October 26, 2018

Distinguished Awards Include "Best in Class" Awards for Partnership and Employee Focus

LAS VEGAS, Oct. 26, 2018 /PRNewswire/ -- Caesars Entertainment Corporation (NASDAQ: CZR), the world's most diversified casino-entertainment provider, today announced that it was awarded five Loyalty360 Awards during the Association for Customer Loyalty's annual Loyalty360 Customer Expo in Nashville, Tenn. Recognizing its exceptional accomplishments in building strong customer relationships and inspiring customer loyalty, Caesars' Loyalty360 Customer Awards included two "Best in Class" recognitions for Partnership and Employee Focus. It was also honored with a Bronze Award in the Awareness & Acquisition category, Bronze Award in the Brand Messaging & Communication category and a Bronze Award in the Customer-Centric Culture category.

"Caesars Entertainment creatively brings value to our customers through authentic, engaging interactions that put our guests first," said Michael Marino, Senior Vice President of Marketing and Chief Experience Officer for Caesars Entertainment. "Our Total Rewards loyalty program and unique property activations like "Evel Live" and "Like a Caesar" are examples of how we connect our guests to world-renowned resorts, A-list entertainers and celebrity chef restaurants."

2018 Loyalty360 Customer Awards

- **Bronze Award - Awareness & Acquisition:** Recognizing the company's ability to create interest among prospective customers, this award honors Caesars' "Evel Live" event, which capitalized on the historical 50th anniversary of Evel Knievel's jump over the Caesars Palace fountains in Las Vegas. The 3-hour live broadcast event featured motorsports icon Travis Pastrana and helped develop a new, younger audience base while providing a one-of-a-kind experience for current customers.
- **Bronze Award - Brand Messaging & Communication:** This award recognizes Caesars' popular video-based branding campaign, "Like a Caesar." Showcasing Caesars' signature experiences, the video highlighted unique dining experiences, marquee nightlife and entertainment and legendary hospitality—all of which the customer could experience and live "Like a Caesar" at Caesars Palace.
- **Bronze Award - Customer-Centric Culture:** Honoring Caesars' ability to build authentic customer relationships and employ a customer-first approach, the award recognizes the Total Rewards promotion, "Experience the Empire," which gave all Total Rewards members a chance to win exclusive VIP experiences normally reserved for the top tier.

The 2018 Loyalty360 Customer Awards finalists were selected by a board of relevant experts. Finalists then presented their entries during the 2018 Loyalty360 Customer Expo, and attendees voted on winners of the platinum, gold, silver and bronze awards in nine categories.

2018 "Best in Class" Awards

Caesars Entertainment has also been recognized with two "Best in Class Awards" for Partnership and Employee Focus, honoring its significant

program impact and industry involvement over the past year.

The 2018 "Best in Class" Loyalty360 Award winners were selected by a panel of judges who evaluated nominees based on a variety of factors including overall program impact, feedback from Loyalty360 Customer Awards judges and business awareness.

Earlier in 2018, Caesars won three additional Loyalty360 Awards at the 2018 Loyalty360 Loyalty Expo held in Orlando, Fla. It was recognized with a Gold Award in the "Program Partnership" category, a Bronze Award in the "Employee Engagement" category and a bronze award for the "360-Degree Award – Brand" category.
