Borrower shall provide Lender, at any time upon request of Lender, with a Form W-8 or W-9 to evidence that Borrower is not subject to any back-up withholding under the Code.

(d) Upon the occurrence and during the continuance of an Event of Default, all funds on deposit in the Mezzanine Collection Account shall be applied by Lender in such order and priority as Lender shall determine.

(e) The insufficiency of funds on deposit in the Mezzanine Collection Account shall not relieve Borrower from the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

The ownership interests of each Operating Company are as set forth on the organizational chart attached hereto as Schedule VIII.

(c) Borrower has the power and authority and the requisite ownership interests in Senior Mezzanine Borrower and Mortgage Borrower to control the actions of Senior Mezzanine Borrower and Mortgage Borrower, and upon the realization of the Collateral under the Pledge Agreement, Lender or any other party succeeding to the Borrower's interest in the Collateral described in the Pledge Agreement would have such control. The Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of any of the Properties (as currently used) or Borrower's ability to repay the Loan. The Pledge Agreement, together with the delivery of the certificates evidencing ownership of the Pledged Company Interests and the endorsement in blank, as being delivered concurrently herewith, will create a valid perfected, first priority lien on, and security interest in and to, the Collateral, all in accordance with the terms thereof. The fair saleable value of Borrower’s assets is and will, immediately following the making of the Loan, be greater than Borrower’s probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower’s assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). Borrower has no Indebtedness other than the Loan. Except for Permitted Indebtedness (Operating Company), Operating Company does not have any Indebtedness or contingent liabilities, or due and unpaid liabilities for taxes, that are known to Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company and reasonably likely to have a materially adverse effect on the Collateral, any Senior Mezzanine Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. All roads necessary for the use of each Individual Property for their current respective purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

**4.1.18 Enforceability.** The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower, any Affiliates of Borrower including Holdings, Operating Company or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors' rights and the enforcement of debtors' obligations), and Borrower, any Affiliates of Borrower including Holdings, Operating Company and Guarantor have not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

Such financial data or financial statements shall be furnished to Lender (A) within ten (10) Business Days after written notice from Lender in connection with the preparation of Disclosure Documents for the Securitization, (B) not later than thirty (30) days after the end of each fiscal quarter of Borrower and (C) not later than sixty (60) days after the end of each fiscal year of Borrower; provided, however, that Borrower shall not be obligated to furnish financial data or financial statements pursuant to clauses (B) or (C) of this sentence with respect to any period for which a filing pursuant to the Exchange Act in connection with or relating to the Securitization (an “**Exchange Act Filing**”) is not required. If requested by Lender, in writing, Borrower shall use commercially reasonable efforts to furnish to Lender financial data and/or financial statements for any tenant of any of the Properties (other than a tenant that is a reporting company under the Exchange Act) if, in connection with a Securitization, Lender expects there to be, with respect to such tenant or group of affiliated tenants, a concentration within all of the loans included or expected to be included, as applicable, in the Securitization such that such tenant or group of affiliated tenants would constitute a Significant Obligor. “**Related Property**” shall mean a parcel of real property, together with improvements thereon and personal property related thereto, that is “related”, within the meaning of the definition of Significant Obligor, to any of the Properties. “**Regulation AB**” shall mean Regulation AB under the Securities Act and the Exchange Act, as such Regulation may be amended from time to time.

All financial data and financial statements (audited or unaudited) provided by Borrower under this Section 5.1.11(g) shall be accompanied by an Officer’s Certificate which shall state that such financial statements meet the requirements set forth in the first sentence of this Section 5.1.11(g), to the extent applicable.

(b) Borrower shall not permit (or consent to) an assignment by any Operating Company of any such Operating Company's interest(s) under any Operating Lease or an assignment by any Mortgage Borrower of any such Mortgage Borrower's interest(s) under any Operating Lease Guaranty without, in each case, Lender's prior written consent (and, if a Securitization shall have occurred, at Lender's request, without Borrower providing to Lender a Rating Agency Confirmation and an Additional True Lease Opinion).

(c) All space Leases and all renewals of space Leases executed after the date hereof entered into by Operating Company shall (i) provide for rental rates, rent credits and free rent periods comparable to existing local market rates for comparable properties, (ii) be on commercially reasonable terms, (iii) provide that such Lease is subordinate to the Mortgage encumbering the Individual Property in question and that the lessee will attorn to Mortgage Lender and any purchaser at a foreclosure sale; (iv) not contain any terms which would materially adversely affect Lender's rights under the Loan Documents; (v) not grant to the Tenants thereunder any option or right to purchase the applicable Individual Property (or any portion thereof); and (v) in the case of Major Leases, have initial terms less than twenty (20) consecutive years, in each case (unless otherwise consented to by Lender pursuant to clause (d) below).

(d) (i) Any Major Lease entered into by Operating Company with respect to an Individual Property executed after the date hereof (and any renewal of any Major Lease with respect to an Individual Property), and any space Lease or space Lease renewal proposed to be entered into by Operating Company after the date hereof and that does not meet the criteria set forth in Sections 5.1.20(a) and subparagraph (c) above, shall be subject to the prior written approval of Lender, which approval shall not be unreasonably withheld, conditioned or delayed. Borrower shall not terminate or accept the surrender of (and shall not permit Operating Company or Mortgage Borrower to terminate or accept the surrender of) a Major Lease (unless by reason of a tenant default) without the consent of Lender.

(ii) Every submission to Lender of any proposed Major Lease (or Major Lease renewal, amendment, modification or termination) for Lender's approval shall be forwarded to Lender together with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this section.

(iii) If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN FIVE (5) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within five (5) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(e) Borrower shall and shall cause Mortgage Borrower and Operating Company to (i) observe and perform the obligations imposed upon the lessor under the Leases in

a commercially reasonable manner; (ii) enforce the terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed or performed in a commercially reasonable manner and in a manner not to impair the value of the Individual Property involved; (iii) not collect any of the rents more than one (1) month in advance (other than security deposits); (iv) not execute any other assignment of lessor's interest in the Leases or the Rents (except as contemplated by the Loan Documents); (v) not alter, modify or change the terms of the Leases in a manner inconsistent with the provisions of the Loan Documents; and (vi) execute and deliver at the request of Lender all such further assurances, confirmations and assignments in connection with the Leases as Lender shall from time to time reasonably require.

(f) Upon request, Borrower shall furnish Lender with executed copies of all new Leases or Lease renewals or amendments.

(g) Notwithstanding anything to the contrary contained herein, Borrower shall not enter into (or permit Operating Company or Mortgage Borrower to enter into) a lease of all or substantially all of any Individual Property without Lender's prior consent.

**5.1.21 Alterations.** (a) Borrower shall cause all Alterations with respect to any portion of any of the Properties to be conducted and performed with due diligence in a good and workmanlike manner, and all materials used and work done shall be in accordance with all applicable Legal Requirements. In addition, with respect to the Convention Center Project and the Tower Project, to the extent such projects are pursued, Borrower agrees to cause Mortgage Borrower to (i) diligently pursue each such project to completion in a timely manner, subject to delays arising from Force Majeure events, (ii) cause the work to be performed in connection with each such project in substantial conformance with the plans and specifications for such project, and otherwise in conformity with the Mortgage Loan Agreement, each Senior Mezzanine Loan Agreement and this Agreement, (iii) provide Lender with reasonably detailed monthly progress reports (and such information as Lender shall reasonably request from time to time) regarding the status of the Convention Center Project and the Tower Project, (iv) upon the substantial completion of each such project, provide Lender with evidence of the substantial completion of each such project, copies of final unconditional lien waivers from the general contractors, construction managers or subcontractors for such project (if requested by Lender) and evidence of the final payment of all amounts due in connection with each such project, and a title search for the affected Individual Property indicating that such Individual Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (v) upon final completion of each such project, provide Lender with a final survey acceptable to Lender showing the "as-built" location of the completed Improvements and all easements appurtenant thereto, and "as-built" plans and specifications for Lender's file and a certificate of occupancy to the extent issued by the relevant Governmental Authority.

(b) Borrower shall obtain Lender's prior consent to (i) any Material Alterations (unless collateral or a completion guaranty is provided as set forth in subparagraph (c) below) or (ii) any Alterations to any of the Improvements (even if otherwise described in clause (i) above) that is reasonably likely to have an Individual Material Adverse Effect. Lender's consent shall not be required for any Alterations other than the Alterations described in the preceding sentence. Notwithstanding any provision hereof to the contrary, without Lender's consent, not to be unreasonably withheld or delayed, in no event shall Borrower close or shutter,

or undertake or permit any Tenant or other Person to undertake, an Alteration that, alone or together with other work then being undertaken, closes or shutters, more than ten percent (10%) of the income-generating space in any Individual Property at any one time. Prior to undertaking any Alteration with respect to an Individual Property in excess of five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for such Individual Property, to afford Lender a prior and reasonable opportunity to determine whether or not the proposed Alteration would have an Individual Material Adverse Effect, Borrower will deliver such plans, specifications, project schedules, logistical plans, construction budgets (including a statement of sources and uses) and such other information as Lender may reasonably request in respect of such Alteration for review by Lender (and its consultants). All reasonable out-of-pocket costs and expenses incurred by Lender in connection with reviewing said Alterations proposal, including, without limitation, reasonable counsel fees and disbursements and Lender's consultants, shall be paid by Borrower. The above-referenced submission to Lender shall be delivered with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this Section. If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within ten (10) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(c) With respect to any Material Alteration, unless otherwise consented to by Lender, Borrower shall promptly deliver to Mortgage Lender as security for the payment of such amounts and as additional security for Borrower's obligations under the Loan Documents any of the following: (A) cash, (B) U.S. Obligations, (C) other securities having a rating acceptable to Lender and that the applicable Rating Agencies have confirmed in writing will not, in and of itself, result in a downgrade, withdrawal or qualification of the initial, or, if higher, then current ratings assigned to any Securities or any class thereof in connection with any Securitization, (D) a completion and performance bond or an irrevocable letter of credit (payable on sight draft only) issued by an Eligible Institution, or (E) a completion guaranty from an Approved Guarantor in the form attached hereto as Exhibit A (with such changes as Lender shall approve), together with evidence reasonably satisfactory to Lender that the Approved Guarantor has reasonable liquidity taking into account the nature and amount of the guaranteed obligations under such completion guaranty (it being agreed that, if the Approved Guarantor in question is

Holdings, then the amounts available for repayment of such obligations under any revolving credit facility in effect at such time in favor of Harrah's Operating Company, Inc. will be taken into account in determining whether Holdings has reasonable liquidity), and with, if required by applicable Rating Agency requirements, an Additional Insolvency Opinion. Such security, including the amount of the guaranteed obligations under any completion guaranty delivered as aforesaid, shall be in an amount equal to the sum of (i) the excess of the total unpaid amounts with respect to alterations to the Improvements on the applicable Individual Property (other than such amounts to be paid or reimbursed by tenants under the Leases) over the Threshold Amount and (ii) the costs of collection, and, upon the occurrence and during the continuance of an Event of Default, Lender may apply such security from time to time at the option of Lender to pay for such alterations.

**5.1.22 Operation of Properties.** (a) Borrower shall cause Mortgage Borrower to cause each of the Properties to be operated, in all material respects, in accordance with the Operating Leases and in accordance with all applicable Legal Requirements, including Gaming Laws, and all Gaming Licenses and other Operating Permits and in a manner consistent with their respective use as of the Closing Date. Borrower shall cause Operating Company to post all required bonds, if any, with any Gaming Authority as and in the amounts required under all applicable Legal Requirements (and shall, if Lender makes a request therefor, promptly provide Lender with copies of all such bonds).

(b) Borrower shall not, without Lender's prior written consent, permit Operating Company to assign or transfer, and Operating Company shall not, without Lender's prior written consent, assign or transfer, or delegate any responsibilities with respect to, any Gaming License or Operating Permit.

(c) Borrower shall cause Operating Company to make all filings required under the Gaming Laws, or in connection with any Gaming Licenses or Operating Permits, including in connection with the origination of the Mortgage Loan and the Mezzanine Loans, and shall deliver copies of such filings as Lender shall reasonably request to Lender, promptly upon request. Borrower will timely pay all fees, investigative fees and costs required by the Gaming Authorities with respect to any such approvals and licenses. Borrower will and will cause Mortgage Borrower to diligently and comprehensively respond to any inquiries and requests from the Gaming Authorities and promptly file or cause to be filed any additional information required in connection with any required filings as soon as practicable after receipt of requests therefor.

(d) Upon request of Lender, Borrower shall deliver to Lender (or cause Operating Company to deliver to Lender) such evidence of compliance (by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company and each Individual Property) with all Legal Requirements, including Gaming Laws as shall be reasonably requested by Lender. Borrower shall immediately deliver to Lender (and shall cause Operating Company and Mortgage Borrower to deliver to Lender) any notice of material non-compliance or material violation of any Legal Requirement, or of any material inquiry or investigation commenced by the Gaming Authorities in connection with any of the Properties. Borrower shall immediately notify Lender if it, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company believe that any material license, including any Gaming License, is being or could be revoked or

suspended, or that any action is pending, being considered or being, or could be, taken to revoke or suspend Borrower's, Senior Mezzanine Borrower's, Mortgage Borrower's or Operating Company's material licenses, including the Gaming Licenses, or to fine, penalize or impose remedies upon Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company, or that any action is pending, being considered, or being, or could be, taken to discontinue, suspend, deny, decrease or recoup any payments due, made or coming due to Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company, in each case if same might reasonably be expected to have an Individual Material Adverse Effect. Borrower shall immediately deliver to Lender any notice received by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company alleging or relating to the material non-compliance by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company with any Legal Requirements, including Gaming Laws.

(e) In the event that any of the Operating Leases expire or are terminated (without limiting any obligation of Borrower to obtain Lender's consent to any termination or modification of any of the Operating Leases in accordance with the terms and provisions of this Agreement), Borrower shall cause Mortgage Borrower to promptly enter into a replacement Operating Lease (in form and substance satisfactory to Lender) with Operating Company or another operating company reasonably satisfactory to Lender, provided Borrower will obtain a Rating Agency Confirmation as a condition to the effectiveness of such replacement Operating Lease and that Borrower will cause Guarantor (Operating Lease) to execute and deliver an operating lease guaranty in the same form and substance as the Operating Lease Guaranty.

(f) Borrower shall cause Mortgage Borrower to: (i) promptly perform and/or observe, in all material respects, all of the covenants and agreements required to be performed and observed by it under the Operating Lease and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any material default under any Operating Lease or Operating Lease Guaranty of which it is aware; (iii) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, notice, report and estimate received by it under each Operating Lease; and (iv) enforce the performance and observance of all of the material covenants and agreements required to be performed and/or observed by each Operating Company under each Operating Lease and by each Guarantor (Operating Lease) under each Operating Lease Guaranty, in a commercially reasonable manner.

(g) Borrower shall cause Mortgage Borrower to cause the Hotel Components to be at all times open for business as a hotel and the Casino Components to be open for business as a casino, except to the extent necessary to undertake any alterations or repairs (subject to the provisions of this Agreement with respect to the performance of any such alterations or repairs). Borrower shall cause each Individual Property to be at all times operated, managed and maintained, at all times and in the manner and accordance with the standards required pursuant to the Operating Leases and all applicable Legal Requirements in all material respects.

(h) If Mortgage Borrower shall be in material default under any Operating Lease, then, subject to the terms of such Operating Lease, Borrower shall cause Mortgage Borrower (subject to any applicable Legal Requirements) to grant Lender the right (but not the obligation), to cause the default or defaults under such Operating Lease to be remedied and

otherwise exercise any and all rights of Mortgage Borrower under such Operating Lease, as may be necessary to prevent or cure any default provided such actions are necessary to protect Lender's interest under the Loan Documents, and Lender shall have the right to enter all or any portion of the affected Individual Property at such times and in such manner as Lender deems necessary, to prevent or to cure any such default. The actions or payments of Lender to cure any default by Mortgage Borrower under any Operating Lease shall not remove or waive, as between Borrower and Lender, any default that may occur or occurred under this Agreement by virtue of such default by Mortgage Borrower under such Operating Lease. All out-of-pocket sums reasonably expended by Lender to cure any such default shall be paid by Borrower to Lender, upon demand, with interest on such sum at the rate set forth in this Agreement from the date such sum is expended to and including the date the reimbursement payment is made to Lender. All such indebtedness shall be deemed to be secured by the Pledge Agreement and the Collateral.

(i) Borrower shall notify Lender promptly in writing of (i) the occurrence, to Borrower's knowledge, of any material default by any party to any Operating Lease or any Operating Lease Guaranty, (ii) the occurrence, to Borrower's knowledge, of any event that, with the passage of time or service of notice, or both, would constitute a material default by any party under any Operating Lease or any Operating Lease Guaranty, and (iii) the receipt by Borrower or its Affiliate of any notice (written or otherwise) from any party under any Operating Lease or any Operating Lease Guaranty noting or claiming the occurrence of any material default by Borrower under such Operating Lease or such Operating Lease Guaranty.

(j) Borrower shall (subject to any applicable Legal Requirements) promptly cause Mortgage Borrower to execute, acknowledge and deliver to Lender such instruments as may reasonably be required to permit Lender to cure any material default under any Operating Lease or permit Lender to take such other action required to enable Lender to cure or remedy the matter in default and preserve the value of the security interest of Lender under the Loan Documents with respect to the Collateral. Upon the occurrence and during the continuance of an Event of Default, Borrower irrevocably appoints Lender as its true and lawful attorney-in-fact to do, in its name or otherwise, any and all acts and to execute any and all documents that are necessary to preserve any rights of Mortgage Borrower under or with respect to any Operating Lease, including, without limitation, the right to effectuate any extension or renewal of any Operating Lease, or to preserve any rights of Mortgage Borrower whatsoever in respect of any part of any Operating Lease (and the above powers granted to Lender are coupled with an interest and shall be irrevocable).

(k) With respect to any Operating Lease or any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days' prior written request from Lender, execute, acknowledge and deliver to Lender, a statement containing the following: (A) a statement that such Operating Lease or such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease or the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications, (B) a statement that Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Borrower's knowledge, either the other party thereto is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps

being taken to cure such default and (D) such other information with respect to the Operating Lease or the Operating Lease Guaranty as Lender shall reasonably request.

(l) With respect to any Operating Lease, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from each Operating Company containing the following: (A) a statement that such Operating Lease is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease is in full force and effect as modified and setting forth such modifications, (B) a statement that Operating Company is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Operating Company's knowledge, the Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to Operating Company, any Operating Lease and/or any Operating Lease Guaranty as Lender shall reasonably request.

(m) With respect to any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from Guarantor (Operating Lease) containing the following: (A) a statement that such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications; (B) a statement that Guarantor (Operating Lease) is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default; and (C) such other information with respect to such Guarantor (Operating Lease) and/or Operating Lease Guaranty as Lender shall reasonably request.

**5.1.23 Ground Lease Estoppel.** Borrower shall, on or prior to May 28, 2008, either (i) effect the substitution of the Properties commonly known as "Paris Las Vegas" and "Harrah's Laughlin" for the Individual Properties referred to as "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe" and "Showboat Atlantic City" as described in Section 2.5.2 of this Agreement or (ii) (x) cause the occurrence of the events set forth in paragraph 1, clause (ii) of the Ground Lease Side Letter and (y) in connection therewith, deliver to Lender updates to its UCC Title Insurance Policy and any endorsements to the Mortgage Borrower's owner's policies delivered to Lender in connection with the closing of the Loan, together with such other documents, instruments and new or updated opinions (including as to enforceability, non-consolidation and true lease matters) as Lender may reasonably request. The failure by Borrower to cause the occurrence of the event described in clause (i) or of the events described in clause (ii) above, on or prior to May 28, 2008 shall constitute a "Ground Lease Estoppel Trigger Event" hereunder, but shall not constitute a Default or an Event of Default hereunder.

**5.1.24 Mortgage Loan Reserve Funds.** Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to deposit and maintain each of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds (if any) as more particularly set forth in Article VII of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement and to

perform and comply with all the terms and provisions relating thereto. Borrower grants to Lender a first-priority perfected security interest in Borrower's interest in each of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds, if any, subject to the prior rights of Mortgage Lender and Senior Mezzanine Lender, and any and all monies now or hereafter deposited in each Mortgage Loan Reserve Fund and Senior Mezzanine Loan Reserve Funds as additional security for payment of the Debt to the extent Borrower has an interest in same. Subject to the qualifications regarding Mortgage Lender's and Senior Mezzanine Lender's interest in the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds (as applicable), if any, until expended or applied in accordance with the Mortgage Loan Documents, Senior Mezzanine Loan Documents or the Loan Documents, Borrower's interest in the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds shall constitute additional security for the Debt and upon the occurrence of an Event of Default, Lender may, in addition to any and all other remedies available to Lender, apply any sums then present in any or all of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds to the payment of the Debt in any order in its sole discretion and/or hold the same as Collateral for the Loan.

**5.1.25 Notices.** Borrower shall give notice, or cause notice to be given to Lender promptly upon the occurrence and during the continuance of an Event of Default and upon any of the following:

(a) any Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default;

(b) any default or event of default under any contractual obligation of Borrower, or, to the knowledge of Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor that could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect;

(c) any litigation or proceeding affecting Borrower, or, to the knowledge of Borrower, affecting any of Mortgage Borrower, Senior Mezzanine Borrower, Operating Company, Principal or Guarantor, which could or could reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect; or

(d) a change in the business, operations, property or financial or other condition or prospects of Borrower, or, to the knowledge of Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor which could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect.

**5.1.26 Special Distributions.** On each date on which amounts are required to be paid to Lender under any of the Loan Documents (or required be disbursed to the Mezzanine Collection Account, if applicable) Borrower shall exercise its rights under the First Mezzanine Borrower Company Agreement to cause Senior Mezzanine Borrower to make to Borrower a distribution in an aggregate amount such that Lender shall receive the amount required to be disbursed to the Mezzanine Collection Account or otherwise paid to Lender on such date.

**5.1.27 Curing.** Lender shall have the right, but shall not have the obligation, to exercise Borrower's rights under the First Mezzanine Borrower Company Agreement (a) to cure a Mortgage Loan Default, or Senior Mezzanine Loan Default, (b) to cure a Mortgage Loan Event of Default, or Senior Mezzanine Loan Event of Default, (c) to satisfy any Liens, claims or judgments against the Properties (except for Liens permitted by the Mortgage Loan Documents or Senior Mezzanine Loan Documents), (d) to satisfy any Liens, claims or judgments against the Senior Mezzanine Collateral, in the case of either (a), (b) or (c), unless Borrower, Senior Mezzanine Borrower or Mortgage Borrower shall be diligently pursuing remedies to cure the Mortgage Loan Default, the Senior Mezzanine Loan Default, the Senior Mezzanine Loan Event of Default or Mortgage Loan Event of Default or to satisfy any such Liens, claims or judgments, in either case to Lender's sole satisfaction. Borrower shall reimburse Lender on demand for any and all costs incurred by Lender in connection with curing any such Mortgage Loan Default, Senior Mezzanine Loan Default, Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default or satisfying any Liens, claims or judgments against any of the Properties or the Senior Mezzanine Collateral.

**5.1.28 Senior Borrower Covenants.** Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to comply with all obligations with which Mortgage Borrower and/or Senior Mezzanine Borrower have covenanted to comply under the Mortgage Loan Agreement, Senior Mezzanine Loan Agreement, all Senior Mezzanine Loan Documents and all other Mortgage Loan Documents, as applicable (including, without limitation, those certain affirmative and negative covenants set forth in Article V of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement), unless otherwise consented to in writing by Lender.

**Section 5.2. Negative Covenants.** From the date hereof until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Liens of the Collateral in accordance with the terms of this Agreement and the other Loan Documents, Borrower covenants and agrees with Lender that it will not do, directly or indirectly, any of the following (without, in each case, the prior written consent of Lender):

**5.2.1 Operation of Properties.** (a) Borrower shall not cause or permit Mortgage Borrower to, without Lender's prior consent: (i) surrender, terminate or cancel (or permit to be surrendered, terminated or canceled) any of the Operating Leases or any Operating Lease Guaranty; (ii) reduce or consent to the reduction of (or permit the reduction or the consent to the reduction) of the term of any of the Operating Leases; (iii) decrease or consent to any decrease (or permit to be decreased or the consent to the decrease) of the amount of any rent or other charges payable under any of the Operating Leases; (iv) Transfer, convey, assign, sell, mortgage, encumber, pledge, hypothecate, grant a security interest in, grant an option or options with respect to, or otherwise dispose of (directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, whether or not for consideration) the Properties or any collateral for the Mortgage Loan (or permit Operating Company to do so), in each case without the prior written consent of Lender or except as expressly permitted in Section 5.2.10, or (v) otherwise modify, change, supplement, alter or amend, or waive or release (or permit to be modified, changed, supplemented, altered, amended, waived or released) any of the rights and remedies of Borrower, Mortgage Borrower or any Operating Company under any of the Operating Leases in any material respect or any Operating Lease Guaranty (provided that Lender shall not unreasonably withhold its consent to any modification, change, supplement, alteration,

amendment, waiver or release of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document).

(b) During the continuance of an Event of Default, Borrower shall not exercise (and shall not cause or permit Mortgage Borrower to exercise) any rights, make any decisions, grant any approvals or otherwise take any action under any Operating Lease, Operating Lease Guaranty or any management agreement without, in each instance, the prior written consent of Lender, which consent may be withheld in Lender's sole discretion.

**5.2.2 Liens.** (a) Borrower shall not create, incur, assume or suffer to exist any Lien on any of the Collateral, except Liens created by or permitted pursuant to the Loan Documents. Borrower shall not, and shall not cause or permit Mortgage Borrower or Senior Mezzanine Borrower to create, incur, assume or suffer to exist any Lien on any portion of any Individual Property or Senior Mezzanine Collateral or permit any such action to be taken, except:

(i) Permitted Encumbrances;

(ii) Liens created by or permitted pursuant to the Loan Documents, Senior Mezzanine Loan Documents or Mortgage Loan Documents; and

(iii) Liens for Taxes or Other Charges not yet due.

(b) Borrower shall not incur any Indebtedness other than the Loan, shall not permit Mortgage Borrower to incur any Indebtedness other than the Mortgage Loan and Permitted Indebtedness (as defined in the Mortgage Loan Agreement), and shall not permit Senior Mezzanine Borrower to incur any Indebtedness other than the Senior Mezzanine Loans. Borrower shall not permit any Operating Company to incur Indebtedness in excess or other than Permitted Indebtedness (Operating Company).

**5.2.3 Dissolution.** Borrower shall not, and shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, (a) engage in any dissolution, liquidation or consolidation or merger with or into any other business entity, (b) engage in any business activity not related to (i) in the case of Borrower, the ownership of the Collateral, (ii) in the case of Senior Mezzanine Borrower, ownership of the Senior Mezzanine Collateral, (iii) in the case of Mortgage Borrower, the ownership and operation of the Properties and (iv) in the case of Operating Company, the leasing and operation of the Properties, (c) transfer, lease or sell, in one transaction or any combination of transactions, the assets or all or substantially all of the properties or assets of Borrower, Senior Mezzanine Borrower or Mortgage Borrower except to the extent permitted by the Loan Documents, (d) modify (in any material respect), amend (in any material respect), waive or terminate its organizational documents or its qualification and good standing in any jurisdiction or (e) cause Holdings to (i) dissolve, wind up or liquidate or take any action, or omit to take an action, as a result of which Holdings, Senior Mezzanine Borrower or Mortgage Borrower would be dissolved, wound up or liquidated in whole or in part, or (ii) amend (in any material respect), modify (in any material respect), waive or terminate the certificate of incorporation or bylaws of Holdings, Senior Mezzanine Borrower or Mortgage Borrower, in each case, without obtaining the prior consent of Lender.

**5.2.4 Change in Business.** Borrower shall not cause Mortgage Borrower to enter into any line of business other than the ownership and operation of any of the Properties and other activities reasonably ancillary thereto, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. In addition, Borrower shall not permit or cause Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower by any Person, except for adequate consideration and in the ordinary cause of Mortgage Borrower's business. Borrower shall not enter into any line of business other than the ownership of the Collateral, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. Borrower shall not allow Senior Mezzanine Borrower to enter into any line of business other than the direct or indirect ownership of the applicable Senior Mezzanine Collateral or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business.

**5.2.5 Debt Cancellation.** Borrower shall not, and shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, cancel or otherwise forgive or release any claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower, Borrower or Senior Mezzanine Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's, Borrower's or Senior Mezzanine Borrower's business. In addition, Borrower shall not permit or cause itself, Senior Mezzanine Borrower, or Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Senior Mezzanine Borrower, Borrower or Mortgage Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's, Borrower's or Senior Mezzanine Borrower's business.

**5.2.6 Zoning.** Borrower shall not, and shall not permit Mortgage Borrower or Operating Company to, initiate or consent to any zoning reclassification of any portion of any Individual Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of any Individual Property in any manner that could result in such use becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of Lender.

**5.2.7 Ground Lease.** Borrower shall not (or shall not cause or permit Mortgage Borrower or Ground Lease Subsidiary, as applicable, to) (a) fail to pay any rent, additional rent or other charge mentioned in or made payable under any Ground Lease as and when such rent or other charge is due (unless waived in writing by the ground lessor under such Ground Lease), (b) permit to occur any event of default (beyond any applicable notice, grace or cure periods) by any Mortgage Borrower, or Ground Lease Subsidiary, as applicable, as tenant under the related Ground Lease, in the observance or performance of any term, covenant or condition of such Ground Lease on the part of such Mortgage Borrower or Ground Lease Subsidiary, as applicable, to be observed or performed (unless waived in writing by the ground lessor under such Ground Lease), (c) permit any one or more of the events referred to in any Ground Lease to occur which would cause such Ground Lease to terminate without notice or action by the ground lessor under

**5.2.9 ERISA.** (a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of the Loan, as requested by Lender in its sole discretion, that (i) Borrower is not an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(32) of ERISA; (ii) Borrower is not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans; and (iii) one or more of the following circumstances is true:

(b) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) a direct or indirect beneficial interest in Borrower consisting of ownership interests in or at any level above the level of Ninth Mezzanine Borrower shall be permitted without Lender's consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Borrower is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, (iii) subsequent to such Transfer, Borrower will continue to be a Special Purpose Entity, (iv) if (1) such Transfer causes the Transferee to own, in the aggregate with the ownership interests of its Affiliates, more than a forty nine percent (49%) interest in Borrower (and the Transferee (together with the ownership interests of its Affiliates) did not, prior to such Transfer, own more than a forty-nine percent (49%) interest in Borrower), or (2) such Transfer, together with all other Transfers by Borrower, whether in a single Transfer or in a series of Transfers and whether or not effected simultaneously, results in a Transfer of more than forty-nine percent (49%) of the aggregate interests in Borrower, then if required by applicable Rating Agency requirements, an acceptable non-consolidation opinion is delivered to the holder of the Loan and to each of the Rating Agencies concerning, as applicable, Borrower, the new Transferee and/or their respective owners, and (v) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions. Further, a Change in Control shall be deemed a Transfer hereunder and, unless clauses (ii) through (v) of this Section 5.2.10(b) shall be satisfied, the same shall be an Event of Default hereunder (and for the sake of clarity, nothing else contained in this Section 5.2.10 or this Agreement shall be deemed to limit or qualify the above terms of this sentence).

(c) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) a direct or indirect beneficial interest in Operating Company shall be permitted without Lender's consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Operating Company is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, and (iii) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. Notwithstanding the foregoing or anything else that may be construed to the contrary, in no event may Borrower effect a Transfer, or permit or suffer any Transfer, that would result in any loss or impairment of any Gaming License or in any similar event that would have an Individual Property Material Adverse Effect or Aggregate Property Material Adverse Effect.

(e) Notwithstanding the foregoing or anything herein to the contrary, but subject to the final sentence of Section 5.2.10(d), nothing contained in this Agreement or the other Loan Documents shall in any way restrict or prohibit, nor shall any notice to Lender or consent of Lender or Rating Agency Confirmation be required in connection with the Transfer or issuance in the ordinary course of any securities in any Person whose securities are publicly traded on a national exchange (except to the extent that the same would cause a Change of Control) or with an initial public offering of securities issued by Holdings or of subsidiary of Holdings (other than the Borrower and any Mezzanine Borrower (provided that, in the case of an issuance by a subsidiary, such issuance would not cause a Change in Control).

**Section 6.1. material changes. Borrower shall provide Lender with evidence of all such insurance required hereunder on or before the date on which Mortgage Borrower is required to provide such evidence to Mortgage Lender. For purposes of this Agreement, Lender shall have the same approval rights over the insurance referred to above and in the Mortgage Loan Agreement (including, without limitation, the insurers, deductibles and coverages thereunder, as well as the right to require other reasonable insurance pursuant to Section 6.1 of the Mortgage Loan Agreement) as are provided in favor of the Mortgage Lender in the Mortgage Loan Agreement.

Borrower shall cause Mortgage Borrower to pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower or Mortgage Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than, in the case of each Casualty, an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for the affected Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for the affected Individual Property, and Borrower shall deliver to Lender all instruments required by Lender to permit such participation.

**Section 7.2. Lender shall apply the Tax and Insurance Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.1.2 hereof and under the Mortgage Loan Agreement. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 5.1.2 hereof, provided no Event of Default shall have occurred and be continuing, then Lender shall return any excess to Borrower (or to Operating Company, if so directed by Borrower). In allocating such excess, Lender may deal with the Person shown on the records of Lender to be the owner of the Properties. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes and Insurance Premiums by the dates set forth in (i) and (ii) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days

prior to the due date of the Taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

(b) Notwithstanding the foregoing, Borrower shall not be required to make any deposits into the Tax and Insurance Escrow Fund on account of Insurance Premiums if (and for so long as) Borrower shall maintain a blanket insurance policy in respect of the Properties that is in accordance with the provisions of Section 6.1(a), and otherwise satisfactory to Lender in all material respects.

(c) Any amount remaining in the Tax and Insurance Escrow Fund following the occurrence of a Trigger Event Cure shall be returned to Borrower (or Operating Company, as directed by Borrower).

**7.2.2 Waiver of Tax Escrow.** Borrower shall be relieved of its obligation to make deposits of Tax and Insurance Escrow Fund under Section 7.2 above, provided that (a) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a tax escrow account under the Mortgage Loan or Senior Mezzanine Loan, and (b) Lender receives evidence acceptable to it of the making of such deposits and of the payment of all such Taxes.

**7.2.3 Tax and Insurance Escrow Funds After Debt Paid.** Any Tax and Insurance Escrow Funds remaining after the Debt has been paid in full shall be remitted (i) if the Sixth Mezzanine Loan is outstanding, then to the Sixth Mezzanine Lender or (ii) if the Sixth Mezzanine Loan is no longer outstanding, then to the Seventh Mezzanine Lender in accordance with the Sixth Mezzanine Loan Agreement or (iii) if the Sixth Mezzanine Loan and the Seventh Mezzanine Loan are no longer outstanding, then to the Eighth Mezzanine Lender in accordance with the Seventh Mezzanine Loan Agreement or (iv) if the Sixth Mezzanine Loan, the Seventh Mezzanine Loan and the Eighth Mezzanine Loan are no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (v) if the Sixth Mezzanine Loan, the Seventh Mezzanine Loan, the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

Notwithstanding anything to the contrary contained herein, in no event shall Borrower be required to maintain in the FF&E Reserve Account an amount in

excess of the aggregate amount of all FF&E deposits required to be made in the preceding calendar year (as determined, for purposes of this sentence, utilizing the monthly formula set forth in the preceding sentence). In addition, notwithstanding anything to the contrary contained herein, for purposes of determining the amount of any required FF&E Reserve Fund deposits (and for purposes of calculating such amount, monthly, based on the formula set forth in the first sentence of this Section 7.3.1), Revenues shall include Revenue from the Hotel Component and the Casino Component but shall not include non-Hotel or Casino related Revenues (e.g., Rents from retail tenants).

(b) Amounts deposited by Borrower as described in this Section 7.3.1 shall hereinafter be referred to as the “**FF&E Reserve Fund**” and the account in which such amounts are held shall hereinafter be referred to as the “**FF&E Reserve Account**”.

**7.3.2 Disbursements from FF&E Reserve Account.** (a) All disbursements from the FF&E Reserve Account shall be made solely for the purpose of reimbursing Borrower (or Operating Company for FF&E bought on behalf and in the name of Borrower in accordance with the Operating Lease, as directed by Borrower) for its costs and expenses incurred, or for paying costs to be incurred, in connection with the repair, replacement and/or upgrade of FF&E at the Properties. Provided no Event of Default shall have occurred and be continuing, Lender shall, within ten (10) days following request by Borrower, make disbursements from the FF&E Reserve Fund no more frequently than once in any thirty (30) day period, in amounts no less than \$10,000 per disbursement (or a lesser amount if the total amount in the FF&E Reserve Account is less than \$10,000, in which case only one disbursement of the amount remaining in the account shall be made), and upon delivery by Borrower (or Operating Company) of Lender’s standard form of draw request accompanied by copies of invoices for the amounts requested and, if required by Lender for requests in excess of \$50,000 for a single item, receipts and releases from all parties furnishing materials and/or services in connection with the requested payment.

(b) Disbursements may be made from the FF&E Reserve Account, at Borrower’s election, directly to third parties (as directed by Borrower).

(c) In no event shall funds in the FF&E Reserve Account be utilized to pay (or reimburse any Person) for any Capital Expenditures or non-recurring work being performed at the Properties.

**7.3.3 Balance in the FF&E Reserve Account.** (a) The insufficiency of any balance in the FF&E Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

**7.3.4 Waiver of FF&E Reserve.** Borrower shall be relieved of its obligation to make deposits of FF&E Reserve Fund under Section 7.3 above, provided that either (a) (i) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a FF&E reserve account under the Mortgage Loan or Senior Mezzanine Loan, and (ii) Lender receives evidence acceptable to it of the making of such deposits or (b) an FF&E Guaranty is provided to Mortgage Lender.

**7.3.5 FF&E Reserve Funds After Debt Paid.** Any FF&E Reserve Funds remaining after the Debt has been paid in full shall be remitted (i) if the Sixth Mezzanine Loan is outstanding, then to the Sixth Mezzanine Lender or (ii) if the Sixth Mezzanine Loan is no longer outstanding, then to the Seventh Mezzanine Lender in accordance with the Sixth Mezzanine Loan Agreement or (iii) if the Sixth Mezzanine Loan and the Seventh Mezzanine Loan are no longer outstanding, then to the Eighth Mezzanine Lender in accordance with the Seventh Mezzanine Loan Agreement or (iv) if the Sixth Mezzanine Loan, the Seventh Mezzanine Loan and the Eighth Mezzanine Loan are no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (v) if the Sixth Mezzanine Loan, the Seventh Mezzanine Loan, the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower.

**Section 7.4. Ground Rent Funds.**

**7.4.1 Deposits of Ground Rent Funds.** If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, Borrower shall deposit with Lender (or Servicer, as directed by Lender), at least ten (10) Business Days prior to each Payment Date during such period, an amount equal to the Ground Rent that will be payable under the Ground Lease for the month in which such Payment Date occurs. Amounts deposited by Borrower as described in this Section 7.4.1 shall hereinafter be referred to as the “**Ground Rent Reserve Fund**” and the account in which such amounts are held shall hereinafter be referred to as the “**Ground Rent Reserve Account**”. Such deposit may be increased by Lender in the amount Lender deems is necessary in its reasonable discretion based on any increases in the Ground Rent.

**7.4.2 Release of Ground Rent Funds.** Provided no Event of Default has occurred and is continuing, Lender shall apply the Ground Rent Reserve Funds to payments of Ground Rent. In making any payment relating to Ground Rent, Lender may do so according to any bill or statement given by the Ground Lessor without inquiry into the accuracy of such bill or statement or into the validity of any rent, additional rent or other charge thereof. If the amount of the Ground Rent Reserve Funds shall exceed the amounts due for Ground Rent, Lender shall return any excess to Borrower.

**7.4.3 Waiver of Ground Rent Reserve.** Borrower shall be relieved of its obligation to make deposits of Ground Rent Reserve Funds under Section 7.4 above, provided that (a) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a ground rent reserve account under the Mortgage Loan or Senior Mezzanine Loan, and (b) Lender receives evidence acceptable to it of the making of such deposits and of the payment of all Ground Rent.

**7.4.4 Ground Rent Reserve Funds After Debt Paid.** Any Ground Rent Reserve Funds remaining after the Debt has been paid in full shall be remitted (i) if the Sixth Mezzanine Loan is outstanding, then to the Sixth Mezzanine Lender or (ii) if the Sixth Mezzanine Loan is no longer outstanding, then to the Seventh Mezzanine Lender in accordance with the Sixth Mezzanine Loan Agreement or (iii) if the Sixth Mezzanine Loan and the Seventh Mezzanine Loan are no longer outstanding, then to the Eighth Mezzanine Lender in accordance with the Seventh Mezzanine Loan Agreement or (iv) if the Sixth Mezzanine Loan, the Seventh

Mezzanine Loan and the Eighth Mezzanine Loan are no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (v) if the Sixth Mezzanine Loan, the Seventh Mezzanine Loan, the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower.

**Section 7.5. Reserve Funds, Generally.** (a) Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt. Upon the occurrence and during the continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender.

(b) Borrower shall not, without obtaining the prior consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(c) The Reserve Funds shall be held by Lender (or Servicer) and may be invested at Borrower's election and direction in Permitted Investments routinely offered by the Servicer of the Securitization for investment by Borrower. All interest or other earnings on a Reserve Fund shall be added to and become a part of such Reserve Fund for the benefit of Borrower and shall be disbursed in the same manner as other monies deposited in such Reserve Fund. Borrower shall have the right to direct Lender (or Servicer) to invest sums on deposit in the Eligible Account in Permitted Investments provided (a) such investments are permitted by applicable federal, state and local rules, regulations and laws, (b) the maturity date of the Permitted Investment is not later than the date on which the applicable Reserve Funds are required for payment of an obligation for which such Reserve Fund was created, and (c) no Event of Default shall have occurred and be continuing. Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Reserve Funds. No other investments of the sums on deposit in the Reserve Funds shall be permitted except as set forth in this **Section 7.5**. Borrower shall bear all reasonable costs associated with the investment of the sums in the account in Permitted Investments. Such costs shall be deducted from the income or earnings on such investment, if any, and to the extent such income or earnings shall not be sufficient to pay such costs, such costs shall be paid by Borrower promptly on demand by Lender. Lender shall have no liability for the rate of return earned or losses incurred on the investment of the sums in Permitted Investments.

(d) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Reserve Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all Persons supplying labor, materials or other services which are to

be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

**Section 7.6. Transfer of Reserve Funds Under Mortgage Loan and Senior Mezzanine Loan.** If Mortgage Lender or Senior Mezzanine Lender waives any reserves or escrow accounts required in accordance with the terms of the Mortgage Loan Agreement or Senior Mezzanine Loan Agreement which reserves or escrow accounts are also required in accordance with the terms of this Article VII, or if the Mortgage Loan or Senior Mezzanine Loan is refinanced or paid off in full (without a prepayment of the Loan) and Reserve Funds that are required hereunder are not required under the new mortgage loan, if any, then Borrower shall cause any amounts that would have been deposited into any reserves or escrow accounts in accordance with the terms of the Mortgage Loan Agreement or Senior Mezzanine Loan Agreement to be paid to and deposited with Lender in accordance with the terms of this Article VII (and Borrower shall enter into lockbox and cash management agreements for the benefit of Lender in form and substance acceptable to Lender).

(x) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;

(xi) if any of the assumptions contained in the Insolvency Opinion delivered to Lender in connection with the Loan, or in the Additional Insolvency Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect; or if any of the assumptions contained in the True Lease Opinion delivered to Lender in

(xii) if Mortgage Borrower, Operating Company or Guarantor (Operating Lease) is in default of any of its material obligations under the Operating Lease (or under another lease and/or management agreement in substitution for the Operating Lease in accordance herewith) or under the Operating Lease Guaranty (or under another operating lease guaranty in substitution for the Operating Lease Guaranty in accordance herewith) beyond any applicable notice and cure periods contained therein; or if any Operating Lease (or such other lease and/or management agreement) or any Operating Lease Guaranty (or such other operating lease guaranty) shall be surrendered or any Operating Lease or any Operating Lease Guaranty shall be terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Operating Lease (or such other lease and/or management agreement) or the Operating Lease Guaranty (or such other operating lease guaranty) shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender except as may otherwise expressly permitted in this Agreement;

(xiii) if any Affiliate of Borrower that is or becomes a party to the Windstorm Insurance Intercreditor Agreement is in default of any of its material obligations under the Windstorm Insurance Intercreditor Agreement beyond any applicable notice and cure periods contained therein; or if the Windstorm Insurance Intercreditor Agreement shall be surrendered, terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Windstorm Insurance Intercreditor Agreement shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender;

Company's use and operation of the ground leased premises in connection with the operation of Harrah's Lake Tahoe", "Harvey's Lake Tahoe" or "Bill's Lake Tahoe" is not in imminent danger of being denied, forfeited, terminated, cancelled or lost and (iv) Borrower shall furnish such security as may be reasonably requested by Lender), (C) any one or more of the events referred to in any Ground Lease shall occur which would cause the Ground Lease to terminate without notice or action by the landlord under the Ground Lease or which would entitle the landlord to terminate the Ground Lease and the term thereof by giving notice to Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant thereunder (unless waived by the landlord under the Ground Lease), (D) the leasehold estate created by any Ground Lease shall be surrendered or the Ground Lease shall be terminated or canceled for any reason or under any circumstances whatsoever unless Mortgage Borrower or Ground Lease Subsidiary, as applicable, acquires the fee interest and mortgages same to Lender (unless Mortgage Borrower or Ground Lease Subsidiary, as applicable, acquires the fee interest, with Lender's prior reasonable approval, and mortgages same to Mortgage Lender) or (E) if any of the terms, covenants or conditions of any Ground Lease shall in any manner be modified, changed, supplemented, altered, or amended without the consent of Lender except as otherwise permitted by this Agreement;

(xvi) any Gaming License shall be refused, suspended, revoked, modified in a materially adverse manner or canceled or allowed to lapse or any proceeding is commenced by any Governmental Authority for the purpose of suspending, revoking or canceling any Gaming License in any materially adverse respect, or any Governmental Authority shall have appointed a conservator, supervisor or trustee to or for any of the Casino Components and, in each case of the foregoing, such action could reasonably be expected to (A) have an Individual Material Adverse Effect, (B) materially and adversely effect the continued operation of the Casino Components in the usual course of business and in substantially the same manner and to at least the same standard as was maintained prior to such action, or (C) result in any material decrease in the then expected cash flow and revenues to be derived from the Casino Components;

(xvii) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xv) above, for ten (10) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed one hundred twenty (120) days;

(xviii) if there shall be a default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Collateral or any Individual Property, or if any other such event shall occur or condition shall exist, if the effect of

such event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt;

(xix) if the Liens created pursuant to any Loan Document shall cease to be a fully protected enforceable first priority security interest in the Collateral, or any portion of the Collateral is Transferred without Lender's prior written consent except as permitted hereunder; or

(xx) if a Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default shall occur.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi) or (vii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and in and to all or any of the Collateral, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents and may exercise all the rights and remedies of a secured party under the Uniform Commercial Code, as adopted and enacted by the State or States where any of the Collateral is located against Borrower and any or all of the Collateral, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in clauses (vi) or (vii) above, the Debt and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

**Section 8.2. Remedies.** (a) Upon the occurrence of an Event of Default, but in compliance with applicable Gaming Laws, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any of the Collateral. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any "one action" or "election of remedies" law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Collateral and the Collateral has been foreclosed upon, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any portion of the Collateral for the satisfaction of any of the Debt in preference or priority to any other portion of the Collateral, and Lender may seek satisfaction out of all of the Collateral or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose upon the Collateral in any manner and for any amounts secured by the Pledge Agreement then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose upon the Collateral to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose upon the Collateral to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Collateral as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to the Pledge Agreement and the other Loan Documents to secure payment of sums secured by the Pledge Agreement and other Loan Documents and not previously recovered.

(c) Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, pledges and other security documents (the “**Severed Loan Documents**”) in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender’s intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents. The Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date. The Severed Loan Documents shall (a) not increase the aggregate stated principal amount of the Loan, (b) provide that the weighted average spread of the Loan on the date of such severance shall equal the weighted average spread which was applicable to the Loan immediately prior to such severance (Borrower acknowledging that such Severed Loan Document may, in connection with the application of principal to the amounts evidenced by such Severed Loan Documents, subsequently cause the weighted average spread of such new notes or modified notes to change), (c) not adversely affect the overall economics to Borrower of the Loan, taken as a whole, or (d) expose Borrower to any additional costs or increased risk of any liability (beyond that or greater than that existing in the Loan Documents in effect on the date hereof).

(d) The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

(e) Any amounts recovered from the Collateral after an Event of Default may be applied by Lender toward the payment of any interest and/or principal of the Loan and/or any other amounts due under the Loan Documents in such order, priority and proportions as Lender in its sole discretion shall determine.

(f) Upon the occurrence and during the continuance of an Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder or being deemed to have cured any Event of Default hereunder, make, do or perform any obligation of Borrower hereunder in such manner and to such extent as Lender may deem necessary. Borrower shall cause Mortgage Borrower to permit Lender to enter upon any Individual Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in any Individual Property for such purposes, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 8.2, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any action or proceeding shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefore. Upon the occurrence and during the continuance of a Senior Mezzanine Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Senior Mezzanine Borrower and without releasing Senior Mezzanine Borrower from any obligation under the Senior Mezzanine Loan Documents or being deemed to have cured any Senior Mezzanine Loan Event of Default, make, do or perform any obligation of Senior Mezzanine Borrower under Senior Mezzanine Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Senior Mezzanine Loan Event of Default or such failed payment or act shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor. Upon the occurrence and during the continuance

of a Mortgage Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Mortgage Borrower and without releasing Mortgage Borrower from any obligation under the Mortgage Loan Documents or being deemed to have cured any Mortgage Loan Event of Default, make, do or perform any obligation of Mortgage Borrower under Mortgage Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Mortgage Loan Event of Default or such failed payment or act shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor.

(g) For the purpose of carrying out the provisions and exercising the rights, powers and privileges granted in this Section 8.2, Borrower hereby irrevocably constitutes and appoints the Lender its true and lawful attorney-in-fact to execute, acknowledge and deliver any instruments and do and perform any acts such as are referred to in this subsection in the name and on behalf of Borrower upon the occurrence and during the continuance of an Event of Default. This power of attorney is a power coupled with an interest and cannot be revoked.

**Section 8.3. Intentionally Omitted.**

**Section 8.4. Costs of Collection.** In the event that after an Event of Default and during the continuance thereof: (a) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (b) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents or (c) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Pledge Agreement or any of the Loan Documents, then, in any such instance, Borrower shall pay to Lender all reasonable attorneys' fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

**IX. SPECIAL PROVISIONS**

**Section 9.1. Sale of Notes and Securitization.** Borrower acknowledges and agrees that the Lender may sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the "**Securities**") secured by or evidencing ownership interests in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such sales, participations and/or securitizations, collectively, a "**Securitization**"). At the request of Lender, and to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization including, without limitation, to:

(a) provide or cause Mortgage Borrower and Senior Mezzanine Borrower to provide additional and/or updated Provided Information, together with appropriate verification and/or consents related to the Provided Information through letters of auditors or opinions of counsel of independent attorneys reasonably acceptable to Lender and the Rating Agencies;

(b) cooperate in good faith in the preparation of descriptive materials for presentations to any or all of the Rating Agencies, and work with, and if requested, supervise, third-party service providers engaged by Borrower, Holdings and their respective affiliates to obtain, collect, and deliver information requested or required by Lender or the Rating Agencies;

(c) deliver, if required or requested by any Rating Agency, (i) updated opinions of counsel as to non-consolidation, due execution and enforceability with respect to the Properties, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Collateral, the Senior Mezzanine Collateral, Principal, Holdings and their respective Affiliates and the Loan Documents, and (ii) revised organizational documents for Borrower, which counsel opinions and organizational documents shall be reasonably satisfactory to Lender and the Rating Agencies;

(d) if required by any Rating Agency, use commercially reasonable efforts to deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect any of the Properties, which estoppel letters, subordination agreements or other agreements shall be reasonably satisfactory to Lender and the Rating Agencies;

(e) execute such amendments to the Loan Documents as may be requested by Lender or the Rating Agencies to effect the Securitization and/or deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan such that the pricing and marketability of the Securities and the size of each class of Securities and the rating assigned to each such class by the Rating Agencies shall provide the most favorable rating levels and achieve the optimum rating levels for the Loan, provided that, (i) the aggregate stated principal amount of the notes, following such amendments or delivery of new or component notes, shall equal the aggregate stated principal amount of the Loan immediately prior thereto, (ii) the weighted average spread of the Loan on the date of such amendment or delivery of new or component notes shall equal the weighted average spread which was applicable to the Loan immediately prior to such adjustment (Borrower acknowledging that such new notes or modified notes may, in connection with the application of principal to such new notes or modified note following the occurrence of an Event of Default, but not otherwise, subsequently cause the weighted average spread of such new notes or modified notes to change and (iii) the provisions of Section 2.1.5 otherwise shall apply to any such amendments and delivery of new or component notes (such provisions being incorporated herein by this reference);

(f) if requested by Lender, review any information regarding any of the Properties, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, the Collateral, the Senior Mezzanine Collateral, Holdings, the Operating Company and the Loan which is contained in a preliminary or final private placement memorandum, prospectus, prospectus supplement (including any amendment or supplement to either thereof), or other disclosure document to be used by Lender or any affiliate thereof; and

(g) supply to Lender such documentation, financial statements and reports in form and substance required in order to comply with any applicable securities laws (to the extent in Borrower's possession, or in the possession of Borrower's advisors, agents or employees), including, without limitation, if applicable, information necessary to comply with any applicable reporting or information requirements under Regulation D under the Securities Act of 1933 or Regulation S under the Securities Act of 1933.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters; except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

**Section 9.2. Securitization Indemnification.** (a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects to the extent in Borrower's possession.

(b) Borrower agrees to provide, in connection with the Securitization, an indemnification agreement (i) certifying that (A) Borrower has carefully examined the Disclosure Documents, including, without limitation, the sections entitled "Risk Factors," "Special Considerations," "Description of the Collateral," "Description of the Mezzanine Loans," "The Operating Company," "The Borrower" and "Certain Legal Aspects of the Mezzanine Loans," and (B) such sections and such other information in the Disclosure Documents (to the extent such information relates to or includes any Provided Information or any information regarding the Properties, Borrower, Mortgage Borrower, the Collateral, the Senior Mezzanine Collateral and/or Operating Company) (collectively with the Provided Information, the "**Covered Disclosure Information**") do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (ii) indemnifying Lender, each Noteholder, JPM (whether or not it is the Lender), any Affiliate of JPM or a Noteholder that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of JPM or a Noteholder that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "**Indemnified Persons**"), for any losses, claims, damages, liabilities, costs or expenses (including, without limitation, legal fees and expenses for

enforcement of these obligations (collectively, the “**Liabilities**”)) to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (iii) agreeing to reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Person, as they are incurred, in connection with investigating or defending the Liabilities provided, however, that Borrower shall have liability with respect to Liabilities arising out of or based upon the Covered Disclosure Information only to the extent that such Liabilities arise out of or are based upon any such untrue statement or omission made in the Covered Disclosure Information in reliance upon and in conformity with information furnished to Lender or such Noteholder by or on behalf of Borrower in connection with the preparation of the Disclosure Documents or in connection with the underwriting or the closing of the Loan (including without limitation financial statements of Borrower and operating statements and rent rolls with respect to the Properties), and in no event shall Borrower be liable for Liabilities arising from information contained in a Disclosure Document that was not provided to Borrower for comment at least five (5) Business Days prior to its dissemination or on which Borrower provided comments to Lender in writing and Lender failed to incorporate such comments (assuming such comments were accurate). This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification provided for in clauses (ii) and (iii) above shall be effective whether or not an indemnification agreement described in clause (i) above is provided.

(c) In connection with filings under the Exchange Act (if any), Borrower agrees to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against Borrower, notify Borrower in writing of the claim or the commencement of that action; provided, however, that the failure to notify Borrower shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided, further, that the failure to notify Borrower shall not relieve it from any liability which it may have to an Indemnified Person otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify Borrower thereof, Borrower shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Borrower to an Indemnified Person of its election to assume the defense of such claim or action, Borrower shall

not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both Borrower, on the one hand, and one or more Indemnified Persons on the other hand, and an Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to Borrower, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed billing records to substantiate that such counsel's fees and disbursements are solely related to the defense of a claim for which Borrower is required hereunder to indemnify such Indemnified Person. Borrower shall not be liable for the expenses of more than one (1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior consent of the Indemnified Person in question (which consent shall not be unreasonably withheld), Borrower shall not settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless Borrower shall have given such Indemnified Person reasonable prior notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as Borrower has complied with its obligations to defend and indemnify hereunder, Borrower shall not be liable for any settlement made by any Indemnified Person without the consent of Borrower (which consent shall not be unreasonably withheld).

(f) Borrower agrees that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then Borrower, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to Borrower, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (x) but also the relative faults of Borrower, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) Borrower agrees that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees

(by underwriting discount or otherwise) actually received by the Indemnified Persons in connection with the closing of the Loan or the Securitization.

(g) Borrower agrees that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. Borrower further agrees that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and Borrower under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

**Section 9.3. Exculpation.** (a) Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Pledge Agreement or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender and each Noteholder to enforce and realize upon its interest under the Note, this Agreement, the Pledge Agreement and the other Loan Documents, or in the Collateral, or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Collateral and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Pledge Agreement and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding under, or by reason of, or in connection with, the Note, this Agreement, the Pledge Agreement or the other Loan Documents. The provisions of this Section shall not, however, (a) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (b) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Pledge Agreement; (c) affect the validity or enforceability of or any Guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (d) impair the right of Lender to obtain the appointment of a receiver; (e) intentionally omitted; (f) constitute a prohibition against Lender to seek a deficiency judgment against Borrower in order to fully realize the security granted by the Pledge Agreement or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against all of the Collateral; or (g) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any actual loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably incurred) arising out of or in connection with the following:

(i) fraud or intentional misrepresentation by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor in connection with the execution and delivery of the Loan Documents and/or the Loan;

(ii) the misappropriation, conversion or misapplication in contravention of the Loan Documents by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor of any funds of Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company, including, without limitation, (A) any Revenues, (B) any Net Liquidation Proceeds or Insurance Proceeds, (C) any Awards received in connection with a Condemnation, (D) any Rents or security deposits (or any item of Revenue, from whatever source) following an Event of Default, or (E) any distribution or other payments made in connection with any part of the Collateral or Senior Mezzanine Collateral;

(iii) the misappropriation, conversion or misapplication by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor of any security deposits or Rents paid more than one (1) month in advance;

(iv) any act of actual intentional physical waste by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor;

(v) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity Agreement concerning environmental laws, hazardous substances and asbestos and any indemnification of Lender with respect thereto in either document;

(vi) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary intentional Transfer as required by this Agreement, the Mortgage Loan Agreement or the Mortgages, as applicable;

(vii) any security deposits, advance deposits or any other deposits collected with respect to any of the Properties which are not delivered to Mortgage Lender upon a foreclosure of any of the Properties or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof;

(viii) in the event of: (A) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor filing a voluntary petition under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (B) the filing of an involuntary petition against Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law by any Person in which Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor or any of their respective Affiliates, agents or employees colludes with or such other Person, or Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor soliciting or causing to be solicited petitioning creditors for any involuntary petition against Borrower, Operating Company or any Guarantor from any Person; (C) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating

Company or any Guarantor filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it by any other Person, other than Lender, under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (D) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor or any of the Properties, the Collateral, the Senior Mezzanine Collateral or any portion thereof, other than at the request of Lender; or (E) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor making an assignment for the benefit of creditors (other than Lender), or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due;

(ix) if Borrower, Senior Mezzanine Borrower or Mortgage Borrower fails to maintain its status as a Special Purpose Entity or breaches any material representation or warranty set forth in Section 4.1.30 of this Agreement; and

(x) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary Indebtedness (other than (x) with respect to Mortgage Borrower, Permitted Indebtedness and (y) with respect to Operating Company, Permitted Indebtedness (Operating Company), as applicable) or voluntary Lien (other than Permitted Encumbrances) encumbering any of the Properties, Senior Mezzanine Collateral or Collateral as required by this Agreement, the Senior Mezzanine Loan Agreement, the Mortgage Loan Agreement, the Pledge Agreement or the Mortgages.

Notwithstanding anything to the contrary under this Agreement, neither any present or future Affiliate of Borrower (other than Guarantor, to the extent provided under the Guaranty) nor any present or future shareholder, officer, director, employee, trustee, beneficiary, advisor, partner, member, principal, participant or agent of or in any Borrower or of or in any person or entity that is or becomes an Affiliate of any Borrower shall have any personal liability, directly or indirectly, under or in connection with the Loan Documents. Neither the negative capital account of any Affiliate of Borrower in Borrower, or in any other Affiliate of Borrower in any other Affiliate of Borrower, nor any obligation of any Affiliate of Borrower in any Borrower to restore a negative capital account or to contribute or loan capital to any Borrower or to any other Affiliate of Borrower shall at any time be deemed to be the property or an asset of any Borrower (or any other Affiliate of Borrower) and neither Lender nor its successors or assigns shall have any right to collect, enforce or proceed against any such negative capital account or obligation to restore, contribute or loan capital.

(b) Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Indebtedness or to require that all collateral shall

continue to secure all of the Indebtedness owing to Lender in accordance with the Loan Documents.

**Section 9.4. Servicer.** (a) At the option of Lender, the Loan may be serviced by a servicer/trustee (the “**Servicer**”) selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to a servicing agreement (the “**Servicing Agreement**”) between Lender and Servicer. Lender shall be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement (arising in connection with the Securitization) and the payment of the monthly servicing fee due to Servicer under the Servicing Agreement, and, unless otherwise specifically set forth herein, Borrower shall be responsible for the payment of all fees and other reasonable out-of-pocket expenses incurred by Servicer resulting from any Borrower requests (for approvals or otherwise) to Servicer.

(b) In the event of a Securitization or syndication, the grant of participations in the Loan or any secondary marketing by Lender, Mortgage Borrower and the Mezzanine Borrowers, collectively may rely upon approvals or consents given by one (1) agent or representative in respect of the Mortgage Lender and the Mezzanine Lenders for the matter in question (which such parties shall designate, and pending further notice from Lender, such agent shall be JPM). Borrower shall only pay legal fees for the outside counsel of one Servicer.

**Section 9.5. Assignments and Participations.** (a) In addition to the rights Lender has under Section 9.1, Lender shall have the right, subject to this Section 9.5, to assign, sell, negotiate, pledge or hypothecate all or any portion of their rights and obligations hereunder (a “**Syndication**”). Except in connection with a Securitization, no Lender shall assign, sell, negotiate, pledge, hypothecate or otherwise transfer all or any portion of its rights in and to the Loan to any other Person (an “**Assignee**”) (a) other than in compliance with Section 9.9 hereof; and (b) unless such transaction shall be an assignment of a constant (and not varying), ratable percentage of such Lender’s interest in the Loan; provided, however, any Lender shall have the right at any time without the consent of or notice to any other Lender or other Person to grant a security interest in all or any portion of such Lender’s interest in the Loan to any Federal Reserve Bank or the central reserve bank or similar authority of any other country to secure any obligation of such Lender to such bank or similar authority (a “**Central Bank Pledge**”). Effective on any such assignment and assumption by the assignee and on compliance with Section 9.9 hereof, the assigning Lender shall have no further liability hereunder with respect to the interest of such Lender that was the subject of such transfer and such Assignee shall be a Lender with respect to such interest, and Borrower shall have the same rights as to such Assignee with respect to such interest from and after the date of such assignment as if such Lender were an original Lender hereunder. Except for a Central Bank Pledge or financing transaction under a repurchase agreement, a Lender making any such assignment shall notify Borrower of same, specifying the Assignee thereof and the amount of the assignment and shall provide such other detail as Borrower may reasonably request to substantiate compliance with the foregoing.

**Section 9.6. Participation.** Lender may, without the consent of the Borrower, in compliance with applicable law, sell participations to one or more banks or other entities (a “**Participant**”), in all or a portion of Lender’s rights and obligations under this Agreement (including all or a portion of the Loan owing to it); provided that (A) Lender’s obligations under

this Agreement shall remain unchanged, (B) Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower shall continue to deal solely and directly with Lender in connection with Lender's rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.2.3 and 2.2.4 (subject to requirements and limitations therein) to the same extent as if it were a Noteholder and had acquired its interest by assignment pursuant to Section 9.5. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary.

**Section 9.7. Borrower's Facilitation of Transfer.** In order to facilitate permitted assignments and other transfers to Assignees and sales to Participants, Borrower shall execute and deliver to Lender and shall cause Guarantor to execute and deliver to Lender such further documents, instruments or agreements as Lender may reasonably require, including, if required by Lender, supplemental notes in the principal amount of such Lender's pro rata share of the Loan substantially in the form of such Lender's Note against surrender of the prior notes, and such supplemental note shall (i) be payable to order of such Lender, (ii) be dated as of the date hereof, and (iii) mature on the Maturity Date. Such supplemental note shall provide that it evidences a portion of the existing indebtedness hereunder and under the Notes and not any new or additional indebtedness of Borrower. The term "Note" as used in this Agreement and in all the other Loan Documents shall include all such supplemental notes but exclude any Note it replaces. Notwithstanding the foregoing, such documents, instruments or agreements shall not (a) increase the obligations or liabilities of any such Person hereunder or under the other Loan Documents in excess of the obligations or liabilities intended to be provided herein or in the other Loan Documents or (b) decrease such Person's rights hereunder or under the other Loan Documents to less than what they were prior to the execution of such documents, instruments or agreements. In addition, Borrower agrees to reasonably cooperate with Lender, including providing such information and documentation regarding Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Holdings, the Operating Company and any other Person as Lender or any potential Assignee or Participant may reasonably request and to meet with potential Assignees and Participants upon reasonable notice. Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Section 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

**Section 9.8. Notice; Registration Requirement.** No Syndication of any part of Lender's interest in and to the Loan shall be effective or permitted under Section 9.5 until (a) an assignment and acceptance agreement in a form reasonably acceptable to Lender (an "**Assignment and Acceptance**") with respect to such Syndication shall have been delivered to Lender, (b) Lender shall have registered such Assignee's name and address in the Register which Lender maintains for the recordation of the names, addresses and interests of Noteholders, and (c) if such Assignee is not already a Lender hereunder, such Assignee shall deliver any tax forms

required hereunder. The entries in the Register shall be conclusive, absent manifest error. This Section 9.8 shall not apply to any Central Bank Pledge.

**Section 9.9. Registry.** Borrower hereby designates Lender to serve as Borrower's agent, solely for purposes of this Section 9.9, to maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of each Assignee, and the principal amount of the Loan (or portions thereof) owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Failure to make any such recordation, or any error in such recordation shall not affect Borrower's obligations in respect of the Loan. With respect to any Lender, the transfer of the rights to the principal of, and interest on, its interest in the Loan shall not be effective until such transfer is recorded on the Register maintained by Lender with respect to ownership of such Loan and prior to such recordation all amounts owing to the transferor with respect to such Note shall remain owing to the transferor. The registration of a transfer of all or part of the Loan shall be recorded by Lender on the Register only upon the acceptance by Lender of a properly executed and delivered Assignment and Acceptance by the assignor and assignee. At the assigning Lender's option, concurrently with the delivery of an Assignment and Acceptance pursuant to which an interest of such Lender in the Loan was assigned to such Assignee, the assigning Lender shall surrender to Borrower its Note, if any, evidencing the portion of the Loan corresponding to the interest so transferred and Borrower shall deliver to Lender one or more new promissory notes in the same aggregate principal amount issued to the assigning Lender and/or the Assignee.

**Section 9.10. Cooperation in Syndication.** Borrower agrees to assist the Lender in completing a Syndication satisfactory to the Lender. Such assistance shall include (i) direct contact between senior management and advisors of Borrower and the proposed Assignees and/or Participants, (ii) assistance in the preparation of a confidential information memorandum and other marketing materials to be used in connection with the Syndication, (iii) the hosting, with the Lender, of one or more meetings of prospective Assignees and/or Participants, (iv) the delivery of appraisals satisfactory to the Lender if required. To assist the Lender in its Syndication efforts, Borrower agrees promptly to prepare and provide to the Lender all information with respect to Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Holdings, the Operating Company, Guarantor, the Collateral, the Senior Mezzanine Collateral and the Properties contemplated hereby, including all financial information and projections (the "Projections"), as the Lender may reasonably request in connection with the Syndication of the Loan. If required in connection with the Syndication, Borrower hereby agrees to:

(a) deliver updated financial and operating statements and other information reasonably required by the Lender to facilitate the Syndication;

(b) use reasonable efforts to deliver reliance letters reasonably satisfactory to the Lender with respect to the environmental assessments and reports delivered to the Lender prior to the Closing Date, which will run to the Lender and its successors and assigns;

(c) execute modifications to the Loan Documents required by the Lender, provided that such modification will not (except as set forth in (d)) change any material or economic terms of the Loan Documents, or otherwise increase the obligations or decrease the rights of Borrower pursuant to the Loan Documents (except to a de minimis extent); and

(d) if the Lender elects, in its sole discretion, prior to or upon a Syndication, to exercise its rights under Section 2.1.5, Borrower agrees to cooperate with the Lender in connection with the foregoing and to execute the required modifications and amendments to the Notes, this Agreement and the Loan Documents and to use reasonable efforts to provide opinions necessary to effectuate the same. Such Notes or components may be assigned different interest rates, so long as the weighted average of such interest rates does not exceed the Applicable Interest Rate, except in connection with the application of principal to such Notes or components following the occurrence of an Event of Default.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

## **X. MISCELLANEOUS**

**Section 10.1. Survival.** This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Debt is outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. All covenants, promises and agreements in this Agreement, by or on behalf of Borrower, shall inure to the benefit of the legal representatives, successors and assigns of Lender.

**Section 10.2. Lender's Discretion.** Whenever pursuant to this Agreement, Lender exercises any right given to it to approve or disapprove, or any arrangement or term is to be satisfactory to Lender, the decision of Lender to approve or disapprove or to decide whether arrangements or terms are satisfactory or not satisfactory shall (except as is otherwise specifically herein provided) be in the sole discretion of Lender and shall be final and conclusive. Whenever this Agreement expressly provides that Lender may not withhold or shall be reasonable in granting its consent or its approval of an arrangement or term, such provisions shall also be deemed to prohibit Lender from delaying or conditioning such consent or approval.

**Section 10.3. Governing Law.** (a) **THIS AGREEMENT WAS NEGOTIATED IN THE STATE OF NEW YORK, THE LOAN WAS MADE BY LENDER AND ACCEPTED BY BORROWER IN THE STATE OF NEW YORK, AND THE PROCEEDS OF THE LOAN DELIVERED PURSUANT HERETO WERE DISBURSED FROM THE STATE OF NEW YORK, WHICH STATE THE PARTIES AGREE HAS A SUBSTANTIAL RELATIONSHIP TO THE PARTIES AND TO THE UNDERLYING TRANSACTION EMBODIED HEREBY, AND IN ALL RESPECTS, INCLUDING, WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, THIS AGREEMENT, THE NOTE AND THE OTHER LOAN DOCUMENTS AND THE OBLIGATIONS ARISING HEREUNDER AND THEREUNDER SHALL BE**

In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement, the Note or any other Loan Document, Lender shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement, the Note or the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount.

Notwithstanding the foregoing, any notice by Lender to one or more Borrowers other than Borrower Agent shall be deemed to constitute effective notice to all of the Borrowers.

**Section 10.7. Trial by Jury.** BORROWER AND LENDER HEREBY AGREE NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVE ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THE LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY BORROWER AND LENDER, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. BORROWER AND LENDER ARE HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER.

**Section 10.8. Headings.** The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

**Section 10.9. Severability.** Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

**Section 10.10. Preferences.** Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder (except that, unless there exists an Event of Default, payments of principal shall be applied to components of the Note on a pro-rata basis). To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

**Section 10.11. Waiver of Notice.** Borrower hereby expressly waives, and shall not be entitled to, any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice.

**Section 10.12. Remedies of Borrower.** In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed

acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment (except in cases of bad faith, gross negligence or willful misconduct). The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

**Section 10.13. Expenses; Indemnity.** (a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender and each Noteholder upon receipt of notice from such Person for all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements) incurred by such Person in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including, without limitation, any opinions requested by such Person as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Properties); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental, gaming and insurance requirements if necessary or advisable due to reasonably suspected non-compliance; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Borrower; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement, if Borrower defaults in its obligations hereunder; (v) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender or any Noteholder all required legal opinions, and other similar expenses incurred in creating and perfecting the Liens in favor of Lender (or, as applicable, any Noteholder) pursuant to this Agreement and the other Loan Documents; (vi) enforcing or preserving any rights, either in response to third party claims or in prosecuting or defending any action or proceeding or other litigation, in each case against, under or affecting Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, this Agreement, the other Loan Documents, the Properties, the Collateral or any other security given for the Loan; and (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Properties, Operating Company or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to any Person to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of such Person. Any cost and expenses due and payable to Lender or any Noteholder may be paid from any amounts in the Mezzanine Collection Account upon the occurrence and during the continuance of an Event of Default.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other actual liabilities, obligations, losses, damages (excluding, however, any punitive and consequential damages), penalties, actions, judgments, suits, claims, costs, expenses

and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, (ii) the use or intended use of the proceeds of the Loan, (iii) the Leases or any of the duties, responsibilities or obligations of Borrower or any Operating Company thereunder, (iv) the transactions contemplated in the Collection Account Agreements or (v) any third-party claims alleging that the Loan, the Senior Mezzanine Loan or the Mortgage Loan, the Operating Lease, the Operating Lease Guaranty or any of the Loan Documents violates any agreements or Legal Requirements binding on the Borrower or its Affiliates or their respective properties (collectively, the “**Indemnified Liabilities**”); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any request by Borrower that required Rating Agency Confirmation pursuant to the terms hereof.

**Section 10.14. Schedules Incorporated.** The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

**Section 10.15. Offsets, Counterclaims and Defenses.** Any assignee of Lender’s interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

**Section 10.16. No Joint Venture or Partnership; No Third Party Beneficiaries.** (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Properties other than that of mortgagee, beneficiary or lender.

(b) Except as expressly provided herein, this Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than

Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. Lender and Borrower acknowledge and agree that the Noteholders are intended third party beneficiaries of all rights and remedies of the Lender hereunder. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

**Section 10.17. Intentionally Omitted.**

**Section 10.18. Waiver of Marshalling of Assets.** To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Collateral, any equitable right otherwise available to Borrower which would require the separate sale of the Collateral with respect to each Mortgage Borrower or require Lender to exhaust its remedies against any Collateral with respect to each Mortgage Borrower or any combination of such Collateral before proceeding against any other Collateral with respect to one or more Mortgage Borrowers; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorize, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Collateral.

**Section 10.19. Waiver of Counterclaim.** Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

**Section 10.20. Conflict; Construction of Documents; Reliance.** In the event of any conflict between the provisions of this Loan Agreement and any of the other Loan Documents, the provisions of this Loan Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or

instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

**Section 10.21. Brokers and Financial Advisors.** Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement (other than those the fees and other claims of which shall be paid by Borrower). Borrower hereby agrees to indemnify, defend and hold Lender and each Noteholder harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated herein. Each of Lender and (by its acceptance of its respective Note) the Noteholders hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

**Section 10.22. Prior Agreements.** This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, including, without limitation, the Commitment Letter dated December 19, 2006 between Affiliates of Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

**Section 10.23. Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which counterparts together shall constitute one agreement with the same effect as if the parties had signed the same signature page.

**Section 10.24. Intentionally Omitted.**

**Section 10.25. Gaming Laws.** All rights, remedies and powers in or under this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws.

**Section 10.26. Certain Additional Rights of Lender (VCOC).** Notwithstanding anything to the contrary contained in this Agreement, Lender shall have:

(a) the right to routinely consult with and advise Borrower's management regarding the significant business activities and business and financial developments of Borrower, Senior Mezzanine Borrower and Mortgage Borrower, provided that any such advice or consultation shall be completely nonbinding on Borrower, and; provided, however, that such

consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances;

(b) the right, in accordance with the terms of this Agreement, to examine the books and records of Borrower, Senior Mezzanine Borrower and Mortgage Borrower at any reasonable times upon reasonable notice;

(c) the right, in accordance with the terms of this Agreement, including, without limitation, Section 5.1.11 hereof, to receive monthly, quarterly and year end financial reports, including balance sheets, statements of income, shareholder's equity and cash flow, a management report and schedules of outstanding indebtedness, in each case to the extent explicitly set forth herein; and

(d) the right, without restricting any other rights of Lender under this Agreement (including any similar right), to reasonably approve any acquisition by Borrower, Senior Mezzanine Borrower or Mortgage Borrower of any other significant real property.

The rights described above in this Section 10.26 may be exercised by any entity which owns and controls, directly or indirectly, substantially all of the interests in Lender.

#### **XI. JOINT AND SEVERAL LIABILITY; WAIVERS**

**Section 11.1. Joint and Several Liability; Primary Obligors.** Each entity comprising Borrower (each, a "**Borrower Entity**") shall be a primary obligor with respect to payment of the Debt and performance of Borrower's obligations under the Loan Documents and all such Borrower Entities shall be jointly and severally liable for payment of the Debt and performance of such other obligations. As used in this Article, references to "**Other Borrowers**" shall mean all Borrower Entities other than the particular Borrower Entity referred to.

**Section 11.2. Waivers.** Without limiting the primary liability of each Borrower Entity as set forth above, to the extent any such Borrower Entity is determined to be secondarily liable with respect to any portion of the Debt or any other obligation hereunder, the following shall apply:

**11.2.1 No Duty to Pursue Others.** It shall not be necessary for Lender (and each Borrower Entity hereby waives any rights which such Borrower Entity may have to require Lender), in order to enforce the obligations of such Borrower Entity hereunder, first to (a) institute suit or exhaust its remedies against any Other Borrower or others liable on the Debt or any other person, (b) enforce Lender's rights against any collateral mortgaged, pledged or granted by any Other Borrower which shall ever have been given to secure the Debt ("**Other Borrower Collateral**"), (c) enforce Lender's rights against any other guarantors of the Debt, (d) join Borrower or any others liable on the Debt in any action against any Other Borrower seeking to enforce the Loan Documents, (e) exhaust any remedies available to Lender against any collateral which shall ever have been given to secure the Debt, or (f) resort to any other means of obtaining payment of the Loan by any Other Borrower. Lender shall not be required to

mitigate damages or take any other action pertaining to any Other Borrower or any Other Borrower Collateral to reduce, collect or enforce the Debt from any Other Borrower.

**11.2.2 Waivers.** Such Borrower Entity agrees to the provisions of the Loan Documents, and hereby waives notice of (a) any loans or advances made by Lender to any Other Borrower, (b) acceptance of the Loan Documents, (c) any amendment or extension of the Note, the Loan Agreement or of any other Loan Documents entered into by any Other Borrower, (d) the execution and delivery by any Other Borrower and Lender of any other loan or credit agreement or of any Other Borrower's execution and delivery of any promissory notes or other documents arising under the Loan Documents or in connection with the Other Borrower Collateral, (e) the occurrence of any breach by any Other Borrower or an Event of Default with respect to any Other Borrower or Other Borrower Collateral, (f) Lender's transfer or disposition of the Debt, or any part thereof, (g) sale or foreclosure (or posting or advertising for sale or foreclosure) of any Other Borrower Collateral, (h) protest, proof of non-payment or default by any Other Borrower and (i) any other action at any time taken or omitted by Lender, and, generally, all demands and notices to any Other Borrower of every kind in connection with the Loan Documents, any documents or agreements evidencing, securing or relating to any of the Debt.

**11.2.3 Waiver of Subrogation, Reimbursement and Contribution.** Notwithstanding anything to the contrary contained in the Loan Documents, each Borrower hereby unconditionally and irrevocably waives, releases and abrogates, prior to the payment in full of the Loan and for a period of ninety-one (91) days thereafter any and all rights it may now or hereafter have under any agreement, at law or in equity (including any law subrogating such Borrower Entity to the rights of Lender), to assert any claim against or seek contribution, indemnification or any other form of reimbursement (other than pursuant to the express provisions of the Contribution Agreement) from any Other Borrower or any other party liable for payment of any or all of the Debt for any payment made by such Borrower Entity under or in connection with the Loan Documents or otherwise.

**11.2.4 Events and Circumstances Not Reducing or Discharging Guarantor's Obligations.** Each Borrower Entity hereby consents and agrees to each of the following, and agrees that such Borrower Entity's obligations under the Loan Documents shall not be released, diminished, impaired, reduced or adversely affected by any of the following, and waives any common law, equitable, statutory or other rights (including rights to notice) which such Borrower Entity might otherwise have as a result of or in connection with any of the following:

(a) Modifications. Any renewal, extension, increase, modification, alteration, restatement or rearrangement entered into by any Other Borrower of all or any part of the Debt, the Note, the Loan Agreement, the other Loan Documents, or any other document, instrument, contract or understanding between any Other Borrower and Lender, or any other parties, pertaining to the Debt or any failure of Lender to notify Borrower Entity of any such action.

(b) Adjustment. Any adjustment, indulgence, forbearance or compromise that might be granted or given by Lender to any Other Borrower.

(c) Condition of Borrower or Borrower Entity. The insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of any Other Borrower or any other party at any time liable for the payment of all or part of the Debt; or any dissolution of any Other Borrower, or any sale, lease or transfer of any or all of the assets of Borrower or of any Other Borrower, or any changes in the shareholders, partners or members of any Other Borrower; or any reorganization of any Other Borrower.

(d) Invalidity of Debt. The invalidity, illegality or unenforceability of all or any part of the Debt, or any document or agreement executed in connection with the Debt, for any reason whatsoever, including the fact that (a) the Debt, or any part thereof, exceeds the amount permitted by law, (b) the act of creating the Debt or any part thereof is ultra vires, (c) the officers or representatives executing the Note, the Loan Agreement or the other Loan Documents or otherwise creating the Debt acted in excess of their authority, (d) the Debt violate applicable usury laws, (e) any Other Borrower has valid defenses, claims or offsets (whether at law, in equity or by agreement) which render the Debt wholly or partially uncollectible from such Other Borrower, (f) the creation, performance or repayment of the Debt (or the execution, delivery and performance of any document or instrument by any Other Borrower representing part of the Debt or executed in connection with the Debt, or given to secure the repayment of the Debt) is illegal, uncollectible or unenforceable, or (g) the Note, the Loan Agreement or any of the other Loan Documents have been forged or otherwise are irregular or not genuine or authentic, it being agreed that such Borrower Entity shall remain liable hereon regardless of whether any Other Borrower or any other Person be found not liable on the Debt or any part thereof for any reason.

(e) Release of Obligors. Any full or partial release of the liability of any Other Borrower on the Debt, or any part thereof, or of any guarantor(s) thereof, or any other person or entity now or hereafter liable, whether directly or indirectly, jointly, severally, or jointly and severally, to pay, perform, guarantee or assure the payment of the Debt, or any part thereof, it being recognized, acknowledged and agreed by such Borrower Entity that such Borrower Entity may be required to pay the Debt in full without assistance or support of any other party, and such Borrower Entity has not been induced to enter into the Loan Documents on the basis of a contemplation, belief, understanding or agreement that other Persons will be liable to pay or perform the Debt, or that Lender will look to other Persons to pay or perform the Debt.

(f) Other Collateral. The taking or accepting of any other security, collateral or guaranty, or other assurance of payment, for all or any part of the Debt.

(g) Release of Collateral. Any release, surrender, exchange, subordination, deterioration, waste, loss or impairment (including negligent, willful, unreasonable or unjustifiable impairment) of any collateral, property or security at any time existing in connection with, or assuring or securing payment of, all or any part of the Debt.

(h) Care and Diligence. The failure of Lender or any other party to exercise diligence or reasonable care in the preservation, protection, enforcement, sale or other handling or treatment of Other Borrower Collateral, all or any part of such collateral, property or security, including any neglect, delay, omission, failure or refusal of Lender (a) to take or prosecute any action for the collection of any of the Debt or (b) to foreclose, or initiate any action to foreclose, or, once commenced, prosecute to completion any action to foreclose upon Other Borrower

Collateral, or (c) to take or prosecute any action in connection with any instrument or agreement evidencing or securing all or any part of the Debt.

(i) Unenforceability. The fact that any collateral, security, security interest or lien contemplated or intended to be given, created or granted as security for the repayment of the Debt, or any part thereof, shall not be properly perfected or created, or shall prove to be unenforceable or subordinate to any other security interest or lien, it being recognized and agreed by such Borrower Entity that such Borrower Entity is not entering into the Loan Documents in reliance on, or in contemplation of the benefits of, the validity, enforceability, collectibility or value of any of the collateral for the Debt.

(j) Offset. Any existing or future right of offset, claim or defense of Borrower against Lender, or any other Person, or against payment of the Debt by any Other Borrower, whether such right of offset, claim or defense arises in connection with the Debt (or the transactions creating the Debt) or otherwise.

(k) Merger. The reorganization, merger or consolidation of any Other Borrower into or with any other corporation or entity.

(l) Preference. Any payment by Borrower to Lender is held to constitute a preference under bankruptcy laws, or for any reason Lender is required to refund such payment or pay such amount to Borrower or someone else.

**Section 11.3. **2.2.1 Interest Generally.** Except as herein provided with respect to interest accruing at the Default Rate, interest on the principal balance of the Loan outstanding

from time to time shall accrue from the Closing Date up to and including the Maturity Date (including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through the end of the Interest Period during which the Maturity Date occurs (even if such period extends beyond the Maturity Date)) at the Applicable Interest Rate. Interest on the outstanding principal balance of the Loan existing on the commencement of an Interest Period shall accrue for the entire Interest Period and shall be owed by Borrower for the entire Interest Period regardless of whether any principal portion of the Loan is repaid prior to the expiration of such Interest Period.

**2.2.2 Interest Calculation.** Interest on the outstanding principal balance of the Loan shall be calculated by multiplying (a) the actual number of days elapsed in the period for which the calculation is being made by (b) a daily rate based on a three hundred sixty (360) day year (that is, the Applicable Interest Rate or the Default Rate, as then applicable, expressed as an annual rate divided by 360) by (c) the outstanding principal balance.

**2.2.3 Determination of Interest Rate.** (a) The Applicable Interest Rate with respect to the Loan shall be: (i) LIBOR plus the Spread with respect to the applicable Interest Period for a LIBOR Loan or (ii) the Prime Rate plus the Prime Rate Spread for a Prime Rate Loan if the Loan is converted to a Prime Rate Loan pursuant to the provisions of Section 2.2.3(c) or Section 2.2.3(f).

(b) Subject to the terms and conditions of this Section 2.2.3, the Loan shall be a LIBOR Loan and Borrower shall pay interest on the outstanding principal amount of the Loan at LIBOR plus the Spread for the applicable Interest Period. Any change in the rate of interest hereunder due to a change in the Applicable Interest Rate shall become effective as of the opening of business on the first day on which such change in the Applicable Interest Rate shall become effective. Each determination by Lender of the Applicable Interest Rate shall be conclusive and binding for all purposes, absent manifest error.

(c) In the event that Lender shall have determined (which determination shall be conclusive and binding upon Borrower absent manifest error) that by reason of circumstances affecting the interbank eurodollar market, adequate and reasonable means do not exist for ascertaining LIBOR, then Lender shall forthwith give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding LIBOR Loan shall be converted, on the last day of the then current Interest Period, to a Prime Rate Loan.

(d) If, pursuant to the terms of this Agreement, any portion of the Loan has been converted to a Prime Rate Loan and Lender shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable, Lender shall give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding Prime Rate Loan shall be converted to a LIBOR Loan on the last day of the then current Interest Period.

(e) With respect to a LIBOR Loan, all payments made by Borrower hereunder shall be made free and clear of, and without reduction for or on account of, income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings imposed, levied, collected, withheld or assessed by any Governmental Authority and imposed on any non-U.S. Lender due to a change in U.S. law after the date such non-U.S. Lender acquired its interest in the Loan (such non-excluded taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings being referred to collectively as “**Foreign Taxes**”), excluding (i) income and franchise taxes, (ii) any Taxes imposed by reason of any connection between the non-U.S. Lender and the taxing jurisdiction other than entering into this Agreement and receiving payments hereunder, and (iii) any Taxes imposed by reason of the non-U.S. Lender’s failure to complete and deliver to the Borrower, prior to the date on which the first payment to such Lender is due hereunder and (so long as it remains eligible to do so) from time to time thereafter, (x) (i) an Internal Revenue Service Form W-9 (or successor form) establishing that the Lender is not subject to U.S. backup withholding tax, (ii) an Internal Revenue Service Form W-8BEN (or successor form) certifying that such Lender is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of withholding tax on payments of interest to zero, or (iii) an Internal Revenue Service Form W-8ECI certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States, as appropriate; and (y) any successor or additional form required by the Internal Revenue Service or any taxing authority reasonably requested by the Borrower in order to secure an exemption from, or reduction in the rate of, Foreign Taxes. If any Foreign Taxes are required to be withheld from any amounts payable to Lender hereunder, the amounts so payable to Lender shall be increased to the extent necessary to yield to Lender (after payment of all Foreign Taxes) interest or any such other amounts payable hereunder at the rate or in the amounts specified hereunder. Whenever any Foreign Tax is payable pursuant to applicable law by Borrower, as promptly as possible thereafter, Borrower shall send to Lender an original official receipt, if available, or certified copy thereof showing payment of such Foreign Tax. Borrower hereby indemnifies Lender for any incremental Foreign Taxes, interest or penalties that may become payable by Lender which may result from any failure by Borrower to pay any such Foreign Tax when due to the appropriate taxing authority or any failure by Borrower to remit to Lender the required receipts or other required documentary evidence thereof (provided such documents are reasonably available to the Borrower).

(f) If any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to make or maintain a LIBOR Loan as contemplated hereunder and the events giving rise thereto affect similarly situated banks or financial institutions generally, (i) the obligation of Lender hereunder to make a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the next succeeding Payment Date or within such earlier period as required by law.

(g) In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority and the events giving rise thereto affect similarly situated banks or financial institutions generally:

(i) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, the office of Lender that holds the Loan which is not otherwise included in the determination of LIBOR hereunder;

(ii) shall hereafter require the Lender to hold additional capital against the Loan in excess of that currently required by Governmental Authorities to be held against loans similar in nature to the Loan; or

(iii) shall hereafter impose on Lender any other condition affecting loans to borrowers subject to LIBOR-based interest rates and Lender determines that, by reason thereof, the cost to Lender of making or maintaining the Loan to Borrower is increased, or any amount received by Lender hereunder in respect of any portion of the Loan is reduced, in each case by an amount deemed by Lender in good faith to be material;

then, in any such case, Borrower shall promptly pay Lender, upon demand, any additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined in good faith by Lender. If Lender becomes entitled to claim any additional amounts pursuant to this Section 2.2.3(g), Lender shall provide Borrower with not less than ninety (90) days notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to fully compensate Lender for such additional cost or reduced amount. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. This provision shall survive payment of the Note and the satisfaction of all other obligations of Borrower under this Agreement and the Loan Documents.

(h) Lender shall not be entitled to claim compensation pursuant to this Section 2.2.3 for any Foreign Taxes or other amounts incurred or which accrued more than ninety (90) days before the date Lender notified Borrower of the change in law or other circumstance on which such claim of compensation is based and delivered to Borrower a written statement setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.2.3, which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(i) For purposes of this Section 2.2.3, the term "Lender" shall be deemed to include each Noteholder and Lender's (as well as each Noteholder's) present and future participants in the Loan to the extent of Foreign Taxes imposed by reason of such Noteholder or participant's interest in the Loan and each such Noteholder's or participant's increased costs or reduction in amount received or receivable hereunder or any reduced rate of return, in each case payable by Borrower under this Section 2.2.3.

**2.2.4 Additional Costs.** Lender will use reasonable efforts (consistent with legal and regulatory restrictions) to maintain the availability of the LIBOR Loan and to avoid or reduce any increased or additional costs payable by Borrower under Section 2.2.3, including, if requested by Borrower, a transfer or assignment of the Loan to a branch, office or

Affiliate of Lender in another jurisdiction, or a redesignation of its lending office with respect to the Loan, in order to maintain the availability of the LIBOR Loan or to avoid or reduce such increased or additional costs, provided that the transfer or assignment or redesignation (a) would not result in any material additional costs, expenses or risk to Lender that are not reimbursed by Borrower and (b) would not be disadvantageous in any other material respect to Lender as determined by Lender in its sole, but reasonable discretion.

**2.2.5 Default Rate.** In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

**2.2.6 Usury Savings.** This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

**2.2.7 Interest Rate Cap Agreement.** (a) On or prior to 5:00 p.m. (New York time) on the Closing Date, Borrower shall enter into an Interest Rate Cap Agreement with a LIBOR strike price equal to the required Strike Price. The Interest Rate Cap Agreement (i) shall be in a form and substance reasonably acceptable to Lender, (ii) shall be with an Acceptable Counterparty, (iii) shall direct such Acceptable Counterparty to deposit directly with Lender (or into an account or otherwise as directed by Lender) any amounts due Borrower under such Interest Rate Cap Agreement unless and until otherwise instructed by Lender (it being agreed as between Lender and Borrower that Lender will so instruct the Counterparty at such time as the Debt shall no longer exist, provided that the Debt shall be deemed to exist if the Collateral is transferred by secured party sale or otherwise), (iv) shall be for a period equal to the initial term of the Loan and (v) shall have an initial notional amount equal to the principal balance of the Loan. Borrower shall collaterally assign to Lender, pursuant to the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Interest Rate Cap Agreement, and shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be paid directly into an account pledged to Lender as provided above in this Section 2.2.7). Provided no Event of Default has occurred and is continuing, amounts

contained in the foregoing pledged account shall be released to Borrower on a monthly basis to the extent not applied toward debt service on the Loan.

(b) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be paid to Lender (or into an account or otherwise as directed by Lender). Borrower shall take all actions reasonably requested by Lender to enforce Lender's rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty and shall not waive, amend or otherwise modify any of its rights thereunder.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty by S&P or Moody's to below the ratings set forth in the definition of "Acceptable Counterparty", Borrower (i) shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement (or cause the Counterparty or an Affiliate thereof to post collateral acceptable to Lender and the Rating Agencies) not more than fifteen (15) Business Days following receipt of notice of such downgrade, withdrawal or qualification (and meeting the requirements set forth in this [Section 2.2.7](#)) from an Acceptable Counterparty, (ii) if a new cap is provided to Lender, then if requested by Lender shall provide to Lender an opinion of counsel to such Acceptable Counterparty in the form and containing the substance of the form of opinion set forth in Exhibit A to the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender), and (iii) shall collaterally assign to Lender, pursuant to an assignment in the form of the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Replacement Interest Rate Cap Agreement.

(d) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement or fails to maintain the Interest Rate Cap Agreement in accordance with the terms and provisions of this Agreement, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is reimbursed by Borrower to Lender.

(e) In connection with any Interest Rate Cap Agreement provided to Lender as herein required, if requested by Lender, Borrower shall obtain and deliver to Lender an opinion from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty (upon which Lender and its successors and assigns may rely) in the form and containing the substance of the form of opinion set forth in Exhibit A to the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender).

(f) In connection with any prepayment of the Loan, provided no Event of Default shall have occurred and be continuing, Borrower may reduce the amount of any Interest Rate Cap Agreement (so that the same shall be in an initial notional amount equal to the principal balance of the Loan following such prepayment), provided that such reduction shall not affect any of the other terms of the Interest Rate Cap Agreement or the Collateral Assignment of Interest Rate Cap Agreement (or Lender's rights in respect thereof).

### **Section 2.3. Loan Payment.**

**2.3.1 Payments Generally.** Borrower shall make a payment to Lender of interest only on the Closing Date for the initial Interest Period. On the date hereof, Borrower shall make a payment to Lender of interest accruing hereunder during the period from the Closing Date up to and including the initial Interest Period, calculated in the manner set forth herein, and on the Payment Date occurring in March 2008 and on each Payment Date thereafter to and including the Maturity Date, Borrower shall make a payment to Lender of interest accruing hereunder during the entire Interest Period in which such Payment Date occurs, calculated in the manner set forth herein. All amounts due pursuant to this Agreement and the other Loan Documents shall be payable without setoff, counterclaim, defense or any other deduction whatsoever. Each payment shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

**2.3.2 Payment on Maturity Date.** Borrower shall pay to Lender on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Pledge Agreement and the other Loan Documents, including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through and including the end of the Interest Period in which the Maturity Date occurs (even if such Interest Period extends beyond the Maturity Date).

**2.3.3 Late Payment Charge.** If any principal, interest or any other sums due under the Loan Documents, other than the payment of principal due on the Maturity Date, is not paid by Borrower by the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of one percent (1%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment; provided, however, that, except with respect to the payment of any monthly Debt Service payments with respect to which no notice or demand shall be required, no such late payment charge shall be due unless such payment of principal, interest or other sum shall be delinquent for more than five (5) Business Days following the date of demand therefor. Any such amount shall be secured by the Pledge Agreement and the other Loan Documents to the extent permitted by applicable law.

**2.3.4 Method and Place of Payment.** Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 3:00 p.m., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

### **Section 2.4. Prepayments.**

**2.4.1 Voluntary Prepayments.** Borrower may, at its option, prepay the Debt in whole or in part, provided, the following conditions are satisfied:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall provide prior written notice to Lender specifying the date upon which the prepayment is to be made (the "**Prepayment Date**"), which notice shall be delivered to Lender not less than ten (10) days prior to such Prepayment Date, and which notice shall be irrevocable (or such shorter period of time as may be permitted by Lender in its sole discretion) (Lender hereby agreeing that Borrower may revoke any notice of prepayment up until the date that is one (1) Business Day prior to the proposed Prepayment Date (provided that Borrower shall be required to pay Lender, promptly upon demand, any actual, out-of-pocket expenses incurred by Lender resulting from any such revocation));

(c) each such prepayment, in the case of partial prepayments, shall be in an amount not less than Five Million and no/100 Dollars (\$5,000,000.00), unless the outstanding principal balance of the Loan (prior to such prepayment) shall be less than Five Million and no/100 Dollars (\$5,000,000.00), in which event the amount of the prepayment shall be in such amount as shall prepay the Debt and all other amounts due in connection therewith in full, as more fully provided herein;

(d) if such prepayment is made on or prior to the Payment Date occurring in the Interest Period in which such prepayment was made, then, in connection with such prepayment Borrower shall pay to Lender, simultaneously with such prepayment, all interest on the principal balance of the Note then being prepaid which would have accrued through the end of the Interest Period then in effect notwithstanding that such Interest Period extends beyond the Prepayment Date;

(e) if such prepayment is made after a Payment Date occurring in the Interest Period in which such prepayment was made, but prior to the last two (2) Business Days in such Interest Period, Borrower shall make such prepayment without paying any interest thereon (Borrower having already paid interest on such amount on the Payment Date occurring in such Interest Period);

(f) if such prepayment is made on either of the last two (2) Business Days in an Interest Period, Borrower will pay to Lender, simultaneously with such prepayment, interest on the principal amount of the Loan prepaid through the last day of the Interest Period immediately following the Interest Period in which such prepayment occurs, calculated at the Applicable Interest Rate;

(g) if such prepayment is a prepayment of the Loan in full, Lender shall have received a written consent to the repayment from the lender under each Other Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Other Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous *pro rata* prepayment of each Other Mezzanine Loan and Permitted Mezzanine Loan if required thereunder; and

(h) if such prepayment is made on or prior to the Spread Maintenance Outside Date, then in connection with any such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, the Spread Maintenance Premium in respect of such prepayment.

Any prepayment received by Lender on other than a Payment Date (but not any amount received between a Payment Date and the second to last Business Day in an Interest Period) shall be held by Lender in an interest-bearing account as collateral security for the Loan and shall be applied to the Debt on the next occurring Payment Date (with all interest and other income earned on such amount being for the account of Borrower and being remitted by Lender to Borrower promptly following such next Payment Date). Any prepayment made pursuant to this Section 2.4.1 shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes. Lender agrees that it shall provide a written consent to the repayment of the Loan upon satisfaction of the conditions set forth in clauses (a) through (f) and clause (h) of this Section 2.4.1.

**2.4.2 Mandatory Prepayments from Net Proceeds.** (a) On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of any Individual Property, Borrower shall prepay, or authorize Lender to apply Net Proceeds as a prepayment of, the outstanding principal balance of the Note in an amount equal to, (x) if no Event of Default shall have occurred and be continuing, the product of (i) a fraction, the numerator of which is outstanding principal amount of the Loan and the denominator is the outstanding principal amount of the Mortgage Loan, the Loan and the Other Mezzanine Loans times (ii) the Net Proceeds, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such Payment Date occurs (with the balance of the Net Proceeds to be paid over to the Seventh Mezzanine Lender, for application in accordance with the Seventh Mezzanine Loan Agreement), and (y) if an Event of Default shall have occurred and be continuing, 100% of the Net Proceeds. No Spread Maintenance Premium shall be due in connection with any prepayment made pursuant to this Section 2.4.2(a). Any prepayment received by Lender pursuant to this Section 2.4.2(a) on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. Following the prepayment made as described in this Section 2.4.2(a), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(a) shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

(b) In the event of (i) a Transfer of any Individual Property or any Senior Mezzanine Collateral in connection with the realization thereon following a Mortgage Loan Default or a Senior Mezzanine Loan Default, as applicable, (ii) any refinancing of any Individual Property, any Senior Mezzanine Collateral, any Senior Mezzanine Loan or the Mortgage Loan, or (iii) the receipt by Mortgage Borrower of any excess proceeds realized under its owner's title insurance policy after application of such proceeds by Mortgage Borrower to cure any title defect (each, a "**Liquidation Event**"), Borrower shall cause the related Net Liquidation Proceeds After

Debt Service to be remitted directly to Lender (or as directed by Lender). On each date on which Lender actually receives a distribution of Net Liquidation Proceeds After Debt Service, Borrower shall prepay the outstanding principal balance of the Note in an amount equal to one hundred percent (100%) of such Net Liquidation Proceeds After Debt Service, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such payment occurs. Any amounts of Net Liquidation Proceeds After Debt Service in excess of the Debt shall be remitted to Seventh Mezzanine Lender (or to an account designated by Seventh Mezzanine Lender). Any prepayment received by Lender pursuant to this Section 2.4.2(b) on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. A Spread Maintenance Premium or fee may be due in connection with any prepayment made pursuant to this Section 2.4.2(b) if made prior to the Spread Maintenance Outside Date. Following the prepayment made as described in this Section 2.4.2(b), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(b) shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

(c) Borrower shall immediately notify Lender of any Liquidation Event once Borrower has knowledge of such event. Borrower shall be deemed to have knowledge of (i) a sale (other than a foreclosure sale) of any Individual Property on the date on which a contract of sale for such sale is entered into, and a foreclosure sale, on the date notice of such foreclosure sale is given, and (ii) a refinancing of any Individual Property, on the date on which a commitment for such refinancing has been entered into. The provisions of this Section 2.4.2(c) shall not be construed to contravene in any manner the restrictions and other provisions regarding refinancing of the Mortgage Loan or Transfer of any Individual Property set forth in this Agreement, the other Loan Documents and the Mortgage Loan Documents.

**2.4.3 Prepayments After Default.** If, following the occurrence and during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower or any other Person and accepted by Lender or otherwise recovered by Lender (including through application of any Reserve Funds), Borrower shall pay to Lender, in addition to the outstanding principal balance, (a) all accrued and unpaid interest at the Default Rate (including, without limitation, (i) in the event that such prepayment is received on a Payment Date or on any date in any Interest Period prior to a Payment Date, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which such payment occurs, or (ii) in the event that such prepayment is received on a date after a Payment Date up to (and including) the last day of the Interest Period in which such Payment Date occurs, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which the next Payment Date occurs, (b) the Spread Maintenance Premium, if such prepayment is made prior to the Spread Maintenance Outside Date, and (c) any and all other amounts payable under the Loan Documents. Any payment under this Section 2.4.3 shall be applied in such order, priority and proportions as Lender may direct in its sole and absolute discretion.

**Section 2.5. Release of Collateral.** Except as set forth in this Section 2.5, no repayment or prepayment of all or any portion of the Note shall cause, give rise to a right to require, or otherwise result in, the release or assignment of any Lien of the Pledge Agreement on the Collateral.

**2.5.1 Release of Individual Property.** Concurrently with the release of an Individual Property from the Lien of the Mortgage (and related Mortgage Loan Documents) pursuant to Section 2.5.1 of the Mortgage Loan Agreement (a “**Release**” and such Individual Property, a “**Release Property**”), Borrower may obtain the release of the related Individual Borrower with an indirect ownership interest in such Individual Property (a “**Release Borrower**”) and such Release Borrower’s obligations under the Loan Documents with respect to the Release Property (other than those expressly stated to survive), upon the satisfaction of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien of the Pledge Agreement (and related Loan Documents), only with respect to such Release Borrower, for execution by Lender. Such release shall contain standard provisions, if any, protecting the rights of the releasing lender;

(c) After giving effect to such release, the Debt Service Coverage Ratio for the Properties then remaining subject to the Liens of the Mortgages (including giving pro forma effect to the payment of the Release Price and any additional prepayment(s) made by Borrower in connection with such release) shall be equal to or greater than the greatest of (i) the Debt Service Coverage Ratio for the twelve (12) full calendar months immediately preceding the release of the Individual Property (assuming the contemplated release had not occurred, i.e., for all Properties subject to the Liens of the Mortgage prior to the proposed release), (ii) 90% of the Debt Service Coverage Ratio as of the Closing Date, and (iii) 1.0;

(d) (i) The Individual Property to be released shall be conveyed to a Person other than a Mortgage Borrower or Mezzanine Borrower, and other than to an Affiliate of Mortgage Borrower unless, in the latter case, such Affiliate is refinancing the Loan with a construction or development loan (or repaying the Loan with equity contributions to such Affiliate) and (ii) it is such Affiliate’s immediate intention to materially redevelop such Individual Property, which loan (or equity contribution) and intention shall be described in reasonable detail and represented to in an Officer’s Certificate submitted to Lender concurrently with (or prior to) the materials described in clause (b) of this Section 2.5.1;

(e) Lender shall have received a wire transfer of immediately available federal funds in an amount equal to the Release Price for the applicable Individual Property, together with (i) all accrued and unpaid interest calculated at the Applicable Interest Rate on the amount of principal being prepaid as provided in Section 2.4.1(d) or (e), as applicable, (ii) the Spread

Maintenance Premium, if applicable and (iii) all other sums due under this Agreement, the Note or the other Loan Documents in connection with a partial prepayment;

(f) Lender shall have received a written consent to the transfer from the lender under the Mortgage Loan and each of the Other Mezzanine Loans (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of the Mortgage Loan, each of the Other Mezzanine Loans and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous pro rata prepayment of each Mortgage Loan, the Other Mezzanine Loans and Permitted Mezzanine Loan if required thereunder; and

(g) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the release of the Individual Property and or Release Borrower from the lien of the Pledge Agreement and the review and approval of the documents and information required to be delivered in connection therewith. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property or Release Borrower.

Lender agrees that it shall provide a written consent to the transfer upon satisfaction of the conditions set forth in clauses (a) through (e) and clause (g) of this Section 2.5.1.

**2.5.2 Release of Convention Center Parcel; Property Swap.** At any time after the date hereof, Mortgage Borrower may obtain the release of the Convention Center Parcel pursuant to the Mortgage Loan Agreement, without the payment of a Release Price and upon the satisfaction by Borrower of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a release of the Convention Center Parcel, the Event of Default relates solely to such parcel and therefore would be fully cured by the release of the Convention Center Parcel);

(b) The Convention Center Parcel shall be conveyed to a Person other than a Mortgage Borrower or any Mezzanine Borrower;

(c) Mortgage Borrower will enter into a restrictive covenant agreement, restricting the use of the Convention Center Parcel to the development of a Convention Center and ancillary uses which agreement shall be in form and substance reasonably satisfactory to Lender;

(e) All requirements under all laws, statutes, rules and regulations (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetlands requirements) applicable to the Harrah's Atlantic City Property necessary to accomplish the lot split shall have been fulfilled, and all necessary variances, if any, shall have been obtained, and Borrower shall have delivered to Lender either (1) letters or other evidence from the appropriate municipal authorities confirming such compliance with laws, or (2) a zoning report or legal opinion confirming such compliance with laws, in each case in substance reasonably satisfactory to Lender;

(f) As a result of the lot split, the remaining Harrah's Atlantic City Property with all easements appurtenant and other Permitted Encumbrances thereto will not be in violation of any then applicable law, statute, rule or regulation (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetland requirements) and all necessary variances, if any, shall have been obtained and evidence thereof has been delivered to Lender which in form and substance is appropriate for the jurisdiction in which the Harrah's Atlantic City Property is located;

(j) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the review and approval of the documents and information required to be delivered in connection with the release of the Convention Center Parcel from the Lien of the related Mortgage. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of the Convention Center Parcel;

(k) Lender shall have received evidence reasonably satisfactory to it that Mortgage Borrower and each Other Mezzanine Borrower shall have satisfied all of the conditions to the proposed Release set forth in the Mortgage Loan Agreement and each Other Mezzanine Loan Agreement, as applicable; and

(l) There shall be no release of any portion of the Lien of the Pledge Agreement in connection with this Section 2.5.2.

Borrower agrees that it shall promptly use all reasonable best efforts to substitute, and Lender agrees (subject to the terms set forth below in this paragraph) that it shall accept the substitution of, the properties commonly known as “Paris Las Vegas” and “Harrah’s Laughlin” for the Individual Properties referred to as “Harrah’s Lake Tahoe”, “Harvey’s Lake Tahoe”, “Bill’s Lake Tahoe” and “Showboat Atlantic City” and the portion of the Flamingo Las Vegas Property known as O’Shea’s in a reasonably satisfactory manner, provided that Lender’s obligation to accept such substitution shall be conditioned on the following:

(i) that no Event of Default shall exist, either before or after giving effect to such substitution (unless such Event of Default would be fully cured by the substitution);

(ii) the satisfaction, with respect to both “Paris Las Vegas” and “Harrah’s Laughlin”, of the closing conditions set forth in Article III hereof and of the Mortgage Loan Agreement, except that references therein to the Closing Date shall be to the date of such substitution;

(iii) delivery of such agreements, instruments, title insurance policies, surveys, resolutions, certificates and opinions (including, without limitation, substitute notes, amendments to the Loan Documents (including amendments to adjust the Allocated Loan Amounts, the EBITDAR (Closing Date) and any other items that need to be adjusted to reflect the substitution), the Operating Lease, the Operating Lease Guaranty and the Windstorm Insurance Intercreditor Agreement, an appropriate subdivision and a reciprocal easement agreement in respect of O’Shea’s, written assurances that the substitution will have no negative effects on the existing Title Policies, updated “tie-in” endorsements for the Title Policies, an Additional True Lease Opinion and an Additional Insolvency Opinion), in each case as are reasonably required by Lender in connection with such substitution;

(iv) with respect to the release of O’Shea’s, delivery of evidence reasonably satisfactory to Lender that such release will not have either an Individual Material Adverse Effect on the remainder of the Flamingo Las Vegas Property or an Aggregate Material Adverse Effect (it being understood that, for purposes of such determinations, O’Shea’s shall be deemed to have closed as of the Closing Date and to have no value) and that the remainder of the Flamingo Las Vegas Property satisfies the conditions set forth in Sections 3.1.3(b), (c) and (f) of the Mortgage Loan Agreement and the representations and warranties set forth in Sections 4.1.4, 4.1.16, 4.1.22, 4.1.39 and 4.1.40 of the Mortgage Loan Agreement shall continue to be true and complete with respect to the remainder of the Flamingo Las Vegas Property, and satisfaction of

conditions similar to those set forth in clauses (c), (d), (e), (f), (g) and (h) of Section 3.1.3 hereof, as applicable, with respect to O'Shea's;

(v) the satisfaction, with respect to "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe", "Showboat Atlantic City" and O'Shea's, of the conditions set forth above in Section 2.5.1(b) and (f) with respect to released Individual Properties to the extent applicable;

(vi) the conveyance of "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe", "Showboat Atlantic City" and O'Shea's to a Person other than a Mortgage Borrower or Mezzanine Borrower;

(vii) unless otherwise extended by Lender, the substitution shall be completed on or prior to May 28, 2008;

(viii) the payment by Borrower of all Lender's reasonable out-of-pocket costs and expenses in connection with the substitution contemplated by this paragraph, including reasonable counsel fees and disbursements, up to an aggregate amount of \$300,000, it being acknowledged that costs incurred to obtain title insurance and surveys in respect of the substituted properties shall be paid by Borrower directly and shall not be taken into account for purposes of the foregoing limitation on the reimbursement of Lender's expenses.

Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property in accordance with this paragraph. In addition, if all of "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe" and "Showboat Atlantic City" can be transferred from Mortgage Borrower as contemplated above, but O'Shea's cannot (including by reason of an inability to get a separate gaming license for O'Shea's independent of the "Flamingo Las Vegas"), then Borrower shall cause Mortgage Borrower to nevertheless proceed to consummate the swap without transferring O'Shea's (subject to Borrower's ongoing right to obtain the release of O'Shea's from the Lien of the Mortgage in accordance with the following sentence). Upon the satisfaction of such conditions set forth above in this paragraph (including clauses (i) through (viii) hereof), Borrower will have the right to choose between an immediate release of "O'Shea's" from the Lien of the Mortgage on the date of the swap or a free release subsequent to the date of the swap without conditions (in either case, subject to the conditions set forth above in this Section 2.5.2), except that the limitation on Borrower's payment of Lender's costs and expenses set forth in clause (viii) above shall not apply to any such costs and expenses incurred by Lender in connection with such release), and, pending such release, EBITDAR shall be computed without regard to O'Shea's; provided, further, the Operating Company in respect of the "Flamingo Las Vegas" Individual Property, both before and after such release, shall be permitted to provide management and other similar services for O'Shea's and shall be reimbursed for the allocable share of expenses attributable to O'Shea's.

**2.5.3 Release on Payment in Full.** Lender shall, upon the written request and at the expense of Borrower, upon payment in full of all principal and interest due on the Loan and all other amounts due and payable under the Loan Documents in accordance with the

terms and provisions of the Note and this Agreement, release the Lien of the Pledge Agreement on the Collateral.

**Section 2.6. Cash Management.**

**2.6.1 Establishment of Collection Accounts.**

(a) In accordance with the provisions of the Operating Lease, (i) Operating Company will establish within thirty (30) days after the Closing Date and will maintain for the benefit of Mortgage Borrower, as lessor under the Operating Lease, the Collection Accounts with Collection Banks throughout the term of the Mortgage Loan and (ii) the rights of Mortgage Borrower (as landlord) under the Operating Lease will be collaterally assigned to Mortgage Lender within such 30-day period. All Revenues, other than amounts retained on-site by each Operating Company as a Gaming Operating Reserve and amounts collected and maintained in Off-Shore Accounts, will be deposited in the Collection Accounts.

(b) Borrower hereby represents and warrants as follows: when established, the Collection Accounts will be the only accounts maintained by Operating Company in any jurisdiction that include funds arising out of, or are otherwise attributable to, the Properties or relate to the operation and management of any of the Properties (other than accounts (collectively, the “OC Accounts”) that contain amounts theretofore released from Collection Accounts in accordance herewith, and other than Off-Shore Accounts, which shall not be subject to this Agreement; and neither Borrower nor Mortgage Borrower maintains any accounts that include funds arising out of, or are otherwise attributable to, any of the Properties or relate to the operation and management of any of the Properties or otherwise (except for accounts containing funds released from the Collection Accounts as herein provided and the Off-Shore Accounts). None of Mortgage Borrower, Senior Mezzanine Borrower, Borrower or Operating Company may (and Borrower shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), open any accounts or new accounts or in any way alter the flow of funds and payment into such Collection Accounts, including, without limitation, changing the source, type or currency of any payments currently deposited and maintained in any such account (it being understood that the foregoing restriction shall not preclude Operating Company, Mortgage Borrower, Senior Mezzanine Borrower or Borrower from accepting and depositing in any Collection Accounts any capital contributions, or any disbursements from any Collection Accounts in accordance with the provisions of the Mortgage Loan Agreement, this Agreement and the Senior Mezzanine Loan Agreements. None of Mortgage Borrower, Senior Mezzanine Borrower, Borrower or Operating Company may (and Borrower shall not permit Mortgage Borrower, Senior Mezzanine Borrower, or Operating Company to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), establish and maintain any accounts with financial institutions outside of the United States of America, other than the Off-Shore Accounts).

(c) Borrower shall cause Mortgage Borrower, Senior Mezzanine Borrower and Operating Company to comply with Section 2.6.1 of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement (as applicable) in all respects.

(d) Borrower hereby agrees that in the event that (i) the Mortgage Loan Documents require Mortgage Borrower and/or Operating Company to maintain the Collection Accounts, but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Collection Accounts are not being maintained and (ii) the Collection Accounts are not being maintained under Section 2.6.1(d) of the Senior Mezzanine Loan Agreement, Borrower shall establish or cause the Operating Company to establish or cause the Operating Company to establish collection accounts substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Section 2.6.1 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender). In addition, if Borrower is required to deposit amounts with Lender pursuant to Article VII hereof but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Collection Accounts and Cash Management Account are not being maintained, Borrower shall establish collection accounts and a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Sections 2.6.1 and 2.6.2 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender). In addition, if Mortgage Borrower is required to provide security or other collateral to the Mortgage Lender pursuant to the terms of the Mortgage Loan Agreement (excluding any mortgage lien on the Properties or assignment of leases and rents with respect to the Properties) but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) such security or other collateral was not provided to Mortgage Lender, Borrower shall provide such security or other collateral to Lender in substantially the same form and amount as that required under the Mortgage Loan Documents.

**2.6.2 Disbursements from, Security Interest in, Collection Accounts.** The Operating Lease provides, among other things, that all Revenues shall be collaterally assigned by Operating Company to Mortgage Borrower as additional security for Operating Company's obligations under the Operating Lease and that Mortgage Borrower shall have the right to collaterally assign and pledge such Revenues to Lender as additional security for the Loan. In furtherance thereof, Lender and Borrower agree as follows:

(a) Except as otherwise provided in subparagraphs (b) and (c) hereof, all amounts collected in the Collection Accounts shall be transferred on each Business Day to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender.

(b) Upon the occurrence and during the continuance of an Event of Default hereunder, under the Mortgage Loan Documents or under any of the Other Mezzanine Loan Documents, and provided no Event of Default (as such term is defined in the Operating Lease) shall have occurred and be continuing under any Operating Lease, Borrower shall cause Mortgage Borrower to direct and cause Collection Bank to deposit directly into the Cash Management Account, all Rent payable under the Operating Lease for the next thirty (30) days (it being the intent and agreement that, during the continuance of an Event of Default, the Cash Management Account shall at all times contain such amounts sufficient to cover the ensuing 30-day period), including the Monthly Tax and Insurance Amount, the Monthly Ground Rent

Amount and Monthly FF&E Reserve Amount (the amounts described in the preceding sentence, collectively, the “**Monthly Disbursements**”); provided that, notwithstanding the foregoing, Lender may not apply such Monthly Disbursements to the payment of amounts due hereunder in an amount in excess of the amounts owed by the Operating Company under the Operating Lease. In the event Borrower shall have failed to cause Mortgage Borrower to so instruct Collection Bank, Lender shall have the right to so direct the Collection Bank on behalf of Mortgage Borrower. Any amounts not required to be so deposited into the Cash Management Account shall be transferred on each Business Day thereafter to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender. If no Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, such excess shall be remitted to Seventh Mezzanine Lender (or to an account designated by Seventh Mezzanine Lender); provided that, notwithstanding the foregoing, Lender shall not remit any such amounts in excess of the amounts owed by the Operating Company under the Operating Lease. If an Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, Lender shall have the right to retain the amount so remitted to the Collection Account as collateral for the Loan and/or apply such amount to the payment of the Debt.

(c) Upon the occurrence and during the continuance of an Event of Default (as such term is defined in the Operating Lease) under any Operating Lease, Borrower shall cause Mortgage Borrower to notify Collection Bank to transfer to the Cash Management Account on each Business Day in immediately available funds by federal wire transfer all amounts on deposit in each Collection Account and, in the event Mortgage Borrower shall have failed to do so, Mortgage Lender (or Lender in the event of Mortgage Lender’s failure to so instruct) shall have the right to so direct the Collection Bank on behalf of Mortgage Borrower. Lender shall have the right to retain all amounts to be paid into the Cash Management Account in accordance with the first sentence of this Section 2.6.2(c) as collateral for the Loan and/or apply such excess to the payment of the Debt.

(d) Borrower and its Affiliates shall (and Borrower shall cause Operating Company to) execute and deliver such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect, maintain and perfect Lender’s security interest in the Collection Accounts, if any.

**2.6.3 Cash Management Account.** (a) During the term of the Loan, Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to comply with Section 2.6.3 of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement (as applicable) which may require the establishment of the Cash Management Account to be held by and in trust for the benefit of Mortgage Lender. All costs and expenses for establishing and maintaining the Cash Management Account shall be paid by Mortgage Borrower.

(b) Borrower shall not cause or permit Mortgage Borrower or Operating Company to further pledge, assign or grant any security interest in the Cash Management Account or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Mortgage Lender as the secured party, to be filed with respect thereto.

(c) Borrower hereby agrees that in the event that (i) the Mortgage Loan Documents require Mortgage Borrower and/or Operating Company to maintain the Cash Management Account, but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Cash Management Account is not being maintained and (ii) the Cash Management Account is not being maintained under Section 2.6.3 of the Senior Mezzanine Loan Agreement, Borrower shall establish a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents. If Borrower is required to deposit amounts with Lender pursuant to Article VII hereof, Borrower shall establish a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Section 2.6.2 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender).

**2.6.4 Mezzanine Collection Account.** (a) Lender or Servicer may establish and maintain, to collect all amounts distributed to Lender under Section 2.6.3 of the Mortgage Loan Agreement, a segregated Eligible Account (the “**Mezzanine Collection Account**”) to be held by Servicer in trust for the benefit of Lender, which Mezzanine Collection Account shall be under the sole dominion and control of Lender (which may be exercised through Servicer). Lender (and its agents, including Servicer) shall have the sole right to make withdrawals from the Mezzanine Collection Account in accordance with the terms and conditions of this Agreement and the other Loan Documents, except as otherwise expressly provided in this Agreement or the other Loan Documents. Borrower shall cause Senior Mezzanine Borrower to comply with Section 2.6.4 of the Senior Mezzanine Loan Agreements.

(b) Borrower hereby grants to Lender a first priority security interest in the Mezzanine Collection Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Mezzanine Collection Account, including, without limitation, executing and filing UCC 1 Financing Statements and continuations thereof upon Lender’s request therefor. All costs and expenses for establishing and maintaining the Mezzanine Collection Account (and any sub account thereof) shall be at Borrower’s sole cost and expense.

(c) Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Mezzanine Collection Account and any sub-account thereof. The Mezzanine Collection Account and any sub-account thereof shall be assigned the federal tax identification numbers of each Borrower set forth on Schedule I attached hereto. Borrower shall provide Lender, at any time upon request of Lender, with a Form W-8 or W-9 to evidence that Borrower is not subject to any back-up withholding under the Code.

(d) Upon the occurrence and during the continuance of an Event of Default, all funds on deposit in the Mezzanine Collection Account shall be applied by Lender in such order and priority as Lender shall determine.

(e) The insufficiency of funds on deposit in the Mezzanine Collection Account shall not relieve Borrower from the obligation to make any payments, as and when due

pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

**Section 2.7. Intentionally Omitted.**

**Section 2.8. Permitted Mezzanine Loan.** Borrower shall have the one-time right, upon thirty (30) days prior written notice to Lender (the “**Permitted Mezzanine Loan Election**”), to obtain a loan (“**Permitted Mezzanine Loan**”) secured by a pledge of the ownership interests in the indirect owners of Borrower (above the level of the Ninth Mezzanine Borrower) provided that the following conditions precedent are satisfied:

(a) no Default or Event of Default shall have occurred and remains uncured;

(b) as of the date the Permitted Mezzanine Loan is advanced, the Permitted Mezzanine Debt Loan-to-Value Ratio for the Properties subject to the Lien of the Mortgage is equal to or less than eighty percent (80%);

(c) as of the date the Permitted Mezzanine Loan is advanced, Permitted Mezzanine DSCR for the four-quarter period preceding such date for the Properties then subject to the Lien of the Mortgage(s) is equal to or greater than 1.2 to 1.0;

(d) the Permitted Mezzanine Loan shall be evidenced by one (1) Loan, that may be advanced in multiple draws provided that Borrower complies with the requirements set forth in this Section 2.8 with respect to each draw;

(e) the Permitted Mezzanine Loan shall be issued by one (1) lender (the “**Permitted Mezzanine Loan Lender**”) which shall be an Institutional Lender; provided, however, that such single Lender that is an Institutional Lender may grant participations in such Permitted Mezzanine Loan or syndicate the Permitted Mezzanine Loan to multiple lenders so long as at least fifty-one percent (51%) of such participants and syndicate lenders are Institutional Lenders and, in addition, so long a single lender serves as agent with respect to all approvals, consents and other matters relating to the Permitted Mezzanine Loan;

(f) the Permitted Mezzanine Loan shall have the same maturity date as the Maturity Date under the Loan, or a maturity date extending beyond the Maturity Date under the Loan;

(g) the Permitted Mezzanine Loan (including all of the terms, provisions and conditions of the Permitted Mezzanine Loan, including, without limitation, the loan documents evidencing and securing the Permitted Mezzanine Loan (“**Permitted Mezzanine Loan Documents**”)) shall be acceptable to Lender in its reasonable discretion (it being agreed that with respect (only) to Lender’s approval of the form of loan documents that loan documents in substantially the same form as the Ninth Mezzanine Loan Documents, appropriately modified to reflect subordination to the Mezzanine Loans still outstanding, shall be deemed to be acceptable);

(h) the Permitted Mezzanine Loan Lender shall enter into a co-lender or intercreditor agreement substantially on the standard CMSA form (or the form entered into by

Lender, Other Mezzanine Lenders and Mortgage Lender in connection with the closing of the Loan) or in form and substance reasonably acceptable to Lender, acknowledging the subordination of the Permitted Mezzanine Loan in all respects to each of the Mezzanine Loans and the Mortgage Loan (and Lender agrees to enter into such co-lender or intercreditor agreement upon request);

(i) the Permitted Mezzanine Loan shall be a fixed rate loan, or a floating rate loan containing an interest rate that is capped at an amount that satisfies the debt service coverage ratio requirement set forth in subparagraph (c) above, with interest due and payable monthly (i.e., interest does not accrue) and such interest rate shall not be subject to adjustment except after an event of default (Borrower agreeing to cause the purchase of an interest rate cap to reflect the foregoing);

(j) if requested by Lender, Borrower shall execute amendments to the Loan Documents reasonably requested by Lender, to reflect the existence of such Permitted Mezzanine Loan, provided that any such amendments or agreements will not alter the payment terms of the Loan set forth in this Agreement or the other Loan Documents or materially and adversely affect Borrower or impose additional material obligations or liabilities upon Borrower;

(k) if required by Lender, Borrower shall deliver (i) Additional Insolvency Opinions and, if the Loan Documents are amended pursuant to Section 2.8(k), opinions regarding due execution and enforceability with respect to the Properties, Mortgage Borrower, Mezzanine Borrowers, Holdings, Guarantor and their respective Affiliates and the Loan Documents, and such related matters as Lender shall reasonably require, and (ii) revised organizational documents for Borrower, which opinions and organizational documents shall be reasonably satisfactory to Lender;

(l) all necessary or appropriate governmental or other third party consents (including any approvals, notices, filings or other actions under or pursuant to the Gaming Laws or other Legal Requirements) required to be obtained or taken by Borrower, Mortgage Borrower, any Mezzanine Borrower or the Permitted Mezzanine Borrower for the execution, delivery and performance by the Permitted Mezzanine Borrower of the Permitted Mezzanine Loan shall have been obtained or taken; and

(m) all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and expenses) incurred by Lender in connection with this Section 2.8 shall be paid by Borrower (but no approval or consent fees shall be payable in connection therewith).

### III. CONDITIONS PRECEDENT

**Section 3.1. Conditions Precedent to Closing.** The obligation of Lender to make the Loan hereunder is subject to the fulfillment by Borrower or waiver by Lender of the following conditions precedent no later than the Closing Date:

**3.1.1 Representations and Warranties; Compliance with Conditions.** The representations and warranties of Borrower contained in this Agreement and the other Loan Documents shall be true and correct in all material respects on and as of the Closing Date with

#### **IV. REPRESENTATIONS AND WARRANTIES**

**Section 4.1. Borrower Representations.** Borrower represents and warrants as of the date hereof and as of the Closing Date, except as disclosed in Schedule XXIII, that:

**4.1.1 Organization.** (a) Borrower has been duly organized and is validly existing and in good standing with requisite power and authority to own the Individual Properties

and to transact the businesses in which it is (or each of them is) now engaged. Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations. Borrower possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to own its properties and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The sole business of Borrower is the ownership of Senior Mezzanine Borrower. The ownership interests of Borrower are as set forth on the organizational chart attached hereto as Schedule VIII.

(b) Each Operating Company has been duly organized and is validly existing and in good standing with requisite power and authority to own its properties or assets, including the Gaming Equipment, and to transact the businesses in which it is now engaged. Each Operating Company is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations, including the operation of the Casino Components at each Individual Property. Each Operating Company possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to operate the Properties currently operated by each such Operating Company and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The sole business of each Operating Company is the management and operation of the Individual Property or Properties currently operated by each such Operating Company. The ownership interests of each Operating Company are as set forth on the organizational chart attached hereto as Schedule VIII.

(c) Borrower has the power and authority and the requisite ownership interests in Senior Mezzanine Borrower and Mortgage Borrower to control the actions of Senior Mezzanine Borrower and Mortgage Borrower, and upon the realization of the Collateral under the Pledge Agreement, Lender or any other party succeeding to the Borrower's interest in the Collateral described in the Pledge Agreement would have such control. Without limiting the foregoing, Borrower has sufficient control over Senior Mezzanine Borrower and Mortgage Borrower to cause Senior Mezzanine Borrower and Mortgage Borrower to (i) take any action on Senior Mezzanine Borrower's or Mortgage Borrower's part required by the Loan Documents and (ii) refrain from taking any action prohibited by the Loan Documents.

**4.1.2 Proceedings.** Borrower and Operating Company have taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents. This Agreement and such other Loan Documents have been duly executed and delivered by or on behalf of Borrower and Operating Company and constitute legal, valid and binding obligations of Borrower and Operating Company enforceable against Borrower and Operating Company (as applicable) in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

**4.1.3 No Conflicts; Approvals.** (a) The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower and Operating

Company will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower or Operating Company pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement, material lease or other material agreement or instrument to which Borrower or Operating Company (as applicable) is a party or by which any of Borrower's or Operating Company's property or assets is or are subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or Operating Company any of Borrower's or Operating Company's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any such Governmental Authority required for the execution, delivery and performance by Borrower and Operating Company of this Agreement or any other Loan Documents (and the execution by Lender of the remedies provided in the Loan Documents, subject to the limitations thereon pursuant to applicable Gaming Laws) has been obtained and is in full force and effect.

(b) Borrower, Senior Mezzanine Borrower, Mortgage Borrower and Operating Company have obtained all consents and approvals, including all approvals of Governmental Authorities including Gaming Authorities, if required, in connection with the execution, delivery and performance of the Loan Documents (including by Mortgage Lender and each Mezzanine Lender), the Operating Lease, the Operating Lease Guaranty and the operation of the business currently conducted at any of the Properties, and shall promptly execute any and all such instruments and documents, deliver any certificates and do all such other acts or things required by the Gaming Authorities to maintain or keep current such approvals.

The Pledge Agreement, together with the delivery of the certificates evidencing ownership of the Pledged Company Interests and the endorsement in blank, as being delivered concurrently herewith, will create a valid perfected, first priority lien on, and security interest in and to, the Collateral, all in accordance with the terms thereof. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). Borrower has no Indebtedness other than the Loan. Except for Permitted Indebtedness (Operating Company), Operating Company does not have any Indebtedness or contingent liabilities, or due and unpaid liabilities for taxes, that are known to Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company and reasonably likely to have a materially adverse effect on the Collateral, any Senior Mezzanine Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. All roads necessary for the use of each Individual Property for their current respective purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

**4.1.18 Enforceability.** The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower, any Affiliates of Borrower including Holdings, Operating Company or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors' rights and the enforcement of debtors' obligations), and Borrower, any Affiliates of Borrower including Holdings, Operating Company and Guarantor have not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

**5.1.18 Confirmation of Representations.** Borrower shall deliver, in connection with any Securitization, (a) one or more Officer's Certificates certifying as to the accuracy of all representations made by Borrower in the Loan Documents as of the date of the closing of such Securitization in all relevant jurisdictions, and (b) certificates of the relevant Governmental Authorities in all relevant jurisdictions indicating the good standing and qualification of Mortgage Borrower, Senior Mezzanine Borrower, Borrower and Holdings as of the date of the Securitization.

**5.1.19 No Joint Assessment.** Borrower shall not, and shall not permit Mortgage Borrower to, suffer, permit or initiate the joint assessment of any Individual Property (a) with any other real property constituting a tax lot separate from such Individual Property, and (b) which constitutes real property with any portion of such Individual Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to such real property portion of the Individual Property, except as required by Legal Requirements.

**5.1.20 Leasing Matters.** (a) Borrower shall not (and shall cause Mortgage Borrower and Guarantor (Operating Lease) not to), without the prior written consent of Lender (and, if a Securitization shall have occurred, Borrower shall have obtained and delivered to Lender a Rating Agency Confirmation) restate, materially modify, materially amend or materially supplement (or permit the restatement, material modification, amendment or supplement of) any Operating Lease or Operating Lease Guaranty (provided, that any modification, amendment or supplement affecting any of the economic terms of any Operating

Lease or any of the terms of the Operating Lease Guaranty shall be deemed to be material for purposes hereof), terminate or accept the surrender (or permit the termination or surrender) of any Operating Lease or Operating Lease Guaranty, or release or materially waive (or permit the release or material waiver of) the Operating Company or Guarantor (Operating Lease) from the performance or observance of any obligation or condition under the Operating Leases or Operating Lease Guaranty. In connection with a material modification, Lender may request, and in such event, Borrower shall not effect such modification without, an Additional True Lease Opinion in form and substance reasonably satisfactory to Lender issued by Borrower's counsel (at Borrower's expense). Borrower shall not permit (or cause or permit Mortgage Borrower to permit) the prepayment of any rents under the Operating Leases for more than one (1) month prior to the due date thereof. Notwithstanding the foregoing, Lender's consent shall not be required in connection with any modification, amendment or waiver of any provision of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document or that makes the provisions of the Operating Lease consistent with the provisions of this Agreement or any other Loan Document. Notwithstanding anything contained in this Section 5.1.20(a) to the contrary, (x) Lender's consent to any amendment, modification or supplement of the Operating Lease (or any new Operating Lease) or the Operating Lease Guaranty may also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and/or an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies), and (y) Lender's consent to any assignment of any Operating Lease or Operating Lease Guaranty (or of any interest therein) or any material amendment, material modification or material supplement of any Operating Lease shall also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies).

(b) Borrower shall not permit (or consent to) an assignment by any Operating Company of any such Operating Company's interest(s) under any Operating Lease or an assignment by any Mortgage Borrower of any such Mortgage Borrower's interest(s) under any Operating Lease Guaranty without, in each case, Lender's prior written consent (and, if a Securitization shall have occurred, at Lender's request, without Borrower providing to Lender a Rating Agency Confirmation and an Additional True Lease Opinion).

(c) All space Leases and all renewals of space Leases executed after the date hereof entered into by Operating Company shall (i) provide for rental rates, rent credits and free rent periods comparable to existing local market rates for comparable properties, (ii) be on commercially reasonable terms, (iii) provide that such Lease is subordinate to the Mortgage encumbering the Individual Property in question and that the lessee will attorn to Mortgage Lender and any purchaser at a foreclosure sale; (iv) not contain any terms which would materially adversely affect Lender's rights under the Loan Documents; (v) not grant to the Tenants thereunder any option or right to purchase the applicable Individual Property (or any portion thereof); and (v) in the case of Major Leases, have initial terms less than twenty (20) consecutive years, in each case (unless otherwise consented to by Lender pursuant to clause (d) below).

(d) (i) Any Major Lease entered into by Operating Company with respect to an Individual Property executed after the date hereof (and any renewal of any Major Lease with respect to an Individual Property), and any space Lease or space Lease renewal proposed to be entered into by Operating Company after the date hereof and that does not meet the criteria set forth in Sections 5.1.20(a) and subparagraph (c) above, shall be subject to the prior written approval of Lender, which approval shall not be unreasonably withheld, conditioned or delayed. Borrower shall not terminate or accept the surrender of (and shall not permit Operating Company or Mortgage Borrower to terminate or accept the surrender of) a Major Lease (unless by reason of a tenant default) without the consent of Lender.

(ii) Every submission to Lender of any proposed Major Lease (or Major Lease renewal, amendment, modification or termination) for Lender's approval shall be forwarded to Lender together with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this section.

(iii) If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN FIVE (5) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within five (5) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(e) Borrower shall and shall cause Mortgage Borrower and Operating Company to (i) observe and perform the obligations imposed upon the lessor under the Leases in a commercially reasonable manner; (ii) enforce the terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed or performed in a commercially reasonable manner and in a manner not to impair the value of the Individual Property involved; (iii) not collect any of the rents more than one (1) month in advance (other than security deposits); (iv) not execute any other assignment of lessor's interest in the Leases or the Rents (except as contemplated by the Loan Documents); (v) not alter, modify or change the terms of the Leases in a manner inconsistent with the provisions of the Loan Documents; and (vi) execute and deliver at the request of Lender all such further assurances, confirmations and assignments in connection with the Leases as Lender shall from time to time reasonably require.

(f) Upon request, Borrower shall furnish Lender with executed copies of all new Leases or Lease renewals or amendments.

(g) Notwithstanding anything to the contrary contained herein, Borrower shall not enter into (or permit Operating Company or Mortgage Borrower to enter into) a lease of all or substantially all of any Individual Property without Lender's prior consent.

**5.1.21 Alterations.** (a) Borrower shall cause all Alterations with respect to any portion of any of the Properties to be conducted and performed with due diligence in a good and workmanlike manner, and all materials used and work done shall be in accordance with all applicable Legal Requirements. In addition, with respect to the Convention Center Project and the Tower Project, to the extent such projects are pursued, Borrower agrees to cause Mortgage Borrower to (i) diligently pursue each such project to completion in a timely manner, subject to delays arising from Force Majeure events, (ii) cause the work to be performed in connection with each such project in substantial conformance with the plans and specifications for such project, and otherwise in conformity with the Mortgage Loan Agreement, each Senior Mezzanine Loan Agreement and this Agreement, (iii) provide Lender with reasonably detailed monthly progress reports (and such information as Lender shall reasonably request from time to time) regarding the status of the Convention Center Project and the Tower Project, (iv) upon the substantial completion of each such project, provide Lender with evidence of the substantial completion of each such project, copies of final unconditional lien waivers from the general contractors, construction managers or subcontractors for such project (if requested by Lender) and evidence of the final payment of all amounts due in connection with each such project, and a title search for the affected Individual Property indicating that such Individual Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (v) upon final completion of each such project, provide Lender with a final survey acceptable to Lender showing the "as-built" location of the completed Improvements and all easements appurtenant thereto, and "as-built" plans and specifications for Lender's file and a certificate of occupancy to the extent issued by the relevant Governmental Authority.

(b) Borrower shall obtain Lender's prior consent to (i) any Material Alterations (unless collateral or a completion guaranty is provided as set forth in subparagraph (c) below) or (ii) any Alterations to any of the Improvements (even if otherwise described in clause (i) above) that is reasonably likely to have an Individual Material Adverse Effect. Lender's consent shall not be required for any Alterations other than the Alterations described in the preceding sentence. Notwithstanding any provision hereof to the contrary, without Lender's consent, not to be unreasonably withheld or delayed, in no event shall Borrower close or shutter, or undertake or permit any Tenant or other Person to undertake, an Alteration that, alone or together with other work then being undertaken, closes or shutters, more than ten percent (10%) of the income-generating space in any Individual Property at any one time. Prior to undertaking any Alteration with respect to an Individual Property in excess of five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for such Individual Property, to afford Lender a prior and reasonable opportunity to determine whether or not the proposed Alteration would have an Individual Material Adverse Effect, Borrower will deliver such plans, specifications, project schedules, logistical plans, construction budgets (including a statement of sources and uses) and such other information as Lender may reasonably request in respect of such Alteration for review by Lender (and its consultants). All reasonable out-of-pocket costs and expenses incurred by Lender in connection with reviewing said Alterations proposal, including, without limitation, reasonable counsel fees

and disbursements and Lender's consultants, shall be paid by Borrower. The above-referenced submission to Lender shall be delivered with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this Section. If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within ten (10) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(c) With respect to any Material Alteration, unless otherwise consented to by Lender, Borrower shall promptly deliver to Mortgage Lender as security for the payment of such amounts and as additional security for Borrower's obligations under the Loan Documents any of the following: (A) cash, (B) U.S. Obligations, (C) other securities having a rating acceptable to Lender and that the applicable Rating Agencies have confirmed in writing will not, in and of itself, result in a downgrade, withdrawal or qualification of the initial, or, if higher, then current ratings assigned to any Securities or any class thereof in connection with any Securitization, (D) a completion and performance bond or an irrevocable letter of credit (payable on sight draft only) issued by an Eligible Institution, or (E) a completion guaranty from an Approved Guarantor in the form attached hereto as Exhibit A (with such changes as Lender shall approve), together with evidence reasonably satisfactory to Lender that the Approved Guarantor has reasonable liquidity taking into account the nature and amount of the guaranteed obligations under such completion guaranty (it being agreed that, if the Approved Guarantor in question is Holdings, then the amounts available for repayment of such obligations under any revolving credit facility in effect at such time in favor of Harrah's Operating Company, Inc. will be taken into account in determining whether Holdings has reasonable liquidity), and with, if required by applicable Rating Agency requirements, an Additional Insolvency Opinion. Such security, including the amount of the guaranteed obligations under any completion guaranty delivered as aforesaid, shall be in an amount equal to the sum of (i) the excess of the total unpaid amounts with respect to alterations to the Improvements on the applicable Individual Property (other than such amounts to be paid or reimbursed by tenants under the Leases) over the Threshold Amount and (ii) the costs of collection, and, upon the occurrence and during the continuance of an Event of Default, Lender may apply such security from time to time at the option of Lender to pay for such alterations.

**5.1.22 Operation of Properties.** (a) Borrower shall cause Mortgage Borrower to cause each of the Properties to be operated, in all material respects, in accordance with the Operating Leases and in accordance with all applicable Legal Requirements, including Gaming Laws, and all Gaming Licenses and other Operating Permits and in a manner consistent with their respective use as of the Closing Date. Borrower shall cause Operating Company to post all required bonds, if any, with any Gaming Authority as and in the amounts required under all applicable Legal Requirements (and shall, if Lender makes a request therefor, promptly provide Lender with copies of all such bonds).

(b) Borrower shall not, without Lender's prior written consent, permit Operating Company to assign or transfer, and Operating Company shall not, without Lender's prior written consent, assign or transfer, or delegate any responsibilities with respect to, any Gaming License or Operating Permit.

(c) Borrower shall cause Operating Company to make all filings required under the Gaming Laws, or in connection with any Gaming Licenses or Operating Permits, including in connection with the origination of the Mortgage Loan and the Mezzanine Loans, and shall deliver copies of such filings as Lender shall reasonably request to Lender, promptly upon request. Borrower will timely pay all fees, investigative fees and costs required by the Gaming Authorities with respect to any such approvals and licenses. Borrower will and will cause Mortgage Borrower to diligently and comprehensively respond to any inquiries and requests from the Gaming Authorities and promptly file or cause to be filed any additional information required in connection with any required filings as soon as practicable after receipt of requests therefor.

(d) Upon request of Lender, Borrower shall deliver to Lender (or cause Operating Company to deliver to Lender) such evidence of compliance (by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company and each Individual Property) with all Legal Requirements, including Gaming Laws as shall be reasonably requested by Lender. Borrower shall immediately deliver to Lender (and shall cause Operating Company and Mortgage Borrower to deliver to Lender) any notice of material non-compliance or material violation of any Legal Requirement, or of any material inquiry or investigation commenced by the Gaming Authorities in connection with any of the Properties. Borrower shall immediately notify Lender if it, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company believe that any material license, including any Gaming License, is being or could be revoked or suspended, or that any action is pending, being considered or being, or could be, taken to revoke or suspend Borrower's, Senior Mezzanine Borrower's, Mortgage Borrower's or Operating Company's material licenses, including the Gaming Licenses, or to fine, penalize or impose remedies upon Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company, or that any action is pending, being considered, or being, or could be, taken to discontinue, suspend, deny, decrease or recoup any payments due, made or coming due to Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company, in each case if same might reasonably be expected to have an Individual Material Adverse Effect. Borrower shall immediately deliver to Lender any notice received by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company alleging or relating to the material non-compliance by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company with any Legal Requirements, including Gaming Laws.

(e) In the event that any of the Operating Leases expire or are terminated (without limiting any obligation of Borrower to obtain Lender's consent to any termination or modification of any of the Operating Leases in accordance with the terms and provisions of this Agreement), Borrower shall cause Mortgage Borrower to promptly enter into a replacement Operating Lease (in form and substance satisfactory to Lender) with Operating Company or another operating company reasonably satisfactory to Lender, provided Borrower will obtain a Rating Agency Confirmation as a condition to the effectiveness of such replacement Operating Lease and that Borrower will cause Guarantor (Operating Lease) to execute and deliver an operating lease guaranty in the same form and substance as the Operating Lease Guaranty.

(f) Borrower shall cause Mortgage Borrower to: (i) promptly perform and/or observe, in all material respects, all of the covenants and agreements required to be performed and observed by it under the Operating Lease and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any material default under any Operating Lease or Operating Lease Guaranty of which it is aware; (iii) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, notice, report and estimate received by it under each Operating Lease; and (iv) enforce the performance and observance of all of the material covenants and agreements required to be performed and/or observed by each Operating Company under each Operating Lease and by each Guarantor (Operating Lease) under each Operating Lease Guaranty, in a commercially reasonable manner.

(g) Borrower shall cause Mortgage Borrower to cause the Hotel Components to be at all times open for business as a hotel and the Casino Components to be open for business as a casino, except to the extent necessary to undertake any alterations or repairs (subject to the provisions of this Agreement with respect to the performance of any such alterations or repairs). Borrower shall cause each Individual Property to be at all times operated, managed and maintained, at all times and in the manner and accordance with the standards required pursuant to the Operating Leases and all applicable Legal Requirements in all material respects.

(h) If Mortgage Borrower shall be in material default under any Operating Lease, then, subject to the terms of such Operating Lease, Borrower shall cause Mortgage Borrower (subject to any applicable Legal Requirements) to grant Lender the right (but not the obligation), to cause the default or defaults under such Operating Lease to be remedied and otherwise exercise any and all rights of Mortgage Borrower under such Operating Lease, as may be necessary to prevent or cure any default provided such actions are necessary to protect Lender's interest under the Loan Documents, and Lender shall have the right to enter all or any portion of the affected Individual Property at such times and in such manner as Lender deems necessary, to prevent or to cure any such default. The actions or payments of Lender to cure any default by Mortgage Borrower under any Operating Lease shall not remove or waive, as between Borrower and Lender, any default that may occur or occurred under this Agreement by virtue of such default by Mortgage Borrower under such Operating Lease. All out-of-pocket sums reasonably expended by Lender to cure any such default shall be paid by Borrower to Lender, upon demand, with interest on such sum at the rate set forth in this Agreement from the date such sum is expended to and including the date the reimbursement payment is made to Lender. All such indebtedness shall be deemed to be secured by the Pledge Agreement and the Collateral.

(i) Borrower shall notify Lender promptly in writing of (i) the occurrence, to Borrower's knowledge, of any material default by any party to any Operating Lease or any Operating Lease Guaranty, (ii) the occurrence, to Borrower's knowledge, of any event that, with the passage of time or service of notice, or both, would constitute a material default by any party under any Operating Lease or any Operating Lease Guaranty, and (iii) the receipt by Borrower or its Affiliate of any notice (written or otherwise) from any party under any Operating Lease or any Operating Lease Guaranty noting or claiming the occurrence of any material default by Borrower under such Operating Lease or such Operating Lease Guaranty.

(j) Borrower shall (subject to any applicable Legal Requirements) promptly cause Mortgage Borrower to execute, acknowledge and deliver to Lender such instruments as may reasonably be required to permit Lender to cure any material default under any Operating Lease or permit Lender to take such other action required to enable Lender to cure or remedy the matter in default and preserve the value of the security interest of Lender under the Loan Documents with respect to the Collateral. Upon the occurrence and during the continuance of an Event of Default, Borrower irrevocably appoints Lender as its true and lawful attorney-in-fact to do, in its name or otherwise, any and all acts and to execute any and all documents that are necessary to preserve any rights of Mortgage Borrower under or with respect to any Operating Lease, including, without limitation, the right to effectuate any extension or renewal of any Operating Lease, or to preserve any rights of Mortgage Borrower whatsoever in respect of any part of any Operating Lease (and the above powers granted to Lender are coupled with an interest and shall be irrevocable).

(k) With respect to any Operating Lease or any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days' prior written request from Lender, execute, acknowledge and deliver to Lender, a statement containing the following: (A) a statement that such Operating Lease or such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease or the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications, (B) a statement that Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Borrower's knowledge, either the other party thereto is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to the Operating Lease or the Operating Lease Guaranty as Lender shall reasonably request.

(l) With respect to any Operating Lease, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from each Operating Company containing the following: (A) a statement that such Operating Lease is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease is in full force and effect as modified and setting forth such modifications, (B) a statement that Operating Company is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Operating Company's knowledge, the Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description

of such default and the steps being taken to cure such default and (D) such other information with respect to Operating Company, any Operating Lease and/or any Operating Lease Guaranty as Lender shall reasonably request.

(m) With respect to any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from Guarantor (Operating Lease) containing the following: (A) a statement that such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications; (B) a statement that Guarantor (Operating Lease) is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default; and (C) such other information with respect to such Guarantor (Operating Lease) and/or Operating Lease Guaranty as Lender shall reasonably request.

**5.1.23 Ground Lease Estoppel.** Borrower shall, on or prior to May 28, 2008, either (i) effect the substitution of the Properties commonly known as "Paris Las Vegas" and "Harrah's Laughlin" for the Individual Properties referred to as "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe" and "Showboat Atlantic City" as described in Section 2.5.2 of this Agreement or (ii) (x) cause the occurrence of the events set forth in paragraph 1, clause (ii) of the Ground Lease Side Letter and (y) in connection therewith, deliver to Lender updates to its UCC Title Insurance Policy and any endorsements to the Mortgage Borrower's owner's policies delivered to Lender in connection with the closing of the Loan, together with such other documents, instruments and new or updated opinions (including as to enforceability, non-consolidation and true lease matters) as Lender may reasonably request. The failure by Borrower to cause the occurrence of the event described in clause (i) or of the events described in clause (ii) above, on or prior to May 28, 2008 shall constitute a "Ground Lease Estoppel Trigger Event" hereunder, but shall not constitute a Default or an Event of Default hereunder.

**5.1.24 Mortgage Loan Reserve Funds.** Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to deposit and maintain each of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds (if any) as more particularly set forth in Article VII of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement and to perform and comply with all the terms and provisions relating thereto. Borrower grants to Lender a first-priority perfected security interest in Borrower's interest in each of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds, if any, subject to the prior rights of Mortgage Lender and Senior Mezzanine Lender, and any and all monies now or hereafter deposited in each Mortgage Loan Reserve Fund and Senior Mezzanine Loan Reserve Funds as additional security for payment of the Debt to the extent Borrower has an interest in same. Subject to the qualifications regarding Mortgage Lender's and Senior Mezzanine Lender's interest in the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds (as applicable), if any, until expended or applied in accordance with the Mortgage Loan Documents, Senior Mezzanine Loan Documents or the Loan Documents, Borrower's interest in the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds shall constitute additional security for the Debt and upon the occurrence of an Event of Default, Lender may, in addition to any and all other remedies available to Lender, apply any sums then present in any or

all of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds to the payment of the Debt in any order in its sole discretion and/or hold the same as Collateral for the Loan.

**5.1.25 Notices.** Borrower shall give notice, or cause notice to be given to Lender promptly upon the occurrence and during the continuance of an Event of Default and upon any of the following:

(a) any Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default;

(b) any default or event of default under any contractual obligation of Borrower, or, to the knowledge of Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor that could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect;

(c) any litigation or proceeding affecting Borrower, or, to the knowledge of Borrower, affecting any of Mortgage Borrower, Senior Mezzanine Borrower, Operating Company, Principal or Guarantor, which could or could reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect; or

(d) a change in the business, operations, property or financial or other condition or prospects of Borrower, or, to the knowledge of Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor which could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect.

**5.1.26 Special Distributions.** On each date on which amounts are required to be paid to Lender under any of the Loan Documents (or required be disbursed to the Mezzanine Collection Account, if applicable) Borrower shall exercise its rights under the First Mezzanine Borrower Company Agreement to cause Senior Mezzanine Borrower to make to Borrower a distribution in an aggregate amount such that Lender shall receive the amount required to be disbursed to the Mezzanine Collection Account or otherwise paid to Lender on such date.

**5.1.27 Curing.** Lender shall have the right, but shall not have the obligation, to exercise Borrower's rights under the First Mezzanine Borrower Company Agreement (a) to cure a Mortgage Loan Default, or Senior Mezzanine Loan Default, (b) to cure a Mortgage Loan Event of Default, or Senior Mezzanine Loan Event of Default, (c) to satisfy any Liens, claims or judgments against the Properties (except for Liens permitted by the Mortgage Loan Documents or Senior Mezzanine Loan Documents), (d) to satisfy any Liens, claims or judgments against the Senior Mezzanine Collateral, in the case of either (a), (b) or (c), unless Borrower, Senior Mezzanine Borrower or Mortgage Borrower shall be diligently pursuing remedies to cure the Mortgage Loan Default, the Senior Mezzanine Loan Default, the Senior Mezzanine Loan Event of Default or Mortgage Loan Event of Default or to satisfy any such Liens, claims or judgments, in either case to Lender's sole satisfaction. Borrower shall reimburse Lender on demand for any and all costs incurred by Lender in connection with curing

any such Mortgage Loan Default, Senior Mezzanine Loan Default, Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default or satisfying any Liens, claims or judgments against any of the Properties or the Senior Mezzanine Collateral.

**5.1.28 Senior Borrower Covenants.** Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to comply with all obligations with which Mortgage Borrower and/or Senior Mezzanine Borrower have covenanted to comply under the Mortgage Loan Agreement, Senior Mezzanine Loan Agreement, all Senior Mezzanine Loan Documents and all other Mortgage Loan Documents, as applicable (including, without limitation, those certain affirmative and negative covenants set forth in Article V of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement), unless otherwise consented to in writing by Lender.

**Section 5.2. Negative Covenants.** From the date hereof until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Liens of the Collateral in accordance with the terms of this Agreement and the other Loan Documents, Borrower covenants and agrees with Lender that it will not do, directly or indirectly, any of the following (without, in each case, the prior written consent of Lender):

**5.2.1 Operation of Properties.** (a) Borrower shall not cause or permit Mortgage Borrower to, without Lender's prior consent: (i) surrender, terminate or cancel (or permit to be surrendered, terminated or canceled) any of the Operating Leases or any Operating Lease Guaranty; (ii) reduce or consent to the reduction of (or permit the reduction or the consent to the reduction) of the term of any of the Operating Leases; (iii) decrease or consent to any decrease (or permit to be decreased or the consent to the decrease) of the amount of any rent or other charges payable under any of the Operating Leases; (iv) Transfer, convey, assign, sell, mortgage, encumber, pledge, hypothecate, grant a security interest in, grant an option or options with respect to, or otherwise dispose of (directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, whether or not for consideration) the Properties or any collateral for the Mortgage Loan (or permit Operating Company to do so), in each case without the prior written consent of Lender or except as expressly permitted in **Section 5.2.10**, or (v) otherwise modify, change, supplement, alter or amend, or waive or release (or permit to be modified, changed, supplemented, altered, amended, waived or released) any of the rights and remedies of Borrower, Mortgage Borrower or any Operating Company under any of the Operating Leases in any material respect or any Operating Lease Guaranty (provided that Lender shall not unreasonably withhold its consent to any modification, change, supplement, alteration, amendment, waiver or release of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document).

(b) During the continuance of an Event of Default, Borrower shall not exercise (and shall not cause or permit Mortgage Borrower to exercise) any rights, make any decisions, grant any approvals or otherwise take any action under any Operating Lease, Operating Lease Guaranty or any management agreement without, in each instance, the prior written consent of Lender, which consent may be withheld in Lender's sole discretion.

**5.2.2 Liens.** (a) Borrower shall not create, incur, assume or suffer to exist any Lien on any of the Collateral, except Liens created by or permitted pursuant to the Loan

Documents. Borrower shall not, and shall not cause or permit Mortgage Borrower or Senior Mezzanine Borrower to create, incur, assume or suffer to exist any Lien on any portion of any Individual Property or Senior Mezzanine Collateral or permit any such action to be taken, except:

- (i) Permitted Encumbrances;
- (ii) Liens created by or permitted pursuant to the Loan Documents, Senior Mezzanine Loan Documents or Mortgage Loan Documents; and
- (iii) Liens for Taxes or Other Charges not yet due.

(b) Borrower shall not incur any Indebtedness other than the Loan, shall not permit Mortgage Borrower to incur any Indebtedness other than the Mortgage Loan and Permitted Indebtedness (as defined in the Mortgage Loan Agreement), and shall not permit Senior Mezzanine Borrower to incur any Indebtedness other than the Senior Mezzanine Loans. Borrower shall not permit any Operating Company to incur Indebtedness in excess or other than Permitted Indebtedness (Operating Company).

**5.2.4 Change in Business.** Borrower shall not cause Mortgage Borrower to enter into any line of business other than the ownership and operation of any of the Properties and other activities reasonably ancillary thereto, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. In addition, Borrower shall not permit or cause Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower by any Person, except for adequate consideration and in the ordinary cause of Mortgage Borrower's business. Borrower shall not enter into any line of business other than the ownership of the Collateral, or make any material change in the scope or nature of its business objectives,

purposes or operations, or undertake or participate in activities other than the continuance of its present business. **5.2.5 Debt Cancellation.** Borrower shall not, and shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, cancel or otherwise forgive or release any claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower, Borrower or Senior Mezzanine Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's, Borrower's or Senior Mezzanine Borrower's business. In addition, Borrower shall not permit or cause itself, Senior Mezzanine Borrower, or Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Senior Mezzanine Borrower, Borrower or Mortgage Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's, Borrower's or Senior Mezzanine Borrower's business.

**5.2.6 Zoning.** Borrower shall not, and shall not permit Mortgage Borrower or Operating Company to, initiate or consent to any zoning reclassification of any portion of any Individual Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of any Individual Property in any manner that could result in such use becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of Lender.

**5.2.7 Ground Lease.** Borrower shall not (or shall not cause or permit Mortgage Borrower or Ground Lease Subsidiary, as applicable, to) (a) fail to pay any rent, additional rent or other charge mentioned in or made payable under any Ground Lease as and when such rent or other charge is due (unless waived in writing by the ground lessor under such Ground Lease), (b) permit to occur any event of default (beyond any applicable notice, grace or cure periods) by any Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant under the related Ground Lease, in the observance or performance of any term, covenant or condition of such Ground Lease on the part of such Mortgage Borrower or Ground Lease Subsidiary, as applicable, to be observed or performed (unless waived in writing by the ground lessor under such Ground Lease), (c) permit any one or more of the events referred to in any Ground Lease to occur which would cause such Ground Lease to terminate without notice or action by the ground lessor under such Ground Lease or which would entitle such ground lessor to terminate such Ground Lease and the term thereof by giving notice to the related Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant thereunder (unless waived in writing by the ground lessor under such Ground Lease), (d) permit the leasehold estate created by any Ground Lease to be surrendered or any Ground Lease to be terminated or canceled for any reason or under any circumstances whatsoever or (e) permit any of the terms, covenants or conditions of any Ground Lease to be materially modified, materially changed, materially supplemented, materially altered, or materially amended without the consent of Lender except as otherwise may be permitted by this Agreement.

**5.2.8 Principal Place of Business and Organization.** Borrower shall not, nor shall Borrower permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, change the place of its organization as set forth in Section 4.1.28 without the consent of Lender, which consent shall not be unreasonably withheld. Upon Lender's request, Borrower shall (and shall cause Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to) execute and deliver additional financing statements, security agreements and other instruments which may be necessary to effectively evidence or perfect Mortgage Lender's security interest in any of the Properties, any Senior Mezzanine Lender's Security Interest in the related Senior Mezzanine Collateral or Lender's security interest in the Collateral as a result of such change of place of organization.

**5.2.9 ERISA.** (a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of the Loan, as requested by Lender in its sole discretion, that (i) Borrower is not an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(32) of ERISA; (ii) Borrower is not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans; and (iii) one or more of the following circumstances is true:

(A) Equity interests in Borrower are publicly offered securities, within the meaning of 29 C.F.R. § 2510.3-101(b)(2);

(B) Less than twenty-five percent (25%) of each outstanding class of equity interests in Borrower is held by "benefit plan investors" within the meaning of 29 C.F.R. § 2510.3-101(f)(2); or

(C) Borrower qualifies as an "operating company" or a "real estate operating company" within the meaning of 29 C.F.R. § 2510.3-101(c) or (e).

**5.2.10 Transfers.** (a) Without the prior consent of Lender and except to the extent otherwise set forth in this Section 5.2.10, Borrower shall not, and shall not permit any other Person holding any direct or indirect legal, economic, beneficial or other ownership interest in Borrower, the Collateral, the Senior Mezzanine Collateral or one or more of the Properties to, (1) Transfer all or any part of the Collateral, the Senior Mezzanine Collateral or one or more of the Properties, (2) permit any Transfer (directly or indirectly) of any direct or indirect interest in Borrower, or (3) permit any Transfer (directly or indirectly) of any direct or indirect interest in Operating Company or any transfer or assignment or subletting (of all or substantially of any Individual Property) by any Operating Company under any Operating Lease.

(b) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) an indirect beneficial interest in Borrower consisting of ownership

interests in or at any level above the level of Ninth Mezzanine Borrower shall be permitted without Lender's consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Borrower is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, (iii) subsequent to such Transfer, Borrower will continue to be a Special Purpose Entity, (iv) if (1) such Transfer causes the Transferee to own, in the aggregate with the ownership interests of its Affiliates, more than a forty nine percent (49%) interest in Borrower (and the Transferee (together with the ownership interests of its Affiliates) did not, prior to such Transfer, own more than a forty-nine percent (49%) interest in Borrower), or (2) such Transfer, together with all other Transfers by Borrower, whether in a single Transfer or in a series of Transfers and whether or not effected simultaneously, results in a Transfer of more than forty-nine percent (49%) of the aggregate interests in Borrower, then an acceptable non-consolidation opinion is delivered to the holder of the Loan and to each of the Rating Agencies concerning, as applicable, Borrower, the new Transferee and/or their respective owners, and (v) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions. Further, a Change in Control shall be deemed a Transfer hereunder and, unless clauses (ii) through (v) of this Section 5.2.10(b) shall be satisfied, the same shall be an Event of Default hereunder (and for the sake of clarity, nothing else contained in this Section 5.2.10 or this Agreement shall be deemed to limit or qualify the above terms of this sentence).

(c) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) a direct or indirect beneficial interest in Operating Company shall be permitted without Lender's consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Operating Company is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, and (iii) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions.

(d) In the event that a permitted Transfer of more than a forty nine percent (49%) interest in Borrower is made pursuant to this Section 5.2.10, at Borrower's request, Lender shall release Guarantor from (i) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty for obligations and liabilities arising from and after the date of such Transfer, and (ii) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred either prior or subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty, including those which occurred prior to the Transfer. Notwithstanding the foregoing or anything else that may be construed to the contrary, in no event

may Borrower effect a Transfer, or permit or suffer any Transfer, that would result in any loss or impairment of any Gaming License or in any similar event that would have an Individual Property Material Adverse Effect or Aggregate Property Material Adverse Effect.

(e) Notwithstanding the foregoing or anything herein to the contrary, but subject to the final sentence of Section 5.2.10(d), nothing contained in this Agreement or the other Loan Documents shall in any way restrict or prohibit, nor shall any notice to Lender or consent of Lender or Rating Agency Confirmation be required in connection with the Transfer or issuance in the ordinary course of any securities in any Person whose securities are publicly traded on a national exchange (except to the extent that the same would cause a Change of Control) or with an initial public offering of securities issued by Holdings or of subsidiary of Holdings (other than the Borrower and any Mezzanine Borrower (provided that, in the case of an issuance by a subsidiary, such issuance would not cause a Change of Control)).

(f) Assumptions of the Loan shall be permitted, provided that the following conditions are satisfied and/or occur to Lender's satisfaction:

(i) such sale has been approved or deemed approved under the Mortgage Loan Documents and Senior Mezzanine Loan Documents and all conditions set forth in the Mortgage Loan Documents and Senior Mezzanine Loan Documents relating thereto have been satisfied;

(ii) an assumption of this Agreement, the Note, the Pledge Agreement and the other Loan Documents as so modified by the proposed transferee, subject to the provisions of Section 9.3 hereof;

(iii) payment of all of reasonable out-of-pocket costs and expenses incurred in connection with such Transfer including, without limitation, the cost of any legal fees and expenses, Rating Agency fees and expenses or required legal opinions;

(iv) the payment of a non-refundable assumption fee equal to Lender's Share of One Million and No/100 Dollars (\$1,000,000) per transaction (effecting an assumption of the Loan) or series of related transactions (effected to implement an assumption of the Loan);

(v) the delivery of an Additional Insolvency Opinion reflecting the proposed transfer satisfactory in form and substance to Lender; and the delivery of an Additional True-Lease Opinion in form and substance satisfactory to Lender;

(vi) the proposed Transferee being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees;

(vii) the Operating Company being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees, having sufficient experience (or having a manager that has sufficient experience) in the management of properties similar to the Properties, and such Operating Company or its manager not having materially less than the same level of experience in the operation of properties similar to the Properties as the current Operating Company under the Operating Lease and, in each case, Lender

shall be provided with reasonable evidence thereof (and Lender reserves the right to approve the Transferee(s) without approving the substitution of the Operating Company) and the operating tenant shall be either the Operating Company or, if permitted by applicable Legal Requirements, a manager acceptable to Lender under a management agreement acceptable to Lender; provided that so long as the Operating Lease is in force and effect and the current Operating Company shall continue to be the tenant thereunder and owned and Controlled by the same Person(s) that currently own and Control the Operating Company, the condition with respect to the Operating Company set forth in this subclause (vi) shall be deemed to have been met in all respects;

(viii) the delivery of evidence reasonably satisfactory to Lender that the single purpose nature and bankruptcy remoteness of Borrower, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the then current standards of Lender and the Rating Agencies; and the Transferee(s)' continued compliance with the representations and covenants set forth in Section 4.1.30 and Section 5.2.9 hereof;

(ix) Borrower's delivery to Lender of evidence reasonably satisfactory to Lender of any required approval or consent of any Governmental Authority, including the Gaming Authorities, that has direct or indirect authority or oversight over Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Properties, Operating Company or the operations conducted at the Properties to the change in ownership and/or operator of the Properties (or any part thereof);

(x) prior to any release of the Guarantor, a substitute guarantor reasonably acceptable to Lender shall have assumed all of the obligations of the Guarantor under the Guaranty (FF&E), the Guaranty (Recourse Carveouts), the Operating Lease Guaranty, the Guaranty (Ground Lease Estoppel), any completion guaranty provided under Section 5.1.21 and the Environmental Indemnity or executed replacement guaranties and an environmental indemnity reasonably satisfactory to Lender;

(xi) receipt of evidence satisfactory to Lender that all of the entities which own interests in the transferee similar to the interests in Sixth Mezzanine Borrower owned by the Seventh Mezzanine Borrower (1) shall assume the Seventh Mezzanine Loan (if still outstanding) and all the agreements of Seventh Mezzanine Borrower under the Seventh Mezzanine Loan Documents (and without limiting the foregoing, all of the ownership interests in Sixth Mezzanine Borrower, all payments thereon and all proceeds thereof shall be pledged to Lender on terms no less favorable than the pledge of the Collateral under the applicable Pledge Agreement), (2) shall each be a bankruptcy remote single purpose entity, and (3) shall otherwise have a legal, financial and ownership structure that is (a) substantially the same as the Seventh Mezzanine Borrower or (b) at least as favorable to the Seventh Mezzanine Lender, as determined by the Seventh Mezzanine Lender in its reasonable discretion, as the legal, financial and ownership structure of Seventh Mezzanine Borrower;

(xii) receipt of evidence satisfactory to Lender that all of the entities which own interests in the transferee similar to the interests in Seventh Mezzanine Borrower owned

by the Eighth Mezzanine Borrower (1) shall assume the Eighth Mezzanine Loan (if still outstanding) and all the agreements of Eighth Mezzanine Borrower under the Eighth Mezzanine Loan Documents (and without limiting the foregoing, all of the ownership interests in Seventh Mezzanine Borrower, all payments thereon and all proceeds thereof shall be pledged to Lender on terms no less favorable than the pledge of the Collateral under the applicable Pledge Agreement), (2) shall each be a bankruptcy remote single purpose entity, and (3) shall otherwise have a legal, financial and ownership structure that is (a) substantially the same as the Eighth Mezzanine Borrower or (b) at least as favorable to the Eighth Mezzanine Lender, as determined by the Eighth Mezzanine Lender in its reasonable discretion, as the legal, financial and ownership structure of Eighth Mezzanine Borrower;

(xiii) receipt of evidence satisfactory to Lender that all of the entities which own interests in the transferee similar to the interests in Eighth Mezzanine Borrower owned by the Ninth Mezzanine Borrower (1) shall assume the Ninth Mezzanine Loan (if still outstanding) and all the agreements of Ninth Mezzanine Borrower under the Ninth Mezzanine Loan Documents (and without limiting the foregoing, all of the ownership interests in Eighth Mezzanine Borrower, all payments thereon and all proceeds thereof shall be pledged to Lender on terms no less favorable than the pledge of the Collateral under the applicable Pledge Agreement), (2) shall each be a bankruptcy remote single purpose entity, and (3) shall otherwise have a legal, financial and ownership structure that is (a) substantially the same as the Ninth Mezzanine Borrower or (b) at least as favorable to the Ninth Mezzanine Lender, as determined by the Ninth Mezzanine Lender in its reasonable discretion, as the legal, financial and ownership structure of Ninth Mezzanine Borrower;

(xiv) a written consent to the transfer from the lender under each Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender;

(xv) subsequent to such assumption of the Loan, the beneficial ownership of Borrower and Operating Company will be substantially identical; and

(xvi) the delivery of a new Owner's Title Policy, in an amount equal to the value of the Properties, together with an endorsement to Lender in form and substance reasonably satisfactory to Lender.

Lender agrees to provide a written consent to a transfer pursuant to this Section 5.2.10(f) upon satisfaction of all of the conditions set forth in this Section 5.2.10(f) other than the condition set forth in clause (xy) of this Section 5.2.10(f).

(g) Restrictions on Transfers set forth herein or in the Pledge shall not apply to (i) the pledge of the Collateral to Lender pursuant to the Pledge Agreement, (ii) the pledge by First Mezzanine Borrower of the ownership interests in Mortgage Borrower as security for the First Mezzanine Loan pursuant to the First Mezzanine Loan Agreement, (iii) the pledge by

Second Mezzanine Borrower of the ownership interests in First Mezzanine Borrower as security for the Second Mezzanine Loan pursuant to the Second Mezzanine Loan Agreement, (iv) the pledge by Third Mezzanine Borrower of the ownership interests in Second Mezzanine Borrower as security for the Third Mezzanine Loan pursuant to the Third Mezzanine Loan Agreement, (v) the pledge by Fourth Mezzanine Borrower of the ownership interests in Third Mezzanine Borrower as security for the Fourth Mezzanine Loan pursuant to the Fourth Mezzanine Loan Agreement, (vi) the pledge by Fifth Mezzanine Borrower of the ownership interests in Fourth Mezzanine Borrower as security for the Fifth Mezzanine Loan pursuant to the Fifth Mezzanine Loan Agreement, (vii) the pledge by Seventh Mezzanine Borrower of the ownership interests in Borrower as security for the Seventh Mezzanine Loan pursuant to the Seventh Mezzanine Loan Agreement, (viii) the pledge by Eighth Mezzanine Borrower of the ownership interests in Seventh Mezzanine Borrower as security for the Eighth Mezzanine Loan pursuant to the Eighth Mezzanine Loan Agreement, (ix) the pledge by Ninth Mezzanine Borrower of the ownership interests in Eighth Mezzanine Borrower as security for the Ninth Mezzanine Loan pursuant to the Ninth Mezzanine Loan Agreement, (x) any pledge pursuant to a New Mezzanine Loan or (xi) the Transfer or pledge of any direct or indirect interest in Holdings, provided that no Change in Control shall occur.

(h) Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer without Lender's consent. This provision shall apply to every Transfer regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer.

**5.2.11 Operating Lease Subsidiary.** Borrower shall not cause or permit Mortgage Borrower to Transfer any of its interests in Ground Lease Subsidiary without the prior written consent of Lender; Borrower shall not permit Mortgage Borrower to cause or permit Ground Lease Subsidiary to own any assets other than its interests in the Ground Lease or to incur any liabilities other than liabilities under the Ground Lease; Borrower shall not permit Mortgage Borrower to cause or permit Ground Lease Subsidiary to engage in any business other than that related to its ownership of interests in the Ground Lease.

**5.2.12 Limitations on Distributions.** Following the occurrence and during the continuance of an Event of Default, Borrower shall not make any distributions to its members. If any Distributions shall be received by Borrower or any Affiliate of Borrower after the occurrence and during the continuance of an Event of Default, Borrower shall hold, or shall cause the same to be held, in trust for the benefit of Lender.

**5.2.13 Other Limitations.** Prior to the payment in full of the Debt, neither Borrower nor any of its Affiliates shall, without the prior written consent of Lender (which may be furnished or withheld at its sole and absolute discretion), give its consent or approval to any of the following actions or items: the distribution by Mortgage Borrower or Senior Mezzanine Borrower of property other than cash.

**5.2.14 Refinancing.** Borrower shall not consent to or permit a refinancing of the Mortgage Loan or Senior Mezzanine Loan unless it obtains the prior consent of Lender, unless the Loan shall be paid in full in connection with such refinancing in accordance with this

Agreement. Borrower shall not consent to or permit a prepayment in full or in part of the Mortgage Loan or Senior Mezzanine Loan unless it obtains the prior consent of Lender, unless the Loan shall likewise be prepaid (in the same proportion, in the case of any partial prepayment) in accordance with this Agreement.

**Section 5.3. General.** For avoidance of doubt, all requirements contained in this Article V with respect to the Operating Company shall mean that it shall be a Default or Event of Default hereunder if Operating Company fails to perform in the specified manner, but Lender acknowledges that Operating Company is not a party to this Agreement and that Borrower does not control Operating Company.

## VI. INSURANCE; CASUALTY; CONDEMNATION

**Section 6.1. Insurance.** (a) Borrower shall cause Mortgage Borrower to maintain at all times during the term of the Loan the Policies required under Section 6.1 of the Mortgage Loan Agreement, including, without limitation, meeting all insurer requirements thereunder. In addition, Borrower shall cause Lender to be named “as their interest may appear”, under the Policies required under Sections 6.1(a)(i), (ii), (iii), (iv), (v), (vi), (vii), (viii), (ix), (x) and (xi) of the Mortgage Loan Agreement and as an “additional insured” with respect to liability coverages. Borrower shall also cause all insurance policies required under this Section 6.1 to provide for at least thirty (30) days’ prior notice to Lender in the event of policy cancellation or material changes. Borrower shall provide Lender with evidence of all such insurance required hereunder on or before the date on which Mortgage Borrower is required to provide such evidence to Mortgage Lender. For purposes of this Agreement, Lender shall have the same approval rights over the insurance referred to above and in the Mortgage Loan Agreement (including, without limitation, the insurers, deductibles and coverages thereunder, as well as the right to require other reasonable insurance pursuant to Section 6.1 of the Mortgage Loan Agreement) as are provided in favor of the Mortgage Lender in the Mortgage Loan Agreement.

(b) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in any of the Properties or the Collateral, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate (but limited to the coverages and amounts required under the Mortgage Loan Agreement) and all premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and shall bear interest at the Default Rate.

**Section 6.2. Casualty.** If the Individual Property shall be materially damaged or destroyed, in whole or in part, by fire or other casualty (a “Casualty”), Borrower shall give prompt notice of such damage to Lender and shall cause Mortgage Borrower to promptly commence and diligently prosecute the completion of the Restoration of the Individual Property as nearly as possible to the condition the Individual Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Lender and otherwise in accordance with Section 6.4 of the Mortgage Loan Agreement. Borrower shall cause Mortgage Borrower to pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower

or Mortgage Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than, in the case of each Casualty, an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for the affected Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for the affected Individual Property, and Borrower shall deliver to Lender all instruments required by Lender to permit such participation.

**Section 6.3. Condemnation.** Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of any Individual Property and shall cause Mortgage Borrower to deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If any Individual Property or any portion thereof is taken by a condemning authority, Borrower shall cause Mortgage Borrower to promptly commence and diligently prosecute the Restoration of the applicable Individual Property and otherwise comply with the provisions of Section 6.4 of the Mortgage Loan Agreement. If any Individual Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

**Section 6.4. Restoration.** Borrower shall, or shall cause Mortgage Borrower to, deliver to Lender all reports, plans, specifications, documents and other materials that are delivered to Mortgage Lender under Section 6.4 of the Mortgage Loan Agreement in connection with the Restoration of any Individual Property after a Casualty or Condemnation.

## VII. RESERVE FUNDS

### **Section 7.1. Intentionally Omitted.**

**Section 7.2. Tax and Insurance Escrow Fund.** (a) If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, on each Payment Date during such period, Borrower shall pay to Lender (or Servicer, as directed by Lender) an amount equal to (i) one-twelfth of the Taxes that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes at least thirty (30) days prior to their respective due dates, and

(ii) one-twelfth of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (i) and (ii) above hereinafter called the “**Tax and Insurance Escrow Fund**”). Lender shall apply the Tax and Insurance Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.1.2 hereof and under the Mortgage Loan Agreement. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 5.1.2 hereof, provided no Event of Default shall have occurred and be continuing, then Lender shall return any excess to Borrower (or to Operating Company, if so directed by Borrower). In allocating such excess, Lender may deal with the Person shown on the records of Lender to be the owner of the Properties. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes and Insurance Premiums by the dates set forth in (i) and (ii) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

(b) Notwithstanding the foregoing, Borrower shall not be required to make any deposits into the Tax and Insurance Escrow Fund on account of Insurance Premiums if (and for so long as) Borrower shall maintain a blanket insurance policy in respect of the Properties that is in accordance with the provisions of Section 6.1(a) and otherwise satisfactory to Lender in all material respects.

(c) Any amount remaining in the Tax and Insurance Escrow Fund following the occurrence of a Trigger Event Cure shall be returned to Borrower (or Operating Company, as directed by Borrower).

**7.2.1 Waiver of Tax Escrow.** Borrower shall be relieved of its obligation to make deposits of Tax and Insurance Escrow Fund under Section 7.2 above, provided that (a) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a tax escrow account under the Mortgage Loan or Senior Mezzanine Loan, and (b) Lender receives evidence acceptable to it of the making of such deposits and of the payment of all such Taxes.

**7.2.2 Tax and Insurance Escrow Funds After Debt Paid.** Any Tax and Insurance Escrow Funds remaining after the Debt has been paid in full shall be remitted (i) if the Seventh Mezzanine Loan is outstanding, then to the Seventh Mezzanine Lender or (ii) if the Seventh Mezzanine Loan is no longer outstanding, then to the Eighth Mezzanine Lender in accordance with the Seventh Mezzanine Loan Agreement or (iii) if the Seventh Mezzanine Loan and the Eighth Mezzanine Loan are no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (v) if the Seventh Mezzanine

Loan, the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

### **Section 7.3. FF&E Reserve Account.**

**7.3.1 FF&E Reserve Fund.** (a) Unless Borrower shall have delivered to Lender a Guaranty (FF&E), Borrower shall pay to Lender (or Servicer, as directed by Lender) on each Payment Date an amount equal to (i) one-twelfth of three percent (3%) of the amount of all Revenues for the full calendar year prior to the first (1st) day of the month in which such Payment Date occurs, less (ii) any amount spent during the previous calendar month by Borrower or Operating Company on behalf of Borrower in accordance with the Operating Lease on account of FF&E (other than from the FF&E Reserve Fund, it being understood that amounts expended on account of FF&E from the FF&E Reserve Fund shall not be included in any deductions required pursuant to the preceding subclause (i) and that any FF&E that is purchased through disbursements from the FF&E Reserve Fund may not be subsequently financed by Borrower or Operating Company). Notwithstanding anything to the contrary contained herein, in no event shall Borrower be required to maintain in the FF&E Reserve Account an amount in excess of the aggregate amount of all FF&E deposits required to be made in the preceding calendar year (as determined, for purposes of this sentence, utilizing the monthly formula set forth in the preceding sentence). In addition, notwithstanding anything to the contrary contained herein, for purposes of determining the amount of any required FF&E Reserve Fund deposits (and for purposes of calculating such amount, monthly, based on the formula set forth in the first sentence of this Section 7.3.1), Revenues shall include Revenue from the Hotel Component and the Casino Component but shall not include non-Hotel or Casino related Revenues (e.g., Rents from retail tenants).

(b) Amounts deposited by Borrower as described in this Section 7.3.1 shall hereinafter be referred to as the "**FF&E Reserve Fund**" and the account in which such amounts are held shall hereinafter be referred to as the "**FF&E Reserve Account**".

**7.3.2 Disbursements from FF&E Reserve Account.** (a) All disbursements from the FF&E Reserve Account shall be made solely for the purpose of reimbursing Borrower (or Operating Company for FF&E bought on behalf and in the name of Borrower in accordance with the Operating Lease, as directed by Borrower) for its costs and expenses incurred, or for paying costs to be incurred, in connection with the repair, replacement and/or upgrade of FF&E at the Properties. Provided no Event of Default shall have occurred and be continuing, Lender shall, within ten (10) days following request by Borrower, make disbursements from the FF&E Reserve Fund no more frequently than once in any thirty (30) day period, in amounts no less than \$10,000 per disbursement (or a lesser amount if the total amount in the FF&E Reserve Account is less than \$10,000, in which case only one disbursement of the amount remaining in the account shall be made), and upon delivery by Borrower (or Operating Company) of Lender's standard form of draw request accompanied by copies of invoices for the amounts requested and, if required by Lender for requests in excess of \$50,000 for a single item, receipts and releases from all parties furnishing materials and/or services in connection with the requested payment.

(b) Disbursements may be made from the FF&E Reserve Account, at Borrower's election, directly to third parties (as directed by Borrower).

(c) In no event shall funds in the FF&E Reserve Account be utilized to pay (or reimburse any Person) for any Capital Expenditures or non-recurring work being performed at the Properties.

**7.3.3 Balance in the FF&E Reserve Account.** (a) The insufficiency of any balance in the FF&E Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

**7.3.4 Waiver of FF&E Reserve.** Borrower shall be relieved of its obligation to make deposits of FF&E Reserve Fund under Section 7.3 above, provided that either (a)(i) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a FF&E reserve account under the Mortgage Loan or Senior Mezzanine Loan, and (ii) Lender receives evidence acceptable to it of the making of such deposits or (b) an FF&E Guaranty is provided to Mortgage Lender.

**7.3.5 FF&E Reserve Funds After Debt Paid.** Any FF&E Reserve Funds remaining after the Debt has been paid in full shall be remitted (i) if the Seventh Mezzanine Loan is outstanding, then to the Seventh Mezzanine Lender or (ii) if the Seventh Mezzanine Loan is no longer outstanding, then to the Eighth Mezzanine Lender in accordance with the Seventh Mezzanine Loan Agreement or (iii) if the Seventh Mezzanine Loan and the Eighth Mezzanine Loan are no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (iv) if the Seventh Mezzanine Loan, the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

#### **Section 7.4. Ground Rent Funds.**

**7.4.1 Deposits of Ground Rent Funds.** If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, Borrower shall deposit with Lender (or Servicer, as directed by Lender), at least ten (10) Business Days prior to each Payment Date during such period, an amount equal to the Ground Rent that will be payable under the Ground Lease for the month in which such Payment Date occurs. Amounts deposited by Borrower as described in this Section 7.4.1 shall hereinafter be referred to as the "**Ground Rent Reserve Fund**" and the account in which such amounts are held shall hereinafter be referred to as the "**Ground Rent Reserve Account**". Such deposit may be increased by Lender in the amount Lender deems is necessary in its reasonable discretion based on any increases in the Ground Rent.

**7.4.2 Release of Ground Rent Funds.** Provided no Event of Default has occurred and is continuing, Lender shall apply the Ground Rent Reserve Funds to payments of Ground Rent. In making any payment relating to Ground Rent, Lender may do so according to any bill or statement given by the Ground Lessor without inquiry into the accuracy of such bill or statement or into the validity of any rent, additional rent or other charge thereof. If the amount of

the Ground Rent Reserve Funds shall exceed the amounts due for Ground Rent, Lender shall return any excess to Borrower.

**7.4.3 Waiver of Ground Rent Reserve.** Borrower shall be relieved of its obligation to make deposits of Ground Rent Reserve Funds under Section 7.4 above, provided that (a) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a ground rent reserve account under the Mortgage Loan or Senior Mezzanine Loan, and (b) Lender receives evidence acceptable to it of the making of such deposits and of the payment of all Ground Rent.

**7.4.4 Ground Rent Reserve Funds After Debt Paid.** Any Ground Rent Reserve Funds remaining after the Debt has been paid in full shall be remitted (i) if the Seventh Mezzanine Loan is outstanding, then to the Seventh Mezzanine Lender or (ii) if the Seventh Mezzanine Loan is no longer outstanding, then to the Eighth Mezzanine Lender in accordance with the Seventh Mezzanine Loan Agreement or (iii) if the Seventh Mezzanine Loan and the Eighth Mezzanine Loan are no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (iv) if the Seventh Mezzanine Loan, the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

**Section 7.5. Reserve Funds, Generally.** (a) Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt. Upon the occurrence and during the continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender.

(b) Borrower shall not, without obtaining the prior consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(c) The Reserve Funds shall be held by Lender (or Servicer) and may be invested at Borrower's election and direction in Permitted Investments routinely offered by the Servicer of the Securitization for investment by Borrower. All interest or other earnings on a Reserve Fund shall be added to and become a part of such Reserve Fund for the benefit of Borrower and shall be disbursed in the same manner as other monies deposited in such Reserve Fund. Borrower shall have the right to direct Lender (or Servicer) to invest sums on deposit in the Eligible Account in Permitted Investments provided (a) such investments are permitted by applicable federal, state and local rules, regulations and laws, (b) the maturity date of the Permitted Investment is not later than the date on which the applicable Reserve Funds are required for payment of an obligation for which such Reserve Fund was created, and (c) no

Event of Default shall have occurred and be continuing. Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Reserve Funds. No other investments of the sums on deposit in the Reserve Funds shall be permitted except as set forth in this Section 7.5. Borrower shall bear all reasonable costs associated with the investment of the sums in the account in Permitted Investments. Such costs shall be deducted from the income or earnings on such investment, if any, and to the extent such income or earnings shall not be sufficient to pay such costs, such costs shall be paid by Borrower promptly on demand by Lender. Lender shall have no liability for the rate of return earned or losses incurred on the investment of the sums in Permitted Investments.

(d) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Reserve Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all Persons supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

**Section 7.6. Transfer of Reserve Funds Under Mortgage Loan and Senior Mezzanine Loan.** If Mortgage Lender or Senior Mezzanine Lender waives any reserves or escrow accounts required in accordance with the terms of the Mortgage Loan Agreement or Senior Mezzanine Loan Agreement which reserves or escrow accounts are also required in accordance with the terms of this Article VII, or if the Mortgage Loan or Senior Mezzanine Loan is refinanced or paid off in full (without a prepayment of the Loan) and Reserve Funds that are required hereunder are not required under the new mortgage loan, if any, then Borrower shall cause any amounts that would have been deposited into any reserves or escrow accounts in accordance with the terms of the Mortgage Loan Agreement or Senior Mezzanine Loan Agreement to be paid to and deposited with Lender in accordance with the terms of this Article VII (and Borrower shall enter into lockbox and cash management agreements for the benefit of Lender in form and substance acceptable to Lender).

## VIII. DEFAULTS

**Section 8.1. Event of Default.** (a) Each of the following events shall constitute an event of default hereunder (an “**Event of Default**”):

(viii) if Borrower attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;

(ix) if Borrower breaches any of its respective negative covenants contained in Section 5.2 or any covenant contained in Section 4.1.30 or Section 5.1.11 hereof (and, with respect to any such breach of any covenant set forth in Section 5.1.11 which is not

the subject of any other subsection of this Section 8.1, Borrower fails to remedy such condition within ten (10) days after notice to Borrower from Lender, in the case of any such Default under Section 5.1.11 which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other such Default under Section 5.1.11);

(x) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;

(xi) if any of the assumptions contained in the Insolvency Opinion delivered to Lender in connection with the Loan, or in the Additional Insolvency Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect; or if any of the assumptions contained in the True Lease Opinion delivered to Lender in connection with the Loan, or in the Additional True Lease Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect;

(xii) if Mortgage Borrower, Operating Company or Guarantor (Operating Lease) is in default of any of its material obligations under the Operating Lease (or under another lease and/or management agreement in substitution for the Operating Lease in accordance herewith) or under the Operating Lease Guaranty (or under another operating lease guaranty in substitution for the Operating Lease Guaranty in accordance herewith) beyond any applicable notice and cure periods contained therein; or if any Operating Lease (or such other lease and/or management agreement) or any Operating Lease Guaranty (or such other operating lease guaranty) shall be surrendered or any Operating Lease or any Operating Lease Guaranty shall be terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Operating Lease (or such other lease and/or management agreement) or the Operating Lease Guaranty (or such other operating lease guaranty) shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender except as may otherwise expressly permitted in this Agreement;

(xiii) if any Affiliate of Borrower that is or becomes a party to the Windstorm Insurance Intercreditor Agreement is in default of any of its material obligations under the Windstorm Insurance Intercreditor Agreement beyond any applicable notice and cure periods contained therein; or if the Windstorm Insurance Intercreditor Agreement shall be surrendered, terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Windstorm Insurance Intercreditor Agreement shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender;

(xiv) if Borrower, Senior Mezzanine Borrower or Mortgage Borrower fails to comply with the covenants as to Prescribed Laws set forth in Section 5.1.1 hereof;

(xv) if (A) subject to any notice and cure periods contained in the applicable Ground Lease, Mortgage Borrower or Ground Lease Subsidiary, as applicable, shall fail in the payment of any rent, additional rent or other charge mentioned in or made payable by such Ground Lease as and when such rent or other charge is payable (unless waived by the landlord under such Ground Lease), (B) subject to any notice and cure periods contained in the applicable Ground Lease, there shall occur any default by Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant under such Ground Lease, in the observance or performance of any term, covenant or condition of the Ground Lease on the part of Mortgage Borrower or Ground Lease Subsidiary, as applicable, to be observed or performed (unless waived by the landlord under the Ground Lease) (other than any such default being contested by Borrower in good faith by appropriate proceedings, provided that (i) no Event of Default has occurred and remains uncured, (ii) such proceeding shall be conducted in accordance with all applicable statutes, laws and ordinances, (iii) in Lender's reasonable determination, the Ground Lease is not in imminent danger of being forfeited, terminated, cancelled or lost and the Operating Company's use and operation of the ground leased premises in connection with the operation of Harrah's Lake Tahoe", "Harvey's Lake Tahoe" or "Bill's Lake Tahoe" is not in imminent danger of being denied, forfeited, terminated, cancelled or lost and (iv) Borrower shall furnish such security as may be reasonably requested by Lender), (C) any one or more of the events referred to in any Ground Lease shall occur which would cause the Ground Lease to terminate without notice or action by the landlord under the Ground Lease or which would entitle the landlord to terminate the Ground Lease and the term thereof by giving notice to Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant thereunder (unless waived by the landlord under the Ground Lease), (D) the leasehold estate created by any Ground Lease shall be surrendered or the Ground Lease shall be terminated or canceled for any reason or under any circumstances whatsoever unless Mortgage Borrower or Ground Lease Subsidiary, as applicable, acquires the fee interest and mortgages same to Lender (unless Mortgage Borrower or Ground Lease Subsidiary, as applicable, acquires the fee interest, with Lender's prior reasonable approval, and mortgages same to Mortgage Lender) or (E) if any of the terms, covenants or conditions of any Ground Lease shall in any manner be modified, changed, supplemented, altered, or amended without the consent of Lender except as otherwise permitted by this Agreement;

(xvi) any Gaming License shall be refused, suspended, revoked, modified in a materially adverse manner or canceled or allowed to lapse or any proceeding is commenced by any Governmental Authority for the purpose of suspending, revoking or canceling any Gaming License in any materially adverse respect, or any Governmental Authority shall have appointed a conservator, supervisor or trustee to or for any of the Casino Components and, in each case of the foregoing, such action could reasonably be expected to (A) have an Individual Material Adverse Effect, (B) materially and adversely effect the continued operation of the Casino Components in the usual course of business and in substantially the same manner and to at least the same standard as was maintained prior to such action, or (C) result in any material decrease in the then expected cash flow and revenues to be derived from the Casino Components;

(xvii) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xv) above, for ten (10) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed one hundred twenty (120) days;

(xviii) if there shall be a default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Collateral or any Individual Property, or if any other such event shall occur or condition shall exist, if the effect of such event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt;

(xix) if the Liens created pursuant to any Loan Document shall cease to be a fully protected enforceable first priority security interest in the Collateral, or any portion of the Collateral is Transferred without Lender's prior written consent except as permitted hereunder; or

(xx) if a Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default shall occur.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi) or (vii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and in and to all or any of the Collateral, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents and may exercise all the rights and remedies of a secured party under the Uniform Commercial Code, as adopted and enacted by the State or States where any of the Collateral is located against Borrower and any or all of the Collateral, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in clauses (vi) or (vii) above, the Debt and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

**Section 8.2. Remedies.** (a) Upon the occurrence of an Event of Default, but in compliance with applicable Gaming Laws, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or

in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any of the Collateral. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any "one action" or "election of remedies" law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Collateral and the Collateral has been foreclosed upon, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any portion of the Collateral for the satisfaction of any of the Debt in preference or priority to any other portion of the Collateral, and Lender may seek satisfaction out of all of the Collateral or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose upon the Collateral in any manner and for any amounts secured by the Pledge Agreement then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose upon the Collateral to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose upon the Collateral to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Collateral as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to the Pledge Agreement and the other Loan Documents to secure payment of sums secured by the Pledge Agreement and other Loan Documents and not previously recovered.

(c) Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, pledges and other security documents (the "**Severed Loan Documents**") in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender's intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or

expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents. The Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date. The Severed Loan Documents shall (a) not increase the aggregate stated principal amount of the Loan, (b) provide that the weighted average spread of the Loan on the date of such severance shall equal the weighted average spread which was applicable to the Loan immediately prior to such severance (Borrower acknowledging that such Severed Loan Document may, in connection with the application of principal to the amounts evidenced by such Severed Loan Documents, subsequently cause the weighted average spread of such new notes or modified notes to change), (c) not adversely affect the overall economics to Borrower of the Loan, taken as a whole, or (d) expose Borrower to any additional costs or increased risk of any liability (beyond that or greater than that existing in the Loan Documents in effect on the date hereof).

(d) The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

(e) Any amounts recovered from the Collateral after an Event of Default may be applied by Lender toward the payment of any interest and/or principal of the Loan and/or any other amounts due under the Loan Documents in such order, priority and proportions as Lender in its sole discretion shall determine.

(f) Upon the occurrence and during the continuance of an Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder or being deemed to have cured any Event of Default hereunder, make, do or perform any obligation of Borrower hereunder in such manner and to such extent as Lender may deem necessary. Borrower shall cause Mortgage Borrower to permit Lender to enter upon any Individual Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in any Individual Property for such purposes, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 8.2, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any action or proceeding shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens,

claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefore. Upon the occurrence and during the continuance of a Senior Mezzanine Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Senior Mezzanine Borrower and without releasing Senior Mezzanine Borrower from any obligation under the Senior Mezzanine Loan Documents or being deemed to have cured any Senior Mezzanine Loan Event of Default, make, do or perform any obligation of Senior Mezzanine Borrower under Senior Mezzanine Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Senior Mezzanine Loan Event of Default or such failed payment or act shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor. Upon the occurrence and during the continuance of a Mortgage Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Mortgage Borrower and without releasing Mortgage Borrower from any obligation under the Mortgage Loan Documents or being deemed to have cured any Mortgage Loan Event of Default, make, do or perform any obligation of Mortgage Borrower under Mortgage Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Mortgage Loan Event of Default or such failed payment or act shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor.

(g) For the purpose of carrying out the provisions and exercising the rights, powers and privileges granted in this Section 8.2, Borrower hereby irrevocably constitutes and appoints the Lender its true and lawful attorney-in-fact to execute, acknowledge and deliver any instruments and do and perform any acts such as are referred to in this subsection in the name and on behalf of Borrower upon the occurrence and during the continuance of an Event of Default. This power of attorney is a power coupled with an interest and cannot be revoked.

**Section 8.3. Intentionally Omitted.**

**Section 8.4. Costs of Collection.** In the event that after an Event of Default and during the continuance thereof: (a) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (b) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents or (c) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Pledge Agreement or any of the Loan Documents, then, in any such instance, Borrower shall pay to Lender all reasonable attorneys' fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

## IX. SPECIAL PROVISIONS

**Section 9.1. Sale of Notes and Securitization.** Borrower acknowledges and agrees that the Lender may sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the “**Securities**”) secured by or evidencing ownership interests in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such sales, participations and/or securitizations, collectively, a “**Securitization**”). At the request of Lender, and to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization including, without limitation, to:

(a) provide or cause Mortgage Borrower and Senior Mezzanine Borrower to provide additional and/or updated Provided Information, together with appropriate verification and/or consents related to the Provided Information through letters of auditors or opinions of counsel of independent attorneys reasonably acceptable to Lender and the Rating Agencies;

(b) cooperate in good faith in the preparation of descriptive materials for presentations to any or all of the Rating Agencies, and work with, and if requested, supervise, third-party service providers engaged by Borrower, Holdings and their respective affiliates to obtain, collect, and deliver information requested or required by Lender or the Rating Agencies;

(c) deliver, if required or requested by any Rating Agency, (i) updated opinions of counsel as to non-consolidation, due execution and enforceability with respect to the Properties, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Collateral, the Senior Mezzanine Collateral, Principal, Holdings and their respective Affiliates and the Loan Documents, and (ii) revised organizational documents for Borrower, which counsel opinions and organizational documents shall be reasonably satisfactory to Lender and the Rating Agencies;

(d) if required by any Rating Agency, use commercially reasonable efforts to deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect any of the Properties, which estoppel letters, subordination agreements or other agreements shall be reasonably satisfactory to Lender and the Rating Agencies;

(e) execute such amendments to the Loan Documents as may be requested by Lender or the Rating Agencies to effect the Securitization and/or deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan such that the pricing and marketability of the Securities and the size of each class of Securities and the rating assigned to each such class by the Rating Agencies shall provide the most favorable rating levels and achieve the optimum rating levels for the Loan, provided that, (i) the aggregate stated principal amount of the notes, following such amendments or deliver of new or component notes, shall equal the aggregate stated principal amount of the Loan immediately prior thereto, (ii) the weighted average spread of the Loan on the date of such

amendment or delivery of new or component notes shall equal the weighted average spread which was applicable to the Loan immediately prior to such adjustment (Borrower acknowledging that such new notes or modified notes may, in connection with the application of principal to such new notes or modified note following the occurrence of an Event of Default, but not otherwise, subsequently cause the weighted average spread of such new notes or modified notes to change and (iii) the provisions of Section 2.1.5 otherwise shall apply to any such amendments and delivery of new or component notes (such provisions being incorporated herein by this reference);

(f) if requested by Lender, review any information regarding any of the Properties, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, the Collateral, the Senior Mezzanine Collateral, Holdings, the Operating Company and the Loan which is contained in a preliminary or final private placement memorandum, prospectus, prospectus supplement (including any amendment or supplement to either thereof), or other disclosure document to be used by Lender or any affiliate thereof; and

(g) supply to Lender such documentation, financial statements and reports in form and substance required in order to comply with any applicable securities laws (to the extent in Borrower's possession, or in the possession of Borrower's advisors, agents or employees), including, without limitation, if applicable, information necessary to comply with any applicable reporting or information requirements under Regulation D under the Securities Act of 1933 or Regulation S under the Securities Act of 1933.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters; except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

**Section 9.2. Securitization Indemnification.** (a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects to the extent in Borrower's possession.

(b) Borrower agrees to provide, in connection with the Securitization, an indemnification agreement (i) certifying that (A) Borrower has carefully examined the Disclosure Documents, including, without limitation, the sections entitled "Risk Factors," "Special Considerations," "Description of the Collateral," "Description of the Mezzanine Loans," "The Operating Company," "The Borrower" and "Certain Legal Aspects of the Mezzanine Loans," and (B) such sections and such other information in the Disclosure

Documents (to the extent such information relates to or includes any Provided Information or any information regarding the Properties, Borrower, Mortgage Borrower, the Collateral, the Senior Mezzanine Collateral and/or Operating Company) (collectively with the Provided Information, the “**Covered Disclosure Information**”) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (ii) indemnifying Lender, each Noteholder, JPM (whether or not it is the Lender), any Affiliate of JPM or a Noteholder that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of JPM or a Noteholder that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Indemnified Persons**”), for any losses, claims, damages, liabilities, costs or expenses (including, without limitation, legal fees and expenses for enforcement of these obligations (collectively, the “**Liabilities**”)) to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (iii) agreeing to reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Person, as they are incurred, in connection with investigating or defending the Liabilities provided, however, that Borrower shall have liability with respect to Liabilities arising out of or based upon the Covered Disclosure Information only to the extent that such Liabilities arise out of or are based upon any such untrue statement or omission made in the Covered Disclosure Information in reliance upon and in conformity with information furnished to Lender or such Noteholder by or on behalf of Borrower in connection with the preparation of the Disclosure Documents or in connection with the underwriting or the closing of the Loan (including without limitation financial statements of Borrower and operating statements and rent rolls with respect to the Properties), and in no event shall Borrower be liable for Liabilities arising from information contained in a Disclosure Document that was not provided to Borrower for comment at least five (5) Business Days prior to its dissemination or on which Borrower provided comments to Lender in writing and Lender failed to incorporate such comments (assuming such comments were accurate). This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification provided for in clauses (ii) and (iii) above shall be effective whether or not an indemnification agreement described in clause (i) above is provided.

(c) In connection with filings under the Exchange Act (if any), Borrower agrees to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not

misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against Borrower, notify Borrower in writing of the claim or the commencement of that action; provided, however, that the failure to notify Borrower shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided, further, that the failure to notify Borrower shall not relieve it from any liability which it may have to an Indemnified Person otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify Borrower thereof, Borrower shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Borrower to an Indemnified Person of its election to assume the defense of such claim or action, Borrower shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both Borrower, on the one hand, and one or more Indemnified Persons on the other hand, and an Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to Borrower, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed billing records to substantiate that such counsel's fees and disbursements are solely related to the defense of a claim for which Borrower is required hereunder to indemnify such Indemnified Person. Borrower shall not be liable for the expenses of more than one (1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior consent of the Indemnified Person in question (which consent shall not be unreasonably withheld), Borrower shall not settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless Borrower shall have given such Indemnified Person reasonable prior notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as Borrower has complied with its obligations to defend and indemnify hereunder, Borrower shall not be liable for any settlement made by any Indemnified Person without the consent of Borrower (which consent shall not be unreasonably withheld).

(f) Borrower agrees that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then Borrower, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to Borrower, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (x) but also the relative faults of Borrower, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) Borrower agrees that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees (by underwriting discount or otherwise) actually received by the Indemnified Persons in connection with the closing of the Loan or the Securitization.

(g) Borrower agrees that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. Borrower further agrees that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and Borrower under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

**Section 9.3. Exculpation.** (a) Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Pledge Agreement or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender and each Noteholder to enforce and realize upon its interest under the Note, this Agreement, the Pledge Agreement and the other Loan Documents, or in the Collateral, or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Collateral and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Pledge Agreement and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding under, or by reason of, or in connection with, the Note, this Agreement, the Pledge Agreement or the other Loan Documents. The provisions of this Section shall not, however,

(a) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (b) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Pledge Agreement; (c) affect the validity or enforceability of or any Guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (d) impair the right of Lender to obtain the appointment of a receiver; (e) intentionally omitted; (f) constitute a prohibition against Lender to seek a deficiency judgment against Borrower in order to fully realize the security granted by the Pledge Agreement or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against all of the Collateral; or (g) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any actual loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably incurred) arising out of or in connection with the following:

(i) fraud or intentional misrepresentation by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor in connection with the execution and delivery of the Loan Documents and/or the Loan;

(ii) the misappropriation, conversion or misapplication in contravention of the Loan Documents by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor of any funds of Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company, including, without limitation, (A) any Revenues, (B) any Net Liquidation Proceeds or Insurance Proceeds, (C) any Awards received in connection with a Condemnation, (D) any Rents or security deposits (or any item of Revenue, from whatever source) following an Event of Default, or (E) any distribution or other payments made in connection with any part of the Collateral or Senior Mezzanine Collateral;

(iii) the misappropriation, conversion or misapplication by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor of any security deposits or Rents paid more than one (1) month in advance;

(iv) any act of actual intentional physical waste by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor;

(v) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity Agreement concerning environmental laws, hazardous substances and asbestos and any indemnification of Lender with respect thereto in either document;

(vi) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary intentional Transfer as required by this Agreement, the Mortgage Loan Agreement or the Mortgages, as applicable;

(vii) any security deposits, advance deposits or any other deposits collected with respect to any of the Properties which are not delivered to Mortgage Lender upon a

foreclosure of any of the Properties or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof;

(viii) in the event of: (A) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor filing a voluntary petition under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (B) the filing of an involuntary petition against Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law by any Person in which Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor or any of their respective Affiliates, agents or employees colludes with or such other Person, or Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor soliciting or causing to be solicited petitioning creditors for any involuntary petition against Borrower, Operating Company or any Guarantor from any Person; (C) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it by any other Person, other than Lender, under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (D) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor or any of the Properties, the Collateral, the Senior Mezzanine Collateral or any portion thereof, other than at the request of Lender; or (E) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor making an assignment for the benefit of creditors (other than Lender), or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due;

(ix) if Borrower, Senior Mezzanine Borrower or Mortgage Borrower fails to maintain its status as a Special Purpose Entity or breaches any material representation or warranty set forth in Section 4.1.30 of this Agreement; and

(x) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary Indebtedness (other than (x) with respect to Mortgage Borrower, Permitted Indebtedness and (y) with respect to Operating Company, Permitted Indebtedness (Operating Company), as applicable) or voluntary Lien (other than Permitted Encumbrances) encumbering any of the Properties, Senior Mezzanine Collateral or Collateral as required by this Agreement, the Senior Mezzanine Loan Agreement, the Mortgage Loan Agreement, the Pledge Agreement or the Mortgages.

Notwithstanding anything to the contrary under this Agreement, neither any present or future Affiliate of Borrower (other than Guarantor, to the extent provided under the Guaranty) nor any present or future shareholder, officer, director, employee, trustee, beneficiary, advisor, partner, member, principal, participant or agent of or in any Borrower or of or in any person or entity that

is or becomes an Affiliate of any Borrower shall have any personal liability, directly or indirectly, under or in connection with the Loan Documents. Neither the negative capital account of any Affiliate of Borrower in Borrower, or in any other Affiliate of Borrower in any other Affiliate of Borrower, nor any obligation of any Affiliate of Borrower in any Borrower to restore a negative capital account or to contribute or loan capital to any Borrower or to any other Affiliate of Borrower shall at any time be deemed to be the property or an asset of any Borrower (or any other Affiliate of Borrower) and neither Lender nor its successors or assigns shall have any right to collect, enforce or proceed against any such negative capital account or obligation to restore, contribute or loan capital.

(b) Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Indebtedness or to require that all collateral shall continue to secure all of the Indebtedness owing to Lender in accordance with the Loan Documents.

**Section 9.4. Servicer.** (a) At the option of Lender, the Loan may be serviced by a servicer/trustee (the “**Servicer**”) selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to a servicing agreement (the “**Servicing Agreement**”) between Lender and Servicer. Lender shall be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement (arising in connection with the Securitization) and the payment of the monthly servicing fee due to Servicer under the Servicing Agreement, and, unless otherwise specifically set forth herein, Borrower shall be responsible for the payment of all fees and other reasonable out-of-pocket expenses incurred by Servicer resulting from any Borrower requests (for approvals or otherwise) to Servicer.

(b) In the event of a Securitization or syndication, the grant of participations in the Loan or any secondary marketing by Lender, Mortgage Borrower and the Mezzanine Borrowers, collectively may rely upon approvals or consents given by one (1) agent or representative in respect of the Mortgage Lender and the Mezzanine Lenders for the matter in question (which such parties shall designate, and pending further notice from Lender, such agent shall be JPM). Borrower shall only pay legal fees for the outside counsel of one Servicer.

**Section 9.5. Assignments and Participations.** (a) In addition to the rights Lender has under Section 9.1, Lender shall have the right, subject to this Section 9.5, to assign, sell, negotiate, pledge or hypothecate all or any portion of their rights and obligations hereunder (a “**Syndication**”). Except in connection with a Securitization, no Lender shall assign, sell, negotiate, pledge, hypothecate or otherwise transfer all or any portion of its rights in and to the Loan to any other Person (an “**Assignee**”) (a) other than in compliance with Section 9.9 hereof; and (b) unless such transaction shall be an assignment of a constant (and not varying), ratable percentage of such Lender’s interest in the Loan; provided, however, any Lender shall have the right at any time without the consent of or notice to any other Lender or other Person to grant a security interest in all or any portion of such Lender’s interest in the Loan to any Federal Reserve Bank or the central reserve bank or similar authority of any other country to secure any obligation of such Lender to such bank or similar authority (a “**Central Bank Pledge**”).

Effective on any such assignment and assumption by the assignee and on compliance with Section 9.9 hereof, the assigning Lender shall have no further liability hereunder with respect to the interest of such Lender that was the subject of such transfer and such Assignee shall be a Lender with respect to such interest, and Borrower shall have the same rights as to such Assignee with respect to such interest from and after the date of such assignment as if such Lender were an original Lender hereunder. Except for a Central Bank Pledge or financing transaction under a repurchase agreement, a Lender making any such assignment shall notify Borrower of same, specifying the Assignee thereof and the amount of the assignment and shall provide such other detail as Borrower may reasonably request to substantiate compliance with the foregoing.

**Section 9.6. Participation.** Lender may, without the consent of the Borrower, in compliance with applicable law, sell participations to one or more banks or other entities (a “**Participant**”), in all or a portion of Lender’s rights and obligations under this Agreement (including all or a portion of the Loan owing to it); provided that (A) Lender’s obligations under this Agreement shall remain unchanged, (B) Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower shall continue to deal solely and directly with Lender in connection with Lender’s rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.2.3 and 2.2.4 (subject to requirements and limitations therein) to the same extent as if it were a Noteholder and had acquired its interest by assignment pursuant to Section 9.5. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant’s interest in the Loans or other obligations under this Agreement (the “**Participant Register**”). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary.

**Section 9.7. Borrower’s Facilitation of Transfer.** In order to facilitate permitted assignments and other transfers to Assignees and sales to Participants, Borrower shall execute and deliver to Lender and shall cause Guarantor to execute and deliver to Lender such further documents, instruments or agreements as Lender may reasonably require, including, if required by Lender, supplemental notes in the principal amount of such Lender’s *pro rata* share of the Loan substantially in the form of such Lender’s Note against surrender of the prior notes, and such supplemental note shall (i) be payable to order of such Lender, (ii) be dated as of the date hereof, and (iii) mature on the Maturity Date. Such supplemental note shall provide that it evidences a portion of the existing indebtedness hereunder and under the Notes and not any new or additional indebtedness of Borrower. The term “Note” as used in this Agreement and in all the other Loan Documents shall include all such supplemental notes but exclude any Note it replaces. Notwithstanding the foregoing, such documents, instruments or agreements shall not (a) increase the obligations or liabilities of any such Person hereunder or under the other Loan Documents in excess of the obligations or liabilities intended to be provided herein or in the other Loan Documents or (b) decrease such Person’s rights hereunder or under the other Loan Documents to less than what they were prior to the execution of such documents, instruments or agreements. In addition, Borrower agrees to reasonably cooperate with Lender, including providing such information and documentation regarding Borrower, Senior Mezzanine

Borrower, Mortgage Borrower, Holdings, the Operating Company and any other Person as Lender or any potential Assignee or Participant may reasonably request and to meet with potential Assignees and Participants upon reasonable notice. Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Section 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

**Section 9.8. Notice; Registration Requirement.** No Syndication of any part of Lender's interest in and to the Loan shall be effective or permitted under Section 9.5 until (a) an assignment and acceptance agreement in a form reasonably acceptable to Lender (an "**Assignment and Acceptance**") with respect to such Syndication shall have been delivered to Lender, (b) Lender shall have registered such Assignee's name and address in the Register which Lender maintains for the recordation of the names, addresses and interests of Noteholders, and (c) if such Assignee is not already a Lender hereunder, such Assignee shall deliver any tax forms required hereunder. The entries in the Register shall be conclusive, absent manifest error. This Section 9.8 shall not apply to any Central Bank Pledge.

**Section 9.9. Registry.** Borrower hereby designates Lender to serve as Borrower's agent, solely for purposes of this Section 9.9, to maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of each Assignee, and the principal amount of the Loan (or portions thereof) owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Failure to make any such recordation, or any error in such recordation shall not affect Borrower's obligations in respect of the Loan. With respect to any Lender, the transfer of the rights to the principal of, and interest on, its interest in the Loan shall not be effective until such transfer is recorded on the Register maintained by Lender with respect to ownership of such Loan and prior to such recordation all amounts owing to the transferor with respect to such Note shall remain owing to the transferor. The registration of a transfer of all or part of the Loan shall be recorded by Lender on the Register only upon the acceptance by Lender of a properly executed and delivered Assignment and Acceptance by the assignor and assignee. At the assigning Lender's option, concurrently with the delivery of an Assignment and Acceptance pursuant to which an interest of such Lender in the Loan was assigned to such Assignee, the assigning Lender shall surrender to Borrower its Note, if any, evidencing the portion of the Loan corresponding to the interest so transferred and Borrower shall deliver to Lender one or more new promissory notes in the same aggregate principal amount issued to the assigning Lender and/or the Assignee.

**Section 9.10. Cooperation in Syndication.** Borrower agrees to assist the Lender in completing a Syndication satisfactory to the Lender. Such assistance shall include (i) direct contact between senior management and advisors of Borrower and the proposed Assignees and/or Participants, (ii) assistance in the preparation of a confidential information memorandum and other marketing materials to be used in connection with the Syndication, (iii) the hosting, with the Lender, of one or more meetings of prospective Assignees and/or Participants, (iv) the delivery of appraisals satisfactory to the Lender if required. To assist the Lender in its Syndication efforts, Borrower agrees promptly to prepare and provide to the Lender all information with respect to Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Holdings, the Operating Company, Guarantor, the Collateral, the Senior Mezzanine Collateral

and the Properties contemplated hereby, including all financial information and projections (the “**Projections**”), as the Lender may reasonably request in connection with the Syndication of the Loan. If required in connection with the Syndication, Borrower hereby agrees to:

(a) deliver updated financial and operating statements and other information reasonably required by the Lender to facilitate the Syndication;

(b) use reasonable efforts to deliver reliance letters reasonably satisfactory to the Lender with respect to the environmental assessments and reports delivered to the Lender prior to the Closing Date, which will run to the Lender and its successors and assigns;

(c) execute modifications to the Loan Documents required by the Lender, provided that such modification will not (except as set forth in (d)) change any material or economic terms of the Loan Documents, or otherwise increase the obligations or decrease the rights of Borrower pursuant to the Loan Documents (except to a de minimis extent); and

(d) if the Lender elects, in its sole discretion, prior to or upon a Syndication, to exercise its rights under Section 2.1.5, Borrower agrees to cooperate with the Lender in connection with the foregoing and to execute the required modifications and amendments to the Notes, this Agreement and the Loan Documents and to use reasonable efforts to provide opinions necessary to effectuate the same. Such Notes or components may be assigned different interest rates, so long as the weighted average of such interest rates does not exceed the Applicable Interest Rate, except in connection with the application of principal to such Notes or components following the occurrence of an Event of Default.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

## **X. MISCELLANEOUS**

**Section 10.1. Survival.** This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Debt is outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. All covenants, promises and agreements in this Agreement, by or on behalf of Borrower, shall inure to the benefit of the legal representatives, successors and assigns of Lender.

**Section 10.2. **Section 10.8. Headings.** The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

**Section 10.9. Severability.** Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

**Section 10.10. Preferences.** Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder (except that, unless there exists an Event of Default, payments of principal shall be applied to components of the Note on a pro-rata basis). To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

**Section 10.11. Waiver of Notice.** Borrower hereby expressly waives, and shall not be entitled to, any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice.

**Section 10.12. Remedies of Borrower.** In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment (except in cases of bad faith, gross negligence or willful misconduct). The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

**Section 10.13. Expenses; Indemnity.** (a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender and each Noteholder upon receipt of notice from such Person for all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements) incurred by such Person in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including, without limitation, any opinions requested by such Person as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Properties); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental, gaming and insurance requirements if necessary or advisable due to reasonably suspected non-compliance; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Borrower; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement, if Borrower defaults in its obligations hereunder; (v) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender or any Noteholder all required legal opinions, and other similar expenses incurred in creating and perfecting the Liens in favor of Lender (or, as applicable, any Noteholder) pursuant to this Agreement and the other Loan Documents; (vi) enforcing or preserving any rights, either in response to third party claims or in prosecuting or defending any action or proceeding or other litigation, in each case against, under or affecting Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, this Agreement, the other Loan Documents, the Properties, the Collateral or any other security given for the Loan; and (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Properties, Operating Company or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; provided, however, that

Borrower shall not be liable for the payment of any such costs and expenses to any Person to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of such Person. Any cost and expenses due and payable to Lender or any Noteholder may be paid from any amounts in the Mezzanine Collection Account upon the occurrence and during the continuance of an Event of Default.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other actual liabilities, obligations, losses, damages (excluding, however, any punitive and consequential damages), penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, (ii) the use or intended use of the proceeds of the Loan, (iii) the Leases or any of the duties, responsibilities or obligations of Borrower or any Operating Company thereunder, (iv) the transactions contemplated in the Collection Account Agreements or (v) any third-party claims alleging that the Loan, the Senior Mezzanine Loan or the Mortgage Loan, the Operating Lease, the Operating Lease Guaranty or any of the Loan Documents violates any agreements or Legal Requirements binding on the Borrower or its Affiliates or their respective properties (collectively, the “**Indemnified Liabilities**”); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any request by Borrower that required Rating Agency Confirmation pursuant to the terms hereof.

**Section 10.14. Schedules Incorporated.** The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

**Section 10.15. Offsets, Counterclaims and Defenses.** Any assignee of Lender’s interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

**Section 10.16. No Joint Venture or Partnership; No Third Party Beneficiaries.** (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Properties other than that of mortgagee, beneficiary or lender.

(b) Except as expressly provided herein, this Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. Lender and Borrower acknowledge and agree that the Noteholders are intended third party beneficiaries of all rights and remedies of the Lender hereunder. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

**Section 10.17. Intentionally Omitted.**

**Section 10.18. Waiver of Marshalling of Assets.** To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Collateral, any equitable right otherwise available to Borrower which would require the separate sale of the Collateral with respect to each Mortgage Borrower or require Lender to exhaust its remedies against any Collateral with respect to each Mortgage Borrower or any combination of such Collateral before proceeding against any other Collateral with respect to one or more Mortgage Borrowers; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorize, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Collateral.

**Section 10.19. Waiver of Counterclaim.** Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

**Section 10.20. Conflict; Construction of Documents; Reliance.** In the event of any conflict between the provisions of this Loan Agreement and any of the other Loan Documents, the provisions of this Loan Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

**Section 10.21. Brokers and Financial Advisors.** Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement (other than those the fees and other claims of which shall be paid by Borrower). Borrower hereby agrees to indemnify, defend and hold Lender and each Noteholder harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated herein. Each of Lender and (by its acceptance of its respective Note) the Noteholders hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

**Section 10.22. Prior Agreements.** This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, including, without limitation, the Commitment Letter dated December 19, 2006 between Affiliates of Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

**Section 10.23. Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which counterparts together shall constitute one agreement with the same effect as if the parties had signed the same signature page.

**Section 10.24. Intentionally Omitted.**

**Section 10.25. Gaming Laws.** All rights, remedies and powers in or under this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws.

**Section 10.26. Certain Additional Rights of Lender (VCOC).** Notwithstanding anything to the contrary contained in this Agreement, Lender shall have:

(a) the right to routinely consult with and advise Borrower's management regarding the significant business activities and business and financial developments of Borrower, Senior Mezzanine Borrower and Mortgage Borrower, provided that any such advice or consultation shall be completely nonbinding on Borrower, and; provided, however, that such consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances;

(b) the right, in accordance with the terms of this Agreement, to examine the books and records of Borrower, Senior Mezzanine Borrower and Mortgage Borrower at any reasonable times upon reasonable notice;

(c) the right, in accordance with the terms of this Agreement, including, without limitation, Section 5.1.11 hereof, to receive monthly, quarterly and year end financial reports, including balance sheets, statements of income, shareholder's equity and cash flow, a management report and schedules of outstanding indebtedness, in each case to the extent explicitly set forth herein; and

(d) the right, without restricting any other rights of Lender under this Agreement (including any similar right), to reasonably approve any acquisition by Borrower, Senior Mezzanine Borrower or Mortgage Borrower of any other significant real property.

The rights described above in this Section 10.26 may be exercised by any entity which owns and controls, directly or indirectly, substantially all of the interests in Lender.

## **XI. JOINT AND SEVERAL LIABILITY; WAIVERS**

**Section 11.1. Joint and Several Liability; Primary Obligors.** Each entity comprising Borrower (each, a "**Borrower Entity**") shall be a primary obligor with respect to payment of the Debt and performance of Borrower's obligations under the Loan Documents and all such Borrower Entities shall be jointly and severally liable for payment of the Debt and performance of such other obligations. As used in this Article, references to "**Other Borrowers**" shall mean all Borrower Entities other than the particular Borrower Entity referred to.

**Section 11.2. Waivers.** Without limiting the primary liability of each Borrower Entity as set forth above, to the extent any such Borrower Entity is determined to be secondarily liable with respect to any portion of the Debt or any other obligation hereunder, the following shall apply:

**11.2.1 No Duty to Pursue Others.** It shall not be necessary for Lender (and each Borrower Entity hereby waives any rights which such Borrower Entity may have to require Lender), in order to enforce the obligations of such Borrower Entity hereunder, first to (a) institute suit or exhaust its remedies against any Other Borrower or others liable on the Debt or any other person, (b) enforce Lender's rights against any collateral mortgaged, pledged or granted by any Other Borrower which shall ever have been given to secure the Debt ("**Other Borrower Collateral**"), (c) enforce Lender's rights against any other guarantors of the Debt, (d) join Borrower or any others liable on the Debt in any action against any Other Borrower seeking to enforce the Loan Documents, (e) exhaust any remedies available to Lender against any collateral which shall ever have been given to secure the Debt, or (f) resort to any other means of obtaining payment of the Loan by any Other Borrower. Lender shall not be required to mitigate damages or take any other action pertaining to any Other Borrower or any Other Borrower Collateral to reduce, collect or enforce the Debt from any Other Borrower.

**11.2.2 Waivers.** Such Borrower Entity agrees to the provisions of the Loan Documents, and hereby waives notice of (a) any loans or advances made by Lender to any Other Borrower, (b) acceptance of the Loan Documents, (c) any amendment or extension of the Note, the Loan Agreement or of any other Loan Documents entered into by any Other Borrower, (d) the execution and delivery by any Other Borrower and Lender of any other loan or credit agreement or of any Other Borrower's execution and delivery of any promissory notes or other documents arising under the Loan Documents or in connection with the Other Borrower Collateral, (e) the occurrence of any breach by any Other Borrower or an Event of Default with respect to any Other Borrower or Other Borrower Collateral, (f) Lender's transfer or disposition of the Debt, or any part thereof, (g) sale or foreclosure (or posting or advertising for sale or foreclosure) of any Other Borrower Collateral, (h) protest, proof of non-payment or default by any Other Borrower and (i) any other action at any time taken or omitted by Lender, and, generally, all demands and notices to any Other Borrower of every kind in connection with the Loan Documents, any documents or agreements evidencing, securing or relating to any of the Debt.

**11.2.3 Waiver of Subrogation, Reimbursement and Contribution.** Notwithstanding anything to the contrary contained in the Loan Documents, each Borrower hereby unconditionally and irrevocably waives, releases and abrogates, prior to the payment in full of the Loan and for a period of ninety-one (91) days thereafter any and all rights it may now or hereafter have under any agreement, at law or in equity (including any law subrogating such Borrower Entity to the rights of Lender), to assert any claim against or seek contribution, indemnification or any other form of reimbursement (other than pursuant to the express provisions of the Contribution Agreement) from any Other Borrower or any other party liable for payment of any or all of the Debt for any payment made by such Borrower Entity under or in connection with the Loan Documents or otherwise.

**11.2.4 Events and Circumstances Not Reducing or Discharging Guarantor's Obligations.** Each Borrower Entity hereby consents and agrees to each of the following, and agrees that such Borrower Entity's obligations under the Loan Documents shall not be released, diminished, impaired, reduced or adversely affected by any of the following, and waives any common law, equitable, statutory or other rights (including rights to notice) which

such Borrower Entity might otherwise have as a result of or in connection with any of the following:

(a) Modifications. Any renewal, extension, increase, modification, alteration, restatement or rearrangement entered into by any Other Borrower of all or any part of the Debt, the Note, the Loan Agreement, the other Loan Documents, or any other document, instrument, contract or understanding between any Other Borrower and Lender, or any other parties, pertaining to the Debt or any failure of Lender to notify Borrower Entity of any such action.

(b) Adjustment. Any adjustment, indulgence, forbearance or compromise that might be granted or given by Lender to any Other Borrower.

(c) Condition of Borrower or Borrower Entity. The insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of any Other Borrower or any other party at any time liable for the payment of all or part of the Debt; or any dissolution of any Other Borrower, or any sale, lease or transfer of any or all of the assets of Borrower or of any Other Borrower, or any changes in the shareholders, partners or members of any Other Borrower; or any reorganization of any Other Borrower.

(d) Invalidity of Debt. The invalidity, illegality or unenforceability of all or any part of the Debt, or any document or agreement executed in connection with the Debt, for any reason whatsoever, including the fact that (a) the Debt, or any part thereof, exceeds the amount permitted by law, (b) the act of creating the Debt or any part thereof is ultra vires, (c) the officers or representatives executing the Note, the Loan Agreement or the other Loan Documents or otherwise creating the Debt acted in excess of their authority, (d) the Debt violate applicable usury laws, (e) any Other Borrower has valid defenses, claims or offsets (whether at law, in equity or by agreement) which render the Debt wholly or partially uncollectible from such Other Borrower, (f) the creation, performance or repayment of the Debt (or the execution, delivery and performance of any document or instrument by any Other Borrower representing part of the Debt or executed in connection with the Debt, or given to secure the repayment of the Debt) is illegal, uncollectible or unenforceable, or (g) the Note, the Loan Agreement or any of the other Loan Documents have been forged or otherwise are irregular or not genuine or authentic, it being agreed that such Borrower Entity shall remain liable hereon regardless of whether any Other Borrower or any other Person be found not liable on the Debt or any part thereof for any reason.

(e) Release of Obligors. Any full or partial release of the liability of any Other Borrower on the Debt, or any part thereof, or of any guarantor(s) thereof, or any other person or entity now or hereafter liable, whether directly or indirectly, jointly, severally, or jointly and severally, to pay, perform, guarantee or assure the payment of the Debt, or any part thereof, it being recognized, acknowledged and agreed by such Borrower Entity that such Borrower Entity may be required to pay the Debt in full without assistance or support of any other party, and such Borrower Entity has not been induced to enter into the Loan Documents on the basis of a contemplation, belief, understanding or agreement that other Persons will be liable to pay or perform the Debt, or that Lender will look to other Persons to pay or perform the Debt.

(f) Other Collateral. The taking or accepting of any other security, collateral or guaranty, or other assurance of payment, for all or any part of the Debt.

(g) Release of Collateral. Any release, surrender, exchange, subordination, deterioration, waste, loss or impairment (including negligent, willful, unreasonable or unjustifiable impairment) of any collateral, property or security at any time existing in connection with, or assuring or securing payment of, all or any part of the Debt.

(h) Care and Diligence. The failure of Lender or any other party to exercise diligence or reasonable care in the preservation, protection, enforcement, sale or other handling or treatment of Other Borrower Collateral, all or any part of such collateral, property or security, including any neglect, delay, omission, failure or refusal of Lender (a) to take or prosecute any action for the collection of any of the Debt or (b) to foreclose, or initiate any action to foreclose, or, once commenced, prosecute to completion any action to foreclose upon Other Borrower Collateral, or (c) to take or prosecute any action in connection with any instrument or agreement evidencing or securing all or any part of the Debt.

(i) Unenforceability. The fact that any collateral, security, security interest or lien contemplated or intended to be given, created or granted as security for the repayment of the Debt, or any part thereof, shall not be properly perfected or created, or shall prove to be unenforceable or subordinate to any other security interest or lien, it being recognized and agreed by such Borrower Entity that such Borrower Entity is not entering into the Loan Documents in reliance on, or in contemplation of the benefits of, the validity, enforceability, collectibility or value of any of the collateral for the Debt.

(j) Offset. Any existing or future right of offset, claim or defense of Borrower against Lender, or any other Person, or against payment of the Debt by any Other Borrower, whether such right of offset, claim or defense arises in connection with the Debt (or the transactions creating the Debt) or otherwise.

(k) Merger. The reorganization, merger or consolidation of any Other Borrower into or with any other corporation or entity.

**Section 2.2. Interest Rate.**

**2.2.1 Interest Generally.** Except as herein provided with respect to interest accruing at the Default Rate, interest on the principal balance of the Loan outstanding from time to time shall accrue from the Closing Date up to and including the Maturity Date (including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through the end of the Interest Period during which the Maturity Date occurs (even if such period extends beyond the Maturity Date)) at the Applicable Interest Rate. Interest on the outstanding principal balance of the Loan existing on the commencement of an Interest Period shall accrue for the entire Interest Period and shall be owed by Borrower for the entire Interest Period regardless of whether any principal portion of the Loan is repaid prior to the expiration of such Interest Period.

**2.2.2 Interest Calculation.** Interest on the outstanding principal balance of the Loan shall be calculated by multiplying (a) the actual number of days elapsed in the period for which the calculation is being made by (b) a daily rate based on a three hundred sixty (360) day year (that is, the Applicable Interest Rate or the Default Rate, as then applicable, expressed as an annual rate divided by 360) by (c) the outstanding principal balance.

**2.2.3 Determination of Interest Rate.** (a) The Applicable Interest Rate with respect to the Loan shall be: (i) LIBOR plus the Spread with respect to the applicable Interest Period for a LIBOR Loan or (ii) the Prime Rate plus the Prime Rate Spread for a Prime Rate Loan if the Loan is converted to a Prime Rate Loan pursuant to the provisions of Section 2.2.3(c) or Section 2.2.3(f).

(b) Subject to the terms and conditions of this Section 2.2.3, the Loan shall be a LIBOR Loan and Borrower shall pay interest on the outstanding principal amount of the Loan at LIBOR plus the Spread for the applicable Interest Period. Any change in the rate of interest hereunder due to a change in the Applicable Interest Rate shall become effective as of the opening of business on the first day on which such change in the Applicable Interest Rate shall become effective. Each determination by Lender of the Applicable Interest Rate shall be conclusive and binding for all purposes, absent manifest error.

(c) In the event that Lender shall have determined (which determination shall be conclusive and binding upon Borrower absent manifest error) that by reason of circumstances affecting the interbank eurodollar market, adequate and reasonable means do not exist for ascertaining LIBOR, then Lender shall forthwith give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding LIBOR Loan shall be converted, on the last day of the then current Interest Period, to a Prime Rate Loan.

(d) If, pursuant to the terms of this Agreement, any portion of the Loan has been converted to a Prime Rate Loan and Lender shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable, Lender shall give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding Prime Rate Loan shall be converted to a LIBOR Loan on the last day of the then current Interest Period.

(e) With respect to a LIBOR Loan, all payments made by Borrower hereunder shall be made free and clear of, and without reduction for or on account of, income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings imposed, levied, collected, withheld or assessed by any Governmental Authority and imposed on any non-U.S. Lender due to a change in U.S. law after the date such non-U.S. Lender acquired its interest in the Loan (such non-excluded taxes, levies, imports, duties, charges, fees, deductions, reserves or withholdings being referred to collectively as “**Foreign Taxes**”), excluding (i) income and franchise taxes, (ii) any Taxes imposed by reason of any connection between the non-U.S. Lender and the taxing jurisdiction other than entering into this Agreement and receiving payments hereunder, and (iii) any Taxes imposed by reason of the non-U.S. Lender’s failure to complete and deliver to the Borrower, prior to the date on which the first payment to such Lender is due hereunder and (so long as it remains eligible to do so) from time to time thereafter, (x) (i) an Internal Revenue Service Form W-9 (or successor form) establishing that the Lender is not subject to U.S. backup withholding tax, (ii) an Internal Revenue Service Form W-8BEN (or successor form) certifying that such Lender is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of withholding tax on payments of interest to zero, or (iii) an Internal Revenue Service Form W-8ECI certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States, as appropriate; and (y) any successor or additional form required by the Internal Revenue Service or any taxing authority reasonably requested by the Borrower in order to secure an exemption from, or reduction in the rate of, Foreign Taxes. If any Foreign Taxes are required to be withheld from any amounts payable to Lender hereunder, the amounts so payable to Lender

shall be increased to the extent necessary to yield to Lender (after payment of all Foreign Taxes) interest or any such other amounts payable hereunder at the rate or in the amounts specified hereunder. Whenever any Foreign Tax is payable pursuant to applicable law by Borrower, as promptly as possible thereafter, Borrower shall send to Lender an original official receipt, if available, or certified copy thereof showing payment of such Foreign Tax. Borrower hereby indemnifies Lender for any incremental Foreign Taxes, interest or penalties that may become payable by Lender which may result from any failure by Borrower to pay any such Foreign Tax when due to the appropriate taxing authority or any failure by Borrower to remit to Lender the required receipts or other required documentary evidence thereof (provided such documents are reasonably available to the Borrower).

(f) If any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to make or maintain a LIBOR Loan as contemplated hereunder and the events giving rise thereto affect similarly situated banks or financial institutions generally, (i) the obligation of Lender hereunder to make a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the next succeeding Payment Date or within such earlier period as required by law.

(g) In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority and the events giving rise thereto affect similarly situated banks or financial institutions generally:

(i) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, the office of Lender that holds the Loan which is not otherwise included in the determination of LIBOR hereunder;

(ii) shall hereafter require the Lender to hold additional capital against the Loan in excess of that currently required by Governmental Authorities to be held against loans similar in nature to the Loan; or

(iii) shall hereafter impose on Lender any other condition affecting loans to borrowers subject to LIBOR-based interest rates and Lender determines that, by reason thereof, the cost to Lender of making or maintaining the Loan to Borrower is increased, or any amount received by Lender hereunder in respect of any portion of the Loan is reduced, in each case by an amount deemed by Lender in good faith to be material;

then, in any such case, Borrower shall promptly pay Lender, upon demand, any additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined in good faith by Lender. If Lender becomes entitled to claim any additional amounts pursuant to this Section 2.2.3(g), Lender shall provide Borrower with not less than ninety (90) days notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to fully compensate

Lender for such additional cost or reduced amount. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. This provision shall survive payment of the Note and the satisfaction of all other obligations of Borrower under this Agreement and the Loan Documents.

(h) Lender shall not be entitled to claim compensation pursuant to this Section 2.2.3 for any Foreign Taxes or other amounts incurred or which accrued more than ninety (90) days before the date Lender notified Borrower of the change in law or other circumstance on which such claim of compensation is based and delivered to Borrower a written statement setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.2.3, which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(i) For purposes of this Section 2.2.3, the term "Lender" shall be deemed to include each Noteholder and Lender's (as well as each Noteholder's) present and future participants in the Loan to the extent of Foreign Taxes imposed by reason of such Noteholder or participant's interest in the Loan and each such Noteholder's or participant's increased costs or reduction in amount received or receivable hereunder or any reduced rate of return, in each case payable by Borrower under this Section 2.2.3.

**2.2.4 Additional Costs.** Lender will use reasonable efforts (consistent with legal and regulatory restrictions) to maintain the availability of the LIBOR Loan and to avoid or reduce any increased or additional costs payable by Borrower under Section 2.2.3, including, if requested by Borrower, a transfer or assignment of the Loan to a branch, office or Affiliate of Lender in another jurisdiction, or a redesignation of its lending office with respect to the Loan, in order to maintain the availability of the LIBOR Loan or to avoid or reduce such increased or additional costs, provided that the transfer or assignment or redesignation (a) would not result in any material additional costs, expenses or risk to Lender that are not reimbursed by Borrower and (b) would not be disadvantageous in any other material respect to Lender as determined by Lender in its sole, but reasonable discretion.

**2.2.5 Default Rate.** In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

**2.2.6 Usury Savings.** This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the

Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

**2.2.7 Interest Rate Cap Agreement.** (a) On or prior to 5:00 p.m. (New York time) on the Closing Date, Borrower shall enter into an Interest Rate Cap Agreement with a LIBOR strike price equal to the required Strike Price. The Interest Rate Cap Agreement (i) shall be in a form and substance reasonably acceptable to Lender, (ii) shall be with an Acceptable Counterparty, (iii) shall direct such Acceptable Counterparty to deposit directly with Lender (or into an account or otherwise as directed by Lender) any amounts due Borrower under such Interest Rate Cap Agreement unless and until otherwise instructed by Lender (it being agreed as between Lender and Borrower that Lender will so instruct the Counterparty at such time as the Debt shall no longer exist, provided that the Debt shall be deemed to exist if the Collateral is transferred by secured party sale or otherwise), (iv) shall be for a period equal to the initial term of the Loan and (v) shall have an initial notional amount equal to the principal balance of the Loan. Borrower shall collaterally assign to Lender, pursuant to the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Interest Rate Cap Agreement, and shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be paid directly into an account pledged to Lender as provided above in this Section 2.2.7). Provided no Event of Default has occurred and is continuing, amounts contained in the foregoing pledged account shall be released to Borrower on a monthly basis to the extent not applied toward debt service on the Loan.

(b) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be paid to Lender (or into an account or otherwise as directed by Lender). Borrower shall take all actions reasonably requested by Lender to enforce Lender's rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty and shall not waive, amend or otherwise modify any of its rights thereunder.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty by S&P or Moody's to below the ratings set forth in the definition of "Acceptable Counterparty", Borrower (i) shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement (or cause the Counterparty or an Affiliate thereof to post collateral acceptable to Lender and the Rating Agencies) not more than fifteen (15) Business Days following receipt of notice of such downgrade, withdrawal or qualification (and meeting the requirements set forth in this Section 2.2.7) from an Acceptable Counterparty, (ii) if a new cap is provided to Lender, then if requested by Lender shall provide to Lender an opinion of counsel to such Acceptable Counterparty in the form and containing the substance of the form of opinion set forth in Exhibit A to the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender), and (iii) shall collaterally assign to Lender, pursuant to an

assignment in the form of the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Replacement Interest Rate Cap Agreement.

(d) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement or fails to maintain the Interest Rate Cap Agreement in accordance with the terms and provisions of this Agreement, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is reimbursed by Borrower to Lender.

(e) In connection with any Interest Rate Cap Agreement provided to Lender as herein required, if requested by Lender, Borrower shall obtain and deliver to Lender an opinion from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty (upon which Lender and its successors and assigns may rely) in the form and containing the substance of the form of opinion set forth in Exhibit A to the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender).

(f) In connection with any prepayment of the Loan, provided no Event of Default shall have occurred and be continuing, Borrower may reduce the amount of any Interest Rate Cap Agreement (so that the same shall be in an initial notional amount equal to the principal balance of the Loan following such prepayment), provided that such reduction shall not affect any of the other terms of the Interest Rate Cap Agreement or the Collateral Assignment of Interest Rate Cap Agreement (or Lender's rights in respect thereof).

### **Section 2.3. Loan Payment.**

**2.3.1 Payments Generally.** Borrower shall make a payment to Lender of interest only on the Closing Date for the initial Interest Period. On the date hereof, Borrower shall make a payment to Lender of interest accruing hereunder during the period from the Closing Date up to and including the initial Interest Period, calculated in the manner set forth herein, and on the Payment Date occurring in March 2008 and on each Payment Date thereafter to and including the Maturity Date, Borrower shall make a payment to Lender of interest accruing hereunder during the entire Interest Period in which such Payment Date occurs, calculated in the manner set forth herein. All amounts due pursuant to this Agreement and the other Loan Documents shall be payable without setoff, counterclaim, defense or any other deduction whatsoever. Each payment shall be applied pro rata and pari passu (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

**2.3.2 Payment on Maturity Date.** Borrower shall pay to Lender on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Pledge Agreement and the other Loan Documents, including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through and including the end of the Interest Period in which the Maturity Date occurs (even if such Interest Period extends beyond the Maturity Date).

**2.3.3 Late Payment Charge.** If any principal, interest or any other sums due under the Loan Documents, other than the payment of principal due on the Maturity Date, is not paid by Borrower by the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of one percent (1%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment; provided, however, that, except with respect to the payment of any monthly Debt Service payments with respect to which no notice or demand shall be required, no such late payment charge shall be due unless such payment of principal, interest or other sum shall be delinquent for more than five (5) Business Days following the date of demand therefor. Any such amount shall be secured by the Pledge Agreement and the other Loan Documents to the extent permitted by applicable law.

**2.3.4 Method and Place of Payment.** Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 3:00 p.m., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

**Section 2.4. Prepayments.**

**2.4.1 Voluntary Prepayments.** Borrower may, at its option, prepay the Debt in whole or in part, provided, the following conditions are satisfied:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall provide prior written notice to Lender specifying the date upon which the prepayment is to be made (the "**Prepayment Date**"), which notice shall be delivered to Lender not less than ten (10) days prior to such Prepayment Date, and which notice shall be irrevocable (or such shorter period of time as may be permitted by Lender in its sole discretion) (Lender hereby agreeing that Borrower may revoke any notice of prepayment up until the date that is one (1) Business Day prior to the proposed Prepayment Date (provided that Borrower shall be required to pay Lender, promptly upon demand, any actual, out-of-pocket expenses incurred by Lender resulting from any such revocation));

(c) each such prepayment, in the case of partial prepayments, shall be in an amount not less than Five Million and No/100 Dollars (\$5,000,000.00), unless the outstanding principal balance of the Loan (prior to such prepayment) shall be less than Five Million and No/100 Dollars (\$5,000,000.00), in which event the amount of the prepayment shall be in such amount as shall prepay the Debt and all other amounts due in connection therewith in full, as more fully provided herein;

(d) if such prepayment is made on or prior to the Payment Date occurring in the Interest Period in which such prepayment was made, then, in connection with such prepayment Borrower shall pay to Lender, simultaneously with such prepayment, all interest on the principal balance of the Note then being prepaid which would have accrued through the end of the Interest Period then in effect notwithstanding that such Interest Period extends beyond the Prepayment Date;

(e) if such prepayment is made after a Payment Date occurring in the Interest Period in which such prepayment was made, but prior to the last two (2) Business Days in such Interest Period, Borrower shall make such prepayment without paying any interest thereon (Borrower having already paid interest on such amount on the Payment Date occurring in such Interest Period);

(f) if such prepayment is made on either of the last two (2) Business Days in an Interest Period, Borrower will pay to Lender, simultaneously with such prepayment, interest on the principal amount of the Loan prepaid through the last day of the Interest Period immediately following the Interest Period in which such prepayment occurs, calculated at the Applicable Interest Rate;

(g) if such prepayment is a prepayment of the Loan in full, Lender shall have received a written consent to the repayment from the lender under each Other Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Other Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous *pro rata* prepayment of each Other Mezzanine Loan and Permitted Mezzanine Loan if required thereunder; and

(h) if such prepayment is made on or prior to the Spread Maintenance Outside Date, then in connection with any such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, the Spread Maintenance Premium in respect of such prepayment.

Any prepayment received by Lender on other than a Payment Date (but not any amount received between a Payment Date and the second to last Business Day in an Interest Period) shall be held by Lender in an interest-bearing account as collateral security for the Loan and shall be applied to the Debt on the next occurring Payment Date (with all interest and other income earned on such amount being for the account of Borrower and being remitted by Lender to Borrower promptly following such next Payment Date). Any prepayment made pursuant to this Section 2.4.1 shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes. Lender agrees that it shall provide a written consent to the repayment of the Loan upon satisfaction of the conditions set forth in clauses (a) through (f) and clause (h) of this Section 2.4.1.

**2.4.2 Mandatory Prepayments from Net Proceeds.** (a) On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of any Individual Property, Borrower shall prepay, or authorize Lender to apply Net Proceeds as a

prepayment of, the outstanding principal balance of the Note in an amount equal to, (x) if no Event of Default shall have occurred and be continuing, the product of (i) a fraction, the numerator of which is outstanding principal amount of the Loan and the denominator is the outstanding principal amount of the Mortgage Loan, the Loan and the Other Mezzanine Loans times (ii) the Net Proceeds, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such Payment Date occurs (with the balance of the Net Proceeds to be paid over to the Eighth Mezzanine Lender, for application in accordance with the Eighth Mezzanine Loan Agreement), and (y) if an Event of Default shall have occurred and be continuing, 100% of the Net Proceeds. No Spread Maintenance Premium shall be due in connection with any prepayment made pursuant to this Section 2.4.2(a). Any prepayment received by Lender pursuant to this Section 2.4.2(a) on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. Following the prepayment made as described in this Section 2.4.2(a), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(a) shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

(b) In the event of (i) a Transfer of any Individual Property or any Senior Mezzanine Collateral in connection with the realization thereon following a Mortgage Loan Default or a Senior Mezzanine Loan Default, as applicable, (ii) any refinancing of any Individual Property, any Senior Mezzanine Collateral, any Senior Mezzanine Loan or the Mortgage Loan, or (iii) the receipt by Mortgage Borrower of any excess proceeds realized under its owner's title insurance policy after application of such proceeds by Mortgage Borrower to cure any title defect (each, a "**Liquidation Event**"), Borrower shall cause the related Net Liquidation Proceeds After Debt Service to be remitted directly to Lender (or as directed by Lender). On each date on which Lender actually receives a distribution of Net Liquidation Proceeds After Debt Service, Borrower shall prepay the outstanding principal balance of the Note in an amount equal to one hundred percent (100%) of such Net Liquidation Proceeds After Debt Service, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such payment occurs. Any amounts of Net Liquidation Proceeds After Debt Service in excess of the Debt shall be remitted to Eighth Mezzanine Lender (or to an account designated by Eighth Mezzanine Lender). Any prepayment received by Lender pursuant to this Section 2.4.2(b) on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. A Spread Maintenance Premium or fee may be due in connection with any prepayment made pursuant to this Section 2.4.2(b) if made prior to the Spread Maintenance Outside Date. Following the prepayment made as described in this Section 2.4.2(b), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(b) shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

(c) Borrower shall immediately notify Lender of any Liquidation Event once Borrower has knowledge of such event. Borrower shall be deemed to have knowledge of (i) a sale (other than a foreclosure sale) of any Individual Property on the date on which a contract of sale for such sale is entered into, and a foreclosure sale, on the date notice of such foreclosure sale is given, and (ii) a refinancing of any Individual Property, on the date on which a commitment for such refinancing has been entered into. The provisions of this Section 2.4.2(c) shall not be construed to contravene in any manner the restrictions and other provisions regarding refinancing of the Mortgage Loan or Transfer of any Individual Property set forth in this Agreement, the other Loan Documents and the Mortgage Loan Documents.

**2.4.3 Prepayments After Default.** If, following the occurrence and during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower or any other Person and accepted by Lender or otherwise recovered by Lender (including through application of any Reserve Funds), Borrower shall pay to Lender, in addition to the outstanding principal balance, (a) all accrued and unpaid interest at the Default Rate (including, without limitation, (i) in the event that such prepayment is received on a Payment Date or on any date in any Interest Period prior to a Payment Date, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which such payment occurs, or (ii) in the event that such prepayment is received on a date after a Payment Date up to (and including) the last day of the Interest Period in which such Payment Date occurs, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which the next Payment Date occurs, (b) the Spread Maintenance Premium, if such prepayment is made prior to the Spread Maintenance Outside Date, and (c) any and all other amounts payable under the Loan Documents. Any payment under this Section 2.4.3 shall be applied in such order, priority and proportions as Lender may direct in its sole and absolute discretion.

**Section 2.5. Release of Collateral.** Except as set forth in this Section 2.5, no repayment or prepayment of all or any portion of the Note shall cause, give rise to a right to require, or otherwise result in, the release or assignment of any Lien of the Pledge Agreement on the Collateral.

**2.5.1 Release of Individual Property.** Concurrently with the release of an Individual Property from the Lien of the Mortgage (and related Mortgage Loan Documents) pursuant to Section 2.5.1 of the Mortgage Loan Agreement (a “**Release**” and such Individual Property, a “**Release Property**”), Borrower may obtain the release of the related Individual Borrower with an indirect ownership interest in such Individual Property (a “**Release Borrower**”) and such Release Borrower’s obligations under the Loan Documents with respect to the Release Property (other than those expressly stated to survive), upon the satisfaction of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien of the Pledge Agreement (and related Loan Documents), only with respect to such Release Borrower, for execution by Lender. Such release shall contain standard provisions, if any, protecting the rights of the releasing lender;

(c) After giving effect to such release, the Debt Service Coverage Ratio for the Properties then remaining subject to the Liens of the Mortgages (including giving pro forma effect to the payment of the Release Price and any additional prepayment(s) made by Borrower in connection with such release) shall be equal to or greater than the greatest of (i) the Debt Service Coverage Ratio for the twelve (12) full calendar months immediately preceding the release of the Individual Property (assuming the contemplated release had not occurred, i.e., for all Properties subject to the Liens of the Mortgage prior to the proposed release), (ii) 90% of the Debt Service Coverage Ratio as of the Closing Date, and (iii) 1.0;

(d) (i) The Individual Property to be released shall be conveyed to a Person other than a Mortgage Borrower or Mezzanine Borrower, and other than to an Affiliate of Mortgage Borrower unless, in the latter case, such Affiliate is refinancing the Loan with a construction or development loan (or repaying the Loan with equity contributions to such Affiliate) and (ii) it is such Affiliate's immediate intention to materially redevelop such Individual Property, which loan (or equity contribution) and intention shall be described in reasonable detail and represented to in an Officer's Certificate submitted to Lender concurrently with (or prior to) the materials described in clause (b) of this Section 2.5.1;

(e) Lender shall have received a wire transfer of immediately available federal funds in an amount equal to the Release Price for the applicable Individual Property, together with (i) all accrued and unpaid interest calculated at the Applicable Interest Rate on the amount of principal being prepaid as provided in Sections 2.4.1(d) or (e), as applicable, (ii) the Spread Maintenance Premium, if applicable and (iii) all other sums due under this Agreement, the Note or the other Loan Documents in connection with a partial prepayment;

(f) Lender shall have received a written consent to the transfer from the lender under the Mortgage Loan and each of the Other Mezzanine Loans (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of the Mortgage Loan, each of the Other Mezzanine Loans and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous pro rata prepayment of each Mortgage Loan, the Other Mezzanine Loans and Permitted Mezzanine Loan if required thereunder; and

(g) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the release of the Individual Property and or Release Borrower from the lien of the Pledge Agreement and the review and approval of the documents and information required to be delivered in connection therewith. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property or Release Borrower.

Lender agrees that it shall provide a written consent to the transfer upon satisfaction of the conditions set forth in clauses (a) through (e) and clause (g) of this Section 2.5.1.

**2.5.2 Release of Convention Center Parcel; Property Swap.** At any time after the date hereof, Mortgage Borrower may obtain the release of the Convention Center Parcel pursuant to the Mortgage Loan Agreement, without the payment of a Release Price and upon the satisfaction by Borrower of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a release of the Convention Center Parcel, the Event of Default relates solely to such parcel and therefore would be fully cured by the release of the Convention Center Parcel);

(b) The Convention Center Parcel shall be conveyed to a Person other than a Mortgage Borrower or any Mezzanine Borrower;

(c) Mortgage Borrower will enter into a restrictive covenant agreement, restricting the use of the Convention Center Parcel to the development of a Convention Center and ancillary uses which agreement shall be in form and substance reasonably satisfactory to Lender;

(d) Prior to the transfer and release of the Convention Center Parcel, each applicable municipal authority exercising jurisdiction over the Convention Center Parcel shall have approved, a lot-split ordinance or other applicable action under local law dividing the Convention Center Parcel from the remainder of the Harrah's Atlantic City Property, and a separate tax identification number has been issued for the Convention Center Parcel (with the result that, upon the transfer and release of the Convention Center Parcel, no part of the remaining Harrah's Atlantic City Property shall be part of a tax lot which includes any portion of the Convention Center Parcel);

(e) All requirements under all laws, statutes, rules and regulations (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetlands requirements) applicable to the Harrah's Atlantic City Property necessary to accomplish the lot split shall have been fulfilled, and all necessary variances, if any, shall have been obtained, and Borrower shall have delivered to Lender either (1) letters or other evidence from the appropriate municipal authorities confirming such compliance with laws, or (2) a zoning report or legal opinion confirming such compliance with laws, in each case in substance reasonably satisfactory to Lender;

(f) As a result of the lot split, the remaining Harrah's Atlantic City Property with all easements appurtenant and other Permitted Encumbrances thereto will not be in violation of any then applicable law, statute, rule or regulation (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetland requirements) and all necessary variances, if any, shall have been obtained and evidence thereof has been delivered to Lender which in form and substance is appropriate for the jurisdiction in which the Harrah's Atlantic City Property is located;

(g) If reasonably necessary, appropriate reciprocal easement agreements for the benefit and burden of the remaining Harrah's Atlantic City Property and the Convention Center Parcel requiring no cost or expense to Mortgage Borrower regarding the use of common facilities of such parcels, including, but not limited to, roadways, parking areas, utilities and community facilities, in a form and substance that would be reasonably acceptable to an ordinary prudent lender and which easements will not materially adversely affect the remaining Harrah's Atlantic City Property, shall be declared and recorded, and the remaining Harrah's Atlantic City Property and the Convention Center Parcel shall be in compliance with all applicable covenants under all easements and property agreements contained in the Permitted Encumbrances for the Harrah's Atlantic City Property;

(i) Borrower shall execute such documents and instruments and obtain such opinions of counsel as are typical for similar transactions;

(j) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the review and approval of the documents and information required to be delivered in connection with the release of the Convention Center Parcel from the Lien of the related Mortgage. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of the Convention Center Parcel;

(k) Lender shall have received evidence reasonably satisfactory to it that Mortgage Borrower and each Other Mezzanine Borrower shall have satisfied all of the conditions to the proposed Release set forth in the Mortgage Loan Agreement and each Other Mezzanine Loan Agreement, as applicable; and

(l) There shall be no release of any portion of the Lien of the Pledge Agreement in connection with this Section 2.5.2.

Borrower agrees that it shall promptly use all reasonable best efforts to substitute, and Lender agrees (subject to the terms set forth below in this paragraph) that it shall accept the substitution of, the properties commonly known as "Paris Las Vegas" and "Harrah's Laughlin" for the Individual Properties referred to as "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe" and "Showboat Atlantic City" and the portion of the Flamingo Las Vegas Property known as O'Shea's in a reasonably satisfactory manner, provided that Lender's obligation to accept such substitution shall be conditioned on the following:

(i) that no Event of Default shall exist, either before or after giving effect to such substitution (unless such Event of Default would be fully cured by the substitution);

(ii) the satisfaction, with respect to both "Paris Las Vegas" and "Harrah's Laughlin", of the closing conditions set forth in Article III hereof and of the Mortgage

Loan Agreement, except that references therein to the Closing Date shall be to the date of such substitution;

(iii) delivery of such agreements, instruments, title insurance policies, surveys, resolutions, certificates and opinions (including, without limitation, substitute notes, amendments to the Loan Documents (including amendments to adjust the Allocated Loan Amounts, the EBITDAR (Closing Date) and any other items that need to be adjusted to reflect the substitution), the Operating Lease, the Operating Lease Guaranty and the Windstorm Insurance Intercreditor Agreement, an appropriate subdivision and a reciprocal easement agreement in respect of O'Shea's, written assurances that the substitution will have no negative effects on the existing Title Policies, updated "tie-in" endorsements for the Title Policies, an Additional True Lease Opinion and an Additional Insolvency Opinion), in each case as are reasonably required by Lender in connection with such substitution;

(iv) with respect to the release of O'Shea's, delivery of evidence reasonably satisfactory to Lender that such release will not have either an Individual Material Adverse Effect on the remainder of the Flamingo Las Vegas Property or an Aggregate Material Adverse Effect (it being understood that, for purposes of such determinations, O'Shea's shall be deemed to have closed as of the Closing Date and to have no value) and that the remainder of the Flamingo Las Vegas Property satisfies the conditions set forth in Sections 3.1.3(b), (c) and (f) of the Mortgage Loan Agreement and the representations and warranties set forth in Sections 4.1.4, 4.1.16, 4.1.22, 4.1.39 and 4.1.40 of the Mortgage Loan Agreement shall continue to be true and complete with respect to the remainder of the Flamingo Las Vegas Property, and satisfaction of conditions similar to those set forth in clauses (c), (d), (e), (f), (g) and (h) of Section 3.1.3 hereof, as applicable, with respect to O'Shea's;

(v) the satisfaction, with respect to "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe", "Showboat Atlantic City" and O'Shea's, of the conditions set forth above in Section 2.5.1(b) and (f) with respect to released Individual Properties to the extent applicable,

(vi) the conveyance of "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe", "Showboat Atlantic City" and O'Shea's to a Person other than a Mortgage Borrower or Mezzanine Borrower;

(vii) unless otherwise extended by Lender, the substitution shall be completed on or prior to May 28, 2008;

(viii) the payment by Borrower of all Lender's reasonable out-of-pocket costs and expenses in connection with the substitution contemplated by this paragraph, including reasonable counsel fees and disbursements, up to an aggregate amount of \$300,000, it being acknowledged that costs incurred to obtain title insurance and surveys in respect of the substituted properties shall be paid by Borrower directly and shall not be taken into account for purposes of the foregoing limitation on the reimbursement of Lender's expenses.

Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property in accordance with this paragraph. In addition, if all of “Harrah’s Lake Tahoe”, “Harvey’s Lake Tahoe”, “Bill’s Lake Tahoe” and “Showboat Atlantic City” can be transferred from Mortgage Borrower as contemplated above, but O’Shea’s cannot (including by reason of an inability to get a separate gaming license for O’Shea’s independent of the “Flamingo Las Vegas”), then Borrower shall cause Mortgage Borrower to nevertheless proceed to consummate the swap without transferring O’Shea’s (subject to Borrower’s ongoing right to obtain the release of O’Shea’s from the Lien of the Mortgage in accordance with the following sentence). Upon the satisfaction of such conditions set forth above in this paragraph (including clauses (i) through (viii) hereof), Borrower will have the right to choose between an immediate release of “O’Shea’s” from the Lien of the Mortgage on the date of the swap or a free release subsequent to the date of the swap without conditions (in either case, subject to the conditions set forth above in this Section 2.5.2), except that the limitation on Borrower’s payment of Lender’s costs and expenses set forth in clause (viii) above shall not apply to any such costs and expenses incurred by Lender in connection with such release), and, pending such release, EBITDAR shall be computed without regard to O’Shea’s; provided, further, the Operating Company in respect of the “Flamingo Las Vegas” Individual Property, both before and after such release, shall be permitted to provide management and other similar services for O’Shea’s and shall be reimbursed for the allocable share of expenses attributable to O’Shea’s.

**2.5.3 Release on Payment in Full.** Lender shall, upon the written request and at the expense of Borrower, upon payment in full of all principal and interest due on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of the Pledge Agreement on the Collateral.

**Section 2.6. Cash Management.**

**2.6.1 Establishment of Collection Accounts.**

(a) In accordance with the provisions of the Operating Lease, (i) Operating Company will establish within thirty (30) days after the Closing Date and will maintain for the benefit of Mortgage Borrower, as lessor under the Operating Lease, the Collection Accounts with Collection Banks throughout the term of the Mortgage Loan and (ii) the rights of Mortgage Borrower (as landlord) under the Operating Lease will be collaterally assigned to Mortgage Lender within such 30-day period. All Revenues, other than amounts retained on-site by each Operating Company as a Gaming Operating Reserve and amounts collected and maintained in Off-Shore Accounts, will be deposited in the Collection Accounts.

(b) Borrower hereby represents and warrants as follows: when established, the Collection Accounts will be the only accounts maintained by Operating Company in any jurisdiction that include funds arising out of, or are otherwise attributable to, the Properties or relate to the operation and management of any of the Properties other than accounts (collectively, the “OC Accounts”) that contain amounts theretofore released from Collection Accounts in accordance herewith, and other than Off-Shore Accounts, which shall not be subject to this Agreement; and neither Borrower nor Mortgage Borrower maintains any accounts that include

funds arising out of, or are otherwise attributable to, any of the Properties or relate to the operation and management of any of the Properties or otherwise (except for accounts containing funds released from the Collection Accounts as herein provided and the Off-Shore Accounts). None of Mortgage Borrower, Senior Mezzanine Borrower, Borrower or Operating Company may (and Borrower shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), open any accounts or new accounts or in any way alter the flow of funds and payment into such Collection Accounts, including, without limitation, changing the source, type or currency of any payments currently deposited and maintained in any such account (it being understood that the foregoing restriction shall not preclude Operating Company, Mortgage Borrower, Senior Mezzanine Borrower or Borrower from accepting and depositing in any Collection Accounts any capital contributions, or any disbursements from any Collection Accounts in accordance with the provisions of the Mortgage Loan Agreement, this Agreement and the Senior Mezzanine Loan Agreements. None of Mortgage Borrower, Senior Mezzanine Borrower, Borrower or Operating Company may (and Borrower shall not permit Mortgage Borrower, Senior Mezzanine Borrower, or Operating Company to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), establish and maintain any accounts with financial institutions outside of the United States of America, other than the Off-Shore Accounts.

(c) Borrower shall cause Mortgage Borrower, Senior Mezzanine Borrower and Operating Company to comply with Section 2.6.1 of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement (as applicable) in all respects.

(d) Borrower hereby agrees that in the event that (i) the Mortgage Loan Documents require Mortgage Borrower and/or Operating Company to maintain the Collection Accounts, but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Collection Accounts are not being maintained and (ii) the Collection Accounts are not being maintained under Section 2.6.1(d) of the Senior Mezzanine Loan Agreement, Borrower shall establish or cause the Operating Company to establish or cause the Operating Company to establish collection accounts substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Section 2.6.1 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender). In addition, if Borrower is required to deposit amounts with Lender pursuant to Article VII hereof but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Collection Accounts and Cash Management Account are not being maintained, Borrower shall establish collection accounts and a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Sections 2.6.1 and 2.6.2 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender). In addition, if Mortgage Borrower is required to provide security or other collateral to the Mortgage Lender pursuant to the terms of the Mortgage Loan Agreement (excluding any mortgage lien on the Properties or assignment of leases and rents with respect to the Properties) but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) such security or

other collateral was not provided to Mortgage Lender, Borrower shall provide such security or other collateral to Lender in substantially the same form and amount as that required under the Mortgage Loan Documents.

**2.6.2 Disbursements from, Security Interest in, Collection Accounts.** The Operating Lease provides, among other things, that all Revenues shall be collaterally assigned by Operating Company to Mortgage Borrower as additional security for Operating Company's obligations under the Operating Lease and that Mortgage Borrower shall have the right to collaterally assign and pledge such Revenues to Lender as additional security for the Loan. In furtherance thereof, Lender and Borrower agree as follows:

(a) Except as otherwise provided in subparagraphs (b) and (c) hereof, all amounts collected in the Collection Accounts shall be transferred on each Business Day to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender.

(b) Upon the occurrence and during the continuance of an Event of Default hereunder, under the Mortgage Loan Documents or under any of the Other Mezzanine Loan Documents, and provided no Event of Default (as such term is defined in the Operating Lease) shall have occurred and be continuing under any Operating Lease, Borrower shall cause Mortgage Borrower to direct and cause Collection Bank to deposit directly into the Cash Management Account, all Rent payable under the Operating Lease for the next thirty (30) days (it being the intent and agreement that, during the continuance of an Event of Default, the Cash Management Account shall at all times contain such amounts sufficient to cover the ensuing 30-day period), including the Monthly Tax and Insurance Amount, the Monthly Ground Rent Amount and Monthly FF&E Reserve Amount (the amounts described in the preceding sentence, collectively, the "**Monthly Disbursements**"); provided that, notwithstanding the foregoing, Lender may not apply such Monthly Disbursements to the payment of amounts due hereunder in an amount in excess of the amounts owed by the Operating Company under the Operating Lease. In the event Borrower shall have failed to cause Mortgage Borrower to so instruct Collection Bank, Lender shall have the right to so direct the Collection Bank on behalf of Mortgage Borrower. Any amounts not required to be so deposited into the Cash Management Account shall be transferred on each Business Day thereafter to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender. If no Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, such excess shall be remitted to Eighth Mezzanine Lender (or to an account designated by Eighth Mezzanine Lender); provided that, notwithstanding the foregoing, Lender shall not remit any such amounts in excess of the amounts owed by the Operating Company under the Operating Lease. If an Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, Lender shall have the right to retain the amount so remitted to the Collection Account as collateral for the Loan and/or apply such amount to the payment of the Debt.

(c) Upon the occurrence and during the continuance of an Event of Default (as such term is defined in the Operating Lease) under any Operating Lease, Borrower shall cause Mortgage Borrower to notify Collection Bank to transfer to the Cash Management Account on each Business Day in immediately available funds by federal wire transfer all

amounts on deposit in each Collection Account and, in the event Mortgage Borrower shall have failed to do so, Mortgage Lender (or Lender in the event of Mortgage Lender's failure to so instruct) shall have the right to so direct the Collection Bank on behalf of Mortgage Borrower. Lender shall have the right to retain all amounts to be paid into the Cash Management Account in accordance with the first sentence of this Section 2.6.2(c) as collateral for the Loan and/or apply such excess to the payment of the Debt.

(d) Borrower and its Affiliates shall (and Borrower shall cause Operating Company to) execute and deliver such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect, maintain and perfect Lender's security interest in the Collection Accounts, if any.

**2.6.3 Cash Management Account.** (a) During the term of the Loan, Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to comply with Section 2.6.3 of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement (as applicable) which may require the establishment of the Cash Management Account to be held by and in trust for the benefit of Mortgage Lender. All costs and expenses for establishing and maintaining the Cash Management Account shall be paid by Mortgage Borrower.

(b) Borrower shall not cause or permit Mortgage Borrower or Operating Company to further pledge, assign or grant any security interest in the Cash Management Account or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Mortgage Lender as the secured party, to be filed with respect thereto.

(c) Borrower hereby agrees that in the event that (i) the Mortgage Loan Documents require Mortgage Borrower and/or Operating Company to maintain the Cash Management Account, but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Cash Management Account is not being maintained and (ii) the Cash Management Account is not being maintained under Section 2.6.3 of the Senior Mezzanine Loan Agreement, Borrower shall establish a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents. If Borrower is required to deposit amounts with Lender pursuant to Article VII hereof, Borrower shall establish a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Section 2.6.2 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender).

**2.6.4 Mezzanine Collection Account.** (a) Lender or Servicer may establish and maintain, to collect all amounts distributed to Lender under Section 2.6.3 of the Mortgage Loan Agreement, a segregated Eligible Account (the "**Mezzanine Collection Account**") to be held by Servicer in trust for the benefit of Lender, which Mezzanine Collection Account shall be under the sole dominion and control of Lender (which may be exercised through Servicer). Lender (and its agents, including Servicer) shall have the sole right to make withdrawals from the Mezzanine Collection Account in accordance with the terms and conditions of this Agreement and the other Loan Documents, except as otherwise expressly provided in this

Agreement or the other Loan Documents. Borrower shall cause Senior Mezzanine Borrower to comply with Section 2.6.4 of the Senior Mezzanine Loan Agreements.

(b) Borrower hereby grants to Lender a first priority security interest in the Mezzanine Collection Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Mezzanine Collection Account, including, without limitation, executing and filing UCC 1 Financing Statements and continuations thereof upon Lender's request therefor. All costs and expenses for establishing and maintaining the Mezzanine Collection Account (and any sub account thereof) shall be at Borrower's sole cost and expense.

(c) Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Mezzanine Collection Account and any sub-account thereof. The Mezzanine Collection Account and any sub-account thereof shall be assigned the federal tax identification numbers of each Borrower set forth on Schedule I attached hereto. Borrower shall provide Lender, at any time upon request of Lender, with a Form W-8 or W-9 to evidence that Borrower is not subject to any back-up withholding under the Code.

(d) Upon the occurrence and during the continuance of an Event of Default, all funds on deposit in the Mezzanine Collection Account shall be applied by Lender in such order and priority as Lender shall determine.

(e) The insufficiency of funds on deposit in the Mezzanine Collection Account shall not relieve Borrower from the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

**Section 2.7. Intentionally Omitted.**

**Section 2.8. Permitted Mezzanine Loan.** Borrower shall have the one-time right, upon thirty (30) days prior written notice to Lender (the "**Permitted Mezzanine Loan Election**"), to obtain a loan ("**Permitted Mezzanine Loan**") secured by a pledge of the ownership interests in the indirect owners of Borrower (above the level of the Ninth Mezzanine Borrower) provided that the following conditions precedent are satisfied:

(a) no Default or Event of Default shall have occurred and remains uncured;

(b) as of the date the Permitted Mezzanine Loan is advanced, the Permitted Mezzanine Debt Loan-to-Value Ratio for the Properties subject to the Lien of the Mortgage is equal to or less than eighty percent (80%);

(d) the Permitted Mezzanine Loan shall be evidenced by one (1) Loan, that may be advanced in multiple draws provided that Borrower complies with the requirements set forth in this Section 2.8 with respect to each draw;

(e) the Permitted Mezzanine Loan shall be issued by one (1) lender (the “**Permitted Mezzanine Loan Lender**”) which shall be an Institutional Lender; provided, however, that such single Lender that is an Institutional Lender may grant participations in such Permitted Mezzanine Loan or syndicate the Permitted Mezzanine Loan to multiple lenders so long as at least fifty-one percent (51%) of such participants and syndicate lenders are Institutional Lenders and, in addition, so long a single lender serves as agent with respect to all approvals, consents and other matters relating to the Permitted Mezzanine Loan;

(f) the Permitted Mezzanine Loan shall have the same maturity date as the Maturity Date under the Loan, or a maturity date extending beyond the Maturity Date under the Loan;

(g) the Permitted Mezzanine Loan (including all of the terms, provisions and conditions of the Permitted Mezzanine Loan, including, without limitation, the loan documents evidencing and securing the Permitted Mezzanine Loan (“**Permitted Mezzanine Loan Documents**”)) shall be acceptable to Lender in its reasonable discretion (it being agreed that with respect (only) to Lender’s approval of the form of loan documents that loan documents in substantially the same form as the Ninth Mezzanine Loan Documents, appropriately modified to reflect subordination to the Mezzanine Loans still outstanding, shall be deemed to be acceptable);

(h) the Permitted Mezzanine Loan Lender shall enter into a co-lender or intercreditor agreement substantially on the standard CMSA form (or the form entered into by Lender, Other Mezzanine Lenders and Mortgage Lender in connection with the closing of the Loan) or in form and substance reasonably acceptable to Lender, acknowledging the subordination of the Permitted Mezzanine Loan in all respects to each of the Mezzanine Loans and the Mortgage Loan (and Lender agrees to enter into such co-lender or intercreditor agreement upon request);

(j) if requested by Lender, Borrower shall execute amendments to the Loan Documents reasonably requested by Lender, to reflect the existence of such Permitted Mezzanine Loan, provided that any such amendments or agreements will not alter the payment terms of the Loan set forth in this Agreement or the other Loan Documents or materially and adversely affect Borrower or impose additional material obligations or liabilities upon Borrower;

(k) if required by Lender, Borrower shall deliver (i) Additional Insolvency Opinions and, if the Loan Documents are amended pursuant to Section 2.8(k), opinions regarding due execution and enforceability with respect to the Properties, Mortgage Borrower, Mezzanine Borrowers, Holdings, Guarantor and their respective Affiliates and the Loan Documents, and such related matters as Lender shall reasonably require, and (ii) revised organizational documents for Borrower, which opinions and organizational documents shall be reasonably satisfactory to Lender;

(l) all necessary or appropriate governmental or other third party consents (including any approvals, notices, filings or other actions under or pursuant to the Gaming Laws or other Legal Requirements) required to be obtained or taken by Borrower, Mortgage Borrower, any Mezzanine Borrower or the Permitted Mezzanine Borrower for the execution, delivery and performance by the Permitted Mezzanine Borrower of the Permitted Mezzanine Loan shall have been obtained or taken; and

(m) all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and expenses) incurred by Lender in connection with this Section 2.8 shall be paid by Borrower (but no approval or consent fees shall be payable in connection therewith).

**Section 4.1. Borrower Representations.** Borrower represents and warrants as of the date hereof and as of the Closing Date, except as disclosed in Schedule XXIII, that:

**4.1.1 Organization.** (a) Borrower has been duly organized and is validly existing and in good standing with requisite power and authority to own the Individual Properties and to transact the businesses in which it is (or each of them is) now engaged. Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations. Borrower possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to own its properties and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The sole business of Borrower is the ownership of Senior Mezzanine Borrower. The ownership interests of Borrower are as set forth on the organizational chart attached hereto as Schedule VIII.

(b) Each Operating Company has been duly organized and is validly existing and in good standing with requisite power and authority to own its properties or assets, including the Gaming Equipment, and to transact the businesses in which it is now engaged. Each Operating Company is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations, including the operation of the Casino Components at each Individual Property. Each Operating Company possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to operate the Properties currently operated by each such Operating Company and to transact the businesses in which it is now engaged and the failure to

possess which would reasonably be expected to have an Individual Material Adverse Effect. The ownership interests of each Operating Company are as set forth on the organizational chart attached hereto as Schedule VIII.

(c) Borrower has the power and authority and the requisite ownership interests in Senior Mezzanine Borrower and Mortgage Borrower to control the actions of Senior Mezzanine Borrower and Mortgage Borrower, and upon the realization of the Collateral under the Pledge Agreement, Lender or any other party succeeding to the Borrower's interest in the Collateral described in the Pledge Agreement would have such control. Without limiting the foregoing, Borrower has sufficient control over Senior Mezzanine Borrower and Mortgage Borrower to cause Senior Mezzanine Borrower and Mortgage Borrower to (i) take any action on Senior Mezzanine Borrower's or Mortgage Borrower's part required by the Loan Documents and (ii) refrain from taking any action prohibited by the Loan Documents.

**4.1.3 No Conflicts; Approvals.** (a) The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower and Operating Company will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower or Operating Company pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement, material lease or other material agreement or instrument to which Borrower or Operating Company (as applicable) is a party or by which any of Borrower's or Operating Company's property or assets is or are subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or Operating Company any of Borrower's or Operating Company's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any such Governmental Authority required for the execution, delivery and performance by Borrower and Operating Company of this Agreement or any other Loan Documents (and the execution by Lender of the remedies provided in the Loan Documents, subject to the limitations thereon pursuant to applicable Gaming Laws) has been obtained and is in full force and effect.

(b) Borrower, Senior Mezzanine Borrower, Mortgage Borrower and Operating Company have obtained all consents and approvals, including all approvals of Governmental Authorities including Gaming Authorities, if required, in connection with the

execution, delivery and performance of the Loan Documents (including by Mortgage Lender and each Mezzanine Lender), the Operating Lease, the Operating Lease Guaranty and the operation of the business currently conducted at any of the Properties, and shall promptly execute any and all such instruments and documents, deliver any certificates and do all such other acts or things required by the Gaming Authorities to maintain or keep current such approvals.

None of the actions described on Schedule XXIV, if determined adversely to Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company and/or any of their respective Affiliates, as applicable, would result in the payment by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or such Affiliate of an amount in excess of Ten Million and no/100 Dollars (\$10,000,000.00), except to the extent covered by insurance.

**4.1.5 Agreements.** None of Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company is in default, in any material respect, in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any material agreement or instrument to which it is a party or by which Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, the Collateral, the Senior Mezzanine Collateral or any of the Properties are bound. None of Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company has any material financial obligation under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company is a party or by which Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, the Collateral, the Senior Mezzanine Collateral or the Properties is otherwise bound, other than (a) with respect to Mortgage Borrower, obligations incurred in the ordinary course of the operation of the Properties as permitted pursuant to clause (t) of the definition of "Special Purpose Entity" set forth in Section 1.1 of the Mortgage Loan Agreement, (b) with respect to Borrower, obligations under the Loan Documents, (c) with respect to Senior Mezzanine Borrower, obligations under the Senior Mezzanine Loan Documents, and (d) with respect to Operating Company, the Operating Lease and Permitted Indebtedness (Operating Company).

**4.1.6 Title.** (a) The Borrower (as pledgor under the Pledge Agreement) is the record and beneficial owner of, and Borrower has good and marketable title to the Collateral, free and clear of all Liens whatsoever except the Liens created by the Loan Documents. The Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of any of the Properties (as currently used) or Borrower's ability to repay the

Loan. The Pledge Agreement, together with the delivery of the certificates evidencing ownership of the Pledged Company Interests and the endorsement in blank, as being delivered concurrently herewith, will create a valid perfected, first priority lien on, and security interest in and to, the Collateral, all in accordance with the terms thereof. There are no claims for payment for work, labor or materials affecting any of the Properties which are or may become a Lien prior to, or of equal priority with, the Liens created by the Mortgage Loan Documents.

The fair saleable value of Borrower's assets is and will, immediately following the making of the Loan, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). No petition in bankruptcy has been filed against Borrower, Operating Company, any Loan Party or any constituent Person, and none of Borrower, Operating Company, any Loan Party or any constituent Person has ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for the benefit of debtors. Except for Permitted Encumbrances, Borrower does not have any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and reasonably likely to have a materially adverse effect on the Collateral, the Senior Mezzanine Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. Borrower has no Indebtedness other than the Loan. Except for Permitted Indebtedness (Operating Company), Operating Company does not have any Indebtedness or contingent liabilities, or due and unpaid liabilities for taxes, that are known to Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company and reasonably likely to have a materially adverse effect on the Collateral, any Senior Mezzanine Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. All public utilities necessary or convenient to the full use and enjoyment of each Individual Property are located either in the public right-of-way abutting such Individual Property (which are connected so as to serve such Individual Property without passing over other property) or in recorded easements serving such Individual Property and such easements are set forth in and insured by the Title Insurance Policies. All roads necessary for the use of each Individual Property for their current respective purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

**4.1.15 Not a Foreign Person.** Borrower is not a "foreign person" within the meaning of § 1445(f)(3) of the Code.

**4.1.18 Enforceability.** The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower, any Affiliates of Borrower including Holdings, Operating Company or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors' rights and the enforcement of debtors' obligations), and Borrower, any Affiliates of Borrower including Holdings, Operating Company and Guarantor have not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

Borrower shall not permit (or cause or permit Mortgage Borrower to permit) the prepayment of any rents under the Operating Leases for more than one (1) month prior to the due date thereof. Notwithstanding the foregoing, Lender's consent shall not be required in connection with any modification, amendment or waiver of any provision of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document or that makes the provisions of the Operating Lease consistent with the provisions of this Agreement or any other Loan Document. Notwithstanding anything contained in this Section 5.1.20(a) to the contrary, (x) Lender's consent to any amendment, modification or supplement of the Operating Lease (or any new Operating Lease) or the Operating Lease Guaranty may also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and/or an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies), and (y) Lender's consent to any assignment of any Operating Lease or Operating Lease Guaranty (or of any interest therein) or any material amendment, material modification or material supplement of any Operating Lease shall also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies).

(b) Borrower shall not permit (or consent to) an assignment by any Operating Company of any such Operating Company's interest(s) under any Operating Lease or an assignment by any Mortgage Borrower of any such Mortgage Borrower's interest(s) under any Operating Lease Guaranty without, in each case, Lender's prior written consent (and, if a Securitization shall have occurred, at Lender's request, without Borrower providing to Lender a Rating Agency Confirmation and an Additional True Lease Opinion).

(c) All space Leases and all renewals of space Leases executed after the date hereof entered into by Operating Company shall (i) provide for rental rates, rent credits and free rent periods comparable to existing local market rates for comparable properties, (ii) be on commercially reasonable terms, (iii) provide that such Lease is subordinate to the Mortgage encumbering the Individual Property in question and that the lessee will attorn to Mortgage Lender and any purchaser at a foreclosure sale; (iv) not contain any terms which would materially adversely affect Lender's rights under the Loan Documents; (v) not grant to the Tenants thereunder any option or right to purchase the applicable Individual Property (or any portion thereof); and (v) in the case of Major Leases, have initial terms less than twenty (20) consecutive years, in each case (unless otherwise consented to by Lender pursuant to clause (d) below).

(d) (i) Any Major Lease entered into by Operating Company with respect to an Individual Property executed after the date hereof (and any renewal of any Major Lease with respect to an Individual Property), and any space Lease or space Lease renewal proposed to be entered into by Operating Company after the date hereof and that does not meet the criteria set forth in Sections 5.1.20(a) and subparagraph (c) above, shall be subject to the prior written approval of Lender, which approval shall not be unreasonably withheld, conditioned or delayed. Borrower shall not terminate or accept the surrender of (and shall not permit Operating Company or Mortgage Borrower to terminate or accept the surrender of) a Major Lease (unless by reason of a tenant default) without the consent of Lender.

(ii) Every submission to Lender of any proposed Major Lease (or Major Lease renewal, amendment, modification or termination) for Lender's approval shall be forwarded to Lender together with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this section.

(iii) If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN FIVE (5) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL

CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within five (5) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(e) Borrower shall and shall cause Mortgage Borrower and Operating Company to (i) observe and perform the obligations imposed upon the lessor under the Leases in a commercially reasonable manner; (ii) enforce the terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed or performed in a commercially reasonable manner and in a manner not to impair the value of the Individual Property involved; (iii) not collect any of the rents more than one (1) month in advance (other than security deposits); (iv) not execute any other assignment of lessor's interest in the Leases or the Rents (except as contemplated by the Loan Documents); (v) not alter, modify or change the terms of the Leases in a manner inconsistent with the provisions of the Loan Documents; and (vi) execute and deliver at the request of Lender all such further assurances, confirmations and assignments in connection with the Leases as Lender shall from time to time reasonably require.

(f) Upon request, Borrower shall furnish Lender with executed copies of all new Leases or Lease renewals or amendments.

(g) Notwithstanding anything to the contrary contained herein, Borrower shall not enter into (or permit Operating Company or Mortgage Borrower to enter into) a lease of all or substantially all of any Individual Property without Lender's prior consent.

**5.1.21 Alterations.** (a) Borrower shall cause all Alterations with respect to any portion of any of the Properties to be conducted and performed with due diligence in a good and workmanlike manner, and all materials used and work done shall be in accordance with all applicable Legal Requirements. In addition, with respect to the Convention Center Project and the Tower Project, to the extent such projects are pursued, Borrower agrees to cause Mortgage Borrower to (i) diligently pursue each such project to completion in a timely manner, subject to delays arising from Force Majeure events, (ii) cause the work to be performed in connection with each such project in substantial conformance with the plans and specifications for such project, and otherwise in conformity with the Mortgage Loan Agreement, each Senior Mezzanine Loan Agreement and this Agreement, (iii) provide Lender with reasonably detailed monthly progress reports (and such information as Lender shall reasonably request from time to time) regarding the status of the Convention Center Project and the Tower Project, (iv) upon the substantial completion of each such project, provide Lender with evidence of the substantial completion of each such project, copies of final unconditional lien waivers from the general contractors, construction managers or subcontractors for such project (if requested by Lender) and evidence of the final payment of all amounts due in connection with each such project, and a title search for the affected Individual Property indicating that such Individual Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (v) upon final completion of each such project, provide Lender with a final survey acceptable to Lender showing the "as-built" location of the completed Improvements and all easements appurtenant thereto, and "as-built" plans and specifications for Lender's file and a certificate of occupancy to the extent issued by the relevant Governmental Authority.

(b) Borrower shall obtain Lender's prior consent to (i) any Material Alterations (unless collateral or a completion guaranty is provided as set forth in subparagraph (c) below) or (ii) any Alterations to any of the Improvements (even if otherwise described in clause (i), above) that is reasonably likely to have an Individual Material Adverse Effect. Lender's consent shall not be required for any Alterations other than the Alterations described in the preceding sentence. Notwithstanding any provision hereof to the contrary, without Lender's consent, not to be unreasonably withheld or delayed, in no event shall Borrower close or shutter, or undertake or permit any Tenant or other Person to undertake, an Alteration that, alone or together with other work then being undertaken, closes or shutters, more than ten percent (10%) of the income-generating space in any Individual Property at any one time. Prior to undertaking any Alteration with respect to an Individual Property in excess of five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for such Individual Property, to afford Lender a prior and reasonable opportunity to determine whether or not the proposed Alteration would have an Individual Material Adverse Effect, Borrower will deliver such plans, specifications, project schedules, logistical plans, construction budgets (including a statement of sources and uses) and such other information as Lender may reasonably request in respect of such Alteration for review by Lender (and its consultants). All reasonable out-of-pocket costs and expenses incurred by Lender in connection with reviewing said Alterations proposal, including, without limitation, reasonable counsel fees and disbursements and Lender's consultants, shall be paid by Borrower. The above-referenced submission to Lender shall be delivered with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this Section. If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within ten (10) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(c) With respect to any Material Alteration, unless otherwise consented to by Lender, Borrower shall promptly deliver to Mortgage Lender as security for the payment of such amounts and as additional security for Borrower's obligations under the Loan Documents any of the following: (A) cash, (B) U.S. Obligations, (C) other securities having a rating acceptable to Lender and that the applicable Rating Agencies have confirmed in writing will not, in and of itself, result in a downgrade, withdrawal or qualification of the initial, or, if higher, then current

ratings assigned to any Securities or any class thereof in connection with any Securitization, (D) a completion and performance bond or an irrevocable letter of credit (payable on sight draft only) issued by an Eligible Institution, or (E) a completion guaranty from an Approved Guarantor in the form attached hereto as Exhibit A (with such changes as Lender shall approve), together with evidence reasonably satisfactory to Lender that the Approved Guarantor has reasonable liquidity taking into account the nature and amount of the guaranteed obligations under such completion guaranty (it being agreed that, if the Approved Guarantor in question is Holdings, then the amounts available for repayment of such obligations under any revolving credit facility in effect at such time in favor of Harrah's Operating Company, Inc. will be taken into account in determining whether Holdings has reasonable liquidity), and with, if required by applicable Rating Agency requirements, an Additional Insolvency Opinion. Such security, including the amount of the guaranteed obligations under any completion guaranty delivered as aforesaid, shall be in an amount equal to the sum of (i) the excess of the total unpaid amounts with respect to alterations to the Improvements on the applicable Individual Property (other than such amounts to be paid or reimbursed by tenants under the Leases) over the Threshold Amount and (ii) the costs of collection, and, upon the occurrence and during the continuance of an Event of Default, Lender may apply such security from time to time at the option of Lender to pay for such alterations.

**5.1.22 Operation of Properties.** (a) Borrower shall cause Mortgage Borrower to cause each of the Properties to be operated, in all material respects, in accordance with the Operating Leases and in accordance with all applicable Legal Requirements, including Gaming Laws, and all Gaming Licenses and other Operating Permits and in a manner consistent with their respective use as of the Closing Date. Borrower shall cause Operating Company to post all required bonds, if any, with any Gaming Authority as and in the amounts required under all applicable Legal Requirements (and shall, if Lender makes a request therefor, promptly provide Lender with copies of all such bonds).

(b) Borrower shall not, without Lender's prior written consent, permit Operating Company to assign or transfer, and Operating Company shall not, without Lender's prior written consent, assign or transfer, or delegate any responsibilities with respect to, any Gaming License or Operating Permit.

(c) Borrower shall cause Operating Company to make all filings required under the Gaming Laws, or in connection with any Gaming Licenses or Operating Permits, including in connection with the origination of the Mortgage Loan and the Mezzanine Loans, and shall deliver copies of such filings as Lender shall reasonably request to Lender, promptly upon request. Borrower will timely pay all fees, investigative fees and costs required by the Gaming Authorities with respect to any such approvals and licenses. Borrower will and will cause Mortgage Borrower to diligently and comprehensively respond to any inquiries and requests from the Gaming Authorities and promptly file or cause to be filed any additional information required in connection with any required filings as soon as practicable after receipt of requests therefor.

(d) Upon request of Lender, Borrower shall deliver to Lender (or cause Operating Company to deliver to Lender) such evidence of compliance (by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company and each Individual Property) with

all Legal Requirements, including Gaming Laws as shall be reasonably requested by Lender. Borrower shall immediately deliver to Lender (and shall cause Operating Company and Mortgage Borrower to deliver to Lender) any notice of material non-compliance or material violation of any Legal Requirement, or of any material inquiry or investigation commenced by the Gaming Authorities in connection with any of the Properties. Borrower shall immediately notify Lender if it, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company believe that any material license, including any Gaming License, is being or could be revoked or suspended, or that any action is pending, being considered or being, or could be, taken to revoke or suspend Borrower's, Senior Mezzanine Borrower's, Mortgage Borrower's or Operating Company's material licenses, including the Gaming Licenses, or to fine, penalize or impose remedies upon Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company, or that any action is pending, being considered, or being, or could be, taken to discontinue, suspend, deny, decrease or recoup any payments due, made or coming due to Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company, in each case if same might reasonably be expected to have an Individual Material Adverse Effect. Borrower shall immediately deliver to Lender any notice received by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company alleging or relating to the material non-compliance by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company with any Legal Requirements, including Gaming Laws.

(e) In the event that any of the Operating Leases expire or are terminated (without limiting any obligation of Borrower to obtain Lender's consent to any termination or modification of any of the Operating Leases in accordance with the terms and provisions of this Agreement), Borrower shall cause Mortgage Borrower to promptly enter into a replacement Operating Lease (in form and substance satisfactory to Lender) with Operating Company or another operating company reasonably satisfactory to Lender, provided Borrower will obtain a Rating Agency Confirmation as a condition to the effectiveness of such replacement Operating Lease and that Borrower will cause Guarantor (Operating Lease) to execute and deliver an operating lease guaranty in the same form and substance as the Operating Lease Guaranty.

(f) Borrower shall cause Mortgage Borrower to: (i) promptly perform and/or observe, in all material respects, all of the covenants and agreements required to be performed and observed by it under the Operating Lease and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any material default under any Operating Lease or Operating Lease Guaranty of which it is aware; (iii) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, notice, report and estimate received by it under each Operating Lease; and (iv) enforce the performance and observance of all of the material covenants and agreements required to be performed and/or observed by each Operating Company under each Operating Lease and by each Guarantor (Operating Lease) under each Operating Lease Guaranty, in a commercially reasonable manner.

(g) Borrower shall cause Mortgage Borrower to cause the Hotel Components to be at all times open for business as a hotel and the Casino Components to be open for business as a casino, except to the extent necessary to undertake any alterations or repairs (subject to the provisions of this Agreement with respect to the performance of any such alterations or repairs). Borrower shall cause each Individual Property to be at all times operated, managed and

maintained, at all times and in the manner and accordance with the standards required pursuant to the Operating Leases and all applicable Legal Requirements in all material respects.

(h) If Mortgage Borrower shall be in material default under any Operating Lease, then, subject to the terms of such Operating Lease, Borrower shall cause Mortgage Borrower (subject to any applicable Legal Requirements) to grant Lender the right (but not the obligation), to cause the default or defaults under such Operating Lease to be remedied and otherwise exercise any and all rights of Mortgage Borrower under such Operating Lease, as may be necessary to prevent or cure any default provided such actions are necessary to protect Lender's interest under the Loan Documents, and Lender shall have the right to enter all or any portion of the affected Individual Property at such times and in such manner as Lender deems necessary, to prevent or to cure any such default. The actions or payments of Lender to cure any default by Mortgage Borrower under any Operating Lease shall not remove or waive, as between Borrower and Lender, any default that may occur or occurred under this Agreement by virtue of such default by Mortgage Borrower under such Operating Lease. All out-of-pocket sums reasonably expended by Lender to cure any such default shall be paid by Borrower to Lender, upon demand, with interest on such sum at the rate set forth in this Agreement from the date such sum is expended to and including the date the reimbursement payment is made to Lender. All such indebtedness shall be deemed to be secured by the Pledge Agreement and the Collateral.

(i) Borrower shall notify Lender promptly in writing of (i) the occurrence, to Borrower's knowledge, of any material default by any party to any Operating Lease or any Operating Lease Guaranty, (ii) the occurrence, to Borrower's knowledge, of any event that, with the passage of time or service of notice, or both, would constitute a material default by any party under any Operating Lease or any Operating Lease Guaranty, and (iii) the receipt by Borrower or its Affiliate of any notice (written or otherwise) from any party under any Operating Lease or any Operating Lease Guaranty noting or claiming the occurrence of any material default by Borrower under such Operating Lease or such Operating Lease Guaranty.

(j) Borrower shall (subject to any applicable Legal Requirements) promptly cause Mortgage Borrower to execute, acknowledge and deliver to Lender such instruments as may reasonably be required to permit Lender to cure any material default under any Operating Lease or permit Lender to take such other action required to enable Lender to cure or remedy the matter in default and preserve the value of the security interest of Lender under the Loan Documents with respect to the Collateral. Upon the occurrence and during the continuance of an Event of Default, Borrower irrevocably appoints Lender as its true and lawful attorney-in-fact to do, in its name or otherwise, any and all acts and to execute any and all documents that are necessary to preserve any rights of Mortgage Borrower under or with respect to any Operating Lease, including, without limitation, the right to effectuate any extension or renewal of any Operating Lease, or to preserve any rights of Mortgage Borrower whatsoever in respect of any part of any Operating Lease (and the above powers granted to Lender are coupled with an interest and shall be irrevocable).

(k) With respect to any Operating Lease or any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days' prior written request from Lender, execute, acknowledge and deliver to Lender, a statement containing the following: (A) a statement that such Operating Lease or such Operating Lease Guaranty is unmodified and in full

force and effect or, if there have been modifications, that the Operating Lease or the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications, (B) a statement that Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Borrower's knowledge, either the other party thereto is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to the Operating Lease or the Operating Lease Guaranty as Lender shall reasonably request.

(l) With respect to any Operating Lease, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from each Operating Company containing the following: (A) a statement that such Operating Lease is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease is in full force and effect as modified and setting forth such modifications, (B) a statement that Operating Company is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Operating Company's knowledge, the Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to Operating Company, any Operating Lease and/or any Operating Lease Guaranty as Lender shall reasonably request.

(m) With respect to any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from Guarantor (Operating Lease) containing the following: (A) a statement that such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications; (B) a statement that Guarantor (Operating Lease) is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default; and (C) such other information with respect to such Guarantor (Operating Lease) and/or Operating Lease Guaranty as Lender shall reasonably request.

**5.1.23 Ground Lease Estoppel.** Borrower shall, on or prior to May 28, 2008, either (i) effect the substitution of the Properties commonly known as "Paris Las Vegas" and "Harrah's Laughlin" for the Individual Properties referred to as "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe" and "Showboat Atlantic City" as described in Section 2.5.2 of this Agreement or (ii) (x) cause the occurrence of the events set forth in paragraph 1, clause (ii) of the Ground Lease Side Letter and (y) in connection therewith, deliver to Lender updates to its UCC Title Insurance Policy and any endorsements to the Mortgage Borrower's owner's policies delivered to Lender in connection with the closing of the Loan, together with such other documents, instruments and new or updated opinions (including as to enforceability, non-consolidation and true lease matters) as Lender may reasonably request. The failure by Borrower to cause the occurrence of the event described in clause (i) or of the events described in clause (ii) above, on or prior to May 28, 2008 shall constitute a "Ground Lease

Estoppel Trigger Event” hereunder, but shall not constitute a Default or an Event of Default hereunder.

**5.1.24 Mortgage Loan Reserve Funds.** Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to deposit and maintain each of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds (if any) as more particularly set forth in Article VII of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement and to perform and comply with all the terms and provisions relating thereto. Borrower grants to Lender a first-priority perfected security interest in Borrower’s interest in each of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds, if any, subject to the prior rights of Mortgage Lender and Senior Mezzanine Lender, and any and all monies now or hereafter deposited in each Mortgage Loan Reserve Fund and Senior Mezzanine Loan Reserve Funds as additional security for payment of the Debt to the extent Borrower has an interest in same. Subject to the qualifications regarding Mortgage Lender’s and Senior Mezzanine Lender’s interest in the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds (as applicable), if any, until expended or applied in accordance with the Mortgage Loan Documents, Senior Mezzanine Loan Documents or the Loan Documents, Borrower’s interest in the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds shall constitute additional security for the Debt and upon the occurrence of an Event of Default, Lender may, in addition to any and all other remedies available to Lender, apply any sums then present in any or all of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds to the payment of the Debt in any order in its sole discretion and/or hold the same as Collateral for the Loan.

**5.1.25 Notices.** Borrower shall give notice, or cause notice to be given to Lender promptly upon the occurrence and during the continuance of an Event of Default and upon any of the following:

(a) any Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default;

(b) any default or event of default under any contractual obligation of Borrower, or, to the knowledge of Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor that could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect;

(c) any litigation or proceeding affecting Borrower, or, to the knowledge of Borrower, affecting any of Mortgage Borrower, Senior Mezzanine Borrower, Operating Company, Principal or Guarantor, which could or could reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect; or

(d) a change in the business, operations, property or financial or other condition or prospects of Borrower, or, to the knowledge of Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor which could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect.

**5.1.26 Special Distributions.** On each date on which amounts are required to be paid to Lender under any of the Loan Documents (or required be disbursed to the Mezzanine Collection Account, if applicable) Borrower shall exercise its rights under the First Mezzanine Borrower Company Agreement to cause Senior Mezzanine Borrower to make to Borrower a distribution in an aggregate amount such that Lender shall receive the amount required to be disbursed to the Mezzanine Collection Account or otherwise paid to Lender on such date.

**5.1.27 Curing.** Lender shall have the right, but shall not have the obligation, to exercise Borrower's rights under the First Mezzanine Borrower Company Agreement (a) to cure a Mortgage Loan Default, or Senior Mezzanine Loan Default, (b) to cure a Mortgage Loan Event of Default, or Senior Mezzanine Loan Event of Default, (c) to satisfy any Liens, claims or judgments against the Properties (except for Liens permitted by the Mortgage Loan Documents or Senior Mezzanine Loan Documents), (d) to satisfy any Liens, claims or judgments against the Senior Mezzanine Collateral, in the case of either (a), (b) or (c), unless Borrower, Senior Mezzanine Borrower or Mortgage Borrower shall be diligently pursuing remedies to cure the Mortgage Loan Default, the Senior Mezzanine Loan Default, the Senior Mezzanine Loan Event of Default or Mortgage Loan Event of Default or to satisfy any such Liens, claims or judgments, in either case to Lender's sole satisfaction. Borrower shall reimburse Lender on demand for any and all costs incurred by Lender in connection with curing any such Mortgage Loan Default, Senior Mezzanine Loan Default, Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default or satisfying any Liens, claims or judgments against any of the Properties or the Senior Mezzanine Collateral.

**5.1.28 Senior Borrower Covenants.** Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to comply with all obligations with which Mortgage Borrower and/or Senior Mezzanine Borrower have covenanted to comply under the Mortgage Loan Agreement, Senior Mezzanine Loan Agreement, all Senior Mezzanine Loan Documents and all other Mortgage Loan Documents, as applicable (including, without limitation, those certain affirmative and negative covenants set forth in Article V of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement), unless otherwise consented to in writing by Lender.

**Section 5.2. Negative Covenants.** From the date hereof until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Liens of the Collateral in accordance with the terms of this Agreement and the other Loan Documents, Borrower covenants and agrees with Lender that it will not do, directly or indirectly, any of the following (without, in each case, the prior written consent of Lender):

**5.2.1 Operation of Properties.** (a) Borrower shall not cause or permit Mortgage Borrower to, without Lender's prior consent: (i) surrender, terminate or cancel (or permit to be surrendered, terminated or canceled) any of the Operating Leases or any Operating Lease Guaranty; (ii) reduce or consent to the reduction of (or permit the reduction or the consent to the reduction) of the term of any of the Operating Leases; (iii) decrease or consent to any decrease (or permit to be decreased or the consent to the decrease) of the amount of any rent or other charges payable under any of the Operating Leases; (iv) Transfer, convey, assign, sell, mortgage, encumber, pledge, hypothecate, grant a security interest in, grant an option or options with respect to, or otherwise dispose of (directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, whether or not for consideration) the Properties or any collateral

for the Mortgage Loan (or permit Operating Company to do so), in each case without the prior written consent of Lender or except as expressly permitted in Section 5.2.10, or (v) otherwise modify, change, supplement, alter or amend, or waive or release (or permit to be modified, changed, supplemented, altered, amended, waived or released) any of the rights and remedies of Borrower, Mortgage Borrower or any Operating Company under any of the Operating Leases in any material respect or any Operating Lease Guaranty (provided that Lender shall not unreasonably withhold its consent to any modification, change, supplement, alteration, amendment, waiver or release of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document).

(b) During the continuance of an Event of Default, Borrower shall not exercise (and shall not cause or permit Mortgage Borrower to exercise) any rights, make any decisions, grant any approvals or otherwise take any action under any Operating Lease, Operating Lease Guaranty or any management agreement without, in each instance, the prior written consent of Lender, which consent may be withheld in Lender's sole discretion.

**5.2.2 Liens.** (a) Borrower shall not create, incur, assume or suffer to exist any Lien on any of the Collateral, except Liens created by or permitted pursuant to the Loan Documents. Borrower shall not, and shall not cause or permit Mortgage Borrower or Senior Mezzanine Borrower to create, incur, assume or suffer to exist any Lien on any portion of any Individual Property or Senior Mezzanine Collateral or permit any such action to be taken, except:

(i) Permitted Encumbrances;

(ii) Liens created by or permitted pursuant to the Loan Documents, Senior Mezzanine Loan Documents or Mortgage Loan Documents; and

(iii) Liens for Taxes or Other Charges not yet due.

(b) Borrower shall not incur any Indebtedness other than the Loan, shall not permit Mortgage Borrower to incur any Indebtedness other than the Mortgage Loan and Permitted Indebtedness (as defined in the Mortgage Loan Agreement), and shall not permit Senior Mezzanine Borrower to incur any Indebtedness other than the Senior Mezzanine Loans. Borrower shall not permit any Operating Company to incur Indebtedness in excess or other than Permitted Indebtedness (Operating Company).

**5.2.3 Dissolution.** Borrower shall not, and shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, (a) engage in any dissolution, liquidation or consolidation or merger with or into any other business entity, (b) engage in any business activity not related to (i) in the case of Borrower, the ownership of the Collateral, (ii) in the case of Senior Mezzanine Borrower, ownership of the Senior Mezzanine Collateral, (iii) in the case of Mortgage Borrower, the ownership and operation of the Properties and (iv) in the case of Operating Company, the leasing and operation of the Properties, (c) transfer, lease or sell, in one transaction or any combination of transactions, the assets or all or substantially all of the properties or assets of Borrower, Senior Mezzanine Borrower or Mortgage Borrower except to the extent permitted by the Loan Documents, (d) modify (in any material respect), amend (in any

material respect), waive or terminate its organizational documents or its qualification and good standing in any jurisdiction or (e) cause Holdings to (i) dissolve, wind up or liquidate or take any action, or omit to take an action, as a result of which Holdings, Senior Mezzanine Borrower or Mortgage Borrower would be dissolved, wound up or liquidated in whole or in part, or (ii) amend (in any material respect), modify (in any material respect), waive or terminate the certificate of incorporation or bylaws of Holdings, Senior Mezzanine Borrower or Mortgage Borrower, in each case, without obtaining the prior consent of Lender.

**5.2.4 Change in Business.** Borrower shall not cause Mortgage Borrower to enter into any line of business other than the ownership and operation of any of the Properties and other activities reasonably ancillary thereto, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. In addition, Borrower shall not permit or cause Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower by any Person, except for adequate consideration and in the ordinary cause of Mortgage Borrower's business. Borrower shall not enter into any line of business other than the ownership of the Collateral, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. Borrower shall not allow Senior Mezzanine Borrower to enter into any line of business other than the direct or indirect ownership of the applicable Senior Mezzanine Collateral or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business.

**5.2.5 Debt Cancellation.** Borrower shall not, and shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, cancel or otherwise forgive or release any claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower, Borrower or Senior Mezzanine Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's, Borrower's or Senior Mezzanine Borrower's business. In addition, Borrower shall not permit or cause itself, Senior Mezzanine Borrower, or Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Senior Mezzanine Borrower, Borrower or Mortgage Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's, Borrower's or Senior Mezzanine Borrower's business.

**5.2.6 Zoning.** Borrower shall not, and shall not permit Mortgage Borrower or Operating Company to, initiate or consent to any zoning reclassification of any portion of any Individual Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of any Individual Property in any manner that could result in such use becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of Lender.

**5.2.7 Ground Lease.** Borrower shall not (or shall not cause or permit Mortgage Borrower or Ground Lease Subsidiary, as applicable, to) (a) fail to pay any rent, additional rent or other charge mentioned in or made payable under any Ground Lease as and when such rent or

other charge is due (unless waived in writing by the ground lessor under such Ground Lease), (b) permit to occur any event of default (beyond any applicable notice, grace or cure periods) by any Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant under the related Ground Lease, in the observance or performance of any term, covenant or condition of such Ground Lease on the part of such Mortgage Borrower or Ground Lease Subsidiary, as applicable, to be observed or performed (unless waived in writing by the ground lessor under such Ground Lease), (c) permit any one or more of the events referred to in any Ground Lease to occur which would cause such Ground Lease to terminate without notice or action by the ground lessor under such Ground Lease or which would entitle such ground lessor to terminate such Ground Lease and the term thereof by giving notice to the related Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant thereunder (unless waived in writing by the ground lessor under such Ground Lease), (d) permit the leasehold estate created by any Ground Lease to be surrendered or any Ground Lease to be terminated or canceled for any reason or under any circumstances whatsoever or (e) permit any of the terms, covenants or conditions of any Ground Lease to be materially modified, materially changed, materially supplemented, materially altered, or materially amended without the consent of Lender except as otherwise may be permitted by this Agreement.

**5.2.8 Principal Place of Business and Organization.** Borrower shall not, nor shall Borrower permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, change the place of its organization as set forth in Section 4.1.28 without the consent of Lender, which consent shall not be unreasonably withheld. Upon Lender's request, Borrower shall (and shall cause Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to) execute and deliver additional financing statements, security agreements and other instruments which may be necessary to effectively evidence or perfect Mortgage Lender's security interest in any of the Properties, any Senior Mezzanine Lender's Security Interest in the related Senior Mezzanine Collateral or Lender's security interest in the Collateral as a result of such change of place of organization.

**5.2.9 ERISA.** (a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of the Loan, as requested by Lender in its sole discretion, that (i) Borrower is not an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(32) of ERISA; (ii) Borrower is not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans; and (iii) one or more of the following circumstances is true:

(A) Equity interests in Borrower are publicly offered securities, within the meaning of 29 C.F.R. § 2510.3-101(b)(2);

(B) Less than twenty-five percent (25%) of each outstanding class of equity interests in Borrower is held by “benefit plan investors” within the meaning of 29 C.F.R. § 2510.3-101(f)(2); or

(C) Borrower qualifies as an “operating company” or a “real estate operating company” within the meaning of 29 C.F.R. § 2510.3-101(c) or (e).

**5.2.10 Transfers.** (a) Without the prior consent of Lender and except to the extent otherwise set forth in this Section 5.2.10, Borrower shall not, and shall not permit any other Person holding any direct or indirect legal, economic, beneficial or other ownership interest in Borrower, the Collateral, the Senior Mezzanine Collateral or one or more of the Properties to, (1) Transfer all or any part of the Collateral, the Senior Mezzanine Collateral or one or more of the Properties, (2) permit any Transfer (directly or indirectly) of any direct or indirect interest in Borrower, or (3) permit any Transfer (directly or indirectly) of any direct or indirect interest in Operating Company or any transfer or assignment or subletting (of all or substantially of any Individual Property) by any Operating Company under any Operating Lease.

(b) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) a direct or indirect beneficial interest in Borrower consisting of ownership interests in or at any level above the level of Ninth Mezzanine Borrower shall be permitted without Lender’s consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Borrower is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, (iii) subsequent to such Transfer, Borrower will continue to be a Special Purpose Entity, (iv) if (1) such Transfer causes the Transferee to own, in the aggregate with the ownership interests of its Affiliates, more than a forty nine percent (49%) interest in Borrower (and the Transferee (together with the ownership interests of its Affiliates) did not, prior to such Transfer, own more than a forty nine percent (49%) interest in Borrower), or (2) such Transfer, together with all other Transfers by Borrower, whether in a single Transfer or in a series of Transfers and whether or not effected simultaneously, results in a Transfer of more than forty nine percent (49%) of the aggregate interests in Borrower, then, if required by applicable Rating Agency requirements, an acceptable non-consolidation opinion is delivered to the holder of the Loan and to each of the Rating Agencies concerning, as applicable, Borrower, the new Transferee and/or their respective owners, and (v) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions. Further, a Change in Control shall be deemed a Transfer hereunder and, unless clauses (ii) through (v) of this Section 5.2.10(b) shall be satisfied, the same shall be an Event of Default hereunder (and for the sake of clarity, nothing else contained in this Section 5.2.10 or this Agreement shall be deemed to limit or qualify the above terms of this sentence).

(c) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) a direct or indirect beneficial interest in Operating Company shall be permitted without Lender’s consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Operating Company is at all times Controlled and at least fifty percent (50%)

owned (directly or indirectly) by Qualified Transferees, and (iii) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions.

(d) In the event that a permitted Transfer of more than a forty nine percent (49%) interest in Borrower is made pursuant to this Section 5.2.10, at Borrower's request, Lender shall release Guarantor from (i) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty for obligations and liabilities arising from and after the date of such Transfer, and (ii) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred either prior or subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty, including those which occurred prior to the Transfer. Notwithstanding the foregoing or anything else that may be construed to the contrary, in no event may Borrower effect a Transfer, or permit or suffer any Transfer, that would result in any loss or impairment of any Gaming License or in any similar event that would have an Individual Property Material Adverse Effect or Aggregate Property Material Adverse Effect.

(e) Notwithstanding the foregoing or anything herein to the contrary, but subject to the final sentence of Section 5.2.10(d), nothing contained in this Agreement or the other Loan Documents shall in any way restrict or prohibit, nor shall any notice to Lender or consent of Lender or Rating Agency Confirmation be required in connection with the Transfer or issuance in the ordinary course of any securities in any Person whose securities are publicly traded on a national exchange (except to the extent that the same would cause a Change of Control) or with an initial public offering of securities issued by Holdings or of subsidiary of Holdings (other than the Borrower and any Mezzanine Borrower (provided that, in the case of an issuance by a subsidiary, such issuance would not cause a Change of Control)).

(f) Assumptions of the Loan shall be permitted, provided that the following conditions are satisfied and/or occur to Lender's satisfaction:

(i) such sale has been approved or deemed approved under the Mortgage Loan Documents and Senior Mezzanine Loan Documents and all conditions set forth in the Mortgage Loan Documents and Senior Mezzanine Loan Documents relating thereto have been satisfied;

(ii) an assumption of this Agreement, the Note, the Pledge Agreement and the other Loan Documents as so modified by the proposed transferee, subject to the provisions of Section 9.3 hereof;

(iii) payment of all of reasonable out-of-pocket costs and expenses incurred in connection with such Transfer including, without limitation, the cost of any legal fees and expenses, Rating Agency fees and expenses or required legal opinions;

(iv) the payment of a non-refundable assumption fee equal to Lender's Share of One Million and No/100 Dollars (\$1,000,000) per transaction (effecting an assumption of the Loan) or series of related transactions (effected to implement an assumption of the Loan);

(v) the delivery of an Additional Insolvency Opinion reflecting the proposed transfer satisfactory in form and substance to Lender; and the delivery of an Additional True-Lease Opinion in form and substance satisfactory to Lender;

(vi) the proposed Transferee being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees;

(vii) the Operating Company being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees, having sufficient experience (or having a manager that has sufficient experience) in the management of properties similar to the Properties, and such Operating Company or its manager not having materially less than the same level of experience in the operation of properties similar to the Properties as the current Operating Company under the Operating Lease and, in each case, Lender shall be provided with reasonable evidence thereof (and Lender reserves the right to approve the Transferee(s) without approving the substitution of the Operating Company) and the operating tenant shall be either the Operating Company or, if permitted by applicable Legal Requirements, a manager acceptable to Lender under a management agreement acceptable to Lender; provided that so long as the Operating Lease is in force and effect and the current Operating Company shall continue to be the tenant thereunder and owned and Controlled by the same Person(s) that currently own and Control the Operating Company, the condition with respect to the Operating Company set forth in this subclause (vi) shall be deemed to have been met in all respects;

(viii) the delivery of evidence reasonably satisfactory to Lender that the single purpose nature and bankruptcy remoteness of Borrower, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the then current standards of Lender and the Rating Agencies; and the Transferee(s)' continued compliance with the representations and covenants set forth in Section 4.1.30 and Section 5.2.9 hereof;

(ix) Borrower's delivery to Lender of evidence reasonably satisfactory to Lender of any required approval or consent of any Governmental Authority, including the Gaming Authorities, that has direct or indirect authority or oversight over Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Properties, Operating Company or the operations conducted at the Properties to the change in ownership and/or operator of the Properties (or any part thereof);

(x) prior to any release of the Guarantor, a substitute guarantor reasonably acceptable to Lender shall have assumed all of the obligations of the Guarantor under the Guaranty (FF&E), the Guaranty (Recourse Carveouts), the Operating Lease Guaranty, the Guaranty (Ground Lease Estoppel), any completion guaranty provided under Section 5.1.21 and the Environmental Indemnity or executed replacement guaranties and an environmental indemnity reasonably satisfactory to Lender;

(xi) receipt of evidence satisfactory to Lender that all of the entities which own interests in the transferee similar to the interests in Borrower owned by the Eighth Mezzanine Borrower (1) shall assume the Eighth Mezzanine Loan (if still outstanding) and all the agreements of Eighth Mezzanine Borrower under the Eighth Mezzanine Loan Documents (and without limiting the foregoing, all of the ownership interests in Borrower, all payments thereon and all proceeds thereof shall be pledged to Lender on terms no less favorable than the pledge of the Collateral under the applicable Pledge Agreement), (2) shall each be a bankruptcy-remote single purpose entity, and (3) shall otherwise have a legal, financial and ownership structure that is (a) substantially the same as the Eighth Mezzanine Borrower or (b) at least as favorable to the Eighth Mezzanine Lender, as determined by the Eighth Mezzanine Lender in its reasonable discretion, as the legal, financial and ownership structure of Eighth Mezzanine Borrower;

(xii) receipt of evidence satisfactory to Lender that all of the entities which own interests in the transferee similar to the interests in Eighth Mezzanine Borrower owned by the Ninth Mezzanine Borrower (1) shall assume the Ninth Mezzanine Loan (if still outstanding) and all the agreements of Ninth Mezzanine Borrower under the Ninth Mezzanine Loan Documents (and without limiting the foregoing, all of the ownership interests in Eighth Mezzanine Borrower, all payments thereon and all proceeds thereof shall be pledged to Lender on terms no less favorable than the pledge of the Collateral under the applicable Pledge Agreement), (2) shall each be a bankruptcy remote single purpose entity, and (3) shall otherwise have a legal, financial and ownership structure that is (a) substantially the same as the Ninth Mezzanine Borrower or (b) at least as favorable to the Ninth Mezzanine Lender, as determined by the Ninth Mezzanine Lender in its reasonable discretion, as the legal, financial and ownership structure of Ninth Mezzanine Borrower;

(xiii) a written consent to the transfer from the lender under each Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender;

(xiv) subsequent to such assumption of the Loan, the beneficial ownership of Borrower and Operating Company will be substantially identical; and

(xv) the delivery of a new Owner's Title Policy, in an amount equal to the value of the Properties, together with an endorsement to Lender in form and substance reasonably satisfactory to Lender.

Lender agrees to provide a written consent to a transfer pursuant to this Section 5.2.10(f) upon satisfaction of all of the conditions set forth in this Section 5.2.10(f) other than the condition set forth in clause (xiv) of this Section 5.2.10(f).

(g) Restrictions on Transfers set forth herein or in the Pledge shall not apply to (i) the pledge of the Collateral to Lender pursuant to the Pledge Agreement, (ii) the pledge by First Mezzanine Borrower of the ownership interests in Mortgage Borrower as security for the First Mezzanine Loan pursuant to the First Mezzanine Loan Agreement, (iii) the pledge by Second Mezzanine Borrower of the ownership interests in First Mezzanine Borrower as security for the Second Mezzanine Loan pursuant to the Second Mezzanine Loan Agreement, (iv) the pledge by Third Mezzanine Borrower of the ownership interests in Second Mezzanine Borrower as security for the Third Mezzanine Loan pursuant to the Third Mezzanine Loan Agreement, (v) the pledge by Fourth Mezzanine Borrower of the ownership interests in Third Mezzanine Borrower as security for the Fourth Mezzanine Loan pursuant to the Fourth Mezzanine Loan Agreement, (vi) the pledge by Fifth Mezzanine Borrower of the ownership interests in Fourth Mezzanine Borrower as security for the Fifth Mezzanine Loan pursuant to the Fifth Mezzanine Loan Agreement, (vii) the pledge by Sixth Mezzanine Borrower of the ownership interests in Fifth Mezzanine Borrower as security for the Sixth Mezzanine Loan pursuant to the Sixth Mezzanine Loan Agreement, (viii) the pledge by Eighth Mezzanine Borrower of the ownership interests in Borrower as security for the Eighth Mezzanine Loan pursuant to the Eighth Mezzanine Loan Agreement, (ix) the pledge by Ninth Mezzanine Borrower of the ownership interests in Eighth Mezzanine Borrower as security for the Ninth Mezzanine Loan pursuant to the Ninth Mezzanine Loan Agreement, (x) any pledge pursuant to a New Mezzanine Loan or (xi) the Transfer or pledge of any direct or indirect interest in Holdings, provided that no Change in Control shall occur.

(h) Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer without Lender's consent. This provision shall apply to every Transfer regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer.

**5.2.11 Operating Lease Subsidiary.** Borrower shall not cause or permit Mortgage Borrower to Transfer any of its interests in Ground Lease Subsidiary without the prior written consent of Lender; Borrower shall not permit Mortgage Borrower to cause or permit Ground Lease Subsidiary to own any assets other than its interests in the Ground Lease or to incur any liabilities other than liabilities under the Ground Lease; Borrower shall not permit Mortgage Borrower to cause or permit Ground Lease Subsidiary to engage in any business other than that related to its ownership of interests in the Ground Lease.

**5.2.12 Limitations on Distributions.** Following the occurrence and during the continuance of an Event of Default, Borrower shall not make any distributions to its members. If any Distributions shall be received by Borrower or any Affiliate of Borrower after the occurrence and during the continuance of an Event of Default, Borrower shall hold, or shall cause the same to be held, in trust for the benefit of Lender.

**5.2.13 Other Limitations.** Prior to the payment in full of the Debt, neither Borrower nor any of its Affiliates shall, without the prior written consent of Lender (which may be furnished or withheld at its sole and absolute discretion), give its consent or approval to any of the following actions or items: the distribution by Mortgage Borrower or Senior Mezzanine Borrower of property other than cash.

**5.2.14 Refinancing.** Borrower shall not consent to or permit a refinancing of the Mortgage Loan or Senior Mezzanine Loan unless it obtains the prior consent of Lender, unless the Loan shall be paid in full in connection with such refinancing in accordance with this Agreement. Borrower shall not consent to or permit a prepayment in full or in part of the Mortgage Loan or Senior Mezzanine Loan unless it obtains the prior consent of Lender, unless the Loan shall likewise be prepaid (in the same proportion, in the case of any partial prepayment) in accordance with this Agreement.

**Section 5.3. General.** For avoidance of doubt, all requirements contained in this Article V with respect to the Operating Company shall mean that it shall be a Default or Event of Default hereunder if Operating Company fails to perform in the specified manner, but Lender acknowledges that Operating Company is not a party to this Agreement and that Borrower does not control Operating Company.

## **VI. INSURANCE; CASUALTY; CONDEMNATION**

**Section 6.1. Insurance.** (a) Borrower shall cause Mortgage Borrower to maintain at all times during the term of the Loan the Policies required under Section 6.1 of the Mortgage Loan Agreement, including, without limitation, meeting all insurer requirements thereunder. In addition, Borrower shall cause Lender to be named “as their interest may appear”, under the Policies required under Sections 6.1(a)(i),(ii),(iii),(iv),(v),(vi),(vii),(viii),(ix),(x) and (xi) of the Mortgage Loan Agreement and as an “additional insured” with respect to liability coverages. Borrower shall also cause all insurance policies required under this Section 6.1 to provide for at least thirty (30) days’ prior notice to Lender in the event of policy cancellation or material changes. Borrower shall provide Lender with evidence of all such insurance required hereunder on or before the date on which Mortgage Borrower is required to provide such evidence to Mortgage Lender. For purposes of this Agreement, Lender shall have the same approval rights over the insurance referred to above and in the Mortgage Loan Agreement (including, without limitation, the insurers, deductibles and coverages thereunder, as well as the right to require other reasonable insurance pursuant to Section 6.1 of the Mortgage Loan Agreement) as are provided in favor of the Mortgage Lender in the Mortgage Loan Agreement.

(b) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in any of the Properties or the Collateral, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate (but limited to the coverages and amounts required under the Mortgage Loan Agreement) and all premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and shall bear interest at the Default Rate.

**Section 6.2. Casualty.** If the Individual Property shall be materially damaged or destroyed, in whole or in part, by fire or other casualty (a “Casualty”), Borrower shall give prompt notice of such damage to Lender and shall cause Mortgage Borrower to promptly commence and diligently prosecute the completion of the Restoration of the Individual Property as nearly as possible to the condition the Individual Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Lender and otherwise in accordance with Section 6.4 of the Mortgage Loan Agreement. Borrower shall cause Mortgage Borrower to pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower or Mortgage Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than, in the case of each Casualty, an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for the affected Individual Property and the “Allocated Loan Amounts” under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for the affected Individual Property, and Borrower shall deliver to Lender all instruments required by Lender to permit such participation.

**Section 6.3. Condemnation.** Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of any Individual Property and shall cause Mortgage Borrower to deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If any Individual Property or any portion thereof is taken by a condemning authority, Borrower shall cause Mortgage Borrower to promptly commence and diligently prosecute the Restoration of the applicable Individual Property and otherwise comply with the provisions of Section 6.4 of the Mortgage Loan Agreement. If any Individual Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

**Section 6.4. Restoration.** Borrower shall, or shall cause Mortgage Borrower to, deliver to Lender all reports, plans, specifications, documents and other materials that are delivered to Mortgage Lender under Section 6.4 of the Mortgage Loan Agreement in connection with the Restoration of any Individual Property after a Casualty or Condemnation.

## VII. RESERVE FUNDS

### Section 7.1. Intentionally Omitted.

**Section 7.2. Tax and Insurance Escrow Fund.** (a) If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, on each Payment Date during such period, Borrower shall pay to Lender (or Servicer, as directed by Lender) an amount equal to (i) one-twelfth of the Taxes that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes at least thirty (30) days prior to their respective due dates, and (ii) one-twelfth of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (i) and (ii) above hereinafter called the "**Tax and Insurance Escrow Fund**"). Lender shall apply the Tax and Insurance Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.1.2 hereof and under the Mortgage Loan Agreement. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 5.1.2 hereof, provided no Event of Default shall have occurred and be continuing, then Lender shall return any excess to Borrower (or to Operating Company, if so directed by Borrower). In allocating such excess, Lender may deal with the Person shown on the records of Lender to be the owner of the Properties. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes and Insurance Premiums by the dates set forth in (i) and (ii) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

(b) Notwithstanding the foregoing, Borrower shall not be required to make any deposits into the Tax and Insurance Escrow Fund on account of Insurance Premiums if (and for so long as) Borrower shall maintain a blanket insurance policy in respect of the Properties that is in accordance with the provisions of Section 6.1(a) and otherwise satisfactory to Lender in all material respects.

(c) Any amount remaining in the Tax and Insurance Escrow Fund following the occurrence of a Trigger Event Cure shall be returned to Borrower (or Operating Company, as directed by Borrower).

**7.2.2 Waiver of Tax Escrow.** Borrower shall be relieved of its obligation to make deposits of Tax and Insurance Escrow Fund under Section 7.2 above, provided that (a) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a tax escrow account under the Mortgage Loan or Senior Mezzanine Loan, and

(b) Lender receives evidence acceptable to it of the making of such deposits and of the payment of all such Taxes.

**7.2.3 Tax and Insurance Escrow Funds After Debt Paid.** Any Tax and Insurance Escrow Funds remaining after the Debt has been paid in full shall be remitted (i) if the Eighth Mezzanine Loan is outstanding, then to the Eighth Mezzanine Lender or (ii) if the Eighth Mezzanine Loan is no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (iii) if the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

**Section 7.3. FF&E Reserve Account.**

**7.3.1 FF&E Reserve Fund.** (a) Unless Borrower shall have delivered to Lender a Guaranty (FF&E), Borrower shall pay to Lender (or Servicer, as directed by Lender) on each Payment Date an amount equal to (i) one-twelfth of three percent (3%) of the amount of all Revenues for the full calendar year prior to the first (1st) day of the month in which such Payment Date occurs, less (ii) any amount spent during the previous calendar month by Borrower or Operating Company on behalf of Borrower in accordance with the Operating Lease on account of FF&E (other than from the FF&E Reserve Fund, it being understood that amounts expended on account of FF&E from the FF&E Reserve Fund shall not be included in any deductions required pursuant to the preceding subclause (i) and that any FF&E that is purchased through disbursements from the FF&E Reserve Fund may not be subsequently financed by Borrower or Operating Company). Notwithstanding anything to the contrary contained herein, in no event shall Borrower be required to maintain in the FF&E Reserve Account an amount in excess of the aggregate amount of all FF&E deposits required to be made in the preceding calendar year (as determined, for purposes of this sentence, utilizing the monthly formula set forth in the preceding sentence). In addition, notwithstanding anything to the contrary contained herein, for purposes of determining the amount of any required FF&E Reserve Fund deposits (and for purposes of calculating such amount, monthly, based on the formula set forth in the first sentence of this Section 7.3.1), Revenues shall include Revenue from the Hotel Component and the Casino Component but shall not include non-Hotel or Casino related Revenues (e.g., Rents from retail tenants).

(b) Amounts deposited by Borrower as described in this Section 7.3.1 shall hereinafter be referred to as the “**FF&E Reserve Fund**” and the account in which such amounts are held shall hereinafter be referred to as the “**FF&E Reserve Account**”.

**7.3.2 Disbursements from FF&E Reserve Account.** (a) All disbursements from the FF&E Reserve Account shall be made solely for the purpose of reimbursing Borrower (or Operating Company for FF&E bought on behalf and in the name of Borrower in accordance with the Operating Lease, as directed by Borrower) for its costs and expenses incurred, or for paying costs to be incurred, in connection with the repair, replacement and/or upgrade of FF&E at the Properties. Provided no Event of Default shall have occurred and be continuing, Lender shall, within ten (10) days following request by Borrower, make disbursements from the FF&E Reserve Fund no more frequently than once in any thirty (30) day period, in amounts no less than \$10,000 per disbursement (or a lesser amount if the total amount in the FF&E Reserve Account

is less than \$10,000, in which case only one disbursement of the amount remaining in the account shall be made), and upon delivery by Borrower (or Operating Company) of Lender's standard form of draw request accompanied by copies of invoices for the amounts requested and, if required by Lender for requests in excess of \$50,000 for a single item, receipts and releases from all parties furnishing materials and/or services in connection with the requested payment.

(b) Disbursements may be made from the FF&E Reserve Account, at Borrower's election, directly to third parties (as directed by Borrower).

(c) In no event shall funds in the FF&E Reserve Account be utilized to pay (or reimburse any Person) for any Capital Expenditures or non-recurring work being performed at the Properties.

**7.3.3 Balance in the FF&E Reserve Account.** (a) The insufficiency of any balance in the FF&E Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

**7.3.4 Waiver of FF&E Reserve.** Borrower shall be relieved of its obligation to make deposits of FF&E Reserve Fund under Section 7.3 above, provided that either (a) (i) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a FF&E reserve account under the Mortgage Loan or Senior Mezzanine Loan, and (ii) Lender receives evidence acceptable to it of the making of such deposits or (b) an FF&E Guaranty is provided to Mortgage Lender.

**7.3.5 FF&E Reserve Funds After Debt Paid.** Any FF&E Reserve Funds remaining after the Debt has been paid in full shall be remitted (i) if the Eighth Mezzanine Loan is outstanding, then to the Eighth Mezzanine Lender or (ii) if the Eighth Mezzanine Loan is no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (iii) if the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

#### **Section 7.4. Ground Rent Funds.**

**7.4.1 Deposits of Ground Rent Funds.** If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, Borrower shall deposit with Lender (or Servicer, as directed by Lender), at least ten (10) Business Days prior to each Payment Date during such period, an amount equal to the Ground Rent that will be payable under the Ground Lease for the month in which such Payment Date occurs. Amounts deposited by Borrower as described in this Section 7.4.1 shall hereinafter be referred to as the "**Ground Rent Reserve Fund**" and the account in which such amounts are held shall hereinafter be referred to as the "**Ground Rent Reserve Account**". Such deposit may be increased by Lender in the amount Lender deems is necessary in its reasonable discretion based on any increases in the Ground Rent.

**7.4.2 Release of Ground Rent Funds.** Provided no Event of Default has occurred and is continuing, Lender shall apply the Ground Rent Reserve Funds to payments of Ground Rent. In making any payment relating to Ground Rent, Lender may do so according to

any bill or statement given by the Ground Lessor without inquiry into the accuracy of such bill or statement or into the validity of any rent, additional rent or other charge thereof. If the amount of the Ground Rent Reserve Funds shall exceed the amounts due for Ground Rent, Lender shall return any excess to Borrower.

**7.4.3 Waiver of Ground Rent Reserve.** Borrower shall be relieved of its obligation to make deposits of Ground Rent Reserve Funds under Section 7.4 above, provided that (a) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a ground rent reserve account under the Mortgage Loan or Senior Mezzanine Loan, and (b) Lender receives evidence acceptable to it of the making of such deposits and of the payment of all Ground Rent.

**7.4.4 Ground Rent Reserve Funds After Debt Paid.** Any Ground Rent Reserve Funds remaining after the Debt has been paid in full shall be remitted (i) if the Eighth Mezzanine Loan is outstanding, then to the Eighth Mezzanine Lender or (ii) if the Eighth Mezzanine Loan is no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (iii) if the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

**Section 7.5. Reserve Funds, Generally.** (a) Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt. Upon the occurrence and during the continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender.

(b) Borrower shall not, without obtaining the prior consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(c) The Reserve Funds shall be held by Lender (or Servicer) and may be invested at Borrower's election and direction in Permitted Investments routinely offered by the Servicer of the Securitization for investment by Borrower. All interest or other earnings on a Reserve Fund shall be added to and become a part of such Reserve Fund for the benefit of Borrower and shall be disbursed in the same manner as other monies deposited in such Reserve Fund. Borrower shall have the right to direct Lender (or Servicer) to invest sums on deposit in the Eligible Account in Permitted Investments provided (a) such investments are permitted by applicable federal, state and local rules, regulations and laws, (b) the maturity date of the Permitted Investment is not later than the date on which the applicable Reserve Funds are required for payment of an obligation for which such Reserve Fund was created, and (c) no Event of Default shall have occurred and be continuing. Borrower shall be responsible for

payment of any federal, state or local income or other tax applicable to the interest or income earned on the Reserve Funds. No other investments of the sums on deposit in the Reserve Funds shall be permitted except as set forth in this Section 7.5. Borrower shall bear all reasonable costs associated with the investment of the sums in the account in Permitted Investments. Such costs shall be deducted from the income or earnings on such investment, if any, and to the extent such income or earnings shall not be sufficient to pay such costs, such costs shall be paid by Borrower promptly on demand by Lender. Lender shall have no liability for the rate of return earned or losses incurred on the investment of the sums in Permitted Investments.

(d) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Reserve Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all Persons supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

**Section 7.6. Transfer of Reserve Funds Under Mortgage Loan and Senior Mezzanine Loan.** If Mortgage Lender or Senior Mezzanine Lender waives any reserves or escrow accounts required in accordance with the terms of the Mortgage Loan Agreement or Senior Mezzanine Loan Agreement which reserves or escrow accounts are also required in accordance with the terms of this Article VII, or if the Mortgage Loan or Senior Mezzanine Loan is refinanced or paid off in full (without a prepayment of the Loan) and Reserve Funds that are required hereunder are not required under the new mortgage loan, if any, then Borrower shall cause any amounts that would have been deposited into any reserves or escrow accounts in accordance with the terms of the Mortgage Loan Agreement or Senior Mezzanine Loan Agreement to be paid to and deposited with Lender in accordance with the terms of this Article VII (and Borrower shall enter into lockbox and cash management agreements for the benefit of Lender in form and substance acceptable to Lender).

## VIII. DEFAULTS

(viii) if Borrower attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;

(ix) if Borrower breaches any of its respective negative covenants contained in Section 5.2 or any covenant contained in Section 4.1.30 or Section 5.1.11 hereof (and, with respect to any such breach of any covenant set forth in Section 5.1.11 which is not the subject of any other subsection of this Section 8.1, Borrower fails to remedy such

condition within ten (10) days after notice to Borrower from Lender, in the case of any such Default under Section 5.1.11 which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other such Default under Section 5.1.11);

(x) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;

(xi) if any of the assumptions contained in the Insolvency Opinion delivered to Lender in connection with the Loan, or in the Additional Insolvency Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect; or if any of the assumptions contained in the True Lease Opinion delivered to Lender in connection with the Loan, or in the Additional True Lease Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect;

(xii) if Mortgage Borrower, Operating Company or Guarantor (Operating Lease) is in default of any of its material obligations under the Operating Lease (or under another lease and/or management agreement in substitution for the Operating Lease in accordance herewith) or under the Operating Lease Guaranty (or under another operating lease guaranty in substitution for the Operating Lease Guaranty in accordance herewith) beyond any applicable notice and cure periods contained therein; or if any Operating Lease (or such other lease and/or management agreement) or any Operating Lease Guaranty (or such other operating lease guaranty) shall be surrendered or any Operating Lease or any Operating Lease Guaranty shall be terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Operating Lease (or such other lease and/or management agreement) or the Operating Lease Guaranty (or such other operating lease guaranty) shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender except as may otherwise expressly permitted in this Agreement;

(xiii) if any Affiliate of Borrower that is or becomes a party to the Windstorm Insurance Intercreditor Agreement is in default of any of its material obligations under the Windstorm Insurance Intercreditor Agreement beyond any applicable notice and cure periods contained therein; or if the Windstorm Insurance Intercreditor Agreement shall be surrendered, terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Windstorm Insurance Intercreditor Agreement shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender;

(xiv) if Borrower, Senior Mezzanine Borrower or Mortgage Borrower fails to comply with the covenants as to Prescribed Laws set forth in Section 5.1.1 hereof;

(xv) if (A) subject to any notice and cure periods contained in the applicable Ground Lease, Mortgage Borrower or Ground Lease Subsidiary, as applicable, shall fail in the payment of any rent, additional rent or other charge mentioned in or made payable by such Ground Lease as and when such rent or other charge is payable (unless waived by the landlord under such Ground Lease), (B) subject to any notice and cure periods contained in the applicable Ground Lease, there shall occur any default by Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant under such Ground Lease, in the observance or performance of any term, covenant or condition of the Ground Lease on the part of Mortgage Borrower or Ground Lease Subsidiary, as applicable, to be observed or performed (unless waived by the landlord under the Ground Lease) (other than any such default being contested by Borrower in good faith by appropriate proceedings, provided that (i) no Event of Default has occurred and remains uncured, (ii) such proceeding shall be conducted in accordance with all applicable statutes, laws and ordinances, (iii) in Lender's reasonable determination, the Ground Lease is not in imminent danger of being forfeited, terminated, cancelled or lost and the Operating Company's use and operation of the ground leased premises in connection with the operation of Harrah's Lake Tahoe", "Harvey's Lake Tahoe" or "Bill's Lake Tahoe" is not in imminent danger of being denied, forfeited, terminated, cancelled or lost and (iv) Borrower shall furnish such security as may be reasonably requested by Lender), (C) any one or more of the events referred to in any Ground Lease shall occur which would cause the Ground Lease to terminate without notice or action by the landlord under the Ground Lease or which would entitle the landlord to terminate the Ground Lease and the term thereof by giving notice to Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant thereunder (unless waived by the landlord under the Ground Lease), (D) the leasehold estate created by any Ground Lease shall be surrendered or the Ground Lease shall be terminated or canceled for any reason or under any circumstances whatsoever unless Mortgage Borrower or Ground Lease Subsidiary, as applicable, acquires the fee interest and mortgages same to Lender (unless Mortgage Borrower or Ground Lease Subsidiary, as applicable, acquires the fee interest, with Lender's prior reasonable approval, and mortgages same to Mortgage Lender) or (E) if any of the terms, covenants or conditions of any Ground Lease shall in any manner be modified, changed, supplemented, altered, or amended without the consent of Lender except as otherwise permitted by this Agreement;

(xvi) any Gaming License shall be refused, suspended, revoked, modified in a materially adverse manner or canceled or allowed to lapse or any proceeding is commenced by any Governmental Authority for the purpose of suspending, revoking or canceling any Gaming License in any materially adverse respect, or any Governmental Authority shall have appointed a conservator, supervisor or trustee to or for any of the Casino Components and, in each case of the foregoing, such action could reasonably be expected to (A) have an Individual Material Adverse Effect, (B) materially and adversely effect the continued operation of the Casino Components in the usual course of business and in substantially the same manner and to at least the same standard as was maintained prior to such action, or (C) result in any material decrease in the then expected cash flow and revenues to be derived from the Casino Components;

(xvii) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xv) above, for ten (10) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed one hundred twenty (120) days;

(xviii) if there shall be a default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Collateral or any Individual Property, or if any other such event shall occur or condition shall exist, if the effect of such event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt;

(xix) if the Liens created pursuant to any Loan Document shall cease to be a fully protected enforceable first priority security interest in the Collateral, or any portion of the Collateral is Transferred without Lender's prior written consent except as permitted hereunder; or

(xx) if a Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default shall occur.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi) or (vii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and in and to all or any of the Collateral, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents and may exercise all the rights and remedies of a secured party under the Uniform Commercial Code, as adopted and enacted by the State or States where any of the Collateral is located against Borrower and any or all of the Collateral, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in clauses (vi) or (vii) above, the Debt and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

**Section 8.2. Remedies.** (a) Upon the occurrence of an Event of Default, but in compliance with applicable Gaming Laws, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or

in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any of the Collateral. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any "one action" or "election of remedies" law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Collateral and the Collateral has been foreclosed upon, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any portion of the Collateral for the satisfaction of any of the Debt in preference or priority to any other portion of the Collateral, and Lender may seek satisfaction out of all of the Collateral or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose upon the Collateral in any manner and for any amounts secured by the Pledge Agreement then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose upon the Collateral to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose upon the Collateral to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Collateral as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to the Pledge Agreement and the other Loan Documents to secure payment of sums secured by the Pledge Agreement and other Loan Documents and not previously recovered.

(c) Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, pledges and other security documents (the "**Severed Loan Documents**") in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender's intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or

expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents. The Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date. The Severed Loan Documents shall (a) not increase the aggregate stated principal amount of the Loan, (b) provide that the weighted average spread of the Loan on the date of such severance shall equal the weighted average spread which was applicable to the Loan immediately prior to such severance (Borrower acknowledging that such Severed Loan Document may, in connection with the application of principal to the amounts evidenced by such Severed Loan Documents, subsequently cause the weighted average spread of such new notes or modified notes to change), (c) not adversely affect the overall economics to Borrower of the Loan, taken as a whole, or (d) expose Borrower to any additional costs or increased risk of any liability (beyond that or greater than that existing in the Loan Documents in effect on the date hereof).

(d) The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

(e) Any amounts recovered from the Collateral after an Event of Default may be applied by Lender toward the payment of any interest and/or principal of the Loan and/or any other amounts due under the Loan Documents in such order, priority and proportions as Lender in its sole discretion shall determine.

(f) Upon the occurrence and during the continuance of an Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder or being deemed to have cured any Event of Default hereunder, make, do or perform any obligation of Borrower hereunder in such manner and to such extent as Lender may deem necessary. Borrower shall cause Mortgage Borrower to permit Lender to enter upon any Individual Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in any Individual Property for such purposes, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 8.2, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any action or proceeding shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens,

claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefore. Upon the occurrence and during the continuance of a Senior Mezzanine Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Senior Mezzanine Borrower and without releasing Senior Mezzanine Borrower from any obligation under the Senior Mezzanine Loan Documents or being deemed to have cured any Senior Mezzanine Loan Event of Default, make, do or perform any obligation of Senior Mezzanine Borrower under Senior Mezzanine Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Senior Mezzanine Loan Event of Default or such failed payment or act shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor. Upon the occurrence and during the continuance of a Mortgage Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Mortgage Borrower and without releasing Mortgage Borrower from any obligation under the Mortgage Loan Documents or being deemed to have cured any Mortgage Loan Event of Default, make, do or perform any obligation of Mortgage Borrower under Mortgage Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Mortgage Loan Event of Default or such failed payment or act shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor.

(g) For the purpose of carrying out the provisions and exercising the rights, powers and privileges granted in this Section 8.2, Borrower hereby irrevocably constitutes and appoints the Lender its true and lawful attorney-in-fact to execute, acknowledge and deliver any instruments and do and perform any acts such as are referred to in this subsection in the name and on behalf of Borrower upon the occurrence and during the continuance of an Event of Default. This power of attorney is a power coupled with an interest and cannot be revoked.

**Section 8.3. Intentionally Omitted.**

**Section 8.4. Costs of Collection.** In the event that after an Event of Default and during the continuance thereof: (a) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (b) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents or (c) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Pledge Agreement or any of the Loan Documents, then, in any such instance, Borrower shall pay to Lender all reasonable attorneys' fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

## IX. SPECIAL PROVISIONS

**Section 9.1. Sale of Notes and Securitization.** Borrower acknowledges and agrees that the Lender may sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the “**Securities**”) secured by or evidencing ownership interests in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such sales, participations and/or securitizations, collectively, a “**Securitization**”). At the request of Lender, and to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization including, without limitation, to:

(a) provide or cause Mortgage Borrower and Senior Mezzanine Borrower to provide additional and/or updated Provided Information, together with appropriate verification and/or consents related to the Provided Information through letters of auditors or opinions of counsel of independent attorneys reasonably acceptable to Lender and the Rating Agencies;

(b) cooperate in good faith in the preparation of descriptive materials for presentations to any or all of the Rating Agencies, and work with, and if requested, supervise, third-party service providers engaged by Borrower, Holdings and their respective affiliates to obtain, collect, and deliver information requested or required by Lender or the Rating Agencies;

(c) deliver, if required or requested by any Rating Agency, (i) updated opinions of counsel as to non-consolidation, due execution and enforceability with respect to the Properties, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Collateral, the Senior Mezzanine Collateral, Principal, Holdings and their respective Affiliates and the Loan Documents, and (ii) revised organizational documents for Borrower, which counsel opinions and organizational documents shall be reasonably satisfactory to Lender and the Rating Agencies;

(d) if required by any Rating Agency, use commercially reasonable efforts to deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect any of the Properties, which estoppel letters, subordination agreements or other agreements shall be reasonably satisfactory to Lender and the Rating Agencies;

(e) execute such amendments to the Loan Documents as may be requested by Lender or the Rating Agencies to effect the Securitization and/or deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan such that the pricing and marketability of the Securities and the size of each class of Securities and the rating assigned to each such class by the Rating Agencies shall provide the most favorable rating levels and achieve the optimum rating levels for the Loan, provided that, (i) the aggregate stated principal amount of the notes, following such amendments or deliver of new or component notes, shall equal the aggregate stated principal amount of the Loan immediately prior thereto, (ii) the weighted average spread of the Loan on the date of such

amendment or delivery of new or component notes shall equal the weighted average spread which was applicable to the Loan immediately prior to such adjustment (Borrower acknowledging that such new notes or modified notes may, in connection with the application of principal to such new notes or modified note following the occurrence of an Event of Default, but not otherwise, subsequently cause the weighted average spread of such new notes or modified notes to change and (iii) the provisions of Section 2.1.5 otherwise shall apply to any such amendments and delivery of new or component notes (such provisions being incorporated herein by this reference);

(f) if requested by Lender, review any information regarding any of the Properties, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, the Collateral, the Senior Mezzanine Collateral, Holdings, the Operating Company and the Loan which is contained in a preliminary or final private placement memorandum, prospectus, prospectus supplement (including any amendment or supplement to either thereof), or other disclosure document to be used by Lender or any affiliate thereof; and

(g) supply to Lender such documentation, financial statements and reports in form and substance required in order to comply with any applicable securities laws (to the extent in Borrower's possession, or in the possession of Borrower's advisors, agents or employees), including, without limitation, if applicable, information necessary to comply with any applicable reporting or information requirements under Regulation D under the Securities Act of 1933 or Regulation S under the Securities Act of 1933.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters; except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

**Section 9.2. Securitization Indemnification.** (a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects to the extent in Borrower's possession.

(b) Borrower agrees to provide, in connection with the Securitization, an indemnification agreement (i) certifying that (A) Borrower has carefully examined the Disclosure Documents, including, without limitation, the sections entitled "Risk Factors," "Special Considerations," "Description of the Collateral," "Description of the Mezzanine Loans," "The Operating Company," "The Borrower" and "Certain Legal Aspects of the Mezzanine Loans," and (B) such sections and such other information in the Disclosure

Documents (to the extent such information relates to or includes any Provided Information or any information regarding the Properties, Borrower, Mortgage Borrower, the Collateral, the Senior Mezzanine Collateral and/or Operating Company) (collectively with the Provided Information, the “**Covered Disclosure Information**”) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (ii) indemnifying Lender, each Noteholder, JPM (whether or not it is the Lender), any Affiliate of JPM or a Noteholder that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of JPM or a Noteholder that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Indemnified Persons**”), for any losses, claims, damages, liabilities, costs or expenses (including, without limitation, legal fees and expenses for enforcement of these obligations (collectively, the “**Liabilities**”)) to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (iii) agreeing to reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Person, as they are incurred, in connection with investigating or defending the Liabilities provided, however, that Borrower shall have liability with respect to Liabilities arising out of or based upon the Covered Disclosure Information only to the extent that such Liabilities arise out of or are based upon any such untrue statement or omission made in the Covered Disclosure Information in reliance upon and in conformity with information furnished to Lender or such Noteholder by or on behalf of Borrower in connection with the preparation of the Disclosure Documents or in connection with the underwriting or the closing of the Loan (including without limitation financial statements of Borrower and operating statements and rent rolls with respect to the Properties), and in no event shall Borrower be liable for Liabilities arising from information contained in a Disclosure Document that was not provided to Borrower for comment at least five (5) Business Days prior to its dissemination or on which Borrower provided comments to Lender in writing and Lender failed to incorporate such comments (assuming such comments were accurate). This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification provided for in clauses (ii) and (iii) above shall be effective whether or not an indemnification agreement described in clause (i) above is provided.

(c) In connection with filings under the Exchange Act (if any), Borrower agrees to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not

misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against Borrower, notify Borrower in writing of the claim or the commencement of that action; provided, however, that the failure to notify Borrower shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided, further, that the failure to notify Borrower shall not relieve it from any liability which it may have to an Indemnified Person otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify Borrower thereof, Borrower shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Borrower to an Indemnified Person of its election to assume the defense of such claim or action, Borrower shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both Borrower, on the one hand, and one or more Indemnified Persons on the other hand, and an Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to Borrower, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed billing records to substantiate that such counsel's fees and disbursements are solely related to the defense of a claim for which Borrower is required hereunder to indemnify such Indemnified Person. Borrower shall not be liable for the expenses of more than one (1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior consent of the Indemnified Person in question (which consent shall not be unreasonably withheld), Borrower shall not settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless Borrower shall have given such Indemnified Person reasonable prior notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as Borrower has complied with its obligations to defend and indemnify hereunder, Borrower shall not be liable for any settlement made by any Indemnified Person without the consent of Borrower (which consent shall not be unreasonably withheld).

(f) Borrower agrees that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then Borrower, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to Borrower, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (x) but also the relative faults of Borrower, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) Borrower agrees that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees (by underwriting discount or otherwise) actually received by the Indemnified Persons in connection with the closing of the Loan or the Securitization.

(g) Borrower agrees that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. Borrower further agrees that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and Borrower under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

**Section 9.3. Exculpation.** (a) Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Pledge Agreement or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender and each Noteholder to enforce and realize upon its interest under the Note, this Agreement, the Pledge Agreement and the other Loan Documents, or in the Collateral, or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Collateral and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Pledge Agreement and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding under, or by reason of, or in connection with, the Note, this Agreement, the Pledge Agreement or the other Loan Documents. The provisions of this Section shall not, however,

(a) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (b) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Pledge Agreement; (c) affect the validity or enforceability of or any Guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (d) impair the right of Lender to obtain the appointment of a receiver; (e) intentionally omitted; (f) constitute a prohibition against Lender to seek a deficiency judgment against Borrower in order to fully realize the security granted by the Pledge Agreement or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against all of the Collateral; or (g) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any actual loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably incurred) arising out of or in connection with the following:

(i) fraud or intentional misrepresentation by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor in connection with the execution and delivery of the Loan Documents and/or the Loan;

(ii) the misappropriation, conversion or misapplication in contravention of the Loan Documents by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor of any funds of Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company, including, without limitation, (A) any Revenues, (B) any Net Liquidation Proceeds or Insurance Proceeds, (C) any Awards received in connection with a Condemnation, (D) any Rents or security deposits (or any item of Revenue, from whatever source) following an Event of Default, or (E) any distribution or other payments made in connection with any part of the Collateral or Senior Mezzanine Collateral;

(iii) the misappropriation, conversion or misapplication by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor of any security deposits or Rents paid more than one (1) month in advance;

(iv) any act of actual intentional physical waste by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor;

(v) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity Agreement concerning environmental laws, hazardous substances and asbestos and any indemnification of Lender with respect thereto in either document;

(vi) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary intentional Transfer as required by this Agreement, the Mortgage Loan Agreement or the Mortgages, as applicable;

(vii) any security deposits, advance deposits or any other deposits collected with respect to any of the Properties which are not delivered to Mortgage Lender upon a

foreclosure of any of the Properties or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof;

(viii) in the event of: (A) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor filing a voluntary petition under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (B) the filing of an involuntary petition against Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law by any Person in which Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor or any of their respective Affiliates, agents or employees colludes with or such other Person, or Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor soliciting or causing to be solicited petitioning creditors for any involuntary petition against Borrower, Operating Company or any Guarantor from any Person; (C) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it by any other Person, other than Lender, under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (D) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor or any of the Properties, the Collateral, the Senior Mezzanine Collateral or any portion thereof, other than at the request of Lender; or (E) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor making an assignment for the benefit of creditors (other than Lender), or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due;

(ix) if Borrower, Senior Mezzanine Borrower or Mortgage Borrower fails to maintain its status as a Special Purpose Entity or breaches any material representation or warranty set forth in Section 4.1.30 of this Agreement; and

(x) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary Indebtedness (other than (x) with respect to Mortgage Borrower, Permitted Indebtedness and (y) with respect to Operating Company, Permitted Indebtedness (Operating Company), as applicable) or voluntary Lien (other than Permitted Encumbrances) encumbering any of the Properties, Senior Mezzanine Collateral or Collateral as required by this Agreement, the Senior Mezzanine Loan Agreement, the Mortgage Loan Agreement, the Pledge Agreement or the Mortgages.

Notwithstanding anything to the contrary under this Agreement, neither any present or future Affiliate of Borrower (other than Guarantor, to the extent provided under the Guaranty) nor any present or future shareholder, officer, director, employee, trustee, beneficiary, advisor, partner, member, principal, participant or agent of or in any Borrower or of or in any person or entity that

is or becomes an Affiliate of any Borrower shall have any personal liability, directly or indirectly, under or in connection with the Loan Documents. Neither the negative capital account of any Affiliate of Borrower in Borrower, or in any other Affiliate of Borrower in any other Affiliate of Borrower, nor any obligation of any Affiliate of Borrower in any Borrower to restore a negative capital account or to contribute or loan capital to any Borrower or to any other Affiliate of Borrower shall at any time be deemed to be the property or an asset of any Borrower (or any other Affiliate of Borrower) and neither Lender nor its successors or assigns shall have any right to collect, enforce or proceed against any such negative capital account or obligation to restore, contribute or loan capital.

(b) Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Indebtedness or to require that all collateral shall continue to secure all of the Indebtedness owing to Lender in accordance with the Loan Documents.

**Section 9.4. Servicer.** (a) At the option of Lender, the Loan may be serviced by a servicer/trustee (the “**Servicer**”) selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to a servicing agreement (the “**Servicing Agreement**”) between Lender and Servicer. Lender shall be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement (arising in connection with the Securitization) and the payment of the monthly servicing fee due to Servicer under the Servicing Agreement, and, unless otherwise specifically set forth herein, Borrower shall be responsible for the payment of all fees and other reasonable out-of-pocket expenses incurred by Servicer resulting from any Borrower requests (for approvals or otherwise) to Servicer.

(b) In the event of a Securitization or syndication, the grant of participations in the Loan or any secondary marketing by Lender, Mortgage Borrower and the Mezzanine Borrowers, collectively may rely upon approvals or consents given by one (1) agent or representative in respect of the Mortgage Lender and the Mezzanine Lenders for the matter in question (which such parties shall designate, and pending further notice from Lender, such agent shall be JPM). Borrower shall only pay legal fees for the outside counsel of one Servicer.

**Section 9.5. Assignments and Participations.** (a) In addition to the rights Lender has under Section 9.1, Lender shall have the right, subject to this Section 9.5, to assign, sell, negotiate, pledge or hypothecate all or any portion of their rights and obligations hereunder (a “**Syndication**”). Except in connection with a Securitization, no Lender shall assign, sell, negotiate, pledge, hypothecate or otherwise transfer all or any portion of its rights in and to the Loan to any other Person (an “**Assignee**”) (a) other than in compliance with Section 9.9 hereof; and (b) unless such transaction shall be an assignment of a constant (and not varying), ratable percentage of such Lender’s interest in the Loan; provided, however, any Lender shall have the right at any time without the consent of or notice to any other Lender or other Person to grant a security interest in all or any portion of such Lender’s interest in the Loan to any Federal Reserve Bank or the central reserve bank or similar authority of any other country to secure any obligation of such Lender to such bank or similar authority (a “**Central Bank Pledge**”).

Effective on any such assignment and assumption by the assignee and on compliance with Section 9.9 hereof, the assigning Lender shall have no further liability hereunder with respect to the interest of such Lender that was the subject of such transfer and such Assignee shall be a Lender with respect to such interest, and Borrower shall have the same rights as to such Assignee with respect to such interest from and after the date of such assignment as if such Lender were an original Lender hereunder. Except for a Central Bank Pledge or financing transaction under a repurchase agreement, a Lender making any such assignment shall notify Borrower of same, specifying the Assignee thereof and the amount of the assignment and shall provide such other detail as Borrower may reasonably request to substantiate compliance with the foregoing.

**Section 9.6. Participation.** Lender may, without the consent of the Borrower, in compliance with applicable law, sell participations to one or more banks or other entities (a “**Participant**”), in all or a portion of Lender’s rights and obligations under this Agreement (including all or a portion of the Loan owing to it); provided that (A) Lender’s obligations under this Agreement shall remain unchanged, (B) Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower shall continue to deal solely and directly with Lender in connection with Lender’s rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.2.3 and 2.2.4 (subject to requirements and limitations therein) to the same extent as if it were a Noteholder and had acquired its interest by assignment pursuant to Section 9.5. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant’s interest in the Loans or other obligations under this Agreement (the “**Participant Register**”). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary.

**Section 9.7. Borrower’s Facilitation of Transfer.** In order to facilitate permitted assignments and other transfers to Assignees and sales to Participants, Borrower shall execute and deliver to Lender and shall cause Guarantor to execute and deliver to Lender such further documents, instruments or agreements as Lender may reasonably require, including, if required by Lender, supplemental notes in the principal amount of such Lender’s pro rata share of the Loan substantially in the form of such Lender’s Note against surrender of the prior notes, and such supplemental note shall (i) be payable to order of such Lender, (ii) be dated as of the date hereof, and (iii) mature on the Maturity Date. Such supplemental note shall provide that it evidences a portion of the existing indebtedness hereunder and under the Notes and not any new or additional indebtedness of Borrower. The term “Note” as used in this Agreement and in all the other Loan Documents shall include all such supplemental notes but exclude any Note it replaces. Notwithstanding the foregoing, such documents, instruments or agreements shall not (a) increase the obligations or liabilities of any such Person hereunder or under the other Loan Documents in excess of the obligations or liabilities intended to be provided herein or in the other Loan Documents or (b) decrease such Person’s rights hereunder or under the other Loan Documents to less than what they were prior to the execution of such documents, instruments or agreements. In addition, Borrower agrees to reasonably cooperate with Lender, including providing such information and documentation regarding Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Holdings, the Operating Company and any other Person as

Lender or any potential Assignee or Participant may reasonably request and to meet with potential Assignees and Participants upon reasonable notice. Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Section 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

**Section 9.8. Notice; Registration Requirement.** No Syndication of any part of Lender's interest in and to the Loan shall be effective or permitted under Section 9.5 until (a) an assignment and acceptance agreement in a form reasonably acceptable to Lender (an "**Assignment and Acceptance**") with respect to such Syndication shall have been delivered to Lender, (b) Lender shall have registered such Assignee's name and address in the Register which Lender maintains for the recordation of the names, addresses and interests of Noteholders, and (c) if such Assignee is not already a Lender hereunder, such Assignee shall deliver any tax forms required hereunder. The entries in the Register shall be conclusive, absent manifest error. This Section 9.8 shall not apply to any Central Bank Pledge.

**Section 9.9. Registry.** Borrower hereby designates Lender to serve as Borrower's agent, solely for purposes of this Section 9.9, to maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of each Assignee, and the principal amount of the Loan (or portions thereof) owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Failure to make any such recordation, or any error in such recordation shall not affect Borrower's obligations in respect of the Loan. With respect to any Lender, the transfer of the rights to the principal of, and interest on, its interest in the Loan shall not be effective until such transfer is recorded on the Register maintained by Lender with respect to ownership of such Loan and prior to such recordation all amounts owing to the transferor with respect to such Note shall remain owing to the transferor. The registration of a transfer of all or part of the Loan shall be recorded by Lender on the Register only upon the acceptance by Lender of a properly executed and delivered Assignment and Acceptance by the assignor and assignee. At the assigning Lender's option, concurrently with the delivery of an Assignment and Acceptance pursuant to which an interest of such Lender in the Loan was assigned to such Assignee, the assigning Lender shall surrender to Borrower its Note, if any, evidencing the portion of the Loan corresponding to the interest so transferred and Borrower shall deliver to Lender one or more new promissory notes in the same aggregate principal amount issued to the assigning Lender and/or the Assignee.

**Section 9.10. Cooperation in Syndication.** Borrower agrees to assist the Lender in completing a Syndication satisfactory to the Lender. Such assistance shall include (i) direct contact between senior management and advisors of Borrower and the proposed Assignees and/or Participants, (ii) assistance in the preparation of a confidential information memorandum and other marketing materials to be used in connection with the Syndication, (iii) the hosting, with the Lender, of one or more meetings of prospective Assignees and/or Participants, (iv) the delivery of appraisals satisfactory to the Lender if required. To assist the Lender in its Syndication efforts, Borrower agrees promptly to prepare and provide to the Lender all information with respect to Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Holdings, the Operating Company, Guarantor, the Collateral, the Senior Mezzanine Collateral and the Properties contemplated hereby, including all financial information and projections (the

“**Projections**”), as the Lender may reasonably request in connection with the Syndication of the Loan. If required in connection with the Syndication, Borrower hereby agrees to:

(a) deliver updated financial and operating statements and other information reasonably required by the Lender to facilitate the Syndication;

(b) use reasonable efforts to deliver reliance letters reasonably satisfactory to the Lender with respect to the environmental assessments and reports delivered to the Lender prior to the Closing Date, which will run to the Lender and its successors and assigns;

(c) execute modifications to the Loan Documents required by the Lender, provided that such modification will not (except as set forth in (d)) change any material or economic terms of the Loan Documents, or otherwise increase the obligations or decrease the rights of Borrower pursuant to the Loan Documents (except to a de minimis extent); and

(d) if the Lender elects, in its sole discretion, prior to or upon a Syndication, to exercise its rights under Section 2.1.5, Borrower agrees to cooperate with the Lender in connection with the foregoing and to execute the required modifications and amendments to the Notes, this Agreement and the Loan Documents and to use reasonable efforts to provide opinions necessary to effectuate the same. Such Notes or components may be assigned different interest rates, so long as the weighted average of such interest rates does not exceed the Applicable Interest Rate, except in connection with the application of principal to such Notes or components following the occurrence of an Event of Default.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

## **X. MISCELLANEOUS**

**Section 10.1. Survival.** This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Debt is outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. BORROWER (I) SHALL GIVE PROMPT NOTICE TO LENDER OF ANY CHANGED ADDRESS OF ITS AUTHORIZED AGENT HEREUNDER, (II) MAY AT ANY TIME AND FROM TIME TO TIME DESIGNATE A SUBSTITUTE AUTHORIZED AGENT WITH AN OFFICE IN NEW YORK, NEW YORK (WHICH SUBSTITUTE AGENT AND OFFICE SHALL BE DESIGNATED AS THE PERSON AND ADDRESS FOR SERVICE OF PROCESS), AND (III) SHALL PROMPTLY DESIGNATE SUCH A SUBSTITUTE IF ITS AUTHORIZED AGENT CEASES TO HAVE AN OFFICE IN NEW YORK, NEW YORK OR IS DISSOLVED WITHOUT LEAVING A SUCCESSOR.

**Section 10.4. Modification, Waiver in Writing.** No modification, amendment, extension, discharge, termination or waiver of any provision of this Agreement, or of the Note, or of any other Loan Document, nor consent to any departure by Borrower therefrom, shall in any event be effective unless the same shall be in a writing signed by the party against whom enforcement is sought, and then such waiver or consent shall be effective only in the specific instance, and for the purpose, for which given. Except as otherwise expressly provided herein, no notice to, or demand on Borrower, shall entitle Borrower to any other or future notice or demand in the same, similar or other circumstances. To the extent required by any Gaming Law, Borrower shall notify all relevant Gaming Authorities of any amendment to this Agreement or any Loan Document.

**Section 10.5. Delay Not a Waiver.** Except as expressly set forth herein, neither any failure nor any delay on the part of Lender in insisting upon strict performance of any term, condition, covenant or agreement, or exercising any right, power, remedy or privilege hereunder, or under the Note or under any other Loan Document, or any other instrument given as security therefor, shall operate as or constitute a waiver thereof, nor shall a single or partial exercise thereof preclude any other future exercise, or the exercise of any other right, power, remedy or privilege. In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement, the Note or any other Loan Document, Lender shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement, the Note or the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount.

**Section 10.6. Notices.** All notices, consents, approvals and requests required or permitted hereunder or under any other Loan Document shall be given in writing and shall be effective for all purposes if hand delivered or sent by (a) certified or registered United States mail, postage prepaid, return receipt requested or (b) expedited prepaid delivery service, either commercial or United States Postal Service, with proof of attempted delivery, and by telecopier (with answer back acknowledged), addressed as follows (or at such other address and Person as shall be designated from time to time by any party hereto, as the case may be, in a notice to the other parties hereto in the manner provided for in this Section 10.6):

**Section 10.7. Trial by Jury. BORROWER AND LENDER HEREBY AGREE NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVE ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THE LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. BORROWER AND LENDER ARE HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER.**

**Section 10.8. Headings.** The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

**Section 10.9. Severability.** Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

**Section 10.10. Preferences.** Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder (except that, unless there exists an Event of Default, payments of principal shall be applied to components of the Note on a pro-rata basis). To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

**Section 10.11. Waiver of Notice.** Borrower hereby expressly waives, and shall not be entitled to, any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice.

**Section 10.12. Remedies of Borrower.** In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment (except in cases of bad faith, gross negligence or willful misconduct). The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

**Section 10.13. Expenses; Indemnity.** (a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender and each Noteholder upon receipt of notice from such Person for all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements) incurred by such Person in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including, without limitation, any opinions requested by such Person as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Properties); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental, gaming and insurance requirements if necessary or advisable due to reasonably suspected non-compliance; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Borrower; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement, if Borrower defaults in its obligations hereunder; (v) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender or any Noteholder all required legal opinions, and other similar expenses incurred in creating and perfecting the Liens in favor of Lender (or, as applicable, any Noteholder) pursuant to this Agreement and the other Loan Documents; (vi) enforcing or preserving any rights, either in response to third party claims or in prosecuting or defending any action or proceeding or other litigation, in each case against, under or affecting Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, this Agreement, the other Loan Documents, the Properties, the Collateral or any other security given for the Loan; and (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Properties, Operating Company or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; provided, however, that

Borrower shall not be liable for the payment of any such costs and expenses to any Person to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of such Person. Any cost and expenses due and payable to Lender or any Noteholder may be paid from any amounts in the Mezzanine Collection Account upon the occurrence and during the continuance of an Event of Default.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other actual liabilities, obligations, losses, damages (excluding, however, any punitive and consequential damages), penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, (ii) the use or intended use of the proceeds of the Loan, (iii) the Leases or any of the duties, responsibilities or obligations of Borrower or any Operating Company thereunder, (iv) the transactions contemplated in the Collection Account Agreements or (v) any third-party claims alleging that the Loan, the Senior Mezzanine Loan or the Mortgage Loan, the Operating Lease, the Operating Lease Guaranty or any of the Loan Documents violates any agreements or Legal Requirements binding on the Borrower or its Affiliates or their respective properties (collectively, the “**Indemnified Liabilities**”); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any request by Borrower that required Rating Agency Confirmation pursuant to the terms hereof.

**Section 10.14. Schedules Incorporated.** The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

**Section 10.15. Offsets, Counterclaims and Defenses.** Any assignee of Lender’s interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

**Section 10.16. No Joint Venture or Partnership; No Third Party Beneficiaries.** (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Properties other than that of mortgagee, beneficiary or lender.

(b) Except as expressly provided herein, this Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. Lender and Borrower acknowledge and agree that the Noteholders are intended third party beneficiaries of all rights and remedies of the Lender hereunder. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

**Section 10.17. Intentionally Omitted.**

**Section 10.18. Waiver of Marshalling of Assets.** To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Collateral, any equitable right otherwise available to Borrower which would require the separate sale of the Collateral with respect to each Mortgage Borrower or require Lender to exhaust its remedies against any Collateral with respect to each Mortgage Borrower or any combination of such Collateral before proceeding against any other Collateral with respect to one or more Mortgage Borrowers; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorize, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Collateral.

**Section 10.19. Waiver of Counterclaim.** Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

**Section 10.20. Conflict; Construction of Documents; Reliance.** In the event of any conflict between the provisions of this Loan Agreement and any of the other Loan Documents, the provisions of this Loan Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

**Section 10.21. Brokers and Financial Advisors.** Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement (other than those the fees and other claims of which shall be paid by Borrower). Borrower hereby agrees to indemnify, defend and hold Lender and each Noteholder harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated herein. Each of Lender and (by its acceptance of its respective Note) the Noteholders hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

**Section 10.22. Prior Agreements.** This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, including, without limitation, the Commitment Letter dated December 19, 2006 between Affiliates of Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

**Section 10.23. Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which counterparts together shall constitute one agreement with the same effect as if the parties had signed the same signature page.

**Section 10.24. Intentionally Omitted.**

**Section 10.25. Gaming Laws.** All rights, remedies and powers in or under this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws.

**Section 10.26. Certain Additional Rights of Lender (VCOC).** Notwithstanding anything to the contrary contained in this Agreement, Lender shall have:

(a) the right to routinely consult with and advise Borrower's management regarding the significant business activities and business and financial developments of Borrower, Senior Mezzanine Borrower and Mortgage Borrower, provided that any such advice or consultation shall be completely nonbinding on Borrower, and; provided, however, that such consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances;

(b) the right, in accordance with the terms of this Agreement, to examine the books and records of Borrower, Senior Mezzanine Borrower and Mortgage Borrower at any reasonable times upon reasonable notice;

(c) the right, in accordance with the terms of this Agreement, including, without limitation, Section 5.1.11 hereof, to receive monthly, quarterly and year end financial reports, including balance sheets, statements of income, shareholder's equity and cash flow, a management report and schedules of outstanding indebtedness, in each case to the extent explicitly set forth herein; and

(d) the right, without restricting any other rights of Lender under this Agreement (including any similar right), to reasonably approve any acquisition by Borrower, Senior Mezzanine Borrower or Mortgage Borrower of any other significant real property.

The rights described above in this Section 10.26 may be exercised by any entity which owns and controls, directly or indirectly, substantially all of the interests in Lender.

## **XI. JOINT AND SEVERAL LIABILITY; WAIVERS**

**Section 11.1. Joint and Several Liability; Primary Obligors.** Each entity comprising Borrower (each, a "**Borrower Entity**") shall be a primary obligor with respect to payment of the Debt and performance of Borrower's obligations under the Loan Documents and all such Borrower Entities shall be jointly and severally liable for payment of the Debt and performance of such other obligations. As used in this Article, references to "**Other Borrowers**" shall mean all Borrower Entities other than the particular Borrower Entity referred to.

**Section 11.2. Waivers.** Without limiting the primary liability of each Borrower Entity as set forth above, to the extent any such Borrower Entity is determined to be secondarily liable with respect to any portion of the Debt or any other obligation hereunder, the following shall apply:

**11.2.1 No Duty to Pursue Others.** It shall not be necessary for Lender (and each Borrower Entity hereby waives any rights which such Borrower Entity may have to require Lender), in order to enforce the obligations of such Borrower Entity hereunder, first to (a) institute suit or exhaust its remedies against any Other Borrower or others liable on the Debt or any other person, (b) enforce Lender's rights against any collateral mortgaged, pledged or granted by any Other Borrower which shall ever have been given to secure the Debt ("**Other Borrower Collateral**"), (c) enforce Lender's rights against any other guarantors of the Debt, (d) join Borrower or any others liable on the Debt in any action against any Other Borrower seeking to enforce the Loan Documents, (e) exhaust any remedies available to Lender against any collateral which shall ever have been given to secure the Debt, or (f) resort to any other means of obtaining payment of the Loan by any Other Borrower. Lender shall not be required to mitigate damages or take any other action pertaining to any Other Borrower or any Other Borrower Collateral to reduce, collect or enforce the Debt from any Other Borrower.

**11.2.2 Waivers.** Such Borrower Entity agrees to the provisions of the Loan Documents, and hereby waives notice of (a) any loans or advances made by Lender to any Other Borrower, (b) acceptance of the Loan Documents, (c) any amendment or extension of the Note, the Loan Agreement or of any other Loan Documents entered into by any Other Borrower, (d) the execution and delivery by any Other Borrower and Lender of any other loan or credit agreement or of any Other Borrower's execution and delivery of any promissory notes or other documents arising under the Loan Documents or in connection with the Other Borrower Collateral, (e) the occurrence of any breach by any Other Borrower or an Event of Default with respect to any Other Borrower or Other Borrower Collateral, (f) Lender's transfer or disposition of the Debt, or any part thereof, (g) sale or foreclosure (or posting or advertising for sale or foreclosure) of any Other Borrower Collateral, (h) protest, proof of non-payment or default by any Other Borrower and (i) any other action at any time taken or omitted by Lender, and, generally, all demands and notices to any Other Borrower of every kind in connection with the Loan Documents, any documents or agreements evidencing, securing or relating to any of the Debt.

**11.2.3 Waiver of Subrogation, Reimbursement and Contribution.** Notwithstanding anything to the contrary contained in the Loan Documents, each Borrower hereby unconditionally and irrevocably waives, releases and abrogates, prior to the payment in full of the Loan and for a period of ninety-one (91) days thereafter any and all rights it may now or hereafter have under any agreement, at law or in equity (including any law subrogating such Borrower Entity to the rights of Lender), to assert any claim against or seek contribution, indemnification or any other form of reimbursement (other than pursuant to the express provisions of the Contribution Agreement) from any Other Borrower or any other party liable for payment of any or all of the Debt for any payment made by such Borrower Entity under or in connection with the Loan Documents or otherwise.

**11.2.4 Events and Circumstances Not Reducing or Discharging Guarantor's Obligations.** Each Borrower Entity hereby consents and agrees to each of the following, and agrees that such Borrower Entity's obligations under the Loan Documents shall not be released, diminished, impaired, reduced or adversely affected by any of the following, and waives any common law, equitable, statutory or other rights (including rights to notice) which such Borrower Entity might otherwise have as a result of or in connection with any of the following:

(a) Modifications. Any renewal, extension, increase, modification, alteration, restatement or rearrangement entered into by any Other Borrower of all or any part of the Debt, the Note, the Loan Agreement, the other Loan Documents, or any other document, instrument, contract or understanding between any Other Borrower and Lender, or any other parties, pertaining to the Debt or any failure of Lender to notify Borrower Entity of any such action.

(b) Adjustment. Any adjustment, indulgence, forbearance or compromise that might be granted or given by Lender to any Other Borrower.

(c) Condition of Borrower or Borrower Entity. The insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of any Other Borrower or any other party at any time liable for the payment of all or part of the Debt; or any dissolution of any Other Borrower, or any sale, lease or transfer of any or all of the assets of Borrower or of any Other Borrower, or any changes in the shareholders, partners or members of any Other Borrower; or any reorganization of any Other Borrower.

(d) Invalidity of Debt. The invalidity, illegality or unenforceability of all or any part of the Debt, or any document or agreement executed in connection with the Debt, for any reason whatsoever, including the fact that (a) the Debt, or any part thereof, exceeds the amount permitted by law, (b) the act of creating the Debt or any part thereof is ultra vires, (c) the officers or representatives executing the Note, the Loan Agreement or the other Loan Documents or otherwise creating the Debt acted in excess of their authority, (d) the Debt violate applicable usury laws, (e) any Other Borrower has valid defenses, claims or offsets (whether at law, in equity or by agreement) which render the Debt wholly or partially uncollectible from such Other Borrower, (f) the creation, performance or repayment of the Debt (or the execution, delivery and performance of any document or instrument by any Other Borrower representing part of the Debt or executed in connection with the Debt, or given to secure the repayment of the Debt) is illegal, uncollectible or unenforceable, or (g) the Note, the Loan Agreement or any of the other Loan Documents have been forged or otherwise are irregular or not genuine or authentic, it being agreed that such Borrower Entity shall remain liable hereon regardless of whether any Other Borrower or any other Person be found not liable on the Debt or any part thereof for any reason.

(e) Release of Obligors. Any full or partial release of the liability of any Other Borrower on the Debt, or any part thereof, or of any guarantor(s) thereof, or any other person or entity now or hereafter liable, whether directly or indirectly, jointly, severally, or jointly and severally, to pay, perform, guarantee or assure the payment of the Debt, or any part thereof, it being recognized, acknowledged and agreed by such Borrower Entity that such Borrower Entity may be required to pay the Debt in full without assistance or support of any other party, and such Borrower Entity has not been induced to enter into the Loan Documents on the basis of a contemplation, belief, understanding or agreement that other Persons will be liable to pay or perform the Debt, or that Lender will look to other Persons to pay or perform the Debt.

(f) Other Collateral. The taking or accepting of any other security, collateral or guaranty, or other assurance of payment, for all or any part of the Debt.

(g) Release of Collateral. Any release, surrender, exchange, subordination, deterioration, waste, loss or impairment (including negligent, willful, unreasonable or

unjustifiable impairment) of any collateral, property or security at any time existing in connection with, or assuring or securing payment of, all or any part of the Debt.

(h) Care and Diligence. The failure of Lender or any other party to exercise diligence or reasonable care in the preservation, protection, enforcement, sale or other handling or treatment of Other Borrower Collateral, all or any part of such collateral, property or security, including any neglect, delay, omission, failure or refusal of Lender (a) to take or prosecute any action for the collection of any of the Debt or (b) to foreclose, or initiate any action to foreclose, or, once commenced, prosecute to completion any action to foreclose upon Other Borrower Collateral, or (c) to take or prosecute any action in connection with any instrument or agreement evidencing or securing all or any part of the Debt.

(i) Unenforceability. The fact that any collateral, security, security interest or lien contemplated or intended to be given, created or granted as security for the repayment of the Debt, or any part thereof, shall not be properly perfected or created, or shall prove to be unenforceable or subordinate to any other security interest or lien, it being recognized and agreed by such Borrower Entity that such Borrower Entity is not entering into the Loan Documents in reliance on, or in contemplation of the benefits of, the validity, enforceability, collectibility or value of any of the collateral for the Debt.

(j) Offset. Any existing or future right of offset, claim or defense of Borrower against Lender, or any other Person, or against payment of the Debt by any Other Borrower, whether such right of offset, claim or defense arises in connection with the Debt (or the transactions creating the Debt) or otherwise.

(k) Merger. The reorganization, merger or consolidation of any Other Borrower into or with any other corporation or entity.

(l) Preference. Any payment by Borrower to Lender is held to constitute a preference under bankruptcy laws, or for any reason Lender is required to refund such payment or pay such amount to Borrower or someone else.

**Section 11.3. Other Actions Taken or Omitted.** Any other action taken or omitted to be taken with respect to the Loan Documents, the Debt, or Other Borrower Collateral, whether or not such action or omission prejudices such Borrower Entity or increases the likelihood that such Borrower Entity will be required to pay the Debt pursuant to the terms hereof, it is the unambiguous and unequivocal intention of such Borrower Entity that such Borrower Entity shall be obligated to pay the Debt when due, notwithstanding any occurrence, circumstance, event, action, or omission whatsoever pertaining to any Other Borrower or any Other Borrower Collateral, whether contemplated or not, and whether or not otherwise or particularly described herein, which obligation shall be deemed satisfied only upon the full and final payment and satisfaction of the Debt.

**2.2.1 Interest Generally.** Except as herein provided with respect to interest accruing at the Default Rate, interest on the principal balance of the Loan outstanding from time to time shall accrue from the Closing Date up to and including the Maturity Date (including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through the end of the Interest Period during which the Maturity Date occurs (even if such period extends beyond the Maturity Date)) at the Applicable Interest Rate. Interest on the outstanding principal balance of the Loan existing on the commencement of an Interest Period shall accrue for the entire Interest Period and shall be owed by Borrower for the entire Interest Period

regardless of whether any principal portion of the Loan is repaid prior to the expiration of such Interest Period.

**2.2.2 Interest Calculation.** Interest on the outstanding principal balance of the Loan shall be calculated by multiplying (a) the actual number of days elapsed in the period for which the calculation is being made by (b) a daily rate based on a three hundred sixty (360) day year (that is, the Applicable Interest Rate or the Default Rate, as then applicable, expressed as an annual rate divided by 360) by (c) the outstanding principal balance.

**2.2.3 Determination of Interest Rate.** (a) The Applicable Interest Rate with respect to the Loan shall be: (i) LIBOR plus the Spread with respect to the applicable Interest Period for a LIBOR Loan or (ii) the Prime Rate plus the Prime Rate Spread for a Prime Rate Loan if the Loan is converted to a Prime Rate Loan pursuant to the provisions of Section 2.2.3(c) or Section 2.2.3(f).

(b) Subject to the terms and conditions of this Section 2.2.3, the Loan shall be a LIBOR Loan and Borrower shall pay interest on the outstanding principal amount of the Loan at LIBOR plus the Spread for the applicable Interest Period. Any change in the rate of interest hereunder due to a change in the Applicable Interest Rate shall become effective as of the opening of business on the first day on which such change in the Applicable Interest Rate shall become effective. Each determination by Lender of the Applicable Interest Rate shall be conclusive and binding for all purposes, absent manifest error.

(c) In the event that Lender shall have determined (which determination shall be conclusive and binding upon Borrower absent manifest error) that by reason of circumstances affecting the interbank eurodollar market, adequate and reasonable means do not exist for ascertaining LIBOR, then Lender shall forthwith give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding LIBOR Loan shall be converted, on the last day of the then current Interest Period, to a Prime Rate Loan.

(d) If, pursuant to the terms of this Agreement, any portion of the Loan has been converted to a Prime Rate Loan and Lender shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable, Lender shall give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding Prime Rate Loan shall be converted to a LIBOR Loan on the last day of the then current Interest Period.

(e) With respect to a LIBOR Loan, all payments made by Borrower hereunder shall be made free and clear of, and without reduction for or on account of, income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings imposed, levied, collected, withheld or assessed by any Governmental Authority and imposed on any non-U.S. Lender due to a change in U.S. law after the date such non-U.S. Lender acquired its interest in the Loan (such non-excluded taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings being referred to collectively as "**Foreign Taxes**"), excluding (i) income and

franchise taxes, (ii) any Taxes imposed by reason of any connection between the non-U.S. Lender and the taxing jurisdiction other than entering into this Agreement and receiving payments hereunder, and (iii) any Taxes imposed by reason of the non-U.S. Lender's failure to complete and deliver to the Borrower, prior to the date on which the first payment to such Lender is due hereunder and (so long as it remains eligible to do so) from time to time thereafter, (x) (i) an Internal Revenue Service Form W-9 (or successor form) establishing that the Lender is not subject to U.S. backup withholding tax, (ii) an Internal Revenue Service Form W-8BEN (or successor form) certifying that such Lender is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of withholding tax on payments of interest to zero, or (iii) an Internal Revenue Service Form W-8ECI certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States, as appropriate; and (y) any successor or additional form required by the Internal Revenue Service or any taxing authority reasonably requested by the Borrower in order to secure an exemption from, or reduction in the rate of, Foreign Taxes. If any Foreign Taxes are required to be withheld from any amounts payable to Lender hereunder, the amounts so payable to Lender shall be increased to the extent necessary to yield to Lender (after payment of all Foreign Taxes) interest or any such other amounts payable hereunder at the rate or in the amounts specified hereunder. Whenever any Foreign Tax is payable pursuant to applicable law by Borrower, as promptly as possible thereafter, Borrower shall send to Lender an original official receipt, if available, or certified copy thereof showing payment of such Foreign Tax. Borrower hereby indemnifies Lender for any incremental Foreign Taxes, interest or penalties that may become payable by Lender which may result from any failure by Borrower to pay any such Foreign Tax when due to the appropriate taxing authority or any failure by Borrower to remit to Lender the required receipts or other required documentary evidence thereof (provided such documents are reasonably available to the Borrower).

(f) If any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to make or maintain a LIBOR Loan as contemplated hereunder and the events giving rise thereto affect similarly situated banks or financial institutions generally, (i) the obligation of Lender hereunder to make a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the next succeeding Payment Date or within such earlier period as required by law.

(g) In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority and the events giving rise thereto affect similarly situated banks or financial institutions generally:

(i) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, the office of Lender that holds the Loan which is not otherwise included in the determination of LIBOR hereunder;

(ii) shall hereafter require the Lender to hold additional capital against the Loan in excess of that currently required by Governmental Authorities to be held against loans similar in nature to the Loan; or

(iii) shall hereafter impose on Lender any other condition affecting loans to borrowers subject to LIBOR-based interest rates and Lender determines that, by reason thereof, the cost to Lender of making or maintaining the Loan to Borrower is increased, or any amount received by Lender hereunder in respect of any portion of the Loan is reduced, in each case by an amount deemed by Lender in good faith to be material;

then, in any such case, Borrower shall promptly pay Lender, upon demand, any additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined in good faith by Lender. If Lender becomes entitled to claim any additional amounts pursuant to this Section 2.2.3(g), Lender shall provide Borrower with not less than ninety (90) days notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to fully compensate Lender for such additional cost or reduced amount. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. This provision shall survive payment of the Note and the satisfaction of all other obligations of Borrower under this Agreement and the Loan Documents.

(h) Lender shall not be entitled to claim compensation pursuant to this Section 2.2.3 for any Foreign Taxes or other amounts incurred or which accrued more than ninety (90) days before the date Lender notified Borrower of the change in law or other circumstance on which such claim of compensation is based and delivered to Borrower a written statement setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.2.3, which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(i) For purposes of this Section 2.2.3, the term "Lender" shall be deemed to include each Noteholder and Lender's (as well as each Noteholder's) present and future participants in the Loan to the extent of Foreign Taxes imposed by reason of such Noteholder or participant's interest in the Loan and each such Noteholder's or participant's increased costs or reduction in amount received or receivable hereunder or any reduced rate of return, in each case payable by Borrower under this Section 2.2.3.

**2.2.4 Additional Costs.** Lender will use reasonable efforts (consistent with legal and regulatory restrictions) to maintain the availability of the LIBOR Loan and to avoid or reduce any increased or additional costs payable by Borrower under Section 2.2.3, including, if requested by Borrower, a transfer or assignment of the Loan to a branch, office or Affiliate of Lender in another jurisdiction, or a redesignation of its lending office with respect to the Loan, in order to maintain the availability of the LIBOR Loan or to avoid or reduce such increased or additional costs, provided that the transfer or assignment or redesignation (a) would not result in any material additional costs, expenses or risk to Lender that are not reimbursed by Borrower and (b) would not be disadvantageous in any other material respect to Lender as determined by Lender in its sole, but reasonable discretion.

**2.2.5 Default Rate.** In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

**2.2.6 Usury Savings.** This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

Borrower shall collaterally assign to Lender, pursuant to the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Interest Rate Cap Agreement, and shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be paid directly into an account pledged to Lender as provided above in this Section 2.2.7). Lender to enforce Lender's rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty and shall not waive, amend or otherwise modify any of its rights thereunder.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty by S&P or Moody's to below the ratings set forth in the definition of "Acceptable Counterparty", Borrower (i) shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement (or cause the Counterparty or an Affiliate thereof to post collateral acceptable to Lender and the Rating Agencies) not more than fifteen (15) Business Days following receipt of notice of such downgrade, withdrawal or qualification (and meeting the requirements set forth in this Section 2.2.7) from an Acceptable Counterparty, (ii) if a new cap is provided to Lender, then if requested by Lender shall provide to Lender an opinion of counsel to such Acceptable Counterparty in the form and containing the substance of the form of opinion set forth in Exhibit A to the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender), and (iii) shall collaterally assign to Lender, pursuant to an assignment in the form of the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Replacement Interest Rate Cap Agreement.

(e) In connection with any Interest Rate Cap Agreement provided to Lender as herein required, if requested by Lender, Borrower shall obtain and deliver to Lender an opinion from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty (upon which Lender and its successors and assigns may rely) in the form and containing the substance of the form of opinion set forth in Exhibit A of the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender).

(f) In connection with any prepayment of the Loan, provided no Event of Default shall have occurred and be continuing, Borrower may reduce the amount of any Interest Rate Cap Agreement (so that the same shall be in an initial notional amount equal to the principal balance of the Loan following such prepayment), provided that such reduction shall not affect any of the other terms of the Interest Rate Cap Agreement or the Collateral Assignment of Interest Rate Cap Agreement (or Lender's rights in respect thereof).

### **Section 2.3. Loan Payment.**

**2.3.1 Payments Generally.** Borrower shall make a payment to Lender of interest only on the Closing Date for the initial Interest Period. **2.4.1 Voluntary Prepayments.** Borrower may, at its option, prepay the Debt in whole or in part, provided, the following conditions are satisfied:

(b) Borrower shall provide prior written notice to Lender specifying the date upon which the prepayment is to be made (the "**Prepayment Date**"), which notice shall be

delivered to Lender not less than ten (10) days prior to such Prepayment Date, and which notice shall be irrevocable (or such shorter period of time as may be permitted by Lender in its sole discretion) (Lender hereby agreeing that Borrower may revoke any notice of prepayment up until the date that is one (1) Business Day prior to the proposed Prepayment Date (provided that Borrower shall be required to pay Lender, promptly upon demand, any actual, out-of-pocket expenses incurred by Lender resulting from any such revocation));

(c) each such prepayment, in the case of partial prepayments, shall be in an amount not less than Five Million and No/100 Dollars (\$5,000,000.00), unless the outstanding principal balance of the Loan (prior to such prepayment) shall be less than Five Million and No/100 Dollars (\$5,000,000.00), in which event the amount of the prepayment shall be in such amount as shall prepay the Debt and all other amounts due in connection therewith in full, as more fully provided herein;

(e) if such prepayment is made after a Payment Date occurring in the Interest Period in which such prepayment was made, but prior to the last two (2) Business Days in such Interest Period, Borrower shall make such prepayment without paying any interest thereon (Borrower having already paid interest on such amount on the Payment Date occurring in such Interest Period);

(f) if such prepayment is made on either of the last two (2) Business Days in an Interest Period, Borrower will pay to Lender, simultaneously with such prepayment, interest on the principal amount of the Loan prepaid through the last day of the Interest Period immediately following the Interest Period in which such prepayment occurs, calculated at the Applicable Interest Rate;

(g) if such prepayment is a prepayment of the Loan in full, Lender shall have received a written consent to the repayment from the lender under each Other Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Other Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous *pro rata* prepayment of each Other Mezzanine Loan and Permitted Mezzanine Loan if required thereunder; and

(h) if such prepayment is made on or prior to the Spread Maintenance Outside Date, then in connection with any such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, the Spread Maintenance Premium in respect of such prepayment.

Any prepayment made pursuant to this Section 2.4.1 shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes. Lender agrees that it shall provide a written consent to the repayment of the Loan upon satisfaction of the conditions set forth in clauses (a) through (f) and clause (h) of this Section 2.4.1.

**2.4.2 Mandatory Prepayments from Net Proceeds.** (a) On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of any Individual Property, Borrower shall prepay, or authorize Lender to apply Net Proceeds as a prepayment of, the outstanding principal balance of the Note in an amount equal to, (x) if no Event of Default shall have occurred and be continuing, the product of (i) a fraction, the numerator of which is outstanding principal amount of the Loan and the denominator is the outstanding principal amount of the Mortgage Loan, the Loan and the Other Mezzanine Loans times (ii) the Net Proceeds, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such Payment Date occurs (with the balance of the Net Proceeds to be paid over to the Ninth Mezzanine Lender, for application in accordance with the Ninth Mezzanine Loan Agreement), and (y) if an Event of Default shall have occurred and be continuing, 100% of the Net Proceeds. Following the prepayment made as described in this Section 2.4.2(a), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(a) shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

Any prepayment received by Lender pursuant to this Section 2.4.2(b) on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. A Spread Maintenance Premium or fee may be due in connection with any prepayment made pursuant to this Section 2.4.2(b) if made prior to the Spread Maintenance Outside Date. Following the prepayment made as described in this Section 2.4.2(b), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(b) shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

(c) Borrower shall immediately notify Lender of any Liquidation Event once Borrower has knowledge of such event. The provisions of this Section 2.4.2(c) shall not be construed to contravene in any manner the restrictions and other provisions regarding refinancing of the Mortgage Loan or Transfer of any Individual Property set forth in this Agreement, the other Loan Documents and the Mortgage Loan Documents.

**2.4.3 Prepayments After Default.** If, following the occurrence and during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower or any other Person and accepted by Lender or otherwise recovered by Lender (including through application of any Reserve Funds), Borrower shall pay to Lender, in addition to the outstanding principal balance, (a) all accrued and unpaid interest at the Default Rate (including, without limitation, (i) in the event that such prepayment is received on a Payment Date or on any date in any Interest Period prior to a Payment Date, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which such payment occurs, or (ii) in the event that such prepayment is received on a date after a Payment Date up to (and including) the last day of the Interest Period in which such Payment Date occurs, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which the next Payment Date occurs, (b) the Spread Maintenance Premium, if such prepayment is made prior to the Spread Maintenance Outside Date, and (c) any and all other amounts payable under the Loan Documents. Any payment under this Section 2.4.3 shall be applied in such order, priority and proportions as Lender may direct in its sole and absolute discretion.

**Section 2.5. Release of Collateral.** Except as set forth in this Section 2.5, no repayment or prepayment of all or any portion of the Note shall cause, give rise to a right to require, or otherwise result in, the release or assignment of any Lien of the Pledge Agreement on the Collateral.

**2.5.1 Release of Individual Property.** Concurrently with the release of an Individual Property from the Lien of the Mortgage (and related Mortgage Loan Documents)

pursuant to Section 2.5.1 of the Mortgage Loan Agreement (a “**Release**” and such Individual Property, a “**Release Property**”), Borrower may obtain the release of the related Individual Borrower with an indirect ownership interest in such Individual Property (a “**Release Borrower**”) and such Release Borrower’s obligations under the Loan Documents with respect to the Release Property (other than those expressly stated to survive), upon the satisfaction of each of the following conditions:

(b) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien of the Pledge Agreement (and related Loan Documents), only with respect to such Release Borrower, for execution by Lender. (d) (i) The Individual Property to be released shall be conveyed to a Person other than a Mortgage Borrower or Mezzanine Borrower, and other than an Affiliate of Mortgage Borrower unless, in the latter case, such Affiliate is refinancing the Loan with a construction or development loan (or repaying the Loan with equity contributions to such Affiliate) and (ii) it is such Affiliate’s immediate intention to materially redevelop such Individual Property, which loan (or equity contribution) and intention shall be described in reasonable detail and represented to in an Officer’s Certificate submitted to Lender concurrently with (or prior to) the materials described in clause (b) of this Section 2.5.1;

(e) Lender shall have received a wire transfer of immediately available federal funds in an amount equal to the Release Price for the applicable Individual Property, together with (i) all accrued and unpaid interest calculated at the Applicable Interest Rate on the amount of principal being prepaid as provided in Sections 2.4.1(d) or (e), as applicable, (ii) the Spread Maintenance Premium, if applicable and (iii) all other sums due under this Agreement, the Note or the other Loan Documents in connection with a partial prepayment;

(f) Lender shall have received a written consent to the transfer from the lender under the Mortgage Loan and each of the Other Mezzanine Loans (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of the Mortgage Loan, each of the Other Mezzanine Loans and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or

otherwise waived by the applicable lender, including the simultaneous pro rata prepayment of each Mortgage Loan, the Other Mezzanine Loans and Permitted Mezzanine Loan if required thereunder; and

Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property or Release Borrower.

Lender agrees that it shall provide a written consent to the transfer upon satisfaction of the conditions set forth in clauses (a) through (e) and clause (g) of this Section 2.5.1.

**2.5.2 Release of Convention Center Parcel; Property Swap.** At any time after the date hereof, Mortgage Borrower may obtain the release of the Convention Center Parcel pursuant to the Mortgage Loan Agreement, without the payment of a Release Price and upon the satisfaction by Borrower of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a release of the Convention Center Parcel, the Event of Default relates solely to such parcel and therefore would be fully cured by the release of the Convention Center Parcel);

(b) The Convention Center Parcel shall be conveyed to a Person other than a Mortgage Borrower or any Mezzanine Borrower;

(c) Mortgage Borrower will enter into a restrictive covenant agreement, restricting the use of the Convention Center Parcel to the development of a Convention Center and ancillary uses which agreement shall be in form and substance reasonably satisfactory to Lender;

(e) All requirements under all laws, statutes, rules and regulations (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetlands requirements) applicable to the Harrah's Atlantic City Property necessary to accomplish the lot split shall have been fulfilled, and all necessary variances, if any, shall have been obtained, and Borrower shall have delivered to Lender either (1) letters or other evidence from the appropriate municipal authorities confirming such compliance with laws, or

(2) a zoning report or legal opinion confirming such compliance with laws, in each case in substance reasonably satisfactory to Lender;

(f) As a result of the lot split, the remaining Harrah's Atlantic City Property with all easements appurtenant and other Permitted Encumbrances thereto will not be in violation of any then applicable law, statute, rule or regulation (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetland requirements) and all necessary variances, if any, shall have been obtained and evidence thereof has been delivered to Lender which in form and substance is appropriate for the jurisdiction in which the Harrah's Atlantic City Property is located;

(l) There shall be no release of any portion of the Lien of the Pledge Agreement in connection with this Section 2.5.2.

Borrower agrees that it shall promptly use all reasonable best efforts to substitute, and Lender agrees (subject to the terms set forth below in this paragraph) that it shall accept the substitution of, the properties commonly known as “Paris Las Vegas” and “Harrah’s Laughlin” for the Individual Properties referred to as “Harrah’s Lake Tahoe”, “Harvey’s Lake Tahoe”, “Bill’s Lake Tahoe” and “Showboat Atlantic City” and the portion of the Flamingo Las Vegas Property known as O’Shea’s in a reasonably satisfactory manner, provided that Lender’s obligation to accept such substitution shall be conditioned on the following:

(i) that no Event of Default shall exist, either before or after giving effect to such substitution (unless such Event of Default would be fully cured by the substitution);

(ii) the satisfaction, with respect to both “Paris Las Vegas” and “Harrah’s Laughlin”, of the closing conditions set forth in Article III hereof and of the Mortgage Loan Agreement, except that references therein to the Closing Date shall be to the date of such substitution;

(iii) delivery of such agreements, instruments, title insurance policies, surveys, resolutions, certificates and opinions (including, without limitation, substitute notes, amendments to the Loan Documents (including amendments to adjust the Allocated Loan Amounts, the EBITDAR (Closing Date) and any other items that need to be adjusted to reflect the substitution), the Operating Lease, the Operating Lease Guaranty and the Windstorm Insurance Intercreditor Agreement, an appropriate subdivision and a reciprocal easement agreement in respect of O’Shea’s, written assurances that the substitution will have no negative effects on the existing Title Policies, updated “tie-in” endorsements for the Title Policies, an Additional True Lease Opinion and an Additional Insolvency Opinion), in each case as are reasonably required by Lender in connection with such substitution;

(iv) with respect to the release of O’Shea’s, delivery of evidence reasonably satisfactory to Lender that such release will not have either an Individual Material Adverse Effect on the remainder of the Flamingo Las Vegas Property or an Aggregate Material Adverse Effect (it being understood that, for purposes of such determinations, O’Shea’s shall be deemed to have closed as of the Closing Date and to have no value) and that the remainder of the Flamingo Las Vegas Property satisfies the conditions set forth in Sections 3.1.3(b), (c) and (f) of the Mortgage Loan Agreement and the representations and warranties set forth in Sections 4.1.4, 4.1.16, 4.1.22, 4.1.39 and 4.1.40 of the Mortgage Loan Agreement shall continue to be true and complete with respect to the remainder of the Flamingo Las Vegas Property, and satisfaction of conditions similar to those set forth in clauses (c), (d), (e), (f), (g) and (h) of Section 3.1.3 hereof, as applicable, with respect to O’Shea’s;

(v) the satisfaction, with respect to “Harrah’s Lake Tahoe”, “Harvey’s Lake Tahoe”, “Bill’s Lake Tahoe”, “Showboat Atlantic City” and O’Shea’s, of the conditions set forth above in Section 2.5.1(b) and (f) with respect to released Individual Properties to the extent applicable;

(vi) the conveyance of “Harrah’s Lake Tahoe”, “Harvey’s Lake Tahoe”, “Bill’s Lake Tahoe”, “Showboat Atlantic City” and O’Shea’s to a Person other than a Mortgage Borrower or Mezzanine Borrower;

(vii) unless otherwise extended by Lender, the substitution shall be completed on or prior to May 28, 2008;

(viii) the payment by Borrower of all Lender’s reasonable out-of-pocket costs and expenses in connection with the substitution contemplated by this paragraph, including reasonable counsel fees and disbursements, up to an aggregate amount of \$300,000, it being acknowledged that costs incurred to obtain title insurance and surveys in respect of the substituted properties shall be paid by Borrower directly and shall not be taken into account for purposes of the foregoing limitation on the reimbursement of Lender’s expenses.

Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property in accordance with this paragraph. In addition, if all of “Harrah’s Lake Tahoe”, “Harvey’s Lake Tahoe”, “Bill’s Lake Tahoe” and “Showboat Atlantic City” can be transferred from Mortgage Borrower as contemplated above, but O’Shea’s cannot (including by reason of an inability to get a separate gaming license for O’Shea’s independent of the “Flamingo Las Vegas”), then Borrower shall cause Mortgage Borrower to nevertheless proceed to consummate the swap without transferring O’Shea’s (subject to Borrower’s ongoing right to obtain the release of O’Shea’s from the Lien of the Mortgage in accordance with the following sentence). Upon the satisfaction of such conditions set forth above in this paragraph (including clauses (i) through (viii) hereof), Borrower will have the right to choose between an immediate release of “O’Shea’s” from the Lien of the Mortgage on the date of the swap or a free release subsequent to the date of the swap without conditions (in either case, subject to the conditions set forth above in this Section 2.5.2), except that the limitation on Borrower’s payment of Lender’s costs and expenses set forth in clause (viii) above shall not apply to any such costs and expenses incurred by Lender in connection with such release), and, pending such release, EBITDAR shall be computed without regard to O’Shea’s; provided, further, the Operating Company in respect of the “Flamingo Las Vegas” Individual Property, both before and after such release, shall be permitted to provide management and other similar services for O’Shea’s and shall be reimbursed for the allocable share of expenses attributable to O’Shea’s.

**2.5.3 Release on Payment in Full.** Lender shall, upon the written request and at the expense of Borrower, upon payment in full of all principal and interest due on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of the Pledge Agreement on the Collateral.

All Revenues, other than amounts retained on-site by each Operating Company as a Gaming Operating Reserve and amounts collected and maintained in Off-Shore Accounts, will be deposited in the Collection Accounts.

(b) Borrower hereby represents and warrants as follows: when established, the Collection Accounts will be the only accounts maintained by Operating Company in any jurisdiction that include funds arising out of, or are otherwise attributable to, the Properties or relate to the operation and management of any of the Properties (other than accounts (collectively, the “OC Accounts”) that contain amounts theretofore released from Collection Accounts in accordance herewith, and other than Off-Shore Accounts, which shall not be subject to this Agreement; and neither Borrower nor Mortgage Borrower maintains any accounts that include funds arising out of, or are otherwise attributable to, any of the Properties or relate to the operation and management of any of the Properties or otherwise (except for accounts containing funds released from the Collection Accounts as herein provided and the Off-Shore Accounts). None of Mortgage Borrower, Senior Mezzanine Borrower, Borrower or Operating Company may (and Borrower shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), open any accounts or new accounts or in any way alter the flow of funds and payment into such Collection Accounts, including, without limitation, changing the source, type or currency of any payments currently deposited and maintained in any such account (it being understood that the foregoing restriction shall not preclude Operating Company, Mortgage Borrower, Senior Mezzanine Borrower or Borrower from accepting and depositing in any Collection Accounts any capital contributions, or any disbursements from any Collection Accounts in accordance with the provisions of the Mortgage Loan Agreement, this Agreement and the Senior Mezzanine Loan Agreements. None of Mortgage Borrower, Senior Mezzanine Borrower, Borrower or Operating Company may (and Borrower shall not permit Mortgage Borrower, Senior Mezzanine Borrower, or Operating Company to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), establish and maintain any accounts with financial institutions outside of the United States of America, other than the Off-Shore Accounts).

(c) Borrower shall cause Mortgage Borrower, Senior Mezzanine Borrower and Operating Company to comply with Section 2.6.1 of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement (as applicable) in all respects.

(d) Borrower hereby agrees that in the event that (i) the Mortgage Loan Documents require Mortgage Borrower and/or Operating Company to maintain the Collection Accounts, but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage

Lender, or otherwise) the Collection Accounts are not being maintained and (ii) the Collection Accounts are not being maintained under Section 2.6.1(d) of the Senior Mezzanine Loan Agreement, Borrower shall establish or cause the Operating Company to establish or cause the Operating Company to establish collection accounts substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Section 2.6.1 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender). In addition, if Borrower is required to deposit amounts with Lender pursuant to Article VII hereof but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Collection Accounts and Cash Management Account are not being maintained, Borrower shall establish collection accounts and a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Sections 2.6.1 and 2.6.2 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender). In addition, if Mortgage Borrower is required to provide security or other collateral to the Mortgage Lender pursuant to the terms of the Mortgage Loan Agreement (excluding any mortgage lien on the Properties or assignment of leases and rents with respect to the Properties) but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) such security or other collateral was not provided to Mortgage Lender, Borrower shall provide such security or other collateral to Lender in substantially the same form and amount as that required under the Mortgage Loan Documents.

**2.6.2 Disbursements from, Security Interest in, Collection Accounts.** The Operating Lease provides, among other things, that all Revenues shall be collaterally assigned by Operating Company to Mortgage Borrower as additional security for Operating Company's obligations under the Operating Lease and that Mortgage Borrower shall have the right to collaterally assign and pledge such Revenues to Lender as additional security for the Loan. In furtherance thereof, Lender and Borrower agree as follows:

(a) Except as otherwise provided in subparagraphs (b) and (c) hereof, all amounts collected in the Collection Accounts shall be transferred on each Business Day to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender.

(b) Upon the occurrence and during the continuance of an Event of Default hereunder, under the Mortgage Loan Documents or under any of the Other Mezzanine Loan Documents, and provided no Event of Default (as such term is defined in the Operating Lease) shall have occurred and be continuing under any Operating Lease, Borrower shall cause Mortgage Borrower to direct and cause Collection Bank to deposit directly into the Cash Management Account, all Rent payable under the Operating Lease for the next thirty (30) days (it being the intent and agreement that, during the continuance of an Event of Default, the Cash Management Account shall at all times contain such amounts sufficient to cover the ensuing 30-day period), including the Monthly Tax and Insurance Amount, the Monthly Ground Rent Amount and Monthly FF&E Reserve Amount (the amounts described in the preceding sentence, collectively, the "**Monthly Disbursements**") provided that, notwithstanding the foregoing, Lender may not apply such Monthly Disbursements to the payment of amounts due hereunder in

an amount in excess of the amounts owed by the Operating Company under the Operating Lease. In the event Borrower shall have failed to cause Mortgage Borrower to so instruct Collection Bank, Lender shall have the right to so direct the Collection Bank on behalf of Mortgage Borrower. Any amounts not required to be so deposited into the Cash Management Account shall be transferred on each Business Day thereafter to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender. If no Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, such excess shall be remitted to Ninth Mezzanine Lender (or to an account designated by Ninth Mezzanine Lender); provided that, notwithstanding the foregoing, Lender shall not remit any such amounts in excess of the amounts owed by the Operating Company under the Operating Lease. If an Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, Lender shall have the right to retain the amount so remitted to the Collection Account as collateral for the Loan and/or apply such amount to the payment of the Debt.

(c) Upon the occurrence and during the continuance of an Event of Default (as such term is defined in the Operating Lease) under any Operating Lease, Borrower shall cause Mortgage Borrower to notify Collection Bank to transfer to the Cash Management Account on each Business Day in immediately available funds by federal wire transfer all amounts on deposit in each Collection Account and, in the event Mortgage Borrower shall have failed to do so, Mortgage Lender (or Lender in the event of Mortgage Lender's failure to so instruct) shall have the right to so direct the Collection Bank on behalf of Mortgage Borrower. Lender shall have the right to retain all amounts to be paid into the Cash Management Account in accordance with the first sentence of this Section 2.6.2(c) as collateral for the Loan and/or apply such excess to the payment of the Debt.

(d) Borrower and its Affiliates shall (and Borrower shall cause Operating Company to) execute and deliver such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect, maintain and perfect Lender's security interest in the Collection Accounts, if any.

**2.6.3 Cash Management Account.** (a) During the term of the Loan, Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to comply with Section 2.6.3 of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement (as applicable) which may require the establishment of the Cash Management Account to be held by and in trust for the benefit of Mortgage Lender. All costs and expenses for establishing and maintaining the Cash Management Account shall be paid by Mortgage Borrower.

(b) Borrower shall not cause or permit Mortgage Borrower or Operating Company to further pledge, assign or grant any security interest in the Cash Management Account or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Mortgage Lender as the secured party, to be filed with respect thereto.

(c) Borrower hereby agrees that in the event that (i) the Mortgage Loan Documents require Mortgage Borrower and/or Operating Company to maintain the Cash

Management Account, but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Cash Management Account is not being maintained and (ii) the Cash Management Account is not being maintained under Section 2.6.3 of the Senior Mezzanine Loan Agreement, Borrower shall establish a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents. If Borrower is required to deposit amounts with Lender pursuant to Article VII hereof, Borrower shall establish a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Section 2.6.2 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender).

**2.6.4 Mezzanine Collection Account.** (a) Lender or Servicer may establish and maintain, to collect all amounts distributed to Lender under Section 2.6.3 of the Mortgage Loan Agreement, a segregated Eligible Account (the “**Mezzanine Collection Account**”) to be held by Servicer in trust for the benefit of Lender, which Mezzanine Collection Account shall be under the sole dominion and control of Lender (which may be exercised through Servicer). Lender (and its agents, including Servicer) shall have the sole right to make withdrawals from the Mezzanine Collection Account in accordance with the terms and conditions of this Agreement and the other Loan Documents, except as otherwise expressly provided in this Agreement or the other Loan Documents. Borrower shall cause Senior Mezzanine Borrower to comply with Section 2.6.4 of the Senior Mezzanine Loan Agreements.

(b) Borrower hereby grants to Lender a first priority security interest in the Mezzanine Collection Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Mezzanine Collection Account, including, without limitation, executing and filing UCC 1 Financing Statements and continuations thereof upon Lender’s request therefor. All costs and expenses for establishing and maintaining the Mezzanine Collection Account (and any sub account thereof) shall be at Borrower’s sole cost and expense.

(c) Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Mezzanine Collection Account and any sub-account thereof. The Mezzanine Collection Account and any sub-account thereof shall be assigned the federal tax identification numbers of each Borrower set forth on Schedule I attached hereto. Borrower shall provide Lender, at any time upon request of Lender, with a Form W-8 or W-9 to evidence that Borrower is not subject to any back-up withholding under the Code.

(d) Upon the occurrence and during the continuance of an Event of Default, all funds on deposit in the Mezzanine Collection Account shall be applied by Lender in such order and priority as Lender shall determine.

(e) The insufficiency of funds on deposit in the Mezzanine Collection Account shall not relieve Borrower from the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

**Section 2.7. Intentionally Omitted.**

**Section 2.8. Permitted Mezzanine Loan.** Borrower shall have the one-time right, upon thirty (30) days prior written notice to Lender (the “**Permitted Mezzanine Loan Election**”), to obtain a loan (“**Permitted Mezzanine Loan**”) secured by a pledge of the ownership interests in the indirect owners of Borrower (above the level of the Ninth Mezzanine Borrower) provided that the following conditions precedent are satisfied:

(f) the Permitted Mezzanine Loan shall have the same maturity date as the Maturity Date under the Loan, or a maturity date extending beyond the Maturity Date under the Loan;

(g) the Permitted Mezzanine Loan (including all of the terms, provisions and conditions of the Permitted Mezzanine Loan, including, without limitation, the loan documents evidencing and securing the Permitted Mezzanine Loan (“**Permitted Mezzanine Loan Documents**”)) shall be acceptable to Lender in its reasonable discretion (it being agreed that with respect (only) to Lender’s approval of the form of loan documents that loan documents in substantially the same form as the Ninth Mezzanine Loan Documents, appropriately modified to reflect subordination to the Mezzanine Loans still outstanding, shall be deemed to be acceptable);

(h) the Permitted Mezzanine Loan Lender shall enter into a co-lender or intercreditor agreement substantially on the standard CMSA form (or the form entered into by Lender, Other Mezzanine Lenders and Mortgage Lender in connection with the closing of the Loan) or in form and substance reasonably acceptable to Lender, acknowledging the subordination of the Permitted Mezzanine Loan in all respects to each of the Mezzanine Loans

(j) if requested by Lender, Borrower shall execute amendments to the Loan Documents reasonably requested by Lender, to reflect the existence of such Permitted Mezzanine Loan, provided that any such amendments or agreements will not alter the payment terms of the Loan set forth in this Agreement or the other Loan Documents or materially and adversely affect Borrower or impose additional material obligations or liabilities upon Borrower;

(k) if required by Lender, Borrower shall deliver (i) Additional Insolvency Opinions and, if the Loan Documents are amended pursuant to Section 2.8(k), opinions regarding due execution and enforceability with respect to the Properties, Mortgage Borrower, Mezzanine Borrowers, Holdings, Guarantor and their respective Affiliates and the Loan Documents, and such related matters as Lender shall reasonably require, and (ii) revised organizational documents for Borrower, which opinions and organizational documents shall be reasonably satisfactory to Lender;

**4.1.1 Organization.** (a) Borrower has been duly organized and is validly existing and in good standing with requisite power and authority to own the Individual Properties

and to transact the businesses in which it is (or each of them is) now engaged. Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations. Borrower possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to own its properties and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The sole business of Borrower is the ownership of Senior Mezzanine Borrower. The ownership interests of Borrower are as set forth on the organizational chart attached hereto as Schedule VIII.

(b) Each Operating Company has been duly organized and is validly existing and in good standing with requisite power and authority to own its properties or assets, including the Gaming Equipment, and to transact the businesses in which it is now engaged. Each Operating Company is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations, including the operation of the Casino Components at each Individual Property. Each Operating Company possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to operate the Properties currently operated by each such Operating Company and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The sole business of each Operating Company is the management and operation of the Individual Property or Properties currently operated by each such Operating Company. The ownership interests of each Operating Company are as set forth on the organizational chart attached hereto as Schedule VIII.

(c) Borrower has the power and authority and the requisite ownership interests in Senior Mezzanine Borrower and Mortgage Borrower to control the actions of Senior Mezzanine Borrower and Mortgage Borrower, and upon the realization of the Collateral under the Pledge Agreement, Lender or any other party succeeding to the Borrower's interest in the Collateral described in the Pledge Agreement would have such control. Without limiting the foregoing, Borrower has sufficient control over Senior Mezzanine Borrower and Mortgage Borrower to cause Senior Mezzanine Borrower and Mortgage Borrower to (i) take any action on Senior Mezzanine Borrower's or Mortgage Borrower's part required by the Loan Documents and (ii) refrain from taking any action prohibited by the Loan Documents.

**4.1.2 Proceedings.** Borrower and Operating Company have taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents. **4.1.3 No Conflicts; Approvals.** (a) The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower and Operating

Company will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower or Operating Company pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement, material lease or other material agreement or instrument to which Borrower or Operating Company (as applicable) is a party or by which any of Borrower's or Operating Company's property or assets is or are subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or Operating Company any of Borrower's or Operating Company's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any such Governmental Authority required for the execution, delivery and performance by Borrower and Operating Company of this Agreement or any other Loan Documents (and the execution by Lender of the remedies provided in the Loan Documents, subject to the limitations thereon pursuant to applicable Gaming Laws) has been obtained and is in full force and effect.

(b) Borrower, Senior Mezzanine Borrower, Mortgage Borrower and Operating Company have obtained all consents and approvals, including all approvals of Governmental Authorities including Gaming Authorities, if required, in connection with the execution, delivery and performance of the Loan Documents (including by Mortgage Lender and each Mezzanine Lender), the Operating Lease, the Operating Lease Guaranty and the operation of the business currently conducted at any of the Properties, and shall promptly execute any and all such instruments and documents, deliver any certificates and do all such other acts or things required by the Gaming Authorities to maintain or keep current such approvals.

**4.1.4 Litigation.** There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending or, to Borrower's knowledge, threatened against or affecting any Loan Party, any Affiliates of Borrower, including Holdings, Operating Company or any Individual Property, or any prior owner or other holder of any interest in any Individual Property, which actions, suits or proceedings, if determined against any Loan Party, Holdings, Operating Company, any other Affiliate or any Individual Property (taking into account the reasonably estimated damages payable in connection therewith), is reasonably likely to materially adversely affect the condition (financial or otherwise) or business of any Loan Party, any Affiliate of Borrower that is a direct or indirect owner of Mortgage Borrower, including Holdings and Operating Company, or the condition or ownership of any Individual Property, or any of the material rights, interests and remedies of Lender under the Loan Documents (taken as a whole). None of the actions described on Schedule XXIV, if determined adversely to Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company and/or any of their respective Affiliates, as applicable, would result in the payment by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or such Affiliate of an amount in excess of Ten Million and No/100 Dollars (\$10,000,000.00), except to the extent covered by insurance.

**4.1.5 Agreements.** None of Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company is in default, in any material respect, in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any material agreement or instrument to which it is a party or by which Borrower,

Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, the Collateral, the Senior Mezzanine Collateral or any of the Properties are bound. None of Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company has any material financial obligation under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company is a party or by which Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, the Collateral, the Senior Mezzanine Collateral or the Properties is otherwise bound, other than (a) with respect to Mortgage Borrower, obligations incurred in the ordinary course of the operation of the Properties as permitted pursuant to clause (t) of the definition of "Special Purpose Entity" set forth in Section 1.1 of the Mortgage Loan Agreement, (b) with respect to Borrower, obligations under the Loan Documents, (c) with respect to Senior Mezzanine Borrower, obligations under the Senior Mezzanine Loan Documents, and (d) with respect to Operating Company, the Operating Lease and Permitted Indebtedness (Operating Company).

**4.1.6 Title.** (a) The Borrower (as pledgor under the Pledge Agreement) is the record and beneficial owner of, and Borrower has good and marketable title to the Collateral, free and clear of all Liens whatsoever except the Liens created by the Loan Documents. The Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of any of the Properties (as currently used) or Borrower's ability to repay the Loan. The Pledge Agreement, together with the delivery of the certificates evidencing ownership of the Pledged Company Interests and the endorsement in blank, as being delivered concurrently herewith, will create a valid perfected, first priority lien on, and security interest in and to, the Collateral, all in accordance with the terms thereof. There are no claims for payment for work, labor or materials affecting any of the Properties which are or may become a Lien prior to, or of equal priority with, the Liens created by the Mortgage Loan Documents.

The fair saleable value of Borrower's assets is and will, immediately following the making of the Loan, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). date of such reports, and (iii) to the extent prepared or audited by an independent certified public accounting firm, have been prepared in accordance with GAAP throughout the periods covered, except as disclosed therein. Except for Permitted Encumbrances, Borrower does not have any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and reasonably likely to have a materially adverse effect on the Collateral, the Senior Mezzanine Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. Borrower has no Indebtedness other than the Loan. Except for Permitted Indebtedness (Operating Company), Operating Company does not have any Indebtedness or contingent liabilities, or due and unpaid liabilities for taxes, that are known to Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company and reasonably likely to have a materially adverse effect on the Collateral, any Senior Mezzanine Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. All public utilities necessary or convenient to the full use and enjoyment of each Individual Property are located either in the public right-of-way abutting such Individual Property (which are connected so as to serve such Individual Property without passing over other property) or in recorded easements serving such Individual Property and such easements are set forth in and insured by the Title Insurance Policies. All roads necessary for the use of each Individual Property for their current respective purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

**4.1.18 Enforceability.** The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower, any Affiliates of Borrower including Holdings, Operating Company or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors' rights and the enforcement of debtors' obligations), and Borrower, any Affiliates of Borrower including Holdings, Operating Company and Guarantor have not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

Notwithstanding anything contained in this Section 5.1.20(a) to the contrary, (x) Lender's consent to any amendment, modification or supplement of the Operating Lease (or any new Operating Lease) or the Operating Lease Guaranty may also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and/or an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies), and (y) Lender's consent to any assignment of any Operating Lease or Operating Lease Guaranty (or of any interest therein) or any material amendment, material modification or material supplement of any Operating Lease shall also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies).

(b) Borrower shall not permit (or consent to) an assignment by any Operating Company of any such Operating Company's interest(s) under any Operating Lease or an assignment by any Mortgage Borrower of any such Mortgage Borrower's interest(s) under any Operating Lease Guaranty without, in each case, Lender's prior written consent (and, if a Securitization shall have occurred, at Lender's request, without Borrower providing to Lender a Rating Agency Confirmation and an Additional True Lease Opinion).

(c) All space Leases and all renewals of space Leases executed after the date hereof entered into by Operating Company shall (i) provide for rental rates, rent credits and free rent periods comparable to existing local market rates for comparable properties, (ii) be on commercially reasonable terms, (iii) provide that such Lease is subordinate to the Mortgage encumbering the Individual Property in question and that the lessee will attorn to Mortgage Lender and any purchaser at a foreclosure sale; (iv) not contain any terms which would materially adversely affect Lender's rights under the Loan Documents; (v) not grant to the Tenants thereunder any option or right to purchase the applicable Individual Property (or any portion thereof); and (v) in the case of Major Leases, have initial terms less than twenty (20) consecutive years, in each case (unless otherwise consented to by Lender pursuant to clause (d) below).

(d) (i) Any Major Lease entered into by Operating Company with respect to an Individual Property executed after the date hereof (and any renewal of any Major Lease with respect to an Individual Property), and any space Lease or space Lease renewal proposed to be entered into by Operating Company after the date hereof and that does not meet the criteria set forth in Sections 5.1.20(a) and subparagraph (c) above, shall be subject to the prior written approval of Lender, which approval shall not be unreasonably withheld, conditioned or delayed. Borrower shall not terminate or accept the surrender of (and shall not permit Operating Company

or Mortgage Borrower to terminate or accept the surrender of) a Major Lease (unless by reason of a tenant default) without the consent of Lender.

(ii) Every submission to Lender of any proposed Major Lease (or Major Lease renewal, amendment, modification or termination) for Lender's approval shall be forwarded to Lender together with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this section.

(iii) If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN FIVE (5) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within five (5) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(e) Borrower shall and shall cause Mortgage Borrower and Operating Company to (i) observe and perform the obligations imposed upon the lessor under the Leases in a commercially reasonable manner; (ii) enforce the terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed or performed in a commercially reasonable manner and in a manner not to impair the value of the Individual Property involved; (iii) not collect any of the rents more than one (1) month in advance (other than security deposits); (iv) not execute any other assignment of lessor's interest in the Leases or the Rents (except as contemplated by the Loan Documents); (v) not alter, modify or change the terms of the Leases in a manner inconsistent with the provisions of the Loan Documents; and (vi) execute and deliver at the request of Lender all such further assurances, confirmations and assignments in connection with the Leases as Lender shall from time to time reasonably require.

(f) Upon request, Borrower shall furnish Lender with executed copies of all new Leases or Lease renewals or amendments.

(g) Notwithstanding anything to the contrary contained herein, Borrower shall not enter into (or permit Operating Company or Mortgage Borrower to enter into) a lease of all or substantially all of any Individual Property without Lender's prior consent.

**5.1.21 Alterations.** (a) Borrower shall cause all Alterations with respect to any portion of any of the Properties to be conducted and performed with due diligence in a good

and workmanlike manner, and all materials used and work done shall be in accordance with all applicable Legal Requirements. In addition, with respect to the Convention Center Project and the Tower Project, to the extent such projects are pursued, Borrower agrees to cause Mortgage Borrower to (i) diligently pursue each such project to completion in a timely manner, subject to delays arising from Force Majeure events, (ii) cause the work to be performed in connection with each such project in substantial conformance with the plans and specifications for such project, and otherwise in conformity with the Mortgage Loan Agreement, each Senior Mezzanine Loan Agreement and this Agreement, (iii) provide Lender with reasonably detailed monthly progress reports (and such information as Lender shall reasonably request from time to time) regarding the status of the Convention Center Project and the Tower Project, (iv) upon the substantial completion of each such project, provide Lender with evidence of the substantial completion of each such project, copies of final unconditional lien waivers from the general contractors, construction managers or subcontractors for such project (if requested by Lender) and evidence of the final payment of all amounts due in connection with each such project, and a title search for the affected Individual Property indicating that such Individual Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (v) upon final completion of each such project, provide Lender with a final survey acceptable to Lender showing the "as-built" location of the completed Improvements and all easements appurtenant thereto, and "as-built" plans and specifications for Lender's file and a certificate of occupancy to the extent issued by the relevant Governmental Authority.

(b) Borrower shall obtain Lender's prior consent to (i) any Material Alterations (unless collateral or a completion guaranty is provided as set forth in subparagraph (c) below) or (ii) any Alterations to any of the Improvements (even if otherwise described in clause (i) above) that is reasonably likely to have an Individual Material Adverse Effect. Lender's consent shall not be required for any Alterations other than the Alterations described in the preceding sentence. Notwithstanding any provision hereof to the contrary, without Lender's consent, not to be unreasonably withheld or delayed, in no event shall Borrower close or shutter, or undertake or permit any Tenant or other Person to undertake, an Alteration that, alone or together with other work then being undertaken, closes or shutters, more than ten percent (10%) of the income-generating space in any Individual Property at any one time. Prior to undertaking any Alteration with respect to an Individual Property in excess of five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for such Individual Property, to afford Lender a prior and reasonable opportunity to determine whether or not the proposed Alteration would have an Individual Material Adverse Effect, Borrower will deliver such plans, specifications, project schedules, logistical plans, construction budgets (including a statement of sources and uses) and such other information as Lender may reasonably request in respect of such Alteration for review by Lender (and its consultants). All reasonable out-of-pocket costs and expenses incurred by Lender in connection with reviewing said Alterations proposal, including, without limitation, reasonable counsel fees and disbursements and Lender's consultants, shall be paid by Borrower. The above-referenced submission to Lender shall be delivered with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to

Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this Section. If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within ten (10) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(c) With respect to any Material Alteration, unless otherwise consented to by Lender, Borrower shall promptly deliver to Mortgage Lender as security for the payment of such amounts and as additional security for Borrower's obligations under the Loan Documents any of the following: (A) cash, (B) U.S. Obligations, (C) other securities having a rating acceptable to Lender and that the applicable Rating Agencies have confirmed in writing will not, in and of itself, result in a downgrade, withdrawal or qualification of the initial, or, if higher, then current ratings assigned to any Securities or any class thereof in connection with any Securitization, (D) a completion and performance bond or an irrevocable letter of credit (payable on sight draft only) issued by an Eligible Institution, or (E) a completion guaranty from an Approved Guarantor in the form attached hereto as Exhibit A (with such changes as Lender shall approve), together with evidence reasonably satisfactory to Lender that the Approved Guarantor has reasonable liquidity taking into account the nature and amount of the guaranteed obligations under such completion guaranty (it being agreed that, if the Approved Guarantor in question is Holdings, then the amounts available for repayment of such obligations under any revolving credit facility in effect at such time in favor of Harrah's Operating Company, Inc. will be taken into account in determining whether Holdings has reasonable liquidity), and with, if required by applicable Rating Agency requirements, an Additional Insolvency Opinion. Such security, including the amount of the guaranteed obligations under any completion guaranty delivered as aforesaid, shall be in an amount equal to the sum of (i) the excess of the total unpaid amounts with respect to alterations to the Improvements on the applicable Individual Property (other than such amounts to be paid or reimbursed by tenants under the Leases) over the Threshold Amount and (ii) the costs of collection, and, upon the occurrence and during the continuance of an Event of Default, Lender may apply such security from time to time at the option of Lender to pay for such alterations.

**5.1.22 Operation of Properties.** (a) Borrower shall cause Mortgage Borrower to cause each of the Properties to be operated, in all material respects, in accordance with the Operating Leases and in accordance with all applicable Legal Requirements, including Gaming Laws, and all Gaming Licenses and other Operating Permits and in a manner consistent with their respective use as of the Closing Date. Borrower shall cause Operating Company to post all required bonds, if any, with any Gaming Authority as and in the amounts required under

all applicable Legal Requirements (and shall, if Lender makes a request therefor, promptly provide Lender with copies of all such bonds).

(b) Borrower shall not, without Lender's prior written consent, permit Operating Company to assign or transfer, and Operating Company shall not, without Lender's prior written consent, assign or transfer, or delegate any responsibilities with respect to, any Gaming License or Operating Permit.

(c) Borrower shall cause Operating Company to make all filings required under the Gaming Laws, or in connection with any Gaming Licenses or Operating Permits, including in connection with the origination of the Mortgage Loan and the Mezzanine Loans, and shall deliver copies of such filings as Lender shall reasonably request to Lender, promptly upon request. Borrower will timely pay all fees, investigative fees and costs required by the Gaming Authorities with respect to any such approvals and licenses. Borrower will and will cause Mortgage Borrower to diligently and comprehensively respond to any inquiries and requests from the Gaming Authorities and promptly file or cause to be filed any additional information required in connection with any required filings as soon as practicable after receipt of requests therefor.

(d) Upon request of Lender, Borrower shall deliver to Lender (or cause Operating Company to deliver to Lender) such evidence of compliance (by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company and each Individual Property) with all Legal Requirements, including Gaming Laws as shall be reasonably requested by Lender. Borrower shall immediately deliver to Lender (and shall cause Operating Company and Mortgage Borrower to deliver to Lender) any notice of material non-compliance or material violation of any Legal Requirement, or of any material inquiry or investigation commenced by the Gaming Authorities in connection with any of the Properties. Borrower shall immediately notify Lender if it, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company believe that any material license, including any Gaming License, is being or could be revoked or suspended, or that any action is pending, being considered or being, or could be, taken to revoke or suspend Borrower's, Senior Mezzanine Borrower's, Mortgage Borrower's or Operating Company's material licenses, including the Gaming Licenses, or to fine, penalize or impose remedies upon Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company, or that any action is pending, being considered, or being, or could be, taken to discontinue, suspend, deny, decrease or recoup any payments due, made or coming due to Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company, in each case if same might reasonably be expected to have an Individual Material Adverse Effect. Borrower shall immediately deliver to Lender any notice received by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company alleging or relating to the material non-compliance by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company with any Legal Requirements, including Gaming Laws.

(e) In the event that any of the Operating Leases expire or are terminated (without limiting any obligation of Borrower to obtain Lender's consent to any termination or modification of any of the Operating Leases in accordance with the terms and provisions of this Agreement), Borrower shall cause Mortgage Borrower to promptly enter into a replacement Operating Lease (in form and substance satisfactory to Lender) with Operating Company or

another operating company reasonably satisfactory to Lender, provided Borrower will obtain a Rating Agency Confirmation as a condition to the effectiveness of such replacement Operating Lease and that Borrower will cause Guarantor (Operating Lease) to execute and deliver an operating lease guaranty in the same form and substance as the Operating Lease Guaranty.

(f) Borrower shall cause Mortgage Borrower to: (i) promptly perform and/or observe, in all material respects, all of the covenants and agreements required to be performed and observed by it under the Operating Lease and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any material default under any Operating Lease or Operating Lease Guaranty of which it is aware; (iii) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, notice, report and estimate received by it under each Operating Lease; and (iv) enforce the performance and observance of all of the material covenants and agreements required to be performed and/or observed by each Operating Company under each Operating Lease and by each Guarantor (Operating Lease) under each Operating Lease Guaranty, in a commercially reasonable manner.

(g) Borrower shall cause Mortgage Borrower to cause the Hotel Components to be at all times open for business as a hotel and the Casino Components to be open for business as a casino, except to the extent necessary to undertake any alterations or repairs (subject to the provisions of this Agreement with respect to the performance of any such alterations or repairs). Borrower shall cause each Individual Property to be at all times operated, managed and maintained, at all times and in the manner and accordance with the standards required pursuant to the Operating Leases and all applicable Legal Requirements in all material respects.

(h) If Mortgage Borrower shall be in material default under any Operating Lease, then, subject to the terms of such Operating Lease, Borrower shall cause Mortgage Borrower (subject to any applicable Legal Requirements) to grant Lender the right (but not the obligation), to cause the default or defaults under such Operating Lease to be remedied and otherwise exercise any and all rights of Mortgage Borrower under such Operating Lease, as may be necessary to prevent or cure any default provided such actions are necessary to protect Lender's interest under the Loan Documents, and Lender shall have the right to enter all or any portion of the affected Individual Property at such times and in such manner as Lender deems necessary, to prevent or to cure any such default. The actions or payments of Lender to cure any default by Mortgage Borrower under any Operating Lease shall not remove or waive, as between Borrower and Lender, any default that may occur or occurred under this Agreement by virtue of such default by Mortgage Borrower under such Operating Lease. All out-of-pocket sums reasonably expended by Lender to cure any such default shall be paid by Borrower to Lender, upon demand, with interest on such sum at the rate set forth in this Agreement from the date such sum is expended to and including the date the reimbursement payment is made to Lender. All such indebtedness shall be deemed to be secured by the Pledge Agreement and the Collateral.

(i) Borrower shall notify Lender promptly in writing of (i) the occurrence, to Borrower's knowledge, of any material default by any party to any Operating Lease or any Operating Lease Guaranty, (ii) the occurrence, to Borrower's knowledge, of any event that, with the passage of time or service of notice, or both, would constitute a material default by any party under any Operating Lease or any Operating Lease Guaranty, and (iii) the receipt by Borrower or

its Affiliate of any notice (written or otherwise) from any party under any Operating Lease or any Operating Lease Guaranty noting or claiming the occurrence of any material default by Borrower under such Operating Lease or such Operating Lease Guaranty.

(j) Borrower shall (subject to any applicable Legal Requirements) promptly cause Mortgage Borrower to execute, acknowledge and deliver to Lender such instruments as may reasonably be required to permit Lender to cure any material default under any Operating Lease or permit Lender to take such other action required to enable Lender to cure or remedy the matter in default and preserve the value of the security interest of Lender under the Loan Documents with respect to the Collateral. Upon the occurrence and during the continuance of an Event of Default, Borrower irrevocably appoints Lender as its true and lawful attorney-in-fact to do, in its name or otherwise, any and all acts and to execute any and all documents that are necessary to preserve any rights of Mortgage Borrower under or with respect to any Operating Lease, including, without limitation, the right to effectuate any extension or renewal of any Operating Lease, or to preserve any rights of Mortgage Borrower whatsoever in respect of any part of any Operating Lease (and the above powers granted to Lender are coupled with an interest and shall be irrevocable).

(k) With respect to any Operating Lease or any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days' prior written request from Lender, execute, acknowledge and deliver to Lender, a statement containing the following: (A) a statement that such Operating Lease or such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease or the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications, (B) a statement that Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Borrower's knowledge, either the other party thereto is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to the Operating Lease or the Operating Lease Guaranty as Lender shall reasonably request.

(l) With respect to any Operating Lease, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from each Operating Company containing the following: (A) a statement that such Operating Lease is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease is in full force and effect as modified and setting forth such modifications, (B) a statement that Operating Company is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Operating Company's knowledge, the Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to Operating Company, any Operating Lease and/or any Operating Lease Guaranty as Lender shall reasonably request.

(m) With respect to any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from Guarantor (Operating Lease) containing the following: (A) a statement that such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications; (B) a statement that Guarantor (Operating Lease) is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default; and (C) such other information with respect to such Guarantor (Operating Lease) and/or Operating Lease Guaranty as Lender shall reasonably request.

**5.1.23 Ground Lease Estoppel.** Borrower shall, on or prior to May 28, 2008, either (i) effect the substitution of the Properties commonly known as "Paris Las Vegas" and "Harrah's Laughlin" for the Individual Properties referred to as "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe" and "Showboat Atlantic City" as described in Section 2.5.2 of this Agreement or (ii) (x) cause the occurrence of the events set forth in paragraph 1, clause (ii) of the Ground Lease Side Letter and (y) in connection therewith, deliver to Lender updates to its UCC Title Insurance Policy and any endorsements to the Mortgage Borrower's owner's policies delivered to Lender in connection with the closing of the Loan, together with such other documents, instruments and new or updated opinions (including as to enforceability, non-consolidation and true lease matters) as Lender may reasonably request. The failure by Borrower to cause the occurrence of the event described in clause (i) or of the events described in clause (ii) above, on or prior to May 28, 2008 shall constitute a "Ground Lease Estoppel Trigger Event" hereunder, but shall not constitute a Default or an Event of Default hereunder.

**5.1.24 Mortgage Loan Reserve Funds.** Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to deposit and maintain each of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds (if any) as more particularly set forth in Article VII of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement and to perform and comply with all the terms and provisions relating thereto. Borrower grants to Lender a first-priority perfected security interest in Borrower's interest in each of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds, if any, subject to the prior rights of Mortgage Lender and Senior Mezzanine Lender, and any and all monies now or hereafter deposited in each Mortgage Loan Reserve Fund and Senior Mezzanine Loan Reserve Funds as additional security for payment of the Debt to the extent Borrower has an interest in same. Subject to the qualifications regarding Mortgage Lender's and Senior Mezzanine Lender's interest in the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds (as applicable), if any, until expended or applied in accordance with the Mortgage Loan Documents, Senior Mezzanine Loan Documents or the Loan Documents, Borrower's interest in the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds shall constitute additional security for the Debt and upon the occurrence of an Event of Default, Lender may, in addition to any and all other remedies available to Lender, apply any sums then present in any or all of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds to the payment of the Debt in any order in its sole discretion and/or hold the same as Collateral for the Loan.

**5.1.25 Notices.** Borrower shall give notice, or cause notice to be given to Lender promptly upon the occurrence and during the continuance of an Event of Default and upon any of the following:

(a) any Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default;

(b) any default or event of default under any contractual obligation of Borrower, or, to the knowledge of Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor that could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect;

(c) any litigation or proceeding affecting Borrower, or, to the knowledge of Borrower, affecting any of Mortgage Borrower, Senior Mezzanine Borrower, Operating Company, Principal or Guarantor, which could or could reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect; or

(d) a change in the business, operations, property or financial or other condition or prospects of Borrower, or, to the knowledge of Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor which could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect.

**5.1.26 Special Distributions.** On each date on which amounts are required to be paid to Lender under any of the Loan Documents (or required be disbursed to the Mezzanine Collection Account, if applicable) Borrower shall exercise its rights under the First Mezzanine Borrower Company Agreement to cause Senior Mezzanine Borrower to make to Borrower a distribution in an aggregate amount such that Lender shall receive the amount required to be disbursed to the Mezzanine Collection Account or otherwise paid to Lender on such date.

**5.1.27 Curing.** Lender shall have the right, but shall not have the obligation, to exercise Borrower's rights under the First Mezzanine Borrower Company Agreement (a) to cure a Mortgage Loan Default, or Senior Mezzanine Loan Default, (b) to cure a Mortgage Loan Event of Default, or Senior Mezzanine Loan Event of Default, (c) to satisfy any Liens, claims or judgments against the Properties (except for Liens permitted by the Mortgage Loan Documents or Senior Mezzanine Loan Documents), (d) to satisfy any Liens, claims or judgments against the Senior Mezzanine Collateral, in the case of either (a), (b) or (c), unless Borrower, Senior Mezzanine Borrower or Mortgage Borrower shall be diligently pursuing remedies to cure the Mortgage Loan Default, the Senior Mezzanine Loan Default, the Senior Mezzanine Loan Event of Default or Mortgage Loan Event of Default or to satisfy any such Liens, claims or judgments, in either case to Lender's sole satisfaction. Borrower shall reimburse Lender on demand for any and all costs incurred by Lender in connection with curing any such Mortgage Loan Default, Senior Mezzanine Loan Default, Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default or satisfying any Liens, claims or judgments against any of the Properties or the Senior Mezzanine Collateral.

**5.1.28 Senior Borrower Covenants.** Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to comply with all obligations with which Mortgage Borrower and/or Senior Mezzanine Borrower have covenanted to comply under the Mortgage Loan Agreement, Senior Mezzanine Loan Agreement, all Senior Mezzanine Loan Documents and all other Mortgage Loan Documents, as applicable (including, without limitation, those certain affirmative and negative covenants set forth in Article V of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement), unless otherwise consented to in writing by Lender.

**Section 5.2. Negative Covenants.** From the date hereof until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Liens of the Collateral in accordance with the terms of this Agreement and the other Loan Documents, Borrower covenants and agrees with Lender that it will not do, directly or indirectly, any of the following (without, in each case, the prior written consent of Lender):

**5.2.1 Operation of Properties.** (a) Borrower shall not cause or permit Mortgage Borrower to, without Lender's prior consent: (i) surrender, terminate or cancel (or permit to be surrendered, terminated or canceled) any of the Operating Leases or any Operating Lease Guaranty; (ii) reduce or consent to the reduction of (or permit the reduction or the consent to the reduction) of the term of any of the Operating Leases; (iii) decrease or consent to any decrease (or permit to be decreased or the consent to the decrease) of the amount of any rent or other charges payable under any of the Operating Leases; (iv) Transfer, convey, assign, sell, mortgage, encumber, pledge, hypothecate, grant a security interest in, grant an option or options with respect to, or otherwise dispose of (directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, whether or not for consideration) the Properties or any collateral for the Mortgage Loan (or permit Operating Company to do so), in each case without the prior written consent of Lender or except as expressly permitted in Section 5.2.10, or (v) otherwise modify, change, supplement, alter or amend, or waive or release (or permit to be modified, changed, supplemented, altered, amended, waived or released) any of the rights and remedies of Borrower, Mortgage Borrower or any Operating Company under any of the Operating Leases in any material respect or any Operating Lease Guaranty (provided that Lender shall not unreasonably withhold its consent to any modification, change, supplement, alteration, amendment, waiver or release of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document).

(b) During the continuance of an Event of Default, Borrower shall not exercise (and shall not cause or permit Mortgage Borrower to exercise) any rights, make any decisions, grant any approvals or otherwise take any action under any Operating Lease, Operating Lease Guaranty or any management agreement without, in each instance, the prior written consent of Lender, which consent may be withheld in Lender's sole discretion.

**5.2.2 Liens.** (a) Borrower shall not create, incur, assume or suffer to exist any Lien on any of the Collateral, except Liens created by or permitted pursuant to the Loan Documents. Borrower shall not, and shall not cause or permit Mortgage Borrower or Senior Mezzanine Borrower to create, incur, assume or suffer to exist any Lien on any portion of any Individual Property or Senior Mezzanine Collateral or permit any such action to be taken, except:

(i) Permitted Encumbrances;

(ii) Liens created by or permitted pursuant to the Loan Documents, Senior Mezzanine Loan Documents or Mortgage Loan Documents; and

(iii) Liens for Taxes or Other Charges not yet due.

(b) Borrower shall not incur any Indebtedness other than the Loan, shall not permit Mortgage Borrower to incur any Indebtedness other than the Mortgage Loan and Permitted Indebtedness (as defined in the Mortgage Loan Agreement), and shall not permit Senior Mezzanine Borrower to incur any Indebtedness other than the Senior Mezzanine Loans. Borrower shall not permit any Operating Company to incur Indebtedness in excess or other than Permitted Indebtedness (Operating Company).

**5.2.3 Dissolution.** Borrower shall not, and shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, (a) engage in any dissolution, liquidation or consolidation or merger with or into any other business entity, (b) engage in any business activity not related to (i) in the case of Borrower, the ownership of the Collateral, (ii) in the case of Senior Mezzanine Borrower, ownership of the Senior Mezzanine Collateral, (iii) in the case of Mortgage Borrower, the ownership and operation of the Properties and (iv) in the case of Operating Company, the leasing and operation of the Properties, (c) transfer, lease or sell, in one transaction or any combination of transactions, the assets or all or substantially all of the properties or assets of Borrower, Senior Mezzanine Borrower or Mortgage Borrower except to the extent permitted by the Loan Documents, (d) modify (in any material respect), amend (in any material respect), waive or terminate its organizational documents or its qualification and good standing in any jurisdiction or (e) cause Holdings to (i) dissolve, wind up or liquidate or take any action, or omit to take an action, as a result of which Holdings, Senior Mezzanine Borrower or Mortgage Borrower would be dissolved, wound up or liquidated in whole or in part, or (ii) amend (in any material respect), modify (in any material respect), waive or terminate the certificate of incorporation or bylaws of Holdings, Senior Mezzanine Borrower or Mortgage Borrower, in each case, without obtaining the prior consent of Lender.

**5.2.4 Change in Business.** Borrower shall not cause Mortgage Borrower to enter into any line of business other than the ownership and operation of any of the Properties and other activities reasonably ancillary thereto, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. In addition, Borrower shall not permit or cause Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower by any Person, except for adequate consideration and in the ordinary cause of Mortgage Borrower's business. Borrower shall not enter into any line of business other than the ownership of the Collateral, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. Borrower shall not allow Senior Mezzanine Borrower to enter into any line of business other than the direct or indirect ownership of the applicable Senior Mezzanine Collateral or make any material change in the scope or nature of its business objectives, purposes

or operations, or undertake or participate in activities other than the continuance of its present business.

**5.2.5 Debt Cancellation.** Borrower shall not, and shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, cancel or otherwise forgive or release any claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower, Borrower or Senior Mezzanine Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's, Borrower's or Senior Mezzanine Borrower's business. In addition, Borrower shall not permit or cause itself, Senior Mezzanine Borrower, or Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Senior Mezzanine Borrower, Borrower or Mortgage Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's, Borrower's or Senior Mezzanine Borrower's business.

**5.2.6 Zoning.** Borrower shall not, and shall not permit Mortgage Borrower or Operating Company to, initiate or consent to any zoning reclassification of any portion of any Individual Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of any Individual Property in any manner that could result in such use becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of Lender.

**5.2.7 Ground Lease.** Borrower shall not (or shall not cause or permit Mortgage Borrower or Ground Lease Subsidiary, as applicable, to) (a) fail to pay any rent, additional rent or other charge mentioned in or made payable under any Ground Lease as and when such rent or other charge is due (unless waived in writing by the ground lessor under such Ground Lease), (b) permit to occur any event of default (beyond any applicable notice, grace or cure periods) by any Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant under the related Ground Lease, in the observance or performance of any term, covenant or condition of such Ground Lease on the part of such Mortgage Borrower or Ground Lease Subsidiary, as applicable, to be observed or performed (unless waived in writing by the ground lessor under such Ground Lease), (c) permit any one or more of the events referred to in any Ground Lease to occur which would cause such Ground Lease to terminate without notice or action by the ground lessor under such Ground Lease or which would entitle such ground lessor to terminate such Ground Lease and the term thereof by giving notice to the related Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant thereunder (unless waived in writing by the ground lessor under such Ground Lease), (d) permit the leasehold estate created by any Ground Lease to be surrendered or any Ground Lease to be terminated or canceled for any reason or under any circumstances whatsoever or (e) permit any of the terms, covenants or conditions of any Ground Lease to be materially modified, materially changed, materially supplemented, materially altered, or materially amended without the consent of Lender except as otherwise may be permitted by this Agreement.

**5.2.8 Principal Place of Business and Organization.** Borrower shall not, nor shall Borrower permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, change the place of its organization as set forth in Section 4.1.28 without the consent of Lender, which consent shall not be unreasonably withheld. Upon Lender's request,

Borrower shall (and shall cause Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to) execute and deliver additional financing statements, security agreements and other instruments which may be necessary to effectively evidence or perfect Mortgage Lender's security interest in any of the Properties, any Senior Mezzanine Lender's Security Interest in the related Senior Mezzanine Collateral or Lender's security interest in the Collateral as a result of such change of place of organization.

**5.2.9 ERISA.** (a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of the Loan, as requested by Lender in its sole discretion, that (i) Borrower is not an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(32) of ERISA; (ii) Borrower is not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans; and (iii) one or more of the following circumstances is true:

(A) Equity interests in Borrower are publicly offered securities, within the meaning of 29 C.F.R. § 2510.3-101(b)(2);

(B) Less than twenty-five percent (25%) of each outstanding class of equity interests in Borrower is held by "benefit plan investors" within the meaning of 29 C.F.R. § 2510.3-101(f)(2); or

(C) Borrower qualifies as an "operating company" or a "real estate operating company" within the meaning of 29 C.F.R. § 2510.3-101(c) or (e).

**5.2.10 Transfers.** (a) Without the prior consent of Lender and except to the extent otherwise set forth in this Section 5.2.10, Borrower shall not, and shall not permit any other Person holding any direct or indirect legal, economic, beneficial or other ownership interest in Borrower, the Collateral, the Senior Mezzanine Collateral or one or more of the Properties to, (1) Transfer all or any part of the Collateral, the Senior Mezzanine Collateral or one or more of the Properties, (2) permit any Transfer (directly or indirectly) of any direct or indirect interest in Borrower, or (3) permit any Transfer (directly or indirectly) of any direct or indirect interest in Operating Company or any transfer or assignment or subletting (of all or substantially of any Individual Property) by any Operating Company under any Operating Lease.

(b) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) an indirect beneficial interest in Borrower consisting of ownership interests in or at any level above the level of Ninth Mezzanine Borrower shall be permitted without Lender's consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Borrower is at all times Controlled and at least fifty percent (50%) owned

(directly or indirectly) by Qualified Transferees, (iii) subsequent to such Transfer, Borrower will continue to be a Special Purpose Entity, (iv) if (1) such Transfer causes the Transferee to own, in the aggregate with the ownership interests of its Affiliates, more than a forty nine percent (49%) interest in Borrower (and the Transferee (together with the ownership interests of its Affiliates) did not, prior to such Transfer, own more than a forty-nine percent (49%) interest in Borrower), or (2) such Transfer, together with all other Transfers by Borrower, whether in a single Transfer or in a series of Transfers and whether or not effected simultaneously, results in a Transfer of more than forty-nine percent (49%) of the aggregate interests in Borrower, if required by applicable Rating Agency requirements, if required by applicable Rating Agency requirements, then an acceptable non-consolidation opinion is delivered to the holder of the Loan and to each of the Rating Agencies concerning, as applicable, Borrower, the new Transferee and/or their respective owners, and (v) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions. Further, a Change in Control shall be deemed a Transfer hereunder and, unless clauses (ii) through (v) of this Section 5.2.10(b) shall be satisfied, the same shall be an Event of Default hereunder (and for the sake of clarity, nothing else contained in this Section 5.2.10 or this Agreement shall be deemed to limit or qualify the above terms of this sentence).

(c) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) a direct or indirect beneficial interest in Operating Company shall be permitted without Lender's consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Operating Company is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, and (iii) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions.

(d) In the event that a permitted Transfer of more than a forty nine percent (49%) interest in Borrower is made pursuant to this Section 5.2.10, at Borrower's request, Lender shall release Guarantor from (i) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty for obligations and liabilities arising from and after the date of such Transfer, and (ii) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred either prior or subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty, including those which occurred prior to the Transfer. Notwithstanding the foregoing or anything else that may be construed to the contrary, in no event may Borrower effect a Transfer, or permit or suffer any Transfer, that would result in any loss or impairment of any Gaming License or in any similar event that would have an Individual Property Material Adverse Effect or Aggregate Property Material Adverse Effect.

(e) Notwithstanding the foregoing or anything herein to the contrary, but subject to the final sentence of Section 5.2.10(d), nothing contained in this Agreement or the other Loan Documents shall in any way restrict or prohibit, nor shall any notice to Lender or consent of Lender or Rating Agency Confirmation be required in connection with the Transfer or issuance in the ordinary course of any securities in any Person whose securities are publicly traded on a national exchange (except to the extent that the same would cause a Change of Control) or with an initial public offering of securities issued by Holdings or of subsidiary of Holdings (other than the Borrower and any Mezzanine Borrower (provided that, in the case of an issuance by a subsidiary, such issuance would not cause a Change of Control)).

(f) Assumptions of the Loan shall be permitted, provided that the following conditions are satisfied and/or occur to Lender's satisfaction:

(i) such sale has been approved or deemed approved under the Mortgage Loan Documents and Senior Mezzanine Loan Documents and all conditions set forth in the Mortgage Loan Documents and Senior Mezzanine Loan Documents relating thereto have been satisfied;

(ii) an assumption of this Agreement, the Note, the Pledge Agreement and the other Loan Documents as so modified by the proposed transferee, subject to the provisions of Section 9.3 hereof;

(iii) payment of all of reasonable out-of-pocket costs and expenses incurred in connection with such Transfer including, without limitation, the cost of any legal fees and expenses, Rating Agency fees and expenses or required legal opinions;

(iv) the payment of a non-refundable assumption fee equal to Lender's Share of One Million and No/100 Dollars (\$1,000,000) per transaction (effecting an assumption of the Loan) or series of related transactions (effected to implement an assumption of the Loan);

(v) the delivery of an Additional Insolvency Opinion reflecting the proposed transfer satisfactory in form and substance to Lender; and the delivery of an Additional True-Lease Opinion in form and substance satisfactory to Lender;

(vi) the proposed Transferee being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees;

(vii) the Operating Company being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees, having sufficient experience (or having a manager that has sufficient experience) in the management of properties similar to the Properties, and such Operating Company or its manager not having materially less than the same level of experience in the operation of properties similar to the Properties as the current Operating Company under the Operating Lease and, in each case, Lender shall be provided with reasonable evidence thereof (and Lender reserves the right to approve the Transferee(s) without approving the substitution of the Operating Company) and the operating tenant shall be either the Operating Company or, if permitted by applicable Legal Requirements, a manager acceptable to Lender under a management

agreement acceptable to Lender; provided that so long as the Operating Lease is in force and effect and the current Operating Company shall continue to be the tenant thereunder and owned and Controlled by the same Person(s) that currently own and Control the Operating Company, the condition with respect to the Operating Company set forth in this subclause (vi) shall be deemed to have been met in all respects;

(viii) the delivery of evidence reasonably satisfactory to Lender that the single purpose nature and bankruptcy remoteness of Borrower, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the then current standards of Lender and the Rating Agencies; and the Transferee(s)' continued compliance with the representations and covenants set forth in Section 4.1.30 and Section 5.2.9 hereof;

(ix) Borrower's delivery to Lender of evidence reasonably satisfactory to Lender of any required approval or consent of any Governmental Authority, including the Gaming Authorities, that has direct or indirect authority or oversight over Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Properties, Operating Company or the operations conducted at the Properties to the change in ownership and/or operator of the Properties (or any part thereof);

(x) prior to any release of the Guarantor, a substitute guarantor reasonably acceptable to Lender shall have assumed all of the obligations of the Guarantor under the Guaranty (FF&E), the Guaranty (Recourse Carveouts), the Operating Lease Guaranty, the Guaranty (Ground Lease Estoppel), any completion guaranty provided under Section 5.1.21 and the Environmental Indemnity or executed replacement guaranties and an environmental indemnity reasonably satisfactory to Lender;

(xi) receipt of evidence satisfactory to Lender that all of the entities which own interests in the transferee similar to the interests in Borrower owned by the Ninth Mezzanine Borrower (1) shall assume the Ninth Mezzanine Loan (if still outstanding) and all the agreements of Ninth Mezzanine Borrower under the Ninth Mezzanine Loan Documents (and without limiting the foregoing, all of the ownership interests in Borrower, all payments thereon and all proceeds thereof shall be pledged to Lender on terms no less favorable than the pledge of the Collateral under the applicable Pledge Agreement), (2) shall each be a bankruptcy-remote single purpose entity, and (3) shall otherwise have a legal, financial and ownership structure that is (a) substantially the same as the Ninth Mezzanine Borrower or (b) at least as favorable to the Ninth Mezzanine Lender, as determined by the Ninth Mezzanine Lender in its reasonable discretion, as the legal, financial and ownership structure of Ninth Mezzanine Borrower;

(xii) a written consent to the transfer from the lender under each Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender;

- (xiii) subsequent to such assumption of the Loan, the beneficial ownership of Borrower and Operating Company will be substantially identical; and
- (xiv) the delivery of a new Owner's Title Policy, in an amount equal to the value of the Properties, together with an endorsement to Lender in form and substance reasonably satisfactory to Lender.

Lender agrees to provide a written consent to a transfer pursuant to this Section 5.2.10(f) upon satisfaction of all of the conditions set forth in this Section 5.2.10(f) other than the condition set forth in clause (xiii) of this Section 5.2.10(f).

(g) Restrictions on Transfers set forth herein or in the Pledge shall not apply to (i) the pledge of the Collateral to Lender pursuant to the Pledge Agreement, (ii) the pledge by First Mezzanine Borrower of the ownership interests in Mortgage Borrower as security for the First Mezzanine Loan pursuant to the First Mezzanine Loan Agreement, (iii) the pledge by Second Mezzanine Borrower of the ownership interests in First Mezzanine Borrower as security for the Second Mezzanine Loan pursuant to the Second Mezzanine Loan Agreement, (iv) the pledge by Third Mezzanine Borrower of the ownership interests in Second Mezzanine Borrower as security for the Third Mezzanine Loan pursuant to the Third Mezzanine Loan Agreement, (v) the pledge by Fourth Mezzanine Borrower of the ownership interests in Third Mezzanine Borrower as security for the Fourth Mezzanine Loan pursuant to the Fourth Mezzanine Loan Agreement, (vi) the pledge by Fifth Mezzanine Borrower of the ownership interests in Fourth Mezzanine Borrower as security for the Fifth Mezzanine Loan pursuant to the Fifth Mezzanine Loan Agreement, (vii) the pledge by Sixth Mezzanine Borrower of the ownership interests in Fifth Mezzanine Borrower as security for the Sixth Mezzanine Loan pursuant to the Sixth Mezzanine Loan Agreement, (viii) the pledge by Seventh Mezzanine Borrower of the ownership interests in Sixth Mezzanine Borrower as security for the Seventh Mezzanine Loan pursuant to the Seventh Mezzanine Loan Agreement, (ix) the pledge by Ninth Mezzanine Borrower of the ownership interests in Borrower as security for the Ninth Mezzanine Loan pursuant to the Ninth Mezzanine Loan Agreement, (x) any pledge pursuant to a New Mezzanine Loan or (xi) the Transfer or pledge of any direct or indirect interest in Holdings, provided that no Change in Control shall occur.

(h) Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer without Lender's consent. This provision shall apply to every Transfer regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer.

**5.2.11 Operating Lease Subsidiary.** Borrower shall not cause or permit Mortgage Borrower to Transfer any of its interests in Ground Lease Subsidiary without the prior written consent of Lender; Borrower shall not permit Mortgage Borrower to cause or permit Ground Lease Subsidiary to own any assets other than its interests in the Ground Lease or to incur any liabilities other than liabilities under the Ground Lease; Borrower shall not permit Mortgage Borrower to cause or permit Ground Lease Subsidiary to engage in any business other than that related to its ownership of interests in the Ground Lease.

**5.2.12 Limitations on Distributions.** Following the occurrence and during the continuance of an Event of Default, Borrower shall not make any distributions to its members. If any Distributions shall be received by Borrower or any Affiliate of Borrower after the occurrence and during the continuance of an Event of Default, Borrower shall hold, or shall cause the same to be held, in trust for the benefit of Lender.

**5.2.13 Other Limitations.** Prior to the payment in full of the Debt, neither Borrower nor any of its Affiliates shall, without the prior written consent of Lender (which may be furnished or withheld at its sole and absolute discretion), give its consent or approval to any of the following actions or items: the distribution by Mortgage Borrower or Senior Mezzanine Borrower of property other than cash.

**5.2.14 Refinancing.** Borrower shall not consent to or permit a refinancing of the Mortgage Loan or Senior Mezzanine Loan unless it obtains the prior consent of Lender, unless the Loan shall be paid in full in connection with such refinancing in accordance with this Agreement. Borrower shall not consent to or permit a prepayment in full or in part of the Mortgage Loan or Senior Mezzanine Loan unless it obtains the prior consent of Lender, unless the Loan shall likewise be prepaid (in the same proportion, in the case of any partial prepayment) in accordance with this Agreement.

**Section 5.3. General.** For avoidance of doubt, all requirements contained in this Article V with respect to the Operating Company shall mean that it shall be a Default or Event of Default hereunder if Operating Company fails to perform in the specified manner, but Lender acknowledges that Operating Company is not a party to this Agreement and that Borrower does not control Operating Company.

## **VI. INSURANCE; CASUALTY; CONDEMNATION**

**Section 6.1. Insurance.** (a) Borrower shall cause Mortgage Borrower to maintain at all times during the term of the Loan the Policies required under Section 6.1 of the Mortgage Loan Agreement, including, without limitation, meeting all insurer requirements thereunder. In addition, Borrower shall cause Lender to be named “as their interest may appear”, under the Policies required under Sections 6.1(a)(i), (ii), (iii), (iv), (v), (vi), (vii), (viii), (ix), (x) and (xi) of the Mortgage Loan Agreement and as an “additional insured” with respect to liability coverages. Borrower shall also cause all insurance policies required under this Section 6.1 to provide for at least thirty (30) days’ prior notice to Lender in the event of policy cancellation or material changes. Borrower shall provide Lender with evidence of all such insurance required hereunder on or before the date on which Mortgage Borrower is required to provide such evidence to Mortgage Lender. For purposes of this Agreement, Lender shall have the same approval rights over the insurance referred to above and in the Mortgage Loan Agreement (including, without limitation, the insurers, deductibles and coverages thereunder, as well as the right to require other reasonable insurance pursuant to Section 6.1 of the Mortgage Loan Agreement) as are provided in favor of the Mortgage Lender in the Mortgage Loan Agreement.

(b) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in any of the

Properties or the Collateral, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate (but limited to the coverages and amounts required under the Mortgage Loan Agreement) and all premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and shall bear interest at the Default Rate.

**Section 6.2. Casualty.** If the Individual Property shall be materially damaged or destroyed, in whole or in part, by fire or other casualty (a “Casualty”), Borrower shall give prompt notice of such damage to Lender and shall cause Mortgage Borrower to promptly commence and diligently prosecute the completion of the Restoration of the Individual Property as nearly as possible to the condition the Individual Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Lender and otherwise in accordance with Section 6.4 of the Mortgage Loan Agreement. Borrower shall cause Mortgage Borrower to pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower or Mortgage Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than, in the case of each Casualty, an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for the affected Individual Property and the “Allocated Loan Amounts” under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for the affected Individual Property, and Borrower shall deliver to Lender all instruments required by Lender to permit such participation.

**Section 6.3. Condemnation.** Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of any Individual Property and shall cause Mortgage Borrower to deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If any Individual Property or any portion thereof is taken by a condemning authority, Borrower shall cause Mortgage Borrower to promptly commence and diligently prosecute the Restoration of the applicable Individual Property and otherwise comply with the provisions of Section 6.4 of the Mortgage Loan Agreement. If any Individual Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

**Section 6.4. Restoration.** Borrower shall, or shall cause Mortgage Borrower to, deliver to Lender all reports, plans, specifications, documents and other materials that are delivered to Mortgage Lender under Section 6.4 of the Mortgage Loan Agreement in connection with the Restoration of any Individual Property after a Casualty or Condemnation.

## VII. RESERVE FUNDS

### Section 7.1. Intentionally Omitted.

**Section 7.2. Tax and Insurance Escrow Fund.** (a) If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, on each Payment Date during such period, Borrower shall pay to Lender (or Servicer, as directed by Lender) an amount equal to (i) one-twelfth of the Taxes that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes at least thirty (30) days prior to their respective due dates, and (ii) one-twelfth of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (i) and (ii) above hereinafter called the “**Tax and Insurance Escrow Fund**”). Lender shall apply the Tax and Insurance Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.1.2 hereof and under the Mortgage Loan Agreement. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 5.1.2 hereof, provided no Event of Default shall have occurred and be continuing, then Lender shall return any excess to Borrower (or to Operating Company, if so directed by Borrower). In allocating such excess, Lender may deal with the Person shown on the records of Lender to be the owner of the Properties. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes and Insurance Premiums by the dates set forth in (i) and (ii) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

(b) Notwithstanding the foregoing, Borrower shall not be required to make any deposits into the Tax and Insurance Escrow Fund on account of Insurance Premiums if (and for so long as) Borrower shall maintain a blanket insurance policy in respect of the Properties that is in accordance with the provisions of Section 6.1(a) and otherwise satisfactory to Lender in all material respects.

(c) Any amount remaining in the Tax and Insurance Escrow Fund following the occurrence of a Trigger Event Cure shall be returned to Borrower (or Operating Company, as directed by Borrower).

**7.2.1 Waiver of Tax Escrow.** Borrower shall be relieved of its obligation to make deposits of Tax and Insurance Escrow Fund under Section 7.2 above, provided that (a) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a tax escrow account under the Mortgage Loan or Senior Mezzanine Loan, and (b) Lender receives evidence acceptable to it of the making of such deposits and of the payment of all such Taxes.

**7.2.2 Tax and Insurance Escrow Funds After Debt Paid.** Any Tax and Insurance Escrow Funds remaining after the Debt has been paid in full shall be remitted (i) if the Ninth Mezzanine Loan is outstanding, then to the Ninth Mezzanine Lender or (ii) if the Ninth Mezzanine Loan is no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

**Section 7.3. FF&E Reserve Account.**

**7.3.1 FF&E Reserve Fund.** (a) Unless Borrower shall have delivered to Lender a Guaranty (FF&E), Borrower shall pay to Lender (or Servicer, as directed by Lender) on each Payment Date an amount equal to (i) one-twelfth of three percent (3%) of the amount of all Revenues for the full calendar year prior to the first (1st) day of the month in which such Payment Date occurs, less (ii) any amount spent during the previous calendar month by Borrower or Operating Company on behalf of Borrower in accordance with the Operating Lease on account of FF&E (other than from the FF&E Reserve Fund, it being understood that amounts expended on account of FF&E from the FF&E Reserve Fund shall not be included in any deductions required pursuant to the preceding subclause (i) and that any FF&E that is purchased through disbursements from the FF&E Reserve Fund may not be subsequently financed by Borrower or Operating Company). Notwithstanding anything to the contrary contained herein, in no event shall Borrower be required to maintain in the FF&E Reserve Account an amount in excess of the aggregate amount of all FF&E deposits required to be made in the preceding calendar year (as determined, for purposes of this sentence, utilizing the monthly formula set forth in the preceding sentence). In addition, notwithstanding anything to the contrary contained herein, for purposes of determining the amount of any required FF&E Reserve Fund deposits (and for purposes of calculating such amount, monthly, based on the formula set forth in the first sentence of this Section 7.3.1), Revenues shall include Revenue from the Hotel Component and the Casino Component but shall not include non-Hotel or Casino related Revenues (e.g., Rents from retail tenants).

(b) Amounts deposited by Borrower as described in this Section 7.3.1 shall hereinafter be referred to as the "FF&E Reserve Fund" and the account in which such amounts are held shall hereinafter be referred to as the "FF&E Reserve Account".

**7.3.2 Disbursements from FF&E Reserve Account.** (a) All disbursements from the FF&E Reserve Account shall be made solely for the purpose of reimbursing Borrower (or Operating Company for FF&E bought on behalf and in the name of Borrower in accordance with the Operating Lease, as directed by Borrower) for its costs and expenses incurred, or for paying costs to be incurred, in connection with the repair, replacement and/or upgrade of FF&E at the Properties. Provided no Event of Default shall have occurred and be continuing, Lender shall, within ten (10) days following request by Borrower, make

disbursements from the FF&E Reserve Fund no more frequently than once in any thirty (30) day period, in amounts no less than \$10,000 per disbursement (or a lesser amount if the total amount in the FF&E Reserve Account is less than \$10,000, in which case only one disbursement of the amount remaining in the account shall be made), and upon delivery by Borrower (or Operating Company) of Lender's standard form of draw request accompanied by copies of invoices for the amounts requested and, if required by Lender for requests in excess of \$50,000 for a single item, receipts and releases from all parties furnishing materials and/or services in connection with the requested payment.

(b) Disbursements may be made from the FF&E Reserve Account, at Borrower's election, directly to third parties (as directed by Borrower).

(c) In no event shall funds in the FF&E Reserve Account be utilized to pay (or reimburse any Person) for any Capital Expenditures or non-recurring work being performed at the Properties.

**7.3.3 Balance in the FF&E Reserve Account.** (a) The insufficiency of any balance in the FF&E Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

**7.3.4 Waiver of FF&E Reserve.** Borrower shall be relieved of its obligation to make deposits of FF&E Reserve Fund under Section 7.3 above, provided that either (a)(i) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a FF&E reserve account under the Mortgage Loan or Senior Mezzanine Loan, and (ii) Lender receives evidence acceptable to it of the making of such deposits or (b) an FF&E Guaranty is provided to Mortgage Lender.

**7.3.5 FF&E Reserve Funds After Debt Paid.** Any FF&E Reserve Funds remaining after the Debt has been paid in full shall be remitted (i) if the Ninth Mezzanine Loan is outstanding, then to the Ninth Mezzanine Lender or (ii) if the Ninth Mezzanine Loan is no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

#### **Section 7.4. Ground Rent Funds.**

**7.4.1 Deposits of Ground Rent Funds.** If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, Borrower shall deposit with Lender (or Servicer, as directed by Lender), at least ten (10) Business Days prior to each Payment Date during such period, an amount equal to the Ground Rent that will be payable under the Ground Lease for the month in which such Payment Date occurs. Amounts deposited by Borrower as described in this Section 7.4.1 shall hereinafter be referred to as the "**Ground Rent Reserve Fund**" and the account in which such amounts are held shall hereinafter be referred to as the "**Ground Rent Reserve Account**". Such deposit may be increased by Lender in the amount Lender deems is necessary in its reasonable discretion based on any increases in the Ground Rent.

**7.4.2 Release of Ground Rent Funds.** Provided no Event of Default has occurred and is continuing, Lender shall apply the Ground Rent Reserve Funds to payments of

Ground Rent. In making any payment relating to Ground Rent, Lender may do so according to any bill or statement given by the Ground Lessor without inquiry into the accuracy of such bill or statement or into the validity of any rent, additional rent or other charge thereof. If the amount of the Ground Rent Reserve Funds shall exceed the amounts due for Ground Rent, Lender shall return any excess to Borrower.

**7.4.3 Waiver of Ground Rent Reserve.** Borrower shall be relieved of its obligation to make deposits of Ground Rent Reserve Funds under Section 7.4 above, provided that (a) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a ground rent reserve account under the Mortgage Loan or Senior Mezzanine Loan, and (b) Lender receives evidence acceptable to it of the making of such deposits and of the payment of all Ground Rent.

**7.4.4 Ground Rent Reserve Funds After Debt Paid.** Any Ground Rent Reserve Funds remaining after the Debt has been paid in full shall be remitted (i) if the Ninth Mezzanine Loan is outstanding, then to the Ninth Mezzanine Lender or (ii) if the Ninth Mezzanine Loan is no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

**Section 7.5. Reserve Funds, Generally.** (a) Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt. Upon the occurrence and during the continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender.

(b) Borrower shall not, without obtaining the prior consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(c) The Reserve Funds shall be held by Lender (or Servicer) and may be invested at Borrower's election and direction in Permitted Investments routinely offered by the Servicer of the Securitization for investment by Borrower. All interest or other earnings on a Reserve Fund shall be added to and become a part of such Reserve Fund for the benefit of Borrower and shall be disbursed in the same manner as other monies deposited in such Reserve Fund. Borrower shall have the right to direct Lender (or Servicer) to invest sums on deposit in the Eligible Account in Permitted Investments provided (a) such investments are permitted by applicable federal, state and local rules, regulations and laws, (b) the maturity date of the Permitted Investment is not later than the date on which the applicable Reserve Funds are required for payment of an obligation for which such Reserve Fund was created, and (c) no Event of Default shall have occurred and be continuing. Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income

earned on the Reserve Funds. No other investments of the sums on deposit in the Reserve Funds shall be permitted except as set forth in this Section 7.5. Borrower shall bear all reasonable costs associated with the investment of the sums in the account in Permitted Investments. Such costs shall be deducted from the income or earnings on such investment, if any, and to the extent such income or earnings shall not be sufficient to pay such costs, such costs shall be paid by Borrower promptly on demand by Lender. Lender shall have no liability for the rate of return earned or losses incurred on the investment of the sums in Permitted Investments.

(d) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Reserve Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all Persons supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

**Section 7.6. Transfer of Reserve Funds Under Mortgage Loan and Senior Mezzanine Loan.** If Mortgage Lender or Senior Mezzanine Lender waives any reserves or escrow accounts required in accordance with the terms of the Mortgage Loan Agreement or Senior Mezzanine Loan Agreement which reserves or escrow accounts are also required in accordance with the terms of this Article VII, or if the Mortgage Loan or Senior Mezzanine Loan is refinanced or paid off in full (without a prepayment of the Loan) and Reserve Funds that are required hereunder are not required under the new mortgage loan, if any, then Borrower shall cause any amounts that would have been deposited into any reserves or escrow accounts in accordance with the terms of the Mortgage Loan Agreement or Senior Mezzanine Loan Agreement to be paid to and deposited with Lender in accordance with the terms of this Article VII (and Borrower shall enter into lockbox and cash management agreements for the benefit of Lender in form and substance acceptable to Lender).

## VIII. DEFAULTS

**Section 8.1. Event of Default.** (a) Each of the following events shall constitute an event of default hereunder (an “**Event of Default**”):

(viii) if Borrower attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;

(ix) if Borrower breaches any of its respective negative covenants contained in Section 5.2 or any covenant contained in Section 4.1.30 or Section 5.1.11 hereof (and, with respect to any such breach of any covenant set forth in Section 5.1.11 which is not the subject of any other subsection of this Section 8.1, Borrower fails to remedy such

condition within ten (10) days after notice to Borrower from Lender, in the case of any such Default under Section 5.1.11 which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other such Default under Section 5.1.11);

(x) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;

(xi) if any of the assumptions contained in the Insolvency Opinion delivered to Lender in connection with the Loan, or in the Additional Insolvency Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect; or if any of the assumptions contained in the True Lease Opinion delivered to Lender in connection with the Loan, or in the Additional True Lease Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect;

(xii) if Mortgage Borrower, Operating Company or Guarantor (Operating Lease) is in default of any of its material obligations under the Operating Lease (or under another lease and/or management agreement in substitution for the Operating Lease in accordance herewith) or under the Operating Lease Guaranty (or under another operating lease guaranty in substitution for the Operating Lease Guaranty in accordance herewith) beyond any applicable notice and cure periods contained therein; or if any Operating Lease (or such other lease and/or management agreement) or any Operating Lease Guaranty (or such other operating lease guaranty) shall be surrendered or any Operating Lease or any Operating Lease Guaranty shall be terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Operating Lease (or such other lease and/or management agreement) or the Operating Lease Guaranty (or such other operating lease guaranty) shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender except as may otherwise expressly permitted in this Agreement;

(xiii) if any Affiliate of Borrower that is or becomes a party to the Windstorm Insurance Intercreditor Agreement is in default of any of its material obligations under the Windstorm Insurance Intercreditor Agreement beyond any applicable notice and cure periods contained therein; or if the Windstorm Insurance Intercreditor Agreement shall be surrendered, terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Windstorm Insurance Intercreditor Agreement shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender;

(xiv) if Borrower, Senior Mezzanine Borrower or Mortgage Borrower fails to comply with the covenants as to Prescribed Laws set forth in Section 5.1.1 hereof;

(xv) if (A) subject to any notice and cure periods contained in the applicable Ground Lease, Mortgage Borrower or Ground Lease Subsidiary, as applicable, shall fail in the payment of any rent, additional rent or other charge mentioned in or made payable by such Ground Lease as and when such rent or other charge is payable (unless waived by the landlord under such Ground Lease), (B) subject to any notice and cure periods contained in the applicable Ground Lease, there shall occur any default by Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant under such Ground Lease, in the observance or performance of any term, covenant or condition of the Ground Lease on the part of Mortgage Borrower or Ground Lease Subsidiary, as applicable, to be observed or performed (unless waived by the landlord under the Ground Lease) (other than any such default being contested by Borrower in good faith by appropriate proceedings, provided that (i) no Event of Default has occurred and remains uncured, (ii) such proceeding shall be conducted in accordance with all applicable statutes, laws and ordinances, (iii) in Lender's reasonable determination, the Ground Lease is not in imminent danger of being forfeited, terminated, cancelled or lost and the Operating Company's use and operation of the ground leased premises in connection with the operation of Harrah's Lake Tahoe", "Harvey's Lake Tahoe" or "Bill's Lake Tahoe" is not in imminent danger of being denied, forfeited, terminated, cancelled or lost and (iv) Borrower shall furnish such security as may be reasonably requested by Lender), (C) any one or more of the events referred to in any Ground Lease shall occur which would cause the Ground Lease to terminate without notice or action by the landlord under the Ground Lease or which would entitle the landlord to terminate the Ground Lease and the term thereof by giving notice to Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant thereunder (unless waived by the landlord under the Ground Lease), (D) the leasehold estate created by any Ground Lease shall be surrendered or the Ground Lease shall be terminated or canceled for any reason or under any circumstances whatsoever unless Mortgage Borrower or Ground Lease Subsidiary, as applicable, acquires the fee interest and mortgages same to Lender (unless Mortgage Borrower or Ground Lease Subsidiary, as applicable, acquires the fee interest, with Lender's prior reasonable approval, and mortgages same to Mortgage Lender) or (E) if any of the terms, covenants or conditions of any Ground Lease shall in any manner be modified, changed, supplemented, altered, or amended without the consent of Lender except as otherwise permitted by this Agreement;

(xvi) any Gaming License shall be refused, suspended, revoked, modified in a materially adverse manner or canceled or allowed to lapse or any proceeding is commenced by any Governmental Authority for the purpose of suspending, revoking or canceling any Gaming License in any materially adverse respect, or any Governmental Authority shall have appointed a conservator, supervisor or trustee to or for any of the Casino Components and, in each case of the foregoing, such action could reasonably be expected to (A) have an Individual Material Adverse Effect, (B) materially and adversely effect the continued operation of the Casino Components in the usual course of business and in substantially the same manner and to at least the same standard as was maintained prior to such action, or (C) result in any material decrease in the then expected cash flow and revenues to be derived from the Casino Components;

(xvii) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xv) above, for ten (10) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed one hundred twenty (120) days;

(xviii) if there shall be a default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Collateral or any Individual Property, or if any other such event shall occur or condition shall exist, if the effect of such event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt;

(xix) if the Liens created pursuant to any Loan Document shall cease to be a fully protected enforceable first priority security interest in the Collateral, or any portion of the Collateral is Transferred without Lender's prior written consent except as permitted hereunder; or

(xx) if a Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default shall occur.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi) or (vii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and in and to all or any of the Collateral, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents and may exercise all the rights and remedies of a secured party under the Uniform Commercial Code, as adopted and enacted by the State or States where any of the Collateral is located against Borrower and any or all of the Collateral, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in clauses (vi) or (vii) above, the Debt and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

**Section 8.2. Remedies.** (a) Upon the occurrence of an Event of Default, but in compliance with applicable Gaming Laws, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or

in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any of the Collateral. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any “one action” or “election of remedies” law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Collateral and the Collateral has been foreclosed upon, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any portion of the Collateral for the satisfaction of any of the Debt in preference or priority to any other portion of the Collateral, and Lender may seek satisfaction out of all of the Collateral or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose upon the Collateral in any manner and for any amounts secured by the Pledge Agreement then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose upon the Collateral to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose upon the Collateral to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Collateral as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to the Pledge Agreement and the other Loan Documents to secure payment of sums secured by the Pledge Agreement and other Loan Documents and not previously recovered.

(c) Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, pledges and other security documents (the “**Severed Loan Documents**”) in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender’s intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or

expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents. The Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date. The Severed Loan Documents shall (a) not increase the aggregate stated principal amount of the Loan, (b) provide that the weighted average spread of the Loan on the date of such severance shall equal the weighted average spread which was applicable to the Loan immediately prior to such severance (Borrower acknowledging that such Severed Loan Document may, in connection with the application of principal to the amounts evidenced by such Severed Loan Documents, subsequently cause the weighted average spread of such new notes or modified notes to change), (c) not adversely affect the overall economics to Borrower of the Loan, taken as a whole, or (d) expose Borrower to any additional costs or increased risk of any liability (beyond that or greater than that existing in the Loan Documents in effect on the date hereof).

(d) The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

(e) Any amounts recovered from the Collateral after an Event of Default may be applied by Lender toward the payment of any interest and/or principal of the Loan and/or any other amounts due under the Loan Documents in such order, priority and proportions as Lender in its sole discretion shall determine.

(f) Upon the occurrence and during the continuance of an Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder or being deemed to have cured any Event of Default hereunder, make, do or perform any obligation of Borrower hereunder in such manner and to such extent as Lender may deem necessary. Borrower shall cause Mortgage Borrower to permit Lender to enter upon any Individual Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in any Individual Property for such purposes, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 8.2, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any action or proceeding shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens,

claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefore. Upon the occurrence and during the continuance of a Senior Mezzanine Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Senior Mezzanine Borrower and without releasing Senior Mezzanine Borrower from any obligation under the Senior Mezzanine Loan Documents or being deemed to have cured any Senior Mezzanine Loan Event of Default, make, do or perform any obligation of Senior Mezzanine Borrower under Senior Mezzanine Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Senior Mezzanine Loan Event of Default or such failed payment or act shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor. Upon the occurrence and during the continuance of a Mortgage Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Mortgage Borrower and without releasing Mortgage Borrower from any obligation under the Mortgage Loan Documents or being deemed to have cured any Mortgage Loan Event of Default, make, do or perform any obligation of Mortgage Borrower under Mortgage Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Mortgage Loan Event of Default or such failed payment or act shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor.

(g) For the purpose of carrying out the provisions and exercising the rights, powers and privileges granted in this Section 8.2, Borrower hereby irrevocably constitutes and appoints the Lender its true and lawful attorney-in-fact to execute, acknowledge and deliver any instruments and do and perform any acts such as are referred to in this subsection in the name and on behalf of Borrower upon the occurrence and during the continuance of an Event of Default. This power of attorney is a power coupled with an interest and cannot be revoked.

**Section 8.3. Intentionally Omitted.**

**Section 8.4. Costs of Collection.** In the event that after an Event of Default and during the continuance thereof: (a) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (b) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents or (c) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Pledge Agreement or any of the Loan Documents, then, in any such instance, Borrower shall pay to Lender all reasonable attorneys' fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

## IX. SPECIAL PROVISIONS

**Section 9.1. Sale of Notes and Securitization.** Borrower acknowledges and agrees that the Lender may sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the “**Securities**”) secured by or evidencing ownership interests in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such sales, participations and/or securitizations, collectively, a “**Securitization**”). At the request of Lender, and to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization including, without limitation, to:

(a) provide or cause Mortgage Borrower and Senior Mezzanine Borrower to provide additional and/or updated Provided Information, together with appropriate verification and/or consents related to the Provided Information through letters of auditors or opinions of counsel of independent attorneys reasonably acceptable to Lender and the Rating Agencies;

(b) cooperate in good faith in the preparation of descriptive materials for presentations to any or all of the Rating Agencies, and work with, and if requested, supervise, third-party service providers engaged by Borrower, Holdings and their respective affiliates to obtain, collect, and deliver information requested or required by Lender or the Rating Agencies;

(c) deliver, if required or requested by any Rating Agency, (i) updated opinions of counsel as to non-consolidation, due execution and enforceability with respect to the Properties, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Collateral, the Senior Mezzanine Collateral, Principal, Holdings and their respective Affiliates and the Loan Documents, and (ii) revised organizational documents for Borrower, which counsel opinions and organizational documents shall be reasonably satisfactory to Lender and the Rating Agencies;

(d) if required by any Rating Agency, use commercially reasonable efforts to deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect any of the Properties, which estoppel letters, subordination agreements or other agreements shall be reasonably satisfactory to Lender and the Rating Agencies;

(e) execute such amendments to the Loan Documents as may be requested by Lender or the Rating Agencies to effect the Securitization and/or deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan such that the pricing and marketability of the Securities and the size of each class of Securities and the rating assigned to each such class by the Rating Agencies shall provide the most favorable rating levels and achieve the optimum rating levels for the Loan, provided that, (i) the aggregate stated principal amount of the notes, following such amendments or deliver of new or component notes, shall equal the aggregate stated principal amount of the Loan immediately prior thereto, (ii) the weighted average spread of the Loan on the date of such

amendment or delivery of new or component notes shall equal the weighted average spread which was applicable to the Loan immediately prior to such adjustment (Borrower acknowledging that such new notes or modified notes may, in connection with the application of principal to such new notes or modified note following the occurrence of an Event of Default, but not otherwise, subsequently cause the weighted average spread of such new notes or modified notes to change and (iii) the provisions of Section 2.1.5 otherwise shall apply to any such amendments and delivery of new or component notes (such provisions being incorporated herein by this reference);

(f) if requested by Lender, review any information regarding any of the Properties, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, the Collateral, the Senior Mezzanine Collateral, Holdings, the Operating Company and the Loan which is contained in a preliminary or final private placement memorandum, prospectus, prospectus supplement (including any amendment or supplement to either thereof), or other disclosure document to be used by Lender or any affiliate thereof; and

(g) supply to Lender such documentation, financial statements and reports in form and substance required in order to comply with any applicable securities laws (to the extent in Borrower's possession, or in the possession of Borrower's advisors, agents or employees), including, without limitation, if applicable, information necessary to comply with any applicable reporting or information requirements under Regulation D under the Securities Act of 1933 or Regulation S under the Securities Act of 1933.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters; except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

**Section 9.2. Securitization Indemnification.** (a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects to the extent in Borrower's possession.

(b) Borrower agrees to provide, in connection with the Securitization, an indemnification agreement (i) certifying that (A) Borrower has carefully examined the Disclosure Documents, including, without limitation, the sections entitled "Risk Factors," "Special Considerations," "Description of the Collateral," "Description of the Mezzanine Loans," "The Operating Company," "The Borrower" and "Certain Legal Aspects of the Mezzanine Loans," and (B) such sections and such other information in the Disclosure

Documents (to the extent such information relates to or includes any Provided Information or any information regarding the Properties, Borrower, Mortgage Borrower, the Collateral, the Senior Mezzanine Collateral and/or Operating Company) (collectively with the Provided Information, the “**Covered Disclosure Information**”) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (ii) indemnifying Lender, each Noteholder, JPM (whether or not it is the Lender), any Affiliate of JPM or a Noteholder that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of JPM or a Noteholder that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Indemnified Persons**”), for any losses, claims, damages, liabilities, costs or expenses (including, without limitation, legal fees and expenses for enforcement of these obligations (collectively, the “**Liabilities**”)) to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (iii) agreeing to reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Person, as they are incurred, in connection with investigating or defending the Liabilities provided, however, that Borrower shall have liability with respect to Liabilities arising out of or based upon the Covered Disclosure Information only to the extent that such Liabilities arise out of or are based upon any such untrue statement or omission made in the Covered Disclosure Information in reliance upon and in conformity with information furnished to Lender or such Noteholder by or on behalf of Borrower in connection with the preparation of the Disclosure Documents or in connection with the underwriting or the closing of the Loan (including without limitation financial statements of Borrower and operating statements and rent rolls with respect to the Properties), and in no event shall Borrower be liable for Liabilities arising from information contained in a Disclosure Document that was not provided to Borrower for comment at least five (5) Business Days prior to its dissemination or on which Borrower provided comments to Lender in writing and Lender failed to incorporate such comments (assuming such comments were accurate). This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification provided for in clauses (ii) and (iii) above shall be effective whether or not an indemnification agreement described in clause (i) above is provided.

(c) In connection with filings under the Exchange Act (if any), Borrower agrees to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not

misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against Borrower, notify Borrower in writing of the claim or the commencement of that action; provided, however, that the failure to notify Borrower shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided, further, that the failure to notify Borrower shall not relieve it from any liability which it may have to an Indemnified Person otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify Borrower thereof, Borrower shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Borrower to an Indemnified Person of its election to assume the defense of such claim or action, Borrower shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both Borrower, on the one hand, and one or more Indemnified Persons on the other hand, and an Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to Borrower, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed billing records to substantiate that such counsel's fees and disbursements are solely related to the defense of a claim for which Borrower is required hereunder to indemnify such Indemnified Person. Borrower shall not be liable for the expenses of more than one (1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior consent of the Indemnified Person in question (which consent shall not be unreasonably withheld), Borrower shall not settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless Borrower shall have given such Indemnified Person reasonable prior notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as Borrower has complied with its obligations to defend and indemnify hereunder, Borrower shall not be liable for any settlement made by any Indemnified Person without the consent of Borrower (which consent shall not be unreasonably withheld).

(f) Borrower agrees that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then Borrower, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to Borrower, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (x) but also the relative faults of Borrower, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) Borrower agrees that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees (by underwriting discount or otherwise) actually received by the Indemnified Persons in connection with the closing of the Loan or the Securitization.

(g) Borrower agrees that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. Borrower further agrees that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and Borrower under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

**Section 9.3. Exculpation.** (a) Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Pledge Agreement or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender and each Noteholder to enforce and realize upon its interest under the Note, this Agreement, the Pledge Agreement and the other Loan Documents, or in the Collateral, or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Collateral and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Pledge Agreement and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding under, or by reason of, or in connection with, the Note, this Agreement, the Pledge Agreement or the other Loan Documents. The provisions of this Section shall not, however,

(a) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (b) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Pledge Agreement; (c) affect the validity or enforceability of or any Guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (d) impair the right of Lender to obtain the appointment of a receiver; (e) intentionally omitted; (f) constitute a prohibition against Lender to seek a deficiency judgment against Borrower in order to fully realize the security granted by the Pledge Agreement or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against all of the Collateral; or (g) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any actual loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably incurred) arising out of or in connection with the following:

(i) fraud or intentional misrepresentation by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor in connection with the execution and delivery of the Loan Documents and/or the Loan;

(ii) the misappropriation, conversion or misapplication in contravention of the Loan Documents by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor of any funds of Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company, including, without limitation, (A) any Revenues, (B) any Net Liquidation Proceeds or Insurance Proceeds, (C) any Awards received in connection with a Condemnation, (D) any Rents or security deposits (or any item of Revenue, from whatever source) following an Event of Default, or (E) any distribution or other payments made in connection with any part of the Collateral or Senior Mezzanine Collateral;

(iii) the misappropriation, conversion or misapplication by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor of any security deposits or Rents paid more than one (1) month in advance;

(iv) any act of actual intentional physical waste by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor;

(v) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity Agreement concerning environmental laws, hazardous substances and asbestos and any indemnification of Lender with respect thereto in either document;

(vi) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary intentional Transfer as required by this Agreement, the Mortgage Loan Agreement or the Mortgages, as applicable;

(vii) any security deposits, advance deposits or any other deposits collected with respect to any of the Properties which are not delivered to Mortgage Lender upon a

foreclosure of any of the Properties or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof;

(viii) in the event of: (A) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor filing a voluntary petition under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (B) the filing of an involuntary petition against Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law by any Person in which Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor or any of their respective Affiliates, agents or employees colludes with or such other Person, or Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor soliciting or causing to be solicited petitioning creditors for any involuntary petition against Borrower, Operating Company or any Guarantor from any Person; (C) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it by any other Person, other than Lender, under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (D) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor or any of the Properties, the Collateral, the Senior Mezzanine Collateral or any portion thereof, other than at the request of Lender; or (E) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor making an assignment for the benefit of creditors (other than Lender), or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due;

(ix) if Borrower, Senior Mezzanine Borrower or Mortgage Borrower fails to maintain its status as a Special Purpose Entity or breaches any material representation or warranty set forth in Section 4.1.30 of this Agreement; and

(x) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary Indebtedness (other than (x) with respect to Mortgage Borrower, Permitted Indebtedness and (y) with respect to Operating Company, Permitted Indebtedness (Operating Company), as applicable) or voluntary Lien (other than Permitted Encumbrances) encumbering any of the Properties, Senior Mezzanine Collateral or Collateral as required by this Agreement, the Senior Mezzanine Loan Agreement, the Mortgage Loan Agreement, the Pledge Agreement or the Mortgages.

Notwithstanding anything to the contrary under this Agreement, neither any present or future Affiliate of Borrower (other than Guarantor, to the extent provided under the Guaranty) nor any present or future shareholder, officer, director, employee, trustee, beneficiary, advisor, partner, member, principal, participant or agent of or in any Borrower or of or in any person or entity that

is or becomes an Affiliate of any Borrower shall have any personal liability, directly or indirectly, under or in connection with the Loan Documents. Neither the negative capital account of any Affiliate of Borrower in Borrower, or in any other Affiliate of Borrower in any other Affiliate of Borrower, nor any obligation of any Affiliate of Borrower in any Borrower to restore a negative capital account or to contribute or loan capital to any Borrower or to any other Affiliate of Borrower shall at any time be deemed to be the property or an asset of any Borrower (or any other Affiliate of Borrower) and neither Lender nor its successors or assigns shall have any right to collect, enforce or proceed against any such negative capital account or obligation to restore, contribute or loan capital.

(b) Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Indebtedness or to require that all collateral shall continue to secure all of the Indebtedness owing to Lender in accordance with the Loan Documents.

**Section 9.4. Servicer.** (a) At the option of Lender, the Loan may be serviced by a servicer/trustee (the “**Servicer**”) selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to a servicing agreement (the “**Servicing Agreement**”) between Lender and Servicer. Lender shall be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement (arising in connection with the Securitization) and the payment of the monthly servicing fee due to Servicer under the Servicing Agreement, and, unless otherwise specifically set forth herein, Borrower shall be responsible for the payment of all fees and other reasonable out-of-pocket expenses incurred by Servicer resulting from any Borrower requests (for approvals or otherwise) to Servicer.

(b) In the event of a Securitization or syndication, the grant of participations in the Loan or any secondary marketing by Lender, Mortgage Borrower and the Mezzanine Borrowers, collectively may rely upon approvals or consents given by one (1) agent or representative in respect of the Mortgage Lender and the Mezzanine Lenders for the matter in question (which such parties shall designate, and pending further notice from Lender, such agent shall be JPM). Borrower shall only pay legal fees for the outside counsel of one Servicer.

**Section 9.5. Assignments and Participations.** (a) In addition to the rights Lender has under Section 9.1, Lender shall have the right, subject to this Section 9.5, to assign, sell, negotiate, pledge or hypothecate all or any portion of their rights and obligations hereunder (a “**Syndication**”). Except in connection with a Securitization, no Lender shall assign, sell, negotiate, pledge, hypothecate or otherwise transfer all or any portion of its rights in and to the Loan to any other Person (an “**Assignee**”) (a) other than in compliance with Section 9.9 hereof; and (b) unless such transaction shall be an assignment of a constant (and not varying), ratable percentage of such Lender’s interest in the Loan; provided, however, any Lender shall have the right at any time without the consent of or notice to any other Lender or other Person to grant a security interest in all or any portion of such Lender’s interest in the Loan to any Federal Reserve Bank or the central reserve bank or similar authority of any other country to secure any obligation of such Lender to such bank or similar authority (a “**Central Bank Pledge**”).

Effective on any such assignment and assumption by the assignee and on compliance with Section 9.9 hereof, the assigning Lender shall have no further liability hereunder with respect to the interest of such Lender that was the subject of such transfer and such Assignee shall be a Lender with respect to such interest, and Borrower shall have the same rights as to such Assignee with respect to such interest from and after the date of such assignment as if such Lender were an original Lender hereunder. Except for a Central Bank Pledge or financing transaction under a repurchase agreement, a Lender making any such assignment shall notify Borrower of same, specifying the Assignee thereof and the amount of the assignment and shall provide such other detail as Borrower may reasonably request to substantiate compliance with the foregoing.

**Section 9.6. Participation.** Lender may, without the consent of the Borrower, in compliance with applicable law, sell participations to one or more banks or other entities (a "**Participant**"), in all or a portion of Lender's rights and obligations under this Agreement (including all or a portion of the Loan owing to it); provided that (A) Lender's obligations under this Agreement shall remain unchanged, (B) Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower shall continue to deal solely and directly with Lender in connection with Lender's rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.2.3 and 2.2.4 (subject to requirements and limitations therein) to the same extent as if it were a Noteholder and had acquired its interest by assignment pursuant to Section 9.5. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary.

**Section 9.7. Borrower's Facilitation of Transfer.** In order to facilitate permitted assignments and other transfers to Assignees and sales to Participants, Borrower shall execute and deliver to Lender and shall cause Guarantor to execute and deliver to Lender such further documents, instruments or agreements as Lender may reasonably require, including, if required by Lender, supplemental notes in the principal amount of such Lender's *pro rata* share of the Loan substantially in the form of such Lender's Note against surrender of the prior notes, and such supplemental note shall (i) be payable to order of such Lender, (ii) be dated as of the date hereof, and (iii) mature on the Maturity Date. Such supplemental note shall provide that it evidences a portion of the existing indebtedness hereunder and under the Notes and not any new or additional indebtedness of Borrower. The term "Note" as used in this Agreement and in all the other Loan Documents shall include all such supplemental notes but exclude any Note it replaces. Notwithstanding the foregoing, such documents, instruments or agreements shall not (a) increase the obligations or liabilities of any such Person hereunder or under the other Loan Documents in excess of the obligations or liabilities intended to be provided herein or in the other Loan Documents or (b) decrease such Person's rights hereunder or under the other Loan Documents to less than what they were prior to the execution of such documents, instruments or agreements. In addition, Borrower agrees to reasonably cooperate with Lender, including providing such information and documentation regarding Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Holdings, the Operating Company and any other Person as

Lender or any potential Assignee or Participant may reasonably request and to meet with potential Assignees and Participants upon reasonable notice. Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Section 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

**Section 9.8. Notice; Registration Requirement.** No Syndication of any part of Lender's interest in and to the Loan shall be effective or permitted under Section 9.5 until (a) an assignment and acceptance agreement in a form reasonably acceptable to Lender (an "**Assignment and Acceptance**") with respect to such Syndication shall have been delivered to Lender, (b) Lender shall have registered such Assignee's name and address in the Register which Lender maintains for the recordation of the names, addresses and interests of Noteholders, and (c) if such Assignee is not already a Lender hereunder, such Assignee shall deliver any tax forms required hereunder. The entries in the Register shall be conclusive, absent manifest error. This Section 9.8 shall not apply to any Central Bank Pledge.

**Section 9.9. Registry.** Borrower hereby designates Lender to serve as Borrower's agent, solely for purposes of this Section 9.9, to maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of each Assignee, and the principal amount of the Loan (or portions thereof) owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Failure to make any such recordation, or any error in such recordation shall not affect Borrower's obligations in respect of the Loan. With respect to any Lender, the transfer of the rights to the principal of, and interest on, its interest in the Loan shall not be effective until such transfer is recorded on the Register maintained by Lender with respect to ownership of such Loan and prior to such recordation all amounts owing to the transferor with respect to such Note shall remain owing to the transferor. The registration of a transfer of all or part of the Loan shall be recorded by Lender on the Register only upon the acceptance by Lender of a properly executed and delivered Assignment and Acceptance by the assignor and assignee. At the assigning Lender's option, concurrently with the delivery of an Assignment and Acceptance pursuant to which an interest of such Lender in the Loan was assigned to such Assignee, the assigning Lender shall surrender to Borrower its Note, if any, evidencing the portion of the Loan corresponding to the interest so transferred and Borrower shall deliver to Lender one or more new promissory notes in the same aggregate principal amount issued to the assigning Lender and/or the Assignee.

**Section 9.10. Cooperation in Syndication.** Borrower agrees to assist the Lender in completing a Syndication satisfactory to the Lender. Such assistance shall include (i) direct contact between senior management and advisors of Borrower and the proposed Assignees and/or Participants, (ii) assistance in the preparation of a confidential information memorandum and other marketing materials to be used in connection with the Syndication, (iii) the hosting, with the Lender, of one or more meetings of prospective Assignees and/or Participants, (iv) the delivery of appraisals satisfactory to the Lender if required. To assist the Lender in its Syndication efforts, Borrower agrees promptly to prepare and provide to the Lender all information with respect to Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Holdings, the Operating Company, Guarantor, the Collateral, the Senior Mezzanine Collateral and the Properties contemplated hereby, including all financial information and projections (the

“**Projections**”), as the Lender may reasonably request in connection with the Syndication of the Loan. If required in connection with the Syndication, Borrower hereby agrees to:

(a) deliver updated financial and operating statements and other information reasonably required by the Lender to facilitate the Syndication;

(b) use reasonable efforts to deliver reliance letters reasonably satisfactory to the Lender with respect to the environmental assessments and reports delivered to the Lender prior to the Closing Date, which will run to the Lender and its successors and assigns;

(c) execute modifications to the Loan Documents required by the Lender, provided that such modification will not (except as set forth in (d)) change any material or economic terms of the Loan Documents, or otherwise increase the obligations or decrease the rights of Borrower pursuant to the Loan Documents (except to a de minimis extent); and

(d) if the Lender elects, in its sole discretion, prior to or upon a Syndication, to exercise its rights under Section 2.1.5, Borrower agrees to cooperate with the Lender in connection with the foregoing and to execute the required modifications and amendments to the Notes, this Agreement and the Loan Documents and to use reasonable efforts to provide opinions necessary to effectuate the same. Such Notes or components may be assigned different interest rates, so long as the weighted average of such interest rates does not exceed the Applicable Interest Rate, except in connection with the application of principal to such Notes or components following the occurrence of an Event of Default.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

## **X. MISCELLANEOUS**

**Section 10.1. Survival.** This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Debt is outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. **Section 10.5. Delay Not a Waiver.** Except as expressly set forth herein, neither any failure nor any delay on the part of Lender in insisting upon strict performance of any term, condition, covenant or agreement, or exercising any right, power, remedy or privilege hereunder, or under the Note or under any other Loan Document, or any other instrument given as security therefor, shall operate as or constitute a waiver thereof, nor shall a single or partial exercise thereof preclude any other future exercise, or the exercise of any other right, power, remedy or privilege. In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement, the Note or any other Loan Document, Lender shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement, the Note or the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount.

**Section 10.6. Notices.** All notices, consents, approvals and requests required or permitted hereunder or under any other Loan Document shall be given in writing and shall be effective for all purposes if hand delivered or sent by (a) certified or registered United States mail, postage prepaid, return receipt requested or (b) expedited prepaid delivery service, either commercial or United States Postal Service, with proof of attempted delivery, and by telecopier (with answer back acknowledged), addressed as follows (or at such other address and Person as shall be designated from time to time by any party hereto, as the case may be, in a notice to the other parties hereto in the manner provided for in this [Section 10.6](#)):

Notwithstanding the foregoing, any notice by Lender to one or more Borrowers other than Borrower Agent shall be deemed to constitute effective notice to all of the Borrowers.

**Section 10.7. Trial by Jury. BORROWER AND LENDER HEREBY AGREE NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVE ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THE LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY BORROWER AND LENDER, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. BORROWER AND LENDER ARE HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER.**

**Section 10.8. Headings.** The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

**Section 10.9. Severability.** Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

**Section 10.10. Preferences.** Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder (except that, unless there exists an Event of Default, payments of principal shall be applied to components of the Note on a pro-rata basis). To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

**Section 10.11. Waiver of Notice.** Borrower hereby expressly waives, and shall not be entitled to, any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice.

**Section 10.12. Remedies of Borrower.** In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment (except in cases of bad faith, gross negligence or willful misconduct). The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

**Section 10.13. Expenses; Indemnity.** (a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender and each Noteholder upon receipt of notice from such Person for all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements) incurred by such Person in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including, without limitation, any opinions requested by such Person as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Properties); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental, gaming and insurance requirements if necessary or advisable due to reasonably suspected non-compliance; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Borrower; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement, if Borrower defaults in its obligations hereunder; (v) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender or any Noteholder all required legal opinions, and other similar expenses incurred in creating and perfecting the Liens in favor of Lender (or, as applicable, any Noteholder) pursuant to this Agreement and the other Loan Documents; (vi) enforcing or preserving any rights, either in response to third party claims or in prosecuting or defending any action or proceeding or other litigation, in each case against, under or affecting Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, this Agreement, the other Loan Documents, the Properties, the Collateral or any other security given for the Loan; and (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Properties, Operating Company or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; provided, however, that

Borrower shall not be liable for the payment of any such costs and expenses to any Person to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of such Person. Any cost and expenses due and payable to Lender or any Noteholder may be paid from any amounts in the Mezzanine Collection Account upon the occurrence and during the continuance of an Event of Default.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other actual liabilities, obligations, losses, damages (excluding, however, any punitive and consequential damages), penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, (ii) the use or intended use of the proceeds of the Loan, (iii) the Leases or any of the duties, responsibilities or obligations of Borrower or any Operating Company thereunder, (iv) the transactions contemplated in the Collection Account Agreements or (v) any third-party claims alleging that the Loan, the Senior Mezzanine Loan or the Mortgage Loan, the Operating Lease, the Operating Lease Guaranty or any of the Loan Documents violates any agreements or Legal Requirements binding on the Borrower or its Affiliates or their respective properties (collectively, the “**Indemnified Liabilities**”); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any request by Borrower that required Rating Agency Confirmation pursuant to the terms hereof.

**Section 10.14. Schedules Incorporated.** The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

**Section 10.15. Offsets, Counterclaims and Defenses.** Any assignee of Lender’s interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

**Section 10.16. No Joint Venture or Partnership; No Third Party Beneficiaries.** (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Properties other than that of mortgagee, beneficiary or lender.

(b) Except as expressly provided herein, this Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. Lender and Borrower acknowledge and agree that the Noteholders are intended third party beneficiaries of all rights and remedies of the Lender hereunder. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

**Section 10.17. Intentionally Omitted.**

**Section 10.18. Waiver of Marshalling of Assets.** To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Collateral, any equitable right otherwise available to Borrower which would require the separate sale of the Collateral with respect to each Mortgage Borrower or require Lender to exhaust its remedies against any Collateral with respect to each Mortgage Borrower or any combination of such Collateral before proceeding against any other Collateral with respect to one or more Mortgage Borrowers; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorize, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Collateral.

**Section 10.19. Waiver of Counterclaim.** Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

**Section 10.20. Conflict; Construction of Documents; Reliance.** In the event of any conflict between the provisions of this Loan Agreement and any of the other Loan Documents, the provisions of this Loan Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

**Section 10.21. Brokers and Financial Advisors.** Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement (other than those the fees and other claims of which shall be paid by Borrower). Borrower hereby agrees to indemnify, defend and hold Lender and each Noteholder harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated herein. Each of Lender and (by its acceptance of its respective Note) the Noteholders hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

**Section 10.22. Prior Agreements.** This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, including, without limitation, the Commitment Letter dated December 19, 2006 between Affiliates of Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

**Section 10.23. Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which counterparts together shall constitute one agreement with the same effect as if the parties had signed the same signature page.

**Section 10.24. Intentionally Omitted.**

**Section 10.25. Gaming Laws.** All rights, remedies and powers in or under this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws.

**Section 10.26. Certain Additional Rights of Lender (VCOC).** Notwithstanding anything to the contrary contained in this Agreement, Lender shall have:

(a) the right to routinely consult with and advise Borrower's management regarding the significant business activities and business and financial developments of Borrower, Senior Mezzanine Borrower and Mortgage Borrower, provided that any such advice or consultation shall be completely nonbinding on Borrower, and; provided, however, that such consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances;

(b) the right, in accordance with the terms of this Agreement, to examine the books and records of Borrower, Senior Mezzanine Borrower and Mortgage Borrower at any reasonable times upon reasonable notice;

(c) the right, in accordance with the terms of this Agreement, including, without limitation, Section 5.1.11 hereof, to receive monthly, quarterly and year end financial reports, including balance sheets, statements of income, shareholder's equity and cash flow, a management report and schedules of outstanding indebtedness, in each case to the extent explicitly set forth herein; and

(d) the right, without restricting any other rights of Lender under this Agreement (including any similar right), to reasonably approve any acquisition by Borrower, Senior Mezzanine Borrower or Mortgage Borrower of any other significant real property.

The rights described above in this Section 10.26 may be exercised by any entity which owns and controls, directly or indirectly, substantially all of the interests in Lender.

## **XI. JOINT AND SEVERAL LIABILITY; WAIVERS**

**Section 11.1. Joint and Several Liability; Primary Obligors.** Each entity comprising Borrower (each, a "**Borrower Entity**") shall be a primary obligor with respect to payment of the Debt and performance of Borrower's obligations under the Loan Documents and all such Borrower Entities shall be jointly and severally liable for payment of the Debt and performance of such other obligations. As used in this Article, references to "**Other Borrowers**" shall mean all Borrower Entities other than the particular Borrower Entity referred to.

**Section 11.2. Waivers.** Without limiting the primary liability of each Borrower Entity as set forth above, to the extent any such Borrower Entity is determined to be secondarily liable with respect to any portion of the Debt or any other obligation hereunder, the following shall apply:

### **11.2.1 No Duty to Pursue Others.**

It shall not be necessary for Lender (and each Borrower Entity hereby waives any rights which such Borrower Entity may have to require Lender), in order to enforce the obligations of such Borrower Entity hereunder, first to (a) institute suit or exhaust its remedies against any Other Borrower or others liable on the Debt or any other person, (b) enforce Lender's rights against any collateral mortgaged, pledged or granted by any Other Borrower which shall ever have been given to secure the Debt ("**Other Borrower Collateral**"), (c) enforce Lender's rights against any other guarantors of the Debt, (d) join Borrower or any others liable on the Debt in any action against any Other Borrower seeking to enforce the Loan Documents, (e) exhaust any remedies available to Lender against any collateral which shall ever have been given to secure the Debt, or (f) resort to any other means of obtaining payment of the Loan by any Other Borrower. Lender shall not be required to mitigate damages or take any other action pertaining to any Other Borrower or any Other Borrower Collateral to reduce, collect or enforce the Debt from any Other Borrower.

#### **11.2.2 Waivers.**

Such Borrower Entity agrees to the provisions of the Loan Documents, and hereby waives notice of (a) any loans or advances made by Lender to any Other Borrower, (b) acceptance of the Loan Documents, (c) any amendment or extension of the Note, the Loan Agreement or of any other Loan Documents entered into by any Other Borrower, (d) the execution and delivery by any Other Borrower and Lender of any other loan or credit agreement or of any Other Borrower's execution and delivery of any promissory notes or other documents arising under the Loan Documents or in connection with the Other Borrower Collateral, (e) the occurrence of any breach by any Other Borrower or an Event of Default with respect to any Other Borrower or Other Borrower Collateral, (f) Lender's transfer or disposition of the Debt, or any part thereof, (g) sale or foreclosure (or posting or advertising for sale or foreclosure) of any Other Borrower Collateral, (h) protest, proof of non-payment or default by any Other Borrower and (i) any other action at any time taken or omitted by Lender, and, generally, all demands and notices to any Other Borrower of every kind in connection with the Loan Documents, any documents or agreements evidencing, securing or relating to any of the Debt.

**11.2.3 Waiver of Subrogation, Reimbursement and Contribution.** Notwithstanding anything to the contrary contained in the Loan Documents, each Borrower hereby unconditionally and irrevocably waives, releases and abrogates, prior to the payment in full of the Loan and for a period of ninety-one (91) days thereafter any and all rights it may now or hereafter have under any agreement, at law or in equity (including any law subrogating such Borrower Entity to the rights of Lender), to assert any claim against or seek contribution, indemnification or any other form of reimbursement (other than pursuant to the express provisions of the Contribution Agreement) from any Other Borrower or any other party liable for payment of any or all of the Debt for any payment made by such Borrower Entity under or in connection with the Loan Documents or otherwise.

**11.2.4 Events and Circumstances Not Reducing or Discharging Guarantor's Obligations.** Each Borrower Entity hereby consents and agrees to each of the following, and agrees that such Borrower Entity's obligations under the Loan Documents shall not be released, diminished, impaired, reduced or adversely affected by any of the following, and waives any common law, equitable, statutory or other rights (including rights to notice) which

such Borrower Entity might otherwise have as a result of or in connection with any of the following:

(a) Modifications. Any renewal, extension, increase, modification, alteration, restatement or rearrangement entered into by any Other Borrower of all or any part of the Debt, the Note, the Loan Agreement, the other Loan Documents, or any other document, instrument, contract or understanding between any Other Borrower and Lender, or any other parties, pertaining to the Debt or any failure of Lender to notify Borrower Entity of any such action.

(b) Adjustment. Any adjustment, indulgence, forbearance or compromise that might be granted or given by Lender to any Other Borrower.

(c) Condition of Borrower or Borrower Entity. The insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of any Other Borrower or any other party at any time liable for the payment of all or part of the Debt; or any dissolution of any Other Borrower, or any sale, lease or transfer of any or all of the assets of Borrower or of any Other Borrower, or any changes in the shareholders, partners or members of any Other Borrower; or any reorganization of any Other Borrower.

(d) Invalidity of Debt. The invalidity, illegality or unenforceability of all or any part of the Debt, or any document or agreement executed in connection with the Debt, for any reason whatsoever, including the fact that (a) the Debt, or any part thereof, exceeds the amount permitted by law, (b) the act of creating the Debt or any part thereof is ultra vires, (c) the officers or representatives executing the Note, the Loan Agreement or the other Loan Documents or otherwise creating the Debt acted in excess of their authority, (d) the Debt violate applicable usury laws, (e) any Other Borrower has valid defenses, claims or offsets (whether at law, in equity or by agreement) which render the Debt wholly or partially uncollectible from such Other Borrower, (f) the creation, performance or repayment of the Debt (or the execution, delivery and performance of any document or instrument by any Other Borrower representing part of the Debt or executed in connection with the Debt, or given to secure the repayment of the Debt) is illegal, uncollectible or unenforceable, or (g) the Note, the Loan Agreement or any of the other Loan Documents have been forged or otherwise are irregular or not genuine or authentic, it being agreed that such Borrower Entity shall remain liable hereon regardless of whether any Other Borrower or any other Person be found not liable on the Debt or any part thereof for any reason.

(e) Release of Obligors. Any full or partial release of the liability of any Other Borrower on the Debt, or any part thereof, or of any guarantor(s) thereof, or any other person or entity now or hereafter liable, whether directly or indirectly, jointly, severally, or jointly and severally, to pay, perform, guarantee or assure the payment of the Debt, or any part thereof, it being recognized, acknowledged and agreed by such Borrower Entity that such Borrower Entity may be required to pay the Debt in full without assistance or support of any other party, and such Borrower Entity has not been induced to enter into the Loan Documents on the basis of a contemplation, belief, understanding or agreement that other Persons will be liable to pay or perform the Debt, or that Lender will look to other Persons to pay or perform the Debt.

(f) Other Collateral. The taking or accepting of any other security, collateral or guaranty, or other assurance of payment, for all or any part of the Debt.

(g) Release of Collateral. Any release, surrender, exchange, subordination, deterioration, waste, loss or impairment (including negligent, willful, unreasonable or unjustifiable impairment) of any collateral, property or security at any time existing in connection with, or assuring or securing payment of, all or any part of the Debt.

(h) Care and Diligence. The failure of Lender or any other party to exercise diligence or reasonable care in the preservation, protection, enforcement, sale or other handling or treatment of Other Borrower Collateral, all or any part of such collateral, property or security, including any neglect, delay, omission, failure or refusal of Lender (a) to take or prosecute any action for the collection of any of the Debt or (b) to foreclose, or initiate any action to foreclose, or, once commenced, prosecute to completion any action to foreclose upon Other Borrower Collateral, or (c) to take or prosecute any action in connection with any instrument or agreement evidencing or securing all or any part of the Debt.

(i) Unenforceability. The fact that any collateral, security, security interest or lien contemplated or intended to be given, created or granted as security for the repayment of the Debt, or any part thereof, shall not be properly perfected or created, or shall prove to be unenforceable or subordinate to any other security interest or lien, it being recognized and agreed by such Borrower Entity that such Borrower Entity is not entering into the Loan Documents in reliance on, or in contemplation of the benefits of, the validity, enforceability, collectibility or value of any of the collateral for the Debt.

(j) Offset. Any existing or future right of offset, claim or defense of Borrower against Lender, or any other Person, or against payment of the Debt by any Other Borrower, whether such right of offset, claim or defense arises in connection with the Debt (or the transactions creating the Debt) or otherwise.

(k) Merger. The reorganization, merger or consolidation of any Other Borrower into or with any other corporation or entity.

(l) Preference. Any payment by Borrower to Lender is held to constitute a preference under bankruptcy laws, or for any reason Lender is required to refund such payment or pay such amount to Borrower or someone else.

**Section 11.3. Other Actions Taken or Omitted.** Any other action taken or omitted to be taken with respect to the Loan Documents, the Debt, or Other Borrower Collateral, whether or not such action or omission prejudices such Borrower Entity or increases the likelihood that such Borrower Entity will be required to pay the Debt pursuant to the terms hereof, it is the unambiguous and unequivocal intention of such Borrower Entity that such Borrower Entity shall be obligated to pay the Debt when due, notwithstanding any occurrence, circumstance, event, action, or omission whatsoever pertaining to any Other Borrower or any Other Borrower Collateral, whether contemplated or not, and whether or not otherwise or particularly described herein, which obligation shall be deemed satisfied only upon the full and final payment and satisfaction of the Debt.

## **Section 2.2. Interest Rate.**

**2.2.1 Interest Generally.** Except as herein provided with respect to interest accruing at the Default Rate, interest on the principal balance of the Loan outstanding from time to time shall accrue from the Closing Date up to and including the Maturity Date (including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through the end of the Interest Period during which the Maturity Date occurs (even if such period extends beyond the Maturity Date)) at the Applicable Interest Rate. Interest on the outstanding principal balance of the Loan existing on the commencement of an Interest Period shall accrue for the entire Interest Period and shall be owed by Borrower for the entire Interest Period

regardless of whether any principal portion of the Loan is repaid prior to the expiration of such Interest Period.

**2.2.2 Interest Calculation.** Interest on the outstanding principal balance of the Loan shall be calculated by multiplying (a) the actual number of days elapsed in the period for which the calculation is being made by (b) a daily rate based on a three hundred sixty (360) day year (that is, the Applicable Interest Rate or the Default Rate, as then applicable, expressed as an annual rate divided by 360) by (c) the outstanding principal balance.

**2.2.3 Determination of Interest Rate.** (a) The Applicable Interest Rate with respect to the Loan shall be: (i) LIBOR plus the Spread with respect to the applicable Interest Period for a LIBOR Loan or (ii) the Prime Rate plus the Prime Rate Spread for a Prime Rate Loan if the Loan is converted to a Prime Rate Loan pursuant to the provisions of Section 2.2.3(c) or Section 2.2.3(f).

(b) Subject to the terms and conditions of this Section 2.2.3, the Loan shall be a LIBOR Loan and Borrower shall pay interest on the outstanding principal amount of the Loan at LIBOR plus the Spread for the applicable Interest Period. Any change in the rate of interest hereunder due to a change in the Applicable Interest Rate shall become effective as of the opening of business on the first day on which such change in the Applicable Interest Rate shall become effective. Each determination by Lender of the Applicable Interest Rate shall be conclusive and binding for all purposes, absent manifest error.

(c) In the event that Lender shall have determined (which determination shall be conclusive and binding upon Borrower absent manifest error) that by reason of circumstances affecting the interbank eurodollar market, adequate and reasonable means do not exist for ascertaining LIBOR, then Lender shall forthwith give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding LIBOR Loan shall be converted, on the last day of the then current Interest Period, to a Prime Rate Loan.

(d) If, pursuant to the terms of this Agreement, any portion of the Loan has been converted to a Prime Rate Loan and Lender shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable, Lender shall give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding Prime Rate Loan shall be converted to a LIBOR Loan on the last day of the then current Interest Period.

(e) With respect to a LIBOR Loan, all payments made by Borrower hereunder shall be made free and clear of, and without reduction for or on account of, income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings imposed, levied, collected, withheld or assessed by any Governmental Authority and imposed on any non-U.S. Lender due to a change in U.S. law after the date such non-U.S. Lender acquired its interest in the Loan (such non-excluded taxes, levies, imports, duties, charges, fees, deductions, reserves or withholdings being referred to collectively as "**Foreign Taxes**"), excluding (i) income and

franchise taxes, (ii) any Taxes imposed by reason of any connection between the non-U.S. Lender and the taxing jurisdiction other than entering into this Agreement and receiving payments hereunder, and (iii) any Taxes imposed by reason of the non-U.S. Lender's failure to complete and deliver to the Borrower, prior to the date on which the first payment to such Lender is due hereunder and (so long as it remains eligible to do so) from time to time thereafter, (x) (i) an Internal Revenue Service Form W-9 (or successor form) establishing that the Lender is not subject to U.S. backup withholding tax, (ii) an Internal Revenue Service Form W-8BEN (or successor form) certifying that such Lender is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of withholding tax on payments of interest to zero, or (iii) an Internal Revenue Service Form W-8ECI certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States, as appropriate; and (y) any successor or additional form required by the Internal Revenue Service or any taxing authority reasonably requested by the Borrower in order to secure an exemption from, or reduction in the rate of, Foreign Taxes. If any Foreign Taxes are required to be withheld from any amounts payable to Lender hereunder, the amounts so payable to Lender shall be increased to the extent necessary to yield to Lender (after payment of all Foreign Taxes) interest or any such other amounts payable hereunder at the rate or in the amounts specified hereunder. Whenever any Foreign Tax is payable pursuant to applicable law by Borrower, as promptly as possible thereafter, Borrower shall send to Lender an original official receipt, if available, or certified copy thereof showing payment of such Foreign Tax. Borrower hereby indemnifies Lender for any incremental Foreign Taxes, interest or penalties that may become payable by Lender which may result from any failure by Borrower to pay any such Foreign Tax when due to the appropriate taxing authority or any failure by Borrower to remit to Lender the required receipts or other required documentary evidence thereof (provided such documents are reasonably available to the Borrower).

(f) If any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to make or maintain a LIBOR Loan as contemplated hereunder and the events giving rise thereto affect similarly situated banks or financial institutions generally, (i) the obligation of Lender hereunder to make a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the next succeeding Payment Date or within such earlier period as required by law.

(g) In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority and the events giving rise thereto affect similarly situated banks or financial institutions generally:

(i) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, the office of Lender that holds the Loan which is not otherwise included in the determination of LIBOR hereunder;

(ii) shall hereafter require the Lender to hold additional capital against the Loan in excess of that currently required by Governmental Authorities to be held against loans similar in nature to the Loan; or

(iii) shall hereafter impose on Lender any other condition affecting loans to borrowers subject to LIBOR-based interest rates and Lender determines that, by reason thereof, the cost to Lender of making or maintaining the Loan to Borrower is increased, or any amount received by Lender hereunder in respect of any portion of the Loan is reduced, in each case by an amount deemed by Lender in good faith to be material;

then, in any such case, Borrower shall promptly pay Lender, upon demand, any additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined in good faith by Lender. If Lender becomes entitled to claim any additional amounts pursuant to this Section 2.2.3(g), Lender shall provide Borrower with not less than ninety (90) days notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to fully compensate Lender for such additional cost or reduced amount. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. This provision shall survive payment of the Note and the satisfaction of all other obligations of Borrower under this Agreement and the Loan Documents.

(h) Lender shall not be entitled to claim compensation pursuant to this Section 2.2.3 for any Foreign Taxes or other amounts incurred or which accrued more than ninety (90) days before the date Lender notified Borrower of the change in law or other circumstance on which such claim of compensation is based and delivered to Borrower a written statement setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.2.3, which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(i) For purposes of this Section 2.2.3, the term "Lender" shall be deemed to include each Noteholder and Lender's (as well as each Noteholder's) present and future participants in the Loan to the extent of Foreign Taxes imposed by reason of such Noteholder or participant's interest in the Loan and each such Noteholder's or participant's increased costs or reduction in amount received or receivable hereunder or any reduced rate of return, in each case payable by Borrower under this Section 2.2.3.

**2.2.4 Additional Costs.** Lender will use reasonable efforts (consistent with legal and regulatory restrictions) to maintain the availability of the LIBOR Loan and to avoid or reduce any increased or additional costs payable by Borrower under Section 2.2.3, including, if requested by Borrower, a transfer or assignment of the Loan to a branch, office or Affiliate of Lender in another jurisdiction, or a redesignation of its lending office with respect to the Loan, in order to maintain the availability of the LIBOR Loan or to avoid or reduce such increased or additional costs, provided that the transfer or assignment or redesignation (a) would not result in any material additional costs, expenses or risk to Lender that are not reimbursed by Borrower and (b) would not be disadvantageous in any other material respect to Lender as determined by Lender in its sole, but reasonable discretion.

**2.2.5 Default Rate.** In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

**2.2.6 Usury Savings.** This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

**2.2.7 Interest Rate Cap Agreement.** (a) On or prior to 5:00 p.m. (New York time) on the Closing Date, Borrower shall enter into an Interest Rate Cap Agreement with a LIBOR strike price equal to the required Strike Price. The Interest Rate Cap Agreement (i) shall be in a form and substance reasonably acceptable to Lender, (ii) shall be with an Acceptable Counterparty, (iii) shall direct such Acceptable Counterparty to deposit directly with Lender (or into an account or otherwise as directed by Lender) any amounts due Borrower under such Interest Rate Cap Agreement unless and until otherwise instructed by Lender (it being agreed as between Lender and Borrower that Lender will so instruct the Counterparty at such time as the Debt shall no longer exist, provided that the Debt shall be deemed to exist if the Collateral is transferred by secured party sale or otherwise), (iv) shall be for a period equal to the initial term of the Loan and (v) shall have an initial notional amount equal to the principal balance of the Loan. Borrower shall collaterally assign to Lender, pursuant to the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Interest Rate Cap Agreement, and shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be paid directly into an account pledged to Lender as provided above in this Section 2.2.7). Provided no Event of Default has occurred and is continuing, amounts contained in the foregoing pledged account shall be released to Borrower on a monthly basis to the extent not applied toward debt service on the Loan.

(b) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be paid to Lender (or into an account or otherwise as directed by Lender). Borrower shall take all actions reasonably requested by

Lender to enforce Lender's rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty and shall not waive, amend or otherwise modify any of its rights thereunder.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty by S&P or Moody's to below the ratings set forth in the definition of "Acceptable Counterparty", Borrower (i) shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement (or cause the Counterparty or an Affiliate thereof to post collateral acceptable to Lender and the Rating Agencies) not more than fifteen (15) Business Days following receipt of notice of such downgrade, withdrawal or qualification (and meeting the requirements set forth in this [Section 2.2.7](#)) from an Acceptable Counterparty, (ii) if a new cap is provided to Lender, then if requested by Lender shall provide to Lender an opinion of counsel to such Acceptable Counterparty in the form and containing the substance of the form of opinion set forth in [Exhibit A](#) to the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender), and (iii) shall collaterally assign to Lender, pursuant to an assignment in the form of the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Replacement Interest Rate Cap Agreement.

(d) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement or fails to maintain the Interest Rate Cap Agreement in accordance with the terms and provisions of this Agreement, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is reimbursed by Borrower to Lender.

(e) In connection with any Interest Rate Cap Agreement provided to Lender as herein required, if requested by Lender, Borrower shall obtain and deliver to Lender an opinion from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty (upon which Lender and its successors and assigns may rely) in the form and containing the substance of the form of opinion set forth in [Exhibit A](#) of the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender).

(f) In connection with any prepayment of the Loan, provided no Event of Default shall have occurred and be continuing, Borrower may reduce the amount of any Interest Rate Cap Agreement (so that the same shall be in an initial notional amount equal to the principal balance of the Loan following such prepayment), provided that such reduction shall not affect any of the other terms of the Interest Rate Cap Agreement or the Collateral Assignment of Interest Rate Cap Agreement (or Lender's rights in respect thereof).

### **Section 2.3. Loan Payment.**

**2.3.1 Payments Generally.** Borrower shall make a payment to Lender of interest only on the Closing Date for the initial Interest Period. On the date hereof, Borrower shall make a payment to Lender of interest accruing hereunder during the period from the Closing Date up to and including the initial Interest Period, calculated in the manner set forth herein, and on the Payment Date occurring in March 2008 and on each Payment Date thereafter

to and including the Maturity Date, Borrower shall make a payment to Lender of interest accruing hereunder during the entire Interest Period in which such Payment Date occurs, calculated in the manner set forth herein. All amounts due pursuant to this Agreement and the other Loan Documents shall be payable without setoff, counterclaim, defense or any other deduction whatsoever. Each payment shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

**2.3.2 Payment on Maturity Date.** Borrower shall pay to Lender on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Pledge Agreement and the other Loan Documents, including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through and including the end of the Interest Period in which the Maturity Date occurs (even if such Interest Period extends beyond the Maturity Date).

**2.3.3 Late Payment Charge.** If any principal, interest or any other sums due under the Loan Documents, other than the payment of principal due on the Maturity Date, is not paid by Borrower by the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of one percent (1%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment; provided, however that, except with respect to the payment of any monthly Debt Service payments with respect to which no notice or demand shall be required, no such late payment charge shall be due unless such payment of principal, interest or other sum shall be delinquent for more than five (5) Business Days following the date of demand therefor. Any such amount shall be secured by the Pledge Agreement and the other Loan Documents to the extent permitted by applicable law.

**2.3.4 Method and Place of Payment.** Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 3:00 P.M., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

#### **Section 2.4. Prepayments.**

**2.4.1 Voluntary Prepayments.** Borrower may, at its option, prepay the Debt in whole or in part, provided, the following conditions are satisfied:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall provide prior written notice to Lender specifying the date upon which the prepayment is to be made (the "**Prepayment Date**"), which notice shall be

delivered to Lender not less than ten (10) days prior to such Prepayment Date, and which notice shall be irrevocable (or such shorter period of time as may be permitted by Lender in its sole discretion) (Lender hereby agreeing that Borrower may revoke any notice of prepayment up until the date that is one (1) Business Day prior to the proposed Prepayment Date (provided that Borrower shall be required to pay Lender, promptly upon demand, any actual, out-of-pocket expenses incurred by Lender resulting from any such revocation));

(c) each such prepayment, in the case of partial prepayments, shall be in an amount not less than Five Million and no/100 Dollars (\$5,000,000.00), unless the outstanding principal balance of the Loan (prior to such prepayment) shall be less than Five Million and no/100 Dollars (\$5,000,000.00), in which event the amount of the prepayment shall be in such amount as shall prepay the Debt and all other amounts due in connection therewith in full, as more fully provided herein;

(d) if such prepayment is made on or prior to the Payment Date occurring in the Interest Period in which such prepayment was made, then, in connection with such prepayment Borrower shall pay to Lender, simultaneously with such prepayment, all interest on the principal balance of the Note then being prepaid which would have accrued through the end of the Interest Period then in effect notwithstanding that such Interest Period extends beyond the Prepayment Date;

(e) if such prepayment is made after a Payment Date occurring in the Interest Period in which such prepayment was made, but prior to the last two (2) Business Days in such Interest Period, Borrower shall make such prepayment without paying any interest thereon (Borrower having already paid interest on such amount on the Payment Date occurring in such Interest Period);

(f) if such prepayment is made on either of the last two (2) Business Days in an Interest Period, Borrower will pay to Lender, simultaneously with such prepayment, interest on the principal amount of the Loan prepaid through the last day of the Interest Period immediately following the Interest Period in which such prepayment occurs, calculated at the Applicable Interest Rate;

(g) if such prepayment is a prepayment of the Loan in full, Lender shall have received a written consent to the repayment from the lender under each Other Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Other Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous pro rata prepayment of each Other Mezzanine Loan and Permitted Mezzanine Loan if required thereunder; and

(h) if such prepayment is made on or prior to the Spread Maintenance Outside Date, then in connection with any such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, the Spread Maintenance Premium in respect of such prepayment.

Any prepayment received by Lender on other than a Payment Date (but not any amount received between a Payment Date and the second to last Business Day in an Interest Period) shall be held by Lender in an interest-bearing account as collateral security for the Loan and shall be applied to the Debt on the next occurring Payment Date (with all interest and other income earned on such amount being for the account of Borrower and being remitted by Lender to Borrower promptly following such next Payment Date). Any prepayment made pursuant to this Section 2.4.1 shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes. Lender agrees that it shall provide a written consent to the repayment of the Loan upon satisfaction of the conditions set forth in clauses (a) through (f) and clause (h) of this Section 2.4.1.

**2.4.2 Mandatory Prepayments from Net Proceeds.** (a) On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of any Individual Property, Borrower shall prepay, or authorize Lender to apply Net Proceeds as a prepayment of, the outstanding principal balance of the Note in an amount equal to, (x) if no Event of Default shall have occurred and be continuing, the product of (i) a fraction, the numerator of which is outstanding principal amount of the Loan and the denominator is the outstanding principal amount of the Mortgage Loan, the Loan and the Other Mezzanine Loans times (ii) the Net Proceeds, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such Payment Date occurs (with the balance of the Net Proceeds to be paid over to Borrower, and (y) if an Event of Default shall have occurred and be continuing, 100% of the Net Proceeds. Any prepayment received by Lender pursuant to this Section 2.4.2(a) on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. Following the prepayment made as described in this Section 2.4.2(a), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(a) shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

(b) In the event of (i) a Transfer of any Individual Property or any Senior Mezzanine Collateral in connection with the realization thereon following a Mortgage Loan Default or a Senior Mezzanine Loan Default, as applicable, (ii) any refinancing of any Individual Property, any Senior Mezzanine Collateral, any Senior Mezzanine Loan or the Mortgage Loan, or (iii) the receipt by Mortgage Borrower of any excess proceeds realized under its owner's title insurance policy after application of such proceeds by Mortgage Borrower to cure any title defect (each, a "**Liquidation Event**"), Borrower shall cause the related Net Liquidation Proceeds After Debt Service to be remitted directly to Lender (or as directed by Lender). Any prepayment of the Notes made pursuant to this Section 2.4.2(b) shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

Any payment under this Section 2.4.3 shall be applied in such order, priority and proportions as Lender may direct in its sole and absolute discretion.

**Section 2.5. Release of Collateral.** Except as set forth in this Section 2.5, no repayment or prepayment of all or any portion of the Note shall cause, give rise to a right to require, or otherwise result in, the release or assignment of any Lien of the Pledge Agreement on the Collateral.

**2.5.1 Release of Individual Property.** Concurrently with the release of an Individual Property from the Lien of the Mortgage (and related Mortgage Loan Documents) pursuant to Section 2.5.1 of the Mortgage Loan Agreement (a “**Release**” and such Individual

Property, a “**Release Property**”), Borrower may obtain the release of the related Individual Borrower with an indirect ownership interest in such Individual Property (a “**Release Borrower**”) and such Release Borrower’s obligations under the Loan Documents with respect to the Release Property (other than those expressly stated to survive), upon the satisfaction of each of the following conditions:

(b) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien of the Pledge Agreement (and related Loan Documents), only with respect to such Release Borrower, for execution by Lender. (d) (i) The Individual Property to be released shall be conveyed to a Person other than a Mortgage Borrower or Mezzanine Borrower, and other than to an Affiliate of Mortgage Borrower unless, in the latter case, such Affiliate is refinancing the Loan with a construction or development loan (or repaying the Loan with equity contributions to such Affiliate) and (ii) it is such Affiliate’s immediate intention to materially redevelop such Individual Property, which loan (or equity contribution) and intention shall be described in reasonable detail and represented to in an Officer’s Certificate submitted to Lender concurrently with (or prior to) the materials described in clause (b) of this Section 2.5.1;

(f) Lender shall have received a written consent to the transfer from the lender under the Mortgage Loan and each of the Other Mezzanine Loans (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of the Mortgage Loan, each of the Other Mezzanine Loans and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous pro rata prepayment of

(g) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the release of the Individual Property and or Release Borrower from the lien of the Pledge Agreement and the review and approval of the documents and information required to be delivered in connection therewith. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property or Release Borrower.

Lender agrees that it shall provide a written consent to the transfer upon satisfaction of the conditions set forth in clauses (a) through (e) and clause (g) of this Section 2.5.1.

**2.5.2 Release of Convention Center Parcel; Property Swap.** At any time after the date hereof, Mortgage Borrower may obtain the release of the Convention Center Parcel pursuant to the Mortgage Loan Agreement, without the payment of a Release Price and upon the satisfaction by Borrower of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a release of the Convention Center Parcel, the Event of Default relates solely to such parcel and therefore would be fully cured by the release of the Convention Center Parcel);

(b) The Convention Center Parcel shall be conveyed to a Person other than a Mortgage Borrower or any Mezzanine Borrower;

(c) Mortgage Borrower will enter into a restrictive covenant agreement, restricting the use of the Convention Center Parcel to the development of a Convention Center and ancillary uses which agreement shall be in form and substance reasonably satisfactory to Lender;

(e) All requirements under all laws, statutes, rules and regulations (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetlands requirements) applicable to the Harrah's Atlantic City Property necessary to accomplish the lot split shall have been fulfilled, and all necessary variances, if any, shall have been obtained, and Borrower shall have delivered to Lender either (1) letters or other evidence from the appropriate municipal authorities confirming such compliance with laws, or

(2) a zoning report or legal opinion confirming such compliance with laws, in each case in substance reasonably satisfactory to Lender;

(f) As a result of the lot split, the remaining Harrah's Atlantic City Property with all easements appurtenant and other Permitted Encumbrances thereto will not be in violation of any then applicable law, statute, rule or regulation (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetland requirements) and all necessary variances, if any, shall have been obtained and evidence thereof has been delivered to Lender which in form and substance is appropriate for the jurisdiction in which the Harrah's Atlantic City Property is located;

Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of the Convention Center Parcel;

(k) Lender shall have received evidence reasonably satisfactory to it that Mortgage Borrower and each Other Mezzanine Borrower shall have satisfied all of the conditions to the proposed Release set forth in the Mortgage Loan Agreement and each Other Mezzanine Loan Agreement, as applicable; and

(l) There shall be no release of any portion of the Lien of the Pledge Agreement in connection with this Section 2.5.2.

Borrower agrees that it shall promptly use all reasonable best efforts to substitute, and Lender agrees (subject to the terms set forth below in this paragraph) that it shall accept the substitution of, the properties commonly known as “Paris Las Vegas” and “Harrah’s Laughlin” for the Individual Properties referred to as “Harrah’s Lake Tahoe”, “Harvey’s Lake Tahoe”, “Bill’s Lake Tahoe”, and “Showboat Atlantic City” and the portion of the Flaming Las Vegas Property known as O’Shea’s in a reasonably satisfactory manner, provided that Lender’s obligation to accept such substitution shall be conditioned on the following:

(i) that no Event of Default shall exist, either before or after giving effect to such substitution (unless such Event of Default would be fully cured by the substitution);

(ii) the satisfaction, with respect to both “Paris Las Vegas” and “Harrah’s Laughlin”, of the closing conditions set forth in Article III hereof and of the Mortgage Loan Agreement, except that references therein to the Closing Date shall be to the date of such substitution;

(iii) delivery of such agreements, instruments, title insurance policies, surveys, resolutions, certificates and opinions (including, without limitation, substitute notes, amendments to the Loan Documents (including amendments to adjust the Allocated Loan Amounts, the EBITDAR (Closing Date) and any other items that need to be adjusted to reflect the substitution), the Operating Lease, the Operating Lease Guaranty and the Windstorm Insurance Intercreditor Agreement, an appropriate subdivision and a reciprocal easement agreement in respect of “O’Shea’s”, written assurances that the substitution will have no negative effects on the existing Title Policies, updated “tie-in” endorsements for the Title Policies, an Additional True Lease Opinion and an Additional Insolvency Opinion), in each case as are reasonably required by Lender in connection with such substitution;

(iv) with respect to the release of O’Shea’s, delivery of evidence reasonably satisfactory to Lender that such release will not have either an Individual Material Adverse Effect on the remainder of the Flamingo Las Vegas Property or an Aggregate Material Adverse Effect (it being understood that, for purposes of such determinations, O’Shea’s shall be deemed to have closed as of the Closing Date and to have no value) and that the remainder of the Flamingo Las Vegas Property satisfies the conditions set forth in Sections 3.1.3(b), (c) and (f) of the Mortgage Loan Agreement and the representations and warranties set forth in Sections 4.1.4, 4.1.16, 4.1.22, 4.1.39 and 4.1.40 of the Mortgage Loan Agreement shall continue to be true and complete with respect to the remainder of the Flamingo Las Vegas Property, and satisfaction of conditions similar to those set forth in clauses (c), (d), (e), (f), (g) and (h) of Section 3.1.3 hereof, as applicable, with respect to O’Shea’s;

(v) the satisfaction, with respect to “Harrah’s Lake Tahoe”, “Harvey’s Lake Tahoe”, “Bill’s Lake Tahoe”, “Showboat Atlantic City” and O’Shea’s, of the conditions set forth above in Section 2.5.1(b) and (f) with respect to released Individual Properties to the extent applicable;

(vi) the conveyance of “Harrah’s Lake Tahoe”, “Harvey’s Lake Tahoe”, “Bill’s Lake Tahoe”, “Showboat Atlantic City” and O’Shea’s to a Person other than a Mortgage Borrower or Mezzanine Borrower;

(vii) unless otherwise extended by Lender, the substitution shall be completed on or prior to May 28, 2008;

(viii) the payment by Borrower of all Lender’s reasonable out-of-pocket costs and expenses in connection with the substitution contemplated by this paragraph, including reasonable counsel fees and disbursements, up to an aggregate amount of \$300,000, it being acknowledged that costs incurred to obtain title insurance and surveys in respect of the substituted properties shall be paid by Borrower directly and shall not be taken into account for purposes of the foregoing limitation on the reimbursement of Lender’s expenses.

Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property in accordance with this paragraph. In addition, if all of “Harrah’s Lake Tahoe”, “Harvey’s Lake Tahoe”, “Bill’s Lake Tahoe” and “Showboat Atlantic City” can be transferred from Mortgage Borrower as contemplated above, but O’Shea’s cannot (including by reason of an inability to get a separate gaming license for O’Shea’s independent of the “Flamingo Las Vegas”), then Borrower shall cause Mortgage Borrower to nevertheless proceed to consummate the swap without transferring O’Shea’s (subject to Borrower’s ongoing right to obtain the release of O’Shea’s from the Lien of the Mortgage in accordance with the following sentence). Lender (and its agents, including Servicer) shall have the sole right to make withdrawals from the Mezzanine Collection Account in accordance with the terms and conditions of this Agreement and the other Loan Documents, except as otherwise expressly provided in this Agreement or the other Loan Documents. **4.1.1 Organization.** (a) Borrower has been duly organized and is validly existing and in good standing with requisite power and authority to own the Individual Properties and to transact the businesses in which it is (or each of them is) now engaged. Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations. Borrower possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to own its properties and to transact the businesses in which it is now engaged and the failure to

(b) Each Operating Company has been duly organized and is validly existing and in good standing with requisite power and authority to own its properties or assets, including the Gaming Equipment, and to transact the businesses in which it is now engaged. **4.1.3 No Conflicts; Approvals.** (a) The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower and Operating Company will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower or Operating Company pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement, material lease or other material agreement or

instrument to which Borrower or Operating Company (as applicable) is a party or by which any of Borrower's or Operating Company's property or assets is or are subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or Operating Company any of Borrower's or Operating Company's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any such Governmental Authority required for the execution, delivery and performance by Borrower and Operating Company of this Agreement or any other Loan Documents (and the execution by Lender of the remedies provided in the Loan Documents, subject to the limitations thereon pursuant to applicable Gaming Laws) has been obtained and is in full force and effect.

(b) Borrower, Senior Mezzanine Borrower, Mortgage Borrower and Operating Company have obtained all consents and approvals, including all approvals of Governmental Authorities including Gaming Authorities, if required, in connection with the execution, delivery and performance of the Loan Documents (including by Mortgage Lender and each Mezzanine Lender), the Operating Lease, the Operating Lease Guaranty and the operation of the business currently conducted at any of the Properties, and shall promptly execute any and all such instruments and documents, deliver any certificates and do all such other acts or things required by the Gaming Authorities to maintain or keep current such approvals.

None of the actions described on Schedule XXIV, if determined adversely to Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company and/or any of their respective Affiliates, as applicable, would result in the payment by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or such Affiliate of an amount in excess of Ten Million and no/100 Dollars (\$10,000,000.00), except to the extent covered by insurance.

**4.1.5 Agreements.** None of Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company is in default, in any material respect, in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any material agreement or instrument to which it is a party or by which Borrower, Senior Mezzanine

The Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of any of the Properties (as currently used) or Borrower's ability to repay the Loan. The Pledge Agreement, together with the delivery of the certificates evidencing ownership of the Pledged Company Interests and the endorsement in blank, as being delivered concurrently herewith, will create a valid perfected, first priority lien on, and security interest in and to, the Collateral, all in accordance with the terms thereof. There are no claims for payment for work, labor or materials affecting any of the Properties which are or may become a Lien prior to, or of equal priority with, the Liens created by the Mortgage Loan Documents.

The fair saleable value of Borrower's assets is and will, immediately following the making of the Loan, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). Borrower has no Indebtedness other than the Loan. Except for Permitted Indebtedness (Operating Company), Operating Company does not have any Indebtedness or contingent liabilities, or due and unpaid liabilities for taxes, that are known to Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company and reasonably likely to have a materially adverse effect on the Collateral, any Senior Mezzanine Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. All public utilities necessary or convenient to the full use and enjoyment of each Individual Property are located either in the public right-of-way abutting such Individual Property (which are connected so as to serve such Individual Property without passing over other property) or in recorded easements serving such Individual Property and such easements are set forth in and insured by the Title Insurance Policies. All roads necessary for the use of each Individual Property for their current respective purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

**4.1.18 Enforceability.** The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower, any Affiliates of Borrower including Holdings, Operating Company or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors' rights and the enforcement of debtors' obligations), and Borrower, any Affiliates of Borrower including Holdings, Operating Company and Guarantor have not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

Opinion in form and substance reasonably satisfactory to Lender issued by Borrower's counsel (at Borrower's expense). Borrower shall not permit (or cause or permit Mortgage Borrower to permit) the prepayment of any rents under the Operating Leases for more than one (1) month prior to the due date thereof. Notwithstanding the foregoing, Lender's consent shall not be required in connection with any modification, amendment or waiver of any provision of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document or that makes the provisions of the Operating Lease consistent with the provisions of this Agreement or any other Loan Document. Notwithstanding anything contained in this Section 5.1.20(a), to the contrary, (x) Lender's consent to any amendment, modification or supplement of the Operating Lease (or any new Operating Lease) or the Operating Lease Guaranty may also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and/or an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies), and (y) Lender's consent to any assignment of any Operating Lease or Operating Lease Guaranty (or of any interest therein) or any material amendment, material modification or material supplement of any Operating Lease shall also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies).

(b) Borrower shall not permit (or consent to) an assignment by any Operating Company of any such Operating Company's interest(s) under any Operating Lease or an assignment by any Mortgage Borrower of any such Mortgage Borrower's interest(s) under any Operating Lease Guaranty without, in each case, Lender's prior written consent (and, if a Securitization shall have occurred, at Lender's request, without Borrower providing to Lender a Rating Agency Confirmation and an Additional True Lease Opinion).

(c) All space Leases and all renewals of space Leases executed after the date hereof entered into by Operating Company shall (i) provide for rental rates, rent credits and free rent periods comparable to existing local market rates for comparable properties, (ii) be on commercially reasonable terms, (iii) provide that such Lease is subordinate to the Mortgage encumbering the Individual Property in question and that the lessee will attorn to Mortgage Lender and any purchaser at a foreclosure sale; (iv) not contain any terms which would materially adversely affect Lender's rights under the Loan Documents; (v) not grant to the Tenants thereunder any option or right to purchase the applicable Individual Property (or any portion thereof); and (v) in the case of Major Leases, have initial terms less than twenty (20) consecutive years, in each case (unless otherwise consented to by Lender pursuant to clause (d) below).

(d)(i) Any Major Lease entered into by Operating Company with respect to an Individual Property executed after the date hereof (and any renewal of any Major Lease with respect to an Individual Property), and any space Lease or space Lease renewal proposed to be entered into by Operating Company after the date hereof and that does not meet the criteria set forth in Sections 5.1.20(a) and subparagraph (c) above, shall be subject to the prior written approval of Lender, which approval shall not be unreasonably withheld, conditioned or delayed. Borrower shall not terminate or accept the surrender of (and shall not permit Operating Company

or Mortgage Borrower to terminate or accept the surrender of) a Major Lease (unless by reason of a tenant default) without the consent of Lender.

(ii) Every submission to Lender of any proposed Major Lease (or Major Lease renewal, amendment, modification or termination) for Lender's approval shall be forwarded to Lender together with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this section.

(iii) If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN FIVE (5) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within five (5) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(e) Borrower shall and shall cause Mortgage Borrower and Operating Company to (i) observe and perform the obligations imposed upon the lessor under the Leases in a commercially reasonable manner; (ii) enforce the terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed or performed in a commercially reasonable manner and in a manner not to impair the value of the Individual Property involved; (iii) not collect any of the rents more than one (1) month in advance (other than security deposits); (iv) not execute any other assignment of lessor's interest in the Leases or the Rents (except as contemplated by the Loan Documents); (v) not alter, modify or change the terms of the Leases in a manner inconsistent with the provisions of the Loan Documents; and (vi) execute and deliver at the request of Lender all such further assurances, confirmations and assignments in connection with the Leases as Lender shall from time to time reasonably require.

(f) Upon request, Borrower shall furnish Lender with executed copies of all new Leases or Lease renewals or amendments.

(g) Notwithstanding anything to the contrary contained herein, Borrower shall not enter into (or permit Operating Company or Mortgage Borrower to enter into) a lease of all or substantially all of any Individual Property without Lender's prior consent.

**5.1.21 Alterations.** (a) Borrower shall cause all Alterations with respect to any portion of any of the Properties to be conducted and performed with due diligence in a good and

workmanlike manner, and all materials used and work done shall be in accordance with all applicable Legal Requirements. In addition, with respect to the Convention Center Project and the Tower Project, to the extent such projects are pursued, Borrower agrees to cause Mortgage Borrower to (i) diligently pursue each such project to completion in a timely manner, subject to delays arising from Force Majeure events, (ii) cause the work to be performed in connection with each such project in substantial conformance with the plans and specifications for such project, and otherwise in conformity with the Mortgage Loan Agreement, each Senior Mezzanine Loan Agreement and this Agreement, (iii) provide Lender with reasonably detailed monthly progress reports (and such information as Lender shall reasonably request from time to time) regarding the status of the Convention Center Project and the Tower Project, (iv) upon the substantial completion of each such project, provide Lender with evidence of the substantial completion of each such project, copies of final unconditional lien waivers from the general contractors, construction managers or subcontractors for such project (if requested by Lender) and evidence of the final payment of all amounts due in connection with each such project, and a title search for the affected Individual Property indicating that such Individual Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (v) upon final completion of each such project, provide Lender with a final survey acceptable to Lender showing the "as-built" location of the completed Improvements and all easements appurtenant thereto, and "as-built" plans and specifications for Lender's file and a certificate of occupancy to the extent issued by the relevant Governmental Authority.

(b) Borrower shall obtain Lender's prior consent to (i) any Material Alterations (unless collateral or a completion guaranty is provided as set forth in subparagraph (c) below) or (ii) any Alterations to any of the Improvements (even if otherwise described in clause (i) above) that is reasonably likely to have an Individual Material Adverse Effect. Lender's consent shall not be required for any Alterations other than the Alterations described in the preceding sentence. Notwithstanding any provision hereof to the contrary, without Lender's consent, not to be unreasonably withheld or delayed, in no event shall Borrower close or shutter, or undertake or permit any Tenant or other Person to undertake, an Alteration that, alone or together with other work then being undertaken, closes or shutters, more than ten percent (10%) of the income-generating space in any Individual Property at any one time. Prior to undertaking any Alteration with respect to an Individual Property in excess of five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for such Individual Property, to afford Lender a prior and reasonable opportunity to determine whether or not the proposed Alteration would have an Individual Material Adverse Effect, Borrower will deliver such plans, specifications, project schedules, logistical plans, construction budgets (including a statement of sources and uses) and such other information as Lender may reasonably request in respect of such Alteration for review by Lender (and its consultants). All reasonable out-of-pocket costs and expenses incurred by Lender in connection with reviewing said Alterations proposal, including, without limitation, reasonable counsel fees and disbursements and Lender's consultants, shall be paid by Borrower. The above-referenced submission to Lender shall be delivered with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request

by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this Section. If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within ten (10) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(c) With respect to any Material Alteration, unless otherwise consented to by Lender, Borrower shall promptly deliver to Mortgage Lender as security for the payment of such amounts and as additional security for Borrower's obligations under the Loan Documents any of the following: (A) cash, (B) U.S. Obligations, (C) other securities having a rating acceptable to Lender and that the applicable Rating Agencies have confirmed in writing will not, in and of itself, result in a downgrade, withdrawal or qualification of the initial, or, if higher, then current ratings assigned to any Securities or any class thereof in connection with any Securitization, (D) a completion and performance bond or an irrevocable letter of credit (payable on sight draft only) issued by an Eligible Institution, or (E) a completion guaranty from an Approved Guarantor in the form attached hereto as Exhibit A (with such changes as Lender shall approve), together with evidence reasonably satisfactory to Lender that the Approved Guarantor has reasonable liquidity taking into account the nature and amount of the guaranteed obligations under such completion guaranty (it being agreed that, if the Approved Guarantor in question is Holdings, then the amounts available for repayment of such obligations under any revolving credit facility in effect at such time in favor of Harrah's Operating Company, Inc. will be taken into account in determining whether Holdings has reasonable liquidity), and with, if required by applicable Rating Agency requirements, an Additional Insolvency Opinion. Such security, including the amount of the guaranteed obligations under any completion guaranty delivered as aforesaid, shall be in an amount equal to the sum of (i) the excess of the total unpaid amounts with respect to alterations to the Improvements on the applicable Individual Property (other than such amounts to be paid or reimbursed by tenants under the Leases) over the Threshold Amount and (ii) the costs of collection, and, upon the occurrence and during the continuance of an Event of Default, Lender may apply such security from time to time at the option of Lender to pay for such alterations.

**5.1.22 Operation of Properties.** (a) Borrower shall cause Mortgage Borrower to cause each of the Properties to be operated, in all material respects, in accordance with the Operating Leases and in accordance with all applicable Legal Requirements, including Gaming Laws, and all Gaming Licenses and other Operating Permits and in a manner consistent with their respective use as of the Closing Date. Borrower shall cause Operating Company to post all required bonds, if any, with any Gaming Authority as and in the amounts required under all

applicable Legal Requirements (and shall, if Lender makes a request therefor, promptly provide Lender with copies of all such bonds).

(b) Borrower shall not, without Lender's prior written consent, permit Operating Company to assign or transfer, and Operating Company shall not, without Lender's prior written consent, assign or transfer, or delegate any responsibilities with respect to, any Gaming License or Operating Permit.

(c) Borrower shall cause Operating Company to make all filings required under the Gaming Laws, or in connection with any Gaming Licenses or Operating Permits, including in connection with the origination of the Mortgage Loan and the Mezzanine Loans, and shall deliver copies of such filings as Lender shall reasonably request to Lender, promptly upon request. Borrower will timely pay all fees, investigative fees and costs required by the Gaming Authorities with respect to any such approvals and licenses. Borrower will and will cause Mortgage Borrower to diligently and comprehensively respond to any inquiries and requests from the Gaming Authorities and promptly file or cause to be filed any additional information required in connection with any required filings as soon as practicable after receipt of requests therefor.

(d) Upon request of Lender, Borrower shall deliver to Lender (or cause Operating Company to deliver to Lender) such evidence of compliance (by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company and each Individual Property) with all Legal Requirements, including Gaming Laws as shall be reasonably requested by Lender. Borrower shall immediately deliver to Lender (and shall cause Operating Company and Mortgage Borrower to deliver to Lender) any notice of material non-compliance or material violation of any Legal Requirement, or of any material inquiry or investigation commenced by the Gaming Authorities in connection with any of the Properties. Borrower shall immediately notify Lender if it, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company believe that any material license, including any Gaming License, is being or could be revoked or suspended, or that any action is pending, being considered or being, or could be, taken to revoke or suspend Borrower's, Senior Mezzanine Borrower's, Mortgage Borrower's or Operating Company's material licenses, including the Gaming Licenses, or to fine, penalize or impose remedies upon Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company, or that any action is pending, being considered, or being, or could be, taken to discontinue, suspend, deny, decrease or recoup any payments due, made or coming due to Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company, in each case if same might reasonably be expected to have an Individual Material Adverse Effect. Borrower shall immediately deliver to Lender any notice received by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company alleging or relating to the material non-compliance by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company with any Legal Requirements, including Gaming Laws.

(e) In the event that any of the Operating Leases expire or are terminated (without limiting any obligation of Borrower to obtain Lender's consent to any termination or modification of any of the Operating Leases in accordance with the terms and provisions of this Agreement), Borrower shall cause Mortgage Borrower to promptly enter into a replacement Operating Lease (in form and substance satisfactory to Lender) with Operating Company or

another operating company reasonably satisfactory to Lender, provided Borrower will obtain a Rating Agency Confirmation as a condition to the effectiveness of such replacement Operating Lease and that Borrower will cause Guarantor (Operating Lease) to execute and deliver an operating lease guaranty in the same form and substance as the Operating Lease Guaranty.

(f) Borrower shall cause Mortgage Borrower to: (i) promptly perform and/or observe, in all material respects, all of the covenants and agreements required to be performed and observed by it under the Operating Lease and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any material default under any Operating Lease or Operating Lease Guaranty of which it is aware; (iii) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, notice, report and estimate received by it under each Operating Lease; and (iv) enforce the performance and observance of all of the material covenants and agreements required to be performed and/or observed by each Operating Company under each Operating Lease and by each Guarantor (Operating Lease) under each Operating Lease Guaranty, in a commercially reasonable manner.

(g) Borrower shall cause Mortgage Borrower to cause the Hotel Components to be at all times open for business as a hotel and the Casino Components to be open for business as a casino, except to the extent necessary to undertake any alterations or repairs (subject to the provisions of this Agreement with respect to the performance of any such alterations or repairs). Borrower shall cause each Individual Property to be at all times operated, managed and maintained, at all times and in the manner and accordance with the standards required pursuant to the Operating Leases and all applicable Legal Requirements in all material respects.

(h) If Mortgage Borrower shall be in material default under any Operating Lease, then, subject to the terms of such Operating Lease, Borrower shall cause Mortgage Borrower (subject to any applicable Legal Requirements) to grant Lender the right (but not the obligation), to cause the default or defaults under such Operating Lease to be remedied and otherwise exercise any and all rights of Mortgage Borrower under such Operating Lease, as may be necessary to prevent or cure any default provided such actions are necessary to protect Lender's interest under the Loan Documents, and Lender shall have the right to enter all or any portion of the affected Individual Property at such times and in such manner as Lender deems necessary, to prevent or to cure any such default. The actions or payments of Lender to cure any default by Mortgage Borrower under any Operating Lease shall not remove or waive, as between Borrower and Lender, any default that may occur or occurred under this Agreement by virtue of such default by Mortgage Borrower under such Operating Lease. All out-of-pocket sums reasonably expended by Lender to cure any such default shall be paid by Borrower to Lender, upon demand, with interest on such sum at the rate set forth in this Agreement from the date such sum is expended to and including the date the reimbursement payment is made to Lender. All such indebtedness shall be deemed to be secured by the Pledge Agreement and the Collateral.

(i) Borrower shall notify Lender promptly in writing of (i) the occurrence, to Borrower's knowledge, of any material default by any party to any Operating Lease or any Operating Lease Guaranty, (ii) the occurrence, to Borrower's knowledge, of any event that, with the passage of time or service of notice, or both, would constitute a material default by any party under any Operating Lease or any Operating Lease Guaranty, and (iii) the receipt by Borrower or

its Affiliate of any notice (written or otherwise) from any party under any Operating Lease or any Operating Lease Guaranty noting or claiming the occurrence of any material default by Borrower under such Operating Lease or such Operating Lease Guaranty.

(j) Borrower shall (subject to any applicable Legal Requirements) promptly cause Mortgage Borrower to execute, acknowledge and deliver to Lender such instruments as may reasonably be required to permit Lender to cure any material default under any Operating Lease or permit Lender to take such other action required to enable Lender to cure or remedy the matter in default and preserve the value of the security interest of Lender under the Loan Documents with respect to the Collateral. Upon the occurrence and during the continuance of an Event of Default, Borrower irrevocably appoints Lender as its true and lawful attorney-in-fact to do, in its name or otherwise, any and all acts and to execute any and all documents that are necessary to preserve any rights of Mortgage Borrower under or with respect to any Operating Lease, including, without limitation, the right to effectuate any extension or renewal of any Operating Lease, or to preserve any rights of Mortgage Borrower whatsoever in respect of any part of any Operating Lease (and the above powers granted to Lender are coupled with an interest and shall be irrevocable).

(k) With respect to any Operating Lease or any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days' prior written request from Lender, execute, acknowledge and deliver to Lender, a statement containing the following: (A) a statement that such Operating Lease or such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease or the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications, (B) a statement that Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Borrower's knowledge, either the other party thereto is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to the Operating Lease or the Operating Lease Guaranty as Lender shall reasonably request.

(l) With respect to any Operating Lease, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from each Operating Company containing the following: (A) a statement that such Operating Lease is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease is in full force and effect as modified and setting forth such modifications, (B) a statement that Operating Company is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Operating Company's knowledge, the Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to Operating Company, any Operating Lease and/or any Operating Lease Guaranty as Lender shall reasonably request.

(m) With respect to any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from Guarantor (Operating Lease) containing the following: (A) a statement that such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications; (B) a statement that Guarantor (Operating Lease) is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default; and (C) such other information with respect to such Guarantor (Operating Lease) and/or Operating Lease Guaranty as Lender shall reasonably request.

**5.1.23 Ground Lease Estoppel.** Borrower shall, on or prior to May 28, 2008, either (i) effect the substitution of the Properties commonly known as "Paris Las Vegas" and "Harrah's Laughlin" for the Individual Properties referred to as "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe" and "Showboat Atlantic City" as described in Section 2.5.2 of this Agreement or (ii) (x) cause the occurrence of the events set forth in paragraph 1, clause (ii) of the Ground Lease Side Letter and (y) in connection therewith, deliver to Lender updates to its UCC Title Insurance Policy and any endorsements to the Mortgage Borrower's owner's policies delivered to Lender in connection with the closing of the Loan, together with such other documents, instruments and new or updated opinions (including as to enforceability, non-consolidation and true lease matters) as Lender may reasonably request. The failure by Borrower to cause the occurrence of the event described in clause (i) or of the events described in clause (ii) above, on or prior to May 28, 2008 shall constitute a "Ground Lease Estoppel Trigger Event" hereunder, but shall not constitute a Default or an Event of Default hereunder.

**5.1.24 Mortgage Loan Reserve Funds.** Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to deposit and maintain each of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds (if any) as more particularly set forth in Article VII of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement and to perform and comply with all the terms and provisions relating thereto. Borrower grants to Lender a first-priority perfected security interest in Borrower's interest in each of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds, if any, subject to the prior rights of Mortgage Lender and Senior Mezzanine Lender, and any and all monies now or hereafter deposited in each Mortgage Loan Reserve Fund and Senior Mezzanine Loan Reserve Funds as additional security for payment of the Debt to the extent Borrower has an interest in same. Subject to the qualifications regarding Mortgage Lender's and Senior Mezzanine Lender's interest in the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds (as applicable), if any, until expended or applied in accordance with the Mortgage Loan Documents, Senior Mezzanine Loan Documents or the Loan Documents, Borrower's interest in the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds shall constitute additional security for the Debt and upon the occurrence of an Event of Default, Lender may, in addition to any and all other remedies available to Lender, apply any sums then present in any or all of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds to the payment of the Debt in any order in its sole discretion and/or hold the same as Collateral for the Loan.

**5.1.25 Notices.** Borrower shall give notice, or cause notice to be given to Lender promptly upon the occurrence and during the continuance of an Event of Default and upon any of the following:

(a) any Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default;

(b) any default or event of default under any contractual obligation of Borrower, or, to the knowledge of Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor that could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect;

(c) any litigation or proceeding affecting Borrower, or, to the knowledge of Borrower, affecting any of Mortgage Borrower, Senior Mezzanine Borrower, Operating Company, Principal or Guarantor, which could or could reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect; or

(d) a change in the business, operations, property or financial or other condition or prospects of Borrower, or, to the knowledge of Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor which could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect.

**5.1.26 Special Distributions.** On each date on which amounts are required to be paid to Lender under any of the Loan Documents (or required be disbursed to the Mezzanine Collection Account, if applicable) Borrower shall exercise its rights under the First Mezzanine Borrower Company Agreement to cause Senior Mezzanine Borrower to make to Borrower a distribution in an aggregate amount such that Lender shall receive the amount required to be disbursed to the Mezzanine Collection Account or otherwise paid to Lender on such date.

**5.1.27 Curing.** Lender shall have the right, but shall not have the obligation, to exercise Borrower's rights under the First Mezzanine Borrower Company Agreement (a) to cure a Mortgage Loan Default, or Senior Mezzanine Loan Default, (b) to cure a Mortgage Loan Event of Default, or Senior Mezzanine Loan Event of Default, (c) to satisfy any Liens, claims or judgments against the Properties (except for Liens permitted by the Mortgage Loan Documents or Senior Mezzanine Loan Documents), (d) to satisfy any Liens, claims or judgments against the Senior Mezzanine Collateral, in the case of either (a), (b) or (c), unless Borrower, Senior Mezzanine Borrower or Mortgage Borrower shall be diligently pursuing remedies to cure the Mortgage Loan Default, the Senior Mezzanine Loan Default, the Senior Mezzanine Loan Event of Default or Mortgage Loan Event of Default or to satisfy any such Liens, claims or judgments, in either case to Lender's sole satisfaction. Borrower shall reimburse Lender on demand for any and all costs incurred by Lender in connection with curing any such Mortgage Loan Default, Senior Mezzanine Loan Default, Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default or satisfying any Liens, claims or judgments against any of the Properties or the Senior Mezzanine Collateral.

**5.1.28 Senior Borrower Covenants.** Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to comply with all obligations with which Mortgage Borrower and/or Senior Mezzanine Borrower have covenanted to comply under the Mortgage Loan Agreement, Senior Mezzanine Loan Agreement, all Senior Mezzanine Loan Documents and all other Mortgage Loan Documents, as applicable (including, without limitation, those certain affirmative and negative covenants set forth in Article V of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement), unless otherwise consented to in writing by Lender.

**Section 5.2. Negative Covenants.** From the date hereof until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Liens of the Collateral in accordance with the terms of this Agreement and the other Loan Documents, Borrower covenants and agrees with Lender that it will not do, directly or indirectly, any of the following (without, in each case, the prior written consent of Lender):

**5.2.1 Operation of Properties.** (a) Borrower shall not cause or permit Mortgage Borrower to, without Lender's prior consent: (i) surrender, terminate or cancel (or permit to be surrendered, terminated or canceled) any of the Operating Leases or any Operating Lease Guaranty; (ii) reduce or consent to the reduction of (or permit the reduction or the consent to the reduction) of the term of any of the Operating Leases; (iii) decrease or consent to any decrease (or permit to be decreased or the consent to the decrease) of the amount of any rent or other charges payable under any of the Operating Leases; (iv) Transfer, convey, assign, sell, mortgage, encumber, pledge, hypothecate, grant a security interest in, grant an option or options with respect to, or otherwise dispose of (directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, whether or not for consideration) the Properties or any collateral for the Mortgage Loan (or permit Operating Company to do so), in each case without the prior written consent of Lender or except as expressly permitted in Section 5.2.10, or (v) otherwise modify, change, supplement, alter or amend, or waive or release (or permit to be modified, changed, supplemented, altered, amended, waived or released) any of the rights and remedies of Borrower, Mortgage Borrower or any Operating Company under any of the Operating Leases in any material respect or any Operating Lease Guaranty (provided that Lender shall not unreasonably withhold its consent to any modification, change, supplement, alteration, amendment, waiver or release of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document).

(b) During the continuance of an Event of Default, Borrower shall not exercise (and shall not cause or permit Mortgage Borrower to exercise) any rights, make any decisions, grant any approvals or otherwise take any action under any Operating Lease, Operating Lease Guaranty or any management agreement without, in each instance, the prior written consent of Lender, which consent may be withheld in Lender's sole discretion.

**5.2.2 Liens.** (a) Borrower shall not create, incur, assume or suffer to exist any Lien on any of the Collateral, except Liens created by or permitted pursuant to the Loan Documents. Borrower shall not, and shall not cause or permit Mortgage Borrower or Senior Mezzanine Borrower to create, incur, assume or suffer to exist any Lien on any portion of any Individual Property or Senior Mezzanine Collateral or permit any such action to be taken, except:

(i) Permitted Encumbrances;

(ii) Liens created by or permitted pursuant to the Loan Documents, Senior Mezzanine Loan Documents or Mortgage Loan Documents; and

(iii) Liens for Taxes or Other Charges not yet due.

(b) Borrower shall not incur any Indebtedness other than the Loan, shall not permit Mortgage Borrower to incur any Indebtedness other than the Mortgage Loan and Permitted Indebtedness (as defined in the Mortgage Loan Agreement), and shall not permit Senior Mezzanine Borrower to incur any Indebtedness other than the Senior Mezzanine Loans. Borrower shall not permit any Operating Company to incur Indebtedness in excess or other than Permitted Indebtedness (Operating Company).

**5.2.3 Dissolution.** Borrower shall not, and shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, (a) engage in any dissolution, liquidation or consolidation or merger with or into any other business entity, (b) engage in any business activity not related to (i) in the case of Borrower, the ownership of the Collateral, (ii) in the case of Senior Mezzanine Borrower, ownership of the Senior Mezzanine Collateral, (iii) in the case of Mortgage Borrower, the ownership and operation of the Properties and (iv) in the case of Operating Company, the leasing and operation of the Properties, (c) transfer, lease or sell, in one transaction or any combination of transactions, the assets or all or substantially all of the properties or assets of Borrower, Senior Mezzanine Borrower or Mortgage Borrower except to the extent permitted by the Loan Documents, (d) modify (in any material respect), amend (in any material respect), waive or terminate its organizational documents or its qualification and good standing in any jurisdiction or (e) cause Holdings to (i) dissolve, wind up or liquidate or take any action, or omit to take an action, as a result of which Holdings, Senior Mezzanine Borrower or Mortgage Borrower would be dissolved, wound up or liquidated in whole or in part, or (ii) amend (in any material respect), modify (in any material respect), waive or terminate the certificate of incorporation or bylaws of Holdings, Senior Mezzanine Borrower or Mortgage Borrower, in each case, without obtaining the prior consent of Lender.

**5.2.4 Change in Business.** Borrower shall not cause Mortgage Borrower to enter into any line of business other than the ownership and operation of any of the Properties and other activities reasonably ancillary thereto, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. In addition, Borrower shall not permit or cause Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's business. Borrower shall not enter into any line of business other than the ownership of the Collateral, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. Borrower shall not allow Senior Mezzanine Borrower to enter into any line of business other than the direct or indirect ownership of the applicable Senior Mezzanine Collateral or make any material change in the scope or nature of its business objectives, purposes

or operations, or undertake or participate in activities other than the continuance of its present business.

**5.2.5 Debt Cancellation.** Borrower shall not, and shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, cancel or otherwise forgive or release any claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower, Borrower or Senior Mezzanine Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's, Borrower's or Senior Mezzanine Borrower's business. In addition, Borrower shall not permit or cause itself, Senior Mezzanine Borrower, or Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Senior Mezzanine Borrower, Borrower or Mortgage Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's, Borrower's or Senior Mezzanine Borrower's business.

**5.2.6 Zoning.** Borrower shall not, and shall not permit Mortgage Borrower or Operating Company to, initiate or consent to any zoning reclassification of any portion of any Individual Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of any Individual Property in any manner that could result in such use becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of Lender.

**5.2.7 Ground Lease.** Borrower shall not (or shall not cause or permit Mortgage Borrower or Ground Lease Subsidiary, as applicable, to) (a) fail to pay any rent, additional rent or other charge mentioned in or made payable under any Ground Lease as and when such rent or other charge is due (unless waived in writing by the ground lessor under such Ground Lease), (b) permit to occur any event of default (beyond any applicable notice, grace or cure periods) by any Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant under the related Ground Lease, in the observance or performance of any term, covenant or condition of such Ground Lease on the part of such Mortgage Borrower or Ground Lease Subsidiary, as applicable, to be observed or performed (unless waived in writing by the ground lessor under such Ground Lease), (c) permit any one or more of the events referred to in any Ground Lease to occur which would cause such Ground Lease to terminate without notice or action by the ground lessor under such Ground Lease or which would entitle such ground lessor to terminate such Ground Lease and the term thereof by giving notice to the related Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant thereunder (unless waived in writing by the ground lessor under such Ground Lease), (d) permit the leasehold estate created by any Ground Lease to be surrendered or any Ground Lease to be terminated or canceled for any reason or under any circumstances whatsoever or (e) permit any of the terms, covenants or conditions of any Ground Lease to be materially modified, materially changed, materially supplemented, materially altered, or materially amended without the consent of Lender except as otherwise may be permitted by this Agreement.

**5.2.8 Principal Place of Business and Organization.** Borrower shall not, nor shall Borrower permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, change the place of its organization as set forth in Section 4.1.28 without the consent of Lender, which consent shall not be unreasonably withheld. Upon Lender's request, Borrower

shall (and shall cause Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to) execute and deliver additional financing statements, security agreements and other instruments which may be necessary to effectively evidence or perfect Mortgage Lender's security interest in any of the Properties, any Senior Mezzanine Lender's Security Interest in the related Senior Mezzanine Collateral or Lender's security interest in the Collateral as a result of such change of place of organization.

**5.2.9 ERISA.** (a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of the Loan, as requested by Lender in its sole discretion, that (i) Borrower is not an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(32) of ERISA; (ii) Borrower is not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans; and (iii) one or more of the following circumstances is true:

(A) Equity interests in Borrower are publicly offered securities, within the meaning of 29 C.F.R. § 2510.3-101(b)(2);

(B) Less than twenty-five percent (25%) of each outstanding class of equity interests in Borrower is held by "benefit plan investors" within the meaning of 29 C.F.R. § 2510.3-101(f)(2); or

(C) Borrower qualifies as an "operating company" or a "real estate operating company" within the meaning of 29 C.F.R. § 2510.3-101(c) or (e).

**5.2.10 Transfers.** (a) Without the prior consent of Lender and except to the extent otherwise set forth in this Section 5.2.10, Borrower shall not, and shall not permit any other Person holding any direct or indirect legal, economic, beneficial or other ownership interest in Borrower, the Collateral, the Senior Mezzanine Collateral or one or more of the Properties to, (1) Transfer all or any part of the Collateral, the Senior Mezzanine Collateral or one or more of the Properties, (2) permit any Transfer (directly or indirectly) of any direct or indirect interest in Borrower, or (3) permit any Transfer (directly or indirectly) of any direct or indirect interest in Operating Company or any transfer or assignment or subletting (of all or substantially of any Individual Property) by any Operating Company under any Operating Lease.

(b) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) an indirect beneficial interest in Borrower consisting of ownership interests in or at any level above the Borrower shall be permitted without Lender's consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Borrower is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, (iii) subsequent to such Transfer, Borrower will continue to be a Special Purpose

Entity, (iv) if (1) such Transfer causes the Transferee to own, in the aggregate with the ownership interests of its Affiliates, more than a forty nine percent (49%) interest in Borrower (and the Transferee (together with the ownership interests of its Affiliates) did not, prior to such Transfer, own more than a forty-nine percent (49%) interest in Borrower), or (2) such Transfer, together with all other Transfers by Borrower, whether in a single Transfer or in a series of Transfers and whether or not effected simultaneously, results in a Transfer of more than forty-nine percent (49%) of the aggregate interests in Borrower, then if required by applicable Rating Agency requirements, an acceptable non-consolidation opinion is delivered to the holder of the Loan and to each of the Rating Agencies concerning, as applicable, Borrower, the new Transferee and/or their respective owners, and (v) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions. Further, a Change in Control shall be deemed a Transfer hereunder and, unless clauses (ii) through (v) of this Section 5.2.10(b) shall be satisfied, the same shall be an Event of Default hereunder (and for the sake of clarity, nothing else contained in this Section 5.2.10 or this Agreement shall be deemed to limit or qualify the above terms of this sentence).

(c) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) a direct or indirect beneficial interest in Operating Company shall be permitted without Lender's consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Operating Company is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, and (iii) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions.

(d) In the event that a permitted Transfer of more than a forty nine percent (49%) interest in Borrower is made pursuant to this Section 5.2.10, at Borrower's request, Lender shall release Guarantor from (i) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty for obligations and liabilities arising from and after the date of such Transfer, and (ii) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred either prior or subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty, including those which occurred prior to the Transfer. Notwithstanding the foregoing or anything else that may be construed to the contrary, in no event may Borrower effect a Transfer, or permit or suffer any Transfer, that would result in any loss or impairment of any Gaming License or in any similar event that would have an Individual Property Material Adverse Effect or Aggregate Property Material Adverse Effect.

(e) Notwithstanding the foregoing or anything herein to the contrary, but subject to the final sentence of Section 5.2.10(d), nothing contained in this Agreement or the other Loan Documents shall in any way restrict or prohibit, nor shall any notice to Lender or consent of Lender or Rating Agency Confirmation be required in connection with the Transfer or issuance in the ordinary course of any securities in any Person whose securities are publicly traded on a national exchange (except to the extent that the same would cause a Change of Control) or with an initial public offering of securities issued by Holdings or of subsidiary of Holdings (other than the Borrower and any Mezzanine Borrower (provided that, in the case of an issuance by a subsidiary, such issuance would not cause a Change of Control)).

(f) Assumptions of the Loan shall be permitted, provided that the following conditions are satisfied and/or occur to Lender's satisfaction:

(i) such sale has been approved or deemed approved under the Mortgage Loan Documents and Senior Mezzanine Loan Documents and all conditions set forth in the Mortgage Loan Documents and Senior Mezzanine Loan Documents relating thereto have been satisfied;

(ii) an assumption of this Agreement, the Note, the Pledge Agreement and the other Loan Documents as so modified by the proposed transferee, subject to the provisions of Section 9.3 hereof;

(iii) payment of all of reasonable out-of-pocket costs and expenses incurred in connection with such Transfer including, without limitation, the cost of any legal fees and expenses, Rating Agency fees and expenses or required legal opinions;

(iv) the payment of a non-refundable assumption fee equal to Lender's Share of One Million and No/100 Dollars (\$1,000,000) per transaction (effecting an assumption of the Loan) or series of related transactions (effected to implement an assumption of the Loan);

(v) the delivery of an Additional Insolvency Opinion reflecting the proposed transfer satisfactory in form and substance to Lender; and the delivery of an Additional True-Lease Opinion in form and substance satisfactory to Lender;

(vi) the proposed Transferee being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees;

(vii) the Operating Company being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees, having sufficient experience (or having a manager that has sufficient experience) in the management of properties similar to the Properties, and such Operating Company or its manager not having materially less than the same level of experience in the operation of properties similar to the Properties as the current Operating Company under the Operating Lease and, in each case, Lender shall be provided with reasonable evidence thereof (and Lender reserves the right to approve the Transferee(s) without approving the substitution of the Operating Company) and the operating tenant shall be either the Operating Company or, if permitted by applicable Legal Requirements, a manager acceptable to Lender under a management

agreement acceptable to Lender; provided that so long as the Operating Lease is in force and effect and the current Operating Company shall continue to be the tenant thereunder and owned and Controlled by the same Person(s) that currently own and Control the Operating Company, the condition with respect to the Operating Company set forth in this subclause (vi) shall be deemed to have been met in all respects;

(viii) the delivery of evidence reasonably satisfactory to Lender that the single purpose nature and bankruptcy remoteness of Borrower, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the then current standards of Lender and the Rating Agencies; and the Transferee(s)' continued compliance with the representations and covenants set forth in Section 4.1.30 and Section 5.2.9 hereof;

(ix) Borrower's delivery to Lender of evidence reasonably satisfactory to Lender of any required approval or consent of any Governmental Authority, including the Gaming Authorities, that has direct or indirect authority or oversight over Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Properties, Operating Company or the operations conducted at the Properties to the change in ownership and/or operator of the Properties (or any part thereof);

(x) prior to any release of the Guarantor, a substitute guarantor reasonably acceptable to Lender shall have assumed all of the obligations of the Guarantor under the Guaranty (FF&E), the Guaranty (Recourse Carveouts), the Operating Lease Guaranty, the Guaranty (Ground Lease Estoppel), any completion guaranty provided under Section 5.1.21 and the Environmental Indemnity or executed replacement guaranties and an environmental indemnity reasonably satisfactory to Lender;

(xi) receipt of evidence satisfactory to Lender that all of the entities which own interests in the transferee similar to the interests in Borrower owned by Principal (1) shall assume all the agreements of Principal related to the Loan, if any (and without limiting the foregoing, all of the ownership interests in Borrower, all payments thereon and all proceeds thereof shall be pledged to Lender on terms no less favorable than the pledge of the Collateral under the applicable Pledge Agreement) and (2) shall each be a bankruptcy remote single purpose entity.

(xii) a written consent to the transfer from the lender under each Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender;

(xiii) subsequent to such assumption of the Loan, the beneficial ownership of Borrower and Operating Company will be substantially identical; and

(xiv) the delivery of a new Owner's Title Policy, in an amount equal to the value of the Properties, together with an endorsement to Lender in form and substance reasonably satisfactory to Lender.

Lender agrees to provide a written consent to a transfer pursuant to this Section 5.2.10(f) upon satisfaction of all of the conditions set forth in this Section 5.2.10(f) other than the condition set forth in clause (xiii) of this Section 5.2.10(f).

(g) Restrictions on Transfers set forth herein or in the Pledge shall not apply to (i) the pledge of the Collateral to Lender pursuant to the Pledge Agreement, (ii) the pledge by First Mezzanine Borrower of the ownership interests in Mortgage Borrower as security for the First Mezzanine Loan pursuant to the First Mezzanine Loan Agreement, (iii) the pledge by Second Mezzanine Borrower of the ownership interests in First Mezzanine Borrower as security for the Second Mezzanine Loan pursuant to the Second Mezzanine Loan Agreement, (iv) the pledge by Third Mezzanine Borrower of the ownership interests in Second Mezzanine Borrower as security for the Third Mezzanine Loan pursuant to the Third Mezzanine Loan Agreement, (v) the pledge by Fourth Mezzanine Borrower of the ownership interests in Third Mezzanine Borrower as security for the Fourth Mezzanine Loan pursuant to the Fourth Mezzanine Loan Agreement, (vi) the pledge by Fifth Mezzanine Borrower of the ownership interests in Fourth Mezzanine Borrower as security for the Fifth Mezzanine Loan pursuant to the Fifth Mezzanine Loan Agreement, (vii) the pledge by Sixth Mezzanine Borrower of the ownership interests in Fifth Mezzanine Borrower as security for the Sixth Mezzanine Loan pursuant to the Sixth Mezzanine Loan Agreement, (viii) the pledge by Seventh Mezzanine Borrower of the ownership interests in Sixth Mezzanine Borrower as security for the Seventh Mezzanine Loan pursuant to the Seventh Mezzanine Loan Agreement, (ix) the pledge by Eighth Mezzanine Borrower of the ownership interests in Seventh Mezzanine Borrower as security for the Eighth Mezzanine Loan pursuant to the Eighth Mezzanine Loan Agreement, (x) any pledge pursuant to a New Mezzanine Loan or (xi) the Transfer or pledge of any direct or indirect interest in Holdings, provided that no Change in Control shall occur.

(h) Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer without Lender's consent. This provision shall apply to every Transfer regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer.

**5.2.11 Operating Lease Subsidiary.** Borrower shall not cause or permit Mortgage Borrower to Transfer any of its interests in Ground Lease Subsidiary without the prior written consent of Lender; Borrower shall not permit Mortgage Borrower to cause or permit Ground Lease Subsidiary to own any assets other than its interests in the Ground Lease or to incur any liabilities other than liabilities under the Ground Lease; Borrower shall not permit Mortgage Borrower to cause or permit Ground Lease Subsidiary to engage in any business other than that related to its ownership of interests in the Ground Lease.

**5.2.12 Limitations on Distributions.** Following the occurrence and during the continuance of an Event of Default, Borrower shall not make any distributions to its members. If any Distributions shall be received by Borrower or any Affiliate of Borrower after the occurrence and during the continuance of an Event of Default, Borrower shall hold, or shall cause the same to be held, in trust for the benefit of Lender.

**5.2.13 Other Limitations.** Prior to the payment in full of the Debt, neither Borrower nor any of its Affiliates shall, without the prior written consent of Lender (which may be furnished or withheld at its sole and absolute discretion), give its consent or approval to any of the following actions or items: the distribution by Mortgage Borrower or Senior Mezzanine Borrower of property other than cash.

**5.2.14 Refinancing.** Borrower shall not consent to or permit a refinancing of the Mortgage Loan or Senior Mezzanine Loan unless it obtains the prior consent of Lender, unless the Loan shall be paid in full in connection with such refinancing in accordance with this Agreement. Borrower shall not consent to or permit a prepayment in full or in part of the Mortgage Loan or Senior Mezzanine Loan unless it obtains the prior consent of Lender, unless the Loan shall likewise be prepaid (in the same proportion, in the case of any partial prepayment) in accordance with this Agreement.

**Section 5.3. General.** For avoidance of doubt, all requirements contained in this Article V with respect to the Operating Company shall mean that it shall be a Default or Event of Default hereunder if Operating Company fails to perform in the specified manner, but Lender acknowledges that Operating Company is not a party to this Agreement and that Borrower does not control Operating Company.

## **VI. INSURANCE; CASUALTY; CONDEMNATION**

**Section 6.1. Insurance.** (a) Borrower shall cause Mortgage Borrower to maintain at all times during the term of the Loan the Policies required under Section 6.1 of the Mortgage Loan Agreement, including, without limitation, meeting all insurer requirements thereunder. In addition, Borrower shall cause Lender to be named “as their interest may appear”, under the Policies required under Sections 6.1(a)(i), (ii), (iii), (iv), (v), (vi), (vii), (viii), (ix), (x) and (xi) of the Mortgage Loan Agreement and as an “additional insured” with respect to liability coverages. Borrower shall also cause all insurance policies required under this Section 6.1 to provide for at least thirty (30) days’ prior notice to Lender in the event of policy cancellation or material changes. Borrower shall provide Lender with evidence of all such insurance required hereunder on or before the date on which Mortgage Borrower is required to provide such evidence to Mortgage Lender. For purposes of this Agreement, Lender shall have the same approval rights over the insurance referred to above and in the Mortgage Loan Agreement (including, without limitation, the insurers, deductibles and coverages thereunder, as well as the right to require other reasonable insurance pursuant to Section 6.1 of the Mortgage Loan Agreement) as are provided in favor of the Mortgage Lender in the Mortgage Loan Agreement.

(b) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in any of the Properties or the Collateral, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate (but limited to the coverages and amounts required under the Mortgage Loan Agreement) and all premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and shall bear interest at the Default Rate.

**Section 6.2. Casualty.** If the Individual Property shall be materially damaged or destroyed, in whole or in part, by fire or other casualty (a “Casualty”), Borrower shall give prompt notice of such damage to Lender and shall cause Mortgage Borrower to promptly commence and diligently prosecute the completion of the Restoration of the Individual Property as nearly as possible to the condition the Individual Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Lender and otherwise in accordance with Section 6.4 of the Mortgage Loan Agreement. Borrower shall cause Mortgage Borrower to pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower or Mortgage Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than, in the case of each Casualty, an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for the affected Individual Property and the “Allocated Loan Amounts” under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for the affected Individual Property, and Borrower shall deliver to Lender all instruments required by Lender to permit such participation.

**Section 6.3. Condemnation.** Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of any Individual Property and shall cause Mortgage Borrower to deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If any Individual Property or any portion thereof is taken by a condemning authority, Borrower shall cause Mortgage Borrower to promptly commence and diligently prosecute the Restoration of the applicable Individual Property and otherwise comply with the provisions of Section 6.4 of the Mortgage Loan Agreement. If any Individual Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

**Section 6.4. Restoration.** Borrower shall, or shall cause Mortgage Borrower to, deliver to Lender all reports, plans, specifications, documents and other materials that are delivered to Mortgage Lender under Section 6.4 of the Mortgage Loan Agreement in connection with the Restoration of any Individual Property after a Casualty or Condemnation.

## VII. RESERVE FUNDS

### Section 7.1. Intentionally Omitted.

**Section 7.2. Tax and Insurance Escrow Fund.** (a) If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, on each Payment Date during such period, Borrower shall pay to Lender (or Servicer, as directed by Lender) an amount equal to (i) one-twelfth of the Taxes that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes at least thirty (30) days prior to their respective due dates, and (ii) one-twelfth of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (i) and (ii) above hereinafter called the "**Tax and Insurance Escrow Fund**"). Lender shall apply the Tax and Insurance Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.1.2 hereof and under the Mortgage Loan Agreement. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 5.1.2 hereof, provided no Event of Default shall have occurred and be continuing, then Lender shall return any excess to Borrower (or to Operating Company, if so directed by Borrower). In allocating such excess, Lender may deal with the Person shown on the records of Lender to be the owner of the Properties. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes and Insurance Premiums by the dates set forth in (i) and (ii) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

(b) Notwithstanding the foregoing, Borrower shall not be required to make any deposits into the Tax and Insurance Escrow Fund on account of Insurance Premiums if (and for so long as) Borrower shall maintain a blanket insurance policy in respect of the Properties that is in accordance with the provisions of Section 6.1(a) and otherwise satisfactory to Lender in all material respects.

(c) Any amount remaining in the Tax and Insurance Escrow Fund following the occurrence of a Trigger Event Cure shall be returned to Borrower (or Operating Company, as directed by Borrower).

**7.2.1 Waiver of Tax Escrow.** Borrower shall be relieved of its obligation to make deposits of Tax and Insurance Escrow Fund under Section 7.2 above, provided that (a) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a tax escrow account under the Mortgage Loan or Senior Mezzanine Loan, and

(b) Lender receives evidence acceptable to it of the making of such deposits and of the payment of all such Taxes.

**7.2.2 Tax and Insurance Escrow Funds After Debt Paid.** Any Tax and Insurance Escrow Funds remaining after the Debt has been paid in full shall be remitted to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

**Section 7.3. FF&E Reserve Account.**

**7.3.1 FF&E Reserve Fund.** (a) Unless Borrower shall have delivered to Lender a Guaranty (FF&E), Borrower shall pay to Lender (or Servicer, as directed by Lender) on each Payment Date an amount equal to (i) one-twelfth of three percent (3%) of the amount of all Revenues for the full calendar year prior to the first (1st) day of the month in which such Payment Date occurs, less (ii) any amount spent during the previous calendar month by Borrower or Operating Company on behalf of Borrower in accordance with the Operating Lease on account of FF&E (other than from the FF&E Reserve Fund, it being understood that amounts expended on account of FF&E from the FF&E Reserve Fund shall not be included in any deductions required pursuant to the preceding subclause (i) and that any FF&E that is purchased through disbursements from the FF&E Reserve Fund may not be subsequently financed by Borrower or Operating Company). Notwithstanding anything to the contrary contained herein, in no event shall Borrower be required to maintain in the FF&E Reserve Account an amount in excess of the aggregate amount of all FF&E deposits required to be made in the preceding calendar year (as determined, for purposes of this sentence, utilizing the monthly formula set forth in the preceding sentence). In addition, notwithstanding anything to the contrary contained herein, for purposes of determining the amount of any required FF&E Reserve Fund deposits (and for purposes of calculating such amount, monthly, based on the formula set forth in the first sentence of this Section 7.3.1), Revenues shall include Revenue from the Hotel Component and the Casino Component but shall not include non-Hotel or Casino related Revenues (e.g., Rents from retail tenants).

(b) Amounts deposited by Borrower as described in this Section 7.3.1 shall hereinafter be referred to as the "FF&E Reserve Fund" and the account in which such amounts are held shall hereinafter be referred to as the "FF&E Reserve Account".

**7.3.2 Disbursements from FF&E Reserve Account.** (a) All disbursements from the FF&E Reserve Account shall be made solely for the purpose of reimbursing Borrower (or Operating Company for FF&E bought on behalf and in the name of Borrower in accordance with the Operating Lease, as directed by Borrower) for its costs and expenses incurred, or for paying costs to be incurred, in connection with the repair, replacement and/or upgrade of FF&E at the Properties. Provided no Event of Default shall have occurred and be continuing, Lender shall, within ten (10) days following request by Borrower, make disbursements from the FF&E Reserve Fund no more frequently than once in any thirty (30) day period, in amounts no less than \$10,000 per disbursement (or a lesser amount if the total amount in the FF&E Reserve Account is less than \$10,000, in which case only one disbursement of the amount remaining in the account shall be made), and upon delivery by Borrower (or Operating Company) of Lender's standard form of draw request accompanied by copies of invoices for the amounts requested and,

if required by Lender for requests in excess of \$50,000 for a single item, receipts and releases from all parties furnishing materials and/or services in connection with the requested payment.

(b) Disbursements may be made from the FF&E Reserve Account, at Borrower's election, directly to third parties (as directed by Borrower).

(c) In no event shall funds in the FF&E Reserve Account be utilized to pay (or reimburse any Person) for any Capital Expenditures or non-recurring work being performed at the Properties.

**7.3.3 Balance in the FF&E Reserve Account.** (a) The insufficiency of any balance in the FF&E Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

**7.3.4 Waiver of FF&E Reserve.** Borrower shall be relieved of its obligation to make deposits of FF&E Reserve Fund under Section 7.3 above, provided that either (a)(i) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a FF&E reserve account under the Mortgage Loan or Senior Mezzanine Loan, and (ii) Lender receives evidence acceptable to it of the making of such deposits or (b) an FF&E Guaranty is provided to Mortgage Lender.

**7.3.5 FF&E Reserve Funds After Debt Paid.** Any FF&E Reserve Funds remaining after the Debt has been paid in full shall be remitted to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

#### **Section 7.4. Ground Rent Funds.**

**7.4.1 Deposits of Ground Rent Funds.** If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, Borrower shall deposit with Lender (or Servicer, as directed by Lender), at least ten (10) Business Days prior to each Payment Date during such period, an amount equal to the Ground Rent that will be payable under the Ground Lease for the month in which such Payment Date occurs. Amounts deposited by Borrower as described in this Section 7.4.1 shall hereinafter be referred to as the "**Ground Rent Reserve Fund**" and the account in which such amounts are held shall hereinafter be referred to as the "**Ground Rent Reserve Account**". Such deposit may be increased by Lender in the amount Lender deems is necessary in its reasonable discretion based on any increases in the Ground Rent.

**7.4.2 Release of Ground Rent Funds.** Provided no Event of Default has occurred and is continuing, Lender shall apply the Ground Rent Reserve Funds to payments of Ground Rent. In making any payment relating to Ground Rent, Lender may do so according to any bill or statement given by the Ground Lessor without inquiry into the accuracy of such bill or statement or into the validity of any rent, additional rent or other charge thereof. If the amount of the Ground Rent Reserve Funds shall exceed the amounts due for Ground Rent, Lender shall return any excess to Borrower.

**7.4.3 Waiver of Ground Rent Reserve.** Borrower shall be relieved of its obligation to make deposits of Ground Rent Reserve Funds under Section 7.4 above, provided that (a) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a ground rent reserve account under the Mortgage Loan or Senior Mezzanine Loan, and (b) Lender receives evidence acceptable to it of the making of such deposits and of the payment of all Ground Rent.

**7.4.4 Ground Rent Reserve Funds After Debt Paid.** Any Ground Rent Reserve Funds remaining after the Debt has been paid in full shall be remitted to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

**Section 7.5. Reserve Funds, Generally.** (a) Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt. Upon the occurrence and during the continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender.

(b) Borrower shall not, without obtaining the prior consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(c) The Reserve Funds shall be held by Lender (or Servicer) and may be invested at Borrower's election and direction in Permitted Investments routinely offered by the Servicer of the Securitization for investment by Borrower. All interest or other earnings on a Reserve Fund shall be added to and become a part of such Reserve Fund for the benefit of Borrower and shall be disbursed in the same manner as other monies deposited in such Reserve Fund. Borrower shall have the right to direct Lender (or Servicer) to invest sums on deposit in the Eligible Account in Permitted Investments provided (a) such investments are permitted by applicable federal, state and local rules, regulations and laws, (b) the maturity date of the Permitted Investment is not later than the date on which the applicable Reserve Funds are required for payment of an obligation for which such Reserve Fund was created, and (c) no Event of Default shall have occurred and be continuing. Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Reserve Funds. No other investments of the sums on deposit in the Reserve Funds shall be permitted except as set forth in this Section 7.5. Borrower shall bear all reasonable costs associated with the investment of the sums in the account in Permitted Investments. Such costs shall be deducted from the income or earnings on such investment, if any, and to the extent such income or earnings shall not be sufficient to pay such costs, such costs shall be paid by Borrower promptly on demand by Lender. Lender shall have no liability for the rate of return earned or losses incurred on the investment of the sums in Permitted Investments.

(d) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Reserve Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all Persons supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

**Section 7.6. Transfer of Reserve Funds Under Mortgage Loan and Senior Mezzanine Loan.** If Mortgage Lender or Senior Mezzanine Lender waives any reserves or escrow accounts required in accordance with the terms of the Mortgage Loan Agreement or Senior Mezzanine Loan Agreement which reserves or escrow accounts are also required in accordance with the terms of this Article VII, or if the Mortgage Loan or Senior Mezzanine Loan is refinanced or paid off in full (without a prepayment of the Loan) and Reserve Funds that are required hereunder are not required under the new mortgage loan, if any, then Borrower shall cause any amounts that would have been deposited into any reserves or escrow accounts in accordance with the terms of the Mortgage Loan Agreement or Senior Mezzanine Loan Agreement to be paid to and deposited with Lender in accordance with the terms of this Article VII (and Borrower shall enter into lockbox and cash management agreements for the benefit of Lender in form and substance acceptable to Lender).

#### **VIII. DEFAULTS**

**Section 8.1. Event of Default.** (a) Each of the following events shall constitute an event of default hereunder (an “Event of Default”):

(vi) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, Holdings, Operating Company or any Guarantor shall make an assignment for the benefit of creditors;

(viii) if Borrower attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;

(ix) if Borrower breaches any of its respective negative covenants contained in Section 5.2 or any covenant contained in Section 4.1.30 or Section 5.1.11 hereof (and, with respect to any such breach of any covenant set forth in Section 5.1.11 which is not the subject of any other subsection of this Section 8.1, Borrower fails to remedy such condition within ten (10) days after notice to Borrower from Lender, in the case of any such Default under Section 5.1.11 which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other such Default under Section 5.1.11);

(x) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;

(xi) if any of the assumptions contained in the Insolvency Opinion delivered to Lender in connection with the Loan, or in the Additional Insolvency Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect; or if any of the assumptions contained in the True Lease Opinion delivered to Lender in connection with the Loan, or in the Additional True Lease Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect;

(xii) if Mortgage Borrower, Operating Company or Guarantor (Operating Lease) is in default of any of its material obligations under the Operating Lease (or under another lease and/or management agreement in substitution for the Operating Lease in accordance herewith) or under the Operating Lease Guaranty (or under another operating lease guaranty in substitution for the Operating Lease Guaranty in accordance herewith) beyond any applicable notice and cure periods contained therein; or if any Operating Lease (or such other lease and/or management agreement) or any Operating Lease Guaranty (or such other operating lease guaranty) shall be surrendered or any Operating Lease or any Operating Lease Guaranty shall be terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Operating Lease (or such other lease and/or management agreement) or the Operating Lease Guaranty (or such other operating lease guaranty) shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender except as may otherwise expressly permitted in this Agreement;

(xiii) if any Affiliate of Borrower that is or becomes a party to the Windstorm Insurance Intercreditor Agreement is in default of any of its material obligations under the Windstorm Insurance Intercreditor Agreement beyond any applicable notice and cure periods contained therein; or if the Windstorm Insurance Intercreditor Agreement shall be surrendered, terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Windstorm Insurance Intercreditor Agreement shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender;

(xiv) if Borrower, Senior Mezzanine Borrower or Mortgage Borrower fails to comply with the covenants as to Prescribed Laws set forth in Section 5.1.1 hereof;

(xv) if (A) subject to any notice and cure periods contained in the applicable Ground Lease, Mortgage Borrower or Ground Lease Subsidiary, as applicable, shall fail in the payment of any rent, additional rent or other charge mentioned in or made payable by such Ground Lease as and when such rent or other charge is payable (unless waived by the landlord under such Ground Lease), (B) subject to any notice and cure periods contained in the applicable Ground Lease, there shall occur any default by Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant under such Ground Lease, in the observance or performance of any term, covenant or condition of the Ground Lease on the part of Mortgage Borrower or Ground Lease Subsidiary, as applicable, to be observed or performed (unless waived by the landlord under the Ground Lease) (other than any such default being contested by Borrower in good faith by appropriate

proceedings, provided that (i) no Event of Default has occurred and remains uncured, (ii) such proceeding shall be conducted in accordance with all applicable statutes, laws and ordinances, (iii) in Lender's reasonable determination, the Ground Lease is not in imminent danger of being forfeited, terminated, cancelled or lost and the Operating Company's use and operation of the ground leased premises in connection with the operation of Harrah's Lake Tahoe", "Harvey's Lake Tahoe" or "Bill's Lake Tahoe" is not in imminent danger of being denied, forfeited, terminated, cancelled or lost and (iv) Borrower shall furnish such security as may be reasonably requested by Lender), (C) any one or more of the events referred to in any Ground Lease shall occur which would cause the Ground Lease to terminate without notice or action by the landlord under the Ground Lease or which would entitle the landlord to terminate the Ground Lease and the term thereof by giving notice to Mortgage Borrower or Ground Lease Subsidiary, as applicable, as tenant thereunder (unless waived by the landlord under the Ground Lease), (D) the leasehold estate created by any Ground Lease shall be surrendered or the Ground Lease shall be terminated or canceled for any reason or under any circumstances whatsoever unless Mortgage Borrower or Ground Lease Subsidiary, as applicable, acquires the fee interest and mortgages same to Lender (unless Mortgage Borrower or Ground Lease Subsidiary, as applicable, acquires the fee interest, with Lender's prior reasonable approval, and mortgages same to Mortgage Lender) or (E) if any of the terms, covenants or conditions of any Ground Lease shall in any manner be modified, changed, supplemented, altered, or amended without the consent of Lender except as otherwise permitted by this Agreement;

(xvi) any Gaming License shall be refused, suspended, revoked, modified in a materially adverse manner or canceled or allowed to lapse or any proceeding is commenced by any Governmental Authority for the purpose of suspending, revoking or canceling any Gaming License in any materially adverse respect, or any Governmental Authority shall have appointed a conservator, supervisor or trustee to or for any of the Casino Components and, in each case of the foregoing, such action could reasonably be expected to (A) have an Individual Material Adverse Effect, (B) materially and adversely effect the continued operation of the Casino Components in the usual course of business and in substantially the same manner and to at least the same standard as was maintained prior to such action, or (C) result in any material decrease in the then expected cash flow and revenues to be derived from the Casino Components;

(xvii) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xv) above, for ten (10) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed one hundred twenty (120) days;

(xviii) if there shall be a default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Collateral or any Individual Property, or if any other such event shall occur or condition shall exist, if the effect of such event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt;

(xix) if the Liens created pursuant to any Loan Document shall cease to be a fully protected enforceable first priority security interest in the Collateral, or any portion of the Collateral is Transferred without Lender's prior written consent except as permitted hereunder; or

(xx) if a Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default shall occur.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi) or (vii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and in and to all or any of the Collateral, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents and may exercise all the rights and remedies of a secured party under the Uniform Commercial Code, as adopted and enacted by the State or States where any of the Collateral is located against Borrower and any or all of the Collateral, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in clauses (vi) or (vii) above, the Debt and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

**Section 8.2. Remedies.** (a) Upon the occurrence of an Event of Default, but in compliance with applicable Gaming Laws, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any of the Collateral. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any "one action" or "election of remedies" law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has

exhausted all of its remedies against the Collateral and the Collateral has been foreclosed upon, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any portion of the Collateral for the satisfaction of any of the Debt in preference or priority to any other portion of the Collateral, and Lender may seek satisfaction out of all of the Collateral or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose upon the Collateral in any manner and for any amounts secured by the Pledge Agreement then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose upon the Collateral to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose upon the Collateral to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Collateral as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to the Pledge Agreement and the other Loan Documents to secure payment of sums secured by the Pledge Agreement and other Loan Documents and not previously recovered.

(c) Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, pledges and other security documents (the “**Severed Loan Documents**”) in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender’s intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents. The Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date. The Severed Loan Documents shall (a) not increase the aggregate stated principal amount of the Loan, (b) provide that the weighted average spread of the Loan on the date of such severance shall equal the weighted average spread which was applicable to the Loan immediately prior to such severance (Borrower acknowledging that such Severed Loan Document may, in connection with the application of principal to the amounts evidenced by such Severed Loan Documents, subsequently cause the weighted average spread of such new notes or modified notes to change), (c) not adversely affect the overall economics to Borrower of the Loan, taken as a whole, or (d) expose Borrower to any additional costs or increased risk of any

liability (beyond that or greater than that existing in the Loan Documents in effect on the date hereof).

(d) The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

(e) Any amounts recovered from the Collateral after an Event of Default may be applied by Lender toward the payment of any interest and/or principal of the Loan and/or any other amounts due under the Loan Documents in such order, priority and proportions as Lender in its sole discretion shall determine.

(f) Upon the occurrence and during the continuance of an Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder or being deemed to have cured any Event of Default hereunder, make, do or perform any obligation of Borrower hereunder in such manner and to such extent as Lender may deem necessary. Borrower shall cause Mortgage Borrower to permit Lender to enter upon any Individual Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in any Individual Property for such purposes, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 8.2, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any action or proceeding shall bear interest at the Default

Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefore. Upon the occurrence and during the continuance of a Senior Mezzanine Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Senior Mezzanine Borrower and without releasing Senior Mezzanine Borrower from any obligation under the Senior Mezzanine Loan Documents or being deemed to have cured any Senior Mezzanine Loan Event of Default, make, do or perform any obligation of Senior Mezzanine Borrower under Senior Mezzanine Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Senior Mezzanine Loan Event of Default or such failed payment or act shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor. Upon the occurrence and during the continuance of a Mortgage Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Mortgage Borrower and without releasing Mortgage Borrower from any obligation under the Mortgage Loan Documents or being deemed to have cured any Mortgage Loan Event of Default, make, do or perform any obligation of Mortgage Borrower under Mortgage Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Mortgage Loan Event of Default or such failed payment or act shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor.

(g) For the purpose of carrying out the provisions and exercising the rights, powers and privileges granted in this Section 8.2, Borrower hereby irrevocably constitutes and appoints the Lender its true and lawful attorney-in-fact to execute, acknowledge and deliver any instruments and do and perform any acts such as are referred to in this subsection in the name and on behalf of Borrower upon the occurrence and during the continuance of an Event of Default. This power of attorney is a power coupled with an interest and cannot be revoked.

**Section 8.3. Intentionally Omitted.**

**Section 8.4. Costs of Collection.** In the event that after an Event of Default and during the continuance thereof: (a) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (b) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents or (c) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Pledge Agreement or any of the Loan Documents, then, in any such instance, Borrower shall pay to Lender all reasonable attorneys' fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

**IX. SPECIAL PROVISIONS**

**Section 9.1. Sale of Notes and Securitization.** Borrower acknowledges and agrees that the Lender may sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the "**Securities**") secured by or evidencing ownership interests in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such sales, participations and/or securitizations, collectively, a "**Securitization**"). At the request of Lender, and to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by

Lender in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization including, without limitation, to:

(a) provide or cause Mortgage Borrower and Senior Mezzanine Borrower to provide additional and/or updated Provided Information, together with appropriate verification and/or consents related to the Provided Information through letters of auditors or opinions of counsel of independent attorneys reasonably acceptable to Lender and the Rating Agencies;

(b) cooperate in good faith in the preparation of descriptive materials for presentations to any or all of the Rating Agencies, and work with, and if requested, supervise, third-party service providers engaged by Borrower, Holdings and their respective affiliates to obtain, collect, and deliver information requested or required by Lender or the Rating Agencies;

(c) deliver, if required or requested by any Rating Agency, (i) updated opinions of counsel as to non-consolidation, due execution and enforceability with respect to the Properties, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Collateral, the Senior Mezzanine Collateral, Principal, Holdings and their respective Affiliates and the Loan Documents, and (ii) revised organizational documents for Borrower, which counsel opinions and organizational documents shall be reasonably satisfactory to Lender and the Rating Agencies;

(d) if required by any Rating Agency, use commercially reasonable efforts to deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect any of the Properties, which estoppel letters, subordination agreements or other agreements shall be reasonably satisfactory to Lender and the Rating Agencies;

(e) execute such amendments to the Loan Documents as may be requested by Lender or the Rating Agencies to effect the Securitization and/or deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan such that the pricing and marketability of the Securities and the size of each class of Securities and the rating assigned to each such class by the Rating Agencies shall provide the most favorable rating levels and achieve the optimum rating levels for the Loan, provided that, (i) the aggregate stated principal amount of the notes, following such amendments or delivery of new or component notes, shall equal the aggregate stated principal amount of the Loan immediately prior thereto, (ii) the weighted average spread of the Loan on the date of such amendment or delivery of new or component notes shall equal the weighted average spread which was applicable to the Loan immediately prior to such adjustment (Borrower acknowledging that such new notes or modified notes may, in connection with the application of principal to such new notes or modified note following the occurrence of an Event of Default, but not otherwise, subsequently cause the weighted average spread of such new notes or modified notes to change and (iii) the provisions of Section 2.1.5 otherwise shall apply to any such amendments and delivery of new or component notes (such provisions being incorporated herein by this reference);

(f) if requested by Lender, review any information regarding any of the Properties, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, the Collateral,

the Senior Mezzanine Collateral, Holdings, the Operating Company and the Loan which is contained in a preliminary or final private placement memorandum, prospectus, prospectus supplement (including any amendment or supplement to either thereof), or other disclosure document to be used by Lender or any affiliate thereof; and

(g) supply to Lender such documentation, financial statements and reports in form and substance required in order to comply with any applicable securities laws (to the extent in Borrower's possession, or in the possession of Borrower's advisors, agents or employees), including, without limitation, if applicable, information necessary to comply with any applicable reporting or information requirements under Regulation D under the Securities Act of 1933 or Regulation S under the Securities Act of 1933.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters; except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

**Section 9.2. Securitization Indemnification.** (a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects to the extent in Borrower's possession.

(b) Borrower agrees to provide, in connection with the Securitization, an indemnification agreement (i) certifying that (A) Borrower has carefully examined the Disclosure Documents, including, without limitation, the sections entitled "Risk Factors," "Special Considerations," "Description of the Collateral," "Description of the Mezzanine Loans," "The Operating Company," "The Borrower" and "Certain Legal Aspects of the Mezzanine Loans," and (B) such sections and such other information in the Disclosure Documents (to the extent such information relates to or includes any Provided Information or any information regarding the Properties, Borrower, Mortgage Borrower, the Collateral, the Senior Mezzanine Collateral and/or Operating Company) (collectively with the Provided Information, the "**Covered Disclosure Information**") do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (ii) indemnifying Lender, each Noteholder, JPM (whether or not it is the Lender), any Affiliate of JPM or a Noteholder that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of JPM or a Noteholder that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of

Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Indemnified Persons**”), for any losses, claims, damages, liabilities, costs or expenses (including, without limitation, legal fees and expenses for enforcement of these obligations (collectively, the “**Liabilities**”)) to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (iii) agreeing to reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Person, as they are incurred, in connection with investigating or defending the Liabilities provided, however, that Borrower shall have liability with respect to Liabilities arising out of or based upon the Covered Disclosure Information only to the extent that such Liabilities arise out of or are based upon any such untrue statement or omission made in the Covered Disclosure Information in reliance upon and in conformity with information furnished to Lender or such Noteholder by or on behalf of Borrower in connection with the preparation of the Disclosure Documents or in connection with the underwriting or the closing of the Loan (including without limitation financial statements of Borrower and operating statements and rent rolls with respect to the Properties), and in no event shall Borrower be liable for Liabilities arising from information contained in a Disclosure Document that was not provided to Borrower for comment at least five (5) Business Days prior to its dissemination or on which Borrower provided comments to Lender in writing and Lender failed to incorporate such comments (assuming such comments were accurate). This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification provided for in clauses (ii) and (iii) above shall be effective whether or not an indemnification agreement described in clause (i) above is provided.

(c) In connection with filings under the Exchange Act (if any), Borrower agrees to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against Borrower, notify Borrower in writing of the claim or the commencement of that action; provided, however, that the failure to notify Borrower shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided, further, that the failure to notify Borrower shall not relieve it from any liability which it may have to an Indemnified

Person otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify Borrower thereof, Borrower shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Borrower to an Indemnified Person of its election to assume the defense of such claim or action, Borrower shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both Borrower, on the one hand, and one or more Indemnified Persons on the other hand, and an Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to Borrower, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed billing records to substantiate that such counsel's fees and disbursements are solely related to the defense of a claim for which Borrower is required hereunder to indemnify such Indemnified Person. Borrower shall not be liable for the expenses of more than one (1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior consent of the Indemnified Person in question (which consent shall not be unreasonably withheld), Borrower shall not settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless Borrower shall have given such Indemnified Person reasonable prior notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as Borrower has complied with its obligations to defend and indemnify hereunder, Borrower shall not be liable for any settlement made by any Indemnified Person without the consent of Borrower (which consent shall not be unreasonably withheld).

(f) Borrower agrees that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then Borrower, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to Borrower, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (x) but also the relative faults of Borrower, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this

Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) Borrower agrees that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees (by underwriting discount or otherwise) actually received by the Indemnified Persons in connection with the closing of the Loan or the Securitization.

(g) Borrower agrees that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. Borrower further agrees that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and Borrower under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

**Section 9.3. Exculpation.** (a) Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Pledge Agreement or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender and each Noteholder to enforce and realize upon its interest under the Note, this Agreement, the Pledge Agreement and the other Loan Documents, or in the Collateral, or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Collateral and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Pledge Agreement and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding under, or by reason of, or in connection with, the Note, this Agreement, the Pledge Agreement or the other Loan Documents. The provisions of this Section shall not, however, (a) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (b) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Pledge Agreement; (c) affect the validity or enforceability of or any Guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (d) impair the right of Lender to obtain the appointment of a receiver; (e) intentionally omitted; (f) constitute a prohibition against Lender to seek a deficiency judgment against Borrower in order to fully realize the security granted by the Pledge Agreement or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against all of the Collateral; or (g) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any actual loss, damage, cost, expense, liability, claim or other obligation incurred by Lender

(including attorneys' fees and costs reasonably incurred) arising out of or in connection with the following:

- (i) fraud or intentional misrepresentation by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor in connection with the execution and delivery of the Loan Documents and/or the Loan;
- (ii) the misappropriation, conversion or misapplication in contravention of the Loan Documents by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor of any funds of Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company, including, without limitation, (A) any Revenues, (B) any Net Liquidation Proceeds or Insurance Proceeds, (C) any Awards received in connection with a Condemnation, (D) any Rents or security deposits (or any item of Revenue, from whatever source) following an Event of Default, or (E) any distribution or other payments made in connection with any part of the Collateral or Senior Mezzanine Collateral;
- (iii) the misappropriation, conversion or misapplication by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor of any security deposits or Rents paid more than one (1) month in advance;
- (iv) any act of actual intentional physical waste by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor;
- (v) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity Agreement concerning environmental laws, hazardous substances and asbestos and any indemnification of Lender with respect thereto in either document;
- (vi) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary intentional Transfer as required by this Agreement, the Mortgage Loan Agreement or the Mortgages, as applicable;
- (vii) any security deposits, advance deposits or any other deposits collected with respect to any of the Properties which are not delivered to Mortgage Lender upon a foreclosure of any of the Properties or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof;
- (viii) in the event of: (A) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor filing a voluntary petition under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (B) the filing of an involuntary petition against Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law by any Person in which Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor

or any of their respective Affiliates, agents or employees colludes with or such other Person, or Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor soliciting or causing to be solicited petitioning creditors for any involuntary petition against Borrower, Operating Company or any Guarantor from any Person; (C) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it by any other Person, other than Lender, under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (D) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor or any of the Properties, the Collateral, the Senior Mezzanine Collateral or any portion thereof, other than at the request of Lender; or (E) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor making an assignment for the benefit of creditors (other than Lender), or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due;

(ix) if Borrower, Senior Mezzanine Borrower or Mortgage Borrower fails to maintain its status as a Special Purpose Entity or breaches any material representation or warranty set forth in Section 4.1.30 of this Agreement; and

(x) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary Indebtedness (other than (x) with respect to Mortgage Borrower, Permitted Indebtedness and (y) with respect to Operating Company, Permitted Indebtedness (Operating Company), as applicable) or voluntary Lien (other than Permitted Encumbrances) encumbering any of the Properties, Senior Mezzanine Collateral or Collateral as required by this Agreement, the Senior Mezzanine Loan Agreement, the Mortgage Loan Agreement, the Pledge Agreement or the Mortgages.

Notwithstanding anything to the contrary under this Agreement, neither any present or future Affiliate of Borrower (other than Guarantor, to the extent provided under the Guaranty) nor any present or future shareholder, officer, director, employee, trustee, beneficiary, advisor, partner, member, principal, participant or agent of or in any Borrower or of or in any person or entity that is or becomes an Affiliate of any Borrower shall have any personal liability, directly or indirectly, under or in connection with the Loan Documents. Neither the negative capital account of any Affiliate of Borrower in Borrower, or in any other Affiliate of Borrower in any other Affiliate of Borrower, nor any obligation of any Affiliate of Borrower in any Borrower to restore a negative capital account or to contribute or loan capital to any Borrower or to any other Affiliate of Borrower shall at any time be deemed to be the property or an asset of any Borrower (or any other Affiliate of Borrower) and neither Lender nor its successors or assigns shall have any right to collect, enforce or proceed against any such negative capital account or obligation to restore, contribute or loan capital.

(b) Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, Lender shall not be deemed to have waived any right which Lender

may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Indebtedness or to require that all collateral shall continue to secure all of the Indebtedness owing to Lender in accordance with the Loan Documents.

**Section 9.4. Servicer.** (a) At the option of Lender, the Loan may be serviced by a servicer/trustee (the “**Servicer**”) selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to a servicing agreement (the “**Servicing Agreement**”) between Lender and Servicer. Lender shall be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement (arising in connection with the Securitization) and the payment of the monthly servicing fee due to Servicer under the Servicing Agreement, and, unless otherwise specifically set forth herein, Borrower shall be responsible for the payment of all fees and other reasonable out-of-pocket expenses incurred by Servicer resulting from any Borrower requests (for approvals or otherwise) to Servicer.

(b) In the event of a Securitization or syndication, the grant of participations in the Loan or any secondary marketing by Lender, Mortgage Borrower and the Mezzanine Borrowers, collectively may rely upon approvals or consents given by one (1) agent or representative in respect of the Mortgage Lender and the Mezzanine Lenders for the matter in question (which such parties shall designate, and pending further notice from Lender, such agent shall be JPM). Borrower shall only pay legal fees for the outside counsel of one Servicer.

**Section 9.5. Assignments and Participations.** (a) In addition to the rights Lender has under Section 9.1, Lender shall have the right, subject to this Section 9.5, to assign, sell, negotiate, pledge or hypothecate all or any portion of their rights and obligations hereunder (a “**Syndication**”). Except in connection with a Securitization, no Lender shall assign, sell, negotiate, pledge, hypothecate or otherwise transfer all or any portion of its rights in and to the Loan to any other Person (an “**Assignee**”) (a) other than in compliance with Section 9.9 hereof; and (b) unless such transaction shall be an assignment of a constant (and not varying), ratable percentage of such Lender’s interest in the Loan; provided, however, any Lender shall have the right at any time without the consent of or notice to any other Lender or other Person to grant a security interest in all or any portion of such Lender’s interest in the Loan to any Federal Reserve Bank or the central reserve bank or similar authority of any other country to secure any obligation of such Lender to such bank or similar authority (a “**Central Bank Pledge**”). Effective on any such assignment and assumption by the assignee and on compliance with Section 9.9 hereof, the assigning Lender shall have no further liability hereunder with respect to the interest of such Lender that was the subject of such transfer and such Assignee shall be a Lender with respect to such interest, and Borrower shall have the same rights as to such Assignee with respect to such interest from and after the date of such assignment as if such Lender were an original Lender hereunder. Except for a Central Bank Pledge or financing transaction under a repurchase agreement, a Lender making any such assignment shall notify Borrower of same, specifying the Assignee thereof and the amount of the assignment and shall provide such other detail as Borrower may reasonably request to substantiate compliance with the foregoing.

**Section 9.6. Participation.** Lender may, without the consent of the Borrower, in compliance with applicable law, sell participations to one or more banks or other entities (a

**“Participant”**), in all or a portion of Lender’s rights and obligations under this Agreement (including all or a portion of the Loan owing to it); provided that (A) Lender’s obligations under this Agreement shall remain unchanged, (B) Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower shall continue to deal solely and directly with Lender in connection with Lender’s rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.2.3 and 2.2.4 (subject to requirements and limitations therein) to the same extent as if it were a Noteholder and had acquired its interest by assignment pursuant to Section 9.5. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant’s interest in the Loans or other obligations under this Agreement (the **“Participant Register”**). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary.

**Section 9.7. Borrower’s Facilitation of Transfer.** In order to facilitate permitted assignments and other transfers to Assignees and sales to Participants, Borrower shall execute and deliver to Lender and shall cause Guarantor to execute and deliver to Lender such further documents, instruments or agreements as Lender may reasonably require, including, if required by Lender, supplemental notes in the principal amount of such Lender’s pro rata share of the Loan substantially in the form of such Lender’s Note against surrender of the prior notes, and such supplemental note shall (i) be payable to order of such Lender, (ii) be dated as of the date hereof, and (iii) mature on the Maturity Date. Such supplemental note shall provide that it evidences a portion of the existing indebtedness hereunder and under the Notes and not any new or additional indebtedness of Borrower. The term “Note” as used in this Agreement and in all the other Loan Documents shall include all such supplemental notes but exclude any Note it replaces. Notwithstanding the foregoing, such documents, instruments or agreements shall not (a) increase the obligations or liabilities of any such Person hereunder or under the other Loan Documents in excess of the obligations or liabilities intended to be provided herein or in the other Loan Documents or (b) decrease such Person’s rights hereunder or under the other Loan Documents to less than what they were prior to the execution of such documents, instruments or agreements. In addition, Borrower agrees to reasonably cooperate with Lender, including providing such information and documentation regarding Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Holdings, the Operating Company and any other Person as Lender or any potential Assignee or Participant may reasonably request and to meet with potential Assignees and Participants upon reasonable notice. Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Section 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

**Section 9.8. Notice; Registration Requirement.** No Syndication of any part of Lender’s interest in and to the Loan shall be effective or permitted under Section 9.5 until (a) an assignment and acceptance agreement in a form reasonably acceptable to Lender (an **“Assignment and Acceptance”**) with respect to such Syndication shall have been delivered to Lender, (b) Lender shall have registered such Assignee’s name and address in the Register which

Lender maintains for the recordation of the names, addresses and interests of Noteholders, and (c) if such Assignee is not already a Lender hereunder, such Assignee shall deliver any tax forms required hereunder. The entries in the Register shall be conclusive, absent manifest error. This Section 9.8 shall not apply to any Central Bank Pledge.

**Section 9.9. Registry.** Borrower hereby designates Lender to serve as Borrower's agent, solely for purposes of this Section 9.9, to maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of each Assignee, and the principal amount of the Loan (or portions thereof) owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Failure to make any such recordation, or any error in such recordation shall not affect Borrower's obligations in respect of the Loan. With respect to any Lender, the transfer of the rights to the principal of, and interest on, its interest in the Loan shall not be effective until such transfer is recorded on the Register maintained by Lender with respect to ownership of such Loan and prior to such recordation all amounts owing to the transferor with respect to such Note shall remain owing to the transferor. The registration of a transfer of all or part of the Loan shall be recorded by Lender on the Register only upon the acceptance by Lender of a properly executed and delivered Assignment and Acceptance by the assignor and assignee. At the assigning Lender's option, concurrently with the delivery of an Assignment and Acceptance pursuant to which an interest of such Lender in the Loan was assigned to such Assignee, the assigning Lender shall surrender to Borrower its Note, if any, evidencing the portion of the Loan corresponding to the interest so transferred and Borrower shall deliver to Lender one or more new promissory notes in the same aggregate principal amount issued to the assigning Lender and/or the Assignee.

**Section 9.10. Cooperation in Syndication.** Borrower agrees to assist the Lender in completing a Syndication satisfactory to the Lender. Such assistance shall include (i) direct contact between senior management and advisors of Borrower and the proposed Assignees and/or Participants, (ii) assistance in the preparation of a confidential information memorandum and other marketing materials to be used in connection with the Syndication, (iii) the hosting, with the Lender, of one or more meetings of prospective Assignees and/or Participants, (iv) the delivery of appraisals satisfactory to the Lender if required. To assist the Lender in its Syndication efforts, Borrower agrees promptly to prepare and provide to the Lender all information with respect to Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Holdings, the Operating Company, Guarantor, the Collateral, the Senior Mezzanine Collateral and the Properties contemplated hereby, including all financial information and projections (the "**Projections**"), as the Lender may reasonably request in connection with the Syndication of the Loan. If required in connection with the Syndication, Borrower hereby agrees to:

(a) deliver updated financial and operating statements and other information reasonably required by the Lender to facilitate the Syndication;

(b) use reasonable efforts to deliver reliance letters reasonably satisfactory to the Lender with respect to the environmental assessments and reports delivered to the Lender prior to the Closing Date, which will run to the Lender and its successors and assigns;

(c) execute modifications to the Loan Documents required by the Lender, provided that such modification will not (except as set forth in (d)) change any material or

economic terms of the Loan Documents, or otherwise increase the obligations or decrease the rights of Borrower pursuant to the Loan Documents (except to a de minimis extent); and

(d) if the Lender elects, in its sole discretion, prior to or upon a Syndication, to exercise its rights under Section 2.1.5, Borrower agrees to cooperate with the Lender in connection with the foregoing and to execute the required modifications and amendments to the Notes, this Agreement and the Loan Documents and to use reasonable efforts to provide opinions necessary to effectuate the same. Such Notes or components may be assigned different interest rates, so long as the weighted average of such interest rates does not exceed the Applicable Interest Rate, except in connection with the application of principal to such Notes or components following the occurrence of an Event of Default.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

## **X. MISCELLANEOUS**

**Section 10.1. Survival.** This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Debt is outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. **Section 10.5. Delay Not a Waiver.** Except as expressly set forth herein, neither any failure nor any delay on the part of Lender in insisting upon strict performance of any term, condition, covenant or agreement, or exercising any right, power, remedy or privilege hereunder, or under the Note or under any other Loan Document, or any other instrument given as security therefor, shall operate as or constitute a waiver thereof, nor shall a single or partial exercise thereof preclude any other future exercise, or the exercise of any other right, power, remedy or privilege. In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement, the Note or any other Loan Document, Lender shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement, the Note or the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount.

**Section 10.6. Notices.** All notices, consents, approvals and requests required or permitted hereunder or under any other Loan Document shall be given in writing and shall be effective for all purposes if hand delivered or sent by (a) certified or registered United States mail, postage prepaid, return receipt requested or (b) expedited prepaid delivery service, either commercial or United States Postal Service, with proof of attempted delivery, and by telecopier (with answer back acknowledged), addressed as follows (or at such other address and Person as shall be designated from time to time by any party hereto, as the case may be, in a notice to the other parties hereto in the manner provided for in this Section 10.6):

Each Borrower hereby designates Tahoe Mezz 9, LLC, a Delaware limited liability company ("**Borrower Agent**"), as the party to give and receive notices on behalf of Borrower hereunder, and any notice received by Lender by a Borrower other than Borrower Agent shall not constitute effective notice to, or be binding upon Lender hereunder.

Notwithstanding the foregoing, any notice by Lender to one or more Borrowers other than Borrower Agent shall be deemed to constitute effective notice to all of the Borrowers.

**Section 10.7. Trial by Jury.** BORROWER AND LENDER HEREBY AGREE NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVE ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THE LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY BORROWER AND LENDER, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. BORROWER AND LENDER ARE HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER.

**Section 10.8. Headings.** The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

**Section 10.9. Severability.** Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

**Section 10.10. Preferences.** Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder (except that, unless there exists an Event of Default, payments of principal shall be applied to components of the Note on a pro-rata basis). To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

**Section 10.11. Waiver of Notice.** Borrower hereby expressly waives, and shall not be entitled to, any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice.

**Section 10.12. Remedies of Borrower.** In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed

acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment (except in cases of bad faith, gross negligence or willful misconduct). The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

**Section 10.13. Expenses; Indemnity.** (a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender and each Noteholder upon receipt of notice from such Person for all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements) incurred by such Person in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including, without limitation, any opinions requested by such Person as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Properties); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental, gaming and insurance requirements if necessary or advisable due to reasonably suspected non-compliance; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Borrower; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement, if Borrower defaults in its obligations hereunder; (v) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender or any Noteholder all required legal opinions, and other similar expenses incurred in creating and perfecting the Liens in favor of Lender (or, as applicable, any Noteholder) pursuant to this Agreement and the other Loan Documents; (vi) enforcing or preserving any rights, either in response to third party claims or in prosecuting or defending any action or proceeding or other litigation, in each case against, under or affecting Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, this Agreement, the other Loan Documents, the Properties, the Collateral or any other security given for the Loan; and (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Properties, Operating Company or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to any Person to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of such Person. Any cost and expenses due and payable to Lender or any Noteholder may be paid from any amounts in the Mezzanine Collection Account upon the occurrence and during the continuance of an Event of Default.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other actual liabilities, obligations, losses, damages (excluding, however, any punitive and consequential damages), penalties, actions, judgments, suits, claims, costs, expenses

and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, (ii) the use or intended use of the proceeds of the Loan, (iii) the Leases or any of the duties, responsibilities or obligations of Borrower or any Operating Company thereunder, (iv) the transactions contemplated in the Collection Account Agreements or (v) any third-party claims alleging that the Loan, the Senior Mezzanine Loan, the Mortgage Loan, the Operating Lease, the Operating Lease Guaranty or any of the Loan Documents violates any agreements or Legal Requirements binding on the Borrower or its Affiliates or their respective properties (collectively, the “**Indemnified Liabilities**”); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any request by Borrower that required Rating Agency Confirmation pursuant to the terms hereof.

**Section 10.14. Schedules Incorporated.** The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

**Section 10.15. Offsets, Counterclaims and Defenses.** Any assignee of Lender’s interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

**Section 10.16. No Joint Venture or Partnership; No Third Party Beneficiaries.** (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Properties other than that of mortgagee, beneficiary or lender.

(b) Except as expressly provided herein, this Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than

Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. Lender and Borrower acknowledge and agree that the Noteholders are intended third party beneficiaries of all rights and remedies of the Lender hereunder. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

**Section 10.17. Intentionally Omitted.**

**Section 10.18. Waiver of Marshalling of Assets.** To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Collateral, any equitable right otherwise available to Borrower which would require the separate sale of the Collateral with respect to each Mortgage Borrower or require Lender to exhaust its remedies against any Collateral with respect to each Mortgage Borrower or any combination of such Collateral before proceeding against any other Collateral with respect to one or more Mortgage Borrowers; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorize, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Collateral.

**Section 10.19. Waiver of Counterclaim.** Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

**Section 10.20. Conflict; Construction of Documents; Reliance.** In the event of any conflict between the provisions of this Loan Agreement and any of the other Loan Documents, the provisions of this Loan Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or

instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

**Section 10.21. Brokers and Financial Advisors.** Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement (other than those the fees and other claims of which shall be paid by Borrower). Borrower hereby agrees to indemnify, defend and hold Lender and each Noteholder harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated herein. Each of Lender and (by its acceptance of its respective Note) the Noteholders hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

**Section 10.22. Prior Agreements.** This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, including, without limitation, the Commitment Letter dated December 19, 2006 between Affiliates of Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

**Section 10.23. Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which counterparts together shall constitute one agreement with the same effect as if the parties had signed the same signature page.

**Section 10.24. Intentionally Omitted.**

**Section 10.25. Gaming Laws.** All rights, remedies and powers in or under this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws.

**Section 10.26. Certain Additional Rights of Lender (VCOC).** Notwithstanding anything to the contrary contained in this Agreement, Lender shall have:

(a) the right to routinely consult with and advise Borrower's management regarding the significant business activities and business and financial developments of Borrower, Senior Mezzanine Borrower and Mortgage Borrower, provided that any such advice or consultation shall be completely nonbinding on Borrower, and; provided, however, that such

consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances;

(b) the right, in accordance with the terms of this Agreement, to examine the books and records of Borrower, Senior Mezzanine Borrower and Mortgage Borrower at any reasonable times upon reasonable notice;

(c) the right, in accordance with the terms of this Agreement, including, without limitation, Section 5.1.11 hereof, to receive monthly, quarterly and year end financial reports, including balance sheets, statements of income, shareholder's equity and cash flow, a management report and schedules of outstanding indebtedness, in each case to the extent explicitly set forth herein; and

(d) the right, without restricting any other rights of Lender under this Agreement (including any similar right), to reasonably approve any acquisition by Borrower, Senior Mezzanine Borrower or Mortgage Borrower of any other significant real property.

The rights described above in this Section 10.26 may be exercised by any entity which owns and controls, directly or indirectly, substantially all of the interests in Lender.

#### **XI. JOINT AND SEVERAL LIABILITY; WAIVERS**

**Section 11.1. Joint and Several Liability; Primary Obligors.** Each entity comprising Borrower (each, a "**Borrower Entity**") shall be a primary obligor with respect to payment of the Debt and performance of Borrower's obligations under the Loan Documents and all such Borrower Entities shall be jointly and severally liable for payment of the Debt and performance of such other obligations. As used in this Article, references to "**Other Borrowers**" shall mean all Borrower Entities other than the particular Borrower Entity referred to.

**Section 11.2. Waivers.** Without limiting the primary liability of each Borrower Entity as set forth above, to the extent any such Borrower Entity is determined to be secondarily liable with respect to any portion of the Debt or any other obligation hereunder, the following shall apply:

**11.2.1 No Duty To Pursue Others.** It shall not be necessary for Lender (and each Borrower Entity hereby waives any rights which such Borrower Entity may have to require Lender), in order to enforce the obligations of such Borrower Entity hereunder, first to (a) institute suit or exhaust its remedies against any Other Borrower or others liable on the Debt or any other person, (b) enforce Lender's rights against any collateral mortgaged, pledged or granted by any Other Borrower which shall ever have been given to secure the Debt ("**Other Borrower Collateral**"), (c) enforce Lender's rights against any other guarantors of the Debt, (d) join Borrower or any others liable on the Debt in any action against any Other Borrower seeking to enforce the Loan Documents, (e) exhaust any remedies available to Lender against any collateral which shall ever have been given to secure the Debt, or (f) resort to any other means of obtaining payment of the Loan by any Other Borrower. Lender shall not be required to

mitigate damages or take any other action pertaining to any Other Borrower or any Other Borrower Collateral to reduce, collect or enforce the Debt from any Other Borrower.

**11.2.2 Waivers.** Such Borrower Entity agrees to the provisions of the Loan Documents, and hereby waives notice of (a) any loans or advances made by Lender to any Other Borrower, (b) acceptance of the Loan Documents, (c) any amendment or extension of the Note, the Loan Agreement or of any other Loan Documents entered into by any Other Borrower, (d) the execution and delivery by any Other Borrower and Lender of any other loan or credit agreement or of any Other Borrower's execution and delivery of any promissory notes or other documents arising under the Loan Documents or in connection with the Other Borrower Collateral, (e) the occurrence of any breach by any Other Borrower or an Event of Default with respect to any Other Borrower or Other Borrower Collateral, (f) Lender's transfer or disposition of the Debt, or any part thereof, (g) sale or foreclosure (or posting or advertising for sale or foreclosure) of any Other Borrower Collateral, (h) protest, proof of non-payment or default by any Other Borrower and (i) any other action at any time taken or omitted by Lender, and, generally, all demands and notices to any Other Borrower of every kind in connection with the Loan Documents, any documents or agreements evidencing, securing or relating to any of the Debt.

**11.2.3 Waiver of Subrogation, Reimbursement and Contribution.** Notwithstanding anything to the contrary contained in the Loan Documents, each Borrower hereby unconditionally and irrevocably waives, releases and abrogates, prior to the payment in full of the Loan and for a period of ninety-one (91) days thereafter any and all rights it may now or hereafter have under any agreement, at law or in equity (including any law subrogating such Borrower Entity to the rights of Lender), to assert any claim against or seek contribution, indemnification or any other form of reimbursement (other than pursuant to the express provisions of the Contribution Agreement) from any Other Borrower or any other party liable for payment of any or all of the Debt for any payment made by such Borrower Entity under or in connection with the Loan Documents or otherwise.

**11.2.4 Events And Circumstances Not Reducing Or Discharging Guarantor's Obligations.** Each Borrower Entity hereby consents and agrees to each of the following, and agrees that such Borrower Entity's obligations under the Loan Documents shall not be released, diminished, impaired, reduced or adversely affected by any of the following, and waives any common law, equitable, statutory or other rights (including rights to notice) which such Borrower Entity might otherwise have as a result of or in connection with any of the following:

(a) Modifications. Any renewal, extension, increase, modification, alteration, restatement or rearrangement entered into by any Other Borrower of all or any part of the Debt, the Note, the Loan Agreement, the other Loan Documents, or any other document, instrument, contract or understanding between any Other Borrower and Lender, or any other parties, pertaining to the Debt or any failure of Lender to notify Borrower Entity of any such action.

(b) Adjustment. Any adjustment, indulgence, forbearance or compromise that might be granted or given by Lender to any Other Borrower.

(c) Condition of Borrower or Borrower Entity. The insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of any Other Borrower or any other party at any time liable for the payment of all or part of the Debt; or any dissolution of any Other Borrower, or any sale, lease or transfer of any or all of the assets of Borrower or of any Other Borrower, or any changes in the shareholders, partners or members of any Other Borrower; or any reorganization of any Other Borrower.

(d) Invalidity of Debt. The invalidity, illegality or unenforceability of all or any part of the Debt, or any document or agreement executed in connection with the Debt, for any reason whatsoever, including the fact that (a) the Debt, or any part thereof, exceeds the amount permitted by law, (b) the act of creating the Debt or any part thereof is ultra vires, (c) the officers or representatives executing the Note, the Loan Agreement or the other Loan Documents or otherwise creating the Debt acted in excess of their authority, (d) the Debt violate applicable usury laws, (e) any Other Borrower has valid defenses, claims or offsets (whether at law, in equity or by agreement) which render the Debt wholly or partially uncollectible from such Other Borrower, (f) the creation, performance or repayment of the Debt (or the execution, delivery and performance of any document or instrument by any Other Borrower representing part of the Debt or executed in connection with the Debt, or given to secure the repayment of the Debt) is illegal, uncollectible or unenforceable, or (g) the Note, the Loan Agreement or any of the other Loan Documents have been forged or otherwise are irregular or not genuine or authentic, it being agreed that such Borrower Entity shall remain liable hereon regardless of whether any Other Borrower or any other Person be found not liable on the Debt or any part thereof for any reason.

(e) Release of Obligors. Any full or partial release of the liability of any Other Borrower on the Debt, or any part thereof, or of any guarantor(s) thereof, or any other person or entity now or hereafter liable, whether directly or indirectly, jointly, severally, or jointly and severally, to pay, perform, guarantee or assure the payment of the Debt, or any part thereof, it being recognized, acknowledged and agreed by such Borrower Entity that such Borrower Entity may be required to pay the Debt in full without assistance or support of any other party, and such Borrower Entity has not been induced to enter into the Loan Documents on the basis of a contemplation, belief, understanding or agreement that other Persons will be liable to pay or perform the Debt, or that Lender will look to other Persons to pay or perform the Debt.

(f) Other Collateral. The taking or accepting of any other security, collateral or guaranty, or other assurance of payment, for all or any part of the Debt.

(g) Release of Collateral. Any release, surrender, exchange, subordination, deterioration, waste, loss or impairment (including negligent, willful, unreasonable or unjustifiable impairment) of any collateral, property or security at any time existing in connection with, or assuring or securing payment of, all or any part of the Debt.

(h) Care and Diligence. The failure of Lender or any other party to exercise diligence or reasonable care in the preservation, protection, enforcement, sale or other handling or treatment of Other Borrower Collateral, all or any part of such collateral, property or security, including any neglect, delay, omission, failure or refusal of Lender (a) to take or prosecute any action for the collection of any of the Debt or (b) to foreclose, or initiate any action to foreclose, or, once commenced, prosecute to completion any action to foreclose upon Other Borrower

Collateral, or (c) to take or prosecute any action in connection with any instrument or agreement evidencing or securing all or any part of the Debt.

(i) Unenforceability. The fact that any collateral, security, security interest or lien contemplated or intended to be given, created or granted as security for the repayment of the Debt, or any part thereof, shall not be properly perfected or created, or shall prove to be unenforceable or subordinate to any other security interest or lien, it being recognized and agreed by such Borrower Entity that such Borrower Entity is not entering into the Loan Documents in reliance on, or in contemplation of the benefits of, the validity, enforceability, collectibility or value of any of the collateral for the Debt.

(j) Offset. Any existing or future right of offset, claim or defense of Borrower against Lender, or any other Person, or against payment of the Debt by any Other Borrower, whether such right of offset, claim or defense arises in connection with the Debt (or the transactions creating the Debt) or otherwise.

(k) Merger. The reorganization, merger or consolidation of any Other Borrower into or with any other corporation or entity.

(l) Preference. Any payment by Borrower to Lender is held to constitute a preference under bankruptcy laws, or for any reason Lender is required to refund such payment or pay such amount to Borrower or someone else.

**Section 11.3. Other Actions Taken or Omitted.** Any other action taken or omitted to be taken with respect to the Loan Documents, the Debt, or Other Borrower Collateral, whether or not such action or omission prejudices such Borrower Entity or increases the likelihood that such Borrower Entity will be required to pay the Debt pursuant to the terms hereof, it is the unambiguous and unequivocal intention of such Borrower Entity that such Borrower Entity shall be obligated to pay the Debt when due, notwithstanding any occurrence, circumstance, event, action, or omission whatsoever pertaining to any Other Borrower or any Other Borrower Collateral, whether contemplated or not, and whether or not otherwise or particularly described herein, which obligation shall be deemed satisfied only upon the full and final payment and satisfaction of the Debt.

In addition, notwithstanding anything to contrary herein, no Stockholder shall be entitled to Transfer any Company Shares or any other rights under this Agreement (including to a Permitted Transferee) at any time unless Hamlet Holdings is reasonably satisfied that such Transfer would not:

(i) violate the Securities Act, or any federal or state (or other jurisdiction) securities or "Blue Sky" laws applicable to the Company or the Company Shares;

(ii) cause the Company to become subject to the registration requirements of the U.S. Investment Company Act of 1940, as amended from time to time;

(iii) be a non-exempt "prohibited transaction" under ERISA or the Code or cause all or any portion of the assets of the Company to constitute "plan assets" under ERISA or Section 4975 of the Code;

Any purported Transfer of Company Shares other than in accordance with this Agreement shall be null and void to the extent permitted by law, and the Company shall refuse to recognize any such Transfer for any purpose and shall not reflect in its records any change in record ownership of Company Shares pursuant to any such Transfer.

(c) Any Stockholder that proposes to Transfer Company Shares in accordance with the terms and conditions hereof shall be responsible for any reasonable expenses incurred by the Company in connection with such Transfer.

(d) Each certificate evidencing the Company Shares shall bear the following restrictive legend, either as an endorsement or on the face thereof:

THE SALE, ASSIGNMENT, TRANSFER OR OTHER DISPOSITION OF THE SECURITIES EVIDENCED BY THIS CERTIFICATE IS RESTRICTED BY THE TERMS OF A STOCKHOLDERS AGREEMENT, DATED AS OF JANUARY 28, 2008, COPIES OF WHICH ARE ON FILE WITH THE ISSUER OF THIS CERTIFICATE. NO SALE, ASSIGNMENT, TRANSFER OR OTHER DISPOSITION SHALL BE EFFECTIVE UNLESS AND UNTIL THE TERMS AND CONDITIONS OF SUCH STOCKHOLDERS' AGREEMENT HAVE BEEN COMPLIED WITH IN FULL.

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES LAWS OF ANY OTHER JURISDICTION AND MAY NOT BE SOLD OR TRANSFERRED OTHER THAN IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT OF 1933, AS AMENDED (OR OTHER APPLICABLE LAW), OR AN EXEMPTION THEREFROM.

(e) In the event that the restrictive legend set forth in Section 4.01(d) has ceased to be applicable, the Company shall provide any Stockholder, or their respective transferees, at their request, without any expense to such persons (other than applicable transfer taxes and similar governmental charges, if any), with new certificates for such securities of like tenor not bearing the legend with respect to which the restriction has ceased and terminated (it being understood that the restriction referred to in the first paragraph of the legend in Section 4.01(d) shall cease and terminate upon the termination of this Article IV).

Section 4.02. Transfer to Permitted Transferees. Subject to Section 4.06, a Stockholder may Transfer its Company Shares to a Permitted Transferee of such Stockholder (each such transfer a "Permitted Transfer"); provided that each Permitted Transferee of any Stockholder to which Company Shares are Transferred shall, and such Stockholder shall cause such Permitted Transferee to, Transfer back to such Stockholder (or to another Permitted Transferee of such Stockholder) any Company Shares it owns if such Permitted Transferee ceases to be a Permitted Transferee of such Stockholder.

Section 4.03. Right of First Offer. (a) If a Stockholder proposes to Transfer all or any portion of its Company Shares (such Stockholder, the "Transferring Stockholder") following the applicable Initial Holding Period and prior to an Initial Public Offering, then subject to the provisions of Section 4.01(a)(i), each Sponsor shall have a right of first offer over such Company Shares, in accordance with the following provisions:

(i) The Transferring Stockholder shall provide the Sponsors with written notice (an “Offer Notice”) of its desire to Transfer such Company Shares no later than twenty (20) Business Days prior to the anticipated Transfer date. The Offer Notice shall specify the number and class of Company Shares such Stockholder wishes to Transfer, the proposed purchase price for such Company Shares and any other terms and conditions material to the sale proposed by such Stockholder.

(ii) Each Sponsor shall have a period of up to twenty (20) Business Days following receipt of the Offer Notice to elect to purchase (or to cause one or more of its Affiliates or designees to purchase) all or any portion of such Company Shares on the terms and conditions set forth in the Offer Notice by delivering to the Transferring Stockholder a written notice indicating the amount of Company Shares over which such right is exercised.

(iii) If any Sponsor receiving the Offer Notice elects to purchase (or to cause one or more of its Affiliates or designees to purchase) any of the Company Shares which are the subject of the proposed Transfer within the applicable twenty (20) Business Day period, such purchase shall be consummated within fifteen (15) days after the date on which such Sponsor notifies the Transferring Stockholder of such election. If the Sponsors elect to purchase (or to cause one or more of their respective Affiliates or designees to purchase) an aggregate amount of Company Shares that exceeds the amount of Company Shares offered pursuant to the Offer Notice, each Sponsor shall purchase its Pro Rata Portion of the Company Shares proposed to be sold, unless the Sponsors otherwise agree on the allocation of the purchase of all of such Company Shares offered pursuant to the Offer Notice. If neither Sponsor elects to purchase any Company Shares within the applicable twenty (20) Business Day period, the Transferring Stockholder may Transfer such Company Shares at any time within ninety (90) days following such period at a price which is not less than the purchase price and on terms and conditions no more favorable to such Transferee than those specified in the Offer Notice.

(b) In connection with the Transfer of all or any portion of a Stockholder’s Company Shares pursuant to this Section 4.03, the Transferring Stockholder shall only be required to represent and warrant as to its authority to sell, the enforceability of agreements against such Stockholder, that the Company Shares to be transferred are free and clear of any liens, claims or encumbrances (other than restrictions imposed by this Agreement and pursuant to applicable federal, state and foreign securities laws), that it is the record and beneficial owner of such Company Shares and that it has obtained or made all necessary consents, approvals, filings and notices from governmental authorities or third parties to consummate the Transfer.

(c) The provisions of this Section 4.03 shall not apply to Transfers of Company Shares (i) to Permitted Transferees in accordance with Section 4.02, (ii) made pursuant to, or consequent upon, the exercise of the tag-along or drag-along rights set forth in Sections 4.04 and 4.05, respectively, or (iii) made pursuant to a registered public offering.

Section 4.04. Tag-Along Rights. (a) Prior to the later of (i) an Initial Public Offering and (ii) the date on which the Co-Investment Entities cease to own any Company Shares, if any Transferring Stockholder proposes to Transfer to a third party that is not an Affiliate of such Transferring Stockholder (the “Proposed Transferee”) any of its Company Shares and, if such Transferring Stockholder is a Sponsor, does not exercise its drag-along rights pursuant to Section 4.05 (each such proposed Transfer, a “Tag-Along Transfer”), the Transferring Stockholder and each other Stockholder shall have the right to participate (and, with respect to the Co-Investment Entities, to the extent required pursuant to the tag-along obligations in the operating agreement of such Co-Investment Entity shall elect its right to participate) in the Tag-Along Transfer by Transferring up to its Pro Rata Portion to the Proposed Transferee on the same terms and conditions as those proposed by the Transferring Stockholder (each such participating Stockholder, other than the Transferring Stockholder, the “Tagging Stockholder”).

(b) The Transferring Stockholder shall give written notice (a “Tag-Along Notice”) to each other Stockholder of a Tag-Along Transfer, setting forth the number and class(es) of Company Shares proposed to be so Transferred, the name and address of the Proposed Transferee, the proposed amount and form of consideration and other terms and conditions of payment offered by the Proposed Transferee. The Transferring Stockholder shall deliver or cause to be delivered to each other Stockholder copies of all transaction documents relating to the Tag-Along Transfer as the same become available. The tag-along rights provided by this Section 4.04 must be exercised by a Stockholder by delivery of an irrevocable written notice to the Transferring Stockholder, within a period of (i) prior to an Initial Public Offering, fifteen (15) days from the Tag-Along Notice or (ii) at any time after an Initial Public Offering, three (3) Business Days from the Tag-Along Notice, specifying the portion of its Pro Rata Portion of the Company Shares (of each class proposed to be Transferred) which it wishes the Company to include in the Tag-Along Transfer. With respect to each class of Company Shares proposed to be Transferred, if the Proposed Transferee fails to purchase all the Company Shares of such class proposed to be Transferred by the Transferring Stockholder and the Tagging Stockholders, then the number of Company Shares of such class that each such Stockholder is permitted to sell in such Tag-Along Transfer shall be reduced pro rata based on the number of Company Shares of such class proposed to be Transferred by such Stockholder relative to the aggregate number of Company Shares of such class proposed to be Transferred by all Stockholders participating in such Tag-Along Transfer and by any employee stockholders of the Company exercising “tag along” or similar rights. The Transferring Stockholder shall have a period of sixty (60) days following the expiration of the fifteen (15) day period or three (3) Business Day period, as the case may be, mentioned above to sell all the Company Shares agreed to be purchased by the Proposed Transferee on the terms specified in the notice required by the first sentence of this Section 4.04(b). With respect to each class of Company Shares proposed to be Transferred, if the Proposed Transferee agrees to purchase more Company Shares of such class than specified in the Tag-Along Notice in the Proposed Transfer, the Stockholders shall also have the same right to participate (and, with respect to the Co-Investment Entities, to the extent required pursuant to the tag-along obligations in the operating agreement of such Co-Investment Entity shall elect its right to participate) in the Transfer of such Company Shares of such class that are in excess of the amount set forth on the Tag-Along Notice on a pro rata basis based on the number of Company Shares of such class proposed to be Transferred by such Stockholder relative to the aggregate number of Company Shares of such class proposed to be

Transferred by all Stockholders participating in such Tag-Along Transfer and by any employee stockholders of the Company exercising “tag along” or similar rights.

(c) Any Transfer of Company Shares by a Tagging Stockholder to a Proposed Transferee pursuant to this Section 4.04 shall be on the same terms and conditions (including, without limitation, price, time of payment and form of consideration) as to be paid to the Transferring Stockholder; provided that, in order to be entitled to exercise its tag-along right pursuant to this Section 4.04, each Tagging Stockholder Entity must agree to make to the Proposed Transferee representations, warranties, covenants, indemnities and agreements the same mutatis mutandis as those made by the Transferring Stockholder in connection with the Tag-Along Transfer (other than any non-competition, non-solicitation or similar agreements or covenants that would bind the Tagging Stockholder, its Affiliates or any of their respective portfolio companies), and agree to the same conditions to the Proposed Transferee as the Transferring Stockholder agrees, it being understood that all such representations, warranties, covenants, indemnities and agreements shall be made by the Transferring Stockholder and each Tagging Stockholder severally and not jointly and that the aggregate amount of the liability of the Tagging Stockholder shall not exceed, except with respect to individual representations, warranties, covenants, indemnities and other agreements of the Tagging Stockholder as to the unencumbered title to its Company Shares and the power, authority and legal right to Transfer such Company Shares, such Tagging Stockholder’s pro rata share of any such liability to be determined in accordance with such Tagging Stockholder’s portion of the total number of Company Shares included in such Transfer; provided that, in any event the amount of liability of any Tagging Stockholder shall not exceed the proceeds such Tagging Stockholder received in connection with such Transfer. Each Tagging Stockholder shall be responsible for its proportionate share of the costs of the Proposed Transfer to the extent not paid or reimbursed by the Proposed Transferee or the Company.

(d) Notwithstanding the foregoing, this Section 4.04 shall not apply to (i) Transfers of Company Shares among the Sponsors or (ii) Transfers, within two years from the date hereof, by the Sponsors to strategic partners of the Company (a “Strategic Partner”) of an aggregate amount of up to ten percent (10%) of the outstanding Company Shares.

Section 4.05. Drag-Along Rights. (a) At any time both Sponsors agree to Transfer all or any portion of their Company Shares (such Sponsors, the “Selling Sponsors”) to a third party that is not an Affiliate of either Sponsor (such third party, the “Drag-Along Buyer”, and each such Transfer, a “Drag-Along Transfer”), such Selling Sponsors may compel each other Stockholder (together, the “Drag-Along Stockholders”) to Transfer its Pro Rata Portion of Company Shares in the Drag-Along Transfer on the same terms and conditions as those proposed by the Selling Sponsors

(b) The Selling Sponsors shall promptly give written notice (a “Drag-Along Notice”) to the Drag-Along Stockholders not later than three (3) Business Days prior to the consummation of the Drag-Along Transfer of any election by the Selling Sponsors to exercise its drag-along rights under this Section 4.05, setting forth the name and address of the Drag-Along Buyer, the total number of Company Shares proposed to be Transferred by the Selling Sponsors, the proposed amount and form of consideration for such Company Shares and all other material terms and conditions of the Drag-Along Transfer. In determining the proposed purchase price

per share referred to in the immediately preceding sentence, there shall be taken into account (and the Members shall receive their Pro-Rata Portion of) any other consideration to be received from the Drag-Along Buyer, directly or indirectly, by the Selling Sponsors in connection with or relating to the Drag-Along Transfer. The Drag-Along Notice shall also specify each Drag-Along Stockholder's Pro Rata Portion of the Company Shares to be Transferred and the estimated amount of the proceeds to be distributed to such Drag-Along Stockholder by the Company upon completion of the Drag-Along Transfer. To the extent of any liability or loss as a result of any representation, warranty, covenant, indemnity or agreement that a Drag-Along Stockholder may be required to agree to pursuant to this Article IV, the proceeds to which a Drag-Along Stockholder is entitled shall be reduced by the amount of such liability or loss based on such Drag-Along Stockholder's Pro Rata Portion of the Company Shares and such liability or loss shall not exceed, except with respect to individual representations, warranties, covenants, indemnities and other agreements of the Drag-Along Stockholder as to the unencumbered title to its Company Shares and the power, authority and legal right to Transfer such Company Shares, such Drag-Along Stockholder's pro rata share of any such liability to be determined in accordance with such Drag-Along Stockholder's portion of the total number of Company Shares included in such Transfer; provided that, in any event the amount of liability of any Drag-Along Stockholder shall not exceed the proceeds such Drag-Along Stockholder received in connection with such Transfer. Each Drag-Along Stockholder shall also represent to the Company at such time that it has unencumbered title to its Company Shares; provided that the aggregate amount of liability for breach of any such representation, together with any reduction in proceeds pursuant to the prior sentence, shall not exceed the U.S. dollar value of the total proceeds to be paid to such Drag-Along Stockholder as a result of a Drag-Along Transfer.

(c) In the event that any such Transfer is structured as a merger, consolidation, or similar business combination, each Drag-Along Stockholder agrees to (i) vote in favor of the transaction, (ii) take such other action as may be required to effect such transaction (subject to Section 4.05(b)) and (iii) take all action to waive any dissenters, appraisal or other similar rights with respect thereto.

(d) Solely for purposes of Section 4.05(c)(i) and in order to secure the performance of each Stockholder's obligations under Section 4.05(c)(i), each Stockholder hereby irrevocably appoints each other Stockholder that qualifies as a Drag-Along Proxy Holder (as defined below) the attorney-in-fact and proxy of such first Stockholder (with full power of substitution) to vote or provide a written consent with respect to its Company Shares as described in this paragraph if, and only in the event that, such Stockholder fails to vote or provide a written consent with respect to its Company Shares in accordance with the terms of Section 4.05(c)(i) (each such Stockholder, a "Breaching Drag-Along Stockholder") within three (3) days of a request for such vote or written consent. Upon such failure, the Selling Sponsors shall have and are hereby irrevocably granted a proxy to vote or provide a written consent with respect to each such Breaching Drag-Along Stockholder's Company Shares for the purposes of taking the actions required by Section 4.05(c)(i) (such Selling Stockholder, a "Drag-Along Proxy Holder"). Each Stockholder intends this proxy to be, and it shall be, irrevocable and coupled with an interest, and each Stockholder will take such further action and execute such other instruments as may be necessary to effectuate the intent of this proxy and hereby revoke any proxy previously granted by it with respect to the matters set forth in Section 4.05(c)(i) with respect to the Company Shares owned by such Stockholder. Notwithstanding the foregoing, the

conditional proxy granted by this Section 4.05(d) shall be deemed to be revoked upon the termination of this Article IV in accordance with its terms.

(e) The provisions of this Section 4.05 shall not apply to Transfers of Company Shares among the Sponsors or any of their Affiliates.

Section 4.06. Rights and Obligations of Transferees. Any Transferee of Company Shares (including any Permitted Transferee) shall be required, at the time of and as a condition to such Transfer, to become a party to this Agreement by executing and delivering such agreements, documents or instruments as may be necessary, in the reasonable opinion of the Board of Directors, to make such Person a party thereto, whereupon such Transferee will be treated as, and admitted as, a Member for all purposes of this Agreement.

Section 4.07. Preemptive Rights. (a) If, subject to Section 4.07(d), at any time prior to the Initial Public Offering, the Company or any of its controlled Affiliates proposes to issue additional Company Shares, any warrants, options or other rights to acquire Company Shares, debt securities that are convertible into Company Shares or any other equity securities of the Company or its controlled Affiliates (the "Participation Shares"), the Company shall provide written notice to each Stockholder of such anticipated issuance no later than ten (10) days prior to the anticipated issuance date. Such notice shall set forth the principal terms and conditions of the issuance, including the proposed purchase price for the new Participation Shares, and the Pro Rata Portion of such new Participation Shares which the Stockholder to which the notice is directed may purchase in connection with such issuance. Each Stockholder shall have the right to purchase (and, with respect to the Co-Investment Entities, to the extent required pursuant to the preemptive obligations in the operating agreement of such Co-Investment Entity shall elect its right to participate to the extent permitted in such operating agreement) up to its Pro Rata Portion of such new Participation Shares (which in the case of an issuance of Participation Shares by a controlled Affiliate of the Company will be determined on a "look-through" basis) at the price and on the terms and conditions specified in the Company's notice by delivering an irrevocable written notice to the Company no later than ten (10) days from the date such notice is delivered to such Stockholder, at the price and upon the terms specified in such notice, by delivering an irrevocable written notice to the Company setting out the number of new Participation Shares with respect to which such right is exercised. Such notice shall also include the maximum number of new Participation Shares the Stockholder would be willing to purchase in the event any other Stockholder elects to purchase less than its Pro Rata Portion of such Participation Shares. If any Stockholder fails to elect to purchase its full Pro Rata Portion of such new Participation Shares, the Company shall allocate any remaining amount among those Stockholders (pro rata in accordance with the Company Shares then held by each such Stockholder relative to the aggregate number of Company Shares held by all Stockholders participating in issuance of Participation Shares and by any employee stockholders of the Company exercising "preemptive" or similar rights) who have indicated in their notice to the Company a desire to purchase new Participation Shares in excess of their respective Pro Rata Portions (it being understood that if Stockholders elect to purchase more new Participation Shares than remain available for sale, such allocation shall be made pro rata in accordance with the Company Shares then held by each such Stockholder relative to the aggregate number of Company Shares held by all Stockholders participating in issuance of Participation Shares and by any employee stockholders of the Company exercising "preemptive" or similar rights;

provided that in the case of a Co-Investment Entity, such allocation shall not be in excess of the maximum number of Newly Issued Securities each such Member (as such terms are defined in the operating agreement of such Co-Investment Entity) is willing to purchase as set forth in such notice); provided that no Stockholder shall be required to purchase more Participation Shares than the maximum number set forth in such Stockholder's irrevocable written notice.

(b) In the event Stockholders do not purchase all such new Participation Shares in accordance with the procedures set forth in Section 4.07(a), the Company shall have sixty (60) days after the expiration of the ten (10) day period to sell to other Persons (including other Stockholders) the remaining new Participation Shares at the price and on the terms and conditions specified in the Company's notice to the Stockholders pursuant to Section 4.07(a). If the Company fails to sell such Participation Shares within sixty (60) days of the anticipated issuance date provided in the notice given to Stockholders pursuant to Section 4.07(a), the Company shall not thereafter issue or sell any Participation Shares without first offering such Participation Shares to the Stockholders in the manner provided in Section 4.07(a).

(c) If any Stockholder does not deliver such a notice of election within such ten (10) day period, such Stockholder shall be deemed to have irrevocably waived any and all rights under this Section 4.07 with respect to the purchase of such Participation Shares (but not with respect to future issuances in accordance with this Section 4.07). Any sale of such securities by the Company without first giving the Stockholders the rights described in this Section 4.07 shall be void and of no force and effect.

(d) Notwithstanding the foregoing, this Section 4.07 shall not apply to any issuance of Company Shares that (i) (x) is approved by the Board of Directors and (y) is made (A) to a Strategic Partner, (B) in or to fund an acquisition or property development project by the Company or its Affiliates or an entity in which the Company or its Affiliates holds a direct or indirect interest, or (C) to employees of the Company, or (ii) are Company Shares in an aggregate amount of up to ten percent (10%) of the outstanding Company Shares, issued to the Sponsors or their Affiliates in exchange for a cash reimbursement of the cash used by the Company to pay a portion of the merger consideration at the Effective Time, within sixty (60) days of the Closing Date (subject to reasonable delays in the event of late receipt of required regulatory approvals), at the same price, on a per share basis, as the Company Shares issued to each Stockholder at the Effective Time.

#### Section 5.01. Demand Registration.

(a) Demand by the Sponsors. If, after the Effectiveness Date, there is no currently effective Shelf Registration Statement on file with the SEC, a Sponsor beneficially owning (together with its Affiliates), directly or indirectly, in the aggregate, not less than five percent (5%) of the Registrable Securities then outstanding may make a written request to the Company for Registration of all or part of the Registrable Securities held by such Sponsor (a "Demanding Sponsor") (i) on Form S-1 or any similar long-form registration statement (a

“Long-Form Registration”) or (ii) on Form S-3 or any similar short-form registration statement (a “Short-Form Registration Statement”) if the Company is qualified to use such short form. Any such requested Long-Form Registration or Short-Form Registration shall hereinafter be referred to as a “Demand Registration.” Each request for a Demand Registration shall specify the kind and aggregate amount of Registrable Securities to be Registered and the intended methods of disposition thereof. Within (i) ninety (90) days in the case of a request for a Long-Form Registration or (ii) thirty (30) days in the case of a request for a Short-Form Registration, the Company shall file a Registration Statement relating to such Demand Registration (a “Demand Registration Statement”), and shall use its reasonable best efforts to cause such Demand Registration Statement to promptly be declared effective under (x) the Securities Act and (y) the “Blue Sky” laws of such jurisdictions as any Participating Stockholder or any underwriter, if any, reasonably requests.

(b) Limitation on Demand Registrations. Each Sponsor shall have the right to request up to three (3) Long-Form Registrations and an unlimited number of Short-Form Registrations. Notwithstanding the foregoing, (i) each Sponsor may request no more than (A) three (3) Demand Registrations in any twelve (12) -month period or (B) more than one (1) Demand Registration in any three (3) -month period and (ii) in no event shall the Company be required to effect more than three (3) Demand Registrations in any twelve (12) -month period. The limitations on Demand Registrations in this Section 5.01(b) shall not apply to any Demand Registrations agreed upon by the Sponsors that are in excess of such limitations.

(c) Demand Withdrawal. A Demanding Sponsor and any other Stockholder that has requested its Registrable Securities be included in a Demand Registration pursuant to Section 5.01(e) may withdraw all or any portion of its Registrable Securities from a Demand Registration at any time prior to the effectiveness of the applicable Demand Registration Statement. Upon receipt of a notice to such effect from the Demanding Sponsor with respect to all of its Registrable Securities, the Company shall cease all efforts to secure effectiveness of the applicable Demand Registration Statement and such Registration nonetheless shall be deemed a Demand Registration with respect to such Demanding Sponsor for purposes of Section 5.01(b) unless (i) the withdrawing Demanding Sponsor shall have paid or reimbursed the Company for its pro rata share of all reasonable and documented out-of-pocket fees and expenses incurred by the Company in connection with the Registration of such Demanding Sponsor’s withdrawn Registrable Securities (based on the number of securities the Demanding Sponsor sought to register, as compared to the total number of securities included on such Demand Registration Statement) or (ii) the withdrawal is made following the occurrence of a Material Adverse Change or because the Registration would require the Company to make an Adverse Disclosure. In addition, if the Company receives a Demand Registration and the Company is then in the process of preparing to engage in a Company Public Sale, the Company shall inform the Demanding Sponsor of the Company’s intention to engage in a Company Public Sale and may require the Demanding Sponsor to withdraw such Registration Request for a period of up to 120 days so that the Company may complete the Company Public Sale. In the event that the Company ceases to pursue such Company Public Sale, it shall promptly inform the Demanding Sponsor and the Demanding Sponsor shall be permitted to submit a new Registration Request. The foregoing shall be without prejudice to any rights of the Demanding Sponsor pursuant to Section 5.01.

(d) Effective Registration. The Company shall be deemed to have effected a Demand Registration if the Demand Registration Statement is declared effective by the SEC and remains effective for not less than one hundred eighty (180) days (or such shorter period as shall terminate when all Registrable Securities covered by such Demand Registration Statement have been sold or withdrawn), or if such Registration Statement relates to an Underwritten Offering, such longer period as, in the opinion of counsel for the underwriter or underwriters, a Prospectus is required by law to be delivered in connection with sales of Registrable Securities by an underwriter or dealer (the applicable period, the “Demand Period”). No Demand Registration shall be deemed to have been effected if (i) during the Demand Period such Registration is interfered with by any stop order, injunction or other order or requirement of the SEC or other governmental agency or court or (ii) the conditions to closing specified in the underwriting agreement, if any, entered into in connection with such Registration are not satisfied other than by reason of a wrongful act, misrepresentation or breach of such applicable underwriting agreement by the Demanding Sponsor. The Company shall use its reasonable best efforts to keep any Registration Statement filed in response to a Registration Request effective for as long as is necessary for the Demanding Sponsor to dispose of the covered securities.

(e) Demand Notice. Promptly upon receipt of any request for a Demand Registration pursuant to Section 5.01(a) (but in no event more than five (5) Business Days thereafter), the Company shall deliver a written notice (a “Demand Notice”) of any such Registration request to all other Stockholders, and the Company shall include in such Demand Registration all such Registrable Securities with respect to which the Company has received written requests for inclusion therein within ten (10) Business Days after the date that the Demand Notice has been delivered. All requests made pursuant to this Section 5.01(e) shall specify the aggregate amount of Registrable Securities to be registered and the intended method of distribution of such securities. At any time prior to the Registration, the Demanding Sponsor may revoke such request, without liability to any of the other Demanding Sponsor, by providing a notice to the Company revoking such request.

(f) Delay in Filing; Suspension of Registration. If the filing, initial effectiveness or continued use of a Demand Registration Statement at any time would require the Company to make an Adverse Disclosure, the Company may, upon giving prompt written notice of such action to the Stockholders, delay the filing or initial effectiveness of, or suspend use of, the Demand Registration Statement (a “Demand Suspension”); provided, however, that the Company shall not be permitted to exercise a Demand Suspension or Shelf Suspension (as defined in Section 5.02(d)) (i) more than once during any twelve (12)-month period, or (ii) for a period exceeding thirty (30) days on any one occasion. In the case of a Demand Suspension, the Stockholders agree to suspend use of the applicable Prospectus in connection with any sale or purchase, or offer to sell or purchase, Registrable Securities, upon receipt of the notice referred to above. The Company shall immediately notify the Stockholders upon the termination of any Demand Suspension, amend or supplement the Prospectus, if necessary, so it does not contain any untrue statement or omission and furnish to the Stockholders such numbers of copies of the Prospectus as so amended or supplemented as the Stockholders may reasonably request. The Company agrees, if necessary, to supplement or make amendments to the Demand Registration Statement, if required by the registration form used by the Company for the Demand Registration or by the instructions applicable to such registration form or by the Securities Act or

the rules or regulations promulgated thereunder or as may reasonably be requested by the Demanding Sponsor.

(g) Underwritten Offering. If a Demanding Sponsor so requests in connection with an offering with estimated gross proceeds of at least \$500,000,000, an offering of Registrable Securities pursuant to a Demand Registration shall be in the form of an Underwritten Offering, and such Demanding Sponsor shall have the right to select the managing underwriter or underwriters to administer the offering; provided that such managing underwriter or underwriters shall be reasonably acceptable to the Company and the other Sponsor.

(h) Priority of Demand Registrations. If the managing underwriter or underwriters of a proposed Underwritten Offering of the Registrable Securities included in a Demand Registration (or, in the case of a Demand Registration not being underwritten, the Sponsors), advise the Board of Directors in writing that, in its or their opinion, the number of securities requested to be included in such Demand Registration exceeds the number which can be sold in such offering without being likely to have a significant adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, the securities to be included in such Demand Registration shall be allocated, (i) first, pro rata among the Stockholders (including the Demanding Sponsor) that have requested to participate in such Demand Registration based on the relative number of Registrable Securities then held by each such Stockholder (provided that any securities thereby allocated to a Stockholder that exceed such Stockholder's request shall be reallocated among the remaining requesting Stockholders in like manner) and (ii) next, and only if all the securities referred to in clause (i) have been included, the number of securities that the Company proposes to include in such Registration that, in the opinion of the managing underwriter or underwriters (or the Sponsors, as the case may be) can be sold without having such adverse effect.

(i) In the event any Stockholder requests to participate in a registration pursuant to this Section 5.01 in connection with a distribution of Registrable Securities to its partners or members, the registration shall provide for resale by such partners or members, if requested by the Stockholder.

(j) The Co-Investment Entities shall be entitled to participate in any Registration Request subject to the terms and conditions set forth in Section 5.03.

#### Section 5.02. Shelf Registration.

(a) Filing. After the Effectiveness Date, as promptly as practicable following a request as may be made from time to time by one or more Sponsors beneficially owning (together with its Affiliates), directly or indirectly, in the aggregate, not less than five percent (5%) of the Registrable Securities then outstanding, the Company shall file with the SEC a Shelf Registration Statement relating to the offer and sale by Stockholders from time to time of the number of Registrable Securities specified in the requests of the Sponsor(s) pursuant to this Section 5.02 and the other Stockholders pursuant to Section 5.02(c) in accordance with the methods of distribution elected by the participating Sponsor(s) and set forth in the Shelf Registration Statement and, as promptly as practicable thereafter, shall use its reasonable best efforts to cause such Shelf Registration Statement to be declared effective under the Securities

Act; provided that any request to file a Shelf Registration Statement on Form S-1 (or any successor form thereto) must be made by Apollo and TPG together. If a Sponsor makes a request pursuant to this Section 5.02(a) to file a Shelf Registration Statement and the other Sponsor did not join in such request, the Company shall promptly (and, in any event, within five (5) Business Days) notify the other Sponsor. No later than ten (10) Business Days after the receipt of the initial request to file a Shelf Registration Statement pursuant to this Section 5.02(a), each Sponsor shall notify the Company in writing the number of its Registrable Securities (if any) that such Sponsor is requesting to be registered on such Shelf Registration Statement. At any time prior to or after the filing of a Shelf Registration Statement, either of the Sponsors may request that the number of its Registrable Securities (if any) previously requested to be registered on such Shelf Registration Statement be increased to a larger number of its Registrable Securities and the Company shall thereafter use its reasonable best efforts to effect such increase for such Shelf Registration Statement as promptly as practicable thereafter. The aggregate number of Registrable Securities that the Sponsors request to be so registered on such Shelf Registration Statement (as increased from time to time at the election of either of the Sponsors pursuant to the immediately foregoing sentence) shall be referred to in this Section 5.02 as the “Sponsor Shelf Registration Amount.” If, on the date of any such request, the Company does not qualify to file a Shelf Registration Statement under the Securities Act, the provisions of this Section 5.02 shall not apply, and the provisions of Section 5.01 shall apply instead.

(b) Continued Effectiveness. The Company shall use its reasonable best efforts to keep such Shelf Registration Statement continuously effective under the Securities Act in order to permit the Prospectus forming a part thereof to be usable by Stockholders until the earlier of (i) the date as of which all Registrable Securities have been sold pursuant to the Shelf Registration Statement or another registration statement filed under the Securities Act (but in no event prior to the applicable period referred to in Section 4(3) of the Securities Act and Rule 174 thereunder) and (ii) the date as of which each of the Stockholders is permitted to sell its Registrable Securities without Registration pursuant to Rule 144 under the Securities Act without volume limitation or other restrictions on transfer thereunder (such period of effectiveness, the “Shelf Period”). Subject to Section 5.02(d), the Company shall not be deemed to have used its reasonable best efforts to keep the Shelf Registration Statement effective during the Shelf Period if the Company voluntarily takes any action or omits to take any action that would result in Stockholders of Registrable Securities covered thereby not being able to offer and sell any Registrable Securities pursuant to such Shelf Registration Statement during the Shelf Period, unless such action or omission is required by applicable law.

(c) Shelf Notice. Promptly upon receipt of any request by a Sponsor to file a Shelf Registration Statement or any request by a Sponsor to increase the number of its Registrable Securities registered on such Shelf Registration Statement pursuant to Section 5.02(a) (but in no event more than five (5) Business Days thereafter), the Company shall deliver a written notice (a “Shelf Notice”) of any such request to all non-Sponsor Stockholders specifying the Sponsor Shelf Registration Amount. Each Stockholder shall have the right to (and, with respect to the Co-Investment Entities, to the extent required pursuant to the piggyback obligations in the operating agreement of such Co-Investment Entity shall elect its right to participate) include in such registration up to its Pro Rata Portion of Registrable Securities by delivering an irrevocable written notice to the Company specifying the number of Registrable

Securities such Stockholder desires to so include no later than ten (10) Business Days of the delivery of the Shelf Notice, and the Company shall include in such registration the number of Registrable Securities for which the Company receives written notice in accordance with this provision.

(d) Suspension of Registration. If the continued use of such Shelf Registration Statement at any time would require the Company to make an Adverse Disclosure, the Company may, upon giving prompt written notice of such action to the Stockholders, suspend use of the Shelf Registration Statement (a “Shelf Suspension”); provided that the Company shall not be permitted to exercise a Shelf Suspension or Demand Suspension (i) more than one time during any twelve (12)-month period, or (ii) for a period exceeding thirty (30) days on any one occasion. In the case of a Shelf Suspension, the Stockholders agree to suspend use of the applicable Prospectus in connection with any sale or purchase of, or offer to sell or purchase, Registrable Securities, upon receipt of the notice referred to above. The Company shall immediately notify the Stockholders upon the termination of any Shelf Suspension, amend or supplement the Prospectus, if necessary, so it does not contain any untrue statement or omission and furnish to the Stockholders such numbers of copies of the Prospectus as so amended or supplemented as the Stockholders may reasonably request. The Company agrees, if necessary, to supplement or make amendments to the Shelf Registration Statement, if required by the registration form used by the Company for the Shelf Registration or by the instructions applicable to such registration form or by the Securities Act or the rules or regulations promulgated thereunder or as may reasonably be requested by the Sponsors.

(e) Underwritten Offering. If a Sponsor holding, directly or indirectly, in the aggregate, not less than five percent (5%) of the Registrable Securities then outstanding so elects in connection with an offering with estimated gross proceeds of at least \$500,000,000, an offering of Registrable Securities pursuant to the Shelf Registration Statement shall be in the form of an Underwritten Offering, and the Company shall amend or supplement the Shelf Registration Statement for such purpose, such Sponsor shall have the right to select the managing underwriter or underwriters to administer such offering; provided that such managing underwriter or underwriters shall be reasonably acceptable to the Company and the other Sponsor. Each Stockholder shall have the right to (and, with respect to the Co-Investment Entities, to the extent required pursuant to the piggyback obligations in the operating agreement of such Co-Investment Entity shall elect its right to participate) include in such offering up to its Pro Rata Portion of Registrable Securities in the manner described in Section 5.02(c). The provisions of Section 5.01(h) shall apply to any underwritten offering pursuant to this Section 5.02(e).

#### Section 5.03. Piggyback Registration.

(a) Participation. If the Company at any time proposes to file a Registration Statement under the Securities Act with respect to any offering, including the Initial Public Offering, of its equity securities for its own account or for the account of any other Persons (other than (i) a registration incidental to an issuance of debt securities under Rule 144A, (ii) a Registration on Form S-4 or S-8 or any successor form to such Forms, or (iii) a Registration of securities solely relating to an offering and sale to employees or directors of the Company pursuant to any employee stock plan or other employee benefit plan arrangement, a dividend

reinvestment plan, or a merger or consolidation) (a “Company Public Sale”), then, as soon as reasonably practicable, the Company shall give written notice of such proposed filing to the Stockholders, and such notice shall offer the Stockholders the opportunity to Register under such Registration Statement such number of Registrable Securities as each such Stockholder may request in writing (a “Piggyback Registration”); provided, however, that the Co-Investor Entities shall only have such rights to Piggyback Registration with respect to a Company Public Sale in which a Sponsor is participating as a selling stockholder. Subject to Section 5.03(b), the Company shall include in such Registration Statement all such Registrable Securities that are requested to be included therein within fifteen (15) days after the receipt by such Stockholders of any such notice (or ten (10) Business Days in the case of a Shelf Notice) (and, with respect to the Co-Investment Entities, such Co-Investment entities shall elect to include Registrable Securities to the extent required pursuant to the piggyback obligations in the operating agreement of such Co-Investment Entity); provided that if at any time after giving written notice of its intention to Register any securities and prior to the effective date of the Registration Statement filed in connection with such Registration, the Company shall determine for any reason not to Register or to delay Registration of such securities, the Company shall give written notice of such determination to each Stockholder and, thereupon, (i) in the case of a determination not to Register, shall be relieved of its obligation to Register any Registrable Securities in connection with such Registration (but not from its obligation to pay the Registration Expenses in connection therewith), without prejudice, however, to the rights of the Sponsors to request that such Registration be effected as a Demand Registration under Section 5.01, and (ii) in the case of a determination to delay Registering, in the absence of a request for a Demand Registration, shall be permitted to delay Registering any Registrable Securities, for the same period as the delay in Registering such other securities. If the offering pursuant to such Registration Statement is to be underwritten, then each Stockholder making a request for a Piggyback Registration pursuant to this Section 5.03(a) must, and the Company shall make such arrangements with the managing underwriter or underwriters so that each such Stockholder may, participate in such Underwritten Offering. If the offering pursuant to such Registration Statement is to be on any other basis, then each Stockholder making a request for a Piggyback Registration pursuant to this Section 5.03(a) must, and the Company shall make such arrangements so that each such Stockholder may, participate in such offering on such basis. Each Stockholder shall be permitted to withdraw all or part of its Registrable Securities from a Piggyback Registration at any time prior to the effectiveness of such Registration Statement.

(b) Priority of Piggyback Registration. If the managing underwriter or underwriters of any proposed Underwritten Offering of Registrable Securities included in a Piggyback Registration informs the Company and the Stockholders of Registrable Securities in writing that, in its or their opinion, the number of securities which such Stockholders and any other Persons intend to include in such Piggyback Registration exceeds the number which can be sold in such offering without being likely to have a significant adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, then the securities to be included in such Piggyback Registration shall be (i) first, 100% of the securities proposed to be sold in such Piggyback Registration by the Company or (subject to Section 5.07) any Person (other than a Stockholder) exercising a contractual right to demand Registration, as the case may be, proposes to sell, and (ii) second, and only if all the securities referred to in clause (i) have been included, the number of Registrable Securities that, in the opinion of such managing underwriter or underwriters, can be sold without having such adverse effect, with such

number to be allocated pro rata among the Stockholders that have requested to participate in such Registration based on the relative number of Registrable Securities then held by each such Stockholder (provided that any securities thereby allocated to a Stockholder that exceed such Stockholder's request shall be reallocated among the remaining requesting Stockholders in like manner) and (iii) third, and only if all of the Registrable Securities referred to in clause (ii) have been included in such Registration, any other securities eligible for inclusion in such Registration.

(c) No Effect on Demand Registrations. No Registration of Registrable Securities effected pursuant to a request under this Section 5.03 shall be deemed to have been effected pursuant to Sections 5.01 and 5.02 or shall relieve the Company of its obligations under Section 5.01 or 5.02.

Section 5.04. Black-out Periods.

(a) Black-out Periods for Stockholders. In the event of a Company Public Sale of the Company's equity securities in an Underwritten Offering, the Stockholders agree, if requested by the managing underwriter or underwriters in such Underwritten Offering and agreed to by both Sponsors, not to effect any public sale or distribution of any securities (except, in each case, as part of the applicable Registration, if permitted) that are the same as or similar to those being Registered in connection with such Company Public Sale, or any securities convertible into or exchangeable or exercisable for such securities, during the period beginning seven (7) days before and ending one hundred eighty (180) days (in the event of the Company's Initial Public Offering) or ninety (90) days (in the event of any other Company Public Sale) (or, in either case, such lesser period as may be permitted by the Company or such managing underwriter or underwriters) after the effective date of the Registration Statement filed in connection with such Registration, to the extent timely notified in writing by the Company or the managing underwriter or underwriters; provided, however, such restrictions shall not apply to (i) securities acquired in the public market subsequent to the Initial Public Offering, (ii) distributions-in-kind to a Stockholder's partners or members and (iii) Transfers to Affiliates but only if such Affiliates agree to be bound by the restrictions herein.

(b) Black-out Period for the Company and Others. In the case of a Registration of Registrable Securities pursuant to Section 5.01 or 5.02 for an Underwritten Offering, the Company and the Stockholders agree, if requested by the participating Sponsors or the managing underwriter or underwriters with respect to such Registration, not to effect any public sale or distribution of any securities that are the same as or similar to those being Registered, or any securities convertible into or exchangeable or exercisable for such securities, during the period beginning seven (7) days before, and ending ninety (90) days (or such lesser period as may be permitted by the participating Sponsors or such managing underwriter or underwriters) after, the effective date of the Registration Statement filed in connection with such Registration (or, in the case of an offering under a Shelf Registration Statement, the date of the closing under the underwriting agreement in connection therewith), to the extent timely notified in writing by the Sponsors or the managing underwriter or underwriters. Notwithstanding the foregoing, the Company may effect a public sale or distribution of securities of the type described above and during the periods described above if such sale or distribution is made as part of any Registration of securities for offering and sale to employees or directors of the

Company pursuant to any employee stock plan or other employee benefit plan arrangement. The Company agrees to use its reasonable best efforts to obtain from each Stockholder of restricted securities of the Company which securities are the same as or similar to the Registrable Securities being Registered, or any restricted securities convertible into or exchangeable or exercisable for any of such securities, an agreement not to effect any public sale or distribution of such securities during any such period referred to in this paragraph, except as part of any such Registration, if permitted. Without limiting the foregoing (but subject to Section 5.07), if after the date hereof the Company grants any Person (other than a Stockholder) any rights to demand or participate in a Registration, the Company agrees that the agreement with respect thereto shall include such Person's agreement to comply with any black-out period required by this Section as if it were a Stockholder hereunder.

Section 5.05. Registration Procedures.

(a) In connection with the Company's Registration obligations under Sections 5.01, 5.02 and 5.03, the Company shall use its reasonable best efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the intended method or methods of distribution thereof as expeditiously as reasonably practicable, and in connection therewith the Company shall:

(i) prepare the required Registration Statement including all exhibits and financial statements required under the Securities Act to be filed therewith, and before filing a Registration Statement or Prospectus, or any amendments or supplements thereto, (x) furnish to the underwriters, if any, and to Participating Stockholders, copies of all documents prepared to be filed, which documents shall be subject to the review of such underwriters and such Stockholders and their respective counsel and (y) except in the case of a Registration under Section 5.03, not file any Registration Statement or Prospectus or amendments or supplements thereto to which the Sponsors or the underwriters, if any, shall reasonably object;

(ii) as soon as reasonably practicable (in the case of a Demand Registration or Shelf Registration, no later than thirty (30) days after a request for a Demand Registration or Shelf Registration on Form S-3 or ninety (90) days after a request for a Demand Registration or Shelf Registration on Form S-1) file with the SEC a Registration Statement relating to the Registrable Securities including all exhibits and financial statements required by the SEC to be filed therewith, and use its reasonable best efforts to cause such Registration Statement to become effective under the Securities Act as soon as practicable;

(iii) prepare and file with the SEC such pre- and post-effective amendments to such Registration Statement and supplements to the Prospectus as may be (x) reasonably requested by a Sponsor, (y) reasonably requested by any other Participating Stockholder (to the extent such request relates to information relating to such Stockholder), or (z) necessary to keep such Registration effective for the period of time required by this Agreement, and comply with provisions of the applicable securities laws with respect to the sale or other disposition of all securities covered by such Registration Statement during such period in

accordance with the intended method or methods of disposition by the sellers thereof set forth in such Registration Statement;

(iv) notify the Participating Stockholders and the managing underwriter or underwriters, if any, and (if requested) confirm such advice in writing and provide copies of the relevant documents, as soon as reasonably practicable after notice thereof is received by the Company (a) when the applicable Registration Statement or any amendment thereto has been filed or becomes effective, and when the applicable Prospectus or any amendment or supplement to such Prospectus has been filed, (b) of any written comments by the SEC or any request by the SEC or any other federal or state governmental authority for amendments or supplements to such Registration Statement or such Prospectus or for additional information, (c) of the issuance by the SEC of any stop order suspending the effectiveness of such Registration Statement or any order by the SEC or any other regulatory authority preventing or suspending the use of any preliminary or final Prospectus or the initiation or threatening of any proceedings for such purposes, (d) if, at any time, the representations and warranties of the Company in any applicable underwriting agreement cease to be true and correct in all material respects, and (e) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Securities for offering or sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose;

(v) promptly notify the Participating Stockholders and the managing underwriter or underwriters, if any, when the Company becomes aware of the happening of any event as a result of which the applicable Registration Statement or the Prospectus included in such Registration Statement (as then in effect) contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein (in the case of such Prospectus and any preliminary Prospectus, in light of the circumstances under which they were made) not misleading or, if for any other reason it shall be necessary during such time period to amend or supplement such Registration Statement or Prospectus in order to comply with the Securities Act and, in either case as promptly as reasonably practicable thereafter, prepare and file with the SEC, and furnish without charge to the Participating Stockholders and the managing underwriter or underwriters, if any, an amendment or supplement to such Registration Statement or Prospectus which shall correct such misstatement or omission or effect such compliance;

(vi) use its reasonable best efforts to prevent, or obtain the withdrawal of, any stop order or other order suspending the use of any preliminary or final Prospectus;

(vii) promptly incorporate in a Prospectus supplement or post-effective amendment such information as the managing underwriter or underwriters and the Sponsors agree should be included therein relating to the plan of distribution with respect to such Registrable Securities, and make all required filings of such

Prospectus supplement or post-effective amendment as soon as reasonably practicable after being notified of the matters to be incorporated in such Prospectus supplement or post-effective amendment;

(viii) furnish to each Participating Stockholder and each underwriter, if any, without charge, as many conformed copies as such Stockholder or underwriter may reasonably request of the applicable Registration Statement and any amendment or post-effective amendment thereto, including financial statements and schedules, all documents incorporated therein by reference and all exhibits (including those incorporated by reference);

(ix) deliver to each Participating Stockholder and each underwriter, if any, without charge, as many copies of the applicable Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Stockholder or underwriter may reasonably request (it being understood that the Company consents to the use of such Prospectus or any amendment or supplement thereto by such Stockholder and the underwriters, if any, in connection with the offering and sale of the Registrable Securities covered by such Prospectus or any amendment or supplement thereto) and such other documents as such Stockholder or underwriter may reasonably request in order to facilitate the disposition of the Registrable Securities by such Stockholder or underwriter;

(x) on or prior to the date on which the applicable Registration Statement is declared effective, use its reasonable best efforts to register or qualify, and cooperate with the Participating Stockholders, the managing underwriter or underwriters, if any, and their respective counsel, in connection with the registration or qualification of such Registrable Securities for offer and sale under the securities or "Blue Sky" laws of each state and other jurisdiction of the United States as any Participating Stockholder or managing underwriter or underwriters, if any, or their respective counsel reasonably request in writing and do any and all other acts or things reasonably necessary or advisable to keep such registration or qualification in effect for such period as required by Section 5.01(d) or 5.02(b), whichever is applicable; provided that the Company shall not be required to qualify generally to do business in any jurisdiction where it is not then so qualified or to take any action which would subject it to taxation or general service of process in any such jurisdiction where it is not then so subject;

(xi) cooperate with the Participating Stockholders and the managing underwriter or underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends, and enable such Registrable Securities to be in such denominations and registered in such names as the managing underwriters may request at least two business days prior to any sale of Registrable Securities to the underwriters;

(xii) use its reasonable best efforts to cause the Registrable Securities covered by the applicable Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller or sellers thereof or the underwriter or underwriters, if any, to consummate the disposition of such Registrable Securities;

(xiii) not later than the effective date of the applicable Registration Statement, provide a CUSIP number for all Registrable Securities and provide the applicable transfer agent with printed certificates for the Registrable Securities which are in a form eligible for deposit with The Depository Trust Company;

(xiv) make such representations and warranties to the Participating Stockholders and the underwriters or agents, if any, in form, substance and scope as are customarily made by issuers in secondary underwritten public offerings;

(xv) enter into such customary agreements (including underwriting and indemnification agreements) and take all such other actions as the Sponsors or the managing underwriter or underwriters, if any, reasonably request in order to expedite or facilitate the registration and disposition of such Registrable Securities;

(xvi) obtain for delivery to the Participating Stockholders and to the underwriter or underwriters, if any, an opinion or opinions from counsel for the Company dated the effective date of the Registration Statement or, in the event of an Underwritten Offering, the date of the closing under the underwriting agreement, in customary form, scope and substance, which opinions shall be reasonably satisfactory to such Stockholders or underwriters, as the case may be, and their respective counsel;

(xvii) in the case of an Underwritten Offering, obtain for delivery to the Company and the managing underwriter or underwriters, with copies to the Participating Stockholders, a cold comfort letter from the Company's independent certified public accountants in customary form and covering such matters of the type customarily covered by cold comfort letters as the managing underwriter or underwriters reasonably request, dated the date of execution of the underwriting agreement and brought down to the closing under the underwriting agreement;

(xviii) cooperate with each Participating Stockholder and each underwriter, if any, participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA;

(xix) use its reasonable best efforts to comply with all applicable securities laws and make available to its security Stockholders, as soon as reasonably practicable, an earnings statement satisfying the provisions of Section 11(a) of the Securities Act and the rules and regulations promulgated thereunder;

(xx) provide and cause to be maintained a transfer agent and registrar for all Registrable Securities covered by the applicable Registration Statement from and after a date not later than the effective date of such Registration Statement;

(xxi) use its best efforts to cause all Registrable Securities covered by the applicable Registration Statement to be listed on each securities exchange on which any of the Company's securities are then listed or quoted and on each inter-dealer quotation system on which any of the Company's securities are then quoted;

(xxii) make available upon reasonable notice at reasonable times and for reasonable periods for inspection by the Sponsors, by any underwriter participating in any disposition to be effected pursuant to such Registration Statement and by any attorney, accountant or other agent retained by the Sponsors or any such underwriter, all pertinent financial and other records, pertinent corporate documents and properties of the Company, and cause all of the Company's officers, directors and employees and the independent public accountants who have certified its financial statements to make themselves available to discuss the business of the Company and to supply all information reasonably requested by any such Person in connection with such Registration Statement as shall be necessary to enable them to exercise their due diligence responsibility; provided that any such Person gaining access to information regarding the Company pursuant to this Section 5.05(a)(xxii) shall agree to hold in strict confidence and shall not make any disclosure or use any information regarding the Company that the Company determines in good faith to be confidential, and of which determination such Person is notified, unless (w) the release of such information is requested or required (by deposition, interrogatory, requests for information or documents by a governmental entity, subpoena or similar process), (x) such information is or becomes publicly known other than through a breach of this or any other agreement of which such Person has knowledge, (y) such information is or becomes available to such Person on a non-confidential basis from a source other than the Company or (z) such information is independently developed by such Person; and

(xxiii) in the case of an Underwritten Offering, cause the senior executive officers of the Company to participate in the customary "road show" presentations that may be reasonably requested by the managing underwriter or underwriters in any such Underwritten Offering and otherwise to facilitate, cooperate with, and participate in each proposed offering contemplated herein and customary selling efforts related thereto.

(b) The Company may require each Participating Stockholder to furnish to the Company such information regarding the distribution of such securities and such other information relating to such Stockholder and its ownership of Registrable Securities as the Company may from time to time reasonably request in writing. Each Participating Stockholder

agrees to furnish such information to the Company and to cooperate with the Company as reasonably necessary to enable the Company to comply with the provisions of this Agreement.

(c) Each Participating Stockholder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 5.05(a)(v), such Stockholder will forthwith discontinue disposition of Registrable Securities pursuant to such Registration Statement until such Stockholder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 5.05(a)(v), or until such Stockholder is advised in writing by the Company that the use of the Prospectus may be resumed, and if so directed by the Company, such Stockholder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such Stockholder's possession, of the Prospectus covering such Registrable Securities current at the time of receipt of such notice. In the event the Company shall give any such notice, the period during which the applicable Registration Statement is required to be maintained effective shall be extended by the number of days during the period from and including the date of the giving of such notice to and including the date when each seller of Registrable Securities covered by such Registration Statement either receives the copies of the supplemented or amended Prospectus contemplated by Section 5.05(a)(v) or is advised in writing by the Company that the use of the Prospectus may be resumed.

Section 5.06. Underwritten Offerings.

(a) Demand and Shelf Registrations. If requested by the underwriters for any Underwritten Offering requested by the Sponsors pursuant to a Registration under Section 5.01 or 5.02, the Company shall enter into an underwriting agreement with such underwriters for such offering, such agreement to be reasonably satisfactory in substance and form to the Company, the Sponsors and the underwriters, and to contain such representations and warranties by the Company and such other terms as are generally prevailing in agreements of that type, including indemnities no less favorable to the recipient thereof than those provided in Section 5.09. The Participating Stockholders shall cooperate with the Company in the negotiation of such underwriting agreement and shall give consideration to the reasonable suggestions of the Company regarding the form thereof. Such Stockholders shall be parties to such underwriting agreement, which underwriting agreement shall (i) contain such representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of such Stockholders as are customarily made by issuers to selling holders in secondary underwritten public offerings and (ii) provide that any or all of the conditions precedent to the obligations of such underwriters under such underwriting agreement also shall be conditions precedent to the obligations of such Stockholders. Such Stockholders shall not be required to make any representations or warranties to or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such Stockholders, such Stockholder's title to the Registrable Securities, such Stockholder's intended method of distribution and any other representations required to be made by such Stockholder (provided that any such representation shall be made on a several basis) under applicable law, and the aggregate amount of the liability of such Stockholder shall not exceed such Stockholder's net proceeds from such Underwritten Offering.

(b) Piggyback Registrations. If the Company proposes to register any of its securities under the Securities Act as contemplated by Section 5.03 and such securities are to be

distributed in an Underwritten Offering through one or more underwriters, the Company shall, if requested by any Stockholder pursuant to Section 5.03 and subject to the provisions of Section 5.03(b), use its reasonable best efforts to arrange for such underwriters to include on the same terms and conditions that apply to the other sellers in such Registration all the Registrable Securities to be offered and sold by such Stockholder among the securities of the Company to be distributed by such underwriters in such Registration. The Participating Stockholders shall be parties to the underwriting agreement between the Company and such underwriters, which underwriting agreement shall (i) contain such representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of such Stockholders as are customarily made by issuers to selling holders in secondary underwritten public offerings and (ii) provide that any or all of the conditions precedent to the obligations of such underwriters under such underwriting agreement also shall be conditions precedent to the obligations of such Stockholders. Any such Stockholder shall not be required to make any representations or warranties to, or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such Stockholder, such Stockholder's title to the Registrable Securities and such Stockholder's intended method of distribution or any other representations required to be made by such Stockholder under applicable law, and the aggregate amount of the liability of such Stockholder shall not exceed such Stockholder's net proceeds from such Underwritten Offering.

(c) Participation in Underwritten Registrations. Subject to provisions of Sections 5.06(a) and (b) above, no Person may participate in any Underwritten Offering hereunder unless such Person (i) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Persons entitled to approve such arrangements and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

(d) Price and Underwriting Discounts. In the case of an Underwritten Offering under Section 5.01 or 5.02, the price, underwriting discount and other financial terms for the Registrable Securities shall be determined by the Demanding Sponsor(s) (or, in the case of a Shelf Registration, the Sponsor(s) selling Registrable Securities under the Shelf Registration Statement). In addition, in the case of any Underwritten Offering, each of the Stockholders may withdraw their request to participate in the registration pursuant to Section 5.01, 5.02 or 5.03 after being advised of such price, discount and other terms and shall not be required to enter into any agreements or documentation that would require otherwise.

Section 5.07. No Inconsistent Agreements; Additional Rights. The Company shall not hereafter enter into, and is not currently a party to, any agreement with respect to its securities that is inconsistent with the rights granted to the Stockholders by this Agreement. Without the consent of the Sponsors, the Company shall not enter into any agreement granting registration or similar rights to any Person.

Section 5.08. Registration Expenses. All expenses incident to the Company's performance of or compliance with this Agreement shall be paid by the Company, including (i) all registration and filing fees, and any other fees and expenses associated with filings required to be made with the SEC or FINRA, (ii) all fees and expenses in connection with compliance with any securities or "Blue Sky" laws, (iii) all printing, duplicating, word

processing, messenger, telephone, facsimile and delivery expenses (including expenses of printing certificates for the Registrable Securities in a form eligible for deposit with The Depository Trust Company and of printing prospectuses), (iv) all fees and disbursements of counsel for the Company and of all independent certified public accountants of the Company (including the expenses of any special audit and cold comfort letters required by or incident to such performance), (v) Securities Act liability insurance or similar insurance if the Company so desires or the underwriters so require in accordance with then-customary underwriting practice, (vi) all fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange or quotation of the Registrable Securities on any inter-dealer quotation system, (vii) all applicable rating agency fees with respect to the Registrable Securities, (viii) all reasonable fees and disbursements of legal counsel for each Sponsor participating in such Registration (or, in the case of a Shelf Registration, each Sponsor selling Registrable Securities under the Shelf Registration Statement), (ix) all fees and expenses of accountants selected by the Demanding Sponsor (or, in the case of a Shelf Registration, the Stockholder selling Registrable Securities under the Shelf Registration Statement), (x) any reasonable fees and disbursements of underwriters customarily paid by issuers or sellers of securities, (xi) all fees and expenses of any special experts or other Persons retained by the Company in connection with any Registration, (xii) all of the Company's internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties) and (xiii) all expenses related to the "road-show" for any underwritten offering, including all travel, meals and lodging. All such expenses are referred to herein as "Registration Expenses." The Company shall not be required to pay underwriting discounts and commissions and transfer taxes, if any, attributable to the sale of Registrable Securities.

Section 5.09. Indemnification.

(a) Indemnification by the Company. The Company agrees to indemnify and hold harmless, to the full extent permitted by law, each Stockholder, each member, limited partner or general partner thereof, each member, limited partner or general partner of each such member, limited or general partner, each of their respective Affiliates, officers, directors, stockholders, employees, advisors, and agents and each Person who controls (within the meaning of the Securities Act or the Exchange Act) such Persons and each of their respective Representatives from and against any and all losses, penalties, judgments, suits, costs, claims, damages, liabilities and expenses, joint or several (including reasonable costs of investigation and legal expenses) (each, a "Loss" and collectively "Losses") arising out of or based upon (i) any untrue or alleged untrue statement of a material fact contained in any Registration Statement under which such Registrable Securities were Registered under the Securities Act (including any final, preliminary or summary Prospectus contained therein or any amendment thereof, supplement thereto or any documents incorporated by reference therein) or any other disclosure document produced by or on behalf of the Company or any of its subsidiaries including, without limitation, reports and other documents filed under the Exchange Act, (ii) any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus or preliminary Prospectus, in light of the circumstances under which they were made) not misleading or (iii) any actions or inactions or proceedings in respect of the foregoing whether or not such indemnified party is a party thereto; provided that the Company shall not be liable to any particular indemnified party (A) to the extent that any such Loss arises out of or is based upon an untrue statement or alleged untrue

statement or omission or alleged omission made in any such Registration Statement or other document in reliance upon and in conformity with written information furnished to the Company by such indemnified party expressly for use in the preparation thereof or (B) to the extent that any such Loss arises out of or is based upon an untrue statement or omission in a preliminary Prospectus relating to Registrable Securities, if a Prospectus (as then amended or supplemented) that would have cured the defect was furnished to the indemnified party from whom the Person asserting the claim giving rise to such Loss purchased Registrable Securities at least five (5) days prior to the written confirmation of the sale of the Registrable Securities to such Person and a copy of such Prospectus (as amended and supplemented) was not sent or given by or on behalf of such indemnified party to such Person at or prior to the written confirmation of the sale of the Registrable Securities to such Person. This indemnity shall be in addition to any liability the Company may otherwise have. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Stockholder or any indemnified party and shall survive the transfer of such securities by such Stockholder. The Company shall also indemnify underwriters, selling brokers, dealer managers and similar securities industry professionals participating in the distribution, their officers and directors and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the indemnified parties.

(b) Indemnification by the Participating Stockholders. Each Participating Stockholder agrees (severally and not jointly) to indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors and officers and each Person who controls the Company (within the meaning of the Securities Act or the Exchange Act) from and against any Losses resulting from (i) any untrue statement of a material fact in any Registration Statement under which such Registrable Securities were Registered under the Securities Act (including any final, preliminary or summary Prospectus contained therein or any amendment thereof or supplement thereto or any documents incorporated by reference therein), or (ii) any omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus or preliminary Prospectus, in light of the circumstances under which they were made) not misleading, in each case, to the extent, but only to the extent, that such untrue statement or omission is contained in any information furnished in writing by such Stockholder to the Company specifically for inclusion in such Registration Statement and has not been corrected in a subsequent writing prior to or concurrently with the sale of the Registrable Securities to the Person asserting the claim. In no event shall the liability of such Stockholder hereunder be greater in amount than the dollar amount of the net proceeds received by such Stockholder under the sale of Registrable Securities giving rise to such indemnification obligation. The Company shall be entitled to receive indemnities from underwriters, selling brokers, dealer managers and similar securities industry professionals participating in the distribution, to the same extent as provided above (with appropriate modification) with respect to information furnished in writing by such Persons specifically for inclusion in any Prospectus or Registration Statement.

(c) Conduct of Indemnification Proceedings. Any Person entitled to indemnification hereunder shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that any delay or failure to so notify the indemnifying party shall relieve the indemnifying party of its obligations hereunder only to the extent, if at all, that it is actually prejudiced by reason of such delay or failure) and

(ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided that any Person entitled to indemnification hereunder shall have the right to select and employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such Person unless (A) the indemnifying party has agreed in writing to pay such fees or expenses, (B) the indemnifying party shall have failed to assume the defense of such claim within a reasonable time after receipt of notice of such claim from the Person entitled to indemnification hereunder and employ counsel reasonably satisfactory to such Person, (C) the indemnified party has reasonably concluded (based upon advice of its counsel) that there may be legal defenses available to it or other indemnified parties that are different from or in addition to those available to the indemnifying party, or (D) in the reasonable judgment of any such Person (based upon advice of its counsel) a conflict of interest may exist between such Person and the indemnifying party with respect to such claims (in which case, if the Person notifies the indemnifying party in writing that such Person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such Person). If the indemnifying party assumes the defense, the indemnifying party shall not have the right to settle such action without the consent of the indemnified party. No indemnifying party shall consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of an unconditional release from all liability in respect to such claim or litigation without the prior written consent of such indemnified party. If such defense is not assumed by the indemnifying party, the indemnifying party will not be subject to any liability for any settlement made without its prior written consent, but such consent may not be unreasonably withheld. It is understood that the indemnifying party or parties shall not, except as specifically set forth in this Section 5.09(c), in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees, disbursements or other charges of more than one separate firm admitted to practice in such jurisdiction at any one time unless (x) the employment of more than one counsel has been authorized in writing by the indemnifying party or parties, (y) an indemnified party has reasonably concluded (based on the advice of counsel) that there may be legal defenses available to it that are different from or in addition to those available to the other indemnified parties or (z) a conflict or potential conflict exists or may exist (based upon advice of counsel to an indemnified party) between such indemnified party and the other indemnified parties, in each of which cases the indemnifying party shall be obligated to pay the reasonable fees and expenses of such additional counsel or counsels.

(d) Contribution. If for any reason the indemnification provided for in paragraphs (a) and (b) of this Section 5.09 is unavailable to an indemnified party or insufficient in respect of any Losses referred to therein, then the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such Loss (i) in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and the indemnified party or parties on the other hand in connection with the acts, statements or omissions that resulted in such losses, as well as any other relevant equitable considerations. In connection with any Registration Statement filed with the SEC by the Company, the relative fault of the indemnifying party on the one hand and the indemnified party on the other hand shall be determined by reference to, among other things, whether any untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties'

relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just or equitable if contribution pursuant to this Section 5.09(d) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in this Section 5.09(d). No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The amount paid or payable by an indemnified party as a result of the Losses referred to in Sections 5.09(a) and 5.09(b) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 5.09(d), in connection with any Registration Statement filed by the Company, a Participating Stockholder shall not be required to contribute any amount in excess of the dollar amount of the net proceeds received by such Stockholder under the sale of Registrable Securities giving rise to such contribution obligation less any amounts paid by such Stockholder pursuant to Section 5.09(b). If indemnification is available under this Section 5.09, the indemnifying parties shall indemnify each indemnified party to the full extent provided in Sections 5.09(a) and 5.09(b) hereof without regard to the provisions of this Section 5.09(d). The remedies provided for in this Section 5.09 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

Section 5.10. Rules 144 and 144A and Regulation S. The Company covenants that it will file the reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the SEC thereunder (or, if the Company is not required to file such reports, it will, upon the reasonable request of the Sponsors, make publicly available such necessary information for so long as necessary to permit sales pursuant to Rules 144, 144A or Regulation S under the Securities Act), and it will take such further action as the Sponsors may reasonably request, all to the extent required from time to time to enable the Sponsors to sell Registrable Securities without Registration under the Securities Act within the limitation of the exemptions provided by (i) Rules 144, 144A or Regulation S under the Securities Act, as such Rules may be amended from time to time, or (ii) any similar rule or regulation hereafter adopted by the SEC. Upon the reasonable request of a Stockholder, the Company will deliver to such Stockholder a written statement as to whether it has complied with such requirements and, if not, the specifics thereof.

## ARTICLE VI

### GENERAL PROVISIONS

Section 6.01. Waivers. No waiver of any breach of any of the terms of this Agreement shall be effective unless such waiver is made expressly in writing and executed and delivered by the party against whom such waiver is claimed. No waiver of any breach shall be deemed to be a further or continuing waiver of such breach or a waiver of any other or subsequent breach. Except as otherwise expressly provided herein, no failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder, or otherwise available in respect hereof at law or in equity, shall operate as a waiver thereof, nor shall any

single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof, or the exercise of any other right, power or remedy.

Section 6.02. Conflicts of Interest; Transactions with Affiliates. (a) Subject to the other express provisions of this Agreement or except as otherwise expressly agreed in writing, the Sponsors, each other Stockholder and the officers of the Company at any time and from time to time may engage in and possess interests in other business ventures of any and every type and description, independently or with others, including ones in competition with the Company, with no obligation to offer to the Company, the Sponsors or any other Stockholder or officer the right to participate therein. The Sponsors and the officers of the Company may invest in, or provide services to, any Person that directly or indirectly competes with the Company and shall have no obligation to present any business opportunity to the Company or any of its Stockholders, even if the opportunity is one that the Company might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so. The Sponsors and the officers of the Company shall not be liable to the Company or any Stockholder for breach of any fiduciary or other duty solely by reason of the fact that the Stockholders or such officers pursue or acquire such business opportunity, direct such business opportunity to another Person or fail to present such business opportunity to the Company (unless such business opportunity was offered expressly to the Sponsors).

(b) Transactions with Affiliates of the Company shall not be void, voidable or subject to change if made on terms that the Board of Directors in good faith determine are no less favorable in the aggregate to the Company than would be obtainable on an arms'-length basis from an unaffiliated third party. No party to such a transaction shall be obligated to obtain a fairness opinion concerning that transaction. Nonetheless, an opinion provided by an independent third party with expertise in the relevant matter to the effect that such a transaction is fair to the Company shall conclusively establish the fairness of that transaction.

(c) Each Stockholder (for itself and on behalf of the Company) hereby, to the fullest extent permitted by applicable law:

(i) confirms that each Sponsor Director, in his or her capacity as director, has no duty to the Company or any of its subsidiaries;

(ii) confirms that each Sponsor Director, in his or her capacity as director, has no duty to any Stockholder (other than the Stockholder who appointed such Sponsor Director);

(iii) confirms that none of the Sponsors has any duty to any other Stockholder or to the Company or any of its subsidiaries other than the specific covenants and agreements set forth in this Agreement;

(iv) acknowledges and agrees that, (A) in the event of any conflict of interest between the Company or any of its subsidiaries, on the one hand, and any Sponsor, on the other hand, such Sponsor (or its respective Sponsor Directors acting in his or her capacity as a director) may act in its best interest and (B) no Sponsor (or its respective Sponsor Directors acting in his or her capacity as a

director), shall be obligated (1) to reveal to the Company or its subsidiaries confidential information belonging to or relating to the business of such person or (2) to recommend or take any action in its capacity as such Stockholder or director, as the case may be, that prefers the interest of the Company or its subsidiaries over the interest of such person; and

(v) waives any claim or cause of action against any Sponsor, any Sponsor Director and any officer, employee, agent or Affiliate of any such person that may from time to time arise in respect of a breach by any such person of any duty or obligation disclaimed under Section 6.02(c)(i) through (iv).

(d) Each Stockholder agrees that the waivers, limitations, acknowledgments and agreements set forth in this Section 6.02 shall not apply to any alleged claim or cause of action against a Sponsor Director, Sponsor, any of a Sponsor's Affiliates or any of their respective employees, officers, directors, agents or authorized representatives based upon the breach or nonperformance by such person of this Agreement or other agreement to which such person is a party.

(e) The provisions of this Section 6.02, to the extent that they restrict the duties and liabilities of a Sponsor or Sponsor Director otherwise existing at law or in equity, are agreed by the Stockholders to replace such other duties and liabilities of such Sponsors or Sponsor Director to the fullest extent permitted by applicable law.

Section 6.03. Publicity and Confidentiality. Each Stockholder agrees that Confidential Information has been and will be made available to it in connection with its interest in the Company. Each Stockholder agrees not to divulge or communicate to a third party, or use for any purpose other than in connection with such Stockholder's investment in the Company, in whole or in part, Confidential Information, without the prior written consent of the Company and the Sponsors; provided that, (i) Confidential Information may be disclosed if required by applicable law or any governmental authority, and (ii) each Stockholder may disclose Confidential Information to its partners, members, advisors, employees, agents, accountants, attorneys or Persons who have expressed a bona fide interest in becoming partners or members in or Permitted Transferees of such Stockholder or its related investment funds (collectively, the "Representatives"), so long as such Representatives agree to keep such information confidential. "Confidential Information" means any information concerning this Agreement or the transactions contemplated hereby and any information received by the Stockholder concerning the Company furnished to the Stockholders in their capacity as stockholders of the Company; provided that Confidential Information does not include (i) information that was or becomes generally available publicly other than, with respect to a Stockholder, as a result of a disclosure by such Stockholder, in violation of this Section 6.03, (ii) information that was or becomes available to the Stockholder or a Representative of such Stockholder on a non-confidential basis from a source other than the Company or (iii) information that the Stockholder or a Representative of the Stockholder independently developed without reference to the Confidential Information or any derivative thereof.

Section 6.04. Assignment; Benefit. (a) The rights and obligations hereunder shall not be assignable without the prior written consent of Hamlet Holdings except as provided

under Article IV. Any assignment of rights or obligations in violation of this Section 6.04 shall be null and void.

(b) Except as set forth in Section 5.09, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto, and their respective successors and permitted assigns, and there shall be no third-party beneficiaries to this Agreement.

(c) Any Person that acquires Company Shares pursuant to the terms of this Agreement or the amended and restated limited liability company operating agreement of any Stockholder shall execute a counterpart to this Agreement and become a party hereto and such Person and its Company Shares shall be subject to the terms of this Agreement.

Section 6.05. Termination. Article III of this Agreement shall terminate as set forth in Section 3.03. The provisions of Article IV shall terminate as specified therein. The remainder of this Agreement shall terminate automatically (without any action by any party hereto) as to each Stockholder when such Stockholder ceases to hold any Company Shares.

Section 6.06. Severability. If any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 6.07. Entire Agreement; Amendment. This Agreement (together with the Management Services Agreement, dated as of the Closing Date, by and among the Company and the Sponsors) sets forth the entire understanding and agreement between the parties with respect to the transactions contemplated herein and supersedes and replaces any prior understanding, agreement or statement of intent, in each case written or oral, of any kind and every nature with respect hereto. No provision of this Agreement may be amended, modified or waived in whole or in part at any time without an agreement in writing executed by the Sponsors; provided that (a) any amendment (other than to Articles IV and V) that would have a material adverse effect on a Stockholder shall require the written consent of that Stockholder, (b) Article IV, Article V, this Section 6.07 and the definitions used therein may not be amended without the prior written consent of all Stockholders and (c) Section 3.01(a) to the extent such Section relates to the rights of Co-Invest Hamlet Holdings B, LLC, Apollo Investment Fund VI, L.P. or TPG V Hamlet AIV, L.P., may not be amended without the prior written consent of Co-Invest Hamlet Holdings B, LLC, Apollo Investment Fund VI, L.P., or TPG V Hamlet AIV, L.P., as the case may be. There are no other agreements with respect to the transactions contemplated herein between any Stockholders or any of their Affiliates relating to the Company. Each Party to this Agreement shall receive notice of any amendments and copies of any material amendment to this Agreement.

Section 6.08. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.

Section 6.09. Notices. Unless otherwise specified herein, all notices, consents, approvals, reports, designations, requests, waivers, elections and other communications authorized or required to be given pursuant to this Agreement shall be in writing and shall be

given or made (and shall be deemed to have been duly given or made upon receipt) by personal hand-delivery, by facsimile transmission, by electronic mail, by mailing the same in a sealed envelope, registered first-class mail, postage prepaid, return receipt requested, or by air courier guaranteeing overnight delivery, sent to the Stockholders at the following addresses (or such other address as such Stockholders may specify by notice to the Company):

Section 6.10. Governing Law; Jurisdiction. THIS AGREEMENT SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF. ANY ACTION OR PROCEEDING AGAINST THE PARTIES RELATING IN ANY WAY TO THIS AGREEMENT MAY BE BROUGHT AND ENFORCED EXCLUSIVELY IN THE COURTS OF THE STATE OF DELAWARE OR (TO THE EXTENT SUBJECT MATTER JURISDICTION EXISTS THEREFOR) THE U.S. DISTRICT COURT FOR THE DISTRICT OF DELAWARE, AND THE PARTIES IRREVOCABLY SUBMIT TO THE JURISDICTION OF BOTH SUCH COURTS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING.

Section 6.11. Waiver of Jury Trial. BECAUSE DISPUTES ARISING IN CONNECTION WITH COMPLEX FINANCIAL TRANSACTIONS ARE MOST QUICKLY AND ECONOMICALLY RESOLVED BY AN EXPERIENCED AND EXPERT PERSON AND THE PARTIES WISH APPLICABLE STATE AND FEDERAL LAWS TO APPLY (RATHER THAN ARBITRATION RULES), THE PARTIES DESIRE THAT THEIR DISPUTES BE RESOLVED BY A JUDGE, APPLYING SUCH APPLICABLE LAWS. THEREFORE, TO ACHIEVE THE BEST COMBINATION OF THE BENEFITS OF THE JUDICIAL SYSTEM, THE PARTIES HERETO WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT OR PROCEEDING BROUGHT TO ENFORCE OR DEFEND ANY RIGHT OR REMEDIES UNDER THIS AGREEMENT OR ANY DOCUMENTS ENTERED

INTO IN CONNECTION WITH THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREIN. The Company or any Stockholder may file an original counterpart or a copy of this Section 6.11 with any court as written evidence of the consent of the Stockholders to the waiver of their rights to trial by jury.

Section 6.12. Specific Performance. Each party to this Agreement acknowledges that a remedy at law for any breach or attempted breach of this Agreement will be inadequate, agrees that each other party to this Agreement shall be entitled to specific performance and injunctive and other equitable relief in case of any such breach or attempted breach and further agrees to waive (to the extent legally permissible) any legal conditions required to be met for the obtaining of any such injunctive or other equitable relief (including posting any bond in order to obtain equitable relief).

Section 6.13. No Third Party Liability. This Agreement may only be enforced against the named parties hereto. All claims or causes of action (whether in contract or tort) that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement (including any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement), may be made only against the entities that are expressly identified as parties hereto; and no past, present or future director, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney or representative of any party hereto (including any Person negotiating or executing this Agreement on behalf of a party hereto), unless party to this Agreement, shall have any liability or obligation with respect to this Agreement or with respect any claim or cause of action (whether in contract or tort) that may arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement (including a representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement).

Section 6.14. Further Assurances. In connection with this Agreement and the transactions contemplated hereby, each Stockholder shall execute and deliver any additional documents and instruments and perform any additional acts that the Company or the Sponsors determine to be necessary or appropriate to effectuate and perform the provisions of this Agreement and those transactions.

Section 6.15. Splits; Issuances. If, and as often as, there are any changes in the Company Shares by way of stock split, stock dividend, combination or reclassification, or through merger, consolidation, reorganization or recapitalization, or by any other means, appropriate adjustment shall be made in the provisions of this Agreement, as may be required, so that the rights, privileges, duties and obligations hereunder shall continue with respect to the Company Shares as so changed. In the event additional shares of Company Shares are issued by the Company to Apollo, TPG, an Apollo Member or a TPG Member, or the Co-Investment Entities at any time during the term of this Agreement, either directly or upon the exercise or exchange of securities of the Company exercisable for or exchangeable into shares or Company Shares, such additional shares of Company Shares, as a condition to their issuance, shall become subject to the terms and provisions of this Agreement.

## SERVICES AGREEMENT

This Services Agreement (the "Agreement") is entered into as of January 28, 2008, by and among Harrah's Entertainment, Inc., a Delaware corporation (the "Company"), Apollo Management VI, L.P., on behalf of affiliated investment funds ("Apollo Management"), Apollo Alternative Assets, L.P. ("Apollo Alternative," and, together with Apollo Management, "Apollo") and TPG Capital, L.P. ("TPG," and, together with Apollo, the "Managers").

WHEREAS, pursuant to an Agreement and Plan of Merger, dated as of December 19, 2006, by and among Hamlet Holdings LLC, a Delaware limited liability company, Hamlet Merger Inc., a Delaware corporation and a wholly owned subsidiary of Hamlet Holdings LLC, and the Company (as amended, the "Merger Agreement"), Hamlet Merger Inc. has been merged with and into the Company (the "Merger") with the Company surviving such merger;

WHEREAS, certain investment funds affiliated with Apollo and TPG (collectively, the "Funds") are making an equity investment in the Company in connection with the Merger; and

WHEREAS, the Company wishes to retain the Managers to provide certain management and advisory services to the Company, and the Managers are willing to provide such services on the terms set forth below.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Services. Each Manager hereby severally agrees that, during the term of this Agreement (the "Term"), it will provide to the Company, to the extent requested by the Company and mutually agreed by the Company and each Manager, by and through itself and/or such Manager's successors, assigns, affiliates, officers, partners, directors, employees, agents and/or representatives and third parties (collectively hereinafter referred to as the "Manager Designees"), as such Manager in its sole discretion may designate from time to time, management, advisory and consulting services in relation to the affairs of the Company; provided that the responsibilities of one Manager shall not be substantially disproportionate to the responsibilities of any other Manager. The Company shall request such services by way of written notice to the Managers, which notice shall specify the services required of the Managers and shall include all background material necessary for the Managers to complete such services. Such management, advisory and consulting services shall include, without limitation:

(a) advice in connection with the negotiation and consummation of agreements, contracts, documents and instruments necessary to provide the Company with financing on terms and conditions satisfactory to the Company and its respective subsidiaries;

(b) advice in connection with acquisition, disposition and change of control transactions involving the Company or its subsidiaries;

(c) financial, managerial and operational advice in connection with operations, including, without limitation, advice with respect to the development and implementation of strategies for improving the operating, marketing and financial performance of the Company or its subsidiaries; and

(d) such other services (which may include financial and strategic planning and analysis, consulting services, human resources and executive recruitment services and other services) as the Managers and the Company may from time to time agree in writing.

The Managers or the Manager Designees will devote such time and efforts to the performance of the services contemplated hereby as the Managers deem reasonably necessary or appropriate; provided, however, that no minimum number of hours is required to be devoted by the Managers or the Manager Designees on a weekly, monthly, annual or other basis. The Company acknowledges that each of the services are not exclusive to the Company or its subsidiaries and that the Managers and the Manager Designees may render similar services to other persons and entities. The Managers and the Company understand that the Company or its subsidiaries or affiliates (other than the Managers or their affiliates) may at times engage one or more financial advisor, consultant, investment bankers or financial advisers or similar agents to provide services in addition to, but not in lieu of, services provided by the Managers and the Manager Designees under this Agreement. In providing services to the Company or its subsidiaries, the Managers and Manager Designees will act as independent contractors and it is expressly understood and agreed that this Agreement is not intended to create, and does not create, any partnership, agency, joint venture or similar relationship and that no party has the right or ability to contract for or on behalf of any other party or to effect any transaction for the account of any other party.

## 2. Payment of Fees.

(a) As consideration to the Managers for their agreement to render the services in Section 1, on the date hereof, the Company will pay to the Managers (or their respective Manager Designees) an aggregate transaction fee equal to \$200,000,000 (two hundred million dollars) (the "Transaction Fee"). The Transaction Fee will be divided among the Managers as follows: (i) Apollo or its designee will be entitled to 50% and (ii) TPG or its designee will be entitled to 50%. Neither Manager nor any of their respective affiliates shall be paid any separate fee in connection with the Merger other than the fees contemplated by this Agreement. In addition to the Transaction Fee, on the date hereof, the Company will pay to the Managers (or their respective Manager Designees), upon obtaining the unanimous consent of the Managers as to the amounts to be paid, an amount equal to all out-of-pocket expenses incurred by or on behalf of Hamlet Holdings LLC and each Manager or their respective affiliates, including, without limitation, (i) the reasonable fees, expenses and disbursements of lawyers, accountants, consultants and other advisors that may have been retained by the Company and/or any Manager or its affiliates and (ii) any fees (including any financing fees) related to the Merger (all such fees and expenses, in the aggregate, the "Covered Costs").

(b) During the Term, the Company will pay to the Managers (or their respective Manager Designees) an annual monitoring fee equal to the greater of (x) \$30 million and (y) 1.0% (one percent) of the Company's EBITDA (as defined below) (the "Monitoring Fee") as compensation for the services provided by the Managers or the Manager Designees under this Agreement, with such fee being payable by the Company (including the method and timing of payment) as reasonably determined and mutually agreed to by Apollo, TPG and the Company; provided that the Monitoring Fee shall be payable in respect of the period from the date of consummation of the Merger through the end of the calendar quarter during which such

consummation occurs shall be pro rated based on the number of days in such period; provided, further, that the Managers or Manager Designees may, with the unanimous consent of the Managers, pay, or cause Merger Sub to pay, any portion of the Monitoring Fee to any third-party in respect of services provided from time to time by such third party to the Company. The Managers or Manager Designees retain the right to defer any portion of the Monitoring Fee without waiving the right to receive such payment at a future date. For purposes of calculating the Monitoring Fee, "EBITDA" shall have the meaning set forth in the credit agreement, dated January 28, 2008, by and among the Company and the other parties thereto (the "Credit Agreement"), as applied to the Company and its Subsidiaries on a consolidated basis.

(c) During the Term, in addition to the fees paid pursuant to Section 2(b), the Company will pay to the Managers (or their respective Manager Designees) an aggregate fee (the "Subsequent Fee") in connection with the consummation of any financing or refinancing (equity or debt), dividend, recapitalization, acquisition, disposition, spin-off or split-off transactions involving the Company or any of its direct or indirect subsidiaries equal to customary fees charged by internationally-recognized investment banks for serving as a financial advisor in similar transactions, such fee to be due and payable for the foregoing services at the closing of such transaction.

(d) Each payment made pursuant to this Section 2 shall be paid by wire transfer of immediately available federal funds to the accounts specified on Schedule 1 hereto, or to such respective other account(s) as the respective Managers may specify to the Company in writing prior to such payment. Each payment made pursuant to this Section 2 (other than the Covered Costs) shall be allocated among the Managers (or their respective Manager Designees) as follows:

(i) Apollo will be entitled to 50%; and (ii) TPG will be entitled to 50%; provided that such allocation shall be adjusted on the date on which payment is due under this Section 2 to reflect any transfers of Company Shares (as defined in the Stockholders' Agreement) owned by the Sponsor (as defined in the Stockholders' Agreement) affiliated with a Manager and following the date hereof (such Manager, a "Transferring Manager"), other than (x) transfers to affiliates of such Transferring Manager or (y) pro rata transfers by both Sponsors (such allocation, as adjusted from time to time, the "Allocation Percentage"). For the avoidance of doubt, upon a transfer giving rise to an adjustment pursuant to the preceding sentence (i) the Transferring Manager's Allocation Percentage shall be equal to (x) the number of Company Shares held by the Sponsor affiliated with such Transferring Manager after giving effect to the transfer over (y) the total number of Company Shares held by both Sponsors after giving effect to such transfer, and (ii) the Allocation Percentage of the non-Transferring Manager shall be equal to 100% minus the Transferring Manager's Allocation Percentage determined in clause (i) above.

(e) Each payment made to a Manager pursuant to this Section 2 shall be received in respect of the Affiliates of such Manager investing in the Company as provided by such Manager in writing to the Company prior to such payment.

3. Deferral. In the event that any financing or similar agreements to which the Company is a party and that have been approved by both Sponsors in accordance with the Stockholders' Agreement (the "Financing Documents") restrict the payment of all or any portion of any fee payable to the Managers (or their respective Manager Designees) pursuant to Section 2 above for any payment period (such restricted fees, the "Deferred Fees"), the amount of fees paid to each

Manager and Manager Designee in such period will be reduced pro rata (based on aggregate fees payable to each such Manager or their respective Manager Designee), and any Deferred Fees will accrue in the immediately succeeding period in which such amounts could, consistent with the Financing Documents, be paid, and will be paid in such succeeding period (in addition to such other amounts that would otherwise be payable at such time) in the manner set forth in Section 2.

4. Term. This Agreement will continue in full force and effect until the last day of the quarter in which the tenth anniversary of the consummation of the Merger occurs; provided that this Agreement shall be automatically extended each December 31 for an additional year unless the Managers (acting unanimously) or the Company provide written notice of their desire not to automatically extend the term of this Agreement to the other parties hereto at least ninety (90) days prior to such December 31; provided, further, that (x) this Agreement may be terminated at any time upon unanimous consent of the Managers and (y) this Agreement shall terminate automatically immediately prior to the earlier of (i) an Initial Public Offering (as defined in the Stockholders' Agreement) or (ii) a transfer or issuance of equity securities of the Company (including by way of a merger, consolidation, amalgamation, share exchange or other form of similar business combination), in a single or series of related transactions, resulting in a Person or Persons other than the existing stockholders owning, directly or indirectly, a majority of the voting power of the applicable Company, upon the consummation of such transfer or issuance, or the sale of all or substantially all of the assets of the Company (any such sale transaction, a "Sale"), in each case, unless otherwise agreed by both Managers, and without any further action by the Company or Apollo or TPG, (i) each of the Company, Apollo and TPG shall be released from any and all obligations and liabilities with respect to provision of the management, advisory and consulting services pursuant to this Agreement and payment of the Transaction Fee, the Monitoring Fee, the Subsequent Fee or any other fees pursuant to this Agreement (other than any unreimbursed expenses of Apollo or TPG owing and payable pursuant to Section 5(a)), and this Agreement, other than Section 4 through Section 14, shall have no further force or effect and (ii) in consideration of the termination provided in clause (i), the Company shall pay to each Manager (or their respective Manager Designees), via wire transfer of immediately available funds payable immediately prior to either of an Initial Public Offering or Sale, as the case may be, a lump-sum amount equal to the net present value of the remaining Transaction Fee, the Monitoring Fee, the Subsequent Fee or any other fees pursuant to this Agreement owing and payable by the Company to such Manager (or its Manager Designees) from the date of such Initial Public Offering or Sale, as the case may be, until the expiration of the term of this Agreement (which amount shall be determined using an annual discount rate equal to the then-current rate of interest on the Company's revolving credit facility, and assuming that EBITDA would have grown at a rate equal to the greater of (x) 6%, compounded annually and (y) the compounded annual EBITDA growth rate for the last two completed fiscal years). In the event of an Initial Public Offering or Sale that, in either case, includes non-cash consideration, each Manager may elect for it or its Manager Designees to receive all or any portion of any amounts payable pursuant to this Agreement as a result of such Initial Public Offering or Sale in the form of such non-cash consideration, valued at the sale price.

## 5. Expenses; Indemnification.

(a) Expenses. The Company will pay to the Managers (or their respective Manager Designees) on demand all Reimbursable Expenses whether incurred prior to or following the date of this Agreement. As used herein, “Reimbursable Expenses” means (i) all out-of-pocket expenses incurred following the consummation of the Merger relating to the services provided by the Managers, their respective affiliates, or the Manager Designees to the Company or any of its affiliates from time to time (including, without limitation, all air travel (by first class on a commercial airline or by charter, as determined by the Managers or the Manager Designees) and other travel related expenses), (ii) all out-of-pocket legal expenses incurred by the Managers, their respective affiliates or the Manager Designees in connection with the enforcement of rights or taking of actions under this Agreement, the Merger Agreement or any related documents or instruments, whether incurred prior to or following the date of this Agreement, and (iii) all expenses incurred by the Managers, their respective affiliates or the Manager Designees which are properly allocable to the Company, including in connection with their management and operations, whether incurred prior to or following the date of this Agreement.

(b) Indemnity and Liability. The Company will indemnify, exonerate and hold the Managers, the Manager Designees and each of their respective partners, shareholders, members, affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling persons, employees and agents and each of the partners, shareholders, members, affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling persons, employees and agents of each of the foregoing (collectively, the “Indemnitees”) free and harmless from and against any and all actions, causes of action, suits, claims, liabilities, losses, damages and costs and out-of-pocket expenses in connection therewith (including attorneys’ fees and expenses) incurred by the Indemnitees or any of them before or after the date of this Agreement (collectively, the “Indemnified Liabilities”), arising out of any action, cause of action, suit, arbitration, investigation or claim arising out of, or in any way relating to (i) this Agreement, the Merger Agreement, any transaction to which the Company is a party or any other circumstances with respect to the Company or (ii) operations of, or services provided by the Managers or the Manager Designees to, the Company, or any of their respective affiliates from time to time; provided that the foregoing indemnification rights will not be available to the extent that any such Indemnified Liabilities arose on account of such Indemnitee’s willful misconduct; and provided, further, that if and to the extent that the foregoing undertaking may be unavailable or unenforceable for any reason, the Company hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. For purposes of this Section 5(b), none of the circumstances described in the limitations contained in the two provisos in the immediately preceding sentence will be deemed to apply absent a final non-appealable judgment of a court of competent jurisdiction to such effect, in which case to the extent any such limitation is so determined to apply to any Indemnitee as to any previously advanced indemnity payments made by the Company, then such payments will be promptly repaid by such Indemnitee to the Company without interest. The rights of any Indemnitee to indemnification hereunder will be in addition to any other rights any such person may have under any other agreement or instrument referenced above or any other agreement or instrument to which such Indemnitee is or becomes a party or is or otherwise becomes a beneficiary or under law or regulation.

6. Disclaimer and Limitation of Liability; Opportunities.

(a) Disclaimer; Standard of Care. None of the Managers nor any of their respective Manager Designee makes any representations or warranties, express or implied, in respect of the services to be provided by the Managers or the Manager Designees hereunder. In no event will the Managers, the Manager Designees or Indemnitees be liable to the Company or any of its affiliates for any act, alleged act, omission or alleged omission that does not constitute willful misconduct of the Managers or the Manager Designees as determined by a final, non-appealable determination of a court of competent jurisdiction.

(b) Freedom to Pursue Opportunities. In recognition that the Managers, the Manager Designees and their respective Indemnitees currently have, and will in the future have or will consider acquiring, investments in numerous companies with respect to which the Managers, the Manager Designees or their respective Indemnitees may serve as an advisor, a director or in some other capacity, and in recognition that each Manager, each Manager Designee and their respective Indemnitees have myriad duties to various investors and partners, and in anticipation that the Company on the one hand and each Manager and Manager Designee (or one or more of their respective Indemnitees or portfolio companies), on the other hand, may engage in the same or similar activities or lines of business and have an interest in the same areas of corporate opportunities, and in recognition of the benefits to be derived by the Company hereunder and in recognition of the difficulties which may confront any advisor who desires and endeavors fully to satisfy such advisor's duties in determining the full scope of such duties in any particular situation, the provisions of this Section 6(b) are set forth to regulate, define and guide the conduct of certain affairs of the Company as they may involve the Managers, the Manager Designees or their respective Indemnitees. Except as the Managers or the Manager Designees, may otherwise agree in writing after the date hereof:

- (i) The Managers, the Manager Designees and their respective Indemnitees will have the right: (A) to directly or indirectly engage in any business (including, without limitation, any business activities or lines of business that are the same as or similar to those pursued by, or competitive with, the Company and its subsidiaries), (B) to directly or indirectly do business with any client or customer of the Company or its subsidiaries, (C) to take any other action that a Manager or a Manager Designee believes in good faith is necessary to or appropriate to fulfill its obligations as described in the first sentence of this Section 6(b), (D) not to communicate or present potential transactions, matters or business opportunities to the Company or any of its subsidiaries, and to pursue, directly or indirectly, any such opportunity for itself, and to direct any such opportunity to another Person, and (E) to take any other action permitted pursuant to Section 6.02 of the Stockholders' Agreement or Article XII of the amended and restated certificate of incorporation of the Company.
- (ii) Except as provided in Section 6(a), none of the Managers, the Manager Designees nor any of their respective Indemnitees will be liable to the Company or any of its affiliates for breach of any duty (contractual or

otherwise) by reason of any activities or omissions of the types referred to in this Section 6(b) or of any such Person's participation therein.

(c) Limitation of Liability. In no event will a Manager, a Manager Designee or any of their respective Indemnitees be liable to the Company or any of its affiliates for any indirect, special, incidental or consequential damages, including, without limitation, lost profits or savings, whether or not such damages are foreseeable, or for any third party claims (whether based in contract, tort or otherwise), relating to the services to be provided by a Manager or a Manager Designee hereunder.

7. Assignment, etc. Except as provided below, none of the parties hereto will have the right to assign this Agreement without the prior written consent of each of the other parties. Notwithstanding the foregoing, (a) each Manager may assign all or part of its rights and obligations hereunder to any of its respective affiliates that provides services similar to those called for by this Agreement, in which event such Manager will no longer be entitled to any fees under Section 2 and reimbursement of expenses under Section 2(a) and Section 5(a) and will be released of all of its obligations hereunder and (b) the provisions hereof for the benefit of Indemnitees of the Managers will inure to the benefit of such Indemnitees and their successors and assigns.

8. Amendments and Waivers. No amendment or waiver of any term, provision or condition of this Agreement will be effective, unless given in writing by both Managers and executed by the Company; provided that any Manager may waive any portion of any fee to which it is entitled pursuant to this Agreement, and, unless otherwise directed by the Manager, such waived portion will revert to the Company. No waiver on any one occasion will extend to or effect or be construed as a waiver of any right or remedy on any future occasion. No course of dealing of any person nor any delay or omission in exercising any right or remedy will constitute an amendment of this Agreement or a waiver of any right or remedy of any party hereto.

9. Governing Law; Jurisdiction. THIS AGREEMENT SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF. ANY ACTION OR PROCEEDING AGAINST THE PARTIES RELATING IN ANY WAY TO THIS AGREEMENT MAY BE BROUGHT AND ENFORCED EXCLUSIVELY IN THE COURTS OF THE STATE OF DELAWARE OR (TO THE EXTENT SUBJECT MATTER JURISDICTION EXISTS THEREFOR) THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK SITTING IN MANHATTAN, AND THE PARTIES IRREVOCABLY SUBMIT TO THE JURISDICTION OF BOTH SUCH COURTS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING.

10. WAIVER OF JURY TRIAL. BECAUSE DISPUTES ARISING IN CONNECTION WITH COMPLEX FINANCIAL TRANSACTIONS ARE MOST QUICKLY AND ECONOMICALLY RESOLVED BY AN EXPERIENCED AND EXPERT PERSON AND THE PARTIES WISH APPLICABLE STATE AND FEDERAL LAWS TO APPLY (RATHER THAN ARBITRATION RULES), THE PARTIES DESIRE THAT THEIR DISPUTES BE RESOLVED BY A JUDGE, APPLYING SUCH APPLICABLE LAWS. THEREFORE, TO ACHIEVE THE BEST COMBINATION OF THE BENEFITS OF THE JUDICIAL SYSTEM,

THE PARTIES HERETO WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT OR PROCEEDING BROUGHT TO ENFORCE OR DEFEND ANY RIGHT OR REMEDIES UNDER THIS AGREEMENT OR ANY DOCUMENTS ENTERED INTO IN CONNECTION WITH THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREIN. The Company or any Manager may file an original counterpart or a copy of this Section 10 with any court as written evidence of the consent of the parties to the waiver of their rights to trial by jury.

11. Entire Agreement. This Agreement contains the entire understanding of the parties with respect to the subject matter hereof and supersedes any prior communication or agreement with respect thereto.

12. Notice. Unless otherwise specified herein, all notices, consents, approvals, reports, designations, requests, waivers, elections and other communications authorized or required to be given pursuant to this Agreement shall be in writing and shall be given or made (and shall be deemed to have been duly given or made upon receipt) by personal hand-delivery, by facsimile transmission, by electronic mail, by mailing the same in a sealed envelope, registered first-class mail, postage prepaid, return receipt requested, or by air courier guaranteeing overnight delivery, sent to the Stockholders at the following addresses (or such other address as such Stockholders may specify by notice to the Company):

**EMPLOYMENT AGREEMENT**

THIS AGREEMENT, made as of January 28, 2008, between Harrah's Entertainment, Inc., with offices at One Caesars Palace Drive, Las Vegas, Nevada (the "Company"), and Gary W. Loveman ("Executive").

The Company and Executive agree as follows:

1. Introductory Statement. The Company desires to secure the services of Executive as Chief Executive Officer and President effective on the Closing Date of the merger (the "Effective Date") between Hamlet Merger Inc. and Harrah's Entertainment, Inc. (the "Merger"), as defined in the agreement and plan of merger (the "Merger Agreement") dated December 19, 2006, by and among Hamlet Holdings LLC, Hamlet Merger, Inc., and Harrah's Entertainment, Inc., and Executive is willing to execute this Agreement with respect to his employment. This Agreement supersedes the employment agreement between the Company and Executive dated September 4, 2002, as amended on October 31, 2005 (the "Prior Employment Agreement") and the Severance Agreement between the Company and Executive dated January 1, 2003 (the "Severance Agreement").

The Company hereby agrees to employ Executive, and Executive hereby agrees to be employed by the Company, subject to the terms and conditions of this Agreement, for a period beginning on the Effective Date and ending on the fifth anniversary thereof (the "Initial Term"); provided that, on the fifth anniversary and each anniversary of the Effective Date thereafter, the employment period shall be extended by one year unless at least sixty (60) days prior to such anniversary, the Company or Executive delivers a written notice (a "Notice of Non-Renewal") to the other party that the employment period shall not be so extended (the Initial Term as from time to time extended or renewed, the "Employment Term").

2. Agreement of Employment. Effective as of the Effective Date, the Company agrees to, and hereby does, employ Executive, and Executive agrees to, and hereby does accept, continued employment by the Company, in a full-time capacity as Chief Executive Officer and President pursuant to the provisions of this Agreement and of the bylaws of the Company, and subject to the control of the Board of Directors (the "Board"). It is understood that Executive's positions as Chief Executive Officer and President are subject to his yearly re-election to these positions by the Board. During the Employment Term, for so long as Executive remains Chief Executive Officer and President of the Company, the Company shall use its best efforts to cause the Board to appoint Executive as a member of the Board or cause Executive to be nominated for election to the Board by the shareholders of the Company, if applicable. (See Section 8 herein for Executive's rights if such re-election as Chief Executive Officer and President or appointment or election as a member of the Board does not occur during the term of this Agreement).

3. Executive's Obligations. During the period of his service under this Agreement, Executive shall devote substantially all of his time and energy during business hours, faithfully and to the best of his ability, to the supervision and conduct of the business and affairs of the Company and to the furtherance of its interests, and to such other duties as directed by the Board. (Executive may serve on the board of directors of other companies with Board approval (which

will not be unreasonably withheld), and may participate in civic and charitable endeavors of his choosing, in each case if such service or participation does not individually or in the aggregate substantially interfere with his primary duties or create a conflict of interest.)

#### 4. Compensation.

4.1 Base Salary. As compensation for all services performed by Executive under and during the Employment Term, the Company shall pay to Executive a base salary at the rate of \$2,000,000.00 per year, in equal bi-weekly installments in accordance with its customary payroll practices. The Compensation Committee of the Board (or any successor committee responsible for setting compensation levels for executives, the "Committee") shall, in good faith, review the salary of Executive, on an annual basis, with a view to consideration of appropriate merit increases (but not decreases) in such salary. Such base salary, as may be increased from time to time, is hereafter referred to as the "Base Salary". All payments will be subject to Executive's chosen benefit deductions and the deductions of payroll taxes and similar assessments as required by law.

4.2 Bonus. Executive will participate in the Company's annual incentive bonus program(s) applicable to Executive's position, in accordance with the terms of such program(s), shall have the opportunity to earn an annual bonus thereunder based on the achievement of performance objectives determined by the Board after consultation with Executive and shall include a minimum target bonus of at least 1.5 times Executive's annual Base Salary.

4.3 Aircraft. The Company shall provide Executive with the use of the Company's aircraft or charter aircraft for security purposes for himself and his family for business and personal travel (with standard charges for family members and for non-Company business usage consistent with past practice), including travel between Boston, Massachusetts and Las Vegas, Nevada or reimburse Executive for first class travel or charter aircraft travel expenses. The Company also will provide Executive, if he so chooses, with security arrangements at his residences in such a manner and at such levels as reasonably requested by Executive.

4.4 Accommodations. The Company shall make available accommodations for the exclusive use of Executive at one of the Company's properties in Las Vegas, Nevada, while Executive is in Las Vegas performing his normal duties. The parties recognize that the cost associated with providing Executive accommodations in Las Vegas may, under the governing tax laws, be deemed to be additional income to Executive. The Company agrees that should it be determined that the cost associated with providing Executive such accommodations amounts to additional income to Executive, the Company will (a) reimburse Executive for any additional tax Executive is required to pay; and (b) pay any additional taxes and costs incurred by Executive associated with such tax reimbursements. All reimbursements hereunder will be made no later than the end of Executive's taxable year next following Executive's taxable year in which the taxes (and any income or other related taxes or interest or penalties thereon) on such accommodations are remitted to the United States Internal Revenue Service or any other applicable taxing authority.

If Executive dies or resigns pursuant to this Agreement or pursuant to any other agreement between the Company and Executive providing for such resignation during the period of this Agreement, service for any part of the month in which any such event occurs shall be considered service for the entire month.

5. Equity Award. (a) As soon as reasonably practicable following the Effective Date and in no event later than fifteen business days following the Effective Date, the Company will grant Executive options (the "Options") to purchase shares of non-voting common stock of the Company (the "Option Shares") at an exercise price per Option Share equal to \$100.00 per share. The specific terms and conditions governing all aspects of the Options shall be provided in separate grant agreements and any relevant plan documents (collectively, the "New Option Plan"). The Options shall be comprised of the following two tranches: (i) twenty percent (20%) of the Options (the "Time Based Options") will vest and become exercisable in equal annual installments of twenty percent (20%) over a five-year period, subject to Executive's continued employment with the Company through the applicable vesting date and (ii) eighty percent (80%) of the Options (the "Performance Based Options") will vest and become exercisable only upon the achievement by the Company of certain performance targets in accordance with the New Option Plan.

(b) The New Option Plan shall represent a minimum of 8.64% of the fully-diluted shares of non-voting common stock of the Company immediately after consummation of the Merger, with 5.4% in the form of Time Based Options and 3.24% in the form of Performance Based Options, provided, that, such percentages may be increased on a one time basis in the good faith discretion of the Company to reflect the dividend rate on the Company's non-voting preferred stock, consistent with the methodology for such adjustments previously provided to the Executive. Executive shall be granted in accordance with the foregoing provisions a number of Time Based Options equal to 20% of the total number of Time Based Options and a number of Performance Based Options equal to 39.23% of the total number of Performance Based Options. As a condition to Executive's receipt of the Options pursuant to this Section 5, Executive shall execute an acknowledgment in form and substance reasonably acceptable to the Company that the Company has satisfied its obligations pursuant to this Section 5.

(c) Executive has been permitted, on a tax-free basis, to rollover existing Company stock outstanding prior to the Effective Date into shares of non-voting common stock and non-voting preferred stock of the Company following the Effective Date on the same basis and subject the same terms and conditions as other investors, including, without limitation, the Sponsors (as defined in the Management Investor Rights Agreement, dated as of January 28, 2008 among the Company, Employee and the other parties specified therein (the "MIRA"). Executive has entered into a rollover option agreement that provides for the conversion of options to purchase shares of the Company prior to the Effective Date into Options exercisable with respect to Option Shares following the Effective Date with such conversion preserving the intrinsic "spread value" of the converted option.

(d) Executive shall execute the MIRA and such other related agreements that are in forms reasonably acceptable to Executive and the Company (such agreements, together with the rollover option agreement, option grant and stock incentive plan, the "Equity Agreements").

6. Benefits. During the Employment Term, except as otherwise provided herein, Executive shall be entitled to participate in any and all incentive compensation and bonus arrangements maintained by the Company for its senior officers and to receive benefits and perquisites at least as favorable to Executive as those presently provided to Executive by the Company, and as may be enhanced for all senior officers.

6.1 Health Insurance. Executive will receive the regular group health plan coverage(s) provided to senior officers, which coverage(s) may be subject to generally applicable changes during the Employment Term, provided that such changes are generally applicable to senior officers. Executive will be required to contribute to the cost of the basic plan in the same manner as other senior officers. Executive will receive coverage under no less favorable a health plan than other senior officers.

6.2 Long Term Disability Benefits. Executive will be eligible to receive long term disability coverage paid by the Company as follows: group plan providing \$180,000 annual maximum benefit and a supplemental plan with an additional \$60,000 annual maximum benefit. Executive will also receive, subject to Executive being able to comply with the medical and physical eligibility requirement of the policy (insurability) chosen by the Company, an individual long term disability policy with a \$180,000 annual maximum benefit and an individual long term disability excess policy with an additional \$540,000 annual maximum benefit, both fully paid by the Company during the term of this Agreement.

6.3 Life Insurance. Executive will receive life insurance paid by the Company with a death benefit equal to at least three (3) times his then current Base Salary.

6.4 Retirement Plan. Executive will also be eligible during the Employment Term to participate in the Company's 401(k) Plan, as may be modified or changed, as well as its Executive Supplemental Savings Plan, as may be modified or changed from time to time, in the same manner as other senior officers of the Company.

6.5 Financial Counseling. During the Employment Term, Executive will also receive Fifty Thousand Dollars (\$50,000.00) per year for financial counseling. Any unused portion of the yearly financial counseling stipend will not carry over to the following year.

6.6 Vacation. Executive will receive five (5) weeks of paid vacation per calendar year of the Agreement.

6.7 280G Gross-Up. In the event that any payments or benefits paid or provided to Executive in connection with the Merger will be subject to the tax (the "Excise Tax") imposed by Section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"), the Company will provide Executive with the additional payments set forth on Exhibit A no later than the end of Executive's taxable year in which the Excise Tax is required to be paid by Executive.

6.8 Reimbursement of Expenses. The Company shall pay or will reimburse Executive for reasonable business expenses incurred in the performance of Executive's duties hereunder in accordance with Company policy.

6.9 D&O Insurance. The Company shall provide Executive with Director's and Officer's indemnification insurance coverage in amount and scope that is customary for a company of the Company's size and nature.

6.10 Reimbursements; In-Kind Benefits To the extent that any amount eligible for reimbursement or any in-kind benefit provided under this Agreement is deferred compensation subject to the requirements of Section 409A of the Code, the following rules shall apply:

- (a) Payment of such reimbursements shall be made no later than the end of Executive's taxable year following the taxable year in which the expense is incurred;
- (b) All such amounts eligible for reimbursement or any in-kind benefit provided under this Agreement in one taxable year shall not affect the amount eligible for reimbursement or in-kind benefits to be provided in any other taxable year; and
- (c) The right to any such reimbursement or in-kind benefit hereunder shall not be subject to liquidation or exchange for any other benefit.

The parties intend that all reimbursements or in-kind benefits provided for hereunder will be made in a manner that makes such reimbursements and in-kind benefits consistent with or exempt from Section 409A of the Code.

7. Termination from Employment. After the date of Executive's termination from employment at any time, and for any reason or for no reason (including termination or resignation prior to the end of the Initial Term, if that should occur), Executive will be entitled to participate for his lifetime (the "Life Coverage Period") in the Company's group health insurance plans applicable to senior officers, including family coverage as applicable (medical, dental and vision coverage). Executive's group health insurance benefits after any termination of employment will not be less than those offered to the then-current senior officers of the Company, and Executive will be entitled to any later enhancements in such benefits (for the avoidance of doubt, any such amendment that adversely and disproportionately impacts inactive employees shall be null and void as to Executive). However, during the Life Coverage Period Executive shall pay twenty percent (20%) of the then applicable premium for current employees (revised annually) on an after-tax basis each quarter, and the Company shall pay eighty percent (80%) of said premium on an after-tax basis, which contribution will be imputed income to Executive to the extent required by the applicable provisions of the Code. As soon after the end of Executive's full-time active employment status and after Executive becomes eligible for Medicare coverage, the Company's group health insurance plan shall become secondary to Medicare. For the avoidance of doubt, the amount of health insurance benefits paid to Executive under this Section 7 shall be subject to the provisions of Section 6.10 herein.

8. Termination Without Cause or Resignation for Good Reason.

8.1 The Board reserves the right to terminate the Employment Term and Executive from his then current position without Cause at any time upon at least thirty (30) days

prior written notice. The failure of the Board to elect Executive as Chief Executive Officer during the annual election of officers shall also be deemed termination without Cause for purposes of this Agreement unless, before the election, the Board has sent written notice initiating termination for Cause as provided in Section 13.1 hereof, and Executive is thereafter terminated for Cause. Executive reserves the right to terminate the Employment Term and resign his position for Good Reason (as defined in Section 13.2 herein) by giving the Company thirty (30) days written notice which states the basis for such Good Reason.

8.2 Upon Executive's termination without Cause or resignation from his position for Good Reason as described in Section 8.1 above:

(a) The Company shall pay Executive, within thirty (30) days following his termination of employment, Executive's accrued but unused vacation, unreimbursed business expenses and Base Salary through the date of termination (to the extent not theretofore paid) (the "Accrued Benefits");

(b) Subject to Executive executing and not revoking the release attached hereto as Exhibit B, the Company will pay Executive in approximately equal installments during the twenty-four (24) month period following such termination (the "Severance Period"), a cash severance payment in an amount equal to two (2) multiplied by the sum of (i) his Base Salary and (ii) target bonus as in effect on the date of termination (the "Severance Payment"). If applicable, Executive will be entitled to receive the benefits set forth on Exhibit C hereto during the Severance Period. The installments of the Severance Payment will be paid to Executive in accordance with the Company's customary payroll practices, and will commence on the first payroll date following the termination of Executive's employment; provided, that, if, as of the date of termination, Executive is a "specified employee" as defined in subsection (a)(2)(B)(i) of Section 409A of the Code ("Specified Employee"), such payments will not commence until the first business day after the date that is six months following Executive's "separation from service" within the meaning of subsection (a)(2)(A)(i) of Section 409A of the Code (the "Delayed Payment Date") and, on the Delayed Payment Date, the Company will pay to Executive a lump sum equal to all amounts that would have been paid during the period of the delay if the delay were not required plus interest on such amount at a rate equal to the short-term applicable federal rate then in effect, and will thereafter continue to make payments in installments in accordance with this Section 8.2(b);

(c) The Company will pay Executive in cash, at the time of such termination an amount equal to his target bonus for the year pro rated based on the number of days in the applicable bonus period preceding the date of Executive's termination of employment; provided, however, that if, as of the date of termination pursuant to this Section 8.2, Executive is a Specified Employee, such amount shall be paid on the Delayed Payment Date (plus interest on such amount from the date of termination through the date of payment at a rate equal to the short-term applicable federal rate then in effect).

(d) Executive's Escrow Agreement (if then in force) and Indemnification Agreement will continue in force (subject to amendment or termination in accordance with their terms); and

(e) Executive's Stock Options and Option Shares will be treated in accordance with the terms of the Equity Agreements.

Except as otherwise provided in this Agreement, and except for any vested benefits under any tax qualified pension plans of the Company and vested deferred compensation under any applicable deferred compensation plans, and continuation of health insurance benefits on the terms and to the extent required by Section 4980B of the Code and Section 601 of the Employee Retirement Income Security Act of 1974, as amended (which provisions are commonly known as "COBRA"), neither the Company nor Executive shall have any additional obligations under this Agreement.

**9. Termination for Cause or Resignation Without Good Reason.**

9.1 The Board will have the right to terminate the Employment Term and Executive's employment with the Company at any time from his then-current positions for Cause (as defined in Section 13.1 herein). Executive shall resign from the Board promptly after the Company's request, in the event Executive is so terminated or Executive resigns with or without Good Reason. A resignation by Executive without Good Reason shall not be a breach of this Agreement.

If the Employment Term and Executive's employment is terminated for Cause, or if he resigns his position without Good Reason, then: (a) Executive's employment shall be deemed terminated on the date of such termination or resignation; (b) he shall be entitled to receive all Accrued Benefits from the Company within thirty (30) days following such termination; (c) his rights with respect to his Stock Options and Option Shares will be as set forth in the Equity Agreements; (d) his Indemnification Agreement will continue in force; (e) the Escrow Agreement, if then in force, will continue in force, unless such agreement is thereafter amended or terminated pursuant to its terms; and (f) he will be entitled to the lifetime group insurance benefits described in Section 7 above, except that any future amendments to such benefits shall apply to him in the same manner as such amendments apply to active senior officers (for the avoidance of doubt, any such amendment that adversely and disproportionately impacts inactive employees shall be null and void). Except as otherwise provided in this Agreement, and except for any vested benefits under any tax qualified pension plans of the Company and vested deferred compensation under any applicable deferred compensation plans, and continuation of health insurance benefits on the terms and to the extent required by COBRA, neither the Company nor Executive shall have any additional obligations under this Agreement.

10. **Death.** In the event the Employment Term and Executive's employment is terminated due to his death, his right to receive his Base Salary and benefits under this Agreement will terminate (except with respect to Accrued Benefits), and his estate and beneficiary(ies) will receive the benefits they are entitled to receive under the terms of the Company's benefit plans and programs by reason of a participant's death during active employment. Executive's estate shall be entitled to receive (a) all Accrued Benefits from the Company within thirty (30) days following such termination and (b) Executive's surviving family and spouse will be entitled to payment for the cost of twelve (12) months of COBRA coverage, or if longer, continuation of coverage under any applicable law. Executive's Stock Options and Option Shares will be treated in accordance with the terms of the Equity

Agreements. The Escrow Agreement, if then in force, will continue in force (subject to its amendment or termination in accordance with its terms) for the benefit of Executive's beneficiaries until his deferred compensation accounts are paid in full, and Executive's Indemnification Agreement will continue in force for the benefit of his estate. For the avoidance of doubt, Executive's estate shall be an express third party beneficiary of this provision, with the right to enforce the provision for and on behalf of his beneficiaries.

If Executive dies during the Severance Period, all of the provisions of Section 8.2 (if applicable) will apply, except that any remaining Severance Payments will be paid in a lump sum to his estate.

Except as otherwise provided in this Agreement, and except for any vested benefits under any tax qualified pension plans of the Company and vested deferred compensation under any applicable deferred compensation plans, and continuation of health insurance benefits on the terms and to the extent required by COBRA, neither the Company nor Executive shall have any additional obligations under this Agreement.

11. Disability. If the Employment Term and Executive's employment are terminated by reason of Executive's disability (as defined below), he will be entitled to apply, at his option, for the Company's long-term disability benefits. If he is accepted for such benefits, then Executive's Stock Options and Option Shares will be treated in accordance with the terms of the Equity Agreements, and the terms and provisions of the Company's benefit plans and programs that are applicable in the event of such disability of an employee shall apply in lieu of the salary and benefits under this Agreement, except that:

(a) the Escrow Agreement (if then in force) and his Indemnification Agreement will continue in force (subject to amendment or termination in accordance with their terms);

(b) Executive will be entitled to the lifetime group insurance benefits described in Section 7;

(c) Executive will be paid his Accrued Benefits within thirty (30) days of termination; and

(d) Executive will receive two (2) years of Base Salary continuation ("Salary Continuation Payment"), offset by any long term disability benefits to which he is entitled during such period of salary continuation. In addition to payment of his Base Salary, Executive will be entitled to the benefits set forth on Exhibit C, if applicable, during the salary continuation period. Notwithstanding the foregoing, if, as of the date of termination pursuant to this Section 11, Executive is a Specified Employee, installments of the Salary Continuation Payment will not commence until the Delayed Payment Date and, on the Delayed Payment Date, the Company will pay to Executive a lump sum equal to all amounts that would have been paid during the period of the delay if the delay were not required plus interest on such amount at a rate equal to the short-term applicable federal rate then in effect, and will thereafter continue to pay Executive the Salary Continuation Payment in installments in accordance with this Section.

If Executive is disabled so that he cannot perform his duties, then the Board may terminate his duties under this Agreement after giving Executive thirty (30) days notice of such termination (during which period Executive shall not have returned to full time performance of his duties). For purposes of this Agreement, disability will be the inability of Executive, with or without a reasonable accommodation, to perform the essential functions of his job for one hundred and eighty (180) days during any three hundred and sixty five (365) consecutive calendar day period as reasonably determined by the Committee (excluding Executive) based on independent medical advice from a physician who has examined Executive (such physician to be selected by the Company and reasonably acceptable to Executive).

Except as otherwise provided in this Agreement, and except for any vested benefits under any tax qualified pension plans of the Company and vested deferred compensation under any applicable deferred compensation plans, and continuation of health insurance benefits on the terms and to the extent required by COBRA, neither the Company nor Executive shall have any additional obligations under this Agreement.

12. Enhanced Benefits in Connection with a Change in Control after the Effective Date.

(a) If a Change in Control, as defined in the New Option Plan, occurs after the Effective Date and (i) during the two (2) year period following such Change in Control, the Employment Term and Executive's employment are terminated by the Company without Cause or by Executive for Good Reason, or (ii) the Employment Term and Executive's employment are terminated by the Company without Cause within six months prior to the Change in Control and such termination was by reason of the request of the person or persons (or their representatives) who subsequently acquire control of the Company in the Change in Control transaction (such a termination of employment pursuant to this Section 12(a)(ii), an "Anticipatory Termination"), then in either case, subject to Executive executing and not revoking the release attached hereto as Exhibit B, Executive will be entitled to receive the payments and benefits set forth in Section 8.2, except that (A) the multiplier in Section 8.2(b) for determining the amount of the Severance Payments will be increased from two (2) to three (3) and (B) the Severance Payment shall be paid in a lump sum on the eighth day following execution (and non-revocation) of the release attached hereto as Exhibit B rather than in installments over a twenty four (24) month period.

(b) Notwithstanding any provision in this Agreement to the contrary, in the event of an Anticipatory Termination, any payments that are deferred compensation within the meaning of Section 409A of the Code that the Company shall be required to pay pursuant to Section 12 of this Agreement shall be paid as follows: (i) if such Change in Control is a "change in control event" within the meaning of Section 409A of the Code and the provisions of Treas. Reg. §1.409A-3(i)(5)(i), (A) except as provided in clause (i)(B), on the date of such Change in Control, or (B) if Executive is a Specified Employee and the Delayed Payment Date is later than the Change in Control, on the Delayed Payment Date, and (ii) if such Change in Control is not a "change in control event" within the meaning of Section 409A of the Code and the provisions of Treas. Reg. §1.409A-3(i)(5)(i), on the first business day following the 6-month anniversary of the date of such Anticipatory Termination (plus interest on such amount at a rate equal to the short-term applicable federal rate then in effect). In the event of an Anticipatory Termination,

any payments or benefits that are not deferred compensation within the meaning of Section 409A of the Code that the Company shall be required to pay or provide pursuant to Section 12 of this Agreement shall be paid or shall commence being provided on the date of the Change in Control.

(c) If after the Effective Date, there occurs a transaction that constitutes a “change of control” under regulation 1.280G of the Code and, immediately prior to the change of control transaction:

(i) the stock of the Company is not publicly traded and the exemption described in Section 280G(b)(5) of the Code would apply to payments by the Company to Executive in connection with a change in control (as defined in Section 280G of the Code), Executive shall consider whether he is willing to waive his rights to receive excess parachute payments in connection with the transaction in that amount that would cause excise taxes under Section 4999 of the Code to apply. If Executive advises the Company that he will waive his rights to receive excess parachute payments in connection with the transaction in that amount that would cause excise taxes under Section 4999 of the Code to apply, following such waiver the Company shall use reasonable best efforts to obtain the requisite shareholder approval of any such excess parachute payments. In the event such shareholder approval is obtained, Executive acknowledges and agrees that he is not entitled to share in any tax savings resulting from the Company’s deduction of the excess parachute payments.

(ii) the stock of the Company is publicly traded, Executive shall be entitled to a Gross Up Payment in accordance with Exhibit A.

(d) If Section 12 of this Agreement applies to any termination of employment, the provisions of Section 8.2 will not be applicable.

### 13. Definitions of Cause and Good Reason.

13.1 For purposes of this Agreement, “Cause” shall mean:

(a) the willful failure of Executive to substantially perform Executive’s duties with the Company (as described in Section 3) or to follow a lawful reasonable directive from the Board (other than any such failure resulting from incapacity due to physical or mental illness), after a written demand for substantial performance is delivered to Executive by the Board which specifically identifies the manner in which the Board believes that Executive has willfully not substantially performed Executive’s duties or has willfully failed to follow a lawful reasonable directive and Executive is given a reasonable opportunity (not to exceed thirty (30) days) to cure any such failure, if curable.

(b) (i) any willful act of fraud, or embezzlement or theft by Executive, in each case, in connection with Executive’s duties hereunder or in the course of Executive’s employment hereunder or (ii) Executive’s admission in any court, or conviction of, or plea of *nolo contendere* to, a felony that could reasonably be expected to result in damage to the business or reputation of the Company.

(c) Executive being found unsuitable for or having a gaming license denied or revoked by the gaming regulatory authorities in Arizona, California, Colorado, Illinois,

(d) (i) Executive's willful and material violation of, or noncompliance with, any securities laws or stock exchange listing rules, including, without limitation, the Sarbanes-Oxley Act of 2002, provided that such violation or noncompliance resulted in material economic harm to the Company, or (ii) a final judicial order or determination prohibiting Executive from service as an officer pursuant to the Securities and Exchange Act of 1934 or the rules of the New York Stock Exchange.

For purposes of this Section 13.1, no act or failure to act, on the part of Executive, shall be considered "willful" unless it is done, or omitted to be done, by Executive in bad faith and without reasonable belief that Executive's action or omission was in the best interests of the Company. Any act, or failure to act, based upon authority given pursuant to a resolution duly adopted by the Board or based upon the advice of counsel for the Company shall be conclusively presumed to be done, or omitted to be done, by Executive in good faith and in the best interests of the Company. The cessation of employment of Executive shall not be deemed to be for Cause unless and until there shall have been delivered to Executive a copy of a resolution duly adopted by the affirmative vote of not less than three-quarters of the entire membership of the Board at a meeting of the Board called and held for such purpose (after reasonable notice is provided to Executive and Executive is given an opportunity, together with counsel for Executive, to be heard before the Board), finding that, in the good faith opinion of the Board, Executive is guilty of the conduct described in Section 13.1(a) through (d) of this definition, and specifying the particulars thereof in detail; provided, that if Executive is a member of the Board, Executive shall not vote on such resolution nor shall Executive be counted in determining the "entire membership" of the Board.

13.2 Good Reason. "Good Reason" shall mean, without Executive's express written consent, the occurrence of any of the following circumstances unless, in the case of paragraphs (a), (d), (e), (f), or (g) such circumstances are fully corrected prior to the date of termination specified in the written notice given by Executive notifying the Company of his resignation for Good Reason:

(a) The assignment to Executive of any duties materially inconsistent with his status as Chief Executive Officer of the Company or a material adverse alteration in the nature or status of his responsibilities, duties or authority;

(b) The requirement that Executive report to anyone other than the Board;

(c) The failure of Executive to be elected/re-elected as a member of the Board;

(d) A reduction by the Company in Executive's annual base salary of Two Million Dollars (\$2,000,000.00), as the same may be increased from time to time pursuant to Section 4 hereof;

(e) The relocation of the Company's principal executive offices from Las Vegas, Nevada, to a location more than fifty (50) miles from such offices, or the Company's requiring Executive either: (i) to be based anywhere other than the location of the Company's principal offices in Las Vegas (except for required travel on the Company's business to an extent substantially consistent with Executive's present business travel obligations); or (ii) to relocate his primary residence from Boston to Las Vegas;

(f) The failure by the Company to pay to Executive any material portion of his current compensation, except pursuant to a compensation deferral elected by Executive, or deferral compensation required by this Agreement, or to pay to Executive any material portion of an installment of deferred compensation under any deferred compensation program of the Company within thirty (30) days of the date such compensation is due;

(g) Except as permitted by this Agreement or as agreed by Executive, the failure by the Company to continue in effect compensation plans (and Executive's participation in such compensation plans) which provide benefits on an aggregate basis that are not materially less favorable, both in terms of the amount of benefits provided and the level of Executive's participation relative to other participants at Executive's grade level, to those in which Executive is participating on the date of this Agreement;

(h) The failure by the Company to continue to provide Executive with benefits substantially similar to those enjoyed by him under the Savings and Retirement Plan and the life insurance, medical, health and accident, and disability plans in which Executive is participating on the date of this Agreement, the taking of any action by the Company which would directly or indirectly materially reduce any of such benefits or deprive Executive of any material fringe benefit enjoyed by Executive on the date of this Agreement, except as permitted by this Agreement;

(i) Delivery of a written Notice of Non-Renewal by the Company to Executive; or

(j) The failure of the Company to obtain a satisfactory agreement from any successor to assume and agree to perform this Agreement, as contemplated in Section 19 hereof.

#### 14. Non-Competition Agreement.

14.1 During the Employment Term (so long as Executive remains employed by the Company or its affiliates) and for a period of two (2) years following the termination of Executive's employment with the Company and its affiliates, he will not, directly or indirectly, engage in any activity, including development activity, whether as an employee, consultant, director, investor, contractor, or otherwise, directly or indirectly, in the casino business (or any hotel or resort that operates a casino business) in the United States, Canada or Mexico, except with the prior specific written approval of the Company. Notwithstanding anything herein to the contrary, this Section 14.1 shall not prevent Executive from: (a) acquiring securities representing not more than 1% of the outstanding voting securities of any entity the securities of which are traded on a national securities exchange or in the over the counter market; or (b) obtaining

employment in the hotel/resort industry for an entity that does not engage in the casino business or for a division, subsidiary or affiliate of a hotel or resort that engages in the casino business, provided that (i) the casino business represents less than 20% of the revenues of any such entity on a consolidated basis, and (ii) Executive does not provide services (other than de minimis services) to, or have any responsibilities regarding, the division, subsidiary or affiliate that engages in the casino business.

Executive acknowledges that the restrictions are reasonable as to both time and geographic scope, as the Company competes for customers with all gaming establishments in these areas.

14.2 If Executive breaches any of the covenants in Section 14.1, then the Company may terminate any of his rights under this Agreement upon thirty (30) days written notice, whereupon all of the Company's obligations under this Agreement shall terminate (including, without limitation, the right to lifetime group insurance) without further obligation to him except for obligations that have been paid (except as otherwise provided in Section 14.6), accrued or are vested as of or prior to such termination date. In addition, the Company shall be entitled to seek to enforce any such covenants, including obtaining monetary damages, specific performance and injunctive relief. Executive's Stock Options and Option Shares will be treated in accordance with the terms of the Equity Agreements.

14.3 During the Employment Term (so long as Executive remains employed by the Company or its affiliates) and for a period of two (2) years following the termination of Executive's employment with the Company and its affiliates, Executive will not, directly or indirectly hire, induce, persuade or attempt to induce or persuade, any salary grade m50 or higher employee of the Company or its subsidiaries, to leave or abandon employment with the Company, its subsidiaries or affiliates, for any reason whatsoever (other than Executive's personal secretary and/or assistants).

14.4 During the Employment Term (so long as Executive remains employed by the Company or its affiliates) and for a period of two (2) years following the termination of Executive's employment with the Company and its affiliates, Executive will not communicate with employees, customers, or suppliers of the Company, or any subsidiaries or affiliates of the Company or any principals or employee thereof, or any person or organization in any manner whatsoever that is detrimental to the business interests of the Company, its subsidiaries or affiliates. Executive further agrees from the end of Executive's full-time employment with the Company and its affiliates not to make statements to the press or general public with respect to the Company or its subsidiaries or affiliates that are detrimental to the Company, its subsidiaries, affiliates or employees without the express written prior authorization of the Company, and the Company agrees that it will not make statements to the press or general public with respect to Executive that are detrimental to him without the express written prior authorization of Executive. Notwithstanding the foregoing, Executive shall not be prohibited at the expiration of the non-competition period from pursuing his own business interests that may conflict with the interests of the Company.

14.5 Each of Executive and the Company intends and agrees that if, in any action before any court, agency or arbitration tribunal, legally empowered to enforce the

covenants in this Section 14, any term, restriction, covenant or promise contained in this Section 14 is found to be unreasonable and, accordingly, unenforceable, then such terms, restriction, covenant or promise shall be deemed modified to the extent necessary to make it enforceable by such court, agency or arbitral tribunal.

14.6 Should any court, agency or arbitral tribunal legally empowered to enforce the covenants contained in this Section 14 find that Executive has breached the terms, restrictions covenants or promises herein in any material respect (except if it has been modified to make it enforceable): (a) the Company will not be obligated to continue to pay Executive the salary or benefits provided for under the severance provisions contained in the Agreement (including all required benefits under benefit plans), and (b) Executive will also reimburse the Company any severance benefits received after the date of termination as well as any reasonable costs and attorney fees necessary to secure such repayments. For the avoidance of doubt, the Company shall be entitled to money damages and/or injunctive relief due to Executive's breach of the terms, restrictions covenants or promises contained in this Section 14 without regard to whether or not such breach is material, it being understood that the limiting effect of the phrase "in any material respect" in the immediately preceding sentence shall operate solely with respect to the remedies available pursuant to this Section 14.6.

14.7 For the avoidance of doubt, for purposes of this Section 14, "Executive's employment" shall not include any period of salary continuation hereunder.

#### 15. Confidentiality.

15.1 Executive's position with the Company will or has resulted in his exposure and access to confidential and proprietary information which he did not have access to prior to holding the position, which information is of great value to the Company and the disclosure of which by him, directly or indirectly, would be irreparably injurious and detrimental to the Company. During his term of employment and without limitation thereafter, Executive agrees to use his best efforts and to observe the utmost diligence to guard and protect all confidential or proprietary information relating to the Company from disclosure to third parties. Executive shall not at any time during and after the end of his full-time active employment, make available, either directly or indirectly, to any competitor or potential competitor of the Company or any of its subsidiaries, or their affiliates or divulge, disclose, communicate to any firm, corporation or other business entity in any manner whatsoever, any confidential or proprietary information covered or contemplated by this Agreement, unless expressly authorized to do so by the Company in writing. Notwithstanding the above, Executive may provide such Confidential Information if ordered by a federal or state court, arbitrator or any governmental authority, pursuant to subpoena, or as necessary to secure legal and financial counsel from third party professionals or to enforce his rights under this Agreement. In such cases, Executive will use his reasonable best efforts to notify the Company at least five (5) business days prior to providing such information, and the nature of the information required to be provided.

15.2 For the purpose of this Agreement, "Confidential Information" shall mean all information of the Company, its subsidiaries and affiliates, relating to or useful in connection with the business of the Company, its subsidiaries, affiliates, whether or not a "trade secret" within the meaning of applicable law, which is not generally known to the general public and

which has been or is from time to time disclosed to or developed by Executive as a result of his employment with the Company. Confidential Information includes, but is not limited to the Company's product development and marketing programs, data, future plans, formula, food and beverage procedures, recipes, finances, financial management systems, player identification systems (Total Rewards), pricing systems, client and customer lists, organizational charts, salary and benefit programs, training programs, computer software, business records, files, drawings, prints, prototyping models, letters, notes, notebooks, reports, and copies thereof, whether prepared by him or others, and any other information or documents which Executive is told or reasonably ought to know that the Company regards as confidential.

15.3 Executive agrees that upon separation from employment for any reason whatsoever, he shall promptly deliver to the Company all Confidential Information, including but not limited to, documents, reports, correspondences, computer printouts, work papers, files, computer lists, telephone and address books, rolodex cards, computer tapes, disks, and any and all records in his possession (and all copies thereof) containing any such Confidential Information created in whole or in part by Executive within the scope of his employment, even if the items do not contain Confidential Information.

15.4 Executive shall also be required to sign a non-disclosure or confidentiality agreement in the Company's customary form for senior executives (or in the customary form executed by senior executives of Harrah's Operating Company, Inc.) if Executive is not currently a party to such an agreement with the Company. Such an agreement shall also remain in full force and effect, provided that, in the event of any conflict between any such agreement(s) and this Agreement, this Agreement shall control.

15.5 This Section and any of its provisions will survive Executive's separation of employment for any reason.

16. Injunctive Relief. Executive acknowledges and agrees that the terms provided in Sections 14 and 15 are the minimum necessary to protect the Company, its affiliates and subsidiaries, its successors and assigns in the use and enjoyment of the Confidential Information and the good will of the business of the Company. Executive further agrees that damages cannot fully and adequately compensate the Company in the event of a breach or violation of the restrictive covenants (Confidential Information and Non-Competition) and that without limiting the right of the Company to pursue all other legal and equitable remedies available to it, the Company shall be entitled to seek injunctive relief, including but not limited to a temporary restraining order, preliminary injunction and permanent injunction, to prevent any such violations or any continuation of such violations for the protection of the Company. The granting of injunctive relief will not act as a waiver by the Company of its right to pursue any and all additional remedies.

17. Post Employment Cooperation. Executive agrees that upon separation for any reason from the Company, Executive will cooperate in assuring an orderly transition of all matters being handled by him. Upon the Company providing reasonable notice to him, he will also appear as a witness at the Company's request and/or assist the Company in any litigation, bankruptcy or similar matter in which the Company or any affiliate thereof is a party or otherwise involved. The Company will defray any reasonable out-of-pocket expenses incurred

by Executive in connection with any such appearance. In connection therewith, the Company agrees to indemnify Executive as prescribed in Article Tenth of the Certificate of Incorporation, as amended, of the Company.

18. Release. Upon the termination of Executive's active full-time employment, and in consideration of and as a condition to the actual receipt of all compensation and benefits described in this Agreement (including without limitation any severance payments set forth in Section 8 or Section 12), except for claims arising from the covenants, agreements, and undertakings of the Company as set forth herein and except as prohibited by statutory language, Executive and the Company will enter into an agreement which forever and unconditionally mutually waives, and releases Harrah's Entertainment, Inc., Harrah's Operating Company, Inc., their subsidiaries and affiliates, and their officers, directors, agents, benefit plan trustees, and employees, on the one hand, and Executive and his heirs and estate (and the beneficiaries thereof), on the other hand, from any and all claims, whether known or unknown, and regardless of type, cause or nature, including but not limited to claims arising under all salary, vacation, insurance, bonus, stock, and all other benefit plans, and all state and federal anti-discrimination, civil rights and human rights laws, ordinances and statutes, including Title VII of the Civil Rights Act of 1964 and the Age Discrimination in Employment Act, concerning his employment with Harrah's Entertainment, Inc., its subsidiaries and affiliates, the cessation of that employment and his service as a stockholder, an employee, officer and director of the Company and its subsidiaries. The form of mutual release is set forth in Exhibit B.

19. Assumption of Agreement on Merger, Consolidation or Sale of Assets. In the event the Company agrees to (a) enter into any merger or consolidation with another company in which the Company is not the surviving company; or (b) sell or dispose of all or substantially all of its assets, and the company which is to survive fails to make a written agreement with Executive to either: (i) assume the Company's financial obligations to Executive under this Agreement; or (ii) make such other provision for Executive as is satisfactory to Executive, then Executive shall have the right to resign For Good Reason as defined under this Agreement.

20. Assurances on Liquidation. The Company agrees that until the termination of this Agreement as above provided, it will not voluntarily liquidate or dissolve without first making a full settlement or, at the discretion of Executive, a written agreement with Executive satisfactory to and approved by him in writing, in fulfillment of or in lieu of its obligations to him under this Agreement.

21. Amendments; Entire Agreement. This Agreement may not be amended or modified orally, and no provision hereof may be waived, except in a writing signed by the parties hereto. This Agreement and the Equity Agreements contain the entire agreement between the parties concerning the subject matter hereof and supersede all prior agreements and understandings, written and oral, between the parties with respect to the subject matter of this Agreement and the Equity Agreements, including without limitation the Prior Employment Agreement and the Severance Agreement.

22. Assignment.

22.1 Except as otherwise provided in Section 22.2, this Agreement cannot be assigned by either party hereto, except with the written consent of the other. Any assignment of this Agreement by either party shall not relieve such party of its or his obligations hereunder.

22.2 The Company may elect to perform any or all of its obligations under this Agreement through its wholly-owned subsidiary, Harrah's Operating Company, Inc., or another subsidiary, and if the Company so elects, Executive will be an employee of Harrah's Operating Company, Inc., or such other subsidiary. Notwithstanding any such election, the Company's obligations to Executive under this Agreement will continue in full force and effect as obligations of the Company, and the Company shall retain primary liability for their performance.

23. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the personal representatives and successors in interest of the Company.

24. Governing Law. This Agreement shall be governed by the laws of the State of Nevada as to all matters, including but not limited to matters of validity, construction, effect and performance.

25. Jurisdiction. Any judicial proceeding seeking to enforce any provision of, or based on any right arising out of, this Agreement or any agreement identified herein may be brought only in state or federal courts of the State of Nevada, and by the execution and delivery of this Agreement, each of the parties hereto accepts for themselves the exclusive jurisdiction of the aforesaid courts and irrevocably consents to the jurisdiction of such courts (and the appropriate appellate courts) in any such proceedings, waives any objection to venue laid therein and agrees to be bound by the judgment rendered thereby in connection with this Agreement or any agreement identified herein. The Company shall pay Executive all reasonable legal fees and expenses incurred by Executive in connection with any proceeding relating to the interpretation or enforcement of this Agreement instituted by Executive in good faith and in which Executive prevails on a material claim that is part of such proceeding.

26. Notices. Any notice to be given hereunder by either party to the other may be effected by personal delivery, in writing, or by mail, registered or certified, postage prepaid with return receipt requested. Mailed notices shall be addressed to the parties at the addresses set forth below, but each party may change his or its address by written notice in accordance with this Section 26. Notices shall be deemed communicated as of the actual receipt or refusal of receipt.

27. Construction. This Agreement is to be construed as a whole, according to its fair meaning, and not strictly for or against any of the parties.

28. Severability. If any provision of this Agreement shall be determined by a court to be invalid or unenforceable, the remaining provisions of this Agreement shall not be affected thereby, shall remain in full force and effect, and shall be enforceable to the fullest extent permitted by applicable law.

29. Withholding Taxes. Any payments or benefits to be made or provided to Executive pursuant to this Agreement shall be subject to any withholding tax (including social security contributions and federal income taxes) as shall be required by federal, state, and local withholding tax laws.

**ROLLOVER OPTION AGREEMENT**

This Rollover Option Agreement (this "Agreement") is made effective as of January 27, 2008 (hereinafter referred to as the "Date of Grant"), between Harrah's Entertainment, Inc. (the "Company") and Gary W. Loveman ("Participant").

**RECITALS:**

**WHEREAS**, pursuant to the Agreement and Plan of Merger, dated as of December 19, 2006, among Hamlet Holdings LLC, Hamlet Merger Inc. ("Merger Sub") and the Company (the "Merger Agreement"), at the Effective Time (as defined in the Merger Agreement), Merger Sub will merge with and into the Company and the Company will be the surviving entity in the Merger (as defined in the Merger Agreement);

**WHEREAS**, Participant is employed by the Company (the terms and conditions of which are governed by the employment agreement by and between Participant and the Company, dated as of the Date of Grant (the "Employment Agreement")) and, through such employment, provides services to the Company and its Affiliates;

**WHEREAS**, in resolutions duly adopted by the board of directors of the Company on November 6, 2007 in connection with the Merger, the board of directors resolved that securities held by Participant could be converted into the right to receive shares of or the right to shares of Harrah's Entertainment, Inc.;

**WHEREAS**, the Company intends to adopt a new stock option plan, the Harrah's Entertainment, Inc. Management Equity Incentive Plan (the "Plan"), substantially in the form attached hereto as Exhibit A, and to issue options to purchase shares of non-voting common stock, par value \$0.01 per share of the Company ("Non-Voting Shares");

**WHEREAS**, in connection with the Merger, immediately prior to the Effective Time, the option to purchase common stock of the Company (the "Prior Option"), which is set forth on Schedule A to this Agreement, will be converted into the option (the "Rollover Option") to purchase Non-Voting Shares pursuant to the terms of this Agreement.

**NOW, THEREFORE, IT IS AGREED**, by and between the Company and Participant as follows:

1. **Option Conversion and Exercise Price.** As a result of the transactions contemplated by the Merger Agreement, if the Prior Option were outstanding immediately prior to the Effective Time, absent an election to roll over the Prior Option, Participant would be entitled to receive, on or as soon as practicable following the Effective Time, an amount in cash equal to the product of (a) the total number of Shares (as defined in the Merger Agreement) subject to the Prior Option and (b) the difference between the Merger Consideration (as defined in the Merger Agreement) and the per Share exercise price of the Prior Option, less any applicable withholding taxes (such amount, the "Prior Option Merger Consideration"). By executing this Agreement, the Company agrees that at the Effective Time (i) the Prior Option will not be converted into an amount equal to the

Prior Option Merger Consideration in accordance with the terms of the Merger Agreement and (ii) subject to the terms of this Agreement and the occurrence of the Effective Time, the Prior Option will be converted into the Rollover Option exercisable with respect to 133,133 Non-Voting Shares. By executing this Agreement, Participant agrees that (x) Participant will not, prior to the Effective Time, exercise the Prior Option and (y) immediately prior to the Effective Time, Participant will cease to have any rights with respect to the Prior Option. Subject to the terms of this Agreement (which preserve the intrinsic aggregate "spread value" of the Prior Option in respect of which the Rollover Option is issued) and to the occurrence of the Effective Time, the Prior Option shall be converted, effective as of the Effective Time, into a Rollover Option with respect to 133,133 Non-Voting Shares. The exercise price per Non-Voting Share underlying the Rollover Option shall be \$25.00.

2. Definitions. Except where the context clearly implies or indicates the contrary, any term used in this Agreement but not defined herein shall have the meaning given such term in the Plan.
3. Vesting. The Rollover Option granted hereby is immediately exercisable upon the Date of Grant with respect to 100% of the Non-Voting Shares subject to such Rollover Option.
4. Expiration Date. The Rollover Option shall expire on the "Expiration Date", which shall be the earliest to occur of (a) June 17, 2012, (b) 10 days after the Participant's Employment is terminated for Cause; (c) one year following the termination of the Participant's Employment by reason of the Participant's death; (d) 180 days following the termination of the Participant's Employment by reason of the Participant's Disability or Retirement; (e) 120 days after the date the Participant's Employment is terminated (i) by the Company for any reason other than Cause, death or Disability or (ii) by the Participant for Good Reason; and (f) 60 days following the termination of the Participant's Employment by the Participant without Good Reason.
5. Effective Time Deadline. If the Effective Time does not occur on or before February 29, 2008 (the "Effective Time Deadline"), this Agreement will be canceled and Participant will have no rights with respect hereto; provided, that if the Company determines on or before the Effective Time Deadline and in good faith that the Effective Time is likely to occur on or before March 15, 2008, the Effective Time Deadline shall automatically be extended to March 15, 2008.
6. Representations; Acknowledgements of Participant. By signing below, Participant hereby represents and warrants to the Company that:
  - (a) Participant has the requisite power, authority and capacity to execute this Agreement, to perform Participant's obligations under this Agreement and to consummate the transactions contemplated hereby;
  - (b) this Agreement has been duly and validly executed and delivered by Participant and constitutes Participant's legal, valid and binding obligation, enforceable against Participant in accordance with its terms, except to the extent that such

validly binding effect and enforceability may be limited by applicable bankruptcy, reorganization, insolvency, moratorium and other laws relating to or affecting creditors' rights generally;

- (c) Participant is the sole record and beneficial owner of the Rollover Option and Participant has good, valid and marketable title to the Rollover Option, free and clear of any charge, mortgage, pledge, lien, option, equity, power of sale, hypothecation, retention of title, right of pre-emption, right of first refusal or other third-party rights or security interest of any kind or an agreement, arrangement or obligation to create any of the foregoing (other than such restrictions contained in the agreement granting the Prior Option and the equity plan pursuant to which the Prior Option was granted);
- (d) the Rollover Option is being acquired for Participant's own account, for investment purposes only and not with a view to or in connection with any distribution, reoffer, resale, public offering or other disposition thereof not in compliance with the Securities Act of 1933, as amended (the "Securities Act"), as may be amended from time to time, or any applicable United States federal or state securities laws or regulations;
- (e) Participant understands that the Non-Voting Shares underlying the Rollover Option have not been registered under the Securities Act, and that this transaction may be made in reliance on one or more exemptions for private offerings or offerings outside the United States or to non-U.S. persons;
- (f) Participant possesses such expertise, knowledge, and sophistication in financial and business matters generally, and in the type of transaction in which the Company proposes to engage in particular to evaluate the merits and risks of this investment opportunity;
- (g) Participant understands and has carefully considered the risks relating to the Company and this investment opportunity including that (i) an investment in the Rollover Option involves a high degree of risk, and Participant may lose the entire amount of Participant's investment, (ii) the Company does not expect to pay dividends for the foreseeable future, (iii) the Non-Voting Shares underlying the Rollover Option are illiquid, and Participant must bear the economic risk of an investment in the Rollover Option for an indefinite period of time unless the Non-Voting Shares underlying the Rollover Option are subsequently registered under the Securities Act or an exemption from such registration is available, (iv) there is no existing public or other market for the Non-Voting Shares underlying the Rollover Option, and there can be no assurance as to when, or whether, any such market will develop, or that Participant will be able to sell or dispose of the Non-Voting Shares underlying the Rollover Option;
- (h) Participant (i) has adequate means of providing for Participant's current needs and possible contingencies, and Participant has no need for liquidity in Participant's

investment in the Company, and (ii) can bear the economic risk of losing Participant's entire investment in the Company;

- (i) prior to making Participant's investment decision Participant (i) has had access to all of the information and individuals with respect to the Non-Voting Shares underlying the Rollover Option and Participant's investment that Participant deems necessary to make a complete evaluation thereof, and (ii) has been afforded the opportunity to ask such questions as Participant deemed necessary, and to receive answers from, representatives of the Company concerning the merits and risks of investing in the Rollover Option, including, without limitation, the restrictive and other provisions of the Management Investor Rights Agreement among the Company and the parties thereto (the "MIRA");
- (j) no representations or warranties, oral or otherwise, have been made to Participant or any party acting on Participant's behalf that are inconsistent with the written materials which have been supplied to Participant by the Company;
- (k) Participant has had an opportunity to consult an independent tax and legal advisor and Participant's decision to acquire the Rollover Option for investment has been based solely upon Participant's evaluation;
- (l) Participant is aware that the Internal Revenue Service ("IRS") or other relevant taxing authority may take a position regarding the rollover contemplated in this Agreement and/or the tax classification of the Company and the Rollover Option contrary to that intended by the Company as provided in this Agreement and Participant shall be solely responsible for any and all tax or other liabilities that may result from the IRS's or other relevant taxing authority's position; and
- (m) Participant is aware that the MIRA provides significant restrictions on Participant's ability to dispose of the Non-Voting Shares underlying the Rollover Option.

Participant further represents and warrants to the Company that Participant is an "accredited investor" as defined in Rule 501(a) under the Securities Act because Participant is either:

1. A person whose individual net worth, or joint net worth with Participant's spouse, exceeds \$1,000,000; OR
2. A person whose income exceeded \$200,000 in each of the two most recent years, or joint income with Participant's spouse exceeded \$300,000 in each of those years, and Participant has a reasonable expectation of reaching the same income level in this year.

**By electing to not exercise Participant's Prior Option pursuant to this Agreement, Participant acknowledges that Participant is instructing the Company and its Affiliates to distribute to Participant, following the Effective Time, the Rollover Option instead of cash, as described above, and Participant hereby acknowledge that Participant does not have, and will not assert that Participant has, any claim against the Company, the Majority**

**Holders (as defined below) or their respective Affiliates to receive the Prior Option Merger Consideration or any other payment in exchange for the Prior Option, except as contemplated herein.**

The “Majority Holders” shall mean, collectively or individually as the context requires, Apollo Management VI, L.P., TPG Capital, L.P. and their respective Affiliates and the Majority Holders shall be third-party beneficiaries for purposes of enforcing the immediately preceding paragraph of this Agreement.

7. Representations; Acknowledgements of the Company. By providing this Agreement to Participant, the Company hereby represents and warrants to Participant that:
  - (a) The Company is duly organized, validly existing and in good standing under the laws of the State of Delaware and has the requisite power and authority to carry on its business as is now being conducted and as proposed to be conducted immediately after the Merger and to deliver or cause to be delivered this Agreement and the MIRA and to consummate the transaction contemplated hereby;
  - (b) The Company has or prior to the Merger will have taken all corporate action required to authorize the execution and delivery of this Agreement and the MIRA and to authorize the issuance of the Rollover Option and the Non-Voting Shares underlying the Rollover Option;
  - (c) The Non-Voting Shares issued upon exercise of the Rollover Option and upon delivery of the exercise price therefor, will be duly authorized, validly issued, fully paid and non-assessable, and issued free and clear of restrictions on transfer, other than those set forth in the MIRA and applicable federal and state securities laws.
8. Other Company Interests. Participant acknowledges that any other equity or equity-based interests that Participant holds in the Company that Participant does not elect to roll over will be treated in accordance with the Merger Agreement.
9. Construction of Agreement. Any provision of this Agreement (or portion thereof) which is deemed invalid, illegal or unenforceable in any jurisdiction shall, as to that jurisdiction and subject to this section, be ineffective to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions thereof in such jurisdiction or rendering that or any other provisions of this Agreement invalid, illegal, or unenforceable in any other jurisdiction. If any covenant should be deemed invalid, illegal or unenforceable because its scope is considered excessive, such covenant shall be modified so that the scope of the covenant is reduced only to the minimum extent necessary to render the modified covenant valid, legal and enforceable. No waiver of any provision or violation of this Agreement by the Company shall be implied by the Company’s forbearance or failure to take action. This Agreement is intended to comply with Section 409A of the Code and any guidance issued thereunder and shall be interpreted, operated and administered accordingly.
10. Delays or Omissions. No delay or omission to exercise any right, power or remedy accruing to any party hereto upon any breach or default of any party under this Agreement, shall impair any such right, power or remedy of such party nor shall it be

construed to be a waiver of any such breach or default, or an acquiescence therein, or of or in any similar breach or default thereafter occurring nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character on the part of any party of any breach or default under this Agreement, or any waiver on the part of any party or any provisions or conditions of this Agreement, shall be in writing and shall be effective only to the extent specifically set forth in such writing.

11. Limitation on Transfer. The Rollover Option shall be exercisable only by Participant or Participant's Permitted Transferee(s), as determined in accordance with the terms of the Plan (including without limitation the requirement that the Participant obtain the prior written approval by the Committee of any proposed Transfer to a Permitted Transferee during the lifetime of the Participant). Each Permitted Transferee shall be subject to all the restrictions, obligations, and responsibilities as apply to Participant under the Plan and this Agreement and shall be entitled to all the rights of Participant under the Plan, provided that in respect of any Permitted Transferee which is a trust or custodianship, the Rollover Option shall become exercisable and/or expire based on the Employment and termination of Employment of Participant. All Non-Voting Shares obtained pursuant to the Rollover Option granted herein shall not be transferred except as provided in the Plan and, where applicable, the Management Investor Rights Agreement.
12. No Special Employment Rights. Nothing contained in the Plan shall confer upon Participant any right with respect to the continuation of Employment or interfere in any way with the right of the Company or an Affiliate, subject to the terms of the Employment Agreement to the contrary, at any time to terminate such Employment or to increase or decrease Participant's compensation from the rate in existence at the time of the grant of the Rollover Option, subject to the terms of the Employment Agreement.
13. For purposes of the MIRA, Non-Voting Shares acquired upon the exercise of the Rollover Option shall be treated as "Rollover Shares" as defined in the MIRA.
14. Participant's Undertaking and Consents. The Participant hereby agrees to take whatever additional actions and execute whatever additional documents the Company may in its reasonable judgment deem necessary or advisable in order to carry out or effect one or more of the obligations or restrictions imposed on the Participant pursuant to the express provisions of this Agreement and the Plan. The Participant hereby consents to the collection, retention, use, processing and transfer of the Participant's personal data by the Company and any of its Affiliates, any administrator of the Plan, the Company's registrars or brokers for the purposes of implementing and operating the Plan.
15. Integration. This Agreement, and the other documents referred to herein or delivered pursuant hereto which form a part hereof contain the entire understanding of the parties with respect to its subject matter. There are no restrictions, agreements, promises, representations, warranties, covenants or undertakings with respect to the subject matter hereof other than those expressly set forth herein and in the Plan. This Agreement, including without limitation the Plan, supersedes all prior agreements and understandings

between the parties with respect to its subject matter, except to the extent of any conflict between the provisions hereof and the Employment Agreement.

16. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.
17. Governing Law. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Delaware without regard to the provisions governing conflict of laws.
18. Participant Acknowledgment. The Participant hereby acknowledges receipt of a copy of the Plan. The Participant hereby acknowledges that all decisions, determinations and interpretations of the Committee in respect of the Plan, this Agreement and the Rollover Option shall be final and conclusive. The Participant further acknowledges that, prior to the occurrence of an Initial Public Offering, no exercise of the Option or any portion thereof shall be effective unless and until the Participant has executed the Management Investor Rights Agreement and the Participant hereby agrees to be bound thereby with respect to any Non-Voting Shares that the Participant acquires upon exercise of the Rollover Option.

**[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK.]**
