceeding, shall be segregated and held for the benefit of and forthwith paid over to the First Priority Designated Agent (and/or its designees) for the benefit of the Senior Lenders in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct. The First Lien Agents are each hereby individually authorized to make any such endorsements as agent for any Second Priority Agent or any such Second Priority Secured Party. This authorization is coupled with an interest and is irrevocable.

or

(B) otherwise released as permitted by the Credit Agreement and the Other First Priority Lien Obligations Credit Documents,

then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the Second Priority Secured Parties upon such Common Collateral will automatically be released and discharged as and when, but only to the extent, such Liens on such Common Collateral securing Senior Lender Claims are released and discharged. Upon delivery to each Second Priority Agent of a notice from any First Lien Agent or the Borrower stating that any release of Liens securing or supporting the Senior Lender Claims has become effective (or shall become effective upon each Second Priority Agent's release) (whether in connection with a sale of such assets by the relevant Grantor pursuant to the preceding sentence or otherwise), each Second Priority Agent will promptly execute and deliver such instruments, releases, termination statements or other documents confirming such release on customary terms. In the case of the sale of all or substantially all of the equity interests of a Grantor or any of its Subsidiaries, the guarantee in favor of the Second Priority Secured Parties, if any, made by such Grantor or Subsidiary will automatically be released and discharged as and when, but only to the extent, the guarantee by such Grantor or Subsidiary of Senior Lender Claims is released and discharged.

(b) Each Second Priority Agent, for itself and on behalf of each applicable Second Priority Secured Party, hereby irrevocably constitutes and appoints each First Lien Agent and any officer or agent of such First Lien Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of each Second Priority Agent or such holder or in such First Lien Agent's own name, from time to time in such First Lien Agent's discretion, for the purpose of carrying out the terms of this Section 5.1, to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of this Section 5.1, including any termination statements, endorsements or other instruments of transfer or release.

(c) Unless and until the Discharge of Senior Lender Claims has occurred, each Second Priority Agent, for itself and on behalf of each applicable Second Priority Secured Party, hereby consents to the application, whether prior to or after a default, of proceeds of Common Collateral to the repayment of Senior Lender Claims pursuant to the Senior Lender Documents; provided that nothing in this Section 5.1(c) shall be construed to prevent or impair the rights of the Second Priority Agents or the Second Priority Secured Parties to receive proceeds in connection with the Second Priority Claims not otherwise in contravention of this Agreement.

5.2 Insurance. Unless and until the Discharge of Senior Lender Claims has occurred, each First Lien Agent and the Senior Lenders shall have the sole and exclusive right, subject to the rights of the Grantors under the Senior Lender Documents, to adjust settlement for any insurance policy covering the Common Collateral in respect of the Second Priority Claims in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Common Collateral. Subject to the rights of the Grantors under the Senior Lender Documents and the Second Priority Documents, unless and until the Discharge of Senior Lender Claims has occurred, all proceeds of any such policy and any such award if in respect of the Common Collateral shall be paid (a) first, prior to the occurrence of the Discharge of Senior Lender Claims, to the First Lien Agents for the benefit of Senior Lenders pursuant to the terms of the Senior Lender Documents, (b) second, after the occurrence of the Discharge of Senior Lender Claims, to the Second Priority Agents for the benefit of the Second Priority Secured Parties pursuant to the terms of the applicable Second Priority Documents and (c) third, if no Second Priority Claims are outstanding, to the owner of the subject property, such other person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Second Priority Agent or any Second Priority Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to any First Lien Agent in accordance with the terms of Section 4.2.

5.3 Amendments to Second Priority Collateral Documents and Senior Collateral Documents.

(a) So long as the Discharge of Senior Lender Claims has not occurred, without the prior written consent of the First Lien Agents, no Second Priority Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second Priority Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. So long as any Second Priority Claims remain outstanding, without the prior written consent of the Second Priority Agents, no Senior Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Senior Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. Each Second Priority Agent agrees that each applicable Second Priority Collateral Document executed as of the date hereof shall include the following language (or language to similar effect approved by the First Priority Designated Agent):

“Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the [insert the relevant Second Priority Agent] for the benefit of the [Secured Parties] pursuant to this agreement are expressly subject and subordinate to the liens and security interests granted to Credit Suisse AG, Cayman Islands Branch, as collateral agent (and its

successors and permitted assigns), for the benefit of the secured parties referred to below, pursuant to the Collateral Agreement dated as of October 6, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified, refinanced or replaced from time to time), among the [Borrower], the other “Pledgors” referred to therein and Credit Suisse AG, Cayman Islands Branch, as collateral agent for the benefit of the secured parties referred to therein and other Senior Collateral Documents (as defined in the Second Lien Intercreditor Agreement (defined below)) and to the liens and security interests granted to any Other First Priority Lien Obligations Agent pursuant to any Other First Priority Lien Obligations Security Document (as amended, restated, amended and restated, supplemented or otherwise modified, refinanced or replaced from time to time), and (ii) the exercise of any right or remedy by the [insert the relevant Second Priority Agent] hereunder is subject to the limitations and provisions of the Second Lien Intercreditor Agreement dated as of [\_\_\_\_\_] (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Second Lien Intercreditor Agreement**”), by and among Credit Suisse AG, Cayman Islands Branch in its capacity as Credit Agreement Agent, [\_\_\_\_\_] in its capacity as Initial Second Priority Agent and each other party thereto from time to time. In the event of any conflict between the terms of the Second Lien Intercreditor Agreement and the terms of this agreement, the terms of the Second Lien Intercreditor Agreement shall govern.”

(b) In the event that the First Lien Agents or the Senior Lenders enter into any amendment, waiver or consent in respect of or replace any Senior Collateral Document for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Collateral Document or changing in any manner the rights of the First Lien Agents, the Senior Lenders, the Borrower or any other Grantor thereunder (including the release of any Liens in Senior Lender Collateral), then such amendment, waiver or consent shall apply automatically to any comparable provision of each Comparable Second Priority Collateral Document without the consent of any Second Priority Agent or any Second Priority Secured Party and without any action by any Second Priority Agent or any Second Priority Secured Party; provided, that no such amendment, waiver or consent shall have the effect of (i) removing assets subject to the Lien of the Second Priority Collateral Documents, except to the extent that a release of such Lien is permitted by Section 5.1 and provided that there is a corresponding release of the Liens securing the Senior Lender Claims on such removed assets, (ii) imposing duties on any Second Priority Agent without its consent, (iii) permitting other Liens on the Common Collateral not permitted under the terms of the Second Priority Documents or Section 6 or (iv) materially adversely affecting the rights of the Second Priority Secured Parties or the interests of the Second Priority Secured Parties in the Second Priority Collateral and not the other creditors of the Borrower or the other applicable Grantor, as the case may be, that have a security interest in the affected collateral in a like or similar manner (without regard to the fact that the Lien of such Senior Collateral Document is senior to the Lien of the Comparable Second Priority Collateral Document). The relevant First Lien Agent shall give written notice of such amendment, waiver or consent to each Second Priority Agent within ten (10) days after the effective date of such amendment, waiver or consent; provided that the failure to give such notice shall not affect the effectiveness of such amendment, waiver or consent with respect to the provisions of any Second Priority Collateral Document as set forth in this Section 5.3(b).

5.4 Rights As Unsecured Creditors. The Second Priority Agents and the Second Priority Secured Parties may exercise rights and remedies as an unsecured creditor against the Borrower or any Grantor in accordance with the terms of the applicable Second Priority Documents and applicable law, in each case to the extent not inconsistent with the provisions of this Agreement. Nothing in this Agreement shall prohibit the receipt by any Second Priority Agent or any Second Priority Secured Party of the required payments of interest and principal so long as such receipt is not the direct or indirect result of (a) the exercise by any Second Priority Agent or any Second Priority Secured Party of rights or remedies as a secured creditor in respect of Common Collateral or (b) enforcement in contravention of this Agreement of any Lien on Common Collateral in respect of Second Priority Claims held by any of them. In the event any Second Priority Agent or any Second Priority Secured Party becomes a judgment lien creditor or other secured creditor in respect of Common Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second Priority Claims or otherwise, such judgment or other lien shall be subordinated to the Liens securing Senior Lender Claims on the same basis as the other Liens securing the Second Priority Claims are so subordinated to such Liens securing Senior Lender Claims under this Agreement. Nothing in this Agreement impairs or otherwise adversely affects any rights or remedies the First Lien Agents or the Senior Lenders may have with respect to the Senior Lender Collateral.

5.5 First Lien Agents as Gratuitous Bailees for Perfection.

(a) Each First Lien Agent agrees to hold the Pledged Collateral that is part of the Common Collateral that is in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee and/or gratuitous agent for each Second Priority Agent and any assignee solely for the purpose of perfecting the security interest granted in such Pledged Collateral pursuant to the Second Priority Collateral Agreements, subject to the terms and conditions of this Section 5.5 (such bailment being intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2) and 9-313(c) of the UCC).

(b) In the event that any First Lien Agent (or its agent or bailees) has Lien filings against Intellectual Property (as defined in the Senior Collateral Agreement) that is part of the Common Collateral that are necessary for the perfection of Liens in such Common Collateral, such First Lien Agent agrees to hold such Liens as gratuitous bailee and/or gratuitous agent for each Second Priority Agent and any assignee solely for the purpose of perfecting the security interest granted in such Liens pursuant to the Second Priority Collateral Agreements, subject to the terms and conditions of this Section 5.5.

(c) Except as otherwise specifically provided herein (including Sections 3.1 and 4.1), until the Discharge of Senior Lender Claims has occurred, any First Lien Agent shall be entitled to deal with the Pledged Collateral in accordance with the terms of the Senior Lender Documents as if the Liens under the Second Priority Collateral Documents did not exist. The rights of the Second Priority Agents and the Second Priority Secured Parties with respect to such Pledged Collateral shall at all times be subject to the terms of this Agreement.

(d) The First Lien Agents shall have no obligation whatsoever to any Second Priority Agent or any Second Priority Secured Party to assure that the Pledged Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Common Collateral except as expressly set forth in this Section 5.5. The duties or responsibilities of the First Lien Agents under this Section 5.5 shall be limited solely to holding the Pledged Collateral as gratuitous bailee and/or gratuitous agent for each Second Priority Agent for purposes of perfecting the Lien held by the Second Priority Secured Parties.

(e) The First Lien Agents shall not have by reason of the Second Priority Collateral Documents or this Agreement or any other document a fiduciary relationship in respect of any Second Priority Agent or any Second Priority Secured Party and the Second Priority Agents and the Second Priority Secured Parties hereby waive and release the First Lien Agents from all claims and liabilities arising pursuant to the First Lien Agents' role under this Section 5.5, as agent and gratuitous bailee and/or gratuitous agent with respect to the Common Collateral.

(f) Upon the Discharge of Senior Lender Claims, the relevant First Lien Agent shall deliver to the Second Priority Designated Agent, to the extent that it is legally permitted to do so, the remaining Pledged Collateral (if any) and to the extent such Pledged Collateral is in the possession or control of such First Lien Agent (or its agents or bailees) together with any necessary endorsements (or otherwise allow the Second Priority Designated Agent to obtain control of such Pledged Collateral) or as a court of competent jurisdiction may otherwise direct.

(g) The Borrower shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify the First Priority Designated Agent for any loss or damage suffered by the First Priority Designated Agent as a result of such transfer except for any loss or damage suffered by the First Priority Designated Agent as a result of its own willful misconduct, gross negligence or bad faith as determined by a final non-appealable judgment of a court of competent jurisdiction. The First Priority Designated Agent has no obligation to follow instructions from any Second Priority Agent in contravention of this Agreement.

(h) Neither the First Lien Agents nor the Senior Lenders shall be required to marshal any present or future collateral security for the Borrower's or its Subsidiaries' obligations to the First Lien Agents or the Senior Lenders under the Credit Agreement or the Senior Collateral Documents or any assurance of payment in respect thereof or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

#### 5.6 Second Priority Designated Agent as Gratuitous Bailee for Perfection.

(a) Upon the Discharge of Senior Lender Claims, the Second Priority Designated Agent agrees to hold the Pledged Collateral that is part of the Common Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee and/or gratuitous agent for the other Second Priority Agents and any assignee solely for the purpose of perfecting the security interest granted in such Pledged Collateral pursuant to the applicable Second Priority Collateral Agreement, subject to the terms and conditions of this Section 5.6.

(b) In the event that the Second Priority Designated Agent (or its agent or bailees) has Lien filings against Intellectual Property (as defined in the Senior Collateral Agreement) that is part of the Common Collateral that are necessary for the perfection of Liens in such Common Collateral, upon the Discharge of Senior Lender Claims, the Second Priority Designated Agent agrees to hold such Liens as gratuitous bailee and/or gratuitous agent for the other Second Priority Agents and any assignee solely for the purpose of perfecting the security interest granted in such Liens pursuant to the applicable Second Priority Collateral Agreement, subject to the terms and conditions of this Section 5.6.

(c) The Second Priority Designated Agent, in its capacity as gratuitous bailee, shall have no obligation whatsoever to the other Second Priority Agents or the First Lien Agent to assure that the Pledged Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Common Collateral except as expressly set forth in this Section 5.6. The duties or responsibilities of the Second Priority Designated Agent under this Section 5.6 upon the Discharge of Senior Lender Claims shall be limited solely to holding the Pledged Collateral as gratuitous bailee and/or gratuitous agent for the other Second Priority Agents for purposes of perfecting the Lien held by the applicable Second Priority Secured Parties.

(d) The Second Priority Designated Agent shall not have by reason of the Second Priority Collateral Documents or this Agreement or any other document a fiduciary relationship in respect of the other Second Priority Agents (or the Second Priority Secured Parties for which such other Second Priority Agents are agents) and the other Second Priority Agents hereby waive and release the Second Priority Designated Agent from all claims and liabilities arising pursuant to the Second Priority Designated Agent's role under this Section 5.6, as agent and gratuitous bailee and/or gratuitous agent with respect to the Common Collateral.

(e) In the event that the Second Priority Designated Agent shall cease to be so designated the Second Priority Designated Agent pursuant to the definition of such term, the then Second Priority Designated Agent shall deliver to the successor Second Priority Designated Agent, to the extent that it is legally permitted to do so, the remaining Pledged Collateral (if any), together with any necessary endorsements (or otherwise allow the successor Second Priority Designated Agent to obtain control of such Pledged Collateral) or as a court of competent jurisdiction may otherwise direct, and such successor Second Priority Designated Agent shall perform all duties of the Second Priority Designated Agent as set forth herein.

5.7 No Release If Event of Default; Reinstatement; When Discharge of Senior Lender Claims Deemed to Not Have Occurred.

(a) Notwithstanding any other provisions contained in this Agreement, if an Event of Default (as defined in the Initial Second Priority Agreement or any other Second Priority Document, as applicable) exists on the date of Discharge of Senior Lender Claims, the Second Priority Liens on the Second Priority Collateral securing the Second Priority Claims relating to such Event of Default will not be released, except to the extent such Second Priority Collateral or any portion thereof was disposed of in order to repay Senior Lender Claims secured by such Second Priority Collateral, and thereafter the applicable Second Priority Agent will have the right to foreclose upon such Second Priority Collateral (but in such event, the Liens on such Second Priority Collateral securing the applicable Second Priority Claims will be released when such Event of Default and all other Events of Default under the Initial Second Priority Agreement or any other Second Priority Document, as applicable, cease to exist).

(b) If, at any time substantially concurrently with or after the Discharge of Senior Lender Claims has occurred, the Borrower incurs and designates or Refinances any Senior Lender Claims, then such Discharge of Senior Lender Claims shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Lender Claims), and the applicable agreement governing such Senior Lender Claims shall automatically be treated as a Senior Lender Document (and, upon designation by the Borrower thereof, the "Credit Agreement" hereunder) for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Common Collateral set forth herein and the granting by the First Lien Agents of amendments, waivers and consents hereunder. Upon receipt of notice of such designation (including the identity of any new First Lien Agent), each Second Priority Agent shall promptly (i) enter into such documents and agreements, including amendments or supplements to this Agreement, as such new First Lien Agent or the Borrower shall reasonably request in writing in order to provide the new First Lien Agent the rights of the First Lien Agents contemplated hereby and (ii) to the extent then held by any Second Priority Agent, deliver to such First Lien Agent the Pledged Collateral that is Common Collateral together with any necessary endorsements (or otherwise allow such First Lien Agent to obtain possession or control of such Pledged Collateral).

#### 5.8 Purchase Right.

(a) Without prejudice to the enforcement of any of the Senior Lenders' remedies under the Senior Lender Documents, this Agreement, at law or in equity or otherwise, the Senior Lenders agree at any time following the earliest to occur of (i) an acceleration of any of the Senior Lender Claims in accordance with the terms of the applicable Senior Lender Documents, (ii) a payment default under any Senior Lender Document that has not been cured or waived by the applicable Senior Lenders within 90 days of the occurrence thereof or (iii) the commencement of any Insolvency or Liquidation Proceeding with respect to any Grantor, the Senior Lenders will offer the Second Priority Secured Parties the option to purchase the entire aggregate amount (but not less than the entirety) of outstanding Senior Lender Claims (including unfunded commitments under any Senior Lender Document that have not been terminated at such time) at the Purchase Price without warranty or representation or recourse except as provided in Section 5.8(d), on a pro rata basis among the Senior Lenders, which offer may be accepted by less than all of the Second Priority Secured Parties so long as all the accepting Second Priority Secured Parties shall when taken together purchase such entire aggregate amount as set forth above.

(b) The "**Purchase Price**" will equal the sum of (1) the full amount of all Senior Lender Claims then-outstanding and unpaid at par (including principal, accrued but unpaid interest and fees and any other unpaid amounts, including breakage costs and, in the case of any secured hedging obligations, the amount that would be payable by the relevant Grantor thereunder if such Grantor were to terminate the hedge agreement in respect thereof on the date of the purchase or, if not terminated, an amount determined by the relevant Senior Lender to be necessary to collateralize its credit risk arising out of such agreement, but excluding any prepayment penalties or premiums), (2) the cash collateral to be furnished to the Senior Lenders providing letters of credit under the Senior Lender Documents in such amount (not to exceed 103% thereof) as such Senior Lenders determine is reasonably necessary to secure such Senior

Lenders in connection with any such outstanding and undrawn letters of credit and (3) all accrued and unpaid fees, expenses and other amounts (including attorneys' fees and expenses) owed to the Senior Lenders under or pursuant to the Senior Lender Documents on the date of purchase.

(c) The Second Priority Secured Parties shall irrevocably accept or reject such offer within ten (10) days of the receipt thereof by the Second Priority Agents and the parties shall endeavor to close promptly thereafter. If the Second Priority Secured Parties (or any subset of them) accept such offer, it shall be exercised pursuant to documentation mutually acceptable to each of the First Lien Agents and the Second Priority Agents. If the Second Priority Secured Parties reject such offer (or do not so irrevocably accept such offer within the required timeframe), the Senior Lenders shall have no further obligations pursuant to this Section 5.8 and may take any further actions in their sole discretion in accordance with the Senior Lender Documents and this Agreement. Each Senior Lender will retain all rights to indemnification provided in the relevant Senior Lender Documents for all claims and other amounts relating to periods prior to the purchase of the Senior Lender Claims pursuant to this Section 5.8.

(d) The purchase and sale of the Senior Lender Claims under this Section 5.8 will be without recourse and without representation or warranty of any kind by the Senior Lenders, except that the Senior Lenders shall severally and not jointly represent and warrant to the Second Priority Secured Parties that on the date of such purchase, immediately before giving effect to the purchase;

(A) the principal of and accrued and unpaid interest on the Senior Lender Claims, and the fees and expenses thereof owed to the respective Senior Lenders, are as stated in any assignment agreement prepared in connection with the purchase and sale of the Senior Lender Claims; and

(B) each Senior Lender owns the Senior Lender Claims purported to be owned by it free and clear of any Liens (other than participation interests not prohibited by the Senior Lender Documents, in which case the Purchase Price will be appropriately adjusted so that the Second Priority Secured Parties do not pay amounts represented by participation interests to the extent that the Second Priority Secured Parties expressly assume the obligations under such participation interests).

#### **Section 6. Insolvency or Liquidation Proceedings.**

6. / Financing Issues. If the Borrower or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and any First Lien Agent or any Senior Lender shall desire to permit the sale, use or lease of cash or other collateral or to provide to the Borrower or any other Grantor, or permit the Borrower or any other Grantor to obtain, financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision in any Bankruptcy Law (such financing, whether or not provided by any First Lien Agent or Senior Lender, a "**DIP Financing**"), then each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, agrees that it will be deemed to have consented to, will raise no objection to, and will not otherwise contest or oppose (or join or support any objection to, contest of or opposition to) (i) such sale, use or lease of cash or other collateral or DIP Financing and will not

request or accept adequate protection or any other relief in connection therewith (except to the extent permitted by Section 6.3) and, to the extent the Liens securing the Senior Lender Claims under the Senior Lender Documents are subordinated or pari passu with such DIP Financing, will subordinate (or be deemed to have subordinated) its Liens in the Common Collateral (and such subordination will not alter in any manner the terms of this Agreement) to (A) such DIP Financing (and all Obligations relating thereto) on the same basis as the other Liens securing the Second Priority Claims are so subordinated to Liens securing Senior Lender Claims under this Agreement, (B) any “carve-out” for professional and United States Trustee fees agreed to by the First Priority Designated Agent or any of the Senior Lenders and (C) any adequate protection provided to any of the First Lien Agents or any of the Senior Lenders in connection therewith; provided, that, in the case of any such DIP Financing, the aggregate principal amount of the DIP Financing plus the aggregate outstanding principal amount of Senior Lender Claims plus the aggregate face amount of any letters of credit issued and outstanding under the Senior Lender Documents does not exceed the DIP Cap Amount, (ii) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Lender Claims made by any First Lien Agent or Senior Lender, (iii) any assertion by any First Lien Agent or Senior Lender of the right to credit bid any Senior Lender Claims, (iv) any other request for judicial relief made in any court by any holder of Senior Lender Claims seeking to enforce any Lien or Senior Lender Collateral or (v) any motion or order relating to a sale of assets of any Grantor for which any First Lien Agent has consented so long as such order provides, to the extent such sale is to be free and clear of Liens, that the Liens securing the Senior Lender Claims and the Second Priority Claims will attach to the proceeds of the sale on the same basis of priority as the Liens securing the Senior Lender Collateral do to the Liens securing the Second Priority Collateral in accordance with this Agreement; provided that the Second Priority Agents and the other Second Priority Secured Parties retain the right to object to any provision in any DIP Financing that (i) requires the sale, liquidation or other disposition of material assets that do not constitute Common Collateral or (ii) requires specific and material terms of a plan of reorganization other than terms for a sale, liquidation or other disposition of Common Collateral and payment in full in cash of such DIP Financing, provided, further, however, that for the avoidance of doubt, plan terms regarding the sale, liquidation or other disposition of non-material assets are not material terms.

6.2 Relief from the Automatic Stay. Until the Discharge of Senior Lender Claims has occurred, each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, agrees that none of them shall seek relief from the automatic stay or from any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of any Common Collateral, without the prior written consent of all First Lien Agents and the Required Lenders under the Senior Lender Documents.

6.3 Adequate Protection. Each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, agrees that none of them shall object to, contest or oppose (or support any other Person objecting to, contesting or opposing) (a) any request by any First Lien Agent or any Senior Lender for adequate protection, (b) any objection by any First Lien Agent or any Senior Lender to any motion, relief, action or proceeding based on a claim of a lack of adequate protection, or (c) the allowance and/or payment of pre- or post-petition interest, fees, expenses or other amounts to any First Lien Agent or any Senior Lender under section 506(b) or 506(c) of the Bankruptcy Code or any similar provision of any other

Bankruptcy Law (as adequate protection or otherwise). Notwithstanding the foregoing, in any Insolvency or Liquidation Proceeding, (i) if the Senior Lenders (or any subset thereof) are granted adequate protection in the form of additional collateral in connection with any DIP Financing or use of cash collateral under Section 363 or Section 364 of the Bankruptcy Code or any similar law, then each Second Priority Agent, on behalf of itself and any applicable Second Priority Secured Party, (A) may seek or request adequate protection in the form of a replacement Lien on such additional collateral, which Lien is subordinated to the Liens securing the Senior Lender Claims and such DIP Financing (and all Obligations relating thereto) on the same basis as the other Liens securing the Second Priority Claims are so subordinated to the Liens securing Senior Lender Claims under this Agreement and (B) agrees that it will not seek or request, and will not accept, adequate protection in any other form, and (ii) in the event any Second Priority Agent, on behalf of itself or any applicable Second Priority Secured Party, seeks or requests adequate protection and such adequate protection is granted in the form of additional collateral, then such Second Priority Agent, on behalf of itself or each such Second Priority Secured Party, agrees that the First Lien Agent shall also be granted a senior Lien on such additional collateral as security for the applicable Senior Lender Claims and any such DIP Financing and that any Lien on such additional collateral securing the Second Priority Claims shall be subordinated to the Liens on such collateral securing the Senior Lender Claims and any such DIP Financing (and all Obligations relating thereto) and any other Liens granted to the Senior Lenders as adequate protection on the same basis as the other Liens securing the Second Priority Claims are so subordinated to such Liens securing Senior Lender Claims under this Agreement.

6.4 Avoidance Issues. If any Senior Lender is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay to the estate of the Borrower or any other Grantor (or any trustee, receiver or similar person therefor) because such amount was avoided or ordered to be turned over, paid or disgorged for any reason, including, without limitation, because it was found to be a fraudulent or preferential transfer or for any other reason, any amount (a "Recovery"), whether received as proceeds of security, enforcement of any right of setoff or otherwise, then the Senior Lender Claims shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Discharge of Senior Lender Claims shall be deemed not to have occurred. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each of the Second Priority Secured Parties agrees that it shall not be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

6.5 Application. This Agreement, which the parties hereto expressly acknowledge is a "subordination agreement" under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or any law in respect of the perfection of a security interest, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. All references herein to the Borrower or any other Grantor shall include the Borrower or any such Grantor as a debtor in possession and any receiver or trustee for such Person and such Person as debtor in possession. The relative rights as to the Common Collateral and proceeds thereof shall continue after the filing thereof on the same basis as prior to the date of the petition (including to the extent modified hereby), subject to any court order approving the financing of, or use of cash collateral by, any Grantor.

6.6 Waivers. Until the Discharge of Senior Lender Claims has occurred, each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, (a) will not assert or enforce any claim under Section 506(c) of the United States Bankruptcy Code senior to or on a parity with the Liens on the Common Collateral securing the Senior Lender Claims for costs or expenses of preserving or disposing of any Common Collateral and (b) waives any claim it may now or hereafter have arising out of (i) any actions which the First Priority Designated Agent (or any of its representatives) takes or omits to take (including actions with respect to the creation, perfection or continuation of Liens on any Common Collateral, actions with respect to the foreclosure upon, disposition, release or depreciation of, or failure to realize upon, any of the Common Collateral and actions with respect to the collection of any claim for all or any part of the Senior Lender Claims from any account debtor, guarantor or any other party) in accordance with any relevant Senior Collateral Documents or any other agreement related thereto, or to the collection of the Senior Lender Claims or the valuation, use, protection or release of any security for the Senior Lender Claims and (ii) the election by any Senior Lender of the application of Section 1111(b)(2) of the Bankruptcy Code.

6.7 Separate Grants Of Security And Separate Classifications. Each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Second Priority Collateral Documents constitute two separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Common Collateral, the Second Priority Claims are fundamentally different from the Senior Lender Claims and must be separately classified in any plan of reorganization or similar dispositive restructuring plan proposed, confirmed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties hereto as provided in the immediately preceding sentence, if it is held that the claims of the Senior Lenders and the Second Priority Secured Parties in respect of the Common Collateral constitute only a single class of claims (rather than separate classes of senior and junior claims), then each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Borrower and each other Grantor in respect of the Common Collateral (with the effect being that, to the extent that the aggregate value of the Common Collateral is sufficient, for this purpose ignoring all claims held by each of the Second Priority Secured Parties), the Senior Lenders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest, fees and expenses and other claims, all amounts owing in respect of post-petition interest, fees and expenses (whether or not allowed or allowable under section 506(b) of the Bankruptcy Code or otherwise in such Insolvency or Liquidation Proceeding) before any distribution is made in respect of the Second Priority Claims, with each Second Priority Secured Party hereby acknowledging and agreeing to turn over to the First Priority Designated Agent amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Secured Parties.

## **Section 7. Reliance; Waivers; etc.**

**7.1 Reliance.** The consent by the Senior Lenders to the execution and delivery of the Second Priority Documents to which the Senior Lenders have consented and all loans and other extensions of credit made or deemed made on and after Closing Date by the Senior Lenders to the Borrower or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, acknowledges that it and the applicable Second Priority Secured Parties are not entitled to rely on any credit decision or other decisions made by any First Lien Agent or any Senior Lender in taking or not taking any action under the applicable Second Priority Document or this Agreement.

**7.2 No Warranties or Liability.** Neither any First Lien Agent nor any Senior Lender shall have been deemed to have made any express or implied representation or warranty upon which the Second Priority Agents or the Second Priority Secured Parties may rely, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the Senior Lender Documents, the ownership of any Common Collateral or the perfection or priority of any Liens thereon. The Senior Lenders will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Lender Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Lenders may manage their loans and extensions of credit without regard to any rights or interests that any Second Priority Agent or any of the Second Priority Secured Parties have in the Common Collateral or otherwise, except as otherwise provided in this Agreement. Neither any First Lien Agent nor any Senior Lender shall have any duty to any Second Priority Agent or any Second Priority Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreements with the Borrower or any Subsidiary thereof (including the Second Priority Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the First Lien Agents, the Senior Lenders, the Second Priority Agents and the Second Priority Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectibility of any of the Second Priority Claims, the Senior Lender Claims or any guarantee or security which may have been granted to any of them in connection therewith, (b) the Borrower's title to or right to transfer any of the Common Collateral or (c) any other matter except as expressly set forth in this Agreement.

**7.3 Obligations Unconditional.** All rights, interests, agreements and obligations of the First Lien Agents and the Senior Lenders, and the Second Priority Agents and the Second Priority Secured Parties, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Senior Lender Documents or any Second Priority Documents;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Lender Claims or Second Priority Claims, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the Credit Agreement or any other Senior Lender Document or of the terms of the Initial Second Priority Agreement or any other Second Priority Document;

(c) any exchange of any security interest in any Common Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Lender Claims or Second Priority Claims or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Borrower or any other Grantor; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, the Borrower or any other Grantor in respect of the Senior Lender Claims, or of any Second Priority Agent or any Second Priority Secured Party in respect of this Agreement.

#### **Section 8. Miscellaneous.**

8.1 Conflicts. Subject to Section 8.19, in the event of any conflict between the provisions of this Agreement and the provisions of any Senior Lender Document or any Second Priority Document, the provisions of this Agreement shall govern. Solely as among the Senior Lenders, in the event of a conflict between this Agreement and any other intercreditor agreement among First Lien Agents, such other intercreditor agreement shall govern and control. Solely as among the Second Priority Secured Parties, in the event of a conflict between this Agreement and any other intercreditor agreement among Second Priority Agents, such other intercreditor agreement shall govern and control.

8.2 Continuing Nature of this Agreement; Severability. Subject to Section 6.4 and Section 5.7(c), this Agreement shall continue to be effective until the Discharge of Senior Lender Claims shall have occurred or such later time as all the Obligations in respect of the Second Priority Claims shall have been paid in full. This is a continuing agreement of lien subordination and the Senior Lenders may continue, at any time and without notice to any Second Priority Agent or any Second Priority Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrower or any other Grantor constituting Senior Lender Claims in reliance hereon. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.3 Amendments; Waivers. No amendment, modification or waiver of any of the provisions of this Agreement shall be deemed to be made unless the same shall be in writing signed on behalf of each Second Priority Agent (or its authorized agent), each First Lien Agent (or its authorized agent) and the Borrower and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Notwithstanding anything in this Section 8.3 to the contrary, this Agreement may

be amended from time to time at the request of the Borrower, at the Borrower's expense and without the consent of any First Lien Agent, any Second Priority Agent, any Senior Lender or any Second Priority Secured Party to (i) add other parties holding Other First Priority Lien Obligations (or any agent or trustee therefor) and Other Second Priority Lien Obligations (or any agent or trustee therefor) in each case to the extent such Obligations are not prohibited by any Senior Lender Document or any Second Priority Document, (ii) in the case of Other Second Priority Lien Obligations, (a) establish that the Lien on the Common Collateral securing such Other Second Priority Lien Obligations shall be junior and subordinate in all respects to all Liens on the Common Collateral securing any Senior Lender Claims and shall share in the benefits of the Common Collateral equally and ratably with all Liens on the Common Collateral securing any Second Priority Claims (subject to the terms of the Second Priority Documents), and (b) provide to the holders of such Other Second Priority Lien Obligations (or any agent or trustee thereof) the comparable rights and benefits (including any improved rights and benefits that have been consented to by the First Lien Agents) as are provided to the holders of Second Priority Claims under this Agreement (subject to the terms of the Second Priority Documents), and (iii) in the case of Other First Priority Lien Obligations, (a) establish that the Lien on the Common Collateral securing such Other First Priority Lien Obligations shall be superior in all respects to all Liens on the Common Collateral securing any Second Priority Claims and shall share in the benefits of the Common Collateral equally and ratably with all Liens on the Common Collateral securing any Senior Lender Claims (subject to the terms of the Senior Lender Documents), and (b) provide to the holders of such Other First Priority Lien Obligations (or any agent or trustee thereof) the comparable rights and benefits as are provided to the holders of Senior Lender Claims under this Agreement (subject to the terms of the Senior Lender Documents). Any such additional party, each First Lien Agent and each Second Priority Agent shall be entitled to rely on the determination of an officer of the Borrower that such modifications are not prohibited by any Senior Lender Document or any Second Priority Document. At the request of the Borrower, without the consent of any Senior Lender or Second Priority Secured Party, each First Lien Agent and Second Priority Agent shall execute and deliver an acknowledgment and confirmation of such permitted modifications and/or enter into an amendment, a restatement or a supplement of this Agreement to facilitate such permitted modifications (it being understood that such actions shall not be required for the effectiveness of any such modifications).

**8.4 Information Concerning Financial Condition of the Borrower and its Subsidiaries.** Neither any First Lien Agent nor any Senior Lender shall have any obligation to any Second Priority Agent or any Second Priority Secured Party to keep any Second Priority Agent or any Second Priority Secured Party informed of, and the Second Priority Agents and the Second Priority Secured Parties shall not be entitled to rely on the First Lien Agents or the Senior Lenders with respect to, (a) the financial condition of the Borrower and its Subsidiaries and all endorsers, pledgors and/or guarantors of the Second Priority Claims or the Senior Lender Claims and (b) all other circumstances bearing upon the risk of nonpayment of the Second Priority Claims or the Senior Lender Claims. The First Lien Agents, the Senior Lenders, each Second Priority Agent and the Second Priority Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any First Lien Agent, any Senior Lender, any Second Priority Agent or any Second Priority Secured Party, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it or they shall be under no obligation (w) to make, and the First Lien Agents, the Senior Lenders,

the Second Priority Agents and the Second Priority Secured Parties shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (x) to provide any additional information or to provide any such information on any subsequent occasion, (y) to undertake any investigation or (z) to disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

8.5 Subrogation. Each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Lender Claims has occurred.

8.6 Application of Payments. Except as otherwise provided herein, all payments received by the Senior Lenders may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Lender Claims as the Senior Lenders, in their sole discretion, deem appropriate, consistent with the terms of the Senior Lender Documents. Except as otherwise provided herein, each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, assents to any extension or postponement of the time of payment of the Senior Lender Claims or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Lender Claims and to the addition or release of any other Person primarily or secondarily liable therefor.

8.7 Consent to Jurisdiction; Waivers. The parties hereto consent to the nonexclusive jurisdiction of any state or federal court located in New York City, New York (the “**New York Courts**”), and consent that all service of process may be made by registered mail directed to such party as provided in Section 8.8 for such party. Service so made shall be deemed to be completed three days after the same shall be posted as aforesaid. The parties hereto waive any objection to any action instituted hereunder in any such court based on forum non conveniens, and any objection to the venue of any action instituted hereunder in any such court. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement in the courts of any jurisdiction, except that each Second Priority Secured Party and each Second Priority Agent agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts, and (b) in any such action or proceeding brought against any Second Priority Agent or any Second Priority Secured Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Second Priority Secured Party from asserting or seeking the same in the New York Courts. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 8.7.

8.8 Notices. All notices to the Grantors, the Second Priority Secured Parties and the Senior Lenders permitted or required under this Agreement may be sent to the Grantors, any First Lien Agent or any Second Priority Agent as provided in the Credit Agreement, the Other First Priority Lien Obligations Credit Documents, the other relevant Senior Lender Documents, the Initial Second Priority Agreement or the other relevant Second Priority Documents, as applicable. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, faxed, electronically mailed or sent by courier service or U.S. mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a facsimile or electronic mail or upon receipt via U.S. mail (registered or certified, with postage prepaid and properly addressed). For the purposes hereof, the addresses of the parties hereto shall be as set forth below each party's name on the signature pages hereto, or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties. The First Lien Agents hereby agree to promptly notify each Second Priority Agent upon payment in full in cash of all Obligations under the applicable Senior Lender Documents (except for contingent indemnities and cost and reimbursement obligations to the extent no claim therefor has been made).

8.9 Further Assurances. Each of the Second Priority Agents, on behalf of itself and each applicable Second Priority Secured Party, and each applicable First Lien Agent, on behalf of itself and each applicable Senior Lender, agrees that each of them shall take such further action and shall execute and deliver to each other First Lien Agent and the Senior Lenders such additional documents and instruments (in recordable form, if requested) as each other First Lien Agent or the Senior Lenders may reasonably request, to effectuate the terms of and the lien priorities contemplated by this Agreement.

8.10 Governing Law. THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

8.11 Binding on Successors and Assigns. This Agreement shall be binding upon the First Lien Agents, the Senior Lenders, the Second Priority Agents, the Second Priority Secured Parties and their respective permitted successors and assigns.

8.12 Specific Performance. Each First Lien Agent and Grantor may demand specific performance of this Agreement. Each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by any First Lien Agent or Grantor.

8.13 Section Titles. The section titles contained in this Agreement are and shall be without substantive meaning or content of any kind whatsoever and are not a part of this Agreement.

8.14 Counterparts. This Agreement may be executed in one or more counterparts, including by means of facsimile or via electronic mail, each of which shall be an original and all of which shall together constitute one and the same document.

8.15 Authorization. By its signature, each Person executing this Agreement on behalf of a party hereto represents and warrants to the other parties hereto that it is duly authorized to execute this Agreement. Each First Lien Agent represents and warrants that this Agreement is binding upon the applicable Senior Lenders. Each Second Priority Agent represents and warrants that this Agreement is binding upon the applicable Second Priority Secured Parties.

8.16 No Third Party Beneficiaries; Successors and Assigns. This Agreement and the rights and benefits hereof shall inure to the benefit of, and be binding upon, each of the parties hereto and their respective successors and assigns and shall inure to the benefit of each of, and be binding upon, the holders of Senior Lender Claims and Second Priority Claims. No other Person shall have or be entitled to assert rights or benefits hereunder.

8.17 Effectiveness. This Agreement shall become effective when executed and delivered by the parties hereto. This Agreement shall be effective both before and after the commencement of any Insolvency or Liquidation Proceeding. All references to the Borrower or any other Grantor shall include the Borrower or any other Grantor as debtor and debtor-in-possession and any receiver or trustee for the Borrower or any other Grantor (as the case may be) in any Insolvency or Liquidation Proceeding.

8.18 First Lien Agents and Second Priority Agents. It is understood and agreed that (a) Credit Suisse AG, Cayman Islands Branch is entering into this Agreement in its capacity as administrative agent and collateral agent under the Credit Agreement and the provisions of Article VIII of the Credit Agreement applicable to Credit Suisse AG, Cayman Islands Branch as administrative agent and collateral agent thereunder shall also apply to Credit Suisse AG, Cayman Islands Branch as Credit Agreement Agent hereunder and (b) [ ] is entering into this Agreement in its capacity as [ ], and the provisions of [ ] of the Initial Second Priority Agreement applicable to [ ] thereunder shall also apply to [ ] hereunder.

8.19 Relative Rights. Notwithstanding anything in this Agreement to the contrary (except to the extent contemplated by Section 5.3(b)), nothing in this Agreement is intended to or will (a) amend, waive or otherwise modify the provisions of the Credit Agreement, the Other First Priority Lien Obligations Credit Documents, the Initial Second Priority Agreement, the Other Second Priority Lien Obligations Credit Documents or any other Senior Lender Documents or Second Priority Documents entered into in connection with the Credit Agreement, the Other First Priority Lien Obligations Credit Documents, the Initial Second Priority Agreement, the Other Second Priority Lien Obligations Credit Documents or any other Senior Lender Document or Second Priority Document or permit the Borrower or any Subsidiary to take any action, or fail to take any action, to the extent such action or failure would otherwise

constitute a breach of, or default under, the Credit Agreement or any other Senior Lender Documents entered into in connection with the Credit Agreement, the Other First Priority Lien Obligations Credit Documents, the Initial Second Priority Agreement, the Other Second Priority Lien Obligations Credit Documents, or any other Second Priority Documents, (b) change the relative priorities of the Senior Lender Claims or the Liens granted under the Senior Lender Documents on the Common Collateral (or any other assets) as among the Senior Lenders, (c) otherwise change the relative rights of the Senior Lenders in respect of the Common Collateral as among such Senior Lenders or (d) obligate the Borrower or any Subsidiary to take any action, or fail to take any action, that would otherwise constitute a breach of, or default under, the Credit Agreement, the Other First Priority Lien Obligations Credit Documents or any other Senior Lender Document entered into in connection with the Credit Agreement, the Other First Priority Lien Obligations Credit Documents, the Initial Second Priority Agreement, the Other Second Priority Lien Obligations Credit Documents or any other Second Priority Documents.

8.20 References. Notwithstanding anything to the contrary in this Agreement, any references contained herein to any Section, clause, paragraph, definition or other provision of the Initial Second Priority Agreement (including any definition contained therein) shall be deemed to be a reference to such Section, clause, paragraph, definition or other provision as in effect on the date of this Agreement; provided that any reference to any such Section, clause, paragraph or other provision shall refer (i) to such Section, clause, paragraph or other provision of the Initial Second Priority Agreement, as applicable (including any definition contained therein), as amended or modified from time to time if such amendment or modification has been (1) made in accordance with the Initial Second Priority Agreement, and (2) to the extent required under the terms of the Credit Agreement and the Other First Priority Lien Obligations Credit Documents, approved in writing by, or on behalf of, the requisite Senior Lenders as are needed to approve such amendment or modification, and (ii) if such Initial Second Priority Agreement ceases to be outstanding, to such Section, clause, paragraph or other provision of the relevant Second Priority Document then in effect governing the outstanding Second Priority Claims.

8.21 Joinder Requirements. The Borrower may designate additional obligations as Other First Priority Lien Obligations or Other Second Priority Lien Obligations pursuant to this Section 8.21 if (x) the incurrence of such obligations is not prohibited by any Senior Lender Document or Second Priority Document then in effect and (y) the Borrower shall have delivered an officer's certificate to each First Lien Agent and each Second Priority Agent representing the same. If not so prohibited, the Borrower shall (i) notify each First Lien Agent and each Second Priority Agent in writing of such designation and (ii) cause the applicable First Lien Agent or Second Priority Agent to execute and deliver to each other First Lien Agent and Second Priority Agent a Joinder Agreement substantially in the form of Exhibit A or Exhibit B hereto, as applicable.

8.22 Intercreditor Agreements.

(a) Each party hereto agrees that the Senior Lenders (as among themselves) and the Second Priority Secured Parties (as among themselves) may each enter into intercreditor agreements (or similar arrangements) with the applicable First Lien Agent or Second Priority Agent governing the rights, benefits and privileges as among the Senior Lenders or the Second Priority Secured Parties, as the case may be, in respect of the Common Collateral, this

Agreement and the other Senior Collateral Documents or Second Priority Collateral Documents, as the case may be, including as to application of proceeds of the Common Collateral, voting rights, control of the Common Collateral and waivers with respect to the Common Collateral, in each case so long as (A) in the case of any such intercreditor agreement (or similar arrangement) affecting any Senior Lenders, the First Lien Agent acting on behalf of such Senior Lenders agrees in its sole discretion, or is otherwise obligated pursuant to the terms of the applicable Senior Collateral Documents, to enter into any such intercreditor agreement (or similar arrangement) and (B) in the case of any such intercreditor agreement (or similar arrangement) affecting the Senior Lenders holding Senior Lender Claims under the Credit Agreement, such intercreditor agreement (or similar arrangement) is permitted under the Credit Agreement or the Required Lenders otherwise authorize the applicable First Lien Agent to enter into any such intercreditor agreement (or similar arrangement). If a respective intercreditor agreement (or similar arrangement) exists, the provisions thereof shall not be (or be construed to be) an amendment, modification or other change to this Agreement, and the provisions of this Agreement shall remain in full force and effect in accordance with the terms hereof and thereof (as such provisions may be amended, modified or otherwise supplemented from time to time in accordance with the terms thereof, including to give effect to any intercreditor agreement (or similar arrangement)).

(b) In addition, in the event that the Borrower or any Subsidiary thereof incurs any Obligations secured by a Lien on any Common Collateral that is junior to Liens thereon securing any Senior Lender Claims or Second Priority Claims, as the case may be, and such Obligations are not designated by the Borrower as Second Priority Claims, then the First Priority Designated Agent and/or Second Priority Designated Agent shall upon the request of the Borrower enter into an intercreditor agreement with the agent or trustee for the creditors with respect to such secured Obligations to reflect the relative Lien priorities of such parties with respect to the relevant portion of the Common Collateral and governing the relative rights, benefits and privileges as among such parties in respect of such Common Collateral, including as to application of the proceeds of such Common Collateral, voting rights, control of such Common Collateral and waivers with respect to such Common Collateral, in each case, so long as such secured Obligations are not prohibited by, and the terms of such intercreditor agreement do not violate or conflict with, the provisions of this Agreement or any of the Senior Lender Documents or Second Priority Documents, as the case may be. If any such intercreditor agreement (or similar arrangement) is entered into, the provisions thereof shall not be (or be construed to be) an amendment, modification or other change to this Agreement or any Senior Lender Documents, and the provisions of this Agreement, the Senior Lender Documents and the Second Priority Documents shall remain in full force and effect in accordance with the terms hereof and thereof (as such provisions may be amended, modified or otherwise supplemented from time to time in accordance with the respective terms thereof, including to give effect to any intercreditor agreement (or similar arrangement)).

(c) In addition, each party hereto acknowledges that notwithstanding anything herein to the contrary, (i) the Liens and security interests securing the Senior Lender Claims and the Second Priority Claims in the [CPLV Lease Collateral] (as defined in the CPLV Intercreditor Agreement) and the exercise of any right or remedy by the Senior Lenders and the Second Priority Secured Parties against the [CPLV Lease Collateral] (as defined in the CPLV Intercreditor Agreement) are subject to the provisions of the CPLV Intercreditor Agreement, (ii)

the Liens and security interests securing the Senior Lender Claims and the Second Priority Claims in the [Non-CPLV Lease Collateral] (as defined in the Non-CPLV Intercreditor Agreement) and the exercise of any right or remedy by the Senior Lenders and the Second Priority Secured Parties against the [Non-CPLV Lease Collateral] (as defined in the Non-CPLV Intercreditor Agreement) are subject to the provisions of the Non-CPLV Intercreditor Agreement and (iii) the Liens and security interests securing the Senior Lender Claims and the Second Priority Claims in the “Lease Collateral” or “Tenant’s Pledged Property” or “Tenant’s Property” or similar term (as defined in each Additional Master Lease Intercreditor Agreement) and the exercise of any right or remedy by the Senior Lenders and the Second Priority Secured Parties against the “Lease Collateral” or “Tenant’s Pledged Property” or “Tenant’s Property” or similar term (as defined in each Additional Master Lease Intercreditor Agreement) are subject to the provisions of the applicable Additional Master Lease Intercreditor Agreement. In the event of any conflict between the terms of this Agreement and any Master Lease Intercreditor Agreement, the terms of such Master Lease Intercreditor Agreement shall govern and control.

8.23 Additional Grantors. The Borrower agrees that, if any Subsidiary of the Borrower shall become a Grantor after the date hereof, it will cause such Subsidiary to become a party hereto by executing a signature page to this Agreement and delivering such executed signature page to the First Priority Designated Agent. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any party hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

## **Section 3. Releases.**

(a) Releases by the Debtor Releasing Parties. For good and valuable consideration, from and after the Effective Time, each Non-Debtor Released Party shall be deemed released and discharged by each Debtor Releasing Party from any and all Causes of Action, including any derivative claims asserted on behalf of a Debtor Releasing Party that such Debtor Releasing Party would have been legally entitled to assert in its own right or on behalf of the holder of any claim or interest in such Debtor Releasing Party, or that any holder of any claim or interest in a Debtor Releasing Party could have asserted on behalf of such Debtor Releasing Party, based on or relating to, or in any manner arising from, in whole or in part: (i) the Debtors' restructuring efforts and Chapter 11 Cases, intercompany transactions, or the formulation, preparation, dissemination, negotiation, or filing of any documents related thereto; (ii) the formulation, preparation, dissemination, negotiation, syndication or filing of the Credit Agreement or any documents related thereto; (iii) any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the restructuring contemplated by the Plan or the financing or other transactions contemplated by the Commitment Letter; or (iv) any other act or omission, transaction, agreement, event, or other occurrence relating to the Debtors and taking place before the Closing Date; *provided, however*, that the foregoing releases shall not include any claims or liabilities arising out of any act or omission of a Non-Debtor Released Party that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence. Notwithstanding anything to the contrary in the foregoing, the releases set forth above shall not release any pre-Closing Date representations, warranties, rights or obligations of any Non-Debtor Released Party in or under the Commitment Letter, the Credit Agreement, or any related document, instrument, or agreement executed to implement the Credit Agreement (including, without limitation, any officers' certifications, legal opinions or fee papers).

(b) Releases by the Non-Debtor Releasing Parties. For good and valuable consideration, from and after the Effective Time, each Debtor Released Party shall be deemed released and discharged by each Non-Debtor Releasing Party from any and all Causes of Action that a Non-Debtor Releasing Party would have been legally entitled to assert in its own right or on behalf of the holder of any claim or ownership interest in such Non-Debtor Releasing Party,

or that any holder of any claim or ownership interest in a Non-Debtor Releasing Party could have asserted on behalf of such Non-Debtor Releasing Party, based on or relating to, or in any manner arising from, in whole or in part: (i) the Debtors' restructuring efforts and Chapter 11 Cases, intercompany transactions, or the formulation, preparation, dissemination, negotiation, or filing of any documents related thereto; (ii) the formulation, preparation, dissemination, negotiation, syndication or filing of the Credit Agreement or any documents related thereto; (iii) any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the restructuring contemplated by the Plan or the financing or other transactions contemplated by the Commitment Letter; or (iv) any other act or omission, transaction, agreement, event, or other occurrence relating to the Debtors and taking place before the Closing Date; *provided, however*, that the foregoing releases shall not include any claims or liabilities arising out of any act or omission of a Debtor Released Party that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence. (c) Waiver of Statutory Limitations on Release. Except as otherwise set forth herein, it is the intention of each Party to extinguish all released Causes of Action and consistent with such intention, each Party hereby expressly waives his, her, or its rights to the fullest extent permitted by law, to any benefits of the provisions of Section 1542 of the California Civil Code or any other similar state law, federal law, or principle of common law, which may have the effect of limiting the releases set forth herein. Each Party acknowledges that he, she, or it may discover facts in addition to or different from those now known or believed to be true with respect to the subject matter of the releases granted herein, but acknowledges that it is his, her, or its intention to fully, finally, and forever settle, release and discharge any and all claims hereby known or unknown, suspected or unsuspected, which do or do not exist, or heretofore existed, and without regard to the subsequent discovery or existence of such additional or different facts.

(d) Notwithstanding anything to the contrary set forth herein, each of the Parties hereby expressly reserves all of its defenses to any claims that may be asserted against any of them by any other Party, including, but not limited to, any defense that this Release releases any asserted claim.

#### **Section 4. Miscellaneous.**

(a) Successors and Assigns. All covenants, rights, obligations and other agreements contained in this Release by or on behalf of any of the Parties bind and inure to the benefit of such Party and its respective successors and permitted assigns, whether so expressed or not. This Release, and the rights and obligations of each Party, shall not be assigned by such Party without prior written consent of the other Parties.

(b) Entire Agreement. This Release contains the entire understanding of the Parties with respect to the releases set forth herein. In the event of any conflict between the provisions of this Release and the Credit Agreement, the provisions of the Credit Agreement shall control.

(c) Effectiveness; Amendments. This Release shall be effective against and in favor of each Party hereto upon the occurrence of the Closing Date. Once effective, this Release may not be modified, amended, or supplemented.

(d) Severability. Any provision of this Release that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

(e) Counterparts. This Release may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all the Parties. This Release may be executed and delivered by facsimile, email, or otherwise and such signature is deemed binding for all purposes hereof, without delivery of an original signature being thereafter required.

(f) Headings. The headings of the sections and subsections of this Release are inserted for convenience only and shall not affect the interpretation hereof.

(g) Governing Law. This Release shall be construed and enforced in accordance with, and the rights of the Parties shall be governed by, the laws of the State of New York excluding choice-of-law principles of the laws of such State that would permit the application of the laws of a jurisdiction other than such State.

(h) Jurisdiction and Process; Waiver of Jury Trial.

- i. Each Party irrevocably and unconditionally agrees that it will not commence any action, litigation, or proceedings of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against any other Party in any way relating to this Release or the transactions relating hereto, in any forum other than the courts of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and the Parties irrevocably and unconditionally submit to the jurisdiction of such courts and agree that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State Court or, to the fullest extent permitted by applicable law, in such federal court. To the fullest extent permitted by applicable law, the Parties irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim that they are not subject to the jurisdiction of any such court, any objection that they may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.
- ii. The Parties hereby waive trial by jury in any action brought on or with respect to this Release, or any other documents executed in connection herewith.

(i) Specific Performance. The Parties recognize and acknowledge that a breach by such Party of any covenants or agreements contained in this Release will cause the other Parties to sustain damages for which such other Parties would not have an adequate remedy at law for money damages, and therefore each Party agrees that in the event of any such breach, the other Parties shall be entitled to the remedy of specific performance of such covenants and agreements and injunctive and other equitable relief in addition to any other remedy to which such other Parties may be entitled, at law or in equity.

(j) Remedies Cumulative. All rights, powers and remedies provided under this Release or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise of any right, power or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power or remedy by such Party.

(k) No Waiver. The failure of any Party to exercise any right, power, or remedy provided under this Release or otherwise available in respect hereof at law or in equity, or to insist upon compliance by any other Party with its obligations hereunder, and any custom or practice of the Parties at variance with the terms hereof, shall not constitute a waiver by such Party of its right to exercise any such or other right, power, or remedy or to demand such compliance.

(l) Several, Not Joint, Obligations. The agreements and obligations of each of the Parties under this Release are, in all respects, several and not joint.

(m) Parties' Use Of Legal Counsel And Construction Of Release. Each Party hereby acknowledges that it has had the opportunity to be advised by its own legal counsel in connection with the negotiation, drafting, execution, and delivery and consummation of this Release. The Parties agree and acknowledge that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Release or any amendments, exhibits or schedules hereto. Each Party has entered into this Release freely and voluntarily, without coercion, duress, distress or under influence by any other persons or its respective shareholders, directors, officers, partners, agents or employees. Each of the Parties hereby acknowledges that (i) it has read this Release and knows its contents, (ii) it understands the terms and consequences of this Release, and (iii) the terms of this Release are fair and reasonable.

(n) Compromise. This Release is entered into in compromise of disputed claims and defenses. No act or agreement in furtherance of the Release shall be construed in any way as an admission of fault, wrongdoing, or liability on the part of any Party.

(b) any Lien on the CPLV Lease Collateral securing any Tenant Financing Obligations now or hereafter held by or on behalf of any Tenant Financing Collateral Agent, any Tenant Financing Claimholders or any agent or trustee therefor regardless of how acquired, whether by grant, possession, statute,

operation of law, subrogation or otherwise, and regardless of whether or when such Lien is perfected, shall be junior and subordinate to all Liens on the CPLV Lease Collateral securing any CPLV Lease Obligations, subject to, and in accordance with, the terms of this Agreement.

**2.3 Prohibition on Contesting Liens.** Each Tenant Financing Collateral Agent, for itself and on behalf of each other Tenant Financing Claimholder represented by it, and Landlord and each Landlord Financing Lender agrees that it will not (and hereby waives any right to) directly or indirectly contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the priority, validity, perfection, extent or enforceability of a Lien held, or purported to be held, by or on behalf of Landlord in the CPLV Lease Collateral or by or on behalf of any of the Tenant Financing Claimholders in the Tenant Financing Collateral, as the case may be, or the amount, nature or extent of the CPLV Lease Obligations or Tenant Financing Obligations or the provisions of this Agreement; provided, that nothing in this Agreement shall be construed to prevent or impair the rights of Landlord or any Tenant Financing Collateral Agent to enforce this Agreement, including the provisions of this Agreement relating to the priority of the Liens securing the CPLV Lease Obligations as provided in Section 2.2 and Section 3.1.

2.4 Tenant Financing Separate Collateral. (a) Notwithstanding anything to the contrary set forth in this Agreement, no Tenant Financing Collateral Agent and no Tenant Financing Claimholder shall take any Enforcement Action in respect of any or all of the CPLV Lease Collateral or any or all of the Related Property, except in each case in connection with a Tenant Financing Permitted Action, and provided that any such Enforcement Action is taken with respect to substantially all of the CPLV Lease Collateral and, solely to the extent that such Tenant Financing Collateral Agent is reasonably capable of causing such property to be so transferred, the Related Property. Except with respect to Related Property, (i) Landlord (and Landlord Financing Lender) shall not have any claims in or rights with respect to, and shall not be entitled to any benefit of, any Liens on any Tenant Financing Separate Collateral securing any Tenant Financing Obligations, and (ii) nothing in this Agreement shall govern, apply to, or create any restrictions or limitations with respect to the Liens of the Tenant Financing Claimholders in the Tenant Financing Separate Collateral (other than the Related Property), it being understood and agreed that the Tenant Financing Claimholders may hold, exercise remedies in respect of, and otherwise deal with the Tenant Financing Separate Collateral (other than the Related Property) in any manner whatsoever (subject to the terms of the Tenant Financing Documents and, in the case of the Tenant Financing Leasehold Mortgage, the terms of the CPLV Lease) and without any restriction imposed by this Agreement and neither Landlord nor Landlord Financing Lender shall have any right to object to any action taken (or not taken) or any enforcement action or other exercise of remedies by the Tenant Financing Claimholders in respect of Tenant Financing Separate Collateral (other than the Related Property). Without limiting the generality of the foregoing, each of the Tenant Financing Collateral Agents and other Tenant Financing Claimholders shall have no obligation to segregate, hold in trust or pay over to Landlord any Tenant Financing Separate Collateral or any proceeds thereof.

(b) Notwithstanding anything to the contrary set forth in this Agreement, Landlord Financing Lender shall not take any Enforcement Action in respect of any or all of the CPLV Lease Collateral, except subject to the terms hereunder. Nothing in this Agreement shall govern, apply to, or create any restrictions or limitations with respect to the Liens of the Landlord Financing Lender in the Property, it being understood and agreed that the Landlord Financing Lender may hold, exercise remedies in respect of, and otherwise deal with the Landlord Financing Collateral (except that the CPLV Lease Collateral shall be subject to the terms hereunder) in any manner whatsoever (subject to the terms of the Loan Documents (as defined in the Landlord Financing Fee Mortgage)) and without any restriction imposed by this Agreement and neither Tenant nor any Tenant Financing Claimholder shall have any right to object to any action taken (or not taken) or any enforcement action or other exercise of remedies by the Landlord Financing Lender in respect of Landlord Financing Collateral (except that the CPLV Lease Collateral shall be subject to the terms hereunder). Without limiting the generality of the foregoing, the Landlord Financing Lender shall have no obligation to segregate, hold in trust or pay over to any party hereunder, any Landlord Financing Collateral or any proceeds thereof.

2.5 Perfection of Liens. Except for the arrangements contemplated by Section 5.3 and subject to the terms and provisions thereof, Landlord shall not be responsible for perfecting and maintaining the perfection of Liens with respect to the CPLV Lease Collateral for the benefit of the Tenant Financing Collateral Agents or the Tenant Financing Claimholders. This Agreement shall not impose on Landlord, the Landlord Financing Lender, the Tenant Financing Collateral Agents, the Tenant Financing Claimholders or any agent or trustee therefor any obligations in respect of the disposition of proceeds of any CPLV Lease Collateral which would conflict with prior-perfected claims therein in favor of any other Person or any order or decree of any court or Governmental Authority or any applicable law.

2.6 Nature of CPLV Lease Obligations. Landlord acknowledges that the terms of the Tenant Financing Documents and the Tenant Financing Obligations may be modified, extended or amended from time to time, and that the aggregate amount of the Tenant Financing Obligations may be increased or replaced, in each event, without notice to or consent by Landlord (except as set forth in the CPLV Lease) and without affecting the provisions hereof. None of the provisions of this Agreement shall be altered or otherwise affected by any amendment, modification, extension, repayment, increase or replacement of either the Tenant Financing Obligations, Landlord Financing Obligations or the CPLV Lease Obligations, or any portion thereof.

### **SECTION 3. Enforcement.**

#### **3.1 Exercise of Remedies.**

(a) Subject to Section 3.1(c) of this Agreement and Section 6.3(d) of the CPLV Lease, unless and until the earlier of (x) the Discharge of Tenant Financing Obligations has occurred or (y) the CPLV Lease Exercise Conditions have occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant, Landlord:

(1) will not commence or maintain, or seek to commence or maintain, any Enforcement Action or otherwise exercise any rights or remedies (other than a Permitted CPLV Lease Reserve Account Collateral Application or as specifically set forth in the Trademark Security Agreement and Sections 3(k), 6 and 7 of the Landlord Financing SNDA) with respect to the CPLV Lease Collateral; provided that any exercise by Landlord prior to the CPLV Lease Termination Conditions shall be subject to the limitations in the CPLV Lease and Landlord may not complete any foreclosure prior to the satisfaction of the CPLV Lease Termination Conditions;

(2) except as set forth in Section 2.4 or 3.1(e), will not contest, protest, object to or take any other action that would hinder any foreclosure proceeding or action brought by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder or any other exercise by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder of any rights and remedies relating to the CPLV Lease Collateral under the Tenant Financing Documents or otherwise

(including any Enforcement Action initiated by or supported by any Tenant Financing Collateral Agent or any Tenant Financing Claimholder), provided that such Enforcement Action, foreclosure proceeding, action or other exercise of rights and remedies is in accordance with the provisions of the CPLV Lease and this Agreement; and

(3) will not bid for or purchase CPLV Lease Collateral at any public, private or judicial foreclosure upon such CPLV Lease Collateral initiated by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder, or any sale of CPLV Lease Collateral during an Insolvency or Liquidation Proceeding, in each case in connection with a Tenant Financing Permitted Action.

(b) Subject to Section 2.4, Section 3.1 and Section 6 of this Agreement, the Trademark Security Agreement and Sections 3(k), 6 and 7 of the Landlord Financing SNDA, until the Discharge of Tenant Financing Obligations has occurred, so long as the CPLV Lease Exercise Conditions have not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant, the Tenant Financing Collateral Agents and the other Tenant Financing Claimholders shall have the exclusive right to commence and maintain an Enforcement Action (but excluding any Permitted CPLV Lease Reserve Account Collateral Application) and make determinations regarding the release, disposition or restrictions with respect to the CPLV Lease Collateral without any consultation with or the consent of Landlord; provided that (A) with respect to any CPLV Lease Collateral and any Related Property, such Enforcement Action is a Tenant Financing Permitted Action and provided any acquirer of such CPLV Lease Collateral and such Related Property expressly agrees in writing for the benefit of Landlord that such CPLV Lease Collateral and such Related Property that is transferred will be made available to the new tenant of the Leased Premises and will be utilized on the Tenant's Leasehold Estate in connection with a New Lease or any transfer of Tenant's Leasehold Estate to a Replacement Tenant under Section 17.1(e) and 22 of the CPLV Lease (but subject in each case to Section 6 of the CPLV Lease) and (B) notwithstanding any such Enforcement Action or other exercise of any such right or remedy, the CPLV Lease Collateral shall remain subject to the continuing first priority lien of Landlord (which has been collaterally assigned to Landlord Financing Lender) and the Tenant Collateral Agent or its designee or assignee so acquiring the CPLV Lease Collateral (whether in connection with any credit bid, Enforcement Action or otherwise) shall expressly acknowledge in writing that it is acquiring the CPLV Lease Collateral subject to the first priority Lien of Landlord (which has been collaterally assigned to Landlord Financing Lender). It is the express intention of all the parties hereto that the CPLV Lease Collateral remain subject to the CPLV Lease (or any New Lease entered into in accordance with Section 17.1(f) of the CPLV Lease), the Trademark Security Agreement and Sections 3(k), 6 and 7 of the Landlord Financing SNDA, including after the exercise of any rights and remedies by any Tenant Financing Collateral Agent and/or any other Tenant Financing Claimholder. In commencing or maintaining any Enforcement Action

or otherwise exercising rights and remedies with respect to the CPLV Lease Collateral, the Tenant Financing Collateral Agents and the other Tenant Financing Claimholders may enforce the provisions of the Tenant Financing Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion in compliance with any applicable law and without consultation with Landlord, subject in all respects to the provisions of this Agreement.

(c) Notwithstanding the foregoing, prior to the Discharge of Tenant Financing Obligations or the occurrence of the CPLV Lease Termination Conditions, Landlord may:

- (1) Subject to Section 6 hereof, take any and all actions and enforce any rights available to a secured creditor with respect to the CPLV Lease Collateral in any Insolvency or Liquidation Proceeding; provided that so long as any Tenant Financing Collateral Agent or any Tenant Financing Claimholder is pursuing a Tenant Financing Permitted Action, Landlord shall not take any action intended to frustrate such action and provided further than Landlord may not complete any foreclosure prior to the satisfaction of the CPLV Lease Termination Conditions;
- (2) file a claim or statement of interest with respect to the CPLV Lease Obligations in any Insolvency or Liquidation Proceeding;
- (3) take any action in order to create or perfect or, so long as not adverse to the rights of any Tenant Financing Collateral Agent or other Tenant Financing Claimholders hereunder, preserve or protect, its Lien on the CPLV Lease Collateral;
- (4) file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims or Liens of Landlord, including any claims secured by the CPLV Lease Collateral, if any, in each case in a manner that is not prohibited by, or inconsistent with, this Agreement;
- (5) vote on any plan of reorganization, arrangement, compromise or liquidation, file any proof of claim, make other filings and make any arguments and motions, in each case, in a manner that is not prohibited by, or inconsistent with, this Agreement, with respect to the CPLV Lease Obligations and the CPLV Lease Collateral; provided that no filing of any claim or vote, or pleading related to such claim or vote, to accept or reject a disclosure statement, plan of reorganization, arrangement, compromise or liquidation, or any other document, agreement or proposal similar to the foregoing by Landlord may be inconsistent with the provisions of this Agreement;

(6) subject to the limitations in the CPLV Lease, commence an Enforcement Action with respect to the CPLV Lease Collateral; provided that Landlord shall not (i) complete any such Enforcement Action which results, or allow any such Enforcement Action to result, in a sale, lease, exchange, transfer or other disposition of CPLV Lease Collateral, in each case, prior to the occurrence of the CPLV Lease Termination Conditions or (ii) commence any such Enforcement Action prior to the occurrence of CPLV Lease Termination Conditions that would, or allow any such Enforcement Action to progress to a point at which it would be inconsistent with the terms of this Agreement, it being acknowledged that any Enforcement Action by Landlord (whether such Enforcement Action is commenced before or after the occurrence of the CPLV Lease Exercise Conditions) undertaken on or after the occurrence of the CPLV Lease Termination Conditions shall be permitted in accordance with Section 3.2;

(7) exercise any of its rights or remedies with respect to the CPLV Lease Collateral after the occurrence of the CPLV Lease Termination Conditions;

(8) exercise any and all its rights and remedies in its capacity as “landlord” under the CPLV Lease other than to institute Enforcement Actions that are expressly prohibited, restricted or otherwise limited by this Agreement or the CPLV Lease; and

(9) take any action pursuant to and in accordance with Section 6.3(d) of the CPLV Lease.

Landlord agrees that it will not take or receive any CPLV Lease Collateral or any proceeds of CPLV Lease Collateral in connection with the exercise of any right or remedy (including set-off and recoupment) with respect to any CPLV Lease Collateral in its capacity as a creditor, except to the extent that the CPLV Lease Termination Conditions have occurred. Without limiting the generality of the foregoing, unless and until the CPLV Lease Termination Conditions have occurred, except as expressly provided in Section 3.1(a) or this Section 3.1(c) or any other provision of this Agreement, the sole right of Landlord with respect to the CPLV Lease Collateral is to hold a Lien on the Collateral pursuant to the CPLV Lease Collateral Documents for the period and to the extent granted therein.

(d) Except as specifically prohibited by or limited by this Agreement, Landlord may exercise rights and remedies in its capacity as landlord under the CPLV Lease against Tenant in accordance with the terms of the CPLV Lease Documents and applicable law (it being understood and agreed that this agreement is intended to allocate rights, benefits and obligations as between Landlord and Tenant Financing Claimholders and that as between Landlord and Tenant nothing in this Agreement is intended to give either any greater rights and remedies against the other than as set forth in the CPLV Lease or to permit either

to exercise such rights and remedies at a time or in a manner inconsistent with the CPLV Lease); provided that in the event that Landlord becomes a judgment Lien creditor in respect of CPLV Lease Collateral as a result of its enforcement of its rights as landlord under the CPLV Lease, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the Tenant Financing Obligations) in the same manner as the other Liens securing the CPLV Lease Obligations are subject to this Agreement.

(e) Nothing in this Agreement shall prohibit the receipt by Landlord of the required payments of Rent and other amounts owed in respect of the CPLV Lease Obligations so long as such receipt is not the direct or indirect result of the exercise by Landlord of rights or remedies as a secured creditor against the CPLV Lease Collateral (including set-off and recoupment) or enforcement in contravention of this Agreement of any Lien held by Landlord or as a result of any other violation by Landlord of the express terms of this Agreement. Except as provided herein in respect of Related Property, nothing in this Agreement impairs or otherwise adversely affects any rights or remedies that any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder may have with respect to the Tenant Financing Separate Collateral.

### 3.2 Exercise of Remedies after Occurrence of CPLV Lease Exercise Conditions.

(a) From and after the occurrence of the CPLV Lease Exercise Conditions, until the Discharge of CPLV Lease Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant, as between Tenant Financing Claimholders and Landlord, Landlord shall have the exclusive right to commence and maintain an Enforcement Action or otherwise enforce rights, exercise remedies (including set off, recoupment and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the CPLV Lease Collateral without any consultation with or the consent of the Tenant Financing Claimholders and any Enforcement Action with respect to CPLV Lease Collateral then undertaken by any Tenant Financing Collateral Agent shall thereupon immediately cease; provided, that as between Landlord and Tenant the limitations in the CPLV Lease shall govern and control. In commencing or maintaining any Enforcement Action or otherwise exercising rights and remedies with respect to the CPLV Lease Collateral, Landlord may enforce the provisions of the CPLV Lease Documents and exercise remedies thereunder, all in such order and in such manner as it may determine in the exercise of its sole discretion in compliance with any applicable law and the terms of the CPLV Lease Documents and without consultation with the Tenant Financing Claimholders. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of CPLV Lease Collateral upon foreclosure, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured creditor under the UCC and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) From and after the occurrence of the CPLV Lease Exercise Conditions, until the Discharge of CPLV Lease Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant, the Tenant Financing Collateral Agents and the Tenant Financing Claimholders:

(1) will not commence, maintain or continue, or seek to commence, maintain or continue, any Enforcement Action or otherwise exercise any rights or remedies with respect to the CPLV Lease Collateral; and

(2) will not contest, protest, object to or take any other action that would hinder any foreclosure proceeding or action brought by Landlord or any other exercise by Landlord of any rights and remedies relating to the CPLV Lease Collateral under the CPLV Lease Documents or otherwise (including any Enforcement Action initiated by or supported by Landlord),

and it is hereby acknowledged and agreed that Landlord may apply any proceeds of any exercise of rights and remedies with respect to the CPLV Lease Collateral received by it against the CPLV Lease Obligations regardless of the lien priorities set forth herein, and the Tenant Financing Claimholders hereby waive any right to such proceeds.

(c) Notwithstanding the foregoing, from and after the occurrence of the CPLV Lease Exercise Conditions and prior to the Discharge of CPLV Lease Obligations, any Tenant Financing Collateral Agent and any other Tenant Financing Claimholder may:

(1) file a claim or statement of interest with respect to the Tenant Financing Obligations; provided that an Insolvency or Liquidation Proceeding has been commenced by or against Tenant;

(2) take any action not adverse to the rights of Landlord hereunder, in order to create, perfect, preserve or protect its Lien on the CPLV Lease Collateral;

(3) file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims of the Tenant Financing Claimholders, including any claims secured by the CPLV Lease Collateral, if any, in each case in a manner that is not prohibited by, or inconsistent with, this Agreement;

(4) vote on any plan of reorganization, arrangement, compromise or liquidation, file any proof of claim, make other filings and make any arguments and motions that are, in each case in a manner that is not prohibited by, or inconsistent with, this Agreement, with respect to the Tenant Financing Obligations and the CPLV Lease Collateral; provided that no filing of any claim or vote, or pleading related to such claim or vote, to accept or reject a disclosure statement, plan of reorganization, arrangement, compromise or liquidation, or any other document, agreement or proposal similar to the foregoing by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder may be inconsistent with the provisions of this Agreement;

(5) except to the extent that such actions would adversely impact the right of Tenant, or any Replacement Tenant, to make full use of such property in the operation of the Leased Properties, bid for or purchase CPLV Lease Collateral at any public, private or judicial foreclosure upon such CPLV Lease Collateral initiated by any Landlord, or at any sale of CPLV Lease Collateral during an Insolvency or Liquidation Proceeding; and

(6) subject in all respects to Section 2.4 as to the Related Property, exercise any rights and remedies against any Tenant Financing Separate Collateral.

Each Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder represented by it, agrees that, from and after the occurrence of the CPLV Lease Exercise Conditions, it will not take or receive any CPLV Lease Collateral or any proceeds of CPLV Lease Collateral resulting from the exercise of any right or remedy (including set-off and recoupment) with respect to any CPLV Lease Collateral, unless and until the Discharge of CPLV Lease Obligations has occurred. Without limiting the generality of the foregoing, from and after the occurrence of the CPLV Lease Exercise Conditions, unless and until the Discharge of CPLV Lease Obligations has occurred, except as expressly provided in Section 6.4 and this Section 3.2(c), the sole right of the Tenant Financing Collateral Agents and the other Tenant Financing Claimholders with respect to the CPLV Lease Collateral is to hold and maintain a Lien on the Collateral pursuant to the Tenant Financing Collateral Documents for the period and to the extent granted therein.

(d) Solely to the extent not inconsistent with this Agreement, the Tenant Financing Collateral Agents and other Tenant Financing Claimholders may exercise rights and remedies as unsecured creditors against Tenant in accordance with the terms of the Tenant Financing Documents and applicable law; provided that (i) in the event that any Tenant Financing Claimholder becomes a judgment Lien creditor in respect of CPLV Lease Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Tenant Financing Obligations, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the CPLV Lease Obligations) in the same manner as the other Liens securing the Tenant Financing Obligations are subject to this Agreement.

(e) Nothing in this Agreement shall prohibit the receipt by any Tenant Financing Collateral Agent or other Tenant Financing Claimholder of the required payments of principal, interest and other amounts owed in respect of the Tenant Financing Obligations so long as such receipt is not the direct or indirect result of the exercise by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder of rights or remedies as a secured creditor with respect to the CPLV Lease Collateral (including set-off and recoupment) in contravention of this Agreement or enforcement in contravention of this Agreement of any Lien on the CPLV Lease Collateral held by any of them or as a result of any other violation by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder of the terms of this Agreement.

(f) Nothing in this Agreement shall prohibit the receipt by any Landlord Financing Lender of the required payments of principal, interest and other amounts owed in respect of the Landlord Financing Obligations in accordance with the Landlord Financing Documents so long as such receipt is not the direct or indirect result of the exercise by any Landlord Financing Lender of rights or remedies as a secured creditor with respect to the CPLV Lease Collateral (including set off and recoupment) in contravention of this Agreement or enforcement in contravention of this Agreement of any Lien on the CPLV Lease Collateral held by any of them or as a result of any other violation by any Landlord Financing Lender of the terms of this Agreement.

(g) Nothing in this Agreement shall prohibit the receipt by Landlord of the required payments of principal, interest and other amounts owed in respect of the CLPV Lease Obligations so long as such receipt is not the direct or indirect result of the exercise by Landlord of rights or remedies as a secured creditor with respect to the CPLV Lease Collateral (including set off and recoupment) in contravention of this Agreement or enforcement in contravention of this Agreement of any Lien on the CPLV Lease Collateral held by any of them or as a result of any other violation by Landlord of the terms of this Agreement and so long as the Landlord has acted in accordance with the Lease and the CPLV Lease Documents.

3.3 Actions Upon Breach; Specific Performance. The parties hereto acknowledge and agree that if any Tenant Financing Claimholder or Landlord in any way takes, attempts to or threatens to take any action in contravention of the terms of the Agreement (including any attempt to realize upon or enforce any remedy with respect to this Agreement), (i) Landlord's damages or the Tenant Financing Claimholders' damages, as applicable, from such actions may at that time be difficult to ascertain and may be irreparable, and (ii) each Tenant Financing Claimholder or Landlord, as applicable, waives any defense that Landlord or the Tenant Financing Claimholders, as applicable, cannot demonstrate damage and/or be made whole by the awarding of damages. Each of Landlord and any Tenant Financing Collateral Agent may demand

injunctive relief and/or specific performance of this Agreement. Landlord and each Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder represented by it, hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of injunctive relief and/or specific performance in any action which may be brought by Landlord or any Tenant Financing Collateral Agent or other Tenant Financing Claimholders, as the case may be. No provision of this Agreement shall constitute or be deemed to constitute a waiver by Landlord or any Tenant Financing Collateral Agent on behalf of itself and each other Tenant Financing Claimholder represented by it of any right to seek damages from any Person in connection with any breach or alleged breach of this Agreement.

#### **SECTION 4. Payments.**

##### **4.1 Application of Proceeds.**

(a) So long as the Discharge of Tenant Financing Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant, unless the CPLV Lease Exercise Conditions have occurred, upon the entry and consummation of (i) any New Lease pursuant to and in accordance with Section 17.1(f) of the CPLV Lease, or (ii) any transfer of Tenant's Leasehold Estate to a Replacement Tenant pursuant to and in accordance with Section 17.1 (d) of the CPLV Lease, Section 17.1(e) of the CPLV Lease and/or Section 22 of the CPLV Lease, in each case in a manner consistent with this Agreement, any proceeds from such transaction received by the Tenant Financing Collateral Agents and the other Tenant Financing Claimholders shall be applied by the applicable Tenant Financing Collateral Agent to the Tenant Financing Obligations in such order as specified in the relevant Tenant Financing Documents; provided that any CPLV Lease Collateral (but not the proceeds thereof) and, solely to the extent that such Tenant Financing Collateral Agent is reasonably capable of causing such property to be so transferred, the Related Property shall be transferred by the applicable Tenant Financing Collateral Agent to the new Tenant under the CPLV Lease (or New Lease) in accordance with the terms of Section 17.1(e) or 17.(f) of the CPLV Lease. Upon the Discharge of Tenant Financing Obligations, the applicable Tenant Financing Collateral Agent shall deliver such proceeds of such CPLV Lease Collateral to Tenant, its successors or assigns from time to time, or to whomever may be lawfully entitled to receive the same.

(b) From and after the earlier to occur of the Discharge of Tenant Financing Obligations and the CPLV Lease Exercise Conditions, so long as the Discharge of CPLV Lease Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant, any CPLV Lease Collateral or any proceeds thereof received in connection with any Enforcement Action or other exercise of remedies by Landlord shall be transferred to any new Tenant to the extent required by the CPLV Lease subject to a lien in favor of Landlord. Upon the Discharge of CPLV Lease Obligations,

Landlord shall, in the following order, (x) unless a Discharge of Tenant Financing Obligations has already occurred, deliver any remaining proceeds of CPLV Lease Collateral held by it to the Designated Tenant Financing Collateral Agent to be applied by the Tenant Financing Collateral Agents to the Tenant Financing Obligations in such order as specified in the Tenant Financing Documents until a Discharge of Tenant Financing Obligations and (y) if a Discharge of Tenant Financing Obligations has already occurred, deliver such proceeds of CPLV Lease Collateral to Tenant, its successors or assigns from time to time, or to whomever may be lawfully entitled to receive the same.

4.2 Future Liens. Any Lien encumbering the CPLV Lease Collateral received by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder in respect of any of the Tenant Financing Obligations in any Insolvency or Liquidation Proceeding and (y) any Lien encumbering the CPLV Lease Collateral received by Landlord in respect of the CPLV Lease Obligations in any Insolvency or Liquidation Proceeding shall be subject to the terms of this Agreement.

4.3 Release of Liens. Upon any sale or disposition of CPLV Lease Collateral by Landlord pursuant to an Enforcement Action not prohibited by the terms of this Agreement that results in the release of the Lien securing the CPLV Lease Obligations, on all or any portion of any CPLV Lease Collateral, the Lien securing the Tenant Financing Obligations on such CPLV Lease Collateral shall be automatically and unconditionally released with no further consent or action of any Person. The Tenant Financing Collateral Agent shall promptly execute and deliver such release documents and instruments and shall take such further actions as the Landlord shall request to evidence any release of the Liens securing the Tenant Financing Obligations described in this Section 4.3; provided that Landlord shall have delivered to the Tenant Financing Collateral Agent a written request therefor and a certificate of the Landlord to the effect that the release of such CPLV Lease Collateral is in compliance with this Agreement.

## **SECTION 5. Other Agreements.**

### **5.1 Insurance**

The rights of any party hereto in or with respect to insurance policies and proceeds thereof covering the CPLV Lease Collateral shall be governed by the terms of the CPLV Lease and the Landlord Financing SNDA.

### **5.2 Intercreditor Legend**

(a) Tenant agrees that each Tenant Financing Collateral Document relating to the CPLV Lease Collateral shall include the following language (or language to similar effect approved by Landlord):

“Notwithstanding anything herein to the contrary, the lien and security interest granted to the [Collateral Agent] pursuant to this Agreement in the CPLV Lease Collateral and the exercise of any right or remedy by the [Collateral Agent] hereunder against the CPLV Lease Collateral are

In the event of any conflict between the terms of the Intercreditor Agreement with respect to the CPLV Lease Collateral and the Related Property and this Agreement, the terms of the Intercreditor Agreement shall govern and control.”

(b) Landlord and Tenant agree that each CPLV Lease Collateral Document shall include the following language (or language to similar effect approved by each Tenant Financing Collateral Agent):

“Notwithstanding anything herein to the contrary, the lien and security interest granted to Landlord pursuant to this Agreement in the CPLV Lease Collateral] and the exercise of any right or remedy by Landlord hereunder against the [CPLV Lease Collateral] are subject to the provisions of the Intercreditor Agreement, dated as of [ • ] (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), among CPLV LLC, as the holder of the CPLV Lease Obligations, CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, as Credit Agreement Collateral Agent, DESERT PALACE LLC[ and CEOC, LLC], [collectively,] as Tenant, Landlord Financing Lender and certain other persons party or that may become party thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement with respect to the CPLV Lease Collateral and the Related Property and this Agreement, the terms of the Intercreditor Agreement shall govern and control.”

### 5.3 Bailee/Agent for Perfection.

(a) (i) Solely with respect to any deposit accounts and securities accounts constituting CPLV Lease Collateral (the “Pledged Collateral”) under the control (within the meaning of Section 9-104 or 9-106 of the UCC) of Landlord or Landlord Financing Lender, Landlord and Landlord Financing Lender agree to also hold such deposit accounts in accordance with the terms and conditions hereof and the Landlord Financing SNDA.

(ii) Solely with respect to any deposit accounts and securities accounts constituting CPLV Lease Collateral (the “Pledged Collateral”) under the control (within the meaning of Section 9-104 or 9-106 of the UCC) of any Tenant Financing Collateral Agent or any Tenant Financing Claimholder, such Tenant Financing Collateral Agent and such Tenant Financing Claimholder agree to also hold control over such deposit accounts for the Landlord (or, if applicable, Landlord Financing Lender), subject to the terms and conditions of this Section 5.3.

(b) Neither Landlord nor Landlord Financing Lender shall have any obligation whatsoever to any Tenant Financing Collateral Agent or any Tenant Financing Claimholder to ensure that the Pledged Collateral is genuine or owned by Tenant, to perfect the security interest of the Tenant Financing Collateral Agents or other Tenant Financing Claimholders or to preserve rights or benefits of any Person except as expressly set forth in this Section 5.3. The duties or responsibilities of Landlord and Landlord Financing Lender under this Section 5.3 shall be limited solely to holding such deposit accounts and securities accounts in accordance with this Section 5.3.

(c) [Reserved].

(d) Upon the Discharge of CPLV Lease Obligations, Landlord or Landlord Financing Lender, as applicable, shall deliver the remaining Pledged Collateral in its possession (if any) together with any necessary endorsements (which endorsement shall be without recourse and without any representation or warranty), in the following order: (x) if a Discharge of Tenant Financing Obligations has not already occurred, to the Designated Tenant Financing Collateral Agent and (y) if a Discharge of Tenant Financing Obligations has already occurred, to Tenant or to whomever may be lawfully entitled to receive the same. Following the Discharge of CPLV Lease Obligations, each of Landlord and Landlord Financing Lender further agrees to take all other action reasonably requested by any Tenant Financing Collateral Agent at the expense of Tenant in connection with such Tenant Financing Collateral Agent obtaining a first-priority security interest in the Pledged Collateral. After the Discharge of CPLV Lease Obligations has occurred, upon the Discharge of Tenant Financing Obligations, the applicable Tenant Financing Collateral Agent shall deliver the remaining Pledged Collateral in its possession (if any) together with any necessary endorsements (which endorsement shall be without recourse and without any representation or warranty) to Tenant or to whomever may be lawfully entitled to receive the same.

#### 5.4 When Discharge of Obligations Deemed to Not Have Occurred.

(a) If, at any time after the termination of the CPLV Lease has occurred or contemporaneously therewith, a New Lease is entered into in accordance with the CPLV Lease, then such New Lease shall automatically be treated as the CPLV Lease for all purposes of this Agreement and the obligations under such New Lease shall automatically be treated as CPLV Lease Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of CPLV Lease Collateral set forth herein. In such event, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the

obligations of the parties hereto from such date of reinstatement, and (i) the tenant under such New Lease shall become party hereto as Tenant and shall be treated for all purposes hereunder as Tenant and (ii) such tenant, Landlord, each Tenant Financing Collateral Agent, Landlord Financing Lender and each other party hereto shall promptly enter into such documents and agreements (including amendments or supplements to this Agreement) as any Tenant Financing Collateral Agent, Landlord or Landlord Financing Lender shall reasonably request in order to provide it the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement. This Section 5.4(a) shall survive termination of this Agreement.

(b) If, at any time after the Discharge of Tenant Financing Obligations has occurred, Tenant enters into any Additional Tenant Financing Loan Document evidencing any Additional Tenant Financing Obligations, so long as the Tenant Financing Collateral Agent and the Tenant Financing Claimholders are Permitted Leasehold Mortgagees (as defined in the CPLV Lease) then Landlord and Landlord Financing Lender, at the cost and expense of Tenant, shall, upon the request of Tenant, promptly enter into a new intercreditor agreement, in substantially the same form as this Agreement, with the Tenant Financing Collateral Agent in respect of such Additional Tenant Financing Obligations and the Tenant. This Section 5.4(b) shall survive termination of this Agreement.

**5.5 Amendments to Tenant Financing Documents.** Each Tenant Financing Representative, on behalf of itself and the Tenant Financing Claimholders, agrees that it shall not at any time execute or deliver any amendment, restatement, or modification to any Tenant Financing Document that would violate the terms and provisions of this Agreement.

## **SECTION 6. Insolvency or Liquidation Proceedings.**

**6.1 Relief from Automatic Stay.** Prior to the occurrence of the CPLV Lease Exercise Conditions, Landlord agrees that it will not seek relief from the automatic stay or from any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of the CPLV Lease Collateral, without the prior written consent of the Tenant Financing Collateral Agent (acting upon the written instruction of the Tenant Financing Claimholders) so long as Tenant Financing Collateral Agent is a Permitted Leasehold Mortgagee. At all times thereafter, none of the Credit Agreement Collateral Agent or any Credit Agreement Claimholder will seek relief from the automatic stay or from any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case solely in respect of the CPLV Lease Collateral and the Related Property, without the prior written consent of Landlord.

**6.2 Finance and Sale Issues.** Prior to the occurrence of the CPLV Lease Exercise Conditions, if Tenant shall be subject to any Insolvency or Liquidation Proceeding and any Tenant Financing Collateral Agent shall desire to permit the use of “Cash Collateral” (as such term is defined in Section 363(a) of the Bankruptcy Code) on which such Tenant Financing Collateral Agent or any other creditor has a Lien, or to permit Tenant to obtain financing, whether from the Tenant Financing Claimholders or any other Person under Section 364 of the Bankruptcy Code or any similar Bankruptcy Law (“DIP Financing”), in each case in a manner not inconsistent with the terms of this Agreement, then Landlord will not object to such Cash Collateral use or DIP Financing (including any proposed orders for such Cash Collateral use and/or DIP Financing which are acceptable to such Tenant Financing Collateral Agent), so long as Tenant Financing Collateral Agent is a Permitted Leasehold Mortgagee and so long as (a) any Liens on the CPLV Lease Collateral securing such DIP Financing are subordinated to the Liens on the CPLV Lease Collateral securing the CPLV Lease Obligations in accordance with the terms of this Agreement and (b) no amounts owed by Tenant under such DIP Financing take priority over any claims under the CPLV Lease that may arise prior to any rejection of the CPLV Lease. Prior to the occurrence of the CPLV Lease Exercise Conditions, Landlord shall not provide any DIP Financing to Tenant without the prior written consent of the Tenant Financing Collateral Agents so long as Tenant Financing Collateral Agent is a Permitted Leasehold Mortgagee. Landlord agrees that, unless the CPLV Lease Exercise Conditions have occurred, it will (including, without limitation, in an Insolvency or Liquidation Proceeding) (i) not seek consultation rights in connection with, and will not object to or oppose, any sale, liquidation or other disposition of any assets of Tenant, including the CPLV Lease Collateral, that is supported by the Tenant Financing Collateral Agents so long as Tenant Financing Collateral Agent is a Permitted Leasehold Mortgagee and (ii) be deemed to have consented to such sale, liquidation or other disposition, provided that (A) such sale, liquidation or other disposition shall be made pursuant to a Tenant Financing Permitted Action to the same Person who acquires Tenant’s Leasehold Estate (as defined in the CPLV Lease) in accordance with the CPLV Lease and the Person so acquiring the CPLV Lease Collateral shall expressly acknowledge in writing that it is acquiring the CPLV Lease Collateral subject to the continuing first priority lien of Landlord, and (B) notwithstanding any such sale, liquidation or other disposition, the CPLV Lease Collateral shall remain subject to the continuing first priority lien of Landlord. Landlord further agrees that, unless the CPLV Lease Exercise Conditions have occurred, it will not directly or indirectly oppose or impede any such sale, liquidation or other disposition, including orders to retain professionals or set bid procedures in connection with such sale, liquidation or disposition if the Tenant Financing Collateral Agents are each a Permitted Leasehold Mortgagee and have consented to (i) such retention of professionals and bid procedures in connection with such sale, liquidation or disposition of such assets and (ii) the sale, liquidation or disposition of such assets, in which event Landlord will be deemed to have consented to the sale or disposition of CPLV Lease Collateral, and provided that (A) such sale, liquidation or other disposition shall be made pursuant to a Tenant Financing Permitted Action to the same Person who acquires Tenant’s Leasehold Estate (as defined in the CPLV Lease) in accordance with the CPLV Lease and (B) notwithstanding any such sale, liquidation or other disposition, the CPLV Lease Collateral shall remain subject to the continuing first priority lien of Landlord and the Person so acquiring the CPLV Lease Collateral shall expressly acknowledge in writing that it is acquiring the CPLV Lease Collateral subject to the lien of Landlord.

No Tenant Financing Claimholder may participate, directly or indirectly, in, or support any other Person that is seeking approval of, any DIP Financing secured by CPLV Lease Collateral unless (a) any Liens on the CPLV Lease Collateral securing such DIP Financing are subordinated to the Liens on the CPLV Lease Collateral securing the CPLV Lease Obligations in accordance with the terms of this Agreement and (b) no amounts owed by Tenant under such DIP Financing take priority over any claims under the CPLV Lease that may arise prior to any rejection of the CPLV Lease.

For the avoidance of doubt and notwithstanding anything to the contrary in this Agreement, prior to the occurrence of the CPLV Lease Exercise Conditions, neither Landlord nor Landlord Financing Lender may participate, directly or indirectly, in, or support any other Person that is seeking approval of, any DIP Financing secured by Tenant Financing Separate Collateral unless (a) any Liens on the Tenant Financing Separate Collateral securing such DIP Financing are subordinated to the Liens on the Tenant Financing Separate Collateral securing the Tenant Financing Obligations and (b) no amounts owed by Tenant under such DIP Financing take priority over any claims under the Tenant Financing Documents on Tenant Financing Separate Collateral.

After the occurrence of the CPLV Lease Exercise Conditions, each Tenant Financing Representative, on behalf of itself and the Tenant Financing Claimholders, (including, without limitation, in an Insolvency or Liquidation Proceeding) (i) shall not seek consultation rights in connection with, and shall not object to or oppose, any sale, liquidation or other disposition of any CPLV Lease Collateral or Related Property, that is supported by the Landlord and (ii) shall be deemed to have consented to such sale, liquidation or other disposition. Each Tenant Financing Representative further agrees that, after the occurrence of the CPLV Lease Exercise Condition, it will not directly or indirectly oppose or impede any such sale, liquidation or other disposition, including orders to retain professionals or set bid procedures in connection with such sale, liquidation or disposition if the Landlord has consented to (i) such retention of professionals and bid procedures in connection with such sale, liquidation or disposition of such assets and (ii) the sale, liquidation or disposition of such assets, in which event each Tenant Financing Representative, on behalf of itself and the Tenant Financing Claimholders, agrees will be deemed to have consented to the sale or disposition of CPLV Lease Collateral.

### 6.3 Adequate Protection.

(a) Landlord agrees that it shall not object to or contest, or support any other Person objecting to or contesting, in each case to the extent that such actions are not inconsistent with this Agreement, (i) any request by any Tenant Financing Collateral Agent or other Tenant Financing Claimholder for adequate protection under Bankruptcy Law; (ii) any objection by any Tenant Financing Collateral Agent or other Tenant Financing Claimholder to any motion,

relief, action or proceeding based on a claim of a lack of adequate protection or (iii) the payment of interest, fees, expenses or other amounts to any Tenant Financing Collateral Agent or other Tenant Financing Claimholder under Section 506(b) or 506(c) of the Bankruptcy Code or otherwise; provided, in each case, that (a) such adequate protection does not result in any Tenant Financing Claimholders receiving any Lien on CPLV Lease Collateral that is not subordinated to the Liens on the CPLV Lease Collateral securing the CPLV Lease Obligations in accordance with the terms of this Agreement, (b) no amounts owed by Tenant with respect to such adequate protection take priority over any claims under the CPLV Lease that may arise prior to any rejection of the CPLV Lease and (c) Tenant Financing Collateral Agent is a Permitted Leasehold Mortgagee.

(b) Each Tenant Financing Representative, on behalf of itself and the Tenant Financing Claimholders, agrees that it shall not object to or contest, or support any other Person objecting to or contesting, in each case to the extent that such actions are not inconsistent with this Agreement, (i) any request by Landlord for adequate protection under Bankruptcy Law; or (ii) any objection by Landlord to any motion, relief, action or proceeding based on a claim of a lack of adequate protection or (iii) the payment of interest, fees, expenses or other amounts to Landlord under Section 506(b) or 506(c) of the Bankruptcy Code or otherwise.

6.4 Avoidance Issues. If Landlord is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay to the estate of Tenant any amount paid in respect of CPLV Lease Obligations (a "Landlord Recovery"), then Landlord shall be entitled to a reinstatement of its CPLV Lease Obligations with respect to all such recovered amounts on the date of such Landlord Recovery, and from and after the date of such reinstatement the Discharge of CPLV Lease Obligations shall be deemed not to have occurred for all purposes hereunder. If any Tenant Financing Claimholder is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay to the estate of Tenant any amount paid in respect of Tenant Financing Obligations (a "Tenant Financing Recovery" and, together with a Landlord Recovery, a "Recovery"), then such Tenant Financing Claimholder shall be entitled to a reinstatement of its Tenant Financing Obligations with respect to all such recovered amounts on the date of such Recovery, and from and after the date of such reinstatement the Discharge of Tenant Financing Obligations shall be deemed not to have occurred for all purposes hereunder. If this Agreement shall have been terminated prior to any Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. The parties hereto agree that they shall not be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement. This Section 6.4 shall survive termination of this Agreement.

#### 6.5 Post-Petition Interest.

(a) No Tenant Financing Collateral Agent or other Tenant Financing Claimholder shall oppose or seek to challenge any claim by Landlord for allowance in any Insolvency or Liquidation Proceeding of CPLV Lease Obligations consisting of Post-Petition Interest to the extent of the value of Landlord's Lien on the CPLV Lease Collateral, without regard to the existence of the Liens of the Tenant Financing Collateral Agents or the other Tenant Financing Claimholders on the CPLV Collateral.

(b) Landlord shall not oppose or seek to challenge any claim by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder for allowance in any Insolvency or Liquidation Proceeding of Tenant Financing Obligations consisting of Post-Petition Interest to the extent of the value of the Lien of the Tenant Financing Collateral Agents, on behalf of the Tenant Financing Claimholders, on the Tenant Financing Collateral (after taking into account the amount of the CPLV Lease Obligations and the provisions of this Agreement).

6.6 Separate Grants of Security and Separate Classification. Each of the Tenant Financing Collateral Agents, on behalf of itself and each other Tenant Financing Claimholder represented by it, and Landlord acknowledges and agrees that:

(a) the grants of Liens pursuant to the CPLV Lease Collateral Documents and the Tenant Financing Collateral Documents constitute two separate and distinct grants of Liens; and

(b) because of, among other things, their differing rights in the CPLV Lease Collateral, the Tenant Financing Obligations are fundamentally different from the CPLV Lease Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding.

To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of Landlord and the Tenant Financing Claimholders in respect of the CPLV Lease Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then each of the parties hereto hereby acknowledges and agrees that all distributions shall be made as contemplated hereunder as if there were separate classes of secured claims against Tenant in respect of the CPLV Lease Collateral.

6.7 Effectiveness in Insolvency or Liquidation Proceedings. Each party hereto acknowledge that this Agreement is a "subordination agreement" under Section 510(a) of the Bankruptcy Code, which will be effective before, during and after the commencement of an Insolvency or Liquidation Proceeding. All references in this Agreement to Tenant will include such Person as a debtor-in-possession and any receiver or trustee for such Person in an Insolvency or Liquidation Proceeding.

6.8 Unsecured Creditor/DIP Financing Lender. Each Tenant Financing Representative, on behalf of itself and each Tenant Financing Claimholder, and Landlord further agree that it shall not take any action or exercise any rights or remedies prohibited by this Agreement, including this Section 6 in its capacity as an unsecured creditor or creditor under a DIP Financing.

## **SECTION 7. Reliance; Waivers; Etc.**

7.1 Reliance. Other than any reliance on the terms of this Agreement, Landlord acknowledges that it has independently and without reliance on any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder, and based on documents and information deemed by it appropriate, made its own credit analysis and decision to enter into each of the CPLV Lease Documents and be bound by the terms of this Agreement and it will continue to make its own credit decision in taking or not taking any action under the CPLV Lease Documents or this Agreement. Other than reliance on the terms of this Agreement, each Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder represented by it, acknowledges that it and such other Tenant Financing Claimholders have, independently and without reliance on Landlord, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the Tenant Financing Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Tenant Financing Documents or this Agreement.

7.2 No Warranties or Liability. Landlord acknowledges and agrees that no Tenant Financing Collateral Agent or other Tenant Financing Claimholder has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Tenant Financing Documents, the ownership of any CPLV Lease Collateral or the perfection or priority of any Liens thereon. Except as otherwise provided herein, the Tenant Financing Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under the Tenant Financing Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. Each Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder, acknowledges and agrees that Landlord has not made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the CPLV Lease Documents, the ownership of any CPLV Lease Collateral or the perfection or priority of any Liens thereon.

7.3 Obligations Unconditional. All rights, interests, agreements and obligations of Landlord, Landlord Financing Lender and the Tenant Financing Collateral Agents and the other Tenant Financing Claimholders, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any CPLV Lease Documents and Landlord Financing Documents or any Tenant Financing Documents;

(b) except as otherwise expressly set forth in this Agreement, any change in the time, manner or place of payment of, or in any other terms of, all or any of the CPLV Lease Obligations, Landlord Financing Documents or Tenant Financing Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any CPLV Lease Document, any Landlord Financing Document or any Tenant Financing Document;

(c) except as otherwise expressly set forth in this Agreement, any exchange of any security interest in any CPLV Lease Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the CPLV Lease Obligations or Tenant Financing Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of Tenant; or

(e) any other circumstances which otherwise might constitute a defense available to, or a discharge of, Tenant in respect of Landlord, the CPLV Lease Obligations, any Tenant Financing Collateral Agent, any Tenant Financing Claimholder or the Tenant Financing Obligations in respect of this Agreement.

#### **SECTION 8. Landlord Financing SNDAs.**

8.1 Tenant Financing Claimholder. Landlord Financing Lender and Landlord acknowledge and agree that any Tenant Financing Collateral Agent or any other Person who acquires any portion of Tenant's leasehold interest in the Leased Property in a foreclosure or similar proceeding or in a transfer in lieu of any such foreclosure or any successor owner of the such leasehold interest Leased Property shall be entitled, upon an assumption of Tenant's rights and obligations under the CPLV Lease, to exercise and enforce all rights and benefits of Tenant under, and subject to, the Landlord Financing SNDA or any other any subordination, nondisclosure and attornment agreement or similar agreement entered into between Landlord Financing Lender or any related party and Tenant. If a New Lease is entered into pursuant to Section 17.1(f) of the CPLV Lease, Landlord Financing Lender, at the cost and expense of Tenant, shall enter into new subordination, nondisclosure and attornment agreements or similar agreements with the tenant under such New Lease in substantially the same forms and substance as the corresponding agreement that were entered into with respect to the CPLV Lease.

## SECTION 9. Miscellaneous.

9.1 Integration. This Agreement, the CPLV Lease Documents, the Tenant Financing Documents, the Trademark Security Agreement (as defined in the Landlord Financing Agreement), and, to the extent expressly set forth herein, the Landlord Financing SNDA represent the entire agreement of Tenant, Landlord, the Tenant Financing Claimholders and, as between the Landlord and Landlord Financing Lender, the Landlord Financing Documents with respect to the CPLV Lease Collateral, and supersede any and all previous agreements and understandings, oral or written, relating to the CPLV Lease Collateral. There are no promises, undertakings, representations or warranties by Tenant, Landlord, the Tenant Financing Claimholders or Landlord Financing Lender relative to the CPLV Lease Collateral not expressly set forth or referred to herein or therein. In the event of any conflict between the provisions of this Agreement and the provisions of the CPLV Lease Documents or the Tenant Financing Documents with respect to the CPLV Lease Collateral and Related Property, the provisions of this Agreement shall govern and control; provided that the foregoing shall not be construed to limit the relative rights and obligations as among the Tenant Financing Claimholders, which may be governed by separate intercreditor arrangements among them and provided further that notwithstanding the foregoing nothing in this agreement shall be construed to permit Landlord to exercise any rights or remedies against Tenant in contravention of the first sentence of Section 6.3(d) of the CPLV Lease.

9.2 Effectiveness; Continuing Nature of this Agreement; Severability. This Agreement shall become effective when executed and delivered by the parties hereto. Each of Landlord and each Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder represented by it, hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good faith negotiations to replace any invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to those of the invalid, illegal or unenforceable provisions. All references to Tenant shall include Tenant as debtor and debtor-in-possession and any receiver, trustee or similar person for Tenant in any Insolvency or Liquidation Proceeding. This Agreement shall terminate and be of no further force and effect on the earlier to occur of (x) the date on which there has been a Discharge of CPLV Lease Obligations and (y) the date on which there has been a Discharge of Tenant Financing Obligations, in each case, subject to Section 5.4 and Section 6.4; provided, however, that no termination shall relieve any party of its obligations incurred hereunder prior to the date of termination.

9.3 Amendments; Waivers. No amendment, modification or waiver of any of the provisions of this Agreement by any party hereto shall be deemed to be made unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time.

9.4 Information Concerning Financial Condition of Tenant and its Subsidiaries. Landlord, on the one hand, and the Tenant Financing Claimholders and the Tenant Financing Collateral Agents, on the other hand, shall each be responsible for keeping themselves informed of (a) the financial condition of Tenant and all endorsers and/or guarantors of the CPLV Lease Obligations or the Tenant Financing Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the CPLV Lease Obligations or the Tenant Financing Obligations. Subject to Article XVII of the CPLV Lease, neither Landlord, on the one hand, nor any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder, on the other hand, shall have any duty to advise the others of information known to it regarding such condition or any such circumstances or otherwise.

9.5 Subrogation.

(a) With respect to the value of any payments or distributions in cash, property or other assets that any of the Tenant Financing Claimholders or Tenant Financing Collateral Agents pays over to Landlord under the terms of this Agreement, such Tenant Financing Claimholders and Tenant Financing Collateral Agents shall be subrogated to the rights of Landlord; provided that each such Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder represented by it, hereby agrees not to assert or enforce any such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of CPLV Lease Obligations has occurred. Tenant acknowledges and agrees that the value of any payments or distributions in cash, property or other assets received by the Tenant Financing Collateral Agents or the Tenant Financing Claimholders that are paid over to Landlord pursuant to this Agreement shall not reduce any of the Tenant Financing Obligations.

(b) With respect to the value of any payments or distributions in cash, property or other assets that Landlord pays over to any Tenant Financing Claimholders under the terms of this Agreement, Landlord shall be subrogated to the rights of such Tenant Financing Claimholders; provided that Landlord hereby agrees not to assert or enforce any such rights of subrogation it may acquire as a result of any payment hereunder until the earlier of (i) the date on which the CPLV Lease Conditions have occurred and (ii) the Discharge of Tenant Financing Obligations has occurred. Tenant acknowledges and agrees that the value of any payments or distributions in cash, property or other assets received by Landlord that are paid over to Tenant Financing Claimholders pursuant to this Agreement shall not reduce any of the CPLV Lease Obligations.

9.6 Additional Debt Facilities.

(a) Subject to the terms of the CPLV Lease, Tenant may incur (or issue and sell), secure and guarantee one or more series or classes of Indebtedness that Tenant designates as Additional Tenant Financing Debt. Such Additional Tenant Financing Debt may be in addition to the Credit Agreement and/or may refinance the Credit Agreement in full or in part.

Subject to the terms of the CPLV Lease, any such series or class of Additional Tenant Financing Debt may be secured by a Lien on the CPLV Lease Collateral that is junior in priority to the Lien upon such CPLV Lease Collateral securing the CPLV Lease Obligations in accordance with the terms hereof, in each case under and pursuant to the relevant Tenant Financing Collateral Documents for such Series of Additional Tenant Financing Debt; provided, however, that unless such Indebtedness is part of an existing Series of Additional Tenant Financing Debt represented by a Tenant Financing Collateral Agent already party to this Agreement, the Additional Tenant Financing Collateral Agent of any such Additional Tenant Financing Debt becomes a party to this Agreement by satisfying the conditions set forth in clauses (1) and (2) of Section 9.6(b). Upon any Additional Tenant Financing Collateral Agent so becoming a party hereto, all Additional Tenant Financing Obligations of such Series shall also be entitled to be so secured by a subordinated Lien on the CPLV Lease Collateral in accordance with the terms hereof and thereof.

(b) In order for an Additional Tenant Financing Collateral Agent to become a party to this Agreement:

(1) each such Additional Tenant Financing Collateral Agent must qualify as a Permitted Leasehold Mortgagee (as defined in the Lease);

(2) such Additional Tenant Financing Collateral Agent shall have executed and delivered to each other then-existing Tenant Financing Collateral Agent and Landlord a Joinder Agreement substantially in the form of Exhibit A hereto (with such changes as may be reasonably approved by such Persons and such Additional Tenant Financing Collateral Agent) pursuant to which such Additional Tenant Financing Collateral Agent becomes a Tenant Financing Collateral Agent hereunder and the related Tenant Financing Claimholders, as applicable, become subject hereto and bound hereby; and

(3) Tenant shall have delivered a Designation to each other then-existing Tenant Financing Collateral Agent and Landlord substantially in the form of Exhibit B hereto, pursuant to which Tenant shall (A) identify the Indebtedness to be designated as Additional Tenant Financing Obligations, (B) specify the name and address of the applicable Additional Tenant Financing Collateral Agent, and (C) certify that the conditions set forth in this Section 9.6 are satisfied with respect to such Additional Tenant Financing Debt; provided that, in the case of a replacement or refinancing of the Credit Agreement, the Tenant may identify in such Designation a particular Tenant Financing Collateral Agent as the new Credit Agreement Collateral Agent, and in such case, such Tenant Financing Collateral Agent shall be deemed to be the Credit Agreement Collateral Agent for all purposes hereunder and the Tenant Financing Documents to which such Credit Agreement Collateral Agent is party shall be deemed to be the Credit Agreement Loan Documents for all purposes hereunder.

(c) The Additional Tenant Financing Loan Documents relating to such Additional Tenant Financing Obligations shall provide that each of the applicable Additional Tenant Financing Claimholders with respect to such Additional Tenant Financing Obligations will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Tenant Financing Obligations and the Tenant Financing Obligations related thereto shall be subject to the terms and provisions of this Agreement.

(d) Upon the execution and delivery of a Joinder Agreement by an Additional Tenant Financing Collateral Agent in accordance with this Section 9.6, each other Tenant Financing Collateral Agent and Landlord shall acknowledge receipt thereof by countersigning a copy thereof and returning the same to such Additional Tenant Financing Collateral Agent; provided that the failure of any Tenant Financing Collateral Agent or Landlord to so acknowledge or return the same shall not affect the status of such Additional Tenant Financing Obligations as Tenant Financing Obligations, if the other requirements of this Section 9.6 are complied with.

(e) With respect to any incurrence, issuance or sale of Indebtedness after the date hereof under the Credit Agreement or the Additional Tenant Financing Loan Documents of a Series of Additional Tenant Financing Debt whose Tenant Financing Collateral Agent is already a party to this Agreement, the requirements of Section 9.6(b) shall not be applicable and such Indebtedness shall automatically constitute Additional Tenant Financing Debt subject to the provisions of this Agreement.

(f) Landlord shall cause the Fee Mortgagee under any Fee Mortgage entered into after the date of this Agreement to become party to this Agreement as a Landlord Financing Lender by executing and delivering to each party hereto a joinder agreement in form and substance reasonably satisfactory to the Tenant Financing Collateral Agents pursuant to which such Fee Mortgagee agrees to be subject to and bound by the terms of this Agreement, including Section 2.1(c), as a Landlord Financing Lender.

9.7 Submission to Jurisdiction; Certain Waivers. Each of Tenant, Landlord, each Tenant Financing Collateral Agent on behalf of itself and each Tenant Financing Claimholder represented by it, and Landlord Financing Lender hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Collateral Documents (whether arising in contract, tort or otherwise) to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the general jurisdiction of the courts of the State of New York sitting in the Borough of Manhattan, the courts of the United States for the Southern District of New York sitting in the Borough of Manhattan, and any bankruptcy court having jurisdiction over any Insolvency or Liquidation Proceeding, and appellate courts from any of the foregoing;

(b) agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York state court, bankruptcy court or, to the fullest extent permitted by applicable law, in such federal court, and that any such court, including any bankruptcy court having jurisdiction over any Insolvency or Liquidation Proceeding, shall have the authority to enforce the terms of this Agreement (including by specific performance) in any such proceeding;

(c) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law and that nothing in this Agreement or any other CPLV Lease Document or Tenant Financing Document shall affect any right that any Secured Party may otherwise have to bring any action or proceeding relating to this Agreement or any other CPLV Lease Document or Tenant Financing Document against Tenant or any of its assets in the courts of any jurisdiction;

(d) waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Collateral Documents in any court referred to in Section 9.7(a) (and irrevocably waives to the fullest extent permitted by applicable law the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court);

(e) consents to service of process in any such proceeding in any such court by registered or certified mail, return receipt requested, to the applicable party at its address provided in accordance with Section 9.9 (and agrees that nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law);

(f) agrees that service as provided in Section 9.7(e) is sufficient to confer personal jurisdiction over the applicable party in any such proceeding in any such court, and otherwise constitutes effective and binding service in every respect; and

(g) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover any special, exemplary, punitive or consequential damages.

9.8 WAIVER OF JURY TRIAL. EACH PARTY HERETO IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT, BREACH OF DUTY, COMMON LAW, STATUTE OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. EACH PARTY HERETO FURTHER REPRESENTS AND WARRANTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

9.9 Notices. Unless otherwise specifically provided herein, any notice hereunder shall be in writing and may be personally served or sent by telefacsimile, electronic mail or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof, upon receipt of telefacsimile or electronic mail, or three Business Days after depositing it in the United States mail with postage prepaid and properly addressed. For the purposes hereof, the addresses of the parties hereto shall be as set forth below each party's name on the signature pages hereto or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties. All notices to the Tenant Financing Claimholders permitted or required under this Agreement shall be sent to the applicable Tenant Financing Collateral Agent(s).

9.10 Further Assurances. Landlord, each Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder under the Tenant Financing Documents represented by it, and Tenant, agree that each of them shall take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as Landlord or any Tenant Financing Collateral Agent may reasonably request to effectuate the terms of and the Lien priorities contemplated by this Agreement.

9.11 APPLICABLE LAW. THIS AGREEMENT AND ANY DISPUTE, CLAIM OR CONTROVERSY ARISING OUT OF OR RELATING TO THIS AGREEMENT (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OR PRIORITY OF THE SECURITY INTERESTS IN THE CPLV LEASE COLLATERAL).

9.12 Binding on Successors and Assigns. This Agreement shall be binding upon Landlord, the Tenant Financing Collateral Agents, the other Tenant Financing Claimholders, Tenant and Landlord Financing Lender and their respective successors and assigns from time to time. If any Tenant Financing Collateral Agent resigns or is replaced pursuant to the Tenant Financing Documents, its successor and/or assign shall be deemed to be a party to this Agreement and shall have all the rights of, and be subject to all the obligations of, this Agreement. No provision of this Agreement will inure to the benefit of a bankruptcy trustee, debtor-in-possession, creditor trust or other representative of an estate or creditor of Tenant, including where any such bankruptcy trustee, debtor-in-possession, creditor trust or other representative of an estate is the beneficiary of a Lien securing CPLV Lease Collateral by virtue of the avoidance of such Lien in an Insolvency or Liquidation Proceeding.

9.13 Section Headings. The section headings and the table of contents used in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose, be given any substantive effect, affect the construction hereof or be taken into consideration in the interpretation hereof.

9.14 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. (a) Subject to Section 3.1(c) of this Agreement and Section 6.3(d) of the Non-CPLV Lease, unless and until the earlier of (x) the Discharge of Tenant Financing Obligations has occurred or (y) the Non-CPLV Lease Exercise Conditions have occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant, Landlord:

(1) will not commence or maintain, or seek to commence or maintain, any Enforcement Action or otherwise exercise any rights or remedies (other than a Permitted Non-CPLV Lease Reserve Account Collateral Application) with respect to the Non-CPLV Lease Collateral; provided that any exercise by Landlord prior to the Non-CPLV Lease Termination Conditions shall be subject to the limitations in the Non-CPLV Lease and Landlord may not complete any foreclosure prior to the satisfaction of the Non-CPLV Lease Termination Conditions;

(2) except as set forth in Section 2.4 or 3.1(e), will not contest, protest, object to or take any other action that would hinder any foreclosure proceeding or action brought by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder or any other exercise by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder of any rights and remedies relating to the Non-CPLV Lease Collateral under the Tenant Financing Documents or

otherwise (including any Enforcement Action initiated by or supported by any Tenant Financing Collateral Agent or any Tenant Financing Claimholder), provided that such Enforcement Action, foreclosure proceeding, action or other exercise of rights and remedies is in accordance with the provisions of the Non-CPLV Lease and this Agreement; and

(3) will not bid for or purchase Non-CPLV Lease Collateral at any public, private or judicial foreclosure upon such Non-CPLV Lease Collateral initiated by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder, or any sale of Non-CPLV Lease Collateral during an Insolvency or Liquidation Proceeding, in each case in connection with a Tenant Financing Permitted Action.

(b) Subject to Section 2.4, Section 3.1 and Section 6 of this Agreement, until the Discharge of Tenant Financing Obligations has occurred, so long as the Non-CPLV Lease Exercise Conditions have not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant, the Tenant Financing Collateral Agents and the other Tenant Financing Claimholders shall have the exclusive right to commence and maintain an Enforcement Action (but excluding any Permitted Non-CPLV Lease Reserve Account Collateral Application) and make determinations regarding the release, disposition or restrictions with respect to the Non-CPLV Lease Collateral without any consultation with or the consent of Landlord; provided that (A) with respect to any Non-CPLV Lease Collateral and any Related Property, such Enforcement Action is a Tenant Financing Permitted Action and provided any acquirer of such Non-CPLV Lease Collateral and such Related Property expressly agrees in writing for the benefit of Landlord that such Non-CPLV Lease Collateral and such Related Property that is transferred will be made available to the new tenant of the Leased Premises and will be utilized on the Tenant's Leasehold Estate in connection with a New Lease or any transfer of Tenant's Leasehold Estate to a Replacement Tenant under Section 17.1(e) and 22 of the Non-CPLV Lease (but subject in each case to Section 6 of the Non-CPLV Lease) and (B) notwithstanding any such Enforcement Action or other exercise of any such right or remedy, the Non-CPLV Lease Collateral shall remain subject to the continuing first priority lien of Landlord (which has been collaterally assigned to the Landlord Financing Lenders) and the Tenant Collateral Agent or its designee or assignee so acquiring the Non-CPLV Lease Collateral (whether in connection with any credit bid, Enforcement Action or otherwise) shall expressly acknowledge in writing that it is acquiring the Non-CPLV Lease Collateral subject to the first priority Lien of Landlord (which has been collaterally assigned to Landlord Financing Lenders). It is the express intention of all the parties hereto that the Non-CPLV Lease Collateral remain subject to the Non-CPLV Lease (or any New Lease entered into in accordance with Section 17.1(f) of the Non-CPLV Lease), including after the exercise of any rights and remedies by any Tenant Financing Collateral Agent and/or any other Tenant Financing Claimholder. In commencing or maintaining any Enforcement Action or

otherwise exercising rights and remedies with respect to the Non-CPLV Lease Collateral, the Tenant Financing Collateral Agents and the other Tenant Financing Claimholders may enforce the provisions of the Tenant Financing Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion in compliance with any applicable law and without consultation with Landlord, subject in all respects to the provisions of this Agreement.

(c) Notwithstanding the foregoing, prior to the Discharge of Tenant Financing Obligations or the occurrence of the Non-CPLV Lease Termination Conditions, Landlord may:

(1) Subject to Section 6 hereof, take any and all actions and enforce any rights available to a secured creditor with respect to the Non-CPLV Lease Collateral in any Insolvency or Liquidation Proceeding; provided that so long as any Tenant Financing Collateral Agent or any Tenant Financing Claimholder is pursuing a Tenant Financing Permitted Action, Landlord shall not take any action intended to frustrate such action and provided further than Landlord may not complete any foreclosure prior to the satisfaction of the Non-CPLV Lease Termination Conditions;

(2) file a claim or statement of interest with respect to the Non-CPLV Lease Obligations in any Insolvency or Liquidation Proceeding;

(3) take any action in order to create or perfect or, so long as not adverse to the rights of any Tenant Financing Collateral Agent or other Tenant Financing Claimholders hereunder, preserve or protect, its Lien on the Non-CPLV Lease Collateral;

(4) file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims or Liens of Landlord, including any claims secured by the Non-CPLV Lease Collateral, if any, in each case in a manner that is not prohibited by, or inconsistent with, this Agreement;

(5) vote on any plan of reorganization, arrangement, compromise or liquidation, file any proof of claim, make other filings and make any arguments and motions, in each case, in a manner that is not prohibited by, or inconsistent with, this Agreement, with respect to the Non-CPLV Lease Obligations and the Non-CPLV Lease Collateral; provided that no filing of any claim or vote, or pleading related to such claim or vote, to accept or reject a disclosure statement, plan of reorganization, arrangement, compromise or liquidation, or any other document, agreement or proposal similar to the foregoing by Landlord may be inconsistent with the provisions of this Agreement;

(6) subject to the limitations in the Non-CPLV Lease, commence an Enforcement Action with respect to the Non-CPLV Lease Collateral; provided that Landlord shall not (i) complete any such Enforcement Action which results, or allow any such Enforcement Action to result, in a sale, lease, exchange, transfer or other disposition of Non-CPLV Lease Collateral, in each case, prior to the occurrence of the Non-CPLV Lease Termination Conditions or (ii) commence any such Enforcement Action prior to the occurrence of Non-CPLV Lease Termination Conditions that would, or allow any such Enforcement Action to progress to a point at which it would be inconsistent with the terms of this Agreement, it being acknowledged that any Enforcement Action by Landlord (whether such Enforcement Action is commenced before or after the occurrence of the Non-CPLV Lease Exercise Conditions) undertaken on or after the occurrence of the Non-CPLV Lease Termination Conditions shall be permitted in accordance with Section 3.2;

(7) exercise any of its rights or remedies with respect to the Non-CPLV Lease Collateral after the occurrence of the Non-CPLV Lease Termination Conditions;

(8) exercise any and all its rights and remedies in its capacity as "landlord" under the Non-CPLV Lease other than to institute Enforcement Actions that are expressly prohibited, restricted or otherwise limited by this Agreement or the Non-CPLV Lease; and

(9) take any action pursuant to and in accordance with Section 6.3(d) of the Non-CPLV Lease.

Landlord agrees that it will not take or receive any Non-CPLV Lease Collateral or any proceeds of Non-CPLV Lease Collateral in connection with the exercise of any right or remedy (including set-off and recoupment) with respect to any Non-CPLV Lease Collateral in its capacity as a creditor, except to the extent that the Non-CPLV Lease Termination Conditions have occurred. Without limiting the generality of the foregoing, unless and until the Non-CPLV Lease Termination Conditions have occurred, except as expressly provided in Section 3.1(a) or this Section 3.1(c) or any other provision of this Agreement, the sole right of Landlord with respect to the Non-CPLV Lease Collateral is to hold a Lien on the Collateral pursuant to the Non-CPLV Lease Collateral Documents for the period and to the extent granted therein.

(d) Except as specifically prohibited by or limited by this Agreement, Landlord may exercise rights and remedies in its capacity as landlord under the Non-CPLV Lease against Tenant in accordance with the terms of the Non-CPLV Lease Documents and applicable law (it being understood and agreed that this agreement is intended to allocate rights, benefits and obligations as between Landlord and Tenant Financing Claimholders and that as between Landlord and Tenant nothing in this Agreement is intended to give either any greater rights and remedies against the other than as set forth in the Non-CPLV

Lease or to permit either to exercise such rights and remedies at a time or in a manner inconsistent with the Non-CPLV Lease); provided that in the event that Landlord becomes a judgment Lien creditor in respect of Non-CPLV Lease Collateral as a result of its enforcement of its rights as landlord under the Non-CPLV Lease, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the Tenant Financing Obligations) in the same manner as the other Liens securing the Non-CPLV Lease Obligations are subject to this Agreement.

(e) Nothing in this Agreement shall prohibit the receipt by Landlord of the required payments of Rent and other amounts owed in respect of the Non-CPLV Lease Obligations so long as such receipt is not the direct or indirect result of the exercise by Landlord of rights or remedies as a secured creditor against the Non-CPLV Lease Collateral (including set-off and recoupment) or enforcement in contravention of this Agreement of any Lien held by Landlord or as a result of any other violation by Landlord of the express terms of this Agreement. Except as provided herein in respect of Related Property, nothing in this Agreement impairs or otherwise adversely affects any rights or remedies that any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder may have with respect to the Tenant Financing Separate Collateral.

### 3.2 Exercise of Remedies after Occurrence of Non-CPLV Lease Exercise Conditions.

(a) From and after the occurrence of the Non-CPLV Lease Exercise Conditions, until the Discharge of Non-CPLV Lease Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant, as between Tenant Financing Claimholders and Landlord, Landlord shall have the exclusive right to commence and maintain an Enforcement Action or otherwise enforce rights, exercise remedies (including set-off, recoupment and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Non-CPLV Lease Collateral without any consultation with or the consent of the Tenant Financing Claimholders and any Enforcement Action with respect to Non-CPLV Lease Collateral then undertaken by any Tenant Financing Collateral Agent shall thereupon immediately cease; provided, that as between Landlord and Tenant the limitations in the Non-CPLV Lease shall govern and control. In commencing or maintaining any Enforcement Action or otherwise exercising rights and remedies with respect to the Non-CPLV Lease Collateral, Landlord may enforce the provisions of the Non-CPLV Lease Documents and exercise remedies thereunder, all in such order and in such manner as it may determine in the exercise of its sole discretion in compliance with any applicable law and the terms of the Non-CPLV Lease Documents and without consultation with the Tenant Financing Claimholders. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Non-CPLV Lease Collateral upon foreclosure, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured creditor under the UCC and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) From and after the occurrence of the Non-CPLV Lease Exercise Conditions, until the Discharge of Non-CPLV Lease Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant, the Tenant Financing Collateral Agents and the Tenant Financing Claimholders:

(1) will not commence, maintain or continue, or seek to commence, maintain or continue, any Enforcement Action or otherwise exercise any rights or remedies with respect to the Non-CPLV Lease Collateral; and

(2) will not contest, protest, object to or take any other action that would hinder any foreclosure proceeding or action brought by Landlord or any other exercise by Landlord of any rights and remedies relating to the Non-CPLV Lease Collateral under the Non-CPLV Lease Documents or otherwise (including any Enforcement Action initiated by or supported by Landlord),

and it is hereby acknowledged and agreed that Landlord may apply any proceeds of any exercise of rights and remedies with respect to the Non-CPLV Lease Collateral received by it against the Non-CPLV Lease Obligations regardless of the lien priorities set forth herein, and the Tenant Financing Claimholders hereby waive any right to such proceeds.

(c) Notwithstanding the foregoing, from and after the occurrence of the Non-CPLV Lease Exercise Conditions and prior to the Discharge of Non-CPLV Lease Obligations, any Tenant Financing Collateral Agent and any other Tenant Financing Claimholder may:

(1) file a claim or statement of interest with respect to the Tenant Financing Obligations; provided that an Insolvency or Liquidation Proceeding has been commenced by or against Tenant;

(2) take any action not adverse to the rights of Landlord hereunder, in order to create, perfect, preserve or protect its Lien on the Non-CPLV Lease Collateral;

(3) file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims of the Tenant Financing Claimholders, including any claims secured by the Non-CPLV Lease Collateral, if any, in each case in a manner that is not prohibited by, or inconsistent with, this Agreement;

(4) vote on any plan of reorganization, arrangement, compromise or liquidation, file any proof of claim, make other filings and make any arguments and motions that are, in each case in a manner that is not prohibited by, or inconsistent with, this Agreement, with respect to the Tenant Financing Obligations and the Non-CPLV Lease Collateral; provided that no filing of any claim or vote, or pleading related to such claim or vote, to accept or reject a disclosure statement, plan of reorganization, arrangement, compromise or liquidation, or any other document, agreement or proposal similar to the foregoing by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder may be inconsistent with the provisions of this Agreement;

(5) except to the extent that such actions would adversely impact the right of Tenant, or any Replacement Tenant, to make full use of such property in the operation of the Leased Properties, bid for or purchase Non-CPLV Lease Collateral at any public, private or judicial foreclosure upon such Non-CPLV Lease Collateral initiated by any Landlord, or at any sale of Non-CPLV Lease Collateral during an Insolvency or Liquidation Proceeding; and

(6) subject in all respects to Section 2.4 as to the Related Property, exercise any rights and remedies against any Tenant Financing Separate Collateral.

Each Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder represented by it, agrees that, from and after the occurrence of the Non-CPLV Lease Exercise Conditions, it will not take or receive any Non-CPLV Lease Collateral or any proceeds of Non-CPLV Lease Collateral resulting from the exercise of any right or remedy (including set-off and recoupment) with respect to any Non-CPLV Lease Collateral, unless and until the Discharge of Non-CPLV Lease Obligations has occurred. Without limiting the generality of the foregoing, from and after the occurrence of the Non-CPLV Lease Exercise Conditions, unless and until the Discharge of Non-CPLV Lease Obligations has occurred, except as expressly provided in Section 6.4 and this Section 3.2(c), the sole right of the Tenant Financing Collateral Agents and the other Tenant Financing Claimholders with respect to the Non-CPLV Lease Collateral is to hold and maintain a Lien on the Collateral pursuant to the Tenant Financing Collateral Documents for the period and to the extent granted therein.

(d) Solely to the extent not inconsistent with this Agreement, the Tenant Financing Collateral Agents and other Tenant Financing Claimholders may exercise rights and remedies as unsecured creditors against Tenant in accordance with the terms of the Tenant Financing Documents and applicable law; provided that (i) in the event that any Tenant Financing Claimholder becomes a judgment Lien creditor in respect of Non-CPLV Lease Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Tenant Financing Obligations, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the Non-CPLV Lease Obligations) in the same manner as the other Liens securing the Tenant Financing Obligations are subject to this Agreement.

(e) Nothing in this Agreement shall prohibit the receipt by any Tenant Financing Collateral Agent or other Tenant Financing Claimholder of the required payments of principal, interest and other amounts owed in respect of the Tenant Financing Obligations so long as such receipt is not the direct or indirect result of the exercise by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder of rights or remedies as a secured creditor with respect to the Non-CPLV Lease Collateral (including set-off and recoupment) in contravention of this Agreement or enforcement in contravention of this Agreement of any Lien on the Non-CPLV Lease Collateral held by any of them or as a result of any other violation by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder of the terms of this Agreement.

(f) Nothing in this Agreement shall prohibit the receipt by any Landlord Financing Lender of the required payments of principal, interest and other amounts owed in respect of the Landlord Financing Obligations in accordance with the Landlord Financing Documents so long as such receipt is not the direct or indirect result of the exercise by any Landlord Financing Lender of rights or remedies as a secured creditor with respect to the Non-CPLV Lease Collateral (including set off and recoupment) in contravention of this Agreement or enforcement in contravention of this Agreement of any Lien on the Non-CPLV Lease Collateral held by any of them or as a result of any other violation by any Landlord Financing Lender of the terms of this Agreement.

(g) Nothing in this Agreement shall prohibit the receipt by Landlord of the required payments of principal, interest and other amounts owed in respect of the Non-CLPV Lease Obligations so long as such receipt is not the direct or indirect result of the exercise by Landlord of rights or remedies as a secured creditor with respect to the Non-CPLV Lease Collateral (including set off and recoupment) in contravention of this Agreement or enforcement in contravention of this Agreement of any Lien on the Non-CPLV Lease Collateral held by any of them or as a result of any other violation by Landlord of the terms of this Agreement and so long as the Landlord has acted in accordance with the Lease and the Non-CPLV Lease Documents.

3.3 Actions Upon Breach; Specific Performance. The parties hereto acknowledge and agree that if any Tenant Financing Claimholder or Landlord in any way takes, attempts to or threatens to take any action in contravention of the terms of the Agreement (including any attempt to realize upon or enforce any remedy with respect to this Agreement), (i) Landlord's damages or the Tenant Financing Claimholders' damages, as applicable, from such actions may at that time be difficult to ascertain and may be irreparable, and (ii) each Tenant Financing Claimholder or Landlord, as applicable, waives any defense that Landlord or the Tenant Financing Claimholders, as applicable, cannot demonstrate damage and/or be made whole by the awarding of damages. Each of Landlord and any Tenant Financing Collateral Agent may demand

injunctive relief and/or specific performance of this Agreement. Landlord and each Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder represented by it, hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of injunctive relief and/or specific performance in any action which may be brought by Landlord or any Tenant Financing Collateral Agent or other Tenant Financing Claimholders, as the case may be. No provision of this Agreement shall constitute or be deemed to constitute a waiver by Landlord or any Tenant Financing Collateral Agent on behalf of itself and each other Tenant Financing Claimholder represented by it of any right to seek damages from any Person in connection with any breach or alleged breach of this Agreement.

#### **SECTION 4. Payments.**

##### **4.1 Application of Proceeds.**

(a) So long as the Discharge of Tenant Financing Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant, unless the Non-CPLV Lease Exercise Conditions have occurred, upon the entry and consummation of (i) any New Lease pursuant to and in accordance with Section 17.1(f) of the Non-CPLV Lease, or (ii) any transfer of Tenant's Leasehold Estate to a Replacement Tenant pursuant to and in accordance with Section 17.1(d) of the Non-CPLV Lease, Section 17.1(e) of the Non-CPLV Lease and/or Section 22 of the Non-CPLV Lease, in each case in a manner consistent with this Agreement, any proceeds from such transaction received by the Tenant Financing Collateral Agents and the other Tenant Financing Claimholders shall be applied by the applicable Tenant Financing Collateral Agent to the Tenant Financing Obligations in such order as specified in the relevant Tenant Financing Documents; provided that any Non-CPLV Lease Collateral (but not the proceeds thereof) and, solely to the extent that such Tenant Financing Collateral Agent is reasonably capable of causing such property to be so transferred, the Related Property shall be transferred by the applicable Tenant Financing Collateral Agent to the new Tenant under the Non-CPLV Lease (or New Lease) in accordance with the terms of Section 17.1(e) or 17.(f) of the Non-CPLV Lease. Upon the Discharge of Tenant Financing Obligations, the applicable Tenant Financing Collateral Agent shall deliver such proceeds of such Non-CPLV Lease Collateral to Tenant, its successors or assigns from time to time, or to whomever may be lawfully entitled to receive the same.

(b) From and after the earlier to occur of the Discharge of Tenant Financing Obligations and the Non-CPLV Lease Exercise Conditions, so long as the Discharge of Non-CPLV Lease Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant, any Non-CPLV Lease Collateral or any proceeds thereof received in connection with any Enforcement Action or other exercise of remedies by Landlord shall be transferred to any new Tenant to the extent required by the Non-CPLV Lease subject to a lien in favor of Landlord. Upon the Discharge of

Non-CPLV Lease Obligations, Landlord shall, in the following order, (x) unless a Discharge of Tenant Financing Obligations has already occurred, deliver any remaining proceeds of Non-CPLV Lease Collateral held by it to the Designated Tenant Financing Collateral Agent to be applied by the Tenant Financing Collateral Agents to the Tenant Financing Obligations in such order as specified in the Tenant Financing Documents until a Discharge of Tenant Financing Obligations and (y) if a Discharge of Tenant Financing Obligations has already occurred, deliver such proceeds of Non-CPLV Lease Collateral to Tenant, its successors or assigns from time to time, or to whomever may be lawfully entitled to receive the same.

4.2 Future Liens. Any Lien encumbering the Non-CPLV Lease Collateral received by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder in respect of any of the Tenant Financing Obligations in any Insolvency or Liquidation Proceeding and (y) any Lien encumbering the Non-CPLV Lease Collateral received by Landlord in respect of the Non-CPLV Lease Obligations in any Insolvency or Liquidation Proceeding shall be subject to the terms of this Agreement.

4.3 Release of Liens. Upon any sale or disposition of Non-CPLV Lease Collateral by Landlord pursuant to an Enforcement Action not prohibited by the terms of this Agreement that results in the release of the Lien securing the Non-CPLV Lease Obligations, on all or any portion of any Non-CPLV Lease Collateral, the Lien securing the Tenant Financing Obligations on such Non-CPLV Lease Collateral shall be automatically and unconditionally released with no further consent or action of any Person. The Tenant Financing Collateral Agent shall promptly execute and deliver such release documents and instruments and shall take such further actions as the Landlord shall request to evidence any release of the Liens securing the Tenant Financing Obligations described in this Section 4.3; provided that Landlord shall have delivered to the Tenant Financing Collateral Agent a written request therefor and a certificate of the Landlord to the effect that the release of such Non-CPLV Lease Collateral is in compliance with this Agreement.

## **SECTION 5. Other Agreements.**

### **5.1 Insurance**

The rights of any party hereto in or with respect to insurance policies and proceeds thereof covering the Non-CPLV Lease Collateral shall be governed by the terms of the Non-CPLV Lease.

### **5.2 Intercreditor Legend**

(a) Tenant agrees that each Tenant Financing Collateral Document relating to the Non-CPLV Lease Collateral shall include the following language (or language to similar effect approved by Landlord):

“Notwithstanding anything herein to the contrary, the lien and security interest granted to the [Collateral Agent] pursuant to this Agreement in the Non-CPLV Lease Collateral and the exercise of any right or remedy by the [Collateral Agent] hereunder against the Non-CPLV Lease Collateral are subject to the provisions of the Intercreditor Agreement, dated as of [•] (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), among the persons party thereto as Landlord, as the holders of the Non-CPLV Lease Obligations, CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, as Credit Agreement Collateral Agent, the persons party thereto from time to time as tenants, collectively, as Tenant, each Landlord Financing Lender and certain other persons party or that may become party thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement with respect to the Non-CPLV Lease Collateral and the Related Property and this Agreement, the terms of the Intercreditor Agreement shall govern and control.”

(b) Landlord and Tenant agree that each Non-CPLV Lease Collateral Document shall include the following language (or language to similar effect approved by each Tenant Financing Collateral Agent):

“Notwithstanding anything herein to the contrary, the lien and security interest granted to Landlord pursuant to this Agreement in the Non-CPLV Lease Collateral] and the exercise of any right or remedy by Landlord hereunder against the [Non-CPLV Lease Collateral] are subject to the provisions of the Intercreditor Agreement, dated as of [•] (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), among the persons party thereto as Landlord, as the holders of the Non-CPLV Lease Obligations, CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, as Credit Agreement Collateral Agent, the persons party thereto from time to time as tenants, collectively, as Tenant, each Landlord Financing Lender and certain other persons party or that may become party thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement with respect to the Non-CPLV Lease Collateral and the Related Property and this Agreement, the terms of the Intercreditor Agreement shall govern and control.”

### 5.3 Gratuitous Bailee/Agent for Perfection.

(a) (i) Solely with respect to any deposit accounts and securities accounts constituting Non-CPLV Lease Collateral (the “Pledged Collateral”) under the control (within the meaning of Section 9-104 or 9-106 of the UCC) of Landlord or any Landlord Financing Lender, Landlord and such Landlord Financing Lender agree to also hold control over such deposit accounts for the Tenant Financing Collateral Agents, subject to the terms and conditions of this Section 5.3.

(ii) Solely with respect to any deposit accounts and securities accounts constituting Non-CPLV Lease Collateral (the “Pledged Collateral”) under the control (within the meaning of Section 9-104 or 9-106 of the UCC) of any Tenant Financing Collateral Agent or any Tenant Financing Claimholder, such Tenant Financing Collateral Agent and such Tenant Financing Claimholder agree to also hold control over such deposit accounts for the Landlord (or, if applicable, each Landlord Financing Lender), subject to the terms and conditions of this Section 5.3.

(b) Neither Landlord nor any Landlord Financing Lender shall have any obligation whatsoever to any Tenant Financing Collateral Agent or any Tenant Financing Claimholder to ensure that the Pledged Collateral is genuine or owned by Tenant, to perfect the security interest of the Tenant Financing Collateral Agents or other Tenant Financing Claimholders or to preserve rights or benefits of any Person except as expressly set forth in this Section 5.3. The duties or responsibilities of Landlord and each Landlord Financing Lender under this Section 5.3 shall be limited solely to holding such deposit accounts and securities accounts, as agent in accordance with this Section 5.3.

(c) Neither Landlord nor any Landlord Financing Lender shall have by reason of the Non-CPLV Lease Collateral Documents, the Tenant Financing Collateral Documents, this Agreement or any other document a fiduciary relationship in respect of any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder and the Tenant Financing Collateral Agents and the Tenant Financing Claimholders hereby waive and release Landlord and Landlord Financing Lender from all claims and liabilities arising pursuant to Landlord’s role under this Section 5.3 with respect to the Pledged Collateral. Subject to the terms of this Agreement, it is understood and agreed that the interests of Landlord and each Landlord Financing Lender, on the one hand, and the Tenant Financing Collateral Agents and the Tenant Financing Claimholders on the other hand with respect to the Non-CPLV Lease Collateral, may differ and each of Landlord and each Landlord Financing Lender shall be fully entitled to act in its own interest without taking into account the interests of the Tenant Financing Collateral Agents or the Tenant Financing Claimholders except as otherwise provided in this Agreement.

(d) Upon the Discharge of Non-CPLV Lease Obligations, Landlord or the applicable Landlord Financing Lender (provided that such Landlord Financing Lender shall have received a written instruction from Tenant and Landlord instructing it to do so), as applicable, shall, deliver the remaining Pledged Collateral in its possession (if any) together with any necessary endorsements (which endorsement shall be without recourse and without any representation or warranty), in the following order: (x) if a Discharge of Tenant Financing Obligations has not already occurred, to the Designated Tenant Financing Collateral Agent and (y) if a Discharge of Tenant Financing Obligations has already occurred, to Tenant or to whomever may be lawfully

entitled to receive the same. Following the Discharge of Non-CPLV Lease Obligations, each of Landlord and each Landlord Financing Lender further agrees to take all other action reasonably requested by any Tenant Financing Collateral Agent at the expense of Tenant in connection with such Tenant Financing Collateral Agent obtaining a first-priority security interest in the Pledged Collateral. After the Discharge of Non-CPLV Lease Obligations has occurred, upon the Discharge of Tenant Financing Obligations, the applicable Tenant Financing Collateral Agent shall deliver the remaining Pledged Collateral in its possession (if any) together with any necessary endorsements (which endorsement shall be without recourse and without any representation or warranty) to Tenant or to whomever may be lawfully entitled to receive the same.

#### 5.4 When Discharge of Obligations Deemed to Not Have Occurred.

(a) If, at any time after the termination of the Non-CPLV Lease has occurred or contemporaneously therewith, a New Lease is entered into in accordance with the Non-CPLV Lease, then such New Lease shall automatically be treated as the Non-CPLV Lease for all purposes of this Agreement and the obligations under such New Lease shall automatically be treated as Non-CPLV Lease Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Non-CPLV Lease Collateral set forth herein. In such event, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement, and (i) the tenant under such New Lease shall become party hereto as Tenant and shall be treated for all purposes hereunder as Tenant and (ii) such tenant, Landlord, each Tenant Financing Collateral Agent, Landlord Financing Lender and each other party hereto shall promptly enter into such documents and agreements (including amendments or supplements to this Agreement) as any Tenant Financing Collateral Agent, Landlord or each Landlord Financing Lender shall reasonably request in order to provide it the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement. This Section 5.4(a) shall survive termination of this Agreement.

(b) If, at any time after the Discharge of Tenant Financing Obligations has occurred, Tenant enters into any Additional Tenant Financing Loan Document evidencing any Additional Tenant Financing Obligations, so long as the Tenant Financing Collateral Agent and the Tenant Financing Claimholders are Permitted Leasehold Mortgagees (as defined in the Non-CPLV Lease) then Landlord and each Landlord Financing Lender, at the cost and expense of Tenant, shall, upon the request of Tenant, promptly enter into a new intercreditor agreement, in substantially the same form as this Agreement, with the Tenant Financing Collateral Agent in respect of such Additional Tenant Financing Obligations and the Tenant. This Section 5.4(b) shall survive termination of this Agreement.

5.5 Amendments to Tenant Financing Documents. Each Tenant Financing Representative, on behalf of itself and the Tenant Financing Claimholders, agrees that it shall not at any time execute or deliver any amendment, restatement, or modification to any Tenant Financing Document that would violate the terms and provisions of this Agreement.

**SECTION 6. Insolvency or Liquidation Proceedings.**

6.1 Relief from Automatic Stay. Prior to the occurrence of the Non-CPLV Lease Exercise Conditions, Landlord agrees that it will not seek relief from the automatic stay or from any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of the Non-CPLV Lease Collateral, without the prior written consent of the Tenant Financing Collateral Agent (acting upon the written instruction of the Tenant Financing Claimholders) so long as Tenant Financing Collateral Agent is a Permitted Leasehold Mortgagee. At all times thereafter, none of the Credit Agreement Collateral Agent or any Credit Agreement Claimholder will seek relief from the automatic stay or from any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case solely in respect of the Non-CPLV Lease Collateral and the Related Property, without the prior written consent of Landlord.

6.2 Finance and Sale Issues. Prior to the occurrence of the Non-CPLV Lease Exercise Conditions, if Tenant shall be subject to any Insolvency or Liquidation Proceeding and any Tenant Financing Collateral Agent shall desire to permit the use of “Cash Collateral” (as such term is defined in Section 363(a) of the Bankruptcy Code) on which such Tenant Financing Collateral Agent or any other creditor has a Lien, or to permit Tenant to obtain financing, whether from the Tenant Financing Claimholders or any other Person under Section 364 of the Bankruptcy Code or any similar Bankruptcy Law (“DIP Financing”), in each case in a manner not inconsistent with the terms of this Agreement, then Landlord will not object to such Cash Collateral use or DIP Financing (including any proposed orders for such Cash Collateral use and/or DIP Financing which are acceptable to such Tenant Financing Collateral Agent), so long as Tenant Financing Collateral Agent is a Permitted Leasehold Mortgagee and so long as (a) any Liens on the Non-CPLV Lease Collateral securing such DIP Financing are subordinated to the Liens on the Non-CPLV Lease Collateral securing the Non-CPLV Lease Obligations in accordance with the terms of this Agreement and (b) no amounts owed by Tenant under such DIP Financing take priority over any claims under the Non-CPLV Lease that may arise prior to any rejection of the Non-CPLV Lease. Prior to the occurrence of the Non-CPLV Lease Exercise Conditions, Landlord shall not provide any DIP Financing to Tenant without the prior written consent of the Tenant Financing Collateral Agents so long as Tenant Financing Collateral Agent is a Permitted Leasehold Mortgagee. Landlord agrees that, unless the Non-CPLV Lease Exercise Conditions have occurred, it will (including, without limitation, in an Insolvency or Liquidation Proceeding) (i) not seek consultation rights in connection with, and will not object to or oppose, any sale, liquidation or other disposition of any assets of Tenant, including the Non-CPLV Lease Collateral, that is supported by the Tenant Financing Collateral Agents so long as Tenant Financing Collateral Agent is a Permitted Leasehold Mortgagee and (ii) be deemed to

have consented to such sale, liquidation or other disposition, provided that (A) such sale, liquidation or other disposition shall be made pursuant to a Tenant Financing Permitted Action to the same Person who acquires Tenant's Leasehold Estate (as defined in the Non-CPLV Lease) in accordance with the Non-CPLV Lease and the Person so acquiring the Non-CPLV Lease Collateral shall expressly acknowledge in writing that it is acquiring the Non-CPLV Lease Collateral subject to the continuing first priority lien of Landlord, and (B) notwithstanding any such sale, liquidation or other disposition, the Non-CPLV Lease Collateral shall remain subject to the continuing first priority lien of Landlord. Landlord further agrees that, unless the Non-CPLV Lease Exercise Conditions have occurred, it will not directly or indirectly oppose or impede any such sale, liquidation or other disposition, including orders to retain professionals or set bid procedures in connection with such sale, liquidation or disposition if the Tenant Financing Collateral Agents are each a Permitted Leasehold Mortgagee and have consented to (i) such retention of professionals and bid procedures in connection with such sale, liquidation or disposition of such assets and (ii) the sale, liquidation or disposition of such assets, in which event Landlord will be deemed to have consented to the sale or disposition of Non-CPLV Lease Collateral, and provided that (A) such sale, liquidation or other disposition shall be made pursuant to a Tenant Financing Permitted Action to the same Person who acquires Tenant's Leasehold Estate (as defined in the Non-CPLV Lease) in accordance with the Non-CPLV Lease and (B) notwithstanding any such sale, liquidation or other disposition, the Non-CPLV Lease Collateral shall remain subject to the continuing first priority lien of Landlord and the Person so acquiring the Non-CPLV Lease Collateral shall expressly acknowledge in writing that it is acquiring the Non-CPLV Lease Collateral subject to the lien of Landlord.

No Tenant Financing Claimholder may participate, directly or indirectly, in, or support any other Person that is seeking approval of, any DIP Financing secured by Non-CPLV Lease Collateral unless (a) any Liens on the Non-CPLV Lease Collateral securing such DIP Financing are subordinated to the Liens on the Non-CPLV Lease Collateral securing the Non-CPLV Lease Obligations in accordance with the terms of this Agreement and (b) no amounts owed by Tenant under such DIP Financing take priority over any claims under the Non-CPLV Lease that may arise prior to any rejection of the Non-CPLV Lease.

For the avoidance of doubt and notwithstanding anything to the contrary in this Agreement, prior to the occurrence of the Non-CPLV Lease Exercise Conditions, neither Landlord nor Landlord Financing Lender may participate, directly or indirectly, in, or support any other Person that is seeking approval of, any DIP Financing secured by Tenant Financing Separate Collateral unless (a) any Liens on the Tenant Financing Separate Collateral securing such DIP Financing are subordinated to the Liens on the Tenant Financing Separate Collateral securing the Tenant Financing Obligations and (b) no amounts owed by Tenant under such DIP Financing take priority over any claims under the Tenant Financing Documents on Tenant Financing Separate Collateral.

After the occurrence of the Non-CPLV Lease Exercise Conditions, each Tenant Financing Representative, on behalf of itself and the Tenant Financing Claimholders, (including, without limitation, in an Insolvency or Liquidation Proceeding) (i) shall not seek consultation rights in connection with, and shall not object to or oppose, any sale, liquidation or other disposition of any Non-CPLV Lease Collateral or Related Property, that is supported by the Landlord and (ii) shall be deemed to have consented to such sale, liquidation or other disposition. Each Tenant Financing Representative further agrees that, after the occurrence of the Non-CPLV Lease Exercise Condition, it will not directly or indirectly oppose or impede any such sale, liquidation or other disposition, including orders to retain professionals or set bid procedures in connection with such sale, liquidation or disposition if the Landlord has consented to (i) such retention of professionals and bid procedures in connection with such sale, liquidation or disposition of such assets and (ii) the sale, liquidation or disposition of such assets, in which event each Tenant Financing Representative, on behalf of itself and the Tenant Financing Claimholders, agrees will be deemed to have consented to the sale or disposition of Non-CPLV Lease Collateral.

### 6.3 Adequate Protection.

(a) Landlord agrees that it shall not object to or contest, or support any other Person objecting to or contesting, in each case to the extent that such actions are not inconsistent with this Agreement, (i) any request by any Tenant Financing Collateral Agent or other Tenant Financing Claimholder for adequate protection under Bankruptcy Law; (ii) any objection by any Tenant Financing Collateral Agent or other Tenant Financing Claimholder to any motion, relief, action or proceeding based on a claim of a lack of adequate protection or (iii) the payment of interest, fees, expenses or other amounts to any Tenant Financing Collateral Agent or other Tenant Financing Claimholder under Section 506(b) or 506(c) of the Bankruptcy Code or otherwise; provided, in each case, that (a) such adequate protection does not result in any Tenant Financing Claimholders receiving any Lien on Non-CPLV Lease Collateral that is not subordinated to the Liens on the Non-CPLV Lease Collateral securing the Non-CPLV Lease Obligations in accordance with the terms of this Agreement, (b) no amounts owed by Tenant with respect to such adequate protection take priority over any claims under the Non-CPLV Lease that may arise prior to any rejection of the Non-CPLV Lease and (c) Tenant Financing Collateral Agent is a Permitted Leasehold Mortgagee.

(b) Each Tenant Financing Representative, on behalf of itself and the Tenant Financing Claimholders, agrees that it shall not object to or contest, or support any other Person objecting to or contesting, in each case to the extent that such actions are not inconsistent with this Agreement, (i) any request by Landlord for adequate protection under Bankruptcy Law; or (ii) any objection by Landlord to any motion, relief, action or proceeding based on a claim of a lack of adequate protection or (iii) the payment of interest, fees, expenses or other amounts to Landlord under Section 506(b) or 506(c) of the Bankruptcy Code or otherwise.

6.4 Avoidance Issues. If Landlord is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay to the estate of Tenant any amount paid in respect of Non-CPLV Lease Obligations (a "Landlord Recovery"), then Landlord shall be entitled to a reinstatement of its Non-CPLV Lease Obligations with respect to all such recovered amounts on the date of such Landlord Recovery, and from and after the date of such reinstatement the Discharge of Non-CPLV Lease Obligations shall be deemed not to have occurred for all purposes hereunder. If any Tenant Financing Claimholder is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay to the estate of Tenant any amount paid in respect of Tenant Financing Obligations (a "Tenant Financing Recovery" and, together with a Landlord Recovery, a "Recovery"), then such Tenant Financing Claimholder shall be entitled to a reinstatement of its Tenant Financing Obligations with respect to all such recovered amounts on the date of such Recovery, and from and after the date of such reinstatement the Discharge of Tenant Financing Obligations shall be deemed not to have occurred for all purposes hereunder. If this Agreement shall have been terminated prior to any Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. The parties hereto agree that they shall not be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement. This Section 6.4 shall survive termination of this Agreement.

6.5 Post-Petition Interest.

(a) No Tenant Financing Collateral Agent or other Tenant Financing Claimholder shall oppose or seek to challenge any claim by Landlord for allowance in any Insolvency or Liquidation Proceeding of Non-CPLV Lease Obligations consisting of Post-Petition Interest to the extent of the value of Landlord's Lien on the Non-CPLV Lease Collateral, without regard to the existence of the Liens of the Tenant Financing Collateral Agents or the other Tenant Financing Claimholders on the Non-CPLV Collateral.

(b) Landlord shall not oppose or seek to challenge any claim by any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder for allowance in any Insolvency or Liquidation Proceeding of Tenant Financing Obligations consisting of Post-Petition Interest to the extent of the value of the Lien of the Tenant Financing Collateral Agents, on behalf of the Tenant Financing Claimholders, on the Tenant Financing Collateral (after taking into account the amount of the Non-CPLV Lease Obligations and the provisions of this Agreement).

6.6 Separate Grants of Security and Separate Classification. Each of the Tenant Financing Collateral Agents, on behalf of itself and each other Tenant Financing Claimholder represented by it, and Landlord acknowledges and agrees that:

(a) the grants of Liens pursuant to the Non-CPLV Lease Collateral Documents and the Tenant Financing Collateral Documents constitute two separate and distinct grants of Liens; and

(b) because of, among other things, their differing rights in the Non-CPLV Lease Collateral, the Tenant Financing Obligations are fundamentally different from the Non-CPLV Lease Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding.

To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of Landlord and the Tenant Financing Claimholders in respect of the Non-CPLV Lease Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then each of the parties hereto hereby acknowledges and agrees that all distributions shall be made as contemplated hereunder as if there were separate classes of secured claims against Tenant in respect of the Non-CPLV Lease Collateral.

**6.7 Effectiveness in Insolvency or Liquidation Proceedings.** Each party hereto acknowledge that this Agreement is a “subordination agreement” under Section 510(a) of the Bankruptcy Code, which will be effective before, during and after the commencement of an Insolvency or Liquidation Proceeding. All references in this Agreement to Tenant will include such Person as a debtor-in-possession and any receiver or trustee for such Person in an Insolvency or Liquidation Proceeding.

**6.8 Unsecured Creditor/DIP Financing Lender.** Each Tenant Financing Representative, on behalf of itself and each Tenant Financing Claimholder, and Landlord further agree that it shall not take any action or exercise any rights or remedies prohibited by this Agreement, including this Section 6 in its capacity as an unsecured creditor or creditor under a DIP Financing.

## **SECTION 7. Reliance; Waivers; Etc.**

**7.1 Reliance.** Other than any reliance on the terms of this Agreement, Landlord acknowledges that it has independently and without reliance on any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder, and based on documents and information deemed by it appropriate, made its own credit analysis and decision to enter into each of the Non-CPLV Lease Documents and be bound by the terms of this Agreement and it will continue to make its own credit decision in taking or not taking any action under the Non-CPLV Lease Documents or this Agreement. Other than reliance on the terms of this Agreement, each Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder represented by it, acknowledges that it and such other Tenant Financing Claimholders have, independently and without reliance on Landlord, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the Tenant Financing Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Tenant Financing Documents or this Agreement.

7.2 No Warranties or Liability. Landlord acknowledges and agrees that no Tenant Financing Collateral Agent or other Tenant Financing Claimholder has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Tenant Financing Documents, the ownership of any Non-CPLV Lease Collateral or the perfection or priority of any Liens thereon. Except as otherwise provided herein, the Tenant Financing Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under the Tenant Financing Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. Each Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder, acknowledges and agrees that Landlord has not made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Non-CPLV Lease Documents, the ownership of any Non-CPLV Lease Collateral or the perfection or priority of any Liens thereon.

7.3 Obligations Unconditional. All rights, interests, agreements and obligations of Landlord, each Landlord Financing Lender and the Tenant Financing Collateral Agents and the other Tenant Financing Claimholders, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Non-CPLV Lease Documents and Landlord Financing Documents or any Tenant Financing Documents;

(b) except as otherwise expressly set forth in this Agreement, any change in the time, manner or place of payment of, or in any other terms of, all or any of the Non-CPLV Lease Obligations, Landlord Financing Documents or Tenant Financing Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Non-CPLV Lease Document, any Landlord Financing Document or any Tenant Financing Document;

(c) except as otherwise expressly set forth in this Agreement, any exchange of any security interest in any Non-CPLV Lease Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Non-CPLV Lease Obligations or Tenant Financing Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of Tenant; or

(e) any other circumstances which otherwise might constitute a defense available to, or a discharge of, Tenant in respect of Landlord, the Non-CPLV Lease Obligations, any Tenant Financing Collateral Agent, any Tenant Financing Claimholder or the Tenant Financing Obligations in respect of this Agreement.

**SECTION 8. Intentionally Deleted.**

**SECTION 9. Miscellaneous.**

9.1 Integration. This Agreement, the Non-CPLV Lease Documents and the Tenant Financing Documents represent the entire agreement of Tenant, Landlord, the Tenant Financing Claimholders and, as between the Landlord and the Landlord Financing Lenders, the Landlord Financing Documents, with respect to the Non-CPLV Lease Collateral, and supersede any and all previous agreements and understandings, oral or written, relating to the Non-CPLV Lease Collateral. There are no promises, undertakings, representations or warranties by Tenant, Landlord, the Tenant Financing Claimholders or Landlord Financing Lender relative to the Non-CPLV Lease Collateral not expressly set forth or referred to herein or therein. In the event of any conflict between the provisions of this Agreement and the provisions of the Non-CPLV Lease Documents or the Tenant Financing Documents with respect to the Non-CPLV Lease Collateral and Related Property, the provisions of this Agreement shall govern and control; provided that the foregoing shall not be construed to limit the relative rights and obligations as among the Tenant Financing Claimholders, which may be governed by separate intercreditor arrangements among them and provided further that notwithstanding the foregoing nothing in this agreement shall be construed to permit Landlord to exercise any rights or remedies against Tenant in contravention of the first sentence of Section 6.3(d) of the Non-CPLV Lease. The exercise of any right or remedy by the Landlord Note Lender hereunder is subject to the limitations of the Second Lien Intercreditor Agreement, dated as of October 6, 2017, by and among Wilmington Trust, National Association in its capacity as "First Lien Agent", UMB Bank, National Association, as "Initial Other First Priority Lien Obligations Agent", and UMB Bank, National Association, as "Trustee".

9.2 Effectiveness; Continuing Nature of this Agreement; Severability. This Agreement shall become effective when executed and delivered by the parties hereto. Each of Landlord and each Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder represented by it, hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good faith negotiations to replace any invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to those of the invalid, illegal or unenforceable provisions. All references to Tenant shall include Tenant

as debtor and debtor-in-possession and any receiver, trustee or similar person for Tenant in any Insolvency or Liquidation Proceeding. This Agreement shall terminate and be of no further force and effect on the earlier to occur of (x) the date on which there has been a Discharge of Non-CPLV Lease Obligations and (y) the date on which there has been a Discharge of Tenant Financing Obligations, in each case, subject to Section 5.4 and Section 6.4; provided, however, that no termination shall relieve any party of its obligations incurred hereunder prior to the date of termination.

9.3 Amendments; Waivers. No amendment, modification or waiver of any of the provisions of this Agreement by any party hereto shall be deemed to be made unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time.

9.4 Information Concerning Financial Condition of Tenant and its Subsidiaries. Landlord, on the one hand, and the Tenant Financing Claimholders and the Tenant Financing Collateral Agents, on the other hand, shall each be responsible for keeping themselves informed of (a) the financial condition of Tenant and all endorsers and/or guarantors of the Non-CPLV Lease Obligations or the Tenant Financing Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Non-CPLV Lease Obligations or the Tenant Financing Obligations. Subject to Article XVII of the Non-CPLV Lease, neither Landlord, on the one hand, nor any Tenant Financing Collateral Agent or any other Tenant Financing Claimholder, on the other hand, shall have any duty to advise the others of information known to it regarding such condition or any such circumstances or otherwise.

9.5 Subrogation.

(a) With respect to the value of any payments or distributions in cash, property or other assets that any of the Tenant Financing Claimholders or Tenant Financing Collateral Agents pays over to Landlord under the terms of this Agreement, such Tenant Financing Claimholders and Tenant Financing Collateral Agents shall be subrogated to the rights of Landlord; provided that each such Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder represented by it, hereby agrees not to assert or enforce any such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Non-CPLV Lease Obligations has occurred. Tenant acknowledges and agrees that the value of any payments or distributions in cash, property or other assets received by the Tenant Financing Collateral Agents or the Tenant Financing Claimholders that are paid over to Landlord pursuant to this Agreement shall not reduce any of the Tenant Financing Obligations.

(b) With respect to the value of any payments or distributions in cash, property or other assets that Landlord pays over to any Tenant Financing Claimholders under the terms of this Agreement, Landlord shall be subrogated to the rights of such Tenant Financing Claimholders; provided that Landlord hereby agrees not to assert or enforce any such rights of subrogation it may acquire as a result of any payment hereunder until the earlier of (i) the date on which the Non-CPLV Lease Conditions have occurred and (ii) the Discharge of Tenant Financing Obligations has occurred. Tenant acknowledges and agrees that the value of any payments or distributions in cash, property or other assets received by Landlord that are paid over to Tenant Financing Claimholders pursuant to this Agreement shall not reduce any of the Non-CPLV Lease Obligations.

#### 9.6 Additional Debt Facilities.

(a) Subject to the terms of the Non-CPLV Lease, Tenant may incur (or issue and sell), secure and guarantee one or more series or classes of Indebtedness that Tenant designates as Additional Tenant Financing Debt. Such Additional Tenant Financing Debt may be in addition to the Credit Agreement and/or may refinance the Credit Agreement in full or in part.

Subject to the terms of the Non-CPLV Lease, any such series or class of Additional Tenant Financing Debt may be secured by a Lien on the Non-CPLV Lease Collateral that is junior in priority to the Lien upon such Non-CPLV Lease Collateral securing the Non-CPLV Lease Obligations in accordance with the terms hereof, in each case under and pursuant to the relevant Tenant Financing Collateral Documents for such Series of Additional Tenant Financing Debt; provided, however, that unless such Indebtedness is part of an existing Series of Additional Tenant Financing Debt represented by a Tenant Financing Collateral Agent already party to this Agreement, the Additional Tenant Financing Collateral Agent of any such Additional Tenant Financing Debt becomes a party to this Agreement by satisfying the conditions set forth in clauses (1) and (2) of Section 9.6(b). Upon any Additional Tenant Financing Collateral Agent so becoming a party hereto, all Additional Tenant Financing Obligations of such Series shall also be entitled to be so secured by a subordinated Lien on the Non-CPLV Lease Collateral in accordance with the terms hereof and thereof.

(b) In order for an Additional Tenant Financing Collateral Agent to become a party to this Agreement:

(1) each such Additional Tenant Financing Collateral Agent must qualify as a Permitted Leasehold Mortgagee (as defined in the Lease);

(2) such Additional Tenant Financing Collateral Agent shall have executed and delivered to each other then-existing Tenant Financing Collateral Agent and Landlord a Joinder Agreement substantially in the form of Exhibit A hereto (with such changes as may be reasonably approved by such Persons and such Additional Tenant Financing Collateral Agent) pursuant to which such Additional Tenant Financing Collateral Agent becomes a Tenant Financing Collateral Agent hereunder and the related Tenant Financing Claimholders, as applicable, become subject hereto and bound hereby; and

(3) Tenant shall have delivered a Designation to each other then-existing Tenant Financing Collateral Agent and Landlord substantially in the form of Exhibit B hereto, pursuant to which Tenant shall (A) identify the Indebtedness to be designated as Additional Tenant Financing Obligations, (B) specify the name and address of the applicable Additional Tenant Financing Collateral Agent, and (C) certify that the conditions set forth in this Section 9.6 are satisfied with respect to such Additional Tenant Financing Debt; provided that, in the case of a replacement or refinancing of the Credit Agreement, the Tenant may identify in such Designation a particular Tenant Financing Collateral Agent as the new Credit Agreement Collateral Agent, and in such case, such Tenant Financing Collateral Agent shall be deemed to be the Credit Agreement Collateral Agent for all purposes hereunder and the Tenant Financing Documents to which such Credit Agreement Collateral Agent is party shall be deemed to the Credit Agreement Loan Documents for all purposes hereunder.

(c) The Additional Tenant Financing Loan Documents relating to such Additional Tenant Financing Obligations shall provide that each of the applicable Additional Tenant Financing Claimholders with respect to such Additional Tenant Financing Obligations will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Tenant Financing Obligations and the Tenant Financing Obligations related thereto shall be subject to the terms and provisions of this Agreement.

(d) Upon the execution and delivery of a Joinder Agreement by an Additional Tenant Financing Collateral Agent in accordance with this Section 9.6, each other Tenant Financing Collateral Agent and Landlord shall acknowledge receipt thereof by countersigning a copy thereof and returning the same to such Additional Tenant Financing Collateral Agent; provided that the failure of any Tenant Financing Collateral Agent or Landlord to so acknowledge or return the same shall not affect the status of such Additional Tenant Financing Obligations as Tenant Financing Obligations, if the other requirements of this Section 9.6 are complied with.

(e) With respect to any incurrence, issuance or sale of Indebtedness after the date hereof under the Credit Agreement or the Additional Tenant Financing Loan Documents of a Series of Additional Tenant Financing Debt whose Tenant Financing Collateral Agent is already a party to this Agreement, the requirements of Section 9.6(b) shall not be applicable and such Indebtedness shall automatically constitute Additional Tenant Financing Debt subject to the provisions of this Agreement.

(f) Landlord shall cause the Fee Mortgagee under any Fee Mortgage entered into after the date of this Agreement to become party to this Agreement as a Landlord Financing Lender by executing and delivering to each party hereto a joinder agreement in form and substance reasonably satisfactory to the Tenant Financing Collateral Agents pursuant to which such Fee Mortgagee agrees to be subject to and bound by the terms of this Agreement, including Section 2.1(c), as a Landlord Financing Lender.

9.7 Submission to Jurisdiction; Certain Waivers. Each of Tenant, Landlord, each Tenant Financing Collateral Agent on behalf of itself and each Tenant Financing Claimholder represented by it, and each Landlord Financing Lender hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Collateral Documents (whether arising in contract, tort or otherwise) to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the general jurisdiction of the courts of the State of New York sitting in the Borough of Manhattan, the courts of the United States for the Southern District of New York sitting in the Borough of Manhattan, and any bankruptcy court having jurisdiction over any Insolvency or Liquidation Proceeding, and appellate courts from any of the foregoing;

(b) agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York state court, bankruptcy court or, to the fullest extent permitted by applicable law, in such federal court, and that any such court, including any bankruptcy court having jurisdiction over any Insolvency or Liquidation Proceeding, shall have the authority to enforce the terms of this Agreement (including by specific performance) in any such proceeding;

(c) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law and that nothing in this Agreement or any other Non-CPLV Lease Document or Tenant Financing Document shall affect any right that any Secured Party may otherwise have to bring any action or proceeding relating to this Agreement or any other Non-CPLV Lease Document or Tenant Financing Document against Tenant or any of its assets in the courts of any jurisdiction;

(d) waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Collateral Documents in any court referred to in Section 9.7(a) (and irrevocably waives to the fullest extent permitted by applicable law the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court);

(e) consents to service of process in any such proceeding in any such court by registered or certified mail, return receipt requested, to the applicable party at its address provided in accordance with Section 9.9 (and agrees that nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law);

(f) agrees that service as provided in Section 9.7(e) is sufficient to confer personal jurisdiction over the applicable party in any such proceeding in any such court, and otherwise constitutes effective and binding service in every respect; and

(g) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover any special, exemplary, punitive or consequential damages.

9.8 WAIVER OF JURY TRIAL. EACH PARTY HERETO IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT, BREACH OF DUTY, COMMON LAW, STATUTE OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. EACH PARTY HERETO FURTHER REPRESENTS AND WARRANTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

9.9 Notices. Unless otherwise specifically provided herein, any notice hereunder shall be in writing and may be personally served or sent by telefacsimile, electronic mail or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof, upon receipt of telefacsimile or electronic mail, or three Business Days after depositing it in the United States mail with postage prepaid and properly addressed. For the purposes hereof, the addresses of the parties hereto shall be as set forth below each party's name on the signature pages hereto or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties. All notices to the Tenant Financing Claimholders permitted or required under this Agreement shall be sent to the applicable Tenant Financing Collateral Agent(s).

9.10 Further Assurances. Landlord, each Tenant Financing Collateral Agent, on behalf of itself and each other Tenant Financing Claimholder under the Tenant Financing Documents represented by it, and Tenant, agree that each of them shall take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as Landlord or any Tenant Financing Collateral Agent may reasonably request to effectuate the terms of and the Lien priorities contemplated by this Agreement.

9.11 APPLICABLE LAW. THIS AGREEMENT AND ANY DISPUTE, CLAIM OR CONTROVERSY ARISING OUT OF OR RELATING TO THIS AGREEMENT (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OR PRIORITY OF THE SECURITY INTERESTS IN THE NON-CPLV LEASE COLLATERAL).

9.12 Binding on Successors and Assigns. This Agreement shall be binding upon Landlord, the Tenant Financing Collateral Agents, the other Tenant Financing Claimholders, Tenant and each Landlord Financing Lender and their respective successors and assigns from time to time. If any Tenant Financing Collateral Agent resigns or is replaced pursuant to the Tenant Financing Documents, its successor and/or assign shall be deemed to be a party to this Agreement and shall have all the rights of, and be subject to all the obligations of, this Agreement. No provision of this Agreement will inure to the benefit of a bankruptcy trustee, debtor-in-possession, creditor trust or other representative of an estate or creditor of Tenant, including where any such bankruptcy trustee, debtor-in-possession, creditor trust or other representative of an estate is the beneficiary of a Lien securing Non-CPLV Lease Collateral by virtue of the avoidance of such Lien in an Insolvency or Liquidation Proceeding.

9.13 Section Headings. The section headings and the table of contents used in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose, be given any substantive effect, affect the construction hereof or be taken into consideration in the interpretation hereof.

9.14 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile or other electronic transmission (e.g., in “pdf” or “tif” format) shall be effective as delivery of a manually executed counterpart hereof.

9.15 Authorization. By its signature, each Person executing this Agreement, on behalf of such Person but not in his or her personal capacity as a signatory, represents and warrants to the other parties hereto that it is duly authorized to execute this Agreement.

9.16 No Third Party Beneficiaries. This Agreement and the rights and benefits hereof shall inure to the benefit of each of Landlord, Tenant, each Landlord Financing Lender and the Tenant Financing Claimholders and their respective successors and assigns from time to time; provided that, with respect to the rights of Landlord expressly referred to in Section 2.1(c)(ii) of this Agreement, Landlord Financing Lender shall be an express and intended third party beneficiary of such rights of Landlord under such Section 2.1(c)(ii). Other than as set forth in Section 9.3 and Section 9.6, none of Tenant, Lease Guarantor, Manager or any other creditor shall have any rights hereunder and none of Tenant, Lease Guarantor, Manager or any other creditor may rely on the terms hereof. Nothing in this Agreement is intended to or shall impair the obligations of Tenant, which are absolute and unconditional, to pay the Non-CPLV Lease Obligations and perform obligations under the Non-CPLV Lease and the Tenant Financing Obligations as and when the same shall become due and payable in accordance with their terms.

9.17 No Indirect Actions. Unless otherwise expressly stated, if a party may not take an action under this Agreement, then it may not take that action indirectly, or support any other Person in taking that action directly or indirectly. "Taking an action indirectly" means taking an action that is not expressly prohibited for the party but is intended to have substantially the same effects as the prohibited action.

9.18 Consent Agreement. For avoidance of doubt, and notwithstanding anything otherwise set forth herein, the parties hereto agree that any foreclosure or realization by any Tenant Secured Party under or pursuant to a Tenant Financing Document or upon Tenant's interest under the Non-CPLV Lease or that would result in a transfer of all or any portion of the Tenant's interest in (i) any of the Managed Facilities or any portion thereof, (ii) the Leased Property or any portion thereof, or (iii) the Non-CPLV Lease, the MLSA or Tenant's rights or Manager's obligations under the MLSA, shall in any case be subject to the applicable provisions, terms and conditions of Article XI of the MLSA, and of the Non-CPLV Lease, including Article 17 and Article 22 thereof.

9.19 Acknowledgment of Non-CPLV Lease as True Lease. Each Tenant Financing Representative, on behalf of itself and the related Tenant Financing Claimholders, agrees and acknowledges that it will not take any action, directly or indirectly, whether under this Agreement, the Tenant Financing Documents or otherwise, and whether or not any Insolvency or Liquidation Proceeding has been commenced by or against Tenant or Guarantor, (i) to challenge any assertion by any party that the Non-CPLV Lease is a true lease, or (ii) to contend that the Non-CPLV Lease is not a true lease or to support any such contention.

The parties shall use good faith efforts to reach an agreement on the Annual Plan prior to the commencement of the Year to which such Annual Plan relates. The Service Provider and the Recipients shall work together in good faith to finalize each Annual Plan. The Service Provider shall provide the services hereunder in accordance with the Annual Plan. The affirmative consent of a majority of the Steering Committee members shall be required to increase any department or cost center in the Annual Plan; provided, however, that Service Provider may increase or decrease any such department or cost center without consent of the Steering Committee so long as (i) such change is necessary to reflect a material change in the services required from the service anticipated to be required at the time the Annual Plan was approved, (ii) such amount does not cause a change that exceeds fifteen percent (15%) of such approved item in the Annual Plan, (iii) such increase is applied on a non-discriminatory basis to all Recipients that receive an allocation to which such department or cost center increase relates, (iv) Service Provider provides the Steering Committee with at least sixty (60) days' prior notice, to the extent practicable, of such increase, and (v) Service Provider provides the Recipients with reasonable documentation supporting the need for such increase, where applicable.

#### 8.6 Treasury.

(a) The Recipients (or, at the request of any Recipient, Service Provider) shall each establish, if necessary, one or more bank accounts at banking institutions chosen by such Recipient and reasonably acceptable to Service Provider (such account or accounts are hereinafter collectively referred to as the "**New Bank Accounts**"), and Service Provider shall provide treasury and cash management functions to and on behalf of each Recipient. The Bank Accounts shall be in the applicable Recipient's name or in the name of Service Provider if directed by the applicable Recipient. To the extent permitted under the applicable Property Management Agreements and any financing documents to which a Recipient or any of its Affiliates is a party, Service Provider may transfer funds from and among the New Bank Accounts and any bank accounts established by the Recipients prior to the date hereof (the "**Existing Bank Accounts**", together with the New Bank Accounts, the "**Bank Accounts**"). Each Recipient hereby authorizes the Treasurer and Assistant Treasurer of Service Provider and their designees to sign for and otherwise manage each Recipient's respective Bank Accounts. Service Provider shall not commingle funds of Service Provider and/or its Affiliates (excluding Recipients) with funds of the Recipients.

(b) Service Provider shall have the power to, in accordance with the Annual Plan, arrange for letters of credit for each Recipient on (x) a several, and not joint and several, basis and (y) an as needed basis and shall allocate the costs associated with such letters of credit to the applicable Recipient.

(c) The Service Provider may, in its reasonable discretion and in accordance with the Annual Plan, pay outstanding accounts payable, payroll and other expenses on behalf of each Recipient, and each applicable Recipient agrees to reimburse the Service Provider for such expenses without markup.

8.7 Regulatory Filings. Service Provider shall, at the election of each Recipient, prepare and file all reports required to be filed by each Recipient by each applicable Gaming Authority, the U.S. Securities and Exchange Commission or other governmental authority. The actual out-of-pocket cost of preparing and filing such reports shall be a Direct Charge to such Recipient.

#### 8.8 Service Provider Proprietary Information and Systems; Guest Data.

(a) Service Provider will make available to each Recipient, during the Term, the Service Provider Proprietary Information and Systems (as defined below). For the avoidance of doubt, certain Service Provider Proprietary Information and Systems may also be provided to certain Recipients under the respective Property Management Agreements.

(b) Each Recipient agrees that, as between such Recipient and Service Provider, Service Provider has the sole and exclusive right, title and ownership to:

- (i) certain proprietary information, techniques and methods of operating gaming, hotel and related businesses;
- (ii) certain proprietary information, techniques and methods of designing games used in gaming and related businesses;
- (iii) certain proprietary information, techniques and methods of training employees in the gaming, hotel and related business; and
- (iv) certain proprietary business plans, projections and marketing, advertising and promotion plans, strategies, and systems

(collectively items (i)-(iv), the “Service Provider Proprietary Information and Systems”).

(c) Each Recipient further agrees to maintain the confidentiality of such Service Provider Proprietary Information and Systems, and, upon the termination of this Agreement, each Recipient agrees to return the same to Service Provider, including documents, notes, memoranda, lists, computer programs and any summaries of such Service Provider Proprietary Information and Systems. Service Provider hereby grants to each Recipient a non-exclusive, limited right and license for the duration of the Term to use all or a portion of the Service Provider Proprietary Information and Systems solely to the extent necessary for Recipients to use the books, records and other information maintained by Service Provider hereunder in accordance with the terms and conditions of this Agreement. Service Provider Proprietary Information and Systems specifically excludes any information or documents otherwise falling within (i)-(iv) above if the same is prepared, designed or created solely for the use and benefit of one Recipient.

(d) Casino operational standards may include requirements that the Recipients purchase, lease or otherwise obtain, either through Service Provider or Service Provider’s designated suppliers, certain computer and other systems that Service Provider determines to be necessary for the

operation of the managed casino. If such computer and other systems are offered by Service Provider, the cost to each Recipient will be without markup by Service Provider from the original cost of such computer and other systems to Service Provider. If such computer and other systems are offered by designated suppliers, Service Provider will use commercially reasonable efforts to ensure that the cost to each Recipient will be no higher than the cost of the same or comparable computer and other systems offered to Other Managed Resorts.

(e) Service Provider will make available and license to each Recipient, until Termination of the Applicable Property Management Agreement, Guest Data, solely to the extent necessary for such Recipient's management and operation of the applicable Managed Facilities. Each Recipient acknowledges and agrees that it may only use and access Guest Data in connection with the operation and management of the applicable Managed Facilities and in accordance with and subject to Applicable Law. For the avoidance of doubt, certain Guest Data, including Property Specific Guest Data and CPLV Guest Data, may also be provided to certain Recipients under such Recipients' respective Property Management Agreements and, in the event of a conflict between this Agreement and the applicable Property Management Agreement, such Property Management Agreement shall control.

(f) Upon Termination of a Recipient's Property Management Agreement, such Recipient shall be permitted to retain (or, as necessary, to request and retain) a copy of the Property Specific Guest Data applicable to the Managed Facilities subject to such Recipient's applicable Property Management Agreement; provided, that each Recipient's use of such Property Specific Guest Data shall be subject to Applicable Law and the terms and conditions set forth in such Recipient's respective Property Management Agreement. Each Recipient acknowledges and agrees that, at such time as the CPLV Guest Data is transferred and assigned to CPLV Property Owner LLC, (i) no Recipient will have any further right, title or interest in or to the CPLV Guest Data or be permitted to access such CPLV Guest Data for marketing, research or other activities, or otherwise; and (ii) unless any of the CPLV Guest Data cannot be expunged without destruction of any data that is permitted to be retained by such Recipient, such Recipient must expunge all of the CPLV Guest Data; provided, however, that such Recipient may retain, and may deliver (subject to obligations of confidentiality, to the extent feasible) to any governmental authority, copies of any of the CPLV Guest Data to the extent required to comply with Applicable Law, including applicable Gaming Regulations.

**8.9 Centralized Services.** Service Provider will provide corporate functions to each Recipient, including without limitation information technology and related software services, information systems, website management, vendor relationship management, real estate, strategic sourcing, design and construction, regulatory compliance functions, finance and accounting, consolidated finance operations, risk management, internal audit, tax, record keeping and subsidiary management, treasury functions, consultancy and lobbying services, human resources, compensation, benefits, marketing and public relations, legal, payroll, accounts payable, security and surveillance, government relations, communications and data access services. Service Provider shall pass through any discounts, rebates or similar incentives received by the Service Provider or its Affiliates in connection with the provision of services under this Agreement.

**8.10 Business Advisory Services.** Service Provider will provide Recipients with certain business advisory services, including without limitation: (a) developing and implementing corporate and business strategy and planning, (b) identifying, analyzing, preparing for, negotiating, structuring and executing acquisitions, joint ventures, development activities, divestitures, investments and/or other opportunistic uses of capital, (c) legal and accounting consultancy services, (d) design and construction consultancy services and (e) analyzing and executing financing activities.

#### 8.11 Property Management Services.

(a) Service Provider shall provide to CEOC (and, at the request of CERP, shall provide to CERP) property management services of the type provided by CEOC to CEOC's own properties owned and/or managed by CEOC or its Affiliates prior to the Original Effective Date.

(b) For the avoidance of doubt, with respect to CGPH and its subsidiaries only, neither the Enterprise Services nor any other services provided under this Agreement shall include any property or asset-specific management services, which, for the avoidance of doubt, will be provided pursuant to separate Property Management Agreements.

(c) Service Provider may intermediate the provision of property management services required to be performed under separate Property Management Agreements from time to time as determined by the Steering Committee.

8.12 Operating Reimbursements. Except as otherwise specifically stated herein, Service Provider and the Recipients agree that they shall allocate costs, expenses, deposits, cash, assets and other similar items based on the use of such items by the Parties, regardless of the contracting party therefor. Items that shall be allocated include payroll expenses, marketing programs, reward credits, charitable contributions, and regulatory imposed payments. Each Recipient and Service Provider agree to negotiate in good faith the proper allocation of such items.

#### 8.13 Changes to Services.

(a) The Parties may agree to modify the terms and conditions of Service Provider's performance of any Enterprise Service in order to reflect new procedures, processes or other methods of providing such Enterprise Service. In the event that a Recipient requests a modification that is materially different from the terms and conditions of Service Provider's performance of any Enterprise Service prior to the date of such modification, and would require a material additional expenditure of resources by Services Provider to implement such modification (as determined by a majority of the Steering Committee), then the Parties will negotiate in good faith the terms and conditions upon which Service Provider would be willing to implement such change.

(b) Notwithstanding any provision of this Agreement to the contrary, Service Provider may make: (i) changes to the process of performing a particular Enterprise Service that do not adversely affect the benefits to any Recipient of Service Provider's provision or quality of such Enterprise Service in any material respect or increase any Recipient's cost for such Enterprise Service; (ii) emergency changes on a temporary and short-term basis; and/or (iii) changes to a particular Enterprise Service in order to comply with Applicable Law or regulatory requirements, so long as such changes are applied on a non-discriminatory basis to similar services provided to all Recipients, in each case without obtaining the prior consent of any Recipient. However, Recipients shall, to the extent practicable, be notified in writing within a reasonable time prior to any such changes.

8.14 Additional Services. Recipients may, from time to time, request additional services that are not contemplated above. The Parties agree to negotiate in good faith the terms and conditions, if at all, by which Service Provider would be willing to perform such additional services.

8.15 Access to Property. Each Recipient shall at all reasonable times have access to and the right to use all real property and personalty relating to the provision of Enterprise Services to such Recipient as set forth herein, including reasonable access to all media and to all computer software and programs used for the compilation or printout thereof (to the extent permitted by and subject to any applicable underlying license agreements).

## **9. PERFORMANCE OF ENTERPRISE SERVICES**

9.1 Oversight. The Steering Committee shall be responsible for managing, monitoring and facilitating the implementation and usage of the Enterprise Services. Decisions of the Steering Committee shall be taken, and disputes shall be resolved, by the affirmative consent of a majority of the Steering Committee members, unless a different standard is set forth herein. The Steering Committee shall have the authority to adopt policies and procedures for the implementation of the Enterprise Services contemplated herein. In furtherance of the foregoing, whenever this Agreement requires Services Co. to (a) take any administrative action contemplated by this Agreement, (b) take any action set forth in the Annual Plan or (c) implement any action previously approved by the Steering Committee, any officer of Services Co., acting alone, may take such action on behalf of the Steering Committee.

9.2 Standards. Subject to and in accordance with the Annual Plan, Service Provider shall perform the Enterprise Services on a non-discriminatory basis, in an efficient and first-class manner, using its commercially reasonable efforts to (i) provide the Enterprise Services in the same manner as CEOC provided such Enterprise Services prior to the Original Effective Date, and (ii) evolve the techniques and business processes in which it provides such Enterprise Services to keep pace with changes in the way such services are provided in similar industries. Actions taken by Service Provider in good faith consistent with the foregoing shall not constitute a breach of this Agreement unless such action materially violates an express provision of this Agreement.

### **9.3 Employees**

(a) Services Co. shall make available the executives and employees identified on Exhibit F, as amended from time to time, (the “**Services Co Employees**”) to deliver the Enterprise Services pursuant to this Agreement. For the avoidance of doubt, to the extent any Services Co Employees require access to the facilities of the Property Owners in connection with their delivery of the Enterprise Services or System-wide IP pursuant to this Agreement, the Recipients hereby grant, or shall cause such Affiliated Property Owners to grant, such Services Co Employees a non-exclusive license (or, pursuant to one or more separate agreements, shall grant such other access rights as may reasonably be required) for such purposes, subject to commercially reasonable limitations on such access and/or such other terms and provisions as may be separately agreed.

(b) Service Provider shall determine the fitness and qualifications of all employees performing the Enterprise Services, including the Services Co Employees. Service Provider shall hire, supervise, direct the work of, and discharge of, all Services Co Employees and all such other employees hired by Service Provider after the Original Effective Date and Exhibit F shall be amended from time to time to reflect such additional hires. Subject to the terms of any employment agreement or collective bargaining agreement, as applicable, Service Provider shall determine the

wages and conditions of employment of all such employees in accordance with the Annual Plan. All wages, bonuses, compensation, benefits, termination or severance expenses or liabilities, pension fund contribution obligations or liabilities, and other costs, benefits, expenses or liabilities and entitlements of or in connection with employees employed in connection with the Enterprise Services shall be Service Provider's responsibility (subject to allocated reimbursement as set forth in Article 10).

**9.4 Independent Contractors.** Subject to and in accordance with the Annual Plan, Service Provider may hire consultants, independent contractors, or subcontractors, including Affiliates, to perform all or any part of the Enterprise Services hereunder. Service Provider shall be authorized to enter into agreements on behalf of, and in the name of, a Recipient in connection with any or all of the Enterprise Services. Service Provider will remain fully responsible for the performance of its obligations under this Agreement, including any performance by such consultants, independent contractors, or subcontractors, and Service Provider will be solely responsible for payments due to its independent contractors unless such payments are part of a designated Direct Charge. All debts and liabilities incurred by Service Provider within the scope of the authority granted and permitted hereunder in the course of its provision of the Enterprise Services shall be the debts and liabilities of the respective Recipient(s) only, and Service Provider shall not be liable for such debts and liabilities except as specifically stated to the contrary herein.

**9.5 Agency and Agency Waivers.** The relationship between the Parties shall be that of principal, in the case of each Recipient, and agent, in the case of Service Provider. Nothing herein contained shall be deemed or construed to render the Parties hereto partners, joint venturers, landlord/tenant or any relationship other than that of principal and agent. To the extent there is any inconsistency between the common law fiduciary duties and responsibilities of principals and agents, and the provisions of this Agreement, the provisions of this Agreement shall prevail, it being the intention of the Parties that this Agreement shall be deemed a waiver by Recipients of any fiduciary duties owed by an agent to its principal, and a waiver by Service Provider of any obligations of a principal to its agent, to the extent the same are inconsistent with, or would have the effect of modifying, limiting or restricting, the express provisions of this Agreement, the intention of the Parties being that this Agreement shall be interpreted in accordance with general principles of contract interpretation without regard to the common law of agency except as expressly incorporated in the provisions of this Agreement. In no event shall Service Provider be deemed in breach of its duties hereunder solely by reason of (i) the failure of the financial performance of any Recipient's business to meet such Recipient's expectations or income projections or any operating budget or annual plans, (ii) the acts of any Recipient's employees, (iii) the institution of litigation or the entry of judgments against any Recipient or Recipient's business, or (iv) any other acts or omissions not otherwise constituting a material breach of this Agreement.

**9.6 Affiliate Transactions.** The fact that Service Provider or an Affiliate thereof, or a stockholder, director, officer, member, or employee of Service Provider or an Affiliate thereof, is employed by, or is directly or indirectly interested in or connected with, any Person which may be employed by Recipient to render or perform a service, or from which Service Provider may purchase any property, shall not prohibit Service Provider from employing such Person or otherwise dealing with such Person.

**9.7 Cooperation of Recipients and Service Provider.** Recipients and Service Provider shall cooperate fully with each other during the Term to take all actions, including procuring and maintaining all licenses and operating permits, if any, necessary or advisable for Service Provider to

provide services hereunder and to facilitate each Party's performance of this Agreement. Recipients shall provide Service Provider with such information as is necessary to the performance by Service Provider of its obligations hereunder and as may be reasonably requested by Service Provider from time to time.

## **10. COST ALLOCATION/FUNDING REQUIREMENTS**

10.1 Expense Allocation Statements. Within 10 days after the end of each calendar month, in accordance with the Annual Plan, Service Provider shall prepare and provide to each Member a statement of costs and expenses allocable to such Member and its respective Recipients for the preceding calendar month (each, an "**Expense Allocation Statement**") setting forth such Member's and its respective Recipients' (a) OpEx Allocation, (b) Baseline (and, if applicable, Special) CapEx Allocation and (c) Direct Charges and any other expenses incurred 100% for the benefit of such Member and/or its respective Recipients. For administrative convenience, at the election of Service Provider each Expense Allocation Statement may also include amounts owing and payable to or on behalf of Service Provider under any Property Management Agreement; provided, that (i) all such amounts owing under any Property Management Agreement shall be separately and clearly identified as such on such Expense Allocation Statement and (ii) for the avoidance of doubt, nothing in this Agreement creates any independent payment obligation with respect to amounts owing and payable under any Property Management Agreement. At the election of Service Provider, payroll and related personnel expenses may be invoiced and billed to, and payable by, the Members more frequently than monthly, as is reasonably required for Service Provider to meet then-existing payroll obligations.

10.2 Funding Requirements. Within 10 days after receipt of each Expense Allocation Statement, each Member shall pay all amounts indicated therein as due to Service Provider in accordance with the payment instructions included in such Expense Allocation Statement.

10.3 Disputes. If a Member disputes all or any portion of any expense allocated to such Member as set forth in any Expense Allocation Statement, such Member shall nonetheless timely pay such disputed amount to Service Provider and, following such payment, may submit such disputed amount to the Steering Committee for review and resolution (it being understood that the amount, if any, of any payment actually paid by such disputing Member that is ultimately determined by the Steering Committee to have been improperly allocated to such Member shall be promptly returned by Service Provider to such disputing Member following the decision by the Steering Committee to such effect).

## **11. AFFIRMATIVE COVENANTS**

11.1 Compliance with Laws. The Parties covenant throughout the Term to comply in all material respects with all Applicable Laws, rules, regulations and orders of all states, counties, and municipalities in which such Party conducts business, including any laws, rules, regulations, orders and requests for information of any Gaming Authorities that may license Service Provider or a Recipient or from which Service Provider or a Recipient may seek a license. Recipient shall also follow applicable federal laws, rules, and regulations.

11.2 Insurance. All Property Owners maintain Insurance Policies and all material Insurance Policies (i) are in full force and effect and enforceable in accordance with their terms and (ii) have not been subject to any lapse in coverage for any material term. As of the date hereof, the Parties agree that such Insurance Policies will be managed by the Service Provider, either directly or indirectly through the use of a captive insurance subsidiary. Upon the request of the Service Provider, each of the Property Owners will provide commercially reasonable cooperation to the Service Provider in order to afford the Service Provider the ability to properly maintain the Insurance Policies, which may include providing access to coverage, carriers and the right to make claims on behalf of the Property Owners and obtaining letters of credit or other credit support documentation requested by the Service Provider as may be necessary to provide a back-to-back letter of credit for the insurance obligations under the Insurance Policies of each property owned by the Property Owners, as applicable.

11.3 Property Management Agreements. In the event that any Existing Property Management Agreement or Future Property Management Agreement is terminated following the rejection thereof pursuant to Section 365 of the U.S. Bankruptcy Code (11 U.S.C. Section 101 et. seq., as amended) (the “**Bankruptcy Code**”) by the applicable Property Manager, Services Co. or its subsidiaries shall enter into a new property management agreement with respect to the property applicable to such Existing Property Management Agreement or Future Property Management Agreement on substantially similar terms to the applicable Existing Property Management Agreement or Future Property Management Agreement (such new property management agreement, the “**New Property Management Agreement**”).

## **12. REPRESENTATIONS AND WARRANTIES**

### **12.1 Mutual Representations and Warranties**

(a) Each Party represents and warrants that it is duly organized, validly existing and in good standing under the laws of the state of its organization, that each Party has full power and authority to enter into this Agreement and perform its obligations hereunder, and that the officers of such Party who executed this Agreement on behalf of such Party are in fact officers of such Party and have been duly authorized by such Party to execute this Agreement on its behalf.

(b) The execution, delivery and performance by each Party of this Agreement have been duly authorized by all necessary action on the part of such Party and no further action or approval is required in order to constitute this Agreement as the valid and binding obligations of such Party, enforceable in accordance with its terms.

12.2 Licensor’s Representations and Warranties. Each Licensor represents and warrants to the applicable Licensee that, to the knowledge of such Licensor: (a) such Licensor has the full right, power and authority to grant the rights herein granted to the applicable Licensee for use of the Licensed IP owned by such Licensor, including the right to license such Licensed IP to the applicable Licensee in accordance with this Agreement, and by doing so does not violate any agreement between such Licensor and a third party, or violate, infringe or misappropriate any Intellectual Property rights or other rights of a third party; and (b) the applicable Licensee’s use of the applicable Licensed IP owned by such Licensor, in accordance with the terms and conditions set forth in this Agreement and the applicable License, shall not violate, infringe or misappropriate the Intellectual Property rights or other rights (including any contractual rights) of any third party.

12.3 Service Provider Representations and Warranties. To Service Provider’s knowledge, all agreements between Service Provider and third parties pursuant to which Service Provider obtains any Enterprise Services to be provided hereunder are in full force and effect, and there is no event of material default thereunder by any party thereto that would materially adversely prevent Service Provider from providing the Enterprise Services hereunder.

### 13. **INDEMNIFICATION**

13.1 Each (a) Licensee agrees to fully indemnify and hold harmless each applicable Licensor (and its officers, directors and employees) and (b) Service Provider agrees to fully indemnify and hold harmless each Recipient (and its officers, directors and employees), in any case, from and against any and all liabilities, Claims, causes of action, damages and expenses (including reasonable and documented attorneys' fees) (collectively, "**Harm**") arising out of or resulting from: (i) any actual or alleged defects in any of the applicable Products or other Claim related to any of the applicable Products or the Materials not included in the applicable Licensed IP, and not covered by Licensor's indemnification obligations under Section 13.3 below, to the extent caused by an act or omission of such Licensee that such Licensee can demonstrate was not carried out or omitted pursuant to the applicable Licensor's instructions; (ii) any actual or alleged infringement, violation or misappropriation of any Intellectual Property rights, including trade secrets and rights of privacy and publicity, in connection with the use, disclosure, manufacture, marketing, promotion, distribution or sale by such Licensee of any applicable Products or Materials to the extent caused by an act or omission of such Licensee (other than to the extent arising from the use of the applicable Licensed IP as permitted hereunder and that such Licensee can demonstrate was pursuant to the applicable Licensor's instructions); (iii) such Licensee's false or misleading advertising in connection with any of applicable Products or Materials other than that which such Licensee can demonstrate was pursuant to the applicable Licensor's instructions; (iv) any violation by such Licensee of any Applicable Law, including, without limitation, Gaming Laws, in connection with the use of the Licensed IP and/or the use, manufacture, marketing, promotion, distribution, or sale of any applicable Products or Materials other than that which such Licensee can demonstrate was pursuant to the applicable Licensor's instructions; (v) any use of any of the applicable Licensed IP by such Licensee in a manner not authorized by this Agreement or the applicable License; (vi) any breach of this Agreement by such Licensee; (vii) any material damage to the facilities of the Members or the Property Managers caused by Services Co. In the event that a recall of any applicable Product or Material is required, ordered or recommended by any court or government agency or any Applicable Law, for any reason, each Licensee shall comply with such requirement, order or recommendation and shall bear all the expenses thereof, unless Licensee can demonstrate such defect was due to the applicable Licensor's instructions, in which case, the applicable Licensor shall bear such expenses.

13.2 The indemnified party under Sections 13.1 and 13.3 shall promptly notify the indemnifying party of any Claim which may be made against the indemnified party. Each Licensee and the applicable Licensor shall consult with respect to the handling of such claim and its resolution; provided, that Licensor shall have sole control of the defense and settlement of any such claim (provided, that in connection with License 1, License 2 and License 3, Services Co. will act on behalf of and at the direction of the applicable Licensor with respect to the defense and settlement of any such claim), whether initially made against a Licensor or a Licensee, at such Licensor's sole expense (subject to such Licensee's indemnification obligations, as applicable); provided, that (a) a Licensee may participate in the defense and settlement with its own counsel at its expense, and (b) in the event the Claim was made against a Licensee, Licensor shall not settle such claim without such Licensee's consent, not to be unreasonably withheld or delayed, unless the settlement is for a monetary payment only and admits no fault of such Licensee.

13.4 Limitation on Liability. No Party will be liable for indirect, consequential, special, exemplary or punitive damages, regardless of the form of action, whether in contract, tort or otherwise, and even if such Party has been advised of the possibility of such damages.

(d) If an Event of Default exists with respect to a Member pursuant to Section 14.4(a)(i)(C), (i) such Member will lose all governance rights applicable to such Member or such Member's representative on the Steering Committee, provided for herein and pursuant to the JV Agreement, and (ii) where practicable, the provision of the Enterprise Services to such Member shall not include use of the product or asset that was the subject to the capital expenditure not funded by such Member; provided, that, for the avoidance of doubt, subject to Sections 15.2 and 15.7, such Member shall not lose any rights to which it is entitled as a Licensee hereunder.

(e) If an Event of Default exists with respect to a Member pursuant to Section 14.4(a)(i)(D), (i) such Member will lose all governance rights applicable to such Member or such Member's representative on the Steering Committee, provided for herein and pursuant to the JV Agreement, and (ii) where practicable, the provision of the Enterprise Services to such Member shall not include use of the product or asset that was the subject to the capital expenditure not funded by such Member; provided, that, for the avoidance of doubt, subject to Sections 15.2 and 15.7, such Member shall not lose any rights to which it is entitled as a Licensee hereunder; provided, further, that if CEOC does not fund its Special CapEx Allocation pursuant to Section 6.1(e) of the JV Agreement, this shall not be considered an Event of Default, but where practicable, the provision of the Enterprise Services to CEOC shall not include use of the product or asset that was the subject of the capital expenditure not funded by CEOC.

#### 14.5 Bankruptcy.

(a) An Event of Default shall exist with respect to a Party if such Party:

(i) applies for or consents to the appointment of a receiver, trustee or liquidator of itself or any of its property;

(ii) makes a general assignment for the benefit of creditors;

(iii) is adjudicated bankrupt or insolvent;

(iv) has filed against it an involuntary bankruptcy petition and (x) such petition shall continue not dismissed for sixty (60) days or (y) an order approving such petition shall have been entered; or

(v) files a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors, takes advantage of any bankruptcy, reorganization, insolvency, readjustment of debt, dissolution or liquidation law, or admits the material allegations of a petition filed against it in any proceedings under any such law;

provided, however, that the transactions contemplated by the CEOC Restructuring shall not constitute an Event of Default under this Section 14.5.

14.6 Delays and Omissions. No delay or omission as to the exercise of any right or power accruing upon any Event of Default shall impair the non-defaulting party's exercise of any right or power or shall be construed to be a waiver of any Event of Default or acquiescence therein.

**15. TERM; BREACH; REMEDIES; EFFECT OF TERMINATION**

15.1 The term of this Agreement shall commence on the date hereof and shall continue in full force and effect in perpetuity unless terminated as provided herein (the "**Term**"); provided, that the term of each License shall commence on the date hereof and shall continue for the duration of the applicable License Term.

15.2 Other than with respect to a breach of Section 4.1(a) by a Licensee, which shall be governed by Section 4.2, if a Licensee's use of the Trademarks included in the Licensed IP does not meet the quality control standards set forth in this Agreement or if a Licensee otherwise materially breaches any terms of this Agreement (but solely with respect to those terms applicable to such Licensee in its capacity as a Licensee hereunder), then the applicable Licensee shall remedy such breach to the reasonable satisfaction of the applicable Licensor within thirty (30) days of the delivery of written notice of such breach by the Licensor to the Licensee, which cure period shall be extended for an additional thirty (30) days if the breach is curable and the applicable Licensee is diligently attempting to cure such breach. If at the end of the period following the applicable Licensee's receipt of written notice of such breach (or, in the case of Section 4.2, at the end of the fifteen (15) day period following the applicable Licensee's receipt of written notice of failure to make corrections to any material non-compliance), the Licensee has failed to remedy such breach to the reasonable satisfaction of the Licensor, then the Licensor may immediately seek preliminary or permanent injunctive relief against the Licensee. If injunctive relief is granted in favor of the Licensor pursuant to this Section 15.2, the Licensor shall be entitled to recover its reasonable attorneys' fees, costs, and expenses of litigation incurred in connection with seeking such injunctive relief. The rights of each Licensor set forth in this Section 15.2 are in addition to any other legal or equitable remedy that the Licensor may be entitled to seek in respect of quality deficiencies or other material breaches of this Agreement.

15.3 Each Licensor shall have the right to terminate this Agreement with respect to a Licensee immediately upon written notice to such Licensee in the event such Licensee violates or is notified by Gaming Authority that it is violating any Gaming Laws, or the ongoing existence of this Agreement might cause any Party to be in violation of any Gaming Laws.

15.4 [Intentionally deleted.]

15.5 Except as otherwise provided herein, this Agreement may not be terminated without the prior written consent of all the Parties hereto.

15.6 Upon the termination or expiration of any License as provided pursuant to this Agreement, the applicable Licensee shall no longer be licensed to use any of the applicable Licensed IP and shall discontinue all use of such Licensed IP within twelve (12) months (the “**Transition Period**”) following the termination or expiration of the applicable License. All applicable Products and Materials in such Licensee’s possession or control at the time of termination or expiration of the Transition Period for the applicable License shall be delivered to the applicable Licensor or, at such Licensor’s instruction, destroyed. Upon the applicable Licensor’s request, all signage and fixtures bearing the Trademarks included in the Licensed IP must be removed by the applicable Licensee prior to the expiration of the Transition Period and delivered to the applicable Licensor or, at such Licensor’s instruction, destroyed.

15.7 Each Licensee acknowledges and agrees that any unauthorized use of the applicable Licensed IP by such Licensee may result in irreparable harm to the applicable Licensor for which remedies other than injunctive relief may be inadequate, and that the applicable Licensor may be entitled to receive from a court of competent jurisdiction injunctive or other equitable relief to restrain such unauthorized acts in addition to other appropriate remedies.

15.8 If this Agreement is terminated pursuant to this Article 15, it shall become void and of no further force and effect, except that Articles 1, 4, 6, 7, 13, 16 and this Section 15.8 shall survive the expiration or any termination of this Agreement.

## **16. MISCELLANEOUS PROVISIONS**

16.1 In all transactions regarding any Products and Materials, each applicable Licensee shall assume sole responsibility for any commitments, obligations or representations made by it in connection with the use, manufacture, advertising, marketing, promotion, publicity, distribution, offer for sale and sale thereof and such Licensee represents and warrants to the applicable Licensor that such Licensor shall have no liability to such Licensee or third parties with respect to any such Products or Materials manufactured, advertised, distributed, marketed, promoted, published, offered for sale or sold by or for such Licensee or its customers.

Whenever any notice is required to be given by Applicable Law or this Agreement, a written waiver thereof, signed by the Person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

16.3 This Agreement, the JV Agreement, the Property Management Agreements and the CPLV Trademark License constitute the entire agreement between the Parties hereto pertaining to the subject matter hereof and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written, of the Parties, pertaining to such subject matter. There are no warranties, representations or agreements, express or implied, between the Parties in connection with the subject matter hereof except as may be specifically set forth herein or therein. No amendment, supplement, modification or waiver of this Agreement shall be binding unless it is set forth in a written document signed by all the Parties; provided, however, that upon the acquisition or development by Services Co. or any Member of any new property, or in connection with any transaction in which a property owned by a Member remains managed by an Affiliate of CEC but the ownership structure of such property is modified (including a transaction pursuant to which a third party acquires the real property interest in such property and leases back such property to the relevant Member or any of its Affiliates) that, in any of the foregoing cases, would involve the use of any System-wide IP, subject to compliance with Section 8.3 of the JV Agreement, the officers of Services Co. may update Exhibits A, D, E, H, I, J, K and L solely to reflect such acquisition, development or transaction during the Term without obtaining the signature of the Parties so long as

copies of all such updates are distributed to all Parties and the affected Party does not object to such amendments within 10 days of receipt of such revised Exhibits. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision (whether or not similar) nor shall such waiver constitute a continuing waiver unless otherwise expressly provided in a written document signed by all the Parties.

16.4 Except as otherwise expressly set forth herein, no Party may assign or sublicense this Agreement or any License under which it is a Licensor or Licensee, or pledge as security or otherwise grant any interest of any kind or nature in or to this Agreement or its applicable licenses granted hereunder, to any third party without the express written consent of the other Parties hereto; provided, that in the event a Licensee should become a debtor in any case under the Bankruptcy Code, each applicable Licensee shall have the right to assume, or to assume and assign to a permitted assignee under this Section 16.4, such Licensee's rights under, and the Licenses granted to such Licensee pursuant to, this Agreement in accordance with Bankruptcy Code Section 365, and each applicable Licensor shall and hereby does consent to assumption or assumption and assignment of such Licensee's rights under, and the Licenses granted to such Licensee pursuant to, this Agreement under Bankruptcy Code Section 365(c)(1)(B), waive its rights to invoke Bankruptcy Code Section 365(c)(1), and acknowledge that it will be estopped to argue that such Licensor's consent and waiver hereunder are unenforceable. For purposes of this Agreement, an "assignment" shall include the sale of all or substantially all of the stock, assets or voting control of a Licensee, any corporate reorganization of a Licensee, or any other transfer under an operation of law (each, a "**Change of Control**"); provided, however, that notwithstanding the foregoing, the consummation of the CEOC Restructuring and any transactions contemplated thereby (including the merger of CEOC with and into CEOC, LLC, a Delaware limited liability company, on or about the date hereof, with CEOC, LLC as the surviving entity of such merger and acceding to all of the rights and obligations of CEOC hereunder) shall not constitute an "assignment" or "Change of Control" for purposes of this Agreement. Notwithstanding the foregoing, (a) CGPH, any CGPH Property Owner or other CGPH subsidiary, CERP, any CERP Property Owner or any other CERP subsidiary, CEOC or any CEOC subsidiary may assign its right, title and interest in this Agreement in connection with (i) a financing; or (ii) a transfer of all of the real property interests owned by it (together with the casino and related facilities located thereon), in each case, provided the assignee or transferee (including any direct or indirect equity owner thereof) is not (x) a competitor of CEC engaged in the gaming business, or (y) generally recognized in the community as being a person of ill repute or who has or is reasonably believed to have an adverse reputation or character, in either case, which is more likely than not to have a material adverse effect on the other Parties or any of their Affiliates or make such Person unsuitable under Applicable Law to hold a gaming license or to be associated with a gaming licensee or otherwise jeopardizes any of the Parties' or their Affiliates' gaming licenses, (b) any CGPH Property Manager, CERP Property Manager or CEOC Property Manager may assign its right title and interest in and to this Agreement, without the consent of the other Parties, to (i) any Affiliate of such CGPH Property Manager, CERP Property Manager or CEOC Property Manager that is directly or indirectly wholly-owned by CEC, and (ii) in connection with a Change of Control of CEC; provided, that neither the new control party(ies) or the proposed transferee (as applicable) nor any of such party's direct or indirect equity owners is generally recognized in the community as being a person of ill repute or who has or is reasonably believed to have an adverse reputation or character, in either case, which is more likely than not to have a material adverse effect on the other Parties or any of their Affiliates or make such Person unsuitable under Applicable Law to hold a gaming license or to be associated with a gaming licensee or otherwise jeopardizes any of the Parties' or their Affiliates' gaming licenses, and (c) any merger, amalgamation, consolidation or transfer, distribution or disposition of equity interests or Change of Control of Services Co. or any other Party hereto that results in Services Co. or such other Party hereto, as applicable, becoming a direct or indirect Subsidiary of CEC shall not require the prior consent of any other Party hereto.

16.5 The Parties expressly acknowledge and agree that the subject matter of this Agreement, including the rights licensed to each Party hereunder, are unique and irreplaceable, and that the loss thereof cannot adequately be remedied by an award of monetary compensation or damages. In the event that this Agreement or the licenses granted hereunder should ever become subject to United States bankruptcy proceedings, all rights and licenses granted pursuant to this Agreement are, and shall otherwise be deemed to be, licenses of rights to and respecting “intellectual property” and “embodiment[s]” of “intellectual property” for purposes of Section 365(n) and as defined in Section 101(35A) or Chapter 11 of the Bankruptcy Code, and to the extent necessary to preserve the rights of each Party hereunder, including the license rights herein granted to such Party, this Section 16.5 shall be treated as supplementary to this Agreement pursuant to Section 365(n) of the Bankruptcy Code. Each of the Licensees may elect to retain and fully exercise all of its rights and elections under Section 365(n) of the Bankruptcy Code, including its retention of all its rights as a licensee hereunder, notwithstanding the rejection of this Agreement by any other Party as debtor in possession, or a trustee or similar functionary in bankruptcy acting on behalf of a debtor’s estate. In the event that any proceeding shall be instituted by or against any of the Parties (or any Affiliate of any such Party) seeking to adjudicate it bankrupt, or insolvent, or seeking liquidation, winding up, insolvency or reorganization, or relief of debtors, or seeking an entry of an order of relief, or the appointment of a receiver, trustee or other similar official for it or any substantial part of its property or it shall take any action to authorize any of the foregoing actions (each a “Bankruptcy Event”), each Licensee, in the case of a Bankruptcy Event of any Licensor, and each Licensor, in the case of a Bankruptcy Event of any Licensee, shall have the right to retain and enforce its rights under this Agreement (including this Section 16.5) as provided under Section 365(n) of the Bankruptcy Code.

16.6 This Agreement shall be deemed executed and delivered within the State of Nevada, is made in contemplation of its interpretation and effect being construed in accordance with the laws of said State applicable to contracts fully executed and performed in said State, and it is expressly agreed that it shall be construed in accordance with the laws of the State of Nevada without giving effect to the principles of the conflicts of laws. All litigation arising out of or relating to this Agreement shall be brought in the federal or state courts of Nevada and the Parties consent to jurisdiction therein. Notwithstanding the foregoing, in the event of Foreclosure, all litigation arising out of or relating to this Agreement shall be brought in the federal or state courts of the Borough of Manhattan, The City of New York and appellate courts from any thereof, and the Parties consent to jurisdiction therein.

16.7 The headings and captions contained in this Agreement are for convenience of reference only and in no way define, limit or describe the scope or intent of this Agreement or in any way affect this Agreement. Unless the context requires otherwise: (a) pronouns in the masculine, feminine, and neuter genders shall be construed to include any other gender, and words in the singular form shall be construed to include the plural and vice versa; (b) the term “including” shall be construed to be expansive rather than limiting in nature and to mean “including, without limitation;” (c) references to Articles and Sections refer to Articles and Sections of this Agreement; (d) whenever in this Agreement a Person is permitted or required to make a decision or take an action or omit to take an action (x) in its “discretion” or “discretion” or under a similar grant of authority or latitude, or without an express standard, such Person will be entitled to consider such interests and factors, including its own interests, as it desires, and will have no duty or obligation to consider any other interests or factors affecting the Company or any other Person, or (y) with an express standard of

behavior (including, without limitation, standards such as “reasonable” or “good faith”), then the Person will comply with such express standard and will not be subject to any other or different standard; (e) the words “this Agreement,” “herein,” “hereof,” “hereby,” “hereunder,” and words of similar import refer to this Agreement as a whole, including the Exhibits and Schedules attached hereto, and not to any particular subdivision unless expressly so limited; and (f) references to Exhibits and Schedules are to the items identified separately in writing by the parties hereto as the described Exhibits or Schedules attached to this Agreement, each of which is hereby incorporated herein and made a part hereof for all purposes as if set forth in full herein. All references to “dollars” and “\$” shall refer to United States Dollars.

16.8 This Agreement may be executed in one or more counterparts, including via facsimile or any other electronic transmission, each of which when executed and delivered shall be deemed an original, but all of which together will constitute one and the same instrument.

16.9 The Propco Property Owners and the Opco Claimholders shall (a) be express beneficiaries of CEOC’s rights and benefits under this Agreement, including with respect to any (i) Intellectual Property (including CEOC Property Specific IP, Licensed IP and System-wide IP), (ii) Guest Data (including Property Specific Guest Data and CPLV Guest Data), and (iii) Enterprise Services, owned by or licensed to CEOC, in each case for use by or in connection with, or otherwise related to, the CPLV Managed Facility or the CEOC Managed Facilities owned by such Propco Property Owners and leased to CEOC or any of its subsidiaries, and (b) have the right to exercise against Services Co. and its subsidiaries any rights and remedies available to each of CEOC, at law or in equity (including, for the avoidance of doubt, any remedies described in (Section 16.10), and all such rights shall be cumulative. Further, it is understood and agreed that secured parties under financings entered into by either CERP or CGPH (or any of their subsidiaries) may request or be entitled to comparable third party beneficiary rights with respect to CERP’s and CGPH’s rights (or their subsidiaries’ rights) under this Agreement. Such third party beneficiary rights may be granted to such secured parties without requiring the consent of any Party to this Agreement (or any of such Party’s lenders or secured parties).

16.10 Each Party acknowledges that the other Parties would be damaged irreparably and would have no adequate remedy at law if any provision of this Agreement is not performed in accordance with its specific terms or otherwise is breached. Accordingly, each Party agrees that the other Parties will be entitled to an injunction to prevent any breach of any provision of this Agreement and to enforce specifically any provision of this Agreement, in addition to any other remedy to which they may be entitled and without having to prove the inadequacy of any other remedy they may have at law or in equity and without being required to post bond or other security.

16.11 This Agreement is intended to be, and shall be, valid, binding and enforceable as a private contract between the Parties as of the Effective Date; provided, however, that this Agreement shall, nevertheless remain subject to the approval of the Gaming Authorities, to the extent required by Applicable Laws, and this Agreement shall not be effective and shall not be modified or amended without the approval of the Gaming Authorities, to the extent required by applicable Legal Requirements.

This Letter Agreement (this "Letter Agreement") is made as of this 6th day of October, 2017, by and between Caesars Enterprise Services, LLC ("CES") and Timothy R. Donovan ("Executive") (collectively, the "Parties").

WHEREAS, Caesars Entertainment Operating Company, Inc. ("CEOC") and Executive are parties to that certain Employment Agreement, dated as of April 2, 2009, which Employment Agreement has been assigned by CEOC to CES, as amended by the Amendment No. 1 to Employment Agreement between CEOC and Executive, dated March 8, 2017 (collectively, the "Existing Agreement");

WHEREAS, each of CES and Executive desire to modify the Existing Agreement on the terms and subject to the conditions set forth in this Letter Agreement; and

WHEREAS, CEOC and certain of its affiliates filed for relief under chapter 11 title 11 of the United States Code in the Bankruptcy Court for the Northern District of Illinois Eastern Division and were proponents of the Debtors' Third Amended Joint Plan of Reorganization (as amended, modified or supplemented, the "Plan").

NOW, THEREFORE, in exchange for good and valuable consideration, the sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

1. Definitions. Capitalized terms used and not otherwise defined herein shall have the respective meanings assigned to such terms in the Existing Agreement.

2. Qualifying Termination: For purposes of this Letter Agreement, a "Qualifying Termination" shall mean (i) Executive's resignation (or giving written notice thereof), for any or no reason, of his employment with CES with an effective date of termination on or after December 1, 2017 or (ii) any termination without Cause (or giving written notice thereof) of Executive's employment by CES or any affiliate thereof during the period commencing on the date this letter agreement is executed and ending on December 31, 2017; provided, however, that Executive's voluntary resignation of employment with CES with an effective date of termination after December 31, 2017 shall not be a "Qualifying Termination." Notwithstanding any contrary provision of the Existing Agreement or this Letter Agreement, Executive shall provide fifteen (15) days prior notice of any Qualifying Termination under clause (i) of the immediately preceding sentence.

3. Certain Benefits Upon Qualifying Termination. Subject to Executive's execution and non-revocation of a release in substantially the form attached hereto as Exhibit A (the "Release") and compliance with the provisions of the Existing Agreement, including without limitation compliance with Section 12 of the Existing Agreement, but for a period of 18 months commencing on the date Executive's employment terminates (the "Non-Compete Period"), and continued compliance with Section 13 of the Existing Agreement, CES agrees that, as a result of a Qualifying Termination:

- (a) Executive shall be entitled to the amounts contemplated by Section 9.1(b)(i) and (ii) of the Existing Agreement as if such Qualifying Termination was for Good Reason (as defined in the Existing Agreement); provided, however, that nothing in this Letter Agreement or the Existing Agreement shall result in a duplication of payments or benefits under this Letter Agreement or the Existing Agreement;

- (b) Executive shall also be entitled to a pro rata bonus for calendar year 2017, calculated through the date of termination. Such bonus is to be paid at the same time and in the same manner in which CES pays annual bonuses to its similarly situated active officers but, in any case, not later than March 15, 2018. The bonus shall be determined in good faith by the Human Resources Committee (“HRC”) of Caesars Entertainment Corporation (“CEC”), approved by the compensation committee or other body of CEC for purposes of qualifying such bonus “performance-based compensation” under Section 162(m) of the Code, and shall be paid subject to the same criteria, and at the target bonus percentage applicable to similarly situated active officers of CES (such target percentage shall not be less than specified in the Existing Agreement);
- (c) In accordance with Section 9.5 of the Existing Agreement, all outstanding awards under the Caesars Entertainment Corporation 2012 Performance Incentive Plan and any other Company long-term incentive plan will immediately vest on the date of the Qualifying Termination as if such Qualifying Termination was for Good Reason, provided, however, that the long-term incentive cash grant made on March 10, 2017 (the “March Grant”) will not vest, but will remain subject to the vesting conditions set forth in Section 3(d) hereof.
- (d) In consideration for the additional benefits and arrangements provided for herein, Executive agrees that in the case of a Qualifying Termination, vesting of the March Grant will be subject to the Company obtaining gaming regulatory approval of the Plan (“Regulatory Approval”) on or before October 31, 2017. In the event that Regulatory Approval is obtained after October 31, 2017, any partial or pro-rata vesting of the March Grant shall be within the discretion of the HRC upon demonstration that Executive used or continues to use reasonable best efforts to obtain Regulatory Approval. Executive may demonstrate Executive’s “reasonable best efforts” by producing a bi-weekly report for the Chief Executive Officer of CES (“CEO”) demonstrating activity and progress toward Regulatory Approval. The CEO will update the HRC as requested.
- (e) In the event that (i) Executive closes on the sale of Executive’s Las Vegas condominium (the “Condo”) at arms’ length to an unaffiliated third party prior to December 31, 2017 and (ii) the consideration received by Executive (“Sale Price”) is less than the price paid by Executive to purchase the property (“Cost”), then CES will, promptly upon receipt of appropriate documentation but no later than March 15, 2018, pay to

Executive an amount equal to the difference between the Sale Price and the Cost. If the sale of the Condo contemplated herein does not close on or prior to December 31, 2017, CES will pay to Executive, no later than March 15, 2018, an amount equal to the difference between the Appraised Value and the Cost. For purposes of this Letter Agreement, "Appraised Value" shall mean the appraised value for the Condo, as determined by a reputable licensed real estate agent, agency or appraiser selected by CES with the consent of Executive, which consent shall not be unreasonably withheld or delayed. In no event under this clause (e) shall CES be obligated to pay more than \$200,000 to Executive.

- (f) As further incentive for Executive to seek to obtain Regulatory Approval as expeditiously as possible, if (i) Regulatory Approval is obtained on or before October 31, 2017 and (ii) Executive thereafter (x) experiences a Qualifying Termination or (y) resigns for Good Reason before December 1, 2017, Executive will receive a one-time special bonus ("Special Bonus") in the amount of \$1,000,000. In the event that Regulatory Approval is obtained after October 31, 2017 but prior to December 31, 2017 and Executive thereafter (x) experiences a Qualifying Termination or (y) resigns for Good Reason before December 1, 2017, the Special Bonus will be earned provided that Executive used and demonstrated reasonable best efforts to obtain Regulatory Approval (as reasonably determined by the CEO in consultation with the HRC in good faith and taking into account any events or circumstances that delayed the Regulatory Approval that were beyond Executive's control). Executive may demonstrate Executive's "reasonable best efforts" by producing a bi-weekly report for the Chief Executive Officer of CES demonstrating activity and progress toward Regulatory Approval. For the avoidance of doubt, Executive using his reasonable best efforts does not mean that Executive is single-handedly responsible for securing Regulatory Approval, but rather that Executive is acting and directing others to act in a manner consistent with securing Regulatory Approval by October 31, 2017. For the avoidance of doubt, the Special Bonus is not a long-term incentive award for purposes of Section 9.5 of the Existing Agreement or Section 3(c) hereof. The Special Bonus shall be payable within ten (10) business days after the applicable date of termination, but in no event later than March 15, 2018.

For the avoidance of doubt, for the purposes of the Existing Agreement and any applicable equity award agreements, other than the March Grant, a Qualifying Termination shall be considered a resignation for Good Reason. Further, for the avoidance of doubt, Executive reserves and maintains the right to resign for Good Reason as defined in the Existing Agreement or without Good Reason, with no modifications to the benefits provided under the Existing Agreement, but without entitlement to the additional benefits provided in this Letter Agreement unless otherwise provided in this Letter Agreement. CES acknowledges and agrees that, following the date of this Letter Agreement, Executive shall be entitled to provide services to CES and its affiliates remotely from his home or any other location, in Executive's sole discretion, and any absence from CES's premises shall not constitute Cause (as defined in the

Existing Agreement), be considered in determining whether Cause exists, be considered a breach of this Letter Agreement or the Existing Agreement, have any other impact on Executive's employment, compensation determinations or being an employee in good standing or otherwise negatively impact Executive. In the event that Executive fails to execute or revokes a release as provided above or to comply with Section 12 of the Existing Agreement for the Non-Compete Period, CES shall have no further obligations to Executive under this Letter Agreement or the Existing Agreement and any Options shall terminate immediately. For the avoidance of doubt, during the Non-Compete Period Executive may be employed or otherwise provide services to any person or entity with which the Company or any of its affiliates does business, provided, that such person or entity does not directly compete with the Company in the casino gaming industry.

The Release delivered pursuant to this Letter Agreement shall be deemed to satisfy any requirement to deliver a release as a condition for Executive to receive any payment or benefit described herein, or under any equity incentive, cash incentive or other benefit plan or agreement maintained by CES or its affiliates or to which CES or one of its affiliates may be a party.

4. Consulting Period Following Qualifying Termination. In the event that Executive experiences a Qualifying Termination, the parties agree to enter into a mutually agreeable consulting agreement in the form attached hereto as Exhibit B (the "Consulting Agreement"). Pursuant to the Consulting Agreement, Executive's consulting services shall commence on the date of termination of Executive's employment and end on the first anniversary of the date of termination (the "Consulting Period"). At any time during the Consulting Period, Executive may seek full-time employment to the extent that it does not violate Section 12 of the Existing Agreement during the Non-Compete Period. For the avoidance of doubt, (i) nothing in this Letter Agreement shall relieve Executive of any of his obligations under the Existing Agreement, including, but not limited to, the obligations under Section 15 of the Existing Agreement and (ii) the parties acknowledge and agree that any stock holding or ownership requirements of Caesars Entertainment Corporation and its affiliates shall not apply to Executive at any time following Executive's termination of employment, for any or no reason, including during the Consulting Period.

5. Indemnification. Nothing in this Letter Agreement, in the Existing Agreement or in the Release shall limit or impair Executive's rights to indemnification or advancement under the Charter, By-Laws or directors and officers insurance policy(ies) of CES, CEOC or any affiliates thereof, as in effect or maintained from time to time, which rights shall remain in full force and effect in accordance with their terms.

6. No Duty to Mitigate or Offset. Executive shall be under no obligation to seek other employment or otherwise mitigate CES's obligations to Executive hereunder or under the Existing Agreement or under any plan, program or other benefit arrangement or otherwise. Moreover, there shall be no offset against any amounts owed to Executive hereunder or under the Existing Agreement or under any plan, program or other benefit arrangement on account of any remuneration (including any fees or payments under the Consulting Agreement) attributable to any subsequent employment or other service of any kind obtained by Executive.

7. Personal Effects and Correspondence. Executive shall be permitted to remove Executive's personal effects from CES's premises. Further, Executive shall be permitted to retain a copy of Executive's contact lists and personal emails maintained in any physical form or on any computer or server of CES or its affiliates. Nothing in this Agreement, the Existing Agreement or the Release shall prevent Executive from producing any emails or contact lists (a) when required by law, subpoena, court order or other legal process, (b) in the course of any legal, arbitral, or regulatory proceeding, (c) to any governmental authority, regulatory agency or self-regulatory organization or (d) in connection with any investigation by CES. CES further agrees that it will transfer dominion and control to Executive of any LinkedIn and other social media pages or accounts that it maintains under Executive's name and Executive and CES will cooperate in the transition of such media to Executive.

8. Section 409A Compliance. This Letter Agreement and all payments and benefits provided hereunder are intended to be exempt from or otherwise comply with Section 409A of the Internal Revenue Code of 1986, as amended (the "Code") (including the exceptions thereto), to the extent applicable, and the provisions of this Letter Agreement will be administered, interpreted and construed accordingly. The Release shall be executed such that it becomes effective, with all revocation periods having expired unexercised, within 60 days following the Executive's termination of employment. If such 60-day period ends in a calendar year after the calendar year in which the Executive's employment terminates, then, but only to the extent required by Section 409A of the Code to avoid taxes and/or interest thereunder, any payments and benefits that would have been made during the calendar year in which Executive's employment terminates instead shall be withheld and paid on the first business day in the calendar year after the calendar year in which Executive's employment terminates, with all remaining payments to be made according to the schedule set forth herein, as if no such delay had occurred. If Executive's termination of employment hereunder does not constitute a "separation from service" within the meaning of Section 409A of the Code, then any amounts payable hereunder on account of a termination of the Executive's employment and which are subject to Section 409A of the Code shall not be paid until the Executive has experienced a "separation from service" within the meaning of Section 409A of the Code. Notwithstanding any other provision of this Agreement to the contrary, if at the time of Executive's termination (i) Executive is a "specified employee" within the meaning of Section 409A of the Code, and (ii) a payment or benefit provided for in this Agreement would be subject to additional tax under Section 409A of the Code if such payment or benefit is paid within six (6) months after the Executive's "separation from service," then CES will not pay such amount on the otherwise scheduled payment date but will instead pay it in a lump sum on the earlier of (A) the first regular payroll date of the seventh month following the Executive's separation from service or (B) the 10<sup>th</sup> business day following Executive's death, together with interest for the period of such delay, compounded annually at a rate equal to the prime rate (as published in the Wall Street Journal) in effect as of the dates the payments or benefits would otherwise have been provided. If any provision contained in the Letter Agreement conflicts with the requirements of Section 409A of the Code, the Letter Agreement shall be deemed to be reformed so as to comply with the requirements of Section 409A of the Code (or the applicable exemptions thereto). Notwithstanding anything to the contrary herein, each payment or benefit provided pursuant to this Letter Agreement or the Existing Agreement shall be deemed to be a separate payment for purposes of Section 409A of the Code.

9. Withholding. For the avoidance of doubt, Section 27 of the Existing Agreement applies to any payment or benefit provided to Executive pursuant to this Letter Agreement.

10. Legal Fees. Upon presentation of appropriate documentation, the Company will reimburse Executive for his reasonable legal fees and expenses incurred in connection with the negotiation and documentation of this Letter Agreement, the Consulting Agreement and any other arrangement contemplated by this Letter Agreement (at Executive's counsel's standard hourly rates and expense charges), up to a maximum of \$75,000 in the aggregate.

11. No Other Amendments. The terms of this Letter Agreement shall amend the terms of the Existing Agreement as applicable. Except as modified by the terms contained herein, the Existing Agreement shall remain in full force and effect and shall not be further amended or modified except pursuant to a written instrument signed by both parties. For the avoidance of doubt, nothing in this Letter Agreement shall relieve Executive, CEOC or CES of any of their respective obligations under the Existing Agreement.

12. Governing Law. This Letter Agreement, and any disputes which arise in connection with this Letter Agreement, shall be governed by Sections 22 and 23 of the Existing Agreement as if such provisions were set forth herein.

13. Counterparts. This Letter Agreement may be executed in any number of counterparts and signatures may be delivered by portable document format (.pdf) or facsimile, each of which may be executed by less than all parties, and all of which together shall constitute one instrument.

14. Disputes. If any dispute arises out of this Letter Agreement or out of or in connection with any equity compensation award made to Executive by CES, CEOC or any of their respective Affiliates, the "complaining party" shall give the "other party" written notice of such dispute. The other party shall have 10 business days to resolve the dispute to the complaining party's satisfaction. If the dispute is not resolved by the end of such period, either party may require the other to submit to non-binding mediation with the assistance of a neutral, unaffiliated mediator. If the parties encounter difficulty in agreeing upon a neutral unaffiliated mediator, they shall seek the assistance of the American Arbitration Association ("AAA") in the selection process. If mediation is unsuccessful, or if mediation is not requested by a party, either party may by written notice demand arbitration of the dispute as set forth in Sections 14(a) through 14(d) below, and each party hereto expressly agrees to submit to, and be bound by, such arbitration. Executive and CES explicitly recognize that no provision of this Section 14 shall prevent CES from taking any action to enforce its rights or to resolve any dispute relating solely to Section 12.1 or 12.3 of the Existing Agreement in any court of competent jurisdiction.

- (a) The parties shall mutually agree on a single arbitrator or, if the parties cannot agree on the appointment of a single arbitrator, the dispute shall be referred to one arbitrator appointed by the AAA experienced in matters relating to executive employment, termination or compensation. The arbitrator will set the rules and timing of the arbitration, but will generally follow the employment rules of the AAA and this Letter Agreement, where the same are applicable, and shall provide a reasoned opinion.
- (b) The arbitration hearing will in no event take place more than 45 days after the appointment of the arbitrator. The mediation and the arbitration will take place in Las Vegas, Nevada unless otherwise mutually agreed to by the parties.

- (c) The results of the arbitration and the decision of the arbitrator will be final and binding on the parties and each party agrees and acknowledges that the results shall be enforceable in any court of law.
- (d) All costs and expenses of the mediation and arbitration shall be borne equally by the Company and Executive; provided that each party shall be responsible for his or its own attorney fees, but, provided further, and notwithstanding the above, that the arbitrator may award attorney's fees to the prevailing party.

IN WITNESS WHEREOF, the parties have entered into this Letter Agreement as of the date first written above.

In addition, nothing in this Release is intended to interfere with the Employee's right to file a charge with the Equal Employment Opportunity Commission in connection with any claim the Employee believes he may have against the Company Releasees. However, by executing this Release, the Employee hereby waives the right to recover in any proceeding that the Employee may bring before the Equal Employment Opportunity Commission or any state human rights commission or in any proceeding brought by the Equal Employment Opportunity Commission or any state human rights commission on the Employee's behalf. In addition, this release is not intended to interfere with the Employee's right to challenge that his waiver of any and all ADEA claims pursuant to this Release is a knowing and voluntary waiver, notwithstanding the Employee's specific representation to the Company that he has entered into this Agreement knowingly and voluntarily.

**Consulting Agreement**

## CONSULTING AGREEMENT

This Consulting Agreement (this “Agreement”) is entered into by and between **Caesars Enterprise Services, LLC** (the “Company”) and **Timothy R. Donovan** (“Consultant”) as of [                      ], 2018 (the “Effective Date”).

### RECITALS

WHEREAS, the Company and Consultant are parties to an Employment Agreement dated as of April 2, 2009 (as amended, the “Employment Agreement”);

WHEREAS, the Company and Consultant are parties to a Letter Agreement dated September [     ], 2017 (the “Letter Agreement”) which provides, *inter alia*, that if Consultant incurs a Qualifying Termination (as defined in the Letter Agreement), Consultant and the Company shall enter into a consulting arrangement;

WHEREAS, Consultant has incurred a Qualifying Termination and, pursuant to its obligations under the Letter Agreement, the Company wishes to retain Consultant to perform consulting services to the Company under the terms and conditions of this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth in this Agreement, the parties hereto agree as follows:

#### 1. Consulting Services.

(a) Capacity. The Company hereby retains Consultant as an independent contractor on a project basis pursuant to the terms of this Agreement. Consultant will perform such services as specified on Exhibit A hereto, together with any services specified on any subsequent exhibit(s) hereto as may be mutually agreed between Consultant and the Company (collectively, the “Exhibits”). Consultant’s contact for coordination of the provision of such services hereunder will be **Mark Frissora**, or, if Mark Frissora is no longer employed by the Company, such other individual as designated by the Company (the “Contact”). Consultant will have no authority to bind, act on behalf of, or make decisions for the Company or any of its subsidiaries or affiliates. Consultant will determine the method, details, and means of performing the services contemplated by this Agreement. For the avoidance of doubt, Consultant may provide services telephonically whenever possible and any in-person services shall be provided only when necessary and at reasonable times and upon reasonable advance written notice given to Consultant.

(b) Term and Operation. This Agreement will commence on the Effective Date and will continue until the first anniversary thereof unless, prior to such first anniversary, (i) Consultant dies, (ii) Consultant provides to the Company written notice that Consultant is terminating this Agreement, (iii) the Company terminates this Agreement pursuant to Section 5, or (iv) the Company terminates this Agreement for Cause. If the Company terminates this

---

<sup>1</sup> NTD: The Effective Date will be the date that Consultant incurs a “separation from service” within the meaning of 409A.

Agreement for any reason other than pursuant to clause (iii) or (iv) of the foregoing sentence, the Company shall continue to pay the consulting fee to Consultant as provided under this Agreement. Except as otherwise set forth in herein, following termination of this Agreement, neither party hereto will have any liability to the other hereunder, except for the Company's obligation to pay Consultant any fees accrued through the date of termination.

For purposes of this Agreement, "Cause" means (i) the willful failure of Consultant to substantially perform Consultant's duties with the Company after a written demand for substantial performance is delivered to Consultant which specifically identifies the manner in which Consultant has willfully not substantially performed Consultant's duties; (ii) any willful act of fraud, or embezzlement or theft, by Consultant, in each case, in connection with Consultant's duties hereunder or in the course of Consultant's engagement hereunder, (iii) Consultant's admission in any court, or conviction of, or plea of nolo contendere to, a felony; or (iv) a willful breach by Consultant of this Agreement or of Section 12 or Section 13 of the Employment Agreement.

(c) Compensation. In consideration of Consultant's performance of the consulting services specified in the Exhibits, the Company shall pay to the Executive an annualized fee of \$500,000 (payable in equal monthly installments commencing on the fifth business day following the Effective Date and continuing for each of the 11 subsequent months, and prorated for any partial month of service).

(d) Reimbursement of Expenses. Upon reasonable documentation of expenses from Consultant, the Company will reimburse Consultant for all reasonable expenses incurred by Consultant in the performance of Consultant's duties under this Agreement. Notwithstanding the foregoing, all significant expenses (i.e., any expense in excess of \$[     ]) to be incurred by Consultant in connection with this Agreement will require the prior approval of the Contact. Reference is made to Article IX of the Second Amended and Restated Certificate of Incorporation ("Certificate of Incorporation") and Article VII of the Bylaws ("Bylaws") of Caesars Entertainment Corporation ("CEC"). The Company hereby agrees to indemnify Consultant and provide advancement of expenses to Consultant on the same terms and subject to the same limitations as applicable to CEC's officers and employees under CEC's Certification of Incorporation and Bylaws. To the extent any right to reimbursements or in-kind benefits under this Agreement constitutes "non-qualified deferred compensation" for purposes of Section 409A of the Internal Revenue Code of 1986, as amended, (i) all such reimbursements shall be made as soon as practicable, but no later than the last day of the taxable year following the taxable year in which the related expenses were incurred, (ii) no such right shall be subject to liquidation or exchange for another benefit, and (iii) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

(e) Non-Exclusivity. The Company acknowledges that Consultant's services hereunder will be provided by Consultant on a non-exclusive basis, and that Consultant may engage in any other business activities as long as such activities do not interfere with or harm the operations of the Company or any of its subsidiaries or affiliates or interfere with Consultant's obligations to the Company under this Agreement, Section 12 of the Employment Agreement, or any other agreement between Consultant and the Company.

## 2. Covenants.

(a) Confidentiality. Consultant acknowledges his continuing obligations under Section 13 of the Employment Agreement. Consultant agrees to maintain absolute confidentiality of the terms of this Agreement, the services performed by Consultant hereunder and the information, data, reports and other work product produced by, and any information or materials made available to, Consultant in connection herewith; provided, however, that Consultant may (i) disclose this Agreement to his own legal, tax, accounting and/or financial advisors and Consultant's spouse; and (ii) provide such information, data, reports and other work product if ordered by a federal or state court, arbitrator or any governmental authority, pursuant to subpoena, or as necessary to secure legal and financial counsel from third party professionals or to enforce his or her rights under this Agreement, provided that in such cases described in this clause (ii), Consultant will notify the Company, at least five (5) business days prior to providing such information, including the nature of the information required to be provided.

Nothing in this Agreement prohibits or is intended in any manner to prohibit, Consultant from (i) reporting a possible violation of federal or other applicable law or regulation to any governmental agency or entity, including but not limited to the Department of Justice, the Securities and Exchange Commission (the "SEC"), the U.S. Congress, and any governmental agency Inspector General, or (ii) making other disclosures that are protected under whistleblower provisions of federal law or regulation. This Agreement does not limit Consultant's right to receive an award (including, without limitation, a monetary reward) for information provided to the SEC. Consultant does not need the prior authorization of anyone at the Company to make any such reports or disclosures, and Consultant is not required to notify the Company that he has made such reports or disclosures. Nothing in this Agreement or any other agreement or policy of the Company is intended to interfere with or restrain the immunity provided under 18 U.S.C. §1833(b). Consultant cannot be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that is made (i) (a) in confidence to federal, state or local government officials, directly or indirectly, or to an attorney, and (b) for the purpose of reporting or investigating a suspected violation of law; (ii) in a complaint or other document filed in a lawsuit or other proceeding, if filed under seal; or (iii) in connection with a lawsuit alleging retaliation for reporting a suspected violation of law, if filed under seal and does not disclose the trade secret, except pursuant to a court order.

This Section 2(a) is intended to comply with all applicable laws. If any laws are adopted, amended or repealed after the date hereof, this Section 2(a) shall be deemed to be amended to reflect the same.

(b) Non-Solicitation. Consultant will continue to comply with Section 12 of the Employment Agreement, as provided in the Letter Agreement.

(c) Specific Performance. Because Consultant's breach of this Section 2 may cause the Company irreparable harm for which money is inadequate compensation, the Company will be entitled to seek injunctive relief to enforce Consultant's obligations (without the necessity of proof of actual damage), in addition to damages and other available remedies. Consultant acknowledges and agrees that the Company protections set forth in this Agreement are reasonable in the context of the nature of the Company's business and are a material condition to the consulting relationship with and compensation by the Company.

(d) Works for Hire. Consultant agrees that all Intellectual Property Product created in whole or in part by Consultant during the course of and directly in connection with Consultant's engagement by the Company shall be works made for hire of which the Company or its subsidiaries and affiliates is the author and owner of copyright. To the extent that any competent decision-making authority should ever determine that any such Intellectual Property Product is not a work made for hire, Consultant hereby assigns all right, title, and interest in the copyright therein, in perpetuity and throughout the world, to the Company. To the extent that this Agreement does not otherwise serve to grant or otherwise vest in the Company or any of its subsidiaries or affiliates all rights in any such Intellectual Property Product, Consultant hereby assigns all right, title, and interest therein, in perpetuity and throughout the world, to the Company. Consultant agrees to execute, immediately upon the Company's reasonable request and without any additional compensation, any further assignments, applications, conveyances or other instruments, at any time after execution of this Agreement, whether or not Consultant is providing services to the Company at the time such request is made, in order to permit the Company, its subsidiaries and affiliates, and/or their respective successors and assigns to protect, perfect, register, record, maintain, or enhance their rights in any such Intellectual Property Product; provided, that, the Company shall bear the cost of any such assignments, applications, or consequences. "Intellectual Property Product" as used in this Agreement refers to any: (i) inventions that relate to the Company (whether patentable or not, and without regard to whether any patent therefor is ever sought); (ii) marks, names, or logos that relate to the Company (whether or not registrable as trade or service marks, and without regard to whether registration therefor is ever sought); and (iii) trade secrets, in each case, created in whole or in part by Consultant during the course of and directly in connection with Consultant's engagement by the Company.

3. Independent Contractor. It is the intention of the parties hereto that, during the term of this Agreement, Consultant will at all times be and remain an independent contractor, and Consultant will not be considered the agent, partner, principal or employee of the Company or any of its subsidiaries or affiliates. Consultant will be free to exercise Consultant's own judgment as to the manner and method of providing the consulting services to the Company, subject to applicable laws and requirements reasonably imposed by the Company. Consultant acknowledges and agrees that, during the term of this Agreement, Consultant will not be treated as an employee of the Company or any of its subsidiaries or affiliates for purposes of federal, state or local income or other tax withholding, nor, unless otherwise specifically provided by law, for purposes of the Federal Insurance Contributions Act, the Social Security Act, the Federal Unemployment Tax Act or any Workers' Compensation law of any state or country (or subdivision thereof), or for purposes of benefits provided to employees of the Company or any of its subsidiaries or affiliates under any employee benefit plan, program, policy or arrangement (including, without limitation, vacation, holiday and sick leave benefits, insurance coverage and retirement benefits). Consultant acknowledges and agrees that, as an independent contractor, Consultant will be required, during the term of this Agreement, to pay any applicable taxes on the fees paid to Consultant, and to obtain workers' compensation insurance and any other coverage required by law.

4. No Use of Name or Marks. Consultant agrees that Consultant shall have no right to, or interest in, the name “Caesars Enterprise Services,” “Caesars Entertainment” or any registered service mark or trademark of any of the Company and its parents and subsidiaries, and Consultant shall not, in any manner, use such words or marks, in the promotion of Consultant’s business. Consultant shall be allowed to use such words or marks with written permission of an authorized representative of the Company.

5. Compliance with Company’s Ethics and Compliance Program / Company’s Anti-Corruption Compliance Policy. Consultant agrees to comply in all material respects with all applicable federal, state, local, provincial or other laws or regulations in all jurisdictions both domestic and international. As a holder of privileged gaming licenses, the Company and its affiliates are required to adhere to strict laws and regulations regarding its associations, including associations with key individuals as defined under the Caesars Entertainment Corporation Ethics and Compliance Program (“E&C Program”). If at any time the Company determines, in its sole discretion, that Consultant is an “unsuitable person” as that term is defined in the E&C Program, or that it is necessary for the Company to terminate this Agreement in order to protect any proposed or pending gaming licenses or any of its privileged gaming licenses, the Company may immediately terminate this Agreement pursuant to Section 1(b)(iii) of this Agreement. During the term of this Agreement, to the extent that any prior disclosure made by Consultant become inaccurate, including but not limited to the initiation of any criminal proceeding or any civil or administrative proceeding or process which alleges any violations of law involving Consultant, Consultant shall disclose the information to the Company within 10 calendar days from that event. Consultant agrees to comply with any background investigation conducted in connection with the disclosure of this updated information. If Consultant is or becomes required to be licensed by any federal, state, and/or local gaming regulatory agency and fails to become so licensed, or, once licensed, fails to maintain such license or fails to continue to be suitable by the governmental regulatory agency, the Company may immediately terminate this Agreement pursuant to Section 1(b)(iii) of this Agreement.

By signing this Agreement, Consultant acknowledges that he has received a copy of the E&C Program, the Caesars Anti-Corruption Compliance Policy, and the Caesars Entertainment Corporation Anti-Money Laundering Policy and Program. Consultant understands and agrees to comply with these and all other policies adopted by the Company. Consultant shall sign all certification/attestation forms associated with these policies and return them to the Caesars Corporate Compliance Department. Consultant further understands Consultant’s obligation to report suspected violations of law, regulation, policies, or of unethical conduct occurring within the Company and/or its affiliates to the Chief Regulatory & Compliance Officer, his/her designee, or through the Ethics and Compliance Hotline, the number for which is posted on the Caesars Entertainment Corporation intranet website.

6. Survival. Subject to any limits on applicability contained therein, each of Section 1(d), 2 and Section 3 will survive and continue in full force in accordance with its terms notwithstanding any termination of this Agreement.

7. Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, statute, rule, regulation and ordinance, but if any provision of this Agreement (or portion thereof) is held to be invalid or unenforceable in any respect under any applicable law, statute, rule, regulation or ordinance, such provision (or portion thereof) will be deemed to be modified or altered to conform thereto or, if that is not possible, to be omitted from this Agreement (and such invalidity or unenforceability will not affect any other provision, but this Agreement will be reformed, construed and enforced as if such invalid or unenforceable provision had never been contained herein).

8. Complete Agreement; Amendment; Waiver. This Agreement (together with all Exhibits, the Employment Agreement and the Letter Agreement) embodies the complete agreement and understanding between the parties hereto with respect to the subject matter hereof and, effective as of the Effective Date, supersedes, preempts and nullifies any other prior understandings, agreements or representations by or between the parties hereto, written or oral, which may have related to the subject matter hereof in any way. The Exhibits will be read together with, and will constitute a portion of, this Agreement. Any reference herein to this Agreement will be deemed to include the Exhibits. Any modification or amendment of this Agreement, or additional obligation assumed in connection with this Agreement (including the creation of additional Exhibits), will be effective only if placed in writing and signed by both parties hereto. No course of conduct or failure or delay in enforcing the provisions of this Agreement will affect the validity, binding effect or enforceability of this Agreement.

9. Counterparts. This Agreement may be executed in separate counterparts, each of which will be deemed to be an original and both of which taken together will constitute one and the same agreement.

10. Captions; Drafter Protection. This Agreement's headings and captions are provided for reference and convenience only, and will not be employed in the construction of this Agreement. It is agreed and understood that the general rule pertaining to construction of contracts, that ambiguities are to be construed against the drafter, will not apply to this Agreement.

11. Successors and Assigns. Consultant acknowledges that Consultant's services are unique and personal and accordingly Consultant may not assign Consultant's rights or delegate Consultant's duties or obligations under this Agreement. This Agreement will bind and inure to the benefit of and be enforceable by Consultant, the Company and their respective heirs, executors, personal representatives, successors and assigns, except that neither party hereto may assign any rights or delegate any obligations hereunder without the prior written consent of the other party hereto. Consultant hereby consents to the assignment by the Company of all of its rights and obligations hereunder to any successor to the Company by merger or consolidation or purchase of all or substantially all of the Company's assets; provided such transferee or successor assumes the liabilities of the Company hereunder.

12. Choice of Law and Jurisdiction. This Agreement will be governed by, and construed in accordance with, the laws of the State of Nevada as to all matters, including, but not limited to, matters of validity, construction, effect and performance. Any judicial proceeding seeking to enforce any provision of, or based on any right arising out of, this Agreement or any agreement identified herein may be brought only in state or federal courts of the State of Nevada and by the execution and delivery of this Agreement, each of the parties hereto accepts for themselves the exclusive jurisdiction of such courts (and the appropriate appellate courts) in any such proceedings, waives any objection to venue laid therein and agrees to be bound by the judgment rendered thereby in connection with this Agreement or any agreement identified herein.

13. Third Party Arrangements. Consultant agrees that during the term of this Agreement Consultant will not (i) deliver or disclose to the Company information which infringes any property right of any third party relating to proprietary or trade secret information or copyrights or (ii) enter into any agreement that would adversely affect this Agreement or prevent Consultant from honoring this Agreement.

### Description of services

#### **Services:**

Consultant will render consulting services related to Consultant's specialized areas of knowledge, experience and expertise as requested by the Company (including, but not limited to, assisting with the transition of Consultant's prior duties under the Employment Agreement to his successor and attending meetings with, and corresponding with, gaming regulators as necessary or requested by the Company). **CAESARS ENTERTAINMENT CORPORATION AMENDED AND RESTATED****ESCROW AGREEMENT**

THIS CAESARS ENTERTAINMENT CORPORATION AMENDED AND RESTATED ESCROW AGREEMENT (the “Escrow Agreement”) is made by and between Caesars Entertainment Corporation (formerly known as The Promus Companies Incorporated, a Delaware corporation, and Harrah’s Entertainment, Inc., the “Company”) and Wells Fargo Bank N.A., successor by merger to Wells Fargo Bank Minnesota, N.A. (the “Escrow Agent”).

WHEREAS, the Company historically has maintained (and currently does maintain) the following five nonqualified deferred compensation plans (the “Deferred Compensation Plans”): (i) the Park Place Entertainment Corporation’s Executive Deferred Compensation Plan (the “CEDCP”); (ii) the Harrah’s Entertainment, Inc. Deferred Compensation Plan (the “DCP”); (iii) the Harrah’s Entertainment, Inc. Executive Deferred Compensation Plan (the “EDCP”); (iv) the Harrah’s Entertainment, Inc. Executive Supplemental Savings Plan (the “ESSP”, aka Caesars Entertainment Corporation Executive Supplemental Savings Plan); and (v) the Harrah’s Entertainment, Inc. Executive Supplemental Savings Plan II (the “ESSP II”, aka Caesars Entertainment Corporation Executive Supplemental Savings Plan II, together with the ESSP, the “ESSPs”);

WHEREAS, the Company previously established an Escrow Fund (as hereinafter defined) pursuant to an escrow agreement dated February 8, 1990 for which Sovran Bank was the escrow agent (the “Initial Escrow Agreement”) and the Company made contributions to the Escrow Fund pursuant to the Initial Escrow Agreement to provide a source of funds to assist the Company in meeting its obligations under the EDCP, certain of its obligations under the DCP and certain obligations under individual retirement and severance agreements;

WHEREAS, the Initial Escrow Agreement was amended from time to time and, on or about August 31, 2000, Wells Fargo Bank Minnesota, N.A. was appointed as the Escrow Agent under the Initial Escrow Agreement and accepted such appointment;

WHEREAS, all obligations under the individual retirement and severance agreements that were previously covered by the Initial Escrow Agreement, in each case, have been fully satisfied;

WHEREAS, the Deferred Compensation Plans are currently frozen to new participants and new deferrals;

WHEREAS, the Company is also a party to a Trust Agreement, most recently amended as of the Effective Date (as defined below), for which Wells Fargo Bank, N.A. is the Trustee (the “Trust Agreement”), and the Company made contributions pursuant to the Trust Agreement to provide a source of funds to assist the Company in meeting its obligations under the CEDCP, the ESSPs and the portion of the DCP that was not subject to funding through the Escrow Agreement;

WHEREAS, Caesars Entertainment Operating Company, Inc. (“CEOC”, f/k/a Harrah’s Operating Company, Inc.), a Delaware corporation and a wholly-owned subsidiary of the Company, voluntarily filed for reorganization under Chapter 11 of the United States Bankruptcy Code on January 15, 2015;

WHEREAS, a settlement agreement (the “Settlement Agreement”), dated as of September 14, 2016, by and among CEOC and the Company, concerning the treatment of the assets and liabilities associated with the Deferred Compensation Plans, has been approved by the United States Bankruptcy Court for the Northern District of Illinois in Chicago;

WHEREAS, the Settlement Agreement provides, among other things, that the Company shall assume all liabilities under or with respect to the Deferred Compensation Plans, that CEOC shall have no liabilities under or with respect to the Deferred Compensation Plans (or to any Deferred Compensation Plan Participants), that the Company shall be the sole owner of the Escrow Fund, and that the Initial Escrow Agreement shall be amended to give effect to the Settlement Agreement;

WHEREAS, the Company and the Escrow Agent wish to amend and restate the Initial Escrow Agreement as contemplated by the Settlement Agreement into this Escrow Agreement and, as part of such amendment and restatement, to make certain other clarifying and conforming changes, which Escrow Agreement shall hereinafter be known as “Caesars Entertainment Corporation Amended and Restated Escrow Agreement”; and

WHEREAS, it is the continued intent of the parties that this Escrow Agreement shall be treated as if it were a grantor trust under the Internal Revenue Code of 1986, as amended, and, accordingly, it is intended and expressly recognized that the income, deduction, and credits associated with the assets transferred to the Escrow Agent shall be passed through to the Company and shall be included in computing the Company’s taxable income.

NOW, THEREFORE, in consideration of the mutual agreements contained herein and for other good and valuable consideration, the parties amend and restate the Escrow Agreement in its entirety effective as of the Plan Effective Date (as defined in the Settlement Agreement, the “Effective Date”), as follows:

## **ARTICLE I**

### **THE PLAN**

SECTION 1.1 Plans Subject to the Escrow Agreement. The EDCP and the DCP (as each may be amended from time to time) shall be subject to this Escrow Agreement from and after the Effective Date (and shall be referred to herein as the “Plans”).

SECTION 1.2 Participants. The Participants under this Escrow Agreement are all individuals who have an account balance under the EDCP as of the Effective Date. For purposes of this Escrow Agreement, the beneficiary of any Participant who dies shall be deemed a Participant under this Escrow Agreement to the extent such beneficiary is entitled to the then-accrued benefits under a Plan.

## **ARTICLE II**

### **ESCROW AND ESCROW FUND**

#### **SECTION 2.1 Escrow**

(a) The current balance of the Escrow Fund (as defined in Section 2.2), together with any subsequent contributions made or to be made by the Company, constitute the entire Escrow Fund to be held, administered and disposed of by the Escrow Agent in accordance with the terms of the Plans and as provided in this Escrow Agreement. The Escrow Fund (and any earnings thereon) shall be held separate and apart from other funds of the Company and shall be used exclusively for the uses and purposes of the Plan participants and will be subject to the claims of the Company’s general creditors as herein set forth.

(b) Without limiting the generality of the foregoing, the Company shall make payments or contributions to the Escrow Agent equal in value to any additional amount which is determined at the end of each calendar year, or at more frequent times as may be determined by the Company, by an actuary or certified public accountant selected by the Company to be necessary or sufficient to provide for or otherwise assure the payment of benefits then accrued, payable, or to be payable under the Plans based on deferrals up to that point in time, which payment or contribution may be cash and/or property including life insurance policies (which shall then be included under the defined term "Life Insurance Policies" hereunder) and shall be made as promptly as practicable after the end of each calendar year or such other more frequent times as determined by the Company.

(c) The Company may, at any time or from time to time, deposit into escrow additional monies to pay premiums on specific Life Insurance Policies designated by the Company and to pay interest on any policy loans which interest is incurred and payable during the first seven years of any such policy. Upon the occurrence of such deposit, the Escrow Fund shall be deemed enlarged so that the Escrow Fund will thereafter be maintained at a level to pay accrued benefits to the Participants under the Plans based on deferrals to that point in time and also to pay premiums on the designated policies and to pay interest on such policy loans.

(d) If at any time or from time to time a certified public accountant or actuary selected by the Company determines that the then present value of the Escrow Fund (including, but not limited to, the cash surrender value of any Life Insurance Policies and any proceeds from Life Insurance Policies), using an annual discount rate equal to the Company's then-current long term annual borrowing rate, is larger than necessary to pay benefits then accrued, payable, or to be payable under the Plans based on deferrals up to that point in time, and to pay policy premiums and make interest payments on policy loans if the Company shall have made a deposit under Section 2.1(c), then the Escrow Agent shall forthwith transfer, deliver, and assign to the Company such funds or property (including, but not limited to, any proceeds from Life Insurance Policies or Life Insurance Policies themselves) as may be specified in a written instruction to the Escrow Agent from the Company so that the Escrow Fund is not overfunded. Said written instruction shall be in the form of a letter signed by the Controller or Assistant Controller of the Company and shall be accompanied by an affidavit of the Controller or Assistant Controller, which shall state to the effect that, based on the opinion of the aforesaid actuary or certified public accountant selected by the Company, after the delivery of such funds or property to the Company, the Escrow Fund will not be underfunded or overfunded (i) for purposes of paying accrued benefits under the Plans (assuming that payment of such benefits were to commence as of the date of the letter or within 10 days thereof) to Participants when such benefits become due and payable based on deferrals up to the end of the month prior to the date of said written instruction and (ii) for purposes of Section 2.1(c) if the Company shall have made a deposit under Section 2.1(c). Upon receipt of the foregoing written instruction, the Escrow Agent shall forthwith deliver, transfer, and assign to the Company the funds and/or property (including but not limited to any Life Insurance Policies together with all incidents of ownership relating thereto) specified in the written instruction.

(e) Any actuary or certified public accountant that provides an opinion or advice in connection with this Escrow Agreement shall have discretion to use such assumptions as he or she deems reasonably appropriate in providing any opinions or advice. In addition, any

such opinion or advice may be based upon reasonable estimates or may use estimated numbers or projections which are deemed reasonable. Notwithstanding the foregoing, any actuary or certified public accountant that provides an opinion or advice in connection with the funding requirements of this Escrow Agreement shall assume, for purposes of calculating EDCP benefits, that all participants in the EDCP (other than those who have already terminated and are receiving the rate described in the EDCP (the "Termination Rate")) will be entitled to their Retirement Account (as such term is defined in the EDCP) balances as of the date of the calculation. Notwithstanding anything in this Escrow Agreement to the contrary, for the purpose of funding EDCP accounts, this Escrow Agreement shall be deemed sufficiently funded at any point in time if the Escrow Fund has sufficient assets at that time to pay the total amount of all EDCP account balances (the Retirement Rate balances) plus the Termination Rate balances of terminated employees who are receiving the Termination Rate; provided, however, that immediately prior to a Change in Control (as this term is defined in the EDCP), the Company shall calculate and increase the funding of the Escrow Fund, if necessary, so that the present value of all EDCP accounts will, prior to the Change in Control, be fully funded based on the following required assumptions:

- (i) All EDCP Participants will receive the applicable Retirement Rate for their EDCP accounts (except for those who have terminated employment and are receiving the Termination Rate in which case it will be assumed that they continue to receive this rate).
- (ii) Distribution of Participants' accounts (in addition to those already in distribution) will commence three years after the Change in Control or age 55 if earlier based on the assumption Participants will terminate employment at that time.
- (iii) Distributions will occur according to the payment schedules elected by Participants in their deferral participation agreements.
- (iv) The discount rate used at the time this funding is calculated to determine any increase in funding will be the Ten Year Treasury Note Rate on the business day before the funding amount is calculated minus 1%. The Ten Year Treasury Note Rate will be the rate shown in the Credit Markets Column of The Wall Street Journal under "Treasury 10+ yr" or if no longer so published, in another publication or report that provides this rate.

The Company may rely on the opinion of any actuary, a certified public accountant, or an investment adviser in making this calculation. If there is any disagreement concerning these calculations including the Ten Year Treasury Note Rate, a consultant as identified by the Company's Chief Executive Officer will make the final decision. Nothing herein will prevent the Company from providing additional funding if the Company decides additional funding at any time is appropriate to fully fund the Escrow Fund and nothing herein will negate the requirement for funding DCP accounts of EDCP Participants at their account balances or funding other obligations required to be funded pursuant to this Escrow Agreement. Any such accountant or actuary shall have no liability to the Company, the Escrow Agent, or any Participant or beneficiary if such assumptions, projections, or estimates are subsequently held erroneous (other than by reason of fraud or intentional miscalculation).

## SECTION 2.2 Escrow Fund.

(a) As used herein, the term "Escrow Fund" shall mean all assets of any type held by the Escrow Agent under this Escrow Agreement from time to time. Subject to the provisions of Section 2.1, the Escrow Fund shall be held, invested and reinvested by the Escrow Agent only in accordance with this Section 2.2. The Escrow Agent shall use the Escrow Fund to pay benefits and amounts payable to the Participants under the Plans when due if and to the extent that such benefits are not paid by the Company. For this purpose, the Escrow Agent shall, to the extent necessary to pay unpaid benefits, cancel any or all of the Life Insurance Policies and obtain and use the cash surrender value thereof to pay such benefits, provided, however, the Escrow Agent shall first give the Company 10 business days prior written notice specifying which policy or policies will be cancelled. Such policies shall then not be cancelled if the Controller or Assistant Controller of the Company or any Vice President of the Company informs the Escrow Agent during the 10 day notice period that such benefits have been paid. The Escrow Agent shall use its good faith efforts to invest or reinvest from time to time all, or such part, of any cash in the Escrow Fund as it believes prudent under the circumstances (taking into account, among other things, anticipated cash requirements for the potential payment of amounts due under the Plans as provided in Section 3.1 hereof and any other amounts payable under this Escrow Agreement) in either one or a combination of the following investments:

- (i) investments in direct obligations of the United States of America or agencies of the United States of America or obligations unconditionally and fully guaranteed as to principal and interest by the United States of America, in each case maturing within one year or less from the date of acquisition; or
- (ii) investments in negotiable certificates of deposit issued by a commercial bank organized and existing under the laws of the United States of America or any state thereof having a combined capital and surplus of at least \$500 million;
- (iii) investments in guaranteed funding agreements of insurance companies having total assets in excess of \$2 billion, provided such investments shall have withdrawal provisions appropriate for paying benefits to Participants when due and other payments required under this Escrow Agreement; or
- (iv) investments in money market funds, including, but not necessarily limited to, the money market fund maintained by the Escrow Agent, provided, however, that the Escrow Agent shall not be liable for any failure to maximize the income earned on that portion of the Escrow Fund as is from time to time invested or reinvested as set forth above, nor for any loss of income due to liquidation of any investment which the Escrow Agent, in its sole discretion, believes necessary to make any payments or to reimburse expenses under the terms of this Escrow Agreement.

The Escrow Agent shall be named as the owner and beneficiary of the Life Insurance Policies and, subject to Section 2.2(a), shall have the right to cancel such policies and receive the cash surrender value, and shall further have the right to borrow against cash policies. If any policy is reassigned back to the Company, the Company shall then be the owner and beneficiary thereof. If the Company makes a deposit under Section 2.1(c) for the purpose of paying premiums and interest on

policy loans with respect to any specified Life Insurance Policies in escrow, then the Escrow Agent shall pay the premiums due on such policies as may be necessary or appropriate to keep the policies in force. If the Escrow Agent borrows against such policies, it will engage in such borrowing and will pay interest on loans in a manner that assures that interest payable on policy loans will be deductible by the Company for Federal income tax purposes to the extent that such interest would otherwise be deductible to the Company under the law in effect at such time if the Company was the owner and beneficiary of such policies. If the Company makes a deposit under Section 2.1(c), the Escrow Agent may borrow from the Life Insurance Policies to pay premiums so long as the interest on such loans is deductible by the Company for Federal income tax purposes. The Escrow Agent shall inform the Company of the need to borrow on such policies (without limiting the Company's right to direct such borrowings) and the Company shall advise the Escrow Agent as to whether the interest to be paid on such loans will be deductible.

(b) Except as hereinafter provided, all net interest and other net income credited on the investments of the Escrow Fund, to the extent not necessary to provide for any payments or expenses required or contemplated by this Escrow Agreement, shall be the property of the Company and shall not constitute a part of the Escrow Fund. Such net interest and other net income credited as of the end of any calendar quarter shall be paid over to the Company by the Escrow Agent as promptly as practicable, or, at the option of the Company exercisable by delivering written notice to the Escrow Agent, shall be contributed to the Escrow Fund and applied towards the Company's obligation, pursuant to Section 2.1(b) hereof, to deliver further amounts to the Escrow Fund.

Notwithstanding anything herein to the contrary, the Company's Chief Executive Officer and Chief Financial Officer, jointly, shall have authority to direct the Escrow Agent in writing, from time to time, to borrow from any Life Insurance Policies in the Escrow Fund and use the funds received from such borrowing to purchase other life insurance policies, including variable insurance or annuity contracts, as may be directed in writing by the Company's Chief Executive Officer and Chief Financial Officer, jointly, which other insurance policies shall be assets of the Escrow Fund subject to the terms and provisions of this Escrow Agreement, as amended. The Escrow Agent shall act only as an administrative agent in carrying out directed investment transactions in accordance with this paragraph and shall not be responsible for the investment decision. If a directed investment transaction violates any duty to diversify, to maintain liquidity or to meet any other investment standard or other requirement under this Escrow Agreement or applicable law, the entire responsibility shall rest upon the Company. The Escrow Agent shall be fully protected in acting upon or complying with any restrictions or directions provided in accordance with this paragraph.

(c) All losses of income or principal in respect of, and expenses (including, as provided in Section 4.1(g) hereof, any expenses of the Escrow Agent) charged against the Escrow Fund shall be for the account of the Company and the Company shall be obligated to promptly reimburse the Escrow Fund for any loss in principal amount of, or expense charged against, the Escrow Fund.

(d) The Company's Human Resources Committee of the Company's Board of Directors may appoint an Investment Committee consisting of four corporate officers of the Company (the "EDCP Committee"). Notwithstanding anything herein to the contrary, the

EDCP Committee shall, by majority vote which may include action by a majority of such Committee members acting by written consent, have authority to determine investment guidelines and procedures and to select and approve the various investments of any assets held in the Escrow Fund including cash and any assets or investments contained within or held under insurance policies in the Escrow Fund. The Escrow Agent may rely upon a letter from the Secretary or Assistant Secretary of the Company or another designee that reports any decision made by the EDCP Committee, and the Escrow Agent agrees to carry out such decision as soon as reasonably practicable after receipt of any such letter. The Escrow Agent and the Company may designate the Company's Controller or another designee to deal directly with any insurance carriers for purposes of implementing these investment decisions. All such investments shall be held by the Escrow Agent pursuant to this Escrow Agreement and subject to the terms hereof, as amended.

The Escrow Agent shall act only as an administrative agent in carrying out directed investment transactions in accordance with this paragraph and shall not be responsible for any investment decision. If a directed investment transaction violates any duty to diversify, to maintain liquidity or to meet any other investment standard or other requirement under this Escrow Agreement or applicable law, the entire responsibility shall rest upon the Company. The Escrow Agent shall be fully protected in acting upon or complying with any restrictions or directions provided in accordance with this paragraph.

### **ARTICLE III**

#### **RELEASE OF ESCROW FUND**

SECTION 3.1 Deliveries to Participants. The Escrow Agent shall hold the Escrow Fund in its possession under the provisions of this Escrow Agreement until authorized to deliver the Escrow Fund or any specified portion thereof as follows:

(a) If the Company does not make any payments under the Plans when due, the Escrow Agent shall deliver to individual Participants from the Escrow Fund the amounts that are payable to the Participants, at such times as such amounts become payable in accordance with the terms of the Plans. The Escrow Agent is authorized to comply with such terms as may be reasonably explained by the Company in writing. The Company will inform the Escrow Agent in writing from time to time as to the timing and amounts of payments due under the Plans. If the Company does not instruct the Escrow Agent as to amounts of payments due under the Plans or if the Escrow Agent reasonably deems such instructions to be erroneous or improper, then the Escrow Agent is authorized to take such steps as it deems necessary to determine the correct amounts and payments. Notwithstanding anything in this Escrow Agreement to the contrary, the Company's Chief Executive Officer and Chief Financial Officer, jointly, shall have authority to direct the Escrow Agent in writing, from time to time (the "Payment Notice"), to pay directly to any Participant (or beneficiary if the Participant is deceased) who is entitled to a payment under the Plans such amount as may be directed in the Payment Notice for purposes of satisfying accrued benefits under any of the Plans, including but not limited to benefits payable by reason of a Participant's or beneficiary's exercise of a call provision under the Plans, and the Escrow Agent shall utilize for such payment such funds or investments in escrow, including but not limited to, cash and/or the cash surrender value of any insurance policies or contracts, as may be directed in the Payment Notice which may include directions to cash in a policy or borrow against a policy to obtain the funds for the benefit payments. Such payment shall be made by the

Escrow Agent as soon as practicable. The Escrow Agent shall act only as an administrative agent and carry out the directions in the Payment Notice in accordance with this paragraph and shall not be responsible for the payment decision. If any Payment Notice violates any duty or other requirement under this Escrow Agreement or applicable law, the entire responsibility shall rest upon the Company. The Escrow Agent shall be fully protected in acting upon or complying with any restrictions or directions provided in the Payment Notice in accordance with this paragraph.

(b) In the event a Participant reasonably believes that he or she has not received timely payment of any amount or benefit payable to such participant from the Escrow Fund in respect of a Plan, the Participant shall be entitled to deliver to the Escrow Agent written notice (the "Participant's Notice") setting forth payment instructions for the amount or benefit the Participant believes is due under a Plan. The Escrow Agent shall deliver a copy of the Participant's Notice to the Company within 10 business days of receipt thereof. If the Company does not deliver written notice to the Escrow Agent objecting to the payment instructions contained in the Participant's Notice within 10 business days of receipt thereof from the Escrow Agent, the Escrow Agent shall make the payment set forth in the Participant's Notice. If it is necessary to cancel any Life Insurance Policies for this purpose, the Escrow Agent shall follow the 10 day notice procedure set forth in Section 2.2(a) hereof regarding the cancellation of Life Insurance Policies. If the Company delivers timely written notice to the Escrow Agent objecting to the payment to the Participant requested in the Participant's Notice, which notice shall be delivered by the Escrow Agent to the Participant within 5 business days of receipt thereof, the Escrow Agent shall be obligated to make the payment or provide the benefit set forth in the Participant's Notice unless the Company objects on the grounds that the payment has already been made, in which event the procedures at the end of this Section 3.1(b) shall apply. If the Company objects on the grounds that the requested payment has already been made, the Escrow Agent shall not make the payment upon confirming that the payment has already been made. If the Escrow Agent does not, after due inquiry and investigation, confirm that such payment or payments have been made, then the Escrow Agent shall make the requested payment or payments.

(c) To the extent that the Company from time to time makes payments under the Plans, the Escrow Agent shall upon request of the Company, using the Escrow Fund, promptly reimburse the Company for any such payment, together with interest as provided below. The Company may specify that such reimbursement and interest payment shall be in the form of the cash surrender value of Life Insurance Policies and in that instance the Escrow Agent shall assign, transfer, and deliver to the Company Life Insurance Policies designated by the Company as representing not less than such value. Such reimbursement and interest payment shall be made within 60 business days after a written notice is delivered by an officer of the Company to the Escrow Agent setting forth the specific amounts paid by the Company and specifying who received such payments and the date thereof. Said reimbursement amount shall bear interest, at the rate specified in Section 2.1(d) hereof, from the date the Company made such payment.

SECTION 3.2 Claims of Company Creditors in Event of Bankruptcy or Insolvency. It is the intent of the parties hereto that the Escrow Fund is and shall remain at all times subject to the claims of the general creditors of the Company in the event of bankruptcy or insolvency of the Company; provided, however, that if any contributions are made on behalf of any employee of any subsidiary of the Company relating to deferrals of compensation for periods after the Effective Date,

the portion of the Escrow Fund attributable to such contributions shall be subject to the claims of such subsidiary's creditors in the event of the bankruptcy or insolvency of such subsidiary. The Company shall not create a security interest in the Escrow Fund in favor of the Participants or any creditor. The Company's Board of Directors or Chief Executive Officer shall provide the Escrow Agent with written notice of the Company's bankruptcy or insolvency. In the case of bankruptcy, such notice is to be accompanied by a certified copy of the petition commencing the bankruptcy proceeding under the Bankruptcy Code, 11 U.S.C. § 11 *et seq.* When so notified, the Escrow Agent will suspend any further payment from the Escrow Fund to any Participants to whom the Company is obligated under the Plans, and will hold the Escrow Fund for the benefit of the Company's general creditors only as directed by a court of competent jurisdiction. The Company will be considered insolvent if the sum of its debt is greater than all its property at a fair market valuation. For the avoidance of doubt, from and after the Effective Date, the assets of the Escrow Fund shall not be subject to claims of general creditors of CEOC except as, and to the extent, specifically provided in the foregoing provisions of this Section 3.2, and CEOC shall have no claim to, right in or title to the assets held by the Escrow Fund; provided that notwithstanding the Settlement Agreement or anything to the contrary contained herein, in the event that any or all of the liabilities under or with respect to the Deferred Compensation Plans are or are deemed obligations of CEOC or any of its direct or indirect subsidiaries, then CEOC shall be entitled to reimbursement for such liability from the Escrow Fund.

#### **ARTICLE IV** **ESCROW AGENT**

##### **SECTION 4.1 Escrow Agent.**

(a) The duties and responsibilities of the Escrow Agent shall be limited to those expressly set forth in this Escrow Agreement, and no implied covenants or obligations shall be read into this Escrow Agreement against the Escrow Agent.

(b) If, pursuant to Section 3.2 hereof or otherwise, all or any part of the Escrow Fund is at any time attached, garnished, or levied upon by any court order, or in case the payment, assignment, transfer, conveyance or delivery of any such property shall be stayed or enjoined by any court order, or in case any order, writ, judgment or decree shall be made or entered by a court affecting such property or any part thereof, then and in any of such events the Escrow Agent is authorized, in its sole discretion, to rely upon and comply with any such order, writ, judgment or decree, and it shall not be liable to the Company or any Participant by reason of such compliance even though such order, writ, judgment or decree subsequently may be reversed, modified, annulled, set aside or vacated.

(c) The Escrow Agent shall maintain such books, records and accounts as may be necessary for the proper administration of the Escrow Fund, including, without limitation, as provided in Section 2.1 hereof, and shall render to the Company, on or prior to each January 31 until the termination of this Escrow Agreement (and on the date of such termination), an accounting with respect to the Escrow Fund as of the end of the then most recent calendar year (and as of the date of such termination).

(d) The Escrow Agent shall not be liable for any act taken or omitted to be taken hereunder if taken or omitted to be taken by it in good faith. The Escrow Agent shall also be fully protected in relying upon any notice given hereunder which it in good faith believes to be genuine and executed and delivered in accordance with this Escrow Agreement.

(e) The Escrow Agent may consult with legal counsel to be selected by it, and the Escrow Agent shall not be liable for any action taken or suffered by it in accordance with the advice of such counsel.

(f) The Escrow Agent shall be reimbursed by the Company for its reasonable expenses incurred in connection with the performance of its duties hereunder and shall be paid reasonable fees for the performance of such duties in the manner provided by Section 4.1(g).

(g) The Company agrees to indemnify and hold harmless the Escrow Agent from and against any and all damages, losses, claims or expenses as incurred (including expenses of investigation and fees and disbursements of counsel to the Escrow Agent) arising out of or in connection with the performance by the Escrow Agent of its duties hereunder. Any amount payable to the Escrow Agent under Section 4.1(f) or this Section 4.1(g) shall be paid by the Company promptly upon notice by the Escrow Agent to the Company. If such payment is not made within 60 days of the Company's receipt of such notice, then the Escrow Agent may pay such fees from the Escrow Fund. If it is necessary to use the cash surrender value of any Life Insurance Policies for this purpose, the Escrow Agent shall use the 10 day notice procedure set forth in Section 2.2(a) prior to cancellation of any policy. In the event payment is made hereunder to the Escrow Agent from the Escrow Fund, the Escrow Agent shall promptly notify the Company in writing of the amount of such payment. The Company agrees that, upon receipt of such notice, it will deliver to the Escrow Fund an amount of money or property equal to any payments made from the Escrow Fund to the Escrow Agent pursuant to Section 4.1(f) or this Section 4.1(g). The failure of the Company to transfer any such amount shall not in any way impair the Escrow Agent's right to indemnification, reimbursement and payment pursuant to Section 4.1(f) or this Section 4.1(g).

(h) Notwithstanding any other provisions of the Escrow Agreement, the Escrow Agent shall not be required to pay any benefits, premiums on insurance policies or expenses from funds other than the Escrow Fund. If there are not sufficient funds in the Escrow Fund to meet any one or more of the foregoing obligations that are due, then the Escrow Agent shall notify the Company of the amount needed to meet such obligations. Upon receipt of the funds from the Company, and not before then, the Escrow Agent shall pay for such obligations.

**SECTION 4.2 Successor Escrow Agent.** The Escrow Agent may resign and be discharged from its duties hereunder at any time by giving notice in writing of such resignation to the Company and each Participant specifying a date (not less than 30 days after the giving of such notice) when such resignation shall take effect. Promptly after such notice, the Company and Participants having at least 50 percent of all amounts then accounted for in the Escrow Fund with respect to their accounts shall appoint a successor Escrow Agent, such successor Escrow Agent to become Escrow Agent hereunder upon the resignation date specified in such notice. If the Company and the Participants are unable to so agree upon a successor Escrow Agent within 30 days after such notice, the Escrow Agent shall be entitled, at the expense of the Company, to petition the United States District Court for the District of Delaware or any of the courts of the State of Delaware having

jurisdiction to appoint its successor. The Escrow Agent shall continue to serve until its successor accepts the escrow and receives the-Escrow Fund. The Company and Participants having at least 50 percent of all amounts then accounted for in the Escrow Fund with respect to their accounts may agree at any time to substitute a new Escrow Agent by giving fifteen days notice thereof to the Escrow Agent then acting. The Escrow Agent and any successor thereto appointed hereunder shall be a bank or trust company located in the United States having a combined capital and surplus of at least \$500 million. Upon the appointment of a successor, the Escrow Agent shall transfer the Escrow funds to the successor and be relieved of any further liability to the Company, Participants or any other parties that may otherwise have a claim against any of the plans described in Section 1.1 hereof.

## **ARTICLE V**

### **TERMINATION, AMENDMENT AND WAIVER**

SECTION 5.1 Termination. This Escrow Agreement shall be terminated upon the earliest of the four following events: (i) the exhaustion of the Escrow Fund; (ii) the final payment of all amounts payable to the Participants pursuant to the Plans; (iii) upon the vote of a majority of the directors of the Company then in office, but only with the written consent of Participants having at least 50 percent of all amounts then accounted for in the Escrow Fund with respect to their accounts; or (iv) 50 years from the date hereof. Promptly upon termination of this Escrow Agreement, any remaining portion of the Escrow Fund shall be assigned, transferred, and delivered to the Company.

SECTION 5.2 Amendment and Waiver. This Escrow Agreement may not be amended except by an instrument in writing signed on behalf of the parties hereto together with the written consent of Participants having at least 50 percent of all amounts then accounted for in the Escrow Fund with respect to their accounts. The parties hereto, together with the consent of Participants having at least 50 percent of all amounts then accounted for in the Escrow Fund with respect to their accounts, may at any time waive compliance with any of the agreements or conditions herein. Any agreement on the part of a party hereto or a Participant to any such waiver shall be valid if set forth in an instrument in writing signed on behalf of such party or Participant. Notwithstanding the foregoing, any such amendment or waiver may be made by written agreement of the parties hereto without obtaining the consent of the Participants if such amendment or waiver does not adversely affect the rights of the Participants hereunder. No such amendment or waiver relating to this Escrow Agreement may be made with respect to a particular Participant unless said Participant has agreed in writing to such amendment or waiver.

CAESARS ENTERTAINMENT CORPORATION  
SECOND AMENDED AND RESTATED  
EXECUTIVE DEFERRED COMPENSATION  
TRUST AGREEMENT

THIS SECOND AMENDED AND RESTATED EXECUTIVE DEFERRED COMPENSATION TRUST AGREEMENT (the “Trust Agreement”) is made by and between Caesars Entertainment Corporation (formerly known as Harrah’s Entertainment, Inc., the “Company”) and Wells Fargo Bank, N.A. (the “Trustee”).

WHEREAS, the Company is a party to an Escrow Agreement, most recently amended as of the Effective Date (as defined below), for which Wells Fargo Bank, N.A., successor by merger to Wells Fargo Bank Minnesota, N.A. is the escrow agent (the “Escrow Agreement”), and the Company made contributions pursuant to the Escrow Agreement to provide a source of funds to assist the Company in meeting its obligations under the EDCP and certain of its obligations under the DCP;

WHEREAS, the Company previously established a trust (the “Trust”) pursuant to a trust agreement (the “Initial Trust Agreement”) and made contributions to the Trust to provide a source of funds to assist the Company in meeting its obligations under the ESSPs and the portion of the DCP that was not subject to funding through the Escrow Agreement;

WHEREAS, the Company acquired Caesars Entertainment, Inc., a Delaware corporation (“Caesars”) through a merger of Caesars with and into Caesars Entertainment Operating Company, Inc. (“CEOC”, f/k/a Harrah’s Operating Company, Inc. (“HOC”)), a Delaware corporation and a wholly-owned subsidiary of the Company, according to the Agreement and Plan of Merger dated as of July 14, 2004, by and among the Company, HOC and Caesars, with HOC as the surviving entity;

WHEREAS, HOC, as the successor to Caesars, maintained a trust (the “Caesars Trust”) in order to provide HOC with a source of funds to assist it in satisfying its liabilities under the CEDCP;

WHEREAS, as of January 11, 2006, the Company and the Trustee entered into an amendment and restatement of the Initial Trust Agreement into the Trust Agreement, which was then known as the “Harrah’s Entertainment, Inc. Amended and Restated Executive Deferred Compensation Trust Agreement,” and the Caesars Trust was merged with and into the Trust effective as of January 12, 2006;

WHEREAS, the Company entered into an Agreement and Plan of Merger, dated as of December 19, 2006, by and among Hamlet Holding LLC, Hamlet Merger Inc., and the Company (then known as Harrah’s Entertainment, Inc.) WHEREAS, all of the Plans are currently frozen to new participants and new deferrals;

WHEREAS, CEOC voluntarily filed for reorganization under Chapter 11 of the United States Bankruptcy Code on January 15, 2015;

WHEREAS, a settlement agreement (the "Settlement Agreement"), dated as of September 14, 2016, by and among CEOC and the Company, concerning the treatment of the assets and liabilities associated with the Plans, has been approved by the United States Bankruptcy Court for the Northern District of Illinois in Chicago;

WHEREAS, the Settlement Agreement provides, among other things, that the Company shall assume all liabilities under or with respect to the Plans, that CEOC shall have no liabilities under or with respect to the Plans (or to any Plan Participants), that the Company shall be the sole owner of the Trust and the Trust Assets, and that the Trust Agreement shall be amended to give effect to the Settlement Agreement;

WHEREAS, the Company and the Trustee wish to amend and restate the Trust Agreement (and the Trust evidenced thereby) as contemplated by the Settlement Agreement and to make certain other clarifying and conforming changes, which Trust Agreement shall hereafter be known as "Caesars Entertainment Corporation Second Amended and Restated Executive Deferred Compensation Trust Agreement"; and

WHEREAS, it is the continued intent of the parties that the Trust and this Trust Agreement shall constitute an unfunded arrangement and shall not affect the status of any of the Plans as an unfunded plan maintained for the purpose of providing deferred compensation for a select group of management or highly compensated employees for purposes of Title I of the Employee Retirement Income Security Act of 1974, as amended (the "Act").

NOW, THEREFORE, the parties amend and restate the Trust Agreement in its entirety as of the Plan Effective Date (as defined in the Settlement Agreement, the "Effective Date"), as follows:

ARTICLE ONE  
ESTABLISHMENT OF TRUST

1.1 The current balance of the Trust, together with any subsequent contributions made or to be made by the Company, constitute the principal of the Trust to be held, administered and disposed of by the Trustee in accordance with the terms of the Plans and as provided in this Trust Agreement.

1.2 The Trust, as established was, and shall continue to be, irrevocable.

1.3 The Trust is intended to be a grantor trust, of which the Company is the grantor, within the meaning of subpart E, part I, subchapter J, chapter 1, subtitle A of the Internal Revenue Code of 1986, as amended (the “Code”), and shall be construed accordingly.

1.4 The principal of the Trust, and any earnings thereon, shall be held separate and apart from other funds of the Company, and shall be used exclusively for the uses and purposes of the participants in the Plans (collectively, the “Plan Participants”) and the general creditors of the Company, as set forth herein; provided, however, that if any contributions are made on behalf of any employee of any subsidiary of the Company relating to deferrals of compensation for periods after the Effective Date, the principal of the Trust attributable to such contributions shall be subject to the claims of such subsidiary’s creditors in the event of the Insolvency of such subsidiary. Plan Participants and their beneficiaries shall have no preferred claim on, or any beneficial ownership interest in, any assets of the Trust. Any rights created under the Plans and this Trust Agreement shall be mere unsecured contractual rights of participants and their beneficiaries against the Company. Any assets held by the Trust will be subject to the claims of the Company’s general creditors under federal and state law in the event of Insolvency, as defined in Section 3.1 herein. For the avoidance of doubt, from and after the Effective Date, the assets of the Trust shall not be subject to claims of general creditors of CEOC except as, and to the extent, specifically provided in the foregoing provisions of this Section 1.4, and CEOC shall have no claim to, right in or title to the assets held by the Trust; provided that notwithstanding the Settlement Agreement or anything to the contrary contained herein, in the event that any or all of the liabilities under or with respect to the Plans are or are deemed obligations of CEOC or any of its direct or indirect subsidiaries, then CEOC shall be entitled to reimbursement for such liability from the Trust assets.

1.5 The Company, in its sole discretion, may at any time, or from time to time, make additional deposits of cash or other property in trust with the Trustee to augment the principal to be held, administered and disposed of by the Trustee as provided in the Plans and this Trust Agreement. Neither the Trustee nor any Plan Participant or beneficiary shall have any right to compel such additional deposits.

1.6 Upon a “Change of Control” (as defined in the ESSPs and the DCP), the Company shall, as soon as possible, but in no event longer than ninety (90) days following the Change of Control, make an irrevocable contribution to the Trust in an amount that is sufficient to pay each Plan Participant or beneficiary the benefits to which Plan Participants or their beneficiaries would be entitled pursuant to the terms of the Plans as of the date on which the Change of Control occurred.

**ARTICLE TWO**  
**PAYMENTS TO PLAN PARTICIPANTS**  
**AND THEIR BENEFICIARIES**

2.1 The entitlement of a Plan Participant or his or her beneficiaries to benefits under each Plan shall be determined by the Company or such party as it shall designate under such Plan, and any claim for such benefits shall be considered and reviewed under the procedures set out in that Plan. No provision in this Trust Agreement shall be construed as affording to a participant under any Plan rights or privileges available under any other Plan. The rights and entitlements of each Plan Participant or beneficiary shall be determined in accordance with each Plan.

2.2 Subject to Article Fourteen, the Company may direct the Trustee to make payment of benefits to Plan Participants or beneficiaries as they become due under the terms of the Plans.

Alternatively, the Company may make payment of benefits directly to Plan Participants or beneficiaries. If the Company elects to make benefit payments directly to the Plan Participants or beneficiaries, the Company shall notify the Trustee of such election prior to the time amounts become payable to Plan Participants or their beneficiaries under the terms of the Plans.

2.3 The Company or a consultant designated by the Company shall provide to the Trustee, at least annually, a schedule showing the account balances of each Plan Participant or beneficiary, the vesting percentage applicable to each account balance and the entitlement of each Plan Participant or beneficiary to a current or future payment under the Plans (the “Payment Schedule”). If a Plan Participant or his beneficiary shall make a request for payment from the Trustee, the Trustee shall obtain from the Company its written authorization to make such payment and from the Company or its designated consultant an updated Payment Schedule that specifically reflects the amount currently payable to any Plan Participant or beneficiary who has requested payment from the Trustee, the form in which such amount is to be paid (as provided for or available under the Plans), and the time of commencement for payment of such amount. Except as otherwise provided herein, the Trustee shall make payments to the Plan Participants and their beneficiaries in accordance with the appropriate Payment Schedule. There shall be no liability on the part of the Trustee with respect to any payment made in accordance with the terms of this Trust Agreement and the most recent Payment Schedule in the possession of the Trustee and at the direction of the Company. At the direction of the Company, the Trustee shall withhold any federal, state or local taxes required to be withheld on benefits paid under the Plans and shall pay amounts withheld to the Company for remittance to the appropriate taxing authorities. The Company shall indemnify and hold harmless the Trustee from any and all liability to which the Trustee may become subject due to the Company’s failure to properly withhold and remit taxes (including FICA) due to the appropriate taxing authorities.

2.4 If the Company provides the Trustee written notification of its intention to cease payment of benefits to Plan Participants and beneficiaries, or to make no future contributions to the Trust, the Trustee shall immediately obtain from the designated consultant, or, if deemed necessary by the Trustee, an actuary selected by the Trustee, an updated Payment Schedule in order to determine the funding status of the Trust. The funding status (the “funding ratio”) shall be determined by dividing the then-current market value of the Trust assets by the total account balances of the Plan Participants or beneficiaries reflected on the Payment Schedule, without regard to whether the accounts, are fully vested. If the funding ratio is less than one (1), all future benefit payments from the Trust shall not exceed the maximum lump-sum or installment payment due to Plan Participants or beneficiaries, multiplied by the funding ratio.

2.5 The designated consultant, or, if deemed necessary by the Trustee, an actuary selected by the Trustee will calculate and record the difference between the amount paid to the Plan Participant or beneficiary from the Trust and the scheduled benefit payment according to the Plan which shall be referred to as the “underpayment.” The underpayment may be made by the Trustee to the affected Plan Participants or their beneficiaries only at such time as the value of the total assets of the Trust is sufficient to support a funding ratio of at least one (1) and to fund the underpayments. The Company may make payment of any underpayment directly to a Plan Participant or beneficiary and will provide written notification to its designated consultant or to the Trustee that it has done so.

ARTICLE THREE  
TRUSTEE RESPONSIBILITY REGARDING PAYMENTS  
TO TRUST BENEFICIARY WHEN COMPANY IS INSOLVENT

3.1 The Trustee shall cease paying for benefits to Plan Participants and their beneficiaries if the Company is Insolvent. For purposes of the Plan, an entity shall be considered “Insolvent” for purposes of this Trust Agreement if (a) the entity is unable to pay its debts as they become due, or (b) the entity is subject to a pending proceeding as a debtor under the United States Bankruptcy Code.

3.2 At all times during the continuance of this Trust, as provided in Section 1.4 hereof, the principal and income of the Trust shall be subject to claims of general creditors of the Company under federal and state law as set forth below.

(a) The Board of Directors and the Chief Executive Officer of the Company shall have the duty to inform the Trustee in writing of the Company’s Insolvency. If a person claiming to be a creditor of the Company alleges in writing to the Trustee that the Company has become Insolvent, the Trustee shall determine whether the Company is Insolvent and, pending such determination, the Trustee shall discontinue payment of benefits to Plan Participants or their beneficiaries.

(b) Unless the Trustee has actual knowledge of the Company’s Insolvency, or has received notice from the Company or a person claiming to be a creditor alleging that the Company is Insolvent, the Trustee shall have no duty to inquire whether the Company is Insolvent. The Trustee may in all events rely on such evidence concerning the Company’s solvency as may be furnished to the Trustee and that provides the Trustee with a reasonable basis for making a determination concerning the Company’s solvency.

(c) If at any time the Trustee has determined that the Company is Insolvent, the Trustee shall discontinue payments to Plan Participants or their beneficiaries and shall hold the assets of the Trust for the benefit of the Company’s general creditors. Nothing in this Trust Agreement shall in any way diminish any rights of Plan Participants or their beneficiaries to pursue their rights as general creditors of the Company with respect to benefits due under the Plans or otherwise.

(d) The Trustee shall resume the payment of benefits to Plan Participants or their beneficiaries in accordance with Article Two of this Trust Agreement only after the Trustee has been directed that the Company is not Insolvent (or is no longer Insolvent).

3.3 Provided that there are sufficient assets, if the Trustee discontinues the payment of benefits from the Trust pursuant to Section 3.2 and subsequently resumes such payments, the first payment following such discontinuance shall include the aggregate amount of all payments due to Plan Participants or their beneficiaries under the terms of the Plans for the period of such discontinuance, less the aggregate amount of any payments made to Plan Participants or their beneficiaries by the Company in lieu of the payments provided for hereunder during any such period of discontinuance.

ARTICLE FOUR  
PAYMENTS TO THE COMPANY

4.1 Except as provided in Articles Two and Three above and as set forth below in this Article Four, the Company shall have no right or power to direct the Trustee to return to the Company or to divert to others any of the Trust assets before all payment or benefits have been made to Plan Participants and their beneficiaries pursuant to the terms of the Plans.

4.2 In the event that the Trust shall hold "Excess Assets" (as that term is defined in Section 4.3 below), the committee designated by the Company to carry out the administrative duties of the Company under the Plans (the "Committee"), in its discretion, may direct the Trustee to return part or all of such Excess Assets to the Company.

4.3 "Excess Assets" are assets of the Trust which exceed one hundred twenty percent (120%) of the amounts necessary to pay each Plan Participant or beneficiary the benefits to which such Plan Participants or their beneficiaries are entitled pursuant to the terms of the Plans as of the date the Committee requests that any Excess Assets be returned to the Company, regardless of whether such benefits are vested or payable as of the date the Committee makes its request for Excess Assets.

4.4 The calculations required by Section 4.3 or 4.6 shall be made by the Company's designated consultant or, if deemed necessary by the Trustee, an actuary selected by the Trustee. If the Trustee so requests, the Company or its designated consultant shall provide to the Trustee an updated Payment Schedule in connection with the calculations performed in accordance with Section 4.3 or 4.6.

4.5 Any Excess Assets returned to the Company pursuant to this Article Four shall be returned to the Company in any order of priority directed by the Committee.

4.6 Notwithstanding Section 4.2, in no event shall the Trustee return to the Company pursuant to Section 4.2 all or any part of the assets allocated to the Pre-Merger Subtrust (as defined in Section 14.1), unless the Pre-Merger Subtrust funding ratio (as described in Section 14.9), determined immediately following the return of assets allocated to the Pre-Merger Subtrust to the Company, is not less than one hundred and twenty percent (120%).

ARTICLE FIVE  
INVESTMENT AUTHORITY

5.1 All administrative rights associated with the assets of the Trust shall be exercised by the Trustee or the person designated by the Trustee, and shall in no event be exercisable or rest with Plan Participants, except that voting rights with respect to the Trust assets will be exercised by the Company.

5.2 The Company shall have the right at any time, and from time to time, in its sole discretion, to substitute assets of equal fair market value for any asset held by the Trust. This right is exercisable by the Company in a nonfiduciary capacity without the approval or consent of any person in a fiduciary capacity.

5.3 In the administration of the Trust, the Trustee shall have the following powers; however, all powers regarding the investment of the Trust shall be exercised solely pursuant to direction from the Company or its delegated agent or, if applicable, an investment manager, unless the Trustee has been properly delegated investment authority. No enumeration of specific powers herein shall be construed as a limitation on the general powers of the Trustee. The powers of the Trustee include, but are not limited to, the following:

- (a) To hold, as an investment of the Trust, life insurance policies owned by the Company and issued on the lives of current or former employees of the Company, in accordance with the provisions of Article Eight of this Trust Agreement;
- (b) To invest in securities (including stock and rights to acquire stock) or obligations issued by the Company;
- (c) To invest and reinvest in bonds, notes, debentures, stocks (common or preferred), interests in investment companies (whether “open-end mutual funds” or “closed-end mutual funds”), including shares of any investment company, whether or not the Trustee or any of its affiliates provides investment advice or other services to such company and receives compensation for the services provided, options to acquire or sell securities (including “covered call options”), commercial paper, bank repurchase agreements, individual and group annuity contracts, deposit administration contracts, life insurance company separate accounts and pooled investment funds, mortgages, leaseholds, fee interests, personal, corporate and governmental obligations;
- (d) To pledge or mortgage, assign, lease, contract to lease, grant and trade options to purchase, sell for cash or on credit at a private or public sale, convert, redeem, exchange for other securities or other property in which the Trust may be invested under this Trust Agreement or otherwise dispose of any securities or other property at any time held by the Trustee except as otherwise provided by the Plans; no person dealing with the Trustee shall be bound to see to the application or to inquire into the validity, expediency or propriety of such sale or other disposition;
- (e) To retain in cash so much of the Trust as the Trustee deems advisable and to deposit any such cash held in the trust in banking accounts, including banking accounts of the Trustee, without liability for interest, for a period of time as necessary, notwithstanding that the Trustee or an affiliate of the Trustee may benefit directly or indirectly from such uninvested amounts. It is acknowledged that the Trustee’s handling of such amounts is consistent with usual and customary banking and fiduciary practices, and any earnings realized by the Trustee or its affiliates will be compensation for its bank services in addition to its regular fees;
- (f) To settle, compromise, contest or submit to arbitration any claims, debts or damages due or owing to or from the Trust, to commence or defend suits or legal proceedings, and to represent the Trust in all suits or legal proceedings;
- (g) As directed by the Company, to exercise any conversion privilege or subscription right available in connection with any securities or property at any time held by the Trustee, to consent to the reorganization, consolidation, merger or readjustment of the finances of any corporation, company or association, or to the sale, mortgage, pledge or lease

of the property of any corporation, company or association, any of the securities of which may at any time be held by the Trustee; and to do any acts with reference thereto, including the exercise of options, making of agreements or subscriptions, and the payment of expenses, assessments or subscriptions, which may be deemed to be necessary or advisable in connection therewith, and to hold and retain any securities or other property which the Trustee may so acquire;

(h) As directed by the Company, to vote any corporate stock belonging to the Trust and to give proxies or general or limited powers of attorney for the purpose of such voting to other persons, with or without power of substitution;

(i) To borrow money, assume indebtedness, extend mortgages and encumber by mortgage or pledge upon such terms and conditions as may be deemed advisable;

(j) To collect the income, rents, issues, profits and increases of the Trust through such means as are deemed advisable;

(k) To invest all or part of the Trust in interest-bearing deposits with the Trustee or another bank or other federally-insured institution at a reasonable rate of interest, including but not limited to investment in time deposits, savings deposits, certificates of deposit or time accounts;

(l) To consult with legal counsel (who may also be counsel for the Company generally) with respect to any of its duties or obligations hereunder, and Trustee may employ agents, accountants, actuaries, investment advisors, financial consultants or other professionals to assist it in performing any of its duties and obligations hereunder. Company shall pay their reasonable compensation and expenses for services by such individuals or entities and if Company does not pay such expenses in a reasonably timely manner, the Trustee may obtain payment from the Trust.

(m) To cause any of the investments of the Trust to be registered in the name of the Trustee or in the name of its nominee, and any corporation or its transfer agent may presume conclusively that such nominee is the actual owner of any investments submitted for transfer; to make, execute and deliver as Trustee any and all instruments, advances, contracts, waivers, releases or other instruments in writing necessary or proper in the employment of any of the foregoing powers;

(n) To retain any funds or property subject to dispute without liability for the payment of interest, and to decline to make payment or delivery thereof until final adjudication is made by a court of competent jurisdiction; and

(o) To file all tax and other returns and reports required of the Trustee.

5.4 The Trustee, in investing and reinvesting the assets of the Trust, shall be subject to the investment directions issued by the Company (or its designee) in accordance with the terms and provisions of the Plans. No discretionary investment power shall be exercised by the Trustee under this Trust Agreement except upon written acceptance by the Trustee of these responsibilities. Neither the Trustee nor any other person shall be under any duty to question any such direction of the Company or to review any securities or other property acquired or held pursuant to the Company's

directions or to make any suggestions to the Company in connection therewith, and the Trustee shall as promptly as possible comply with any directions given by the Company hereunder. The Trustee shall not be liable, to the extent permitted by law, for compliance with any such directions. The Company may delegate its investment discretion under this Section to the Trustee, and upon written acceptance, the Trustee shall exercise such investment discretion. Any such delegation shall be set forth in the Plans or be made by a written instrument delivered to the Trustee and signed by the Company and the Trustee. All directions of the Company to the Trustee shall be in writing signed by the Company or by such other person as it shall authorize in writing so to act. Notwithstanding any provision of this Trust Agreement to the contrary, the Company hereby agrees to indemnify the Trustee and to hold the Trustee harmless from and against any claim or liability which may be asserted against the Trustee by reason of the Trustee acting on any direction from the Company pursuant to this Section or failing to act in the absence of any such direction.

5.5 The Company may designate an investment manager to direct the Trustee regarding the management, acquisition and distribution of all or a part of the assets of the Trust. Any such investment manager shall be registered as an investment adviser under the Investment Advisers Act of 1940, or shall be a bank, or shall be an insurance company qualified to perform investment management services under the laws of the State of Delaware and shall have acknowledged in writing that he or it is a fiduciary with respect to the Trust. In the event an investment manager is appointed, the Company shall deliver to the Trustee a copy of the instruments appointing the investment manager and evidencing the investment manager's acceptance of such appointment. The Trustee shall follow the written directions of the investment manager regarding the investment and reinvestment of the Trust or such portion thereof as shall be under management by the investment manager and shall exercise to such extent all powers set forth in Section 5.3 as directed by the investment manager until notified in writing by the Company that the appointment of the investment manager has been terminated. The Trustee shall be under no duty or obligation to review any investments to be acquired, held or disposed of pursuant to such directions, nor to make any recommendations with respect to the disposition or continued retention of any such investment or the exercise or non-exercise of any of the powers enumerated in Section 5.3. The Trustee shall have no liability or responsibility for acting pursuant to the directions of, or for failing to act in the absence of any directions from, the investment manager. The Company hereby agrees to indemnify the Trustee and hold the Trustee harmless from and against any claim or liability that may be asserted against the Trustee by reason of the Trustee's acting on any direction from an investment manager pursuant to this Section or failing to act in the absence of any such direction.

The Company shall indemnify and hold harmless the Trustee, its officers, employees, and agents from and against all liabilities, losses, and claims (including reasonable attorney's fees and costs of defense) for actions taken or omitted by the Trustee in accordance with the terms of this Trust, unless the Trustee has violated the Act or any other applicable law or has been negligent or has engaged in willful misconduct or has acted in bad faith. In the event of a dispute between the Company and a party, the Trustee may apply to a court of competent jurisdiction to resolve the dispute.

8.2 The Trustee shall have, without exclusion, all powers conferred on trustees by applicable law, unless expressly provided otherwise herein; provided, however, that if an insurance policy is held as an asset of the Trust, the Trustee shall have no power to name a beneficiary of the policy other than the Trust, to assign the policy other than to a successor Trustee or to an insurance

carrier to effect a tax-free exchange of policies under Section 1035 of the Code, or to loan to any person the proceeds of any borrowing against such policy. The Trustee shall have the right to effect a voluntary conversion of the policy to a different form. The Trustee shall not be liable for the failure or omission of any insurance company for any reason to pay any benefits or furnish any services under the policies or contracts.

8.3 However, notwithstanding the provisions of Section 8.2 above, the Trustee may loan to the Company the proceeds of any borrowing against an insurance policy held as an asset of the Trust.

8.4 Notwithstanding any powers granted to the Trustee pursuant to this Trust Agreement or to applicable law, the Trustee shall not have any power that could give this Trust the objective of carrying on a business and dividing the gains therefrom within the meaning of section 301.7701-2 of the Procedure and Administration Regulations promulgated pursuant to the Code.

#### ARTICLE NINE COMPENSATION AND EXPENSES OF THE TRUSTEE

The Company shall pay all fees and expenses associated with the administration of the Trust, including the Trustee's fees and expenses. If not so paid, the fees and expenses shall be paid from the Trust.

10.3 Upon resignation or removal of the Trustee and appointment of a successor Trustee, all assets shall subsequently be transferred to the successor Trustee. The transfer shall be completed within thirty (30) days after receipt of all information reasonably required by the Trustee to transfer assets to the successor Trustee, unless the Company extends the time limit.

10.4 If the Trustee resigns or is removed, a successor shall be appointed, in accordance with Article Eleven hereof, by the effective date of resignation or removal under Section 10.1. If no such appointment has been made, the Trustee may apply to a court of competent jurisdiction for appointment of a successor or for instructions. 11.1 If the Trustee resigns or is removed in accordance with Section 10.1 or Section 10.2 hereof, the Company may appoint any third party, such as a bank trust department or other party that

may be granted corporate trustee powers under state law, as a successor to replace the Trustee upon resignation or removal. The appointment shall be effective when accepted in writing by the new Trustee, who shall have all of the rights and powers of the former Trustee, including ownership rights in the Trust assets. The former Trustee shall execute any instrument necessary or reasonably requested by the Company or the successor Trustee to evidence the transfer.

11.2 The successor Trustee need not examine the records and acts of any prior Trustee and may retain or dispose of existing Trust assets, subject to Articles Seven and Eight hereof. The successor Trustee shall not be responsible for and the Company shall indemnify and defend the successor Trustee from any claim or liability resulting from any action or inaction of any prior Trustee or from any other past event, or any condition existing at the time it becomes the successor Trustee.

## ARTICLE TWELVE AMENDMENT OR TERMINATION

12.1 This Trust Agreement may be amended by a written instrument executed by the Trustee and the Company. Notwithstanding the foregoing, no such amendment shall (a) conflict with the terms of the Plans, (b) make the Trust revocable, (c) amend Section 4.6 or 6.2, or (d) amend Article Fourteen to permit the payment of any benefit payments (or portions thereof) attributable to the Post-Merger Subaccounts (as defined in Section 14.7) of the accounts of Plan Participants or beneficiaries in the Plans from the Pre-Merger Subtrust (as defined in Section 14.1). In the event of a conflict between an amendment to this Trust Agreement and the Plans, the Plans shall control and there shall be no liability on the part of the Trustee resulting from its execution of an amendment the terms of which conflict with the Plans.

12.2 The Trust shall not terminate until the date on which participants and their beneficiaries are no longer entitled to benefits pursuant to the terms of the Plans. Upon termination of the Trust any assets remaining in the Trust shall be returned to the Company.

12.3 Upon written approval of Plan Participants or beneficiaries entitled to payment of benefits pursuant to the terms of the Plans, the Company may terminate this Trust prior to the time all benefit payments owed to Plan Participants and beneficiaries under the Plans have been made. All assets in the Trust at termination shall be returned to the Company.

## ARTICLE THIRTEEN MISCELLANEOUS

13.1 Any provision of this Trust Agreement prohibited by law shall be ineffective to the extent of any such prohibition, without invalidating the remaining provisions hereof.

13.2 Benefits payable to the Plan Participants and their beneficiaries under this Trust Agreement may not be anticipated, assigned (either at law or in equity), alienated, pledged, encumbered or subjected to attachment, garnishments, levy, execution or other legal or equitable process.

13.3 This Trust Agreement shall be governed by and construed in accordance with the laws of the State of Delaware.

ARTICLE FOURTEEN  
SUBTRUSTS

14.1 Effective as of the Merger (as defined below), a subaccount (the “Pre-Merger Subtrust”) shall be established under the Trust, and all of the assets held in the Trust as of the effective time of the Merger shall be allocated to the Pre-Merger Subtrust. The Pre-Merger Subtrust shall be maintained as part of the Trust and the assets allocated thereto shall be held by the Trustee in accordance with the terms and conditions of the Trust Agreement.

14.2 Effective as of the Merger, a subaccount (the “Post-Merger Subtrust”) shall be established under the Trust, and none of the assets held in the Trust as of the effective time of the Merger shall be allocated to the Post-Merger Subtrust. The Post-Merger Subtrust shall be maintained as part of the Trust and the assets allocated thereto shall be held by the Trustee in accordance with the terms and conditions of the Trust Agreement.

14.3 Any contributions made by the Company to the Trust in accordance with Section 1.6 on and after January 28, 2008 (the effective date of the Merger) shall be allocated to the Pre-Merger Subtrust.

14.4 Any contributions made by the Company to the Trust under Section 1.5 on or after January 28, 2008 shall be allocated to the Pre-Merger Subtrust or the Post-Merger Subtrust (each, a “Subtrust”), as specified in a written direction of the Company to the Trustee.

14.5 The Company may direct the Trustee to make payment of benefits from the Pre-Merger Subtrust to a Plan Participant or beneficiary as such benefit payments become due under the terms of the Plans. Except as provided in Section 3.2, the Trustee shall make such benefit payments (or portions thereof) only to the extent such benefit payments (or portions thereof) are attributable to the Pre-Merger Subaccounts (as defined in Section 14.7) of such Plan Participant’s or beneficiary’s accounts in the Plans. In no event shall the Trustee make such benefit payments (or portions thereof) from the Pre-Merger Subtrust to the extent that such benefit payments (or portions thereof) are attributable to the Post-Merger Subaccounts of such Plan Participant’s or beneficiary’s accounts in the Plans, except as provided in Section 3.2.

14.6 The Company may direct the Trustee to make payment of benefits from the Post-Merger Subtrust to a Plan Participant or beneficiary as such benefit payments become due under the terms of the Plans.

14.7 The Company establish and maintain two subaccounts (a “Pre-Merger Subaccount” and a “Post-Merger Subaccount” and, collectively, the “Subaccounts”) for each of the Plan accounts of a Plan Participant or beneficiary in accordance with this Section 14.7. Such Subaccounts shall comprise portions of a Plan Participant’s or beneficiary’s Plan account and shall be maintained for purposes of accounting for the Trust assets and determining the Plan benefit payments to be made from the Subtrust under the Trust.

(a) The Company shall establish and maintain a Pre-Merger Subaccount under each of the Plan accounts of a Plan Participant or beneficiary. Effective as of the Merger under the terms of the applicable Plan, the balance in such Plan account (determined without regard to the vested interest of such Plan Participant or beneficiary) shall be credited to the Pre-Merger Subaccount in such Plan account. All deferrals and contributions credited to such

Plan account on or before the Merger under the terms of the applicable Plan shall be credited to such Pre-Merger Subaccount. No deferrals or contributions credited to the Plan account after the Merger under the terms of the applicable Plan shall be credited to such Pre-Merger Subaccount. Such Pre-Merger Subaccount shall be adjusted to reflect investment gains and losses attributable to the portion of the Plan account allocable to such Pre-Merger Subaccount, and shall be debited to reflect distributions and forfeitures of the Plan benefits attributable to the portion of the Plan account allocable to such Pre-Merger Subaccount.

(b) The Company shall establish and maintain a Post-Merger Subaccount under each of the Plan accounts of a Plan Participant or beneficiary. No deferrals or contributions credited to the Plan account on or before the Merger under the terms of the applicable Plan shall be credited to such Post-Merger Subaccount. All deferrals and contributions credited to such Plan account after the Merger under the terms of the applicable Plan shall be credited to such Post-Merger Subaccount. Such Post-Merger Subaccount shall be adjusted to reflect investment gains and losses attributable to the portion of the Plan Account allocable to such Post-Merger Subaccount, and shall be debited to reflect distributions and forfeitures of Plan benefits attributable to the portion of the Plan Account allocable to such Post-Merger Subaccount.

14.8 For purposes of this Article, the “Merger” shall mean the merger of Hamlet Merger Inc. with and into the Company pursuant to the Agreement and Plan of Merger, dated as of December 19, 2006, by and among Hamlet Holdings LLC, Hamlet Merger Inc. and Harrah’s Entertainment, Inc.

14.9 The Company or a consultant designated by the Company shall provide the Trustee with schedules showing the balances in the Subaccounts of a Plan Participant’s or beneficiary’s Plan accounts as follows.

(a) The Company or a consultant designated by the Company shall provide to the Trustee, at least annually, as part of the Payment Schedule provided in accordance with Section 2.3, a schedule showing the balances of the Subaccounts in the Plan accounts of each Plan Participant or beneficiary. If a Plan Participant or his beneficiary shall make a request for payment from the Trustee in accordance with Section 2.3, the updated Payment Schedule provided by the Company or its designated consultant in accordance with Section 2.3 shall specifically reflect the amounts currently payable from such Subaccounts. Except as otherwise provided herein, the Trustee shall make payments to the Plan Participants and their beneficiaries in accordance with the appropriate Payment Schedule and the schedules showing the balances in the Subaccounts in the Plan accounts of the Plan Participants and beneficiaries.

(b) If the Company provides the Trustee written notification of its intention to cease payment of benefits to Plan Participants and beneficiaries, or to make no future contributions to the Trust, in accordance with Section 2.4, the Trustee shall immediately obtain from the designated consultant, or, if deemed necessary by the Trustee, an actuary selected by the Trustee, as part of the updated Payment Schedule in accordance with Section 2.4, an updated schedule showing the balances of the Subaccounts in the Plan accounts of each Plan Participant or beneficiary in order to determine the funding status of the Pre-Merger Subtrust and the Post-Merger Subtrust. The funding status of the Pre-Merger Subtrust (the “Pre-Merger Subtrust funding ratio”) shall be determined by dividing the then current

market value of the Trust assets allocated to the Pre-Merger Subtrust by the total of the balances in the Pre-Merger Subaccounts in the Plan accounts of the Plan Participants or beneficiaries reflected on the Payment Schedule, without regard to whether the accounts are fully vested. If the Pre-Merger Subtrust funding ratio is less than one (1), all future benefit payments from the Pre-Merger Subtrust shall not exceed the maximum lump-sum or installment payment due to Plan Participants or beneficiaries from such Plan Participant's or beneficiary's Pre-Merger Subaccounts, multiplied by the Pre-Merger Subtrust funding ratio. The funding status of the Post-Merger Subtrust (the "Post-Merger Subtrust funding ratio") shall be determined by dividing the then current market value of the Trust assets allocated to the Post-Merger Subtrust by the total of the balances in the Post-Merger Subaccounts in the Plan accounts of the Plan Participants or beneficiaries reflected on the Payment Schedule, without regard to whether the accounts are fully vested. If the Post-Merger Subtrust funding ratio is less than one (1), all future benefit payments from the Post-Merger Subtrust shall not exceed the maximum lump-sum or installment payment due to Plan Participants or beneficiaries from such Plan Participant's or beneficiary's Post-Merger Subaccounts, multiplied by the Post-Merger Subtrust funding ratio.

(c) The designated consultant, or, if deemed necessary by the Trustee, an actuary selected by the Trustee shall calculate and record the difference between the amount paid to the Plan Participant or beneficiary from the Pre-Merger Subaccounts and the scheduled benefit payment from the Pre-Merger Subaccounts according to the applicable Plan which shall be referred to as the "Pre-Merger Sub account underpayment." The Pre-Merger Subaccount underpayment may be made by the Trustee to the affected Plan Participants or their beneficiaries only at such time as the value of the total assets of the Trust allocated to the Pre-Merger Subtrust is sufficient to support a Pre-Merger Subtrust funding ratio of at least one (1) and to fund the Pre-Merger Subaccount underpayments. The Company may make payment of any Pre-Merger Subaccount underpayment directly to a Plan Participant or beneficiary and will provide written notification to its designated consultant or to the Trustee that it has done so.

(d) The designated consultant, or, if deemed necessary by the Trustee, an actuary selected by the Trustee shall calculate and record the difference between the amount paid to the Plan Participant or beneficiary from the Post-Merger Subaccounts and the scheduled benefit payment from the Post-Merger Subaccounts according to the applicable Plan which shall be referred to as the "Post-Merger Subaccount underpayment." The Post-Merger Subaccount underpayment may be made by the Trustee to the affected Plan Participants or their beneficiaries only at such time as the value of the total assets of the Trust allocated to the Post-Merger Subtrust is sufficient to support a Post-Merger Subtrust funding ratio of at least one (1) and to fund the Post-Merger Subaccount underpayments. The Company may make payment of any Post-Merger Subaccount underpayment directly to a Plan Participant or beneficiary and will provide written notification to its designated consultant or to the Trustee that it has done so.

## **Caesars Entertainment Announces CEOC's Emergence From Bankruptcy**

### **— Completes Merger with Caesars Acquisition**

### **— Combined Company Poised to Invest in Growth With \$2 Billion Cash, Reduced Leverage and Interest Expense and Simplified Capital Structure**

LAS VEGAS, Oct. 6, 2017 /PRNewswire/ — Caesars Entertainment Corporation (“Caesars Entertainment” or the “Company”) (NASDAQ: CZR) today announced the completion of its previously announced merger with Caesars Acquisition Company (“CAC”) and the conclusion of the restructuring of Caesars Entertainment Operating Company, Inc. (“CEOC”) and its debtor subsidiaries. As a result of these transactions, the newly restructured Caesars Entertainment is positioned to further invest in its growth strategy and realize the benefits of a simpler and less leveraged capital structure. Conclusion of CEOC’s bankruptcy requires completion of a number of procedural steps which will occur during the course of the day.

**CAESARS**  
**ENTERTAINMENT®**

“The conclusion of CEOC’s restructuring leaves Caesars Entertainment with an expected enterprise value of approximately \$20 billion based on yesterday’s closing prices. With reduced leverage, increased free cash flow and the new REIT structure, we are positioned with a solid foundation to pursue a diversified growth strategy,” said Mark Frissora, President and Chief Executive Officer of Caesars Entertainment. “Throughout the restructuring process, Caesars has invested significantly to upgrade and renovate its facilities. Total capex from 2015-2017 is expected to exceed \$1.5 billion, which will benefit the company going forward. We are also executing hundreds of initiatives to generate incremental revenue, as well as to enhance operational efficiency, guest experiences and employee engagement through technology-driven innovation and process improvement.”

Since the beginning of 2015, Caesars Entertainment has significantly improved its operations with over \$700 million of Adjusted EBITDA improvement and more than 770 basis points of Adjusted EBITDA margin expansion achieved. As a result of the restructuring, debt has been reduced by more than \$16 billion, excluding the capitalization of the \$640 million per year lease obligation.

Caesars Entertainment has further enhanced its strong free cash flow profile through opportunistic refinancings that have resulted in combined interest savings of approximately \$270 million. These savings include the anticipated benefits of refinancing all Caesars Entertainment Resort Properties, LLC (“CERP”) and Caesars Growth Properties Holdings, LLC (“CGPH”) debt. These refinancings are expected to close later this year.

Caesars Entertainment is well placed to support continued investment in growth and value creation opportunities, as well as initiatives targeting further enhancements in customer satisfaction and employee engagement, including:

- *Leveraging Significant Presence in Growing Las Vegas* - Caesars Entertainment will continue to update its room product in Las Vegas in line with its positive long-term outlook for this market. In addition, the Company is advancing the development of a convention center and other opportunities to monetize large, underutilized commercial scale properties adjacent to the Las Vegas strip in its real estate portfolio.
- *Pursuing Network Expansion Opportunities* - Caesars Entertainment anticipates unlocking new opportunities for organic and inorganic growth across global markets supported by a strong free cash flow profile following CEOC's emergence from bankruptcy.
- *Building on Proven Management Execution* - Caesars Entertainment is primed to further improve its financial and operating performance with hundreds of discrete projects under the Company's Office of Continuous Improvement and through the deployment of new best-in-class, secure, cloud-based enterprise-wide technology solutions.
- *Enhancing the Strongest Loyalty Program in the Gaming Industry* - With more than 50 million Total Rewards members, Caesars Entertainment is driving revenue growth through technology enhancements in its marketing and engagement channels, such as the application of machine learning to customer behavioral data.
- *Taking Advantage of New Capital Structure* - With approximately \$2 billion in cash, and growing cash flow, Caesars Entertainment is well positioned to invest in future growth.

#### A Simpler Operating Structure

Under the terms of the previously announced merger, CAC stockholders each received 1.625 shares of Caesars Entertainment common stock per share of CAC Class A common stock. Additionally, CEOC has separated virtually all of its U.S.-based real property assets from its gaming operations with Caesars Entertainment continuing to own and manage the gaming operations. These real property assets are now held in a newly created real estate investment trust called VICI Properties, Inc. ("VICI") owned by certain of CEOC's former creditors.

Caesars Entertainment will pay rent to VICI as it continues to operate the properties. Material decisions related to these properties - such as renovations or other significant projects - will be made by Caesars Entertainment in collaboration with VICI's board and management. Similarly, Caesars Entertainment and VICI may at times partner on these and other development and growth investments.

(b) Without limiting the foregoing, prior to, on and after the Effective Date, each party hereto shall cooperate with the other party, and without any further consideration, but at the expense of the requesting party from and after the Effective Date, to execute and deliver, or use its commercially reasonable efforts to cause to be executed and delivered, all instruments, including instruments of conveyance, assignment and transfer, and to obtain or make any approvals or notifications from or with any governmental authority or any other Person under any permit, license, agreement, indenture or other instrument, and to take all such other actions as such party may reasonably be requested to take by any other party hereto from time to time, consistent with the terms of this Agreement, in order to effectuate the provisions and purposes of this Agreement and the transfers of the REIT Assets and the assignment and assumption of the REIT Liabilities and the other transactions contemplated hereby.

The REIT will, in turn, distribute such proceeds to CEOC in accordance with the Contribution.
23. After the Contribution, the REIT will contribute all of the the Golf Business Assets and liabilities received in the Contribution (including the LLC interests in Grand Bear LLC) to Golf TRS in exchange for equity of Golf TRS. Immediately thereafter and pursuant to the following steps, Golf TRS will contribute all such Golf Business Assets and liabilities to the applicable Golf TRS Sub. ***For real estate transfer purposes, Steps 19 and this Step 23 will be accomplished as follows: immediately after after the above Step 18 transactions, each of CEOC's subsidiaries that holds Golf Business Assets (other than GCI Spinco LLC) will transfer a 100% interest in its Golf Business Assets directly to the applicable Golf TRS Sub listed below in this Step 23.***

24. PropCo, PropCo 1, and/or the PropCo Subs will enter into one or more long-term, triple-net master leases with CEOC and its subsidiaries with respect to the REIT Assets (other than, for the avoidance of doubt, any Golf Business Assets).
25. CEC will contribute cash, including the amount necessary to effectuate the New CEC Common Equity Buyback, and the CEC Convertible Notes to CEOC as a capital contribution (the “CEC Contribution”). The CEC Contribution will not extinguish or otherwise satisfy any outstanding claims CEOC may continue to have against CEC (or CEC’s non-CEOC subsidiaries), which claims will remain outstanding until Step 28, below. CEOC’s minority shareholders will have their CEOC shares cancelled pursuant to the Plan.
26. CEOC will distribute to Holders of Claims everything that such Holders are entitled to receive under the Plan, including all common and preferred stock of the REIT and the OpCo Series A Preferred Stock and including any amounts in respect of the New CEC Common Equity Buyback in lieu of OpCo Series A Preferred Stock in satisfaction of such Claims (the “Distribution”). Such Claims will be cancelled immediately after the Distribution (but prior to the CEOC Merger (as defined in Step 28)).
27. The PropCo Preferred Equity Call Right and the PropCo Preferred Equity Put Right will be exercised, as applicable.
28. CEOC will merge with and into a newly formed Delaware limited liability company, wholly owned by CEC (“CEOC, LLC,” formed on April 26, 2017) with CEOC, LLC surviving (the “CEOC Merger”). As consideration for the CEOC Merger, holders of the OpCo Series A Preferred Stock received in Step 26 will exchange such OpCo Series A Preferred Stock for New CEC Common Equity in such amounts as are set forth in the Plan and taking into account the New CEC Common Equity Buyback. In the CEOC Merger, CEC will acquire all of the outstanding assets of CEOC, including outstanding claims CEOC continues to have against CEC (or CEC’s non-CEOC subsidiaries). Such claims against CEC that are acquired in the CEOC Merger will therefore be extinguished by virtue of the CEOC Merger and will no longer remain outstanding thereafter.

#### Methodology

#### We employed the following methodology for determining the separation into PropCo and OpCo.

1. We used the following accepted tax law to determine which assets not included in items one and two constitute real property.
  - The seminal tax case in determining whether an asset is inherently permanent is *Whiteco Industries, Inc. v. Commissioner*, 65 T.C. 664 (1975). In *Whiteco*, The Tax Court put together a series of questions designed to ascertain whether a particular asset qualifies as tangible personal property rather than real property. The questions are relevant to the the Propco/Opco split question.
    - Is the property capable of being moved, and has it in fact been moved?
    - Is the property designed or constructed to remain permanently in place?
    - Are there circumstances, which tend to show the expected or intended lengths of affixation, i.e. are there circumstances, which show that the property may or will have to be removed?
    - How substantial of a job is the removal of a property and how time-consuming is it?
    - How much damage will the property sustain upon its removal?
    - What is the manner of affixation of the property to the land?

2. Utilizing the questions from *Whiteco* above, we evaluated each asset class (i.e. Land, Land Improvements, buildings, etc.) to determine which assets constituted real property and should move to Propco and which constituted tangible personal property and should be retained by Opco. Based on those evaluations we drew the following conclusions (with the noted exceptions):
  - All land is real property.
  - Barges are real property.
  - Buildings and Improvements are real property.
    - However, we evaluated building improvements with useful lives less than 7 years to determine if they met the characteristics for real property.
  - FF&E was assumed to be operating property.
    - However, if the useful life is greater than 7 years we evaluated the asset further to determine if the asset is real property.
    - If the asset description met the criteria of our additional “key word” search the asset was determined to be real property.
      - For assets with a useful life greater than seven years we evaluated the characteristics of FF&E to determine if any met the characteristics to qualify as real property and designated the asset accordingly.
      - A key word search was used to identify shorter-lived assets with Building and Improvement characteristics that are classified under the broader furniture, fixture, and equipment categories. We believe the key word listing is comprehensive and materially representative of the building and improvement assets included in FF&E. The complete key word listing is included on the following page.
      - We also individually evaluated FF&E assets with an acquisition cost greater than \$500,000 to determine if assets were real property or tangible property.
3. Each asset category, (i.e. Land, Land Improvements, Buildings & Improvements, Barges, and FF&E) was evaluated using the above criteria. A summary split of assets between Opco and Propco is provided at the conclusion.

## Key word Methodology

We performed a key word search (utilizing the table below) of the FF&E assets to identify assets that meet real property criteria. We believe the list of key words is comprehensive although not exhaustive.
