LAS VEGAS--(BUSINESS WIRE)--Aug. 27, 2026-- Legendary entertainer and music icon [Donny Osmond](#) has once again extended his award-winning residency inside **Harrah's Showroom** at [Harrah's Las Vegas](#) through **June 2027**. Celebrating the show's fifth anniversary on The Strip, Osmond continues to dazzle his audience through his dynamic, energy-filled musical journey of his unparalleled life as one of the most recognized entertainers in the world.

"Between my time on stage at Flamingo and Harrah's, it's been 16 wonderful years performing on The Strip, said Osmond. "16... still not quite old enough for the casinos, but it still feels like quite an accomplishment. I am grateful to the many fans who have sung along and danced with me over the years, and I look forward to continuing the fun in 2027. The Las Vegas community has been incredibly welcoming, and I am proud to call this city my second home."

The latest addition to the show allows Osmond to lean into a growing technological trend by harnessing control of his Artificial Intelligence (AI) likeness to create a magical and memorable concert going experience for fans. Using state-of-the-art technology, original multi-track audio recordings from over 50 years ago and original footage from the 1970s, the worldwide song sensation "Puppy Love" is reimagined with AI to recreate and celebrate the 1972 hit. Audiences uniquely experience a special performance of Osmond in duet and a 3-D AI version of his 14-year-old self, live on stage.

Featuring the fan favorite "Auto-rap-ography" – a rap song accompanied by milestone photos and videos from his impressive career of six decades, the show treats fans to Osmond's engaging performances and hit songs. The spectacular set also includes an interactive audience segment where anyone can request any song he's ever recorded across his decades of performance. Donny also does a full Broadway production of his classic Disney hit from *Mulan*, "I'll Make A Man Out Of You."

Osmond won Best Resident Performer/Headliner and Best Production Show in the 2024 Las Vegas Review Journal Best of Las Vegas Awards, honors the show has taken each year since its 2021 debut.
