Caesars is deeply rooted in Louisiana and uniquely positioned to deliver a best-in-class experience for sports bettors in the state through its many local partnerships, starting with its historic 20-year, exclusive naming-rights partnership with the New Orleans Saints to rebrand New Orleans' iconic downtown stadium as Caesars Superdome.

Caesars Sportsbook is the only app in the state that rewards sports bettors with every wager through its legendary customer loyalty program, [Caesars Rewards](#). Bettors can earn Tier Credits and Reward Credits that can be used to unlock exclusive hotel, food & beverage, entertainment, and gaming opportunities at Caesars destinations across the country – including resorts in Louisiana and at the heart of the Las Vegas Strip – as well as bonus cash in the app. In Louisiana specifically, sports fans who bet with Caesars Sportsbook can take advantage of unique VIP sports experiences through the Caesars portfolio of partnerships including with the New Orleans Saints, the New Orleans Pelicans and LSU Athletics.

Caesars' commitment to Louisiana runs deep, having successfully operated some of the state's most impactful casinos for nearly 30 years. Recently, the company committed to a \$325 million transformation of its New Orleans property from Harrah's to Caesars. The company is also in the midst of rebuilding its Lake Charles property on shore with an aim to reopen it as Horseshoe Lake Charles.

When the renovation is finished in the fall of 2022, Horseshoe Lake Charles will reopen with a Caesars Sportsbook location. Harrah's New Orleans and Horseshoe Bossier City will also each open a brand-new state-of-the-art Caesars Sportsbook location in 2022, further bolstering Caesars' standing as the state's home team when it comes to gaming, entertainment, and now, sports betting.

Caesars Sportsbook is an official sports betting partner of the New Orleans Saints, New Orleans Pelicans and LSU Athletics, as well as the exclusive sports betting and odds provider for The Advocate and Times-Picayune, ESPN and CBS Sports. Caesars Sportsbook is currently live in 21 states and jurisdictions—17 of which are mobile—and operates the largest number of retail sportsbooks across the country, including sportsbooks at top Louisiana gaming destinations Harrah's New Orleans and Horseshoe Bossier City.
