LAS VEGAS--(BUSINESS WIRE)--Apr. 29, 2025-- Caesars Entertainment, Inc. Now, horse racing fans in Kentucky and Colorado can conveniently toggle between the elevated sports wagering experience on the Caesars Sportsbook app and the Caesars Racebook wagering interface, powered by NYRA Bets.

The seamless shared wallet experience combines the best-in-class Caesars Sportsbook experience with pari-mutuel wagering on horse racing all in one place and tied to [Caesars Rewards®](#), the gaming industry's leading loyalty program. Customers earn Reward Credits and Tier Credits for every horse racing wager.

"Integrating pari-mutuel horse racing into the Caesars Sportsbook app is a significant milestone for both our digital business and the sport of horse racing," said Dan Shapiro, Senior Vice President and Chief Development Officer at Caesars Digital. "Our customers will be able to bet on horse racing, whether it's the sport's biggest events or daily races from tracks around the world. Now, our product seamlessly puts the action directly in front of an expanded audience and reinforces Caesars' commitment to horse racing. We look forward to continuing our work with the New York Racing Association and NYRA Bets to expand the availability across more states as we gain regulatory approvals."

"Horse racing plays an important role in the betting marketplace, and we appreciate Caesars' longstanding commitment to elevating the sport and growing fan engagement," said Tony Allevato, President of NYRA Bets. "Launching the shared wallet functionality allows Caesars Sportsbook to provide its large customer base with premier racing content through a comprehensive and easy-to-access wagering menu. We congratulate Caesars on their successful expansion."
