THE VILLAS Caesars Palace Earns Gold Magellan Award for Luxury (Five-Star) Villa Design

THE VILLAS Caesars Palace showcases architectural grandeur and timeless luxury in the heart of the Las Vegas Strip. The exclusive collection of villas offers a private arrival experience separate from the main resort and has welcomed a distinguished roster of guests, from celebrities to dignitaries and royalty. In October 2026, THE VILLAS Caesars Palace ranked Number 1 on AAA’s inaugural Top 10 Casino Hotels list and retained its coveted AAA Five Diamond designation.

Each villa is thoughtfully curated around a distinct design theme, blending classical influences with contemporary luxury. Imported marble walls and flooring, hand-painted murals and layered textures create a sense of opulence throughout the interiors.

The expansive layouts include grand hallways, formal dining rooms, elegant living spaces and private outdoor patios overlooking the Garden of the Gods Pool Oasis. Formal tables anchor each dining room, while a majestic piano sits in the adjacent living area. Select villas feature billiard rooms, full bars and media rooms with theater-style seating and massage chairs. Jetted spa tubs and private plunge pools extend the experience outdoors, creating a secluded retreat.

Octavius Sky Villas at Caesars Palace Earn Gold Magellan Award for Luxury (Five-Star) Penthouse Design

Caesars Palace unveiled 29 completely redesigned Octavius Sky Villas in January 2026, redefining elevated luxury on the Las Vegas Strip. Located on the top two floors of the Octavius Tower and designed by Peter Silling & Associates, the Sky Villas

appeal to a new generation of high-end travelers, seamlessly blending contemporary architecture with modern comfort. Available in one-, two- and three-bedroom layouts, each villa offers sweeping views of the city and a modern residential aesthetic.

Soaring ceilings and sleek wall treatments create an airy living space, balanced by blue velvet and rich brown leather. A sculptural chandelier anchors the dining area, while a large TV and full bar create a setting for entertaining. Gold metal, dark wood and contemporary artwork add contrast and character throughout the interiors.

Colosseum Presidential Villas at Caesars Palace Earn Gold Magellan Award for Luxury (Five-Star) Presidential Suite

The newly transformed Colosseum Presidential Villas represent the pinnacle of residential-style luxury at Caesars Palace, pairing extraordinary scale and privacy with a storied legacy of hosting U.S. presidents, world leaders, dignitaries and celebrated figures.

The space comprises two expansive villas, each with a 1,700-square-foot private terrace overlooking the Las Vegas skyline. The villas can seamlessly connect to create more than 19,000 square feet of indoor and outdoor living space and are accessible exclusively via a private elevator.

Designed by Peter Silling & Associates, the Colosseum Presidential Villas balance European artistry and the modern grandeur synonymous with Caesars Palace. A grand central hallway anchors each villa, while preserved architectural elements, including stately marble pillars, pay homage to their heritage. Floor-to-ceiling windows fill the interiors with natural light, and custom chandeliers serve as focal points. One villa features gold accents and soft lighting, while the other embraces bolder, darker tones.
