SECTION 1.03 Effectuation of Transactions. Each of the representations and warranties of Holdings and the Borrower contained in this Agreement (and all corresponding definitions) are made after giving effect to the Transactions, unless the context otherwise requires.

SECTION 1.04 Exchange Rates; Currency Equivalents.

(a) The Administrative Agent or the L/C Issuer, as applicable, shall determine the Spot Rates as of each Revaluation Date to be used for calculating Dollar Equivalent amounts and Outstanding Amounts denominated in Alternative Currencies. Such Spot Rates shall become effective as of such Revaluation Date and shall be the Spot Rates employed in converting any amounts between the applicable currencies until the next Revaluation Date to occur. Except for purposes of financial statements delivered by Loan Parties hereunder or calculating financial covenants hereunder or except as otherwise provided herein, the applicable amount of any currency (other than Dollars) for purposes of the Loan Documents shall be such Dollar Equivalent amount as so determined by the Administrative Agent or the L/C Issuer, as applicable. No Default or Event of Default shall arise as a result of any limitation or threshold set forth in U.S. Dollars in Article VI or paragraph (f), (j) or (m) of Section 7.01 being exceeded solely as a result of changes in currency exchange rates from those rates applicable on the first day of the fiscal quarter in which such determination occurs or in respect of which such determination is being made.

(b) Wherever in this Agreement in connection with a Borrowing, conversion, continuation or prepayment of a Eurocurrency Loan or the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but such Borrowing, Eurocurrency Loan or Letter of Credit is denominated in an Alternative Currency, such amount shall be the relevant Alternative Currency Equivalent of such Dollar amount (rounded to the nearest unit of such Alternative Currency, with 0.5 of a unit being rounded upward), as determined by the Administrative Agent or the L/C Issuer, as the case may be.

SECTION 1.05 Additional Alternative Currencies.

(a) The Borrower may from time to time request that Eurocurrency Revolving Loans be made and/or Letters of Credit be issued in a currency other than those specifically listed in the definition of "Alternative Currency;" provided that such requested currency is a lawful currency (other than Dollars) that is readily available and freely transferable and convertible into Dollars. In the case of any such request with respect to the making of Eurocurrency Revolving Loans, such request shall be subject to the approval of the Administrative Agent and the Revolving Facility Lenders; and in the case of any such request with respect to the issuance of Letters of Credit, such request shall be subject to the approval of the Administrative Agent and the L/C Issuer.

(b) Any such request shall be made to the Administrative Agent not later than 11:00 a.m., 20 Business Days prior to the date of the desired Credit Event (or such other time or date as may be agreed by the Administrative Agent and, in the case of any such request pertaining to Letters of Credit, the L/C Issuer, in its or their sole discretion). In the case of any such request pertaining to Eurocurrency Loans, the Administrative Agent shall promptly notify each Revolving Facility Lender thereof; and in the case of any such request pertaining to Letters of Credit, the Administrative Agent shall promptly notify the L/C Issuer thereof. Each Revolving Facility Lender (in the case of any such request pertaining to Eurocurrency Loans) or the L/C Issuer (in the case of a request pertaining to Letters of Credit) shall notify the Administrative Agent, not later than 11:00 a.m., 10 Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Eurocurrency Loans or the issuance of Letters of Credit, as the case may be, in such requested currency.

(c) Any failure by a Revolving Facility Lender or the L/C Issuer, as the case may be, to respond to such request within the time period specified in the preceding sentence shall be deemed to be a refusal by such Revolving Facility Lender or the L/C Issuer, as the case may be, to permit Eurocurrency Loans to be made or Letters of Credit to be issued in such requested currency. If the Administrative Agent and all the Revolving Facility Lenders consent to making Eurocurrency Loans in such requested currency, the Administrative Agent shall so notify the Borrower and such currency shall thereupon be deemed for all purposes to be an Alternative Currency hereunder for purposes of any Borrowings of Eurocurrency Revolving Loans; and if the Administrative Agent and the L/C Issuer consent to the issuance of Letters of Credit in such requested currency, the Administrative Agent shall so notify the Borrower and such currency shall thereupon be deemed for all purposes to be an Alternative Currency hereunder for purposes of any Letter of Credit issuances. If the Administrative Agent shall fail to obtain consent to any request for an additional currency under this Section 1.05, the Administrative Agent shall promptly so notify the Borrower. Any specified currency of an Existing Letter of Credit that is neither Dollars nor one of the Alternative Currencies specifically listed in the definition of "Alternative Currency" shall be deemed an Alternative Currency with respect to such Existing Letter of Credit only.

#### SECTION 1.06 Change of Currency.

(a) Each obligation of the Borrower to make a payment denominated in the national currency unit of any member state of the European Union that adopts the Euro as its lawful currency after the date hereof shall be redenominated into Euro at the time of such adoption (in accordance with the EMU Legislation). If, in relation to the currency of any such member state, the basis of accrual of interest expressed in this Agreement in respect of that currency shall be inconsistent with any convention or practice in the London interbank market for the basis of accrual of interest in respect of the Euro, such expressed basis shall be replaced by such convention or practice with effect from the date on which such member state adopts the Euro as its lawful currency; provided that if any Borrowing in the currency of such member state is outstanding immediately prior to such date, such replacement shall take effect, with respect to such Borrowing, at the end of the then current Interest Period.

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify to be appropriate to reflect the adoption of the Euro by any member state of the European Union and any relevant market conventions or practices relating to the Euro.

(c) Each provision of this Agreement also shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify to be appropriate to reflect a change in currency of any other country and any relevant market conventions or practices relating to the change in currency.

SECTION 1.07 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Local Time.

SECTION 1.08 Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Dollar Equivalent of the stated amount of such Letter of Credit in effect at such time; provided, however, that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the Dollar Equivalent of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

## ARTICLE II The Credits

SECTION 2.01 Commitments. Subject to the terms and conditions set forth herein:

(a) each Lender agrees to make Term B-1 Loans to the Borrower on the Closing Date in a principal amount not to exceed its Term B-1 Loan Commitment;

(b) each Lender agrees to make Term B-2 Loans to the Borrower on the Closing Date in a principal amount not to exceed its Term B-2 Loan Commitment;

(c) each Lender agrees to make Term B-3 Loans to the Borrower on the Closing Date in a principal amount not to exceed its Term B-3 Loan Commitment;

(d) each Lender agrees to make Revolving Facility Loans to the Borrower from time to time during the Availability Period in Dollars or in one or more Alternative Currencies in an aggregate principal amount that will not result in (i) such Lender's Revolving Facility Credit Exposure exceeding such Lender's Revolving Facility Commitment, (ii) the Revolving Facility Credit Exposure exceeding the total Revolving Facility Commitments, (iii) the aggregate Outstanding Amount of all Revolving Facility Loans denominated in Alternative Currencies exceeding the Alternative Currency Sublimit or (iv) the Real Estate Revolver Facility Credit Exposure exceeding the Real Estate Revolver Facility Sublimit; provided, that the aggregate principal amount of Revolving Facility Loans made on the Closing Date shall

not exceed \$500.0 million. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Facility Loans;

(e) each Lender having an Incremental Term Loan Commitment agrees, subject to the terms and conditions set forth in the applicable Incremental Assumption Agreement, to make Incremental Term Loans to the Borrower, in an aggregate principal amount not to exceed its Incremental Term Loan Commitment; and

(f) amounts borrowed under Section 2.01(a), (b), (c) or (e) and repaid or prepaid may not be reborrowed.

#### SECTION 2.02 Loans and Borrowings.

(a) Each Revolving Facility Loan and Term Loan shall be made as part of a Borrowing consisting of Loans under the same Facility and of the same Type made by the Lenders ratably in accordance with their respective Commitments under the applicable Facility; provided, however, that Revolving Facility Loans shall be made by the Revolving Facility Lenders ratably in accordance with their respective Revolving Facility Percentages on the date such Loans are made hereunder. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided, that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.14, each Borrowing of Revolving Facility Loans or Term Loans shall be comprised entirely of ABR Loans or Eurocurrency Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any ABR Loan or Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided, that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement and such Lender shall not be entitled to any amounts payable under Section 2.15 or 2.17 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise.

(c) At the commencement of each Interest Period for any Eurocurrency Borrowing, such Borrowing shall be in an aggregate amount not less than the Borrowing Minimum and, in the case of a Eurocurrency Revolving Facility Borrowing, that is an integral multiple of the Borrowing Multiple. Subject to Section 2.04(c) and Section 2.05(c), at the time that each Term Borrowing or Revolving Facility Borrowing is made, such Borrowing shall be in an aggregate amount that is not less than the Borrowing Minimum and, in the case of a Eurocurrency Revolving Facility Borrowing, that is an integral multiple of the Borrowing Multiple; provided, that an ABR Revolving Facility Borrowing may be in an aggregate amount that is equal to the entire unused balance of the Revolving Facility Commitments. Borrowings of more than one Type and under more than one Facility may be outstanding at the same time; provided, that there shall not at any time be more than a total of (i) 20 Eurocurrency Borrowings outstanding under the Term Facilities and (ii) 20 Eurocurrency Borrowings outstanding under the Revolving Facility.

SECTION 2.03 Requests for Borrowings. To request a Revolving Facility Borrowing and/or a Term Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone (a) in the case of a Eurocurrency Borrowing, not later than 10:00 a.m., Local Time, (x) three Business Days before the date of any proposed Borrowing denominated in Dollars and (y) four Business Days before the date of any proposed Borrowing denominated in an Alternative Currency or (b) in the case of an ABR Borrowing, not later than 10:00 a.m., Local Time, one Business Day before the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or teletype to the Administrative Agent of a written Borrowing Request in a form approved by the Administrative Agent and signed by a Responsible Officer of the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) whether such Borrowing is to be a Borrowing of Revolving Facility Loans, Term B-1 Loans, Term B-2 Loans, Term B-3 Loans or Other Term Loans;
- (ii) the aggregate amount of the requested Borrowing;
- (iii) the date of such Borrowing, which shall be a Business Day;
- (iv) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;
- (v) in the case of a Eurocurrency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";
- (vi) in the case of a Eurocurrency Revolving Facility Borrowing, the currency in which such Borrowing is to be denominated (which shall be Dollars or an Alternative Currency); and
- (vii) the location and number of the Borrower's account to which funds are to be disbursed.

If no election as to the currency of any Revolving Facility Borrowing is made, then the requested Borrowing shall be made in Dollars. If no election as to the Type of Revolving Facility Borrowing or Term Borrowing is specified, then the requested Borrowing shall be (x) an ABR Borrowing in the case of Loans denominated in Dollars or (y) a Eurocurrency Borrowing with an Interest Period of one month's duration in the case of Revolving Facility Loans denominated in an Alternative Currency. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each applicable Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04 Swingline Loans.

(a) The Swingline. Subject to the terms and conditions set forth herein, the Swingline Lender agrees, in reliance upon the agreements of the other Revolving Facility Lenders set forth in this Section 2.04, to make loans in Dollars (each such loan, a “Swingline Loan”) to the Borrower from time to time on any Business Day during the Availability Period in an aggregate amount not to exceed at any time outstanding the aggregate amount of the Swingline Commitments, notwithstanding the fact that such Swingline Loans, when aggregated with the Revolving Facility Percentage of the Outstanding Amount of Revolving Facility Loans and L/C Obligations of the Revolving Facility Lender acting as Swingline Lender, may exceed the amount of such Lender’s Revolving Facility Commitment; provided, however, that after giving effect to any Swingline Loan, (i) the Revolving Facility Credit Exposure shall not exceed the total Revolving Facility Commitments, and (ii) the aggregate Revolving Facility Credit Exposure of any Revolving Facility Lender (other than the Swingline Lender) shall not exceed such Revolving Facility Lender’s Revolving Facility Commitment, and provided, further, that the Borrower shall not use the proceeds of any Swingline Loan to refinance any outstanding Swingline Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.11, and reborrow under this Section 2.04. Each Swingline Loan shall be an ABR Loan. Immediately upon the making of a Swingline Loan, each Revolving Facility Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swingline Lender a risk participation in such Swingline Loan in an amount equal to the product of such Lender’s Revolving Facility Percentage times the amount of such Swingline Loan.

(b) Borrowing Procedures. Each Swingline Borrowing shall be made upon the Borrower’s irrevocable notice to the Swingline Lender and the Administrative Agent, which may be given by telephone. Each such notice must be received by the Swingline Lender and the Administrative Agent not later than 1:00 p.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of \$100,000, and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swingline Lender and the Administrative Agent of a written Swingline Borrowing Request, appropriately completed and signed by a Responsible Officer of the Borrower. Promptly after receipt by the Swingline Lender of any telephonic Swingline Loan request, the Swingline Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swingline Loan request and, if not, the Swingline Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swingline Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Lender) prior to 2:00 p.m. on the date of the proposed Swingline Borrowing (A) directing the Swingline Lender not to make such Swingline Loan as a result of the limitations set forth in the proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Section 4.01 is not then satisfied, then, subject to the terms and conditions hereof, the Swingline Lender will, not later than 3:00 p.m. on the borrowing date specified in such Swingline Borrowing Request, make the amount of its Swingline Loan available to the Borrower at the account of the Borrower specified in such Swingline Borrowing Request.

(c) Refinancing of Swingline Loans.

(i) The Swingline Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes the Swingline Lender to so request on its behalf), that each Revolving Facility Lender make an ABR Revolving Loan in an amount equal to such Revolving Facility Lender's Revolving Facility Percentage of the amount of Swingline Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Borrowing Request for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the Borrowing Minimum and Borrowing Multiples, but subject to the unutilized portion of the Revolving Facility Commitments and the conditions set forth in Section 4.01. The Swingline Lender shall furnish the Borrower with a copy of the applicable Borrowing Request promptly after delivering such notice to the Administrative Agent. Each Revolving Facility Lender shall make an amount equal to its Revolving Facility Percentage of the amount specified in such Borrowing Request available to the Administrative Agent in Same Day Funds for the account of the Swingline Lender at the Administrative Agent's Office for Dollar-denominated payments not later than 1:00 p.m. on the day specified in such Borrowing Request, whereupon, subject to Section 2.04(c)(ii), each Revolving Facility Lender that so makes funds available shall be deemed to have made an ABR Revolving Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swingline Lender.

(ii) If for any reason any Swingline Loan cannot be refinanced by such an ABR Revolving Facility Borrowing in accordance with Section 2.04(c)(i), the request for ABR Revolving Loans submitted by the Swingline Lender as set forth herein shall be deemed to be a request by the Swingline Lender that each of the Revolving Facility Lenders fund its risk participation in the relevant Swingline Loan and each Revolving Facility Lender's payment to the Administrative Agent for the account of the Swingline Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Revolving Facility Lender fails to make available to the Administrative Agent for the account of the Swingline Lender any amount required to be paid by such Revolving Facility Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swingline Lender shall be entitled to recover from such Revolving Facility Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swingline Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect, plus any administrative, processing or similar fees customarily charged by the Swingline Lender in connection with the foregoing. If such Revolving Facility Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's ABR Revolving Loan included in the relevant ABR Revolving Facility Borrowing or funded participation in the relevant Swingline Loan, as the case may be. A certificate of the Swingline Lender submitted to any Revolving Facility Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Revolving Facility Lender's obligation to make ABR Revolving Loans or to purchase and fund risk participations in Swingline Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swingline Lender, the Borrower or any other person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make ABR Revolving Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.01. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swingline Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Revolving Facility Lender has purchased and funded a risk participation in a Swingline Loan, if the Swingline Lender receives any payment on account of such Swingline Loan, the Swingline Lender will distribute to such Revolving Facility Lender its Revolving Facility Percentage thereof in the same funds as those received by the Swingline Lender.

(ii) If any payment received by the Swingline Lender in respect of principal or interest on any Swingline Loan is required to be returned by the Swingline Lender under any of the circumstances described in Section 8.10 (including pursuant to any settlement entered into by the Swingline Lender in its discretion), each Revolving Facility Lender shall pay to the Swingline Lender its Revolving Facility Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swingline Lender. The obligations of the Revolving Facility Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swingline Lender. The Swingline Lender shall be responsible for invoicing the Borrower for interest on the Swingline Loans. Until each Revolving Facility Lender funds its ABR Revolving Loan or risk participation pursuant to this Section 2.04 to refinance such Revolving Facility Lender's Revolving Facility Percentage of any Swingline Loan, interest in respect of such Revolving Facility Percentage shall be solely for the account of the Swingline Lender.

(f) Payments Directly to Swingline Lender. The Borrower shall make all payments of principal and interest in respect of the Swingline Loans directly to the Swingline Lender.

SECTION 2.05 The Letter of Credit Commitment.

(a) General.

(i) Subject to the terms and conditions set forth herein, (A) the L/C Issuer agrees, in reliance upon the agreements of the Revolving Facility Lenders set forth in this Section 2.05, (1) from time to time on any Business Day during the period from and including the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit denominated in Dollars or in one or more Alternative Currencies for the account of the Borrower or its Subsidiaries or any Real Estate Revolver Subsidiary, and to amend or extend Letters of Credit previously issued by it, in accordance with clause (b) below, and (2) to honor drawings under the Letters of Credit; and (B) the Revolving Facility Lenders severally agree to participate in Letters of Credit issued for the account of the Borrower or its Subsidiaries or any Real Estate Revolver Subsidiary and any drawings thereunder; provided that after giving effect to any L/C Credit Extension with respect to any Letter of Credit, (w) the total Revolving Facility Credit Exposure shall not exceed the total Revolving Facility Commitments, (x) no Lender's Revolving Facility Credit Exposure shall exceed such Lender's Revolving Facility Commitment, and (y) the Outstanding Amount of the L/C Obligations shall not exceed the Letter of Credit Sublimit and (z) the total Real Estate Revolver Facility Credit Exposure shall not exceed the Real Estate Revolver Facility Sublimit. Each request by the Borrower for the issuance or amendment of a Letter of Credit shall be deemed to be a representation by the Borrower that the L/C Credit Extension so requested complies with the conditions set forth in the proviso to the preceding sentence. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower or any Subsidiary or any Real Estate Revolver Subsidiary may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. All Existing Letters of Credit shall be deemed to have been issued pursuant hereto, and from and after the Closing Date shall be subject to and governed by the terms and conditions hereof.

(ii) The L/C Issuer shall not issue any Letter of Credit, if:

(A) subject to Section 2.05(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last extension, unless the Majority Lenders under the Revolving Facility have approved such expiry date (such approval not to be unreasonably withheld or delayed); or

(B) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless all the Revolving Facility Lenders have approved such expiry date (such approval not to be unreasonably withheld or delayed).

(iii) The L/C Issuer shall not be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the L/C Issuer from issuing such Letter of Credit, or any requirement of law applicable to the L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the L/C Issuer shall prohibit, or request that the L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall

impose upon the L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the L/C Issuer in good faith deems material to it;

(B) the issuance of such Letter of Credit would violate one or more policies of the L/C Issuer applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and the L/C Issuer, such Letter of Credit is in an initial stated amount less than \$100,000, in the case of a commercial Letter of Credit, or \$500,000, in the case of a standby Letter of Credit;

(D) except as otherwise agreed by the Administrative Agent and the L/C Issuer, such Letter of Credit is to be denominated in a currency other than Dollars or an Alternative Currency;

(E) the L/C Issuer does not as of the issuance date of such requested Letter of Credit issue Letters of Credit in the requested currency (other than with respect to Letters of Credit requested to be in Dollars or an Alternative Currency);

(F) such Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder; or

(G) a default of any Revolving Facility Lender's obligations to fund under Section 2.05(c) exists or any Revolving Facility Lender is at such time a Defaulting Lender hereunder, unless the L/C Issuer has entered into satisfactory arrangements with the Borrower or such Revolving Facility Lender to eliminate the L/C Issuer's risk with respect to such Revolving Facility Lender.

(iv) The L/C Issuer shall not amend any Letter of Credit if the L/C Issuer would not be permitted at such time to issue such Letter of Credit in its amended form under the terms hereof.

(v) The L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) the L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(vi) The L/C Issuer shall act on behalf of the Revolving Facility Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and the L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article VIII with respect to any acts taken or omissions suffered by the L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article VIII

included the L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to the L/C Issuer.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to the L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the L/C Issuer and the Administrative Agent not later than 11:00 a.m. at least two Business Days (or such later date and time as the Administrative Agent and the L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount and currency thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (G) such other matters as the L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; and (D) such other matters as the L/C Issuer may reasonably request. Additionally, the Borrower shall furnish to the L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the L/C Issuer or the Administrative Agent may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, the L/C Issuer will provide the Administrative Agent with a copy thereof. Unless the L/C Issuer has received written notice from any Revolving Facility Lender, the Administrative Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Section 4.01 shall not then be satisfied, then, subject to the terms and conditions hereof, the L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower (or the applicable Subsidiary or Real Estate Revolver Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with the L/C Issuer's usual and customary business practices. Immediately upon the issuance of each Letter of Credit, each Revolving Facility Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Revolving Facility Percentage times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application, the L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an “Auto-Extension Letter of Credit”); provided that any such Auto-Extension Letter of Credit must permit the L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “Non-Extension Notice Date”) in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the L/C Issuer, the Borrower shall not be required to make a specific request to the L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Revolving Facility Lenders shall be deemed to have authorized (but may not require) the L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that the L/C Issuer shall not permit any such extension if (A) the L/C Issuer has determined that it would not be permitted at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (ii) or (iii) of Section 2.05(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Majority Lenders under the Revolving Facility have elected not to permit such extension or (2) from the Administrative Agent, any Revolving Facility Lender or the Borrower that one or more of the applicable conditions specified in Section 4.01 is not then satisfied, and in each such case directing the L/C Issuer not to permit such extension.

(iv) If the Borrower so requests in any applicable Letter of Credit Application, the L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that permits the automatic reinstatement of all or a portion of the stated amount thereof after any drawing thereunder (each, an “Auto-Reinstatement Letter of Credit”). Unless otherwise directed by the L/C Issuer, the Borrower shall not be required to make a specific request to the L/C Issuer to permit such reinstatement. Once an Auto-Reinstatement Letter of Credit has been issued, except as provided in the following sentence, the Revolving Facility Lenders shall be deemed to have authorized (but may not require) the L/C Issuer to reinstate all or a portion of the stated amount thereof in accordance with the provisions of such Letter of Credit. Notwithstanding the foregoing, if such Auto-Reinstatement Letter of Credit permits the L/C Issuer to decline to reinstate all or any portion of the stated amount thereof after a drawing thereunder by giving notice of such non-reinstatement within a specified number of days after such drawing (the “Non-Reinstatement Deadline”), the L/C Issuer shall not permit such reinstatement if it has received a notice (which may be by telephone or in writing) on or before the day that is five Business Days before the Non-Reinstatement Deadline (A) from the Administrative Agent that the Majority Lenders under the Revolving Facility have elected not to permit such reinstatement or (B) from the Administrative Agent, any Revolving Facility Lender or the Borrower that one or more of the applicable conditions specified in Section 4.01 is not then satisfied (treating such reinstatement as an L/C Credit Extension for purposes of this clause) and, in each case, directing the L/C Issuer not to permit such reinstatement.

(v) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the L/C

Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements: Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the L/C Issuer shall notify the Borrower and the Administrative Agent thereof. In the case of a Letter of Credit denominated in an Alternative Currency, the Borrower shall reimburse the L/C Issuer in such Alternative Currency, unless (A) the L/C Issuer (at its option) shall have specified in such notice that it will require reimbursement in Dollars, or (B) in the absence of any such requirement for reimbursement in Dollars, the Borrower shall have notified the L/C Issuer promptly following receipt of the notice of drawing that the Borrower will reimburse the L/C Issuer in Dollars. In the case of any such reimbursement in Dollars of a drawing under a Letter of Credit denominated in an Alternative Currency, the L/C Issuer shall notify the Borrower of the Dollar Equivalent of the amount of the drawing promptly following the determination thereof. Not later than (1) 1:00 p.m., Local Time, on the date that the L/C Issuer provides notice to the Borrower of any payment by the L/C Issuer under a Letter of Credit denominated in Dollars or the Applicable Time in the case of any Letter of Credit denominated in an Alternative Currency (if such notice is provided by 10:00 a.m., Local Time, on such date) or (2) 11:00 a.m., Local Time, on the next succeeding Business Day or the Applicable Time on such next succeeding Business Day, as the case may be (if such notice is provided after 10:00 a.m., Local Time, on the date such notice is given) (each such applicable date, an “Honor Date”), the Borrower shall reimburse the L/C Issuer (and the L/C Issuer shall promptly notify the Administrative Agent of any failure by the Borrower to so reimburse the L/C Issuer by such time) in an amount equal to the amount of such drawing and in the applicable currency. If the Borrower fails to so reimburse the L/C Issuer by such time, the Administrative Agent shall promptly notify each Revolving Facility Lender of the Honor Date, the amount of the unreimbursed drawing (expressed in Dollars in the amount of the Dollar Equivalent thereof in the case of a Letter of Credit denominated in an Alternative Currency) (the “Unreimbursed Amount”), and the amount of such Lender’s Revolving Facility Percentage thereof. In such event, the Borrower shall be deemed to have requested a Borrowing of ABR Revolving Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum Borrowing Minimums or Borrowing Multiples, but subject to the amount of the unutilized portion of the Revolving Facility Commitments and the conditions set forth in Section 4.01 (other than the delivery of a Borrowing Request). Any notice given by the L/C Issuer or the Administrative Agent pursuant to this Section 2.05(c)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Facility Lender shall upon any notice pursuant to Section 2.05(c)(i) make funds available to the Administrative Agent for the account of the L/C Issuer, in Dollars, at the Administrative Agent’s Office for Dollar-denominated payments in an amount equal to its Revolving Facility Percentage of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.05(c)(iii), each Revolving Facility Lender that so makes funds

available shall be deemed to have made an ABR Revolving Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the L/C Issuer in Dollars.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Borrowing of ABR Revolving Loans because the conditions set forth in Section 4.01 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the rate specified in Section 2.13(c). In such event, each Revolving Facility Lender's payment to the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.05(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Revolving Facility Lender in satisfaction of its participation obligation under this Section 2.05.

(iv) Until each Revolving Facility Lender funds its ABR Revolving Loan or L/C Advance pursuant to this Section 2.05(c) to reimburse the L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Revolving Facility Percentage of such amount shall be solely for the account of the L/C Issuer.

(v) Each Revolving Facility Lender's obligation to make ABR Revolving Loans or L/C Advances to reimburse the L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.05(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Revolving Facility Lender may have against the L/C Issuer, the Borrower, any Subsidiary, any Real Estate Revolver Subsidiary, or any other person for any reason whatsoever; (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make ABR Revolving Loans pursuant to this Section 2.05(c) is subject to the conditions set forth in Section 4.01 (other than delivery by the Borrower of a Borrowing Request). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the L/C Issuer for the amount of any payment made by the L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Facility Lender fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.05(c) by the time specified in Section 2.05(c)(ii), the L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the L/C Issuer at a rate per annum equal to the applicable Overnight Rate from time to time in effect, plus any administrative, processing or similar fees customarily charged by the L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's ABR Revolving Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the L/C Issuer submitted to any Revolving Facility Lender (through the

Administrative Agent) with respect to any amounts owing under this clause (vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after the L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Facility Lender such Revolving Facility Lender's L/C Advance in respect of such payment in accordance with Section 2.05(c), if the Administrative Agent receives for the account of the L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Revolving Facility Lender its Revolving Facility Percentage thereof in Dollars and in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.05(c)(i) is required to be returned under any of the circumstances described in Section 8.10 (including pursuant to any settlement entered into by the L/C Issuer in its discretion), each Revolving Facility Lender shall pay to the Administrative Agent for the account of the L/C Issuer its Revolving Facility Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Revolving Facility Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The obligations of the Revolving Facility Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Obligations Absolute. The obligation of the Borrower to reimburse the L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower or any Subsidiary or any Real Estate Revolver Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any person for whom any such beneficiary or any such transferee may be acting), the L/C Issuer or any other person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit that appears on its face to be valid proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the L/C Issuer under such Letter of Credit to any person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to the Borrower or any Subsidiary or in the relevant currency markets generally; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or any Subsidiary or any Real Estate Revolver Subsidiary.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will immediately notify the L/C Issuer. The Borrower shall be conclusively deemed to have waived any such claim against the L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) Role of L/C Issuer. Each Revolving Facility Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the person executing or delivering any such document. None of the L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Revolving Facility Lenders or the Majority Facility Lenders under the Revolving Facility, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable or responsible for any of the matters described in clauses (i) through (v) of Section 2.05(e); provided, however, that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against the L/C Issuer, and the L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by the

L/C Issuer's willful misconduct or gross negligence or the L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) Cash Collateral.

(i) Upon the request of the Administrative Agent if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, the Borrower shall promptly Cash Collateralize the then Outstanding Amount of all L/C Obligations.

(ii) Sections 2.11(d) and 7.01 set forth certain additional requirements to deliver Cash Collateral hereunder. For purposes of this Section 2.05, Section 2.11(d) and Section 7.01, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the L/C Issuer and the Revolving Facility Lenders, as collateral for the L/C Obligations, cash or deposit account balances pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuer and the Revolving Facility Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Except as otherwise agreed to by the Administrative Agent, Cash Collateral shall be maintained in blocked, non-interest bearing deposit accounts at Bank of America.

(h) Applicability of ISP and UCP. Unless otherwise expressly agreed by the L/C Issuer and the Borrower when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance shall apply to each commercial Letter of Credit.

(i) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(j) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary or a Real Estate Revolver Subsidiary, the Borrower shall be obligated to reimburse the L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries or Real Estate Revolver Subsidiaries inures to the benefit of the Borrower, and

that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries or Real Estate Revolver Subsidiaries.

(k) Additional L/C Issuers. From time to time, the Borrower may by notice to the Administrative Agent with the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) and the applicable Revolving Facility Lender designate such Revolving Facility Lender (in addition to Bank of America) to act as an L/C Issuer hereunder. In the event that there shall be more than one L/C Issuer hereunder, each reference to "the L/C Issuer" hereunder with respect to any L/C Issuer shall refer to the person that issued such Letter of Credit and each such additional L/C Issuer shall be entitled to the benefits of this Agreement as an L/C Issuer to the same extent as if it had been originally named as the L/C Issuer hereunder. Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit (including any Existing Letter of Credit) to an advising bank with respect thereto or to the beneficiary thereof, each L/C Issuer (other than Bank of America) will also deliver to the Administrative Agent a true and complete copy of such Letter of Credit or amendment. On the last Business Day of each March, June, September and December (and on such other dates as the Administrative Agent may request), each L/C Issuer shall provide the Administrative Agent a list of all Letters of Credit (including any Existing Letter of Credit) issued by it that are outstanding at such time together with such other information as the Administrative Agent may reasonably request.

#### SECTION 2.06 Funding of Borrowings.

(a) Each Lender shall make each Term Loan or Revolving Facility Loan to be made by it hereunder available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office for the applicable currency not later than 10:00 a.m., Local Time, in the case of any Loan denominated in Dollars, and not later than the Applicable Time specified by the Administrative Agent in the case of any Revolving Facility Loan denominated in an Alternative Currency, in each case on the Business Day specified in the applicable Borrowing Request. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower as specified in the Borrowing Request; provided, however, that if, on the date the Borrowing Request with respect to a Revolving Facility Borrowing denominated in Dollars is given by the Borrower, there are L/C Borrowings outstanding, then the proceeds of such Borrowing, first, shall be applied to the payment in full of any such L/C Borrowings, and, second, shall be made available to the applicable Borrower as provided above.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Loans (or, in the case of any Borrowing of ABR Loans, prior to 9:00 a.m., Local Time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.06(a) (or, in the case of a Borrowing of ABR Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.06(a)) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its

share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the Overnight Rate, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to ABR Loans under the applicable Facility. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

SECTION 2.07 Interest Elections.

(a) Each Borrowing of Revolving Facility Loans or Term Loans initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section; provided, that except as otherwise provided herein, a Eurocurrency Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Loan. The Borrower may elect different options with respect to different portions of the affected Revolving Facility Borrowing or Term Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Interest Election Request in the form of Exhibit D and signed by a Responsible Officer of the Borrower.

(c) Each telephonic and written Interest Election Request shall be irrevocable and shall specify the following information in compliance with Section 2.02:

- (i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

- (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;
- (iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and
- (iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing; provided, that any Loan denominated in an Alternative Currency shall instead be continued as a Eurocurrency Borrowing with an Interest Period of one month's duration. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing denominated in Dollars may be converted to or continued as a Eurocurrency Borrowing, (ii) unless repaid, each Eurocurrency Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) each Eurocurrency Revolving Facility Borrowing shall, unless repaid, be continued as a Eurocurrency Revolving Facility Borrowing with an Interest Period of one month's duration.

#### SECTION 2.08 Termination and Reduction of Commitments.

(a) Unless previously terminated, (i) the Revolving Facility Commitments shall terminate on the Revolving Facility Maturity Date and (ii) the Term B-1 Loan Commitments, Term B-2 Loan Commitments and Term B-3 Loan Commitments shall terminate at 2:00 p.m., Local Time, on the Closing Date.

(b) The Borrower may at any time terminate, or from time to time reduce, the Revolving Facility Commitments; provided, that (i) each such reduction shall be in an amount that is an integral multiple of \$10.0 million and not less than \$10.0 million (or, if less, the remaining amount of the Revolving Facility Commitments) and (ii) the Borrower shall not terminate or reduce the Revolving Facility Commitments if, after giving effect to any

concurrent prepayment of the Revolving Facility Loans in accordance with Section 2.11, the Revolving Facility Credit Exposure would exceed the total Revolving Facility Commitments.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Revolving Facility Commitments under clause (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided, that a notice of termination of the Revolving Facility Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments shall be made ratably among the applicable Lenders in accordance with their respective Commitments.

#### SECTION 2.09 Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Facility Lender the then unpaid principal amount of each Revolving Facility Loan to the Borrower on the Revolving Facility Maturity Date, (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10 and (iii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the Revolving Facility Maturity Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount and currency of each Loan made hereunder, the Facility and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note (a "Note"). In such event, the Borrower shall prepare, execute and deliver to

such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and reasonably acceptable to the Borrower. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

(iv) in the event that any Incremental Term Loans are made on an Increased Amount Date, the Borrower shall repay such Incremental Term Loans on the dates and in the amounts set forth in the Incremental Assumption Agreement (each such date being referred to as an "Incremental Term Loan Installment Date"); and

(v) to the extent not previously paid, outstanding Term B-1 Loans, Term B-2 Loans and Term B-3 Loans shall be due and payable on the Term B Facility Maturity Date.

(b) To the extent not previously paid, outstanding Revolving Facility Loans shall be due and payable on the Revolving Facility Maturity Date.

(c) Prepayment of the Term Loans from:

(i) all Net Proceeds pursuant to Section 2.11(b) and Excess Cash Flow pursuant to Section 2.11(c) shall be applied to the Term Loans pro rata among each Term Facility, with the application thereof being applied to the remaining installments thereof as the Borrower may direct, provided that, subject to the pro rata application to Loans outstanding within any Class of Term Loans, the Borrower may allocate such prepayment in its sole discretion among the Class or Classes of Term Loans as the Borrower may specify, and

(ii) any optional prepayments of the Term Loans pursuant to Section 2.11(a) shall be applied to the remaining installments of the Term Loans as the Borrower may direct under the applicable Class or Classes as the Borrower may direct.

(d) Any mandatory prepayment of Term Loans pursuant to Section 2.11(b) or (c) shall be applied so that the aggregate amount of such prepayment is allocated among the Term Loans in the applicable Class or Classes of Term Loans (including Other Term Loans, if any) to be repaid, pro rata based on the aggregate principal amount of outstanding Term Loans in the applicable Class or Classes, irrespective of whether such outstanding Term Loans are ABR Loans or Eurocurrency Loans; provided that if no Lenders exercise the right to waive a given mandatory prepayment of the Term Loans pursuant to Section 2.11(e), then, with respect to such mandatory prepayment, prior to the repayment of any Term Loan, the Borrower may select the Borrowing or Borrowings to be repaid and shall notify the Administrative Agent by telephone (confirmed by teletype) of such selection not later than 1:00 p.m., Local Time, (i) in the case of an ABR Borrowing, one Business Day before the scheduled date of such repayment and (ii) in the case of a Eurocurrency Borrowing, three Business Days before the scheduled date of such repayment. Repayments of Eurocurrency Borrowings pursuant to this Section 2.10 shall be accompanied by accrued interest on the amount repaid.

#### SECTION 2.11 Prepayment of Loans.

(a) (i) The Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (except as provided in clauses (ii) and (iii) of this Section 2.11(a) and subject to Section 2.16), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, upon prior notice to the Administrative Agent by telephone (confirmed by teletype) (x) in the case of an ABR Loan, not less than one Business Day prior to the date of prepayment, (y) in the case of Eurocurrency Loans denominated in Dollars, not less than three Business Days prior to the date of prepayment and (z) in the case of a Eurocurrency Revolving Loan denominated in an Alternative Currency, not less than four Business Days prior to the date of prepayment, which notice shall be irrevocable except to the extent conditioned on a refinancing of all or any portion of the Facilities. Each such notice shall be signed by a Responsible Officer of the

Borrower and shall specify the date and amount of such prepayment and the Class(es) and the Type(s) of Loans to be prepaid and, if Eurocurrency Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each applicable Lender of its receipt of each such notice, and of the amount of such Lender's pro rata share of such prepayment.

(ii) In the event that any Term B-3 Loans are repaid or any Term B-3 Loans are assigned pursuant to Section 2.19(c) in connection with an amendment to this Section 2.11(a)(ii) or the definition of Applicable Premium (the "Repaid Term B-3 Loans") prior to the date which is three years following the Closing Date in whole or in part (other than pursuant to Section 2.10(a) or Section 2.11(c)), the Borrower shall pay to the Lenders having such Repaid Term B-3 Loans the Applicable Premium as of the date of such prepayment or assignment; provided that prior to the date which is three years following the Closing Date, the Borrower may, at its option, on one or more occasions, repay up to 35% of the aggregate principal amount of the Term B-3 Loans subject to a prepayment premium on the principal amount of Term B-3 Loans being prepaid equal to the Eurocurrency Rate for an interest period of three months commencing on such date plus the Applicable Margin for Term B-3 Loans that are Eurocurrency Term Loans in effect on such date, plus accrued and unpaid interest thereon to the date of such repayment, with the net cash proceeds of one or more offerings of Qualified Equity Interests; provided that (x) at least 50% of the original aggregate principal amount of Term B-3 Loans remains outstanding immediately after the occurrence of each such repayment and (y) each such repayment occurs within 90 days of the date of receipt of the equity proceeds so utilized.

(iii) In the event that, prior to the date which is three years following the Closing Date, there shall occur any amendment, amendment and restatement or other modification of this Agreement which reduces the Applicable Margin with respect to the Term B-2 Loans or any prepayment or refinancing of the Term B-2 Loans with proceeds of new term loans having lower applicable margins or applicable yield (after giving effect to any premiums paid on such new term loans) than the Applicable Margin for the Term B-2 Loans as of the Closing Date, each such amendment, amendment and restatement, modification, prepayment or refinancing, as the case may be, shall be accompanied by a fee or prepayment premium, as applicable, equal to (i) 3%, if such amendment, amendment and restatement, modification, prepayment or refinancing, as the case may be, occurs after the Closing Date but prior to the first anniversary of the Closing Date, (ii) 2%, if such amendment, amendment and restatement, modification, prepayment or refinancing, as the case may be, occurs on or after the first anniversary of the Closing Date but prior to the second anniversary of the Closing Date and (iii) 1%, if such amendment, amendment and restatement, modification, prepayment or refinancing, as the case may be, occurs on or after the second anniversary of the Closing Date but prior to the third anniversary of the Closing Date. As a condition to the effectiveness of any assignment pursuant to Section 2.19(c) in respect of any amendment, amendment and restatement or modification to this Agreement effective prior to the third anniversary of the Closing Date that has the effect of reducing the Applicable Margin for the Term B-2 Loans from the Applicable Margin in effect on the Closing Date, the Borrower shall pay to such Non-Consenting Lender of Term B-2 Loans a premium equal to the premium that would apply if such Non-Consenting Lender's Term B-2 Loans being assigned were being prepaid and subject to the premium set forth in the immediately preceding sentence.

(b) Subject to Section 2.11(e) and (f), the Borrower shall apply all Net Proceeds promptly upon receipt thereof to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10. Notwithstanding the foregoing, the Borrower may retain all Net Proceeds from Asset Sales if the Senior Secured Leverage Ratio as of the last day of the most recently completed Test Period at the time such prepayment would otherwise have been required shall be less than or equal to 2.50 to 1.00.

(c) Subject to Section 2.11(e) and (f), within five (5) Business Days after financial statements are delivered under Section 5.04(a) with respect to each Excess Cash Flow Period, the Borrower shall calculate Excess Cash Flow for such Excess Cash Flow Period and shall apply an amount equal to (i) the Required Percentage of such Excess Cash Flow, minus (ii) the sum of (A) the amount of any voluntary prepayments during such Excess Cash Flow Period of Term Loans (and with respect to the Excess Cash Flow Period ending December 31, 2009, plus the amount of any voluntary prepayments of Term Loans made prior to such Excess Cash Flow Period) and (B) the amount of any permanent voluntary reductions during such Excess Cash Flow Period of Revolving Facility Commitments to the extent that an equal amount of Revolving Facility Loans was simultaneously repaid, to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10. Not later than the date on which the payment is required to be made pursuant to the foregoing sentence for each applicable Excess Cash Flow Period, the Borrower will deliver to the Administrative Agent a certificate signed by a Financial Officer of the Borrower setting forth the amount, if any, of Excess Cash Flow for such fiscal year and the calculation thereof in reasonable detail.

(d) If the Administrative Agent notifies the Borrower at any time that the Revolving Facility Credit Exposure at such time exceed an amount equal to 105% of the Revolving Facility Commitments then in effect, then, within two Business Days after receipt of such notice, the Borrower shall (at the Borrower's option) prepay Revolving Facility Loans and/or the Swingline Loans and/or the Borrower shall Cash Collateralize the L/C Obligations in an aggregate amount sufficient to reduce the Revolving Facility Credit Exposure as of such date of payment to an amount not to exceed 100% of the Revolving Facility Commitments then in effect. The Administrative Agent may, at any time and from time to time after any such initial deposit of such Cash Collateral, request that additional Cash Collateral be provided in order to protect against the results of further exchange rate fluctuations. If the Administrative Agent notifies the Borrower on any Revaluation Date that the Outstanding Amount of all Revolving Facility Loans denominated in Alternative Currencies at such time exceeds an amount equal to 105% of the Alternative Currency Sublimit then in effect, then, within five Business Days after receipt of such notice, the Borrower shall prepay Revolving Facility Loans denominated in Alternative Currencies in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the Alternative Currency Sublimit then in effect.

(e) Anything contained herein to the contrary notwithstanding, in the event the Borrower is required to make any mandatory prepayment (a "Waivable Mandatory Prepayment") of the Term Loans, not less than three Business Days prior to the date (the "Required Prepayment Date") on which the Borrower elects (or is otherwise required) to make such Waivable Mandatory Prepayment, the Borrower shall notify Administrative Agent of the

amount of such prepayment, and Administrative Agent will promptly thereafter notify each Lender holding an outstanding Term Loan of the amount of such Lender's pro rata share of such Waivable Mandatory Prepayment and such Lender's option to refuse such amount. Each such Lender may exercise such option by giving written notice to the Administrative Agent of its election to do so on or before the second Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify the Administrative Agent of its election to exercise such option on or before the first Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, the Borrower shall pay to the Administrative Agent the amount of the Waivable Mandatory Prepayment, which amount shall be applied by the Administrative Agent (i) in an amount equal to that portion of the Waivable Mandatory Prepayment payable to those Lenders that have elected to accept such Waivable Mandatory Prepayment (each, an "Accepting Lender"), to prepay the Term Loans of such Accepting Lenders (which prepayment shall be applied to the scheduled installments of principal of the Term Loans in the applicable Class(es) of Term Loans in accordance with paragraphs (c) and (d) of Section 2.10), and (ii) in an amount equal to that portion of the Waivable Mandatory Prepayment otherwise payable to those Lenders that have elected to exercise such option and decline such Waivable Mandatory Prepayment (such declined amounts, the "Declined Proceeds") to offer to each Accepting Lender such Accepting Lender's pro rata share of such Declined Proceeds (which may be declined by such Accepting Lender or accepted by such Accepting Lender and applied to the scheduled installments of principal of the Term Loans in the applicable Class(es) of Term Loans of the Accepting Lenders in accordance with paragraphs (c) and (d) of Section 2.10). To the extent any Accepting Lender elects to decline its pro rata share of such Declined Proceeds, such remaining Declined Proceeds shall be retained by the Borrower and may be used for any purpose not otherwise prohibited by this Agreement.

(f) Notwithstanding any other provisions of this Section 2.11 to the contrary, (i) to the extent that any Net Proceeds of any Asset Sale by a Foreign Subsidiary or Excess Cash Flow attributable to a Foreign Subsidiary is prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in Section 2.11(b) or Section 2.11(c) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly use commercially reasonable efforts to take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be effected and such repatriated Net Proceeds or Excess Cash Flow will be promptly applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to Section 2.11(b) or Section 2.11(c), to the extent provided herein and (ii) to the extent that the Borrower has determined in good faith that repatriation of any or all of such Net Proceeds or Excess Cash Flow would have a material adverse tax cost consequence with respect to such Net Proceeds or Excess Cash Flow, the Net Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary; provided that, in the case of this clause (ii), on or before the date on which any Net

Proceeds or Excess Cash Flow so retained would otherwise have been required to be applied to prepayments pursuant to Section 2.11(b) or Section 2.11(c), (x) the Borrower applies an amount equal to such Net Proceeds or Excess Cash Flow to such prepayments as if such Net Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Proceeds or Excess Cash Flow had been repatriated (or, if less, Net Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Proceeds or Excess Cash Flow is applied to the permanent repayment of Indebtedness of a Foreign Subsidiary.

SECTION 2.12 Fees.

(a) The Borrower agrees to pay to each Lender (other than any Defaulting Lender), through the Administrative Agent, on the date that is three Business Days after the last Business Day of March, June, September and December in each year, and the date on which the Revolving Facility Commitments of all the Lenders shall be terminated as provided herein, a commitment fee in Dollars (a "Commitment Fee") on the daily amount of the Available Unused Commitment of such Lender during the preceding quarter (or other period commencing with the Closing Date or ending with the date on which the last of the Commitments of such Lender shall be terminated) at a rate equal to the Applicable Commitment Fee. All Commitment Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days. For the purpose of calculating any Lender's Commitment Fee (other than with respect to the Swingline Lender), the outstanding Swingline Loans during the period for which such Lender's Commitment Fee is calculated shall be deemed to be zero. The Commitment Fee due to each Lender shall commence to accrue on the Closing Date and shall cease to accrue on the date on which the last of the Commitments of such Lender shall be terminated as provided herein.

(b) The Borrower from time to time agrees to pay (i) to each Revolving Facility Lender (other than any Defaulting Lender), through the Administrative Agent, three Business Days after the last day of March, June, September and December of each year and three Business Days after the date on which the Revolving Facility Commitments of all the Lenders shall be terminated as provided herein, a fee (an "L/C Participation Fee") on such Lender's Revolving Facility Percentage of the daily aggregate Outstanding Amount of L/C Obligations (excluding the portion thereof attributable to Unreimbursed Amounts), during the preceding quarter (or shorter period commencing with the Closing Date or ending with the Revolving Facility Maturity Date or the date on which the Revolving Facility Commitments shall be terminated) at the rate per annum equal to the Applicable Margin for Eurocurrency Revolving Facility Borrowings effective for each day in such period and (ii) to each L/C Issuer, for its own account (x) three Business Days after the last Business Day of March, June, September and December of each year and on the date on which the Revolving Facility Commitments of all the Lenders shall be terminated as provided herein, a fronting fee in Dollars in respect of each Letter of Credit issued by such L/C Issuer for the period from and including the date of issuance of such Letter of Credit to and including the termination of such Letter of Credit, computed at a rate equal to 1/8 of 1% per annum of the Dollar Equivalent of the daily stated amount of such Letter of Credit), plus (y) in connection with the issuance,

amendment or transfer of any such Letter of Credit or any drawing thereunder, such L/C Issuer's customary documentary and processing fees and charges (collectively, "L/C Issuer Fees"). All L/C Participation Fees and L/C Issuer Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days.

(c) The Borrower agrees to pay to the Administrative Agent, for the account of the Administrative Agent, the agency fees set forth in the Fee Letter, as amended, restated, supplemented or otherwise modified from time to time, at the times specified therein (the "Administrative Agent Fees").

(d) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that L/C Issuer Fees shall be paid directly to the applicable L/C Issuers. Once paid, none of the Fees shall be refundable under any circumstances.

#### SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the ABR plus the Applicable Margin.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Eurocurrency Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin plus (in the case of a Eurocurrency Loan of any Lender which is lent from a lending office in the United Kingdom or a Participating Member State) the Mandatory Cost.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided, that this paragraph (c) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(d) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, (ii) in the case of Revolving Facility Loans, upon termination of the Revolving Facility Commitments and (iii) in the case of the Term Loans, on the applicable Term Facility Maturity Date; provided, that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, and (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Loan (including any Swingline Loan) prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that (i) interest computed by reference to the ABR at times when the ABR is

based on the prime rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and (ii) in the case of interest in respect of Eurocurrency Loans denominated in Alternative Currencies as to which market practice (as reasonably determined by the Administrative Agent) differs from the foregoing, such interest will be calculated in accordance with such market practice, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR or Eurocurrency Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Eurocurrency Rate, as applicable, for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders or the Majority Lenders under the Revolving Facility that the Eurocurrency Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing denominated in the applicable currency shall be ineffective and (A) in the case of any Borrowing denominated in Dollars, such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto as an ABR Borrowing and (B) in the case of any Borrowing denominated in an Alternative Currency, such Borrowing shall be repaid at the end of the then current Interest Period, and (ii) if any Borrowing Request requests a Eurocurrency Borrowing in Dollars, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Mandatory Costs) or L/C Issuer; or

(ii) impose on any Lender or the L/C Issuer or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or

to increase the cost to such Lender or L/C Issuer of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or L/C Issuer hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or L/C Issuer, as applicable, such additional amount or amounts as will compensate such Lender or L/C Issuer, as applicable, for such additional costs incurred or reduction suffered.

(b) If any Lender or L/C Issuer determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's or L/C Issuer's capital or on the capital of such Lender's or L/C Issuer's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such L/C Issuer, to a level below that which such Lender or such L/C Issuer or such Lender's or such L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such L/C Issuer's policies and the policies of such Lender's or such L/C Issuer's holding company with respect to capital adequacy), then from time to time the Borrower shall pay to such Lender or such L/C Issuer, as applicable, such additional amount or amounts as will compensate such Lender or such L/C Issuer or such Lender's or such L/C Issuer's holding company for any such reduction suffered.

(c) A certificate of a Lender or an L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or L/C Issuer or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or L/C Issuer, as applicable, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender or any L/C Issuer has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender or L/C Issuer shall notify the Borrower thereof. Failure or delay on the part of any Lender or L/C Issuer to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or L/C Issuer's right to demand such compensation; provided, that the Borrower shall not be required to compensate a Lender or an L/C Issuer pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or L/C Issuer, as applicable, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or L/C Issuer's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) The foregoing provisions of this Section 2.15 shall not apply in the case of any Change in Law in respect of Taxes, which shall instead be governed by Section 2.17.

**SECTION 2.16 Break Funding Payments.** In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered

pursuant hereto or (c) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by a Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Eurocurrency Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in dollars of a comparable amount and period from other banks in the Eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

SECTION 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party hereunder shall be made free and clear of and without withholding or deduction for any Indemnified Taxes or Other Taxes; provided, that if a Loan Party shall be required to withhold or deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required withholding or deductions (including withholding or deductions applicable to additional sums payable under this Section) the Administrative Agent, any Lender or any L/C Issuer, as applicable, receives an amount equal to the sum it would have received had no such withholding or deductions been made, (ii) such Loan Party shall make such withholding or deductions and (iii) such Loan Party shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Loan Party shall indemnify the Administrative Agent, each Lender and each L/C Issuer, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes payable by the Administrative Agent, such Lender or such L/C Issuer, as applicable, on or with respect to any payment by or on account of any obligation of such Loan Party hereunder (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section), and any Other Taxes (including Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to such Loan Party by a

Lender or an L/C Issuer, or by the Administrative Agent on its own behalf, on behalf of another Agent or on behalf of a Lender or an L/C Issuer, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Any Lender that is entitled to an exemption from or reduction of withholding Tax or backup withholding Tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), to the extent such Lender is legally entitled to do so, at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law, or as may reasonably be requested by the Borrower to permit such payments to be made without such withholding tax or at a reduced rate; provided that, with respect to any withholding tax imposed by any jurisdiction other than the United States, a Lender shall not be required to provide any documentation if such Lender reasonably determines that doing so would be materially disadvantageous to such Lender.

(f) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two original copies of whichever of the following is applicable: (i) duly completed copies of Internal Revenue Service Form W-8BEN (or any subsequent versions thereof or successors thereto), claiming eligibility for benefits of an income tax treaty to which the United States of America is a party, (ii) duly completed copies of Internal Revenue Service Form W-8ECI (or any subsequent versions thereof or successors thereto), (iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 871(h) or 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of section 871(h)(3) or 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code and (y) duly completed copies of Internal Revenue Service Form W-8BEN (or any subsequent versions thereof or successors thereto), (iv) duly completed copies of Internal Revenue Service Form W-8IMY, together with appropriate forms and certificates described in clauses (i) through (iii) above (additional Form W-8IMYs, withholding statements and other information) as may be required or (v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made. In addition, in each of the foregoing circumstances, each Foreign Lender shall deliver such forms, if legally entitled to deliver such forms, promptly upon the obsolescence, expiration or invalidity of any form previously

delivered by such Foreign Lender. Each Foreign Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the United States of America or other taxing authorities for such purpose). In addition, each Lender that is not a Foreign Lender shall deliver to the Borrower and the Administrative Agent two copies of Internal Revenue Service Form W-9 (or any subsequent versions thereof or successors thereto) on or before the date such Lender becomes a party and upon the expiration of any form previously delivered by such Lender. Notwithstanding any other provision of this paragraph, a Lender shall not be required to deliver any form pursuant to this paragraph that such Lender is not legally able to deliver.

(g) If the Administrative Agent or a Lender has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or Lender in good faith, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This Section 2.17 shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems in good faith to be confidential) to the Loan Parties or any other person. Notwithstanding anything to the contrary, in no event will any Lender be required to pay any amount to a Loan Party the payment of which would place such Lender in a less favorable net after tax position than such Lender would have been in if the additional amounts giving rise to such refund of any Indemnified Taxes or Other Taxes had never been paid.

**SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.**

(a) The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of drawings under Letters of Credit, or of amounts payable under Section 2.15, 2.16, or 2.17, or otherwise) without condition or deduction for any defense, recoupment, set-off or counterclaim. Except as otherwise expressly provided herein and except with respect to principal of and interest on Revolving Facility Loans denominated in an Alternative Currency, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. Except as otherwise expressly provided herein, all payments by the Borrower hereunder with

respect to principal and interest on Loans denominated in an Alternative Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in such Alternative Currency and in Same Day Funds not later than the Applicable Time specified by the Administrative Agent on the dates specified herein. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except payments to be made directly to the applicable L/C Issuer or the Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. Without limiting the generality of the foregoing, the Administrative Agent may require that any payments due under this Agreement be made in the United States. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrower to pay fully all amounts of principal, Unreimbursed Amounts, interest and fees then due from the Borrower hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties and (ii) second, towards payment of principal of Loans and Unreimbursed Amounts then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and Unreimbursed Amounts then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Term Loans, Revolving Facility Loans or participations in Letters of Credit or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans, Revolving Facility Loans and participations in Letters of Credit and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Term Loans, Revolving Facility Loans and participations in Letters of Credit and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Term Loans, Revolving Facility Loans and participations in Letters of Credit and Swingline Loans; provided, that (i) if any such participations are

purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in Letters of Credit to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph (c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the applicable L/C Issuer hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable L/C Issuer, as applicable, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the applicable L/C Issuer, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or L/C Issuer with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Overnight Rate.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(c), 2.05(d) or (e), 2.06(b) or 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

#### SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender is a Defaulting Lender, or if any Lender is the subject of a Disqualification, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided, that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and, if in respect of any Revolving Facility Commitment or Revolving Facility Loan, the Swingline Lender and the L/C Issuer), which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in L/C Obligations and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender. No action by or consent of the removed Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such removed Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such removed Lender does not comply with Section 9.04 within one Business Day after the Borrower's request, compliance with Section 9.04 shall not be required to effect such assignment.

(c) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) at its sole expense (including with respect to the processing and recordation fee referred to in Section 9.04(b)(ii)(B)) to replace such Non-Consenting Lender by deeming such Non-Consenting Lender to have assigned its Loans, and its Commitments hereunder to one or more assignees reasonably acceptable to (i) the Administrative Agent (unless, in the case of an assignment of Term Loans, such assignee is a Lender, an Affiliate of a Lender or an Approved Fund) and (ii) if in respect of any Revolving Facility Commitment or Revolving Facility Loan, the Swingline Lender and the L/C Issuer); provided, that: (a) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment (including any amount payable pursuant to Section 2.11(a)) and (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective

upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such Non-Consenting Lender does not comply with Section 9.04 within one Business Day after the Borrower's request, compliance with Section 9.04 shall not be required to effect such assignment.

SECTION 2.20 Illegality. If any Lender reasonably determines that any change in law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable lending office to make or maintain any Eurocurrency Loans in any currency, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans in such currency or to convert ABR Borrowings to Eurocurrency Borrowings shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall upon demand from such Lender (with a copy to the Administrative Agent), either (i) in the case of Loans denominated in Dollars if the affected Lender may lawfully continue to maintain such Loans as Eurocurrency Loans until the last day of such Interest Period, convert all Eurocurrency Loans of such Lender to ABR Loans on the last day of such Interest Period (or, otherwise, immediately convert such Eurocurrency Loans to ABR Loans) or (ii) prepay such Eurocurrency Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.21 Incremental Commitments.

(a) The Borrower may, by written notice to the Administrative Agent from time to time, request Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments, as applicable, in an amount not to exceed the Incremental Amount from one or more Incremental Term Lenders and/or Incremental Revolving Facility Lenders (which may include any existing Lender) willing to provide such Incremental Term Loans and/or Incremental Revolving Facility Commitments, as the case may be, in their own discretion. Such notice shall set forth (i) the amount of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments being requested (which shall be in minimum increments of \$10.0 million and a minimum amount of \$50.0 million or equal to the remaining Incremental Amount), (ii) the date on which such Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments are requested to become effective (the "Increased Amount Date"), and (iii) in the case of Incremental Term Loan Commitments, whether such Incremental Term Loan Commitments are to be Term B-1 Loan Commitments, Term B-2 Loan Commitments, Term B-3 Loan Commitments or commitments to make term loans with interests rates and/or amortization and/or maturity and/or other terms different from the Term B-1 Loans, Term B-2 Loans or Term B-3 Loans ("Other Term Loans").

(b) The Borrower and each Incremental Term Lender and/or Incremental Revolving Facility Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Incremental Term Loan Commitment of such

Incremental Term Lender and/or Incremental Revolving Facility Commitment of such Incremental Revolving Facility Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Incremental Term Loans and/or Incremental Revolving Facility Commitments; provided, that (i) except as to interest rates, amortization and final maturity date (which shall, subject to clause (ii) and (iii) of this proviso, be determined by the Borrower and the Incremental Term Lenders in their sole discretion), the Other Term Loans shall have (x) the same terms as the Term B-1 Loans, Term B-2 Loans or Term B-3 Loans, as applicable, or (y) such other terms as shall be reasonably satisfactory to the Administrative Agent, (ii) the final maturity date of any Other Term Loans shall be no earlier than the Term B Facility Maturity Date, (iii) the weighted average life to maturity of any Other Term Loans shall be no shorter than the remaining weighted average life to maturity of the Term B-1 Loans, Term B-2 Loans or Term B-3 Loans and (iv) any Incremental Revolving Loan Commitment shall be a Revolving Loan Commitment with the same terms as the Revolving Facility Loans. Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitments and/or Incremental Revolving Loan Commitments evidenced thereby as provided for in Section 9.08(e). Any such deemed amendment may be memorialized in writing by the Administrative Agent with the Borrower's consent (not to be unreasonably withheld) and furnished to the other parties hereto.

(c) Notwithstanding the foregoing, no Incremental Term Loan Commitment or Incremental Revolving Facility Commitment shall become effective under this Section 2.21 unless (i) on the date of such effectiveness, no Default or Event of Default shall have occurred and be continuing or would result therefrom, (ii) the Borrower shall be in Pro Forma Compliance after giving effect to such Incremental Term Loan Commitment and/or Incremental Revolving Facility Commitments and the Loans to be made thereunder and the application of the proceeds therefrom as if made and applied on such date and (iii) after giving effect to the incurrence of any Loans under such Incremental Term Loan Commitment and/or Incremental Revolving Facility Commitments on the date of such effectiveness such Loans shall constitute Obligations that are secured by the Collateral and such incurrence shall not result in a reduction in the outstanding amount of Obligations that are permitted to be secured by the Collateral without equally and ratably securing any Retained Notes.

(d) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that (i) all Incremental Term Loans (other than Other Term Loans) in the form of additional Term B-1 Loans, Term B-2 Loans or Term B-3 Loans, when originally made, are included in each Borrowing of outstanding Term B-1 Loans, Term B-2 Loans or Term B-3 Loans, as applicable, on a pro rata basis, and (ii) all Revolving Facility Loans in respect of Incremental Revolving Facility Commitments, when originally made, are included in each Borrowing of outstanding Revolving Facility Loans on a pro rata basis. The Borrower agrees that Section 2.16 shall apply to any conversion of Eurocurrency Loans to ABR Loans reasonably required by the Administrative Agent to effect the foregoing.

Each of the Pro Forma Financial Statements and the Pro Forma Adjusted EBITDA has been prepared in good faith based on assumptions believed by the Borrower to have been reasonable as of the date of delivery thereof (it being understood that such assumptions are based on good faith estimates of certain items and that the actual amount of such items on the Closing Date is subject to change), and presents fairly in all material respects on a pro forma basis the estimated financial position of the Borrower and its consolidated Subsidiaries as at September 30, 2007, assuming that the Transactions and the Post-Closing CMBS Transaction had actually occurred at such date, and the results of operations of Borrower and its consolidated subsidiaries for the twelve-month period ended September 30, 2007, assuming that the Transactions and the Post-Closing CMBS Transaction had actually occurred on the first day of such twelve-month period.

(g) The Collateral Requirement and the other provisions of this Section 5.10 and the other provisions of the Loan Documents with respect to Collateral need not be satisfied with respect to (i) any Real Property or Vessel held by the Borrower or any of its Subsidiaries as a lessee under a lease or any Real Property owned in fee that is not Owned Real Property or any Vessel owned in fee that does not have an individual fair market value (as determined in good faith by the Borrower) of at least \$15.0 million, (ii) any vehicle, (iii) cash, deposit accounts and securities accounts (it being understood and agreed (1) that the Lien of the Collateral Agent may extend to such assets pursuant to the terms of the Collateral Agreement, but that such Lien need not be perfected to the extent perfection requires any action other than the filing of customary financing statements (and all representations, warranties, covenants and other terms of the Loan Documents with respect to Collateral shall be construed accordingly) and (2) that there shall be no lockbox arrangements nor any control agreements relating to the Borrower's and its subsidiaries' bank accounts), (iv) any Equity Interests owned on or acquired after the Closing Date (other than (x) Equity Interests in the Borrower or, (y) in the case of any person which is a Wholly-Owned Subsidiary, Equity Interests in such person issued or acquired after such person became a Wholly-Owned Subsidiary) in accordance with this Agreement if, and to the extent that, and for so long as doing so would violate applicable law or regulation (including any Gaming Law or regulation) or a shareholder agreement or other contractual obligation (in each case, after giving effect to Section 9-406(d), 9-407(a) or 9-408 of the Uniform Commercial Code and other applicable law) binding on such Equity Interests, (v) any assets owned on or acquired after the Closing Date, to the extent that, and for so long as, taking such actions would violate applicable law or regulation (including any Gaming Law or regulation) or an enforceable contractual obligation (after giving effect to Section 9-406(d), 9-407(a), 9-408 or 9-409 of the Uniform Commercial Code and other applicable law) binding on such assets that existed at the time of the acquisition thereof and was not created or made binding on such assets in contemplation or in connection with the acquisition of such assets (except in the case of assets (1) owned on the Closing Date or (2) acquired after the Closing Date with Indebtedness of the type permitted pursuant to Section 6.01(i), 6.01(y) and 6.01(z) that is secured by a Permitted Lien) permitted by this Agreement, (vi) those assets as to which the Administrative Agent shall reasonably determine that the costs of obtaining or perfecting such a security interest are excessive in relation to the value of the security to be afforded thereby, or (vii) for the avoidance of doubt, any assets owned by, or the Equity Interests of, the Real Estate Subsidiaries or any Qualified Non-Recourse Subsidiary or any other asset securing the Real Estate Facility or any Qualified Non-Recourse Debt (which shall in no event constitute Collateral hereunder, nor shall any

(i) The Borrower shall or shall cause the applicable Subsidiary Loan Parties to take such actions set forth on Schedule 5.10(i) within the timeframes set forth for the taking of such actions on Schedule 5.10(i) (or within such longer timeframes as the Administrative Agent shall permit in its reasonable discretion) (it being understood and agreed that all representations, warranties and covenants of the Loan Documents with respect to the taking of such actions are qualified by the non-completion of such actions until such time as they are completed or required to be completed in accordance with this Section 5.10(i)).

SECTION 7.03 Right to Cure. Notwithstanding anything to the contrary contained in Section 7.01, in the event that the Borrower fails (or, but for the operation of this Section 7.03, would fail) to comply with the requirements of the Financial Performance Covenant, until the expiration of the 20th day subsequent to the date the certificate calculating such Financial Performance Covenant is required to be delivered pursuant to Section 5.04(c), any Parent Entity, Holdings and/or the Borrower shall have the right to issue Permitted Cure

Securities for cash or otherwise receive cash contributions to the capital of any Parent Entity, Holdings and/or the Borrower (and, with respect to Holdings or any Parent Entity, in each case, to contribute any such cash to the capital of the Borrower (collectively, the “Cure Right”), and upon the receipt by the Borrower of such cash (the “Cure Amount”) pursuant to the exercise by any Parent Entity, Holdings and/or the Borrower of such Cure Right such Financial Performance Covenant shall be recalculated giving effect to a pro forma adjustment by which EBITDA shall be increased with respect to such applicable quarter and any four-quarter period that contains such quarter, solely for the purpose of measuring the Financial Performance Covenant and not for any other purpose under this Agreement, by an amount equal to the Cure Amount; provided, that, (i) in each four-fiscal-quarter period there shall be at least one fiscal quarter in which the Cure Right is not exercised and (ii) for purposes of this Section 7.03, the Cure Amount shall be no greater than the amount required for purposes of complying with the Financial Performance Covenant. If, after giving effect to the adjustments in this paragraph, the Borrower shall then be in compliance with the requirements of the Financial Performance Covenant, the Borrower shall be deemed to have satisfied the requirements of the Financial Performance Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Performance Covenant that had occurred shall be deemed cured for this purposes of the Agreement.

ARTICLE VIII  
The Agents

SECTION 8.01 Appointment.

(a) Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

(b) The Administrative Agent, each Lender, the Swingline Lender and each L/C Issuer hereby irrevocably designate and appoint the Collateral Agent as the agent with respect to the Collateral, and each of the Administrative Agent, each Lender, the Swingline Lender and each L/C Issuer irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or

responsibilities except those expressly set forth herein, or any fiduciary relationship with any of the Administrative Agent, the Lenders, the Swingline Lender or any L/C Issuers, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Collateral Agent.

SECTION 8.02 Delegation of Duties. The Administrative Agent and the Collateral Agent may each execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

SECTION 8.03 Exculpatory Provisions. Neither the Administrative Agent nor the Collateral Agent, nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except for its or such person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any of the Borrower or any other Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of the Borrower or any other Loan Party to perform its obligations hereunder or thereunder. Neither the Administrative Agent nor the Collateral Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party.

SECTION 8.04 Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, teletype, telex or teletype message, statement, order or other document or instruction believed by it to be genuine and correct and to have been signed, sent or made by the proper person or persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent or the Collateral Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining

from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

SECTION 8.05 Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent or Collateral Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders and the Collateral Agent. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders, provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable.

SECTION 8.06 Non-Reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent nor the Collateral Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent or Collateral Agent hereinafter taken, including any review of the affairs of the Borrower or any other Loan Party, shall be deemed to constitute any representation or warranty by the Administrative Agent or Collateral Agent to any Lender, the Swingline Lender or any L/C Issuer. Each Lender, the Swingline Lender and each L/C Issuer represents to the Administrative Agent and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower and other Loan Parties and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent, Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrowers the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of any Borrower or any other Loan Party that may come into the possession of the Administrative Agent or Collateral Agent any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates.

SECTION 8.07 Indemnification. The Lenders agree to indemnify the Administrative Agent and the Collateral Agent, each in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective portions of the total Term Loans and Revolving Facility Commitments (or, if the Revolving Facility Commitments shall have terminated, in accordance the Revolving Facility Commitments in effect immediately prior to such termination) held on the date on which indemnification is sought, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against the Administrative Agent or the Collateral Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents, the Intercreditor Agreement, or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent or the Collateral Agent under or in connection with any of the foregoing, provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's or the Collateral Agent's gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction. The agreements in this Section 8.07 shall survive the payment of the Loans and all other amounts payable hereunder.

SECTION 8.08 Agents in their Individual Capacity. The Administrative Agent, the Collateral Agent and their Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and any other Loan Party as though such persons were not the Administrative Agent and Collateral Agent hereunder and under the other Loan Documents. With respect to the Loans made by it, the Administrative Agent and the Collateral Agent shall each have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not the Administrative Agent or the Collateral Agent, and the terms "Lender" and "Lenders" shall include the Administrative Agent and the Collateral Agent in their individual capacities.

SECTION 8.09 Successor Agents. Each of the Administrative Agent and Collateral Agent may at any time give notice of its resignation to the Lenders, the L/C Issuer and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, subject to the reasonable consent of the Borrower so long as no Event of Default under Section 7.01(h) or (i) is continuing, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the L/C Issuer, appoint a successor Agent meeting the qualifications set forth above; provided that if the retiring Agent shall notify the Borrower and the Lenders that no qualifying person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except in the case of the Collateral Agent holding collateral security on behalf of any Secured Parties, the retiring Collateral Agent shall continue to hold such collateral security

as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as the Administrative Agent or Collateral Agent, as the case may be, hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article VIII and Section 9.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as an Agent.

Any resignation by Bank of America as Administrative Agent pursuant to this Section shall also constitute its resignation as L/C Issuer and Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer and Swingline Lender, (b) the retiring L/C Issuer and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (c) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

**SECTION 8.10 Payments Set Aside.** To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent, the L/C Issuer or any Lender, or the Administrative Agent, the L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, the L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and the L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect, in the applicable currency of such recovery or payment. The obligations of the Lenders and the L/C Issuer under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

**SECTION 8.11 Administrative Agent May File Proofs of Claim.** In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuer and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer and the Administrative Agent under Article II or Section 9.05) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the L/C Issuer to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuer, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Article II and Section 9.05.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or the L/C Issuer or in any such proceeding.

**SECTION 8.12 Collateral and Guaranty Matters.** The Lenders and the L/C Issuer irrevocably authorize the Collateral Agent, at its option and in its discretion, to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document if approved, authorized or ratified in writing in accordance with Section 9.08, or pursuant to Section 5.11 or Section 9.18. Upon request by the Collateral Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release its interest in particular types or items of property in accordance with this Section.

**SECTION 8.13 Agents and Arrangers.** Neither the Syndication Agent, the Documentation Agents nor any of the Co-Lead Arrangers shall have any duties or responsibilities hereunder in its capacity as such.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 9.01(b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to any Loan Party, the Administrative Agent, the L/C Issuer or the Swingline Lender, to the address, telecopier number, electronic mail address or telephone number specified for such person on Schedule 9.01; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders and the L/C Issuer hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or the L/C Issuer pursuant to Article II if such Lender or the L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices or communications (i) sent to an e-mail address shall be deemed received when delivered and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefore.

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto on the Borrower's website on the Internet at the website address listed on Schedule 9.01, or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that (A) the Borrower shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrower to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Borrower shall notify the Administrative Agent (by telecopier or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Except for certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

SECTION 9.02 Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and each L/C Issuer and shall survive the making by the Lenders of the Loans, the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or L/C Obligation or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not been terminated. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.17, 8.07 and 9.05) shall survive the payment in full of the principal and interest hereunder, the expiration of the Letters of Credit and the termination of the Commitments or this Agreement.

SECTION 9.03 Binding Effect. This Agreement shall become effective when it shall have been executed by Merger Inc., the Borrower and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of Holdings, the Borrower, each L/C Issuer, the Administrative Agent, the Collateral Agent and each Lender and their respective permitted successors and assigns.

SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any affiliate of the L/C Issuer that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) except pursuant to the Merger, or in connection with the addition of one or more Domestic Subsidiaries as a joint and several co-borrower hereunder, and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the L/C Issuer that issues any Letter of Credit), Participants (to the extent provided in clause (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the L/C Issuer and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (i) Subject to the conditions set forth in clause (b)(ii) below, any Lender may assign to one or more assignees (each, an “Assignee”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower; provided, that no consent of the Borrower shall be required for an assignment to a Lender, an affiliate of a Lender, an Approved Fund (as defined below) or, if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing, any other person;

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the L/C Issuer and the Swingline Lender; provided, that no consent of the L/C Issuer and the Swingline Lender shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender’s Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than (x) \$1.0 million in the case of Term Loans (and shall be in an amount of an integral multiple thereof) and (y) \$5.0 million in the case of Revolving Facility Loans or Revolving

Facility Commitments, unless each of the Borrower and the Administrative Agent otherwise consent; provided, that (1) no such consent of the Borrower shall be required if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent (or, if required by the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms required to be delivered pursuant to Section 2.17; and

(D) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not apply to the Swingline Lender's rights and obligations in respect of Swing Line Loans.

For the purposes of this Section 9.04, "Approved Fund" means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 9.04.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and

the Commitments of, and principal amount of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent, the L/C Issuer and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the L/C Issuer and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, the processing and recordation fee referred to in clause (b) of this Section and any written consent to such assignment required by clause (b) of this Section, the Administrative Agent promptly shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (b)(v).

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the L/C Issuer and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to clause (i), (ii), (iii) or (vi) of the first proviso to Section 9.08(b) and (2) directly affects such Participant and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to paragraph (c)(ii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of those Sections) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal and interest amount of each Participant's interest in

the Loans held by it (the "Participant Register"). The entries in the Participant Register shall be conclusive, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of the participation in question for all purposes of this Agreement, notwithstanding notice to the contrary.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld). A Participant shall not be entitled to the benefits of Section 2.17 to the extent such Participant fails to comply with Section 2.17(e) and (f) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent. Each of Holdings, the Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(g) If the Borrower wishes to replace the Loans or Commitments under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 9.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 9.08(d)). Pursuant to any such assignment, all Loans

and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 9.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) Notwithstanding anything to the contrary herein, no assignment may be made or participation sold to an Ineligible Institution. Notwithstanding anything to the contrary herein, the rights of the Lenders to make assignments and grant participations shall be subject to the approval of any Gaming Authority, to the extent required by applicable Gaming Laws.

SECTION 9.05 Expenses; Indemnity.

(a) The Borrower agrees to pay (i) all reasonable documented out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent, the Collateral Agent and the Co-Lead Arrangers in connection with the preparation of this Agreement and the other Loan Documents, or in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof, including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel llp, counsel for the Administrative Agent, the Collateral Agent and the Co-Lead Arrangers, and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, and (ii) all out-of-pocket expenses (including Other Taxes) incurred by the Agents or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made or the Letters of Credit issued hereunder, including the reasonable fees, charges and disbursements of counsel for the Agents and the Lenders (including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel llp, counsel for the Agents and the Co-Lead Arrangers, and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction and such additional counsel for each of the Lenders to the extent of any conflict of interests).

(b) The Borrower agrees to indemnify the Administrative Agent, the Agents, the Co-Lead Arrangers, each L/C Issuer, each Lender, each of their respective Affiliates and each of their respective directors, partners, officers, employees, agents, trustees and advisors (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (limited to not more than one counsel, plus, if necessary, one local counsel per jurisdiction) (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in

any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document, the Intercreditor Agreement, or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of or otherwise relating to the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans or the use of any Letter of Credit or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by Holdings, the Borrower or any of their subsidiaries or Affiliates; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (1) the gross negligence or willful misconduct of such Indemnitee (for purposes this proviso only, each of the Administrative Agent, any Co-Lead Arranger, any L/C Issuer or any Lender shall be treated as several and separate Indemnitees, but each of them together with its respective Related Parties (other than advisors), shall be treated as a single Indemnitee) or (2) any material breach of any Loan Document by such Indemnitee. Subject to and without limiting the generality of the foregoing sentence, the Borrower agrees to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel or consultant fees, charges and disbursements (limited to not more than one counsel, plus, if necessary, one local counsel per jurisdiction) (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (A) any claim related in any way to Environmental Laws and Holdings, the Borrower or any of their Subsidiaries, or (B) any actual or alleged presence, Release or threatened Release of Hazardous Materials at, under, on, from or to any Real Property; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from (1) the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties (other than advisors) or (2) any material breach of any Loan Document by such Indemnitee. None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Sponsors, Holdings, the Borrower or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Co-Lead Arranger, any L/C Issuer or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative of any amounts paid pursuant to Section 2.17, this

Section 9.05 shall not apply to Taxes, except taxes that represent damages or losses resulting from a non-Tax claim.

(d) To the fullest extent permitted by applicable law, Holdings and the Borrower shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, any L/C Issuer, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

SECTION 9.06 Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender and each L/C Issuer is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or such L/C Issuer to or for the credit or the account of Holdings (prior to a Borrower Qualified IPO), the Borrower or any Subsidiary against any of and all the obligations of Holdings (prior to a Borrower Qualified IPO) or the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender or such L/C Issuer, irrespective of whether or not such Lender or such L/C Issuer shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured. The rights of each Lender and each L/C Issuer under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender or such L/C Issuer may have.

SECTION 9.07 Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 9.08 Waivers; Amendment.

(a) No failure or delay of the Administrative Agent, any L/C Issuer or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, each L/C Issuer and the Lenders hereunder and under the other

Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Holdings (prior to a Borrower Qualified IPO), the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings, the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) as provided in Section 2.21, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings (prior to a Borrower Qualified IPO), the Borrower and the Administrative Agent (and consented to by the Required Lenders), and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and consented to by the Required Lenders; provided, however, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan or any L/C Obligation, or extend the stated expiration of any Letter of Credit beyond the Revolving Facility Maturity Date, without the prior written consent of each Lender directly adversely affected thereby; provided, that any amendment to the financial covenant definitions in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (i),

(ii) increase or extend the Commitment of any Lender or decrease the Commitment Fees or L/C Participation Fees or other fees of any Lender without the prior written consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default shall not constitute an increase of the Commitments of any Lender),

(iii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date or extend any date on which payment of interest on any Loan or any L/C Obligation or any Fees is due, without the prior written consent of each Lender adversely affected thereby,

(iv) amend the provisions of Section 5.02 of the Collateral Agreement, or any analogous provision of any other Security Document, in a manner that would by its terms alter the pro rata sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby,

(v) amend or modify the provisions of this Section 9.08 or the definition of the terms "Required Lenders," "Majority Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (it being understood that, with the consent of the

Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date),

(vi) release all or substantially all the Collateral or release all or substantially all of the value of the pledges by the Subsidiary Loan Parties under the Collateral Agreement, unless, in each case, to the extent sold or otherwise disposed of in a transaction permitted by this Agreement or the other Loan Documents, without the prior written consent of each Lender;

(vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lender participating in another Facility, without the consent of the Majority Lenders participating in the adversely affected Facility (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment required by Section 2.11 so long as the application of any prepayment still required to be made is not changed);

provided, further, that no such amendment shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, Swingline Lender or an L/C Issuer hereunder without the prior written consent of the Administrative Agent, Swingline Lender or such L/C Issuer acting as such at the effective date of such amendment, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any successor or assignee of such Lender.

(c) Without the consent of any Lender or L/C Issuer, the Loan Parties and the Administrative Agent or Collateral Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law or this Agreement.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings (prior to a Borrower Qualified IPO) and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Facility Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(e) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent to the extent necessary to integrate any Incremental Term Loan Commitments or

Incremental Revolving Facility Commitments on substantially the same basis as the Term Loans or Revolving Facility Loans, as applicable.

SECTION 9.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender or any L/C Issuer, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender or such L/C Issuer, shall be limited to the Maximum Rate; provided, that such excess amount shall be paid to such Lender or such L/C Issuer on subsequent payment dates to the extent not exceeding the legal limitation.

SECTION 9.10 Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letter shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 9.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

SECTION 9.12 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.13 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

SECTION 9.14 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.15 Jurisdiction; Consent to Service of Process.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof (collectively, "New York Courts"), in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each of the Loan Parties agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Lenders who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the New York Courts.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

SECTION 9.16 Confidentiality. Each of the Lenders, each L/C Issuer and each of the Agents agrees that it shall maintain in confidence any information relating to the Company, any Parent Entity, Holdings, the Borrower and any Subsidiary furnished to it by or on behalf of the Company, any Parent Entity, Holdings, the Borrower or any Subsidiary (other than information that (a) has become available to the public other than as a result of a disclosure by such party in breach of this Section 9.16, (b) has been independently developed by such Lender, such L/C Issuer or such Agent without violating this Section 9.16 or (c) was or becomes available to such Lender, such L/C Issuer or such Agent from a third party which, to such person's knowledge, had not breached an obligation of confidentiality to the Company, any Parent Entity, Holdings, the Borrower or any other Loan Party) and shall not reveal the same other than to its affiliates, directors, trustees, officers, employees and advisors with a need to know or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self regulatory authorities, including the National Association of Insurance Commissioners or the National Association of Securities Dealers, Inc., (C) in order to enforce its rights under any Loan Document in a legal proceeding, (D) to any pledgee under Section 9.04(e) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16 or terms substantially similar to this Section) and (E) to any direct or indirect contractual counterparty in Swap Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16 or terms substantially similar to this Section).

SECTION 9.17 Platform; Borrower Materials. The Borrower hereby acknowledges that (a) the Administrative Agent and/or the Co-Lead Arrangers will make available to the Lenders and the L/C Issuer materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent, the Co-Lead Arrangers, the L/C Issuer and the Lenders to treat such Borrower Materials as either publicly available information or not material information

(although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws, (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor;" and (iv) the Administrative Agent and the Co-Lead Arrangers shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender, the L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to the Borrower, any Lender, the L/C Issuer or any other person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

SECTION 9.18 Release of Liens, Guarantees and Pledges. In the event that any Loan Party conveys, sells, leases, assigns, transfers or otherwise disposes of all or any portion of any Equity Interests or assets to a person that is not (and is not required to become) a Loan Party in a transaction not prohibited by Section 6.05 (including dispositions of assets in connection with the Post-Closing CMBS Transaction and the contribution of property to a Qualified Non-Recourse Subsidiary pursuant to Section 6.04(gg)), any Liens created by any Loan Document in respect of such Equity Interests or assets shall be automatically released (provided that, for the avoidance of doubt, with respect to any disposal consisting of an operating lease or license, the underlying property retained by such Loan Party will not be so released) and the Administrative Agent and Collateral Agent shall promptly (and the Lenders hereby authorize the Administrative Agent and Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrower and at the Borrower's expense in connection with the release of any Liens created by any Loan Document in respect of such Equity Interests or assets, and, in the case of a disposition of the Equity Interests of any Subsidiary Loan Party in a transaction not prohibited by Section 6.05 (including through merger, consolidation, amalgamation or otherwise and including the disposition of any Subsidiary in connection the Post-Closing CMBS Transaction) and as a result of which such Subsidiary Loan Party would cease to be a Subsidiary, such Subsidiary Loan Party's obligations under the Loan

Documents shall be automatically terminated and the Administrative Agent and Collateral Agent shall promptly (and the Lenders hereby authorize the Administrative Agent and Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrower to terminate such Subsidiary Loan Party's obligations under the Loan Documents. In addition, the Administrative Agent agrees to take such actions as are reasonably requested by Holdings or the Borrower and at the Borrower's expense to terminate the Liens and security interests created by the Loan Documents when all the Obligations (other than contingent indemnification Obligations and expense reimbursement claims to the extent no claim therefor has been made) are paid in full and all Letters of Credit and Commitments are terminated. Without limiting the foregoing, upon the consummation of a Borrower Qualified IPO, at the sole election of Holdings, Holdings shall be released from its guarantee pursuant to the Guaranty and Pledge Agreement, and/or shall cease to be a Loan Party, and/or any Liens created by any Loan Documents on any assets or Equity Interests owned by Holdings shall be automatically released and the Administrative Agent shall promptly (and the Lenders hereby authorize the Administrative Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrower to evidence the foregoing.

SECTION 9.19 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to such Borrower (or to any other person who may be entitled thereto under applicable law).

SECTION 9.20 USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

**SECTION 9.21 No Advisory or Fiduciary Responsibility.** In connection with all aspects of each transaction contemplated hereby, Holdings and the Borrower acknowledge and agree that: (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Borrower, the other Loan Parties and their respective Affiliates, on the one hand, and the Agents, the Co-Lead Arrangers and the Lenders, on the other hand, and the Borrower and the other Loan Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, each Agent, each Co-Lead Arranger and each Lender is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for any of the Borrower, any Loan Party or any of their respective Affiliates, stockholders, creditors or employees or any other person; (iii) none of the Agents, any Co-Lead Arranger or any Lender has assumed or will assume an advisory, agency or fiduciary responsibility in favor of any Borrower or any other Loan Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any Agent, any Co-Lead Arranger or any Lender has advised or is currently advising the Borrower or any other Loan Party or their respective Affiliates on other matters) and none of the Agents, any Co-Lead Arranger or any Lender has any obligation to any of the Borrower, the other Loan Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (iv) the Agents, the Co-Lead Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and the other Loan Parties and their respective Affiliates, and none of the Agents, any Co-Lead Arranger or any Lender has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Agents, the Co-Lead Arrangers and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Borrower and the other Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate. Holdings and the Borrower each hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against the Agents, the Co-Lead Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty.

**SECTION 9.22 Application of Gaming Laws.**

(a) This Agreement and the other Loan Documents are subject to Gaming Laws. Without limiting the foregoing, the Lenders, Agents and Secured Parties acknowledge that (i) they are subject to the jurisdiction of the Gaming Authorities and Liquor Authorities, in their discretion, for licensing, qualification or findings of suitability or to file or provide other information, and (ii) all rights, remedies and powers in or under this Agreement and the other Loan Documents, including with respect to the Collateral, the Mortgaged Properties and the ownership and operation of facilities are subject to the jurisdiction of the Gaming Authorities

and Liquor Authorities, and may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws and Liquor Laws and only to the extent that required approvals (including prior approvals) are obtained from the relevant Gaming Authorities and Liquor Authorities.

(b) Lenders, Agents and Secured Parties agree to cooperate with all Gaming Authorities and Liquor Authorities in connection with the provision in a timely manner of such documents or other information as may be requested by such Gaming Authorities and Liquor Authorities relating to the Loan or Loan Documents.

(c) Lenders acknowledge and agree that if the Borrower receives a notice from any applicable Gaming Authority that any Lender is a disqualified holder (and such Lender is notified by the Borrower in writing of such disqualification), the Borrower shall, following any available appeal of such determination by such Gaming Authority (unless the rules of the applicable Gaming Authority do not permit such Lender to retain its Loans or Commitments pending appeal of such determination), have the right to (i) cause such disqualified holder to transfer and assign, without recourse all of its interests, rights and obligations in its Loans and Commitments or (ii) in the event that (A) the Borrower is unable to assign such Loan after using its best efforts to cause such an assignment and (B) no Default or Event of Default has occurred and is continuing, prepay such disqualified holder's Loan. Notice to such disqualified holder shall be given ten days prior to the required date of assignment or prepayment, as the case may be, and shall be accompanied by evidence demonstrating that such transfer or prepayment is required pursuant to Gaming Laws. If reasonably requested by any disqualified holder, the Borrower will use commercially reasonable efforts to cooperate with any such holder that is seeking to appeal such determination and to afford such holder an opportunity to participate in any proceedings relating thereto. Notwithstanding anything herein to the contrary, any prepayment of a Loan shall be at a price that, unless otherwise directed by a Gaming Authority, shall be equal to the sum of the principal amount of such Loan and interest to the date such Lender or holder became a disqualified holder (plus any fees and other amounts accrued for the account of such disqualified holder to the date such Lender or holder became a disqualified holder).

(d) If during the existence of an Event of Default hereunder or any of the other Loan Documents it shall become necessary or, in the opinion of the Administrative Agent, advisable for an agent, supervisor, receiver or other representative of the Lenders to become licensed or found qualified under any Gaming Law as a condition to receiving the benefit of any Collateral encumbered by the Loan Documents or to otherwise enforce the rights of the Agents, Secured Parties and the Lenders under the Loan Documents, the Borrower hereby agrees to consent to the application for such license or qualification and to execute such further documents as may be required in connection with the evidencing of such consent.

SECTION 9.23 Vessels and Admiralty Related Matters. Notwithstanding anything set forth in this Agreement, the Collateral Agreement, the Mortgages, the Ship Mortgages or any other Loan Document, the Agents, the Lenders and the other Secured Parties acknowledge the uncertain nature in which a security interest may be taken in any Vessel or any

improvements to Real Property or related assets which are used in connection with any dockside, riverboat, or water-based venue that are intended to be Collateral hereunder (collectively, "Vessel Related Collateral") and in the enforceability of any security interest in Vessel Related Collateral under the Ship Mortgage Act, the real property laws of any applicable jurisdiction, the Uniform Commercial Code, any and all applicable case law and any other applicable laws (the "Vessel Applicable Laws"). In order to grant the Collateral Agent a Lien for the benefit of the Secured Parties in all Vessel Related Collateral to the fullest extent permitted by applicable law, the Borrower and the Subsidiary Loan Parties have agreed to grant Liens and security interests in the Vessel Related Collateral to the Collateral Agent for the benefit of the Secured Parties under various types of Security Documents, including the Mortgages, the Collateral Agreement and the Ship Mortgages, notwithstanding such uncertainty. Accordingly, the Agents, the Lenders and the other Secured Parties acknowledge and agree that, notwithstanding any representations, warranties, covenants, further assurances, events of default or any other provisions of this Agreement, the Collateral Agreement, the Mortgages, the Ship Mortgages or any other Loan Document, any Loan Document that is unenforceable with respect to any Vessel Related Collateral, any element of the Collateral Requirement relating to the creation or perfection of a Lien or security interest that is not satisfied with respect to Vessel Related Collateral, or any failure of any Vessel Related Collateral to be secured by a Lien or security interest under any Loan Document, in each case solely as a result of Vessel Applicable Laws relating to the nature or circumstances in which a security interest may be taken in any Vessel Related Collateral and the enforceability thereof (or the failure of the Borrower or any Loan Party to take any action that is not possible under such Vessel Applicable Laws) shall not result in a breach of any such representations, warranties, covenants or further assurances or result in any Event of Default.

GUARANTY AND PLEDGE AGREEMENT

GUARANTY AND PLEDGE AGREEMENT dated as of January 28, 2008 made by HAMLET MERGER INC., a Delaware corporation (to be merged on the Closing Date with and into HARRAH'S ENTERTAINMENT, INC., "Holdings"), in favor of BANK OF AMERICA, N.A., as administrative agent and collateral agent (in such capacity, the "Agent") for the lenders (the "Lenders") parties to the Credit Agreement, dated as of January 28, 2008 (as amended, restated, supplemented, waived or otherwise modified from time to time, the "Credit Agreement"), among Holdings, Harrah's Operating Company, Inc. (the "Borrower"), the Lenders party thereto from time to time, the Agent, and the other parties named therein.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make loans to, and the L/C Issuers have agreed to issue certain letters of credit for the account of, the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, following the consummation of the Merger, Holdings is the legal and beneficial owner of the shares of Pledged Equity (as hereinafter defined) issued by the Borrower;

WHEREAS, it is a condition precedent to the obligation of the Lenders to make their respective loans to, and the L/C Issuers to issue certain letters of credit for the account of, the Borrower under the Credit Agreement that Holdings shall have executed and delivered this Agreement to the Agent for the ratable benefit of the Secured Parties;

NOW, THEREFORE, in consideration of the premises and to induce the Agent and the Lenders to enter into the Credit Agreement and to induce the Lenders to make their respective loans to, and the L/C Issuers to issue certain letters of credit for the account of, the Borrower under the Credit Agreement, Holdings hereby agrees with the Agent, for the ratable benefit of the Secured Parties, as follows:

1. Defined Terms. Unless otherwise defined herein, terms that are defined in the Credit Agreement and used herein are so used as so defined, and the following terms shall have the following meanings:

"Agreement": this Guaranty and Pledge Agreement, as amended, restated, supplemented, waived or otherwise modified from time to time.

"Collateral": the Pledged Equity and all Proceeds thereof.

"New York UCC": the Uniform Commercial Code from time to time in effect in the State of New York.

"Obligations": as defined in the Collateral Agreement.

"Pledged Equity": all of the Equity Interests of the Borrower listed on Schedule I hereto, together with all certificates, options or rights (including any additional Equity Interests

of the Borrower) of any nature whatsoever that may be issued or granted by the Borrower to Holdings while this Agreement is in effect.

“Proceeds”: all “proceeds” as such term is defined in Section 9-102(a)(64) of the New York UCC on the date hereof and, in any event, shall include, without limitation, all dividends or other income from the Pledged Equity, and any and all collections on the foregoing or distributions with respect to the foregoing.

“Requirement of Law”: means, with respect to any person, the common law and all federal, state, local and foreign laws, rules and regulations, orders, judgments, decrees and other legal requirements or determinations (including, without limitation, any Gaming Law) of any Governmental Authority or arbitrator, applicable to or binding upon such person or any of its property or which such Person or any of its property is subject.

2. Guarantee. Holdings unconditionally guarantees to the Agent, as a primary obligor and not merely as a surety, the due and punctual payment and performance of the Obligations for the benefit of the Secured Parties. Holdings further agrees that the Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee notwithstanding any extension or renewal of any Obligation. Holdings waives presentment to, demand of payment from and protest to the Borrower or any other Loan Party of any of the Obligations, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment.

3. Guarantee of Payment. Holdings further agrees that its guarantee hereunder constitutes a guarantee of payment when due and not of collection, and waives any right to require that any resort be had by the Agent or any other Secured Party to any security held for the payment of the Obligations or to any balance of any deposit account or credit on the books of the Agent or any other Secured Party in favor of the Borrower or any other person.

4. No Limitations, Etc. (a) Except for termination or release of Holdings’ obligations hereunder as expressly provided for in Section 26, the obligations of Holdings hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Obligations or otherwise (other than defense of payment or performance). Without limiting the generality of the foregoing, the obligations of Holdings hereunder shall not be discharged or impaired or otherwise affected by:

(i) the failure of the Agent or any other Secured Party to assert any claim or demand or to exercise or enforce any right or remedy under the provisions of any Loan Document or otherwise;

(ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement;

(iii) the failure to perfect any security interest in, or the exchange, substitution, release or any impairment of, any security held by the Agent or any other Secured Party for the Obligations;

- (iv) any default, failure or delay, willful or otherwise, in the performance of the Obligations;
- (v) any other act or omission that may or might in any manner or to any extent vary the risk of Holdings or otherwise operate as a discharge of Holdings as a matter of law or equity (other than the payment in full in cash of all the Obligations);
- (vi) any illegality, lack of validity or enforceability of any Obligation;
- (vii) any change in the corporate existence, structure or ownership of the Borrower, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Borrower or its assets or any resulting release or discharge of any Obligation (other than the payment in full in cash of all the Obligations);
- (viii) the existence of any claim, set-off or other rights that Holdings may have at any time against the Borrower, the Agent, or any other corporation or person, whether in connection herewith or any unrelated transactions, provided that nothing herein will prevent the assertion of any such claim by separate suit or compulsory counterclaim; and
- (ix) and any other circumstance (including without limitation, any statute of limitations) or any existence of or reliance on any representation by the Agent that might otherwise constitute a defense to, or a legal or equitable discharge of, the Borrower or Holdings or any other guarantor or surety.

Holdings expressly authorizes the Secured Parties to take and hold security for the payment and performance of the Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Obligations, all without affecting the obligations of Holdings hereunder.

(b) To the fullest extent permitted by applicable law, Holdings waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than the payment in full in cash or immediately available funds of all the Obligations (other than contingent or unliquidated obligations or liabilities). The Agent and the other Secured Parties may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with any other Loan Party or exercise any other right or remedy available to them against any other Loan Party, without affecting or impairing in any way the liability of Holdings hereunder except to the extent the Obligations (other than contingent or unliquidated obligations or liabilities) have been paid in full in cash or immediately available funds. To the fullest extent permitted by applicable law, Holdings waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of Holdings against any other Loan Party, as the case may be, or any security.

5. Reinstatement. Holdings agrees that its guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored by the Agent or any other Secured Party upon the bankruptcy or reorganization of the Borrower, any other Loan Party or otherwise.

6. Agreement To Pay; Indemnification. In furtherance of the foregoing and not in limitation of any other right that the Agent or any other Secured Party has at law or in equity against Holdings by virtue hereof, upon the failure of the Borrower to pay any Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, Holdings hereby promises to and will forthwith pay, or cause to be paid, to the Agent for distribution to the applicable Secured Parties in cash the amount of such unpaid Obligation. Upon payment by Holdings of any sums to the Agent as provided above, the Borrower agrees that (a) the Borrower shall indemnify Holdings for the full amount of such payment and Holdings shall be subrogated to the rights of the person to whom such payment shall have been made to the extent of such payment and (b) in the event any assets of Holdings shall be sold pursuant to this Agreement or any other Security Documents to satisfy in whole or in part an Obligation of the Borrower, the Borrower shall indemnify Holdings in an amount equal to the greater of the book value or the fair market value of the assets so sold.

7. Information. Holdings assumes all responsibility for being and keeping itself informed of the financial condition and assets of the Borrower and each other Loan Party, and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope and extent of the risks that Holdings assumes and incurs hereunder, and agrees that none of the Agent or the other Secured Parties will have any duty to advise Holdings of information known to it or any of them regarding such circumstances or risks.

8. Maximum Liability. Anything herein or in any other Loan Documents to the contrary notwithstanding, the maximum liability of Holdings hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by Holdings under applicable federal and state laws relating to the insolvency of debtors.

9. Pledge; Grant of Security Interest. Holdings hereby transfers and grants to the Agent, for the benefit of the Secured Parties, a security interest in all of Holdings' right, title and interest in the Collateral, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations.

10. Powers; Endorsements. Concurrently with the delivery to the Agent of each certificate representing Pledged Equity, Holdings shall deliver an undated stock power covering such certificate, duly executed in blank by Holdings.

11. Representations and Warranties. Holdings represents and warrants that on the Closing Date:

(a) the Pledged Equity listed on Schedule I constitutes all of the issued and outstanding Equity Interests of the Borrower issued to Holdings;

(b) all the shares of Pledged Equity have been duly and validly issued and are fully paid and nonassessable;

(c) Holdings is the record and beneficial owner of, and has good title to, the Pledged Equity listed on Schedule I to be pledged by Holdings, free of any and all Liens or options in favor of, or claims of, any other Person, except the Lien created by this Agreement; and

(d) upon delivery of any certificates representing Pledged Equity duly endorsed in blank and the completion of the filings specified on Schedule II hereto, the Lien granted pursuant to this Agreement will constitute a valid, perfected and enforceable first priority Lien on the Collateral in favor of the Agent, for the benefit of the Secured Parties, except as enforceability may be affected by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, general equitable principles (whether considered in a proceeding in equity or at law) and an implied covenant of good faith and fair dealing.

12. Covenants. Holdings covenants and agrees with the Agent and the Lenders, that, from and after the date of this Agreement until the date of its termination pursuant to 26(a):

(a) If Holdings shall, as a result of its ownership of the Collateral, become entitled to receive or shall receive any certificate (including, without limitation, any certificate representing a dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate issued in connection with any reorganization), promissory note or other instrument, option or rights, whether in addition to, in substitution of, as a conversion of, or in exchange for any of the Collateral, or otherwise in respect thereof, subject to applicable Gaming Laws, Holdings shall promptly deliver the same forthwith to the Agent in the exact form received, duly indorsed by Holdings to the Agent, if required, together with an undated power or endorsement, as appropriate, covering such certificate, note or instrument duly executed in blank by Holdings, to be held by the Agent, subject to the terms hereof, as additional collateral security for the Obligations. Any sums paid upon or in respect of the Collateral upon the liquidation or dissolution of the Borrower shall be paid over to the Agent to be held by it hereunder as additional collateral security for the Obligations, and in case any distribution of capital shall be made on or in respect of the Collateral or any property shall be distributed upon or with respect to the Collateral pursuant to the recapitalization or reclassification of the capital of the Borrower or pursuant to the reorganization thereof, the property so distributed shall be delivered to the Agent to be held by it hereunder as additional collateral security for the Obligations.

(b) At any time and from time to time, upon the written request of the Agent, and at the sole expense of Holdings, Holdings will promptly and duly execute and deliver such further instruments and documents and take such further actions as the Agent may reasonably request for the purposes of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted.

(c) Holdings agrees to pay, and to save the Agent and the Secured Parties harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other similar taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

13. Dividends; Voting Rights; Interest Payments. Unless an Event of Default shall have occurred and be continuing and the Agent shall have given notice to Holdings of the Agent's intent to exercise its rights pursuant to paragraph 14 below, Holdings shall be permitted to receive and retain, and to utilize free and clear of the Lien of this Agreement, all distributions made in respect of the Pledged Equity and to exercise all voting and other consensual rights and powers inuring to an owner of such Pledged Equity, provided, that such rights and powers shall not be exercised in any manner that could materially and adversely affect the rights and remedies of any of the Agent or the other Secured Parties under this Agreement, the Credit Agreement or any other Loan Document or the ability of the Secured Parties to exercise the same.

14. Rights of the Lenders and the Agent. (a) If an Event of Default shall occur and be continuing and the Agent shall give notice of its intent to exercise its rights hereunder to Holdings, subject to applicable Gaming Laws, (i) the Agent shall have the right to receive any and all distributions paid in respect of the Pledged Equity and make application thereof to the Obligations in a manner consistent with Section 15 (other than cash distributions made to Holdings pursuant to Section 6.06(b) of the Credit Agreement, which such distributions may be received and retained by Holdings), and (ii) all shares of the Pledged Equity shall be registered in the name of the Agent or its nominee, and the Agent or its nominee may thereafter exercise (A) all voting and other consensual rights and powers pertaining to such shares of the Pledged Equity at any meeting of the board of directors of the Borrower or otherwise and (B) any and all rights of conversion, exchange, subscription and any other rights, privileges or options pertaining to such shares of the Pledged Equity as if it were the absolute owner thereof (including, without limitation, the right to exchange at its discretion any and all of the Pledged Equity upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the organizational structure of the Borrower, or upon the exercise by Holdings or the Agent of any right, privilege or option pertaining to such shares of the Pledged Equity, and in connection therewith, the right to deposit and deliver any and all of the Pledged Equity with any committee, depository, transfer agent, registrar or other designated agency upon such terms and conditions as it may determine), all without liability except to account for property actually received by it and except for its gross negligence or willful misconduct, but the Agent shall have no duty to Holdings to exercise any such right, privilege or option and shall not be responsible for any failure to do so or delay in so doing.

(b) The rights of the Agent and the Secured Parties hereunder shall not be conditioned or contingent upon the pursuit by the Agent or any Secured Party of any right or remedy against the Borrower or against any other Person which may be or become liable in respect of all or any part of the Obligations or against any collateral security therefor, guarantee therefor or right of set-off with respect thereto. Neither the Agent nor any Secured Party shall be liable for any failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so, except to the extent that such failure constitutes gross negligence or willful misconduct, nor shall the Agent be under any obligation to sell or otherwise dispose of any

Collateral upon the request of Holdings or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof.

15. **Remedies.** If an Event of Default shall occur and be continuing and the Agent shall have given notice of its intent to exercise its rights hereunder to Holdings, the Agent, on behalf of the Secured Parties, may exercise, in addition to all other rights and remedies granted in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the New York UCC or applicable law. Without limiting the generality of the foregoing, the Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below and any notice referred to in the preceding sentence) to or upon Holdings, the Borrower, or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, assign, give option or options to purchase or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, in the over-the-counter market, at any exchange or broker's board or office of the Agent or any Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Agent or any Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in Holdings, which right or equity is hereby waived or released. The Agent shall hold any Proceeds hereunder for the benefit of the Secured Parties as collateral security for the Obligations (whether matured or unmatured), and/or the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale, may then or at any time thereafter, in the sole discretion of the Agent, be applied by the Agent against the Obligations then due and owing in the following order of priority:

FIRST, to the payment of all reasonable costs and expenses incurred by the Agent in connection with such collection or sale or otherwise in connection with this Agreement, any other Loan Document or any of the Obligations, including all court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all advances made by the Agent hereunder or under any other Loan Document on behalf of Holdings and any other reasonable costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Loan Document;

SECOND, to the payment of all other Obligations (the amounts so applied to be distributed pro rata among the Secured Parties in accordance with the amounts of the Obligations owed to them on the date of any such distribution); and

THIRD, to Holdings or its successors or assigns, or as a court of competent jurisdiction may otherwise direct.

To the extent permitted by applicable law, Holdings waives all claims, damages and demands it may acquire against the Agent or any Secured Party arising out of the lawful exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be

required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition.

16. Registration Rights; Private Sales. (a) If the Agent shall determine to exercise its right to sell any or all of the Pledged Equity pursuant to paragraph 15 hereof, and if in the opinion of the Agent it is necessary or advisable to have the Pledged Equity or that portion thereof to be sold, registered under the provisions of the Securities Act of 1933, as amended (the "Securities Act"), subject to applicable Gaming Laws, Holdings will use its commercially reasonable efforts to take or to cause the Borrower to take such action and prepare, distribute and/or file such documents, as required or advisable in the reasonable opinion of counsel for the Agent to permit the public sale of such Pledged Equity.

(b) Holdings recognizes that the Agent may be unable to effect a public sale of any or all the Pledged Equity by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers that will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Holdings acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Agent shall be under no obligation to delay a sale of any of the Pledged Equity for the period of time necessary to permit the Borrower to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if the Borrower would agree to do so.

(c) Holdings further agrees to use its commercially reasonable efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of the Pledged Equity pursuant to this paragraph 16 valid and binding and in compliance with any and all other applicable Requirements of Law. Holdings will bear all costs and expenses of carrying out its obligations under this paragraph 16. Holdings acknowledges that there is no adequate remedy at law for failure by it to comply with the provisions of this paragraph 16 only and that such failure would not be adequately compensable in damages and, therefore, agrees that its agreements contained in this paragraph 16 may be specifically enforced.

17. Limitation on Duties Regarding Collateral. The Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the New York UCC or otherwise, shall be to deal with it in the same manner as the Agent deals with similar securities and property for its own account. Neither the Agent nor any Secured Party nor their respective directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so (except to the extent the same constitutes gross negligence or willful misconduct) or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Holdings or otherwise.

18. Powers Coupled with an Interest. All authorizations and agencies herein contained with respect to the Collateral are irrevocable and powers coupled with an interest.

19. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

20. Paragraph Headings. The paragraph headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

21. No Waiver; Cumulative Remedies. Neither the Agent nor any Secured Party shall by any act (except by a written instrument pursuant to paragraph 22 hereof) be deemed to have waived any right or remedy hereunder. No failure to exercise, nor any delay in exercising, on the part of the Agent or any Secured Party any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Agent or any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Agent or such Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

22. Waivers and Amendments; Successors and Assigns; Governing Law. None of the terms or provisions of this Agreement may be amended, supplemented or otherwise modified except by a written instrument executed by Holdings and the Agent, provided that any provision of this Agreement may be waived by the Agent in a letter or agreement executed by the Agent or by telex or facsimile transmission from the Agent. This Agreement shall be binding upon the successors and assigns of Holdings and shall inure to the benefit of the Agent and the Secured Parties and their respective permitted successors and assigns. **THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

23. Notices. Notices by the Agent to Holdings, or the Borrower may be given to such person at its address or transmission number and in the manner as set forth in Section 9.01(a) of the Credit Agreement.

24. Irrevocable Authorization and Instruction to Borrower. Holdings hereby authorizes and instructs the Borrower to comply with any instruction received by it from the Agent in writing that (a) states that an Event of Default has occurred and is continuing and (b) is otherwise in accordance with the terms of this Agreement and the Credit Agreement, without any other or further instructions from Holdings, and Holdings agrees that the Borrower shall be fully protected in so complying.

25. Authority of Agent. Holdings acknowledges that the rights and responsibilities of the Agent under this Agreement with respect to any action taken by the Agent or the exercise or non-exercise by the Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as

between the Agent and the Secured Parties, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Agent and Holdings, the Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and neither Holdings nor the Borrower shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

26. Termination or Release. (a) This Agreement, the pledges and guarantees made herein, the Liens in the Collateral created hereby and all other security interests granted hereby, shall automatically terminate and/or be released all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to Holdings, as of the date when all the Obligations (as defined in the Collateral Agreement) (other than contingent or unliquidated obligations or liabilities not then due) have been paid in full in cash or immediately available funds and the Lenders have no further commitment to lend under the Credit Agreement, the Revolving Facility Credit Exposure has been reduced to zero and each L/C Issuer has no further obligations to issue Letters of Credit under the Credit Agreement; provided that, upon payment in full of the Obligations, the Agent may assume that no Obligations are outstanding unless otherwise advised in writing by the Borrower.

(b) Upon any sale or other transfer by Holdings of any Collateral that is not prohibited by the Credit Agreement, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 9.08 of the Credit Agreement, the security interest in such Collateral shall be automatically released, all without delivery of any instrument or performance of any act by any party.

(c) In connection with any termination or release pursuant to paragraph (a) or (b) of this Paragraph 26, the Agent shall execute and deliver to Holdings, at Holdings's expense, all documents that Holdings shall reasonably request to evidence such termination or release (including, without limitation, UCC termination statements), and will duly assign and transfer to Holdings, such of the Pledged Equity that may be in the possession of the Agent and has not theretofore been sold or otherwise applied or released pursuant to this Agreement. Any execution and delivery of documents pursuant to this Paragraph 26 shall be without recourse to or warranty by the Agent.

27. Financing Statements. Holdings hereby irrevocably authorizes the Agent at any time and from time to time to file in any relevant jurisdiction any initial financing statements with respect to the Collateral or any part thereof and amendments thereto that contain the information required by Article 9 of the New York UCC of each applicable jurisdiction for the filing of any financing statement or amendment, including (i) whether Holdings is an organization, the type of organization and any organizational identification number issued to Holdings and (ii) a description of collateral that describes such property in any other manner as the Agent may reasonably determine is necessary or advisable to ensure the perfection of the security interest in the Collateral.

28. Covenants. (a) Holdings agrees promptly (and in any event within 10 days thereof, or such longer period of time as may be agreed by the Agent) to notify the Agent in writing of any change (i) in its legal name, (ii) in its identity or type of organization or corporate

structure, (iii) in its Federal Taxpayer Identification Number or organizational identification number or (iv) in its jurisdiction of organization. Holdings agrees promptly to provide the Agent with certified organizational documents reflecting any of the changes described in the immediately preceding sentence. Holdings agrees not to effect or permit any change referred to in the first sentence of this paragraph (a) unless all filings have been made under the Uniform Commercial Code or otherwise that are required in order for the Agent to continue at all times following such change to have a valid, legal and perfected first priority security interest in all the Collateral, for the benefit of the Secured Parties.

(b) Subject to the rights of Holdings under the Loan Documents to dispose of Collateral, Holdings shall, at its own expense, use commercially reasonable efforts to defend title to the Collateral against all persons and to defend the security interest of the Agent, for the benefit of the Secured Parties, in the Collateral and the priority thereof against any Lien that is not a Permitted Lien or a Lien permitted by Article VIA of the Credit Agreement.

(c) Holdings agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Agent may from time to time reasonably request to better assure, preserve, protect and perfect the security interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement and the granting of the security interest and the filing of any financing statements or other documents in connection herewith or therewith.

(d) Holdings shall not make or permit to be made an assignment, pledge or hypothecation of the Collateral or shall grant any other Lien in respect of the Collateral, except as permitted by the Credit Agreement. Holdings shall not make or permit to be made any transfer of the Collateral except as permitted by the Credit Agreement. Notwithstanding the foregoing, if the Agent shall have notified Holdings that an Event of Default under clause (b), (c), (h) or (i) of Section 7.01 of the Credit Agreement shall have occurred and be continuing, and during the continuance thereof, Holdings shall not sell, convey, lease, assign, transfer or otherwise dispose of any Collateral to the extent requested or permitted by the Agent (which notice may be given by telephone if promptly confirmed in writing).

29. Compliance with Gaming Laws. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document, the Agent, on behalf of the Secured Parties, acknowledges and agrees that:

(a) the exercise of its rights and remedies under this Agreement is subject to the mandatory provisions of the Gaming Laws;

(b) the pledge of the Pledged Equity, and any restrictions on the transfer of and agreements not to encumber the Pledged Equity or other equity securities of the Borrower, pursuant to this Agreement and any other Loan Documents, are subject to the prior approval of the Nevada and Iowa Gaming Authorities, respectively, (which approval has been obtained and is in full force and effect) and any future amendment of this Agreement will not be effective without the prior approval of such Nevada and Iowa Gaming Authorities;

(c) in the event that the Agent exercises one or more of the remedies set forth in this Agreement with respect to the Pledged Equity, including without limitation, foreclosure or transfer of any interest therein (except back to Holdings), the exercise of voting and consensual rights, and any other resort to or enforcement of the security interest in the Pledged Equity, such action will require the separate and prior approval of the Nevada and Iowa Gaming Authorities unless such licensing requirement is waived thereby;

(d) the Agent, and any custodial agent of Agent in the State of Nevada or in the State of Iowa, will be required to comply with the conditions, if any, imposed by the Nevada and Iowa Gaming Authorities, respectively, in connection with their approval of the pledge granted hereunder, including, without limitation, requirements that the Agent or its custodial agent maintain the certificates evidencing the Pledged Equity at a location in Nevada designated to the Nevada Gaming Authorities, and that the Agent or its custodial agent permit agents or employees of the Nevada Gaming Authorities to inspect such certificates upon request during normal business hours;

(e) neither the Agent nor any custodial agent of the Agent will be permitted to surrender possession of any Pledged Equity to any person other than Holdings without the prior approval of the Nevada and Iowa Gaming Authorities or as otherwise permitted by the Gaming Laws;

(f) any approval of the Nevada and Iowa Gaming Authorities of this Agreement, or any amendment hereto, does not constitute approval, either express or implied, of the Agent to take any actions provided for in this Agreement, for which separate approval by the Nevada and Iowa Gaming Authorities may be required by the Gaming Laws; and

(g) the Agent, the Secured Parties and their respective successors and assigns are subject to being called forward by the Nevada and Iowa Gaming Authorities, in their sole and absolute discretion, for licensing or a finding of suitability in order to remain entitled to the benefits of this Agreement and the other Loan Documents.

30. Limitation on Rights and Remedies of Agent and Holdings. Notwithstanding anything in this Agreement to the contrary, the Agent, on behalf of the Secured Parties, and Holdings agree that they shall comply with all applicable laws and all applicable rules and regulations of the Illinois Gaming Authority, including Illinois Gaming Laws, in connection with their exercise of rights and remedies hereunder, including, without limitation, foreclosure or transfer of any interest in the Pledge Equity (except back to Holdings) or voting (or otherwise taking control of) any interest in the Pledged Equity. As and when required, the Agent, on behalf of the Secured Parties, shall seek and obtain all approvals, licenses and consents from the Illinois Gaming Authority required in connection with the exercise of any right or remedy prior to the exercise thereof.

31. Counterparts. This Agreement may be executed in any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

IN WITNESS WHEREOF, the undersigned has caused this Agreement to be duly executed and delivered as of the date first above written.

In the event that the Borrower or any of its Restricted Subsidiaries Incurs, repays, repurchases or redeems any Indebtedness subsequent to the commencement of the period for which the Consolidated Leverage Ratio is being calculated but prior to the event for which the calculation of the Consolidated Leverage Ratio is made (the “Consolidated Leverage Calculation Date”), then the Consolidated Leverage Ratio shall be calculated giving *pro forma* effect to such Incurrence, repayment, repurchase or redemption of Indebtedness as if the same had occurred at the beginning of the applicable four-quarter period; provided that the Borrower may elect pursuant to an Officer’s Certificate delivered to the Administrative Agent to treat all or any portion of the commitment under any Indebtedness as being Incurred at such time, in which case any subsequent Incurrence of Indebtedness under such commitment shall not be deemed, for purposes of this calculation, to be an Incurrence at such subsequent time.

remaining term in excess of 12 months). For purposes of this definition, any amount in a currency than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating EBITDA for the applicable period.

Except as otherwise expressly provided herein, any reference in this Agreement to any Loan Document shall mean such document as amended, restated, supplemented or otherwise modified from time to time. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided, that, if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the Closing Date in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of

GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith.

SECTION 1.03 Effectuation of Transactions. Each of the representations and warranties of the Company and the Borrower contained in this Agreement (and all corresponding definitions) are made after giving effect to the Transactions, unless the context otherwise requires.

SECTION 1.04 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Local Time.

## ARTICLE II The Credits

SECTION 2.01 The Loans. Subject to the terms and conditions set forth herein (a) each Lender having a Senior Interim Cash Pay Loan Commitment severally, but not jointly, agrees to make to the Borrower a loan (a "Senior Interim Cash Pay Loan") in a single draw on the Closing Date denominated in Dollars in a principal amount equal to such Lender's Senior Interim Cash Pay Loan Commitment and (b) each Lender having a Senior Interim Toggle Loan Commitment severally, but not jointly, agrees to make to the Borrower a loan (a "Senior Interim Toggle Loan") in a single draw on the Closing Date denominated in Dollars in a principal amount equal to such Lender's Senior Interim Toggle Loan Commitment. Amounts borrowed under this Section 2.01 and repaid or prepaid may not be reborrowed.

SECTION 2.02 Borrowing, Conversions and Continuations of Loans.

(a) The Borrowing, each conversion of Loans from ABR Loans to Eurocurrency Loans and each continuation of Eurocurrency Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may be given by telephone. Each such notice must be received by the Administrative Agent not later than (i) 10:00 a.m. Local Time three Business Days prior to the requested date of any conversion of ABR Loans to Eurocurrency Loans or any continuation of Eurocurrency Loans and (ii) 2:00 p.m. Local Time two Business Days before the Closing Date in the case of the Borrowing. Each telephonic notice by the Borrower pursuant to this Section 2.02(a) must be confirmed promptly by delivery to the Administrative Agent of a written Borrowing Request or Interest Election Request, as applicable, appropriately completed and signed by a Responsible Officer of the Borrower. The Borrowing of, or any conversion to, or continuation of, Eurocurrency Loans shall be in a principal amount of \$2,500,000 or a whole multiple of \$500,000 in excess thereof.

(b) Each Borrowing Request or Interest Election Request, as applicable, (whether telephonic or written), shall specify (i) the requested date of the Borrowing or conversion, as the case may be (which shall be a Business Day), (ii) the principal amount of Loans to be borrowed or converted and (iii) if applicable, the duration of the Interest Period with respect thereto. On the last day of any Interest Period for each Eurocurrency Loan, such Loan shall be automatically continued as a Eurocurrency Loan with the same Interest Period

unless the Borrower gives timely notice requesting a continuation of such Eurocurrency Loan with a different Interest Period or unless otherwise provided herein.

(c) Following receipt of a Borrowing Request or Interest Election Request, as applicable, the Administrative Agent shall promptly notify each Lender of the amount of its Commitment for the Loans. In the case of the Borrowing, each Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 10:00 a.m. Local Time on the Business Day specified in the Borrowing Request; provided that such funds may be made available at such earlier time as may be agreed among the Lenders, the Borrower and the Administrative Agent for the purpose of consummating the Transactions. Upon satisfaction of the applicable conditions set forth in Article IV, the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower.

(d) Except as otherwise provided herein, a Eurocurrency Loan may be continued only on the last day of an Interest Period for such Eurocurrency Loan. During the existence of an Event of Default, the Administrative Agent at the written request of the Required Lenders, may require that no Loans may be converted to or continued as Eurocurrency Loans.

(e) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Loans upon determination of such interest rate. The determination of the Eurocurrency Rate by the Administrative Agent shall be conclusive absent manifest error. At any time when ABR Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the ABR promptly following the public announcement of such change.

(f) After giving effect to the Borrowing, all conversions of Loans from ABR Loans to Eurocurrency Loans, and all continuations of Eurocurrency Loans, there shall not be more than five Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent.

(g) The failure of any Lender to make the Loan to be made by it as part of the Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of the Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the Closing Date.

(h) Unless the Administrative Agent shall have received notice from a Lender prior to the Closing Date that such Lender will not make available to the Administrative Agent such Lender's pro rata share of the Borrowing, the Administrative Agent may assume that such Lender has made such pro rata share available to the Administrative Agent on the

Closing Date in accordance with Section 2.02(c), and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on the Closing Date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date on which such amount is made available to the Borrower to the date on which such amount is repaid to the Administrative Agent, at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising the Borrowing, and (ii) in the case of such Lender, the Overnight Rate plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(h) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in the Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(i) Each Lender may at its option make any Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan, provided that (i) any exercise of such option shall not affect the obligation of the Borrower to repay such Loan and (ii) in exercising such option, such Lender shall use its reasonable efforts to minimize any increased costs to the Borrower resulting therefrom (which obligation of the Lender shall not require it to take or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it determines would be otherwise disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of Section 2.20 shall apply).

SECTION 2.03 [Reserved].

SECTION 2.04 [Reserved].

SECTION 2.05 [Reserved].

SECTION 2.06 [Reserved].

SECTION 2.07 [Reserved].

SECTION 2.08 Termination of Commitments. The Commitment of each Lender shall be automatically and permanently reduced to \$0 upon the earlier of (a) the making of such Lender's Loans pursuant to Section 2.01 and (b) 5:00 p.m. Local Time on the Closing Date.

SECTION 2.09 Repayment of Loans; Evidence of Debt.

(a) The Borrower agrees to repay to the Administrative Agent for the ratable account of the Lenders (i) on the Maturity Date applicable to Senior Cash Pay Loans, the aggregate principal amount of all Senior Cash Pay Loans outstanding on such date and (ii) on the Maturity Date applicable to Senior Toggle Loans, the aggregate principal amount of all Senior Toggle Loans outstanding on such date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns). Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such Note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more Notes in such form payable to the order of the payee named therein (or, if such Note is a registered note, to such payee and its registered assigns).

SECTION 2.10 [Reserved].

SECTION 2.11 Prepayment of Loans.

(a) Optional

(i) The Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty, in an aggregate principal amount that is an integral multiple of \$500,000 and not less than the \$2,500,000 or, if less, the amount outstanding, upon prior notice to the Administrative Agent by telephone (confirmed by teletype), not less than three Business Days prior to the date of prepayment, which notice shall be irrevocable except to the extent conditioned on a refinancing of all or any portion of the Loans. Each such notice shall be signed by a Responsible Officer of the Borrower and shall specify the date and amount of such prepayment and the Class(es) and the Type(s) of

Loans to be prepaid and, if Eurocurrency Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each applicable Lender of its receipt of each such notice, and of the amount of such Lender's pro rata share of such prepayment.

(ii) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.11(a)(i) if such prepayment would have resulted from a refinancing of all of the Loans, which refinancing shall not be consummated or shall otherwise be delayed.

(b) Mandatory.

(i) [Reserved].

(ii) (A) Within 15 months after the Borrower's or any Restricted Subsidiary of the Borrower's receipt of the Net Proceeds of any Asset Sale, the Borrower or such Restricted Subsidiary of the Borrower may apply the Net Proceeds from such Asset Sale, at its option:

(1) to repay (a) Indebtedness constituting Bank Indebtedness and other Pari Passu Indebtedness that is secured by a Lien permitted under this Agreement (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto), (b) following the Rollover Date, Indebtedness of a Restricted Subsidiary that is not a Guarantor, (c) the Loans or (d) following the Rollover Date, other Pari Passu Indebtedness (provided that if the Borrower or any Guarantor shall so reduce Obligations under unsecured Pari Passu Indebtedness, the Borrower will equally and ratably reduce the Loans as provided under Section 2.11(a) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Lenders to purchase at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest and additional interest, if any, the pro rata principal amount of Loans), in each case other than Indebtedness owed to the Borrower or an Affiliate of the Borrower; or

(2) to make an Investment in any one or more businesses (provided that if such Investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Borrower), assets, or property or capital expenditures, in each case (a) used or useful in a Similar Business or (b) that replace the properties and assets that are the subject of such Asset Sale. A binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment; provided that in the event such binding commitment is later canceled or terminated for any reason before such Net Proceeds are so applied, the Borrower or such Restricted Subsidiary enters into another binding commitment (a "Second Commitment") within six months of such

cancellation or termination of the prior binding commitment; provided, further that the Borrower or such Restricted Subsidiary may only enter into a Second Commitment under the foregoing provision one time with respect to each Asset Sale and to the extent such Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds.

(B) Any Net Proceeds from any Asset Sale that are not applied as provided and within the time period set forth in clause (A) of this Section 2.11(b)(ii) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Notes, as described in Section(b)(ii) (A)(1) above, shall be deemed to have been invested whether or not such offer is accepted) will be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$200,000,000, the Borrower shall make an offer to all Lenders (and, at the option of the Borrower, to holders of any Pari Passu Indebtedness) (an "Asset Sale Offer") to purchase the maximum principal amount of Loans (and such Pari Passu Indebtedness), that is at least \$2,000 and an integral multiple of \$1,000 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such Pari Passu Indebtedness was issued with significant original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest and additional interest, if any (or, in respect of such Pari Passu Indebtedness, such lesser price, if any, as may be provided for by the terms of such Pari Passu Indebtedness), to the date fixed for the closing of such offer.

To the extent that the aggregate amount of Loans and such Pari Passu Indebtedness accepted for prepayment or tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Borrower may use any remaining Excess Proceeds for general corporate purposes, subject to other covenants contained in this Agreement. If the aggregate principal amount of Loans or the Pari Passu Indebtedness accepted for prepayment or surrendered by such holders thereof exceeds the amount of Excess Proceeds, the Administrative Agent shall (x) first apply 100.0% of the Excess Proceeds to the prepayment of the Term Loans (as defined in the Credit Agreement) accepted for prepayment and (y) thereafter, apply any remaining Excess Proceeds ratably to the prepayment of the Loans accepted for prepayment in accordance with the Senior Cash Pay Portion and the Senior Toggle Portion and any other tendered Pari Passu Indebtedness based on the accreted value or principal amount of such Loans and Pari Passu Indebtedness accepted for prepayment or tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds that resulted in the Asset Sale Offer shall be reset to zero.

(C) Pending the final application of any Net Proceeds pursuant to this Section 2.11(b)(ii), the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by this Agreement.

(D) Within ten Business Days of any date on which the aggregate amount of Excess Proceeds exceeds \$200,000,000, the Borrower shall deliver notice of such occurrence to the Administrative Agent, and the Administrative Agent shall

promptly deliver such notice to each Lender to the address of such Lender appearing in the Register or otherwise in accordance with Section 9.01 with the following information:

- (1) that the Borrower is making an Asset Sale Offer pursuant to this Section 2.05(b) and that all Loans and Pari Passu Indebtedness properly accepted for prepayment or tendered and not withdrawn pursuant to such Asset Sale Offer will be prepaid by the Borrower;
- (2) the prepayment date, which will be no earlier than thirty days nor later than sixty days from the date on which such notice is delivered (the "Asset Sale Offer Payment Date");
- (3) that any Loan not properly accepted for prepayment will remain outstanding and continue to accrue interest;
- (4) that unless the Borrower defaults in making the payment, all Loans accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest on the Asset Sale Offer Payment Date;
- (5) that Lenders electing to have any Loans prepaid pursuant to an Asset Sale Offer will be required to notify the Administrative Agent prior to the close of business on the third Business Day preceding the Asset Sale Offer Payment Date;
- (6) that Lenders will be entitled to withdraw their election to require the Borrower to prepay such Loans; provided that the Administrative Agent receives, not later than the close of business on the expiration date of the Asset Sale Offer, a facsimile transmission, electronic mail or letter setting forth the name of such Lender, the principal amount of Loans to be prepaid, and a statement that such Lender is withdrawing its election to have such Loans prepaid;
- (7) that, to the extent that the aggregate principal amount of Loans or the Pari Passu Indebtedness accepted for prepayment or surrendered by such holders thereof exceeds the amount of Excess Proceeds, the Administrative Agent shall apply the Excess Proceeds as set forth under the last sentence of Section 2.11(b)(ii)(B); and
- (8) the other instructions, as determined by the Borrower, consistent with this Section 2.11, that a Lender must follow.

The notice, if delivered in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Lender receives such notice. If (x) the notice is delivered in a manner herein provided and (y) any Lender fails to receive such notice or a Lender receives such notice but it is defective, such Lender's failure to receive such notice or such defect shall not affect the validity of the proceedings for the prepayment of the Loans as to all other Lenders that properly received such notice without defect.

(iii) At any time prior to the Rollover Date, (A) if the Borrower issues any Senior Notes after the Closing Date, the Borrower shall cause to be prepaid an aggregate principal amount of the Senior Interim Loans equal to 100.0% of the Net Proceeds received therefrom, (B) if the Borrower or any Restricted Subsidiary incurs any Indebtedness permitted to be incurred or issued pursuant to Section 6.01(l) of the Credit Agreement, the Borrower shall cause to be prepaid an aggregate principal amount of the Loans equal to 100.0% of the Net Proceeds received therefrom and (C) if the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 6.01 of the Credit Agreement, the Borrower shall, after satisfying its obligations under Section 2.11(b) of the Credit Agreement, cause to be prepaid an aggregate principal amount of the Loans equal to the lesser of the Outstanding Amount of such Loans and 100.0% of all Net Proceeds received therefrom ratably in accordance with the Senior Cash Pay Portion and the Senior Toggle Portion, in each case of this clause (iii) on or prior to the date that is five Business Days after the receipt of the applicable Net Proceeds.

(iv) Upon consummation of the Senior Unsecured Notes Offering, the Borrower shall cause to be prepaid an aggregate principal amount of the Loans equal to 100.0% of the Net Proceeds received therefrom (it being understood that any Lender repaid with such Net Proceeds may receive less than 100% of the aggregate principal amount of its Loans, as determined by the Lead Arrangers).

(v) At any time prior to the Rollover Date, in the event of a Change of Control, the Borrower shall cause to be prepaid in full the Senior Interim Loans on or prior to the date that is five Business Days after such Change of Control.

(vi) Each prepayment of Loans pursuant to this Section 2.11(b) shall be paid to the Lenders in accordance with their respective pro rata share of the Loans; provided that the Borrower may designate the amount of each Class of Loans that is to be prepaid in the case of any mandatory prepayment of Loans required to be made pursuant to clause (iii)(A) or (iii)(B) of this Section 2.11(b) (it being understood that with respect to any such mandatory prepayment from the Net Proceeds of any Senior Toggle Notes or other Indebtedness that pays interest in kind, such Net Proceeds shall be applied first to any outstanding Senior Interim Toggle Loans); provided, further, that the prepayment of Loans pursuant to Section 2.11(b) (iv) shall not be paid to the Lenders in accordance with their respective pro rata share of the Loans but shall instead be paid in the manner determined by the Lead Arrangers.

(vii) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Loans required to be made pursuant to clause (iii) of this Section 2.11(b) at least three Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent shall promptly notify each Lender of the contents of the Borrower's prepayment notice and of such Lender's pro rata share of the prepayment.

(c) If the Senior Toggle Loans would otherwise constitute "applicable high yield discount obligations" within the meaning of Section 163(i)(1) of the Code, at the end of each accrual period ending after the fifth anniversary of the Closing Date (each, an "AHYDO"),

Repayment Date”), the Borrower will be required to repay in cash a portion of each Senior Toggle Loan then outstanding equal to the Mandatory Principal Repayment Amount (such redemption, a “Mandatory Principal Repayment”). The repayment price for the portion of the Senior Toggle Loans repaid pursuant to a Mandatory Principal Repayment will be 100% of the principal amount of such portion plus any accrued interest thereon on the date of repayment. The “Mandatory Principal Repayment Amount” shall mean the portion of each Senior Toggle Loan that must be required to be repaid to prevent such Senior Toggle Loans from being treated as an “applicable high yield discount obligation” within the meaning of Section 163(i)(1) of the Code. No partial repayment of the Senior Toggle Loans prior to the AHYDO Repayment Date pursuant to any other provision of this Agreement will alter the Borrower’s obligation to make the Mandatory Principal Repayment with respect to any Senior Toggle Loans that remain outstanding on the AHYDO Repayment Date.

(d) Interest, Funding Losses, Etc. All prepayments under this Section 2.11 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurocurrency Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Loan pursuant to Section 2.16.

SECTION 2.12 Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the Fee Letter at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

SECTION 2.13 Interest.

(a) (i) Subject to Section 2.13(d), each Senior Cash Pay Loan that is an ABR Loan shall bear interest on the Outstanding Amount thereof from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate per annum equal to the Applicable ABR Margin plus the ABR in effect from time to time.

(ii) Subject to Section 2.13(d), each Senior Toggle Loan that is an ABR Loan shall bear interest on the Outstanding Amount thereof (A) from the date of the Borrowing thereof until January 28, 2013 (the “PIK Interest Termination Date”), at the Borrower’s election (other than the initial interest payment, which shall be made in cash): (1) entirely in cash (“Cash Interest”), (2) entirely by increasing the principal amount of the outstanding Loans (“PIK Interest”) or (3) 50.0% as Cash Interest and 50.0% as PIK Interest (on a pro rata basis among the Lenders holding Senior Toggle Loans) and (B) from the PIK Interest Termination Date until maturity (whether by acceleration or otherwise) entirely as Cash Interest. Any Cash Interest shall accrue for each day at a rate per annum equal to the Applicable ABR Margin plus the ABR in effect from time to time. Any PIK Interest shall accrue for each day during such interest period related to such Interest Payment Date on the Senior Toggle Loans at a rate per annum equal to the Applicable ABR Margin plus the ABR in effect from time to time plus the PIK Margin.

(b) (i) Subject to Section 2.13(d), each Senior Cash Pay Loan that is a Eurocurrency Loan shall bear interest on the Outstanding Amount thereof from the date of the

Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate per annum equal to the Applicable Eurocurrency Margin plus the Eurocurrency Rate in effect from time to time.

(ii) Subject to Section 2.13(d), each Senior Toggle Loan that is a Eurocurrency Loan shall bear interest on the Outstanding Amount thereof (A) for any applicable Interest Period from the date of the Borrowing thereof until the PIK Interest Termination Date, at the Borrower's election (other than the initial interest payment, which shall be made in cash): (1) entirely as Cash Interest, (2) entirely as PIK Interest or (3) 50.0% as Cash Interest and 50.0% as PIK Interest (on a pro rata basis among the Lenders holding Senior Toggle Loans) and (B) for any applicable Interest Period from the PIK Interest Termination Date until maturity (whether by acceleration or otherwise) entirely as Cash Interest. Any Cash Interest shall accrue for each day at a rate per annum equal to the Applicable Eurocurrency Rate Margin plus the Eurocurrency Rate in effect from time to time. Any PIK Interest shall accrue for each day during such Interest Period related to such Interest Payment Date on the Senior Toggle Loans at a rate per annum equal to the Applicable Eurocurrency Rate Margin plus the Eurocurrency Rate in effect from time to time plus the PIK Margin.

All PIK Interest shall be treated as principal of the applicable Senior Toggle Loans for all purposes of this agreement (regardless of whether evidenced by any promissory note).

(c) Prior to the PIK Interest Termination Date, the Borrower may elect the form of interest payment on Senior Toggle Loans with respect to each Interest Period by delivering a notice (the "Interest Election Notice") to the Administrative Agent thirty (30) Business Days prior to (i) the commencement of the relevant Interest Period in the case of Eurocurrency Loans or (ii) the Interest Payment Date immediately preceding the Interest Payment Date on which the Borrower elect to pay PIK Interest, in the case of ABR Loans. Each Interest Election Notice shall include information to the following effect: (1) the relevant Interest Payment Date; (2) whether interest shall be paid on such Interest Payment Date entirely as Cash Interest, entirely as PIK Interest or 50.0% as Cash Interest and 50.0% as PIK Interest; and (3) if interest shall be paid as PIK Interest, the increase in the principal amount of the Senior Toggle Loans to be effective upon the relevant Interest Payment Date as a result of such payment and the principal amount of the Senior Toggle Loans outstanding as of such Interest Payment Date giving effect to such payment. If the Borrower does not deliver an Interest Election Notice pursuant to this Section 2.13(c), the interest on the Senior Toggle Loans will be payable on the related Interest Payment Date for such Interest Period in the form of Cash Interest.

(d) The Borrower agrees to pay interest on past due amounts under this Agreement at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(e) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest

hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Bankruptcy Law.

(f) It is the intention of the parties hereto to comply strictly with applicable usury laws; accordingly, it is stipulated and agreed that the aggregate of all amounts which constitute interest under applicable usury laws, whether contracted for, charged, taken, reserved, or received, in connection with the Indebtedness evidenced by this Agreement or any Senior Exchange Notes, or any other document relating or referring hereto or thereto, now or hereafter existing, shall never exceed under any circumstance whatsoever the maximum amount of interest allowed by applicable usury laws.

SECTION 2.14 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurocurrency Loan:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Eurocurrency Rate, as applicable, for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the Eurocurrency Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their applicable Loans for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Loan to, or continuation of any Loan as, a Eurocurrency Loan shall be ineffective and such Loan shall be converted to or continued as on the last day of the Interest Period applicable thereto as an ABR Loan, and (ii) if any Borrowing Request requests a Eurocurrency Loan, such Loan shall be made as an ABR Loan.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Mandatory Costs); or

(ii) impose on any Lender or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender such additional

amount or amounts as will compensate such for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender shall notify the Borrower thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided, that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) The foregoing provisions of this Section 2.15 shall not apply in the case of any Change in Law in respect of Taxes, which shall instead be governed by Section 2.17.

**SECTION 2.16 Break Funding Payments.** In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto or (c) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by a Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Eurocurrency Rate that would have been applicable to such Loan,

for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in dollars of a comparable amount and period from other banks in the Eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

SECTION 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party hereunder shall be made free and clear of and without withholding or deduction for any Indemnified Taxes or Other Taxes; provided, that if a Loan Party shall be required to withhold or deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required withholding or deductions (including withholding or deductions applicable to additional sums payable under this Section) the Administrative Agent or any Lender as applicable, receives an amount equal to the sum it would have received had no such withholding or deductions been made, (ii) such Loan Party shall make such withholding or deductions and (iii) such Loan Party shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Loan Party shall indemnify the Administrative Agent and each Lender within 10 days after written demand therefor, for the full amount of any Indemnified Taxes payable by the Administrative Agent or such Lender, as applicable, on or with respect to any payment by or on account of any obligation of such Loan Party hereunder (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section), and any Other Taxes (including Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to such Loan Party by a Lender, or by the Administrative Agent on its own behalf, on behalf of another Agent or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Any Lender that is entitled to an exemption from or reduction of withholding Tax or backup withholding Tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), to the extent such Lender is legally entitled to do so, at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law, or as may reasonably be requested by the Borrower to permit such payments to be made without such withholding tax or at a reduced rate; provided that, with respect to any withholding tax imposed by any jurisdiction other than the United States, a Lender shall not be required to provide any documentation if such Lender reasonably determines that doing so would be materially disadvantageous to such Lender.

(f) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two original copies of whichever of the following is applicable: (i) duly completed copies of Internal Revenue Service Form W-8BEN (or any subsequent versions thereof or successors thereto), claiming eligibility for benefits of an income tax treaty to which the United States of America is a party, (ii) duly completed copies of Internal Revenue Service Form W-8ECI (or any subsequent versions thereof or successors thereto), (iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 871(h) or 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of section 871(h)(3) or 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code and (y) duly completed copies of Internal Revenue Service Form W-8BEN (or any subsequent versions thereof or successors thereto), (iv) duly completed copies of Internal Revenue Service Form W-8IMY, together with appropriate forms and certificates described in clauses (i) through (iii) above (additional Form W-8IMYs, withholding statements and other information) as may be required or (v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made. In addition, in each of the foregoing circumstances, each Foreign Lender shall deliver such forms, if legally entitled to deliver such forms, promptly upon the obsolescence, expiration or invalidity of any form previously delivered by such Foreign Lender. Each Foreign Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the United States of America or other taxing authorities for such purpose). In addition, each Lender that is not a Foreign Lender shall deliver to the Borrower and the Administrative Agent two copies of Internal Revenue Service Form W-9 (or any subsequent versions thereof or successors thereto) on or before the date such Lender becomes a party and upon the expiration of any form previously delivered by such Lender. Notwithstanding any other provision of this paragraph, a Lender shall not be required to deliver any form pursuant to this paragraph that such Lender is not legally able to deliver.

(g) If the Administrative Agent or a Lender has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or Lender in good faith, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This Section 2.17 shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems in good faith to be confidential) to the Loan Parties or any other person. Notwithstanding anything to the contrary, in no event will any Lender be required to pay any amount to a Loan Party the payment of which would place such Lender in a less favorable net after tax position than such Lender would have been in if the additional amounts giving rise to such refund of any Indemnified Taxes or Other Taxes had never been paid.

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or of amounts payable under Section 2.15, 2.16, or 2.17, or otherwise) without condition or deduction for any defense, recoupment, set-off or counterclaim. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m. Local Time on the date specified herein. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. Without limiting the generality of the foregoing, the Administrative Agent may require that any payments due under this Agreement be made in the United States. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative

Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrower to pay fully all amounts of principal, interest and fees then due from the Borrower hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties and (ii) second, towards payment of principal of Loans then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) Except as permitted by the second proviso of Section 2.11(b)(iv), if any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans, resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph (c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Overnight Rate.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.02(h) and 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender is a Defaulting Lender, or if any Lender is the subject of a Disqualification, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided, that (i) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender. No action by or consent of the removed Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such removed Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such removed Lender does not comply with Section 9.04 within one Business Day after the Borrower's request, compliance with Section 9.04 shall not be required to effect such assignment.

(c) If any Lender (such Lender, a “Non-Consenting Lender”) has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) at its sole expense (including with respect to the processing and recordation fee referred to in Section 9.04(b)(ii)(B)) to replace such Non-Consenting Lender by deeming such Non-Consenting Lender to have assigned its Loans, and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent (unless such assignee is a Lender, an Affiliate of a Lender or an Approved Fund); provided, that: (a) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment (including any amount payable pursuant to Section 2.11(a)) and (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such Non-Consenting Lender does not comply with Section 9.04 within one Business Day after the Borrower’s request, compliance with Section 9.04 shall not be required to effect such assignment.

SECTION 2.20 Illegality. If any Lender reasonably determines that any change in law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable Lending Office to make or maintain any Eurocurrency Loans in any currency, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans in such currency or to convert ABR Loans to Eurocurrency Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall upon demand from such Lender (with a copy to the Administrative Agent), either (i) convert all Eurocurrency Loans of such Lender to ABR Loans on the last day of such Interest Period (or, otherwise, immediately convert such Eurocurrency Loans to ABR Loans) or (ii) prepay such Eurocurrency Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.21 Permanent Refinancing.

(a) On the Rollover Date,

(i) all outstanding Senior Interim Cash Pay Loans shall be converted into term loans (each, a “Senior Cash Pay Term Loan”) having an aggregate principal amount equal to the Outstanding Amount of such Senior Interim Cash Pay Loans, in each case to the extent that such Senior Interim Cash Pay Loans are not repaid in whole or in part in cash on or prior to such date; and

(ii) all outstanding Senior Interim Toggle Loans shall be converted into term loans (each, a “Senior Toggle Term Loan”) having an aggregate principal amount equal to the Outstanding Amount of such Senior Interim Toggle Loans, in each case to the extent that such Senior Interim Toggle Loans are not repaid in whole or in part in cash on or prior to such date.

(b) (i) On the Rollover Date or on the fifteenth day of each calendar month (each, an “Exchange Date”), or if such day is not a Business Day, the preceding Business Day, after the Rollover Date, at the option of the applicable Lender, (A) the Senior Cash Pay Term Loans may be exchanged in whole or in part for one or more Senior Cash Pay Exchange Notes having an aggregate principal amount equal to the Outstanding Amount of such Senior Cash Pay Term Loans and (B) the Senior Toggle Term Loans may be exchanged in whole or in part for one or more Senior Toggle Exchange Notes having an aggregate principal amount equal to the Outstanding Amount of such Senior Toggle Term Loans; provided, however, that the Borrower shall not be required to issue Senior Cash Pay Exchange Notes or Senior Toggle Exchange Notes, as the case may be, until the Borrower shall have received requests to issue at least \$100,000,000 in aggregate principal amount of Senior Cash Pay Exchange Notes or Senior Toggle Exchange Notes, as the case may be. On each Exchange Date, the Borrower shall pay to the Administrative Agent for the account of the applicable Lender any accrued and unpaid interest on such Lender’s Loans being exchanged for Senior Exchange Notes on such date. The terms of the Senior Cash Pay Exchange Notes and the Senior Toggle Exchange Notes will be set forth in the Senior Notes Indenture.

(ii) Such Lender shall provide the Borrower prior irrevocable written notice of such election (each such notice, an “Exchange Notice”), substantially in the form of Exhibit J, at least five Business Days prior to the date of exchange (fifteen (15) Business Days if the Exchange Date is the Rollover Date). The Exchange Notice shall specify the principal amount of Senior Term Loans to be exchanged (which shall be at least \$1,000,000 and integral multiples of \$1,000,000 in excess thereof for each Class of Loans or the entire remaining aggregate principal amount of Loans of such Lender), the Exchange Date, which shall be a Business Day, and, subject to the terms of the Senior Notes Indenture, the name of the proposed registered holder and the amount of each Senior Exchange Note requested; provided, however, that no Lender shall be permitted to exchange only a portion of its Loans unless such Lender intends at the time of such exchange to transfer the Senior Exchange Notes to a third-party Person that is not an Affiliate of such Lender. Senior Term Loans exchanged for Senior Exchange Notes pursuant to this Section 2.21 shall be deemed repaid and canceled, and the Senior Exchange Notes so issued shall be governed by and construed in accordance with the provisions of the Senior Notes Indenture. The Senior Exchange Notes shall be issued in the form set forth in the Senior Notes Indenture.

(iii) As more particularly provided in the Senior Notes Indenture, (i) (A) Senior Cash Pay Exchange Notes issued pursuant to the Senior Notes Indenture shall bear interest at the rate applicable to Senior Cash Pay Term Loans in effect on the date of such exchange, (B) Senior Toggle Exchange Notes issued pursuant to the Senior Notes Indenture shall bear interest at the rate applicable to Senior Toggle Term Loans in effect on the date of such exchange, and (C) Senior Cash Pay Exchange Notes issued pursuant to the Senior Notes

Indenture shall mature on January 28, 2016 Senior Toggle Exchange Notes issued pursuant to the Senior Notes Indenture shall mature on January 28, 2018 and Senior Exchange Notes shall be redeemable as set forth in the Senior Notes Indenture and the applicable form of Senior Exchange Notes attached thereto.

(c) Not later than fifteen Business Days after the Exchange Date following delivery of any Exchange Notice, the Borrower shall (i) deliver a written notice to the trustee under the Senior Notes Indenture (the "Senior Note Trustee"), directing such Senior Note Trustee to authenticate and deliver Senior Exchange Notes as specified in the Exchange Notice and (ii) use all commercially reasonable efforts to effect delivery of such Senior Exchange Notes to the requesting Lender.

(d) The Borrower agrees that as a condition to the effectiveness of the exchange of Senior Term Loans for Senior Exchange Notes:

(i) The Borrower shall have issued the Senior Exchange Notes pursuant to the Senior Notes Indenture substantially in the applicable form set forth therein, and the Borrower and each Guarantor shall have executed and delivered the Senior Notes Indenture.

(ii) The Borrower and each Guarantor shall have provided to the Administrative Agent copies of resolutions of its board of directors approving the execution and delivery of the Senior Notes Indenture and, in the case of the Borrower, the issuance of the Senior Exchange Notes, together with a customary certificate of the secretary of such Borrower or such Guarantor certifying such resolutions.

(iii) The Borrower and each Guarantor shall have executed and delivered the Senior Exchange Notes Registration Rights Agreement.

(iv) The Borrower and each Guarantor shall have provided to the Lenders copies of resolutions of its board of directors approving the execution and delivery of the Senior Exchange Notes Registration Rights Agreement, together with a customary certificate of the secretary of such Borrower or such Guarantor certifying such resolutions.

(v) The Borrower shall have caused its counsel to deliver to the Administrative Agent an executed legal opinion in form and substance customary for a transaction of that type to be mutually agreed upon by the Borrower and the Administrative Agent (including, without limitation, with respect to due authorization, execution and delivery, validity and enforceability of the Senior Exchange Notes, the Senior Notes Indenture and the Senior Exchange Note Registration Rights Agreement).

(e) If the foregoing conditions set forth in Section 2.21(d) are not satisfied on the Rollover Date, then the Lenders shall retain all of their rights and remedies with respect to the Senior Term Loans pursuant to this Agreement until such conditions are satisfied and the Senior Term Loans are so exchanged for Senior Exchange Notes. The Borrower agrees to satisfy the conditions set forth in Section 2.21(d) no later than fifteen Business Days after its receipt of the first Exchange Notice and, if the Exchange Date is the Rollover Date, subject to the occurrence of the Rollover Date.

(f) Nothing in this Section 2.21 shall prevent or limit the ability of the Borrower from repaying or refinancing the Senior Term Loans in any other manner not otherwise prohibited by this Agreement.

(g) It is understood and agreed that the Senior Term Loans exchanged for the Senior Exchange Notes constitute the same indebtedness as such Senior Exchange Notes and that no novation shall be effected by any such exchange.

### ARTICLE III Representations and Warranties

The Borrower represents and warrants to each of the Lenders that:

SECTION 3.01 Organization; Powers. Except as set forth on Schedule 3.01, the Borrower and each of the Material Subsidiaries (a) is a partnership, limited liability company or corporation duly organized, validly existing and in good standing (or, if applicable in a foreign jurisdiction, enjoys the equivalent status under the laws of any jurisdiction of organization outside the United States) under the laws of the jurisdiction of its organization, (b) has all requisite power and authority to own its property and assets and to carry on its business as now conducted, (c) is qualified to do business in each jurisdiction where such qualification is required, except where the failure so to qualify would not reasonably be expected to have a Material Adverse Effect, and (d) has the power and authority to execute, deliver and perform its obligations under each of the Loan Documents and each other agreement or instrument contemplated thereby to which it is or will be a party and, in the case of the Borrower, to borrow and otherwise obtain credit hereunder.

SECTION 3.02 Authorization. The execution, delivery and performance by the Borrower and each of the Loan Parties of each of the Loan Documents to which it is a party, and the borrowings hereunder and the transactions forming a part of the Transactions (a) have been duly authorized by all corporate, stockholder, partnership or limited liability company action required to be obtained by the Borrower and such Loan Parties and (b) will not (i) violate (A) any provision of law, statute, rule or regulation, or of the certificate or articles of incorporation or other constitutive documents (including any partnership, limited liability company or operating agreements) or by-laws of the Borrower or any such Loan Party, (B) any applicable order of any court or any rule, regulation or order of any Governmental Authority or (C) any provision of any indenture, certificate of designation for preferred stock, agreement or other instrument to which the Borrower or any such Loan Party is a party or by which any of them or any of their property is or may be bound, (ii) be in conflict with, result in a breach of or constitute (alone or with notice or lapse of time or both) a default under, give rise to a right of or result in any cancellation or acceleration of any right or obligation (including any payment) or to a loss of a material benefit under any such indenture, certificate of designation for preferred stock, agreement or other instrument, where any such conflict, violation, breach or default referred to in clause (i) or (ii) of this Section 3.02(b), would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, or (iii) result in the creation or imposition of any Lien upon or with respect to any property or assets now owned or hereafter acquired the Borrower or any such Loan Party, other than the Permitted Liens.

SECTION 3.03 Enforceability. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document when executed and delivered by each Loan Party that is party thereto will constitute, a legal, valid and binding obligation of such Loan Party enforceable against each such Loan Party in accordance with its terms, subject to (i) the effects of bankruptcy, insolvency, moratorium, reorganization, fraudulent conveyance or other similar laws affecting creditors' rights generally, (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and (iii) implied covenants of good faith and fair dealing.

SECTION 3.04 Governmental Approvals. No action, consent or approval of, registration or filing with or any other action by any Governmental Authority is or will be required in connection with the Transactions or the exercise by any Agent or any Lender of its rights under the Loan Documents, except for (a) such actions, consents and approvals under Gaming Laws or from Gaming Authorities the failure of which to be obtained or made would not reasonably be expected to have a Material Adverse Effect, (b) such as have been made or obtained and are in full force and effect, (c) such actions, consents and approvals the failure of which to be obtained or made would not reasonably be expected to have a Material Adverse Effect and (d) filings or other actions listed on Schedule 3.04.

SECTION 3.05 Financial Statements.

(a) The unaudited *pro forma* consolidated balance sheet and related consolidated statements of income and cash flows of the Borrower, together with its consolidated Subsidiaries (including the notes thereto) (the "Pro Forma Financial Statements") and *pro forma* adjusted EBITDA for the fiscal year ending December 31, 2006 and the four fiscal quarter period ended September 30, 2007 (the "Pro Forma Adjusted EBITDA"), copies of which have heretofore been furnished to each Lender (via inclusion in the Information Memorandum), have been prepared giving effect (as if such events had occurred on such date) to the Transactions and the Post-Closing CMBS Transaction. Each of the Pro Forma Financial Statements and the Pro Forma Adjusted EBITDA has been prepared in good faith based on assumptions believed by the Borrower to have been reasonable as of the date of delivery thereof (it being understood that such assumptions are based on good faith estimates of certain items and that the actual amount of such items on the Closing Date is subject to change), and presents fairly in all material respects on a *pro forma* basis the estimated financial position of the Borrower and its consolidated Subsidiaries as at September 30, 2007, assuming that the Transactions and the Post-Closing CMBS Transaction had actually occurred at such date, and the results of operations of Borrower and its consolidated subsidiaries for the twelve-month period ended September 30, 2007, assuming that the Transactions and the Post-Closing CMBS Transaction had actually occurred on the first day of such twelve-month period.

(b) The audited consolidated balance sheets of the Company as at December 31, 2004, 2005 and 2006, and the related audited consolidated statements of income and cash flows for such fiscal years, reported on by and accompanied by a report from Deloitte & Touche LLP, copies of which have heretofore been furnished to each Lender, present fairly in all material respects the consolidated financial position of the Company as at such date and the consolidated results of operations and cash flows of the Company for the years then ended.

(c) The unaudited consolidated balance sheet of the Company as at September 30, 2007 and the related unaudited consolidated statements of income and cash flows for the nine-month period ended September 30, 2007, copies of which have heretofore been furnished to each Lender, present fairly in all material respects the consolidated financial position of the Company as at such date and the consolidated results of operations and cash flows of the Company for such period (subject to normal year-end audit adjustments and the absence of footnotes).

SECTION 3.06 No Material Adverse Effect. After the Closing Date, there has been no event or circumstance that has had or would reasonably be expected to have a Material Adverse Effect.

SECTION 3.07 Title to Properties; Possession Under Leases.

(a) Each of the Borrower and the Subsidiaries has valid fee simple title to, or valid leasehold interests in, or easements or other limited property interests in, all its Real Properties and has valid title to its personal property and assets, in each case, except for Permitted Liens and except for defects in title that do not materially interfere with its ability to conduct its business as currently conducted or to utilize such properties and assets for their intended purposes and except where the failure to have such title would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. All such properties and assets are free and clear of Liens, other than Permitted Liens.

(b) None of the Borrower or its Subsidiaries have defaulted under any leases to which it is a party, except for such defaults as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. All of the Borrower's or Subsidiaries' leases are in full force and effect, except leases in respect of which the failure to be in full force and effect would not reasonably be expected to have a Material Adverse Effect. (d) For purposes of determining compliance with this covenant:

(i) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness described in clause (b)(i) through (xxv) above or is entitled to be Incurred pursuant to clause (a) of this covenant, the Borrower shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) in any manner that complies with this covenant; and

(ii) at the time of incurrence, the Borrower shall be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in the first and second paragraphs above without giving pro forma effect to the Indebtedness Incurred pursuant to the second paragraph above when calculating the amount of Indebtedness that may be Incurred pursuant to clause (a) above.

(e) Accrual of interest, the accretion of accreted value, the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as applicable, amortization of original issue discount, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies shall not be deemed to be an Incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this covenant. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the

determination of such amount of Indebtedness; provided that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this covenant.

(f) For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt; provided that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

(g) Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that the Borrower and its Restricted Subsidiaries may incur pursuant to this covenant shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

(iv) make any Restricted Investment

(all such payments and other actions set forth in clauses (i) through (iv) above being collectively referred to as “Restricted Payments”), unless, at the time of such Restricted Payment (x) no Default shall have occurred and be continuing or would occur as a consequence thereof; (y) immediately after giving effect to such transaction on a pro forma basis, the Borrower could incur \$1.00 of additional Indebtedness under Section 5.02(a); and (z) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Borrower and its Restricted Subsidiaries after the Closing Date (including Restricted Payments permitted by clauses (i), (ii) (with respect to the payment of dividends on Refunding Capital Stock (as defined below) pursuant to clause (C) thereof), (vi)(C), (viii), (xiii)(B) and (xx) of the next clause (b) below, but excluding all other Restricted Payments permitted by clause (b)), is less than the amount equal to the Cumulative Credit.

otherwise acquire any Equity Interests of any direct or indirect parent of the Borrower) in an aggregate amount per year no greater than the aggregate amount of dividends per annum that were declarable and payable on such Retired Capital Stock immediately prior to such retirement;

(iii) the redemption, repurchase, defeasance, or other acquisition or retirement of Subordinated Indebtedness of the Borrower or any Guarantor made by exchange for, or out of the proceeds of the substantially concurrent sale of, new Indebtedness of the Borrower or a Guarantor which is Incurred in accordance with Section 5.02 so long as

- (b) make loans or advances to the Borrower or any of its Restricted Subsidiaries; or
- (c) sell, lease or transfer any of its properties or assets to the Borrower or any of its Restricted Subsidiaries;

except in each case for such encumbrances or restrictions existing under or by reason of:

- (i) contractual encumbrances or restrictions in effect on the Closing Date, including pursuant to the Credit Agreement, the other Credit Agreement Documents, the Senior Unsecured Notes and the Senior Unsecured Notes Indenture and the Senior Notes and the Senior Notes Indenture;

- (iii) applicable law or any applicable rule, regulation or order;
- (iv) any agreement or other instrument of a Person acquired by the Borrower or any Restricted Subsidiary which was in existence at the time of such acquisition (but not created in contemplation thereof or to provide all or any portion of the funds or credit support utilized to consummate such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person and its Subsidiaries, or the property or assets of the Person and its Subsidiaries, so acquired, and any agreement or other instrument existing on the date of the Post-Closing CMBS Transaction with respect to properties and assets that are subject to the Post-Closing CMBS Transaction;
- (v) contracts or agreements for the sale of assets, including any restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of the Capital Stock or assets of such Restricted Subsidiary;
- (vi) Secured Indebtedness otherwise permitted to be Incurred pursuant to Sections 5.02 and 5.10 that limit the right of the debtor to dispose of the assets securing such Indebtedness;
- (vii) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
- (viii) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;
- (ix) purchase money obligations for property acquired and Capitalized Lease Obligations in the ordinary course of business;
- (x) customary provisions contained in leases, licenses and other similar agreements entered into in the ordinary course of business;
- (xi) any encumbrance or restriction of a Receivables Subsidiary effected in connection with a Qualified Receivables Financing; provided, however, that such restrictions apply only to such Receivables Subsidiary;
- (xii) other Indebtedness, Disqualified Stock or Preferred Stock (A) of any Restricted Subsidiary of the Borrower that is a Guarantor or a Foreign Subsidiary, (B) of any Restricted Subsidiary that is not a Guarantor or a Foreign Subsidiary so

long as such encumbrances and restrictions contained in any agreement or instrument shall not materially affect the Borrower's ability to make anticipated principal or interest payments on the Loans (as determined in good faith by the Borrower) or (C) of any Restricted Subsidiary incurred in connection with any Project Financing, provided that in the case of each of clauses (A) and (B), such Indebtedness, Disqualified Stock or Preferred Stock is permitted to be Incurred subsequent to the Closing Date by Section 5.02;

(xiii) any Restricted Investment not prohibited by Section 5.03 and any Permitted Investment; or

(xiv) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (i) through (xiii) above; provided that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Borrower, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this covenant, (a) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (b) the subordination of loans or advances made to the Borrower or a Restricted Subsidiary of the Borrower to other Indebtedness Incurred by the Borrower or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

#### SECTION 5.05 Transactions with Affiliates.

(a) The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Borrower (each of the foregoing, an "Affiliate Transaction") involving aggregate consideration in excess of \$25,000,000, unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to the Borrower or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$75,000,000,

the Borrower delivers to the Administrative Agent a resolution adopted in good faith by the majority of the Board of Directors of the Borrower, approving such Affiliate Transaction and set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with clause (i) above.

(b) The foregoing provisions shall not apply to the following:

(i) transactions between or among the Borrower and/or any of its Restricted Subsidiaries (or an entity that becomes a Restricted Subsidiary as a result of such transaction) and any merger, consolidation or amalgamation of the Borrower and any direct parent of the Borrower; provided that such parent shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Borrower and such merger, consolidation or amalgamation is otherwise in compliance with the terms of this Agreement and effected for a bona fide business purpose;

(ii) Restricted Payments permitted by Section 5.03 and Permitted Investments;

(iii)(x) the entering into of any agreement (and any amendment or modification of any such agreement so long as, in the good faith judgment of the Board of Directors of the Borrower, any such amendment is not disadvantageous to the Lenders when taken as a whole, as compared to such agreement as in effect on the Closing Date) to pay, and the payment of, management, consulting, monitoring and advisory fees to the Sponsors in an aggregate amount in any fiscal year not to exceed the greater of (A) \$30,000,000 and (B) 1% of EBITDA of the Borrower and its Restricted Subsidiaries for the immediately preceding fiscal year, plus out-of-pocket expense reimbursement; provided, however, that any payment not made in any fiscal year may be carried forward and paid in the following two fiscal years and (y) the payment of the present value of all amounts payable pursuant to any agreement described in clause (iii)(x) in connection with the termination of such agreement;

(iv) the payment of reasonable and customary fees and reimbursement of expenses paid to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Borrower or any Restricted Subsidiary, any direct or indirect parent of the Borrower;

(v) payments by the Borrower or any of its Restricted Subsidiaries to the Sponsors made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures, which payments are (x) made pursuant to the agreements with the Sponsors described in the Senior Unsecured Notes Offering Memorandum or (y) approved by a majority of the Board of Directors of the Borrower in good faith;

(vi) transactions in which the Borrower or any of its Restricted Subsidiaries, as the case may be, delivers to the Administrative Agent a letter from an

Independent Financial Advisor stating that such transaction is fair to the Borrower or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (a) of the preceding paragraph;

(vii) payments or loans (or cancellation of loans) to officers, directors, employees or consultants which are approved by a majority of the Board of Directors of the Borrower in good faith;

(viii) any agreement as in effect as of the Closing Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the Lenders in any material respect than the original agreement as in effect on the Closing Date) or any transaction contemplated thereby as determined in good faith by the Borrower;

(ix) the existence of, or the performance by the Borrower or any of its Restricted Subsidiaries of its obligations under the terms of, Merger Documents, any stockholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Closing Date, and any transaction, agreement or arrangement described in the Senior Unsecured Notes Offering Memorandum and, in each case, any amendment thereto or similar transactions, agreements or arrangements which it may enter into thereafter; provided, however, that the existence of, or the performance by the Borrower or any of its Restricted Subsidiaries of its obligations under, any future amendment to any such existing transaction, agreement or arrangement or under any similar transaction, agreement or arrangement entered into after the Closing Date shall only be permitted by this clause (ix) to the extent that the terms of any such existing transaction, agreement or arrangement together with all amendments thereto, taken as a whole, or new transaction, agreement or arrangement are not otherwise more disadvantageous to the Lenders in any material respect than the original transaction, agreement or arrangement as in effect on the Closing Date;

(x) the execution of the Transactions and the Post-Closing CMBS Transaction, and the payment of all fees and expenses related to the Transactions and the Post-Closing CMBS Transaction, including fees to the Sponsors, which are described in the Senior Unsecured Notes Offering Memorandum or contemplated by the Merger Documents;

(xi) any transfer of Real Estate Assets to a Real Estate Subsidiary on the Closing Date, any transactions made pursuant to any Operations Management Agreement and any transactions in connection with the use of the revolving credit facility under the Credit Agreement for the account or benefit of the Subsidiaries of the Company other than the Borrower and its Subsidiaries (including the distribution of the proceeds of any such revolving Credit Indebtedness and with respect to the issuance of, or payments in respect of drawings under, letters of credit);

(xii)(A) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Agreement, which are fair to the Borrower and its Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Borrower, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party or (B) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business and consistent with past practice or industry norm;

(xiii) any transaction effected as part of a Qualified Receivables Financing;

(xiv) the issuance of Equity Interests (other than Disqualified Stock) of the Borrower to any Person;

(xv) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Borrower or any direct or indirect parent of the Borrower or of a Restricted Subsidiary of the Borrower, as appropriate, in good faith;

(xvi) the entering into of any tax sharing agreement or arrangement that complies with clause (xii) of Section 5.03;

(xvii) any contribution to the capital of the Borrower;

(xviii) transactions permitted by, and complying with, the provisions of Section 5.12;

(xix) transactions between the Borrower or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Borrower or any direct or indirect parent of the Borrower; provided, however, that such director abstains from voting as a director of the Borrower or such direct or indirect parent, as the case may be, on any matter involving such other Person;

(xx) pledges of Equity Interests of Unrestricted Subsidiaries;

(xxi) the formation and maintenance of any consolidated group or subgroup for tax, accounting or cash pooling or management purposes in the ordinary course of business;

(xxii) any employment agreements entered into by the Borrower or any of its Restricted Subsidiaries in the ordinary course of business; and

(xxiii) transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Borrower in an Officer's Certificate) for the

purpose of improving the consolidated tax efficiency of the Borrower and its Subsidiaries and not for the purpose of circumventing any covenant set forth in this Agreement.

SECTION 5.06 Change of Control.

(a) If a Change of Control occurs after the Rollover Date, unless the Borrower have previously or concurrently delivered a prepayment notice with respect to all outstanding Loans as described under Section 2.11(a), the Borrower shall make an offer to prepay all of the Loans pursuant to the offer described below (the "Change of Control Offer") at a price in cash (the "Change of Control Payment") equal to 100.0% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase. Within thirty days following any Change of Control, the Borrower shall deliver a notice of such Change of Control Offer to the Administrative Agent, and the Administrative Agent shall promptly deliver such notice to each Lender to the address of such Lender appearing in the Register or otherwise in accordance with Section 9.01 with the following information:

(i) that a Change of Control has occurred or shall occur (together with the identification of the transaction or transactions that constitute the related Change of Control) and that a Change of Control Offer is being made pursuant to this Section 5.06 and that all Loans properly accepted for prepayment pursuant to such Change of Control Offer shall be prepaid by the Borrower;

(ii) the purchase price and the purchase date, which shall be no earlier than thirty days nor later than sixty days from the date on which such notice is delivered (the "Change of Control Payment Date");

(iii) that any Loan not properly accepted for prepayment in accordance with Section 5.06 shall remain outstanding and continue to accrue interest;

(iv) that unless the Borrower default on the payment of the Change of Control Payment, all Loans accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on the Change of Control Payment Date;

(v) that Lenders electing to have any Loans prepaid pursuant to a Change of Control Offer shall be required to notify the Administrative Agent prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(vi) that Lenders shall be entitled to withdraw their election to require the Borrower to prepay such Loans; provided that the Administrative Agent receives, not later than the close of business on the expiration date of the Change of Control Offer, a facsimile transmission, an electronic mail or letter setting forth the name of such Lender, the principal amount of Loans to be prepaid, and a

statement that such Lender is withdrawing its election to have such Loans prepaid;

(vii) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(viii) the other instructions, as determined by the Borrower, consistent with this Section 5.06, that a Lender must follow.

The notice of a Change of Control Offer, if delivered in a manner herein provided, shall be conclusive evidence of its delivery, whether or not a Lender receives such notice. If (x) the notice is delivered in a manner herein provided and (y) any Lender fails to receive such notice or the notice received by any Lender is defective, such Lender's failure to receive such notice or such defective notice shall not affect the validity of the proceedings for the prepayment of the Loans as to all other Lenders that properly received such notice without defect.

(b) On the Change of Control Payment Date, the Borrower shall, to the extent permitted by law,

(i) prepay all Loans or portions thereof properly accepted for prepayment in accordance with Section 5.06 pursuant to the Change of Control Offer; and

(ii) deposit with the Administrative Agent an amount equal to the aggregate Change of Control Payment in respect of all Loans or portions thereof accepted for prepayment.

(c) The Borrower shall not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Agreement applicable to a Change of Control Offer made by the Borrower and prepays all Loans validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary in the foregoing, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

**SECTION 5.07 Compliance Certificate.** The Borrower shall deliver to the Administrative Agent a duly completed Compliance Certificate within five days after the delivery of the financial statements referred to in Section 5.01(a). When any Event of Default has occurred and is continuing under this Agreement, or if the Administrative Agent or the holder of any other evidence of Indebtedness of the Borrower or any Restricted Subsidiary gives any notice or takes any other action with respect to a claimed Event of Default, the Borrower shall promptly (which shall be no more than five Business Days after becoming aware of such Event of Default) deliver to the Administrative Agent by registered or certified mail or by facsimile

transmission an Officer's Certificate specifying such event and what action the Borrower proposes to take with respect thereto.

SECTION 5.08 Further Instruments and Acts. Upon request of the Administrative Agent, the Borrower shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Agreement.

SECTION 5.09 Future Guarantors. The Borrower shall cause each Wholly Owned Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Receivables Subsidiary or a Domestic Subsidiary that is Wholly Owned by one or more Foreign Subsidiaries and created to enhance the tax efficiency of the Borrower and its Subsidiaries) and that guarantees any Indebtedness of the Borrower or any of the Guarantors to execute and deliver to the Administrative Agent a Guarantee pursuant to which such Subsidiary shall guarantee payment of the Loans and a joinder to the Intercreditor Agreement.

SECTION 5.10 Liens. The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, Incur or suffer to exist any Lien (except Permitted Liens) on any asset or property of the Borrower or such Restricted Subsidiary securing Indebtedness of the Borrower or a Restricted Subsidiary unless the Notes are equally and ratably secured with (or on a senior basis to, in the case of obligations subordinated in right of payment to the Notes) the obligations so secured until such time as such obligations are no longer secured by a Lien. Any Lien which is granted to secure the Loans or such Guarantee pursuant to this covenant shall be automatically released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Loans or such Guarantee.

SECTION 5.11 Exchange Note Indenture. On or prior to the Rollover Date, the Borrower shall (i) enter into the Senior Notes Indenture and (ii) cause counsel to the Borrower to deliver to the Administrative Agent a legal opinion in form and substance customary for a transaction of that type and to be mutually agreed on by the Borrower and the Administrative Agent.

SECTION 5.12 Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets.

(a) The Borrower may not, directly or indirectly, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not the Borrower is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions, to any Person unless:

(i) the Borrower is the surviving person or the Person formed by or surviving any such consolidation, amalgamation, merger, winding up or conversion (if other than the Borrower) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (the Borrower or such Person, as the case may be, being herein called the "Successor Borrower");

provided that in the case where the surviving Person is not a corporation, a co-obligor of the Loans is a corporation;

(ii) the Successor Borrower (if other than the Borrower) expressly assumes all the obligations of the Borrower under this Agreement and the Loans pursuant to an amendment hereto or other documents or instruments in form reasonably satisfactory to the Administrative Agent;

(iii) immediately after giving effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Borrower or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Borrower or such Restricted Subsidiary at the time of such transaction) no Default shall have occurred and be continuing;

(iv) immediately after giving pro forma effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period (and treating any Indebtedness which becomes an obligation of the Successor Borrower or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Borrower or such Restricted Subsidiary at the time of such transaction), either

(A) the Successor Borrower would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 5.02(a); or

(B) the Fixed Charge Coverage Ratio for the Successor Borrower and its Restricted Subsidiaries would be greater than such ratio for the Borrower and its Restricted Subsidiaries immediately prior to such transaction;

(v) if the Borrower is not the Successor Borrower, each Guarantor, unless it is the other party to the transactions described above, shall have by amendment confirmed that its Guarantee shall apply to such Person's obligations under this Agreement and the Loans; and

(vi) the Borrower shall have delivered to the Administrative Agent an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation or transfer and such supplemental indentures (if any) comply with this Agreement.

(b) The Successor Borrower (if other than the Borrower) shall succeed to, and be substituted for, the Borrower under this Agreement and the Loans, and in such event the Borrower shall automatically be released and discharged from its obligations under this Agreement and the Loans. Notwithstanding the foregoing clauses (a)(iii) and (iv), (i) any Restricted Subsidiary may merge, consolidate or amalgamate with or transfer all or part of its properties and assets to the Borrower or to another Restricted Subsidiary, and (ii) the Borrower may merge, consolidate or amalgamate with an Affiliate incorporated solely for the

purpose of reincorporating the Borrower in another state of the United States, the District of Columbia or any territory of the United States or may convert into a limited liability company, so long as the amount of Indebtedness of the Borrower and its Restricted Subsidiaries is not increased thereby. This Section 5.12 shall not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Borrower and its Restricted Subsidiaries.

SECTION 5.13 Asset Sales.

The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless (x) the Borrower or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Borrower) of the assets sold or otherwise disposed of, and (y) at least 75% of the consideration therefor received by the Borrower or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; provided that the amount of:

(a) any liabilities (as shown on the Borrower's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Borrower or any Restricted Subsidiary of the Borrower (other than liabilities that are by their terms subordinated to the Loans or any Guarantee) that are assumed by the transferee of any such assets,

(b) any notes or other obligations or other securities or assets received by the Borrower or such Restricted Subsidiary of the Borrower from such transferee that are converted by the Borrower or such Restricted Subsidiary of the Borrower into cash within 180 days of the receipt thereof (to the extent of the cash received), and

(c) any Designated Non-Cash Consideration received by the Borrower or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value (as determined in good faith by the Borrower), taken together with all other Designated Non-Cash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed the greater of 5.0% of Total Assets and \$850,000,000 at the time of the receipt of such Designated Non-Cash Consideration (with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value)

shall be deemed to be Cash Equivalents for the purposes of this provision.

ARTICLE VI  
Covenant Suspension

SECTION 6.01 Covenant Suspension.

(a) If on any date following the Closing Date, (i) the Loans have Investment Grade Ratings from both Rating Agencies, and (ii) no Default has occurred and is continuing under this Agreement then, beginning on that day and continuing at all times thereafter regardless of any subsequent changes in the rating of the Loans (the occurrence of the events

described in the foregoing clauses (i) and (ii) being collectively referred to as a “Covenant Suspension Event”), the covenants set forth in Sections 5.02, 5.03, 5.04, 5.05, 5.13 and 2.11(b)(ii) and clause (4) of Section 5.12(a) (collectively, the “Suspended Covenants”).

(b) If and while the Borrower and its Restricted Subsidiaries are not subject to the Suspended Covenants, the Loans will be entitled to substantially less covenant protection. In the event that the Borrower and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Agreement for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Loans below an Investment Grade Rating, then the Borrower and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Agreement with respect to future events. The period of time between the Covenant Suspension Event and the Reversion Date is referred to in this description as the “Suspension Period.”

(c) On each Reversion Date, all Indebtedness Incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified as having been Incurred or issued pursuant to Sections 5.02(a) (to the extent such Indebtedness or Disqualified Stock or Preferred Stock would be permitted to be Incurred or issued thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred or issued prior to the Suspension Period and outstanding on the Reversion Date). To the extent such Indebtedness or Disqualified Stock or Preferred Stock would not be so permitted to be Incurred or issued pursuant to the Section 5.02(a), such Indebtedness or Disqualified Stock or Preferred Stock will be deemed to have been outstanding on the Closing Date, so that it is classified as permitted under Section 5.02(b)(iii). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 5.03 will be made as though Section 5.03 had been in effect since the Closing Date and throughout the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will reduce the amount available to be made as Restricted Payments under the 5.03(i). As described above, however, no Default or Event of Default will be deemed to have occurred on the Reversion Date as a result of any actions taken by the Issuer or its Restricted Subsidiaries during the Suspension Period.

(d) For purposes of Section 2.11(b)(ii), on the Reversion Date, the unutilized Excess Proceeds amount will be reset to zero.

## ARTICLE VII Events of Default

SECTION 7.01 Events of Default. Each of the events referred to in clauses (a) through (h) below of this section 7.01 shall constitute an “Event of Default”:

(a) there is a default in any payment of interest (including any additional interest) on any Loans when the same becomes due and payable, and such default continues for a period of 30 days,

(b) there is a default in the payment of principal or premium, if any, of any Loan when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise,

(c) either of the Borrower or any of the Restricted Subsidiaries of the Borrower fails to comply with any of its agreements in the Loan Documents (other than those referred to in clause (a) or (b) above) and such failure continues for 60 days after the notice specified below,

(d) either of the Borrower or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) fails to pay any Indebtedness (other than Indebtedness owing to either of the Borrower or a Restricted Subsidiary of the Borrower) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the lenders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds \$150,000,000 or its foreign currency equivalent,

(e) either of the Borrower or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) of the Company pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case;

(ii) consents to the entry of an order for relief against it in an involuntary case;

(iii) consents to the appointment of a Custodian of it or for any substantial part of its property; or

(iv) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency,

(f) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against either of the Borrower or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) of the Company in an involuntary case;

(ii) appoints a Custodian of either of the Borrower or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) of the Company or for any substantial part of its property; or

(iii) orders the winding up or liquidation of either of the Borrower or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) of the Company;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days,

(g) either of the Borrower or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) fails to pay final judgments aggregating in excess of \$150,000,000 or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days following the entry thereof, or

(h) any Guarantee of the Company or a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) ceases to be in full force and effect (except as contemplated by the terms thereof) or the Company or any Guarantor denies or disaffirms its obligations under this Indenture or any Guarantee and such Default continues for 10 days after the notice specified below.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

A Default under clause (c) above shall not constitute an Event of Default until the Administrative Agent notifies the Borrower or the Lenders of at least 25% in principal amount of the outstanding Loans notify the Borrower and the Administrative Agent of the Default and the Borrower do not cure such Default within the time specified in clause (c) above after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default." The Borrower shall deliver to the Administrative Agent, within five (5) Business Days after the occurrence thereof, written notice in the form of an Officer's Certificate of any event which is, or with the giving of notice or the lapse of time or both would become, an Event of Default, its status and what action the Borrower are taking or propose to take with respect thereto.

#### SECTION 7.02 Remedies upon Event of Default.

(a) If any Event of Default under Section 7.01(a) or (b) occurs and is continuing, the Administrative Agent shall (i) at the request of the Required Cash Pay Lenders, declare the unpaid principal amount of all outstanding Senior Cash Pay Loans, all interest accrued and unpaid thereon and all other amounts owing or payable hereunder or under any other Loan Document in respect of such Senior Cash Pay Loans to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower and (ii) at the request of the Required Toggle Lenders, declare the unpaid principal amount of all outstanding Senior Toggle Loans, all interest accrued and unpaid thereon and all other amounts owing or payable hereunder or under any other Loan Document in respect of such Senior Toggle Loans to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower.

(b) If any Event of Default under Section 7.01(c) through (h) occurs and is continuing, the Administrative Agent shall, at the request of the Required Lenders, take any or all of the following actions:

(i) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and

(ii) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of any Event of Default under Section 7.01(e) or (f) with respect to the Borrower, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, in each case without further act of the Administrative Agent or any Lender.

**SECTION 7.03 Application of Funds.** After the exercise of remedies provided for in Section 7.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 7.02), any amounts received on account of the Loan Obligations shall be applied by the Administrative Agent in the following order:

*First*, to payment of that portion of the Loan Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including attorney costs payable under Section 9.05) payable to the Administrative Agent in its capacity as such;

*Second*, to payment of that portion of the Loan Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including attorney costs payable under Section 9.05), ratably among them in proportion to the amounts described in this clause Second payable to them;

*Third*, to payment of that portion of the Loan Obligations constituting accrued and unpaid interest on the Loans, ratably among the Lenders;

*Fourth*, to payment of that portion of the Loan Obligations constituting unpaid principal of the Loans, ratably among the Lenders;

*Fifth*, to the payment of all other Loan Obligations of the Loan Parties that are due and payable to the Administrative Agent and the Lenders on such date, ratably based upon the respective aggregate amounts of all such Loan Obligations owing to the Administrative Agent and the Lenders on such date; and

*Last*, the balance, if any, after all of the Loan Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by Law.

ARTICLE VIII  
The Agents

SECTION 8.01 Appointment. Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

SECTION 8.02 Delegation of Duties. The Administrative Agent may each execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

SECTION 8.03 Exculpatory Provisions. Neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except for its or such person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any of the Borrower or any other Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of the Borrower or any other Loan Party to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party.

SECTION 8.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or instruction believed by it to be genuine and correct and to have been signed, sent or made by the proper person or persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent may deem and treat the Lender

specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

**SECTION 8.05 Notice of Default.** The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default.” The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders, provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable.

**SECTION 8.06 Non-Reliance on Administrative Agent and Other Lenders.** Each Lender expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Borrower or any other Loan Party, shall be deemed to constitute any representation or warranty by the Administrative Agent to any Lender. Each Lender represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower and other Loan Parties and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower or the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of any Borrower or any other Loan Party that may come

into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates.

SECTION 8.07 Indemnification. The Lenders agree to indemnify the Administrative Agent in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to its respective portion of the total Loans held on the date on which indemnification is sought, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against the Administrative Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents, the Intercreditor Agreement or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent under or in connection with any of the foregoing, provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction. The agreements in this Section 8.07 shall survive the payment of the Loans and all other amounts payable hereunder.

SECTION 8.08 Agent in its Individual Capacity. The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and any other Loan Party as though such persons were not the Administrative Agent hereunder and under the other Loan Documents. With respect to the Loans made by it, the Administrative Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not the Administrative Agent, and the terms "Lender" and "Lenders" shall include the Administrative Agent in its individual capacity.

SECTION 8.09 Successor Agents. The Administrative Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, subject to the reasonable consent of the Borrower so long as no Event of Default under Section 7.01(e) or (f) is continuing, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above; provided that if the retiring Agent shall notify the Borrower and the Lenders that no qualifying person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (2) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as the Administrative Agent hereunder, such successor shall succeed to and become

vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article VIII and Section 9.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as an Agent.

SECTION 8.10 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent or any Lender, or the Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect, in the applicable currency of such recovery or payment. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

SECTION 8.11 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Article II or Section 9.05) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Article II and Section 9.05.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

SECTION 8.12 [Reserved].

SECTION 8.13 Agents and Arrangers. Neither the Syndication Agent, the Documentation Agents, the Joint Bookrunners nor any of the Joint Lead Arrangers shall have any duties or responsibilities hereunder in its capacity as such.

ARTICLE IX  
Miscellaneous

SECTION 9.01 Notices; Communications.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 9.01(b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to any Loan Party or the Administrative Agent, to the address, telecopier number, electronic mail address or telephone number specified for such person on Schedule 9.01; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic

communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices or communications (i) sent to an e-mail address shall be deemed received when delivered and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefore.

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Documents required to be delivered pursuant to Section 5.01 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto on the Borrower's website on the Internet at the website address listed on Schedule 9.01, or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that (A) the Borrower shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrower to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Borrower shall notify the Administrative Agent (by telecopier or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Except for certificates required by Section 5.07, the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

SECTION 9.02 Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents, regardless of any investigation made by such persons or on

their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid and so long as the Commitments have not been terminated. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.17, 8.07 and 9.05) shall survive the payment in full of the principal and interest hereunder and the termination of the Commitments or this Agreement.

SECTION 9.03 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the Borrower, the Administrative Agent and each Lender and their respective permitted successors and assigns.

SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) except pursuant to the Merger, or in connection with the addition of one or more Domestic Subsidiaries as a joint and several co-borrower hereunder, and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in clause (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (i) Subject to the conditions set forth in clause (b)(ii) below, any Lender may assign to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) prior to the Rollover Date, the Borrower with respect to any assignment if, subsequent thereto, the Lenders on the Closing Date (and their Affiliates that are acceptable to the Borrower) would hold, in aggregate, less than 51.0% of the outstanding Loans; and

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans of any Class, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1,000,000 (and shall be in an amount of an integral multiple thereof), unless each of the Borrower and the Administrative Agent otherwise consent; provided, that (1) no such consent of the Borrower shall be required if an Event of Default under Section 7.01(a), (b), (e) or (f) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent (or, if required by the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms required to be delivered pursuant to Section 2.17; and

(D) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

For the purposes of this Section 9.04, "Approved Fund" means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05). Any assignment or transfer

by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 9.04.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, the processing and recordation fee referred to in clause (b) of this Section and any written consent to such assignment required by clause (b) of this Section, the Administrative Agent promptly shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (b)(v).

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to clause (i), (ii), (iii) or (vi) of the first proviso to Section 9.08(b) and (2) directly affects such Participant and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to paragraph (c)(ii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of those Sections) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the

extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal and interest amount of each Participant's interest in the Loans held by it (the "Participant Register"). The entries in the Participant Register shall be conclusive, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of the participation in question for all purposes of this Agreement, notwithstanding notice to the contrary.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld). A Participant shall not be entitled to the benefits of Section 2.17 to the extent such Participant fails to comply with Section 2.17(e) and (f) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent. Each of the Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(g) [Reserved].

(h) Notwithstanding anything to the contrary herein, no assignment may be made or participation sold to an Ineligible Institution. Notwithstanding anything to the contrary herein, the rights of the Lenders to make assignments and grant participations shall be subject to the approval of any Gaming Authority, to the extent required by applicable Gaming Laws.

SECTION 9.05 Expenses; Indemnity.

(a) The Borrower agrees to pay (i) all reasonable documented out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent and the Joint Lead Arrangers in connection with the preparation of this Agreement and the other Loan Documents, or in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof, including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel llp, counsel for the Administrative Agent and the Joint Lead Arrangers, and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, and (ii) all out-of-pocket expenses (including Other Taxes) incurred by the Agents or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made hereunder, including the reasonable fees, charges and disbursements of counsel for the Agents and the Lenders (including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel llp, counsel for the Agents and the Joint Lead Arrangers, and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction and such additional counsel for each of the Lenders to the extent of any conflict of interests).

(b) The Borrower agrees to indemnify the Administrative Agent, the Agents, the Joint Lead Arrangers, each Lender, each of their respective Affiliates and each of their respective directors, partners, officers, employees, agents, trustees and advisors (each such person being called an “Indemnitee”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (limited to not more than one counsel, plus, if necessary, one local counsel per jurisdiction) (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document, the Intercreditor Agreement or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of or otherwise relating to the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by the Company, the Borrower or any of their subsidiaries or Affiliates; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (1) the gross negligence or willful misconduct of such Indemnitee (for purposes this proviso only, each of the Administrative Agent, any Joint Lead Arranger or any Lender shall be treated as several and separate Indemnitees, but each of

them together with its respective Related Parties (other than advisors), shall be treated as a single Indemnitee) or (2) any material breach of any Loan Document by such Indemnitee. Subject to and without limiting the generality of the foregoing sentence, the Borrower agrees to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel or consultant fees, charges and disbursements (limited to not more than one counsel, plus, if necessary, one local counsel per jurisdiction) (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (A) any claim related in any way to Environmental Laws and the Company, the Borrower or any of their Subsidiaries, or (B) any actual or alleged presence, Release or threatened Release of Hazardous Materials at, under, on, from or to any Real Property; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from (1) the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties (other than advisors) or (2) any material breach of any Loan Document by such Indemnitee. None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Sponsors, the Company, the Borrower or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Joint Lead Arranger or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative of any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to Taxes, except taxes that represent damages or losses resulting from a non-Tax claim.

(d) To the fullest extent permitted by applicable law, the Company and the Borrower shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

SECTION 9.06 Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of the Borrower or any Subsidiary against any of and all the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

SECTION 9.07 Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 9.08 Waivers; Amendment.

(a) No failure or delay of the Administrative Agent or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on, the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Administrative Agent (and consented to by the Required Lenders), and (y) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and consented to by the Required Lenders; provided, however, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan without the prior written consent of each Lender directly adversely affected thereby,

(ii) increase or extend the Commitment of any Lender or decrease the fees of any Lender without the prior written consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default shall not constitute an increase of the Commitments of any Lender),

(iii) amend or modify the provisions of this Section 9.08, of Section 7.02(a) or the definition of the terms "Required Lenders," "Required Cash Pay Lenders," "Required Toggle Lenders," "Majority Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby,

(iv) release all or substantially all of the aggregate value of the Guarantees, unless, in each case, to the extent sold or otherwise disposed of in a transaction permitted by this Agreement or the other Loan Documents, without the prior written consent of each Lender; or

(v) amend or modify the provisions of Section 2.21 solely as they pertain to the rights of Lenders to receive Senior Exchange Notes or fix the interest thereof;

provided, further, that (i) no such amendment shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent acting as such at the effective date of such amendment, as applicable and (ii) in the case of any waiver, amendment or modification that is also being sought with respect to the corresponding provision in the Senior Unsecured Notes Indenture, each Lender agrees that "Required Lenders" shall mean Lenders having Loans and holders of Senior Unsecured Notes representing more than 50% of the sum of all Loans and Senior Unsecured Notes outstanding at such time. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any successor or assignee of such Lender.

(c) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

SECTION 9.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the “Charges”), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate; provided, that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation.

SECTION 9.10 Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the syndication provisions and the Borrower’s confidentiality obligations in the Commitment Letter and the Fee Letter and the Engagement Letter shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 9.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

SECTION 9.12 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.13 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken

together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

SECTION 9.14 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.15 Jurisdiction; Consent to Service of Process.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof (collectively, "New York Courts"), in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each of the Loan Parties agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Lenders who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the New York Courts.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

SECTION 9.16 Confidentiality. Each of the Lenders and each of the Agents agrees that it shall maintain in confidence any information relating to the Company, any Parent Entity, the Borrower and any Subsidiary furnished to it by or on behalf of the Company, any Parent Entity, the Borrower or any Subsidiary (other than information that (a) has become available to the public other than as a result of a disclosure by such party in breach of this Section 9.16, (b) has been independently developed by such Lender or such Agent without violating this Section 9.16 or (c) was or becomes available to such Lender or such Agent from a third party which, to such person's knowledge, had not breached an obligation of confidentiality to the Company, any Parent Entity, the Borrower or any other Loan Party) and shall not reveal the same other than to its affiliates, directors, trustees, officers, employees and advisors with a need to know or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self regulatory authorities, including the National Association of Insurance Commissioners or the National Association of Securities Dealers, Inc., (C) in order to enforce its rights under any Loan Document in a legal proceeding, and (D) to any pledgee under Section 9.04(e) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16 or terms substantially similar to this Section) and (E) to any direct or indirect contractual counterparty in Hedging Obligations or such contractual counterparty's professional advisor (so long as such contractual counterparty's professional advisor or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16 or terms substantially similar to this Section).

SECTION 9.17 Platform; Borrower Materials. The Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent, the Joint Lead Arrangers and the Lenders to treat such Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws, (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor;" and (iv) the Administrative Agent and the Joint Lead Arrangers shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to the Borrower, any Lender or any other person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

SECTION 9.18 Release of Guarantees.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release any Guarantor from its obligations under the Guarantee pursuant to this Section 9.18. In each case, the Administrative Agent will promptly (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such Guarantor from its obligations under the Guarantee, in each case in accordance with the terms of the Loan Documents and this Section 9.18.

SECTION 9.19 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase this Agreement Currency with the Judgment Currency. If the amount of this Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in this Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding

any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the amount of this Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to such Borrower (or to any other person who may be entitled thereto under applicable law).

SECTION 9.20 USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

SECTION 9.21 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby, the Borrower acknowledges and agrees that: (i) the Loans provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Borrower, the other Loan Parties and their respective Affiliates, on the one hand, and the Agents, the Joint Lead Arrangers and the Lenders, on the other hand, and the Borrower and the other Loan Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, each Agent, each Joint Lead Arranger and each Lender is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for any of the Borrower, any Loan Party or any of their respective Affiliates, stockholders, creditors or employees or any other person; (iii) none of the Agents, any Joint Lead Arranger or any Lender has assumed or will assume an advisory, agency or fiduciary responsibility in favor of any Borrower or any other Loan Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any Agent, any Joint Lead Arranger or any Lender has advised or is currently advising the Borrower or any other Loan Party or their respective Affiliates on other matters) and none of the Agents, any Joint Lead Arranger or any Lender has any obligation to any of the Borrower, the other Loan Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (iv) the Agents, the Joint Lead Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and the other Loan Parties and their respective Affiliates, and none of the Agents, any Joint Lead Arranger or any Lender has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Agents, the Joint Lead Arrangers and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Borrower and the other Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent

they deemed appropriate. The Borrower hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against the Agents, the Joint Lead Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty.

SECTION 9.22 Application of Gaming Laws

(a) This Agreement and the other Loan Documents are subject to Gaming Laws. Without limiting the foregoing, the Lenders and Agents acknowledge that (i) they are subject to the jurisdiction of the Gaming Authorities and Liquor Authorities, in their discretion, for licensing, qualification or findings of suitability or to file or provide other information, and (ii) all rights, remedies and powers in or under this Agreement and the other Loan Documents and the ownership and operation of facilities are subject to the jurisdiction of the Gaming Authorities and Liquor Authorities, and may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws and Liquor Laws and only to the extent that required approvals (including prior approvals) are obtained from the relevant Gaming Authorities and Liquor Authorities.

(b) Lenders and Agents agree to cooperate with all Gaming Authorities and Liquor Authorities in connection with the provision in a timely manner of such documents or other information as may be requested by such Gaming Authorities and Liquor Authorities relating to the Loan or Loan Documents.

Lenders acknowledge and agree that if the Borrower receives a notice from any applicable Gaming Authority that any Lender is a disqualified holder (and such Lender is notified by the Borrower in writing of such disqualification), the Borrower shall, following any available appeal of such determination by such Gaming Authority (unless the rules of the applicable Gaming Authority do not permit such Lender to retain its Loans or Commitments pending appeal of such determination), have the right to (i) cause such disqualified holder to transfer and assign, without recourse all of its interests, rights and obligations in its Loans and Commitments or (ii) in the event that (A) the Borrower is unable to assign such Loan after using its best efforts to cause such an assignment and (B) no Default or Event of Default has occurred and is continuing, prepay such disqualified holder's Loan. Notice to such disqualified holder shall be given ten days prior to the required date of assignment or prepayment, as the case may be, and shall be accompanied by evidence demonstrating that such transfer or prepayment is required pursuant to Gaming Laws. If reasonably requested by any disqualified holder, the Borrower will use commercially reasonable efforts to cooperate with any such holder that is seeking to appeal such determination and to afford such holder an opportunity to participate in any proceedings relating thereto. Notwithstanding anything herein to the contrary, any prepayment of a Loan shall be at a price that, unless otherwise directed by a Gaming Authority, shall be equal to the sum of the principal amount of such Loan and interest to the date such Lender or holder became a disqualified holder (plus any fees and other amounts accrued for the account of such disqualified holder to the date such Lender or holder became a disqualified holder).

SECTION 9.23 Intercreditor Agreement. The terms of this Agreement are subject to the terms of the Intercreditor Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first written above.

date of such adjustment shall equal the weighted average spread which was applicable to the Loan and the Mezzanine Loans (and the New Mezzanine Loans, if applicable) immediately prior to such adjustment (it being acknowledged that the weighted average spread will remain constant except in connection with the application of principal to such new notes or modified notes following the occurrence of an Event of Default), and (c) the terms and provisions of each of the Loan and the Mezzanine Loans (and the New Mezzanine Loans, if applicable) shall otherwise remain unchanged. ## **Section 2.2. Interest Rate.**

**2.2.1 Interest Generally.** Except as herein provided with respect to interest accruing at the Default Rate, interest on the principal balance of the Loan outstanding from time to time shall accrue from the Closing Date up to and including the Maturity Date (including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through the end of the Interest Period during which the Maturity Date occurs (even if such period extends beyond the Maturity Date)) at the Applicable Interest Rate. Interest on the outstanding principal balance of the Loan existing on the commencement of an Interest Period shall accrue for the entire Interest Period and shall be owed by Borrower for the entire Interest Period regardless of whether any principal portion of the Loan is repaid prior to the expiration of such Interest Period.

**2.2.2 Interest Calculation.** Interest on the outstanding principal balance of the Loan shall be calculated by multiplying (a) the actual number of days elapsed in the period for which the calculation is being made by (b) a daily rate based on a three hundred sixty (360) day year (that is, the Applicable Interest Rate or the Default Rate, as then applicable, expressed as an annual rate divided by 360) by (c) the outstanding principal balance.

**2.2.3 Determination of Interest Rate.** (a) The Applicable Interest Rate with respect to the Loan shall be: (i) LIBOR plus the Spread with respect to the applicable Interest Period for a LIBOR Loan or (ii) the Prime Rate plus the Prime Rate Spread for a Prime Rate Loan if the Loan is converted to a Prime Rate Loan pursuant to the provisions of Section 2.2.3(c) or Section 2.2.3(f).

(b) Subject to the terms and conditions of this Section 2.2.3, the Loan shall be a LIBOR Loan and Borrower shall pay interest on the outstanding principal amount of the Loan at LIBOR plus the Spread for the applicable Interest Period. Any change in the rate of interest hereunder due to a change in the Applicable Interest Rate shall become effective as of the opening of business on the first day on which such change in the Applicable Interest Rate shall become effective. Each determination by Lender of the Applicable Interest Rate shall be conclusive and binding for all purposes, absent manifest error.

(c) In the event that Lender shall have determined (which determination shall be conclusive and binding upon Borrower absent manifest error) that by reason of circumstances affecting the interbank eurodollar market, adequate and reasonable means do not exist for ascertaining LIBOR, then Lender shall forthwith give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding LIBOR Loan shall be converted, on the last day of the then current Interest Period, to a Prime Rate Loan.

(d) If, pursuant to the terms of this Agreement, any portion of the Loan has been converted to a Prime Rate Loan and Lender shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable, Lender shall give notice by

telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding Prime Rate Loan shall be converted to a LIBOR Loan on the last day of the then current Interest Period.

(e) With respect to a LIBOR Loan, all payments made by Borrower hereunder shall be made free and clear of, and without reduction for or on account of, income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings imposed, levied, collected, withheld or assessed by any Governmental Authority and imposed on any non-U.S. Lender due to a change in U.S. law after the date such non-U.S. Lender acquired its interest in the Loan (such non-excluded taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings being referred to collectively as “**Foreign Taxes**”), excluding (i) income and franchise taxes, (ii) any Taxes imposed by reason of any connection between the non-U.S. Lender and the taxing jurisdiction other than entering into this Agreement and receiving payments hereunder, and (iii) any Taxes imposed by reason of the non-U.S. Lender’s failure to complete and deliver to the Borrower, prior to the date on which the first payment to such Lender is due hereunder and (so long as it remains eligible to do so) from time to time thereafter, (x) (i) an Internal Revenue Service Form W-9 (or successor form) establishing that the Lender is not subject to U.S. backup withholding tax, (ii) an Internal Revenue Service Form W-8BEN (or successor form) certifying that such Lender is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of withholding tax on payments of interest to zero, or (iii) an Internal Revenue Service Form W-8ECI certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States, as appropriate; and (y) any successor or additional form required by the Internal Revenue Service or any taxing authority reasonably requested by the Borrower in order to secure an exemption from, or reduction in the rate of, Foreign Taxes. If any Foreign Taxes are required to be withheld from any amounts payable to Lender hereunder, the amounts so payable to Lender shall be increased to the extent necessary to yield to Lender (after payment of all Foreign Taxes) interest or any such other amounts payable hereunder at the rate or in the amounts specified hereunder. Whenever any Foreign Tax is payable pursuant to applicable law by Borrower, as promptly as possible thereafter, Borrower shall send to Lender an original official receipt, if available, or certified copy thereof showing payment of such Foreign Tax. Borrower hereby indemnifies Lender for any incremental Foreign Taxes, interest or penalties that may become payable by Lender which may result from any failure by Borrower to pay any such Foreign Tax when due to the appropriate taxing authority or any failure by Borrower to remit to Lender the required receipts or other required documentary evidence thereof (provided such documents are reasonably available to the Borrower).

(f) If any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to make or maintain a LIBOR Loan as contemplated hereunder and the events giving rise thereto affect similarly situated banks or financial institutions generally, (i) the obligation of Lender hereunder to make a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the next succeeding Payment Date or within such earlier period as required by law.

(g) In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority and the events giving rise thereto affect similarly situated banks or financial institutions generally:

(i) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, the office of Lender that holds the Loan which is not otherwise included in the determination of LIBOR hereunder;

(ii) shall hereafter require the Lender to hold additional capital against the Loan in excess of that currently required by Governmental Authorities to be held against loans similar in nature to the Loan; or

(iii) shall hereafter impose on Lender any other condition affecting loans to borrowers subject to LIBOR-based interest rates and Lender determines that, by reason thereof, the cost to Lender of making or maintaining the Loan to Borrower is increased, or any amount received by Lender hereunder in respect of any portion of the Loan is reduced, in each case by an amount deemed by Lender in good faith to be material;

then, in any such case, Borrower shall promptly pay Lender, upon demand, any additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined in good faith by Lender. If Lender becomes entitled to claim any additional amounts pursuant to this Section 2.2.3(g), Lender shall provide Borrower with not less than ninety (90) days notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to fully compensate Lender for such additional cost or reduced amount. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. This provision shall survive payment of the Note and the satisfaction of all other obligations of Borrower under this Agreement and the Loan Documents.

(h) Lender shall not be entitled to claim compensation pursuant to this Section 2.2.3 for any Foreign Taxes or other amounts incurred or which accrued more than ninety (90) days before the date Lender notified Borrower of the change in law or other circumstance on which such claim of compensation is based and delivered to Borrower a written statement setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.2.3, which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(i) For purposes of this Section 2.2.3, the term "Lender" shall be deemed to include each Noteholder and Lender's (as well as each Noteholder's) present and future participants in the Loan to the extent of Foreign Taxes imposed by reason of such Noteholder or participant's interest in the Loan and each such Noteholder's or participant's increased costs or

reduction in amount received or receivable hereunder or any reduced rate of return, in each case payable by Borrower under this [Section 2.2.3](#).

**2.2.4 Additional Costs.** Lender will use reasonable efforts (consistent with legal and regulatory restrictions) to maintain the availability of the LIBOR Loan and to avoid or reduce any increased or additional costs payable by Borrower under [Section 2.2.3](#), including, if requested by Borrower, a transfer or assignment of the Loan to a branch, office or Affiliate of Lender in another jurisdiction, or a redesignation of its lending office with respect to the Loan, in order to maintain the availability of the LIBOR Loan or to avoid or reduce such increased or additional costs, provided that the transfer or assignment or redesignation (a) would not result in any material additional costs, expenses or risk to Lender that are not reimbursed by Borrower and (b) would not be disadvantageous in any other material respect to Lender as determined by Lender in its sole but reasonable discretion.

**2.2.5 Default Rate.** In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

**2.2.6 Usury Savings.** This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

**2.2.7 Interest Rate Cap Agreement.** (a) On or prior to 5:00 p.m. (New York time) on the Closing Date, Borrower shall enter into an Interest Rate Cap Agreement with a LIBOR strike price equal to the required Strike Price. The Interest Rate Cap Agreement (i) shall be in a form and substance reasonably acceptable to Lender, (ii) shall be with an Acceptable Counterparty, (iii) shall direct such Acceptable Counterparty to pay directly to an account pledged to Lender any amounts due Borrower under such Interest Rate Cap Agreement unless and until otherwise instructed by Lender (it being agreed as between Lender and Borrower that Lender will so instruct the Counterparty at such time as the Debt

shall no longer exist, provided that the Debt shall be deemed to exist if the Properties transferred by judicial or non-judicial foreclosure or deed-in-lieu thereof), (iv) shall be for a period equal to the term of the Loan and (v) shall have an initial notional amount equal to the principal balance of the Loan. Borrower shall collaterally assign to Lender, pursuant to the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Interest Rate Cap Agreement, and shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be paid directly into an account pledged to Lender as provided above in this Section 2.2.7). Provided no Event of Default has occurred and is continuing, amounts contained in the foregoing pledged account shall be released to Borrower on a monthly basis to the extent not applied toward debt service on the Loan.

(b) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be deposited immediately into a Collection Account. Borrower shall take all actions reasonably requested by Lender to enforce Lender's rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty and shall not waive, amend or otherwise modify any of its rights thereunder.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty by S&P or Moody's to below the ratings set forth in the definition of "Acceptable Counterparty", Borrower (i) shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement (or cause the Counterparty or an Affiliate thereof to post collateral acceptable to Lender and the Rating Agencies) not more than fifteen (15) Business Days following receipt of notice of such downgrade, withdrawal or qualification (and meeting the requirements set forth in this Section 2.2.7) from an Acceptable Counterparty, (ii) if a new cap is provided to Lender, then if requested by Lender shall provide to Lender an opinion of counsel to such Acceptable Counterparty in the form and containing the substance of the form of opinion set forth in Exhibit A (which such changes as shall be reasonably approved by Lender), and (iii) shall collaterally assign to Lender, pursuant to an assignment in the form of the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Replacement Interest Rate Cap Agreement.

(d) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement or fails to maintain the Interest Rate Cap Agreement in accordance with the terms and provisions of this Agreement, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is reimbursed by Borrower to Lender.

(e) In connection with any Interest Rate Cap Agreement provided to Lender as herein required, if requested by Lender, Borrower shall obtain and deliver to Lender an opinion from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty (upon which Lender and its successors and assigns may rely) in the form and

containing the substance of the form of opinion set forth in Exhibit A (which such changes as shall be reasonably approved by Lender).

(f) In connection with any prepayment of the Loan, provided no Event of Default shall have occurred and be continuing, Borrower may reduce the amount of any Interest Rate Cap Agreement (so that the same shall be in an initial notional amount equal to the principal balance of the Loan following such prepayment), provided that such reduction shall not affect any of the other terms of the Interest Rate Cap Agreement or the Collateral Assignment of Interest Rate Cap Agreement (or Lender's rights in respect thereof).

**Section 2.3. Loan Payment.**

**2.3.1 Payments Generally.** Borrower shall make a payment to Lender of interest only on the Closing Date for the initial Interest Period. On the date hereof, Borrower shall make a payment to Lender of interest accruing hereunder during the period from the Closing Date up to and including the initial Interest Period, calculated in the manner set forth herein, and on the Payment Date occurring in March 2008 and on each Payment Date thereafter to and including the Maturity Date, Borrower shall make a payment to Lender of interest accruing hereunder during the entire Interest Period in which such Payment Date occurs, calculated in the manner set forth herein. All amounts due pursuant to this Agreement and the other Loan Documents shall be payable without setoff, counterclaim, defense or any other deduction whatsoever. Each payment shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

**2.3.2 Payment on Maturity Date.** Borrower shall pay to Lender on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Mortgage and the other Loan Documents, including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through and including the end of the Interest Period in which the Maturity Date occurs (even if such Interest Period extends beyond the Maturity Date).

**2.3.3 Late Payment Charge.** If any principal, interest or any other sums due under the Loan Documents, other than the payment of principal due on the Maturity Date, is not paid by Borrower by the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of one percent (1%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment; provided, however that, except with respect to the payment of any monthly Debt Service payments with respect to which no notice or demand shall be required, no such late payment charge shall be due unless such payment of principal, interest or other sum shall be delinquent for more than five (5) Business Days following the date of demand therefor. Any such amount shall be secured by the Mortgages and the other Loan Documents to the extent permitted by applicable law.

**2.3.4 Method and Place of Payment.** Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 3:00 P.M., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

**Section 2.4. Prepayments.**

**2.4.1 Voluntary Prepayments.** Borrower may, at its option, prepay the Debt in whole or in part, provided, the following conditions are satisfied:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall provide prior written notice to Lender specifying the date upon which the prepayment is to be made (the "**Prepayment Date**"), which notice shall be delivered to Lender not less than ten (10) days prior to such Prepayment Date, and which notice shall be irrevocable (or such shorter period of time as may be permitted by Lender in its sole discretion) (Lender hereby agreeing that Borrower may revoke any notice of prepayment up until the date that is one (1) Business Day prior to the proposed Prepayment Date (provided that Borrower shall be required to pay Lender, promptly upon demand, any actual, out-of-pocket expenses incurred by Lender resulting from any such revocation));

(c) each such prepayment, in the case of partial prepayments, shall be in an amount not less than Five Million and no/100 Dollars (\$5,000,000.00), unless the outstanding principal balance of the Loan (prior to such prepayment) shall be less than Five Million and no/100 Dollars (\$5,000,000.00), in which event the amount of the prepayment shall be in such amount as shall prepay the Debt and all other amounts due in connection therewith in full, as more fully provided herein;

(d) if such prepayment is made on or prior to the Payment Date occurring in the Interest Period in which such prepayment was made, then, in connection with such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, all interest on the principal balance of the Note then being prepaid which would have accrued through the end of the Interest Period then in effect notwithstanding that such Interest Period extends beyond the Prepayment Date;

(e) if such prepayment is made after a Payment Date occurring in the Interest Period in which such prepayment was made, but prior to the last two (2) Business Days in such Interest Period, Borrower shall make such prepayment without paying any interest thereon (Borrower having already paid interest on such amount on the Payment Date occurring in such Interest Period);

(f) if such prepayment is made on either of the last two (2) Business Days in an Interest Period, Borrower will pay to Lender, simultaneously with such prepayment, interest on the principal amount of the Loan prepaid through the last day of the Interest Period immediately following the Interest Period in which such prepayment occurs, calculated at the Applicable Interest Rate;

(g) if such prepayment is a prepayment of the Loan in full, Lender shall have received a written consent to the repayment from the lender under each Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous pro rata prepayment of each Mezzanine Loan if required thereunder; and

(h) if such prepayment is made on or prior to the Spread Maintenance Outside Date, then in connection with any such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, the Spread Maintenance Premium in respect of such prepayment.

Any prepayment received by Lender on other than a Payment Date (but not any amount received between a Payment Date and the second to last Business Day in an Interest Period) shall be held by Lender in an interest-bearing account as collateral security for the Loan and shall be applied to the Debt on the next occurring Payment Date (with all interest and other income earned on such amount being for the account of Borrower and being remitted by Lender to Borrower promptly following such next Payment Date). Any prepayment made pursuant to this Section 2.4.1 shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

**2.4.2 Mandatory Prepayments from Net Proceeds.** On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of any Individual Property, Borrower shall prepay, or authorize Lender to apply Net Proceeds as a prepayment of, the outstanding principal balance of the Note in an amount equal to, (x) if no Event of Default shall have occurred and be continuing, the product of (i) a fraction, the numerator of which is outstanding principal amount of the Loan and the denominator is the outstanding principal amount of the Loan and the Mezzanine Loans times (ii) the Net Proceeds, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such Payment Date occurs (with the balance of the Net Proceeds to be paid over to the First Mezzanine Lender, for application in accordance with the First Mezzanine Loan Agreement), and (y) if an Event of Default shall have occurred and be continuing, 100% of the Net Proceeds. No Spread Maintenance Premium shall be due in connection with any prepayment made pursuant to this Section 2.4.2. Any prepayment received by Lender pursuant to this Section 2.4.2 on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. Following the prepayment made as described in this Section 2.4.2, the Allocated Loan Amount for the affected Individual

Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2 shall be applied pro rata and pari passu (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

**2.4.3 Prepayments After Default.** If, following the occurrence and during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower or any other Person and accepted by Lender or otherwise recovered by Lender (including through application of any Reserve Funds), Borrower shall pay to Lender, in addition to the outstanding principal balance, (a) all accrued and unpaid interest at the Default Rate (including, without limitation, (i) in the event that such prepayment is received on a Payment Date or on any date in any Interest Period prior to a Payment Date, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which such payment occurs, or (ii) in the event that such prepayment is received on a date after a Payment Date up to (and including) the last day of the Interest Period in which such Payment Date occurs, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which the next Payment Date occurs, (b) the Spread Maintenance Premium, if such prepayment is made prior to the Spread Maintenance Outside Date, and (c) any and all other amounts payable under the Loan Documents. Any payment under this Section 2.4.3 shall be applied in such order, priority and proportions as Lender may direct in its sole and absolute discretion.

**Section 2.5. Release of Properties.**

Except as set forth in this Section 2.5, no repayment or prepayment of all or any portion of the Note shall cause, give rise to a right to require, or otherwise result in, the release or assignment in lieu of the release of any Lien of any Mortgage on any Individual Property.

**2.5.1 Release of Individual Property.** Borrower may obtain the release of an Individual Property from the Lien of the Mortgage thereon (and related Loan Documents, including, in the case of a release of the Individual Property comprising “Harrah’s Lake Tahoe”, “Harvey’s Lake Tahoe” and “Bill’s Lake Tahoe”, a release of the Pledge of Ground Lease Subsidiary) and the release of Borrower’s obligations under the Loan Documents with respect to such Individual Property (other than those expressly stated to survive), upon the satisfaction of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien (and related Loan Documents) for such Individual Property for execution by Lender. Such release shall be in a form appropriate in each jurisdiction in which the Individual Property is located and that contains standard provisions, if any, protecting the rights of the releasing lender;

(c) After giving effect to such release, the Debt Service Coverage Ratio for the Properties then remaining subject to the Liens of the Mortgages (including giving pro forma effect to the payment of the Release Price and any additional prepayment(s) made by Borrower in connection with such release) shall be equal to or greater than the greatest of (i) the Debt Service Coverage Ratio for the twelve (12) full calendar months immediately preceding the release of the Individual Property (assuming the contemplated release had not occurred, i.e., for all Properties subject to the Liens of the Mortgage prior to the proposed release), (ii) 90% of the Debt Service Coverage Ratio as of the Closing Date, and (iii) 1.0;

(d)(i) The Individual Property to be released shall be conveyed to a Person other than a Borrower or Mezzanine Borrower, and other than to an Affiliate of Borrower unless, in the latter case, such Affiliate is refinancing the Loan with a construction or development loan (or repaying the Loan with equity contributions to such Affiliate) and (ii) it is such Affiliate's immediate intention to materially redevelop such Individual Property, which loan (or equity contribution) and intention shall be described in reasonable detail and represented to in an Officer's Certificate submitted to Lender concurrently with (or prior to) the materials described in clause (b) of this Section 2.5.1;

(e) Lender shall have received a wire transfer of immediately available federal funds in an amount equal to the Release Price for the applicable Individual Property, together with (i) all accrued and unpaid interest calculated at the Applicable Interest Rate on the amount of principal being prepaid as provided in Sections 2.4.1(d) or (e), as applicable, (ii) the Spread Maintenance Premium, if applicable and (iii) all other sums due under this Agreement, the Note or the other Loan Documents in connection with a partial prepayment;

(f) Lender shall have received a written consent to the transfer from the lender under each Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender; and

(g) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the release of the Individual Property from the lien of the related Mortgage and the review and approval of the documents and information required to be delivered in connection therewith. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property.

**2.5.2 Release of Convention Center Parcel.** At any time after the date hereof, Borrower may obtain the release of the Convention Center Parcel and the release of Borrower's obligations under the Loan Documents with respect to such parcel of land (other than those expressly stated to survive), without the payment of a Release Price and upon the satisfaction of each of the following conditions:

- (a) No Event of Default shall have occurred and be continuing (unless, in the case of a release of the Convention Center Parcel, the Event of Default relates solely to such parcel and therefore would be fully cured by the release of the Convention Center Parcel);
- (b) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien (and related Loan Documents) for the Convention Center Parcel for execution by Lender. Such release shall be in a form appropriate in the jurisdiction in which the Convention Center Parcel is located and that contains standard provisions, if any, protecting the rights of the releasing lender;
- (c) The Convention Center Parcel shall be conveyed to a Person other than a Borrower or any Mezzanine Borrower;
- (d) Borrower will enter into a restrictive covenant agreement, restricting the use of the Convention Center Parcel to the development of a Convention Center and ancillary uses which agreement shall be in form and substance reasonably satisfactory to Lender;
- (e) Prior to the transfer and release of the Convention Center Parcel, each applicable municipal authority exercising jurisdiction over the Convention Center Parcel shall have approved a lot-split ordinance or other applicable action under local law dividing the Convention Center Parcel from the remainder of the Harrah's Atlantic City Property, and a separate tax identification number has been issued for the Convention Center Parcel (with the result that, upon the transfer and release of the Convention Center Parcel, no part of the remaining Harrah's Atlantic City Property shall be part of a tax lot which includes any portion of the Convention Center Parcel);
- (f) All requirements under all laws, statutes, rules and regulations (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetlands requirements) applicable to the Harrah's Atlantic City Property necessary to accomplish the lot split shall have been fulfilled, and all necessary variances, if any, shall have been obtained, and Borrower shall have delivered to Lender either (1) letters or other evidence from the appropriate municipal authorities confirming such compliance with laws, or (2) a zoning report or legal opinion confirming such compliance with laws, in each case in substance reasonably satisfactory to Lender;
- (g) As a result of the lot split, the remaining Harrah's Atlantic City Property with all easements appurtenant and other Permitted Encumbrances thereto will not be in violation of any then applicable law, statute, rule or regulation (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetland requirements) and all necessary variances, if any, shall have been obtained and evidence thereof has been delivered to Lender which in form and substance is appropriate for the jurisdiction in which the Harrah's Atlantic City Property is located;
- (h) If reasonably necessary, appropriate reciprocal easement agreements for the benefit and burden of the remaining Harrah's Atlantic City Property and the Convention

Center Parcel requiring no cost or expense to Borrower regarding the use of common facilities of such parcels, including, but not limited to, roadways, parking areas, utilities and community facilities, in a form and substance that would be reasonably acceptable to an ordinary prudent lender and which easements will not materially adversely affect the remaining Harrah's Atlantic City Property, shall be declared and recorded, and the remaining Harrah's Atlantic City Property and the Convention Center Parcel shall be in compliance with all applicable covenants under all easements and property agreements contained in the Permitted Encumbrances for the Harrah's Atlantic City Property;

(i) Borrower has delivered an Officer's Certificate to the effect that, to such officer's knowledge after diligent inquiry, the conditions in subsection (a)-(h) hereof have occurred or shall occur concurrently with the transfer and release of the Convention Center Parcel;

(j) Borrower shall execute such documents and instruments and obtain such opinions of counsel as are typical for similar transactions, including, if a Securitization shall have occurred, an opinion that the release of the Convention Center Parcel will not be a "significant modification" of the Loan within the meaning of Section 1.1001-3 of the regulations of the United States Department of the Treasury; and

(k) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the release of the Convention Center Parcel from the lien of the related Mortgage and the review and approval of the documents and information required to be delivered in connection therewith. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of the Convention Center Parcel; and

(l) Lender shall have received evidence reasonably satisfactory to it that the Mezzanine Borrowers shall have satisfied all of the conditions to the proposed release set forth in and each of the Mezzanine Loan Agreements.

Borrower agrees that it shall promptly use all reasonable best efforts to substitute, and Lender agrees (subject to the terms set forth below in this paragraph) that it shall accept the substitution of, the properties commonly known as "Paris Las Vegas" and "Harrah's Laughlin" for the Individual Properties referred to as "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe" and "Showboat Atlantic City" and the portion of the Flamingo Las Vegas Property known as O'Shea's in a reasonably satisfactory manner, provided that Lender's obligation to accept such substitution shall be conditioned on the following:

(i) that no Event of Default shall exist, either before or after giving effect to such substitution (unless such Event of Default would be fully cured by the substitution);

(ii) the satisfaction, with respect to both "Paris Las Vegas" and "Harrah's Laughlin", of the closing conditions set forth in Article III hereof, except that references therein to the Closing Date shall be to the date of such substitution;

(iii) delivery of such agreements, instruments, title insurance policies, surveys, resolutions, certificates and opinions (including, without limitation, substitute notes, amendments to the Loan Documents (including amendments to adjust the Allocated Loan Amounts, the EBITDAR (Closing Date) and any other items that need to be adjusted to reflect the substitution), the Operating Lease, the Operating Lease Guaranty and the Windstorm Insurance Intercreditor Agreement, an appropriate subdivision and a reciprocal easement agreement in respect of O'Shea's, written assurances that the substitution will have no negative effects on the existing title insurance policies, updated "tie-in" endorsements for the title insurance policies and any endorsements to owner title policies, an Additional True Lease Opinion and an Additional Insolvency Opinion), in each case as are reasonably required by Lender in connection with such substitution;

(iv) with respect to the release of O'Shea's, delivery of evidence reasonably satisfactory to Lender that such release will not have either an Individual Material Adverse Effect on the remainder of the Flamingo Las Vegas Property or an Aggregate Material Adverse Effect (it being understood that, for purposes of such determinations, O'Shea's shall be deemed to have closed as of the Closing Date and to have no value) and that the remainder of the Flamingo Las Vegas Property satisfies the conditions set forth in Sections 3.1.3(b), (c) and (f) and the representations and warranties set forth in Sections 4.1.4, 4.1.16, 4.1.22, 4.1.39 and 4.1.40 shall continue to be true and complete with respect to the remainder of the Flamingo Las Vegas Property;

(v) the satisfaction, with respect to "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe", "Showboat Atlantic City" and O'Shea's, of the conditions set forth above in Section 2.5.1(b) and (f) with respect to released Individual Properties to the extent applicable;

(vi) the conveyance of "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe", "Showboat Atlantic City" and O'Shea's to a Person other than a Borrower or Mezzanine Borrower;

(vii) unless otherwise extended by Lender, the substitution shall be completed on or prior to May 28, 2008; and

(viii) the payment by Borrower of all Lender's reasonable out-of-pocket costs and expenses in connection with the substitution contemplated by this paragraph, including reasonable counsel fees and disbursements, up to an aggregate amount of \$300,000, it being acknowledged that costs incurred to obtain title insurance and surveys in respect of the substituted properties shall be paid by Borrower directly and shall not be taken into account for purposes of the foregoing limitation on the reimbursement of Lender's expenses.

Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property in accordance with this paragraph. In addition, if all of "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe" and "Showboat Atlantic City" can be transferred from Borrower as contemplated above, but O'Shea's cannot (including by reason of an inability to get a separate gaming license

for O'Shea's independent of the "Flamingo Las Vegas"), then Borrower and Lender shall nevertheless proceed to consummate the swap without transferring O'Shea's (subject to Borrower's ongoing right to obtain the release of O'Shea's from the Lien of the Mortgage in accordance with the following sentence). Upon the satisfaction of such conditions set forth above in this paragraph (including clauses (i) through (viii) hereof), Borrower will have the right to choose between an immediate release of O'Shea's from the Lien of the Mortgage on the date of the swap or a free release subsequent to the date of the swap without conditions (in either case, subject to the conditions set forth above in this Section 2.5.2, except that the limitation on Borrower's payment of Lender's costs and expenses set forth in clause (viii) above shall not apply to any such costs and expenses incurred by Lender in connection with such release), and, pending such release, EBITDAR shall be computed without regard to O'Shea's; provided further, the Operating Company in respect of the "Flamingo Las Vegas" Individual Property, both before and after such release, shall be permitted to provide management and other similar services for O'Shea's and shall be reimbursed for the allocable share of expenses attributable to O'Shea's.

**2.5.3 Release on Payment in Full.** Lender shall, upon the written request and at the expense of Borrower, upon payment in full of all principal and interest due on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of the Mortgage on each Individual Property not theretofore released.

## **Section 2.6. Cash Management.**

### **2.6.1 Establishment of Collection Accounts.**

(a) In accordance with the provisions of the Operating Lease, (i) Operating Company will establish within thirty (30) days after the Closing Date and will maintain for the benefit of Borrower, as lessor under the Operating Lease, the Collection Accounts with Collection Banks throughout the term of the Loan and (ii) the rights of Borrower (as landlord) under the Operating Lease have been collaterally assigned to Lender or will be collaterally assigned to Lender within such 30-day period. All Revenues, other than amounts retained on-site by each Operating Company as a Gaming Operating Reserve and amounts collected and maintained in Off-Shore Accounts, will be deposited in the Collection Accounts.

(b) Operating Company shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Collection Accounts (and Operating Company shall be entitled to all such interest and income). The Collection Accounts shall be assigned the federal tax identification numbers of each Operating Company which are as set forth in Schedule III attached hereto. Borrower shall cause Operating Company to provide Lender, at any time upon request of Lender, with a Form W-8 or W-9 to evidence that Operating Company is not subject to any back-up withholding under the Code. All costs and expenses for establishing and maintaining the Collection Accounts shall be at Borrower's or Operating Company's sole cost and expense.

(c) Borrower hereby represents and warrants as follows: when established, the Collection Accounts will be the only accounts maintained by Operating Company or Borrower in any jurisdiction that include funds arising out of, or are otherwise attributable to, the Properties or relate to the operation and management of any of the Properties other than accounts (collectively, the “OC Accounts”) that contain amounts theretofore released from Collection Accounts in accordance herewith, and other than Off-Shore Accounts, which shall not be subject to this Agreement); and Borrower maintains no accounts that include funds arising out of, or are otherwise attributable to, any of the Properties or relate to the operation and management of any of the Properties or otherwise (except for accounts containing funds released from the Collection Accounts as herein provided and the Off-Shore Accounts). Borrower shall not (and Borrower shall not permit Operating Company to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), open any accounts or new accounts or in any way alter the flow of funds and payment into such Collection Accounts, including, without limitation, changing the source, type or currency of any payments currently deposited and maintained in any such account (it being understood that the foregoing restriction shall not preclude Operating Company or Borrower from accepting and depositing in any Collection Accounts any capital contributions, or any disbursements from any Collection Accounts in accordance with the provisions of this Agreement). Borrower shall not (and Borrower shall not permit Operating Company to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), establish and maintain any accounts with financial institutions outside of the United States of America, other than the Off-Shore Accounts.

(d) Borrower shall, or shall cause Operating Company to, deliver irrevocable written instructions to each tenant under any Lease at any of the Properties, in form and substance reasonably acceptable to Lender, directing each such tenant to deliver all Rents payable thereunder directly to the Collection Account. Borrower shall, or shall cause Operating Company to, deliver irrevocable written instructions to each of the credit card companies or credit card clearing banks delivering receipts to any of the Collection Accounts, in form and substance reasonably acceptable to Lender, directing each such credit card company or credit card clearing bank to deliver all receipts payable with respect to any of the Properties directly to the Collection Accounts.

(e) Borrower and its Affiliates shall deposit (and Borrower shall cause each Operating Company to deposit) all Revenue received by, paid or payable to or paid for the benefit of Borrower or Operating Company or in connection with any of the Properties (of whatever kind and nature), other than (x) each Gaming Operating Reserve and (y) amounts theretofore released from a Collection Account in accordance herewith, into the Collection Accounts within three (3) Business Days after receipt. Borrower shall diligently and continuously use all commercially reasonable efforts to cause (and shall cause each Operating Company to use all commercially reasonable efforts to cause) any other Person to deposit all Revenue received by, paid or payable to or paid for the benefit of Borrower or Operating Company or in connection with any of the Properties (of whatever kind and nature), other than (x) each Gaming Operating Reserve and (y) amounts theretofore released from a Collection Account in accordance herewith, into the Collection Accounts within three (3) Business Days after receipt.

**2.6.2 Disbursements from, Security Interest in, Collection Accounts.** The Operating Lease provides, among other things, that all Revenues shall be collaterally assigned by Operating Company to Borrower as additional security for Operating Company's obligations under the Operating Lease and that Borrower shall have the right to collaterally assign and pledge such Revenues to Lender as additional security for the Loan. In furtherance thereof, Lender and Borrower agree as follows:

(a) Borrower hereby grants to Lender a first priority security interest in and to all right, title and interest of Borrower in the Collection Accounts and all deposits at any time contained therein and the proceeds thereof (whether now owned or existing or hereafter acquired or arising and regardless of where located). Except as otherwise provided in subparagraphs (b) and (c) hereof, all amounts collected in the Collection Accounts shall be transferred on each Business Day to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender.

(b) Upon the occurrence and during the continuance of an Event of Default hereunder or under any of the Mezzanine Loan Documents, and provided no Event of Default (as such term is defined in the Operating Lease) shall have occurred and be continuing under any Operating Lease, Borrower shall direct and cause Collection Bank to deposit directly into the Cash Management Account, all Rent payable under the applicable Operating Lease for the next thirty (30) days (it being the intent and agreement that, during the continuance of an Event of Default, the Cash Management Account shall at all times contain such amounts sufficient to cover the ensuing 30-day period), including the Monthly Tax and Insurance Amount, the Monthly Ground Rent Amount and the Monthly FF&E Reserve Amount (the amounts described in the preceding sentence, collectively, the "**Monthly Disbursements**"); provided that, notwithstanding the foregoing, Lender may not apply such Monthly Disbursements to the payment of amounts due hereunder in an amount in excess of the amounts owed by the Operating Company under the Operating Lease. In the event Borrower shall have failed to so instruct Collection Bank, Lender shall have the right to so direct the Collection Bank on behalf of Borrower. Any amounts not required to be so deposited into the Cash Management Account shall be transferred on each Business Day thereafter to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender. If no Event of Default has occurred and is continuing hereunder but an Event of Default has occurred and is continuing under any of the Mezzanine Loan Documents, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, such excess shall be remitted to First Mezzanine Lender (or to an account designated by First Mezzanine Lender); provided that, notwithstanding the foregoing, Lender shall not remit any such amounts in excess of the amounts owed by the Operating Company under the Operating Lease. If an Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, Lender shall have the right to retain such excess as collateral for the Loan and/or apply such excess to the payment of the Debt.

(c) Upon the occurrence and during the continuance of an Event of Default (as such term is defined in the Operating Lease) under any Operating Lease, Borrower shall notify Collection Bank to transfer to the Cash Management Account on each Business Day in

immediately available funds by federal wire transfer all amounts on deposit in each Collection Account and, in the event Borrower shall have failed to do so, Lender shall have the right to so direct the Collection Bank on behalf of Borrower, to transfer to the Cash Management Account on each Business Day in immediately available funds by federal wire transfer, all amounts on deposit in each Collection Account up to the aggregate amount owed by Operating Company under the Operating Lease, including, without limitation, any damages pursuant to Section 12.2(a) thereof, and thereafter (as well as pending the determination of such damages) Operating Company shall not receive any monies from the Collection Account except to the extent they exceed the aggregate amount owed by Operating Company under the Operating Lease (or pending such determination, such aggregate amount estimated by Borrower and Mortgagee), including, without limitation, any damages pursuant to Section 12.2(a) thereof. Lender shall have the right to retain all amounts to be paid into the Cash Management Account in accordance with the first sentence of this Section 2.6.2(c) as collateral for the Loan and/or apply such amounts to the payment of the Debt.

(d) Borrower and its Affiliates shall (and Borrower shall cause Operating Company to) execute and deliver such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect, maintain and perfect Lender's security interest in the Collection Accounts.

**2.6.3 Cash Management Account.** (a) Lender or Servicer may establish and maintain (upon the occurrence of an Event of Default, or at such time as Lender or Servicer shall determine) a segregated Eligible Account (the "**Cash Management Account**") to be held by Servicer in trust for the benefit of Lender. The Cash Management Account shall be under the sole dominion and control of Lender (which may be exercised through Servicer). Lender (and its agents, including Servicer) shall have the sole right to make withdrawals from the Cash Management Account in accordance with the terms and conditions of this Agreement and the other Loan Documents, except as otherwise expressly provided in this Agreement or the other Loan Documents.

(b) Borrower hereby grants to Lender a first priority security interest in the Cash Management Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Cash Management Account, including, without limitation, executing and filing UCC 1 Financing Statements and continuations thereof upon Lender's request therefor. All costs and expenses for establishing and maintaining the Cash Management Account (and any sub account thereof) shall be at Borrower's sole cost and expense.

(c) Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Cash Management Account and any sub-account thereof. The Cash Management Account and any sub-account thereof shall be assigned the federal tax identification numbers of each Borrower set forth on Schedule I attached hereto. Borrower shall provide Lender, at any time upon request of Lender, with a Form W-8 or W-9 to evidence that Borrower is not subject to any back-up withholding under the Code.

(d) Upon the occurrence and during the continuance of an Event of Default, all funds on deposit in the Cash Management Account shall be applied by Lender in such order and priority as Lender shall determine.

(e) The insufficiency of funds on deposit in the Cash Management Account shall not relieve Borrower from the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

**Section 2.7. Intentionally Omitted.**

**Section 2.8. Permitted Mezzanine Loan.** Borrower shall have the one-time right, upon thirty (30) days prior written notice to Lender (the "**Permitted Mezzanine Loan Election**"), to obtain a loan ("**Permitted Mezzanine Loan**") secured by a pledge of the ownership interests in the indirect owners of Borrower (above the level of the Ninth Mezzanine Borrower) provided that the following conditions precedent are satisfied:

(a) no Default or Event of Default shall have occurred and remains uncured;

(b) as of the date the Permitted Mezzanine Loan is advanced, the Permitted Mezzanine Debt Loan-to-Value Ratio for the Properties subject to the Lien of the Mortgage is equal to or less than eighty percent (80%);

(c) as of the date the Permitted Mezzanine Loan is advanced, Permitted Mezzanine DSCR for the four-quarter period preceding such date for the Properties then subject to the Lien of the Mortgage(s) is equal to or greater than 1.2 to 1.0;

(d) the Permitted Mezzanine Loan shall be evidenced by one (1) Loan, that may be advanced in multiple draws provided that Borrower complies with the requirements set forth in this Section 2.8 with respect to each draw;

(e) the Permitted Mezzanine Loan shall be issued by one (1) lender (the "**Permitted Mezzanine Loan Lender**") which shall be an Institutional Lender; provided, however, that such single Lender that is an Institutional Lender may grant participations in such Permitted Mezzanine Loan or syndicate the Permitted Mezzanine Loan to multiple lenders so long as at least fifty-one percent (51%) of such participants and syndicate lenders are Institutional Lenders and, in addition, so long a single lender serves as agent with respect to all approvals, consents and other matters relating to the Permitted Mezzanine Loan;

(f) the Permitted Mezzanine Loan shall have the same maturity date as the Maturity Date under the Loan, or a maturity date extending beyond the Maturity Date under the Loan;

(g) the Permitted Mezzanine Loan (including all of the terms, provisions and conditions of the Permitted Mezzanine Loan, including, without limitation, the loan documents evidencing and securing the Permitted Mezzanine Loan ("**Permitted Mezzanine Loan Documents**")) shall be acceptable to Lender in its reasonable discretion (it being agreed that

with respect (only) to Lender's approval of the form of loan documents that loan documents in substantially the same form as the Ninth Mezzanine Loan Documents, appropriately modified to reflect subordination to the Mortgage Loan and the Mezzanine Loans still outstanding, shall be deemed to be acceptable);

(h) the Permitted Mezzanine Loan Lender shall enter into a co-lender or intercreditor agreement substantially on the standard CMSA form (or the form entered into by Lender and the Mezzanine Lenders in connection with the closing of the Loan) or in form and substance reasonably acceptable to Lender, acknowledging the subordination of the Permitted Mezzanine Loan in all respects to each of the Mezzanine Loans and the Mortgage Loan (and Lender agrees to enter into such co-lender or intercreditor agreement upon request);

(i) the Permitted Mezzanine Loan shall be a fixed rate loan, or a floating rate loan containing an interest rate that is capped at an amount that satisfies the debt service coverage ratio requirement set forth in subparagraph (c) above, with interest due and payable monthly (i.e., interest does not accrue) and such interest rate shall not be subject to adjustment except after an event of default (Borrower agreeing to cause the purchase of an interest rate cap to reflect the foregoing);

(j) if requested by Lender, Borrower shall execute amendments to the Loan Documents reasonably requested by Lender, to reflect the existence of such Permitted Mezzanine Loan, provided that any such amendments or agreements will not alter the payment terms of the Loan set forth in this Agreement or the other Loan Documents or materially and adversely affect Borrower or impose additional material obligations or liabilities upon Borrower;

(k) if required by Lender, Borrower shall deliver (i) Additional Insolvency Opinions and, if the Loan Documents are amended pursuant to Section 2.8(k), opinions regarding due execution and enforceability with respect to the Properties, Borrower, Mezzanine Borrowers, Holdings, Guarantor and their respective Affiliates and the Loan Documents, and such related matters as Lender shall reasonably require, and (ii) revised organizational documents for Borrower, which opinions and organizational documents shall be reasonably satisfactory to Lender;

#### **IV. REPRESENTATIONS AND WARRANTIES**

**Section 4.1. Borrower Representations.** Borrower represents and warrants as of the date hereof and as of the Closing Date, except as disclosed in Schedule XXIII, that:

**4.1.1 Organization.** (a) Borrower has been duly organized and is validly existing and in good standing with requisite power and authority to own the Individual Properties and to transact the businesses in which it is (or each of them is) now engaged. Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations. Borrower possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to own its properties and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The

sole business of Borrower is the ownership of the Properties. The ownership interests of Borrower are as set forth on the organizational chart attached hereto as Schedule VIII.

(b) Each Operating Company has been duly organized and is validly existing and in good standing with requisite power and authority to own its properties or assets, including the Gaming Equipment, and to transact the businesses in which it is now engaged. Each Operating Company is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations, including the operation of the Casino Components at each Individual Property. Each Operating Company possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to operate the Properties currently operated by each such Operating Company and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The sole business of each Operating Company is the management and operation of the Individual Property or Properties currently operated by each such Operating Company. The ownership interests of each Operating Company are as set forth on the organizational chart attached hereto as Schedule VIII.

**4.1.2 Proceedings.** Borrower and Operating Company have taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents. This Agreement and such other Loan Documents have been duly executed and delivered by or on behalf of Borrower and Operating Company, and constitute legal, valid and binding obligations of Borrower and Operating Company enforceable against Borrower and Operating Company (as applicable) in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

**4.1.3 No Conflicts; Approvals.** (a) The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower and Operating Company will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower or Operating Company pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement, material lease or other material agreement or instrument to which Borrower or Operating Company (as applicable) is a party or by which any of Borrower's or Operating Company's property or assets is or are subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or Operating Company any of Borrower's or Operating Company's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any such Governmental Authority required for the execution, delivery and performance by Borrower and Operating Company of this Agreement or any other Loan Documents (and the execution by Lender of the remedies provided in the Loan Documents, subject to the limitations thereon pursuant to applicable Gaming Laws) has been obtained and is in full force and effect.

(b) Borrower and Operating Company have obtained all consents and approvals, including all approvals of Governmental Authorities including Gaming Authorities, if required, in connection with the execution, delivery and performance of the Loan Documents (including by Lender and each Mezzanine Lender), the Operating Lease, the Operating Lease Guaranty, the IP License and the operation of the business currently conducted at any of the Properties, and shall promptly execute any and all such instruments and documents, deliver any certificates and do all such other acts or things required by the Gaming Authorities to maintain or keep current such approvals.

**4.1.4 Litigation.** There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending or, to Borrower's knowledge, threatened against or affecting any Loan Party, any Affiliates of Borrower, including Holdings, Operating Company or any Individual Property, or any prior owner or other holder of any interest in any Individual Property, which actions, suits or proceedings, if determined against any Loan Party, Holdings, Operating Company, any other Affiliate or any Individual Property, (taking into account the reasonably estimated damages payable in connection therewith), is reasonably likely to materially adversely affect the condition (financial or otherwise) or business of any Loan Party, any Affiliate of Borrower that is a direct or indirect owner of Borrower, including Holdings and Operating Company, or the condition or ownership of any Individual Property, or any of the material rights, interests and remedies of Lender under the Loan Documents (taken as a whole). None of the actions described on Schedule XXIV, if determined adversely to Borrower, Operating Company and/or any of their respective Affiliates, as applicable, would result in the payment by Borrower, Operating Company or such Affiliate of an amount in excess of Ten Million and no/100 Dollars (\$10,000,000.00), except to the extent covered by insurance.

**4.1.5 Agreements.** Neither Borrower nor Operating Company is in default, in any material respect, in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any material agreement or instrument to which it is a party or by which Borrower, Operating Company or any of the Properties are bound. Neither Borrower nor Operating Company has any material financial obligation under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower or Operating Company is a party or by which Borrower, Operating Company or the Properties is otherwise bound, other than (a) obligations incurred in the ordinary course of the operation of the Properties as permitted pursuant to clause (t) of the definition of "Special Purpose Entity" set forth in Section 1.1 hereof, (b) obligations under the Loan Documents and the Operating Lease and in the case of Borrower, Permitted Indebtedness and, in the case of Operating Company, Permitted Indebtedness (Operating Company).

**4.1.6 Title.** (a) Borrower has good, marketable and insurable fee simple title to the real property comprising part of each Individual Property and that is owned in fee, and good title to the balance of such Individual Property, free and clear of all Liens whatsoever except the Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. Borrower has good, marketable and insurable leasehold title to the real property comprising part of each Individual Property and that is ground leased to Borrower (pursuant to the provisions of a Ground Lease), and good title to

the balance of such Individual Property, free and clear of all Liens whatsoever except the Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. Each Operating Company has good, marketable and insurable leasehold title to the real property demised to it, free and clear of all Liens whatsoever except the Permitted Encumbrances and such other Liens as are permitted pursuant to or created by the Loan Documents. To Borrower's best knowledge, the Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of any of the Properties (as currently used) or Borrower's ability to repay the Loan. Each Mortgage, when properly recorded in the appropriate records, together with any Uniform Commercial Code financing statements required to be filed in connection therewith, will create (a) a valid, perfected first priority lien on each Individual Property, subject only to Permitted Encumbrances and the Liens created by the Loan Documents and (b) perfected security interests in and to, and perfected collateral assignments of, all personality (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. Except as insured over by the Title Insurance Policy to the reasonable satisfaction of Lender, there are no claims for payment for work, labor or materials affecting any of the Properties which are or may become a Lien prior to, or of equal priority with, the Liens created by the Loan Documents.

(b) Each Operating Company has good, marketable title to the Gaming Equipment, free and clear of all Liens whatsoever (except equipment financing and leasing arrangements entered into by Operating Company in the ordinary course of its business (subject to the limitations set forth in the definition of "Permitted Indebtedness (Operating Company)").

**4.1.7 Solvency.** Borrower has (a) not entered into the transaction or executed the Note, this Agreement or any other Loan Documents with the actual intent to hinder, delay or defraud any creditor and (b) received reasonably equivalent value in exchange for its obligations under such Loan Documents. The fair saleable value of Borrower's assets exceeds and will, immediately following the making of the Loan, exceed Borrower's total liabilities, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. The fair saleable value of Borrower's assets is and will, immediately following the making of the Loan, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). No petition in bankruptcy has been filed against Borrower, Operating Company, any Loan Party or any constituent Person, and none of Borrower, Operating Company, any Loan Party or any constituent Person has ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for the benefit of debtors. None of Borrower, Operating Company, any Loan Party or any of their respective constituent Persons are contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency laws or the liquidation of all or a major portion of Borrower's,

Operating Company's or any Loan Party's assets or properties, and Borrower has no knowledge of any Person contemplating the filing of any such petition against it, Operating Company, any Loan Party or such constituent Persons.

**4.1.8 Full and Accurate Disclosure.** No statement of fact made by Borrower in this Agreement or in any of the other Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained herein or therein not misleading. There is no material fact presently known to Borrower which has not been disclosed to Lender which has, nor as far as Borrower can foresee, might reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect.

**4.1.9 No Plan Assets.** Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101. In addition, (a) Borrower is not a "governmental plan" within the meaning of Section 3(32) of ERISA and (b) transactions by or with Borrower are not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans similar to the provisions of Section 406 of ERISA or Section 4975 of the Code currently in effect, which prohibit or otherwise restrict the transactions contemplated by this Loan Agreement.

**4.1.10 Compliance.** Except as disclosed in the zoning reports obtained by Lender in connection with the origination of the Loan, Borrower, Operating Company and each Individual Property (including the use thereof) comply in all material respects with all applicable Legal Requirements, including, without limitation, building and zoning ordinances and codes and Prescribed Laws. Borrower and Operating Company are not in default or violation of (i) any material order, writ, injunction, decree or demand of any Gaming Authority or (ii) any material order, writ, injunction, decree or demand of any other Governmental Authority. There has not been committed by Borrower, Operating Company or any other Person in occupancy of or involved with the operation or use of the Properties any act or omission affording the federal government or any other Governmental Authority the right of forfeiture as against any Individual Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents.

**4.1.11 Financial Information.** All financial data, including, without limitation, the statements of cash flow and income and operating expense, that have been delivered to Lender in connection with the Loan, the Properties and each Loan Party (i) are true, complete and correct in all material respects, (ii) accurately represent in all material respects the financial condition of the Properties as of the date of such reports, and (iii) to the extent prepared or audited by an independent certified public accounting firm, have been prepared in accordance with GAAP throughout the periods covered, except as disclosed therein. Except for Permitted Encumbrances, Borrower does not have any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and reasonably likely to have a materially adverse effect on Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-

use hotel and casino properties, except as referred to or reflected in said financial statements. Borrower has no Indebtedness other than the Loan. Except for Permitted Indebtedness (Operating Company), Operating Company does not have any Indebtedness or contingent liabilities, or due and unpaid liabilities for taxes, that are known to Borrower or Operating Company and reasonably likely to have a materially adverse effect on Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. Since the date of such financial statements, there has been no material adverse change in the financial condition, operation or business of Borrower or Operating Company from that set forth in said financial statements.

**4.1.12 Condemnation.** No Condemnation or other similar proceeding has been commenced or, to Borrower's best knowledge, is threatened or contemplated with respect to all or any portion of any Individual Property or for the relocation of roadways providing access to any Individual Property.

**4.1.13 Federal Reserve Regulations.** No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose which would be inconsistent with such Regulation U or any other Regulations of such Board of Governors, or for any purposes prohibited by Legal Requirements or by the terms and conditions of this Agreement or the other Loan Documents.

**4.1.14 Utilities and Public Access.** Each Individual Property has rights of access to public ways and is served by water, sewer, sanitary sewer and storm drain facilities adequate to service such Individual Property for its respective intended uses. All public utilities necessary or convenient to the full use and enjoyment of each Individual Property are located either in the public right-of-way abutting such Individual Property (which are connected so as to serve such Individual Property without passing over other property) or in recorded easements serving such Individual Property and such easements are set forth in and insured by the Title Insurance Policies. All roads necessary for the use of each Individual Property for their current respective purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

**4.1.15 Not a Foreign Person.** Borrower is not a "foreign person" within the meaning of §1445(f)(3) of the Code.

**4.1.16 Separate Lots.** Each Individual Property is comprised of one (1) or more parcels which constitute a separate tax lot or lots and does not constitute a portion of any other tax lot not a part of such Individual Property.

**4.1.17 Assessments.** There are no pending or, to Borrower's knowledge, proposed special or other assessments for public improvements or otherwise affecting any Individual Property, nor are there any contemplated improvements to any Individual Property that may result in such special or other assessments.

**4.1.18 Enforceability.** The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower, any Affiliates of Borrower including

Holdings, Operating Company or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors' rights and the enforcement of debtors' obligations), and Borrower, any Affiliates of Borrower including Holdings, Operating Company and Guarantor have not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

**4.1.19 No Prior Assignment.** There are no prior assignments of the Leases (including the Operating Leases) or of the Rents (or any Revenue) due and payable or to become due and payable which are presently outstanding.

**4.1.20 Insurance.** Borrower (or Operating Company) has obtained and has delivered to Lender certified copies of all Policies reflecting the insurance coverages, amounts and other requirements set forth in this Agreement. No material claims have been made under any such Policies except such as have been disclosed to Lender, and no Person, including Borrower and Operating Company, has done, by act or omission, anything which would impair the coverage of any such Policies.

**4.1.21 Use of Properties.** Each Individual Property is used exclusively as a mixed-use hotel and casino operation, and other appurtenant and related uses.

**4.1.22 Gaming Licenses and Operating Permits.**

(a) Schedule IX contains a correct and complete list of all Gaming Licenses and other material licenses, certification and permits for each of the Properties (and the holder thereof).

(b) Borrower possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents, including, without limitation, all certificates of occupancy, which are material to the ownership and use of each of the Properties, and Operating Company possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents, including, without limitation, all environmental, liquor, Gaming Licenses, health and safety licenses of all Governmental Authorities which are material to the conduct of their business and the use, occupation and operation of each of the Properties and the failure to possess which would have an Individual Material Adverse Effect (collectively, "**Operating Permits**"); each such Operating Permit is and will be in full force and effect (unless, in the case of any Operating Permit, such Operating Permit is no longer necessary or advisable for the conduct of Borrower's or Operating Company's business); Borrower, Operating Company and each of its Affiliates are in compliance in all material respects with all such Operating Permits, and no event (including, without limitation, any material violation of any law, rule or regulation) has occurred which would be reasonably likely to lead to the revocation or termination of any such Operating Permit or the imposition of any material restriction thereon.

(c) Operating Company and each of its Affiliates possesses all Gaming Licenses which are material to the conduct of their business and the ownership, use, occupation

and operation of each of the Properties. Further, Borrower hereby represents and warrants as follows:

(i) Each Gaming License is in full force and effect (except for such Gaming Licenses as are no longer necessary or advisable for the conduct of Borrower's or Operating Company's business); Operating Company and each of its Affiliates, respective directors, members, managers, officers, key personnel and Persons holding a five percent (5%) or greater equity or economic interest directly or indirectly in Operating Company is in compliance in all material respects with all such Gaming Licenses (to the extent required by Legal Requirements), and no event (including, without limitation, any material violation of any Legal Requirements) has occurred which would be reasonably likely to lead to the revocation or termination of any such Gaming Licenses or the imposition of any restriction thereon;

(ii) Borrower has no reason to believe that it and Operating Company will not be able to maintain in effect all Gaming Licenses necessary for the lawful conduct of their business or operations wherever now conducted and as planned to be conducted, including the ownership and operation of the Casino Components, pursuant to all applicable Legal Requirements;

(iii) All Gaming Licenses are in full force and effect and have not been amended or otherwise modified, rescinded, revoked or assigned in any manner that would reasonably be expected to have an Individual Material Adverse Effect;

(iv) Neither Borrower nor Operating Company is in default in any material respect under, or in violation in any material respect of, any Gaming License (and no event has occurred, and no condition exists, which, with the giving of notice or passage of time or both, would constitute a default thereunder or violation thereof that has caused or would reasonably be expected to cause the loss of any Gaming License) (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Borrower's or Operating Company's business);

(v) Neither Borrower nor Operating Company has received any notice of any violation of Legal Requirements which has caused or would reasonably be expected to cause any Gaming License to be suspended, forfeited, modified in any manner that would have an Individual Material Adverse Effect, not renewed, rescinded or revoked (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Borrower's or Operating Company's business);

(vi) No condition exists or event has occurred which would reasonably be expected to result in the suspension, revocation, impairment, forfeiture, rescission or non-renewal of any Gaming License (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Borrower's or Operating Company's business); and

(vii) The continuation, validity and effectiveness of all Gaming Licenses will not be adversely affected by the transactions contemplated by this Agreement.

(d) There is no proceeding, investigation, or disciplinary action (including, without limitation, before any Gaming Authority, under any Gaming Law or under any Gaming License or other Operating Permit) pending or, to Borrower's knowledge, threatened against any of Borrower, Operating Company or, to Borrower's knowledge, any of their respective directors, members, managers, officers, key personnel or Persons holding a five percent (5%) or greater direct or indirect equity or economic interest in Borrower or Operating Company and that could reasonably be expected to have an Individual Material Adverse Effect.

(e) There is no proceeding (including, without limitation, before any Gaming Authority, under any Gaming Law or under any Gaming License or other Operating Permit) pending or, to Borrower's knowledge, threatened either (a) in connection with, or that seeks to restrain, enjoin, prevent the consummation of or otherwise challenge, any of the Loan Documents or any of the transactions contemplated therein, or (b) that could reasonably be expected to have an Individual Material Adverse Effect.

(c) Default. As of the date hereof, the Ground Lease is in full force and effect and no default has occurred under the Ground Lease and there is no existing condition which, but for the passage of time or the giving of notice, could result in a default under the terms of the Ground Lease.

(d) Estoppel. (c) None of Borrower, Holdings, Guarantor or Operating Company is currently the subject of any proceeding by any Governmental Authority, and no notice of any violation has been received from a Governmental Authority that, in either case, would reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect.

(d) None of Borrower or Operating Company has received a statement of charges or deficiencies and no penalty enforcement actions have been undertaken against any of them relating to any Individual Property by any Governmental Authority during the last three (3) calendar years which caused or could cause an Individual Material Adverse Effect or an Aggregate Material Adverse Effect.

Affirmative Covenants.** From the date hereof and until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Liens of all Mortgages encumbering the Properties (and all related obligations) in accordance with the terms of this Agreement and the other Loan Documents, Borrower hereby covenants and agrees with Lender that:

**5.1.1 Existence; Compliance with Legal Requirements.** Borrower shall, and shall cause Operating Company to, do or cause to be done all things necessary to preserve, renew and keep in full force and effect their existence, rights, licenses, permits and franchises and comply with all Legal Requirements applicable to Borrower, Operating Company and the Properties, including, without limitation, Prescribed Laws. There shall never be committed by Borrower and Borrower shall not permit any other Person in occupancy of or involved with the operation or use of the Properties, including Operating Company, to commit any act or omission affording the federal government or any state or local government the right of forfeiture against any Individual Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents. Borrower hereby covenants and agrees not to commit, permit or suffer to exist any act or omission affording such right of forfeiture. Borrower shall at all times maintain, preserve and protect all franchises and trade names and preserve all the remainder of its property used or useful in the conduct of its business and shall keep the Properties in good working order and repair. Borrower shall keep the Properties insured at all

times as (and in the amounts) provided elsewhere in this Agreement. Borrower shall operate any Individual Property that is the subject of the O&M Agreement in accordance with the terms and provisions thereof in all material respects. After prior notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding promptly initiated and conducted in good faith and with due diligence, the validity of any Legal Requirement, the applicability of any Legal Requirement to Borrower or any Individual Property or any alleged violation of any Legal Requirement, provided that (i) no Event of Default has occurred and remains uncured; (ii) such proceeding shall be permitted under and be conducted in accordance with the provisions of any applicable material instrument to which Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all Legal Requirements; (iii) no Individual Property nor any material part thereof or interest therein will be in imminent danger of being sold, forfeited, terminated, cancelled or lost; (iv) Borrower shall promptly upon receipt of a final, non-appealable determination thereof comply with any such Legal Requirement determined to be valid or applicable or cure any violation of any such Legal Requirement; (v) such proceeding shall suspend the enforcement of the contested Legal Requirement against Borrower and any Individual Property; and (vi) Borrower shall furnish such security as may be required in the proceeding, or as may be reasonably requested by Lender, to insure compliance with such Legal Requirement, together with all interest and penalties payable in connection therewith. Lender may apply any such security, as necessary to cause compliance with such Legal Requirement at any time when, in the reasonable judgment of Lender, the validity, applicability or violation of such Legal Requirement is finally established or any Individual Property (or any part thereof or interest therein) shall be in imminent danger of being sold, forfeited, terminated, cancelled or lost.

**5.1.2 Taxes and Other Charges.** Borrower shall pay or cause to be paid all Taxes and Other Charges now or hereafter levied or assessed or imposed against the Properties or any part thereof as the same become due and payable; provided, however, Borrower's obligation to directly pay or cause to be paid Taxes shall be suspended for so long as Borrower complies with the terms and provisions of Section 7.2 hereof. Borrower will deliver to Lender receipts for payment or other evidence satisfactory to Lender that the Taxes and Other Charges have been so paid or are not then delinquent no later than the date on which the Taxes and/or Other Charges would otherwise be delinquent if not paid. Borrower shall furnish to Lender receipts for the payment of the Taxes and the Other Charges prior to the date the same shall become delinquent provided, however, Borrower is not required to furnish such receipts for payment of Taxes in the event that such Taxes have been paid by Lender pursuant to Section 7.2 hereof. Borrower shall not suffer and shall promptly cause to be paid and discharged any Lien or charge whatsoever which may be or become a Lien or charge against the Properties other than Permitted Encumbrances, and shall promptly pay or cause to be paid for all utility services provided to the Properties. After prior notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any Taxes or Other Charges, provided that (a) no Default or Event of Default has occurred and remains uncured; (b) such proceeding shall be permitted under and be conducted in accordance with the provisions of any applicable material other instrument to which Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all Legal Requirements; (c) no Individual Property nor any part thereof or interest therein will be in

imminent danger of being sold, forfeited, terminated, cancelled or lost; (d) Borrower shall promptly upon receipt of a final, non-appealable determination thereof pay the amount of any such Taxes or Other Charges, together with all costs, interest and penalties which may be payable in connection therewith; (e) such proceeding shall suspend the collection of such contested Taxes or Other Charges from the applicable Individual Property; and (f) Borrower shall furnish such security as may be required in the proceeding, or as may be reasonably requested by Lender, to insure the payment of any such Taxes or Other Charges, together with all interest and penalties thereon. Lender may pay over any such cash deposit or part thereof held by Lender to the claimant entitled thereto at any time when, in the judgment of Lender, the entitlement of such claimant is established or any Individual Property (or part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, cancelled or lost or there shall be any danger of the Lien of any Mortgage being primed by any related Lien.

**5.1.3 Litigation.** Borrower shall give prompt notice to Lender of any litigation or governmental proceedings pending or, to Borrower's knowledge, threatened against Borrower, Operating Company, Holdings or Guarantor which, in any such case, might materially adversely affect Borrower's, Operating Company's, Holdings's or Guarantor's condition (financial or otherwise) or business or any Individual Property. Borrower shall not, without the prior written consent of Lender (which may be furnished or withheld at its sole and absolute discretion), give its consent or approval to the settlement of any claim against Borrower, other than a fully insured third party claim, in any amount greater than Five Million and no/100 Dollars (\$5,000,000.00).

**5.1.4 Access to Properties.** Borrower shall permit agents, representatives and employees of Lender and any Noteholder, and prospective purchasers of any Note or any interest therein, to inspect the Properties or any part thereof at reasonable hours upon reasonable advance notice, and Borrower shall cause Operating Company to permit such access by Lender, in each case subject to the rights of tenants under Leases and Hotel guests.

**5.1.5 Notice of Default.** Borrower shall promptly advise Lender of any material Default or Event of Default of which Borrower has knowledge.

**5.1.6 Cooperate in Legal Proceedings.** Borrower shall cooperate fully with Lender with respect to any proceedings before any court, board or other Governmental Authority which may in any way affect the rights of Lender hereunder or any rights obtained by Lender under any of the other Loan Documents and, in connection therewith, permit Lender, at its election, to participate in any such proceedings.

**5.1.7 Perform Loan Documents.** Borrower shall observe, perform and satisfy all the terms, provisions, covenants and conditions of, and shall pay when due all costs, fees and expenses to the extent required under the Loan Documents executed and delivered by, or applicable to, Borrower.

**5.1.8 Award and Insurance Benefits.** Borrower shall cooperate with Lender in obtaining for Lender the benefits of any Awards or Insurance Proceeds lawfully or equitably payable in connection with any Individual Property, and Lender shall be reimbursed for any

actual, reasonable out-of-pocket expenses incurred in connection therewith (including actual, reasonable out-of-pocket attorneys' fees and disbursements, and, if reasonably required, the payment by Borrower of the expense of an appraisal on behalf of Lender in case of Casualty or Condemnation affecting any Individual Property or any part thereof) out of such Insurance Proceeds.

**5.1.9 Further Assurances.** Borrower shall and shall cause Guarantor and Operating Company to, at Borrower's sole cost and expense:

(a) furnish to Lender all instruments, documents, boundary surveys, footing or foundation surveys, certificates, plans and specifications, appraisals, title and other insurance reports and agreements, and each and every other document, certificate, agreement and instrument, in each case in such party's possession, not subject to confidentiality restrictions barring the delivery of such materials, and which are either required to be furnished by Borrower or Operating Company pursuant to the terms of the Loan Documents or which are reasonably requested by Lender in connection therewith;

(b) execute and deliver to Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the collateral at any time securing or intended to secure the obligations of Borrower under the Loan Documents, as Lender may reasonably require; and

(c) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of this Agreement and the other Loan Documents, as Lender shall reasonably require from time to time.

**5.1.10 Supplemental Mortgage Affidavits.** Borrower represents that it has paid all state, county and municipal recording and all other taxes imposed upon the execution and recordation of the Mortgages. If at any time Lender determines, based on applicable law, that Lender is not being afforded the maximum amount of security available from any one or more of the Properties as a direct or indirect result of applicable taxes not having been paid with respect to any Individual Property, Borrower agrees that Borrower will execute, acknowledge and deliver to Lender, immediately upon Lender's request, supplemental affidavits increasing the amount of the Debt attributable to any such Individual Property (as set forth as the Allocated Loan Amount on Schedule II annexed hereto) for which all applicable taxes have been paid to an amount determined by Lender to be equal to the lesser of (a) the greater of the fair market value of the applicable Individual Property (i) as of the date hereof and (ii) as of the date such supplemental affidavits are to be delivered to Lender, and (b) the amount of the Debt attributable to any such Individual Property (as set forth as the Allocated Loan Amount on Schedule II annexed hereto), and Borrower shall, on demand, pay any additional taxes.

**5.1.11 Financial Reporting.** (a) Borrower will keep or will cause to be kept and maintained on a Fiscal Year basis, in accordance with GAAP (or such other accounting basis acceptable to Lender), books, records and accounts reflecting all of the financial affairs of Borrower and all items of income and expense in connection with the operation on an individual

basis of the Properties. Lender (at Lender's sole cost and expense) shall have the right from time to time at all times during normal business hours upon reasonable notice to examine the books, records and accounts of Borrower at the office of Borrower or any other Person maintaining such books, records and accounts and to make such copies or extracts thereof as Lender shall desire. After the occurrence and during the continuance of an Event of Default, Borrower shall pay any costs and expenses incurred by Lender to examine Borrower's or to the extent permitted under the Operating Lease, Operating Company's accounting records with respect to the Properties, as Lender shall determine to be necessary or appropriate in the protection of Lender's interest.

(b) Borrower will furnish to Lender annually, by no later than April 30, 2009, and thereafter within no more than one hundred twenty (120) days following the end of each Fiscal Year of Borrower, a complete copy of the annual financial statements of the Operating Company and Borrower (and of no other entity or Person), audited by a "Big Four" accounting firm or other independent certified public accountant acceptable to Lender in accordance with GAAP (or such other accounting basis acceptable to Lender) covering the Properties on a combined basis for such Fiscal Year (and no other Persons, Properties or assets) and containing statements of profit and loss for the Operating Companies, Borrower and the Properties (on a combined basis) and a balance sheet for the Operating Company, Borrower and the Properties (on a combined basis), in each case showing no other assets than the Properties (and the interests of Operating Company and Borrower therein). In addition, Borrower will furnish to Lender by no later than April 30, 2008 (i) a "balance sheet only audit" prepared by a "Big Four" accounting firm or other independent certified public accountant acceptable to Lender (for the Fiscal Year ending December 31, 2007) and (ii) a complete copy of annual financial statements for the Operating Company and Borrower prepared in accordance with GAAP (or such other accounting basis acceptable to Lender), covering the Operating Companies, each Borrower and the Properties on a combined basis for such Fiscal Year (ending December 31, 2007) and containing statements of profit and loss for the Operating Companies, each Borrower and the Properties (in each case, on a combined basis), and a balance sheet for the Operating Companies, Borrowers and the Properties (in each case, on a combined basis). All such statements (including statements for the Fiscal Year ending December 31, 2007, and thereafter for all statements provided yearly to Lender) shall set forth the financial condition and the results of operations for the Properties for such Fiscal Year, and shall include, but not be limited to, amounts representing Borrower's reasonable and good faith determination of aggregate annual EBITDAR from all of the Properties and capital expenditures (allocated between maintenance and growth) at the Properties (it being acknowledged that Borrower's statement of EBITDAR pursuant to the above provisions of this sentence and the balance of this Section 5.1.11 shall not be binding on Lender and shall be subject to Lender's reasonable review). All such statements (including statements for the Fiscal Year ending December 31, 2007, and thereafter for all statements provided yearly to Lender) shall also set forth unaudited schedules for each Individual Property, detailing the statements of profit and loss and a balance sheet for each Individual Property, as well as gross revenues, gross hotel and casino revenues, EBITDAR and capital expenditures (allocated between maintenance and growth). The annual financial statements, as described above, shall be accompanied by (1) a comparison of the budgeted income and expenses and the actual income and expenses for the prior Fiscal Year, (2) in the case of any financial statements for Fiscal Year 2008 and thereafter, an unqualified opinion of a "Big Four" accounting firm or other independent certified public accountant reasonably acceptable to Lender, (3) room rate reports and RevPAR

calculations, and (4) an Officer's Certificate certifying (A) that each annual financial statement presents fairly the financial condition and the results of operations of the Operating Companies, Borrowers and the Properties being reported upon, (B) that such financial statements have been prepared in accordance with GAAP (or such other accounting basis acceptable to Lender) and (C) as of the date thereof whether there exists an event or circumstance which constitutes a Default or Event of Default, and if such Default or Event of Default exists, the nature thereof, the period of time it has existed and the action then being taken to remedy the same. Any audits performed by Borrower (and any audited materials and other information provided to Lender, as required hereunder in order for Borrower to comply with the requirements of this subparagraph (b)) may be performed with respect to the Properties on a "combining basis" (so that a single audit of the Properties, rather than individual audits of each of the separate Properties, may be performed and provided).

(c) Borrower will furnish, or cause to be furnished, to Lender on or before sixty (60) days after the end of each fiscal quarter the following items, accompanied by an Officer's Certificate stating that such items fairly present the financial condition and results of the Operating Company, Borrower and the Properties, subject to normal year-end adjustments, as applicable: (i) quarterly and year-to-date operating statements (including Capital Expenditures) noting such information as is necessary and sufficient to fairly represent the financial position and results of operation of the Properties during such quarter, and containing a comparison of budgeted income and expenses and the actual income and expenses together with a detailed explanation of any variances of ten percent (10%) or more between budgeted and actual amounts for such periods, all in form reasonably satisfactory to Lender; and (ii) a calculation reflecting the Debt Service Coverage Ratio, gross revenues, gross hotel and casino revenues, EBITDAR and capital expenditures (allocated between maintenance and growth), in each case for the immediately preceding twelve (12) month period as of the last day of such quarter (it being acknowledged that Borrower's statement of EBITDAR pursuant to the above provisions of this sentence and the balance of this Section 5.1.11 shall not be binding on Lender and shall be subject to Lender's reasonable review). Borrower shall provide the statements and calculations required hereunder on both a "combined basis" for all Properties and on an Individual Property-by-Individual Property basis. In addition, such Officer's Certificate shall also state that the representations and warranties of Borrower set forth in Section 4.1.30 are true and correct as of the date of such certificate and that there are no trade payables outstanding for more than ninety (90) days. In addition, prior to a Securitization or Syndication, Borrower shall be obligated to provide the statements and calculations, as well as the Officer's Certificate, described in this subparagraph (c) to Lender on a monthly basis (such requirements to be modified as appropriate to reflect the fact that the information shall be required to be provided monthly (e.g., monthly rent rolls, monthly and year-to-date operating statements, a calculation reflecting the Debt Service Coverage Ratio for the immediately preceding twelve (12) month period as of the last day of such month), in each case within no more than thirty (30) days following the end of each calendar month.

(d) For the partial year period commencing on the date hereof, and for each Fiscal Year thereafter, Borrower shall submit to Lender for informational purposes only an Annual Budget not later than the commencement of such period or Fiscal Year in form reasonably satisfactory to Lender.

(e) Intentionally Omitted.

(f) If, at the time one or more Disclosure Documents are being prepared for a public Securitization, Lender expects that Borrower alone or Borrower and one or more Affiliates of Borrower collectively, or the Properties and Related Properties collectively, will be a “**Significant Obligor**”, as that term is defined in Item 1101(k) of Regulation AB (as defined below), Borrower shall furnish to Lender upon request (i) the selected financial data or, if applicable, net operating income, required under Item 1112(b)(1) of Regulation AB, if Lender expects that the principal amount of the Loan together with any other loans made to an Affiliate of Borrower or secured by a Related Property, that is included in a Securitization with the Loan (each, a “**Related Loan**”) as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed ten percent (10%) (but less than twenty percent (20%)) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in the Securitization or (ii) the financial statements required under Item 1112(b)(2) of Regulation AB, if Lender expects that the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed twenty percent (20%) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in the Securitization. Such financial data or financial statements shall be furnished to Lender (A) within ten (10) Business Days after written notice from Lender in connection with the preparation of Disclosure Documents for the Securitization, (B) not later than thirty (30) days after the end of each fiscal quarter of Borrower and (C) not later than sixty (60) days after the end of each fiscal year of Borrower; provided, however, that Borrower shall not be obligated to furnish financial data or financial statements pursuant to clauses (B) or (C) of this sentence with respect to any period for which a filing pursuant to the Exchange Act in connection with or relating to the Securitization (an “**Exchange Act Filing**”) is not required. If requested by Lender, in writing, Borrower shall use commercially reasonable efforts to furnish to Lender financial data and/or financial statements for any tenant of any of the Properties (other than a tenant that is a reporting company under the Exchange Act) if, in connection with a Securitization, Lender expects there to be, with respect to such tenant or group of affiliated tenants, a concentration within all of the mortgage loans included or expected to be included, as applicable, in the Securitization such that such tenant or group of affiliated tenants would constitute a Significant Obligor. “**Related Property**” shall mean a parcel of real property, together with improvements thereon and personal property related thereto, that is “related”, within the meaning of the definition of Significant Obligor, to any of the Properties. “**Regulation AB**” shall mean Regulation AB under the Securities Act and the Exchange Act, as such Regulation may be amended from time to time.

(g) All financial data and financial statements provided by Borrower and Operating Company hereunder pursuant to Section 5.1.11(f) shall be prepared in accordance with GAAP, and all such financial statements shall meet the requirements of Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and any other applicable legal requirements. All financial statements referred to in clause (ii) of Section 5.1.11(f) shall be

audited by independent accountants of Borrower reasonably acceptable to Lender in accordance with Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and all other applicable legal requirements, shall be accompanied by the manually executed report of the independent accountants thereon, which report shall meet the requirements of Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and all other applicable legal requirements, and shall be further accompanied by a manually executed written consent of the independent accountants, in form and substance reasonably acceptable to Lender, to the inclusion of such financial statements in any Disclosure Document and any Exchange Act Filing and to the use of the name of such independent accountants and the reference to such independent accountants as “experts” in any Disclosure Document and Exchange Act Filing, all of which shall be provided at the same time as the related financial statements are required to be provided, in each case if applicable (i.e., in the case of a public securitization). All financial data and financial statements (audited or unaudited) provided by Borrower under this Section 5.1.11(g) shall be accompanied by an Officer’s Certificate which shall state that such financial statements meet the requirements set forth in the first sentence of this Section 5.1.11(g) to the extent applicable.

(h) If requested by Lender, Borrower shall provide Lender, promptly upon request, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall reasonably determine to be required pursuant to Regulation AB, Regulation S-X, Regulation S-K or any amendment, modification or replacement thereto or other legal requirements in connection with any Disclosure Document or any Exchange Act Filing or as shall otherwise be reasonably requested by the Lender.

(i) In the event Lender reasonably determines, in connection with a Securitization, that the financial data and financial statements required in order to comply with Regulation AB, Regulation S-X, Regulation S-K or any amendment, modification or replacement thereto or other legal requirements are other than as provided herein, then notwithstanding the provisions of Sections 5.1.11(f) and (g), Lender may request, and Borrower shall promptly provide, such other financial statements as Lender determines to be necessary or appropriate for such compliance.

(j) Any reports, statements or other information required to be delivered under this Agreement shall be delivered (i) in paper form, and (ii) if requested by Lender and within the capabilities of Borrower’s data systems without change or modification thereto, in electronic form and prepared using a Microsoft Word for Windows or WordPerfect for Windows files (which files may be prepared using a spreadsheet program and saved as word processing files). Borrower agrees that Lender may disclose information regarding any of the Properties, Borrower and Operating Company that is provided to Lender pursuant to this Section in connection with the Securitization to such parties reasonably requesting such information in connection with such Securitization.

**5.1.12 Business and Operations.** Borrower will, and will cause Operating Company to, continue to engage in the businesses presently conducted by it as and to the extent the same are necessary for the ownership, maintenance, management and operation of the Properties. Borrower will and will cause Operating Company to qualify to do business and will

remain in good standing under the laws of each jurisdiction as and to the extent the same are required for the ownership, maintenance, management and operation of the Properties.

**5.1.13 Title to the Properties.** Borrower will warrant and defend (a) the title to each Individual Property and every part thereof, subject only to Liens permitted hereunder (including Permitted Encumbrances) and (b) the validity and priority of the Liens of the Mortgages and the Assignments of Leases, subject only to Liens permitted hereunder (including Permitted Encumbrances), in each case against the claims of all Persons whomsoever. Borrower shall reimburse Lender for any actual out-of-pocket losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Lender if an interest in any Individual Property, other than as permitted hereunder, is claimed by another Person.

**5.1.14 Costs of Enforcement.** In the event (a) that any Mortgage encumbering any Individual Property is foreclosed in whole or in part or that any such Mortgage is put into the hands of an attorney for collection, suit, action or foreclosure, (b) of the foreclosure of any mortgage prior to or subsequent to any Mortgage encumbering any Individual Property in which proceeding Lender is made a party, or (c) of the bankruptcy, insolvency, rehabilitation or other similar proceeding in respect of Borrower or Operating Company or an assignment by Borrower or Operating Company for the benefit of its creditors, Borrower, its successors or assigns, shall be chargeable with and agrees to pay all reasonable out-of-pocket costs of collection and defense, including reasonable out-of-pocket attorneys' fees and costs, incurred by Lender or Borrower in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, together with all required service or use taxes.

**5.1.15 Estoppel Statement.** (a) After request by Lender, Borrower shall within ten (10) Business Days (but, provided there exists no Default or Event of Default, no more often than twice during the course of each Fiscal Year of Borrower) furnish Lender with a statement, duly acknowledged and certified, setting forth (i) the original principal amount of the Loan, (ii) the unpaid principal amount of the Loan, (iii) the Interest Rate of the Loan, (iv) the date installments of interest and/or principal were last paid, (v) any offsets or defenses to the payment of the Debt, if any, and (vi) that the Note, this Agreement, the Mortgages and the other Loan Documents are valid, legal and binding obligations and have not been modified or if modified, giving particulars of such modification.

(b) Borrower shall exercise reasonable best efforts to deliver to Lender upon request, tenant estoppel certificates from each space tenant leasing space at the Properties, and shall exercise reasonable best efforts to deliver an estoppel certificate from each ground lessor, each in form and substance reasonably satisfactory to Lender, provided that Borrower shall not be required to deliver such certificates more frequently than two (2) times in any calendar year.

(c) After request by Borrower, but not more than twice during the course of each year, Lender shall furnish Borrower with a statement setting forth (i) the original principal amount of the Loan, (ii) the unpaid principal amount of the Loan, (iii) the Interest Rate of the Loan, (iv) the date installments of interest and/or principal were last paid, and (v) that the Loan Documents have not been modified or if modified, giving particulars of such modification.

**5.1.16 Loan Proceeds.** Borrower shall use the proceeds of the Loan received by it on the Closing Date only for the purposes set forth in Section 2.1.4.

**5.1.17 Performance by Borrower.** Borrower shall in a timely manner observe, perform and fulfill each and every covenant, term and provision of each Loan Document executed and delivered by, or applicable to, Borrower, and shall not enter into or otherwise suffer or permit any amendment, waiver, supplement, termination or other modification of any Loan Document executed and delivered by, or applicable to, Borrower without the prior consent of Lender.

**5.1.18 Confirmation of Representations.** Borrower shall deliver, in connection with any Securitization, (a) one or more Officer's Certificates certifying as to the accuracy of all representations made by Borrower in the Loan Documents as of the date of the closing of such Securitization in all relevant jurisdictions, and (b) certificates of the relevant Governmental Authorities in all relevant jurisdictions indicating the good standing and qualification of Borrower and Holdings as of the date of the Securitization.

**5.1.19 No Joint Assessment.** Borrower shall not suffer, permit or initiate the joint assessment of any Individual Property (a) with any other real property constituting a tax lot separate from such Individual Property, and (b) which constitutes real property with any portion of such Individual Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to such real property portion of the Individual Property, except as required by Legal Requirements.

**5.1.20 Leasing Matters.** (a) Borrower shall not (and shall cause Guarantor (Operating Lease) not to), without the prior written consent of Lender (and, if a Securitization shall have occurred, Borrower shall have obtained and delivered to Lender a Rating Agency Confirmation) restate, materially modify, materially amend or materially supplement (or permit the restatement, material modification, amendment or supplement of) any Operating Lease or Operating Lease Guaranty (provided, that any modification, amendment or supplement affecting any of the economic terms of any Operating Lease or any of the terms of the Operating Lease Guaranty shall be deemed to be material for purposes hereof), terminate or accept the surrender (or permit the termination or surrender) of any Operating Lease or Operating Lease Guaranty, or release or materially waive (or permit the release or material waiver of) the Operating Company or Guarantor (Operating Lease) from the performance or observance of any obligation or condition under the Operating Leases or Operating Lease Guaranty. In connection with a material modification, Lender may request, and in such event, Borrower shall not effect such modification without, an Additional True Lease Opinion in form and substance reasonably satisfactory to Lender issued by Borrower's counsel (at Borrower's expense). Borrower shall not permit the prepayment of any rents under the Operating Leases for more than one (1) month prior to the due date thereof. Notwithstanding the foregoing, Lender's consent shall not be required in connection with any modification, amendment or waiver of any provision of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document or that makes the provisions of the Operating Lease consistent with the provisions of this Agreement or any other Loan Document. Notwithstanding

anything contained in this Section 5.1.20(a) to the contrary, (x) Lender's consent to any amendment, modification or supplement of the Operating Lease (or any new Operating Lease) or the Operating Lease Guaranty may also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and/or an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies), and (y) Lender's consent to any assignment of any Operating Lease or Operating Lease Guaranty (or of any interest therein) or any material amendment, material modification or material supplement of any Operating Lease shall also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies).

(b) Borrower shall not permit (or consent to) an assignment by any Operating Company of any such Operating Company's interest(s) under any Operating Lease and Borrower shall not assign any of its interests in the Operating Lease Guaranty without, in each case, Lender's prior written consent (and, if a Securitization shall have occurred, at Lender's request, without Borrower providing to Lender a Rating Agency Confirmation and an Additional True Lease Opinion).

(c) All space Leases and all renewals of space Leases executed after the date hereof entered into by Operating Company shall (i) provide for rental rates, rent credits and free rent periods comparable to existing local market rates for comparable properties, (ii) be on commercially reasonable terms, (iii) provide that such Lease is subordinate to the Mortgage encumbering the Individual Property in question and that the lessee will attorn to Lender and any purchaser at a foreclosure sale; (iv) not contain any terms which would materially adversely affect Lender's rights under the Loan Documents; (v) not grant to the Tenants thereunder any option or right to purchase the applicable Individual Property (or any portion thereof); and (v) in the case of Major Leases, have initial terms less than twenty (20) consecutive years, in each case (unless otherwise consented to by Lender pursuant to clause (d) below).

(d) (i) Any Major Lease entered into by Operating Company with respect to an Individual Property executed after the date hereof (and any renewal of any Major Lease with respect to an Individual Property), and any space Lease or space Lease renewal proposed to be entered into by Operating Company after the date hereof and that does not meet the criteria set forth in Sections 5.1.20(a) and subparagraph (c) above, shall be subject to the prior written approval of Lender, which approval shall not be unreasonably withheld, conditioned or delayed. Borrower shall not terminate or accept the surrender of (and shall not permit Operating Company to terminate or accept the surrender of) a Major Lease (unless by reason of a tenant default) without the consent of Lender.

(ii) Every submission to Lender of any proposed Major Lease (or Major Lease renewal, amendment, modification or termination) for Lender's approval shall be forwarded to Lender together with a notice from Borrower (in bold typeface) that states **"YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT**

OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this section.

(ii) If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN FIVE (5) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within five (5) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(e) Borrower shall and shall cause Operating Company to (i) observe and perform the obligations imposed upon the lessor under the Leases in a commercially reasonable manner; (ii) enforce the terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed or performed in a commercially reasonable manner and in a manner not to impair the value of the Individual Property involved; (iii) not collect any of the rents more than one (1) month in advance (other than security deposits); (iv) not execute any other assignment of lessor's interest in the Leases or the Rents (except as contemplated by the Loan Documents); (v) not alter, modify or change the terms of the Leases in a manner inconsistent with the provisions of the Loan Documents; and (vi) execute and deliver at the request of Lender all such further assurances, confirmations and assignments in connection with the Leases as Lender shall from time to time reasonably require.

(f) Upon request, Borrower shall furnish Lender with executed copies of all new Leases or Lease renewals or amendments.

(g) Notwithstanding anything to the contrary contained herein, Borrower shall not enter into (or permit Operating Company to enter into) a lease of all or substantially all of any Individual Property without Lender's prior consent.

(h) Provided the foregoing requirements have been complied with and no Event of Default then exists, (i) Lender agrees to enter into a Recognition Agreement with the Tenants under Major Leases defined in clause (a)(i) or (a)(ii) of the definition thereof, in each case on the form annexed as Schedule XII hereto (with such changes as shall be negotiated by Lender in good faith) and, in such event, no fee shall be charged by Lender in connection with any such Recognition Agreement (except that Borrower shall reimburse Lender for any reasonable, out-of-pocket fees and expenses incurred by Lender in connection with same) and (ii) if requested by Borrower, Lender agrees to not unreasonably withhold its consent to entering into (and shall enter into) a Recognition Agreement with other Tenants, excluding Tenants described in any of clauses (b) and (c) of the definition thereof (as to which Lender shall have no obligation

whatsoever to grant nondisturbance), in each case on the form annexed as Schedule XII hereto (with such changes as shall be negotiated by Lender in good faith) and, in such event, no fee shall be charged by Lender in connection with any such Recognition Agreement (except that Borrower shall reimburse Lender for any reasonable, out-of-pocket fees and expenses incurred by Lender in connection with same).

**5.1.21 Alterations.** (a) Borrower shall cause all Alterations with respect to any portion of any of the Properties to be conducted and performed with due diligence in a good and workmanlike manner, and all materials used and work done shall be in accordance with all applicable Legal Requirements. In addition, with respect to the Convention Center Project and the Tower Project, to the extent such projects are pursued, Borrower agrees to (i) diligently pursue each such project to completion in a timely manner, subject to delays arising from Force Majeure events, (ii) cause the work to be performed in connection with each such project in substantial conformance with the plans and specifications for such project and otherwise in conformity with this Agreement, (iii) provide Lender with reasonably detailed monthly progress reports (and such information as Lender shall reasonably request from time to time) regarding the status of the Convention Center Project and the Tower Project, (iv) upon the substantial completion of each such project, provide Lender with evidence of the substantial completion of each such project, copies of final unconditional lien waivers from the general contractors, construction managers or subcontractors for such project (if requested by Lender) and evidence of the final payment of all amounts due in connection with each such project, and a title search for the affected Individual Property indicating that such Individual Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (v) upon final completion of each such project, provide Lender with a final survey acceptable to Lender showing the "as-built" location of the completed Improvements and all easements appurtenant thereto, "as-built" plans and specifications for Lender's file and a certificate of occupancy to the extent issued by the relevant Governmental Authority.

(b) Borrower shall obtain Lender's prior consent to (i) any Material Alterations (unless collateral or a completion guaranty is provided as set forth in subparagraph (c) below) or (ii) any Alterations to any of the Improvements (even if otherwise described in clause (i) above) that is reasonably likely to have an Individual Material Adverse Effect. Lender's consent shall not be required for any Alterations other than the Alterations described in the preceding sentence. Notwithstanding any provision hereof to the contrary, without Lender's consent, not to be unreasonably withheld or delayed, in no event shall Borrower close or shutter, or undertake or permit any Tenant or other Person to undertake, an Alteration that, alone or together with other work then being undertaken, closes or shutters, more than ten percent (10%) of the income-generating space in any Individual Property at any one time. Prior to undertaking any Alteration with respect to an Individual Property in excess of five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mezzanine Loan Agreements for such Individual Property, to afford Lender a prior and reasonable opportunity to determine whether or not the proposed Alteration would have an Individual Material Adverse Effect, Borrower will deliver such plans, specifications, project schedules, logistical plans, construction budgets (including a statement of sources and uses) and such other information as Lender may reasonably request in respect of such Alteration for review by Lender (and its consultants). All reasonable out-of-pocket costs

and expenses incurred by Lender in connection with reviewing said Alterations proposal, including, without limitation, reasonable counsel fees and disbursements and Lender's consultants, shall be paid by Borrower. The above-referenced submission to Lender shall be delivered with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this Section. If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within ten (10) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(c) With respect to any Material Alteration, unless otherwise consented to by Lender, Borrower shall promptly deliver to Lender as security for the payment of such amounts and as additional security for Borrower's obligations under the Loan Documents any of the following: (A) cash, (B) U.S. Obligations, (C) other securities having a rating acceptable to Lender and that the applicable Rating Agencies have confirmed in writing will not, in and of itself, result in a downgrade, withdrawal or qualification of the initial, or, if higher, then current ratings assigned to any Securities or any class thereof in connection with any Securitization, (D) a completion and performance bond or an irrevocable letter of credit (payable on sight draft only) issued by an Eligible Institution, or (E) a completion guaranty from an Approved Guarantor in the form attached hereto as Exhibit B (with such changes as Lender shall approve), together with evidence reasonably satisfactory to Lender that the Approved Guarantor has reasonable liquidity taking into account the nature and amount of the guaranteed obligations under such completion guaranty (it being agreed that, if the Approved Guarantor in question is Holdings, then the amounts available for repayment of such obligations under any revolving credit facility in effect at such time in favor of Harrah's Operating Company, Inc. will be taken into account in determining whether Holdings has reasonable liquidity) and with, if required by applicable Rating Agency requirements, an Additional Insolvency Opinion. Such security, including the amount of the guaranteed obligations under any completion guaranty delivered as aforesaid, shall be in an amount equal to the sum of (i) the excess of the total unpaid amounts with respect to alterations to the Improvements on the applicable Individual Property (other than such amounts to be paid or reimbursed by tenants under the Leases) over the Threshold Amount and (ii) the costs of collection, and, upon the occurrence and during the continuance of an Event

of Default, Lender may apply such security from time to time at the option of Lender to pay for such alterations.

**5.1.22 Operation of Property.** (a) Borrower shall cause each of the Properties to be operated, in all material respects, in accordance with the Operating Leases and in accordance with all applicable Legal Requirements, including Gaming Laws, and all Gaming Licenses and other Operating Permits and in a manner consistent with their respective use as of the Closing Date. Borrower shall cause Operating Company to post all required bonds, if any, with any Gaming Authority as and in the amounts required under all applicable Legal Requirements (and shall, if Lender makes a request therefor, promptly provide Lender with copies of all such bonds).

(b) Borrower shall not, without Lender's prior written consent, permit Operating Company to assign or transfer, and Operating Company shall not, without Lender's prior written consent, assign or transfer, or delegate any responsibilities with respect to, any material Gaming License or Operating Permit.

(c) Borrower shall cause Operating Company to make all filings required under the Gaming Laws, or in connection with any Gaming Licenses or Operating Permits, including in connection with the origination of the Loan and the Mezzanine Loan, and shall deliver copies of such filings as Lender shall reasonably request to Lender, promptly upon request. Borrower will timely pay all fees, investigative fees and costs required by the Gaming Authorities with respect to any such approvals and licenses. Borrower will diligently and comprehensively respond to any inquiries and requests from the Gaming Authorities and promptly file or cause to be filed any additional information required in connection with any required filings as soon as practicable after receipt of requests therefor.

(d) Upon request of Lender, Borrower shall deliver to Lender (or cause Operating Company to deliver to Lender) such evidence of compliance (by Borrower, Operating Company and each Individual Property) with all Legal Requirements, including Gaming Laws as shall be reasonably requested by Lender. Borrower shall immediately deliver to Lender (and shall cause Operating Company to deliver to Lender) any notice of material non-compliance or material violation of any Legal Requirement, or of any material inquiry or investigation commenced by the Gaming Authorities in connection with any of the Properties. Borrower shall immediately notify Lender if it or Operating Company believe that any material license, including any Gaming License, is being or could be revoked or suspended, or that any action is pending, being considered or being, or could be, taken to revoke or suspend Borrower's or Operating Company's material licenses, including the Gaming Licenses, or to fine, penalize or impose remedies upon Borrower or Operating Company, or that any action is pending, being considered, or being, or could be, taken to discontinue, suspend, deny, decrease or recoup any payments due, made or coming due to Borrower or Operating Company, in each case if same might reasonably be expected to have an Individual Material Adverse Effect. Borrower shall immediately deliver to Lender any notice received by Borrower or Operating Company alleging or relating to the material non-compliance by Borrower or Operating Company with any Legal Requirements, including Gaming Laws.

(e) In the event that any of the Operating Leases expire or are terminated (without limiting any obligation of Borrower to obtain Lender's consent to any termination or modification of any of the Operating Leases in accordance with the terms and provisions of this Agreement), Borrower shall promptly enter into a replacement Operating Lease (in form and substance satisfactory to Lender) with Operating Company or another operating company reasonably satisfactory to Lender, provided Borrower will obtain a Rating Agency Confirmation as a condition to the effectiveness of such replacement Operating Lease and that Borrower will cause Guarantor (Operating Lease) to execute and deliver an operating lease guaranty in the same form and substance as the Operating Lease Guaranty,

(f) Borrower shall: (i) promptly perform and/or observe, in all material respects, all of the covenants and agreements required to be performed and observed by it under the Operating Lease and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any material default under any Operating Lease or Operating Lease Guaranty of which it is aware; (iii) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, notice, report and estimate received by it under each Operating Lease; and (iv) enforce the performance and observance of all of the material covenants and agreements required to be performed and/or observed by each Operating Company under each Operating Lease and by each Guarantor (Operating Lease) under each Operating Lease Guaranty, in a commercially reasonable manner.

(g) Borrower shall cause the Hotel Components to be at all times open for business as a hotel and the Casino Components to be open for business as a casino, except to the extent necessary to undertake any alterations or repairs (subject to the provisions of this Agreement with respect to the performance of any such alterations or repairs). Borrower shall cause each Individual Property to be at all times operated, managed and maintained, at all times and in the manner and accordance with the standards required pursuant to the Operating Leases and all applicable Legal Requirements in all material respects.

(h) If Borrower shall be in material default under any Operating Lease, then, subject to the terms of such Operating Lease, Borrower shall (subject to any applicable Legal Requirements) grant Lender the right (but not the obligation), to cause the default or defaults under such Operating Lease to be remedied and otherwise exercise any and all rights of Borrower under such Operating Lease, as may be necessary to prevent or cure any default provided such actions are necessary to protect Lender's interest under the Loan Documents, and Lender shall have the right to enter all or any portion of the affected Individual Property at such times and in such manner as Lender deems necessary, to prevent or to cure any such default. The actions or payments of Lender to cure any default by Borrower under any Operating Lease shall not remove or waive, as between Borrower and Lender, any default that may occur or occurred under this Agreement by virtue of such default by Borrower under such Operating Lease. All out-of-pocket sums reasonably expended by Lender to cure any such default shall be paid by Borrower to Lender, upon demand, with interest on such sum at the rate set forth in this Agreement from the date such sum is expended to and including the date the reimbursement payment is made to Lender. All such indebtedness shall be deemed to be secured by the Mortgage.

(i) Borrower shall notify Lender promptly in writing of (i) the occurrence, to Borrower's knowledge, of any material default by any party to any Operating Lease or any Operating Lease Guaranty, (ii) the occurrence, to Borrower's knowledge, of any event that, with the passage of time or service of notice, or both, would constitute a material default by any party under any Operating Lease or any Operating Lease Guaranty, and (iii) the receipt by Borrower or its Affiliate of any notice (written or otherwise) from any party under any Operating Lease or any Operating Lease Guaranty noting or claiming the occurrence of any material default by Borrower under such Operating Lease or such Operating Lease Guaranty.

(j) Borrower shall (subject to any applicable Legal Requirements) promptly execute, acknowledge and deliver to Lender such instruments as may reasonably be required to permit Lender to cure any material default under any Operating Lease or permit Lender to take such other action required to enable Lender to cure or remedy the matter in default and preserve the value of the security interest of Lender under the Loan Documents with respect to each of the Properties. Upon the occurrence and during the continuance of an Event of Default, Borrower irrevocably appoints Lender as its true and lawful attorney-in-fact to do, in its name or otherwise, any and all acts and to execute any and all documents that are necessary to preserve any rights of Borrower under or with respect to any Operating Lease, including, without limitation, the right to effectuate any extension or renewal of any Operating Lease, or to preserve any rights of Borrower whatsoever in respect of any part of any Operating Lease (and the above powers granted to Lender are coupled with an interest and shall be irrevocable).

(k) With respect to any Operating Lease or any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days' prior written request from Lender, execute, acknowledge and deliver to Lender, a statement containing the following: (A) a statement that such Operating Lease or such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease or the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications, (B) a statement that Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Borrower's knowledge, either the other party thereto is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to the Operating Lease or the Operating Lease Guaranty as Lender shall reasonably request.

(l) With respect to any Operating Lease, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from each Operating Company containing the following: (A) a statement that such Operating Lease is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease is in full force and effect as modified and setting forth such modifications, (B) a statement that the Operating Company is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Operating Company's knowledge, the Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description

of such default and the steps being taken to cure such default and (D) such other information with respect to Operating Company, any Operating Lease and/or any Operating Lease Guaranty as Lender shall reasonably request.

(m) With respect to any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from Guarantor (Operating Lease) containing the following: (A) a statement that such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications; (B) a statement that Guarantor (Operating Lease) is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (C) such other information with respect to Guarantor (Operating Lease) and/or Operating Lease Guaranty as Lender shall reasonably request.

(n) Each Operating Lease and any and all rights and interests (whether choate or inchoate and including, without limitation, all mechanic's and materialmen's liens under applicable law) owed, claimed or held, by any Operating Company thereunder or otherwise are and shall be in all respects subordinate and inferior to the liens and security interests created, or to be created, for the benefit of Lender, and securing the repayment of the Note and the performance of the obligations under the Loan Agreement and the other Loan Documents.

(o) Upon the occurrence of an Event of Default under the Loan Documents, Operating Company shall, at the request of Lender, continue to perform all of Operating Company's obligations under the terms of the Operating Leases. Further, upon and after foreclosure, deed in lieu of foreclosure or other similar transfer of any of the Properties to Lender, its designee or nominee, Operating Company shall not exercise any right to terminate the Operating Lease other than due to any default or breach by Lender, its designee or nominee first occurring thereafter pursuant to the terms of the Operating Lease and, at the request of Lender, shall continue to operate and manage any one or more of the Properties and maintain all applicable Gaming Approvals with respect thereto, either in accordance with the terms of the Operating Lease or pursuant to a replacement operating lease (or, to the extent permitted by applicable Legal Requirements, a management agreement) in form and substance reasonably acceptable to Lender provided that (i) to the extent such continued operation is conducted pursuant to the Operating Lease, Operating Company shall be obligated to pay the rental rate specified therein, (ii) to the extent such continued operation is conducted pursuant to a management agreement in accordance with applicable Legal Requirements, Lender, its designee or nominee shall pay to Operating Company a then market rate management fee which is reasonable and customary for similar properties in similar locations as the Individual Property in question, and (iii) all other terms and arrangements shall be usual and customary for similar properties in similar locations as such Individual Property and, to the extent required under applicable Gaming Laws, subject to the prior review and/or approval of the Gaming Authorities. In addition, upon the occurrence of an Event of Default under the Loan Documents, and promptly upon receipt of a written request therefor, each Operating Company shall deliver to Lender copies of all customer lists in each such Operating Company's possession (relating to each of the casinos and the hotels at each of the Properties, as applicable).

(p) Notwithstanding the foregoing or any provision hereof or of any of the Loan Documents to the contrary, at any time after foreclosure, deed in lieu of foreclosure or other similar transfer of any Individual Property to Lender, its designee or nominee, at the option of Lender exercised by written notice to Operating Company, Lender, its designee or nominee shall have the right to terminate the Operating Lease and/or, if applicable, any Management Agreement with Operating Company without penalty or termination fee (except that Operating Company shall be entitled to receive any unpaid amounts that relate to the period prior to such termination) and, in connection with the foregoing, Operating Company shall transfer its responsibility for the management of the applicable Individual Property to a replacement operator selected by Lender.

**Section 5.2. Negative Covenants.** From the date hereof until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Liens of all Mortgages in accordance with the terms of this Agreement and the other Loan Documents, Borrower covenants and agrees with Lender that it will not do, directly or indirectly, any of the following (without, in each case, the prior written consent of Lender):

(b) During the continuance of an Event of Default, Borrower shall not exercise any rights, make any decisions, grant any approvals or otherwise take any action under any Operating Lease, Operating Lease Guaranty or any management agreement without, in each instance, the prior written consent of Lender, which consent may be withheld in Lender's sole discretion.

**5.2.2 Liens.** (a) Borrower shall not create, incur, assume or suffer to exist any Lien on any portion of any Individual Property or permit any such action to be taken, except:

- (i) Permitted Encumbrances;
- (ii) Liens created by or permitted pursuant to the Loan Documents; and
- (iii) Liens for Taxes or Other Charges not yet due.

(b) Borrower shall not incur any Indebtedness other than the Loan and Permitted Indebtedness. Borrower shall not permit any Operating Company to incur Indebtedness in excess of other than Permitted Indebtedness (Operating Company).

**5.2.3 Dissolution.** Borrower shall not, and shall not permit Operating Company to, (a) engage in any dissolution, liquidation or consolidation or merger with or into any other business entity, (b) engage in any business activity not related to (i) in the case of Borrower, the ownership and operation of the Properties and (ii) in the case of Operating Company, the leasing and operation of the Properties, (c) transfer, lease or sell, in one transaction or any combination of transactions, the assets or all or substantially all of the properties or assets of Borrower except to the extent permitted by the Loan Documents, (d) modify (in any material respect), amend (in any material respect), waive or terminate its organizational documents or its qualification and good standing in any jurisdiction or (e) cause Holdings to (i) dissolve, wind up or liquidate or take any action, or omit to take an action, as a result of which Holdings would be dissolved, wound up or liquidated in whole or in part, or (ii) amend (in any material respect), modify (in any material respect), waive or terminate the certificate of incorporation or bylaws of the Holdings, in each case, without obtaining the prior consent of Lender.

**5.2.4 Change in Business.** Borrower shall not enter into any line of business other than the ownership and operation of the Properties and activities reasonably ancillary thereto, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business.

**5.2.5 Debt Cancellation.** Borrower shall not, and shall not permit Operating Company to, cancel or otherwise forgive or release any claim or debt (other than termination of Leases in accordance herewith) owed to Borrower by any Person, except for adequate consideration and in the ordinary course of Borrower's business.

**5.2.6 Zoning.** Borrower shall not, and shall not permit Operating Company to, initiate or consent to any zoning reclassification of any portion of any Individual Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of any Individual Property in any manner that could result in such use becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of Lender.

**5.2.7 Ground Lease.** Borrower shall not (and, for so long as Ground Lease Subsidiary is the lessee under the Ground Lease, shall cause Ground Lease Subsidiary to not) (a) fail to pay any rent, additional rent or other charge mentioned in or made payable under any Ground Lease as and when such rent or other charge is due (unless waived in writing by the ground lessor under such Ground Lease), (b) permit to occur any event of default (beyond any applicable notice, grace or cure periods) by any Borrower or Ground Lease Subsidiary, as applicable, as tenant under the related Ground Lease, in the observance or performance of any term, covenant or condition of such Ground Lease on the part of such Borrower or Ground Lease Subsidiary, as applicable, to be observed or performed (unless waived in writing by the ground lessor under such Ground Lease), (c) permit any one or more of the events referred to in any Ground Lease to occur which would cause such Ground Lease to terminate without notice or action by the ground lessor under such Ground Lease or which would entitle such ground lessor to terminate such Ground Lease and the term thereof by giving notice to the related Borrower or Ground Lease Subsidiary, as applicable, as tenant thereunder (unless waived in writing by the ground lessor under such Ground Lease), (d) permit the leasehold estate created by any Ground Lease to be surrendered or any Ground Lease to be terminated or canceled for any reason or under any circumstances whatsoever or (e) permit any of the terms, covenants or conditions of any Ground Lease to be materially modified, materially changed, materially supplemented, materially altered, or materially amended without the consent of Lender except as otherwise may be permitted by this Agreement.

**5.2.8 Principal Place of Business and Organization.** Borrower shall not, nor shall Borrower permit Operating Company to, change the place of its organization as set forth in Section 4.1.28 without the consent of Lender, which consent shall not be unreasonably withheld. Upon Lender's request, Borrower shall (and shall cause Operating Company to) execute and deliver additional financing statements, security agreements and other instruments which may be necessary to effectively evidence or perfect Lender's security interest in any of the Properties as a result of such change of place of organization.

**5.2.9 ERISA.** (a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of the Loan, as requested by Lender in its sole discretion, that (i) Borrower is not an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(32) of ERISA; (ii) Borrower is not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans; and (iii) one or more of the following circumstances is true:

(A) Equity interests in Borrower are publicly offered securities, within the meaning of 29 C.F.R. §2510.3-101(b)(2);

(B) Less than twenty-five percent (25%) of each outstanding class of equity interests in Borrower is held by “benefit plan investors” within the meaning of 29 C.F.R. §2510.3-101(f)(2); or

(C) Borrower qualifies as an “operating company” or a “real estate operating company” within the meaning of 29 C.F.R. §2510.3-101(c) or (e).

**5.2.10 Transfers.** (a) Without the prior consent of Lender and except to the extent otherwise set forth in this Section 5.2.10, Borrower shall not, and shall not permit any other Person holding any direct or indirect legal, economic, beneficial or other ownership interest in Borrower or one or more of the Properties to, (1) Transfer all or any part of one or more of the Properties, (2) permit any Transfer (directly or indirectly) of any direct or indirect interest in Borrower, or (3) permit any Transfer (directly or indirectly) of any direct or indirect interest in Operating Company or any transfer or assignment or subletting (of all or substantially of any Individual Property) by any Operating Company under any Operating Lease.

(b) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) an indirect beneficial interest in Borrower consisting of ownership interests in or at any level above the level of Ninth Mezzanine Borrower shall be permitted without Lender’s consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Borrower is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, (iii) subsequent to such Transfer, Borrower will continue to be a Special Purpose Entity, (iv) if (1) such Transfer causes the Transferee to own, in the aggregate with the ownership interests of its Affiliates, more than a forty nine percent (49%) interest in Borrower (and the Transferee (together with the ownership interests of its Affiliates) did not, prior to such Transfer, own more than a forty nine percent (49%) interest in Borrower), or (2) such Transfer, together with all other Transfers by Borrower, whether in a single Transfer or in a series of Transfers and whether or not effected simultaneously, results in a Transfer of more than forty nine percent (49%) of the aggregate interests in Borrower, then, if required by applicable Rating Agency requirements, an acceptable non-consolidation opinion is delivered to the holder of the Loan and to each of the Rating Agencies concerning, as applicable, Borrower, the new Transferee and/or their respective owners, and (v) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions. Further, a Change in Control shall be deemed a Transfer hereunder and, unless clauses (ii) through (v) of this Section 5.2.10(b) shall be satisfied, the same shall be an Event of Default hereunder (and for the sake of clarity, nothing else contained in this Section 5.2.10 or this Agreement shall be deemed to limit or qualify the above terms of this sentence).

(c) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) a direct or indirect beneficial interest in Operating Company shall be permitted without Lender’s consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and

be continuing, (ii) Operating Company is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, and (iii) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions.

(d) In the event that a permitted Transfer of more than a forty nine percent (49%) interest in Borrower is made pursuant to this Section 5.2.10, at Borrower's request, Lender shall release Guarantor from (i) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty for obligations and liabilities arising from and after the date of such Transfer, and (ii) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred either prior or subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty, including those which occurred prior to the Transfer. Notwithstanding the foregoing or anything else that may be construed to the contrary, in no event may Borrower effect a Transfer, or permit or suffer any Transfer, that would result in any loss or impairment of any Gaming License or in any similar event that would have an Individual Property Material Adverse Effect or Aggregate Property Material Adverse Effect.

(e) Notwithstanding the foregoing or anything herein to the contrary, but subject to the final sentence of Section 5.2.10(d), nothing contained in this Agreement or the other Loan Documents shall in any way restrict or prohibit, nor shall any notice to Lender or consent of Lender or Rating Agency Confirmation be required in connection with the Transfer or issuance in the ordinary course of any securities in any Person whose securities are publicly traded on a national exchange (except to the extent that the same would cause a Change in Control) or with an initial public offering of securities issued by Holdings or of subsidiary of Holdings (other than the Borrower and any Mezzanine Borrower (provided that, in the case of an issuance by a subsidiary, such issuance would not cause a Change of Control)).

(f) Assumptions of the Loan shall be permitted, provided that the following conditions are satisfied and/or occur to Lender's satisfaction:

(i) an assumption of this Agreement, the Note, the Mortgages and the other Loan Documents as so modified by the proposed transferee, subject to the provisions of Section 9.3 hereof;

(ii) payment of all of reasonable out-of-pocket costs and expenses incurred in connection with such Transfer including, without limitation, the cost of any legal fees and expenses, Rating Agency fees and expenses or required legal opinions;

(iii) the payment of a non-refundable assumption fee equal to Lender's Share of One Million and No/100 Dollars (\$1,000,000) per transaction (effecting an assumption of the Loan) or series of related transactions (effected to implement an assumption of the Loan);

(iv) the delivery of an Additional Insolvency Opinion reflecting the proposed transfer satisfactory in form and substance to Lender; and the delivery of an Additional True Lease Opinion in form and substance satisfactory to Lender;

(v) the proposed Transferee being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees;

(vi) the Operating Company being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees, having sufficient experience (or having a manager that has sufficient experience) in the management of properties similar to the Properties, and such Operating Company or its manager not having materially less than the same level of experience in the operation of properties similar to the Properties as the current Operating Company under the Operating Lease and, in each case, Lender shall be provided with reasonable evidence thereof (and Lender reserves the right to approve the Transferee(s) without approving the substitution of the Operating Company) and the operating tenant shall be either the Operating Company or, if permitted by applicable Legal Requirements, a manager acceptable to Lender under a management agreement acceptable to Lender; provided that so long as the Operating Lease is in force and effect and the current Operating Company shall continue to be the tenant thereunder and owned and Controlled by the same Person(s) that currently own and Control the Operating Company, the condition with respect to the Operating Company set forth in this subclause (vi) shall be deemed to have been met in all respects;

(vii) the delivery of evidence reasonably satisfactory to Lender that the single purpose nature and bankruptcy remoteness of Borrower, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the then current standards of Lender and the Rating Agencies; and the Transferee(s)' continued compliance with the representations and covenants set forth in Section 4.1.30 and Section 5.2.9 hereof;

(viii) Borrower's delivery to Lender of evidence reasonably satisfactory to Lender of any required approval or consent of any Governmental Authority, including the Gaming Authorities, that has direct or indirect authority or oversight over Borrower, the Properties, Operating Company or the operations conducted at the Properties to the change in ownership and/or operator of the Properties (or any part thereof);

(h) Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer without Lender's consent. The amount of such business income insurance shall be determined prior to the date hereof and at least once each year thereafter based on Borrower's reasonable estimate of the Revenue from each Individual Property for the succeeding twenty-four (24) month period (in addition to the 12 month extended period of indemnity referred to in clause (C) above). All proceeds payable to Lender pursuant to this subsection shall be held by Lender and shall be applied at Lender's sole discretion to (I) the obligations secured by the Loan Documents from time to time due and payable hereunder and under the Note or (II) operating expenses of the applicable Individual Property approved by Lender in its sole discretion; provided, however, that nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the obligations secured by the Loan Documents on the respective dates of payment provided for in the Note and the other Loan Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

(iv) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the property and liability coverage forms do not otherwise apply, (A) owner's contingent or protective liability insurance covering claims not covered by or under the terms or provisions of the above mentioned commercial general liability insurance policy; and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form, including coverage for 100% of the total construction costs (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Individual Property, and (4) with an agreed amount endorsement waiving co-insurance provisions;

(v) if an Individual Property includes commercial property, worker's compensation insurance, employers' liability and employment practices liability with respect to any employees of Borrower, as required by any Governmental Authority or Legal Requirement and in amounts reasonably required by Lender, comprehensive boiler and machinery insurance, if applicable, in amounts as shall be reasonably required by Lender on terms consistent with the commercial property insurance policy required under subsection (i) above;

(vii) motor vehicle liability coverage for all owned and non-owned vehicles, including rented and leased vehicles containing minimum limits per occurrence, including umbrella coverage, of Fifty Million and No/100 Dollars (\$50,000,000.00);

(viii) if an Individual Property is or becomes a legal “non-conforming” use, ordinance or law coverage and insurance coverage to compensate for the cost of demolition or rebuilding of the undamaged portion of the Individual Property along with any reduced value and the increased cost of construction in amounts as reasonably requested by Lender;

(ix) the commercial property and business income insurance required under Sections 6.1(a)(i) and (iii) above shall cover perils of terrorism and acts of terrorism (both Certified and Non-Certified) and Borrower shall maintain commercial property and business income insurance for loss resulting from perils and acts of terrorism on terms (including amounts) consistent with those required under Sections 6.1(a)(i) and (iii) above at all times during the term of the Loan; provided, however, that Borrower shall not be obligated to spend, for all insured locations per annum, more than the Terrorism Premium Limit to maintain the aforesaid insurance and, in the event that the cost of such insurance premiums (for each Individual Property, to obtain and maintain the aforesaid insurance) exceeds the Terrorism Premium Limit, in each case for each Individual Property, on a per annum basis, then Borrower shall obtain and maintain such insurance covering perils of terrorism and acts of terrorism in such maximum amounts as may be obtained for such Individual Property (covering the risks described in this paragraph (x)) upon payment of the Terrorism Premium Limit, in each case for each such Individual Property;

(xi) upon sixty (60) days’ notice, such other reasonable insurance and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Individual Property located in or around the region in which the Individual Property is located.

(b) All insurance provided for in Section 6.1(a) shall be obtained under valid and enforceable policies (collectively, the “**Policies**” or in the singular, the “**Policy**”), and shall be subject to the approval of Lender as to insurance companies, amounts, deductibles, loss payees and insureds. The Policies shall be issued by (i) financially sound and responsible insurance companies authorized to do business in the State and having a claims paying ability rating of “A-” or better by S&P and, if rated by Moody’s, a claims paying ability rating of “A2”

or better (and the equivalent thereof); provided, however, that if the insurance required to be provided pursuant to this Section 6.1 shall be obtained from a syndicate of insurers, then at least seventy-five percent (75%) of the coverage (if there are four (4) or fewer members of the syndicate) or at least sixty percent (60%) of the coverage (if there are five (5) or more members of the syndicate) is provided by insurers having such ratings (but in no event shall the rating of any insurer in such syndicate be less than "BBB" by S&P; provided that any insurer in the syndicate as of the Closing Date that is not rated by S&P can remain in the syndicate on the following conditions: (x) such insurer does not insure more than, or change its "first" or other level-of-loss position from, that in effect as of the Closing Date and (y) such insurer maintains an A.M. Best rating of at least A-/X (except that the rating of Glacier Reinsurance AG may be A-/IX). The Policies described in Section 6.1(a) (other than those strictly limited to liability protection) shall designate Lender as mortgagee and loss payee. Not less than ten (10) days prior to the expiration dates of the Policies theretofore furnished to Lender, certificates of insurance evidencing the Policies accompanied by evidence satisfactory to Lender of payment of the premiums due thereunder (the "**Insurance Premiums**"), shall be delivered by Borrower to Lender.

(c) Notwithstanding anything to the contrary contained in the immediately preceding paragraph (b), any insurance required to be maintained by Borrower under Section 6.1(a)(x) hereof covering perils and acts of terrorism may be provided by a captive insurance company (a "**Captive Insurance Company**") with the prior reasonable written consent of Lender and subject to Lender's review and approval of Policies and other documentation reasonably requested by Lender and the satisfaction of such other conditions as Lender may reasonably require provided that (and for so long as) (i) except with respect to any deductible permitted under Section 6.1(a)(x), those covered losses which are not reinsured by the federal government under TRIA and payable directly to the insured shall be reinsured by an insurance company having a claims paying ability rating of "A-" or better with S&P, (ii) all re-insurance agreements between such Captive Insurance Company and all such re-insurance companies providing the referenced re-insurance shall be reasonably acceptable to Lender, and Borrower shall cause such re-insurance agreements to provide for direct access to such re-insurers through a direct access cut-through endorsement by all named insureds, loss payees and mortgagees, (iii) such Captive Insurance Company shall not be subject to a bankruptcy or similar insolvency proceeding, (iv) such Captive Insurance Company shall be licensed in the States of Nevada, New Jersey and California (to the extent any portion of the improvements are located in California), to the extent required, and qualified to issue the terrorism insurance policy described in Section 6.1(a)(x) and similar terrorism insurance policies in accordance with all Legal Requirements, (v) such Captive Insurance Company shall qualify for the reinsurance and other benefits afforded insurance companies under TRIA as evidenced by a letter or written confirmation provided by the United States Department of the Treasury (it is understood that a written request for such letter has been sent and Borrower shall use its reasonable best efforts to obtain promptly a positive response thereto and, in the event Borrower is unable to obtain such letter from the Department of the Treasury, Borrower shall obtain a comfort letter addressed to Lender, reasonably acceptable to Lender, from a reputable insurance consultant reasonably acceptable to Lender, it being acknowledged that either Willis Insurance or Beecher Carlson would be acceptable to Lender, confirming that such Captive Insurance Company qualifies for reinsurance and other benefits afforded insurance companies under TRIA), (vi) no

Governmental Authority shall have issued any statement, opinion, finding or decree that any insurance company which is similar to such Captive Insurance Company (i.e., an insurance company owned and/or Controlled by a Person insured under an applicable insurance policy) does not qualify for such benefits and TRIA shall be in full force and effect, (vii) Lender shall have received each of the following, each of which shall be reasonably acceptable to Lender: (1) the organizational documents of such Captive Insurance Company; (2) any regulatory agreements of such Captive Insurance Company; (3) the application for licensing in the States of Nevada, California and New Jersey for such Captive Insurance Company; (4) the form of the Policy to be used by such Captive Insurance Company to provide the insurance coverage described herein; (5) a description of the structure and amount of reserves and capitalization of such Captive Insurance Company; (viii) the Insurance Premiums payable to such Captive Insurance Company have been determined and recommended by an independent firm reasonably acceptable to Lender; (ix) the organizational documents of such Captive Insurance Company shall not be materially amended without the prior written consent of Lender, which consent shall not be unreasonably withheld, conditioned or delayed; and (x) except as otherwise expressly set forth in this paragraph (c), all such insurance provided by such Captive Insurance Company shall otherwise comply with all other terms and conditions of Section 6.1. Lender hereby accepts and approves Romulus Risk and Insurance Company, Inc. as a Captive Insurance Company in accordance with the program that is in effect as of the date hereof. If, in connection with any claim under the Policies, Lender shall suffer a loss as a result of (A) Captive Insurance Company's fraud, willful misconduct, gross negligence, illegal action or the failure of Captive Insurance Company to pay any Borrower claim up to the Captive Insurance Company's policy limits, or (B) the refusal or failure of any issuer of the re-insurance agreements and/or the United States of America to pay such issuer's proportional share of any such claim based on any claim or set of facts relating to the organizational structure, licensing, documentation, contracts and agreements or solvency relating to the Captive Insurance Company or for any actual or alleged action or inaction of the Captive Insurance Company (any such loss being referred to as a "Captive Insurance Loss"), then Borrower shall pay (without premium or penalty) to Lender within ninety (90) days after receipt of notice of a potential shortfall from Lender an amount equal to the Captive Insurance Loss. Captive Insurance Company's failure to comply with the requirements set forth in this subsection (c) shall be deemed prima facie evidence of a Captive Insurance Loss.

(d) Any blanket insurance Policy (other than a blanket insurance policy for windstorm) shall specifically allocate to the Individual Property the amount of coverage from time to time required hereunder or shall otherwise provide the same protection as would a separate Policy. Furthermore it is agreed that the insurance coverage required under Section 6.1(a) may be effected under a blanket policy or policies covering the Properties and other property and assets not constituting a part of the collateralized properties;

(e) All Policies provided for or contemplated by Section 6.1(a), except for the Policy referenced in Section 6.1(a)(v), shall name Operating Company and Borrower as the insured and Lender as the additional insured, as its interests may appear, and in the case of property damage, boiler and machinery, flood and earthquake insurance, shall contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender.

(f) All Policies provided for in Section 6.1 shall contain clauses or endorsements to the effect that:

(i) no act or negligence of Borrower, or anyone acting for Borrower, or of any tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;

(ii) the Policies shall not be materially changed (other than to increase the coverage provided thereby) or canceled without at least thirty (30) days' notice to Lender and any other party named therein as an additional insured;

(iii) the issuers thereof shall give notice to Lender if the Policies have not been renewed fifteen (15) days prior to its expiration; and

(iv) Lender shall not be liable for any Insurance Premiums thereon or subject to any assessments thereunder.

(g) If at any time Lender is not in receipt of written evidence that all Policies are in full force and effect when and as required hereunder, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in the Properties, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate (but limited to the coverages and amounts required hereunder). All premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and, until paid, shall be secured by the Mortgages and shall bear interest at the Default Rate.

(h) All of the coverages required by this Section 6.1 shall be in place as of the Closing Date except as provided in this Section 6.1(h). Borrower shall have thirty (30) days following the Closing Date to increase the amount of windstorm coverage in place to the amount required by Section 6.1(a). In the event such additional windstorm coverage is not in place as of the Closing Date, Borrower shall deliver to Lender on the Closing Date \$7 million to be held in escrow, as collateral for the Loan. The failure of Borrower to obtain the required amount of windstorm coverage on or prior to the thirtieth day following the Closing Date shall constitute an Event of Default and Lender shall be entitled to apply any amounts escrowed pursuant to this Section 6.1(h) to any obligations of Borrower hereunder, including, without limitation, to the purchase of windstorm insurance in the amount required hereby. Lender shall invest any amounts escrowed pursuant to this Section 6.1(h) in Permitted Investments and the interest earned thereon shall be for the account of Borrower. Upon Borrower delivering insurance certificates to Lender evidencing that Borrower has the required amount of windstorm insurance in place, Lender shall return any amounts escrowed pursuant to this Section 6.1(h) to Borrower.

**Section 6.2. Casualty.** If the Individual Property shall be materially damaged or destroyed, in whole or in part, by fire or other casualty (a "Casualty"), Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute

the completion of the Restoration of the Individual Property as nearly as possible to the condition the Individual Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Lender and otherwise in accordance with Section 6.4. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than, in the case of each Casualty, an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for the affected Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mezzanine Loan Agreements for the affected Individual Property, and Borrower shall deliver to Lender all instruments required by Lender to permit such participation.

**Section 6.3. Condemnation.** Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of any Individual Property and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If any Individual Property or any portion thereof is taken by a condemning authority, Borrower shall promptly commence and diligently prosecute the Restoration of the applicable Individual Property and otherwise comply with the provisions of Section 6.4. If any Individual Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

**Section 6.4. Restoration.** The following provisions shall apply in connection with the Restoration of any Individual Property:

(a) If the Net Proceeds from an Individual Property, or the costs of completing the Restoration of such Individual Property, are less than an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mezzanine Loan Agreements for such Individual Property, the Net Proceeds will be disbursed by Lender to Borrower upon receipt, provided that all of the conditions set forth in Section 6.4(b)(i) are met and Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration in accordance with the terms of this Agreement.

(b) If the Net Proceeds from an Individual Property, or the costs of completing the Restoration of such Individual Property, are equal to or greater than an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the “Allocated Loan Amounts” under (and as defined in each of) the Mezzanine Loan Agreements for such Individual Property, the Net Proceeds will be held by Lender and Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this Section 6.4. The term “**Net Proceeds**” for purposes of this Section 6.4 shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Section 6.1 (a)(i), (iv), (vi), (ix) and (x) as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same (“**Insurance Proceeds**”), or (ii) the net amount of the Award, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same (“**Condemnation Proceeds**”), together with (in each case) interest accruing thereon, whichever the case may be.

(i) The Net Proceeds shall be made available to Borrower for Restoration upon the approval of Lender in its sole discretion that the following conditions are met:

(A) no Event of Default shall have occurred and be continuing;

(B) (1) in the event the Net Proceeds are Insurance Proceeds, less than forty percent (40%) of the total floor area of the Improvements on the Individual Property has been damaged, destroyed or rendered unusable as a result of such Casualty or (2) in the event the Net Proceeds are Condemnation Proceeds, less than fifteen percent (15%) of the land constituting the Individual Property is taken, and such land is located along the perimeter or periphery of the Individual Property, and no material portion of the Improvements is located on such land;

(C) Intentionally Omitted;

(D) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than sixty (60) days after such Casualty or Condemnation) and shall diligently pursue the same to satisfactory completion;

(E) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note, which will be incurred with respect to the Individual Property as a result of the occurrence of any such Casualty or Condemnation, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Section 6.1(a)(iii), if applicable, or (3) by other funds of Borrower;

(F) Lender shall be satisfied that the Restoration will be completed on or before the earliest to occur of (1) three (3) months prior to the Maturity Date, (2) the earliest date required for such completion under the terms of any Leases, (3) such time as may be required under applicable Legal Requirements or (4) the expiration of the insurance coverage referred to in Section 6.1(a)(iii);

(G) the Individual Property and the use thereof after the Restoration will be in compliance with and permitted under all applicable Legal Requirements;

(H) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements and in compliance with all requirements set forth in the Mezzanine Loan Agreements;

(I) such Casualty or Condemnation, as applicable, does not result in the permanent loss of access to the Individual Property or the related Improvements;

(J) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be reasonably acceptable to Lender; and

(K) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's discretion to cover the cost of the Restoration.

(ii) The Net Proceeds shall be held by Lender in an interest-bearing account and, until disbursed in accordance with the provisions of this Section 6.4(b), shall constitute additional security for the Debt and other obligations under the Loan Documents (with all interest on such Net Proceeds being for the benefit of Borrower). The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence satisfactory to Lender that (A) all materials installed and work and labor theretofore performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full (to the extent payment is due and payable), and (B) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Individual Property which have not either been fully bonded to the satisfaction of Lender and discharged of record or in the alternative fully insured to the satisfaction of Lender by the title company issuing the Title Insurance Policy.

(iii) (A) All plans and specifications required in connection with the Restoration shall be subject to prior reasonable review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "**Casualty Consultant**"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to prior reasonable review and acceptance by Lender and the Casualty Consultant. All reasonable out-of-pocket costs and expenses incurred by Lender in connection with making the Net

Proceeds available for the Restoration including, without limitation, reasonable counsel fees and disbursements and the Casualty Consultant's fees, shall be paid by Borrower.

(B) Every submission to Lender of any plans and specifications, information regarding the identity of contractors, subcontractors and materialmen engaged in the Restoration as well as the contracts under which they have been engaged, that are submitted to Lender for Lender's approval, shall be forwarded to Lender together with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this section.

(C) If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within ten (10) Business Days from the receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term "**Casualty Retainage**" shall mean an amount equal to ten percent (10%) of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until fifty percent (50%) of the Restoration has been completed (and five percent (5%) thereafter)). The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Section 6.4(b), be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b) and that all approvals necessary for the re-occupancy and use of the Individual Property have been obtained from all appropriate governmental and quasi-governmental authorities, and Lender receives evidence satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage;

provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the lien of the related Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month or at any time an Event of Default shall have occurred and be continuing.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Lender in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "**Net Proceeds Deficiency**") with Lender before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Section 6.4(b) shall constitute additional security for the Debt and other obligations under the Loan Documents.

(vii) The excess, if any, of the Net Proceeds and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b), and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Section 6.4(b)(vii) may be retained and applied by Lender in accordance with Section 2.4.2 hereof toward the payment of the Debt whether or not then due and payable (without payment of any Spread Maintenance Premium) in such order, priority and proportions as Lender in its sole discretion shall deem proper (but pro-rata among any components of the Debt), or, at the discretion of Lender, the

same may be paid, either in whole or in part, to Borrower for such purposes as Lender shall approve, in its discretion.

(d) In the event of foreclosure of the Mortgage with respect to the Individual Property, or other transfer of title to the Individual Property in extinguishment in whole or in part of the Debt all right, title and interest of Borrower in and to the Policies that are not blanket Policies then in force concerning the Individual Property and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lender or other transferee in the event of such other transfer of title.

## **VII. RESERVE FUNDS**

### **Section 7.1. Intentionally Omitted.**

**Section 7.2. Tax and Insurance Escrow Fund.** (a) If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, on each Payment Date during such period, Borrower shall pay to Lender (or Servicer, as directed by Lender) an amount equal to (i) one-twelfth of the Taxes that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes at least thirty (30) days prior to their respective due dates, and (ii) one-twelfth of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (i) and (ii) above hereinafter called the “**Tax and Insurance Escrow Fund**”). Lender shall apply the Tax and Insurance Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.1.2 hereof and under the Mortgages. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 5.1.2 hereof, provided no Event of Default shall have occurred and be continuing, then Lender shall return any excess to Borrower (or to Operating Company, if so directed by Borrower). In allocating such excess, Lender may deal with the Person shown on the records of Lender to be the owner of the Properties. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes and Insurance Premiums by the dates set forth in (i) and (ii) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

(b) Notwithstanding the foregoing, Borrower shall not be required to make any deposits into the Tax and Insurance Escrow Fund on account of Insurance Premiums if (and for so long as) Borrower shall maintain a blanket insurance policy in respect of the Properties that is

in accordance with the provisions of Section 6.1(a) and otherwise satisfactory to Lender in all material respects.

(c) Any amount remaining in the Tax and Insurance Escrow Fund following the occurrence of a Trigger Event Cure shall be returned to Borrower (or Operating Company, as directed by Borrower), provided no Event of Default shall have occurred and be continuing. Any Tax and Insurance Escrow Funds remaining after the Debt has been paid in full shall be remitted (i) first, to the First Mezzanine Lender or (ii) if the First Mezzanine Loan is not then outstanding but the Second Mezzanine Loan is outstanding, then to the Second Mezzanine Lender in accordance with the First Mezzanine Loan Agreement or (iii) if the First Mezzanine Loan and the Second Mezzanine Loan are not then outstanding but the Third Mezzanine Loan is outstanding, then to the Third Mezzanine Lender in accordance with the Second Mezzanine Loan Agreement or (iv) if the First Mezzanine Loan, the Second Mezzanine Loan and the Third Mezzanine Loan are no longer outstanding, then to the Fourth Mezzanine Lender in accordance with the Third Mezzanine Loan Agreement or (v) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan and the Fourth Mezzanine Loan are no longer outstanding, then to the Fifth Mezzanine Lender in accordance with the Fourth Mezzanine Loan Agreement or (vi) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan and the Fifth Mezzanine Loan are no longer outstanding, then to the Sixth Mezzanine Lender in accordance with the Fifth Mezzanine Loan Agreement or (vii) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan and the Sixth Mezzanine Loan are no longer outstanding, then to the Seventh Mezzanine Lender in accordance with the Sixth Mezzanine Loan Agreement or (viii) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan and the Seventh Mezzanine Loan are no longer outstanding, then to the Eighth Mezzanine Lender in accordance with the Seventh Mezzanine Loan Agreement or (ix) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan, the Seventh Mezzanine Loan and the Eighth Mezzanine Loan are no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (x) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan, the Seventh Mezzanine Loan, the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan

**7.3.1 FF&E Reserve Fund.** (a) Unless Borrower shall have delivered to Lender a Guaranty (FF&E), Borrower shall pay to Lender (or Servicer, as directed by Lender) on each Payment Date an amount equal to (i) one-twelfth of three percent (3%) of the amount of all Revenues for the full calendar year prior to the first (1st) day of the month in which such Payment Date occurs, less (ii) any amount spent during the previous calendar month by Borrower or Operating Company on behalf of Borrower in accordance with the Operating Lease on account of FF&E (other than from the FF&E Reserve Fund; it being understood that amounts

expended on account of FF&E from the FF&E Reserve Fund shall not be included in any deductions required pursuant to the preceding subclause (i) and that any FF&E that is purchased through disbursements from the FF&E Reserve Fund may not be subsequently financed by Borrower or Operating Company). Notwithstanding anything to the contrary contained herein, in no event shall Borrower be required to maintain in the FF&E Reserve Account an amount in excess of the aggregate amount of all FF&E deposits required to be made in the preceding calendar year (as determined, for purposes of this sentence, utilizing the monthly formula set forth in the preceding sentence). In addition, notwithstanding anything to the contrary contained herein, for purposes of determining the amount of any required FF&E Reserve Fund deposits (and for purposes of calculating such amount, monthly, based on the formula set forth in the first sentence of this Section 7.3.1), Revenues shall include Revenue from the Hotel Component and the Casino Component but shall not include non-Hotel or Casino related Revenues (e.g., Rents from retail tenants).

(b) Disbursements may be made from the FF&E Reserve Account, at Borrower’s election, directly to third parties (as directed by Borrower).

**7.3.3 Balance in the FF&E Reserve Account.** (a) The insufficiency of any balance in the FF&E Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

**7.4.2 Release of Ground Rent Funds.** Provided no Event of Default has occurred and is continuing, Lender shall apply the Ground Rent Reserve Funds to payments of Ground Rent. In making any payment relating to Ground Rent, Lender may do so according to

any bill or statement given by the ground lessor without inquiry into the accuracy of such bill or statement or into the validity of any rent, additional rent or other charge thereof. If the amount of the Ground Rent Reserve Funds shall exceed the amounts due for Ground Rent, Lender shall return any excess to Borrower. **Section 7.6. Reserve Funds, Generally.** (a) Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt. Upon the occurrence and during the continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender.

(b) Borrower shall not, without obtaining the prior consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(c) The Reserve Funds shall be held by Lender (or Servicer) and may be invested at Borrower's election and direction in Permitted Investments routinely offered by the Servicer of the Securitization for investment by Borrower. Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Reserve Funds. No other investments of the sums on deposit in the Reserve Funds shall be permitted except as set forth in this Section 7.6. Borrower shall bear all reasonable costs associated with the investment of the sums in the account in Permitted Investments. Such costs shall be deducted from the income or earnings on such investment, if any, and to the extent such income or earnings shall not be sufficient to pay such costs, such costs shall be paid by Borrower promptly on demand by Lender. Lender shall have no liability for the rate of return earned or losses incurred on the investment of the sums in Permitted Investments.

(d) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Reserve Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all Persons supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

Ground Lease Subsidiary, as applicable, acquires the fee interest and mortgages same to Lender (unless Borrower or Ground Lease Subsidiary, as applicable, acquires the fee interest, with Lender's prior reasonable approval, and mortgages same to Lender) or (E) if any of the terms, covenants or conditions of any Ground Lease shall be modified, changed, supplemented, altered, or amended in any material respect without the consent of Lender except as otherwise permitted by this Agreement;

(xvii) any Gaming License shall be refused, suspended, revoked, modified in a materially adverse manner or canceled or allowed to lapse or any proceeding is commenced by any Governmental Authority for the purpose of suspending, revoking or canceling any Gaming License in any materially adverse respect, or any Governmental Authority shall have appointed a conservator, supervisor or trustee to or for any of the Casino Components and, in each case of the foregoing, such action could reasonably be expected to (A) have an Individual Material Adverse Effect, (B) materially and adversely effect the continued operation of the Casino Components in the usual course of business and in substantially the same manner and to at least the same standard as was maintained prior to such action, or (C) result in any material decrease in the then expected cash flow and revenues to be derived from the Casino Components;

(xviii) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xvii) above, for ten (10) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed one hundred twenty (120) days; or

(xix) if there shall be a default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower or any Individual Property, or if any other such event shall occur or condition shall exist, if the effect of such event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi) or (vii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and in and to all or any Individual Property, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against Borrower and any or all of the Properties, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default

described in clauses (vi) or (vii) above, the Debt and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

**Section 8.2. Remedies.** (a) Upon the occurrence of an Event of Default, but in compliance with applicable Gaming Laws, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any Individual Property. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any “one action” or “election of remedies” law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Properties and each Mortgage has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Properties, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any Individual Property for the satisfaction of any of the Debt in preference or priority to any other Individual Property, and Lender may seek satisfaction out of all of the Properties or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose the Mortgages in any manner and for any amounts secured by the Mortgages then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose one or more of the Mortgages to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose one or more of the Mortgages to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by one or more of the Mortgages as Lender may elect. Notwithstanding one or more partial foreclosures, the Properties shall remain subject to the Mortgages to secure payment of sums secured by the Mortgages and not previously recovered.

Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, mortgages and other security documents (the “**Severed Loan**”

**Documents**”) in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender’s intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents. The Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date. The Severed Loan Documents shall (a) not increase the aggregate stated principal amount of the Loan, (b) provide that the weighted average spread of the Loan on the date of such severance shall equal the weighted average spread which was applicable to the Loan immediately prior to such severance (Borrower acknowledging that such Severed Loan Document may, in connection with the application of principal to the amounts evidenced by such Severed Loan Documents, subsequently cause the weighted average spread of such new notes or modified notes to change), (c) not adversely affect the overall economics to Borrower of the Loan, taken as a whole, or (d) expose Borrower to any additional costs or increased risk of any liability (beyond that or greater than that existing in the Loan Documents in effect on the date hereof).

(c) Remedies Cumulative; Waivers. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender’s rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender’s sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

**Section 8.3. Administration of Bankruptcy Claims.** Borrower and Lender agree that, with respect to each Operating Lease with respect to the Properties, each Borrower hereby transfers to Lender, in the event of any proceeding involving any Operating Company under the Bankruptcy Code or any similar proceeding, all of such Borrower’s rights to (a) file any proof of such claims, (b) cast any votes relating to any claims of such Borrower against such Operating Company, as the case may be, in such proceedings, (c) collect and receive any dividends payable with respect to such claims, (d) take any action or commence any proceeding

to collect such claims, (e) file any motion for relief from the stay imposed under Section 362(a) of the Bankruptcy Code or any similar statute, (f) file any motion to compel such Operating Company to assume or reject the applicable Leases under the Bankruptcy Code or any similar statute, or (g) take any other actions to collect or protect such claims. Borrower agrees that Lender shall be the sole party permitted to participate in the administration of the estate of Operating Company under any proceeding under the Bankruptcy Code or any similar statute with respect any such claims.

**Section 8.4. Costs of Collection.** In the event that after an Event of Default and during the continuance thereof: (a) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (b) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents or (c) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Mortgage or any of the Loan Documents, then, in any such instance, Borrower shall pay to Lender all reasonable attorneys' fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

#### **IX. SPECIAL PROVISIONS**

**Section 9.1. Sale of Notes and Securitization.** Borrower acknowledges and agrees that the Lender may sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the "**Securities**") secured by or evidencing ownership interests in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such sales, participations and/or securitizations, collectively, a "**Securitization**"). At the request of Lender, and to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization including, without limitation, to:

(a) provide additional and/or updated Provided Information, together with appropriate verification and/or consents related to the Provided Information through letters of auditors or opinions of counsel of independent attorneys reasonably acceptable to Lender and the Rating Agencies;

(b) cooperate in good faith in the preparation of descriptive materials for presentations to any or all of the Rating Agencies, and work with, and if requested, supervise, third-party service providers engaged by Borrower, Holdings and their respective affiliates to obtain, collect, and deliver information requested or required by Lender or the Rating Agencies;

(c) deliver, if required or requested by any Rating Agency, (i) updated opinions of counsel as to non-consolidation, due execution and enforceability with respect to the

Properties, Borrower, Holdings and their respective Affiliates and the Loan Documents, and (ii) revised organizational documents for Borrower, which counsel opinions and organizational documents shall be reasonably satisfactory to Lender and the Rating Agencies;

(d) if required by any Rating Agency, use commercially reasonable efforts to deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect any of the Properties, which estoppel letters, subordination agreements or other agreements shall be reasonably satisfactory to Lender and the Rating Agencies;

(e) execute such amendments to the Loan Documents as may be requested by Lender or the Rating Agencies to effect the Securitization and/or deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan such that the pricing and marketability of the Securities and the size of each class of Securities and the rating assigned to each such class by the Rating Agencies shall provide the most favorable rating levels and achieve the optimum rating levels for the Loan, provided that (i) the aggregate stated principal amount of the notes, following such amendments or delivery of new or component notes, shall equal the aggregate stated principal amount of the Loan immediately prior thereto, (ii) the weighted average spread of the Loan on the date of such amendment or delivery of new or component notes shall equal the weighted average spread which was applicable to the Loan immediately prior to such adjustment (Borrower acknowledging that such new notes or modified notes may, in connection with the application of principal to such new notes or modified note following the occurrence of an Event of Default, but not otherwise, subsequently cause the weighted average spread of such new notes or modified notes to change and (iii) the provisions of Section 2.1.5 otherwise shall apply to any such amendments and delivery of new or component notes (such provisions being incorporated herein by this reference);

(f) if requested by Lender, review any information regarding any of the Properties, Borrower, Principal, Holdings, the Operating Company and the Loan which is contained in a preliminary or final private placement memorandum, prospectus, prospectus supplement (including any amendment or supplement to either thereof), or other disclosure document to be used by Lender or any affiliate thereof; and

(g) supply to Lender such documentation, financial statements and reports in form and substance required in order to comply with any applicable securities laws (to the extent in Borrower's possession, or in the possession of Borrower's advisors, agents or employees), including, without limitation, if applicable, information necessary to comply with any applicable reporting or information requirements under Regulation D under the Securities Act of 1933 or Regulation S under the Securities Act of 1933.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters; except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Section 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

**Section 9.2. Securitization Indemnification.** (a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the “**Securities Act**”), or the Securities and Exchange Act of 1934, as amended (the “**Exchange Act**”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects to the extent in Borrower’s possession.

(b) Borrower agrees to provide, in connection with the Securitization, an indemnification agreement (i) certifying that (A) Borrower has carefully examined the Disclosure Documents, including, without limitation, the sections entitled “Risk Factors,” “Special Considerations,” “Description of the Mortgages,” “Description of the Mortgage Loans and Mortgaged Property,” “The Operating Company,” “The Borrower” and “Certain Legal Aspects of the Mortgage Loan,” and (B) such sections and such other information in the Disclosure Documents (to the extent such information relates to or includes any Provided Information or any information regarding the Properties, Borrower and/or Operating Company) (collectively with the Provided Information, the “**Covered Disclosure Information**”) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (ii) indemnifying Lender, each Noteholder, JPM (whether or not it is the Lender), any Affiliate of JPM or a Noteholder that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of JPM or a Noteholder that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Indemnified Persons**”), for any losses, claims, damages, liabilities, costs or expenses (including, without limitation, legal fees and expenses for enforcement of these obligations (collectively, the “**Liabilities**”)) to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (iii) agreeing to reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Person, as they are incurred, in connection with investigating or defending the Liabilities provided, however, that Borrower shall have liability with respect to Liabilities arising out of or based upon the Covered Disclosure Information only to the extent that such Liabilities arise out of or are based upon any such untrue statement or omission made in the Covered Disclosure Information in reliance upon and in conformity with information furnished to Lender or such Noteholder by or

on behalf of Borrower in connection with the preparation of the Disclosure Documents or in connection with the underwriting or the closing of the Loan (including without limitation financial statements of Borrower and operating statements and rent rolls with respect to the Properties), and in no event shall Borrower be liable for Liabilities arising from information contained in a Disclosure Document that was not provided to Borrower for comment at least five (5) Business Days prior to its dissemination or on which Borrower provided comments to Lender in writing and Lender failed to incorporate such comments (assuming such comments were accurate). This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification provided for in clauses (ii) and (iii) above shall be effective whether or not an indemnification agreement described in clause (i) above is provided.

(c) In connection with filings under the Exchange Act (if any), Borrower agrees to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against Borrower, notify Borrower in writing of the claim or the commencement of that action; provided, however, that the failure to notify Borrower shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided further that the failure to notify Borrower shall not relieve it from any liability which it may have to an Indemnified Person otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify Borrower thereof, Borrower shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Borrower to an Indemnified Person of its election to assume the defense of such claim or action, Borrower shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both Borrower, on the one hand, and one or more Indemnified Persons on the other hand, and an Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to Borrower, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed

billing records to substantiate that such counsel's fees and disbursements are solely related to the defense of a claim for which Borrower is required hereunder to indemnify such Indemnified Person. Borrower shall not be liable for the expenses of more than one (1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior consent of the Indemnified Person in question (which consent shall not be unreasonably withheld), Borrower shall not settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless Borrower shall have given such Indemnified Person reasonable prior notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as Borrower has complied with its obligations to defend and indemnify hereunder, Borrower shall not be liable for any settlement made by any Indemnified Person without the consent of Borrower (which consent shall not be unreasonably withheld).

(f) Borrower agrees that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then Borrower, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to Borrower, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (x) but also the relative faults of Borrower, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) Borrower agrees that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees (by underwriting discount or otherwise) actually received by the Indemnified Persons in connection with the closing of the Loan or the Securitization.

(g) Borrower agrees that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. Borrower further agrees that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and Borrower under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

**Section 9.3. Exculpation.** (a) Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Mortgages or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender and each Noteholder to enforce and realize upon its interest under the Note, this Agreement, the Mortgages and the other Loan Documents, or in the Properties, the Rents, or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Properties, in the Rents and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Mortgages and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding under, or by reason of, or in connection with, the Note, this Agreement, the Mortgages or the other Loan Documents. The provisions of this Section shall not, however, (a) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (b) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under any of the Mortgages; (c) affect the validity or enforceability of or any Guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (d) impair the right of Lender to obtain the appointment of a receiver; (e) impair the enforcement of any of the Assignments of Leases; (f) constitute a prohibition against Lender to seek a deficiency judgment against Borrower in order to fully realize the security granted by each of the Mortgages or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against all of the Properties; or (g) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any actual loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably incurred) arising out of or in connection with the following:

(i) fraud or intentional misrepresentation by Borrower, Operating Company or any Guarantor in connection with the execution and delivery of the Loan Documents and/or the Loan;

(ii) the misappropriation, conversion or misapplication in contravention of the Loan Documents by Borrower, Operating Company or any Guarantor of any funds of Borrower or Operating Company, including, without limitation, (A) any Revenues, (B) any Insurance Proceeds paid by reason of any Casualty, (C) any Awards received in connection with a Condemnation, or (D) any Rents or security deposits (or any item of Revenue, from whatever source) following an Event of Default;

(iii) the misappropriation, conversion or misapplication by Borrower, Operating Company or any Guarantor of any security deposits or Rents paid more than one (1) month in advance;

(iv) any act of actual intentional physical waste by Borrower, Operating Company or any Guarantor;

(v) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity or in the Mortgages concerning environmental laws, hazardous substances and asbestos and any indemnification of Lender with respect thereto in either document;

(vi) if Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary intentional Transfer as required by this Agreement or the Mortgages;

(vii) any security deposits, advance deposits or any other deposits collected with respect to any of the Properties which are not delivered to Lender upon a foreclosure of any of the Properties or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof;

(viii) in the event of: (A) Borrower, Operating Company or any Guarantor filing a voluntary petition under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (B) the filing of an involuntary petition against Borrower, Operating Company or any Guarantor under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law by any Person in which Borrower, Operating Company or any Guarantor or any of their respective Affiliates, agents or employees colludes with or such other Person, or Borrower, Operating Company or any Guarantor soliciting or causing to be solicited petitioning creditors for any involuntary petition against Borrower, Operating Company or any Guarantor from any Person; (C) Borrower, Operating Company or any Guarantor filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it by any other Person, other than Lender, under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (D) Borrower, Operating Company or any Guarantor consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower, Operating Company or any Guarantor or any of the Properties or any portion thereof, other than at the request of Lender; or (E) Borrower, Operating Company or any Guarantor making an assignment for the benefit of creditors (other than Lender), or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due;

(ix) if Borrower fails to maintain its status as a Special Purpose Entity or breaches any material representation or warranty set forth in Section 4.1.30 of this Agreement; and

(x) if Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary Indebtedness (other than Permitted Indebtedness or Permitted Indebtedness (Operating Company), as applicable) or voluntary Lien (other than Permitted Encumbrances) encumbering any of the Properties as required by this Agreement or the Mortgages.

Notwithstanding anything to the contrary under this Agreement, neither any present or future Affiliate of Borrower (other than Guarantor, to the extent provided under the Guaranty) nor any present or future shareholder, officer, director, employee, trustee, beneficiary, advisor, partner, member, principal, participant or agent of or in any Borrower or of or in any person or entity that is or becomes an Affiliate of any Borrower shall have any personal liability, directly or indirectly, under or in connection with the Loan Documents. Neither the negative capital account of any Affiliate of Borrower in Borrower, or in any other Affiliate of Borrower in any other Affiliate of Borrower, nor any obligation of any Affiliate of Borrower in any Borrower to restore a negative capital account or to contribute or loan capital to any Borrower or to any other Affiliate of Borrower shall at any time be deemed to be the property or an asset of any Borrower (or any other Affiliate of Borrower) and neither Lender nor its successors or assigns shall have any right to collect, enforce or proceed against any such negative capital account or obligation to restore, contribute or loan capital.

(b) Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Indebtedness or to require that all collateral shall continue to secure all of the Indebtedness owing to Lender in accordance with the Loan Documents.

**Section 9.4. Servicer.**

(a) At the option of Lender, the Loan may be serviced by a servicer/trustee (the "**Servicer**") selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to a servicing agreement (the "**Servicing Agreement**") between Lender and Servicer. Lender shall be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement (arising in connection with the Securitization) and the payment of the monthly servicing fee due to Servicer under the Servicing Agreement, and, unless otherwise specifically set forth herein, Borrower shall be responsible for the payment of all fees and other reasonable out-of-pocket expenses incurred by Servicer resulting from any Borrower requests (for approvals or otherwise) to Servicer.

(b) In the event of a Securitization or syndication, the grant of participations in the Loan or any secondary marketing by Lender, Borrower and the Mezzanine Borrowers, collectively may rely upon approvals or consents given by one (1) agent or representative in respect of the Lender and the Mezzanine Lenders for the matter in question (which such parties shall designate, and pending further notice from Lender, such agent shall be JPM). Borrower shall only pay legal fees for the outside counsel of one Servicer.

**Section 9.5. Assignments and Participations.** (a) In addition to the rights Lender has under Section 9.1, Lender shall have the right, subject to this Section 9.5, to assign, sell, negotiate, pledge or hypothecate all or any portion of their rights and obligations hereunder (a “**Syndication**”). Except in connection with a Securitization, no Lender shall assign, sell, negotiate, pledge, hypothecate or otherwise transfer all or any portion of its rights in and to the Loan to any other Person (an “**Assignee**”) (a) other than in compliance with Section 9.9 hereof; and (b) unless such transaction shall be an assignment of a constant (and not varying), ratable percentage of such Lender’s interest in the Loan; provided, however, any Lender shall have the right at any time without the consent of or notice to any other Lender or other Person to grant a security interest in all or any portion of such Lender’s interest in the Loan to any Federal Reserve Bank or the central reserve bank or similar authority of any other country to secure any obligation of such Lender to such bank or similar authority (a “**Central Bank Pledge**”). Effective on any such assignment and assumption by the assignee and on compliance with Section 9.9 hereof, the assigning Lender shall have no further liability hereunder with respect to the interest of such Lender that was the subject of such transfer and such Assignee shall be a Lender with respect to such interest, and Borrower shall have the same rights as to such Assignee with respect to such interest from and after the date of such assignment as if such Lender were an original Lender hereunder. Except for a Central Bank Pledge or financing transaction under a repurchase agreement, a Lender making any such assignment shall notify Borrower of same, specifying the Assignee thereof and the amount of the assignment and shall provide such other detail as Borrower may reasonably request to substantiate compliance with the foregoing.

**Section 9.6. Participation.** Lender may, without the consent of the Borrower, in compliance with applicable law, sell participations to one or more banks or other entities (a “**Participant**”), in all or a portion of Lender’s rights and obligations under this Agreement (including all or a portion of the Loan owing to it); provided that (A) Lender’s obligations under this Agreement shall remain unchanged, (B) Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower shall continue to deal solely and directly with Lender in connection with Lender’s rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.2.3 and 2.2.4 (subject to requirements and limitations therein) to the same extent as if it were a Noteholder and had acquired its interest by assignment pursuant to Section 9.5. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant’s interest in the Loans or other obligations under this Agreement (the “**Participant Register**”). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary.

**Section 9.7. Borrower’s Facilitation of Transfer.** In order to facilitate permitted assignments and other transfers to Assignees and sales to Participants, Borrower shall execute and deliver to Lender and shall cause Guarantor to execute and deliver to Lender such further documents, instruments or agreements as Lender may reasonably require, including, if required by Lender, supplemental notes in the principal amount of such Lender’s pro rata share of the Loan substantially in the form of such Lender’s Note against surrender of the prior notes,

and such supplemental note shall (i) be payable to order of such Lender, (ii) be dated as of the date hereof, and (iii) mature on the Maturity Date. Such supplemental note shall provide that it evidences a portion of the existing indebtedness hereunder and under the Notes and not any new or additional indebtedness of Borrower. The term "Note" as used in this Agreement and in all the other Loan Documents shall include all such supplemental notes but exclude any Note it replaces. Notwithstanding the foregoing, such documents, instruments or agreements shall not (a) increase the obligations or liabilities of any such Person hereunder or under the other Loan Documents in excess of the obligations or liabilities intended to be provided herein or in the other Loan Documents or (b) decrease such Person's rights hereunder or under the other Loan Documents to less than what they were prior to the execution of such documents, instruments or agreements. In addition, Borrower agrees to reasonably cooperate with Lender, including providing such information and documentation regarding Borrower, Holdings, the Operating Company and any other Person as Lender or any potential Assignee or Participant may reasonably request and to meet with potential Assignees and Participants upon reasonable notice. Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Section 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

**Section 9.8. Notice; Registration Requirement.** No Syndication of any part of Lender's interest in and to the Loan shall be effective or permitted under Section 9.5 until (a) an assignment and acceptance agreement in a form reasonably acceptable to Lender (an "**Assignment and Acceptance**") with respect to such Syndication shall have been delivered to Lender, (b) Lender shall have registered such Assignee's name and address in the Register which Lender maintains for the recordation of the names, addresses and interests of Noteholders, and (c) if such Assignee is not already a Lender hereunder, such Assignee shall deliver any tax forms required hereunder. The entries in the Register shall be conclusive, absent manifest error. This Section 9.8 shall not apply to any Central Bank Pledge.

**Section 9.9. Registry.** Borrower hereby designates Lender to serve as Borrower's agent, solely for purposes of this Section 9.9, to maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of each Assignee, and the principal amount of the Loan (or portions thereof) owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Failure to make any such recordation, or any error in such recordation shall not affect Borrower's obligations in respect of the Loan. With respect to any Lender, the transfer of the rights to the principal of, and interest on, its interest in the Loan shall not be effective until such transfer is recorded on the Register maintained by Lender with respect to ownership of such Loan and prior to such recordation all amounts owing to the transferor with respect to such Note shall remain owing to the transferor. The registration of a transfer of all or part of the Loan shall be recorded by Lender on the Register only upon the acceptance by Lender of a properly executed and delivered Assignment and Acceptance by the assignor and assignee. At the assigning Lender's option, concurrently with the delivery of an Assignment and Acceptance pursuant to which an interest of such Lender in the Loan was assigned to such Assignee, the assigning Lender shall surrender to Borrower its Note, if any, evidencing the portion of the Loan corresponding to the

interest so transferred and Borrower shall deliver to Lender one or more new promissory notes in the same aggregate principal amount issued to the assigning Lender and/or the Assignee.

**Section 9.10. Cooperation in Syndication.**

Borrower agrees to assist the Lender in completing a Syndication satisfactory to the Lender. Such assistance shall include (i) direct contact between senior management and advisors of Borrower and the proposed Assignees and/or Participants, (ii) assistance in the preparation of a confidential information memorandum and other marketing materials to be used in connection with the Syndication, (iii) the hosting, with the Lender, of one or more meetings of prospective Assignees and/or Participants, (iv) the delivery of appraisals satisfactory to the Lender if required. To assist the Lender in its Syndication efforts, Borrower agrees promptly to prepare and provide to the Lender all information with respect to Borrower, Holdings, the Operating Company, Guarantor and the Properties contemplated hereby, including all financial information and projections (the “**Projections**”), as the Lender may reasonably request in connection with the Syndication of the Loan. If required in connection with the Syndication, Borrower hereby agrees to:

(a) deliver updated financial and operating statements and other information reasonably required by the Lender to facilitate the Syndication;

(b) use reasonable efforts to deliver reliance letters reasonably satisfactory to the Lender with respect to the environmental assessments and reports delivered to the Lender prior to the Closing Date, which will run to the Lender and its successors and assigns;

(c) execute modifications to the Loan Documents required by the Lender, provided that such modification will not (except as set forth in (d)) change any material or economic terms of the Loan Documents, or otherwise increase the obligations or decrease the rights of Borrower pursuant to the Loan Documents (except to a de minimis extent); and

(d) if the Lender elects, in its sole discretion, prior to or upon a Syndication, to exercise its rights under Section 2.1.5, Borrower agrees to cooperate with the Lender in connection with the foregoing and to execute the required modifications and amendments to the Notes, this Agreement and the Loan Documents and to use reasonable efforts to provide opinions necessary to effectuate the same. Such Notes or components may be assigned different interest rates, so long as the weighted average of such interest rates does not exceed the Applicable Interest Rate, except in connection with the application of principal to such Notes or components following the occurrence of an Event of Default.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Section 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

## **X. MISCELLANEOUS**

**Section 10.1. Survival.** This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Debt is outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. Whenever this Agreement expressly provides that Lender may not withhold or shall be reasonable in granting its consent or its approval of an arrangement or term, such provisions shall also be deemed to prohibit Lender from delaying or conditioning such consent or approval.

Notwithstanding the foregoing, any notice by Lender to one or more Borrowers other than Borrower Agent shall be deemed to constitute effective notice to all of the Borrowers.

**Section 10.7. Trial by Jury.** BORROWER AND LENDER HEREBY AGREE NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVE ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THE LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. BORROWER AND LENDER ARE HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER.

**Section 10.8. Headings.** The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

**Section 10.9. Severability.** Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

**Section 10.10. Preferences.** Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder (except that, unless there exists an Event of Default, payments of principal shall be applied to components of the Note on a pro-rata basis). To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

**Section 10.11. Waiver of Notice.** Borrower hereby expressly waives, and shall not be entitled to, any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice.

**Section 10.12. Remedies of Borrower.** In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies

shall be limited to commencing an action seeking injunctive relief or declaratory judgment (except in cases of bad faith, gross negligence or willful misconduct). The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

**Section 10.13. Expenses; Indemnity.** (a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender and each Noteholder upon receipt of notice from such Person for all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements) incurred by such Person in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including, without limitation, any opinions requested by such Person as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Properties); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental, gaming and insurance requirements, if necessary or advisable due to reasonably suspected non-compliance; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Borrower; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement, if Borrower defaults in its obligations hereunder; (v) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender or any Noteholder all required legal opinions, and other similar expenses incurred in creating and perfecting the Liens in favor of Lender (or, as applicable, any Noteholder) pursuant to this Agreement and the other Loan Documents; (vi) enforcing or preserving any rights, either in response to third party claims or in prosecuting or defending any action or proceeding or other litigation, in each case against, under or affecting Borrower, Operating Company, this Agreement, the other Loan Documents, the Properties, or any other security given for the Loan; and (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Properties, Operating Company or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to any Person to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of such Person. Any cost and expenses due and payable to Lender or any Noteholder may be paid from any amounts in the Cash Management Account upon the occurrence and during the continuance of an Event of Default.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other actual liabilities, obligations, losses, damages (excluding, however, any punitive and consequential damages), penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be

designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, (ii) the use or intended use of the proceeds of the Loan, (iii) the Leases or any of the duties, responsibilities or obligations of Borrower or any Operating Company thereunder, (iv) the transactions contemplated in the Collection Account Agreements or (v) any third-party claims alleging that the Loan, the Operating Lease, the Operating Lease Guaranty or any of the Loan Documents violates any agreements or Legal Requirements binding on the Borrower or its Affiliates or their respective properties (collectively, the “**Indemnified Liabilities**”); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any request by Borrower that required Rating Agency Confirmation pursuant to the terms hereof.

**Section 10.14. Schedules Incorporated.** The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

**Section 10.15. Offsets, Counterclaims and Defenses.** Any assignee of Lender’s interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

**Section 10.16. No Joint Venture or Partnership; No Third Party Beneficiaries.** (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Properties other than that of mortgagee, beneficiary or lender.

(b) Except as expressly provided herein, this Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of

any of the obligations contained herein or therein. Lender and Borrower acknowledge and agree that the Noteholders are intended third party beneficiaries of all rights and remedies of the Lender hereunder. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

**Section 10.17. Intentionally Omitted.**

**Section 10.18. Cross-Default; Cross-Collateralization; Waiver of Marshalling of Assets.** (a) Borrower acknowledges that Lender has made the Loan to Borrower upon the security of its collective interest in the Properties and in reliance upon the aggregate of the Properties taken together being of greater value as collateral security than the sum of each Individual Property taken separately. Borrower agrees that the Mortgages are and will be cross-collateralized and cross-defaulted with each other so that (i) an Event of Default under any of the Mortgages shall constitute an Event of Default under each of the other Mortgages which secure the Note; (ii) an Event of Default under the Note or this Loan Agreement shall constitute an Event of Default under each Mortgage; (iii) each Mortgage shall constitute security for the Note as if a single blanket lien were placed on all of the Properties as security for the Note; and (iv) such cross-collateralization shall in no event be deemed to constitute a fraudulent conveyance.

(b) To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Mortgages, any equitable right otherwise available to Borrower which would require the separate sale of the Properties or require Lender to exhaust its remedies against any Individual Property or any combination of the Properties before proceeding against any other Individual Property or combination of Properties; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorize, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Properties.

**Section 10.19. Waiver of Counterclaim.** Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

**Section 10.20. Conflict; Construction of Documents; Reliance.** In the event of any conflict between the provisions of this Loan Agreement and any of the other Loan Documents, the provisions of this Loan Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

**Section 10.21. Brokers and Financial Advisors.** Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement (other than those the fees and other claims of which shall be paid by Borrower. Borrower hereby agrees to indemnify, defend and hold Lender and each Noteholder harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated herein. Each of Lender and (by its acceptance of its respective Note) the Noteholders hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

**Section 10.22. As used in this Article, references to "**Other Borrowers**" shall mean all Borrower Entities other than the particular Borrower Entity referred to.

**Section 11.2. Waivers.** Without limiting the primary liability of each Borrower Entity as set forth above, to the extent any such Borrower Entity is determined to be secondarily liable with respect to any portion of the Debt or any other obligation hereunder, the following shall apply:

**11.2.1 No Duty To Pursue Others.** It shall not be necessary for Lender (and each Borrower Entity hereby waives any rights which such Borrower Entity may have to require Lender), in order to enforce the obligations of such Borrower Entity hereunder, first to

(a) institute suit or exhaust its remedies against any Other Borrower or others liable on the Debt or any other person, (b) enforce Lender's rights against any collateral mortgaged, pledged or granted by any Other Borrower which shall ever have been given to secure the Debt ("**Other Borrower Collateral**"), (c) enforce Lender's rights against any other guarantors of the Debt, (d) join Borrower or any others liable on the Debt in any action against any Other Borrower seeking to enforce the Loan Documents, (e) exhaust any remedies available to Lender against any collateral which shall ever have been given to secure the Debt, or (f) resort to any other means of obtaining payment of the Loan by any Other Borrower. Lender shall not be required to mitigate damages or take any other action pertaining to any Other Borrower or any Other Borrower Collateral to reduce, collect or enforce the Debt from any Other Borrower.

**11.2.2 Waivers.** Such Borrower Entity agrees to the provisions of the Loan Documents, and hereby waives notice of (a) any loans or advances made by Lender to any Other Borrower, (b) acceptance of the Loan Documents, (c) any amendment or extension of the Note, this Agreement or of any other Loan Documents entered into by any Other Borrower, (d) the execution and delivery by any Other Borrower and Lender of any other loan or credit agreement or of any Other Borrower's execution and delivery of any promissory notes or other documents arising under the Loan Documents or in connection with the Other Borrower Collateral, (e) the occurrence of any breach by any Other Borrower or an Event of Default with respect to any Other Borrower or Other Borrower Collateral, (f) Lender's transfer or disposition of the Debt, or any part thereof, (g) sale or foreclosure (or posting or advertising for sale or foreclosure) of any Other Borrower Collateral, (h) protest, proof of non-payment or default by any Other Borrower and (i) any other action at any time taken or omitted by Lender, and, generally, all demands and notices to any Other Borrower of every kind in connection with the Loan Documents, any documents or agreements evidencing, securing or relating to any of the Debt.

**11.2.3 Waiver of Subrogation, Reimbursement and Contribution.** Notwithstanding anything to the contrary contained in the Loan Documents, each Borrower hereby unconditionally and irrevocably waives, releases and abrogates, prior to the payment in full of the Loan and for a period of ninety-one (91) days thereafter any and all rights it may now or hereafter have under any agreement, at law or in equity (including any law subrogating such Borrower Entity to the rights of Lender), to assert any claim against or seek contribution, indemnification or any other form of reimbursement (other than pursuant to the express provisions of the Contribution Agreement) from any Other Borrower or any other party liable for payment of any or all of the Debt for any payment made by such Borrower Entity under or in connection with the Loan Documents or otherwise.

**11.2.4 Events And Circumstances Not Reducing Or Discharging Guarantor's Obligations.** Each Borrower Entity hereby consents and agrees to each of the following, and agrees that such Borrower Entity's obligations under the Loan Documents shall not be released, diminished, impaired, reduced or adversely affected by any of the following, and waives any common law, equitable, statutory or other rights (including rights to notice) which such Borrower Entity might otherwise have as a result of or in connection with any of the following:

(a) Modifications. Any renewal, extension, increase, modification, alteration, restatement or rearrangement entered into by any Other Borrower of all or any part of the Debt, the Note, the Loan Agreement, the other Loan Documents, or any other document, instrument, contract or understanding between any Other Borrower and Lender, or any other parties, pertaining to the Debt or any failure of Lender to notify Borrower Entity of any such action.

(b) Adjustment. Any adjustment, indulgence, forbearance or compromise that might be granted or given by Lender to any Other Borrower.

(c) Condition of Borrower or Borrower Entity. The insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of any Other Borrower or any other party at any time liable for the payment of all or part of the Debt; or any dissolution of any Other Borrower, or any sale, lease or transfer of any or all of the assets of Borrower or of any Other Borrower, or any changes in the shareholders, partners or members of any Other Borrower; or any reorganization of any Other Borrower.

(d) Invalidity of Debt. The invalidity, illegality or unenforceability of all or any part of the Debt, or any document or agreement executed in connection with the Debt, for any reason whatsoever, including the fact that (a) the Debt, or any part thereof, exceeds the amount permitted by law, (b) the act of creating the Debt or any part thereof is ultra vires, (c) the officers or representatives executing the Note, the Loan Agreement or the other Loan Documents or otherwise creating the Debt acted in excess of their authority, (d) the Debt violate applicable usury laws, (e) any Other Borrower has valid defenses, claims or offsets (whether at law, in equity or by agreement) which render the Debt wholly or partially uncollectible from such Other Borrower, (f) the creation, performance or repayment of the Debt (or the execution, delivery and performance of any document or instrument by any Other Borrower representing part of the Debt or executed in connection with the Debt, or given to secure the repayment of the Debt) is illegal, uncollectible or unenforceable, or (g) the Note, the Loan Agreement or any of the other Loan Documents have been forged or otherwise are irregular or not genuine or authentic, it being agreed that such Borrower Entity shall remain liable hereon regardless of whether any Other Borrower or any other Person be found not liable on the Debt or any part thereof for any reason.

(e) Release of Obligors. Any full or partial release of the liability of any Other Borrower on the Debt, or any part thereof, or of any guarantor(s) thereof, or any other person or entity now or hereafter liable, whether directly or indirectly, jointly, severally, or jointly and severally, to pay, perform, guarantee or assure the payment of the Debt, or any part thereof, it being recognized, acknowledged and agreed by such Borrower Entity that such Borrower Entity may be required to pay the Debt in full without assistance or support of any other party, and such Borrower Entity has not been induced to enter into the Loan Documents on the basis of a contemplation, belief, understanding or agreement that other Persons will be liable to pay or perform the Debt, or that Lender will look to other Persons to pay or perform the Debt.

(f) Other Collateral. The taking or accepting of any other security, collateral or guaranty, or other assurance of payment, for all or any part of the Debt.

(g) **Release of Collateral.** Any release, surrender, exchange, subordination, deterioration, waste, loss or impairment (including negligent, willful, unreasonable or unjustifiable impairment) of any collateral, property or security at any time existing in connection with, or assuring or securing payment of, all or any part of the Debt.

(h) **Care and Diligence.** The failure of Lender or any other party to exercise diligence or reasonable care in the preservation, protection, enforcement, sale or other handling or treatment of Other Borrower Collateral, all or any part of such collateral, property or security, including any neglect, delay, omission, failure or refusal of Lender (a) to take or prosecute any action for the collection of any of the Debt or (b) to foreclose, or initiate any action to foreclose, or, once commenced, prosecute to completion any action to foreclose upon Other Borrower Collateral, or (c) to take or prosecute any action in connection with any instrument or agreement evidencing or securing all or any part of the Debt.

(i) **Unenforceability.** The fact that any collateral, security, security interest or lien contemplated or intended to be given, created or granted as security for the repayment of the Debt, or any part thereof, shall not be properly perfected or created, or shall prove to be unenforceable or subordinate to any other security interest or lien, it being recognized and agreed by such Borrower Entity that such Borrower Entity is not entering into the Loan Documents in reliance on, or in contemplation of the benefits of, the validity, enforceability, collectibility or value of any of the collateral for the Debt.

(j) **Offset.** Any existing or future right of offset, claim or defense of Borrower against Lender, or any other Person, or against payment of the Debt by any Other Borrower, whether such right of offset, claim or defense arises in connection with the Debt (or the transactions creating the Debt) or otherwise.

(k) **Merger.** The reorganization, merger or consolidation of any Other Borrower into or with any other corporation or entity.

(l) **Preference.** Any payment by Borrower to Lender is held to constitute a preference under bankruptcy laws, or for any reason Lender is required to refund such payment or pay such amount to Borrower or someone else.

**Section 11.3. Other Actions Taken or Omitted.** Any other action taken or omitted to be taken with respect to the Loan Documents, the Debt, or Other Borrower Collateral, whether or not such action or omission prejudices such Borrower Entity or increases the likelihood that such Borrower Entity will be required to pay the Debt pursuant to the terms hereof, it is the unambiguous and unequivocal intention of such Borrower Entity that such Borrower Entity shall be obligated to pay the Debt when due, notwithstanding any occurrence, circumstance, event, action, or omission whatsoever pertaining to any Other Borrower or any Other Borrower Collateral, whether contemplated or not, and whether or not otherwise or particularly described herein, which obligation shall be deemed satisfied only upon the full and final payment and satisfaction of the Debt.

**Section 2.2. Interest Rate.**

**2.2.1 Interest Generally.** Except as herein provided with respect to interest accruing at the Default Rate, interest on the principal balance of the Loan outstanding from time to time shall accrue from the Closing Date up to and including the Maturity Date (including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through the end of the Interest Period during which the Maturity Date occurs (even if such period extends beyond the Maturity Date)) at the Applicable Interest Rate. Interest on the outstanding principal balance of the Loan existing on the commencement of an Interest Period shall accrue for the entire Interest Period and shall be owed by Borrower for the entire Interest Period regardless of whether any principal portion of the Loan is repaid prior to the expiration of such Interest Period.

**2.2.2 Interest Calculation.** Interest on the outstanding principal balance of the Loan shall be calculated by multiplying (a) the actual number of days elapsed in the

period for which the calculation is being made by (b) a daily rate based on a three hundred sixty (360) day year (that is, the Applicable Interest Rate or the Default Rate, as then applicable, expressed as an annual rate divided by 360) by (c) the outstanding principal balance.

**2.2.3 Determination of Interest Rate.** (a) The Applicable Interest Rate with respect to the Loan shall be: (i) LIBOR plus the Spread with respect to the applicable Interest Period for a LIBOR Loan or (ii) the Prime Rate plus the Prime Rate Spread for a Prime Rate Loan if the Loan is converted to a Prime Rate Loan pursuant to the provisions of Section 2.2.3(c) or Section 2.2.3(f).

(b) Subject to the terms and conditions of this Section 2.2.3, the Loan shall be a LIBOR Loan and Borrower shall pay interest on the outstanding principal amount of the Loan at LIBOR plus the Spread for the applicable Interest Period. Any change in the rate of interest hereunder due to a change in the Applicable Interest Rate shall become effective as of the opening of business on the first day on which such change in the Applicable Interest Rate shall become effective. Each determination by Lender of the Applicable Interest Rate shall be conclusive and binding for all purposes, absent manifest error.

(c) In the event that Lender shall have determined (which determination shall be conclusive and binding upon Borrower absent manifest error) that by reason of circumstances affecting the interbank eurodollar market, adequate and reasonable means do not exist for ascertaining LIBOR, then Lender shall forthwith give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding LIBOR Loan shall be converted, on the last day of the then current Interest Period, to a Prime Rate Loan.

(d) If, pursuant to the terms of this Agreement, any portion of the Loan has been converted to a Prime Rate Loan and Lender shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable, Lender shall give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding Prime Rate Loan shall be converted to a LIBOR Loan on the last day of the then current Interest Period.

(e) With respect to a LIBOR Loan, all payments made by Borrower hereunder shall be made free and clear of, and without reduction for or on account of, income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings imposed, levied, collected, withheld or assessed by any Governmental Authority and imposed on any non-U.S. Lender due to a change in U.S. law after the date such non-U.S. Lender acquired its interest in the Loan (such non-excluded taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings being referred to collectively as "**Foreign Taxes**"), excluding (i) income and franchise taxes, (ii) any Taxes imposed by reason of any connection between the non-U.S. Lender and the taxing jurisdiction other than entering into this Agreement and receiving payments hereunder, and (iii) any Taxes imposed by reason of the non-U.S. Lender's failure to

complete and deliver to the Borrower, prior to the date on which the first payment to such Lender is due hereunder and (so long as it remains eligible to do so) from time to time thereafter, (x) (i) an Internal Revenue Service Form W-9 (or successor form) establishing that the Lender is not subject to U.S. backup withholding tax, (ii) an Internal Revenue Service Form W-8BEN (or successor form) certifying that such Lender is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of withholding tax on payments of interest to zero, or (iii) an Internal Revenue Service Form W-8ECI certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States, as appropriate; and (y) any successor or additional form required by the Internal Revenue Service or any taxing authority reasonably requested by the Borrower in order to secure an exemption from, or reduction in the rate of, Foreign Taxes. If any Foreign Taxes are required to be withheld from any amounts payable to Lender hereunder, the amounts so payable to Lender shall be increased to the extent necessary to yield to Lender (after payment of all Foreign Taxes) interest or any such other amounts payable hereunder at the rate or in the amounts specified hereunder. Whenever any Foreign Tax is payable pursuant to applicable law by Borrower, as promptly as possible thereafter, Borrower shall send to Lender an original official receipt, if available, or certified copy thereof showing payment of such Foreign Tax. Borrower hereby indemnifies Lender for any incremental Foreign Taxes, interest or penalties that may become payable by Lender which may result from any failure by Borrower to pay any such Foreign Tax when due to the appropriate taxing authority or any failure by Borrower to remit to Lender the required receipts or other required documentary evidence thereof (provided such documents are reasonably available to the Borrower).

(f) If any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to make or maintain a LIBOR Loan as contemplated hereunder and the events giving rise thereto affect similarly situated banks or financial institutions generally, (i) the obligation of Lender hereunder to make a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the next succeeding Payment Date or within such earlier period as required by law.

(g) In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority and the events giving rise thereto affect similarly situated banks or financial institutions generally:

(i) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, the office of Lender that holds the Loan which is not otherwise included in the determination of LIBOR hereunder;

(ii) shall hereafter require the Lender to hold additional capital against the Loan in excess of that currently required by Governmental Authorities to be held against loans similar in nature to the Loan; or

(iii) shall hereafter impose on Lender any other condition affecting loans to borrowers subject to LIBOR-based interest rates and Lender determines that, by reason thereof, the cost to Lender of making or maintaining the Loan to Borrower is increased, or any amount received by Lender hereunder in respect of any portion of the Loan is reduced, in each case by an amount deemed by Lender in good faith to be material;

then, in any such case, Borrower shall promptly pay Lender, upon demand, any additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined in good faith by Lender. If Lender becomes entitled to claim any additional amounts pursuant to this Section 2.2.3(g), Lender shall provide Borrower with not less than ninety (90) days notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to fully compensate Lender for such additional cost or reduced amount. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. This provision shall survive payment of the Note and the satisfaction of all other obligations of Borrower under this Agreement and the Loan Documents.

(h) Lender shall not be entitled to claim compensation pursuant to this Section 2.2.3 for any Foreign Taxes or other amounts incurred or which accrued more than ninety (90) days before the date Lender notified Borrower of the change in law or other circumstance on which such claim of compensation is based and delivered to Borrower a written statement setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.2.3, which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(i) For purposes of this Section 2.2.3, the term "Lender" shall be deemed to include each Noteholder and Lender's (as well as each Noteholder's) present and future participants in the Loan to the extent of Foreign Taxes imposed by reason of such Noteholder or participant's interest in the Loan and each such Noteholder's or participant's increased costs or reduction in amount received or receivable hereunder or any reduced rate of return, in each case payable by Borrower under this Section 2.2.3.

**2.2.4 Additional Costs.** Lender will use reasonable efforts (consistent with legal and regulatory restrictions) to maintain the availability of the LIBOR Loan and to avoid or reduce any increased or additional costs payable by Borrower under Section 2.2.3, including, if requested by Borrower, a transfer or assignment of the Loan to a branch, office or Affiliate of Lender in another jurisdiction, or a redesignation of its lending office with respect to the Loan, in order to maintain the availability of the LIBOR Loan or to avoid or reduce such increased or additional costs, provided that the transfer or assignment or redesignation (a) would not result in any material additional costs, expenses or risk to Lender that are not reimbursed by Borrower and (b) would not be disadvantageous in any other material respect to Lender as determined by Lender in its sole but reasonable discretion.

**2.2.5 Default Rate.** In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan

and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

**2.2.6 Usury Savings.** This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

**2.2.7 Interest Rate Cap Agreement.** (a) On or prior to 5:00 p.m. (New York time) on the Closing Date, Borrower shall enter into an Interest Rate Cap Agreement with a LIBOR strike price equal to the required Strike Price. The Interest Rate Cap Agreement (i) shall be in a form and substance reasonably acceptable to Lender, (ii) shall be with an Acceptable Counterparty, (iii) shall direct such Acceptable Counterparty to deposit directly with Lender (or into an account or otherwise as directed by Lender) any amounts due Borrower under such Interest Rate Cap Agreement unless and until otherwise instructed by Lender (it being agreed as between Lender and Borrower that Lender will so instruct the Counterparty at such time as the Debt shall no longer exist, provided that the Debt shall be deemed to exist if the Collateral is transferred by secured party sale or otherwise), (iv) shall be for a period equal to the term of the Loan and (v) shall have an initial notional amount equal to the principal balance of the Loan. Borrower shall collaterally assign to Lender, pursuant to the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Interest Rate Cap Agreement, and shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be paid directly into an account pledged to Lender as provided above in this Section 2.2.7). Provided no Event of Default has occurred and is continuing, amounts contained in the foregoing pledged account shall be released to Borrower on a monthly basis to the extent not applied toward debt service on the Loan.

(b) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be paid to Lender (or into an account

or otherwise as directed by Lender). Borrower shall take all actions reasonably requested by Lender to enforce Lender's rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty and shall not waive, amend or otherwise modify any of its rights thereunder.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty by S&P or Moody's to below the ratings set forth in the definition of "Acceptable Counterparty", Borrower (i) shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement (or cause the Counterparty or an Affiliate thereof to post collateral acceptable to Lender and the Rating Agencies) not more than fifteen (15) Business Days following receipt of notice of such downgrade, withdrawal or qualification (and meeting the requirements set forth in this [Section 2.2.7](#)) from an Acceptable Counterparty, (ii) if a new cap is provided to Lender, then if requested by Lender shall provide to Lender an opinion of counsel to such Acceptable Counterparty in the form and containing the substance of the form of opinion set forth in [Exhibit A](#) to the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender), and (iii) shall collaterally assign to Lender, pursuant to an assignment in the form of the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Replacement Interest Rate Cap Agreement.

(d) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement or fails to maintain the Interest Rate Cap Agreement in accordance with the terms and provisions of this Agreement, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is reimbursed by Borrower to Lender.

(e) In connection with any Interest Rate Cap Agreement provided to Lender as herein required, if requested by Lender, Borrower shall obtain and deliver to Lender an opinion from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty (upon which Lender and its successors and assigns may rely) in the form and containing the substance of the form of opinion set forth in [Exhibit A](#) to the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender).

(f) In connection with any prepayment of the Loan, provided no Event of Default shall have occurred and be continuing, Borrower may reduce the amount of any Interest Rate Cap Agreement (so that the same shall be in an initial notional amount equal to the principal balance of the Loan following such prepayment), provided that such reduction shall not affect any of the other terms of the Interest Rate Cap Agreement or the Collateral Assignment of Interest Rate Cap Agreement (or Lender's rights in respect thereof).

### **Section 2.3. Loan Payment.**

**2.3.1 Payments Generally.** Borrower shall make a payment to Lender of interest only on the Closing Date for the initial Interest Period. On the date hereof, Borrower shall make a payment to Lender of interest accruing hereunder during the period from the

Closing Date up to and including the initial Interest Period, calculated in the manner set forth herein, and on the Payment Date occurring in March 2008 and on each Payment Date thereafter to and including the Maturity Date, Borrower shall make a payment to Lender of interest accruing hereunder during the entire Interest Period in which such Payment Date occurs, calculated in the manner set forth herein. All amounts due pursuant to this Agreement and the other Loan Documents shall be payable without setoff, counterclaim, defense or any other deduction whatsoever. Each payment shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

**2.3.2 Payment on Maturity Date.** Borrower shall pay to Lender on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Pledge Agreement and the other Loan Documents, including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through and including the end of the Interest Period in which the Maturity Date occurs (even if such Interest Period extends beyond the Maturity Date).

**2.3.3 Late Payment Charge.** If any principal, interest or any other sums due under the Loan Documents, other than the payment of principal due on the Maturity Date, is not paid by Borrower by the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of one percent (1%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment; provided, however that, except with respect to the payment of any monthly Debt Service payments with respect to which no notice or demand shall be required, no such late payment charge shall be due unless such payment of principal, interest or other sum shall be delinquent for more than five (5) Business Days following the date of demand therefor. Any such amount shall be secured by the Pledge Agreement and the other Loan Documents to the extent permitted by applicable law.

**2.3.4 Method and Place of Payment.** Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 3:00 P.M., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

#### **Section 2.4. Prepayments.**

**2.4.1 Voluntary Prepayments.** Borrower may, at its option, prepay the Debt in whole or in part, provided, the following conditions are satisfied:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates

solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall provide prior written notice to Lender specifying the date upon which the prepayment is to be made (the "**Prepayment Date**"), which notice shall be delivered to Lender not less than ten (10) days prior to such Prepayment Date, and which notice shall be irrevocable (or such shorter period of time as may be permitted by Lender in its sole discretion) (Lender hereby agreeing that Borrower may revoke any notice of prepayment up until the date that is one (1) Business Day prior to the proposed Prepayment Date (provided that Borrower shall be required to pay Lender, promptly upon demand, any actual, out-of-pocket expenses incurred by Lender resulting from any such revocation));

(c) each such prepayment, in the case of partial prepayments, shall be in an amount not less than Five Million and no/100 Dollars (\$5,000,000.00), unless the outstanding principal balance of the Loan (prior to such prepayment) shall be less than Five Million and no/100 Dollars (\$5,000,000.00), in which event the amount of the prepayment shall be in such amount as shall prepay the Debt and all other amounts due in connection therewith in full, as more fully provided herein;

(d) if such prepayment is made on or prior to the Payment Date occurring in the Interest Period in which such prepayment was made, then, in connection with such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, all interest on the principal balance of the Note then being prepaid which would have accrued through the end of the Interest Period then in effect notwithstanding that such Interest Period extends beyond the Prepayment Date;

(e) if such prepayment is made after a Payment Date occurring in the Interest Period in which such prepayment was made, but prior to the last two (2) Business Days in such Interest Period, Borrower shall make such prepayment without paying any interest thereon (Borrower having already paid interest on such amount on the Payment Date occurring in such Interest Period);

(f) if such prepayment is made on either of the last two (2) Business Days in an Interest Period, Borrower will pay to Lender, simultaneously with such prepayment, interest on the principal amount of the Loan prepaid through the last day of the Interest Period immediately following the Interest Period in which such prepayment occurs, calculated at the Applicable Interest Rate;

(g) if such prepayment is a prepayment of the Loan in full, Lender shall have received a written consent to the repayment from the lender under each Other Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Other Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous pro rata prepayment of each Other Mezzanine Loan and Permitted Mezzanine Loan if required thereunder; and

(h) if such prepayment is made on or prior to the Spread Maintenance Outside Date, then in connection with any such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, the Spread Maintenance Premium in respect of such prepayment.

Any prepayment received by Lender on other than a Payment Date (but not any amount received between a Payment Date and the second to last Business Day in an Interest Period) shall be held by Lender in an interest-bearing account as collateral security for the Loan and shall be applied to the Debt on the next occurring Payment Date (with all interest and other income earned on such amount being for the account of Borrower and being remitted by Lender to Borrower promptly following such next Payment Date). Any prepayment made pursuant to this Section 2.4.1 shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes. Lender agrees that it shall provide a written consent to the repayment of the Loan upon satisfaction of the conditions set forth in clauses (a) through (f) and clause (h) of this Section 2.4.1.

**2.4.2 Mandatory Prepayments from Net Proceeds.** (a) On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of any Individual Property, Borrower shall prepay, or authorize Lender to apply Net Proceeds as a prepayment of, the outstanding principal balance of the Note in an amount equal to, (x) if no Event of Default shall have occurred and be continuing, the product of (i) a fraction, the numerator of which is outstanding principal amount of the Loan and the denominator is the outstanding principal amount of the Mortgage Loan, the Loan and the Other Mezzanine Loans times (ii) the Net Proceeds, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such Payment Date occurs (with the balance of the Net Proceeds to be paid over to the Second Mezzanine Lender, for application in accordance with the Second Mezzanine Loan Agreement), and (y) if an Event of Default shall have occurred and be continuing, 100% of the Net Proceeds. No Spread Maintenance Premium shall be due in connection with any prepayment made pursuant to this Section 2.4.2(a). Any prepayment received by Lender pursuant to this Section 2.4.2(a) on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. Following the prepayment made as described in this Section 2.4.2(a), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(a) shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

(b) In the event of (i) a Transfer of any Individual Property in connection with the realization thereon following a Mortgage Loan Default, (ii) any refinancing of any Individual Property or the Mortgage Loan, or (iii) the receipt by Mortgage Borrower of any excess proceeds realized under its owner's title insurance policy after application of such proceeds by Mortgage Borrower to cure any title defect (each, a "Liquidation Event"), Borrower shall cause the related Net Liquidation Proceeds After Debt Service to be remitted directly to Lender (or as directed by

Lender). On each date on which Lender actually receives a distribution of Net Liquidation Proceeds After Debt Service, Borrower shall prepay the outstanding principal balance of the Note in an amount equal to one hundred percent (100%) of such Net Liquidation Proceeds After Debt Service, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such payment occurs. Any amounts of Net Liquidation Proceeds After Debt Service in excess of the Debt shall be remitted to Second Mezzanine Lender (or to an account designated by Second Mezzanine Lender). Any prepayment received by Lender pursuant to this Section 2.4.2(b) on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. A Spread Maintenance Premium or fee may be due in connection with any prepayment made pursuant to this Section 2.4.2(b) if made prior to the Spread Maintenance Outside Date). Following the prepayment made as described in this Section 2.4.2(b), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(b) shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

(c) Borrower shall immediately notify Lender of any Liquidation Event once Borrower has knowledge of such event. Borrower shall be deemed to have knowledge of (i) a sale (other than a foreclosure sale) of any Individual Property on the date on which a contract of sale for such sale is entered into, and a foreclosure sale, on the date notice of such foreclosure sale is given, and (ii) a refinancing of any Individual Property, on the date on which a commitment for such refinancing has been entered into. The provisions of this Section 2.4.2(c) shall not be construed to contravene in any manner the restrictions and other provisions regarding refinancing of the Mortgage Loan or Transfer of any Individual Property set forth in this Agreement, the other Loan Documents and the Mortgage Loan Documents.

**2.4.3 Prepayments After Default.** If, following the occurrence and during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower or any other Person and accepted by Lender or otherwise recovered by Lender (including through application of any Reserve Funds), Borrower shall pay to Lender, in addition to the outstanding principal balance, (a) all accrued and unpaid interest at the Default Rate (including, without limitation, (i) in the event that such prepayment is received on a Payment Date or on any date in any Interest Period prior to a Payment Date, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which such payment occurs, or (ii) in the event that such prepayment is received on a date after a Payment Date up to (and including) the last day of the Interest Period in which such Payment Date occurs, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which the next Payment Date occurs, (b) the Spread Maintenance Premium, if such prepayment is made prior to the Spread Maintenance Outside Date, and (c) any and all other amounts payable under the Loan Documents. Any payment under this Section 2.4.3 shall be applied in such order, priority and proportions as Lender may direct in its sole and absolute discretion.

## **Section 2.5. Release of Collateral.**

Except as set forth in this Section 2.5, no repayment or prepayment of all or any portion of the Note shall cause, give rise to a right to require, or otherwise result in, the release or assignment of any Lien of the Pledge Agreement on the Collateral.

**2.5.1 Release of Individual Property.** Concurrently with the release of an Individual Property from the Lien of the Mortgage (and related Mortgage Loan Documents) pursuant to Section 2.5.1 of the Mortgage Loan Agreement (a “**Release**” and such Individual Property, a “**Release Property**”), Borrower may obtain the release of the related Individual Borrower with an indirect ownership interest in such Individual Property (a “**Release Borrower**”) and such Release Borrower’s obligations under the Loan Documents with respect to the Release Property (other than those expressly stated to survive), upon the satisfaction of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien of the Pledge Agreement (and related Loan Documents), only with respect to such Release Borrower, for execution by Lender. Such release shall contain standard provisions, if any, protecting the rights of the releasing lender;

(c) After giving effect to such release, the Debt Service Coverage Ratio for the Properties then remaining subject to the Liens of the Mortgages (including giving pro forma effect to the payment of the Release Price and any additional prepayment(s) made by Borrower in connection with such release) shall be equal to or greater than the greatest of (i) the Debt Service Coverage Ratio for the twelve (12) full calendar months immediately preceding the release of the Individual Property (assuming the contemplated release had not occurred, i.e., for all Properties subject to the Liens of the Mortgage prior to the proposed release), (ii) 90% of the Debt Service Coverage Ratio as of the Closing Date, and (iii) 1.0;

(d)(i) The Individual Property to be released shall be conveyed to a Person other than a Mortgage Borrower or Mezzanine Borrower, and other than to an Affiliate of Mortgage Borrower unless, in the latter case, such Affiliate is refinancing the Loan with a construction or development loan (or repaying the Loan with equity contributions to such Affiliate) and (ii) it is such Affiliate’s immediate intention to materially redevelop such Individual Property, which loan (or equity contribution) and intention shall be described in reasonable detail and represented to in an Officer’s Certificate submitted to Lender concurrently with (or prior to) the materials described in clause (b) of this Section 2.5.1;

(e) Lender shall have received a wire transfer of immediately available federal funds in an amount equal to the Release Price for the applicable Individual Property, together with (i) all accrued and unpaid interest calculated at the Applicable Interest Rate on the amount

of principal being prepaid as provided in Sections 2.4.1(d) or (e), as applicable, (ii) the Spread Maintenance Premium, if applicable and (iii) all other sums due under this Agreement, the Note or the other Loan Documents in connection with a partial prepayment;

(f) Lender shall have received a written consent to the transfer from the lender under the Mortgage Loan and each of the Other Mezzanine Loans (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of the Mortgage Loan, each of the Other Mezzanine Loans and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous pro rata prepayment of each Mortgage Loan, the Other Mezzanine Loans and Permitted Mezzanine Loan if required thereunder; and

(g) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the release of the Individual Property and/or Release Borrower from the lien of the Pledge Agreement and the review and approval of the documents and information required to be delivered in connection therewith. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property or Release Borrower.

Lender agrees that it shall provide a written consent to the transfer upon satisfaction of the conditions set forth in clauses (a) through (e) and clause (g) of this Section 2.5.1.

**2.5.2 Release of Convention Center Parcel; Property Swap.** At any time after the date hereof, Mortgage Borrower may obtain the release of the Convention Center Parcel pursuant to the Mortgage Loan Agreement, without the payment of a Release Price and upon the satisfaction by Borrower of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a release of the Convention Center Parcel, the Event of Default relates solely to such parcel and therefore would be fully cured by the release of the Convention Center Parcel);

(b) The Convention Center Parcel shall be conveyed to a Person other than a Mortgage Borrower or any Mezzanine Borrower;

(c) Mortgage Borrower will enter into a restrictive covenant agreement, restricting the use of the Convention Center Parcel to the development of a Convention Center and ancillary uses which agreement shall be in form and substance reasonably satisfactory to Lender;

(d) Prior to the transfer and release of the Convention Center Parcel, each applicable municipal authority exercising jurisdiction over the Convention Center Parcel shall have approved a lot-split ordinance or other applicable action under local law dividing the Convention Center Parcel from the remainder of the Harrah's Atlantic City Property, and a

separate tax identification number has been issued for the Convention Center Parcel (with the result that, upon the transfer and release of the Convention Center Parcel, no part of the remaining Harrah's Atlantic City Property shall be part of a tax lot which includes any portion of the Convention Center Parcel);

(e) All requirements under all laws, statutes, rules and regulations (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetlands requirements) applicable to the Harrah's Atlantic City Property necessary to accomplish the lot split shall have been fulfilled, and all necessary variances, if any, shall have been obtained, and Borrower shall have delivered to Lender either (1) letters or other evidence from the appropriate municipal authorities confirming such compliance with laws, or (2) a zoning report or legal opinion confirming such compliance with laws, in each case in substance reasonably satisfactory to Lender;

(f) As a result of the lot split, the remaining Harrah's Atlantic City Property with all easements appurtenant and other Permitted Encumbrances thereto will not be in violation of any then applicable law, statute, rule or regulation (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetland requirements) and all necessary variances, if any, shall have been obtained and evidence thereof has been delivered to Lender which in form and substance is appropriate for the jurisdiction in which the Harrah's Atlantic City Property is located;

(g) If reasonably necessary, appropriate reciprocal easement agreements for the benefit and burden of the remaining Harrah's Atlantic City Property and the Convention Center Parcel requiring no cost or expense to Mortgage Borrower regarding the use of common facilities of such parcels, including, but not limited to, roadways, parking areas, utilities and community facilities, in a form and substance that would be reasonably acceptable to an ordinary prudent lender and which easements will not materially adversely affect the remaining Harrah's Atlantic City Property, shall be declared and recorded, and the remaining Harrah's Atlantic City Property and the Convention Center Parcel shall be in compliance with all applicable covenants under all easements and property agreements contained in the Permitted Encumbrances for the Harrah's Atlantic City Property;

(i) Borrower shall execute such documents and instruments and obtain such opinions of counsel as are typical for similar transactions;

(j) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the review and approval of the documents and information required to be

delivered in connection with the release of the Convention Center Parcel from the Lien of the related Mortgage. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of the Convention Center Parcel;

(k) Lender shall have received evidence reasonably satisfactory to it that Mortgage Borrower and each Other Mezzanine Borrower shall have satisfied all of the conditions to the proposed Release set forth in the Mortgage Loan Agreement and each Other Mezzanine Loan Agreement, as applicable; and

(l) There shall be no release of any portion of the Lien of the Pledge Agreement in connection with this Section 2.5.2.

Borrower agrees that it shall promptly use all reasonable best efforts to substitute, and Lender agrees (subject to the terms set forth below in this paragraph) that it shall accept the substitution of, the properties commonly known as “Paris Las Vegas” and “Harrah’s Laughlin” for the Individual Properties referred to as “Harrah’s Lake Tahoe”, “Harvey’s Lake Tahoe”, “Bill’s Lake Tahoe” and “Showboat Atlantic City” and the portion of the Flamingo Las Vegas Property known as O’Shea’s in a reasonably satisfactory manner, provided that Lender’s obligation to accept such substitution shall be conditioned on the following:

(i) that no Event of Default shall exist, either before or after giving effect to such substitution (unless such Event of Default would be fully cured by the substitution);

(ii) the satisfaction, with respect to both “Paris Las Vegas” and “Harrah’s Laughlin”, of the closing conditions set forth in Article III hereof and of the Mortgage Loan Agreement, except that references therein to the Closing Date shall be to the date of such substitution;

(iii) delivery of such agreements, instruments, title insurance policies, surveys, resolutions, certificates and opinions (including, without limitation, substitute notes, amendments to the Loan Documents (including amendments to adjust the Allocated Loan Amounts, the EBITDAR (Closing Date) and any other items that need to be adjusted to reflect the substitution), the Operating Lease, the Operating Lease Guaranty and the Windstorm Insurance Intercreditor Agreement, an appropriate subdivision and a reciprocal easement agreement in respect of O’Shea’s, written assurances that the substitution will have no negative effects on the existing Title Policies, updated “tie-in” endorsements for the Title Policies, an Additional True Lease Opinion and an Additional Insolvency Opinion), in each case as are reasonably required by Lender in connection with such substitution;

(iv) with respect to the release of O’Shea’s, delivery of evidence reasonably satisfactory to Lender that such release will not have either an Individual Material Adverse Effect on the remainder of the Flamingo Las Vegas Property or an Aggregate Material Adverse Effect (it being understood that, for purposes of such determinations, O’Shea’s shall be deemed to have closed as of the Closing Date and to have no value) and that the remainder of the Flamingo Las Vegas Property satisfies the conditions set forth in Sections 3.1.3(b), (c) and (f) of the Mortgage Loan Agreement and the representations and warranties set forth in Sections 4.1.4,

4.1.16, 4.1.22, 4.1.39 and 4.1.40 of the Mortgage Loan Agreement shall continue to be true and complete with respect to the remainder of the Flamingo Las Vegas Property, and satisfaction of conditions similar to those set forth in clauses (c), (d), (e), (f), (g) and (h) of Section 3.1.3 hereof, as applicable, with respect to O'Shea's;

(v) the satisfaction, with respect to "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe", "Showboat Atlantic City" and O'Shea's, of the conditions set forth above in Section 2.5.1(b) and (f) with respect to released Individual Properties to the extent applicable,

(vi) the conveyance of "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe", "Showboat Atlantic City" and O'Shea's to a Person other than a Mortgage Borrower or Mezzanine Borrower;

(vii) unless otherwise extended by Lender, the substitution shall be completed on or prior to May 28, 2008;

(viii) the payment by Borrower of all Lender's reasonable out-of-pocket costs and expenses in connection with the substitution contemplated by this paragraph, including reasonable counsel fees and disbursements, up to an aggregate amount of \$300,000, it being acknowledged that costs incurred to obtain title insurance and surveys in respect of the substituted properties shall be paid by Borrower directly and shall not be taken into account for purposes of the foregoing limitation on the reimbursement of Lender's expenses.

Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property in accordance with this paragraph. In addition, if all of "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe" and "Showboat Atlantic City" can be transferred from Mortgage Borrower as contemplated above, but O'Shea's cannot (including by reason of an inability to get a separate gaming license for O'Shea's independent of the "Flamingo Las Vegas"), then Borrower shall cause Mortgage Borrower to nevertheless proceed to consummate the swap without transferring O'Shea's (subject to Borrower's ongoing right to obtain the release of O'Shea's from the Lien of the Mortgage in accordance with the following sentence). Upon the satisfaction of such conditions set forth above in this paragraph (including clauses (i) through (viii) hereof), Borrower will have the right to choose between an immediate release of O'Shea's from the Lien of the Mortgage on the date of the swap or a free release subsequent to the date of the swap without conditions (in either case, subject to the conditions set forth above in this Section 2.5.2, except that the limitation on Borrower's payment of Lender's costs and expenses set forth in clause (viii) above shall not apply to any such costs and expenses incurred by Lender in connection with such release), and, pending such release, EBITDAR shall be computed without regard to O'Shea's; provided further, the Operating Company in respect of the "Flamingo Las Vegas" Individual Property, both before and after such release, shall be permitted to provide management and other similar services for O'Shea's and shall be reimbursed for the allocable share of expenses attributable to O'Shea's.

**2.5.3 Release on Payment in Full.** Lender shall, upon the written request and at the expense of Borrower, upon payment in full of all principal and interest due on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of the Pledge Agreement on the Collateral.

**Section 2.6. Cash Management.**

**2.6.1 Establishment of Collection Accounts.**

(a) In accordance with the provisions of the Operating Lease, (i) Operating Company will establish within thirty (30) days after the Closing Date and will maintain for the benefit of Mortgage Borrower, as lessor under the Operating Lease, the Collection Accounts with Collection Banks throughout the term of the Mortgage Loan and (ii) the rights of Mortgage Borrower (as landlord) under the Operating Lease will be collaterally assigned to Mortgage Lender within such 30-day period. All Revenues, other than amounts retained on-site by each Operating Company as a Gaming Operating Reserve and amounts collected and maintained in Off-Shore Accounts, will be deposited in the Collection Accounts.

(b) Borrower hereby represents and warrants as follows: when established, the Collection Accounts will be the only accounts maintained by Operating Company in any jurisdiction that include funds arising out of, or are otherwise attributable to, the Properties or relate to the operation and management of any of the Properties other than accounts (collectively, the “OC Accounts”) that contain amounts theretofore released from Collection Accounts in accordance herewith, and other than Off-Shore Accounts, which shall not be subject to this Agreement; and neither Borrower nor Mortgage Borrower maintains any accounts that include funds arising out of, or are otherwise attributable to, any of the Properties or relate to the operation and management of any of the Properties or otherwise (except for accounts containing funds released from the Collection Accounts as herein provided and the Off-Shore Accounts). Borrower shall not (and Borrower shall not permit Operating Company or Mortgage Borrower to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), open any accounts or new accounts or in any way alter the flow of funds and payment into such Collection Accounts, including, without limitation, changing the source, type or currency of any payments currently deposited and maintained in any such account (it being understood that the foregoing restriction shall not preclude Operating Company, Borrower or Mortgage Borrower from accepting and depositing in any Collection Accounts any capital contributions, or any disbursements from any Collection Accounts in accordance with the provisions of the Mortgage Loan Agreement and this Agreement). Borrower shall not (and Borrower shall not permit Operating Company or Mortgage Borrower to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), establish and maintain any accounts with financial institutions outside of the United States of America, other than the Off-Shore Accounts.

(c) Borrower shall cause Mortgage Borrower and Operating Company to comply with Section 2.6.1 of the Mortgage Loan Agreement in all respects.

(d) Borrower hereby agrees that in the event that the Mortgage Loan Documents require Mortgage Borrower and/or Operating Company to maintain the Collection Accounts, but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Collection Accounts are not being maintained, Borrower shall establish or cause the Operating Company to establish collection accounts substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Section 2.6.1 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender). In addition, if Borrower is required to deposit amounts with Lender pursuant to Article VII hereof but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Collection Accounts and Cash Management Account are not being maintained, Borrower shall establish collection accounts and a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Sections 2.6.1 and 2.6.2 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender). In addition, if Mortgage Borrower is required to provide security or other collateral to the Mortgage Lender pursuant to the terms of the Mortgage Loan Agreement (excluding any mortgage lien on the Properties or assignment of leases and rents with respect to the Properties) but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) such security or other collateral was not provided to Mortgage Lender, Borrower shall provide such security or other collateral to Lender in substantially the same form and amount as that required under the Mortgage Loan Documents.

**2.6.2 Disbursements from, Security Interest in, Collection Accounts.** The Operating Lease provides, among other things, that all Revenues shall be collaterally assigned by Operating Company to Mortgage Borrower as additional security for Operating Company's obligations under the Operating Lease and that Mortgage Borrower shall have the right to collaterally assign and pledge such Revenues to Lender as additional security for the Loan. In furtherance thereof, Lender and Borrower agree as follows:

(a) Except as otherwise provided in subparagraphs (b) and (c) hereof, all amounts collected in the Collection Accounts shall be transferred on each Business Day to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender.

(b) Upon the occurrence and during the continuance of an Event of Default hereunder, under the Mortgage Loan Documents or under any of the Other Mezzanine Loan Documents, and provided no Event of Default (as such term is defined in the Operating Lease) shall have occurred and be continuing under any Operating Lease, Borrower shall cause Mortgage Borrower to direct and cause Collection Bank to deposit directly into the Cash Management Account, all Rent payable under the Operating Lease for such the next thirty (30) days (it being the intent and agreement that, during the continuance of an Event of Default, the Cash Management Account shall at all times contain such amounts sufficient to cover the ensuing 30-day period), including the Monthly Tax and Insurance Amount, the Monthly Ground Rent Amount and Monthly FF&E Reserve Amount (the amounts described in the preceding

sentence, collectively, the “**Monthly Disbursements**”); provided that, notwithstanding the foregoing, Lender may not apply such Monthly Disbursements to the payment of amounts due hereunder in an amount in excess of the amounts owed by the Operating Company under the Operating Lease. In the event Borrower shall have failed to cause Mortgage Borrower to so instruct Collection Bank, Lender shall have the right to so direct the Collection Bank on behalf of Mortgage Borrower. Any amounts not required to be so deposited into the Cash Management Account shall be transferred on each Business Day thereafter to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender. If no Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, such excess shall be remitted to Second Mezzanine Lender (or to an account designated by Second Mezzanine Lender); provided that, notwithstanding the foregoing, Lender shall not remit any such amounts in excess of the amounts owed by the Operating Company under the Operating Lease. If an Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, Lender shall have the right to retain such excess as collateral for the Loan and/or apply such excess to the payment of the Debt.

(c) Upon the occurrence and during the continuance of an Event of Default (as such term is defined in the Operating Lease) under any Operating Lease, Borrower shall cause Mortgage Borrower to notify Collection Bank to transfer to the Cash Management Account on each Business Day in immediately available funds by federal wire transfer all amounts on deposit in each Collection Account and, in the event Mortgage Borrower shall have failed to do so, Mortgage Lender (or Lender in the event of Mortgage Lender’s failure to so instruct) shall have the right to so direct the Collection Bank on behalf of Mortgage Borrower. Lender shall have the right to retain all amounts to be paid into the Cash Management Account in accordance with the first sentence of this Section 2.6.2(c) as collateral for the Loan and/or apply such amount to the payment of the Debt.

(d) Borrower and its Affiliates shall (and Borrower shall cause Operating Company to) execute and deliver such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect, maintain and perfect Lender’s security interest in the Collection Accounts.

**2.6.3 Cash Management Account.** (a) During the term of the Loan, Borrower shall cause Mortgage Borrower to comply with Section 2.6.3 of the Mortgage Loan Agreement which may require the establishment of the Cash Management Account to be held by and in trust for the benefit of Mortgage Lender. All costs and expenses for establishing and maintaining the Cash Management Account shall be paid by Mortgage Borrower or Borrower.

(b) Borrower shall not cause or permit Mortgage Borrower or Operating Company to further pledge, assign or grant any security interest in the Cash Management Account or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Mortgage Lender as the secured party, to be filed with respect thereto.

(c) Borrower hereby agrees that in the event that the Mortgage Loan Documents require Mortgage Borrower and/or Operating Company to maintain the Cash Management Account, but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Cash Management Account is not being maintained, Borrower shall establish a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents. If Borrower is required to deposit amounts with Lender pursuant to Article VII hereof, Borrower shall establish a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Section 2.6.2 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender).

**2.6.4 Mezzanine Collection Account.** (a) Lender or Servicer may establish and maintain, to collect all amounts distributed to Lender under Section 2.6.3 of the Mortgage Loan Agreement, a segregated Eligible Account (the “**Mezzanine Collection Account**”) to be held by Servicer in trust for the benefit of Lender, which Mezzanine Collection Account shall be under the sole dominion and control of Lender (which may be exercised through Servicer). Lender (and its agents, including Servicer) shall have the sole right to make withdrawals from the Mezzanine Collection Account in accordance with the terms and conditions of this Agreement and the other Loan Documents, except as otherwise expressly provided in this Agreement or the other Loan Documents.

(b) Borrower hereby grants to Lender a first priority security interest in the Mezzanine Collection Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Mezzanine Collection Account, including, without limitation, executing and filing UCC 1 Financing Statements and continuations thereof upon Lender’s request therefor. All costs and expenses for establishing and maintaining the Mezzanine Collection Account (and any sub account thereof) shall be at Borrower’s sole cost and expense.

(c) Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Mezzanine Collection Account and any sub-account thereof. The Mezzanine Collection Account and any sub-account thereof shall be assigned the federal tax identification numbers of each Borrower set forth on Schedule I attached hereto. Borrower shall provide Lender, at any time upon request of Lender, with a Form W-8 or W-9 to evidence that Borrower is not subject to any back-up withholding under the Code.

(d) Upon the occurrence and during the continuance of an Event of Default, all funds on deposit in the Mezzanine Collection Account shall be applied by Lender in such order and priority as Lender shall determine.

(e) The insufficiency of funds on deposit in the Mezzanine Collection Account shall not relieve Borrower from the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

**Section 2.7. Intentionally Omitted.**

**Section 2.8. Permitted Mezzanine Loan.** Borrower shall have the one-time right, upon thirty (30) days prior written notice to Lender (the “**Permitted Mezzanine Loan Election**”), to obtain a loan (“**Permitted Mezzanine Loan**”) secured by a pledge of the ownership interests in the indirect owners of Borrower (above the level of the Ninth Mezzanine Borrower) provided that the following conditions precedent are satisfied:

(a) no Default or Event of Default shall have occurred and remains uncured;

(b) as of the date the Permitted Mezzanine Loan is advanced, the Permitted Mezzanine Debt Loan-to-Value Ratio for the Properties subject to the Lien of the Mortgage is equal to or less than eighty percent (80%);

(c) as of the date the Permitted Mezzanine Loan is advanced, Permitted Mezzanine DSCR for the four-quarter period preceding such date for the Properties then subject to the Lien of the Mortgage(s) is equal to or greater than 1.2 to 1.0;

(d) the Permitted Mezzanine Loan shall be evidenced by one (1) Loan, that may be advanced in multiple draws provided that Borrower complies with the requirements set forth in this Section 2.8 with respect to each draw;

(e) the Permitted Mezzanine Loan shall be issued by one (1) lender (the “**Permitted Mezzanine Loan Lender**”) which shall be an Institutional Lender; provided, however, that such single Lender that is an Institutional Lender may grant participations in such Permitted Mezzanine Loan or syndicate the Permitted Mezzanine Loan to multiple lenders so long as at least fifty-one percent (51%) of such participants and syndicate lenders are Institutional Lenders and, in addition, so long a single lender serves as agent with respect to all approvals, consents and other matters relating to the Permitted Mezzanine Loan;

(f) the Permitted Mezzanine Loan shall have the same maturity date as the Maturity Date under the Loan, or a maturity date extending beyond the Maturity Date under the Loan;

(g) the Permitted Mezzanine Loan (including all of the terms, provisions and conditions of the Permitted Mezzanine Loan, including, without limitation, the loan documents evidencing and securing the Permitted Mezzanine Loan (“**Permitted Mezzanine Loan Documents**”)) shall be acceptable to Lender in its reasonable discretion (it being agreed that with respect (only) to Lender’s approval of the form of loan documents that loan documents in substantially the same form as the Ninth Mezzanine Loan Documents, appropriately modified to reflect subordination to the Mezzanine Loans still outstanding, shall be deemed to be acceptable);

(h) the Permitted Mezzanine Loan Lender shall enter into a co-lender or intercreditor agreement substantially on the standard CMSA form (or the form entered into by Lender, Other Mezzanine Lenders and Mortgage Lender in connection with the closing of the Loan) or in form and substance reasonably acceptable to Lender, acknowledging the

subordination of the Permitted Mezzanine Loan in all respects to each of the Mezzanine Loans and the Mortgage Loan (and Lender agrees to enter into such co-lender or intercreditor agreement upon request);

(i) the Permitted Mezzanine Loan shall be a fixed rate loan, or a floating rate loan containing an interest rate that is capped at an amount that satisfies the debt service coverage ratio requirement set forth in subparagraph (c) above, with interest due and payable monthly (i.e., interest does not accrue) and such interest rate shall not be subject to adjustment except after an event of default (Borrower agreeing to cause the purchase of an interest rate cap to reflect the foregoing);

(j) if requested by Lender, Borrower shall execute amendments to the Loan Documents reasonably requested by Lender, to reflect the existence of such Permitted Mezzanine Loan, provided that any such amendments or agreements will not alter the payment terms of the Loan set forth in this Agreement or the other Loan Documents or materially and adversely affect Borrower or impose additional material obligations or liabilities upon Borrower;

(k) if required by Lender, Borrower shall deliver (i) Additional Insolvency Opinions and, if the Loan Documents are amended pursuant to Section 2.8(k), opinions regarding due execution and enforceability with respect to the Properties, Mortgage Borrower, Mezzanine Borrowers, Holdings, Guarantor and their respective Affiliates and the Loan Documents, and such related matters as Lender shall reasonably require, and (ii) revised organizational documents for Borrower, which opinions and organizational documents shall be reasonably satisfactory to Lender;

(l) all necessary or appropriate governmental or other third party consents (including any approvals, notices, filings or other actions under or pursuant to the Gaming Laws or other Legal Requirements) required to be obtained or taken by Borrower, any Mezzanine Borrower or the Permitted Mezzanine Borrower for the execution, delivery and performance by the Permitted Mezzanine Borrower of the Permitted Mezzanine Loan shall have been obtained or taken; and

(m) all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and expenses) incurred by Lender in connection with this Section 2.8 shall be paid by Borrower (but no approval or consent fees shall be payable in connection therewith).

### **III. CONDITIONS PRECEDENT**

**Section 3.1. Conditions Precedent to Closing.** The obligation of Lender to make the Loan hereunder is subject to the fulfillment by Borrower or waiver by Lender of the following conditions precedent no later than the Closing Date:

Lender shall have also received from Borrower fully executed counterparts of the other Loan Documents.

(b) **Title Insurance.** Lender shall have received a UCC Title Insurance Policy (the "**UCC Title Insurance Policy**") issued by a title company acceptable to Lender and dated as of the Closing Date, with reinsurance and direct access agreements acceptable to Lender. Such UCC Title Insurance Policy shall (i) provide coverage in amounts reasonably satisfactory to Lender, (ii) insure Lender that the Pledge Agreement and the documents executed and delivered in connection therewith create a valid lien on the Collateral of the requisite priority, free and clear of all exceptions from coverage other than Permitted Encumbrances and standard exceptions and exclusions from coverage (as modified by the terms of any endorsements), (iii) contain such endorsements and affirmative coverages as Lender may reasonably request, and (iv) name Lender as the insured. The UCC Title Insurance Policy shall be assignable. Lender also shall have received evidence that all premiums in respect of such UCC Title Insurance Policy have been paid. **3.1.13 Material Adverse Change.** There shall have been no material adverse change in the financial condition or business condition of Borrower, any Loan Party, the Collateral or the Properties since the date of the most recent financial statements delivered to Lender. #### **IV. REPRESENTATIONS AND WARRANTIES**

**Section 4.1. Borrower Representations.** Borrower represents and warrants as of the date hereof and as of the Closing Date, except as disclosed in Schedule XXIII, that:

**4.1.1 Organization.** (a) Borrower has been duly organized and is validly existing and in good standing with requisite power and authority to own the Individual Properties and to transact the businesses in which it is (or each of them is) now engaged. Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations. Borrower possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to own its properties and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The sole business of Borrower is the ownership of the Mortgage Borrower. The ownership interests of Borrower are as set forth on the organizational chart attached hereto as Schedule VIII.

(b) Each Operating Company has been duly organized and is validly existing and in good standing with requisite power and authority to own its properties or assets, including the Gaming Equipment, and to transact the businesses in which it is now engaged. Each Operating Company is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations, including the operation of the Casino Components at each Individual Property. Each Operating Company possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to operate the Properties currently operated by each such Operating Company and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The sole business of each Operating Company is the management and operation of the Individual Property or Properties currently operated by each such Operating Company. The ownership interests of each Operating Company are as set forth on the organizational chart attached hereto as Schedule VIII.

(c) Borrower has the power and authority and the requisite ownership interests in Mortgage Borrower to control the actions of Mortgage Borrower, and upon the realization of the Collateral under the Pledge Agreement, Lender or any other party succeeding to the Borrower's interest in the Collateral described in the Pledge Agreement would have such control. Without limiting the foregoing, Borrower has sufficient control over Mortgage Borrower to cause Mortgage Borrower to (i) take any action on Mortgage Borrower's part required by the Loan Documents and (ii) refrain from taking any action prohibited by the Loan Documents.

**4.1.2 Proceedings.** Borrower and Operating Company have taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents. This Agreement and such other Loan Documents have been duly executed and delivered by or on behalf of Borrower and Operating Company, and constitute legal, valid and binding obligations of Borrower and Operating Company enforceable against Borrower and Operating Company (as applicable) in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

**4.1.3 No Conflicts; Approvals.** (a) The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower and Operating Company will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower or Operating Company pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement, material lease or other material agreement or instrument to which Borrower or Operating Company (as applicable) is a party or by which any of Borrower's or Operating Company's property or assets is or are subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or Operating Company any of Borrower's or Operating Company's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any such Governmental Authority required for the execution, delivery and performance by Borrower and Operating Company of this Agreement or any other Loan Documents (and the execution by Lender of the remedies provided in the Loan Documents, subject to the limitations thereon pursuant to applicable Gaming Laws) has been obtained and is in full force and effect.

(b) Borrower, Mortgage Borrower and Operating Company have obtained all consents and approvals, including all approvals of Governmental Authorities including Gaming Authorities, if required, in connection with the execution, delivery and performance of the Loan Documents (including by Mortgage Lender and each Mezzanine Lender), the Operating Lease, the Operating Lease Guaranty and the operation of the business currently conducted at any of the Properties, and shall promptly execute any and all such instruments and documents, deliver any certificates and do all such other acts or things required by the Gaming Authorities to maintain or keep current such approvals.

**4.1.4 Litigation.** There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending or, to Borrower's knowledge, threatened against or affecting any Loan Party, any Affiliates of Borrower, including Holdings, Operating Company or any Individual Property, or any prior owner or other holder of any interest in any Individual Property, which actions, suits or proceedings, if determined against any Loan Party, Holdings, Operating Company, any other Affiliate or any Individual Property, (taking into account the reasonably estimated damages payable in connection therewith), is reasonably likely to materially adversely affect the condition (financial or otherwise) or business of any Loan Party, any Affiliate of Borrower that is a direct or indirect owner of Mortgage Borrower, including Holdings and Operating Company, or the condition or ownership of any Individual Property, or any of the material rights, interests and remedies of Lender under the Loan Documents (taken as a whole). None of the actions described on Schedule XXIV, if determined adversely to Borrower, Mortgage Borrower, Operating Company and/or any of their respective Affiliates, as applicable, would result in the payment by Borrower, Operating Company or such Affiliate of an amount in excess of Ten Million and no/100 Dollars (\$10,000,000.00), except to the extent covered by insurance.

**4.1.5 Agreements.** None of Borrower, Mortgage Borrower or Operating Company is in default, in any material respect, in the performance, observance or fulfillment of

any of the obligations, covenants or conditions contained in any material agreement or instrument to which it is a party or by which Borrower, Mortgage Borrower, Operating Company, the Collateral or any of the Properties are bound. None of Borrower, Mortgage Borrower or Operating Company has any material financial obligation under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower, Mortgage Borrower or Operating Company is a party or by which Borrower, Mortgage Borrower, Operating Company, the Collateral or the Properties is otherwise bound, other than (a) with respect to Mortgage Borrower, obligations incurred in the ordinary course of the operation of the Properties as permitted pursuant to clause (t) of the definition of "Special Purpose Entity" set forth in Section 1.1 of the Mortgage Loan Agreement, (b) with respect to Borrower, obligations under the Loan Documents and (c) with respect to Operating Company, the Operating Lease and Permitted Indebtedness (Operating Company).

**4.1.6 Title.** (a) The Borrower (as pledgor under the Pledge Agreement) is the record and beneficial owner of, and Borrower has good and marketable title to the Collateral, free and clear of all Liens whatsoever except the Liens created by the Loan Documents. The Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of any of the Properties (as currently used) or Borrower's ability to repay the Loan. The Pledge Agreement, together with the delivery of the certificates evidencing ownership of the Pledged Company Interests and the endorsement in blank, as being delivered concurrently herewith, will create a valid perfected, first priority lien on, and security interest in and to, the Collateral, all in accordance with the terms thereof. There are no claims for payment for work, labor or materials affecting any of the Properties which are or may become a Lien prior to, or of equal priority with, the Liens created by the Mortgage Loan Documents.

Each Operating Company has good, marketable title to the Gaming Equipment, free and clear of all Liens whatsoever (except equipment financing and leasing arrangements entered into by Operating Company in the ordinary course of its business (subject to the limitations set forth in the definition of "Permitted Indebtedness (Operating Company)").

**4.1.7 Solvency.** Borrower has (a) not entered into the transaction or executed the Note, this Agreement or any other Loan Documents with the actual intent to hinder, delay or defraud any creditor and (b) received reasonably equivalent value in exchange for its obligations under such Loan Documents. The fair saleable value of Borrower's assets exceeds and will, immediately following the making of the Loan, exceed Borrower's total liabilities, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. The fair saleable value of Borrower's assets is and will, immediately following the making of the Loan, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). No petition in bankruptcy has been filed against Borrower, Operating Company, any Loan Party or any constituent Person, and none of

Borrower, Operating Company, any Loan Party or any constituent Person has ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for the benefit of debtors. None of Borrower, Operating Company, any Loan Party or any of their respective constituent Persons are contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency laws or the liquidation of all or a major portion of Borrower's, Operating Company's or any Loan Party's assets or properties, and Borrower has no knowledge of any Person contemplating the filing of any such petition against it, Operating Company, any Loan Party or such constituent Persons.

**4.1.8 Full and Accurate Disclosure.** No statement of fact made by Borrower in this Agreement or in any of the other Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained herein or therein not misleading. There is no material fact presently known to Borrower which has not been disclosed to Lender which has, nor as far as Borrower can foresee, might reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect.

**4.1.9 No Plan Assets.** Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101. In addition, (a) Borrower is not a "governmental plan" within the meaning of Section 3(32) of ERISA and (b) transactions by or with Borrower are not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans similar to the provisions of Section 406 of ERISA or Section 4975 of the Code currently in effect, which prohibit or otherwise restrict the transactions contemplated by this Loan Agreement.

**4.1.10 Compliance.** Except as disclosed in the zoning reports obtained by Lender in connection with the origination of the Loan, Borrower, Mortgage Borrower, Operating Company and each Individual Property (including the use thereof) comply in all material respects with all applicable Legal Requirements, including, without limitation, building and zoning ordinances and codes and Prescribed Laws. Borrower, Mortgage Borrower and Operating Company are not in default or violation of (i) any material order, writ, injunction, decree or demand of any Gaming Authority or (ii) any material order, writ, injunction, decree or demand of any other Governmental Authority. There has not been committed by Borrower, Mortgage Borrower, Operating Company or any other Person in occupancy of or involved with the operation or use of the Properties any act or omission affording the federal government or any other Governmental Authority the right of forfeiture as against any Individual Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents.

**4.1.11 Financial Information.** All financial data, including, without limitation, the statements of cash flow and income and operating expense, that have been delivered to Lender in connection with the Loan, the Collateral, the Properties and each Loan Party (i) are true, complete and correct in all material respects, (ii) accurately represent in all material respects the financial condition of the Properties as of the date of such reports, and (iii) to the extent

prepared or audited by an independent certified public accounting firm, have been prepared in accordance with GAAP throughout the periods covered, except as disclosed therein. Except for Permitted Encumbrances, Borrower does not have any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and reasonably likely to have a materially adverse effect on the Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. Borrower has no Indebtedness other than the Loan. Except for Permitted Indebtedness (Operating Company), Operating Company does not have any Indebtedness or contingent liabilities, or due and unpaid liabilities for taxes, that are known to Borrower, Mortgage Borrower or Operating Company and reasonably likely to have a materially adverse effect on the Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. Since the date of such financial statements, there has been no material adverse change in the financial condition, operation or business of Borrower or Operating Company from that set forth in said financial statements.

**4.1.12 Condemnation.** No Condemnation or other similar proceeding has been commenced or, to Borrower's best knowledge, is threatened or contemplated with respect to all or any portion of any Individual Property or for the relocation of roadways providing access to any Individual Property.

**4.1.13 Federal Reserve Regulations.** No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose which would be inconsistent with such Regulation U or any other Regulations of such Board of Governors, or for any purposes prohibited by Legal Requirements or by the terms and conditions of this Agreement or the other Loan Documents.

**4.1.14 Utilities and Public Access.** Each Individual Property has rights of access to public ways and is served by water, sewer, sanitary sewer and storm drain facilities adequate to service such Individual Property for its respective intended uses. All public utilities necessary or convenient to the full use and enjoyment of each Individual Property are located either in the public right-of-way abutting such Individual Property (which are connected so as to serve such Individual Property without passing over other property) or in recorded easements serving such Individual Property and such easements are set forth in and insured by the Title Insurance Policies. All roads necessary for the use of each Individual Property for their current respective purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

**4.1.15 Not a Foreign Person.** Borrower is not a "foreign person" within the meaning of §1445(f)(3) of the Code.

**4.1.16 Separate Lots.** Each Individual Property is comprised of one (1) or more parcels which constitute a separate tax lot or lots and does not constitute a portion of any other tax lot not a part of such Individual Property.

**4.1.17 Assessments.** There are no pending or, to Borrower's knowledge, proposed special or other assessments for public improvements or otherwise affecting any Individual Property, nor are there any contemplated improvements to any Individual Property that may result in such special or other assessments.

**4.1.18 Enforceability.** The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower, any Affiliates of Borrower including Holdings, Operating Company or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors' rights and the enforcement of debtors' obligations), and Borrower, any Affiliates of Borrower including Holdings, Operating Company and Guarantor have not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

**4.1.19 No Prior Assignment.** There are no prior assignments of the Leases (including the Operating Leases) or of the Rents (or any Revenue) due and payable or to become due and payable which are presently outstanding. There are no prior assignments of the Collateral which are presently outstanding except in accordance with the Loan Documents.

**4.1.20 Insurance.** Borrower (or Mortgage Borrower or Operating Company) has obtained and has delivered to Lender certified copies of all Policies reflecting the insurance coverages, amounts and other requirements set forth in this Agreement. No material claims have been made under any such Policies except such as have been disclosed to Lender, and no Person, including Borrower, Mortgage Borrower and Operating Company, has done, by act or omission, anything which would impair the coverage of any such Policies.

**4.1.21 Use of Properties.** Each Individual Property is used exclusively as a mixed-use hotel and casino operation, and other appurtenant and related uses.

**4.1.22 Gaming Licenses and Operating Permits.**

(a) Schedule IX contains a correct and complete list of all Gaming Licenses and other material licenses, certification and permits for each of the Properties (and the holder thereof).

(b) Borrower possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents which are material to the ownership of the Collateral. Mortgage Borrower possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents, including, without limitation, all certificates of occupancy, which are material to the ownership and use of each of the Properties, and Operating Company possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents, including, without limitation, all environmental, liquor, Gaming Licenses, health and safety licenses of all Governmental Authorities which are material to the conduct of their business and the use, occupation and operation of each of the Properties and the failure to possess which would have an Individual Material Adverse Effect (collectively, "**Operating Permits**"); each such Operating Permit is and will be in full force and effect (unless, in the case of any Operating Permit, such

Operating Permit is no longer necessary or advisable for the conduct of Borrower's, Mortgage Borrower's or Operating Company's business); Borrower, Mortgage Borrower, Operating Company and each of its Affiliates are in compliance in all material respects with all such Operating Permits, and no event (including, without limitation, any material violation of any law, rule or regulation) has occurred which would be reasonably likely to lead to the revocation or termination of any such Operating Permit or the imposition of any material restriction thereon.

(ii) Borrower has no reason to believe Mortgage Borrower and Operating Company will not be able to maintain in effect all Gaming Licenses necessary for the lawful conduct of their respective businesses or operations wherever now conducted and as planned to be conducted, including the ownership and operation of the Casino Components, pursuant to all applicable Legal Requirements;

(iii) All Gaming Licenses are in full force and effect and have not been amended or otherwise modified, rescinded, revoked or assigned in any manner that would reasonably be expected to have an Individual Material Adverse Effect;

(iv) Neither Mortgage Borrower nor Operating Company is in default in any material respect under, or in violation in any material respect of, any Gaming License (and no event has occurred, and no condition exists, which, with the giving of notice or passage of time or both, would constitute a default thereunder or violation thereof that has caused or would reasonably be expected to cause the loss of any Gaming License) (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Borrower's or Operating Company's business);

(v) Neither Mortgage Borrower nor Operating Company has received any notice of any violation of Legal Requirements which has caused or would reasonably be expected to cause any Gaming License to be suspended, forfeited, modified in any manner that would have an Individual Material Adverse Effect, not renewed, rescinded or revoked (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Mortgage Borrower's or Operating Company's business);

(vi) No condition exists or event has occurred which would reasonably be expected to result in the suspension, revocation, impairment, forfeiture, rescission or non-renewal of any Gaming License (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Mortgage Borrower's or Operating Company's business); and

(vii) The continuation, validity and effectiveness of all Gaming Licenses will not be adversely affected by the transactions contemplated by this Agreement.

(d) There is no proceeding, investigation, or disciplinary action (including, without limitation, before any Gaming Authority, under any Gaming Law or under any Gaming License or other Operating Permit) pending or, to Borrower's knowledge, threatened against any of Borrower, Mortgage Borrower, Operating Company or, to Borrower's knowledge, any of their respective directors, members, managers, officers, key personnel or Persons holding a five percent (5%) or greater direct or indirect equity or economic interest in Mortgage Borrower or Operating Company and that could reasonably be expected to have an Individual Material Adverse Effect.

Borrower shall, and shall cause Mortgage Borrower to, at all times maintain, preserve and protect all franchises and trade names and preserve all the remainder of its property used or useful in the conduct of its business and shall keep the Properties in good working order and repair. Borrower shall cause Mortgage Borrower to keep the Properties insured at all times as (and in the amounts) provided elsewhere in this Agreement. Borrower shall cause Mortgage Borrower to operate any Individual Property that is the subject of the O&M Agreement in accordance with the terms and provisions thereof in all material respects. After prior notice to Lender, Borrower, at its own expense, may contest (or cause Mortgage Borrower to contest) by appropriate legal proceeding promptly initiated and conducted in good faith and with due diligence, the validity of any Legal Requirement, the applicability of any Legal Requirement to Borrower, Mortgage Borrower, the Collateral or any Individual Property or any alleged violation of any Legal Requirement, provided that (i) no Event of Default has occurred and remains uncured; (ii) such proceeding shall be permitted under and be conducted in accordance with the provisions of any applicable material instrument to which Borrower or Mortgage Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all Legal Requirements; (iii) neither the Collateral nor any Individual Property nor any material part thereof or interest therein will be in imminent danger of being sold, forfeited, terminated, cancelled or lost; (iv) Borrower shall promptly upon receipt of a final, non-appealable determination thereof comply with any such Legal Requirement determined to be valid or applicable or cure any violation of any such Legal Requirement; (v) such proceeding shall suspend the enforcement of the contested Legal Requirement against Borrower, Mortgage Borrower, the Collateral and any Individual Property; and (vi) Borrower shall furnish such security as may be required in the proceeding, or as may be reasonably requested by Lender, to insure compliance with such Legal Requirement, together with all interest and penalties payable in connection therewith. Lender may apply any such security, as necessary to cause compliance with such Legal Requirement at any time when, in the reasonable judgment of Lender, the validity, applicability or violation of such Legal Requirement is finally established or the Collateral or any Individual Property (or any part thereof or interest therein) shall be in imminent danger of being sold, forfeited, terminated, cancelled or lost.

**5.1.2 Taxes and Other Charges.** Borrower shall pay or shall cause Mortgage Borrower to pay or cause to be paid all Taxes and Other Charges now or hereafter levied or assessed or imposed against the Properties or any part thereof as the same become due and payable; provided, however, Borrower's obligation to cause Mortgage Borrower to directly pay or cause to be paid Taxes shall be suspended for so long as Borrower complies with the terms and provisions of Section 7.2 hereof. Borrower will deliver or cause to be delivered to Lender receipts for payment or other evidence satisfactory to Lender that the Taxes and Other Charges have been so paid or are not then delinquent no later than the date on which the Taxes and/or Other Charges would otherwise be delinquent if not paid. Borrower shall furnish or cause to be furnished to Lender receipts for the payment of the Taxes and the Other Charges prior to the date the same shall become delinquent provided, however, Borrower is not required to furnish such receipts for payment of Taxes in the event that such Taxes have been paid by Lender pursuant to Section 7.2 hereof. Borrower shall not suffer (and shall not permit Mortgage Borrower to suffer)

and shall promptly pay or cause to be paid and discharged (or cause Mortgage Borrower to pay or cause to be paid and discharged) any Lien or charge whatsoever which may be or become a Lien or charge against the Properties other than Permitted Encumbrances, and shall promptly pay or cause to be paid for all utility services provided to the Properties. After prior notice to Lender, Borrower, at its own expense, may contest (or cause Mortgage Borrower to contest) by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any Taxes or Other Charges, provided that (a) no Default or Event of Default has occurred and remains uncured; (b) such proceeding shall be permitted under and be conducted in accordance with the provisions of any applicable material other instrument to which Borrower or Mortgage Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all Legal Requirements; (c) none of the Collateral, any Individual Property or any part of either or interest in either will be in imminent danger of being sold, forfeited, terminated, cancelled or lost; (d) Borrower shall promptly upon receipt of a final, non-appealable determination thereof pay (or cause Mortgage Borrower to pay) the amount of any such Taxes or Other Charges, together with all costs, interest and penalties which may be payable in connection therewith; (e) such proceeding shall suspend the collection of such contested Taxes or Other Charges from the applicable Individual Property; and (f) Borrower shall furnish or cause Mortgage Borrower to furnish such security as may be required in the proceeding, or as may be reasonably requested by Lender, to insure the payment of any such Taxes or Other Charges, together with all interest and penalties thereon. Lender may pay over any such cash deposit or part thereof held by Lender to the claimant entitled thereto at any time when, in the judgment of Lender, the entitlement of such claimant is established or any Individual Property (or part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, cancelled or lost or there shall be any danger of the Lien of any Mortgage being primed by any related Lien.

**5.1.3 Litigation.** Borrower shall give prompt notice to Lender of any litigation or governmental proceedings pending or, to Borrower's knowledge, threatened against Borrower, Mortgage Borrower, the Collateral, Operating Company, Holdings or Guarantor which, in any such case, might materially adversely affect Borrower's, Mortgage Borrower's, the Collateral's, Operating Company's, Holdings's or Guarantor's condition (financial or otherwise) or business or any Individual Property. Borrower shall not, without the prior written consent of Lender (which may be furnished or withheld at its sole and absolute discretion), give its consent or approval to the settlement of any claim against Borrower, other than a fully insured third party claim, in any amount greater than One Hundred Thousand and no/100 Dollars (\$100,000.00).

**5.1.4 Access to Properties.** Borrower shall cause Mortgage Borrower to permit agents, representatives and employees of Lender and any Noteholder, and prospective purchasers of any Note or any interest therein, to inspect the Properties or any part thereof at reasonable hours upon reasonable advance notice, and Borrower shall cause Operating Company to permit such access by Lender, in each case subject to the rights of tenants under Leases and Hotel guests.

**5.1.5 Notice of Default.** Borrower shall promptly advise Lender of any material Default or Event of Default of which Borrower has knowledge, including any Mortgage Loan Default or Mortgage Loan Event of Default.

**5.1.6 Cooperate in Legal Proceedings.** Borrower shall cooperate fully with Lender with respect to any proceedings before any court, board or other Governmental Authority which may in any way affect the rights of Lender hereunder or any rights obtained by Lender under any of the other Loan Documents and, in connection therewith, permit Lender, at its election, to participate in any such proceedings.

**5.1.7 Perform Loan Documents.** Borrower shall observe, perform and satisfy all the terms, provisions, covenants and conditions of, and shall pay when due all costs, fees and expenses to the extent required under the Loan Documents executed and delivered by, or applicable to, Borrower.

**5.1.8 Award and Insurance Benefits.** Borrower shall cooperate with Lender in obtaining for Lender the benefits of any Awards or Insurance Proceeds lawfully or equitably payable in connection with any Individual Property, and Lender shall be reimbursed for any actual, reasonable out-of-pocket expenses incurred in connection therewith (including actual, reasonable out-of-pocket attorneys' fees and disbursements, and, if reasonably required, the payment by Borrower of the expense of an appraisal on behalf of Lender in case of Casualty or Condemnation affecting any Individual Property or any part thereof) out of such Insurance Proceeds.

**5.1.9 Further Assurances.** Borrower shall and shall cause Mortgage Borrower, Guarantor and Operating Company to, at Borrower's sole cost and expense:

(a) furnish to Lender all instruments, documents, boundary surveys, footing or foundation surveys, certificates, plans and specifications, appraisals, title and other insurance reports and agreements, and each and every other document, certificate, agreement and instrument, in each case in such party's possession, not subject to confidentiality restrictions barring the delivery of such materials, and which are either required to be furnished by Borrower or Operating Company pursuant to the terms of the Loan Documents or which are reasonably requested by Lender in connection therewith;

(b) execute and deliver to Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the collateral at any time securing or intended to secure the obligations of Borrower under the Loan Documents, as Lender may reasonably require; and

(c) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of this Agreement and the other Loan Documents, as Lender shall reasonably require from time to time.

**5.1.10 Mortgage Taxes.** Borrower represents that it has caused Mortgage Borrower to pay all state, county and municipal recording and all other taxes imposed upon the execution and recordation of the Mortgage.

**5.1.11 Financial Reporting.** (a) Borrower will keep or will cause to be kept and maintained on a Fiscal Year basis, in accordance with GAAP (or such other accounting basis

acceptable to Lender), books, records and accounts reflecting all of the financial affairs of Borrower and all items of income and expense in connection with the operation on an individual basis of the Properties. Lender (at Lender's sole cost and expense) shall have the right from time to time at all times during normal business hours upon reasonable notice to examine the books, records and accounts of Borrower and Mortgage Borrower at the office of Borrower or any other Person maintaining such books, records and accounts and to make such copies or extracts thereof as Lender shall desire. After the occurrence and during the continuance of an Event of Default, Borrower shall pay any costs and expenses incurred by Lender to examine Borrower's, Mortgage Borrower's or to the extent permitted under the Operating Lease, Operating Company's accounting records with respect to the Properties, as Lender shall determine to be necessary or appropriate in the protection of Lender's interest.

(b) Borrower will furnish or cause to be furnished to Lender annually, by no later than April 30, 2009, and thereafter within no more than one hundred twenty (120) days following the end of each Fiscal Year of Borrower, a complete copy of the annual financial statements of the Operating Company, Mortgage Borrower and Borrower (and of no other entity or Person), audited by a "Big Four" accounting firm or other independent certified public accountant acceptable to Lender in accordance with GAAP (or such other accounting basis acceptable to Lender) covering the Properties on a combined basis for such Fiscal Year (and no other Persons, Properties or assets) and containing statements of profit and loss for the Operating Companies, Borrower, Mortgage Borrower and the Properties (on a combined basis) and a balance sheet for the Operating Company, Borrower, Mortgage Borrower and the Properties (on a combined basis), in each case showing no other assets than the Properties (and the interests of Operating Company, Borrower and Mortgage Borrower therein). In addition, Borrower will furnish or cause to be furnished to Lender by no later than April 30, 2008 (i) a "balance sheet only audit" prepared by a "Big Four" accounting firm or other independent certified public accountant acceptable to Lender (for the Fiscal Year ending December 31, 2007) and (ii) a complete copy of annual financial statements for the Operating Company, Mortgage Borrower and Borrower prepared in accordance with GAAP (or such other accounting basis acceptable to Lender), covering the Operating Companies, Mortgage Borrower, Borrower and the Properties on a combined basis for such Fiscal Year (ending December 31, 2007) and containing statements of profit and loss for the Operating Companies, Mortgage Borrower, Borrower and the Properties (in each case, on a combined basis), and a balance sheet for the Operating Companies, Mortgage Borrower, Borrower and the Properties (in each case, on a combined basis). All such statements (including statements for the Fiscal Year ending December 31, 2007, and thereafter for all statements provided yearly to Lender) shall set forth the financial condition and the results of operations for the Properties for such Fiscal Year, and shall include, but not be limited to, amounts representing Borrower's reasonable and good faith determination of aggregate annual EBITDAR from all of the Properties and capital expenditures (allocated between maintenance and growth) at the Properties (it being acknowledged that Borrower's statement of EBITDAR pursuant to the above provisions of this sentence and the balance of this Section 5.1.11 shall not be binding on Lender and shall be subject to Lender's reasonable review). All such statements (including statements for the Fiscal Year ending December 31, 2007, and thereafter for all statements provided yearly to Lender) shall also set forth unaudited schedules for each Individual Property, detailing the statements of profit and loss and a balance sheet for each Individual Property, as well as gross revenues, gross hotel and casino revenues, EBITDAR and capital

expenditures (allocated between maintenance and growth). The annual financial statements, as described above, shall be accompanied by (1) a comparison of the budgeted income and expenses and the actual income and expenses for the prior Fiscal Year, (2) in the case of any financial statements for Fiscal Year 2008 and thereafter, an unqualified opinion of a "Big Four" accounting firm or other independent certified public accountant reasonably acceptable to Lender, (3) room rate reports and RevPAR calculations, and (4) an Officer's Certificate certifying (A) that each annual financial statement presents fairly the financial condition and the results of operations of the Operating Companies, Mortgage Borrower, Borrower and the Properties being reported upon, (B) that such financial statements have been prepared in accordance with GAAP (or such other accounting basis acceptable to Lender) and (C) as of the date thereof whether there exists an event or circumstance which constitutes a Default or Event of Default, and if such Default or Event of Default exists, the nature thereof, the period of time it has existed and the action then being taken to remedy the same. Any audits performed by Borrower (and any audited materials and other information provided to Lender, as required hereunder in order for Borrower to comply with the requirements of this subparagraph (b)) may be performed with respect to the Properties on a "combining basis" (so that a single audit of the Properties, rather than individual audits of each of the separate Properties, may be performed and provided).

(c) Borrower will furnish, or cause to be furnished, to Lender on or before sixty (60) days after the end of each fiscal quarter the following items, accompanied by an Officer's Certificate stating that such items fairly present the financial condition and results of the Operating Company, Mortgage Borrower, Borrower and the Properties, subject to normal year-end adjustments, as applicable: (i) quarterly and year-to-date operating statements (including Capital Expenditures) noting such information as is necessary and sufficient to fairly represent the financial position and results of operation of the Properties during such quarter, and containing a comparison of budgeted income and expenses and the actual income and expenses together with a detailed explanation of any variances of ten percent (10%) or more between budgeted and actual amounts for such periods, all in form reasonably satisfactory to Lender; and (ii) a calculation reflecting the Debt Service Coverage Ratio, gross revenues, gross hotel and casino revenues, EBITDAR and capital expenditures (allocated between maintenance and growth), in each case for the immediately preceding twelve (12) month period as of the last day of such quarter (it being acknowledged that Borrower's statement of EBITDAR pursuant to the above provisions of this sentence and the balance of this [Section 5.1.11](#) shall not be binding on Lender and shall be subject to Lender's reasonable review). Borrower shall provide the statements and calculations required hereunder on both a "combined basis" for all Properties and on an Individual Property-by-Individual Property basis. In addition, such Officer's Certificate shall also state that the representations and warranties of Borrower set forth in [Section 4.1.30](#) are true and correct as of the date of such certificate and that there are no trade payables outstanding for more than ninety (90) days. In addition, prior to a Securitization or Syndication, Borrower shall be obligated to provide the statements and calculations, as well as the Officer's Certificate, described in this subparagraph (c) to Lender on a monthly basis (such requirements to be modified as appropriate to reflect the fact that the information shall be required to be provided monthly (e.g., monthly rent rolls, monthly and year-to-date operating statements, a calculation reflecting the Debt Service Coverage Ratio for the immediately preceding twelve (12) month

period as of the last day of such month), in each case within no more than thirty (30) days following the end of each calendar month.

(d) For the partial year period commencing on the date hereof, and for each Fiscal Year thereafter, Borrower shall submit to Lender for informational purposes only an Annual Budget not later than the commencement of such period or Fiscal Year in form reasonably satisfactory to Lender.

(e) Intentionally Omitted.

(f) If, at the time one or more Disclosure Documents are being prepared for a public Securitization, Lender expects that Borrower alone or Borrower and one or more Affiliates of Borrower collectively, or the Properties and Related Properties collectively, will be a “**Significant Obligor**”, as that term is defined in Item 1101(k) of Regulation AB (as defined below), Borrower shall furnish to Lender upon request (i) the selected financial data or, if applicable, net operating income, required under Item 1112(b)(1) of Regulation AB, if Lender expects that the principal amount of the Loan together with any other loans made to an Affiliate of Borrower or secured by a Related Property, that is included in a Securitization with the Loan (each, a “**Related Loan**”) as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed ten percent (10%) (but less than twenty percent (20%)) of the aggregate principal amount of all loans included or expected to be included, as applicable, in the Securitization or (ii) the financial statements required under Item 1112(b)(2) of Regulation AB, if Lender expects that the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed twenty percent (20%) of the aggregate principal amount of all loans included or expected to be included, as applicable, in the Securitization. Such financial data or financial statements shall be furnished to Lender (A) within ten (10) Business Days after written notice from Lender in connection with the preparation of Disclosure Documents for the Securitization, (B) not later than thirty (30) days after the end of each fiscal quarter of Borrower and (C) not later than sixty (60) days after the end of each fiscal year of Borrower; provided, however, that Borrower shall not be obligated to furnish financial data or financial statements pursuant to clauses (B) or (C) of this sentence with respect to any period for which a filing pursuant to the Exchange Act in connection with or relating to the Securitization (an “**Exchange Act Filing**”) is not required. If requested by Lender, in writing, Borrower shall use commercially reasonable efforts to furnish to Lender financial data and/or financial statements for any tenant of any of the Properties (other than a tenant that is a reporting company under the Exchange Act) if, in connection with a Securitization, Lender expects there to be, with respect to such tenant or group of affiliated tenants, a concentration within all of the loans included or expected to be included, as applicable, in the Securitization such that such tenant or group of affiliated tenants would constitute a Significant Obligor. “**Related Property**” shall mean a parcel of real property, together with improvements thereon and personal property related thereto, that is “related”, within the meaning of the definition of Significant Obligor, to any of the Properties. “**Regulation AB**” shall mean

(g) All financial data and financial statements provided by Borrower, Mortgage Borrower and Operating Company hereunder pursuant to Section 5.1.11(f) shall be prepared in accordance with GAAP, and all such financial statements shall meet the requirements of Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and any other applicable legal requirements. All financial statements referred to in clause (ii) of Section 5.1.11(f) shall be audited by independent accountants of Borrower reasonably acceptable to Lender in accordance with Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and all other applicable legal requirements, shall be accompanied by the manually executed report of the independent accountants thereon, which report shall meet the requirements of Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and all other applicable legal requirements, and shall be further accompanied by a manually executed written consent of the independent accountants, in form and substance reasonably acceptable to Lender, to the inclusion of such financial statements in any Disclosure Document and any Exchange Act Filing and to the use of the name of such independent accountants and the reference to such independent accountants as “experts” in any Disclosure Document and Exchange Act Filing, all of which shall be provided at the same time as the related financial statements are required to be provided, in each case if applicable (i.e., in the case of a public securitization). All financial data and financial statements (audited or unaudited) provided by Borrower under this Section 5.1.11(g) shall be accompanied by an Officer’s Certificate which shall state that such financial statements meet the requirements set forth in the first sentence of this Section 5.1.11(g) to the extent applicable.

(h) If requested by Lender, Borrower shall provide Lender, promptly upon request, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall reasonably determine to be required pursuant to Regulation AB, Regulation S-X, Regulation S-K or any amendment, modification or replacement thereto or other legal requirements in connection with any Disclosure Document or any Exchange Act Filing or as shall otherwise be reasonably requested by the Lender.

(i) In the event Lender reasonably determines, in connection with a Securitization, that the financial data and financial statements required in order to comply with Regulation AB, Regulation S-X, Regulation S-K or any amendment, modification or replacement thereto or other legal requirements are other than as provided herein, then notwithstanding the provisions of Sections 5.1.11(f) and (g), Lender may request, and Borrower shall promptly provide, such other financial statements as Lender determines to be necessary or appropriate for such compliance.

(j) Any reports, statements or other information required to be delivered under this Agreement shall be delivered (i) in paper form, and (ii) if requested by Lender and within the capabilities of Borrower’s data systems without change or modification thereto, in electronic form and prepared using a Microsoft Word for Windows or WordPerfect for Windows files (which files may be prepared using a spreadsheet program and saved as word processing files). Borrower agrees that Lender may disclose information regarding any of the Properties,

the Collateral, Mortgage Borrower, Borrower and Operating Company that is provided to Lender pursuant to this Section in connection with the Securitization to such parties reasonably requesting such information in connection with such Securitization.

**5.1.12 Business and Operations.** Borrower will, and will cause Mortgage Borrower and Operating Company to, continue to engage in the businesses presently conducted by it as and to the extent the same are necessary for the ownership, maintenance, management and operation of the Properties. Borrower shall reimburse Lender for any actual out-of-pocket losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Lender if an interest in any Individual Property, other than as permitted hereunder, is claimed by another Person. Borrower will warrant and defend (a) the title to the Collateral and every part thereof, subject only to Liens permitted hereunder and (b) the validity and priority of the Liens of the Pledge Agreement, in each case against the claims of all Persons whomsoever. Borrower shall reimburse Lender for any actual out-of-pocket losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Lender if an interest in any part of the Collateral, other than as permitted hereunder, is claimed by another Person.

**5.1.14 Costs of Enforcement.** In the event (a) that any Mortgage encumbering any Individual Property or the Lien of the Pledge Agreement is foreclosed in whole or in part or that any such Mortgage or Pledge Agreement is put into the hands of an attorney for collection, suit, action or foreclosure, (b) of the foreclosure of any mortgage prior to or subsequent to any Mortgage or any Lien prior to or subsequent to the Lien of the Pledge Agreement in which proceeding Mortgage Lender or Lender is made a party or exercises any or all of its rights or remedies under such Mortgage or the Pledge Agreement or any other Loan Documents as and when permitted thereby, or (c) of the bankruptcy, insolvency, rehabilitation or other similar proceeding in respect of Borrower, Mortgage Borrower or Operating Company or an assignment by Borrower, Mortgage Borrower or Operating Company for the benefit of its creditors, Borrower, its successors or assigns, shall be chargeable with and agrees to pay all reasonable out-of-pocket costs of collection and defense, including reasonable out-of-pocket attorneys' fees and costs, incurred by Lender, Mortgage Borrower or Borrower in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, together with all required service or use taxes.

duly acknowledged and certified, (i) with respect to the Loan, setting forth (A) the original principal amount of the Note, (B) the unpaid principal amount of the Loan, (C) the Interest Rate of the Loan, (D) the date installments of interest and/or principal were last paid, (E) any offsets or defenses to the payment of the Debt, if any, and (F) that the Note, this Agreement, the Pledge Agreement and the other Loan Documents are valid, legal and binding obligations and have not been modified or if modified, giving particulars of such modification, and (ii) with respect to the Mortgage Loan, setting forth (A) the original principal amount of the Mortgage Loan, (B) the unpaid principal amount of the Mortgage Loan, (C) the interest rate of the Mortgage Loan, (D) the date installments of interest and/or principal were last paid, (E) any offsets or defenses to the payment of the debt, if any, and (F) that the Mortgage Note, the Mortgage Loan Agreement, the Security Instruments and the other Mortgage Loan Documents are valid, legal and binding obligations and have not been modified or if modified, giving particulars of such modification.

(b) Borrower shall exercise reasonable best efforts to deliver to Lender upon request, tenant estoppel certificates from each space tenant leasing space at the Properties, and shall exercise reasonable best efforts to deliver an estoppel certificate from each ground lessor, each in form and substance reasonably satisfactory to Lender, provided that Borrower shall not be required to deliver such certificates more frequently than two (2) times in any calendar year.

(c) After request by Borrower, but not more than twice during the course of each year, Lender shall furnish Borrower with a statement setting forth (i) the original principal amount of the Loan, (ii) the unpaid principal amount of the Loan, (iii) the Interest Rate of the Loan, (iv) the date installments of interest and/or principal were last paid, and (v) that the Loan Documents have not been modified or if modified, giving particulars of such modification.

**5.1.16 Loan Proceeds.** Borrower shall use the proceeds of the Loan received by it on the Closing Date only for the purposes set forth in Section 2.1.4.

**5.1.17 Performance by Borrower.** Borrower shall in a timely manner observe, perform and fulfill each and every covenant, term and provision of each Loan Document executed and delivered by, or applicable to, Borrower, and shall not enter into or otherwise suffer or permit any amendment, waiver, supplement, termination or other modification of any Loan Document executed and delivered by, or applicable to, Borrower without the prior consent of Lender. Borrower shall cause Mortgage Borrower, in a timely manner, to observe, perform and fulfill each and every covenant, term and provision of each Mortgage Loan Document executed and delivered by, or applicable to, Mortgage Borrower, and shall not cause or permit Mortgage Borrower to enter into or otherwise suffer or permit any amendment, waiver, supplement, termination or other modification of any Mortgage Loan Document executed and delivered by, or applicable to, Mortgage Borrower without the prior written consent of Lender.

**5.1.18 Confirmation of Representations.** Borrower shall deliver, in connection with any Securitization, (a) one or more Officer's Certificates certifying as to the accuracy of all representations made by Borrower in the Loan Documents as of the date of the closing of such Securitization in all relevant jurisdictions, and (b) certificates of the relevant Governmental Authorities in all relevant jurisdictions indicating the good standing and qualification of Mortgage Borrower, Borrower and Holdings as of the date of the Securitization.

**5.1.19 No Joint Assessment.** Borrower shall not, and shall not permit Mortgage Borrower to, suffer, permit or initiate the joint assessment of any Individual Property (a) with any other real property constituting a tax lot separate from such Individual Property, and (b) which constitutes real property with any portion of such Individual Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to such real property portion of the Individual Property, except as required by Legal Requirements.

**5.1.20 Leasing Matters.** (a) Borrower shall not (and shall cause Mortgage Borrower and Guarantor (Operating Lease) not to), without the prior written consent of Lender (and, if a Securitization shall have occurred, Borrower shall have obtained and delivered to Lender a Rating Agency Confirmation) restate, materially modify, materially amend or materially supplement (or permit the restatement, material modification, amendment or supplement of) any Operating Lease or Operating Lease Guaranty (provided, that any modification, amendment or supplement affecting any of the economic terms of any Operating Lease or any of the terms of the Operating Lease Guaranty shall be deemed to be material for purposes hereof), terminate or accept the surrender (or permit the termination or surrender) of any Operating Lease or Operating Lease Guaranty, or release or materially waive (or permit the release or material waiver of) the Operating Company or Guarantor (Operating Lease) from the performance or observance of any obligation or condition under the Operating Leases or Operating Lease Guaranty. In connection with a material modification, Lender may request, and in such event, Borrower shall not effect such modification without, an Additional True Lease Opinion in form and substance reasonably satisfactory to Lender issued by Borrower's counsel (at Borrower's expense). Borrower shall not permit (or cause or permit Mortgage Borrower to permit) the prepayment of any rents under the Operating Leases for more than one (1) month prior to the due date thereof. Notwithstanding the foregoing, Lender's consent shall not be required in connection with any modification, amendment or waiver of any provision of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document or that makes the provisions of the Operating Lease consistent with the provisions of this Agreement or any other Loan Document. Notwithstanding anything contained in this Section 5.1.20(a) to the contrary, (x) Lender's consent to any amendment, modification or supplement of the Operating Lease (or any new Operating Lease) or the Operating Lease Guaranty may also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and/or an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies), and (y) Lender's consent to any assignment of any Operating Lease or Operating Lease Guaranty (or of any interest therein) or any material amendment, material modification or material supplement of any Operating Lease shall also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies).

(b) Borrower shall not permit (or consent to) an assignment by any Operating Company of any such Operating Company's interest(s) under any Operating Lease or an assignment by any Mortgage Borrower of any such Mortgage Borrower's interest(s) under any Operating Lease Guaranty without, in each case, Lender's prior written consent (and, if a

Securitization shall have occurred, at Lender's request, without Borrower providing to Lender a Rating Agency Confirmation and an Additional True Lease Opinion).

(c) All space Leases and all renewals of space Leases executed after the date hereof entered into by Operating Company shall (i) provide for rental rates, rent credits and free rent periods comparable to existing local market rates for comparable properties, (ii) be on commercially reasonable terms, (iii) provide that such Lease is subordinate to the Mortgage encumbering the Individual Property in question and that the lessee will attorn to Mortgage Lender and any purchaser at a foreclosure sale; (iv) not contain any terms which would materially adversely affect Lender's rights under the Loan Documents; (v) not grant to the Tenants thereunder any option or right to purchase the applicable Individual Property (or any portion thereof); and (v) in the case of Major Leases, have initial terms less than twenty (20) consecutive years, in each case (unless otherwise consented to by Lender pursuant to clause (d) below).

(d) (i) Any Major Lease entered into by Operating Company with respect to an Individual Property executed after the date hereof (and any renewal of any Major Lease with respect to an Individual Property), and any space Lease or space Lease renewal proposed to be entered into by Operating Company after the date hereof and that does not meet the criteria set forth in Sections 5.1.20(a) and subparagraph (c) above, shall be subject to the prior written approval of Lender, which approval shall not be unreasonably withheld, conditioned or delayed. Borrower shall not terminate or accept the surrender of (and shall not permit Operating Company or Mortgage Borrower to terminate or accept the surrender of) a Major Lease (unless by reason of a tenant default) without the consent of Lender.

(ii) Every submission to Lender of any proposed Major Lease (or Major Lease renewal, amendment, modification or termination) for Lender's approval shall be forwarded to Lender together with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this section.

(ii) If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN FIVE (5) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice

within five (5) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(e) Borrower shall and shall cause Mortgage Borrower and Operating Company to (i) observe and perform the obligations imposed upon the lessor under the Leases in a commercially reasonable manner; (ii) enforce the terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed or performed in a commercially reasonable manner and in a manner not to impair the value of the Individual Property involved; (iii) not collect any of the rents more than one (1) month in advance (other than security deposits); (iv) not execute any other assignment of lessor's interest in the Leases or the Rents (except as contemplated by the Loan Documents); (v) not alter, modify or change the terms of the Leases in a manner inconsistent with the provisions of the Loan Documents; and (vi) execute and deliver at the request of Lender all such further assurances, confirmations and assignments in connection with the Leases as Lender shall from time to time reasonably require.

(f) Upon request, Borrower shall furnish Lender with executed copies of all new Leases or Lease renewals or amendments.

(g) Notwithstanding anything to the contrary contained herein, Borrower shall not enter into (or permit Operating Company or Mortgage Borrower to enter into) a lease of all or substantially all of any Individual Property without Lender's prior consent.

**5.1.21 Alterations.** (a) Borrower shall cause all Alterations with respect to any portion of any of the Properties to be conducted and performed with due diligence in a good and workmanlike manner, and all materials used and work done shall be in accordance with all applicable Legal Requirements. In addition, with respect to the Convention Center Project and the Tower Project, to the extent such projects are pursued, Borrower agrees to cause Mortgage Borrower to (i) diligently pursue each such project to completion in a timely manner, subject to delays arising from Force Majeure events, (ii) cause the work to be performed in connection with each such project in substantial conformance with the plans and specifications for such project and otherwise in conformity with the Mortgage Loan Agreement and this Agreement, (iii) provide Lender with reasonably detailed monthly progress reports (and such information as Lender shall reasonably request from time to time) regarding the status of the Convention Center Project and the Tower Project, (iv) upon the substantial completion of each such project, provide Lender with evidence of the substantial completion of each such project, copies of final unconditional lien waivers from the general contractors, construction managers or subcontractors for such project (if requested by Lender) and evidence of the final payment of all amounts due in connection with each such project, and a title search for the affected Individual Property indicating that such Individual Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (v) upon final completion of each such project, provide Lender with a final survey acceptable to Lender showing the "as-built" location of the completed Improvements and all easements appurtenant thereto, "as-built" plans and specifications for Lender's file and a certificate of occupancy to the extent issued by the relevant Governmental Authority.

(b) Borrower shall obtain Lender's prior consent to (i) any Material Alterations (unless collateral or a completion guaranty is provided as set forth in subparagraph (c) below) or (ii) any Alterations to any of the Improvements (even if otherwise described in clause (i) above) that is reasonably likely to have an Individual Material Adverse Effect. Lender's consent shall not be required for any Alterations other than the Alterations described in the preceding sentence. Notwithstanding any provision hereof to the contrary, without Lender's consent, not to be unreasonably withheld or delayed, in no event shall Borrower close or shutter, or undertake or permit any Tenant or other Person to undertake, an Alteration that, alone or together with other work then being undertaken, closes or shutters, more than ten percent (10%) of the income-generating space in any Individual Property at any one time. Prior to undertaking any Alteration with respect to an Individual Property in excess of five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for such Individual Property, to afford Lender a prior and reasonable opportunity to determine whether or not the proposed Alteration would have an Individual Material Adverse Effect, Borrower will deliver such plans, specifications, project schedules, logistical plans, construction budgets (including a statement of sources and uses) and such other information as Lender may reasonably request in respect of such Alteration for review by Lender (and its consultants). All reasonable out-of-pocket costs and expenses incurred by Lender in connection with reviewing said Alterations proposal, including, without limitation, reasonable counsel fees and disbursements and Lender's consultants, shall be paid by Borrower. The above-referenced submission to Lender shall be delivered with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this Section. If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within ten (10) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(c) With respect to any Material Alteration, unless otherwise consented to by Lender, Borrower shall promptly deliver to Mortgage Lender as security for the payment of such amounts and as additional security for Borrower's obligations under the Loan Documents any of the following: (A) cash, (B) U.S. Obligations, (C) other securities having a rating acceptable to Lender and that the applicable Rating Agencies have confirmed in writing will not, in and of

itself, result in a downgrade, withdrawal or qualification of the initial, or, if higher, then current ratings assigned to any Securities or any class thereof in connection with any Securitization, (D) a completion and performance bond or an irrevocable letter of credit (payable on sight draft only) issued by an Eligible Institution, or (E) a completion guaranty from an Approved Guarantor in the form attached hereto as Exhibit A (with such changes as Lender shall approve), together with evidence reasonably satisfactory to Lender that the Approved Guarantor has reasonable liquidity taking into account the nature and amount of the guaranteed obligations under such completion guaranty (it being agreed that, if the Approved Guarantor in question is Holdings, then the amounts available for repayment of such obligations under any revolving credit facility in effect at such time in favor of Harrah's Operating Company, Inc. will be taken into account in determining whether Holdings has reasonable liquidity), and with, if required by applicable Rating Agency requirements, an Additional Insolvency Opinion. Such security, including the amount of the guaranteed obligations under any completion guaranty delivered as aforesaid, shall be in an amount equal to the sum of (i) the excess of the total unpaid amounts with respect to alterations to the Improvements on the applicable Individual Property (other than such amounts to be paid or reimbursed by tenants under the Leases) over the Threshold Amount and (ii) the costs of collection, and, upon the occurrence and during the continuance of an Event of Default, Lender may apply such security from time to time at the option of Lender to pay for such alterations.

**5.1.22 Operation of Properties.** (a) Borrower shall cause Mortgage Borrower to cause each of the Properties to be operated, in all material respects, in accordance with the Operating Leases and in accordance with all applicable Legal Requirements, including Gaming Laws, and all Gaming Licenses and other Operating Permits and in a manner consistent with their respective use as of the Closing Date. Borrower shall cause Operating Company to post all required bonds, if any, with any Gaming Authority as and in the amounts required under all applicable Legal Requirements (and shall, if Lender makes a request therefor, promptly provide Lender with copies of all such bonds).

(b) Borrower shall not, without Lender's prior written consent, permit Operating Company to assign or transfer, and Operating Company shall not, without Lender's prior written consent, assign or transfer, or delegate any responsibilities with respect to, any material Gaming License or Operating Permit.

(c) Borrower shall cause Operating Company to make all filings required under the Gaming Laws, or in connection with any Gaming Licenses or Operating Permits, including in connection with the origination of the Mortgage Loan and the Mezzanine Loans, and shall deliver copies of such filings as Lender shall reasonably request to Lender, promptly upon request. Borrower will timely pay all fees, investigative fees and costs required by the Gaming Authorities with respect to any such approvals and licenses. Borrower will and will cause Mortgage Borrower to diligently and comprehensively respond to any inquiries and requests from the Gaming Authorities and promptly file or cause to be filed any additional information required in connection with any required filings as soon as practicable after receipt of requests therefor.

(d) Upon request of Lender, Borrower shall deliver to Lender (or cause Operating Company to deliver to Lender) such evidence of compliance (by Borrower, Mortgage Borrower, Operating Company and each Individual Property) with all Legal Requirements, including Gaming Laws as shall be reasonably requested by Lender. Borrower shall immediately deliver to Lender (and shall cause Operating Company and Mortgage Borrower to deliver to Lender) any notice of material non-compliance or material violation of any Legal Requirement, or of any material inquiry or investigation commenced by the Gaming Authorities in connection with any of the Properties. Borrower shall immediately notify Lender if it, Mortgage Borrower or Operating Company believe that any material license, including any Gaming License, is being or could be revoked or suspended, or that any action is pending, being considered or being, or could be, taken to revoke or suspend Borrower's, Mortgage Borrower's or Operating Company's material licenses, including the Gaming Licenses, or to fine, penalize or impose remedies upon Borrower, Mortgage Borrower or Operating Company, or that any action is pending, being considered, or being, or could be, taken to discontinue, suspend, deny, decrease or recoup any payments due, made or coming due to Borrower, Mortgage Borrower or Operating Company, in each case if same might reasonably be expected to have an Individual Material Adverse Effect. Borrower shall immediately deliver to Lender any notice received by Borrower, Mortgage Borrower or Operating Company alleging or relating to the material non-compliance by Borrower, Mortgage Borrower or Operating Company with any Legal Requirements, including Gaming Laws.

(e) In the event that any of the Operating Leases expire or are terminated (without limiting any obligation of Borrower to obtain Lender's consent to any termination or modification of any of the Operating Leases in accordance with the terms and provisions of this Agreement), Borrower shall cause Mortgage Borrower to promptly enter into a replacement Operating Lease (in form and substance satisfactory to Lender) with Operating Company or another operating company reasonably satisfactory to Lender, provided Borrower will obtain a Rating Agency Confirmation as a condition to the effectiveness of such replacement Operating Lease and that Borrower will cause Guarantor (Operating Lease) to execute and deliver an operating lease guaranty in the same form and substance as the Operating Lease Guaranty.

(f) Borrower shall cause Mortgage Borrower to: (i) promptly perform and/or observe, in all material respects, all of the covenants and agreements required to be performed and observed by it under the Operating Lease and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any material default under any Operating Lease or Operating Lease Guaranty of which it is aware; (iii) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, notice, report and estimate received by it under each Operating Lease; and (iv) enforce the performance and observance of all of the material covenants and agreements required to be performed and/or observed by each Operating Company under each Operating Lease and by each Guarantor (Operating Lease) under each Operating Lease Guaranty, in a commercially reasonable manner.

(g) Borrower shall cause Mortgage Borrower to cause the Hotel Components to be at all times open for business as a hotel and the Casino Components to be open for business as a casino, except to the extent necessary to undertake any alterations or repairs (subject to the

provisions of this Agreement with respect to the performance of any such alterations or repairs). Borrower shall cause each Individual Property to be at all times operated, managed and maintained, at all times and in the manner and accordance with the standards required pursuant to the Operating Leases and all applicable Legal Requirements in all material respects.
