New functionality provides added convenience for Nevada residents and visitors

LAS VEGAS--(BUSINESS WIRE)--Jul. 10, 2025-- Caesars Entertainment, Inc. (NASDAQ: CZR) today announced a major upgrade to its mobile sports betting platform with the launch of a universal digital wallet on the Caesars Sportsbook app in Nevada. This enhancement streamlines the wagering experience for sports bettors who visit Nevada, enabling them to manage funds and Caesars Rewards® credits in one place, with seamless access across 19 jurisdictions where Caesars Sportsbook offers mobile sports wagering.

With this update, users in Nevada can experience added convenience, with all funds and rewards immediately visible and available after logging in. Caesars plans to add universal wallet functionality to more North American jurisdictions where it offers mobile sports wagering in the future.

“We’re always looking for ways to make things easier and more seamless for our players,” said Eric Hession, President of Caesars Digital. “The launch of our universal wallet in Nevada is a significant step forward and a long-anticipated enhancement that brings greater convenience and connectivity to our mobile app. With this update, sports bettors who visit Nevada and our world-class destinations on the Las Vegas Strip or beyond can enjoy a consistent experience wherever they go, with their account, funds, and rewards all in one place, just as it should be.”

Customers 21 and older who sign up and are verified for a Caesars Sportsbook mobile account in Nevada can use the app when they return home or travel to any jurisdiction where the Caesars Sportsbook mobile app is live and sign in with their universal set of login credentials. Similarly, customers who already have an existing Caesars Sportsbook mobile account from another state can use their universal wallet in Nevada, once it’s validated at any in-person Caesars Sportsbook location in Las Vegas, Reno, Lake Tahoe, and many more.

Universal wallet functionality is currently available through Caesars Sportsbook in 19 jurisdictions, including Arizona, Colorado, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Nevada, New York, North Carolina, Ohio, Tennessee, Virginia, Washington D.C., West Virginia, and Wyoming.

Since its launch in 2021, the Caesars Sportsbook mobile app has continued to enhance its user experience through regular updates and feature expansions. The app currently features a comprehensive sports wagering menu that includes same-game parlays, player props, futures, and live in-play betting markets. Sports fans can enjoy livestreaming of thousands of events, including NFL games, within the Caesars Sportsbook app. Available to users aged 21 and older, the platform reflects Caesars Entertainment’s ongoing commitment to delivering world-class hospitality and a high-quality, regulated sports betting experience.
