Overview of the ERI New Credit Agreement

The ERI Revolving Credit Facility matures in 2025 and includes a letter of credit sub-facility of $250 million (which is a part of and not in addition to the ERI Revolving Credit Facility).

The ERI New Credit Agreement allows the Company to request one or more incremental term loan facilities and/or new revolving credit facilities and/or increase its commitments under the ERI Revolving Credit Facility in an aggregate amount of up to the sum of (x) the greater of (1) $2,175 million and (2) 1.00 times EBITDA (as defined in the ERI New Credit Agreement) (as reduced by the incurrence of amounts under the corresponding provisions of the Existing CRC Credit Agreement) plus (y) the amount of certain voluntary prepayments of indebtedness of ERI and CRC plus (z) additional amount so long as, (i) in the case of loans under additional credit facilities that rank *pari passu* with the liens on the collateral securing the ERI Revolving Credit Facility, the Company's senior secured leverage ratio on a *pro forma* basis would not exceed 4.50 to 1.00 (or in the case of incremental facilities to fund certain investments and acquisitions, the senior secured leverage ratio immediately prior to such incurrence), (ii) in the case of loans under additional credit facilities that rank junior to the liens on the collateral securing the ERI Revolving Credit Facility, the Company's total secured leverage ratio on a *pro forma* basis would not exceed 4.75 to 1.00 (or in the case of incremental facilities to fund certain investments and acquisitions, the total secured leverage ratio immediately prior to such incurrence) and (iii) in the case of loans under additional credit facilities that are unsecured, the Company's fixed charge coverage ratio on a *pro forma* basis would not be less than 2.00 to 1.00 (or in the case of incremental facilities to fund certain investments and acquisitions, the fixed charge coverage ratio immediately prior to such incurrence), in each case, subject to certain conditions and receipt of commitments by existing or additional financial institutions or institutional lenders.

All future borrowings under the ERI New Credit Agreement are subject to the satisfaction of customary conditions, including the absence of a default and the accuracy of representations and warranties, subject to certain exceptions.

Interest and Fees

Borrowings under the ERI New Credit Agreement bear interest at a rate equal to, at the Company's option, either (a) LIBOR determined by reference to the costs of funds for Eurodollar deposits for the interest period relevant to such borrowing, adjusted for certain additional costs, subject to a floor of 0% or (b) a base rate determined by reference to the highest of (i) the federal funds rate plus 0.50%, (ii) the prime rate as determined by the Administrative Agent and (iii) the one-month adjusted LIBOR rate plus 1.00%, in each case plus an applicable margin. Such applicable margin shall be 3.25% per annum in the case of any LIBOR loan and 2.25% per annum in the case of any base rate loan, subject to three 0.25% step-downs based on the Company's total leverage ratio.

In addition, on a quarterly basis, the Company is required to pay each lender under the ERI Revolving Credit Facility a commitment fee in respect of any unused commitments under the ERI Revolving Credit Facility in the amount of 0.50% of the principal amount of the commitments of such lender, subject to a step-down to 0.375% based upon the Company's total leverage ratio. The Company is also required to pay customary agency fees as well as letter of credit participation fees computed at a rate per annum equal to the applicable margin for LIBOR borrowings on the dollar equivalent of the daily stated amount of outstanding letters of credit, plus such letter of credit issuer's customary documentary and processing fees and charges and a fronting fee in an amount equal to 0.125% of the daily stated amount of such letter of credit.

Mandatory Prepayments

The ERI New Credit Agreement requires the Company to prepay any outstanding term loans, subject to certain exceptions, with 50% of the Company's annual Excess Cash Flow (as defined in the ERI New Credit Agreement) to the extent such amount exceeds $15.0 million (as reduced by any mandatory prepayments made pursuant to analogous "excess cash flow sweep" provisions under the Existing CRC Credit Agreement).

The ERI New Credit Agreement also requires the Company to prepay any outstanding term loans, subject to certain exceptions, with (a) 100% of the net cash proceeds of certain non-ordinary course asset sales or certain casualty events, in each case subject to certain exceptions and provided that the Borrowers may (i) reinvest within 18 months or (ii) contractually commit to reinvest those proceeds within 18 months and so reinvest such proceeds following the end of such 18 month period, to be used in its business, or certain other permitted investments; and (b) 100% of the net cash proceeds of any issuance or incurrence of debt, other than proceeds from debt permitted under the ERI New Credit Agreement.

Collateral and Guarantors

The borrowings under the ERI New Credit Agreement will be guaranteed by the material, domestic wholly-owned subsidiaries of the Company (subject to exceptions, which exceptions include CRC and its subsidiaries), and will be secured by a pledge (and, with respect to real property, mortgage) of substantially all of the existing and future property and assets of the Company and the guarantors (subject to exceptions), including a pledge of the capital stock of the domestic subsidiaries held by the Company and the guarantors and 65% of the capital stock of the first-tier foreign subsidiaries held by the Company and the guarantors, in each case subject to exceptions.

Restrictive Covenants and Other Matters

The ERI New Credit Agreement includes a financial covenant requiring the Company to comply with a maximum first-priority net senior secured leverage ratio of 6.35 to 1.00, which is applicable solely to the extent that the Testing Condition (which is defined in the ERI New Credit Agreement as 25% utilization of the ERI Revolving Credit Facility (excluding certain letters of credit)) is satisfied and excluding any period in which a Covenant Suspension Period (as defined in the ERI New Credit Agreement) is occurring. In addition, for purposes of determining compliance with such financial maintenance covenant for any fiscal quarter, the Company may exercise an equity cure by issuing certain permitted securities for cash or otherwise receiving cash contributions to the capital of the Company that will, upon the receipt by the Company of such cash, be included in the calculation of EBITDA on a *pro forma* basis. The equity cure right may not be exercised in more than two fiscal quarters during any period of four consecutive fiscal quarters or more than five fiscal quarters during the term of the ERI Revolving Credit Facility. Under the ERI New Credit Agreement, the Company may also be required to meet specified leverage ratios or interest coverage ratios in order to take certain actions, such as incurring certain debt or making certain acquisitions. In addition, the ERI New Credit Agreement includes negative covenants, subject to certain exceptions, restricting or limiting the Company's ability and the ability of its restricted subsidiaries to, among other things: (i) make non-ordinary course dispositions of assets; (ii) make certain mergers and acquisitions; (iii) complete dividends and stock repurchases and optional redemptions (and optional prepayments) of subordinated debt; (iv) incur indebtedness; (v) make certain loans and investments; (vi) create liens; (vii) transact with affiliates; (viii) change the business of the Company and its restricted subsidiaries; (ix) enter into sale/leaseback transactions; (x) allow limitations on negative pledges and the ability of restricted subsidiaries to pay dividends or make distributions; (xi) change the fiscal year and (xii) modify subordinated debt documents.

In light of the impact on the Company from the ongoing COVID-19 public health emergency, the ERI New Credit Agreement provides the Company relief in the form of a limited waiver of the Company's obligation to comply with the financial covenant described above. The financial covenant under the ERI New Credit Agreement will not be tested until the fiscal quarter immediately after the end of the financial covenant relief period (which begins on the date of effectiveness of the ERI New Credit Agreement and ends on the earlier of (i) the date on which a compliance certificate is delivered with respect to the fiscal quarter ending September 30, 2021 and (ii) the date on which the financial covenant relief period is terminated by the Company), so long as during the financial covenant relief period the Company (x) complies with certain restrictions on the incurrence of indebtedness and the making of permitted investments and restricted payments and (y) maintains minimum levels of liquidity (calculated to include its unrestricted cash and unused commitments under the ERI Revolving Credit Facility and unused revolving commitments under the Existing CRC Credit Agreement) of not less than $850 million.

Overview of the CRC Incremental Term Loan

The CRC Incremental Term Loan matures in 2025 and will be subject to amortization in equal quarterly installments of 1.0% per year. Borrowings under the CRC Incremental Term Loan bear interest at a rate equal to, at CRC's option, either (a) LIBOR determined by reference to the costs of funds for eurodollar deposits for the interest period relevant to such borrowing, adjusted for certain additional costs (or a successor or replacement thereof) or (b) a base rate determined by reference to the greatest of (i) the federal funds rate, plus 0.50%, (ii) the prime rate as determined by the administrative agent under the CRC Incremental Term Loan and (iii) the one-month adjusted LIBOR rate plus 1.00%, in each case plus an applicable margin equal to 4.50% per annum in the case of any LIBOR loan and 3.50% per annum in the case of any base rate loan. The CRC Incremental Term Loan will be incurred pursuant to an incremental assumption agreement under the Existing CRC Credit Agreement and will be subject to the representations, warranties, covenants, prepayments and events of default under the Existing CRC Credit Agreement.

The foregoing description of the Senior Credit Facilities does not purport to be complete and is qualified in its entirety by reference to each of the ERI New Credit Agreement and the Incremental Agreements, which are filed as Exhibits 10.1, 10.2, 10.3 and 10.4 hereto and which are each incorporated herein by reference.

Based on the closing price of $38.00 per share of Company Common Stock reported on NASDAQ on July 17, 2020, the implied value of the aggregate Merger Consideration paid to former holders of shares of Former Caesars Common Stock in connection with the Merger was approximately $8.46 billion, including approximately $2.37 billion in Company Common Stock and approximately $6.09 billion in cash.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03.

Item 3.03 Material Modification to Rights of Security Holders.

The information set forth in the Introductory Note and Items 1.01, 2.01 and 5.03 of this Current Report on Form 8-K is incorporated by reference into this Item 3.03.

Item 4.01 Changes in Registrant's Certifying Accountant.

On July 17, 2020, the Audit Committee (the "Audit Committee") of the board of directors of the Company (the "Board") approved the engagement of Deloitte & Touche LLP ("Deloitte"), and dismissal of Ernst and Young LLP ("EY"), as the Company's independent registered public accounting firm effective following the completion of the review of the Company's results of operations for the quarter ended June 30, 2020. Deloitte previously served as the independent registered public accounting firm of Former Caesars, and has been engaged to serve as the independent registered public accounting firm for the combined company in connection with the Merger.

The reports of EY on the Company's consolidated financial statements for the years ended December 31, 2019 and 2018 did not contain an adverse opinion or disclaimer of opinion, and such reports were not qualified or modified as to uncertainty, audit scope, or accounting principle.

During the Company's two most recent fiscal years ended December 31, 2019 and 2018 and the subsequent interim period, there were no disagreements, within the meaning of Item 304(a)(1)(iv) of Regulation S-K promulgated under the Exchange Act ("Regulation S-K") and the related instructions thereto, with EY on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of EY, would have caused it to make reference to the subject matter of the disagreements in connection with its reports. Also, during this same period, there were no reportable events within the meaning of Item 304(a)(1)(v) of Regulation S-K and the related instructions thereto. The Company intends to file an amendment to this Form 8-K within four business days following the completion of EY's review of the Company's results of operations for the quarter ended June 30, 2020.

The Company has provided EY with the disclosures under this Item 4.01, and has requested EY to furnish the Company with a letter addressed to the Securities and Exchange Commission (the "SEC") stating whether it agrees with the statements made by the Company in this Item 4.01 and, if not, stating the respects in which it does not agree. The EY letter is filed as Exhibit 16.1 to this Current Report on Form 8-K.

During the Company's two most recent fiscal years ended December 31, 2019 and 2018, and during the subsequent interim period, neither the Company, nor anyone on its behalf, consulted Deloitte with respect to: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and neither a written report was provided to the Company nor oral advice was provided to the Company that Deloitte concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing, or financial reporting issue or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

In accordance with the Merger Agreement, effective as of the Effective Time, (a) the Company expanded the size of the Board from nine to eleven members, (b) each of Roger Wagner, Gregory Kozicz and James Hawkins resigned as a member of the Board and (c) each of Keith Cozza, Jan Jones Blackhurst, Don Kornstein, Courtney Mather and James Nelson (the "New Director Appointee") became a member of the Board. As a result of these changes, following the Effective Time, the Board consists of the New Director Appointees, Gary Carano, David Tomick, Thomas Reeg, Frank Fahrenkopf, Michael Pegram and Bonnie Biumi.

As non-management members of the Board, the New Director Appointees will receive the compensation paid to non-management directors for service on the Board and its committees.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On the Closing Date, in accordance with the Merger Agreement, the Company filed a Certificate of Conversion with the Secretary of State of the State of Delaware and Articles of Conversion with the Secretary of State of the State of Nevada to convert the Company from a Nevada corporation to a Delaware corporation (the "Conversion"). Simultaneously with the Conversion, the Company filed a Certificate of Incorporation (the "Certificate of Incorporation") with the Secretary of State of the State of Delaware, which replaced the articles of incorporation of the Company, and adopted new Bylaws (the "Bylaws") in accordance with the terms of the Certificate of Incorporation and applicable law.

Descriptions of the material terms and conditions of the Certificate of Incorporation and the Bylaws can be found in the sections titled "ERI Proposal No. 2: Approval of the Delaware Conversion" and "Comparison of Stockholders' Rights" in the Company's registration statement on Form S-4 (File No. 333-233591) filed with the SEC and declared effective on October 11, 2019, and are incorporated herein by reference.

The foregoing descriptions of the Certificate of Incorporation and the Bylaws do not purport to be complete and are subject to, and qualified in their entirety by reference to, the full text of each document. The Certificate of Incorporation and the Bylaws are filed as Exhibits 3.1 and 3.2 hereto, respectively, and incorporated herein by reference.

(c) “Gaming Authorities” shall mean all federal, state, provincial, tribal, local and other regulatory and licensing bodies and agencies with authority over Gaming within any Gaming Jurisdiction in which the Corporation or any of its Affiliated Companies do business.

(d) “Gaming Jurisdiction” shall mean all jurisdictions, domestic, tribal and foreign, and their political subdivisions, in which Gaming Activities are or may be lawfully conducted including, without limitation, all jurisdictions in which the Corporation or any of its Affiliated Companies currently conduct or may in the future conduct Gaming Activities.

(g) “Own,” “Ownership” or “Control” (and derivatives thereof) shall mean (i) ownership of record, (ii) “beneficial ownership” as defined in Rule 13d-3 promulgated by the United States Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (as now or hereafter amended) (“Rule 13d-3”), or (iii) the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person or the disposition of Securities, by agreement contract, agency or other manner.

(h) “Person” shall mean an individual, partnership, corporation, limited liability company, trust or any other entity.

(i) “Redemption Date” shall mean the date specified in the Redemption Notice as the date on which the shares of the Securities Owned or Controlled by an Unsuitable Person or an Affiliate of an Unsuitable Person are to be redeemed by the Corporation.

(j) “Redemption Notice” shall mean that notice of redemption given by the Corporation to an Unsuitable Person or an Affiliate of an Unsuitable Person pursuant to this Article VII. Each Redemption Notice shall set forth (i) the Redemption Date, (ii) the number and type of shares of the Securities to be redeemed, (iii) the Redemption Price and the manner of payment therefor, (iv) the place where any certificates for such chares shall be surrendered for payment and (v) any other requirements of surrender of the certificates, including how they are to be endorsed, if at all.

(k) “Redemption Price” shall mean the price to be paid by the Corporation for the Securities to be redeemed pursuant to this Article VII, which shall be that price (if any) required to be paid by the Gaming Authority making the finding of unsuitability, or if such Gaming Authority does not require a certain price to be paid that amount determined by the Board of Directors to be the fair value of the Securities to be redeemed; provided, however, that the price

per share represented by the Redemption Price shall in no event be in excess of the closing sales price per share of the shares on the principal national securities exchange on which such shares are then listed on the trading date on the day before the Redemption Notice is deemed given by the Corporation to the Unsuitable Person or Affiliate of an Unsuitable Person or, if such shares are not then listed for trading on any national securities exchange, then the closing sales price of such shares as quoted in the NASDAQ Stock Market or SmallCap Market or, if the shares are not then so quoted, then the mean between the representative bid and the ask price as quoted by any other generally recognized reporting system. The Redemption Price may be paid in cash, by promissory note, or both as required by the applicable Gaming Authority and, if not so required, as the Board of Directors determines. Any promissory note shall contain such terms and conditions as the Board of Directors determines necessary or advisable, including without limitation, subordination provisions, to comply with any law or regulation applicable to the Corporation or any Affiliate of the Corporation or to prevent a default under, breach of, event of default under or acceleration of any loan, promissory note, mortgage, indenture, line of credit of other debt or financing agreement of the Corporation or any Affiliate of the Corporation. (m) "Unsuitable Person" shall mean a Person who (i) is determined by a Gaming Authority to be unsuitable to Own or Control any Securities or unsuitable to be connected or affiliated with a Person engaged in Gaming Activities in a Gaming Jurisdiction, or (ii) causes the Corporation or any Affiliated Company to lose or to be threatened with the loss of any Gaming License, or (iii) in the sole discretion of the Board of Directors of the Corporation, is deemed likely to jeopardize the Corporation's or any Affiliated Company's application for, receipt of approval for, right to the use of, or entitlement to, any Gaming License.

Section 2. Finding of Unsuitability.

(a) The Securities Owned or Controlled by an Unsuitable Person or an Affiliate of an Unsuitable Person shall be subject to redemption by the Corporation, out of funds legally available therefor, by action of the Board of Directors, to the extent deemed necessary or advisable by the Board of Directors. If a Gaming Authority requires the Corporation, or the Board of Directors deems it necessary or advisable, to redeem any such Securities, the Corporation shall give a Redemption Notice to the Unsuitable Person or its Affiliate and shall purchase on the Redemption Date the number of Shares of the Securities specified in the Redemption Notice for the Redemption Price set forth in the Redemption Notice. From and after the Redemption Date, such Securities shall no longer be deemed to be outstanding, such Unsuitable Person or any Affiliate of such Unsuitable Person shall cease to be a stockholder with respect to such shares and all rights of such Unsuitable Person or any Affiliate of such Unsuitable Person therein, other than the right to receive the Redemption Price, shall cease. Such Unsuitable Person or its Affiliate shall surrender all certificates representing any shares to be redeemed in accordance with the requirements of the Redemption Notice.

(b) Commencing on the date that a Gaming Authority serves notice of a determination of unsuitability or the Board of Directors determines that a Person is an Unsuitable Person, and until the Securities Owned or Controlled by such Person are Owned or Controlled by a Person who is not an Unsuitable Person, the Unsuitable Person or any Affiliate of an Unsuitable Person shall not be entitled to: (i) receive any dividend or interest with regard to the Securities, (ii) to exercise, directly or indirectly or through any proxy, trustee, or nominee, any voting or other right conferred by such Securities, and such Securities shall not for any purposes be included in the shares of capital stock of the Corporation entitled to vote, or (iii) receive any remuneration in any form from the Corporation or any Affiliated Company for services rendered or otherwise.

Section 3. Notices. All notices given by the Corporation pursuant to this Article, including Redemption Notices, shall be in writing and may be given by mail, addressed to the Person at such Person's address as it appears on the records of the Corporation, with postage thereon prepaid, and such notice shall be deemed given personally or by telegram, facsimile, telex or cable.

Section 4. Indemnification. Any Unsuitable Person and any Affiliate of and Unsuitable Person shall indemnify and hold harmless the Corporation and its Affiliated Companies for any and all losses, costs and expenses, including attorney's fees, incurred by the Corporation and its Affiliated Companies as a result of, or arising out of, such Unsuitable Person's or Affiliate's continuing Ownership or Control of Securities, the neglect, refusal or other failure to comply with the provisions of this Article VII, or failure to promptly divest itself of any Securities when required by the Gaming Laws or this Article VII.

Section 5. Injunctive Relief. The Corporation is entitled to injunctive or other equitable relief in any court of competent jurisdiction to enforce the provisions of this Article VII and each holder of the Securities of the Corporation shall be deemed to have acknowledged, by acquiring the Securities of the Corporation, that the failure to comply with this Article VII will expose the Corporation to irreparable injury for which there is not adequate remedy at law and that the Corporation is entitled to injunctive or other equitable relief to enforce the provisions of this Article.

Section 6. Non-exclusivity of Rights. The Corporation's rights of redemption provided in this Article VII shall not be exclusive of any other rights the Corporation may have or hereafter acquire under any agreement, provision of the Bylaws or otherwise.

Section 7. Further Actions. Nothing contained in this Article VII shall limit the authority of the Board of Directors to take such other action to the extent permitted by law as it deems necessary or advisable to protect the Corporation or its Affiliated Companies from the denial or threatened denial or loss or threatened loss of any Gaming License of the Corporation or any of its Affiliated Companies. Without limiting the generality of the forgoing, the Board of Directors may conform any provisions of this Article VII to the extent necessary to make such a provision consistent with Gaming Laws. In addition, the Board of Directors may, to the extent permitted by law, from time to time establish, modify, amend or rescind bylaws, regulations, and procedures of the Corporation not inconsistent with the express provisions of this Article VII for the purpose of determining whether any Person is an Unsuitable Person and for the orderly application, administration and implementation of the provisions of this Article VII. Such

procedures and regulations shall be kept on file with the Secretary of the Corporation, the Secretary of its Affiliated Companies and with the transfer agent, if any, of the Corporation and any Affiliated Companies, and shall be made available for inspection by the public and, upon request mailed to any holder of Securities. The Board of Directors shall have exclusive authority and power to administer this Article VII and to exercise all rights and powers specifically granted to the Board of Directors or the Corporation, or as may be necessary or advisable in the administration of this Article VII. All such actions which are done or made by the Board of Directors in good faith shall be final, conclusive and binding on the Corporation and all other Persons; provided, however, that the Board of Directors may delegate all or any portion of its duties and powers under this Article VII to a committee of the Board of Directors as it deems necessary or advisable.

Section 8. Severability. If any provision of this Article VII or the application of any such provision to any Person or under any circumstance shall be held invalid, illegal, or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision of this Article VII.

Section 9. Termination and Waivers. Except as may be required by any applicable Gaming Law or Gaming Authority, the Board of Directors may waive any of the rights of the Corporation or any restrictions contained in this Article VII in any instance in which the Board of Directors determines that a waiver would be in the best interests of the Corporation. The Board of Directors may terminate any rights of the Corporation or restrictions set forth in this Article VII to the extent that the Board of Directors determines that any such termination is in the best interests of the Corporation. Except as may be required by a Gaming Authority, nothing in this Article VII shall be deemed or construed to require the Corporation to repurchase any Securities Owned or Controlled by an Unsuitable Person of an Affiliate of an Unsuitable Person.

Section 10. Required New Jersey Charter Provisions.

(a) These Articles shall be deemed to include all provisions required by the New Jersey Casino Control Act, N.J.S.A. 5:12-1 et seq., as amended from time to time (the "New Jersey Act") and, to the extent that anything contained herein or in the Bylaws of the Corporation is inconsistent with the New Jersey Act, the provisions of the New Jersey Act shall govern. All provisions of the New Jersey Act, to the extent required by law to be stated in these Articles, are incorporated herein by this reference.

(b) These Articles shall be subject to the provisions of the New Jersey Act and the rules and regulations of the New Jersey Casino Control Commission (the "New Jersey Commission") promulgated thereunder. Specifically, and in accordance with the provisions of Section 82(d)(7) of the New Jersey Act, the Securities of the Corporation are held subject to the condition that, if a holder thereof is found to be disqualified by the New Jersey Commission pursuant to the provisions of the New Jersey Act, the holder must dispose of such Securities in accordance with Section 2(a) of this Article VII and shall be subject to Section 2(b) of this Article VII.

(c) Any newly elected or appointed director or officer of, or nominee to any such position with, the Corporation, who is required to qualify pursuant to the New Jersey Act, shall not exercise any powers of the office to which such individual has been elected, appointed or

nominated until such individual has been found qualified to hold such office or position by the New Jersey Commission in accordance with the New Jersey Act or the New Jersey Commission permits such individual to perform duties and exercise powers relating to any such position pending qualification, with the understanding that such individual will be immediately removed from such position if the New Jersey Commission determines that there is reasonable cause to believe that such individual may not be qualified to hold such position.

ARTICLE VIII
SHAREHOLDERS RIGHTS PLAN

Any Rights Plan adopted by the Board of Directors shall have a triggering "Acquiring Person" beneficial ownership threshold of 25% or higher. If the Board of Directors adopts a Rights Plan, such Rights Plan will be put to a vote of stockholders within 135 days of the date of adoption of such Rights Plan (the "135th Day Deadline"). If the Corporation fails to hold a stockholder vote on or prior to the 135th Day Deadline, then the Rights Plan shall automatically terminate on the 135th Day Deadline. If a stockholder vote is held on the Rights Plan and it is not approved by the holders of a majority of shares voted, then the Rights Plan shall expire on a date not later than the 135th Day Deadline. "Rights Plan" shall mean any plan or arrangement of the sort commonly referred to as a "rights plan" or "stockholder rights plan" or "shareholder rights plan" or "poison pill" that is designed to increase the cost to a potential acquirer of exceeding the applicable ownership thresholds through the issuance of Common Stock, new rights or preferred shares (or any other security or device that may be issued to stockholders of the Corporation, other than ratably to all stockholders of the Corporation) that carry severe redemption provisions, favorable purchase provisions or otherwise, and any related rights agreement. The term "beneficial ownership" as used in the Rights Plan shall mean beneficial ownership as such term is defined in Rule 13d-3.

ARTICLE IX
BYLAWS

The Board of Directors is expressly empowered to adopt, amend or repeal the Bylaws of the Corporation. Any adoption, amendment or repeal of the Bylaws of the Corporation by the Board of Directors shall require the approval of a majority of the Whole Board. The stockholders shall also have power to adopt, amend or repeal the Bylaws of the Corporation; provided, however, that, in addition to any vote of the holders of any class or series of stock of the Corporation required by law or by this Certificate of Incorporation, the affirmative vote of the holders of a majority of the voting power of all of the then outstanding shares of the capital stock of the Corporation entitled to vote thereon, shall be required to adopt, amend or repeal any provision of the Bylaws of the Corporation. For purposes of this Certificate of Incorporation, the term "Whole Board" shall mean the total number of authorized directors whether or not there exist any vacancies in previously authorized directorships.

ARTICLE X
AMENDMENTS

The Corporation reserves the right to amend or repeal any provision contained in this Certificate of Incorporation in the manner prescribed by the laws of the State of Delaware and all rights

conferred upon stockholders are granted subject to this reservation; provided, however, that, notwithstanding any other provision of this Certificate of Incorporation or any provision of law that might otherwise permit a lesser vote or no vote, but in addition to any vote of the holders of any class or series of the stock of this corporation required by law or by this Certificate of Incorporation, and the affirmative vote of the holders of majority of the voting power of all of the then-outstanding shares of the capital stock of the Corporation entitled to vote thereon, shall be required to amend or repeal this Article X, Sections C or D of Article V, Article VI, or Article IX.

ARTICLE XI
SECTION 203

The Corporation shall not be governed by or subject to the provisions of Section 203 of the DGCL as now in effect or hereafter amended, or any successor statute thereto.

ARTICLE XII
MANDATORY FORUM FOR ADJUDICATION OF DISPUTES

Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware (the "Court of Chancery") shall be the sole and exclusive forum for any stockholder (including a beneficial owner) to bring (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim against the Corporation, its directors, officers or employees arising pursuant to any provision of the General Corporation Law of the State of Delaware or the Corporation's Certificate of Incorporation or bylaws, or (iv) any action asserting a claim against the Corporation, its directors, officers or employees governed by the internal affairs doctrine, except as to each of (i) through (iv) above, for any claim as to which the Court of Chancery determines that there is an indispensable party not subject to the jurisdiction of the Court of Chancery (and the indispensable party does not consent to the personal jurisdiction of the Court of Chancery within ten days following such determination), which is vested in the exclusive jurisdiction of a court or forum other than the Court of Chancery, or for which the Court of Chancery does not have subject matter jurisdiction. If any provision or provisions of this Article XII shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Article XII (including, without limitation, each portion of any sentence of this Article XII containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby.

ARTICLE XIII
SEVERABILITY

If any provision or provisions of these Articles shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provision or

provisions in any other circumstance and of the remaining provisions of these Articles (including, without limitation, each portion of any paragraph of these Articles containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision or provisions to other persons, entities and circumstances shall not in any way be affected or impaired thereby.

ARTICLE XIV
DEEMED NOTICE AND CONSENT

To the fullest extent permitted by law, each and every natural person, corporation, general or limited partnership, limited liability company, joint venture, trust, association or any other entity purchasing or otherwise acquiring any interest (of any nature whatsoever) in any shares of the capital stock of the Corporation shall be deemed, by reason of and from and after the time of such purchase or other acquisition, to have notice of and to have consented to all of the provisions of (a) these Articles (including but not limited to Article X), (b) the Bylaws and (c) any amendment to these Articles or the Bylaws enacted or adopted in accordance with these Articles, the Bylaws and applicable law.

ARTICLE I - STOCKHOLDERS

Section 1. Annual Meeting.

(1) An annual meeting of stockholders, for the election of directors to succeed those whose terms expire and for the transaction of such other business as may properly come before the meeting, shall be held at such place, on such date, and at such time as the Board of Directors shall fix.

(2) At a meeting of the stockholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before a meeting, business must be (a) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Chairman of the Board, the Executive Chairman (if any), the Chief Executive Officer, the President or the Board of Directors, (b) otherwise properly brought before the meeting by or at the direction of the Board of Directors, or (c) otherwise properly brought before the meeting by a stockholder. In addition to any other applicable requirements, for business to be properly brought before a meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation. To be timely, a stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Corporation not less than forty-five (45) days nor more than seventy-five (75) days prior to the anniversary of the date on which the Corporation first mailed its proxy materials for the previous year's annual meeting of stockholders (or the date on which the Corporation mails its proxy materials for the current year if during the prior year the Corporation did not hold an annual meeting or if the date of the annual meeting was changed more than thirty (30) days from the prior year). A stockholder's notice to the Secretary shall set forth as to each matter the stockholder proposes to bring before the meeting (a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the meeting, (b) the name and address, as they appear on the Corporation's books, of the stockholder proposing such business, (c) the class and number of shares of the Corporation which are beneficially owned by the stockholder, and (d) any material interest of the stockholder in such business. Notwithstanding anything in these Bylaws to the contrary, no business shall be conducted at a meeting except in accordance with the procedures set forth in this Section 1; provided, however, that nothing in this Section 1 shall be deemed to preclude discussion by any stockholder of any business properly brought before the meeting in accordance with said procedure. The chairman of the meeting shall, if the facts warrant, determine and declare to the meeting that business was not properly brought before the meeting in accordance with the provisions of this Section 1, and if he or she should so determine, he or she shall so declare to the meeting. Any such business not properly brought before the meeting shall not be transacted. Nothing in this Section 1 shall affect the right of a stockholder to request inclusion of a proposal in the Corporation's proxy statement to the extent that such right is provided by an applicable rule of the Securities and Exchange Commission ("SEC").

(3) Nomination of candidates for election as directors of the Corporation at any annual meeting or other meeting of stockholders called for the election of directors, in whole or in part (an "Election Meeting"), may be made by the Board of Directors or by any stockholder entitled to vote at such Election Meeting, in accordance with the following procedures:

(i) Nominations made by the Board of Directors shall be made at a meeting of the Board of Directors or by written consent of the directors in lieu of a meeting prior to the date of the Election Meeting. At the request of the Secretary of the Corporation, each proposed nominee shall provide the Corporation with such information concerning himself or herself as is required, under the rules of the SEC, to be included in the Corporation's proxy statement soliciting proxies for his or her election as a director.

(ii) Not less than sixty (60) days prior to the date of the Election Meeting, any stockholder who intends to make a nomination at the Election Meeting shall deliver a notice to the Secretary of the Corporation setting forth (a) the name, age, business address and the residence address of each nominee proposed in such notice, (b) the principal occupation or employment of such nominee, (c) the number of shares of capital stock of the Corporation which are beneficially owned by each such nominee, and (d) such other information concerning each such nominee as would be required, under the rules of the SEC, in a proxy statement soliciting proxies for the election of such nominees. Such notice shall include a signed consent of each such nominee to serve as a director of the Corporation, if elected.

(iii) In the event that a person is validly designated as a nominee in accordance with this Section 1(3) and shall thereafter become unable or unwilling to stand for election to the Board of Directors, the Board of Directors or the stockholder who proposed such nominee, as the case may be, may designate a substitute nominee; provided, however, that if the date of the Election Meeting in question has been publicly disclosed prior to the requested substitution, such substitution may not, without the consent of the Board of Directors, be made unless it can be made in accordance with applicable requirements of the SEC without any resulting delay in the scheduled Election Meeting, unless such substitution is required by the NRS, SEC regulations or other laws, rules or regulations applicable to the Corporation.

(iv) If the chairman of the Election Meeting determines that a nomination was not made in accordance with the foregoing procedures, such nomination shall be void.

(4) A person shall not be eligible for election or re-election as a director at an annual meeting unless (i) the person is nominated by a Record Stockholder in accordance with Section 1(2)(c) or (ii) the person is nominated by or at the direction of the Board of Directors. Only such business shall be conducted at an annual meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this section. The chairman of the meeting shall have the power and the duty to determine whether a nomination or any business proposed to be brought before the meeting has been made in accordance with the procedures set forth in these Bylaws and, if any proposed nomination or business is not in compliance with these Bylaws, to declare that such defectively proposed business or nomination shall not be presented for stockholder action at the meeting and shall be disregarded.

(5) For purposes of these Bylaws, “public announcement” shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or a comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act.

(6) Notwithstanding the foregoing provisions of this Section 1, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to matters set forth in this Section 1. Nothing in this Section 1 shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Corporation’s proxy statement pursuant to Rule 14a-8 under the Exchange Act.

Section 2. Special Meetings.

(1) Special meetings of the stockholders, other than those required by statute, may be called at any time by the President or Board of Directors acting pursuant to a resolution adopted by a majority of the Whole Board and shall be called by the President at the request in writing of stockholders owning not less than ten percent (10%) of the entire capital stock of the Corporation issued and outstanding and entitled to vote. Any special meeting called at the request of the stockholders pursuant to the preceding sentence shall be held on a date no later than 60 days following the Corporation’s receipt of the stockholders’ written request for such a meeting. For purposes of these Bylaws, the term “Whole Board” shall mean the total number of authorized directors whether or not there exist any vacancies in previously authorized directorships. The Board of Directors may postpone or reschedule any previously scheduled special meeting, other than a special meeting called at the request of the stockholders in accordance with this clause (1).

(2) Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting by or at the direction of the Chairman of the Board, the Chief Executive Officer, the Board of Directors or the stockholders. The notice of such special meeting shall include the purpose for which the meeting is called. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected (a) by or at the direction of the Board of Directors or (b) by any stockholder of record at the time of giving of notice provided for in this paragraph, who shall be entitled to vote at the meeting and who delivers a written notice to the Secretary setting forth the information set forth in Section 1(4)(a) and 1(4)(c) of this Article I. Nominations by stockholders of persons for election to the Board of Directors may be made at such a special meeting of stockholders only if such stockholder of record’s notice required by the preceding sentence shall be received by the Secretary at the principal executive offices of the Corporation not later than the close of business on the later of the 60th day prior to such special meeting or the 10th day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall an adjournment, or postponement of a special meeting for which notice has been given, commence a new time period for the giving of a stockholder of record’s notice. A person shall not be eligible for election or reelection as a director at a special meeting unless the person is nominated (i) by or at the direction of the Board of Directors or (ii) by a stockholder of record in accordance with the notice procedures set forth in this Article I.

(3) Notwithstanding the foregoing provisions of this Section 2, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to matters set forth in this Section 2. Nothing in this Section 2 shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act.

Section 3. Notice of Meetings.

Written notice of the annual and each special meeting of stockholders shall be signed by the Chairman of the Board, the Executive Chairman (if any), the Chief Executive Officer, the President or the Secretary of the Corporation. Notice of the place, if any, date, and time of all meetings of the stockholders, the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such meeting, and the record date for determining the stockholders entitled to vote at the meeting, if such date is different from the record date for determining stockholders entitled to notice of the meeting, shall be given, not less than 10 nor more than 60 days before the date on which the meeting is to be held, to each stockholder entitled to vote at such meeting as of the record date for determining the stockholders entitled to notice of the meeting, except as otherwise provided herein or required by law (meaning, here and hereinafter, as required from time to time by the Delaware General Corporation Law ("DGCL") or the Certificate of Incorporation of the Corporation).

When a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting if the time and place, if any, thereof, and the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken; provided, however, that if the date of any adjourned meeting is more than 30 days after the date for which the meeting was originally noticed, notice of the place, if any, date, and time of the adjourned meeting and the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such adjourned meeting, shall be given to each stockholder in conformity herewith. If after the adjournment a new record date for stockholders entitled to vote is fixed for the adjourned meeting, the Board of Directors shall fix a new record date for notice of such adjourned meeting, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors and, except as otherwise required by law, shall not be more than 60 nor less than 10 days before the date of such adjourned meeting, and shall give notice of the adjourned meeting to each stockholder of record entitled to vote at such adjourned meeting as of the record date fixed for notice of such adjourned meeting. At any adjourned meeting, any business may be transacted which might have been transacted at the original meeting.

Section 4. Quorum.

At any meeting of the stockholders, the holders of a majority of the voting power of all of the shares of the stock entitled to vote at the meeting, present in person or by proxy, shall constitute a quorum for all purposes, unless or except to the extent that the presence of a larger number may be required by law or by the rules of any stock exchange upon which the Corporation's securities are listed. Where a separate vote by a class or classes or series is required, a majority of the voting power of the shares of such class or classes or series present in person or represented by proxy shall constitute a quorum entitled to take action with respect to that vote on that matter.

If a quorum shall fail to attend any meeting, the chairman of the meeting may adjourn the meeting to another place, if any, date, or time.

Section 5. Organization.

Such person as the Board of Directors may have designated or, in the absence of such a person, the Chairman of the Board or, in his or her absence, the Chief Executive Officer or the President of the Corporation or, in his or her absence, such person as may be chosen by the holders of a majority of the voting power of the shares entitled to vote who are present, in person or by proxy, shall call to order any meeting of the stockholders and act as chairman of the meeting. In the absence of the Secretary of the Corporation, the secretary of the meeting shall be such person as the chairman of the meeting appoints.

Section 6. Conduct of Business.

The chairman of any meeting of stockholders shall determine the order of business and the procedure at the meeting, including such regulation of the manner of voting and the conduct of discussion as seem to him or her in order. The chairman shall have the power to adjourn the meeting to another place, if any, date and time. The date and time of the opening and closing of the polls for each matter upon which the stockholders will vote at the meeting shall be announced at the meeting.

Section 7. Proxies and Voting.

At any meeting of the stockholders, every stockholder entitled to vote may vote in person or by proxy authorized by an instrument in writing or by a transmission permitted by law filed in accordance with the procedure established for the meeting. Any copy, facsimile telecommunication or other reliable reproduction of the writing or transmission created pursuant to this paragraph may be substituted or used in lieu of the original writing or transmission for any and all purposes for which the original writing or transmission could be used, provided that such copy, facsimile telecommunication or other reproduction shall be a complete reproduction of the entire original writing or transmission.

The Corporation may, and to the extent required by law, shall, in advance of any meeting of stockholders, appoint one or more inspectors to act at the meeting and make a written report thereof. The Corporation may designate one or more alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at a meeting of stockholders, the person presiding at the meeting may, and to the extent required by law, shall, appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. Every vote taken by ballots shall be counted by a duly appointed inspector or inspectors.

All elections shall be determined by a plurality of the votes cast, and except as otherwise required by law or the rules of any stock exchange upon which the Corporation’s securities are listed, all other matters shall be determined by a majority of the votes cast affirmatively or negatively.

Section 8. Consent of Stockholders. Any action required or permitted by the DGCL to be taken at any meeting of the stockholders may be taken without a meeting, without prior notice, and without a vote if the action is evidenced by one or more written consents, which may be signed in counterparts, describing the action taken, signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Any such action by written consent shall be effective upon the date specified in the consent so long as written consents signed by a sufficient number of stockholders are delivered to the Corporation in the manner specified above within 60 days of the earliest dated consent. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing. A written consent of the stockholders given in accordance with this Section 8 has the same force and effect as a vote of such stockholders and may be stated as such in any document. The record date for determining stockholders entitled to take action without a meeting is set forth in Section 3 of Article V.

Section 9. Stock List.

The officer who has charge of the stock ledger of the Corporation shall, at least 10 days before every meeting of stockholders, prepare and make a complete list of stockholders entitled to vote at any meeting of stockholders, provided, however, if the record date for determining the stockholders entitled to vote is less than 10 days before the meeting date, the list shall reflect the stockholders entitled to vote as of the 10th day before the meeting date, arranged in alphabetical order and showing the address of each such stockholder and the number of shares registered in his or her name. Such list shall be open to the examination of any stockholder for a period of at least 10 days prior to the meeting in the manner provided by law.

A stock list shall also be open to the examination of any stockholder during the whole time of the meeting as provided by law. This list shall presumptively determine (a) the identity of the stockholders entitled to examine such stock list and to vote at the meeting and (b) the number of shares held by each of them.

ARTICLE II - BOARD OF DIRECTORS

Section 1. Number, Election and Term of Directors.

The number of directors which shall constitute the whole Board of Directors shall be not less than five (5) and not more than eleven (11). Within the limits above specified, the number of the directors of the Corporation shall be determined by resolution adopted by the Board of Directors. All directors shall be elected annually. Except as provided in Section 2 of this Article II, directors shall be elected at the annual meeting of stockholders by a plurality of the votes cast at the applicable election and each director shall hold office until his or her successor is elected and qualified. The composition of the Board of Directors and the committees thereof shall comply with applicable requirements of the DGCL, the SEC and NASDAQ Stock Market, or such other organization, association or entity with which any class of the Corporation’s securities are listed.

Directors need not be residents of Delaware or stockholders of the Corporation. The Board of Directors shall designate one director as the Chairman of the Board (who may also be designated as Executive Chairman if serving as an employee of the Corporation), who shall preside at all meetings of the Board of Directors and of the stockholders of the Corporation. In the Chairman of the Board's absence, the duties as Chairman of the Board shall be attended to by any vice chairman of the Board of Directors, or if there is no vice chairman, or such vice chairman is absent, then by the President.

Section 2. Newly Created Directorships and Vacancies.

Newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board of Directors resulting from death, resignation, disqualification, removal from office or other cause shall, unless otherwise required by law or by resolution of the Board of Directors, be filled only by (i) the holders of a majority of the voting power of all then outstanding capital stock of the Corporation then entitled to vote generally in the election of directors at a meeting of stockholders called for such purpose or (ii) the unanimous written consent or vote of a majority of the directors then in office, though less than a quorum, and directors so chosen shall serve for a term expiring at the next annual meeting of stockholders, with each director to hold office until his or her successor shall have been duly elected and qualified. No decrease in the authorized number of directors shall shorten the term of any incumbent director.

Section 3. Regular Meetings.

Regular meetings of the Board of Directors shall be held at such place or places, on such date or dates, and at such time or times as shall have been established by the Board of Directors and publicized among all directors. A notice of each regular meeting shall not be required.

Section 4. Special Meetings.

Special meetings of the Board of Directors may be called by the Chairman of the Board, the Chief Executive Officer, or by the President, and shall be called by the Secretary on the written request of any two directors and shall be held at such place, on such date, and at such time as they or he or she shall fix. Notice of the place, date, and time of each such special meeting shall be given to each director by whom it is not waived by mailing written notice not less than five days before the meeting or by telephone or by telegraphing or telexing or by facsimile or electronic transmission of the same not less than 48 hours before the meeting. Unless otherwise indicated in the notice thereof, any and all business may be transacted at a special meeting.

Section 5. Quorum.

A majority of the Whole Board shall constitute a quorum for all purposes at any meeting of the Board of Directors. If a quorum shall fail to attend any meeting, a majority of those present may adjourn the meeting to another place, date, or time, without further notice or waiver thereof.

Section 6. Participation in Meetings By Conference Telephone.

Members of the Board of Directors, or of any committee thereof, may participate in a meeting of such Board of Directors or committee by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other and such participation shall constitute presence in person at such meeting.

Section 7. Conduct of Business.

At any meeting of the Board of Directors, business shall be transacted in such order and manner as the Board of Directors may from time to time determine, and, except as otherwise expressly required by law, all matters shall be determined by the affirmative vote of a majority of the directors present at any meeting at which a quorum is present. Action may be taken by the Board of Directors without a meeting if all members thereof consent thereto in writing or by electronic transmission, and the writing or writings or electronic transmission or transmissions are filed with the minutes of proceedings of the Board of Directors. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

Section 8. Compensation of Directors.

Unless otherwise restricted by the Certificate of Incorporation, the Board of Directors shall have the authority to fix the compensation of the directors. The directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or paid a stated salary or paid other compensation as director. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed compensation for attending committee meetings.

Section 9. Action Without Meeting.

Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof as provided in Article II, may be taken without a meeting, if a written consent thereto is signed by all (or such lesser proportion as may be permitted by the DGCL) of the members of the Board of Directors or of such committee, as the case may be.

ARTICLE III - COMMITTEES

Section 1. Committees of the Board of Directors.

The Board of Directors may from time to time designate committees of the Board of Directors, with such lawfully delegable powers and duties as it thereby confers, to serve at the pleasure of the Board of Directors and shall, for those committees and any others provided for herein, elect a director or directors to serve as the member or members, designating, if it desires, other directors as alternate members who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of any member of any committee and any alternate member in his or her place, the member or members of the committee present at the

meeting and not disqualified from voting, whether or not he or she or they constitute a quorum, may by unanimous vote appoint another member of the Board of Directors to act at the meeting in the place of the absent or disqualified member.

Section 2. Audit Committee.

An audit committee of the Board of Directors (the "Audit Committee") shall consist of at least three directors designated annually by the Board of Directors at its first regular meeting held pursuant to Section 3 of Article II after the annual meeting of stockholders or as soon thereafter as conveniently possible. The Audit Committee shall consist solely of directors who are "independent" as determined under the corporate governance standards of the NASDAQ Stock Market applicable to the Corporation and satisfy the requirements of SEC Rule 10A-3. At least one of the members of the Audit Committee shall be determined by the Board of Directors to be an "audit committee financial expert" as defined in SEC Rule 407(d)(5). Members of the Audit Committee shall review and supervise the financial controls of the Corporation, make recommendations to the Board of Directors regarding the Corporation's auditors, review the books and accounts of the Corporation, meet with the officers of the Corporation regarding the Corporation's financial controls, act upon recommendations of the auditors and take such further action as the Audit Committee deems necessary to complete an audit of the books and accounts of the Corporation.

Section 3. Compensation Committee.

The compensation committee of the Board of Directors (the "Compensation Committee") shall consist of two or more directors to be designated annually by the Board of Directors at its first regular meeting held pursuant to Section 3 of Article II after the annual meeting of stockholders or as soon thereafter as conveniently possible. Each member of the Compensation Committee shall be "independent" as determined under the corporate governance standards of the NASDAQ Stock Market applicable to the Corporation. The Compensation Committee shall review with management cash and other compensation policies for employees, shall determine the compensation of the Chief Executive Officer and each of the other executive officers of the Corporation and shall make recommendations to the Chief Executive Officer regarding the compensation to be established for all other officers of the Corporation. In addition, the Compensation Committee shall have full power and authority to administer the Corporation's stock plans and, within the terms of the respective stock plans, determine the terms and conditions of issuances thereunder.

Section 4. Directors' Nominating Committee.

A directors' nominating committee of the Board of Directors (the "Nominating Committee") shall be designated annually by the Board of Directors at its first regular meeting held pursuant to Section 3 of Article II after the annual meeting of stockholders or as soon thereafter as conveniently possible. The Nominating Committee shall consist solely of directors who are "independent" as determined under the corporate governance standards of the NASDAQ Stock Market applicable to the Corporation. The members of the Nominating Committees shall evaluate and select or recommend to the Board of Directors candidates to fill positions on the Board of Directors.

Section 5. Conduct of Business.

Each committee may determine the procedural rules for meeting and conducting its business and shall act in accordance therewith, except as otherwise provided herein or required by law. Adequate provision shall be made for notice to members of all meetings; a majority of the members shall constitute a quorum unless the committee shall consist of one or two members, in which event one member shall constitute a quorum; and all matters shall be determined by a majority vote of the members present. Action may be taken by any committee without a meeting if all members thereof consent thereto in writing or by electronic transmission, and the writing or writings or electronic transmission or transmissions are filed with the minutes of the proceedings of such committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form. The Board of Directors may designate one (1) or more appropriate directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of such committee. In the absence or disqualification of any members of such committee or committees, the member or members thereof present at any meeting and not disqualified from voting, whether or not he, she or they constitute a quorum, may unanimously appoint another appropriate member of the Board of Directors to act at the meeting in the place of any absent or disqualified member.

Section 6. Minutes.

Each committee of directors shall keep regular minutes of its proceedings and report the same to the Board of Directors when required. The Corporation's Secretary, any Assistant Secretary or any other designated person shall (a) serve as the Secretary of the special or standing committees of the Board of Directors of the Corporation, (b) keep regular minutes of standing or special committee proceedings, (c) make available to the Board of Directors, as required, copies of all resolutions adopted or minutes or reports of other actions recommended or taken by any such standing or special committee and (d) otherwise as requested keep the members of the Board of Directors apprised of the actions taken by such standing or special committees.

ARTICLE IV - OFFICERS

Section 4. President.

The President, subject to the control of the Board of Directors, the Executive Chairman (if any) and the Chief Executive Officer, shall in general supervise and control the business and affairs of the Corporation. The President shall keep the Board of Directors, the Chairman of the Board and the Chief Executive Officer fully informed as they or any of them shall request and shall consult them concerning the business of the Corporation. In general, he or she shall perform all other duties normally incident to the office of the President, except any duties expressly delegated to other persons by these bylaws, the Board of Directors, and such other duties as may be prescribed by the stockholders, the Board of Directors, the Chairman of the Board or the Chief Executive Officer, from time to time.

Section 5. Vice President.

In the absence of the President, or in the event of his or her inability or refusal to act, the Senior Executive Vice President (or in the event there shall be more than one Vice President designated Senior Executive Vice President, any Senior Executive Vice President designated by the Board of Directors), or in the event of the Senior Executive Vice President's inability or refusal to act, the Executive Vice President (or in the event there shall be more than one such officer, any such officer designated by the Board of Directors) shall perform the duties and exercise the powers of the President. Any Vice President authorized by resolution of the Board of Directors to do so, may sign with any other officer of the Corporation thereunto authorized by the Board of Directors, certificates for shares of capital stock of the Corporation, the issuance of which shall have been authorized by resolution of the Board of Directors. The Assistant Secretaries and Assistant Treasurers shall, in general, perform such duties as shall be assigned to them by the Secretary or the Treasurer, respectively, or by the Chairman of the Board, the Chief Executive Officer, the President or the Board of Directors. The Assistant Secretaries or Assistant Treasurers shall, in the absence of the Secretary or Treasurer, respectively, perform all functions and duties which such absent officers may delegate, but such delegation shall not relieve the absent officer from the responsibilities and liabilities of his or her office. The Assistant Treasurers shall respectively, if required by the Board of Directors, give bonds for the faithful discharge of their duties in such sums and with such sureties as the Board of Directors shall determine.

Section 9. Chief Financial Officer.

ARTICLE V - STOCK

Section 1. Certificates of Stock.

Each holder of stock represented by certificates shall be entitled to a certificate signed by, or in the name of the Corporation by, the President or a Vice President, and by the Secretary or an Assistant Secretary, or the Treasurer or an Assistant Treasurer, certifying the number of shares owned by him or her. Any or all of the signatures on the certificate may be by facsimile.

Section 2. Transfers of Stock.

Transfers of stock shall be made only upon the transfer books of the Corporation kept at an office of the Corporation or by transfer agents designated to transfer shares of the stock of the Corporation. Except where a certificate is issued in accordance with Section 4 of Article V of these Bylaws, an outstanding certificate for the number of shares involved, if one has been issued, shall be surrendered for cancellation before a new certificate, if any, is issued therefor.

Section 3. Record Date.

In order that the Corporation may determine the stockholders entitled to notice of any meeting of stockholders or any adjournment thereof, the Board of Directors may, except as otherwise required by law, fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than 60 nor less than 10 days before the date of such meeting. If the Board of Directors so fixes a date, such date shall also be the record date for determining the stockholders entitled to vote at such meeting unless the Board of Directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of and to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for determination of stockholders entitled to vote at the adjourned meeting, and in such case shall also fix as the record date for stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of stockholders entitled to vote in accordance with the foregoing provisions of this Section 3 at the adjourned meeting.

In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than 60 days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

Section 4. Lost, Stolen or Destroyed Certificates.

In the event of the loss, theft or destruction of any certificate of stock, another may be issued in its place pursuant to such regulations as the Board of Directors may establish concerning proof of such loss, theft or destruction and concerning the giving of a satisfactory bond or bonds of indemnity.

Section 5. Regulations.

The issue, transfer, conversion and registration of certificates of stock shall be governed by such other regulations as the Board of Directors may establish.

ARTICLE VI - NOTICES

Section 1. Notices.

If mailed, notice to stockholders shall be deemed given when deposited in the mail, postage prepaid, directed to the stockholder at such stockholder's address as it appears on the records of the Corporation. Without limiting the manner by which notice otherwise may be given effectively to stockholders, any notice to stockholders may be given by electronic transmission in the manner provided in Section 232 of the DGCL.

Section 2. Waivers.

A written waiver of any notice, signed by a stockholder or director, or waiver by electronic transmission by such person, whether given before or after the time of the event for which notice is to be given, shall be deemed equivalent to the notice required to be given to such person. Neither the business nor the purpose of any meeting need be specified in such a waiver. Attendance at any meeting shall constitute waiver of notice except attendance for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened.

ARTICLE VII - MISCELLANEOUS

Section 1. Facsimile Signatures.

In addition to the provisions for use of facsimile signatures elsewhere specifically authorized in these Bylaws, facsimile signatures of any officer or officers of the Corporation may be used whenever and as authorized by the Board of Directors or a committee thereof.

Section 2. Corporate Seal.

The Board of Directors may provide a suitable seal, containing the name of the Corporation, which seal shall be in the charge of the Secretary. If and when so directed by the Board of Directors or a committee thereof, duplicates of the seal may be kept and used by the Treasurer or by an Assistant Secretary or Assistant Treasurer.

Section 3. Reliance upon Books, Reports and Records.

Each director, each member of any committee designated by the Board of Directors, and each officer of the Corporation shall, in the performance of his or her duties, be fully protected in relying in good faith upon the books of account or other records of the Corporation and upon such information, opinions, reports or statements presented to the Corporation by any of its officers or employees, or committees of the Board of Directors so designated, or by any other person as to matters which such director, committee member or officer reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation.

Section 4. Fiscal Year.

The fiscal year of the Corporation shall be as fixed by the Board of Directors.

Section 5. Time Periods.

In applying any provision of these Bylaws which requires that an act be done or not be done a specified number of days prior to an event or that an act be done during a period of a specified number of days prior to an event, calendar days shall be used, the day of the doing of the act shall be excluded, and the day of the event shall be included.

ARTICLE VIII – SHAREHOLDER RIGHTS PLAN

Any Rights Plan adopted by the Board of Directors shall have a triggering "Acquiring Person" beneficial ownership threshold of 25% or higher. If the Board of Directors adopts a Rights Plan, such Rights Plan will be put to a vote of stockholders within 135 days of the date of adoption of such Rights Plan (the "135th Day Deadline"). If the Corporation fails to hold a stockholder vote on or prior to the 135th Day Deadline, then the Rights Plan shall automatically terminate on the 135th Day Deadline. If a stockholder vote is held on the Rights Plan and it is not approved by the holders of a majority of shares voted, then the Rights Plan shall expire on a date not later than the 135th Day Deadline. "Rights Plan" shall mean any plan or arrangement of the sort commonly referred to as a "rights plan" or "stockholder rights plan" or "shareholder rights plan" or "poison pill" that is designed to increase the cost to a potential acquirer of exceeding the applicable ownership thresholds through the issuance of common stock, new rights or preferred shares (or any other security or device that may be issued to stockholders of the Corporation, other than ratably to all stockholders of the Corporation) that carry severe redemption provisions, favorable purchase provisions or otherwise, and any related rights agreement. The term "beneficial ownership" as used in the Rights Plan shall mean beneficial ownership as such term is defined in Rule 13d-3 promulgated by the United States Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (as now or hereafter amended).

ARTICLE IX - INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 1. Right to Indemnification.

Each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she is or was a director or an officer of the Corporation or is or was serving at the request of the Corporation as a director, officer or trustee of another Corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan (hereinafter an "indemnitee"), whether the basis of such proceeding is alleged action in an official capacity as a director, officer or trustee or in any other capacity while serving as a director, officer or trustee, shall be indemnified and held harmless by the Corporation to the fullest extent permitted by Delaware law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than such law permitted the Corporation to provide prior to such amendment), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith; provided, however, that, except as provided in Section 3 of this Article IX with respect to proceedings to enforce rights to indemnification, the Corporation shall indemnify any such indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board of Directors of the Corporation.

Section 2. Right to Advancement of Expenses.

In addition to the right to indemnification conferred in Section 1 of this Article IX, an indemnitee shall also have the right to be paid by the Corporation the expenses (including attorney's fees) incurred in defending any such proceeding in advance of its final disposition (hereinafter an "advancement of expenses"); provided, however, that, if the DGCL requires, an advancement of expenses incurred by an indemnitee in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the Corporation of an undertaking (hereinafter an "undertaking"), by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal (hereinafter a "final adjudication") that such indemnitee is not entitled to be indemnified for such expenses under this Section 2 or otherwise.

Section 3. Right of Indemnitee to Bring Suit.

If a claim under Section 1 or 2 of this Article IX is not paid in full by the Corporation within 60 days after a written claim has been received by the Corporation, except in the case of a claim for an advancement of expenses, in which case the applicable period shall be 20 days, the indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim. To the fullest extent permitted by law, if successful in whole or in part in any such suit, or in a suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the indemnitee shall be entitled to be paid also the expense of prosecuting or defending such suit. In (i) any suit brought by the indemnitee to enforce a right to indemnification hereunder (but not in a suit brought by the indemnitee to enforce a right to an advancement of expenses) it shall be a defense that, and (ii) in any suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall be entitled to recover such expenses upon a final adjudication that, the indemnitee has not met any applicable standard for indemnification set forth in the DGCL. Neither the failure of the Corporation (including its directors who are not parties to such action, a

committee of such directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such suit that indemnification of the indemnitee is proper in the circumstances because the indemnitee has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel, or its stockholders) that the indemnitee has not met such applicable standard of conduct, shall create a presumption that the indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the indemnitee, be a defense to such suit. In any suit brought by the indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Article IX or otherwise shall be on the Corporation.

Section 4. Non-Exclusivity of Rights.

The rights to indemnification and to the advancement of expenses conferred in this Article IX shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, the Corporation's Certificate of Incorporation, Bylaws, agreement, vote of stockholders or directors or otherwise.

Section 5. Insurance.

The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another Corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL.

Section 6. Indemnification of Employees and Agents of the Corporation.

The Corporation may, to the extent authorized from time to time by the Board of Directors, grant rights to indemnification and to the advancement of expenses to any employee or agent of the Corporation to the fullest extent of the provisions of this Article with respect to the indemnification and advancement of expenses of directors and officers of the Corporation.

Section 7. Nature of Rights.

The rights conferred upon indemnitees in this Article IX shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a director, officer or trustee and shall inure to the benefit of the indemnitee's heirs, executors and administrators. Any amendment, alteration or repeal of this Article IX that adversely affects any right of an indemnitee or its successors shall be prospective only and shall not limit, eliminate, or impair any such right with respect to any proceeding involving any occurrence or alleged occurrence of any action or omission to act that took place prior to such amendment or repeal.

ARTICLE X - AMENDMENTS

In furtherance and not in limitation of the powers conferred by law, the Board of Directors is expressly authorized to adopt, amend and repeal these Bylaws subject to the power of the holders of capital stock of the Corporation to adopt, amend or repeal the Bylaws; provided, however, that, with respect to the power of holders of capital stock to adopt, amend and repeal Bylaws of the Corporation, notwithstanding any other provision of these Bylaws or any provision of law which might otherwise permit a lesser vote or no vote, but in addition to any affirmative vote of the holders of any particular class or series of the capital stock of the Corporation required by law, these Bylaws or any preferred stock, the affirmative vote of the holders of a majority of the voting power of all of the then-outstanding shares entitled to vote generally in the election of directors, voting together as a single class, shall be required to adopt, amend or repeal any provision of these Bylaws.

ARTICLE XI – SECTION 203 OF THE DGCL

The Corporation shall not be governed by or subject to the provisions of Section 203 of the DGCL as now in effect or hereafter amended, or any successor statute thereto.

SECOND SUPPLEMENTAL INDENTURE dated as of July 20, 2020 (this "**Second Supplemental Indenture**"), among CAESARS ENTERTAINMENT CORPORATION, a Delaware corporation (the "**Company**"), ELDORADO RESORTS, INC., a Nevada corporation ("**Parent**"), and DELAWARE TRUST COMPANY, as trustee under the Indenture referred to below (the "**Trustee**").

W I T N E S S E T H:

WHEREAS, the Company and the Trustee are parties to an Indenture, dated as of October 6, 2017 (the "**Indenture**"), pursuant to which the Company issued its 5.00% Convertible Senior Notes due 2024 (the "**Notes**");

WHEREAS, the Company and the Trustee are parties to the First Supplemental Indenture, dated as of November 27, 2019 (the "**First Supplemental Indenture**"), which amended the Indenture (the Indenture, as so amended, the "**Original Indenture**" and the Original Indenture as amended by this Second Supplemental Indenture, the "**Supplemented Indenture**");

WHEREAS, the Company entered into an Agreement and Plan of Merger, dated as of June 24, 2019, as amended by Amendment No. 1 to Agreement and Plan of Merger, dated as of August 15, 2019, and as it may be further amended from time to time, (the "**Merger Agreement**") by and among the Company, Parent and Colt Merger Sub, Inc., a Delaware corporation and a direct wholly owned Subsidiary of Parent ("**Merger Sub**");

WHEREAS, pursuant to the Merger Agreement and subject to the terms and conditions therein, Merger Sub will merge with and into the Company (the "**Merger**"), whereupon the separate corporate existence of Merger Sub shall cease, and the Company will continue as the surviving corporation in the Merger and a wholly owned subsidiary of Parent;

WHEREAS, pursuant to the Merger Agreement and subject to the terms and conditions therein, at the effective time of the Merger (the "**Effective Time**"), each share of common stock, par value $0.001 per share, of the Company (the "**Company Common Stock**") issued and outstanding immediately prior to the Effective Time (other than the shares of Company Common Stock held by the Company, Merger Sub, Parent or any direct or indirect wholly owned subsidiary of the Company or Parent) will be converted into the right to receive cash or shares of common stock, par value $0.00001 of Parent (the "**Parent Common Stock**") at the election of the holder thereof, subject to the terms and conditions set forth in the Merger Agreement (the "**Consideration Election**");

WHEREAS, Parent desires to fully and unconditionally guarantee (the "**Note Guarantee**") all of the payment obligations of the Company under the Notes and the Original Indenture so as to make available the exemptions from the registration requirements of the Securities Act of 1933, as amended (the "**Act**"), provided by Section 3(a)(9) of the Act and Rule 144(d)(3)(ii) of the Act, in each case, for shares of Parent Common Stock delivered upon conversion of the Notes following the Merger;

WHEREAS, pursuant to Section 9.01 of the Indenture, the Company and the Trustee may enter into indentures supplemental to the Original Indenture for the purpose of, among other things, (i) adding a guarantor with respect to the Notes, or (ii) in connection with any Share Exchange Event, providing that the Notes become convertible into Reference Property, as required under Section 10.08 of the Indenture, and to effect the related changes to the terms of the Notes required under Section 10.08 of the Indenture, in each case, in accordance with the applicable provisions of the Original Indenture;

WHEREAS, in connection with the execution and delivery of this Second Supplemental Indenture, the Trustee has received an Officer's Certificate and an Opinion of Counsel as contemplated by Sections 5.01(a)(vi), 9.06, 10.08(c), 13.04 and 13.05 of the Indenture;

WHEREAS, the Company and Parent have requested and hereby request that the Trustee execute and deliver this Second Supplemental Indenture and have satisfied all requirements necessary to make this Second Supplemental Indenture a valid and binding instrument, enforceable against each of the Company and the Parent in accordance with its terms.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Company, Parent and the Trustee mutually covenant and agree for the equal and ratable benefit of the Holders as follows:

ARTICLE I
DEFINITIONS

Section 1.01 Definitions in this Second Supplemental Indenture. A term defined in the Original Indenture has the same meaning when used in this Second Supplemental Indenture unless such term is otherwise defined herein or amended or supplemented pursuant to this Second Supplemental Indenture. The words "herein," "hereof," "hereunder," and words of similar import refer to this Second Supplemental Indenture as a whole and not to any particular Article, Section or other subdivision.

ARTICLE II
EFFECT OF MERGER ON CONVERSION RIGHT

Section 2.01 Parent to Provide Parent Common Stock. Parent hereby irrevocably and unconditionally agrees to be bound by the terms of the Supplemented Indenture applicable to it and to issue shares of Parent Common Stock as necessary to satisfy the Company's obligations with respect to any Notes validly surrendered for conversion pursuant to Article X of the Indenture.

Section 2.02 Conversion Right. (a) The Company and Parent expressly agree that, in accordance with Section 10.08 of the Indenture, at and after the Effective Time, the Holder of each Note that was outstanding as of the Effective Time shall have the right to convert each $1.00 principal amount of such Note into a number of Units of Reference Property equal to the Conversion Rate and the term "Settlement Amount" shall be interpreted accordingly. The Conversion Rate immediately following the Effective Time will be 0.138998325 Units of Reference Property for each $1.00 principal amount of Notes (prior to giving effect to any Make-Whole Applicable Increase).

"Unit of Reference Property" shall mean, collectively, the weighted average per share of Common Stock of the (i) number of shares of Parent Common Stock and (ii) amount of cash received as consideration in the Merger by the holders of Common Stock that affirmatively make the Consideration Election.

(b) The provisions of the Original Indenture, as modified herein, including without limitation, (i) all references and provisions respecting the terms "Common Stock," "Conversion Price," "Conversion Rate," "Conversion Shares," "Daily Conversion Value," "Daily VWAP," "Ex-Dividend Date," "Last Reported Sale Price," "Observation Period," "Settlement Amount," "VWAP Market Disruption Event," and "VWAP Trading Day" shall continue to apply, *mutatis mutandis*, to the Holders' right to convert their Notes into Units of Reference Property. The Conversion Rate shall be adjusted as a result of events occurring subsequent to the date hereof with respect to the Reference Property as nearly equivalent as may be practicable to the adjustments of the Conversion Rate provided for in Article X of the Indenture.

ARTICLE III
PARENT GUARANTEE

Section 3.01 Guarantee. Subject to the provisions of this Article III, Parent hereby irrevocably and unconditionally guarantees, on a senior unsecured basis, to the Holders and to the Trustee the full and punctual payment (whether at stated maturity, by declaration of acceleration, upon required repurchase, upon conversion or otherwise) of the principal of, the Settlement Amount, if any, premium, if any, and interest on, and all other amounts payable under, each Note, and the full and punctual payment of all other amounts payable by the Company under the Supplemented Indenture. Upon failure by the Company to pay punctually any such amount, Parent shall forthwith on demand pay the amount not so paid at the place and in the manner specified in the Supplemented Indenture.

Section 3.02 Guarantee Unconditional. The obligations of Parent hereunder are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by:

(a) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Supplemented Indenture or any Note, by operation of law or otherwise;

(b) any modification or amendment of or supplement to the Supplemented Indenture or any Note;

(c) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Supplemented Indenture or any Note;

(d) the existence of any claim, set-off or other rights which Parent may have at any time against the Company, the Trustee or any other Person, whether in connection with the Supplemented Indenture or any unrelated transactions, *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim;

(e) any invalidity or unenforceability relating to or against the Company for any reason of the Supplemented Indenture or any Note, or any provision of applicable law or regulation purporting to prohibit the payment by the Company of the principal of or interest on any Note or any other amount payable by the Company under the Supplemented Indenture; or

(f) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to Parent's obligations hereunder.

Section 3.03 Discharge; Reinstatement. Parent's obligations hereunder will remain in full force and effect until the principal of, premium, if any, the Settlement Amount, if any, and interest on the Notes and all other amounts payable by the Company under the Supplemented Indenture have been paid in full. If at any time any *payment* of the principal of, premium, if any, or interest on any Note or any other amount payable by the Company under the Supplemented Indenture is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Company or otherwise, Parent's obligations hereunder with respect to such payment will be reinstated as though such payment had been due but not made at such time.

Section 3.04 Waiver by the Guarantor. Parent irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Company or any other Person.

Section 3.05 Subrogation and Contribution. Upon making any payment with respect to any obligation of the Company under this Article, Parent will be subrogated to the rights of the payee against the Company with respect to such obligation, *provided* that Parent may not enforce either any right of subrogation, or any right to receive payment in the nature of contribution, or otherwise, from any other Guarantor, with respect to such payment so long as any amount payable by the Company hereunder or under the Notes remains unpaid.

Section 3.06 Stay of Acceleration. If acceleration of the time for payment of any amount payable by the Company under the Supplemented Indenture or the Notes is stayed upon the insolvency, bankruptcy or reorganization of the Company, all such amounts otherwise subject to acceleration under the terms of the Supplemented Indenture are nonetheless payable by Parent hereunder forthwith on demand by the Trustee or the Holders.

Section 3.07 Execution and Delivery of Guarantee. The execution by Parent of this Second Supplemental Indenture evidences the Note Guarantee, whether or not the person signing as an officer of Parent still holds that office at the time any payment under the Note Guarantee is due.

Section 3.08 Release of Guarantee. The Note Guarantee will terminate upon defeasance or discharge of the Notes, as provided in Article VIII of the Indenture. Upon delivery by the Company to the

Trustee of an Officer's Certificate and an Opinion of Counsel to the foregoing effect, the Trustee will execute any documents reasonably required in order to evidence the release of Parent from its obligations under the Note Guarantee.

ARTICLE IV
MISCELLANEOUS

Section 4.01 Ratification of Indenture. The Original Indenture, as supplemented by this Second Supplemental Indenture, is in all respects ratified and confirmed, and this Second Supplemental Indenture shall be deemed part of the Original Indenture in the manner and to the extent herein and therein provided.

Section 4.02 Conflict with Indenture. To the extent not expressly amended or modified by this Second Supplemental Indenture, the Original Indenture shall remain in full force and effect. If any provision of this Second Supplemental Indenture is inconsistent with any provision of the Original Indenture, the provision of this Second Supplemental Indenture shall control.

Section 4.03 Successors. All agreements of the Company, the Parent and the Trustee in the Supplemented Indenture shall bind their respective successors.

Section 4.05 Counterparts. This Second Supplemental Indenture may be executed in any number of counterparts, each of which shall be an original, but such counterparts shall together constitute but one and the same instrument. The exchange of copies of this Second Supplemental Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Second Supplemental Indenture as to the parties hereto and may be used in lieu of the original Second Supplemental Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

The words "execution," "signed," "signature," and words of like import in this Second Supplemental Indenture shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 4.06 Headings. The headings of the Articles and Sections of this Second Supplemental Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

Section 4.07 Severability. In case any provision in this Second Supplemental Indenture shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and such provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability.

Section 4.08 Trustee Not Responsible for Recitals. The recitals and statements herein contained are made solely by the Company and the Parent and not by the Trustee, and the Trustee assumes no responsibility for the correctness thereof. The Trustee makes no representation as to the validity, adequacy or sufficiency of this Second Supplemental Indenture. All of the provisions contained in the Indenture in respect of the rights, privileges, protections, benefits, immunities, powers, and duties of the Trustee shall be applicable in respect of this Second Supplemental Indenture as fully and with like force and effect as though set forth in full herein.

For purposes of (i) determining compliance with any provision of this Agreement or any other Loan Document that requires the calculation of the Senior Secured Leverage Ratio, the Total Secured Leverage Ratio, the Total Leverage Ratio, the Fixed Charge Coverage Ratio or the Borrower's Liquidity, (ii) determining compliance with representations, warranties, Defaults or Events of Default or the Covenant Relief Period Conditions or (iii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of EBITDA or total assets), in each case, in connection with (a) a Permitted Business Acquisition

or other Investment permitted hereunder (including Permitted Business Acquisitions and other Investments subject to a letter of intent or purchase agreement) by the Borrower and/or any Subsidiaries, or (b) any unconditional repayment or redemption of, or offer to purchase, any Indebtedness of the Borrower or any subsidiary (any such transaction referred to in clauses (a) and (b), and any action to be taken in connection therewith (including the incurrence, issuance or repayment of any Indebtedness, the granting of any Liens, the making of any Restricted Payment or Investment, the consummation of any acquisition or disposition, and any designation or revocation of a designation of an Unrestricted Subsidiary), a "Limited Condition Transaction"), at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election") (and regardless of whether or not the applicable provision makes express reference to this Section 1.07, a Limited Condition Transaction, an LCT Election or an LCT Test Date), the date of determination of whether any such Limited Condition Transaction or action to be taken in connection therewith is permitted under this Agreement (including for purposes of determining the Dollar equivalent amount of any Limited Condition Transaction denominated in currencies other than Dollars) shall be deemed to be the date the definitive agreements for such Limited Condition Transaction (or commitments with respect to Indebtedness to be incurred in connection therewith) are entered into (the "LCT Test Date"), and if, after giving effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith on a Pro Forma Basis as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such representation, warranty, absence of Default or Event of Default, Covenant Relief Period Conditions, liquidity requirement, ratio or basket, such representation, warranty, absence of Default or Event of Default, ratio or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket (including due to fluctuations of the target of any Limited Condition Transaction) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) had been consummated.

SECTION 1.08. Additional Alternate Currencies for Loans and Letters of Credit.

(a) The Borrower may from time to time request that Eurocurrency Revolving Loans and/or Letters of Credit be made in a currency other than Dollars, Canadian Dollars, Euros, Pound Sterling or Japanese Yen; *provided* that such requested currency is a lawful currency (other than Dollars, Canadian Dollars, Euros, Pound Sterling or Japanese Yen) that is readily available and freely transferable and convertible into Dollars. Such request shall be subject to the approval of the Administrative Agent.

(b) Any such request shall be made to the Administrative Agent not later than 11:00 a.m., Local Time 20 Business Days prior to the date of the desired Credit Event (or such other time or date as may be agreed by the Administrative Agent, in its sole discretion).

(c) In the case of a request for a Eurocurrency Revolving Loan of a Class in such other currency, the Administrative Agent shall promptly notify each Revolving Facility Lender of the applicable Class thereof. Each Revolving Facility Lender of the applicable Class shall notify the Administrative Agent, not later than 11:00 a.m., Local Time 10 Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Eurocurrency Revolving Loans in such requested currency.

(d) Any failure by a Revolving Facility Lender of the applicable Class to respond to such request within the time period specified in the preceding sentence shall be deemed to be a refusal by such Revolving Facility Lender to permit Eurocurrency Revolving Loans of the applicable Class to be made in such requested currency. If the Administrative Agent and all Revolving Facility Lenders of the applicable Class consent to making Eurocurrency Revolving Loans in such requested currency, the Administrative Agent shall so notify the Borrower and such currency shall thereupon be deemed for all purposes to be an Alternate Currency hereunder for purposes of any Borrowings of Eurocurrency Revolving Loans of the applicable Class. If the Administrative Agent shall fail to obtain consent to any request for an additional currency under this Section 1.08, the Administrative Agent shall promptly so notify the Borrower.

(e) In the case of a request for a Letter of Credit in such other currency, the Administrative Agent shall promptly notify the applicable L/C Issuer thereof. Such L/C Issuer shall notify the Administrative Agent, not later than 11:00 a.m., Local Time 10 Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Letters of Credit in such requested currency.

(f) Any failure by an L/C Issuer to respond to such request within the time period specified in the preceding sentence shall be deemed to be a refusal by such L/C Issuer to issue Letters of Credit in such requested currency. If the Administrative Agent and the applicable L/C Issuer consent to making Letters of Credit in such requested currency, the Administrative Agent shall so notify the Borrower and such currency shall thereupon be deemed for all purposes to be an Alternate Currency hereunder for purposes of any Letters of Credit issued by such L/C Issuer. If the Administrative Agent shall fail to obtain consent to any request for an additional currency under this Section 1.08, the Administrative Agent shall promptly so notify the Borrower.

SECTION 1.09. Change of Currency.

(a) Each obligation of the Borrower to make a payment denominated in the national currency unit of any member state of the European Union that adopts the Euro as its lawful currency after the date hereof shall be redenominated into Euro at the time of such adoption (in accordance with the EMU Legislation). If, in relation to the currency of any such member state, the basis of accrual of interest expressed in this Agreement in respect of that currency shall be inconsistent with any convention or practice in the London interbank market for the basis of accrual of interest in respect of the Euro, such expressed basis shall be replaced by such convention or practice with effect from the date on which such member state adopts the Euro as its lawful currency; *provided* that if any Borrowing in the currency of such member state is outstanding immediately prior to such date, such replacement shall take effect, with respect to such Borrowing, at the end of the then current Interest Period.

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent and the Borrower may from time to time specify to be appropriate to reflect the adoption of the Euro by any member state of the European Union and any relevant market conventions or practices relating to the Euro.

(c) Each provision of this Agreement also shall be subject to such reasonable changes of construction as the Administrative Agent and the Borrower may from time to time specify to be appropriate to reflect a change in currency of any other country and any relevant market conventions or practices relating to the change in currency.

SECTION 1.10. Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the amount of such Letter of Credit in effect at such time; *provided*, *however*, that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases (including, without limitation, for purposes of calculating any fees related thereto), whether or not such maximum stated amount is in effect at such time.

SECTION 1.11. Basket and Ratio Calculations. Notwithstanding anything in this Agreement or any other Loan Document to the contrary (i) unless the Borrower elects otherwise, if the Borrower or its Subsidiaries in connection with the consummation of any transaction or series of related transactions (A) incurs Indebtedness, creates Liens, makes asset sales or other dispositions, makes Investments, makes Restricted Payments, designates any subsidiary as restricted or unrestricted or repays any Indebtedness or takes any other action under or as permitted by a ratio-based basket and (B) incurs Indebtedness, creates Liens, makes asset sales or other dispositions, makes Investments, makes Restricted Payments, designates any subsidiary as restricted or unrestricted or repays any Indebtedness or takes any other action under a non-ratio-based basket (which shall occur on the same Business Day as the events in clause (A) above) under the same covenant, then the applicable ratio will be calculated with respect to any such action under the applicable ratio-based basket under the same covenant without regard to any such action under such non-ratio-based basket made in connection with such transaction or series of related transactions and (ii) if the Borrower or its Subsidiaries enters into any revolving, delayed draw or other committed debt facility, the Borrower may elect to determine compliance of such debt facility (including the incurrence of Indebtedness and Liens from time to time in connection therewith) with this Agreement and each other Loan Document on the date definitive loan documents with respect thereto are executed by all parties thereto, assuming the full amount of such facility is incurred (and any applicable Liens are granted) on such date, in lieu of determining such compliance on any subsequent date (including any date on which Indebtedness is incurred pursuant to such facility).

SECTION 1.12. Divisions. Any reference in this Agreement or any other Loan Document to a merger, transfer, consolidation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, limited partnership or trust, or an allocation of assets to a series of a limited liability company, limited partnership or trust (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, assignment, sale or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company, limited partnership or trust shall constitute a separate Person under this Agreement and the other Loan Documents (and each division of any limited liability company, limited partnership or trust that is a Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

ARTICLE II
The Credits

SECTION 2.01. Commitments. Subject to the terms and conditions set forth herein:

(a) each Lender with a Revolving Facility Commitment of a Class agrees to make Revolving Facility Loans of such Class to the Borrower from time to time during the Availability Period for such Class of Revolving Facility in Dollars and each Alternate Currency in an aggregate principal amount that will not result in (i) such Lender's Revolving Facility Credit Exposure of such Class exceeding such Lender's Revolving Facility Commitment of such Class and (ii) the Revolving Facility Credit Exposure of such Class exceeding the total Revolving Facility Commitments under such Class of Revolving Facility; *provided* the amount of Revolving Facility Loans borrowed on the Closing Date shall not exceed $600.0 million. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Facility Loans;

(b) each Lender having an Incremental Term Loan Commitment agrees, subject to the terms and conditions set forth in the applicable Incremental Assumption Agreement, to make Incremental Term Loans to the Borrower, in an aggregate principal amount not to exceed its Incremental Term Loan Commitment; and

(c) amounts borrowed under Section 2.01(b) and repaid or prepaid may not be reborrowed.

SECTION 2.02. Loans and Borrowings.

(a) Each Revolving Facility Loan and Term Loan shall be made as part of a Borrowing consisting of Loans under the same Facility and of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments under the applicable Facility; *provided*, *however*, that Revolving Facility Loans of any Class shall be made by the Revolving Facility Lenders of such Class ratably in accordance with their respective Revolving Facility Percentages of such Class on the date such Loans are made hereunder. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; *provided*, that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required by this Agreement.

(b) Subject to Section 2.14, each Borrowing of Revolving Facility Loans or Term Loans shall be comprised entirely of ABR Loans or Eurocurrency Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any ABR Loan or Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided*, that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement and such Lender shall not be entitled to any amounts payable under Section 2.15 or 2.17 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise.

(c) At the commencement of each Interest Period for any Eurocurrency Borrowing, such Borrowing shall be in an aggregate amount not less than the Borrowing Minimum and, in the case of a Eurocurrency Revolving Facility Borrowing, that is an integral multiple of the Borrowing Multiple. Subject to Section 2.05(c), at the time that each Term Borrowing or Revolving Facility Borrowing is made, such Borrowing shall be in an aggregate amount that is not less than the Borrowing Minimum and, in the case of a Eurocurrency Revolving Facility Borrowing, that is an integral multiple of the Borrowing Multiple; *provided*, that an ABR Revolving Facility Borrowing under any Revolving Facility may be in an aggregate amount that is equal to the entire unused balance of the Revolving Facility Commitments thereunder. Borrowings of more than one Type and under more than one Facility may be outstanding at the same time; *provided*, that there shall not at any time be more than a total of (i) eight Eurocurrency Borrowings outstanding under the Term Facilities and (ii) eight Eurocurrency Borrowings outstanding under the Revolving Facility.

(d) Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans or Commitments in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent and such Lender.

SECTION 2.03. Requests for Borrowings. (a) To request a Revolving Facility Borrowing and/or a Term Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone (a) in the case of a Eurocurrency Borrowing, not later than 10:00 a.m., Local Time, three Business Days before the date of any proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 10:00 a.m., Local Time, on the Business Day of the proposed Borrowing; *provided*, that, to request a Borrowing on the Closing Date, the Borrower shall notify the Administrative Agent of such request by telephone not later than 2:00 p.m., Local Time, one Business Day prior to the Closing Date; *provided further* that, in the case of an Alternate Currency Borrowing denominated in Japanese Yen, the Borrower shall notify the Administrative Agent of such request not later than 10:00 a.m. Local Time four Business Days prior to the date of such proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Borrowing Request in a form approved by the Administrative Agent and signed by a Responsible Officer of the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

(i) whether such Borrowing is to be a Borrowing of Revolving Facility Loans (and, if so, specifying the Class of Commitments under which such Borrowing is being made), Incremental Term Loans, Refinancing Term Loans, Other Revolving Loans or Replacement Revolving Loans, as applicable;

(ii) the aggregate amount of the requested Borrowing;

(iii) the date of such Borrowing, which shall be a Business Day;

(iv) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;

(v) in the case of a Eurocurrency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";

(vi) in the case of a Eurocurrency Revolving Facility Borrowing, the currency in which such Borrowing is to be denominated (which shall be Dollars or an Alternate Currency); and

(vii) the location and number of the Borrower's account to which funds are to be disbursed.

If no election as to the currency of any Revolving Facility Borrowing is made, then the requested Borrowing shall be made in Dollars. If no election as to the Type of Revolving Facility Borrowing or Term Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each applicable Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04. [Reserved].

SECTION 2.05. The Letter of Credit Commitment.

(a) General.

(i) Subject to the terms and conditions set forth herein, (A) the L/C Issuer agrees, in reliance upon the agreements of the Revolving Facility Lenders set forth in this Section 2.05, (1) from time

to time on any Business Day during the period from and including the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit under any Revolving Facility denominated in Dollars or any Alternate Currency for the account of the Borrower (or its subsidiaries or other Persons requested by the Borrower), and to amend or extend Letters of Credit previously issued by it, in accordance with clause (b) below, and (2) to honor drawings under the Letters of Credit; and (B) the Revolving Facility Lenders under each Revolving Facility severally agree to participate in Letters of Credit issued under such Revolving Facility for the account of the Borrower (or its subsidiaries or other Persons requested by the Borrower) and any drawings thereunder; *provided*, that no L/C Issuer shall be required to issue trade or commercial Letters of Credit without its prior written consent; *provided further* that after giving effect to any L/C Credit Extension with respect to any Letter of Credit under any Revolving Facility, (w) the total Revolving Facility Credit Exposure under such Revolving Facility shall not exceed the total Revolving Facility Commitments under such Revolving Facility, (x) no Lender's Revolving Facility Credit Exposure under such Revolving Facility shall exceed such Lender's Revolving Facility Commitment under such Revolving Facility and (y) the Outstanding Amount of the L/C Obligations shall not exceed the Letter of Credit Sublimit. Each request by the Borrower for the issuance or amendment of a Letter of Credit shall be deemed to be a representation by the Borrower that the L/C Credit Extension so requested complies with the conditions set forth in the proviso to the preceding sentence. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower or any Subsidiary may, during the foregoing period with respect to any Revolving Facility, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. All Existing Letters of Credit shall be deemed to have been issued pursuant hereto, and from and after the Closing Date shall be subject to and governed by the terms and conditions hereof.

(ii) The L/C Issuer shall not issue any Letter of Credit under any Revolving Facility, if:

(A) subject to Section 2.05(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last extension, unless the L/C Issuer with respect to such Letter of Credit and the Borrower have approved such expiry date (such approval not to be unreasonably withheld or delayed); or

(B) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date for such Revolving Facility, unless all the Revolving Facility Lenders under such Revolving Facility have approved such expiry date (such approval not to be unreasonably withheld or delayed) or the Borrower has agreed to Cash Collateralize such Letter of Credit prior to the Letter of Credit Expiration Date for such Revolving Facility.

(iii) The L/C Issuer shall not be under any obligation to issue any Letter of Credit under any Revolving Facility if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the L/C Issuer from issuing such Letter of Credit, or any Requirement of Law applicable to the L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the L/C Issuer shall prohibit, or request that the L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the L/C Issuer in good faith deems material to it;

(B) the issuance of such Letter of Credit would violate one or more policies of the L/C Issuer applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and the L/C Issuer, such Letter of Credit is in an initial stated amount less than $100,000, in the case of a commercial Letter of Credit, or $100,000, in the case of a standby Letter of Credit;

(D) such Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder;

(E) a default of any Revolving Facility Lender under such Revolving Facility to fund its obligations under Section 2.05(c) exists or any Revolving Facility Lender under such Revolving Facility is at such time a Defaulting Lender hereunder, unless the L/C Issuer has entered into satisfactory arrangements with the Borrower or such Revolving Facility Lender to eliminate the L/C Issuer's Fronting Exposure with respect to such Revolving Facility Lender; or

(F) the stated amount of such Letter of Credit would cause the aggregate stated amount of all outstanding Letters of Credit issued by the L/C Issuer to exceed the aggregate amount of such L/C Issuer's Letter of Credit Commitment (unless such L/C Issuer has consented thereto).

(iv) The L/C Issuer shall not amend any Letter of Credit if the L/C Issuer would not be permitted at such time to issue such Letter of Credit in its amended form under the terms hereof.

(v) The L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) the L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(vi) The L/C Issuer shall act on behalf of the Revolving Facility Lenders under the applicable Revolving Facility with respect to any Letters of Credit issued by it and the documents associated therewith, and the L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article VIII with respect to any acts taken or omissions suffered by the L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article VIII included the L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to the L/C Issuer.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to the L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the L/C Issuer and the Administrative Agent not later than (x) with respect to Letters of Credit denominated in Dollars, 12:00 p.m. Local Time at least two Business Days (or such later date and time as the Administrative Agent and the L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be, and (y) with respect to Alternate Currency Letters of Credit, 9:00 a.m. Local Time at least five Business Days (or such later date and time as the Administrative Agent and the L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit,

such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount and currency thereof (which may be Dollars or any Alternate Currency); (C) the expiry date thereof; (D) the name and address of the beneficiary thereof and the Revolving Facility under which such Letter of Credit is being issued; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (G) such other matters as the L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; and (D) such other matters as the L/C Issuer may reasonably request. Additionally, the Borrower shall furnish to the L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the L/C Issuer or the Administrative Agent may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, the L/C Issuer will provide the Administrative Agent with a copy thereof. Unless the L/C Issuer has received written notice from any Revolving Facility Lender under the applicable Revolving Facility, the Administrative Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Section 4.01 shall not then be satisfied, then, subject to the terms and conditions hereof, the L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower (or its subsidiaries or other Persons requested by the Borrower) or enter into the applicable amendment, as the case may be, in each case in accordance with the L/C Issuer's usual and customary business practices. Immediately upon the issuance of each Letter of Credit under any Revolving Facility, each Revolving Facility Lender under such Revolving Facility shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Revolving Facility Percentage under such Revolving Facility times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application, the L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit under any Revolving Facility that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); *provided* that any such Auto-Extension Letter of Credit must permit the L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the L/C Issuer, the Borrower shall not be required to make a specific request to the L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit under any Revolving Facility has been issued, the Revolving Facility Lenders shall be deemed to have authorized (but may not require) the L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date under such Revolving Facility (or any later date if the Borrower has agreed to Cash Collateralize such Letter of Credit prior to the Letter of Credit Expiration Date for such Revolving Facility); *provided*, *however*, that the L/C Issuer shall not permit any such extension if (A) the L/C Issuer has determined that it would not be permitted at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (ii) or (iii) of Section 2.05(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Majority Lenders under the applicable Revolving Facility have elected not to permit such extension or (2) from the Administrative Agent, any Revolving Facility Lender under the applicable Revolving Facility or the Borrower that one or more of the applicable conditions specified in Section 4.01 is not then satisfied, and in each such case directing the L/C Issuer not to permit such extension.

(iv) If the Borrower so requests in any applicable Letter of Credit Application, the L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit under any Revolving Facility that permits the automatic reinstatement of all or a portion of the stated amount thereof after any drawing thereunder (each, an "Auto-Reinstatement Letter of Credit"). Unless otherwise directed by the L/C Issuer, the Borrower shall not be required to make a specific request to the L/C Issuer to permit such reinstatement. Once an Auto-Reinstatement Letter of Credit has been issued under any Revolving Facility, except as provided in the following sentence, the Revolving Facility Lenders under such Revolving Facility shall be deemed to have authorized (but may not require) the L/C Issuer to reinstate all or a portion of the stated amount thereof in accordance with the provisions of such Letter of Credit. Notwithstanding the foregoing, if such Auto-Reinstatement Letter of Credit permits the L/C Issuer to decline to reinstate all or any portion of the stated amount thereof after a drawing thereunder by giving notice of such non-reinstatement within a specified number of days after such drawing (the "Non-Reinstatement Deadline"), the L/C Issuer shall not permit such reinstatement if it has received a notice (which may be by telephone or in writing) on or before the day that is five Business Days before the Non-Reinstatement Deadline (A) from the Administrative Agent that the Majority Lenders under the applicable Revolving Facility have elected not to permit such reinstatement or (B) from the Administrative Agent, any Revolving Facility Lender under the applicable Revolving Facility or the Borrower that one or more of the applicable conditions specified in Section 4.01 is not then satisfied (treating such reinstatement as an L/C Credit Extension for purposes of this clause) and, in each case, directing the L/C Issuer not to permit such reinstatement.

(v) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the L/C Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the L/C Issuer shall notify the Borrower and the Administrative Agent thereof. Not later than (1) 1:00 p.m., Local Time, on the first Business Day after the date that the L/C Issuer provides notice to the Borrower of any payment by the L/C Issuer under a Letter of Credit or (2) 11:00 a.m., Local Time, on the second succeeding Business Day (if such notice is provided after 10:00 a.m., Local Time, on the date such notice is given) (each such applicable date, an "Honor Date"), the Borrower shall reimburse the L/C Issuer (and the L/C Issuer shall promptly notify the Administrative Agent of any failure by the Borrower to so reimburse the L/C Issuer by such time) in an amount equal to the amount of such drawing and either in Dollars (in the case of an Alternate Currency Letter of Credit, in the Dollar Equivalent amount) or, if agreed by the Borrower and applicable L/C Issuer, in the applicable currency. If the Borrower fails to so reimburse the L/C Issuer by such time, the Administrative Agent shall promptly notify each Revolving Facility Lender under the Revolving Facility pursuant to which such Letter of Credit was issued of the Honor Date, the amount of the unreimbursed drawing in Dollars (calculated, in the case of any Alternate Currency Letter of Credit, based on the Dollar Equivalent thereof) (the "Unreimbursed Amount"), and the amount of such Lender's Revolving Facility Percentage thereof. In such event, the Borrower shall be deemed to have requested a Borrowing of ABR Revolving Loans under the Revolving Facility under which such Letter of Credit was issued to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum Borrowing Minimums or Borrowing Multiples, but subject to the amount of the unutilized portion of the Revolving Facility Commitments under such Revolving Facility and the conditions set forth in Section 4.01 (other than the delivery of a Borrowing Request). Any notice given by the L/C Issuer or the Administrative Agent pursuant to this Section 2.05(c)(i) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Facility Lender under the Revolving Facility under which such Letter of Credit was issued shall upon any notice pursuant to Section 2.05(c)(i) make funds available to the Administrative Agent for the account of the L/C Issuer, in Dollars, at the Administrative Agent's Office for Dollar-denominated payments in an amount equal to its Revolving Facility Percentage under such Revolving Facility of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.05(c)(iii), each Revolving Facility Lender that so makes funds available shall be deemed to have made an ABR Revolving Loan under the applicable Revolving Facility to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the L/C Issuer in Dollars.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Borrowing of ABR Revolving Loans because the conditions set forth in Section 4.01 (other than delivery by the Borrower of a Borrowing Request) cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the L/C Issuer an L/C Borrowing under the applicable Revolving Facility in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) in Dollars and shall bear interest at the rate specified in Section 2.13(c). In such event, each Revolving Facility Lender's payment to the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.05(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance under the applicable Revolving Facility from such Revolving Facility Lender in satisfaction of its participation obligation under this Section 2.05.

(iv) Until each Revolving Facility Lender under the applicable Revolving Facility funds its ABR Revolving Loan or L/C Advance pursuant to this Section 2.05(c) to reimburse the L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Revolving Facility Percentage of such amount shall be solely for the account of the L/C Issuer.

(v) Each Revolving Facility Lender's obligation to make ABR Revolving Loans or L/C Advances to reimburse the L/C Issuer for amounts drawn under Letters of Credit under a Revolving Facility under which such Lender has a Revolving Facility Commitment, as contemplated by this Section 2.05(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Revolving Facility Lender may have against the L/C Issuer, the Borrower, any Subsidiary or any other person for any reason whatsoever; (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided*, *however*, that each Lender's obligation to make ABR Revolving Loans pursuant to this Section 2.05(c) is subject to the conditions set forth in Section 4.01 (other than delivery by the Borrower of a Borrowing Request). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the L/C Issuer for the amount of any payment made by the L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Facility Lender under the applicable Revolving Facility fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.05(c) by the time specified in Section 2.05(c)(ii), the L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the L/C Issuer at a rate per annum equal to the applicable Overnight Rate from time to time in effect, plus any administrative, processing or similar fees customarily charged by the L/C Issuer in connection with the foregoing. If such

Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's ABR Revolving Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the L/C Issuer submitted to any Revolving Facility Lender (through the Administrative Agent) with respect to any amounts owing under this clause (vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after the L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Facility Lender such Revolving Facility Lender's L/C Advance in respect of such payment in accordance with Section 2.05(c), if the Administrative Agent receives for the account of the L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Revolving Facility Lender its Revolving Facility Percentage thereof under the applicable Revolving Facility in Dollars and in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.05(c)(i) in connection with the issuance of any Letter of Credit under any Revolving Facility is required to be returned under any of the circumstances described in Section 8.10 (including pursuant to any settlement entered into by the L/C Issuer in its discretion), each Revolving Facility Lender under such Revolving Facility shall pay to the Administrative Agent for the account of the L/C Issuer its Revolving Facility Percentage under such Revolving Facility thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Revolving Facility Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The obligations of the Revolving Facility Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Obligations Absolute. The obligation of the Borrower to reimburse the L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any person for whom any such beneficiary or any such transferee may be acting), the L/C Issuer or any other person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit that appears on its face to be valid proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not comply with the terms of such Letter of Credit; or any payment

made by the L/C Issuer under such Letter of Credit to any person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or

(v) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or any Subsidiary.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will promptly notify the L/C Issuer. The Borrower shall be conclusively deemed to have waived any such claim against the L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) Role of L/C Issuer. Each Revolving Facility Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the person executing or delivering any such document. None of the L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Revolving Facility Lenders or the Majority Lenders under the Revolving Facility under which such Letter of Credit was issued, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided*, *however*, that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable or responsible for any of the matters described in clauses (i) through (v) of Section 2.05(e); *provided*, *however*, that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against the L/C Issuer, and the L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by the L/C Issuer's willful misconduct or gross negligence as determined by a court of competent jurisdiction in a final and non-appealable judgment or the L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) Cash Collateral.

(i) Upon the request of the Administrative Agent if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, the Borrower shall promptly Cash Collateralize the then Outstanding Amount of all L/C Obligations.

(ii) Sections 2.11(e), 2.22 and 7.01 set forth certain additional requirements to deliver Cash Collateral hereunder. For purposes of Sections 2.05, 2.11(e), 2.22 and 7.01, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the L/C Issuer and the Revolving Facility Lenders, as collateral for the L/C Obligations, cash or deposit account balances, in each case, pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the L/C Issuer (which documents are hereby consented to by the Lenders) or to otherwise backstop (with a letter of credit on customary terms or otherwise) such L/C Obligations to the applicable L/C Issuer's and the Administrative Agent's reasonable satisfaction. Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuer and the Revolving Facility Lenders under any Revolving Facility under which a Letter of Credit is Cash Collateralized, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Except as otherwise agreed to by the Administrative Agent, Cash Collateral shall be maintained in blocked, non-interest bearing deposit accounts at JPMorgan.

(h) Applicability of ISP and UCP. Unless otherwise expressly agreed by the L/C Issuer and the Borrower when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance shall apply to each commercial Letter of Credit.

(i) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(j) Letters of Credit Issued for Subsidiaries or other Persons at the Request of the Borrower. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a subsidiary or any other Person requested by the Borrower, the Borrower shall be obligated to reimburse the L/C Issuer hereunder for any and all drawings under any such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of subsidiaries and such other Persons inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such subsidiaries and other Persons.

(k) Additional L/C Issuers. From time to time, the Borrower may by notice to the Administrative Agent with the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) and the applicable Revolving Facility Lender designate such Revolving Facility Lender to act as an L/C Issuer hereunder. In the event that there shall be more than one L/C Issuer hereunder, each reference to "the L/C Issuer" hereunder with respect to any Letter of Credit shall refer to the person that issued such Letter of Credit and each such additional L/C Issuer shall be entitled to the benefits of this Agreement as an L/C Issuer to the same extent as if it had been originally named as an L/C Issuer hereunder. Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit (including any Existing Letter of Credit) to an advising bank with respect thereto or to the beneficiary thereof, each L/C Issuer (other than JPMorgan) will also deliver to the Administrative Agent a true and complete copy of such Letter of Credit or amendment. On the last Business Day of each March, June, September and December (and on such other dates as the Administrative Agent may request), each L/C Issuer shall provide the Administrative Agent a list of all Letters of Credit (including any Existing Letter of Credit) issued by it that are outstanding at such time together with such other information as the Administrative Agent may reasonably request.

(l) Resignation of an L/C Issuer. Notwithstanding anything to the contrary contained herein, any L/C Issuer may, upon 30 days' prior written notice to the Borrower and the Revolving Facility Lenders, resign as L/C Issuer; provided that on or prior to the expiration of such 30-day period with respect to such resignation as L/C Issuer, the applicable L/C Issuer shall have identified a successor L/C Issuer

reasonably acceptable to the Borrower willing to accept its appointment as successor L/C Issuer with a Letter of Credit Commitment equal to the Letter of Credit Commitment of the resigning L/C Issuer (unless otherwise agreed by the Borrower). If an L/C Issuer resigns, it shall retain all the rights and obligations of the L/C Issuer with respect to all Letters of Credit issued by it that are outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make ABR Revolving Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.05(c)).

SECTION 2.06. Funding of Borrowings.

(a) Each Lender shall make each Term Loan or Revolving Facility Loan to be made by it hereunder available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office for the applicable currency not later than (i) 12:00 p.m., Local Time, in the case of any ABR Loan denominated in Dollars, (ii) 10:00 a.m., Local Time, in the case of any Eurocurrency Loan denominated in Dollars or (iii) 5:00 a.m., Local Time, in the case of any Eurocurrency Loans denominated in any Alternate Currency, in each case, on the Business Day specified in the applicable Borrowing Request. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower as specified in the Borrowing Request; *provided*, *however*, that if, on the date the Borrowing Request with respect to a Revolving Facility Borrowing denominated in Dollars is given by the Borrower, there are L/C Borrowings outstanding under the applicable Revolving Facility, then the proceeds of such Borrowing, first, shall be applied to the payment in full of any such L/C Borrowings, and, second, shall be made available to the Borrower as provided above.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Loans (or, in the case of any Borrowing of ABR Loans, prior to 9:00 a.m., Local Time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.06(a) (or, in the case of a Borrowing of ABR Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.06(a)) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the Overnight Rate, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to ABR Loans under the applicable Facility. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

SECTION 2.07. Interest Elections.

(a) Each Borrowing of Revolving Facility Loans or Term Loans initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect

to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.07; provided, that except as otherwise provided herein, a Eurocurrency Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Loan. The Borrower may elect different options with respect to different portions of the affected Revolving Facility Borrowing or Term Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section 2.07, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Interest Election Request in the form of Exhibit C and signed by a Responsible Officer of the Borrower.

(c) Each written Interest Election Request shall be irrevocable and shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing denominated in Dollars shall be converted to an ABR Borrowing and Alternate Currency Borrowings shall be continued as a Eurocurrency Borrowing with an Interest Period of one month's duration. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing denominated in Dollars may be converted to or continued as a Eurocurrency Borrowing, (ii) unless repaid, each Eurocurrency Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the

Interest Period applicable thereto and (iii) each Eurocurrency Revolving Facility Borrowing shall, unless repaid, be continued as a Eurocurrency Revolving Facility Borrowing with an Interest Period of one month's duration.

SECTION 2.08. Termination and Reduction of Commitments.

(a) Unless previously terminated, the Revolving Facility Commitments of any Class shall terminate on the Revolving Facility Maturity Date with respect to such Class.

(b) The Borrower may at any time terminate, or from time to time reduce, the Revolving Facility Commitments of any Class; *provided*, that (i) each such reduction of the Revolving Facility Commitments of any Class shall be in an amount that is an integral multiple of $1.0 million and not less than $5.0 million (or, if less, the remaining amount of such Class of Revolving Facility Commitments) and (ii) the Borrower shall not terminate or reduce the Revolving Facility Commitments of any Class if, after giving effect to any concurrent prepayment of the Revolving Facility Loans in accordance with Section 2.11 under such Revolving Facility, the Revolving Facility Credit Exposure of such Class (excluding any Cash Collateralized Letter of Credit) would exceed the total Revolving Facility Commitments of such Class.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Revolving Facility Commitments of any Class under clause (b) of this Section 2.08 at least three Business Days prior to the effective date of such termination or reduction (or such shorter period acceptable to the Administrative Agent), specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.08 shall be irrevocable; *provided*, that a notice of termination or reduction of the Revolving Facility Commitments of any Class delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments of a Class shall be made ratably among the applicable Lenders in accordance with their respective Commitments of such Class.

SECTION 2.09. Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Facility Lender under each Revolving Facility the then unpaid principal amount of each Revolving Facility Loan under such Revolving Facility on the Revolving Facility Maturity Date with respect to such Revolving Facility and (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount and currency of each Loan made hereunder, the Facility and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) Subject to the amounts recorded in the Register, which shall be controlling, the entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section 2.09 shall be prima facie evidence of the existence and amounts of the obligations recorded therein; *provided*, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans of any Class made by it be evidenced by a promissory note (a "Note"). In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and reasonably acceptable to the Borrower. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

SECTION 2.10. Repayment of Term Loans and Revolving Facility Loans.

(a) Subject to the other paragraphs of this Section 2.10:

(i) in the event that any Incremental Term Loans are made on an Increased Amount Date, the Borrower shall repay such Incremental Term Loans on the dates and in the amounts set forth in the related Incremental Assumption Agreement (each such date being referred to as an "Incremental Term Loan Installment Date"); and

(ii) to the extent not previously paid, outstanding Term Loans shall be due and payable on the applicable Term Facility Maturity Date.

(b) To the extent not previously paid, outstanding Revolving Facility Loans of any Class shall be due and payable on the Revolving Facility Maturity Date with respect to such Class.

(c) Prepayment of the Term Loans from:

(i) all Net Proceeds pursuant to Section 2.11(b), Excess Cash Flow pursuant to Section 2.11(c) and prepayments of Term Loans required by Section 2.11(d) shall be applied to the Term Loans pro rata among each Term Facility, with the application thereof being applied to the remaining installments thereof in direct order of maturity; *provided* that, subject to the pro rata application to Loans outstanding within any Class of Term Loans, the Borrower may allocate such prepayment in its sole discretion among the Class or Classes of Term Loans as the Borrower may specify (so long as such mandatory prepayments are not directed to any Class of Term Loans with a later Term Facility Maturity Date without at least a pro rata repayment of each Class of Term Loans with an earlier Term Facility Maturity Date);

(ii) any optional prepayments of the Term Loans pursuant to Section 2.11(a) shall be applied to the remaining installments of the Term Loans as the Borrower may direct under the applicable Class or Classes as the Borrower may direct; and

(iii) any prepayment of Term Loans of a particular Class pursuant to Section 2.11(h) or 9.04(i) shall be applied to the remaining installments of such Class of Term Loans on a pro rata basis.

(d) Prior to any prepayment of any Loan under any Facility hereunder, the Borrower shall select the Borrowing or Borrowings under the applicable Facility to be prepaid and shall notify the Administrative Agent by telephone (confirmed by electronic means) of such selection not later than 12:00 p.m., Local Time, (i) in the case of an ABR Borrowing, at least one Business Day before the scheduled date of such prepayment and (ii) in the case of a Eurocurrency Borrowing, at least three Business Days before the scheduled date of such prepayment (or, in each case such shorter period acceptable to the Administrative Agent); *provided*, that a notice of prepayment may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. All repayments of Loans shall be accompanied by accrued interest on the amount repaid to the extent required by Section 2.13(d).

SECTION 2.11. Prepayment of Loans.

(a) (i) The Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (except as provided by Section 2.16), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, upon prior notice in accordance with Section 2.10(d). Each such notice shall be signed by a Responsible Officer of the Borrower and shall specify the date and amount of such prepayment and the Class(es) and the Type(s) of Loans to be prepaid and, if Eurocurrency Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each applicable Lender of its receipt of each such notice, and of the amount of such Lender's pro rata share of such prepayment.

(ii) [Reserved].

(iii) In addition to the foregoing, and provided that immediately before and after giving effect thereto no Event of Default has occurred and is continuing and after giving effect thereto the Borrower is in Pro Forma Compliance (calculated without excluding Development Expenses), the Borrower shall have the right to elect to offer to prepay the Term Loans at a price equal to 100% of the principal amount thereof on a pro rata basis and apply any amounts rejected for such prepayment to repurchase, prepay, redeem, retire, acquire, defease or cancel Indebtedness or make Restricted Payments notwithstanding any then applicable limitations set forth in Section 6.09(b)(i) or Section 6.06, respectively. If the Borrower makes such an election, it shall provide notice thereof to Administrative Agent, who shall promptly, and in any event within one Business Day of receipt, provide such notice to the holders of the Term Loans. Any such notice shall specify the aggregate amount offered to prepay the Term Loans. Each holder of a Term Loan may elect, in its sole discretion, to reject its pro rata share of such prepayment offer. Any rejection of such offer must be evidenced by written notice delivered to Administrative Agent within five Business Days of receipt of the offer for prepayment, specifying an amount of such prepayment offer rejected by such holder, if any. Failure to give such notice will constitute an election to accept such offer. Any portion of such prepayment offer so accepted will be used to prepay the Term Loans held by the applicable holders within ten Business Days of the date of receipt of the offer to prepay. Any portion of such prepayment rejected may be used by the Borrower and its Subsidiaries to repurchase, prepay, redeem, retire, acquire, defease or cancel Indebtedness or make Restricted Payments notwithstanding any then applicable limitations set forth in Section 6.09(b)(i) or Section 6.06, respectively.

(b) Subject to Section 2.11(f) and (g), the Borrower shall apply all Net Proceeds promptly upon receipt thereof to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10; *provided* that, at any time, the Borrower may use a portion of such Net Proceeds to prepay or repurchase any Indebtedness that is secured by pari passu Liens on the Collateral permitted by Section 6.02 (including, without limitation, Indebtedness incurred under Section 6.01(ii)(ii) and any Permitted Refinancing Indebtedness in respect of any of the foregoing that is secured by pari passu Liens on the Collateral), in each case in an amount not to exceed the product of (x) the amount of such Net Proceeds multiplied by (y) a fraction, (A) the numerator of which is the outstanding principal amount of such Indebtedness with a pari passu lien on the Collateral and (B) the denominator of which is the sum of the outstanding principal amount of such Indebtedness and the outstanding principal amount of all Classes of Term Loans. The Borrower shall cause (a) any Convention Center Unrestricted Subsidiary that receives Convention Center Unrestricted Subsidiary Sale Proceeds to promptly distribute the Net Proceeds thereof to the Borrower or a Subsidiary for application in accordance with this Section 2.11(b) and (b) any Interactive Entertainment Unrestricted Subsidiary that receives Interactive Entertainment Unrestricted Subsidiary Sale Proceeds to promptly distribute the Net Proceeds thereof to the Borrower or a Subsidiary for application in accordance with Section 2.11(b), in each case, except to the extent applied to repay Indebtedness of an Unrestricted Subsidiary or such a distribution is otherwise prohibited by applicable law or the terms of any agreement binding on an Unrestricted Subsidiary.

(c) Subject to Section 2.11(f) and (g), within five (5) Business Days after financial statements are delivered under Section 5.04(a) with respect to each Excess Cash Flow Period, the Borrower shall calculate Excess Cash Flow for such Excess Cash Flow Period and shall apply an amount equal to (i) the amount by which the Required Percentage of such Excess Cash Flow exceeds $15.0 million, minus to the extent not financed using the proceeds of the incurrence of funded long term Indebtedness (other than revolving loans) (ii) the sum of (A) the amount of any voluntary prepayments during such Excess Cash Flow Period (plus, at the Borrower's option, without duplication of any amounts previously deducted under this clause (A), the amount of any voluntary prepayments after the end of such Excess Cash Flow Period but before the date of prepayment under this clause (c)) of (x) Term Loans (it being understood that the amount of any such payment constituting a below-par Permitted Loan Purchase shall be calculated to equal the amount of cash used and not the principal amount deemed prepaid therewith), (y) Revolving Facility Loans that were borrowed on the Closing Date to fund any original issue discount or upfront fees required to be funded on the Closing Date pursuant to the "market flex" provisions in the Fee Letter and (z) Other Pari Passu Indebtedness (*provided* that in the case of the prepayment of any revolving Indebtedness, there was a corresponding reduction in commitments), (B) the amount of any mandatory prepayment of any Indebtedness originally incurred pursuant to Section 6.01(jj) (or any Refinancing thereof) pursuant to an "excess cash flow sweep" (including, without limitation, Section 2.11(c) of the CRC Credit Agreement) (or equivalent provision) under the documents governing such Indebtedness made during such Excess Cash Flow Period (or, at the Borrower's option, without duplication, made or to be made after the end of such Excess Cash Flow Period for the fiscal year corresponding to such Excess Cash Flow Period) and (C) the amount of any permanent voluntary reductions during such Excess Cash Flow Period (plus, at the Borrower's option, without duplication of any amounts previously deducted under this clause (C), the amount of any permanent voluntary reductions after the end of such Excess Cash Flow Period but before the date of prepayment under this clause (c)) of Revolving Facility Commitments to the extent that an equal amount of Revolving Facility Loans was simultaneously repaid, (I) to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10 or (II) to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10 and to prepay any other Indebtedness that is secured by pari passu Liens on the Collateral permitted by Section 6.02 in accordance with the agreement(s) governing such other Indebtedness so long as the prepayments under this clause (II) are applied in a manner such that the Term Loans are prepaid on at least a ratable basis with such other Indebtedness (determined based on the aggregate outstanding principal amount of Term Loans and the aggregate outstanding principal amount of such other Indebtedness being prepaid under this clause (II) on the date of such prepayment). Not later than the date on which the payment is required to be

made pursuant to the foregoing sentence for each applicable Excess Cash Flow Period, the Borrower will deliver to the Administrative Agent a certificate signed by a Financial Officer of the Borrower setting forth the amount, if any, of Excess Cash Flow for such fiscal year, the amount of any required prepayment in respect thereof and the calculation thereof in reasonable detail.

(d) [Reserved].

(e) If the Administrative Agent notifies the Borrower at any time that the Revolving Facility Credit Exposure for any Revolving Facility at such time exceeds an amount equal to 105% of the Revolving Facility Commitments then in effect under such Revolving Facility, then, within two Business Days after receipt of such notice, the Borrower shall (at its option) prepay Revolving Facility Loans and/or Cash Collateralize the L/C Obligations, in each case, under such Revolving Facility in an aggregate amount sufficient to reduce the Revolving Facility Credit Exposure under such Revolving Facility as of such date of payment to an amount not to exceed 100% of the Revolving Facility Commitments then in effect under such Revolving Facility. The Administrative Agent may, at any time and from time to time after any such initial deposit of such Cash Collateral, request that additional Cash Collateral be provided in order to protect against the results of further exchange rate fluctuations.

(f) Anything contained herein to the contrary notwithstanding, in the event the Borrower is required to make any mandatory prepayment (a "Waivable Mandatory Prepayment") of the Term Loans, not less than three Business Days prior to the date (the "Required Prepayment Date") on which the Borrower elects (or is otherwise required) to make such Waivable Mandatory Prepayment, the Borrower shall notify the Administrative Agent of the amount of such prepayment, and the Administrative Agent will promptly thereafter notify each Lender holding an outstanding Term Loan of the amount of such Lender's pro rata share of such Waivable Mandatory Prepayment and such Lender's option to refuse such amount. Each such Lender may exercise such option by giving written notice to the Administrative Agent of its election to do so on or before the second Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify the Administrative Agent of its election to exercise such option on or before the first Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, (i) the Borrower shall pay to the Administrative Agent the amount of the Waivable Mandatory Prepayment less the amount of Declined Proceeds, which amount shall be applied by the Administrative Agent to prepay the Term Loans of those Lenders that have elected to accept such Waivable Mandatory Prepayment (each, an "Accepting Lender") (which prepayment shall be applied to the scheduled installments of principal of the Term Loans in the applicable Class(es) of Term Loans in accordance with paragraphs (c) and (d) of Section 2.10), and (ii) the Borrower may retain a portion of the Waivable Mandatory Prepayment in an amount equal to that portion of the Waivable Mandatory Prepayment otherwise payable to those Lenders that have elected to exercise such option and decline such Waivable Mandatory Prepayment (such declined amounts, the "Declined Proceeds"). Such Declined Proceeds shall be retained by the Borrower and may be used for any purpose not otherwise prohibited by this Agreement.

(g) Notwithstanding any other provisions of this Section 2.11 to the contrary, (i) to the extent that any Net Proceeds of any Asset Sale, Sale and Lease-Back Transaction, Interim Trust Asset Disposition or casualty insurance settlement or condemnation award of a Foreign Subsidiary or Excess Cash Flow attributable to a Foreign Subsidiary is prohibited, restricted or delayed by applicable local law or material documents (including constituent and organizational documents) from being repatriated to the United States, an amount equal to the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans or other Indebtedness that is secured by Liens on the Collateral permitted by Section 6.02 at the times provided in Section 2.11(b) or Section 2.11(c) so long, but only so long, as the applicable local law or material documents will not permit repatriation to the United States, and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted

under the applicable local law or material documents, an amount equal to such repatriated Net Proceeds or Excess Cash Flow will be promptly applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans or other Indebtedness that is secured by Liens on the Collateral permitted by Section 6.02 pursuant to Section 2.11(b) or Section 2.11(c), to the extent provided herein, (ii) to the extent that the Borrower has determined in good faith that repatriation of any or all of such Net Proceeds or Excess Cash Flow could reasonably be expected to have an adverse tax cost consequence that is not de minimis with respect to such Net Proceeds or Excess Cash Flow, an amount equal to the Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans or other Indebtedness that is secured by Liens on the Collateral permitted by Section 6.02 at the times provided in Section 2.11(b) or 2.11(c) (the Borrower hereby agreeing to use commercially reasonable efforts (which shall not be required to extend beyond twelve (12) months after the applicable prepayment date) to eliminate such tax effects in its reasonable control in order to make such prepayments), (iii) to the extent that any Net Proceeds or Excess Cash Flow is required to be applied to prepay Indebtedness originally incurred under Section 6.01(jj) (or any Refinancing thereof) by the terms of the documents governing such Indebtedness, or to be reinvested by CRC or its subsidiaries by the terms of the documents governing any Indebtedness originally incurred under Section 6.01(jj) (or any Refinancing thereof), or cannot be distributed by CRC to the Borrower in accordance with the terms of the documents governing any Indebtedness originally incurred under Section 6.01(jj) (or any Refinancing thereof), the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans or other Indebtedness that is secured by Liens on the Collateral permitted by Section 6.02 at the times provided in Section 2.11(b) or Section 2.11(c) but may be retained by CRC and its subsidiaries and (iv) to the extent that any Net Proceeds or Excess Cash Flow cannot be distributed by CEC in accordance with the MLSAs, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans or other Indebtedness that is secured by Liens on the Collateral permitted by Section 6.02 at the times provided in Section 2.11(b) or Section 2.11(c) but may be retained by CEC and its subsidiaries. For the avoidance of doubt, the non-application of any amounts required to be applied pursuant to Section 2.11(b) or Section 2.11(c) as a consequence of the foregoing provisions does not constitute a Default or an Event of Default, and such amounts shall be available for working capital purposes of the Borrower and the Subsidiaries so long as not required to be prepaid in accordance with the foregoing provisions. Notwithstanding the foregoing, any prepayments required after application of the above provision shall be net of any costs, expenses or taxes incurred by the Borrower or any of its affiliates and arising as a result of compliance with this Section 2.11.

(h) (i) Notwithstanding anything to the contrary in Section 2.11(a) or 2.18(c) (which provisions shall not be applicable to this Section 2.11(h)), the Borrower shall have the right at any time and from time to time to prepay Term Loans and/or repay Revolving Facility Loans of any Class (with, in the case of Revolving Facility Loans under any Revolving Facility, a corresponding permanent reduction in the Revolving Facility Commitment of each Lender who receives a Discounted Voluntary Prepayment), to the Lenders at a discount to the par value of such Loans and on a non pro rata basis (each, a "Discounted Voluntary Prepayment") pursuant to the procedures described in this Section 2.11(h); *provided* that (A) any Discounted Voluntary Prepayment shall be offered to all Lenders with Term Loans of any Class and/or Revolving Facility Loans of any Class on a pro rata basis with all Lenders of such Class, and after giving effect to any Discounted Voluntary Prepayment, there shall be sufficient aggregate Revolving Facility Commitments among the Revolving Facility Lenders to apply to the Outstanding Amount of the L/C Obligations as of such date, unless the Borrower shall concurrently with the payment of the purchase price by the Borrower for such Revolving Facility Loans, deposit cash collateral in an account with the Administrative Agent pursuant to Section 2.05(g) in the amount of any such excess Outstanding Amount of the L/C Obligations, (B) no Discounted Voluntary Prepayment shall be made from the proceeds of any extensions of credit under the Revolving Facility and (C) the Borrower shall deliver to the Administrative Agent a certificate of the Financial Officer of the Borrower stating (1) that no Event of Default has occurred and is continuing or would result from the Discounted Voluntary Prepayment (after giving effect to any related waivers or amendments obtained in connection with such Discounted Voluntary Prepayment), (2)

that each of the conditions to such Discounted Voluntary Prepayment contained in this Section 2.11(h) has been satisfied and (3) the aggregate principal amount of Term Loans and/or Revolving Facility Loans so prepaid pursuant to such Discounted Voluntary Prepayment.

(i) To the extent the Borrower seeks to make a Discounted Voluntary Prepayment, the Borrower will provide written notice to the Administrative Agent substantially in the form of Exhibit F (each, a "Discounted Prepayment Option Notice") that the Borrower desires to prepay Term Loans and/or repay Revolving Facility Loans of an applicable Class (with a corresponding permanent reduction in Revolving Facility Commitments of such Class) in each case in an aggregate principal amount specified therein by the Borrower (each, a "Proposed Discounted Prepayment Amount"), in each case at a discount to the par value of such Term Loans and/or Revolving Facility Loans as specified below. The Proposed Discounted Prepayment Amount of Term Loans or Revolving Facility Loans shall not be less than $5.0 million. The Discounted Prepayment Option Notice shall further specify with respect to the proposed Discounted Voluntary Prepayment: (A) the Proposed Discounted Prepayment Amount for Term Loans and/or Revolving Facility Loans of the applicable Class, (B) a discount range (which may be a single percentage) selected by the Borrower with respect to such proposed Discounted Voluntary Prepayment equal to a percentage of par of the principal amount of Term Loans or Revolving Facility Loans of such Class (the "Discount Range") and (C) the date by which Lenders are required to indicate their election to participate in such proposed Discounted Voluntary Prepayment which shall be at least five Business Days following the date of the Discounted Prepayment Option Notice (the "Acceptance Date"). Upon receipt of a Discounted Prepayment Option Notice with respect to Revolving Facility Loans, the Administrative Agent shall notify the L/C Issuer thereof and Discounted Voluntary Prepayments in respect thereof shall be subject to the consent of the L/C Issuer, such consent not to be unreasonably withheld or delayed.

(ii) Upon receipt of a Discounted Prepayment Option Notice and receipt by the Administrative Agent of any required consent from the L/C Issuer in accordance with Section 2.11(h)(ii), the Administrative Agent shall promptly notify each Lender thereof. On or prior to the Acceptance Date, each such Lender may specify by written notice substantially in the form of Exhibit G (each, a "Lender Participation Notice") to the Administrative Agent (A) a maximum discount to par (the "Acceptable Discount") within the Discount Range (for example, a Lender specifying a discount to par of 20% would accept a purchase price of 80% of the par value of the Loans to be prepaid) and (B) a maximum principal amount (subject to rounding requirements specified by the Administrative Agent) of Term Loans and/or Revolving Facility Loans held by such Lender with respect to which such Lender is willing to permit a Discounted Voluntary Prepayment at the Acceptable Discount ("Offered Loans"). Based on the Acceptable Discounts and principal amounts of Term Loans and/or Revolving Facility Loans of the applicable Class(es) specified by the Lenders in the applicable Lender Participation Notice, the Administrative Agent, in consultation with the Borrower, shall determine the applicable discount for Term Loans and/or Revolving Facility Loans of the applicable Class(es) (the "Applicable Discount"), which Applicable Discount shall be (A) the percentage specified by the Borrower if the Borrower has selected a single percentage pursuant to Section 2.11(h)(ii) for the Discounted Voluntary Prepayment or (B) otherwise, the highest Acceptable Discount at which the Borrower can pay the Proposed Discounted Prepayment Amount in full (determined by adding the principal amounts of Offered Loans commencing with the Offered Loans with the highest Acceptable Discount); *provided*, *however*, that in the event that such Proposed Discounted Prepayment Amount cannot be repaid in full at any Acceptable Discount, the Applicable Discount shall be the lowest Acceptable Discount specified by the Lenders that is within the Discount Range. The Applicable Discount shall be applicable for all Lenders who have offered to participate in the Discounted Voluntary Prepayment and have Qualifying Loans (as defined below). Any Lender with outstanding Loans whose Lender Participation Notice is not received by the Administrative Agent by the Acceptance Date shall be deemed to have declined to accept a Discounted Voluntary Prepayment of any of its Loans at any discount to their par value within the Applicable Discount.

(iii) The Borrower shall make a Discounted Voluntary Prepayment by prepaying those Term Loans and/or Revolving Facility Loans (or the respective portions thereof) (with, in the case of Revolving Facility Loans, a corresponding permanent reduction in Revolving Facility Commitments) of the applicable Class(es) offered by the Lenders ("Qualifying Lenders") that specify an Acceptable Discount that is equal to or greater than the Applicable Discount ("Qualifying Loans") at the Applicable Discount; *provided* that if the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would exceed the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, the Borrower shall prepay such Qualifying Loans ratably among the Qualifying Lenders based on their respective principal amounts of such Qualifying Loans (subject to rounding requirements specified by the Administrative Agent). If the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would be less than the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, the Borrower shall prepay all Qualifying Loans.

(iv) Each Discounted Voluntary Prepayment shall be made within five Business Days of the Acceptance Date (or such later date as the Administrative Agent shall reasonably agree, given the time required to calculate the Applicable Discount and determine the amount and holders of Qualifying Loans), without premium or penalty (but subject to Section 2.16), upon irrevocable notice substantially in the form of Exhibit H (each a "Discounted Voluntary Prepayment Notice"), delivered to the Administrative Agent no later than 1:00 P.M. Local time, three Business Days prior to the date of such Discounted Voluntary Prepayment, which notice shall specify the date and amount of the Discounted Voluntary Prepayment and the Applicable Discount determined by the Administrative Agent. Upon receipt of any Discounted Voluntary Prepayment Notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any Discounted Voluntary Prepayment Notice is given, the amount specified in such notice shall be due and payable to the applicable Lenders, subject to the Applicable Discount on the applicable Loans, on the date specified therein together with accrued interest (on the par principal amount) to but not including such date on the amount prepaid.

(v) To the extent not expressly provided for herein, each Discounted Voluntary Prepayment shall be consummated pursuant to reasonable procedures (including as to timing, rounding, minimum amounts, Type and Interest Periods and calculation of Applicable Discount in accordance with Section 2.11(h)(iii) above) established by the Administrative Agent in consultation with the Borrower.

(vi) Prior to the delivery of a Discounted Voluntary Prepayment Notice, upon written notice to the Administrative Agent, (A) the Borrower may withdraw its offer to make a Discounted Voluntary Prepayment pursuant to any Discounted Prepayment Option Notice and (B) any Lender may withdraw its offer to participate in a Discounted Voluntary Prepayment pursuant to any Lender Participation Notice.

SECTION 2.12. Fees.

(a) The Borrower agrees to pay to each Lender (other than any Defaulting Lender), through the Administrative Agent, on the last Business Day of March, June, September and December in each year, and the date on which the Revolving Facility Commitments of the applicable Class of such Lender shall be terminated as provided herein, a commitment fee in Dollars (a "Commitment Fee") on the daily amount of the Available Unused Commitment of such Lender during the preceding quarter (or other period commencing with the Closing Date or ending with the date on which the last of the Commitments of such Lender shall be terminated) at a rate equal to the Applicable Commitment Fee for the applicable Class with respect to such Lender. All Commitment Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days. The Commitment Fee due to each Lender shall commence to accrue on the Closing Date and shall cease to accrue on the date on which the last of the Commitments of such Lender shall be terminated as provided herein.

(b) The Borrower from time to time agrees to pay (i) to each Revolving Facility Lender (other than any Defaulting Lender; *provided* that at any time that an L/C Issuer has Fronting Exposure to a Defaulting Lender, until such Fronting Exposure has been reduced to zero, the L/C Participation Fee attributable to such Fronting Exposure in respect of Letters of Credit issued by such L/C Issuer shall be payable to such L/C Issuer) under any Revolving Facility, through the Administrative Agent, three Business Days after the last day of March, June, September and December of each year and three Business Days after the date on which the Revolving Facility Commitments of all the Lenders under such Revolving Facility shall be terminated as provided herein, a fee (an "L/C Participation Fee") on such Lender's Revolving Facility Percentage of the daily aggregate Outstanding Amount of L/C Obligations (excluding the portion thereof attributable to Unreimbursed Amounts) of such Class, during the preceding quarter (or shorter period commencing with the Closing Date or ending with the Revolving Facility Maturity Date with respect to such Revolving Facility or the date on which the Revolving Facility Commitments of such Class shall be terminated) at the rate per annum equal to the Applicable Margin for Eurocurrency Revolving Facility Borrowings of such Class made by such Lender effective for each day in such period and (ii) to each L/C Issuer, for its own account (x) three Business Days after the last Business Day of March, June, September and December of each year and on the date on which the Revolving Facility Commitments of all the Lenders under such Class shall be terminated as provided herein, a fronting fee in Dollars in respect of each Letter of Credit issued by such L/C Issuer for the period from and including the date of issuance of such Letter of Credit to and including the termination of such Letter of Credit, computed at a rate equal to 0.125% per annum of the Dollar Equivalent of the daily stated amount of such Letter of Credit, plus (y) in connection with the issuance, amendment or transfer of any such Letter of Credit or any drawing thereunder, such L/C Issuer's customary documentary and processing fees and charges (collectively, "L/C Issuer Fees"). All L/C Participation Fees and L/C Issuer Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days.

(c) The Borrower agrees to pay to the Administrative Agent, for the account of the Administrative Agent, the agency fees set forth in the Fee Letter, as amended, restated, supplemented or otherwise modified from time to time, at the times specified therein (the "Administrative Agent Fees").

(d) [Reserved].

(e) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that L/C Issuer Fees shall be paid directly to the applicable L/C Issuers. Once paid, none of the Fees shall be refundable under any circumstances.

SECTION 2.13. Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted Eurocurrency Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment,

at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.13 or (ii) in the case of any other overdue amount, 2.00% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section 2.13; *provided*, that this paragraph (c) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(d) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, (ii) in the case of Revolving Facility Loans under any Revolving Facility, upon termination of the Revolving Facility Commitments with respect to such Revolving Facility and (iii) in the case of the Term Loans, on the applicable Term Facility Maturity Date; *provided*, that (i) interest accrued pursuant to paragraph (c) of this Section 2.13 shall be payable on written demand, and (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR shall be computed at all times on the basis of a year of 365 days (or 366 days in a leap year); *provided* that interest computed on Sterling denominated Loans shall be calculated on the basis of a year of 365 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR, Adjusted Eurocurrency Rate or Eurocurrency Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14. Alternate Rate of Interest.

(a) If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted Eurocurrency Rate or the Eurocurrency Rate, as applicable (including because the Eurocurrency Screen Rate is not available or published on a current basis), for such Interest Period; *provided* that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders or the Majority Lenders under the applicable Revolving Facility that the Adjusted Eurocurrency Rate or the Eurocurrency Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or electronic means as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing denominated in the applicable currency shall be ineffective and in the case of any Borrowing denominated in Dollars, such Borrowing shall be converted to or continued on the last day of the Interest Period applicable thereto as an ABR Borrowing and (ii) if any Borrowing Request requests a Eurocurrency Borrowing in Dollars, such Borrowing shall be made as an ABR Borrowing.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace the Eurocurrency Rate with

a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower, so long as the Administrative Agent has not received, by such time, written notice of objection to such proposed amendment from Lenders comprising the Required Lenders; provided that, with respect to any proposed amendment containing any SOFR-Based Rate, the Lenders shall be entitled to object only to the Benchmark Replacement Adjustment contained therein. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of Eurocurrency Rate with a Benchmark Replacement will occur prior to the applicable Benchmark Transition Start Date.

(c) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, with the consent of the Borrower and the Required Lenders as required pursuant to this Section 2.14.

(e) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and (ii) if any Borrowing Request requests a Eurocurrency Borrowing in Dollars, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted Eurocurrency Rate) or L/C Issuer;

(ii) subject any Lender or L/C Issuer to any Tax with respect to any Loan Document or any Eurocurrency Loan made by it or any Letter of Credit or participation therein (other than Indemnified Taxes or Excluded Taxes); or

(iii) impose on any Lender or the L/C Issuer or the London interbank market any other condition (other than Taxes) affecting this Agreement or Eurocurrency Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or L/C Issuer of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or L/C Issuer hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or L/C Issuer, as applicable, such additional amount or amounts as will compensate such Lender or L/C Issuer, as applicable, for such additional costs incurred or reduction suffered.

(b) If any Lender or L/C Issuer determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or L/C Issuer's capital or on the capital of such Lender's or L/C Issuer's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such L/C Issuer, to a level below that which such Lender or such L/C Issuer or such Lender's or such L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such L/C Issuer's policies and the policies of such Lender's or such L/C Issuer's holding company with respect to capital or liquidity adequacy), then from time to time the Borrower shall pay to such Lender or such L/C Issuer, as applicable, such additional amount or amounts as will compensate such Lender or such L/C Issuer or such Lender's or such L/C Issuer's holding company for any such reduction suffered.

(c) A certificate of a Lender or an L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or L/C Issuer or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section 2.15 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or L/C Issuer, as applicable, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender or any L/C Issuer has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender or L/C Issuer shall notify the Borrower thereof. Failure or delay on the part of any Lender or L/C Issuer to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or L/C Issuer's right to demand such compensation; *provided*, that the Borrower shall not be required to compensate a Lender or an L/C Issuer pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or L/C Issuer, as applicable, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or L/C Issuer's intention to claim compensation therefor; *provided, further*, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto or (c) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted Eurocurrency Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the

Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in dollars of a comparable amount and period from other banks in the eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

SECTION 2.17. Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without withholding or deduction for any Taxes except as required by law; *provided*, that if any applicable Withholding Agent shall be required to withhold or deduct any Taxes in respect of any such payments, then (i) if such Tax is an Indemnified Tax or Other Tax, the sum payable by the applicable Loan Party shall be increased as necessary so that after all required withholding or deductions have been made (including withholding or deductions applicable to additional sums payable under this Section 2.17) the applicable Lender (or, in the case of a payment to the Administrative Agent for its own account, the Administrative Agent), receives an amount equal to the sum it would have received had no such withholding or deductions been made, (ii) the applicable Withholding Agent shall make such withholding or deductions and (iii) the applicable Withholding Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Loan Party shall jointly and severally indemnify the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes, paid or payable by the Administrative Agent or such Lender, as applicable (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to such Loan Party by a Lender, or by the Administrative Agent on its own behalf, on behalf of another Agent or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes by a Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two original copies of whichever of the following is applicable: (i) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any subsequent versions thereof or successors thereto), claiming eligibility for benefits of an income tax treaty to which the United States of America is a party, (ii) duly completed copies of Internal Revenue Service Form W-8ECI (or any subsequent versions thereof or successors thereto), (iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) a certificate in a form reasonably satisfactory to the

Administrative Agent (a "Non-Bank Certificate"), and (y) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any subsequent versions thereof or successors thereto), (iv) to the extent the Foreign Lender is not the beneficial owner (e.g., where the Foreign Lender is a partnership or participating Lender), duly completed copies of Internal Revenue Service Form W-8IMY, together with appropriate forms and certificates described in Sections 2.17(e)(i) through (iii) and any additional Form W-8IMYs, withholding statements and other information as may be required by law (*provided* that, where a Foreign Lender is a partnership (and not a participating Lender) and one or more of its direct or indirect partners are claiming the portfolio interest exemption, the Foreign Lender may provide the Non-Bank Certificate on behalf of such direct or indirect partners) or (v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(f) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent two duly completed copies of Internal Revenue Service Form W-9 (or any subsequent versions thereof or successors thereto) certifying that such U.S. Lender is exempt from U.S. federal backup withholding on or before the date such U.S. Lender becomes a party to this Agreement.

(g) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower or the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA and to determine the amount, if any, to deduct and withhold from such payment.

(h) Notwithstanding any other provision of this Section 2.17, a Lender shall not be required to deliver any form pursuant to this Section 2.17 that such Lender is not legally eligible to deliver.

(i) Each Lender shall, whenever a lapse in time or change in circumstances renders any documentation previously provided pursuant to Sections 2.17(e), (f) or (g) obsolete, expired or inaccurate in any respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

(j) If the Borrower determines that a reasonable basis exists for contesting an Indemnified Tax or Other Tax for which a Loan Party has paid additional amounts or indemnification payments, each affected Lender or the Administrative Agent, as the case may be, shall use reasonable efforts to cooperate with the Borrower as the Borrower may reasonably request in contesting such Tax; *provided* that nothing in this Section 2.17(j) shall obligate any Lender or the Administrative Agent to take any action that such person, in its sole judgment, determines may result in a material detriment to such person. The Borrower shall indemnify and hold each Lender and the Administrative Agent harmless against any out-of-pocket expenses incurred by such person in connection with any request made by the Borrower pursuant to this Section 2.17(j). Any refund received from a successful contest shall be governed by Section 2.17(k).

(k) If the Administrative Agent or a Lender has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or Lender in good faith, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided*, that such Loan Party, upon the request of the Administrative Agent or such Lender, shall repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. In such event, such Lender or the Administrative Agent, as the case may be, shall, at the applicable Loan Party's request, provide such Loan Party with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (*provided* that such Lender or the Administrative Agent may delete any information therein that it deems confidential). A Lender or the Administrative Agent shall claim any refund that it determines is available to it, unless it concludes in its sole discretion that it would be adversely affected by making such a claim. This Section 2.17(k) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems in good faith to be confidential) to the Loan Parties or any other person. Notwithstanding anything to the contrary, in no event will any Lender be required to pay any amount to a Loan Party the payment of which would place such Lender in a less favorable net after tax position than such Lender would have been in if the Indemnified Taxes or Other Taxes giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Indemnified Taxes or Other Taxes had never been paid.

(l) If any Administrative Agent is a "United States person" (as defined in Section 7701(a)(30) of the Code), it shall provide the Borrower, on or before the date on which it becomes a party to this Agreement, with two duly completed original copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Administrative Agent is exempt from U.S. federal backup withholding. If any Administrative Agent is not a "United States person" (as defined in Section 7701(a)(30) of the Code), on or before the date on which it becomes a party to this Agreement, it shall provide (1) Internal Revenue Service Form W-8ECI (or any successor form) with respect to payments to be received by it as a beneficial owner and (2) Internal Revenue Service Form W-8IMY (or any successor form), together with required accompanying documentation, with respect to payments to be received by it on behalf of the Lenders. Each Administrative Agent shall, whenever a lapse in time or change in circumstances renders any documentation previously provided pursuant to this Section 2.17(l) obsolete, expired or inaccurate in any respect, deliver promptly to the Borrower updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower) or promptly notify the Borrower in writing of its legal ineligibility to do so. Notwithstanding anything to the contrary, nothing in this Section 2.17(l) shall require any Administrative Agent to provide any documentation that it is not legally eligible to provide as a result of any Change in Law after the date hereof.

(m) For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 2.17, include any L/C Issuer.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of drawings under Letters of Credit, or of amounts payable under Section 2.15, 2.16, or 2.17, or otherwise) without condition or deduction for any defense, recoupment, set-off or counterclaim. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars (or, in the case of Alternate Currency Loans or Alternate Currency Letters of Credit, in the applicable Alternate Currency) and in Same Day Funds not later than (x) in the case of Loans or Letters of Credit denominated in Dollars or Canadian Dollars, 2:00 p.m. Local Time or (y) in the case of Loans or Letters of Credit denominated in Alternate Currencies other than Canadian Dollars, 8:00 a.m. Local Time, in each case, on the date specified herein. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except payments to be made directly to the applicable L/C Issuer as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. Without limiting the generality of the foregoing, the Administrative Agent may require that any payments payable in Dollars due under this Agreement be made in the United States. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrower to pay fully all amounts of principal, Unreimbursed Amounts, interest and fees then due from the Borrower hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties and (ii) second, towards payment of principal of Loans and Unreimbursed Amounts then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and Unreimbursed Amounts then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Term Loans, Revolving Facility Loans or participations in Letters of Credit resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans, Revolving Facility Loans and participations in Letters of Credit and accrued interest thereon than the proportion received by any other Lender entitled thereto, then the Lender receiving such greater proportion shall purchase participations in the Term Loans, Revolving Facility Loans and participations in Letters of Credit of other Lenders entitled thereto to the extent necessary so that the benefit of all such payments shall be shared by the Lenders entitled thereto ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Term Loans, Revolving Facility Loans and participations in Letters of Credit; *provided*, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including, without limitation, pursuant to Section 2.11(h), Section 2.19(b), Section 2.19(c) and Section 9.04(i)) or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in Letters of Credit to any assignee or participant, other than to the Borrower or any

Subsidiary thereof (as to which the provisions of this paragraph (c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the applicable L/C Issuer hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable L/C Issuer, as applicable, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the applicable L/C Issuer, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or L/C Issuer with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Overnight Rate.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(c), Section 2.05(d), Section 2.06(b) or Section 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender is a Defaulting Lender, or if any Lender is the subject of a Disqualification, then the Borrower may, at its option and its sole expense and effort, upon notice to such Lender and the Administrative Agent, (1) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee reasonably acceptable to (i) the Administrative Agent (unless, in the case of an assignment of Term Loans, such assignee is a Lender, an Affiliate of a Lender or an Approved Fund) and (ii) if in respect of any Revolving Facility Commitment or Revolving Facility Loan, the L/C Issuer, that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment) or (2) terminate the Commitments of such Lender and prepay such Lender on a non-pro rata basis; *provided*, that (i) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in L/C Obligations, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee or the Borrower (as applicable) (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all

other amounts) and (ii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender. No action by or consent of the removed Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price.

(c) If any Lender (such Lender, a "Non-Consenting Lender") has (x) failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders affected or all Lenders (or all Lenders of a particular Class affected or all Lenders of a particular Class) and with respect to which the Required Lenders (or the Majority Lenders of the relevant Facility) shall have granted their consent or (y) failed to accept, or elected not to accept, an offer to participate in a Pro Rata Extension Offer pursuant to Section 2.21(e), then the Borrower may, at its option and its sole expense (including with respect to the processing and recordation fee referred to in Section 9.04(b)(ii)(B)) (1) require such Non-Consenting Lender to assign and delegate, without recourse, all interests, rights and obligations under this Agreement with respect to the applicable Class(es) of Loans, and its Commitments hereunder to one or more assignees reasonably acceptable to (i) the Administrative Agent (unless, in the case of an assignment of Term Loans, such assignee is a Lender, an Affiliate of a Lender or an Approved Fund) and (ii) if in respect of any Revolving Facility Commitment or Revolving Facility Loan, the L/C Issuer or (2) terminate the Commitments of such Non-Consenting Lender and prepay such Lender on a non-pro rata basis; *provided*, that: (a) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced or terminated shall be paid in full to such Non-Consenting Lender concurrently with such assignment or termination (including any amount payable pursuant to Section 2.11(a)) and (b) the replacement Lender, if any, shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price.

SECTION 2.20. Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable Lending Office to make or maintain any Eurocurrency Loans in any currency, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans in such currency or to convert ABR Borrowings to Eurocurrency Borrowings shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall upon demand from such Lender (with a copy to the Administrative Agent) either (i) in the case of Loans denominated in Dollars if the affected Lender may lawfully continue to maintain such Loans as Eurocurrency Loans until the last day of such Interest Period, convert all Eurocurrency Loans of such Lender to ABR Loans on the last day of such Interest Period (or, otherwise, immediately convert such Eurocurrency Loans to ABR Loans) or (ii) prepay such Eurocurrency Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.21. Incremental Commitments.

(a) The Borrower may, by written notice to the Administrative Agent from time to time, request Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments, as applicable, in an amount not to exceed the Incremental Amount at the time such Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments are established from one or more Incremental Term Lenders and/or Incremental Revolving Facility Lenders (which may include any existing Lender, but no existing Lender will have an obligation to make any Incremental Term Loan Commitments

and/or Incremental Revolving Facility Commitments) willing to provide such Incremental Term Loans and/or Incremental Revolving Facility Commitments, as the case may be, in their own discretion; *provided* that in the case of Incremental Revolving Commitments either, at the election of the Borrower, (i) each Incremental Revolving Facility Lender providing Incremental Revolving Facility Commitments shall be subject to the approval of the Administrative Agent (*provided* that the Administrative Agent shall withhold approval if any of the L/C Issuers object to such Incremental Revolving Facility Lender) or (ii) the Letter of Credit Commitment may not be allocated under, and no Letters of Credit may be requested by the Borrower under, such Incremental Revolving Facility Commitments. Such notice shall set forth (i) the amount of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments being requested (which shall be in minimum increments of $5.0 million and a minimum amount of $20.0 million or equal to the remaining Incremental Amount or in each case such lesser amount approved by the Administrative Agent), (ii) the date on which such Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments are requested to become effective (the "Increased Amount Date"), (iii) in the case of Incremental Term Loan Commitments, whether such Incremental Term Loan Commitments are to be commitments to make term loans with terms identical to any Term Loans then in effect or commitments to make term loans with pricing terms and/or amortization and/or participation in mandatory prepayments or commitment reductions and/or maturity and/or other terms different from any Term Loans then in effect and (iv) in the case of Incremental Revolving Facility Commitments, whether such Incremental Revolving Facility Commitments are to be commitments to make additional Revolving Facility Loans on the same terms as the Initial Revolving Loans or commitments to make revolving loans with pricing terms and/or participation in mandatory prepayments or commitment reductions and/or maturity and/or other terms different from the Initial Revolving Loans ("Other Revolving Loans").

(b) The Borrower and each Incremental Term Lender and/or Incremental Revolving Facility Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Incremental Term Loan Commitment of such Incremental Term Lender and/or Incremental Revolving Facility Commitment of such Incremental Revolving Facility Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Incremental Term Loans and/or Incremental Revolving Facility Commitments; *provided*, that

(i) except as to pricing, amortization, final maturity date, participation in voluntary and mandatory prepayments, ranking as to security and covenants and other provisions applicable only to periods after the latest Revolving Facility Maturity Date existing at the time of incurrence of such additional Term Facility (which shall, subject to clause (ii) through (iii) of this proviso, be determined by the Borrower and the Incremental Term Lenders in their sole discretion), the Incremental Term Loans shall have (w) terms substantially similar to, or not materially less favorable to the Borrower and its Subsidiaries than, the terms and conditions, taken as a whole, applicable to the Initial Revolving Loans, with such modifications as are customary for term loans (including, without limitation, mandatory prepayments as set forth in Section 2.11 hereof as such mandatory prepayments may be modified by the Borrower and the lenders providing such additional Term Facility (including to establish "step-downs" in the definitions of "Net Proceeds" and "Required Percentage"), "most favored nation" pricing provisions and call protection provisions) (as determined in good faith by the Borrower), (x) then-current market terms (as determined in good faith by the Borrower), (y) in the case of unsecured Incremental Term Loans, terms that are customary for "high yield" securities (as determined in good faith by the Borrower) or (z) such other terms as shall be reasonably satisfactory to the Administrative Agent,

(ii) the Incremental Term Loans shall rank pari passu or, at the option of the Borrower, junior in right of security with the Initial Revolving Loans, or be unsecured (*provided*, that if such Incremental Term Loans rank junior in right of security with the Initial Revolving Loans, such

Incremental Term Loans shall be subject to a Permitted Junior Intercreditor Agreement and, for the avoidance of doubt, Incremental Term Loans that rank junior in right of security or are unsecured shall be established pursuant to separate facilities from the Initial Revolving Loans),

(iii) the final maturity date of any Incremental Term Loans shall be no earlier than the Initial Revolving Facility Maturity Date in effect on the date of incurrence of such Incremental Term Loans (*provided* that this clause (iii) shall not apply to (1) Incremental Term Loans in an aggregate principal amount not in excess of the Inside Maturity Amount available on the date of incurrence of such Incremental Term Loans and (2) bridge facilities allowing extensions on customary terms to a date that is no earlier than the Initial Revolving Facility Maturity Date in effect on the date of incurrence of such Incremental Term Loans),

(iv) solely with respect to Incremental Term Loans with amortization in excess of 5.0% per annum, the Weighted Average Life to Maturity of any such Incremental Term Loans shall be no shorter than the Weighted Average Life to Maturity of the Initial Revolving Facility in effect on the date of incurrence of such Incremental Term Loans (without giving effect to any amortization or prepayments on the Incremental Term Loans) (provided that this clause (iv) shall not apply to (1) Incremental Term Loans in an aggregate principal amount not in excess of the Inside Maturity Amount available on the date of incurrence of such Incremental Term Loans and (2) bridge facilities allowing extensions on customary terms to a date that is no earlier than the Initial Revolving Facility Maturity Date in effect on the date of incurrence),

(v) except as to pricing, final maturity date, participation in voluntary and mandatory prepayments and commitment reductions, ranking as to security and covenants or other provisions applicable only to periods after the latest Revolving Facility Maturity Date existing at the time of incurrence of such Incremental Revolving Facility Commitments (which shall, subject to clause (vi) and (vii) of this proviso, be determined by the Borrower and the Incremental Revolving Facility Lenders in their sole discretion), the Other Revolving Loans shall have (w) terms substantially similar to, or not materially less favorable to the Borrower and its Subsidiaries than the terms and conditions, taken as a whole, applicable to the Initial Revolving Loans (as determined in good faith by the Borrower), (x) then-current market terms (as determined in good faith by the Borrower), (y) in the case of unsecured Other Revolving Loans, terms that are customary for "high yield" securities (as determined in good faith by the Borrower) or (z) such other terms as shall be reasonably satisfactory to the Administrative Agent,

(vi) the Other Revolving Loans shall rank pari passu or, at the option of the Borrower, junior in right of security with the Initial Revolving Loans or be unsecured (*provided*, that if such Other Revolving Loans rank junior in right of security with the Initial Revolving Loans, such Other Revolving Loans shall be subject to a Permitted Junior Intercreditor Agreement and, for the avoidance of doubt, Other Revolving Loans that rank junior in right of security or are unsecured shall be established pursuant to separate facilities from the Initial Revolving Loans),

(vii) (A) the final maturity date of any Other Revolving Loans shall be no earlier than the Initial Revolving Facility Maturity Date and (B) any Other Revolving Loans shall not have any scheduled amortization or mandatory commitment reduction prior to the Initial Revolving Facility Maturity Date,

(viii) [reserved],

(ix) there shall be no obligor in respect of any Incremental Term Loan Commitments or Incremental Revolving Facility Commitments that is not a Loan Party;

(x) there shall be no collateral security for any Incremental Term Loan Commitments or Incremental Revolving Facility Commitments other than the Collateral; and

(xi) any Incremental Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) with other Term Loans in any mandatory repayments or prepayments or commitment reductions hereunder, and any Incremental Revolving Facility Commitments may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) with other Revolving Facility Commitments in any mandatory commitment reductions hereunder.

Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments evidenced thereby as provided for in Section 9.08(e) (including, without limitation, any amendment to Section 2.10(a) as may be necessary to reflect the amortization of any such Incremental Term Loans, including in the case of any Incremental Term Loan that is intended to be "fungible" with any existing series of Term Loans, any customary adjustments necessary to provide for such "fungibility"). Any amendment to this Agreement or any other Loan Document that is necessary to effect the provisions of this Section 2.21 and any such collateral and other documentation shall be deemed "Loan Documents" hereunder and such deemed amendment may be memorialized in writing by the Administrative Agent with the Borrower's consent (not to be unreasonably withheld) and furnished to the other parties hereto.

(c) Notwithstanding the foregoing, no Incremental Term Loan Commitment or Incremental Revolving Facility Commitment shall become effective under this Section 2.21 unless on the date of such effectiveness, (A) to the extent required by the relevant Incremental Assumption Agreement, the conditions set forth in clause (c) of Section 4.01 shall be satisfied and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Responsible Officer of the Borrower and (B) if such Incremental Term Loan Commitment or Incremental Revolving Facility Commitment is established for a purpose other than financing any Permitted Business Acquisition or any other acquisition or Investment that is permitted by this Agreement, no Event of Default under Section 7.01(b), (c), (h) (with respect to the Borrower) or (i) (with respect to the Borrower) shall have occurred and be continuing or would result therefrom.

(d) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that (i) all Incremental Term Loans (other than Incremental Term Loans having terms different from any Term Loans then in effect), when originally made, are included in each Borrowing of the outstanding applicable Class of Term Loans on a pro rata basis, and (ii) all Revolving Facility Loans in respect of Incremental Revolving Facility Commitments (other than Other Revolving Loans), when originally made, are included in each Borrowing of the applicable Class of outstanding Revolving Facility Loans on a pro rata basis. The Borrower agrees that Section 2.16 shall apply to any conversion of Eurocurrency Loans to ABR Loans reasonably required by the Administrative Agent to effect the foregoing.

(e) Notwithstanding anything to the contrary in this Agreement, including Section 2.11(a) or Section 2.18(c) (which provisions shall not be applicable to clauses (e) through (i) of this Section 2.21), pursuant to one or more offers made from time to time by the Borrower to all Lenders of any Class of Term Loans and/or Revolving Facility Commitments, on a pro rata basis (based, in the case of an offer to the Lenders under any Class of Term Loans, on the aggregate outstanding Term Loans of such Class and, in the case of an offer to the Lenders under any Revolving Facility, on the aggregate outstanding Revolving Facility Commitments under such Revolving Facility, as applicable) and on the same terms ("Pro Rata Extension Offers"), the Borrower is hereby permitted to consummate transactions with individual Lenders

from time to time to extend the maturity date of such Lender's Loans and/or Commitments of such Class and/or to otherwise modify the terms of such Lender's Loans and/or Commitments of such Class pursuant to the terms of the relevant Pro Rata Extension Offer (including without limitation increasing or reducing the interest rate or fees payable in respect of such Lender's Loans and/or Commitments and/or modifying the amortization schedule in respect of such Lender's Loans). For the avoidance of doubt, the reference to "on the same terms" in the preceding sentence shall mean, in the case of an offer to the Lenders under any Class of Term Loans, that all of the Term Loans of such Class and, in the case of an offer to the Lenders under any Revolving Facility, that all of the Revolving Facility Commitments in respect of such Revolving Facility are, in each case, offered to be extended for the same amount of time and that the interest rate changes and fees payable with respect to such extension are the same or are offered the same other modifications, as applicable. Any such extension or other modification (an "Extension") agreed to between the Borrower and any such Lender (which may include any existing Lender, but no existing Lender will have an obligation to make any Extension) (an "Extending Lender") will be established under this Agreement by implementing an Incremental Term Loan for such Lender (if such Lender is extending an existing Term Loan (such extended Term Loan, an "Extended Term Loan")) or an Incremental Revolving Facility Commitment for such Lender (if such Lender is extending an existing Revolving Facility Commitment (such extended Revolving Facility Commitment, an "Extended Revolving Facility Commitment")).

(f) The Borrower and each Extending Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Extended Term Loans and/or Extended Revolving Facility Commitments of such Extending Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Extended Term Loans and/or Extended Revolving Facility Commitments; *provided* that (i) except as to interest rates, fees, any other pricing terms, amortization, final maturity date, participation in prepayments and commitment reductions and covenants and other provisions applicable only to periods after the Initial Revolving Facility Maturity Date existing at the time of incurrence of such Extended Term Loan (which shall, subject to clauses (ii) and (iii) of this proviso, be determined by the Borrower and set forth in the Pro Rata Extension Offer), the Extended Term Loans shall have (w) terms substantially similar to, or not materially less favorable to the Borrower and its Subsidiaries than, the terms and conditions, taken as a whole, applicable to the existing Class of Term Loans (as determined in good faith by the Borrower), (x) then-current market terms (as determined in good faith by the Borrower), (y) in the case of unsecured Extended Term Loans, terms that are customary for "high yield" securities (as determined in good faith by the Borrower) or (z) such other terms as shall be reasonably satisfactory to the Administrative Agent, (ii) the final maturity date of any Extended Term Loans shall be no earlier than the Term Facility Maturity Date of the Class of Term Loan to which such offer relates, (iii) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Class of Term Loans to which such offer relates (without giving effect to any amortization or prepayments on such Class of Term Loans), (iv) except as to interest rates, fees, any other pricing terms, participation in prepayments and commitment reductions, final maturity and covenants and other provisions applicable only to periods after the latest Revolving Facility Maturity Date existing at the time of incurrence of such Extended Revolving Facility Commitments (which shall be determined by the Borrower and set forth in the Pro Rata Extension Offer), any Extended Revolving Facility Commitment shall have (w) terms substantially similar to, or not materially less favorable to the Borrower and its Subsidiaries than, the terms and conditions, taken as a whole, applicable to the existing Class of Revolving Facility Commitments (as determined in good faith by the Borrower), (x) then-current market terms (as determined in good faith by the Borrower), (y) in the case of unsecured Extended Revolving Facility Commitments, terms that are customary for "high yield" securities (as determined in good faith by the Borrower) or (z) such other terms as shall be reasonably satisfactory to the Administrative Agent, and (v) any Extended Term Loans and/or Extended Revolving Facility Commitments may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments

or prepayments of Term Loans or Revolving Facility Commitments, as applicable, hereunder. Upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Extended Term Loans and/or Extended Revolving Facility Commitments evidenced thereby as provided for in Section 9.08(e). Any such deemed amendment may be memorialized in writing by the Administrative Agent with the Borrower's consent (not to be unreasonably withheld) and furnished to the other parties hereto. If provided in any Incremental Assumption Agreement with respect to any Extended Revolving Facility Commitments, and with the consent of each L/C Issuer, participations in Letters of Credit shall be reallocated to lenders holding such Extended Revolving Facility Commitments in the manner specified in such Incremental Assumption Agreement, including upon effectiveness of such Extended Revolving Facility Commitment or upon or prior to the maturity date for any Class of Revolving Facility Commitments.

(g) Upon the effectiveness of any such Extension, the applicable Extending Lender's Term Loan will be automatically designated an Extended Term Loan and/or such Extending Lender's Revolving Facility Commitment will be automatically designated an Extended Revolving Facility Commitment. For purposes of this Agreement and the other Loan Documents, (i) if such Extending Lender is extending a Term Loan, such Extending Lender will be deemed to have an Incremental Term Loan having the terms of such Extended Term Loan and (ii) if such Extending Lender is extending a Revolving Facility Commitment, such Extending Lender will be deemed to have an Incremental Revolving Facility Commitment having the terms of such Extended Revolving Facility Commitment.

(h) Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.21), (i) the aggregate amount of Extended Term Loans and Extended Revolving Facility Commitments will not be included in the calculation of the Incremental Amount, (ii) no Extended Term Loan or Extended Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (iii) any Extending Lender may extend or modify all or any portion of its Term Loans and/or Revolving Facility Commitment pursuant to one or more Pro Rata Extension Offers (subject to applicable proration in the case of over participation) (including the extension of any Extended Term Loan and/or Extended Revolving Facility Commitment), (iv) there shall be no condition to any Extension of any Loan or Commitment at any time or from time to time other than notice to the Administrative Agent of such Extension and the terms of the Extended Term Loan or Extended Revolving Facility Commitment implemented thereby and (v) all Extended Term Loans, Extended Revolving Facility Commitments and all obligations in respect thereof shall, unless the Borrower and the applicable Lenders agree otherwise, be Loan Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents.

(i) Each Extension shall be consummated pursuant to procedures set forth in the associated Pro Rata Extension Offer; *provided* that the Borrower shall cooperate with the Administrative Agent prior to making any Pro Rata Extension Offer to establish reasonable procedures with respect to mechanical provisions relating to such Extension, including, without limitation, timing, rounding and other adjustments.

(j) Notwithstanding anything to the contrary in this Agreement, including Section 2.11(a) or Section 2.18(c) (which provisions shall not be applicable to clause (j) through (o) of this Section 2.21), the Borrower may by written notice to the Administrative Agent establish one or more additional tranches of term loans under this Agreement (such loans, "Refinancing Term Loans"), the net cash proceeds of which are used to Refinance in whole or in part any Class of Term Loans or any term or notes Indebtedness originally incurred pursuant to Section 6.01(jj) (or any Refinancing thereof). Each such notice shall specify the date (each, a "Refinancing Effective Date") on which the Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not less than five Business Days after the

date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion); *provided* that:

(i) before and after giving effect to the borrowing of such Refinancing Term Loans on the Refinancing Effective Date each of the conditions set forth in Section 4.01(c) shall be satisfied to the extent required by the relevant Incremental Assumption Agreement governing such Refinancing Term Loans (except that no Default or Event of Default pursuant to Section 7.01(b), (c), (h) (with respect to the Borrower) or (i) (with respect to the Borrower) shall have occurred and be continuing);

(ii) the final maturity date of the Refinancing Term Loans shall be no earlier than the maturity date of the refinanced Indebtedness (*provided* that this clause (ii) shall not apply to bridge facilities allowing extensions on customary terms to a date that is no earlier than the applicable maturity date);

(iii) the Weighted Average Life to Maturity of such Refinancing Term Loans shall be no shorter than the then-remaining Weighted Average Life to Maturity of the refinanced Indebtedness (without giving effect to any amortization or prepayments on such Indebtedness) (*provided* that this clause (iii) shall not apply to bridge facilities allowing extensions on customary terms to a date that is no earlier than the applicable Indebtedness);

(iv) there shall be no obligor in respect of any Refinancing Term Loans that is not a Loan Party;

(v) the aggregate principal amount of the Refinancing Term Loans shall not exceed the outstanding principal amount of the refinanced Indebtedness plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith; and

(vi) all other terms applicable to such Refinancing Term Loans (other than provisions relating to original issue discount, upfront fees, interest rates or any other pricing terms, optional prepayment or mandatory prepayment or redemption terms and any covenants and other terms that apply solely to any period after the Initial Revolving Facility Maturity Date (which shall be as agreed between the Borrower and the Lenders providing such Refinancing Term Loans)) shall be (w) on then current market terms (as determined by the Borrower in good faith), (x) in the case of unsecured Refinancing Term Loans, customary for "high yield" securities (as determined by the Borrower in good faith), (y) substantially similar to, or not materially more favorable to the Lenders providing such Refinancing Term Loans, than, the terms, taken as a whole, applicable to the Initial Revolving Facility, with such modifications as are customary for term loans (including, without limitation, mandatory prepayments as set forth in Section 2.11 hereof as such mandatory prepayments may be modified by the Borrower and the lenders providing such additional Term Facility (including to establish "step-downs" in the definitions of "Net Proceeds" and "Required Percentage"), "most favored nation" pricing provisions and call protection provisions) (as determined by the Borrower in good faith) or (z) otherwise reasonably acceptable to the Administrative Agent. In addition, notwithstanding the foregoing, the Borrower may establish Refinancing Term Loans to refinance and/or replace all or any portion of a Revolving Facility Commitment (regardless of whether Revolving Facility Loans are outstanding under such Revolving Facility Commitments at the time of incurrence of such Refinancing Term Loans) or any revolving credit facility originally incurred pursuant to Section 6.01(jj) (or any Refinancing thereof), so long as (1) the aggregate amount of such Refinancing Term Loans does not exceed the aggregate amount of Revolving Facility Commitments or revolving credit facility originally incurred pursuant to Section 6.01(jj) (or any Refinancing thereof), as applicable, refinanced and/or replaced at the time of incurrence thereof plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith and (2) if the Revolving Facility Credit Exposure outstanding on the Refinancing Effective Date would exceed the aggregate amount of Revolving Facility Commitments outstanding in each case after giving effect to the termination of such Revolving Facility Commitments, the Borrower shall take one or more of the actions contemplated by Section 2.11(e)

such that such Revolving Facility Credit Exposure does not exceed such aggregate amount of Revolving Facility Commitments in effect on the Refinancing Effective Date after giving effect to the termination of such Revolving Facility Commitments (it being understood that such Refinancing Term Loans may be provided by the Lenders holding the Revolving Facility Commitments being terminated and/or by any other Person that would be a permitted Assignee hereunder).

(k) The Borrower may approach any Lender or any other Person that would be a permitted Assignee pursuant to Section 9.04 to provide all or a portion of the Refinancing Term Loans; *provided* that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated an additional Class of Term Loans for all purposes of this Agreement; *provided* that any Refinancing Term Loans may, to the extent provided in the applicable Incremental Assumption Agreement, be designated as an increase in any previously established Class of Term Loans made to the Borrower.

(l) Notwithstanding anything to the contrary in this Agreement, including Section 2.11(a) and Section 2.18(c) (which provisions shall not be applicable to clauses (l) through (o) of this Section 2.21), the Borrower may by written notice to the Administrative Agent establish one or more additional Facilities providing for revolving commitments ("Replacement Revolving Facility Commitments" and the revolving loans thereunder, "Replacement Revolving Loans"), which replaces in whole or in part any Class of Revolving Facility Commitments under this Agreement or any revolving credit facility originally incurred pursuant to Section 6.01(jj) (or any Refinancing thereof). Each such notice shall specify the date (each, a "Replacement Revolving Facility Effective Date") on which the Borrower proposes that the Replacement Revolving Facility Commitments shall become effective, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion); *provided* that: (i) before and after giving effect to the establishment of such Replacement Revolving Facility Commitments on the Replacement Revolving Facility Effective Date each of the conditions set forth in Section 4.01(c) shall be satisfied to the extent required by the relevant Incremental Assumption Agreement governing such Refinancing Term Loans (except that no Default or Event of Default pursuant to Section 7.01(b), (c), (h) (with respect to the Borrower) or (i) (with respect to the Borrower) shall have occurred and be continuing); (ii) after giving effect to the establishment of any Replacement Revolving Facility Commitments and any concurrent reduction in the aggregate amount of any other Revolving Facility Commitments and any revolving credit facility originally incurred pursuant to Section 6.01(jj) (or any Refinancing thereof), the aggregate amount of Revolving Facility Commitments shall not exceed the aggregate amount of the Revolving Facility Commitments and revolving credit facilities incurred pursuant to Section 6.01(jj) (or any Refinancing thereof) outstanding immediately prior to the applicable Replacement Revolving Facility Effective Date plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith; (iii) no Replacement Revolving Facility Commitments shall have a final maturity date prior to the maturity date of the applicable revolving credit facility being replaced; (iv) there shall be no obligor in respect of any Replacement Revolving Facility Commitments that is not a Loan Party; and (v) all other terms applicable to such Replacement Revolving Facility (other than provisions relating to (x) fees, interest rates and other pricing terms, prepayment and commitment reduction and optional redemption terms and any covenants and other terms that apply solely to any period after the latest final maturity of the Revolving Facility Commitments in effect on the date of incurrence of such Replacement Revolving Facility Commitments (which shall be as agreed between the Borrower and the Lenders providing such Replacement Revolving Facility Commitments) and (y) the amount of any letter of credit sublimit under such Replacement Revolving Facility (which shall be as agreed between the Borrower, the Lenders providing such Replacement Revolving Facility Commitments, the Administrative Agent and the Replacement L/C Issuer, if any, under such Replacement Revolving Facility Commitments)) taken as a whole shall be (w) on then current market

terms (as determined by the Borrower in good faith), (x) in the case of unsecured Replacement Revolving Facility Commitments, customary for "high yield" securities (as determined by the Borrower in good faith), (y) substantially similar to, or not materially more favorable to the Lenders providing such Replacement Revolving Facility Commitments than, those, taken as a whole, applicable to the then outstanding Revolving Facility (as determined by the Borrower in good faith) or (z) otherwise reasonably acceptable to the Administrative Agent. In addition, the Borrower may establish Replacement Revolving Facility Commitments to refinance and/or replace all or any portion of a Term Loan hereunder (regardless of whether such Term Loan is repaid with the proceeds of Replacement Revolving Loans or otherwise) or any term or notes Indebtedness originally incurred pursuant to Section 6.01(jj) (or any Refinancing thereof), so long as the aggregate amount of such Replacement Revolving Facility Commitments does not exceed the aggregate amount of Term Loans or term or notes Indebtedness originally incurred pursuant to Section 6.01(jj) (or any Refinancing thereof), as applicable, repaid at the time of establishment thereof plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith (it being understood that such Replacement Revolving Facility Commitment may be provided by the Lenders holding the Term Loans being repaid and/or by any other Person that would be a permitted Assignee hereunder).

(m) The Borrower may approach any Lender or any other Person that would be a permitted Assignee of a Revolving Facility Commitment pursuant to Section 9.04 (such Person, a "Replacement Revolving Lender") to provide all or a portion of the Replacement Revolving Facility Commitments; *provided* that any Lender offered or approached to provide all or a portion of the Replacement Revolving Facility Commitments may elect or decline, in its sole discretion, to provide a Replacement Revolving Facility Commitment. Any Replacement Revolving Facility Commitment made on any Replacement Revolving Facility Effective Date shall be designated an additional Class of Revolving Facility Commitments for all purposes of this Agreement; *provided* that any Replacement Revolving Facility Commitments may, to the extent provided in the applicable Incremental Assumption Agreement, be designated as an increase in any previously established Class of Revolving Facility Commitments.

(n) On any Replacement Revolving Facility Effective Date, subject to the satisfaction of the foregoing terms and conditions, each of the Lenders with Replacement Revolving Facility Commitments of such Class shall purchase from each of the other Lenders with Replacement Revolving Facility Commitments of such Class, at the principal amount thereof and in the applicable currencies, such interests in the Replacement Revolving Loans and participations in Letters of Credit under such Replacement Revolving Facility Commitments of such Class then outstanding on such Replacement Revolving Facility Effective Date as shall be necessary in order that, after giving effect to all such assignments and purchases, the Replacement Revolving Loans and participations of such Replacement Revolving Facility Commitments of such Class will be held by the Lenders thereunder ratably in accordance with their Replacement Revolving Credit Percentages.

(o) For purposes of this Agreement and the other Loan Documents, (i) if a Lender is providing a Refinancing Term Loan, such Lender will be deemed to have an Incremental Term Loan having the terms of such Refinancing Term Loan and (ii) if a Lender is providing a Replacement Revolving Facility Commitment, such Lender will be deemed to have an Incremental Revolving Facility Commitment having the terms of such Replacement Revolving Facility Commitment. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.21), (i) the aggregate amount of Refinancing Term Loans and Replacement Revolving Facility Commitments will not be included in the calculation of the Incremental Amount, (ii) no Refinancing Term Loan or Replacement Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (iii) there shall be no condition to any incurrence of any Refinancing Term Loan or Replacement Revolving Facility Commitment at any time or from time to time other than those set forth in clauses (j) or (l) above, as applicable, and (iv) all Refinancing Term Loans, Replacement Revolving Facility

Commitments and, unless the Borrower and the applicable Lenders agree otherwise, all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other Obligations under this Agreement and the other Loan Documents.

(p) Notwithstanding anything in the foregoing to the contrary, (i) for the purpose of determining the number of outstanding Eurocurrency Borrowings upon the incurrence of any Incremental Revolving Facility Commitments or Incremental Term Loan Commitments, (x) to the extent the last date of Interest Periods for multiple Eurocurrency Borrowings under the Term Facilities fall on the same day, such Eurocurrency Borrowings shall be considered a single Eurocurrency Borrowing and (y) to the extent the last date of Interest Periods for multiple Eurocurrency Borrowings under the Revolving Facilities fall on the same day, such Eurocurrency Borrowings shall be considered a single Eurocurrency Borrowing and (ii) the initial Interest Period with respect to any Eurocurrency Borrowing of Incremental Revolving Facility Commitments or Incremental Term Loan Commitments may, at the Borrower's option, be of a duration of a number of Business Days that is less than one month, and the Adjusted Eurocurrency Rate with respect to such initial Interest Period shall be the same as the Adjusted Eurocurrency Rate applicable to any then-outstanding Eurocurrency Borrowing as the Borrower may direct, so long as the last day of such initial Interest Period is the same as the last day of the Interest Period with respect to such outstanding Eurocurrency Borrowing.

SECTION 2.22. Defaulting Lenders.

(i) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender under any Revolving Facility becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable laws, rules and regulations of any Governmental Authority, during any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender under any such Revolving Facility to acquire, refinance or fund participations in Letters of Credit pursuant to Section 2.05, the "Revolving Facility Percentage" of each Non-Defaulting Lender under such Revolving Facility shall be computed without giving effect to the Revolving Facility Commitment of that Defaulting Lender; *provided*, that, (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default exists; and (ii) the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit under such Revolving Facility in connection with such reallocation shall not exceed the Available Unused Commitment of such Lender.

(ii) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Required Lenders," "Required Revolving Facility Lenders" or "Majority Lenders," as applicable, and Section 9.08.

(iii) Cash Collateral. To the extent the reallocation pursuant to clause (i) above is insufficient for any reason to cover the L/C Issuer's Fronting Exposure to a Defaulting Lender, the Borrower shall Cash Collateralize such uncovered Fronting Exposure pursuant to arrangements reasonably satisfactory to the Administrative Agent.

(iv) Limitation on Letters of Credit. Notwithstanding anything to the contrary set forth herein, so long as any Lender is a Defaulting Lender, no L/C Issuer shall have any obligation to issue, amend or renew any Letter of Credit at any time there is Fronting Exposure unless the L/C Issuer is satisfied that it will have no Fronting Exposure after giving effect thereto.

(v) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of a Defaulting Lender on account of its Loans or participations under the applicable Class of Revolving Facility Commitments (whether voluntary or mandatory, at maturity, following an Event of Default or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.06, shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the L/C Issuer hereunder; *third*, if so determined by the Administrative Agent or requested by the L/C Issuer, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Letter of Credit; *fourth*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *sixth*, to the payment of any amounts owing to the Lenders or the L/C Issuer as a result of any judgment of a court of competent jurisdiction obtained by any Lender or the L/C Issuer against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.22(v) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(vi) Certain Fees. (A) No Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender.

(B) Each Defaulting Lender shall be entitled to receive L/C Participation Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its pro rata share of the stated amount of Letters of Credit for which it has provided Cash Collateral.

(C) With respect to any Commitment Fee or L/C Participation Fee not required to be paid to any Defaulting Lender pursuant to clause (vi)(A) or (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (vii) below, (y) pay to each L/C Issuer the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such L/C Issuer's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(vii) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit shall be reallocated among the Non-Defaulting Lenders of the applicable Revolving Facility in accordance with their respective pro rata Commitments under such Revolving Facility (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Facility Credit Exposure of any Non-Defaulting Lender under such Revolving Facility to exceed such Non-Defaulting Lender's

Revolving Facility Commitment under such Revolving Facility. Subject to Section 9.24, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(viii) Defaulting Lender Cure. If the Borrower, the Administrative Agent and the L/C Issuer agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Facility Loans and funded and unfunded participations in Letters of Credit under the applicable Revolving Facility to be held on a pro rata basis by the Lenders in accordance with their Revolving Facility Percentages under such Revolving Facility (without giving effect to Section 2.22(i)), whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III
Representations and Warranties

On the date of each Credit Event, the Borrower represents and warrants to each of the Lenders that:

SECTION 3.01. Organization; Powers. Except as set forth on Schedule 3.01, the Borrower and each of the Material Subsidiaries (a) is a partnership, limited liability company or corporation duly organized, validly existing and in good standing (or, if applicable in a foreign jurisdiction, enjoys the equivalent status under the laws of any jurisdiction of organization outside the United States) under the laws of the jurisdiction of its organization, (b) has all requisite corporate or other organizational power and authority to own its property and assets and to carry on its business as now conducted, (c) is qualified to do business in each jurisdiction where such qualification is required, except where the failure so to qualify would not reasonably be expected to have a Material Adverse Effect, and (d) has the power and authority to execute, deliver and perform its obligations under each of the Loan Documents and each other agreement or instrument contemplated thereby to which it is or will be a party and, in the case of the Borrower, to borrow and otherwise obtain credit hereunder.

SECTION 3.02. Authorization. (n) The CEC Acquisition shall be consummated in all material respects in accordance with the CEC Acquisition Agreement, substantially concurrently with the initial funding of the Revolving Facility on the Closing Date, and no provision thereof shall have been amended or waived by the Borrower, and no consent with respect to any term or condition thereof shall have been given thereunder by the Borrower, in a manner materially adverse to the interests of the Commitment Parties (for purposes of this paragraph, as defined in the Commitment Letter) or the Lenders in their capacities as such without the prior written consent of the Initial Commitment Parties (for purposes of this paragraph, as defined in the Commitment Letter) (such approval not to be unreasonably withheld, conditioned or delayed) (it being agreed that (A) (i) any decrease in the cash portion of the purchase price of not more than 10% shall not be materially adverse to the interests of the Commitment Parties or the Lenders in their respective capacities as such so long as such decrease is allocated to reduce the Unsecured Bridge Facility (as defined in the Commitment Letter) on a dollar for dollar basis and (ii) any decrease in the number of shares constituting the equity portion of the purchase price of not more than 10% shall not be materially adverse to the interest of the Commitment Parties or the Lenders in their respective capacities as such; (B) the granting of any consent under the CEC Acquisition Agreement that is not materially adverse to the interests of the Commitment Parties or the Lenders in their respective capacities as such shall not otherwise constitute an amendment or waiver; (C) any amendment to or modification of the definition of "Material Adverse Effect" with respect to CEC in the Acquisition Agreement to which the Borrower agrees shall be deemed to be materially adverse to the interests of the Commitment Parties and the Lenders in their capacities as such; (D) any waiver of (or material modification having the effect of a waiver of) the condition set forth in Section 6.1(e)(ii) of the CEC Acquisition Agreement (as in effect on the date of the CEC Acquisition Agreement) as to gaming approvals to which the Borrower agrees shall be deemed to be materially adverse to the interests of the Commitment Parties and the Lenders in their capacities as such; and (E) any waiver of (or material modification having the effect of a waiver of) the condition set forth in Section 6.3(e) of the CEC Acquisition Agreement (as in effect on the date of the CEC Acquisition Agreement) as to the CEC Convertible Senior Notes to which the Borrower agrees shall be deemed to be materially adverse to the interests of the Commitment Parties and the Lenders in their capacities as such).

(o) The Borrower shall have delivered to the Administrative Agent a certificate dated as of the Closing Date, to the effect set forth in Section 4.02(m) hereof, which shall not be required to include any representation or statement as to the absence (or existence) of any default or event of default or any bring-down of representations and warranties.

(p) The Administrative Agent shall have received a Borrowing Request, which shall not be required to include any representation or statement as to the absence (or existence) of any default or event of default or any bring-down of representations and warranties.

For purposes of determining compliance with the conditions specified in this Section 4.02, each Lender shall be deemed to have consented to, approved or accepted or to be satisfied with each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to the Lenders unless an officer of the Administrative Agent responsible for the transactions contemplated by the Loan Documents shall have received notice from such Lender prior to the Closing Date specifying its objection thereto and, in the case of a Borrowing, such Lender shall not have made available to the Administrative Agent such Lender's ratable portion of the initial Borrowing.

ARTICLE V
Affirmative Covenants

The Borrower covenants and agrees with each Lender that until the Termination Date, unless the Required Lenders shall otherwise consent in writing, the Borrower will, and will cause each of its Subsidiaries to:

SECTION 5.01. Existence; Businesses and Properties.

(a) Do or cause to be done all things necessary to preserve, renew and keep in full force and effect its legal existence, except, in the case of a Subsidiary of the Borrower, where the failure to do so would not reasonably be expected to have a Material Adverse Effect, and except as otherwise permitted under Section 6.05; *provided* that the Borrower may liquidate or dissolve one or more Subsidiaries if the assets of such Subsidiaries (to the extent they exceed estimated liabilities) are acquired by the Borrower or a Wholly-Owned Subsidiary of the Borrower in such liquidation or dissolution, except that the Borrower and Subsidiary Loan Parties may not be liquidated into Subsidiaries that are not Loan Parties and Domestic Subsidiaries may not be liquidated into Foreign Subsidiaries (except in each case as otherwise permitted under Section 6.05).

(b) Except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, do or cause to be done all things necessary to (i) lawfully obtain, preserve, renew, extend and keep in full force and effect the permits, franchises, authorizations, patents, trademarks, service marks, trade names, copyrights, licenses and rights with respect thereto necessary to the normal conduct of its business, and (ii) at all times maintain and preserve all tangible property necessary to the normal conduct of its business and keep such property in good repair, working order and condition (ordinary wear and tear, casualty and condemnation excepted), from time to time make, or cause to be made, all needful and proper repairs, renewals, additions, improvements and replacements thereto necessary in order that the business carried on in connection therewith, if any, may be properly conducted at all times (in each case except as permitted by this Agreement).

SECTION 5.02. Insurance.

(a) Maintain, with financially sound and reputable insurance companies (as determined in good faith by Borrower), insurance (subject to customary deductibles and retentions) in such amounts and against such risks as are customarily and reasonably maintained by similarly situated

companies engaged in the same or similar businesses operating in the same or similar locations (as determined in good faith by the Borrower and it being understood that any such insurance may be carried pursuant to one or more group or combined insurance policies of the Borrower and its subsidiaries and any such policy may provide for a pro rata or preferential allocation of proceeds in favor of any one or more properties of the Borrower and its subsidiaries) and cause the Loan Parties to be listed as insured and the Collateral Agent to be listed as a co-loss payee on property and property casualty policies and as an additional insured on liability policies. Notwithstanding the foregoing, the Borrower and the Subsidiaries may self-insure with respect to such risks with respect to which companies of established reputation engaged in the same general line of business in the same general area usually self-insure (as determined in good faith by the Borrower).

(b) With respect to any Mortgaged Properties (excluding any Vessel), if at any time the area in which the Premises (as defined in the Mortgages) are located is designated a "flood hazard area" in any Flood Insurance Rate Map published by the Federal Emergency Management Agency (or any successor agency) Borrower and the Subsidiaries shall obtain flood insurance to the extent required to comply with the Flood Insurance Laws.

(c) In connection with the covenants set forth in this Section 5.02, it is understood and agreed that:

(i) none of the Administrative Agent, the Lenders, the L/C Issuer and their respective agents or employees shall be liable for any loss or damage insured by the insurance policies required to be maintained under this Section 5.02, it being understood that (A) the Loan Parties shall look solely to their insurance companies or any other parties other than the aforesaid parties for the recovery of such loss or damage and (B) such insurance companies shall have no rights of subrogation against the Administrative Agent, the Lenders, any L/C Issuer or their agents or employees. If, however, the insurance policies, as a matter of the internal policy of such insurer, do not provide waiver of subrogation rights against such parties, as required above, then the Borrower, on behalf of itself and behalf of its Subsidiaries, hereby agrees, to the extent permitted by law, to waive, and further agrees to cause each of its Subsidiaries to waive, its right of recovery, if any, against the Administrative Agent, the Lenders, any L/C Issuer and their agents and employees;

(ii) the designation of any form, type or amount of insurance coverage by the Administrative Agent under this Section 5.02 shall in no event be deemed a representation, warranty or advice by the Administrative Agent or the Lenders that such insurance is adequate for the purposes of the business of the Borrower and the Subsidiaries or the protection of their properties; and

(iii) except with respect to the flood insurance required under Section 5.02(b), the amount and type of insurance that the Borrower and its Subsidiaries have in effect as of the Closing Date satisfies for all purposes the requirements of this Section 5.02.

SECTION 5.03. Taxes. Pay and discharge promptly when due all Taxes, imposed upon it or upon its income or profits or in respect of its property, before the same shall become delinquent or in default, as well as all material lawful claims which, if unpaid, might give rise to a Lien (other than a Permitted Lien) upon such properties or any part thereof; *provided, however*, that such payment and discharge shall not be required with respect to any such Tax, assessment, charge, levy or claim where (a) the validity or amount thereof is being contested in good faith by appropriate proceedings and the Borrower or the affected Subsidiary, as applicable, shall have set aside on its books adequate reserves in accordance with GAAP with respect thereto or (b) the failure to make payment could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

SECTION 5.04. Financial Statements, Reports, etc. Furnish to the Administrative Agent (which will promptly furnish such information to the Lenders):

(c) (x) concurrently with any delivery of financial statements under paragraphs (a) or (b) above, a customary certificate of a Financial Officer of the Borrower (i) certifying that no Event of Default or Default has occurred since the date the last certificate delivered pursuant to this Section 5.04(c) or, if such an Event of Default or Default has occurred, specifying the nature and

(e) within 105 days after the beginning of each fiscal year (or such later date as the Administrative Agent may agree), a reasonably detailed consolidated annual budget for such fiscal year (including a projected consolidated balance sheet of the Borrower and its consolidated subsidiaries as of the end of the following fiscal year, and the related consolidated statements of projected cash flow and projected income), including a description of underlying assumptions with respect thereto (collectively, the "Budget"), which Budget shall in each case be accompanied by the statement of a Financial Officer of the Borrower to the effect that, the Budget is based on assumptions believed by such Financial Officer to be reasonable as of the date of delivery thereof;

(f) upon the reasonable request of the Administrative Agent not more frequently than once a year unless an Event of Default has occurred and is continuing, an updated Perfection Certificate (or, to the extent such request relates to specified information contained in the Perfection Certificate, such information) reflecting all changes since the date of the information most recently received pursuant to this Section 5.04(f) or Section 5.10(f);

(d) If any additional direct or indirect Subsidiary of the Borrower is formed or acquired after the Closing Date (with any Subsidiary Redesignation resulting in an Unrestricted Subsidiary becoming a Subsidiary being deemed to constitute the acquisition of a Subsidiary) and if such Subsidiary is a Wholly-Owned Domestic Subsidiary (other than an Excluded Subsidiary), within fifteen (15) Business Days after the date such Wholly-Owned Domestic Subsidiary is formed or acquired (or such longer period as the Administrative Agent may reasonably agree), notify the Collateral Agent and the Administrative Agent thereof and, within twenty (20) Business Days after the date such Wholly-Owned Domestic Subsidiary is formed or acquired or such longer period as the Administrative Agent shall agree (or, with respect to clauses (g) and (h) of the definition of "Collateral and Guarantee Requirement," within 90 days after such formation or acquisition or such longer period as set forth therein or as the Administrative Agent may agree in its reasonable discretion, as applicable), cause the Collateral and Guarantee Requirement to be satisfied with respect to such Wholly-Owned Domestic Subsidiary and with respect to any Equity Interest in or Indebtedness of such Wholly-Owned Domestic Subsidiary owned by or on behalf of any Loan Party, subject in each case to paragraph (g) below.

(e) If any additional Foreign Subsidiary or FSHCO of the Borrower is formed or acquired after the Closing Date (with any Subsidiary Redesignation resulting in an Unrestricted Subsidiary becoming a Subsidiary being deemed to constitute the acquisition of a Subsidiary) and if such Subsidiary is directly owned by a Loan Party, within fifteen (15) Business Days after the date such Foreign Subsidiary is formed or acquired (or such longer period as the Administrative Agent may agree), notify the Collateral Agent and the Administrative Agent thereof and, within twenty (20) Business Days after the date such Foreign Subsidiary or FSHCO is formed or acquired or such longer period as the Administrative Agent shall agree, cause the Collateral and Guarantee Requirement to be satisfied with respect to any Equity Interest in such Foreign Subsidiary or FSHCO owned by or on behalf of any Loan Party, subject in each case to paragraph (g) below.

(f) Furnish to the Collateral Agent and the Administrative Agent promptly (and in any event within 30 days after such change) written notice of any change (A) in any Loan Party's corporate or organization name, (B) in any Loan Party's identity or organizational structure, (C) in any Loan Party's organizational identification number or (D) in any Loan Party's jurisdiction of organization; *provided*, that no Loan Party shall effect or permit any such change unless all filings have been made, or will have been made within any statutory period, under the Uniform Commercial Code or otherwise that are required in order for the Collateral Agent to continue (to the extent required hereunder) at all times following such change to have a valid, legal and perfected security interest in all the Collateral for the benefit of the Secured Parties with the same priority as prior to such change.

(g) The Collateral and Guarantee Requirement and the other provisions of this Section 5.10 and the other provisions of the Loan Documents with respect to Collateral need not be satisfied with respect to any Excluded Property. Notwithstanding anything to the contrary in this Agreement, any Security Document, or any other Loan Document, (A) the Administrative Agent may grant extensions of time or waiver of requirement for the grant or perfection of security interests in or the obtaining of insurance (including title insurance) and surveys with respect to particular assets (including extensions beyond the Closing Date for the grant or perfection of security interests in the assets of the Loan Parties on such date) where it reasonably determines, in consultation with the Borrower, that perfection or obtaining of such items cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required by this Agreement or the other Loan Documents, (B) no foreign law governed security documents or grant or perfection actions under foreign law shall be required except with respect to the assets of an Equity Interest in any Subsidiary Loan Party that is a Foreign Subsidiary (in which case such documents and grant or perfection actions shall be limited to the jurisdiction of formation of such Subsidiary Loan Party), (C) no landlord, mortgagee or bailee waivers shall be required, (D) no notice shall be required to be sent to account debtors or other contractual third parties prior to an Event of Default, (E) Liens required to be granted from time to time pursuant to, or any other requirements of, the Collateral and Guarantee Requirement and the Security Documents shall be subject to exceptions and limitations set forth in the Security Documents and, to the extent appropriate in the applicable jurisdiction, as otherwise agreed between the Administrative Agent and the Borrower, (F) to the extent any Mortgaged Property is located in a jurisdiction with mortgage recording or similar tax, the amount secured by the Security Document with respect to such Mortgaged Property shall be limited to the fair market value of such Mortgaged Property as determined in good faith by the Borrower (subject to any applicable laws in the relevant jurisdiction or such lesser amount agreed to by the Administrative Agent), (G) no title insurance, flood insurance or surveys shall be required with respect to any Vessel, (H) no Mortgage shall be required to be delivered with respect to any Vessel that is leased by a Loan Party, (I) there shall be no control, lockbox or similar arrangements nor any control agreements relating to the Borrower's and its subsidiaries' bank accounts (including deposit, securities or commodities accounts), (J) the Administrative Agent and the Borrower may make such modifications to the Security Documents, and execute and/or consent to such easements, covenants, rights of way or similar instruments (and Administrative Agent may agree to subordinate the lien of any mortgage to any such easement, covenant, right of way or similar instrument or record or may agree to recognize any tenant pursuant to an agreement in a form and substance reasonably acceptable to the Administrative Agent), as are reasonable or necessary in connection with any project or transactions otherwise permitted hereunder and (K) other than with respect to clauses (h)(i) and (h)(ii) of the definition of Collateral and Guarantee Requirement, clauses (g)(y) and (h) of the definition of Collateral and Guarantee Requirement shall not be required to be satisfied with respect to any Mortgaged Property that has a fair market value of less than $10.0 million (as determined by the Borrower in good faith).

(h) The Borrower shall, or shall cause the applicable Loan Parties to, satisfy the requirements listed on Schedule 5.10 within the timeframes indicated thereon.

(i) Notwithstanding anything to the contrary set forth in this Section 5.10 or elsewhere in this Agreement or any other Loan Document, the Borrower or any Subsidiary, as an Interim Purchaser, may under certain applicable Gaming Laws enter into an Interim Authorization Trust Arrangement to acquire certain Equity Interests and other property to the extent permitted hereunder, and (x) such Interim Purchaser shall be required, concurrently with the later of (A) the execution of the Interim Trust agreement for such Interim Authorization Trust Arrangement or (B) the closing of the related acquisition, comply with this Section 5.10 with respect to all of the Equity Interests and other property held by such Interim Trust and Interim Purchaser (except Excluded Property), and (y) promptly following the issuance of such required gaming licenses by the applicable Gaming Authorities, the Borrower and any Interim Purchaser shall take all steps necessary to comply with this Section 5.10 (within the time periods specified in this Section 5.10) with respect to all Equity Interests and other property acquired pursuant to such an acquisition otherwise held by such Interim Trust or Interim Purchaser (other than Excluded Property); *provided*, *however*, that for the avoidance of doubt, to the extent prohibited by applicable law, any Interim Trust shall not be required to become a Loan Party or grant Liens on such Equity Interests or other property being held in any such Interim Authorization Trust Arrangement.

(j) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, in the event that the Borrower elects in its sole discretion to cause a Foreign Subsidiary to become a Subsidiary Loan Party, such Foreign Subsidiary shall grant a perfected lien in favor of the Collateral Agent pursuant to arrangements reasonably agreed between the Administrative Agent and the Borrower on substantially all of its assets other than Excluded Property (except for assets that would be Excluded Property solely due to being owned by a Foreign Subsidiary or located outside the U.S.), subject to customary limitations and exclusions in such jurisdiction as may be reasonably agreed between the Administrative Agent and the Borrower.

(k) Promptly notify the Administrative Agent when any of the Evansville Property, the Montbleu Property, the Shreveport Property and the Hollywood Dreams Vessel constitutes an Owned Real Property or Material Leased Real Property, as applicable, and, unless waived by the Administrative Agent, if such property is owned or leased by a Loan Party at such time, grant or cause each of the applicable Subsidiary Loan Parties to grant to the Collateral Agent security interests in, and mortgages on, such Owned Real Property and Material Leased Real Property within 90 days (or such later date as the Administrative Agent may agree in its reasonable discretion) after (i) January 1, 2021 (or such later date as the Administrative Agent may agree in its reasonable discretion), with respect to the Evansville Property, (ii) April 1, 2021 (or such later date as the Administrative Agent may agree in its reasonable discretion), with respect to the Montbleu Property, (iii) April 1, 2021 (or such later date as the Administrative Agent may agree in its reasonable discretion) with respect to the Shreveport Property and (iv) April 1, 2021 (or such later date as the Administrative Agent may agree in its reasonable discretion) with respect to the Hollywood Dreams Vessel, pursuant to documentation substantially in the form of Exhibit D-1, Exhibit D-2, Exhibit D-3, Exhibit D-4 or Exhibit D-5 or in such other form as is reasonably satisfactory to the Administrative Agent (each, an "Additional Divestiture Mortgage") and constituting valid and enforceable Liens subject to no other Liens except Permitted Liens at the time of recordation thereof, record or file, cause each such Subsidiary Loan Party to record or file, the Additional Divestiture Mortgage or instruments related thereto in such manner and in such places as is required by law to establish, perfect, preserve and protect the Liens in favor of the Collateral Agent required to be granted pursuant to the Additional Divestiture Mortgages and pay, or cause each such Subsidiary Loan Party to pay, in full, all Taxes, fees and other charges required to be paid in connection therewith, in each case subject to paragraph (g) above. Unless otherwise waived by the Administrative Agent, with respect to each such Additional Divestiture Mortgage, as applicable, the Borrower shall deliver to the Collateral Agent (with a copy to the Administrative Agent)

contemporaneously therewith leasehold documentation, including an estoppel and consent agreement and a recorded lease or memorandum thereof, as necessary, opinions of local counsel, a title insurance policy and a survey (other than in the case of a Vessel) and otherwise comply with the Collateral and Guarantee Requirements applicable to Mortgages and Mortgaged Property. Notwithstanding the foregoing in this paragraph (k), to the extent that the Borrower anticipates in good faith (1) delivering a Project Notice to the Administrative Agent with respect to any such Owned Real Property or Material Leased Real Property, as applicable, within ninety (90) days following such property becoming an Owned Real Property or Material Leased Real Property, as applicable, and (2) that such Project Notice would result in the release of a Mortgage securing the Obligations pursuant to Section 5.11(a) (if there were a Mortgage on such Owned Real Property or Material Leased Real Property, as applicable,), then the Borrower and the applicable Subsidiary Loan Parties shall not be required to deliver an Additional Divestiture Mortgage with respect to such Owned Real Property or Material Leased Real Property, as applicable, pursuant to this paragraph (k) (and such Owned Real Property or Material Leased Real Property, as applicable, will instead be subject to Section 5.11 below). If the Borrower has not delivered a Project Notice with respect to such Owned Real Property or Material Leased Real Property, as applicable, within such ninety (90) day period, then the Borrower shall promptly take the actions required to be taken pursuant to this paragraph (k).

SECTION 5.11. Real Property Development Matters.

(a) Releases of Mortgaged Property. In the event that the Borrower delivers a Project Notice to the Administrative Agent with respect to all or any portion of a Mortgaged Property or other properties constituting Undeveloped Land identifying the applicable Mortgaged Property or other properties, providing a reasonable description of the Project that the Borrower anticipates in good faith to be undertaken with respect to such Mortgaged Property or other properties constituting Undeveloped Land and identifying the Project Financing or Qualified Non-Recourse Debt to be entered into in connection with the financing of such Project not in violation of this Agreement, then, if (x) the terms of such Project Financing or Qualified Non-Recourse Debt require the release of the Mortgage securing the Obligations (if any) and (y) in the case of Undeveloped Land acquired after the Closing Date, the Borrower is in Pro Forma Compliance after giving effect to such Project Financing or Qualified Non-Recourse Debt, on the later of the date that is ten (10) Business Days following the date of the delivery of the Project Notice to the Administrative Agent and the date a mortgage or other security document securing the Project Financing or Qualified Non-Recourse Debt is executed and delivered for recording pending, or is executed and delivered substantially concurrently with, the release of the Mortgage securing the Obligations (if any), the security interest and Mortgage on the applicable Mortgaged Property or other properties (if any) shall be automatically released, and if the Subsidiary Loan Party that owns or leases such Mortgaged Property or other properties is being designated as a Qualified Non-Recourse Subsidiary, the Obligations of such Subsidiary Loan Party under the Guarantee Agreement and the other Loan Documents shall be automatically released and terminated, in each case all without delivery of any instrument or performance of any act by any party (and any Loan Party shall be permitted to take any action in connection therewith consistent with such release including, without limitation, the filing of UCC termination statements). In connection with any such termination or release, the Administrative Agent and Collateral Agent shall execute and deliver (or cause to be executed or delivered) to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release (including, without limitation, mortgage releases (including partial mortgage releases in the case where the Mortgaged Property covered by any Mortgage includes Mortgaged Property not subject to such release) and UCC termination statements), and will duly assign and transfer to such Loan Party any such applicable Mortgaged Property. If such Mortgaged Property or other properties are to become subject to Qualified Non-Recourse Debt, such Mortgaged Property or other properties, upon release of such Mortgage (if any), may be transferred or disposed of to a Qualified Non-Recourse Subsidiary in a transaction not otherwise prohibited by this Agreement. Any execution and delivery of documents pursuant to this Section 5.11 shall be without recourse to or warranty by the Administrative Agent or Collateral Agent. With respect to any

Owned Real Property owned, or Material Leased Real Property leased, by any Loan Party that is subject to a Project Financing pursuant to this Section 5.11, no second lien mortgages may be placed on such Owned Real Property or Material Leased Real Property while such Project Financing is outstanding.

(b) New Mortgages on Developed Properties.

(ii) Promptly (but in no event later than 20 Business Days (or such longer time as the Administrative Agent shall permit in its reasonable discretion)) following the abandonment or termination by the Borrower of any Project for which a Project Notice for a Project Financing (but for the avoidance of doubt, not Qualified Non-Recourse Debt) was previously delivered to the Administrative Agent, the Borrower shall notify the Administrative Agent of the abandonment or termination of such Project and, unless the Borrower delivers a new Project Notice with respect to the Real Property subject to such Project within such 20 Business Days (or such longer time permitted by the Administrative Agent), shall take the actions specified in clause (iii) below;

(iii) To the extent required by the foregoing clauses (i) and (ii), the Borrower shall (w) release or cause any applicable Subsidiary Loan Party to release all security interests or mortgages on the Real Property subject to such Project securing such Project Financing, (x) grant or cause any applicable Subsidiary Loan Party to grant to the Collateral Agent Additional Mortgages and Additional Divestiture Mortgages in any such Owned Real Property or Material Leased Real Property of such Loan Party subject to such Project as are not covered by the original Mortgages, constituting valid and enforceable Liens subject to no other Liens except Permitted Liens at the time of recordation thereof, (y) record or file, and cause such Subsidiary Loan Party to record or file, the Additional Mortgage or instruments related thereto and the Additional Divestiture Mortgages or instruments related thereto, in each case in such manner and in such places as is required by law to establish, perfect, preserve and protect the Liens in favor of the Collateral Agent required to be granted pursuant to the Additional Mortgages and the Additional Divestiture Mortgages, as applicable, and (z) pay, and cause such Subsidiary Loan Party to pay, in full, all Taxes, fees and other charges payable in connection therewith, in each case subject to Section 5.10(g). Unless otherwise waived by the Administrative Agent, with respect to each such Additional Mortgage and such Additional Divestiture Mortgage, the Borrower shall deliver to the Collateral Agent (with a copy to the Administrative Agent) contemporaneously therewith a title insurance policy and a survey and otherwise comply with the Collateral and Guarantee Requirements applicable to Mortgages and Mortgaged Property.

(c) Release of Liens. that to the extent the terms of the applicable mortgage financing Indebtedness restrict the taking of such actions, the Borrower shall take such actions promptly (but in no event later than 20 Business Days (or such longer period as the Administrative Agent shall permit in its reasonable discretion)) following the cessation of such restrictions), shall and shall cause any applicable Subsidiary Loan Party to release all third party mortgage financing Indebtedness for such Project (if any) and file and record any and all necessary documents to restore the first priority security interest and Lien of the original Mortgage relating to the Mortgaged Property that was the subject of the Project and pay, and cause such Subsidiary Loan Party to pay, in full, all Taxes, fees and other charges payable in connection therewith, in each case subject to Section 5.10(g). Unless otherwise waived by the Administrative Agent, the Borrower shall deliver to the Collateral Agent (with a copy to the Administrative Agent) contemporaneously therewith an endorsement to title insurance policy in form and substance reasonably satisfactory to the Administrative Agent and a survey and otherwise comply with the Collateral and Guarantee Requirements applicable to Mortgages and Mortgaged Property.

then, and in every such event (other than an event with respect to the Borrower described in paragraph (h) or (i) above and an event described in paragraph (d) above unless the first proviso thereto is applicable), and at any time thereafter during the continuance of such event, the Administrative Agent, at the request of the Required Lenders, shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Commitments, (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding and (iii) if the Loans have been declared due and payable pursuant to clause (ii) above, demand Cash Collateral pursuant to Section 2.05(g); and in any event with respect to the Borrower described in paragraph (h) or (i) above, the Commitments shall automatically terminate, the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall automatically become due and payable and the Administrative Agent shall be deemed to have made a demand for Cash Collateral to the full extent permitted under Section 2.05(g), without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding. In the case of an Event of Default under clause (d) above arising with respect to a failure to comply with the Financial Performance Covenant, and at any time thereafter during the continuance of such event, unless the conditions of the first proviso

Notwithstanding the foregoing, to the extent required by the terms of any Master Lease or Gaming Lease, (i) the Administrative Agent shall use commercially reasonable efforts to provide the landlord under such Master Lease or Gaming Lease with copies of notices issued by the Administrative Agent or the Lenders of any event or occurrence under the Loan Documents that enables or permits the Lenders (or the Administrative Agent) to accelerate the maturity of the Indebtedness outstanding under the Loan Documents and (ii) in the event of a default by the Borrower or any of its Subsidiaries in the performance of any of their respective obligations under any of the Loan Documents, including, without limitation, any default in the payment of any sums payable under any such agreement, then, in each and every such case, subject to applicable Gaming Regulations (or equivalent term) (as defined in the applicable Gaming Lease or Master Lease) and the terms of the applicable Master Lease, or Gaming Lease, such landlord shall have the right, but not the obligation, to cure or remedy the default or defaults or cause the default or defaults to be cured or remedied (to the extent susceptible to cure or remedy) prior to the end of any applicable notice and cure periods set forth in such Loan Documents, and any such tender of payment or performance by such landlord shall be accepted by the Administrative Agent and the Lenders and shall constitute payment and/or performance by the applicable Loan Party or Subsidiary for purposes of the Loan Documents.

SECTION 7.02. Right to Cure. Notwithstanding anything to the contrary contained in Section 7.01, in the event that the Borrower fails (or, but for the operation of this Section 7.02, would fail) to comply with the requirements of the Financial Performance Covenant, from the first day of the applicable fiscal quarter and until the expiration of the 15th Business Day subsequent to the date the certificate calculating such Financial Performance Covenant is required to be delivered pursuant to Section 5.04(c) (the "Cure Expiration Date"), the Borrower shall have the right to issue Permitted Cure Securities for cash or otherwise receive cash contributions to the capital of the Borrower (collectively, the "Cure Right"), and upon the receipt by the Borrower of such cash (the "Cure Amount") pursuant to the exercise by the Borrower of such Cure Right such Financial Performance Covenant shall be recalculated giving effect to a pro forma adjustment by which EBITDA shall be increased with respect to such applicable quarter and any four-quarter period that contains such quarter, solely for the purpose of measuring the Financial Performance Covenant and not for any other purpose under this Agreement, by an amount equal to the Cure Amount; provided, that, (i) in each four consecutive fiscal quarter period there shall be at least two fiscal quarters in which a Cure Right is not exercised, (ii) a Cure Right shall not be exercised more than five times during the term of the Revolving Facility, (iii) for purposes of this Section 7.02, the Cure Amount shall be no greater than the amount required for purposes of complying with the Financial Performance Covenant, (iv) the Cure Amount shall be disregarded for purposes of determining any financial ratio-based conditions, pricing or any baskets with respect to the covenants contained in this Agreement and shall not be included in the calculation of the Cumulative Credit, (v) there shall be no pro forma reduction in Indebtedness with the proceeds of the exercise of the Cure Right for determining compliance with the Financial Performance Covenant for the fiscal quarter in respect of which such Cure Right is exercised (either directly through prepayment or indirectly as a result of the netting of unrestricted cash) and (vi) no Revolving Facility Lender or L/C Issuer shall be required to fund any Revolving Facility Loan or issue, extend the expiry date of or increase the amount of any Letter of Credit, as applicable, during the period from delivery of written

notice of the Borrower's intention to exercise its Cure Right for the applicable fiscal quarter until the date the Borrower exercises such Cure Right for such fiscal quarter. If, after giving effect to the adjustments in this Section 7.02, the Borrower shall then be in compliance with the requirements of the Financial Performance Covenant, the Borrower shall be deemed to have satisfied the requirements of the Financial Performance Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Performance Covenant that had occurred shall be deemed cured for the purposes of this Agreement.

SECTION 7.03. Treatment of Certain Payments. Subject to the terms of any applicable Intercreditor Agreement and the Collateral Agreement, any amount received by the Administrative Agent or the Collateral Agent from any Loan Party (or from proceeds of any Collateral) following any acceleration of the Obligations under this Agreement or any Event of Default with respect to the Borrower under Section 7.01(h) or Section 7.01(i), in each case that is continuing, shall be applied: (i) first, ratably, to pay any fees, indemnities or expense reimbursements then due to the Administrative Agent or the Collateral Agent from the Borrower (other than in connection with any Secured Cash Management Agreement or Secured Swap Agreement), (ii) second, towards payment of interest and fees then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, (iii) third, towards payment of unreimbursed L/C Borrowings then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of unreimbursed L/C Borrowings then due to such parties, (iv) fourth, towards payment of other Obligations (including Obligations of the Loan Parties owing under or in respect of any Secured Cash Management Agreement or Secured Swap Agreement) then due from the Loan Parties, ratably among the parties entitled thereto in accordance with the amounts of such Obligations then due to such parties and (v) last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Requirements of Law.

ARTICLE VIII
The Agents

SECTION 8.01. Appointment.

(a) Each Lender (in its capacity as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Swap Agreements) and each L/C Issuer (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Swap Agreements) hereby (i) irrevocably designates and appoints the Administrative Agent as the agent of such Lender or L/C Issuer, as applicable, under this Agreement and the other Loan Documents, (ii) irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto and (iii) irrevocably authorizes and directs the Administrative Agent to provide, give or deliver any direction, consent, waiver, instruction, agreement, advice or other response as may be requested or required by the Collateral Agent from the Administrative Agent (or for which the Collateral Agent may have discretion to determine) under the Collateral Agreement, the Intercreditor Agreements and the other Security Documents and agrees that the Administrative Agent may exercise and deliver any such direction, consent, waiver, instruction, agreement, advice or other response as if the applicable matter was to be determined by the Administrative Agent rather than the Collateral Agent. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

(b) The Administrative Agent, each Lender (in its capacity as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Swap Agreements) and each L/C Issuer (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Swap Agreements) hereby irrevocably designate and appoint the Collateral Agent as the agent with respect to the Collateral, including to hold and enforce the same, and the Administrative Agent, each Lender and each L/C Issuer irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any of the Administrative Agent, the Lenders or any L/C Issuers, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Collateral Agent.

SECTION 8.02. Delegation of Duties. The Administrative Agent and the Collateral Agent may each execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

SECTION 8.03. Exculpatory Provisions. Neither the Administrative Agent, any Joint Lead Arranger nor the Collateral Agent, nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except for its or such person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by such Agent or Joint Lead Arranger, as applicable, under or in connection with, this Agreement or any other Loan Document, the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party to perform its obligations hereunder or thereunder. Neither the Administrative Agent, any Joint Lead Arranger nor the Collateral Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. No Agent or Joint Lead Arranger shall have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, to any Lender, any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their Affiliates, that is communicated to, obtained or in the possession of, an Agent, a Joint Lead Arranger or any of their Related Parties in any capacity, except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent herein. The Agents may seek and conclusively rely upon, and shall be fully protected in conclusively relying upon, any judicial order or judgment, upon any advice, opinion or statement of legal counsel, independent consultants and other experts selected by it in good faith and upon any certification, instruction, notice or other writing delivered to it by any Loan Party in compliance with the provisions of this Agreement.

SECTION 8.04. Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or instruction believed by it to be genuine and correct and to have been signed, sent or made by the proper person or persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent or the Collateral Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

SECTION 8.05. Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent or Collateral Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders and the Collateral Agent. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders, *provided* that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable.

SECTION 8.06. Non-Reliance on Administrative Agent, Joint Lead Arrangers, Collateral Agent and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent, any Joint Lead Arranger nor the Collateral Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent, the Joint Lead Arrangers or Collateral Agent hereinafter taken, including any review of the affairs of any Loan Party, shall be deemed to constitute any representation or warranty by the Administrative Agent, the Joint Lead Arrangers or Collateral Agent to any Lender or any L/C Issuer. Each Lender and each L/C Issuer represents to the Administrative Agent, the Joint Lead Arrangers and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, the Joint Lead Arrangers, Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent, the Joint Lead Arrangers, Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent,

any Joint Lead Arranger nor the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of any Loan Party that may come into the possession of the Administrative Agent, such Joint Lead Arranger or Collateral Agent, any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates. Each Lender represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender agrees not to assert a claim in contravention of the foregoing. Each Lender represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

SECTION 8.07. Indemnification. The Lenders agree to indemnify the Administrative Agent and the Collateral Agent, each in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective portions of the total Term Loans and Revolving Facility Commitments (or, if the Revolving Facility Commitments shall have terminated, in accordance the Revolving Facility Commitments in effect immediately prior to such termination) held on the date on which indemnification is sought, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against the Administrative Agent or the Collateral Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents, or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent or the Collateral Agent under or in connection with any of the foregoing, *provided* that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's or the Collateral Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. The agreements in this Section 8.07 shall survive the payment of the Loans and all other amounts payable hereunder.

SECTION 8.08. Agents in their Individual Capacity. The Administrative Agent, the Collateral Agent and their Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such persons were not the Administrative Agent and Collateral Agent hereunder and under the other Loan Documents. With respect to the Loans made by it, the Administrative Agent and the Collateral Agent shall each have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not the Administrative Agent or the Collateral Agent, and the terms "Lender" and "Lenders" shall include the Administrative Agent and the Collateral Agent in their individual capacities.

SECTION 8.09. Successor Agents. Each of the Administrative Agent and Collateral Agent may at any time give notice of its resignation to the Lenders, the L/C Issuer and the Borrower. Upon receipt of any such notice of resignation, the Borrower shall have the right, subject to the reasonable consent of the Required Lenders (so long as no Event of Default under Section 7.01(b), (c), (h) (with respect to the Borrower) or (i) (with respect to the Borrower) shall have occurred and be continuing, in which case the Required Lenders shall have the right), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor

shall have been so appointed by the Borrower (or the Required Lenders, as applicable) and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the L/C Issuer, appoint a successor Agent meeting the qualifications set forth above or appeal to a court of competent jurisdiction to appoint a successor Agent; *provided* that if the retiring Agent shall notify the Borrower and the Lenders that no qualifying person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except in the case of the Collateral Agent holding collateral security on behalf of any Secured Parties, the retiring Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time as the Borrower (or the Required Lenders, as applicable) appoints a successor Agent as provided for above in this Section 8.09. Upon the acceptance of a successor's appointment as the Administrative Agent or Collateral Agent, as the case may be, hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 8.09). The fees payable by the Borrower (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article VIII and Section 9.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as an Agent.

Any resignation by JPMorgan as Administrative Agent pursuant to this Section 8.09 shall also constitute its resignation as L/C Issuer. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer, (b) the retiring L/C Issuer shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (c) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

Any corporation or other entity into which the Collateral Agent may be merged or converted or with which it may be consolidated, or any corporation or other entity resulting from any merger, conversion or consolidation to which the Collateral Agent shall be a party, or any corporation or other entity succeeding to all or substantially all of the corporate trust business of the Collateral Agent, shall be the successor to Collateral Agent, as the case may be, hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto; *provided* that such successor shall be a bank with an office in the United States or an Affiliate of any such bank with an office in the United States.

SECTION 8.10. Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent, the L/C Issuer or any Lender, or the Administrative Agent, the L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, the L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and the L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication)

of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect, in the applicable currency of such recovery or payment. The obligations of the Lenders and the L/C Issuer under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

SECTION 8.11. Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuer and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer and the Administrative Agent under Article II or Section 9.05) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the L/C Issuer to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuer, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Article II and Section 9.05.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or the L/C Issuer or in any such proceeding.

Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent.

SECTION 8.12. Collateral and Guaranty Matters. The Lenders and the L/C Issuer (in each case, in its capacity as a Lender or L/C Issuer, as applicable, and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Swap Agreements) irrevocably authorize the Collateral Agent, to release or subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document if approved, authorized or ratified in writing in

accordance with Section 9.08, or pursuant to Section 5.11 or Section 9.18. Upon request by the Collateral Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property in accordance with this Section 8.12.

In the event that the Collateral Agent is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any obligation for the benefit of another, which in the Collateral Agent's sole discretion may cause the Collateral Agent to be considered an "owner or operator" under any environmental laws or otherwise cause the Collateral Agent to incur, or be exposed to, any environmental liability or any liability under any other federal, state or local law, the Collateral Agent reserves the right, instead of taking such action, either to resign as Collateral Agent pursuant to Section 8.09 or to arrange for the transfer of the title or control of the asset to a court appointed receiver.

SECTION 8.13. Agents and Arrangers. None of the Arrangers shall have any duties or responsibilities hereunder in its capacity as such.

SECTION 8.14. Intercreditor Agreements and Collateral Matters. The Administrative Agent and Collateral Agent shall be authorized from time to time, without the consent of any Lender, to execute or to enter into amendments of, and amendments and restatements of, the Intercreditor Agreements permitted or required hereunder, in each case in order to effect the pari passu treatment or the subordination of and to provide for certain additional rights, obligations and limitations in respect of, any Liens required or permitted by the terms of this Agreement to be Liens pari passu with or junior to the Obligations, that are, in each case, incurred in accordance with Article VI of this Agreement, and to establish certain relative rights as between the holders of the Obligations and the holders of the Indebtedness secured by such Liens.

SECTION 8.15. Withholding Tax. To the extent required by any applicable laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.17, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of, withholding Tax ineffective), whether or not such Tax is correctly or legally asserted, or as a result of such Lender's failure to comply with Section 9.04(c)(ii) relating to the maintenance of a Participant Register. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 8.15. The agreements in this Section 8.15 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 8.15, include any L/C Issuer.

SECTION 8.16. Interest Rates; LIBOR Notification.

(a) The Administrative Agent hereby gives notice to the Lenders of the following: the interest rate on a Loan denominated in Dollars or an Alternate Currency may be derived from an interest

rate benchmark that is, or may in the future become, the subject of regulatory reform. Regulators have signaled the need to use alternative benchmark reference rates for some of these interest rate benchmarks and, as a result, such interest rate benchmarks may cease to comply with applicable laws and regulations, may be permanently discontinued, and/or the basis on which they are calculated may change. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the "IBA") for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Eurocurrency Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. Upon the occurrence of a Benchmark Transition Event or an Early Opt-In Election, Section 2.14(b) provides a mechanism for determining an alternative rate of interest. The Administrative Agent will promptly notify the Borrower, pursuant to Section 2.14(d), of any change to the reference rate upon which the interest rate on Eurocurrency Loans is based.

(b) The Administrative Agent does not warrant to the Lenders or accept any responsibility to the Lenders for, and shall not have any liability to the Lenders with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of "Eurocurrency Rate" or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.14(b), whether upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.14(c)), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the Eurocurrency Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

ARTICLE IX
Miscellaneous

SECTION 9.01. Notices; Communications.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 9.01(b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or electronic email as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to any Loan Party, the Administrative Agent or the L/C Issuer, to the address, facsimile number, electronic mail address or telephone number specified for such person on Schedule 9.01; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders and the L/C Issuer hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet

websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices to any Lender or the L/C Issuer pursuant to Article II if such Lender or the L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. Any of the Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by electronic means shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices or communications (i) sent to an e-mail address shall be deemed received when delivered and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefore.

(d) Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Documents required to be delivered pursuant to Section 5.04 (including any such documents that are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto on the Internet at the website(s) address listed on Schedule 9.01, or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); *provided*, that (A) the Borrower shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrower to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Borrower shall notify the Administrative Agent (by facsimile or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Except for certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

SECTION 9.02. Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and each L/C Issuer and shall survive the making by the Lenders of the Loans, the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect until the Termination Date. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.16, 2.17, 8.07 and 9.05) shall survive the Termination Date.

SECTION 9.03. Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the Borrower, each L/C Issuer, the Administrative Agent, the Collateral Agent and each Lender and their respective permitted successors and assigns.

SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any affiliate of the L/C Issuer that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) except in connection with the addition of one or more Domestic Subsidiaries as a joint and several co-borrower hereunder and the transactions permitted by Section 6.05(b), and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the L/C Issuer that issues any Letter of Credit), Participants (to the extent provided in clause (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the L/C Issuer and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (i) Subject to the conditions set forth in clause (b)(ii) below, any Lender may assign to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower, which consent, with respect to the assignment of a Term Loan, will be deemed to have been given if the Borrower has not responded within ten (10) Business Days after the delivery of any request for such consent; *provided*, that no consent of the Borrower shall be required (i) for an assignment of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund, (ii) for an assignment of a Revolving Facility Commitment to a Revolving Facility Lender, (iii) in the case of assignments during the primary syndication of the Commitments and Loans, for an assignment to persons identified to and agreed by the Borrower in writing prior to the Closing Date or (iv) if an Event of Default under Section 7.01(b), (c), (h) (with respect to the Borrower) or (i) (with respect to the Borrower) has occurred and is continuing, for an assignment to any other person;

(B) the Administrative Agent; *provided*, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the L/C Issuer; *provided*, that no consent of the L/C Issuer shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's

Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than (x) $1.0 million or an integral multiple of $1.0 million in excess thereof in the case of Term Loans and (y) $5.0 million or an integral multiple of $1.0 million in excess thereof in the case of Revolving Facility Loans or Revolving Facility Commitments, unless each of the Borrower and the Administrative Agent otherwise consent; *provided*, that (1) no such consent of the Borrower shall be required if an Event of Default under Section 7.01(b), (c), (h) (with respect to the Borrower) or (i) (with respect to the Borrower) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent (or, if required by the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms required to be delivered pursuant to Section 2.17; and

(D) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

For the purposes of this Section 9.04, "Approved Fund" means any person (other than a natural person or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(iii) Each assignment Lender shall, in connection with any potential assignment, provide to the Borrower a copy of its request (including the name of the prospective assignee(s)) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not an Event of Default has occurred and is continuing. Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 9.04.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal

amount (and interest amount) of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent, the L/C Issuer and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the L/C Issuer and any Lender (with respect to such L/C Issuer's or Lender's interest only), at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, the processing and recordation fee referred to in clause (b) of this Section 9.04 and any written consent to such assignment required by clause (b) of this Section 9.04, the Administrative Agent promptly shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (b)(v).

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations in Loans or Commitments to one or more banks or other entities other than any Ineligible Institution (to the extent that the list of Ineligible Institutions is made available to any Lender upon request; *provided*, that regardless of whether the list of Ineligible Institutions is made available to any Lender upon request, no Lender may sell participations in Loans or Commitments to an Ineligible Institution without the consent of the Borrower if the list of Ineligible Institutions has been made available to such Lender) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); *provided*, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the L/C Issuer and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; *provided*, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to clauses (i), (ii), (iii) or (vi) of the first proviso to Section 9.08(b) and (2) directly and adversely affects such Participant (but, for the avoidance of doubt, not any waiver of any Default or Event of Default) and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to Section 9.04(c)(iii), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of those Sections and to the extent such Participant complies with Section 2.17(e) and (f) as though it were a Lender) (it being understood that the documentation required under Section 2.17(e) and (f) shall be delivered solely to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender, *provided* such Participant shall be subject to Section 2.18(c) as though it were a Lender. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Participant or potential Participant is an Ineligible Institution and the Administrative Agent shall have no liability with respect to any participation made to an Ineligible Institution.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal and interest amounts of each Participant's interest in the Loans held by it (the "Participant Register"). The entries in the Participant Register shall be conclusive, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of the participation in question for all purposes of this Agreement, notwithstanding notice to the contrary; *provided* that no Lender shall have any obligation to disclose all or any portion of a Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other Obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other Obligation is in registered form for U.S. federal income tax purposes or such disclosure is otherwise required by applicable law.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld), which consent shall state that it is being given pursuant to this Section 9.04(c)(iii); *provided* that each potential Participant shall provide such information as is reasonably requested by the Borrower in order for the Borrower to determine whether to provide its consent.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; *provided*, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent. The Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(g) If the Borrower wishes to replace the Loans or Commitments under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 9.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 9.08(d)). Pursuant to any such assignment, all Loans and

Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 9.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) Notwithstanding the foregoing or anything to the contrary herein, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement to (A) any Ineligible Institution, (B) any Defaulting Lender or any of its Subsidiaries, or any person who, upon becoming a Lender hereunder, would constitute any of the foregoing persons described in this clause (B), or (C) a natural person or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural person. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or potential Lender is an Ineligible Institution and the Administrative Agent shall have no liability with respect to any assignment made to an Ineligible Institution. Any assigning Lender shall, in connection with any potential assignment, provide to the Borrower a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not an Event of Default has occurred and is continuing. Notwithstanding anything to the contrary herein, the rights of the Lenders to make assignments and grant participations shall be subject to the approval of any Gaming Authority, to the extent required by applicable Gaming Laws.

(i) Notwithstanding anything to the contrary in Section 2.08, Section 2.11(a) or Section 2.18(c) (which provisions shall not be applicable to clauses (i) or (j) of this Section 9.04), the Borrower or its Subsidiaries may purchase by way of assignment and become an Assignee with respect to Term Loans and/or Revolving Facility Loans (other than any such Loans held by an Affiliate Lender) at any time and from time to time from Lenders in accordance with Section 9.04(b) hereof or reduce the aggregate amount of any Revolving Facility Commitment of a Lender that has agreed to such reduction ("Permitted Loan Purchases"); *provided* that (A) no Event of Default has occurred and is continuing or would result from the Permitted Loan Purchase, (B) no Permitted Loan Purchase shall be made from the proceeds of any extensions of credit under the Revolving Facility, (C) upon consummation of any such Permitted Loan Purchase, the Loans and/or Revolving Facility Commitments purchased or terminated pursuant thereto shall be deemed to be automatically and immediately cancelled and extinguished in accordance with Section 9.04(j), (D) to the extent the Borrower is making a Permitted Loan Purchase of Revolving Facility Loans or Revolving Facility Commitments, upon giving effect to such Permitted Loan Purchase, (x) there shall be sufficient aggregate Revolving Facility Commitments among the Revolving Facility Lenders to apply to the Outstanding Amount of the L/C Obligations thereunder as of such date, unless the Borrower shall concurrently with the payment of the purchase price by the Borrower for such Revolving Facility Loans or the termination of such Revolving Facility Commitments, deposit cash collateral in an account with the Administrative Agent pursuant to Section 2.05(g) in the amount of any such excess Outstanding Amount of the L/C Obligations thereunder and (y) there shall be at least five Revolving Facility Lenders remaining holding Revolving Facility Commitments and (E) in connection with any such Permitted Loan Purchase (other than a termination of Revolving Facility Commitments), the Borrower or its Subsidiaries and such Lender that is the assignor shall execute and deliver to the Administrative Agent a Permitted Loan Purchase Assignment and Acceptance (and for the avoidance of doubt, (x) shall make the representations and warranties set forth in the Permitted Loan Purchase Assignment and Acceptance and (y) shall not be required to execute and deliver an Assignment and Acceptance pursuant to Section 9.04(b)(ii)(B)).

(j) Each Permitted Loan Purchase shall, for purposes of this Agreement (including, without limitation, Section 2.08(b)) be deemed to be an automatic and immediate cancellation and extinguishment of such Term Loans and/or Revolving Facility Loans (with a corresponding permanent reduction in Revolving Facility Commitments) or termination of the Revolving Facility Commitments, if applicable, and the Borrower shall, upon consummation of any Permitted Loan Purchase, notify the Administrative Agent that the Register be updated to record such event as if it were a prepayment of such Loans (and in the case of Revolving Facility Loans or Revolving Facility Commitment, a permanent reduction in Revolving Facility Commitments).

SECTION 9.05. Expenses; Indemnity.

(a) The Borrower agrees to pay, within 30 days of written demand therefor (including documentation reasonably supporting such request), (i) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent, the Collateral Agent and the Arrangers in connection with the preparation of this Agreement and the other Loan Documents, or by the Administrative Agent or the Collateral Agent in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof (limited, in the case of legal fees and expenses, to the reasonable fees, charges and disbursements of a single primary counsel for the Administrative Agent and the Arrangers and a single primary counsel for the Collateral Agent, and, if necessary, the reasonable fees, charges and disbursements of one local counsel in each relevant material jurisdiction and/or a single firm of gaming counsel, in each case, for all such persons, taken as a whole), and (ii) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Agents, the L/C Issuers or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made or the Letters of Credit issued hereunder (excluding allocated costs of in-house counsel and limited, (i) in the case of legal fees and expenses, to the reasonable fees, charges and disbursements of a single primary counsel for all such persons, taken as a whole (except that the Collateral Agent shall be entitled to its own single independent counsel), and, if necessary, the reasonable fees, charges and disbursements of one local counsel in each relevant material jurisdiction and/or gaming counsel for all such persons, taken as a whole (and, in the event of any actual or perceived conflict of interest where such person affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel with the Borrower's prior written consent (not to be unreasonably withheld), of another single firm of counsel for each group of similarly situated persons) and (ii) in the case of fees or expenses of any other advisor or consultant, solely to the extent the Borrower has consented to the retention of such person).

(b) The Borrower agrees to indemnify the Administrative Agent, the Collateral Agent, the Arrangers, each L/C Issuer, each Lender, each of their respective Affiliates, and each of their respective directors, partners, officers, employees, agents, trustees and advisors (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (limited in the case of legal fees to the reasonable and documented out-of-pocket legal expenses incurred in connection with investigating or defending any of the items in clauses (i) through (v) below, and excluding the allocated costs of in house counsel and limited to not more than one counsel for all such Indemnitees, taken as a whole, and, if necessary, a single local counsel in each relevant material jurisdiction and/or a single firm of gaming counsel, in each case, for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel with the Borrower's prior written consent (not to be unreasonably withheld or delayed), of another firm of counsel (and local counsel and/or gaming counsel,

in each case, as applicable) for each group of similarly situated Indemnitees)), and, in the case of fees or expenses with respect to any other advisor or consultant, limited solely to the extent the Borrower has consented to the retention of such person, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of or otherwise relating to the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans or the use of any Letter of Credit, (iii) any violation of or liability under Environmental Laws by the Borrower or any Subsidiary, (iv) any actual or alleged presence, Release or threatened Release of or exposure to Hazardous Materials at, under, on, from or to any property owned, leased or operated by the Borrower or any Subsidiary or (v) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by the Borrower or any of its subsidiaries or Affiliates; *provided*, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (1) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties or (2) any material breach of any Loan Document, the Commitment Letter or the Fee Letter by such Indemnitee or any of its Related Parties or (y) arose from any claim, actions, suits, inquiries, litigation, investigation or proceeding that does not involve an act or omission of the Borrower or any of its Affiliates and is brought by an Indemnitee against another Indemnitee (other than any claim, actions, suits, inquiries, litigation, investigation or proceeding against any Agent, Arranger or L/C Issuer in its capacity as such); *provided further*, that such indemnity shall not, as to any Indemnitee, be available with respect to any settlement entered into by such Indemnitee or any of its Related Parties without the Borrower's written consent (such consent not to be unreasonably withheld, delayed or conditioned); *provided further*, that such indemnity shall not, as to any Indemnitee, be available with respect to any expenses of the type referred to in Section 9.05(a) except to the extent such expenses would otherwise be of the type referred to in this Section 9.05(b). None of the Indemnitees (or any of their respective Affiliates) shall be responsible or liable to the Borrower or any of its subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Arranger, any L/C Issuer or any Lender. All amounts due under this Section 9.05 shall be payable within fifteen (15) days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative of any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to Taxes, except Taxes that represent damages or losses resulting from a non-Tax claim or non-Tax expense.

(d) To the fullest extent permitted by applicable law, each of the parties hereto shall not assert, and hereby waives, any claim against any other party hereto or any of their respective Related Parties, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof; *provided*, that nothing contained in this sentence shall limit the Borrower's indemnification obligations to the extent set forth hereinabove to the extent such special, indirect, consequential or punitive damages are included in any third party claim in connection with which such Indemnitee is entitled to indemnification hereunder. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other

materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the Collateral Agent, any L/C Issuer, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

SECTION 9.06. Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender and each L/C Issuer and any Affiliate of the foregoing is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Lender or such L/C Issuer to or for the credit or the account of the Borrower or any Subsidiary Loan Party against any of and all the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender or such L/C Issuer, irrespective of whether or not such Lender or such L/C Issuer shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured; *provided*, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and each L/C Issuer under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender or such L/C Issuer may have.

SECTION 9.07. Governing Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

SECTION 9.08. Waivers; Amendment.

(a) No failure or delay of the Administrative Agent, the Collateral Agent, any L/C Issuer or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent, each L/C Issuer and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) as provided in Section 2.21 or Section 2.14(b), (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Administrative Agent (and consented to by the Required Lenders), and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and consented to by the Required Lenders; *provided*, *however*, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan or any L/C Obligation, or extend the stated expiration of any Letter of Credit beyond the applicable Revolving Facility Maturity Date (except as provided in Section 2.05(a)(ii)(B) or Section 2.05(b)), without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification); *provided*, that (x) any amendment to the financial definitions in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (i) and (y) any waiver or modification of conditions precedent, Defaults or Events of Default, in each case for the purpose of obtaining an extension of credit hereunder, or of any mandatory prepayment required hereunder or of any interest required to be paid under Section 2.13(c), shall not constitute a decrease or forgiveness of principal or interest or a decrease in the rate of interest or an extension of maturity for purposes of this clause (i);

(ii) increase or extend the Commitment of any Lender or decrease the Commitment Fees or L/C Participation Fees or other fees of any Lender without the prior written consent of such Lender (which, notwithstanding the foregoing, such consent of such Lender shall be the only consent required hereunder to make such modification); *provided*, that (x) any amendment to the financial definitions in this Agreement shall not constitute a reduction in the Commitment Fees, the L/C Participation Fees or any other fees for purposes of this clause (ii) and (y) waivers or modifications of conditions precedent, covenants, Defaults or Events of Default, mandatory prepayments or of a mandatory reduction in the aggregate Commitments shall not constitute an increase or extension of the Commitments of any Lender for purposes of this clause (ii);

(iii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date or extend any date on which payment of interest on any Loan or any L/C Obligation or any Fees is due, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification);

(iv) amend the provisions of Section 5.02 of the Collateral Agreement, or any analogous provision of any other Security Document or Section 7.03 of this Agreement, in a manner that would by its terms alter the pro rata sharing or the order of payments required thereby, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification);

(v) amend or modify the provisions of this Section 9.08 or the definition of the terms “Required Lenders,” “Majority Lenders”, “Required Revolving Facility Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby

shall be the only consent required hereunder to make such modification) (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders, Majority Lenders and Required Revolving Facility Lenders, as applicable, on substantially the same basis as the Loans and Commitments are included on the Closing Date);

(vi) release all or substantially all of the Collateral or release all or substantially all of the Subsidiary Loan Parties from their respective Guarantees under the Guarantee Agreement, unless, in the case of a Subsidiary Loan Party, all or substantially all of the Equity Interests in such Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement or the other Loan Documents, or in the case of any Loan Party such release is otherwise pursuant to the terms of this Agreement, the Collateral Agreement or the Guarantee Agreement, as applicable, without the prior written consent of each Lender;

(vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lenders participating in another Facility, without the consent of the Majority Lenders participating in the adversely affected Facility (it being understood that such consent of the Majority Lenders participating in the adversely affected Facility shall be the only consent required hereunder for such waiver, amendment or modification) (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

(viii) (i) amend, waive or otherwise modify the provisions of Section 4.01, solely as they relate to the Revolving Facility Loans and Letters of Credit, (ii) amend, waive or otherwise modify the provisions of Section 6.11 and any defined term as used therein (but not as used anywhere else in the Loan Documents), the definitions of Covenant Relief Period, Covenant Relief Period Conditions, Covenant Relief Period Termination Notice or any other provision of the Loan Documents incorporating Section 6.11 with respect to the effects thereof, (iii) waive or consent to any Default or Event of Default resulting from a breach of Section 6.11 or (iv) alter the rights or remedies of the Required Revolving Facility Lenders arising pursuant to Article VII as a result of a breach of Section 6.11, in each case, without the written consent of the Required Revolving Facility Lenders (which, notwithstanding the foregoing, such consent of the Required Revolving Facility Lenders shall be the only consent required hereunder to make such amendment, waiver or modification);

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Collateral Agent or an L/C Issuer hereunder without the prior written consent of the Administrative Agent, the Collateral Agent or such L/C Issuer acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any successor or assignee of such Lender. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have the right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be affected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(c) Without the consent of any Lender or L/C Issuer, the Loan Parties and the Administrative Agent or Collateral Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance, protect or preserve the rights or benefits of any Lender under any Loan Document.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Facility Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders, Majority Lenders and/or Required Revolving Facility Lenders, as applicable.

(e) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent (but without the consent of any Lender) (1) if such modifications are not materially adverse to the Lenders and are requested by Gaming Authorities and/or (2) to the extent necessary (A) to integrate any Incremental Term Loan Commitments, Incremental Revolving Facility Commitments, Extended Term Loans, Extended Revolving Facility Commitments, Refinancing Term Loans or Replacement Revolving Facility Commitments in a manner consistent with Section 2.21, including, with respect to Other Revolving Loans or Incremental Term Loans, as may be necessary to establish such Commitments or Loans, as a separate Class or tranche from the existing Loans or Commitments, as applicable, (B) to cure any ambiguity, omission, defect or inconsistency or (C) to establish separate Classes, tranches, sub-Classes or sub-tranches if the terms of a portion (but not all) of an existing Class or tranche is amended in accordance with Section 9.08(b).

(f) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be necessary to ensure that all Term Loans established pursuant to Section 2.21 after the Closing Date that will be included in an existing Class of Term Loans outstanding on such date (an "Applicable Date"), when originally made, are included in each Borrowing of outstanding Term Loans of such Class (the "Existing Class Loans"), on a pro rata basis, and/or to ensure that, immediately after giving effect to such new Term Loans (the "New Class Loans" and, together with the Existing Class Loans, the "Class Loans"), each Lender holding Class Loans will be deemed to hold its Pro Rata Share of each Class Loan on the Applicable Date (but without changing the amount of any such Lender's Term Loans), and each such Lender shall be deemed to have effectuated such assignments as shall be required to ensure the foregoing. The "Pro Rata Share" of any Lender on the Applicable Date is the ratio of (1) the sum of such Lender's Existing Class Loans immediately prior to the Applicable Date plus the amount of New Class Loans made by such Lender on the Applicable Date over (2) the aggregate principal amount of all Class Loans on the Applicable Date.

(g) With respect to the incurrence of any secured or unsecured Indebtedness (including any intercreditor agreement relating thereto), the Borrower may elect (in its discretion, but shall not be obligated) to deliver to the Administrative Agent a certificate of a Responsible Officer at least three Business Days prior to the incurrence thereof (or such shorter time as the Administrative Agent may agree), together with either drafts of the material documentation relating to such Indebtedness or a description of

such Indebtedness (including a description of the Liens intended to secure the same or the subordination provisions thereof, as applicable) in reasonably sufficient detail to be able to make the determinations referred to in this paragraph, which certificate shall either, at the Borrower's election, (x) state that the Borrower has determined in good faith that such Indebtedness satisfies the requirements of the applicable provisions of Section 6.01 and 6.02 (taking into account any other applicable provisions of this Section 9.08), in which case such certificate shall be conclusive evidence thereof, or (y) request the Administrative Agent to confirm, based on the information set forth in such certificate and any other information reasonably requested by the Administrative Agent, that such Indebtedness satisfies such requirements, in which case the Administrative Agent may determine whether, in its reasonable judgment, such requirements have been satisfied (in which case it shall deliver to the Borrower a written confirmation of the same), with any such determination of the Administrative Agent to be conclusive evidence thereof, and the Lenders hereby authorize the Administrative Agent to make such determinations.

(h) Notwithstanding the foregoing, this Agreement may be amended, with the written consent of each Revolving Facility Lender under the applicable Revolving Facility, the Administrative Agent and the Borrower to the extent necessary to integrate any Alternate Currency (which, notwithstanding the foregoing in this Section 9.08, such consent of each Revolving Facility Lender under the applicable Revolving Facility shall be the only consent required hereunder to make such amendment).

SECTION 9.09. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender or any L/C Issuer, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender or such L/C Issuer, shall be limited to the Maximum Rate; *provided*, that such excess amount shall be paid to such Lender or such L/C Issuer on subsequent payment dates to the extent not exceeding the legal limitation.

SECTION 9.10. Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 9.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

SECTION 9.12. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.13. Counterparts; Electronic Execution of Documents.

(a) This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

(b) The words "execution," "execute", "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Acceptances, amendments, Borrowing Requests, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that (x) notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it and (y) each party hereto shall use commercially reasonable efforts to promptly provide manually executed counterparts of its electronic signatures if reasonably requested by any other party hereto. Without limiting the generality of the foregoing, the Borrower hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Collateral Agent, the Lenders and the Loan Parties, electronic images of this Agreement or any other Loan Documents (in each case, including with respect to any signature pages thereto) shall have the same legal effect, validity and enforceability as any paper original, and (ii) waives any argument, defense or right to contest the validity or enforceability of the Loan Documents based solely on the lack of paper original copies of any Loan Documents, including with respect to any signature pages thereto. The Loan Parties assume all risks arising out of the use of digital signatures and electronic methods to submit communications, including without limitation the risk of a Person acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 9.14. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.15. Jurisdiction; Consent to Service of Process.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof (collectively, "New York Courts"), in any action or proceeding arising out of or relating to this Agreement or the other

Loan Documents (other than the Mortgages), or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each of the Loan Parties agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Lenders who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the New York Courts.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

SECTION 9.16. Confidentiality. Each of the Lenders, each L/C Issuer and each of the Agents agrees that it shall maintain in confidence any information relating to the Borrower and any Subsidiary furnished to it by or on behalf of the Borrower or any Subsidiary (other than information that (a) has become available to the public other than as a result of a disclosure by such party in breach of this Section 9.16, (b) has been independently developed by such Lender, such L/C Issuer or such Agent without violating this Section 9.16 or (c) was or becomes available to such Lender, such L/C Issuer or such Agent from a third party which, to such person's knowledge, had not breached an obligation of confidentiality to the Borrower or any Loan Party) and shall not reveal the same other than to its Affiliates, and to its and its Affiliates' directors, trustees, officers, employees and advisors with a need to know or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential and it being understood and agreed that such Agent, such L/C Issuer or such Lender, as applicable, shall be responsible for any breach of confidentiality by any such person to which such Agent, L/C Issuer or Lender discloses such information to), *except*: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded (*provided* that notice of such requirement or order shall be promptly furnished to the Borrower prior to such disclosure to the extent practicable and legally permitted), (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the National Association of Securities Dealers, Inc., (C) in order to enforce its rights under any Loan Document in a legal proceeding, (D) to any pledgee under Section 9.04(d) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16 or terms substantially similar to this Section 9.16), (E) to any direct or indirect contractual counterparty in

Swap Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16 or terms substantially similar to this Section 9.16), (F) to rating agencies, market data collectors, similar services providers to the lending industry, and service providers to the Administrative Agent and the Lenders in connection with the administration and management of this Agreement and (G) disclosures to any other Person with the prior written consent of the Borrower and the Administrative Agent; *provided* that, in the case of clauses (D) and (E), no information may be provided to a person known to be an Ineligible Institution or person who is known to be acting for an Ineligible Institution.

SECTION 9.17. Platform; Borrower Materials. The Borrower hereby acknowledges that (a) the Administrative Agent and/or the Arrangers will make available to the Lenders and the L/C Issuer materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information (or, if the Borrower is not at the time a public reporting company, material information that is not publicly available and that is of a type that would not reasonably be expected to be publicly available if the Borrower was a public reporting company) with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all the Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent, the Arrangers, the L/C Issuer and the Lenders to treat the Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws (*provided, however*, that the Borrower Materials shall be treated as set forth in Section 9.16, to the extent the Borrower Materials constitute information subject to the terms thereof), (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor"; and (iv) the Administrative Agent and the Arrangers shall be entitled to treat the Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender, the L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of the Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to the Borrower, any Lender, the L/C Issuer or any other person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

SECTION 9.18. Release of Liens, Guarantees and Pledges.

(a) The Lenders, the L/C Issuer and other Secured Parties hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall be automatically released: (i) in full upon the occurrence of the Termination Date as set forth in Section 9.18(d) below; (ii) upon the sale, transfer, distribution or other disposition of such Collateral by any Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction not prohibited by this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent that such Collateral comprises property leased to a Loan Party by a person that is not a Loan Party, upon termination or expiration of such lease (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.08), (v) to the extent that the property constituting such Collateral is owned by any Subsidiary Loan Party, upon the release of such Subsidiary Loan Party from its obligations under the Guarantee in accordance with the Guarantee Agreement or clause (b) below (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (vi) to the extent that the property constituting such Collateral constitutes Excluded Property, (vii) as provided in Section 5.11 (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), and (viii) as required by the Collateral Agent to effect any disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any disposition, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents.

(b) In addition, the Lenders, the L/C Issuer and other Secured Parties hereby irrevocably agree that the Subsidiary Loan Parties shall be released from the Guarantees upon consummation of any transaction not prohibited hereunder resulting in such Subsidiary ceasing to constitute a Subsidiary Loan Party or otherwise becoming an Excluded Subsidiary (including the designation of a Subsidiary Loan Party as a Qualified Non-Recourse Subsidiary at the election of the Borrower, so long as such Subsidiary holds no material assets other than any Undeveloped Land or new property acquired after the Closing Date or any Real Property located outside of the United States (and in each case contract rights, entitlements and assets related thereto)) (provided that, notwithstanding the foregoing, a Subsidiary Loan Party shall not be released from its Guarantee solely due to becoming an Excluded Subsidiary of the type described in clause (b) of the definition thereof due to a disposition of less than all of the Equity Interests of such Subsidiary Loan Party to an Affiliate of any Loan Party) (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry).

(c) The Lenders, the L/C Issuer and other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Subsidiary Loan Party or release or subordination of Collateral pursuant to the provisions of this Section 9.18, all without the further consent or joinder of any Lender. Upon release pursuant to this Section 9.18, any representation, warranty or covenant contained in any Loan Document relating to any such Collateral or Subsidiary Loan Party shall no longer be deemed to be made. In connection with any release hereunder, the Administrative Agent and the Collateral Agent shall promptly (and the Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as

may be reasonably requested by the Borrower and at the Borrower's expense in connection with the release of any Liens created by any Loan Document in respect of such Subsidiary, property or asset; *provided*, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower containing such certifications as the Administrative Agent shall reasonably request.

(d) Notwithstanding anything to the contrary contained herein or any other Loan Document, on the Termination Date, all Liens granted to the Collateral Agent by the Loan Parties on any Collateral and all obligations of the Borrower and the other Loan Parties under any Loan Documents (other than such obligations that expressly survive the Termination Date pursuant to the terms hereof) shall, in each case, be automatically released and, upon request of the Borrower, the Administrative Agent and/or the Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to evidence the release of its security interest in all Collateral (including returning to the Borrower all possessory collateral (including all share certificates (if any)) held by it in respect of any Collateral), and to evidence the release of all obligations under any Loan Document (other than such obligations that expressly survive the Termination Date pursuant to the terms hereof), whether or not on the date of such release there may be any (i) obligations in respect of any Secured Swap Agreements or any Secured Cash Management Agreements and (ii) any contingent indemnification obligations or expense reimbursement claims not then due; *provided*, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower containing such certifications as the Administrative Agent shall reasonably request. Any such release of obligations shall be deemed subject to the provision that such obligations shall be reinstated if after such release any portion of any payment in respect of the obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Subsidiary Loan Party, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Subsidiary Loan Party or any substantial part of its property, or otherwise, all as though such payment had not been made. The Borrower agrees to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or the Collateral Agent (and their respective representatives) in connection with taking such actions to release the security interest in all Collateral and all obligations under the Loan Documents as contemplated by this Section 9.18(d).

(e) Obligations of the Borrower or any of its Subsidiaries under any Secured Cash Management Agreement or Secured Swap Agreement (after giving effect to all netting arrangements relating to such Secured Swap Agreements) shall be secured and guaranteed pursuant to the Security Documents only to the extent that, and for so long as, the other Obligations are so secured and guaranteed. No person shall have any voting rights under any Loan Document solely as a result of the existence of obligations owed to it under any such Secured Swap Agreement or Secured Cash Management Agreement. For the avoidance of doubt, no release or subordination of Collateral or release of Subsidiary Loan Parties effected in the manner permitted by this Agreement shall require the consent of any holder of obligations under Secured Swap Agreements or any Secured Cash Management Agreements.

(f) In addition, the Administrative Agent and the Collateral Agent shall, upon the request of the Borrower, and are hereby irrevocably authorized by the Lenders to:

(i) release any Lien on any property granted to or held by the Collateral Agent under any Loan Document if such property becomes subject to a Lien that is permitted by Sections 6.02(c), (i) or (j), to the extent required by the terms of the obligations secured by such Liens;

(ii) subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 6.02(dd), (i), (j), (ll), (mm), (nn), (oo) or (pp), to the extent required by the terms of the obligations secured by such Liens, or to the holder of any right to purchase such property (it being understood that such subordination will not in and of itself permit the sale or disposition of such property except as otherwise permitted under this Agreement);

(iii) consent to and enter into (and execute documents permitting the filing and recording of, where appropriate) (x) the grant of easements, covenants, conditions, restrictions, declarations, sub-divisions and/or rights to use common areas and (y) subordination, non-disturbance and attornment agreements, in each case under this clause (y), in favor of the ultimate purchasers, or tenants under leases or subleases or licensees under licenses or easement holders under easements of any portion of any project in connection with the transactions contemplated by Sections 6.05(i), (o), (p), (q), (r) and (x), *provided* that in the case of this clause (y), the material terms thereof are reasonably acceptable to the Administrative Agent;

(iv) subordinate any Mortgage to any easements, rights of way, covenants, conditions, declarations, sub-divisions and restrictions and other similar rights reasonably acceptable to the Administrative Agent which are requested by the Loan Parties pursuant to the transactions contemplated by Sections 6.05(p), (q) and (r); *provided* that such actions shall be taken only to the extent that the material terms thereof are either substantially similar to forms of similar documents attached to the Loan Documents or are otherwise reasonably acceptable to the Administrative Agent; and

(v) consent to and enter into (and execute documents permitting the filing and recording, where appropriate) the grant of easements, covenants, declarations, sub-divisions and subordination rights with respect to real property, conditions, restrictions and declarations on customary terms, and subordination, non-disturbance and attornment agreements (x) on customary terms reasonably requested by the Borrower and reasonably acceptable to the Administrative Agent or (y) with respect to any Master Lease or any Gaming Lease, to the extent requested by landlord under such Master Lease or Gaming Lease.

In taking any actions under this Section 9.18(f), the Administrative Agent and the Collateral Agent may rely conclusively on a certificate to the effect that such actions are permitted provided to them by any Loan Party upon their reasonable request without further inquiry.

SECTION 9.19. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other person who may be entitled thereto under applicable law).

SECTION 9.20. USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) and the Collateral Agent each hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender, the Administrative Agent or the Collateral Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

SECTION 9.21. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby, the Borrower acknowledges and agrees that: (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Loan Parties and their respective Affiliates, on the one hand, and the Agents, the Arrangers and the Lenders, on the other hand, and the Loan Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, each Agent, each Arranger and each Lender is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for any Loan Party or any of their respective Affiliates, stockholders, creditors or employees or any other person; (iii) none of the Agents, any Arranger or any Lender has assumed or will assume an advisory, agency or fiduciary responsibility in favor of any Loan Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any Agent, any Arranger or any Lender has advised or is currently advising any Loan Party or their respective Affiliates on other matters) and none of the Agents, any Arranger or any Lender has any obligation to any of the Loan Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (iv) the Agents, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and none of the Agents, any Arranger or any Lender has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Agents, the Arrangers and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate. The Borrower hereby agrees that it will not claim that any of the Agents, the Arrangers, the Lenders or their respective affiliates has rendered advisory services of any nature or respect or owes a fiduciary duty or similar duty to it in connection with any aspect of any transaction contemplated hereby.

SECTION 9.22. Application of Gaming Laws.

(a) This Agreement and the other Loan Documents are subject to Gaming Laws and Liquor Laws. Without limiting the foregoing and notwithstanding anything herein or in any other Loan Document to the contrary, the Lenders, Agents and Secured Parties acknowledge that (i) they are subject to the jurisdiction of the Gaming Authorities and Liquor Authorities, in their discretion, for licensing, qualification or findings of suitability or to file or provide other information, and (ii)(x) the consummation of the Transactions and (y) all rights, remedies and powers in or under this Agreement and the other Loan Documents, including with respect to the Collateral (including the pledge and delivery of the Pledged Collateral), the Mortgaged Properties and the ownership and operation of facilities are, in each case, subject to the jurisdiction of the Gaming Authorities and Liquor Authorities, and may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws and Liquor Laws and only to the extent that required approvals (including prior approvals) are obtained from the relevant Gaming Authorities and Liquor Authorities.

(b) Lenders, Agents and Secured Parties agree to cooperate with all Gaming Authorities and Liquor Authorities in connection with the provision in a timely manner of such documents or other information as may be requested by such Gaming Authorities and Liquor Authorities relating to the Commitments, Loans or Loan Documents.

(c) Lenders acknowledge and agree that if the Borrower receives a notice from any applicable Gaming Authority that any Lender is a disqualified holder (and such Lender is notified by the Borrower in writing of such disqualification), the Borrower shall, following any available appeal of such determination by such Gaming Authority (unless the rules of the applicable Gaming Authority do not permit such Lender to retain its Loans or Commitments pending appeal of such determination), have the right to (i) cause such disqualified holder to transfer and assign, without recourse all of its interests, rights and obligations in its Loans and Commitments or (ii) in the event that (A) the Borrower is unable to assign such Loan or Commitment after using its reasonable efforts to cause such an assignment and (B) no Default or Event of Default has occurred and is continuing, prepay such disqualified holder's Loan or terminate such holder's Commitment, as applicable. Notice to such disqualified holder shall be given ten days prior to the required date of assignment, prepayment or termination, as the case may be, and shall be accompanied by evidence demonstrating that such transfer or prepayment is required pursuant to Gaming Laws. If reasonably requested by any disqualified holder, the Borrower will use commercially reasonable efforts to cooperate with any such holder that is seeking to appeal such determination and to afford such holder an opportunity to participate in any proceedings relating thereto. Notwithstanding anything herein to the contrary, any prepayment of a Loan shall be at a price that, unless otherwise directed by a Gaming Authority, shall be equal to the sum of the principal amount of such Loan and interest to the date such Lender or holder became a disqualified holder (plus any fees and other amounts accrued for the account of such disqualified holder to the date such Lender or holder became a disqualified holder).

(d) If during the existence of an Event of Default hereunder or any of the other Loan Documents it shall become necessary or, in the opinion of the Administrative Agent, advisable for an agent, supervisor, receiver or other representative of the Lenders to become licensed or found qualified under any Gaming Law as a condition to receiving the benefit of any Collateral encumbered by the Loan Documents or to otherwise enforce the rights of the Agents, Secured Parties and the Lenders under the Loan Documents, the Borrower hereby agrees to consent to the application for such license or qualification and to execute such further documents as may be required in connection with the evidencing of such consent.

SECTION 9.23. Affiliate Lenders.

(a) Each Lender who is an Affiliate of the Borrower, excluding (x) the Borrower and its Subsidiaries and (y) any Debt Fund Affiliate Lender (each such Lender, an "Affiliate Lender"; it being understood that (x) neither the Borrower nor any of its Subsidiaries may be Affiliate Lenders and (y) Debt Fund Affiliate Lenders and Affiliate Lenders may be Lenders hereunder in accordance with Section 9.04, subject in the case of Affiliate Lenders only (but not, for the avoidance of doubt, Debt Fund Affiliate Lenders), to this Section 9.23), in connection with any (i) consent (or decision not to consent) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document, (ii) other action on any matter related to any Loan Document or (iii) direction to the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, agrees that, except with respect to any amendment, modification, waiver, consent or other action (1) described in clauses (i), (ii), (iii) or (iv) of the first proviso of Section 9.08(b) or (2) that adversely affects such Affiliate Lender (in its capacity as a Lender) in a disproportionately adverse manner as compared to other Lenders, such Affiliate Lender shall be deemed to

have voted its interest as a Lender without discretion in such proportion as the allocation of voting with respect to such matter by Lenders who are not Affiliate Lenders. Each Affiliate Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliate Lender's attorney-in-fact, with full authority in the place and stead of such Affiliate Lender and in the name of such Affiliate Lender, from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this clause (a).

(b) Notwithstanding anything to the contrary in this Agreement, no Affiliate Lender shall have any right to (i) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Borrower is not then present, (ii) receive any information or material prepared by Administrative Agent or any Lender or any communication by or among Administrative Agent and/or one or more Lenders, except to the extent such information or materials have been made available to the Borrower or its representatives, (iii) make or bring (or participate in, other than as a passive participant in or recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against Administrative Agent, the Collateral Agent or any other Lender with respect to any duties or obligations or alleged duties or obligations of such Agent or any other such Lender under the Loan Documents, (iv) purchase any Term Loan if, immediately after giving effect to such purchase, Affiliate Lenders in the aggregate would own Term Loans with an aggregate principal amount in excess of 25% of the aggregate principal amount of all Term Loans then outstanding or (v) purchase any Revolving Facility Loans or Revolving Facility Commitments. It shall be a condition precedent to each assignment to an Affiliate Lender that such Affiliate Lender shall have represented to the assigning Lender in the applicable Assignment and Acceptance, and notified the Administrative Agent, that it is (or will be, following the consummation of such assignment) an Affiliate Lender and that the aggregate amount of Term Loans held by it giving effect to such assignments shall not exceed the amount permitted by clause (iv) of the preceding sentence. No Affiliate Lender shall be required to represent that it is not in possession of material non-public information (within the meaning of United States federal and state securities laws) with respect to the Borrower, its Subsidiaries or their respective securities (or, if the Borrower is not at the time a public reporting company, material information that is not publicly available and that is of a type that would not reasonably be expected to be publicly available if the Borrower was a public reporting company), and the applicable seller shall deliver a customary "big boy" disclaimer letter or such disclaimer shall be incorporated into the terms of the Assignment and Acceptance.

SECTION 9.24. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Solely to the extent any Lender or L/C Issuer that is an Affected Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or L/C Issuer that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or L/C Issuer party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.25. MIRE Events. In connection with any amendment to this Agreement pursuant to which any increase, extension or renewal of Loans is contemplated, the Borrower agrees that (a) the effectiveness of any such amendment shall be subject to the accuracy in all material respects of the representations and warranties set forth in Section 5.02 of this Agreement and (b) the Borrower shall cause to be delivered to the Administrative Agent for any Mortgaged Property (excluding any Vessel) the deliverables described in clauses (h)(i) and (h)(ii) of the definition of "Collateral and Guarantee Requirement" not later than a date to be agreed between the Borrower and the Administrative Agent with respect to each such amendment (and for the avoidance of doubt, this clause (b) shall not be a condition to the effectiveness of any such amendment).

SECTION 9.26. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement;

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement;

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement; or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent, the Arrangers or any of their respective Affiliates is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Documents or any documents related hereto or thereto).

SECTION 9.27. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

RECITALS:

WHEREAS, the Borrower has requested Incremental Revolving Facility Commitments in an aggregate principal amount of $185.0 million (the "**Closing Date Incremental Revolving Facility Commitments**" and the Revolving Facility Loans made thereunder, the "**Closing Date Incremental Revolving Facility Loans**") pursuant to Section 2.21(a) of the Credit Agreement, which Closing Date Incremental Revolving Facility Commitments shall constitute an increase to, and have the same terms and conditions as, the Revolving Facility Commitments under the Initial Revolving Facility;

WHEREAS, each of the institutions listed on Schedule I hereto (the "**Closing Date Incremental Revolving Facility Lenders**") has agreed, on the terms and conditions set forth herein and in the Credit Agreement, to provide the Closing Date Incremental Revolving Facility Commitments to the Borrower on the Incremental Effective Date (as defined below) in the amount set forth opposite its name under the heading "Closing Date Incremental Revolving Facility Commitment" on Schedule I hereto and to make Revolving Facility Loans to the Borrower thereunder from time to time on and after the Incremental Effective Date (as defined below);

WHEREAS, the Borrower, the Subsidiary Loan Parties party hereto, the Closing Date Incremental Revolving Facility Lenders and the Administrative Agent are entering into this Agreement in order to evidence such Closing Date Incremental Revolving Facility Commitments, which are deemed to be provided on the Incremental Effective Date in accordance with Section 2.21(a) of the Credit Agreement.

AGREEMENT:

NOW, THEREFORE, the parties hereto therefore agree as follows:

SECTION 1. Defined Terms; References. Capitalized terms used in this Agreement and not otherwise defined herein have the respective meanings assigned thereto in the Credit Agreement. The rules of construction specified in Section 1.02 of the Credit Agreement also apply to this Agreement.

SECTION 2. Closing Date Incremental Revolving Facility Commitment.

(a) Subject to the terms and conditions set forth herein, each of the Closing Date Incremental Revolving Facility Lenders hereby agrees, severally and not jointly, to provide its respective Closing Date Incremental Revolving Facility Commitment as set forth on Schedule I annexed hereto on the terms set forth in this Agreement, and its agreements hereunder, including its agreement to provide the Closing Date Incremental Revolving Facility Commitment subject only to the conditions set forth herein shall be binding as of the Agreement Effective Date (as defined below).

(b) The Closing Date Incremental Revolving Facility Commitment of each Closing Date Incremental Revolving Facility Lender is in addition to such Closing Date Incremental Revolving Facility Lender's existing Loans and Commitments under the Credit Agreement, if any (which shall continue under and be subject in all respects to the Credit Agreement), and, immediately after giving effect to the modifications contemplated hereby, shall be subject in all respects to the terms of the Credit Agreement (and, in each case, the other Loan Documents).

(c) It is the understanding, agreement and intention of the parties that (i) the Closing Date Incremental Revolving Facility Commitments shall be part of the same Class of Revolving Facility Commitments as the Revolving Facility Commitments under the Initial Revolving Facility and shall constitute Revolving Facility Commitments and Commitments under the Loan Documents and (ii) all Closing Date Incremental Revolving Facility Loans incurred pursuant to the Closing Date Incremental Revolving Facility Commitments shall be part of the same Class of Loans as the Initial Revolving Loans and shall constitute Initial Revolving Loans, Revolving Facility Loans and Loans under the Loan Documents. The Closing Date Incremental Revolving Facility Commitments and the Closing Date Incremental Revolving Facility Loans shall be subject to the provisions of the Credit Agreement and the other Loan Documents and shall be on terms and conditions identical to the Revolving Facility Commitments and the Initial Revolving Loans, respectively, under the Initial Revolving Facility.

(d) The Closing Date Incremental Revolving Facility Commitments may be drawn from time to time on or after the Incremental Effective Date in accordance with Section 2.01(a) of the Credit Agreement and shall terminate as set forth in Section 2.08(a) of the Credit Agreement. The Closing Date Incremental Revolving Facility Loans borrowed under the Closing Date Incremental Revolving Facility Commitments shall be repaid in accordance with Section 2.09(a)(i) and Section 2.10(b) of the Credit Agreement.

(e) Each Closing Date Incremental Revolving Facility Lender acknowledges and agrees that upon its execution of this Agreement that such Closing Date Incremental Revolving Facility Lender shall on and as of the Agreement Effective Date continue to be, a "Revolving Facility Lender" under, and for all purposes of, the Credit Agreement and the other Loan Documents, shall be subject to and bound by the terms thereof, shall perform all the obligations of and shall have all rights of a Lender thereunder, and shall make available such amount to fund its ratable share of Revolving Facility Loans (including Closing Date Incremental Revolving Facility Loans) from time to time on and after the Incremental Effective Date in accordance with the Credit Agreement. Each Closing Date Incremental Revolving Facility Lender has delivered herewith to the Borrower and the Administrative Agent such forms, certificates or other evidence with respect to United States federal income tax withholding matters as such Closing Date Incremental Revolving Facility Lender may be required to deliver to the Borrower and the Administrative Agent pursuant to Section 2.17 of the Credit Agreement.

(f) This Agreement represents the Borrower's request for Closing Date Incremental Revolving Facility Commitments to be provided as additional Revolving Facility Commitments under the Initial Revolving Facility on the terms set forth herein on the Incremental Effective Date and for the Closing Date Incremental Revolving Facility Loans to be made thereunder from time to time on and after the Incremental Effective Date in accordance with the Credit Agreement.

(g) For purposes of calculating the Commitment Fee owed to Closing Date Incremental Revolving Facility Lenders pursuant to Section 2.12 of the Credit Agreement, the Available Unused Commitment of such Closing Date Incremental Revolving Facility Commitments shall commence with the Agreement Effective Date.

SECTION 3. Reallocation of Revolving Facility Loans.

(a) On the Incremental Effective Date to the extent necessary for the then outstanding Initial Revolving Loans and then funded and unfunded participations in Letters of Credit under the Initial Revolving Facility to be held on a *pro rata* basis by the Lenders in accordance with their Revolving Facility Percentages under the Initial Revolving Facility after giving effect to the Closing Date Incremental Revolving Facility Commitments, the Revolving Facility Lenders and the Closing Date Incremental Revolving Facility Lenders shall assign, transfer or purchase, as applicable, interests in the Initial Revolving Loans and funded and unfunded participations in Letters of Credit, or take such other actions as the Administrative Agent may determine to be necessary. Such assignments, transfers or purchases shall be made pursuant to such procedures as may be designated by the Administrative Agent and shall not be required to be effectuated in accordance with Section 9.04 of the Credit Agreement. The Administrative Agent is authorized and directed to take such actions and make such entries in the Register as shall be necessary or appropriate to effectuate this Section 3. Each of the Lenders party hereto agrees to waive any breakage costs pursuant to Section 2.16 of the Credit Agreement that may arise due to the reallocation set forth in this Section 3. In addition, each of the Closing Date Incremental Revolving Facility Lenders acknowledges that the Interest Period with respect to the Initial Revolving Loans allocated to them pursuant to this Section 3 shall be the same Interest Period applicable to the outstanding Initial Revolving Loans held by the other Revolving Facility Lenders.

SECTION 4. Conditions to Effectiveness of this Agreement. This Agreement shall become effective, and the agreements and commitments of the Closing Date Incremental Revolving Facility Lenders shall be irrevocable, as of the first date (the "**Agreement Effective Date**") when each of the following conditions shall have been satisfied:

(a) the Administrative Agent (or its counsel) shall have received from each Loan Party, the Closing Date Incremental Revolving Facility Lenders and the Administrative Agent (i) a counterpart of this Agreement signed on behalf of such party or (ii) written evidence reasonably satisfactory to the Administrative Agent (which may include facsimile or electronic transmission of a signed signature page of this Agreement) that such party has signed a counterpart of this Agreement;

(b) the "Closing Date" under the Credit Agreement shall have occurred and the conditions set forth in Section 4.02 of the Credit Agreement shall have been satisfied (or waived in accordance with Section 9.08 of the Credit Agreement);

(c) the Borrower shall have consummated an offering of at least 16 million shares of its stock (it being acknowledged and agreed that this condition was satisfied on June 19, 2020); and

(d) immediately after giving effect to the Closing Date Incremental Revolving Facility Commitments on the Agreement Effective Date, no Event of Default under Section 7.01(b), (c), (h) (with respect to the Borrower) or (i) (with respect to the Borrower) under the Credit Agreement shall have occurred and be continuing or would result therefrom.

SECTION 5. Conditions to Availability of Closing Date Incremental Revolving Facility Commitments. Subject to Section 10, the Closing Date Incremental Revolving Facility Commitments shall be available effective as of the first date (the "**Incremental Effective Date**") following the Agreement Effective Date on which the Borrower shall have received all necessary approvals from Gaming Authorities for the incurrence of the Closing Date Incremental Revolving Facility Commitments. The Borrower shall

deliver written notice to the Administrative Agent of the occurrence of the Incremental Effective Date, which shall be conclusive and binding on the Borrower, the Subsidiary Loan Parties, the Administrative Agent and the Closing Date Incremental Revolving Facility Lenders.

SECTION 6. Governing Law; Etc.

(a) THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

(b) EACH PARTY HERETO HEREBY AGREES AS SET FORTH IN SECTIONS 9.11 AND 9.15 OF THE CREDIT AGREEMENT AS IF SUCH SECTIONS WERE SET FORTH IN FULL HEREIN.

SECTION 7. Confirmation of Guaranties and Security Interests. This Agreement shall not constitute a novation of the Credit Agreement or any of the Loan Documents. This Agreement shall not extinguish the obligations for the payment of money outstanding under the Credit Agreement as in effect immediately prior to the effectiveness of this Agreement or discharge or release the Lien or priority of any Security Document or any other security thereof. By signing this Agreement, each Loan Party hereby confirms that (a) the obligations of the Loan Parties under the Credit Agreement as modified hereby (including with respect to the Closing Date Incremental Revolving Facility Commitments) and the other Loan Documents (i) are entitled to the benefits of the guarantees and the security interests set forth or created in the Collateral Agreement and the other Loan Documents and (ii) constitute Loan Obligations and (b) notwithstanding the effectiveness of the terms hereof, the Collateral Agreement and the other Loan Documents are, and shall continue to be, in full force and effect and are hereby ratified and confirmed in all respects after giving effect to the extension of credit contemplated herein. Each Loan Party ratifies and confirms its prior grant and the validity of all Liens granted, conveyed, or assigned to any Agent by such Person pursuant to each Loan Document to which it is a party with all such Liens continuing in full force and effect after giving effect to this Agreement, and such Liens are not released or reduced hereby, and continue to secure full payment and performance of the Loan Obligations as increased hereby.

SECTION 8. Reference to and Effect on the Loan Documents.

(a) On and after the Agreement Effective Date, each reference in the Credit Agreement to "*hereunder*", "*hereof*" or words of like import referring to the Credit Agreement, and each reference in the other Loan Documents to the "*Credit Agreement*", "*thereunder*", "*thereof*" or words of like import referring to the Credit Agreement, shall mean and be a reference to the Credit Agreement as modified by this Agreement.

(b) From and after the Agreement Effective Date, this Agreement shall be a Loan Document under the Credit Agreement for all purposes of the Credit Agreement.

(c) This Agreement shall constitute an "Incremental Assumption Agreement", each of the Closing Date Incremental Revolving Facility Lenders shall constitute an "Incremental Revolving Facility Lender," a "Revolving Facility Lender," and a "Lender", the Closing Date Incremental Revolving Facility Loans shall constitute "Revolving Facility Loans" and "Initial Revolving Loans" and the Closing Date Incremental Revolving Facility Commitments shall constitute "Incremental Revolving Facility Commitments," "Revolving Facility Commitments," and "Commitments", in each case for all purposes of the Credit Agreement and the other Loan Documents.

(d) After giving effect to the incurrence of the Closing Date Incremental Revolving Facility Commitments, upon the effectiveness and availability thereof on the Incremental Effective Date, the Commitments of the Revolving Facility Lenders shall be as set forth on Schedule II hereof (as such Commitments may be adjusted pursuant to assignments, increases or terminations in accordance with the terms of the Credit Agreement).

(e) This Agreement shall constitute notice to the Administrative Agent required under Section 2.21(a) of the Credit Agreement.

SECTION 9. Counterparts. This Agreement may be executed in counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same instrument. Delivery of an executed counterpart to this Agreement by facsimile transmission or electronic mail (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it. Each of the parties represents and warrants to the other parties that it has the corporate capacity and authority to execute this Agreement through electronic means and there are no restrictions for doing so in that party's constitutive documents.

SECTION 10. Termination of Closing Date Incremental Revolving Facility Commitments and Treatment of Terminated or Reduced Closing Date Incremental Revolving Facility Commitments.

(a) If the Incremental Effective Date has not occurred on or prior to the date that is 180 days after the Agreement Effective Date (or such later date as may be agreed by the Administrative Agent (not to be unreasonably withheld, conditioned or delayed) upon written request from the Borrower) then the Closing Date Incremental Revolving Facility Commitments shall automatically be terminated and reduced to $0 on such date. Without limiting the foregoing, the Borrower may terminate the Closing Date Incremental Revolving Facility Commitments at any time in accordance with Section 2.08 of the Credit Agreement. The date of any termination of the Closing Date Incremental Revolving Facility Commitments under this Section 10(a) is referred to herein as the "**Termination Date**".

(b) If either the Termination Date occurs or the Closing Date Incremental Revolving Facility Commitments are reduced by the Borrower prior to the Incremental Effective Date, the Closing Date Incremental Revolving Facility Commitments of the Closing Date Incremental Revolving Facility Lenders shall automatically be terminated and/or reduced, as applicable, ratably amongst the Closing Date Incremental Revolving Facility Lenders. For the avoidance of doubt, the Revolving Facility Commitments in effect under the Credit Agreement that are not Closing Date Incremental Revolving Facility

Commitments shall not be terminated and/or reduced ratably by the occurrence of such Termination Date or reduction of the Closing Date Incremental Revolving Facility Commitments prior to the Incremental Effective Date.

(c) On and after the Incremental Effective Date, any reduction or termination of the Closing Date Incremental Revolving Facility Commitments (which, for the avoidance of doubt, shall be part of the same Class of Revolving Facility Commitments as the Revolving Facility Commitments under the Initial Revolving Facility) shall be made ratably among the Revolving Facility Commitments under the Initial Revolving Facility in accordance with Section 2.08 of the Credit Agreement.

SECTION 11. Miscellaneous. The Borrower shall pay all reasonable fees, costs and expenses of the Administrative Agent as agreed to between the parties incurred in connection with the negotiation, preparation and execution of this Agreement and the other instruments and documents to be delivered hereunder and the transactions contemplated hereby. The execution, delivery and effectiveness of this Agreement shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents.

AGREEMENT:

NOW, THEREFORE, the parties hereto therefore agree as follows:

SECTION 1. *Defined Terms; References*. Capitalized terms used in this Agreement and not otherwise defined herein have the respective meanings assigned thereto in the Credit Agreement. The rules of construction specified in Section 1.02 of the Credit Agreement also apply to this Agreement.

SECTION 2. *2020 Incremental Term Loan Commitment*

(a) Subject to the terms and conditions set forth herein, the 2020 Incremental Term Lender agrees to make an Incremental Term Loan in Dollars to the Initial Borrower on the 2020 Incremental Effective Date, as an Other Term Loan in an aggregate principal amount not to exceed its 2020 Incremental Term Loan Commitment (such term loans, collectively, the "**2020 Incremental Term Loans**"). Unless previously terminated, on the 2020 Incremental Effective Date (after giving effect to the funding of the 2020 Incremental Term Loans to be made on such date), the 2020 Incremental Term Loan Commitment of the 2020 Incremental Term Lender hereunder shall terminate.

(b) With effect from the 2020 Incremental Effective Date, the 2020 Incremental Term Loans incurred under Section 2(a) of this Agreement shall constitute a single Class of Term Loans and shall be the "Term B-1 Loans" for all purposes under the Credit Agreement and the other Loan Documents, and the 2020 Incremental Term Lender shall be a "Lender" and "Term B-1 Lender" with an outstanding "Term B-1 Loan" for all purposes, and with all the rights and remedies of a Lender, under the Credit Agreement and the other Loan Documents. (b) From and after the 2020 Incremental Effective Date, this Agreement shall be a Loan Document under the Credit Agreement for all purposes of the Credit Agreement.

(c) This Agreement shall constitute the consummation of a "CEOC Acquisition" and a "CEOC Event" under the Credit Agreement.

(d) The execution, delivery and effectiveness of this Agreement shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or any Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents.

This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Any signature to this Agreement may be delivered by facsimile, electronic mail (including .pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law.

SECTION 10. *Miscellaneous*. The Initial Borrower shall pay all reasonable fees, costs and expenses of the Administrative Agent as agreed to between the parties incurred in connection with the negotiation, preparation and execution of this Agreement and the other instruments and documents to be delivered hereunder and the transactions contemplated hereby (including, without limitation, the reasonable and documented fees and expenses of counsel for the Administrative Agent) (in the case of any such fees and reasonable out-of-pocket expenses incurred in connection with this Agreement, subject to any agreed-upon limits contained in any letter agreement with the Administrative Agent or its affiliates entered into in connection with this Agreement). This Agreement may not be amended nor may any provision hereof be waived except pursuant to a writing signed by the Initial Borrower, the Administrative Agent and the 2020 Incremental Term Lender. The Section headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting this Agreement. For purposes of (i) determining compliance with any provision of this Agreement that requires the calculation of the Senior Secured Leverage Ratio, the Total Secured Leverage Ratio, the Total Leverage Ratio or the Fixed Charge Coverage Ratio, (ii) determining compliance with representations, warranties, Defaults or Events of Default or (iii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of EBITDA or total assets), in each case, in connection with a Permitted Business Acquisition or other Investment permitted hereunder (including Permitted Business Acquisitions and other Investments subject to a letter of intent or purchase agreement) by any Borrower and/or any Subsidiaries of any assets, business or person (any such transaction, a "Limited Condition Transaction"), at the option of the applicable Borrower (such Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted under this Agreement (including for purposes of determining the Dollar equivalent amount of any Limited Condition Transaction denominated in currencies other than Dollars) shall be deemed to be the date the definitive agreements for such Limited Condition Transaction (or commitments with respect to Indebtedness to be incurred in connection therewith) are entered into (the "LCT Test Date"), and if, after giving effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith on a Pro Forma Basis as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, such Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with. For the avoidance of doubt, if a Borrower has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket (including due to fluctuations of the target of any Limited Condition Transaction) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If a Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) had been consummated.

SECTION 1.08. Additional Alternate Currencies for Loans and Letters of Credit.

(a) Any Borrower may from time to time request that Eurocurrency Revolving Facility Loans and/or Letters of Credit be made in a currency other than Dollars, Canadian Dollars, Euros, Pound Sterling or Japanese Yen; provided that such requested currency is a lawful currency (other than Dollars, Canadian Dollars, Euros, Pound Sterling or Japanese Yen) that is readily available and freely transferable and convertible into Dollars. Such request shall be subject to the approval of the Administrative Agent.

(b) Any such request shall be made to the Administrative Agent not later than 11:00 a.m., Local Time 20 Business Days prior to the date of the desired Credit Event (or such other time or date as may be agreed by the Administrative Agent, in its sole discretion).

(c) In the case of a request for a Eurocurrency Revolving Facility Loan of a Class in such other currency, the Administrative Agent shall promptly notify each Revolving Facility Lender of the applicable Class thereof. Each Revolving Facility Lender of the applicable Class shall notify the Administrative Agent, not later than 11:00 a.m., Local Time 10 Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Eurocurrency Revolving Facility Loans in such requested currency.

(d) Any failure by a Revolving Facility Lender of the applicable Class to respond to such request within the time period specified in the preceding sentence shall be deemed to be a refusal by such Revolving Facility Lender to permit Eurocurrency Revolving Facility Loans of the applicable Class to be made in such requested currency. If the Administrative Agent and all Revolving Facility Lenders of the applicable Class consent to making Eurocurrency Revolving Facility Loans in such requested currency, the Administrative Agent shall so notify the Borrowers and such currency shall thereupon be deemed for all purposes to be an Alternate Currency hereunder for purposes of any Borrowings of Eurocurrency Revolving Facility Loans of the applicable Class. If the Administrative Agent shall fail to obtain consent to any request for an additional currency under this Section 1.08, the Administrative Agent shall promptly so notify the Borrowers.

(e) In the case of a request for a Letter of Credit in such other currency, the Administrative Agent shall promptly notify the applicable L/C Issuer thereof. Such L/C Issuer shall notify the Administrative Agent, not later than 11:00 a.m., Local Time 10 Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Letters of Credit in such requested currency.

(f) Any failure by an L/C Issuer to respond to such request within the time period specified in the preceding sentence shall be deemed to be a refusal by such L/C Issuer to issue Letters of Credit in such requested currency. If the Administrative Agent and the applicable L/C Issuer consent to making Letters of Credit in such requested currency, the Administrative Agent shall so notify the Borrowers and such currency shall thereupon be deemed for all purposes to be an Alternate Currency hereunder for purposes of any Letters of Credit issued by such L/C Issuer. If the Administrative Agent shall fail to obtain consent to any request for an additional currency under this Section 1.08, the Administrative Agent shall promptly so notify the Borrowers.

SECTION 1.09. Change of Currency.

(a) Each obligation of the Borrowers to make a payment denominated in the national currency unit of any member state of the European Union that adopts the Euro as its lawful currency after the date hereof shall be redenominated into Euro at the time of such adoption (in accordance with the EMU Legislation). If, in relation to the currency of any such member state, the basis of accrual of interest expressed in this Agreement in respect of that currency shall be inconsistent with any convention or practice in the London interbank market for the basis of accrual of interest in respect of the Euro, such expressed basis shall be replaced by such convention or practice with effect from the date on which such member state adopts the Euro as its lawful currency; provided that if any Borrowing in the currency of such member state is outstanding immediately prior to such date, such replacement shall take effect, with respect to such Borrowing, at the end of the then current Interest Period.

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent and the Borrowers may from time to time specify to be appropriate to reflect the adoption of the Euro by any member state of the European Union and any relevant market conventions or practices relating to the Euro.

(c) Each provision of this Agreement also shall be subject to such reasonable changes of construction as the Administrative Agent and the Borrowers may from time to time specify to be appropriate to reflect a change in currency of any other country and any relevant market conventions or practices relating to the change in currency.

SECTION 1.10. Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the amount of such Letter of Credit in effect at such time; provided, however, that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases (including, without limitation, for purposes of calculating any fees related thereto), whether or not such maximum stated amount is in effect at such time.

SECTION 1.11. Basket and Ratio Calculations.

(a) Notwithstanding anything in this Agreement or any other Loan Document to the contrary (i) unless the applicable Borrower elects otherwise, if any Borrower or its Subsidiaries in connection with the consummation of any transaction or series of related transactions (A) incurs Indebtedness, creates Liens, makes asset sales or other dispositions, makes Investments, makes Restricted Payments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness or takes any other action under or as permitted by a ratio-based basket and (B) incurs Indebtedness, creates Liens, makes asset sales or other dispositions, makes Investments, makes Restricted Payments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness or takes any other action under a non-ratio-based basket (which shall occur on the same Business Day as the events in clause (A) above) under the same covenant, then the applicable ratio will be calculated with respect to any such action under the applicable ratio-based basket under the same covenant without regard to any such action under such non-ratio-based basket made in connection with such transaction or series of related transactions and (ii) if any Borrower or its Subsidiaries enters into any revolving, delayed draw or other committed debt facility, the applicable Borrower may elect to determine compliance of such debt facility (including the incurrence of Indebtedness and Liens from time to time in connection therewith) with this Agreement and each other Loan Document on the date definitive loan documents with respect thereto are executed by all parties thereto, assuming the full amount of such facility is incurred (and any applicable Liens are granted) on such date, in lieu of determining such compliance on any subsequent date (including any date on which Indebtedness is incurred pursuant to such facility).

(b) For purposes of this Agreement, from and after the occurrence of a CEOC Event, (i) any calculation of any financial definition (including, without limitation, "Consolidated Total Assets," "Consolidated Net Income," "EBITDA," and "Excess Cash Flow") shall be calculated as if the Initial Borrower and CEOC reported on a consolidated basis and (ii) "Excess Cash Flow" shall be calculated as if the CEOC Event had occurred on the first day of the fiscal year in which the CEOC Event occurs.

SECTION 2.01. Commitments. Subject to the terms and conditions set forth herein:

(a) each Lender with a Term B Loan Commitment agrees to make Term B Loans in Dollars to the Initial Borrower on the Closing Date in an aggregate principal amount not to exceed its Term B Loan Commitment;

(b) each Lender with a Term B-1 Loan Commitment on the 2020 Incremental Effective Date agrees to make Term B-1 Loans in Dollars to the Initial Borrower on the 2020 Incremental Effective Date in an aggregate principal amount not to exceed its Term B-1 Loan Commitment;

(c) ~~**(b)**~~ each Lender with a Revolving Facility Commitment of a Class agrees to make Revolving Facility Loans of such Class to the Borrowers from time to time during the Availability Period for such Class of Revolving Facility in Dollars and each Alternate Currency in an aggregate principal amount that will not result in (i) such Lender's Revolving Facility Credit Exposure of such Class exceeding such Lender's Revolving Facility Commitment of such Class and (ii) the Revolving Facility Credit Exposure of such Class exceeding the total Revolving Facility Commitments under such Class of Revolving Facility. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, prepay and reborrow Revolving Facility Loans;

(d) ~~**(c)**~~ each Lender having an Incremental Term Loan Commitment agrees, subject to the terms and conditions set forth in the applicable Incremental Assumption Agreement, to make Incremental Term Loans to the Borrowers, in an aggregate principal amount not to exceed its Incremental Term Loan Commitment; and

SECTION 2.02. Loans and Borrowings.

(a) From and after the occurrence of a CEOC Joinder, each Revolving Facility Loan and Term Loan shall be a joint and several obligation of each of the Borrowers. Each Revolving Facility Loan and Term Loan shall be made as part of a Borrowing consisting of Loans under the same Facility and of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments under the applicable Facility; provided, however, that Revolving Facility Loans of any Class shall be made by the Revolving Facility Lenders of such Class ratably in accordance with their respective Revolving Facility Percentages of such Class on the date such Loans are made hereunder. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided, that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.14, each Borrowing of Revolving Facility Loans or Term Loans shall be comprised entirely of ABR Loans or Eurocurrency Loans as the applicable Borrower may request in accordance herewith. Each Lender at its option may make any ABR Loan or Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided, that any exercise of such option shall not affect the obligation of such Borrower to repay such Loan in

accordance with the terms of this Agreement and such Lender shall not be entitled to any amounts payable under Section 2.15 or 2.17 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise.

(c) At the commencement of each Interest Period for any Eurocurrency Borrowing, such Borrowing shall be in an aggregate amount not less than the Borrowing Minimum and, in the case of a Eurocurrency Revolving Facility Borrowing, that is an integral multiple of the Borrowing Multiple. Subject to Section 2.05(c), at the time that each Term Borrowing or Revolving Facility Borrowing is made, such Borrowing shall be in an aggregate amount that is not less than the Borrowing Minimum and, in the case of a Eurocurrency Revolving Facility Borrowing, that is an integral multiple of the Borrowing Multiple; provided, that an ABR Revolving Facility Borrowing under any Revolving Facility may be in an aggregate amount that is equal to the entire unused balance of the Revolving Facility Commitments thereunder. Borrowings of more than one Type and under more than one Facility may be outstanding at the same time; provided, that there shall not at any time be more than a total of (i) eight Eurocurrency Borrowings outstanding under the Term Facilities and (ii) eight Eurocurrency Borrowings outstanding under the Revolving Facility.

(d) Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans or Commitments in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by Borrowers, Administrative Agent and such Lender.

SECTION 2.03. Requests for Borrowings. (a) To request a Revolving Facility Borrowing and/or a Term Borrowing, the applicable Borrower shall notify the Administrative Agent of such request by telephone (a) in the case of a Eurocurrency Borrowing, not later than 10:00 a.m., Local Time, three Business Days before the date of any proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 10:00 a.m., Local Time, on the Business Day of the proposed Borrowing; provided, that, to request a Borrowing on the Closing Date, the applicable Borrower shall notify the Administrative Agent of such request by telephone not later than 2:00 p.m., Local Time, one Business Day prior to the Closing Date; provided further that, in the case of an Alternate Currency Borrowing denominated in Japanese Yen, the applicable Borrower shall notify the Administrative Agent of such request not later than 10:00 a.m. Local Time four Business Days prior to the date of such proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Borrowing Request in a form approved by the Administrative Agent and signed by a Responsible Officer of the applicable Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

(i) whether such Borrowing is to be a Borrowing of Revolving Facility Loans (and, if so, specifying the Class of Commitments under which such Borrowing is being made), Term B Loans, **Term B-1 Loans,** Other Term Loans, Refinancing Term Loans, Other Revolving Loans or Replacement Revolving Loans, as applicable;

(ii) the aggregate amount of the requested Borrowing;

(iii) the date of such Borrowing, which shall be a Business Day;

(iv) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;

(v) in the case of a Eurocurrency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";

(vi) in the case of a Eurocurrency Revolving Facility Borrowing, the currency in which such Borrowing is to be denominated (which shall be Dollars or an Alternate Currency); and

(vii) the applicable Borrower and the location and number of the applicable Borrower's account to which funds are to be disbursed.

If no election as to the currency of any Revolving Facility Borrowing is made, then the requested Borrowing shall be made in Dollars. If no election as to the Type of Revolving Facility Borrowing or Term Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the applicable Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each applicable Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04. [Reserved].

SECTION 2.05. The Letter of Credit Commitment.

(a) General.

(i) Subject to the terms and conditions set forth herein, (A) the L/C Issuer agrees, in reliance upon the agreements of the Revolving Facility Lenders set forth in this Section 2.05, (1) from time to time on any Business Day during the period from and including the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit under any Revolving Facility denominated in Dollars or any Alternate Currency for the account of any Borrower (or its subsidiaries or other Persons requested by such Borrower), and to amend or extend Letters of Credit previously issued by it, in accordance with clause (b) below, and (2) to honor drawings under the Letters of Credit; and (B) the Revolving Facility Lenders under each Revolving Facility severally agree to participate in Letters of Credit issued under such Revolving Facility for the account of any Borrower (or its subsidiaries or other Persons requested by such Borrower) and any drawings thereunder; provided, that no L/C Issuer shall be required to issue commercial Letters of Credit without its prior written consent; provided further that after giving effect to any L/C Credit Extension with respect to any Letter of Credit under any Revolving Facility, (w) the total Revolving Facility Credit Exposure under such Revolving Facility shall not exceed the total Revolving Facility Commitments under such Revolving Facility, (x) no Lender's Revolving Facility Credit Exposure under such Revolving Facility shall exceed such Lender's Revolving Facility Commitment under such Revolving Facility, (y) the Outstanding Amount of the L/C Obligations shall not exceed the Letter of Credit Sublimit and (z) the Outstanding Amount of the L/C Obligations of the applicable L/C Issuer (determined for such purpose without giving effect to the participations therein of the Revolving Facility Lenders pursuant to clause (B) above) shall not exceed such L/C Issuer's Letter of Credit Commitment (unless such L/C Issuer has consented thereto). Each request by a Borrower for the issuance or amendment of a Letter of Credit shall be deemed to be a representation by such Borrower that the L/C Credit Extension so requested complies with the conditions set forth in the proviso to the preceding sentence. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrowers' ability to obtain Letters of Credit shall be fully revolving, and accordingly any Borrower or any Subsidiary may, during the foregoing period with respect to any Revolving Facility, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. All Existing Letters of Credit shall be deemed to have been issued pursuant hereto, and from and after the Closing Date shall be subject to and governed by the terms and conditions hereof.

(ii) The L/C Issuer shall not issue any Letter of Credit under any Revolving Facility, if:

(A) subject to Section 2.05(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last extension, unless the L/C Issuer with respect to such Letter of Credit and the applicable Borrower have approved such expiry date (such approval not to be unreasonably withheld or delayed); or

(B) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date for such Revolving Facility, unless all the Revolving Facility Lenders under such Revolving Facility have approved such expiry date (such approval not to be unreasonably withheld or delayed) or the Borrowers have agreed to Cash Collateralize such Letter of Credit prior to the Letter of Credit Expiration Date for such Revolving Facility.

(iii) The L/C Issuer shall not be under any obligation to issue any Letter of Credit under any Revolving Facility if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the L/C Issuer from issuing such Letter of Credit, or any Requirement of Law applicable to the L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the L/C Issuer shall prohibit, or request that the L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the L/C Issuer in good faith deems material to it;

(B) the issuance of such Letter of Credit would violate one or more policies of the L/C Issuer applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and the L/C Issuer, such Letter of Credit is in an initial stated amount less than $100,000, in the case of a commercial Letter of Credit, or $100,000, in the case of a standby Letter of Credit;

(D) such Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder; or

(E) a default of any Revolving Facility Lender under such Revolving Facility to fund its obligations under Section 2.05(c) exists or any Revolving Facility Lender under such Revolving Facility is at such time a Defaulting Lender hereunder, unless the L/C Issuer has entered into satisfactory arrangements with the applicable Borrower or such Revolving Facility Lender to eliminate the L/C Issuer's Fronting Exposure with respect to such Revolving Facility Lender.

(iv) The L/C Issuer shall not amend any Letter of Credit if the L/C Issuer would not be permitted at such time to issue such Letter of Credit in its amended form under the terms hereof.

(v) The L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) the L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(vi) The L/C Issuer shall act on behalf of the Revolving Facility Lenders under the applicable Revolving Facility with respect to any Letters of Credit issued by it and the documents associated therewith, and the L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article VIII with respect to any acts taken or omissions suffered by the L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article VIII included the L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to the L/C Issuer.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the applicable Borrower delivered to the L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of such Borrower. Such Letter of Credit Application must be received by the L/C Issuer and the Administrative Agent not later than (x) with respect to Letters of Credit denominated in Dollars, 12:00 p.m. Local Time at least two Business Days (or three Business Days in the case of a Letter of Credit issued by Barclays Bank PLC or Nomura Corporate Funding Americas, LLC) (or such later date and time as the Administrative Agent and the L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be, and (y) with respect to Alternate Currency Letters of Credit, 9:00 a.m. Local Time at least five Business Days (or such later date and time as the Administrative Agent and the L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount and currency thereof (which may be Dollars or any Alternate Currency); (C) the expiry date thereof; (D) the name and address of the beneficiary thereof and the Revolving Facility under which such Letter of Credit is being issued; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (G) such other matters as the L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; and (D) such other matters as the L/C Issuer may reasonably request. Additionally, the applicable Borrower shall furnish to the L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the L/C Issuer or the Administrative Agent may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the applicable Borrower and, if not, the L/C Issuer will provide the Administrative Agent with a copy thereof. Unless the L/C Issuer has received written notice from any Revolving Facility Lender under the applicable Revolving Facility, the Administrative Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Section 4.01 shall not then be satisfied, then, subject to the terms and conditions hereof, the L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower (or its subsidiaries or other Persons requested by such Borrower) or enter into the applicable amendment, as the case may be, in each case in accordance with the L/C Issuer's usual and customary business practices. Immediately upon the issuance of each Letter of Credit under any Revolving Facility, each Revolving Facility Lender under such

Revolving Facility shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Revolving Facility Percentage under such Revolving Facility times the amount of such Letter of Credit.

(iii) If the applicable Borrower so requests in any applicable Letter of Credit Application, the L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit under any Revolving Facility that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit the L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the L/C Issuer, the applicable Borrower shall not be required to make a specific request to the L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit under any Revolving Facility has been issued, the Revolving Facility Lenders shall be deemed to have authorized (but may not require) the L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date under such Revolving Facility (or any later date if the Borrowers have agreed to Cash Collateralize such Letter of Credit prior to the Letter of Credit Expiration Date for such Revolving Facility); provided, however, that the L/C Issuer shall not permit any such extension if (A) the L/C Issuer has determined that it would not be permitted at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (ii) or (iii) of Section 2.05(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Majority Lenders under the applicable Revolving Facility have elected not to permit such extension or (2) from the Administrative Agent, any Revolving Facility Lender under the applicable Revolving Facility or a Borrower that one or more of the applicable conditions specified in Section 4.01 is not then satisfied, and in each such case directing the L/C Issuer not to permit such extension.

(iv) If the applicable Borrower so requests in any applicable Letter of Credit Application, the L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit under any Revolving Facility that permits the automatic reinstatement of all or a portion of the stated amount thereof after any drawing thereunder (each, an "Auto-Reinstatement Letter of Credit"). Unless otherwise directed by the L/C Issuer, the applicable Borrower shall not be required to make a specific request to the L/C Issuer to permit such reinstatement. Once an Auto-Reinstatement Letter of Credit has been issued under any Revolving Facility, except as provided in the following sentence, the Revolving Facility Lenders under such Revolving Facility shall be deemed to have authorized (but may not require) the L/C Issuer to reinstate all or a portion of the stated amount thereof in accordance with the provisions of such Letter of Credit. Notwithstanding the foregoing, if such Auto-Reinstatement Letter of Credit permits the L/C Issuer to decline to reinstate all or any portion of the stated amount thereof after a drawing thereunder by giving notice of such non-reinstatement within a specified number of days after such drawing (the "Non-Reinstatement Deadline"), the L/C Issuer shall not permit such reinstatement if it has received a notice (which may be by telephone or in writing) on or before the day that is five Business Days before the Non-Reinstatement Deadline (A) from the Administrative Agent that the Majority Lenders under the applicable Revolving Facility have elected not to permit such reinstatement or (B) from the Administrative Agent, any Revolving Facility Lender under the applicable Revolving Facility or a Borrower that one or more of the applicable conditions specified in Section 4.01 is not then satisfied (treating such reinstatement as an L/C Credit Extension for purposes of this clause) and, in each case, directing the L/C Issuer not to permit such reinstatement.

(v) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the L/C Issuer will also deliver to the applicable Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the L/C Issuer shall notify the Borrowers and the Administrative Agent thereof. Not later than (1) 1:00 p.m., Local Time, on the first Business Day after the date that the L/C Issuer provides notice to the Borrowers of any payment by the L/C Issuer under a Letter of Credit or (2) 11:00 a.m., Local Time, on the second succeeding Business Day (if such notice is provided after 10:00 a.m., Local Time, on the date such notice is given) (each such applicable date, an "Honor Date"), the Borrowers shall reimburse the L/C Issuer (and the L/C Issuer shall promptly notify the Administrative Agent of any failure by the Borrowers to so reimburse the L/C Issuer by such time) in an amount equal to the amount of such drawing and either in Dollars (in the case of an Alternate Currency Letter of Credit, in the Dollar Equivalent amount) or, if agreed by the applicable Borrower and applicable L/C Issuer, in the applicable currency. If the Borrowers fail to so reimburse the L/C Issuer by such time, the Administrative Agent shall promptly notify each Revolving Facility Lender under the Revolving Facility pursuant to which such Letter of Credit was issued of the Honor Date, the amount of the unreimbursed drawing in Dollars (calculated, in the case of any Alternate Currency Letter of Credit, based on the Dollar Equivalent thereof) (the "Unreimbursed Amount"), and the amount of such Lender's Revolving Facility Percentage thereof. In such event, the applicable Borrower shall be deemed to have requested a Borrowing of ABR Revolving Loans under the Revolving Facility under which such Letter of Credit was issued to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum Borrowing Minimums or Borrowing Multiples, but subject to the amount of the unutilized portion of the Revolving Facility Commitments under such Revolving Facility and the conditions set forth in Section 4.01 (other than the delivery of a Borrowing Request). Any notice given by the L/C Issuer or the Administrative Agent pursuant to this Section 2.05(c)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Facility Lender under the Revolving Facility under which such Letter of Credit was issued shall upon any notice pursuant to Section 2.05(c)(i) make funds available to the Administrative Agent for the account of the L/C Issuer, in Dollars, at the Administrative Agent's Office for Dollar-denominated payments in an amount equal to its Revolving Facility Percentage under such Revolving Facility of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.05(c)(iii), each Revolving Facility Lender that so makes funds available shall be deemed to have made an ABR Revolving Loan under the applicable Revolving Facility to the Borrowers in such amount. The Administrative Agent shall remit the funds so received to the L/C Issuer in Dollars.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Borrowing of ABR Revolving Loans because the conditions set forth in Section 4.01 cannot be satisfied or for any other reason, the Borrowers shall be deemed to have incurred from the L/C Issuer an L/C Borrowing under the applicable Revolving Facility in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) in Dollars and shall bear interest at the rate specified in Section 2.13(c). In such event, each Revolving Facility Lender's payment to the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.05(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance under the applicable Revolving Facility from such Revolving Facility Lender in satisfaction of its participation obligation under this Section 2.05.

(iv) Until each Revolving Facility Lender under the applicable Revolving Facility funds its ABR Revolving Loan or L/C Advance pursuant to this Section 2.05(c) to reimburse the L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Revolving Facility Percentage of such amount shall be solely for the account of the L/C Issuer.

(v) Each Revolving Facility Lender's obligation to make ABR Revolving Loans or L/C Advances to reimburse the L/C Issuer for amounts drawn under Letters of Credit under a Revolving Facility under which such Lender has a Revolving Facility Commitment, as contemplated by this Section 2.05(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Revolving Facility Lender may have against the L/C Issuer, any Borrower, any Subsidiary or any other person for any reason whatsoever; (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make ABR Revolving Loans pursuant to this Section 2.05(c) is subject to the conditions set forth in Section 4.01 (other than delivery by a Borrower of a Borrowing Request). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrowers to reimburse the L/C Issuer for the amount of any payment made by the L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Facility Lender under the applicable Revolving Facility fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.05(c) by the time specified in Section 2.05(c)(ii), the L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the L/C Issuer at a rate per annum equal to the applicable Overnight Rate from time to time in effect, plus any administrative, processing or similar fees customarily charged by the L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's ABR Revolving Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the L/C Issuer submitted to any Revolving Facility Lender (through the Administrative Agent) with respect to any amounts owing under this clause (vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after the L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Facility Lender such Revolving Facility Lender's L/C Advance in respect of such payment in accordance with Section 2.05(c), if the Administrative Agent receives for the account of the L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from a Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Revolving Facility Lender its Revolving Facility Percentage thereof under the applicable Revolving Facility in Dollars and in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.05(c)(i) in connection with the issuance of any Letter of Credit under any Revolving Facility is required to be returned under any of the circumstances described in Section 8.10 (including pursuant to any settlement entered into by the L/C Issuer in its discretion), each Revolving Facility Lender under such Revolving Facility shall pay to the Administrative Agent for the account of the L/C Issuer its Revolving Facility Percentage under such Revolving Facility thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Revolving Facility Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The obligations of the Revolving Facility Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Obligations Absolute. The obligation of the Borrowers to reimburse the L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any person for whom any such beneficiary or any such transferee may be acting), the L/C Issuer or any other person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit that appears on its face to be valid proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not comply with the terms of such Letter of Credit; or any payment made by the L/C Issuer under such Letter of Credit to any person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or

(v) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Borrower or any Subsidiary.

Each Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with such Borrower's instructions or other irregularity, such Borrower will immediately notify the L/C Issuer. Each Borrower shall be conclusively deemed to have waived any such claim against the L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) Role of L/C Issuer. Each Revolving Facility Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, the L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the person executing or delivering any such document. None of the L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Revolving Facility Lenders or the Majority Lenders under the Revolving Facility under which such Letter of Credit was issued, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability

of any document or instrument related to any Letter of Credit or Issuer Document. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude such Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable or responsible for any of the matters described in clauses (i) through (v) of Section 2.05(e); provided, however, that anything in such clauses to the contrary notwithstanding, such Borrower may have a claim against the L/C Issuer, and the L/C Issuer may be liable to such Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by such Borrower which such Borrower proves were caused by the L/C Issuer's willful misconduct or gross negligence as determined by a court of competent jurisdiction in a final and non-appealable judgment or the L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) Cash Collateral.

(i) Upon the request of the Administrative Agent if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, the Borrowers shall promptly Cash Collateralize the then Outstanding Amount of all L/C Obligations.

(ii) Sections 2.11(d), 2.22 and 7.01 set forth certain additional requirements to deliver Cash Collateral hereunder. For purposes of Sections 2.05, 2.11(d), 2.22 and 7.01, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the L/C Issuer and the Revolving Facility Lenders, as collateral for the L/C Obligations, cash or deposit account balances, in each case, pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the L/C Issuer (which documents are hereby consented to by the Lenders) or to otherwise backstop (with a letter of credit on customary terms or otherwise) such L/C Obligations to the applicable L/C Issuer's and the Administrative Agent's reasonable satisfaction. Derivatives of such term have corresponding meanings. Each of the Borrowers hereby grants to the Administrative Agent, for the benefit of the L/C Issuer and the Revolving Facility Lenders under any Revolving Facility under which a Letter of Credit is Cash Collateralized, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Except as otherwise agreed to by the Administrative Agent, Cash Collateral shall be maintained in blocked, non-interest bearing deposit accounts at Credit Suisse.

(h) Applicability of ISP and UCP. Unless otherwise expressly agreed by the L/C Issuer and the applicable Borrower when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance shall apply to each commercial Letter of Credit.

(i) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(j) Letters of Credit Issued for Subsidiaries or other Persons at the Request of a Borrower. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a subsidiary or any other Person requested by a Borrower, the Borrowers shall be obligated to reimburse the L/C Issuer hereunder for any and all drawings under any such Letter of Credit. Each Borrower hereby acknowledges that the issuance of Letters of Credit for the account of subsidiaries and such other Persons inures to the benefit of such Borrower, and that the Borrowers' business derives substantial benefits from the businesses of such subsidiaries and other Persons.

(k) Additional L/C Issuers. From time to time, any Borrower may by notice to the Administrative Agent with the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) and the applicable Revolving Facility Lender designate such Revolving Facility Lender to act as an L/C Issuer hereunder. In the event that there shall be more than one L/C Issuer hereunder, each reference to "the L/C Issuer" hereunder with respect to any L/C Issuer shall refer to the person that issued such Letter of Credit and each such additional L/C Issuer shall be entitled to the benefits of this Agreement as an L/C Issuer to the same extent as if it had been originally named as the L/C Issuer hereunder. Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit (including any Existing Letter of Credit) to an advising bank with respect thereto or to the beneficiary thereof, each L/C Issuer (other than Credit Suisse) will also deliver to the Administrative Agent a true and complete copy of such Letter of Credit or amendment. On the last Business Day of each March, June, September and December (and on such other dates as the Administrative Agent may request), each L/C Issuer shall provide the Administrative Agent a list of all Letters of Credit (including any Existing Letter of Credit) issued by it that are outstanding at such time together with such other information as the Administrative Agent may reasonably request.

(l) Resignation of an L/C Issuer. Notwithstanding anything to the contrary contained herein, any or all of Credit Suisse or any other L/C Issuer may, upon 30 days' prior written notice to the Borrower Representative and the Revolving Facility Lenders, resign as L/C Issuer; provided that on or prior to the expiration of such 30-day period with respect to such resignation as L/C Issuer, the applicable L/C Issuer shall have identified a successor L/C Issuer reasonably acceptable to the Borrower Representative willing to accept its appointment as successor L/C Issuer with a Letter of Credit Commitment equal to the Letter of Credit Commitment of the resigning L/C Issuer (unless otherwise agreed by the Borrower Representative). If an L/C Issuer resigns, it shall retain all the rights and obligations of the L/C Issuer with respect to all Letters of Credit issued by it that are outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make ABR Revolving Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.05(c)).

SECTION 2.06. Funding of Borrowings.

(a) Each Lender shall make each Term Loan or Revolving Facility Loan to be made by it hereunder available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office for the applicable currency not later than (i) 12:00 p.m., Local Time, in the case of any ABR Loan denominated in Dollars, (ii) 10:00 a.m., Local Time, in the case of any Eurocurrency Loan denominated in Dollars or (iii) 5:00 a.m., Local Time, in the case of any Eurocurrency Loans denominated in any Alternate Currency, in each case, on the Business Day specified in the applicable Borrowing Request. The Administrative Agent will make such Loans available to the Borrowers by promptly crediting the amounts so received, in like funds, to an account of the applicable Borrower as specified in the Borrowing Request; provided, however, that if, on the date the Borrowing Request with respect to a Revolving Facility Borrowing denominated in Dollars is given by a Borrower, there are L/C Borrowings outstanding under the applicable Revolving Facility, then the proceeds of such Borrowing, first, shall be applied to the payment in full of any such L/C Borrowings, and, second, shall be made available to the applicable Borrower as provided above.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Loans (or, in the case of any Borrowing of ABR Loans, prior to 9:00 a.m., Local Time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.06(a) (or, in the case of a Borrowing of ABR Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.06(a)) and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the Overnight Rate, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the applicable Borrower, the interest rate applicable to ABR Loans under the applicable Facility. If the applicable Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the applicable Borrower the amount of such interest paid by the applicable Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by any Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

SECTION 2.07. Interest Elections.

(a) Each Borrowing of Revolving Facility Loans or Term Loans initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, a Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section; provided, that except as otherwise provided herein, a Eurocurrency Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Loan. A Borrower may elect different options with respect to different portions of the affected Revolving Facility Borrowing or Term Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, a Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if such Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Interest Election Request in the form of Exhibit C and signed by a Responsible Officer of such Borrower.

(c) Each written Interest Election Request shall be irrevocable and shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the applicable Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the applicable Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing denominated in Dollars shall be converted to an ABR Borrowing and Alternate Currency Borrowings shall be continued with an Interest Period of one month's duration. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the applicable Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing denominated in Dollars may be converted to or continued as a Eurocurrency Borrowing, (ii) unless repaid, each Eurocurrency Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) each Eurocurrency Revolving Facility Borrowing shall, unless repaid, be continued as a Eurocurrency Revolving Facility Borrowing with an Interest Period of one month's duration.

SECTION 2.08. Termination and Reduction of Commitments.

(a) Unless previously terminated, the Revolving Facility Commitments of any Class shall terminate on the Revolving Facility Maturity Date with respect to such Class. **On the Closing Date (after giving effect to the funding of the Term B Loans to be made on such date), the Term B Loan Commitments of each Lender as of the Closing Date will terminate. On the 2020 Incremental Effective Date (after giving effect to the funding of the Term B-1 Loans to be made on such date), the Term B-1 Loan Commitments of each Lender as of the 2020 Incremental Effective Date will terminate.**

(b) The Borrower Representative may at any time terminate, or from time to time reduce, the Revolving Facility Commitments of any Class; provided, that (i) each such reduction of the Revolving Facility Commitments of any Class shall be in an amount that is an integral multiple of $1.0 million and not less than $5.0 million (or, if less, the remaining amount of such Class of Revolving Facility Commitments) and (ii) the Borrower Representative shall not terminate or reduce the Revolving Facility Commitments of any Class if, after giving effect to any concurrent prepayment of the Revolving Facility Loans in accordance with Section 2.11 under such Revolving Facility, the Revolving Facility Credit Exposure of such Class (excluding any Cash Collateralized Letter of Credit) would exceed the total Revolving Facility Commitments of such Class.

(c) The Borrower Representative shall notify the Administrative Agent of any election to terminate or reduce the Revolving Facility Commitments of any Class under clause (b) of this Section at least three Business Days prior to the effective date of such termination or reduction (or such shorter period acceptable to the Administrative Agent), specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Borrower Representative pursuant to this Section shall be irrevocable; provided, that a notice of termination or reduction of the Revolving Facility Commitments of any Class delivered by the Borrower Representative may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Borrower Representative (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments of a Class shall be made ratably among the applicable Lenders in accordance with their respective Commitments of such Class.

SECTION 2.09. Repayment of Loans; Evidence of Debt.

(a) Each of the Borrowers hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Facility Lender under each Revolving Facility the then unpaid principal amount of each Revolving Facility Loan under such Revolving Facility on the Revolving Facility Maturity Date with respect to such Revolving Facility and (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount and currency of each Loan made hereunder, the Facility and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of any Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans of any Class made by it be evidenced by a promissory note (a "Note"); provided that such Lender complies with any filing or application requirements under the Gaming Laws and, prior to the execution and delivery of such Note, such Lender shall have obtained all necessary approvals or waivers from any applicable Gaming Authority. In such event, the Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and reasonably acceptable to the Borrowers. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

SECTION 2.10. Repayment of Term Loans and Revolving Facility Loans.

(a) Subject to the other paragraphs of this Section:

(i) the Borrowers shall repay Term B Borrowings on the last day of each March, June, September and December of each year (commencing on the last day of the first full fiscal quarter of the Borrowers after the Closing Date) and on the applicable Term Facility Maturity Date, or, if such date is not a Business Day, the next preceding Business Day (each such date being referred to as a "Term B Loan Installment Date"), in an aggregate principal amount of the Term B Loans equal to (A) in the case of quarterly payments due prior to the applicable Term Facility Maturity Date, an amount equal to 0.25% of the aggregate principal amount of Term B Loans outstanding on the Closing Date, and (B) in the case of such payment due on the applicable Term Facility Maturity Date, an amount equal to the then unpaid principal amount of the Term B Loans outstanding;

(ii) the Borrowers shall repay Term B-1 Borrowings on the last day of each March, June, September and December of each year (commencing on the last day of the first full fiscal quarter of the Borrowers after the 2020 Incremental Effective Date) and on the applicable Term Facility Maturity Date, or, if such date is not a Business Day, the next preceding Business Day (each such date being referred to as a "Term B-1 Loan Installment Date"), in an aggregate principal amount of the Term B-1 Loans equal to (A) in the case of quarterly payments due prior to the applicable Term Facility Maturity Date, an amount equal to 0.25% of the aggregate principal amount of Term B-1 Loans outstanding on the 2020 Incremental Effective Date, and (B) in the case of such payment due on the applicable Term Facility Maturity Date, an amount equal to the then unpaid principal amount of the Term B-1 Loans outstanding;

(iii) ~~**(ii)**~~ in the event that any Incremental Term Loans are made on an Increased Amount Date **(other than the Term B-1 Loans)**, the Borrowers shall repay such Incremental Term Loans on the dates and in the amounts set forth in the related Incremental Assumption Agreement (each such date being referred to as an "Incremental Term Loan Installment Date"); and

(iv) ~~**(iii)**~~ to the extent not previously paid, outstanding Term Loans shall be due and payable on the applicable Term Facility Maturity Date.

(b) To the extent not previously paid, outstanding Revolving Facility Loans of any Class shall be due and payable on the Revolving Facility Maturity Date with respect to such Class.

(c) Prepayment of the Term Loans from:

(i) all Net Proceeds pursuant to Section 2.11(b) and Excess Cash Flow pursuant to Section 2.11(c) shall be applied to the Term Loans pro rata among each Term Facility, with the application thereof being applied to the remaining installments thereof in direct order of maturity; provided that, subject to the pro rata application to Loans outstanding within any Class of Term Loans, the applicable Borrower may allocate such prepayment in its sole discretion among the Class or Classes of Term Loans as the applicable Borrower may specify (so long as such mandatory prepayments are not directed to any Class of Term Loans with a later Term Facility Maturity Date without at least a pro rata repayment of each Class of Term Loans with an earlier Term Facility Maturity Date);

(ii) any optional prepayments of the Term Loans pursuant to Section 2.11(a) shall be applied to the remaining installments of the Term Loans as the applicable Borrower may direct under the applicable Class or Classes as the applicable Borrower may direct; and

(iii) any prepayment of Term Loans of a particular Class pursuant to Section 2.11(g) or 9.04(i) shall be applied to the remaining installments of such Class of Term Loans on a pro rata basis.

(d) Prior to any prepayment of any Loan under any Facility hereunder, the applicable Borrower shall select the Borrowing or Borrowings under the applicable Facility to be prepaid and shall notify the Administrative Agent by telephone (confirmed by electronic means) of such selection not later than 12:00 p.m., Local Time, (i) in the case of an ABR Borrowing, at least one Business Day before the scheduled date of such prepayment and (ii) in the case of a Eurocurrency Borrowing, at least three Business Days before the scheduled date of such prepayment (or, in each case such shorter period acceptable to the Administrative Agent); provided, that a notice of prepayment may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the applicable Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. All repayments of Loans shall be accompanied by accrued interest on the amount repaid to the extent required by Section 2.13(d).

SECTION 2.11. Prepayment of Loans.

(a) (i) Any Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (except as provided in ~~clause~~**clauses** (ii**) and (iii**) of this Section 2.11(a) and subject to Section 2.16), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, upon prior notice in accordance with Section 2.10(d). Each such notice shall be signed by a Responsible Officer of the applicable Borrower and shall specify the date and amount of such prepayment and the Class(es) and the Type(s) of Loans to be prepaid and, if Eurocurrency Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each applicable Lender of its receipt of each such notice, and of the amount of such Lender's pro rata share of such prepayment.

(ii) In the event that, on or prior to the date that is six months after the Closing Date, the Borrowers shall (x) make a prepayment of the Term B Loans pursuant to Section 2.11(a) with the proceeds of, or any conversion of Term B Loans into, any substantially concurrent issuance solely by the Borrowers of a new or replacement tranche of long-term senior secured first lien term loans incurred solely by the Borrowers that are broadly syndicated to banks and other institutional investors in financings similar to the Term B Loans the primary purpose of which is to (and which does) reduce the All-in Yield of such Term B Loans (other than, for the avoidance of doubt, with respect to securitizations) or (y) effect any amendment to this Agreement the primary purpose of which is to (and which does) reduce the All-in Yield of the Term B Loans (other than, in the case of each of clauses (x) and (y), in connection with a Qualified IPO, a Change in Control, a CEOC Event or a transformative acquisition referred to in the last sentence of this paragraph), the Borrowers shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders holding Term B Loans, (A) in the case of clause (x), a prepayment premium of 1.00% of the aggregate principal amount of the Term B Loans so prepaid and (B) in the case of clause (y), a fee equal to 1.00% of the aggregate principal amount of the applicable Term B Loans for which the All-in Yield has been reduced pursuant to such amendment. Such amounts shall be due and payable on the date of such prepayment or the effective date of such amendment, as the case may be. For purposes of this Section 2.11(a)(ii), a "transformative acquisition" is any acquisition by any Borrower or any Subsidiary that (i) is not permitted by the terms of the Loan Documents immediately prior to the consummation of such acquisition or (ii) if permitted by the terms of the Loan Documents immediately prior to the

consummation of such acquisition, would not provide the Borrowers and their Subsidiaries with adequate flexibility under the Loan Documents for the continuation and/or expansion of their combined operations following such consummation, as determined by the Borrowers in good faith.

(iii) In the event that, on or prior to the date that is six months after the 2020 Incremental Effective Date, the Borrowers shall (x) make a voluntary prepayment of the Term B-1 Loans pursuant to Section 2.11(a) with the proceeds of, or any conversion of Term B-1 Loans into, any substantially concurrent issuance solely by the Borrowers of a new or replacement tranche of long-term senior secured first lien term loans incurred solely by the Borrowers, the primary purpose of which is to (and which does) reduce the All-in Yield of such Term B-1 Loans (other than, for the avoidance of doubt, with respect to securitizations) or (y) effect any amendment to this Agreement the primary purpose of which is to (and which does) reduce the All-in Yield of the Term B-1 Loans (other than, in the case of each of clauses (x) and (y), in connection with a Change in Control, a transformative acquisition or investment referred to in the last sentence of this paragraph, a refinancing of Indebtedness originally incurred in accordance with Section 6.01(ii) or under the CEI Credit Agreement, under the CEI Secured Notes, under the CEI Unsecured Notes, under the 2020 CRC Secured Notes or any other transaction not permitted by the Loan Documents), the Borrowers shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders holding Term B-1 Loans, (A) in the case of clause (x), a prepayment premium of 1.00% of the aggregate principal amount of the Term B-1 Loans so prepaid and (B) in the case of clause (y), a fee equal to 1.00% of the aggregate principal amount of the Term B-1 Loans for which the All-in Yield has been reduced pursuant to such amendment. Such amounts shall be due and payable on the date of such prepayment or the effective date of such amendment, as the case may be. For purposes of this Section 2.11(a)(iii), a "transformative" acquisition or investment is any acquisition or investment by any Borrower or any Subsidiary that (i) is not permitted by the terms of the Loan Documents immediately prior to the consummation of such acquisition or investment or (ii) if permitted by the terms of the Loan Documents immediately prior to the consummation of such acquisition or investment, would not provide the Borrowers and their Subsidiaries with adequate flexibility under the Loan Documents for the continuation and/or expansion of their combined operations following such consummation, as determined by the Borrowers in good faith.

(~~iii~~iv) In addition to the foregoing, and provided that immediately before and after giving effect thereto no Event of Default has occurred and is continuing and after giving effect thereto the Borrowers are in Pro Forma Compliance, each Borrower shall have the right to elect to offer to prepay the Term Loans at a price equal to 100% of the principal amount thereof on a pro rata basis and apply any amounts rejected for such prepayment to repurchase, prepay, redeem, retire, acquire, defease or cancel Indebtedness or make Restricted Payments notwithstanding any then applicable limitations set forth in Section 6.09(b)(i) or Section 6.06, respectively. If a Borrower makes such an election, it shall provide notice thereof to Administrative Agent, who shall promptly, and in any event within one Business Day of receipt, provide such notice to the holders of the Term Loans. Any such notice shall specify the aggregate amount offered to prepay the Term Loans. Each holder of a Term Loan may elect, in its sole discretion, to reject its pro rata share of such prepayment offer. Any rejection of such offer must be evidenced by written notice delivered to Administrative Agent within five Business Days of receipt of the offer for prepayment, specifying an amount of such prepayment offer rejected by such holder, if any. Failure to give such notice will constitute an election to accept such offer. Any portion of such prepayment offer so accepted will be used to prepay the Term Loans held by the applicable holders within ten Business Days of the date of receipt of the offer to prepay. Any portion of such prepayment rejected may be used by the Borrowers and their Subsidiaries to repurchase, prepay, redeem, retire, acquire, defease or cancel Indebtedness or make Restricted Payments notwithstanding any then applicable limitations set forth in Section 6.09(b)(i) or Section 6.06, respectively.

(b) Subject to Section 2.11(e) and (f), the Borrowers shall apply all Net Proceeds promptly upon receipt thereof to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10; provided that, with respect to Net Proceeds from Asset Sales, the Borrowers may use a portion of such Net Proceeds to prepay or repurchase any Indebtedness that is secured by pari passu Liens on the Collateral permitted by Section 6.02, in each case in an amount not to exceed the product of (x) the amount of such Net Proceeds multiplied by (y) a fraction, (A) the numerator of which is the outstanding principal amount of such Indebtedness with a pari passu lien on the Collateral and (B) the denominator of which is the sum of the outstanding principal amount of such Indebtedness and the outstanding principal amount of all Classes of Term Loans.

(c) Subject to Section 2.11(e) and (f), within five (5) Business Days after financial statements are delivered under Section 5.04(a) with respect to each Excess Cash Flow Period, the Borrowers shall calculate Excess Cash Flow for such Excess Cash Flow Period and shall apply an amount equal to (i) the amount by which the Required Percentage of such Excess Cash Flow exceeds $10.0 million ($15.0 million from and after the occurrence of a CEOC Event), minus to the extent not financed using the proceeds of the incurrence of funded long term Indebtedness (ii) the sum of (A) the amount of any voluntary prepayments during such Excess Cash Flow Period (plus, without duplication of any amounts previously deducted under this clause (A), the amount of any voluntary prepayments after the end of such Excess Cash Flow Period but before the date of prepayment under this clause (c)) of (x) Term Loans (it being understood that the amount of any such payment constituting a below-par Permitted Loan Purchase shall be calculated to equal the amount of cash used and not the principal amount deemed prepaid therewith) and (y) other Indebtedness that is secured by pari passu Liens on the Collateral permitted by Section 6.02 (provided that (i) in the case of the prepayment of any revolving Indebtedness, there was a corresponding reduction in commitments and (ii) the maximum amount of each such prepayment of other Indebtedness that may be counted for purposes of this clause (A)(y) shall not exceed the amount that would have been prepaid in respect of such other Indebtedness if such prepayment had been applied on a ratable basis among the Term Loans and such other Indebtedness (determined based on the aggregate outstanding principal amount of Term Loans and the aggregate principal amount of such other Indebtedness on the date of such prepayment)) and (B) the amount of any permanent voluntary reductions during such Excess Cash Flow Period (plus, without duplication of any amounts previously deducted under this clause (B), the amount of any permanent voluntary reductions after the end of such Excess Cash Flow Period but before the date of prepayment under this clause (c)) of Revolving Facility Commitments to the extent that an equal amount of Revolving Facility Loans was simultaneously repaid, (I) to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10 or (II) to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10 and to prepay any other Indebtedness that is secured by pari passu Liens on the Collateral permitted by Section 6.02 in accordance with the agreement(s) governing such other Indebtedness so long as the prepayments under this clause (II) are applied in a manner such that the Term Loans are prepaid on at least a ratable basis with such other Indebtedness (determined based on the aggregate outstanding principal amount of Term Loans and the aggregate outstanding principal amount of such other Indebtedness being prepaid under this clause (II) on the date of such prepayment). Not later than the date on which the payment is required to be made pursuant to the foregoing sentence for each applicable Excess Cash Flow Period, the Borrower Representative will deliver to the Administrative Agent a certificate signed by a Financial Officer of the Borrower Representative setting forth the amount, if any, of Excess Cash Flow for such fiscal year, the amount of any required prepayment in respect thereof and the calculation thereof in reasonable detail.

(d) If the Administrative Agent notifies the Borrowers at any time that the Revolving Facility Credit Exposure for any Revolving Facility at such time exceeds an amount equal to 105% of the Revolving Facility Commitments then in effect under such Revolving Facility, then, within two Business Days after receipt of such notice, the Borrowers shall (at their option) prepay Revolving Facility Loans and/or Cash Collateralize the L/C Obligations, in each case, under such Revolving Facility in an aggregate

amount sufficient to reduce the Revolving Facility Credit Exposure under such Revolving Facility as of such date of payment to an amount not to exceed 100% of the Revolving Facility Commitments then in effect under such Revolving Facility. The Administrative Agent may, at any time and from time to time after any such initial deposit of such Cash Collateral, request that additional Cash Collateral be provided in order to protect against the results of further exchange rate fluctuations.

(e) Anything contained herein to the contrary notwithstanding, in the event a Borrower is required to make any mandatory prepayment (a "Waivable Mandatory Prepayment") of the Term Loans, not less than three Business Days prior to the date (the "Required Prepayment Date") on which such Borrower elects (or is otherwise required) to make such Waivable Mandatory Prepayment, such Borrower shall notify the Administrative Agent of the amount of such prepayment, and the Administrative Agent will promptly thereafter notify each Lender holding an outstanding Term Loan of the amount of such Lender's pro rata share of such Waivable Mandatory Prepayment and such Lender's option to refuse such amount. Each such Lender may exercise such option by giving written notice to the Administrative Agent of its election to do so on or before the second Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify the Administrative Agent of its election to exercise such option on or before the first Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, (i) the applicable Borrower shall pay to the Administrative Agent the amount of the Waivable Mandatory Prepayment less the amount of Declined Proceeds, which amount shall be applied by the Administrative Agent to prepay the Term Loans of those Lenders that have elected to accept such Waivable Mandatory Prepayment (each, an "Accepting Lender") (which prepayment shall be applied to the scheduled installments of principal of the Term Loans in the applicable Class(es) of Term Loans in accordance with paragraphs (c) and (d) of Section 2.10), and (ii) the Borrowers may retain a portion of the Waivable Mandatory Prepayment in an amount equal to that portion of the Waivable Mandatory Prepayment otherwise payable to those Lenders that have elected to exercise such option and decline such Waivable Mandatory Prepayment (such declined amounts, the "Declined Proceeds"). Such Declined Proceeds shall be retained by the Borrowers and may be used for any purpose not otherwise prohibited by this Agreement. **Each Lender holding Term B-1 Loans on the 2020 Incremental Effective Date, on behalf of itself and its successors and assigns, hereby agrees and elects to decline all prepayments of the Term B-1 Loans to be made pursuant to (a) Section 2.11(b) with respect to the Net Proceeds of any Asset Sale of any property set forth on Schedule 2.11(e) and (b) Section 2.11(c) with respect to the Excess Cash Flow Period for the fiscal year of the Borrowers ending on December 31, 2019.**

(f) Notwithstanding any other provisions of this Section 2.11 to the contrary, (i) to the extent that any Net Proceeds of any Asset Sale by a Foreign Subsidiary or Excess Cash Flow attributable to a Foreign Subsidiary is prohibited, restricted or delayed by applicable local law or material documents (including constituent and organizational documents) from being repatriated to the United States, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans or other Indebtedness that is secured by Liens on the Collateral permitted by Section 6.02 at the times provided in Section 2.11(b) or Section 2.11(c) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law or material documents will not permit repatriation to the United States, and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law or material documents, such repatriation will be effected and such repatriated Net Proceeds or Excess Cash Flow will be promptly applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans or other Indebtedness that is secured by Liens on the Collateral permitted by Section 6.02 pursuant to Section 2.11(b) or Section 2.11(c), to the extent provided herein and (ii) to the extent that the Borrowers have determined in good faith that repatriation of any or all of such Net Proceeds or Excess Cash Flow could reasonably be expected to have an adverse tax cost consequence that is not de minimis with respect to such Net Proceeds or Excess Cash Flow, the Net Proceeds or Excess Cash Flow so affected may be retained by

the applicable Foreign Subsidiary (the applicable Borrower hereby agreeing to use commercially reasonable efforts (which shall not be required to extend beyond twelve (12) months after the applicable prepayment date) to eliminate such tax effects in its reasonable control in order to make such prepayments). For the avoidance of doubt, the non-application of any amounts required to be applied pursuant to Section 2.11(b) or Section 2.11(c) as a consequence of the foregoing provisions does not constitute a Default or an Event of Default, and such amounts shall be available for working capital purposes of the Borrowers and the Subsidiary Loan Parties so long as not required to be prepaid in accordance with the foregoing provisions. Notwithstanding the foregoing, any prepayments required after application of the above provision shall be net of any costs, expenses or taxes incurred by the Borrowers or any of their affiliates and arising as a result of compliance with the preceding sentence.

(g) (i) Notwithstanding anything to the contrary in Section 2.11(a) or 2.18(c) (which provisions shall not be applicable to this Section 2.11(g)), any Borrower shall have the right at any time and from time to time to prepay Term Loans and/or repay Revolving Facility Loans of any Class (with, in the case of Revolving Facility Loans under any Revolving Facility, a corresponding permanent reduction in the Revolving Facility Commitment of each Lender who receives a Discounted Voluntary Prepayment), to the Lenders at a discount to the par value of such Loans and on a non pro rata basis (each, a "Discounted Voluntary Prepayment") pursuant to the procedures described in this Section 2.11(g); provided that (A) any Discounted Voluntary Prepayment shall be offered to all Lenders with Term Loans of any Class and/or Revolving Facility Loans of any Class on a pro rata basis with all Lenders of such Class, and after giving effect to any Discounted Voluntary Prepayment, there shall be sufficient aggregate Revolving Facility Commitments among the Revolving Facility Lenders to apply to the Outstanding Amount of the L/C Obligations as of such date, unless the applicable Borrower shall concurrently with the payment of the purchase price by such Borrower for such Revolving Facility Loans, deposit cash collateral in an account with the Administrative Agent pursuant to Section 2.05(g) in the amount of any such excess Outstanding Amount of the L/C Obligations, (B) no Discounted Voluntary Prepayment shall be made from the proceeds of any extensions of credit under the Revolving Facility and (C) the applicable Borrower shall deliver to the Administrative Agent a certificate of the Financial Officer of such Borrower stating (1) that no Event of Default has occurred and is continuing or would result from the Discounted Voluntary Prepayment (after giving effect to any related waivers or amendments obtained in connection with such Discounted Voluntary Prepayment), (2) that each of the conditions to such Discounted Voluntary Prepayment contained in this Section 2.11(g) has been satisfied and (3) the aggregate principal amount of Term Loans and/or Revolving Facility Loans so prepaid pursuant to such Discounted Voluntary Prepayment.

(i) To the extent a Borrower seeks to make a Discounted Voluntary Prepayment, such Borrower will provide written notice to the Administrative Agent substantially in the form of Exhibit F (each, a "Discounted Prepayment Option Notice") that such Borrower desires to prepay Term Loans and/or repay Revolving Facility Loans of an applicable Class (with a corresponding permanent reduction in Revolving Facility Commitments of such Class) in each case in an aggregate principal amount specified therein by such Borrower (each, a "Proposed Discounted Prepayment Amount"), in each case at a discount to the par value of such Term Loans and/or Revolving Facility Loans as specified below. The Proposed Discounted Prepayment Amount of Term Loans or Revolving Facility Loans shall not be less than $5.0 million. The Discounted Prepayment Option Notice shall further specify with respect to the proposed Discounted Voluntary Prepayment: (A) the Proposed Discounted Prepayment Amount for Term Loans and/or Revolving Facility Loans of the applicable Class, (B) a discount range (which may be a single percentage) selected by the applicable Borrower with respect to such proposed Discounted Voluntary Prepayment equal to a percentage of par of the principal amount of Term Loans or Revolving Facility Loans of such Class (the "Discount Range") and (C) the date by which Lenders are required to indicate their election to participate in such proposed Discounted Voluntary Prepayment which shall be at least five Business Days following the date of the Discounted Prepayment Option Notice (the "Acceptance Date"). Upon receipt of a Discounted Prepayment Option Notice with respect to Revolving Facility Loans, the

Administrative Agent shall notify the L/C Issuer thereof and Discounted Voluntary Prepayments in respect thereof shall be subject to the consent of the L/C Issuer, such consent not to be unreasonably withheld or delayed.

(ii) Upon receipt of a Discounted Prepayment Option Notice and receipt by the Administrative Agent of any required consent from the L/C Issuer in accordance with Section 2.11(g)(ii), the Administrative Agent shall promptly notify each Lender thereof. On or prior to the Acceptance Date, each such Lender may specify by written notice substantially in the form of Exhibit G (each, a "Lender Participation Notice") to the Administrative Agent (A) a maximum discount to par (the "Acceptable Discount") within the Discount Range (for example, a Lender specifying a discount to par of 20% would accept a purchase price of 80% of the par value of the Loans to be prepaid) and (B) a maximum principal amount (subject to rounding requirements specified by the Administrative Agent) of Term Loans and/or Revolving Facility Loans held by such Lender with respect to which such Lender is willing to permit a Discounted Voluntary Prepayment at the Acceptable Discount ("Offered Loans"). Based on the Acceptable Discounts and principal amounts of Term Loans and/or Revolving Facility Loans of the applicable Class(es) specified by the Lenders in the applicable Lender Participation Notice, the Administrative Agent, in consultation with the applicable Borrower, shall determine the applicable discount for Term Loans and/or Revolving Facility Loans of the applicable Class(es) (the "Applicable Discount"), which Applicable Discount shall be (A) the percentage specified by the applicable Borrower if such Borrower has selected a single percentage pursuant to Section 2.11(g)(ii) for the Discounted Voluntary Prepayment or (B) otherwise, the highest Acceptable Discount at which such Borrower can pay the Proposed Discounted Prepayment Amount in full (determined by adding the principal amounts of Offered Loans commencing with the Offered Loans with the highest Acceptable Discount); provided, however, that in the event that such Proposed Discounted Prepayment Amount cannot be repaid in full at any Acceptable Discount, the Applicable Discount shall be the lowest Acceptable Discount specified by the Lenders that is within the Discount Range. The Applicable Discount shall be applicable for all Lenders who have offered to participate in the Discounted Voluntary Prepayment and have Qualifying Loans (as defined below). Any Lender with outstanding Loans whose Lender Participation Notice is not received by the Administrative Agent by the Acceptance Date shall be deemed to have declined to accept a Discounted Voluntary Prepayment of any of its Loans at any discount to their par value within the Applicable Discount.

(iii) The applicable Borrower shall make a Discounted Voluntary Prepayment by prepaying those Term Loans and/or Revolving Facility Loans (or the respective portions thereof) (with, in the case of Revolving Facility Loans, a corresponding permanent reduction in Revolving Facility Commitments) of the applicable Class(es) offered by the Lenders ("Qualifying Lenders") that specify an Acceptable Discount that is equal to or greater than the Applicable Discount ("Qualifying Loans") at the Applicable Discount; provided that if the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would exceed the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, such Borrower shall prepay such Qualifying Loans ratably among the Qualifying Lenders based on their respective principal amounts of such Qualifying Loans (subject to rounding requirements specified by the Administrative Agent). If the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would be less than the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, such Borrower shall prepay all Qualifying Loans.

(iv) Each Discounted Voluntary Prepayment shall be made within five Business Days of the Acceptance Date (or such later date as the Administrative Agent shall reasonably agree, given the time required to calculate the Applicable Discount and determine the amount and holders of Qualifying Loans), without premium or penalty (but subject to Section 2.16), upon irrevocable notice substantially in the form of Exhibit H (each a "Discounted Voluntary Prepayment Notice"), delivered to the Administrative

Agent no later than 1:00 P.M. Local time, three Business Days prior to the date of such Discounted Voluntary Prepayment, which notice shall specify the date and amount of the Discounted Voluntary Prepayment and the Applicable Discount determined by the Administrative Agent. Upon receipt of any Discounted Voluntary Prepayment Notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any Discounted Voluntary Prepayment Notice is given, the amount specified in such notice shall be due and payable to the applicable Lenders, subject to the Applicable Discount on the applicable Loans, on the date specified therein together with accrued interest (on the par principal amount) to but not including such date on the amount prepaid.

(v) To the extent not expressly provided for herein, each Discounted Voluntary Prepayment shall be consummated pursuant to reasonable procedures (including as to timing, rounding, minimum amounts, Type and Interest Periods and calculation of Applicable Discount in accordance with Section 2.11(g)(iii) above) established by the Administrative Agent in consultation with the applicable Borrower.

(vi) Prior to the delivery of a Discounted Voluntary Prepayment Notice, upon written notice to the Administrative Agent, (A) the applicable Borrower may withdraw its offer to make a Discounted Voluntary Prepayment pursuant to any Discounted Prepayment Option Notice and (B) any Lender may withdraw its offer to participate in a Discounted Voluntary Prepayment pursuant to any Lender Participation Notice.

SECTION 2.12. Fees.

(a) The Borrowers agree to pay to each Lender (other than any Defaulting Lender), through the Administrative Agent, on the last Business Day of March, June, September and December in each year, and the date on which the Revolving Facility Commitments of the applicable Class of such Lender shall be terminated as provided herein, a commitment fee in Dollars (a "Commitment Fee") on the daily amount of the Revolving Facility Commitments (whether used or unused) of such Lender during the preceding quarter (or other period commencing with the Closing Date or ending with the date on which the last of the Commitments of such Lender shall be terminated) at a rate equal to the Applicable Commitment Fee for the applicable Class with respect to such Lender. All Commitment Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days. The Commitment Fee due to each Lender shall commence to accrue on the Closing Date and shall cease to accrue on the date on which the last of the Commitments of such Lender shall be terminated as provided herein (provided that, if any Revolving Facility Loans or any L/C Obligations remain outstanding following the Revolving Facility Maturity Date or the date on which the aggregate Revolving Facility Commitments shall expire or be terminated, the Commitment Fee with respect to such Revolving Facility Loans and such L/C Obligations shall continue to accrue for so long as such Revolving Facility Loans and such L/C Obligations remain outstanding and shall be due and payable on demand).

(b) The Borrowers from time to time agree to pay (i) to each Revolving Facility Lender (other than any Defaulting Lender; provided that at any time that an L/C Issuer has Fronting Exposure to a Defaulting Lender, until such Fronting Exposure has been reduced to zero, the L/C Participation Fee attributable to such Fronting Exposure in respect of Letters of Credit issued by such L/C Issuer shall be payable to such L/C Issuer) under any Revolving Facility, through the Administrative Agent, three Business Days after the last day of March, June, September and December of each year and three Business Days after the date on which the Revolving Facility Commitments of all the Lenders under such Revolving Facility shall be terminated as provided herein, a fee (an "L/C Participation Fee") on such Lender's Revolving Facility Percentage of the daily aggregate Outstanding Amount of L/C Obligations (excluding the portion thereof attributable to Unreimbursed Amounts) of such Class, during the preceding quarter (or shorter period commencing with the Closing Date or ending with the Revolving Facility Maturity Date with

respect to such Revolving Facility or the date on which the Revolving Facility Commitments of such Class shall be terminated) at the rate per annum equal to the Applicable Margin for Eurocurrency Revolving Facility Borrowings of such Class made by such Lender effective for each day in such period and (ii) to each L/C Issuer, for its own account (x) three Business Days after the last Business Day of March, June, September and December of each year and on the date on which the Revolving Facility Commitments of all the Lenders under such Class shall be terminated as provided herein, a fronting fee in Dollars in respect of each Letter of Credit issued by such L/C Issuer for the period from and including the date of issuance of such Letter of Credit to and including the termination of such Letter of Credit, computed at a rate equal to 0.125% per annum of the Dollar Equivalent of the daily stated amount of such Letter of Credit, plus (y) in connection with the issuance, amendment or transfer of any such Letter of Credit or any drawing thereunder, such L/C Issuer's customary documentary and processing fees and charges (collectively, "L/C Issuer Fees"). All L/C Participation Fees and L/C Issuer Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days.

(c) The Borrowers agree to pay to the Administrative Agent, for the account of the Administrative Agent, the agency fees set forth in the Fee Letter, as amended, restated, supplemented or otherwise modified from time to time, at the times specified therein (the "Administrative Agent Fees").

(d) The Borrowers agree to pay **(x)** on the Closing Date to each Lender holding Term B Loans party to this Agreement on the Closing Date, as fee compensation for the funding of such Lender's Term B Loan, a closing fee ~~**(the "Term Closing Fee")**~~ in an amount equal to 0.25% of the stated principal amount of such Lender's Term B Loan, payable to such Lender from the proceeds of its Term B Loan as and when funded on the Closing Date **and (y) on the 2020 Incremental Effective Date to each Lender holding Term B-1 Loans, as fee compensation for the funding of such Lender's Term B-1 Loans, the fees set forth in the Fee Letter (as defined in the 2020 Incremental Assumption Agreement), (collectively, the "Term Closing Fee")**. Such Term Closing Fee will be in all respects fully earned, due and payable on the Closing Date **or the 2020 Incremental Effective Date, as applicable,** and nonrefundable and non-creditable thereafter.

(e) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that L/C Issuer Fees shall be paid directly to the applicable L/C Issuers. Once paid, none of the Fees shall be refundable under any circumstances.

SECTION 2.13. Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted Eurocurrency Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrowers hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other overdue amount, 2.00% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided, that this paragraph (c) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(d) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, (ii) in the case of Revolving Facility Loans under any Revolving Facility, upon termination of the Revolving Facility Commitments with respect to such Revolving Facility and (iii) in the case of the Term Loans, on the applicable Term Facility Maturity Date; provided, that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on written demand, and (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR shall be computed at all times on the basis of a year of 365 days (or 366 days in a leap year); provided that interest computed on Sterling denominated Loans shall be calculated on the basis of a year of 365 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR, Adjusted Eurocurrency Rate or Eurocurrency Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14. Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted Eurocurrency Rate, as applicable, for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders or the Majority Lenders under the applicable Revolving Facility that the Adjusted Eurocurrency Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrowers and the Lenders by telephone or electronic means as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing denominated in the applicable currency shall be ineffective and in the case of any Borrowing denominated in Dollars, such Borrowing shall be converted to or continued on the last day of the Interest Period applicable thereto as an ABR Borrowing and (ii) if any Borrowing Request requests a Eurocurrency Borrowing in Dollars, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted Eurocurrency Rate) or L/C Issuer;

(ii) subject any Lender or L/C Issuer to any Tax with respect to any Loan Document or any Eurocurrency Loan made by it or any Letter of Credit or participation therein (other than Taxes indemnifiable under Section 2.17 or Excluded Taxes); or

(iii) impose on any Lender or the L/C Issuer or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or L/C Issuer of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or L/C Issuer hereunder (whether of principal, interest or otherwise), then the Borrowers will pay to such Lender or L/C Issuer, as applicable, such additional amount or amounts as will compensate such Lender or L/C Issuer, as applicable, for such additional costs incurred or reduction suffered.

(b) If any Lender or L/C Issuer determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or L/C Issuer's capital or on the capital of such Lender's or L/C Issuer's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such L/C Issuer, to a level below that which such Lender or such L/C Issuer or such Lender's or such L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such L/C Issuer's policies and the policies of such Lender's or such L/C Issuer's holding company with respect to capital or liquidity adequacy), then from time to time the Borrowers shall pay to such Lender or such L/C Issuer, as applicable, such additional amount or amounts as will compensate such Lender or such L/C Issuer or such Lender's or such L/C Issuer's holding company for any such reduction suffered.

(c) A certificate of a Lender or an L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or L/C Issuer or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender or L/C Issuer, as applicable, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender or any L/C Issuer has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender or L/C Issuer shall notify the Borrowers thereof. Failure or delay on the part of any Lender or L/C Issuer to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or L/C Issuer's right to demand such compensation; provided, that the Borrowers shall not be required to compensate a Lender or an L/C Issuer pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or L/C Issuer, as applicable, notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's or L/C Issuer's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto or (c) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by a Borrower pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of

(i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted Eurocurrency Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in dollars of a comparable amount and period from other banks in the Eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

SECTION 2.17. Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without withholding or deduction for any Taxes except as required by law; provided, that if any applicable Withholding Agent shall be required to withhold or deduct any Taxes in respect of any such payments, then (i) if such Tax is an Indemnified Tax or Other Tax, the sum payable by the applicable Loan Party shall be increased as necessary so that after all required withholding or deductions have been made (including withholding or deductions applicable to additional sums payable under this Section 2.17) the applicable Lender (or, in the case of a payment to the Administrative Agent for its own account, the Administrative Agent), receives an amount equal to the sum it would have received had no such withholding or deductions been made, (ii) the applicable Withholding Agent shall make such withholding or deductions and (iii) the applicable Withholding Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Loan Party shall jointly and severally indemnify the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes payable by the Administrative Agent or such Lender, as applicable (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to such Loan Party by a Lender, or by the Administrative Agent on its own behalf, on behalf of another Agent or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Foreign Lender shall deliver to the Borrowers and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of any Borrower or the Administrative Agent), two original copies of whichever of the following is applicable: (i) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any subsequent versions thereof or successors thereto), claiming

eligibility for benefits of an income tax treaty to which the United States of America is a party, (ii) duly completed copies of Internal Revenue Service Form W-8ECI (or any subsequent versions thereof or successors thereto), (iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) a certificate in a form reasonably satisfactory to the Administrative Agent (a "Non-Bank Certificate"), and (y) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any subsequent versions thereof or successors thereto), (iv) to the extent the Foreign Lender is not the beneficial owner (e.g., where the Foreign Lender is a partnership or participating Lender), duly completed copies of Internal Revenue Service Form W-8IMY, together with appropriate forms and certificates described in Sections 2.17(e)(i) through (iii) and any additional Form W-8IMYs, withholding statements and other information as may be required by law (provided that, where a Foreign Lender is a partnership (and not a participating Lender) and one or more of its direct or indirect partners are claiming the portfolio interest exemption, the Foreign Lender may provide the Non-Bank Certificate on behalf of such direct or indirect partners) or (v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made.

(f) Each U.S. Lender shall deliver to the Borrowers and the Administrative Agent two duly completed copies of Internal Revenue Service Form W-9 (or any subsequent versions thereof or successors thereto) certifying that such U.S. Lender is exempt from U.S. federal backup withholding on or before the date such U.S. Lender becomes a party and upon the expiration of any form previously delivered by such U.S. Lender.

(g) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrowers and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by any Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by any Borrower or the Administrative Agent as may be necessary for the Borrowers or the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA and to determine the amount, if any, to deduct and withhold from such payment.

(h) Notwithstanding any other provision of Section 2.17(e), (f) or (g), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(i) Each Lender shall, whenever a lapse in time or change in circumstances renders any documentation previously provided pursuant to Sections 2.17(e), (f) or (g) obsolete, expired or inaccurate in any respect, deliver promptly to the Borrowers and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by any Borrower or the Administrative Agent) or promptly notify the Borrowers and the Administrative Agent in writing of its legal ineligibility to do so.

(j) If any Borrower determines that a reasonable basis exists for contesting an Indemnified Tax or Other Tax for which a Loan Party has paid additional amounts or indemnification payments, each affected Lender or the Administrative Agent, as the case may be, shall use reasonable efforts to cooperate with such Borrower as such Borrower may reasonably request in contesting such Tax; provided that nothing in this Section 2.17(j) shall obligate any Lender or the Administrative Agent to take any action

that such person, in its sole judgment, determines may result in a material detriment to such person. The Borrowers shall indemnify and hold each Lender and the Administrative Agent harmless against any out-of-pocket expenses incurred by such person in connection with any request made by the Borrowers pursuant to this Section 2.17(j). Any refund received from a successful contest shall be governed by Section 2.17(k).

(k) If the Administrative Agent or a Lender has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or Lender in good faith, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. In such event, such Lender or the Administrative Agent, as the case may be, shall, at the applicable Loan Party's request, provide such Loan Party with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided that such Lender or the Administrative Agent may delete any information therein that it deems confidential). A Lender or the Administrative Agent shall claim any refund that it determines is available to it, unless it concludes in its sole discretion that it would be adversely affected by making such a claim. This Section 2.17(k) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems in good faith to be confidential) to the Loan Parties or any other person. Notwithstanding anything to the contrary, in no event will any Lender be required to pay any amount to a Loan Party the payment of which would place such Lender in a less favorable net after tax position than such Lender would have been in if the additional amounts giving rise to such refund of any Indemnified Taxes or Other Taxes had never been paid.

(l) If any Administrative Agent is a "United States person" (as defined in Section 7701(a)(30) of the Code), it shall provide the Borrowers, on or before the date on which it becomes a party to this Agreement, with two duly completed original copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Administrative Agent is exempt from U.S. federal backup withholding. If any Administrative Agent is not a "United States person" (as defined in Section 7701(a)(30) of the Code), on or before the date on which it becomes a party to this Agreement, it shall provide (1) Internal Revenue Service Form W-8ECI (or any successor form) with respect to payments to be received by it as a beneficial owner and (2) Internal Revenue Service Form W-8IMY (or any successor form), together with required accompanying documentation, with respect to payments to be received by it on behalf of the Lenders. Each Administrative Agent shall, whenever a lapse in time or change in circumstances renders any documentation previously provided pursuant to this Section 2.17(l) obsolete, expired or inaccurate in any respect, deliver promptly to the Borrowers updated or other appropriate documentation (including any new documentation reasonably requested by any Borrower) or promptly notify the Borrowers in writing of its legal ineligibility to do so. Notwithstanding anything to the contrary, nothing in this Section 2.17(l) shall require any Administrative Agent to provide any documentation that it is not legally eligible to provide as a result of any Change of Law after the date hereof.

(m) For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 2.17, include any L/C Issuer.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Each Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of drawings under Letters of Credit, or of amounts payable under Section 2.15, 2.16, or 2.17, or otherwise) without condition or deduction for any defense, recoupment, set-off or counterclaim. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars (or, in the case of Alternate Currency Loans or Alternate Currency Letters of Credit, in the applicable Alternate Currency) and in Same Day Funds not later than (x) in the case of Loans or Letters of Credit denominated in Dollars or Canadian Dollars, 2:00 p.m. Local Time or (y) in the case of Loans or Letters of Credit denominated in Alternate Currencies other than Canadian Dollars, 5:00 a.m. Local Time, in each case, on the date specified herein. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrowers by the Administrative Agent, except payments to be made directly to the applicable L/C Issuer as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. Without limiting the generality of the foregoing, the Administrative Agent may require that any payments payable in Dollars due under this Agreement be made in the United States. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrowers to pay fully all amounts of principal, Unreimbursed Amounts, interest and fees then due from the Borrowers hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties and (ii) second, towards payment of principal of Loans and Unreimbursed Amounts then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and Unreimbursed Amounts then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Term Loans, Revolving Facility Loans or participations in Letters of Credit resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans, Revolving Facility Loans and participations in Letters of Credit and accrued interest thereon than the proportion received by any other Lender entitled thereto, then the Lender receiving such greater proportion shall purchase participations in the Term Loans, Revolving Facility Loans and participations in Letters of Credit of other Lenders entitled thereto to the extent necessary so that the benefit of all such payments shall be shared by the Lenders entitled thereto ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Term Loans, Revolving Facility Loans and participations in Letters of Credit; provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrowers

pursuant to and in accordance with the express terms of this Agreement (including, without limitation, pursuant to Section 2.11(g), Section 2.19(b), Section 2.19(c) and Section 9.04(i)) or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in Letters of Credit to any assignee or participant, other than to a Borrower or any Subsidiary thereof (as to which the provisions of this paragraph (c) shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from a Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the applicable L/C Issuer hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable L/C Issuer, as applicable, the amount due. In such event, if such Borrower has not in fact made such payment, then each of the Lenders or the applicable L/C Issuer, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or L/C Issuer with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Overnight Rate.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(c), Section 2.05(d), Section 2.06(b) or Section 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender is a Defaulting Lender, or if any Lender is the subject of a Disqualification, then any Borrower may, at its option and its sole expense and effort, upon notice to such Lender and the Administrative Agent, (1) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee reasonably acceptable to (i) the Administrative Agent (unless, in the case of an assignment of Term Loans, such assignee is a Lender, an Affiliate of a Lender or an Approved Fund) and (ii) if in respect of any Revolving Facility Commitment or Revolving Facility Loan, the L/C Issuer, that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment) or (2) terminate the Commitments of such Lender and prepay such Lender on a

non-pro rata basis; provided, that (i) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in L/C Obligations, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee or the Borrowers (as applicable) (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (ii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrowers may have against any Lender that is a Defaulting Lender. No action by or consent of the removed Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price.

(c) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders affected or all Lenders (or all Lenders of a particular Class affected or all Lenders of a particular Class) and with respect to which the Required Lenders (or the Majority Lenders of the relevant Facility) shall have granted their consent, then any Borrower may, at its option and its sole expense (including with respect to the processing and recordation fee referred to in Section 9.04(b)(ii)(B)) (1) require such Non-Consenting Lender to assign and delegate, without recourse, all interests, rights and obligations under this Agreement with respect to the applicable Class(es) of Loans, and its Commitments hereunder to one or more assignees reasonably acceptable to (i) the Administrative Agent (unless, in the case of an assignment of Term Loans, such assignee is a Lender, an Affiliate of a Lender or an Approved Fund) and (ii) if in respect of any Revolving Facility Commitment or Revolving Facility Loan, the L/C Issuer or (2) terminate the Commitments of such Non-Consenting Lender and prepay such Lender on a non-pro rata basis; provided, that: (a) all Obligations of the Borrowers owing to such Non-Consenting Lender being replaced or terminated shall be paid in full to such Non-Consenting Lender concurrently with such assignment or termination (including any amount payable pursuant to Section 2.11(a)) and (b) the replacement Lender, if any, shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price.

SECTION 2.20. Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable Lending Office to make or maintain any Eurocurrency Loans in any currency, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans in such currency or to convert ABR Borrowings to Eurocurrency Borrowings shall be suspended until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall upon demand from such Lender (with a copy to the Administrative Agent) either (i) in the case of Loans denominated in Dollars if the affected Lender may lawfully continue to maintain such Loans as Eurocurrency Loans until the last day of such Interest Period, convert all Eurocurrency Loans of such Lender to ABR Loans on the last day of such Interest Period (or, otherwise, immediately convert such Eurocurrency Loans to ABR Loans) or (ii) prepay such Eurocurrency Loans. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.21. Incremental Commitments.

(a) Any Borrower may, by written notice to the Administrative Agent from time to time, request Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments, as applicable, in an amount not to exceed the Incremental Amount at the time such Incremental

Commitments are established from one or more Incremental Term Lenders and/or Incremental Revolving Facility Lenders (which may include any existing Lender) willing to provide such Incremental Term Loans and/or Incremental Revolving Facility Commitments, as the case may be, in their own discretion; provided that in the case of Incremental Revolving Commitments either, at the election of the Borrowers, (i) each Incremental Revolving Facility Lender providing Incremental Revolving Facility Commitments shall be subject to the approval of the Administrative Agent (provided that the Administrative Agent shall withhold approval if any of the L/C Issuers object to such Incremental Revolving Facility Lender) or (ii) the Letter of Credit Commitment may not be allocated under, and no Letters of Credit may be requested by the Borrowers under, such Incremental Revolving Facility Commitments. Such notice shall set forth (i) the amount of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments being requested (which shall be in minimum increments of $5.0 million and a minimum amount of $20.0 million or equal to the remaining Incremental Amount or in each case such lesser amount approved by the Administrative Agent), (ii) the date on which such Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments are requested to become effective (the "Increased Amount Date"), (iii) in the case of Incremental Term Loan Commitments, whether such Incremental Term Loan Commitments are to be commitments to make term loans with terms identical to Term B Loans or **Term B-1 Loans or** commitments to make term loans with pricing terms and/or amortization and/or participation in mandatory prepayments or commitment reductions and/or maturity and/or other terms different from the Term B Loans **or the Term B-1 Loans** ("Other Term Loans") and (iv) in the case of Incremental Revolving Facility Commitments, whether such Incremental Revolving Facility Commitments are to be commitments to make additional Revolving Facility Loans on the same terms as the Initial Revolving Loans or commitments to make revolving loans with pricing terms and/or participation in mandatory prepayments or commitment reductions and/or maturity and/or other terms different from the Initial Revolving Loans ("Other Revolving Loans").

(b) The Borrowers and each Incremental Term Lender and/or Incremental Revolving Facility Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Incremental Term Loan Commitment of such Incremental Term Lender and/or Incremental Revolving Facility Commitment of such Incremental Revolving Facility Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Incremental Term Loans and/or Incremental Revolving Facility Commitments; provided, that

(i) except as to pricing, amortization, final maturity date, participation in voluntary and mandatory prepayments, ranking as to security and covenants and other provisions applicable only to periods after the latest Term Facility Maturity Date existing at the time of incurrence of such additional Term Facility (which shall, subject to clause (ii) through (iv) of this proviso, be determined by the Borrowers and the Incremental Term Lenders in their sole discretion), the Other Term Loans shall have (w) terms substantially similar to, or not materially less favorable to the Borrowers and their Subsidiaries than, the terms and conditions, taken as a whole, applicable to the Term B Loans **and the Term B-1 Loans** (as determined in good faith by the Borrowers), (x) then-current market terms (as determined in good faith by the Borrowers), (y) in the case of unsecured Other Term Loans, terms that are customary for "high yield" securities (as determined in good faith by the Borrowers) or (z) such other terms as shall be reasonably satisfactory to the Administrative Agent,

(ii) the Other Term Loans shall rank pari passu or, at the option of the Borrowers, junior in right of security with the Term B Loans **and the Term B-1 Loans**, or be unsecured (provided, that if such Other Term Loans rank junior in right of security with the Term B Loans **and the Term B-1 Loans**, such Other Term Loans shall be subject to a Permitted Junior Intercreditor Agreement and, for the avoidance of doubt, Other Term Loans that rank junior in right of security or are unsecured shall be established pursuant to separate facilities from the Term B Loans and **the Term B-1 Loans and** shall not be subject to clause (viii) below),

(iii) the final maturity date of any Other Term Loans shall be no earlier than the latest Term Facility Maturity Date in effect on the date of incurrence,

(iv) the Weighted Average Life to Maturity of any Other Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term B Loans **and the Term B-1 Loans** (without giving effect to any amortization or prepayments on the Term B Loans**, the Term B-1 Loans** or Other Term Loans),

(v) except as to pricing, final maturity date, participation in voluntary and mandatory prepayments and commitment reductions, ranking as to security and covenants or other provisions applicable only to periods after the latest Revolving Facility Maturity Date existing at the time of incurrence of such Incremental Revolving Facility Commitments (which shall, subject to clause (vi) and (vii) of this proviso, be determined by the Borrowers and the Incremental Revolving Facility Lenders in their sole discretion), the Other Revolving Loans shall have (w) terms substantially similar to, or not materially less favorable to the Borrowers and their Subsidiaries than the terms and conditions, taken as a whole, applicable to the Initial Revolving Loans (as determined in good faith by the Borrowers), (x) then-current market terms (as determined in good faith by the Borrowers), (y) in the case of unsecured Other Revolving Loans, terms that are customary for "high yield" securities (as determined in good faith by the Borrowers) or (z) such other terms as shall be reasonably satisfactory to the Administrative Agent,

(vi) the Other Revolving Loans shall rank pari passu or, at the option of the Borrowers, junior in right of security with the Initial Revolving Loans or be unsecured (provided, that if such Other Revolving Loans rank junior in right of security with the Initial Revolving Loans, such Other Revolving Loans shall be subject to a Permitted Junior Intercreditor Agreement and, for the avoidance of doubt, Other Revolving Loans that rank junior in right of security or are unsecured shall be established pursuant to separate facilities from the Initial Revolving Loans),

(vii) the final maturity date of any Other Revolving Loans shall be no earlier than the Revolving Facility Maturity Date with respect to the Initial Revolving Loans,

(viii) with respect to any Other Term Loan incurred pursuant to clause (a) of this Section 2.21 that (~~w~~**a**) is **a Dollar denominated term loan, (b) is** incurred prior to the ~~twelve-month~~**eighteen-month** anniversary of the ~~Closing Date, (x) has an outside maturity date less than one year after the latest maturity date of the initial Term B Loans, (y) is not incurred in connection with a Permitted Business Acquisition or any other acquisition or Investment that is not prohibited by this Agreement~~**2020 Incremental Effective Date** and (~~z~~**c**) ranks pari passu in right of security with the Term ~~B~~**B-1** Loans, ~~the All-in Yield shall be the same as that applicable to the Term B Loans on the Closing Date, except that~~ the All-in Yield in respect of any such Other Term Loan may exceed the All-in Yield in respect of ~~such~~**the** Term ~~B~~**B-1** Loans on the ~~Closing~~**2020 Incremental Effective** Date by no more than 0.50%, or if it does so exceed such All-in Yield (such difference, the "Term Yield Differential") then the Applicable Margin (or the "LIBOR floor" as provided in the following proviso) applicable to such Term ~~B~~**B-1** Loans shall be increased such that after giving effect to such increase, the Term Yield Differential shall not exceed 0.50%; *provided* that, to the extent any portion of the Term Yield Differential is attributable to a higher "LIBOR floor" being applicable to such Other Term Loans, such floor shall only be included in the calculation of the Term Yield Differential to the extent such floor is greater than the higher of the Adjusted Eurocurrency Rate in effect for an Interest Period of three months'

duration at such time and the "LIBOR floor" applicable to the initial Term ~~B~~B-1 Loans, and, with respect to such excess, the "LIBOR floor" applicable to the outstanding Term ~~B~~B-1 Loans shall be increased to an amount not to exceed the "LIBOR floor" applicable to such Other Term Loans prior to any increase in the Applicable Margin applicable to such Term ~~B~~B-1 Loans then outstanding,

(ix) there shall be no obligor in respect of any Incremental Term Loan Commitments or Incremental Revolving Facility Commitments that is not a Loan Party;

(x) there shall be no collateral security for any Incremental Term Loan Commitments or Incremental Revolving Facility Commitments other than the Collateral; and

(xi) any Incremental Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments or commitment reductions hereunder, and any Incremental Revolving Facility Commitments may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory commitment reductions hereunder.

Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments evidenced thereby as provided for in Section 9.08(e) (including, without limitation, any amendment to Section 2.10(a) as may be necessary to reflect the amortization of any such Incremental Term Loans, including in the case of any Incremental Term Loan that is intended to be "fungible" with any existing series of Term Loans, any customary adjustments necessary to provide for such "fungibility"). Any amendment to this Agreement or any other Loan Document that is necessary to effect the provisions of this Section 2.21 and any such collateral and other documentation shall be deemed "Loan Documents" hereunder and such deemed amendment may be memorialized in writing by the Administrative Agent with the Borrowers' consent (not to be unreasonably withheld) and furnished to the other parties hereto.

(c) Notwithstanding the foregoing, no Incremental Term Loan Commitment or Incremental Revolving Facility Commitment shall become effective under this Section 2.21 unless on the date of such effectiveness, (A) to the extent required by the relevant Incremental Assumption Agreement, the conditions set forth in clause (c) of Section 4.01 shall be satisfied and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Responsible Officer of a Borrower and (B) if such Incremental Term Loan Commitment or Incremental Revolving Facility Commitment is established for a purpose other than financing any Permitted Business Acquisition or any other acquisition or Investment that is permitted by this Agreement, no Event of Default under Section 7.01(b), (c), (h) (with respect to the Borrowers) or (i) (with respect to the Borrowers) shall have occurred and be continuing or would result therefrom.

(d) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that (i) all Incremental Term Loans (other than Other Term Loans), when originally made, are included in each Borrowing of the outstanding applicable Class of Term Loans on a pro rata basis, and (ii) all Revolving Facility Loans in respect of Incremental Revolving Facility Commitments (other than Other Revolving Loans), when originally made, are included in each Borrowing of the applicable Class of outstanding Revolving Facility Loans on a pro rata basis. The Borrowers agree that Section 2.16 shall apply to any conversion of Eurocurrency Loans to ABR Loans reasonably required by the Administrative Agent to effect the foregoing.

(e) Notwithstanding anything to the contrary in this Agreement, including Section 2.11(a) or Section 2.18(c) (which provisions shall not be applicable to clauses (e) through (i) of this Section

2.21), pursuant to one or more offers made from time to time by a Borrower to all Lenders of any Class of Term Loans and/or Revolving Facility Commitments, on a pro rata basis (based, in the case of an offer to the Lenders under any Class of Term Loans, on the aggregate outstanding Term Loans of such Class and, in the case of an offer to the Lenders under any Revolving Facility, on the aggregate outstanding Revolving Facility Commitments under such Revolving Facility, as applicable) and on the same terms ("Pro Rata Extension Offers"), the Borrowers are hereby permitted to consummate transactions with individual Lenders from time to time to extend the maturity date of such Lender's Loans and/or Commitments of such Class and/or to otherwise modify the terms of such Lender's Loans and/or Commitments of such Class pursuant to the terms of the relevant Pro Rata Extension Offer (including without limitation increasing or reducing the interest rate or fees payable in respect of such Lender's Loans and/or Commitments and/or modifying the amortization schedule in respect of such Lender's Loans). For the avoidance of doubt, the reference to "on the same terms" in the preceding sentence shall mean, in the case of an offer to the Lenders under any Class of Term Loans, that all of the Term Loans of such Class and, in the case of an offer to the Lenders under any Revolving Facility, that all of the Revolving Facility Commitments in respect of such Revolving Facility are, in each case, offered to be extended for the same amount of time and that the interest rate changes and fees payable with respect to such extension are the same or are offered the same other modifications, as applicable. Any such extension or other modification (an "Extension") agreed to between the Borrowers and any such Lender (an "Extending Lender") will be established under this Agreement by implementing an Incremental Term Loan for such Lender (if such Lender is extending an existing Term Loan (such extended Term Loan, an "Extended Term Loan")) or an Incremental Revolving Facility Commitment for such Lender (if such Lender is extending an existing Revolving Facility Commitment (such extended Revolving Facility Commitment, an "Extended Revolving Facility Commitment")).

(f) The Borrowers and each Extending Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Extended Term Loans and/or Extended Revolving Facility Commitments of such Extending Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Extended Term Loans and/or Extended Revolving Facility Commitments; provided that (i) except as to interest rates, fees, any other pricing terms, amortization, final maturity date, participation in prepayments and commitment reductions and covenants and other provisions applicable only to periods after the latest Term Facility Maturity Date existing at the time of incurrence of such Extended Term Loan (which shall, subject to clauses (ii) and (iii) of this proviso, be determined by the Borrowers and set forth in the Pro Rata Extension Offer and shall not be subject to the provisions set forth in Section 2.21(b)(viii)), the Extended Term Loans shall have (w) terms substantially similar to, or not materially less favorable to the Borrowers and their Subsidiaries than, the terms and conditions, taken as a whole, applicable to the existing Class of Term Loans (as determined in good faith by the Borrowers), (x) then-current market terms (as determined in good faith by the Borrowers), (y) in the case of unsecured Extended Term Loans, terms that are customary for "high yield" securities (as determined in good faith by the Borrowers) or (z) such other terms as shall be reasonably satisfactory to the Administrative Agent, (ii) the final maturity date of any Extended Term Loans shall be no earlier than the ~~latest~~ Term Facility Maturity Date ~~in effect on the date of incurrence~~**of the Class of Term Loans to which such offer relates**, (iii) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Class of Term Loans to which such offer relates (without giving effect to any amortization or prepayments on such Class of Term Loans), (iv) except as to interest rates, fees, any other pricing terms, participation in mandatory prepayments and commitment reductions, final maturity and covenants and other provisions applicable only to periods after the latest Revolving Facility Maturity Date existing at the time of incurrence of such Extended Revolving Facility Commitments (which shall be determined by the Borrowers and set forth in the Pro Rata Extension Offer), any Extended Revolving Facility Commitment shall have (w) terms substantially similar to, or not materially less favorable to the Borrowers and their Subsidiaries than, the terms and conditions, taken as a whole, applicable to the existing Class of Revolving Facility Commitments (as determined in good faith by

the Borrowers), (x) then-current market terms (as determined in good faith by the Borrowers), (y) in the case of unsecured Extended Revolving Facility Commitments, terms that are customary for "high yield" securities (as determined in good faith by the Borrowers) or (z) such other terms as shall be reasonably satisfactory to the Administrative Agent, and (v) any Extended Term Loans and/or Extended Revolving Facility Commitments may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments hereunder. Upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Extended Term Loans and/or Extended Revolving Facility Commitments evidenced thereby as provided for in Section 9.08(e). Any such deemed amendment may be memorialized in writing by the Administrative Agent with the Borrowers' consent (not to be unreasonably withheld) and furnished to the other parties hereto. If provided in any Incremental Assumption Agreement with respect to any Extended Revolving Facility Commitments, and with the consent of each L/C Issuer, participations in Letters of Credit shall be reallocated to lenders holding such Extended Revolving Facility Commitments in the manner specified in such Incremental Assumption Agreement, including upon effectiveness of such Extended Revolving Facility Commitment or upon or prior to the maturity date for any Class of Revolving Facility Commitments.

(g) Upon the effectiveness of any such Extension, the applicable Extending Lender's Term Loan will be automatically designated an Extended Term Loan and/or such Extending Lender's Revolving Facility Commitment will be automatically designated an Extended Revolving Facility Commitment. For purposes of this Agreement and the other Loan Documents, (i) if such Extending Lender is extending a Term Loan, such Extending Lender will be deemed to have an Incremental Term Loan having the terms of such Extended Term Loan and (ii) if such Extending Lender is extending a Revolving Facility Commitment, such Extending Lender will be deemed to have an Incremental Revolving Facility Commitment having the terms of such Extended Revolving Facility Commitment.

(h) Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.21), (i) the aggregate amount of Extended Term Loans and Extended Revolving Facility Commitments will not be included in the calculation of the Incremental Amount, (ii) no Extended Term Loan or Extended Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (iii) any Extending Lender may extend or modify all or any portion of its Term Loans and/or Revolving Facility Commitment pursuant to one or more Pro Rata Extension Offers (subject to applicable proration in the case of over participation) (including the extension of any Extended Term Loan and/or Extended Revolving Facility Commitment), (iv) there shall be no condition to any Extension of any Loan or Commitment at any time or from time to time other than notice to the Administrative Agent of such Extension and the terms of the Extended Term Loan or Extended Revolving Facility Commitment implemented thereby and (v) all Extended Term Loans, Extended Revolving Facility Commitments and all obligations in respect thereof shall be Loan Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents.

(i) Each Extension shall be consummated pursuant to procedures set forth in the associated Pro Rata Extension Offer; provided that the Borrowers shall cooperate with the Administrative Agent prior to making any Pro Rata Extension Offer to establish reasonable procedures with respect to mechanical provisions relating to such Extension, including, without limitation, timing, rounding and other adjustments.

(j) Notwithstanding anything to the contrary in this Agreement, including Section 2.11(a) or Section 2.18(c) (which provisions shall not be applicable to clause (j) through (o) of this Section 2.21), any Borrower may by written notice to the Administrative Agent establish one or more additional

tranches of term loans under this Agreement (such loans, "Refinancing Term Loans"), the net cash proceeds of which are used to Refinance in whole or in part any Class of Term Loans. Each such notice shall specify the date (each, a "Refinancing Effective Date") on which the Borrowers propose that the Refinancing Term Loans shall be made, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion); provided that:

(i) before and after giving effect to the borrowing of such Refinancing Term Loans on the Refinancing Effective Date each of the conditions set forth in Section 4.01 shall be satisfied to the extent required by the relevant Incremental Assumption Agreement governing such Refinancing Term Loans (except that no Default or Event of Default pursuant to Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing);

(ii) the final maturity date of the Refinancing Term Loans shall be no earlier than the Term Facility Maturity Date of the refinanced Term Loans;

(iii) the Weighted Average Life to Maturity of such Refinancing Term Loans shall be no shorter than the then-remaining Weighted Average Life to Maturity of the refinanced Term Loans (without giving effect to any amortization or prepayments on such Class of Term Loans);

(iv) there shall be no obligor in respect of any Refinancing Term Loans that is not a Loan Party;

(v) the aggregate principal amount of the Refinancing Term Loans shall not exceed the outstanding principal amount of the refinanced Term Loans plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith; and

(vi) all other terms applicable to such Refinancing Term Loans (other than provisions relating to original issue discount, upfront fees, interest rates or any other pricing terms (which original issue discount, upfront fees, interest rates and other pricing terms shall not be subject to the provisions set forth in Section 2.21(b)(viii)), optional prepayment or mandatory prepayment or redemption terms and any covenants and other terms that apply solely to any period after the **latest** Term ~~B~~ Facility Maturity Date **then in effect** (which shall be as agreed between the Borrowers and the Lenders providing such Refinancing Term Loans)) shall be (w) on then current market terms (as determined by the Borrowers in good faith), (x) in the case of unsecured Refinancing Term Loans, customary for "high yield" securities (as determined by the Borrowers in good faith), (y) substantially similar to, or not materially more favorable to the Lenders providing such Refinancing Term Loans than, the terms, taken as a whole, applicable to the Term B Loans **or the Term B-1 Loans** (as determined by the Borrowers in good faith) or (z) otherwise reasonably acceptable to the Administrative Agent. In addition, notwithstanding the foregoing, any Borrower may establish Refinancing Term Loans to refinance and/or replace all or any portion of a Revolving Facility Commitment (regardless of whether Revolving Facility Loans are outstanding under such Revolving Facility Commitments at the time of incurrence of such Refinancing Term Loans), so long as (1) the aggregate amount of such Refinancing Term Loans does not exceed the aggregate amount of Revolving Facility Commitments terminated at the time of incurrence thereof plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith and (2) if the Revolving Facility Credit Exposure outstanding on the Refinancing Effective Date would exceed the aggregate amount of Revolving Facility Commitments outstanding in each case after giving effect to the termination of such Revolving Facility Commitments, the Borrowers shall take one or more of the actions contemplated by Section 2.11(d) such that such Revolving Facility Credit Exposure does not exceed such aggregate amount of Revolving Facility Commitments in effect on the Refinancing Effective Date after giving effect to the termination of such Revolving Facility Commitments (it being understood that such Refinancing Term Loans may be provided by the Lenders holding the Revolving Facility Commitments being terminated and/or by any other Person that would be a permitted Assignee hereunder).

(k) Any Borrower may approach any Lender or any other Person that would be a permitted Assignee pursuant to Section 9.04 to provide all or a portion of the Refinancing Term Loans; provided that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated an additional Class of Term Loans for all purposes of this Agreement; provided that any Refinancing Term Loans may, to the extent provided in the applicable Incremental Assumption Agreement, be designated as an increase in any previously established Class of Term Loans made to the Borrowers.

(l) Notwithstanding anything to the contrary in this Agreement, including Section 2.11(a) and Section 2.18(c) (which provisions shall not be applicable to clauses (l) through (o) of this Section 2.21), any Borrower may by written notice to the Administrative Agent establish one or more additional Facilities providing for revolving commitments ("Replacement Revolving Facility Commitments" and the revolving loans thereunder, "Replacement Revolving Loans"), which replaces in whole or in part any Class of Revolving Facility Commitments under this Agreement. Each such notice shall specify the date (each, a "Replacement Revolving Facility Effective Date") on which such Borrower proposes that the Replacement Revolving Facility Commitments shall become effective, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion); provided that: (i) before and after giving effect to the establishment of such Replacement Revolving Facility Commitments on the Replacement Revolving Facility Effective Date each of the conditions set forth in Section 4.01 shall be satisfied to the extent required by the relevant Incremental Assumption Agreement governing such Refinancing Term Loans (except that no Default or Event of Default pursuant to Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing); (ii) after giving effect to the establishment of any Replacement Revolving Facility Commitments and any concurrent reduction in the aggregate amount of any other Revolving Facility Commitments, the aggregate amount of Revolving Facility Commitments shall not exceed the aggregate amount of the Revolving Facility Commitments outstanding immediately prior to the applicable Replacement Revolving Facility Effective Date plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith; (iii) no Replacement Revolving Facility Commitments shall have a final maturity date prior to the Revolving Facility Maturity Date of the Revolving Facility Commitments being replaced; (iv) there shall be no obligor in respect of any Replacement Revolving Facility Commitments that is not a Loan Party; and (v) all other terms applicable to such Replacement Revolving Facility (other than provisions relating to (x) fees, interest rates and other pricing terms, prepayment and commitment reduction and optional redemption terms and any covenants and other terms that apply solely to any period after the latest final maturity of the Revolving Facility Commitments in effect on the date of incurrence of such Replacement Revolving Facility Commitments (which shall be as agreed between the Borrowers and the Lenders providing such Replacement Revolving Facility Commitments) and (y) the amount of any letter of credit sublimit under such Replacement Revolving Facility (which shall be as agreed between the Borrowers, the Lenders providing such Replacement Revolving Facility Commitments, the Administrative Agent and the Replacement L/C Issuer, if any, under such Replacement Revolving Facility Commitments)) taken as a whole shall be (w) on then current market terms (as determined by the Borrowers in good faith), (x) in the case of unsecured Replacement Revolving Facility Commitments, customary for "high yield" securities (as determined by the Borrowers in good faith), (y) substantially similar to, or not materially more favorable to the Lenders providing such Replacement Revolving Facility Commitments than, those, taken as a whole, applicable to the then outstanding Revolving Facility (as determined by the Borrowers in good faith) or (z) otherwise reasonably acceptable to the Administrative Agent. In addition, the Borrowers may establish Replacement Revolving Facility Commitments to refinance and/or replace all or any portion of a Term

Loan hereunder (regardless of whether such Term Loan is repaid with the proceeds of Replacement Revolving Loans or otherwise), so long as the aggregate amount of such Replacement Revolving Facility Commitments does not exceed the aggregate amount of Term Loans repaid at the time of establishment thereof plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith (it being understood that such Replacement Revolving Facility Commitment may be provided by the Lenders holding the Term Loans being repaid and/or by any other Person that would be a permitted Assignee hereunder).

(m) Any Borrower may approach any Lender or any other Person that would be a permitted Assignee of a Revolving Facility Commitment pursuant to Section 9.04 (such Person, a "Replacement Revolving Lender") to provide all or a portion of the Replacement Revolving Facility Commitments; provided that any Lender offered or approached to provide all or a portion of the Replacement Revolving Facility Commitments may elect or decline, in its sole discretion, to provide a Replacement Revolving Facility Commitment. Any Replacement Revolving Facility Commitment made on any Replacement Revolving Facility Effective Date shall be designated an additional Class of Revolving Facility Commitments for all purposes of this Agreement; provided that any Replacement Revolving Facility Commitments may, to the extent provided in the applicable Incremental Assumption Agreement, be designated as an increase in any previously established Class of Revolving Facility Commitments.

(n) On any Replacement Revolving Facility Effective Date, subject to the satisfaction of the foregoing terms and conditions, each of the Lenders with Replacement Revolving Facility Commitments of such Class shall purchase from each of the other Lenders with Replacement Revolving Facility Commitments of such Class, at the principal amount thereof and in the applicable currencies, such interests in the Replacement Revolving Loans and participations in Letters of Credit under such Replacement Revolving Facility Commitments of such Class then outstanding on such Replacement Revolving Facility Effective Date as shall be necessary in order that, after giving effect to all such assignments and purchases, the Replacement Revolving Loans and participations of such Replacement Revolving Facility Commitments of such Class will be held by the Lenders thereunder ratably in accordance with their Replacement Revolving Credit Percentages.

(o) For purposes of this Agreement and the other Loan Documents, (i) if a Lender is providing a Refinancing Term Loan, such Lender will be deemed to have an Incremental Term Loan having the terms of such Refinancing Term Loan and (ii) if a Lender is providing a Replacement Revolving Facility Commitment, such Lender will be deemed to have an Incremental Revolving Facility Commitment having the terms of such Replacement Revolving Facility Commitment. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.21), (i) the aggregate amount of Refinancing Term Loans and Replacement Revolving Facility Commitments will not be included in the calculation of the Incremental Amount, (ii) no Refinancing Term Loan or Replacement Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (iii) there shall be no condition to any incurrence of any Refinancing Term Loan or Replacement Revolving Facility Commitment at any time or from time to time other than those set forth in clauses (j) or (l) above, as applicable, and (iv) all Refinancing Term Loans, Replacement Revolving Facility Commitments and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other Obligations under this Agreement and the other Loan Documents.

(p) Notwithstanding anything in the foregoing to the contrary, (i) for the purpose of determining the number of outstanding Eurocurrency Borrowings upon the incurrence of any Incremental Revolving Facility Commitments or Incremental Term Loan Commitments, (x) to the extent the last date of Interest Periods for multiple Eurocurrency Borrowings under the Term Facilities fall on the same day, such Eurocurrency Borrowings shall be considered a single Eurocurrency Borrowing and (y) to the extent

the last date of Interest Periods for multiple Eurocurrency Borrowings under the Revolving Facilities fall on the same day, such Eurocurrency Borrowings shall be considered a single Eurocurrency Borrowing ~~and~~, (ii) the initial Interest Period with respect to any Eurocurrency Borrowing of Incremental Revolving Facility Commitments or Incremental Term Loan Commitments may, at the applicable Borrower's option, be of a duration of a number of Business Days that is less than one month, and the Adjusted Eurocurrency Rate with respect to such initial Interest Period shall be the same as the Adjusted Eurocurrency Rate applicable to any then-outstanding Eurocurrency Borrowing as such Borrower may direct, so long as the last day of such initial Interest Period is the same as the last day of the Interest Period with respect to such outstanding Eurocurrency Borrowing~~,~~ **and (iii) the initial Interest Period with respect to Term B-1 Loans may, at the election of the Borrower Representative, be of a duration other than the durations referred to in the definition of "Interest Period" (it being understood that the Adjusted Eurocurrency Rate applicable to any such Interest Period will be calculated based on the next longest Interest Period referred to in the definition of "Interest Period").**

SECTION 2.22. Defaulting Lenders.

(i) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender under any Revolving Facility becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable laws, rules and regulations of any Governmental Authority, during any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender under any such Revolving Facility to acquire, refinance or fund participations in Letters of Credit pursuant to Section 2.05, the "Revolving Facility Percentage" of each Non-Defaulting Lender under such Revolving Facility shall be computed without giving effect to the Revolving Facility Commitment of that Defaulting Lender; provided, that, (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default exists; and (ii) the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit under such Revolving Facility in connection with such reallocation shall not exceed the Available Unused Commitment of such Lender.

(ii) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Required Lenders," "Required Revolving Facility Lenders" or "Majority Lenders," as applicable, and Section 9.08.

(iii) Cash Collateral. To the extent the reallocation pursuant to clause (i) above is insufficient for any reason to cover the L/C Issuer's Fronting Exposure to a Defaulting Lender, the Borrowers shall Cash Collateralize such uncovered Fronting Exposure pursuant to arrangements reasonably satisfactory to the Administrative Agent.

(iv) Limitation on Letters of Credit. Notwithstanding anything to the contrary set forth herein, so long as any Lender is a Defaulting Lender, no L/C Issuer shall have any obligation to issue, amend or renew any Letter of Credit at any time there is Fronting Exposure unless the L/C Issuer is satisfied that it will have no Fronting Exposure after giving effect thereto.

(v) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of a Defaulting Lender on account of its Loans or participations under the applicable Class of Revolving Facility Commitments (whether voluntary or mandatory, at maturity, following an Event of Default or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.06, shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that

Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the L/C Issuer hereunder; *third*, if so determined by the Administrative Agent or requested by the L/C Issuer, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Letter of Credit; *fourth*, as the Borrower Representative may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower Representative, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *sixth*, to the payment of any amounts owing to the Lenders or the L/C Issuer as a result of any judgment of a court of competent jurisdiction obtained by any Lender or the L/C Issuer against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by any Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.22(v) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(vi) Certain Fees. (A) No Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender.

(B) Each Defaulting Lender shall be entitled to receive L/C Participation Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its pro rata share of the stated amount of Letters of Credit for which it has provided Cash Collateral.

(C) With respect to any Commitment Fee or L/C Participation Fee not required to be paid to any Defaulting Lender pursuant to clause (vi)(A) or (B) above, the Borrowers shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (vii) below, (y) pay to each L/C Issuer the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such L/C Issuer's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(vii) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit shall be reallocated among the Non-Defaulting Lenders of the applicable Revolving Facility in accordance with their respective pro rata Commitments under such Revolving Facility (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Facility Credit Exposure of any Non-Defaulting Lender under such Revolving Facility to exceed such Non-Defaulting Lender's Revolving Facility Commitment under such Revolving Facility. Subject to Section 9.24, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(viii) Defaulting Lender Cure. If the Borrowers, the Administrative Agent and the L/C Issuer agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Facility Loans and funded and unfunded participations in Letters of Credit under the applicable Revolving Facility to be held on a pro rata basis by the Lenders in accordance with their Revolving Facility Percentages under such Revolving Facility (without giving effect to Section 2.22(i)), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of any Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

SECTION 2.23. Joinder of CEOC as a Borrower. After the Closing Date, CEOC may be joined as a "Borrower" hereunder with at least ten (10) Business Days' (or such shorter period acceptable to the Administrative Agent) prior written notice from the Initial Borrower to the Administrative Agent so long as (a) the Administrative Agent shall have received at least two (2) Business Days prior to the date of such joinder all documentation and other information required by Section 9.20, to the extent such information has been requested not less than seven (7) Business Days prior to the date of such joinder, (b) no Event of Default shall have occurred and be continuing or would result therefrom, (c) after giving effect thereto and any related transactions, either (i) the Borrowers shall be in Pro Forma Compliance or (ii) the Total Leverage Ratio on a Pro Forma Basis immediately after giving effect thereto is no greater than the Total Leverage Ratio immediately prior thereto, (d) after giving effect thereto, CEOC and its Subsidiaries shall not be liable for any Indebtedness except for Indebtedness permitted by Section 6.01, (e) substantially concurrently with such joinder, CEOC shall become a co-issuer or a guarantor under the Senior Unsecured Notes to the extent required thereunder and take all actions necessary or reasonably requested by the Administrative Agent to comply with Section 5.10 hereof, including the delivery of a joinder and accession agreement in form and substance reasonably satisfactory to the Administrative Agent and (f) to the extent required by Section 5.10 (treating, solely for this purpose, each Subsidiary of CEOC as having been acquired after the Closing Date), each Subsidiary of CEOC (other than Excluded Subsidiaries) shall be merged into a Loan Party or become, following the consummation of the CEOC Joinder, a Subsidiary Loan Party in accordance with and to the extent required by Section 5.10, and each such Subsidiary that becomes a Subsidiary Loan Party shall also become a guarantor of the Senior Unsecured Notes to the extent required thereunder. The Administrative Agent shall promptly notify each Lender of the consummation of a CEOC Joinder. Upon the consummation of a CEOC Joinder, CEOC hereby approves the appointment of the Initial Borrower as the Borrower Representative.

SECTION 2.24. Borrower Representative. The Initial Borrower hereby (i) is designated and appointed by each Borrower as its representative and agent on its behalf (in such capacity, the "Borrower Representative") and (ii) accepts such appointment as the initial Borrower Representative, in each case, for the purposes of taking any and all actions contemplated to be taken by the Borrower Representative or any Borrower on behalf of any Borrower or the Borrowers under the Loan Documents. The Administrative Agent, the Collateral Agent, the L/C Issuers and each Lender may regard any notice or other communication from the Borrower Representative that is permitted or required to be delivered by the Borrower Representative pursuant to any Loan Document as a notice or communication from all Borrowers or the applicable Borrower, as the case may be. Each warranty, covenant, agreement and undertaking made on behalf of a Borrower by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same

extent as if the same had been made directly by such Borrower. The Borrowers may designate a replacement Borrower Representative at any time upon five (5) Business Days' prior written notice to the Administrative Agent. Upon receipt of any such notice, the Administrative Agent shall promptly notify the Collateral Agent, the L/C Issuers and the Lenders thereof. For the avoidance of doubt, each Borrower shall be jointly and severally liable with the other Borrowers for all Obligations hereunder.

SECTION 2.25. LIBOR Replacement Provisions.

(a) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrowers or the Majority Lenders under the Term B-1 Facility notify the Administrative Agent (with, in the case of the Majority Lenders under the Term B-1 Facility, a copy to the Borrowers) that the Borrowers or the Majority Lenders under the Term B-1 Facility (as applicable) have determined, that: (i) adequate and reasonable means do not exist for ascertaining the Adjusted Eurocurrency Rate for any requested Interest Period, including, without limitation, because ICE LIBOR is not available or published on a current basis and such circumstances are unlikely to be temporary; (ii) the administrator of ICE LIBOR or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which ICE LIBOR shall no longer be made available, or used for determining the interest rate of loans (such specific date, the "Scheduled Unavailability Date"); or (iii) syndicated loans currently being executed, or that include language similar to that contained in this Section 2.25, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace ICE LIBOR; then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and the Borrowers shall endeavor to establish with respect to the Term B-1 Facility an alternate benchmark floating term rate of interest (any such proposed rate, a "Term B-1 Facility LIBOR Successor Rate") to the Adjusted Eurocurrency Rate that is generally accepted as the then prevailing market convention for determining a rate of interest for similar syndicated loans in the United States at such time and shall include the spread or method for determining a spread or other adjustments or modifications that are generally accepted as the then prevailing market convention for determining such spread, method, adjustment or modification, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest together with any proposed Term B-1 Facility LIBOR Successor Rate Conforming Changes. Notwithstanding anything to the contrary herein (including the requirements of Section 9.08, which are superseded by the requirements of this Section 2.25 for purposes of any amendment or modification to this Agreement in accordance with this Section 2.25), such amendment shall become effective without any further action or consent of any other party to this Agreement; *provided* that if there is not a generally accepted prevailing market convention for determining a rate of interest for similar syndicated loans in the United States, then the Borrowers and the Administrative Agent may establish with respect to the Term B-1 Facility an alternate benchmark floating term rate of interest, which may include a spread or method for determining a spread or other Term B-1 Facility LIBOR Successor Rate Conforming Changes, and such alternate rate of interest shall become effective within five Business Days of the date that notice of such alternate rate of interest is provided to the Lenders holding Term B-1 Loans unless prior to the end of such five Business Day period the Administrative Agent receives a written notice from the Majority Lenders under the Term B-1 Facility stating that such Majority Lenders object to such alternate rate of interest. Notwithstanding anything else herein, any definition of Term B-1 Facility LIBOR Successor Rate for any currency shall provide that in no event shall such Term B-1 Facility LIBOR Successor Rate be less than zero for purposes of this Agreement. In connection with the implementation of a Term B-1 Facility LIBOR Successor Rate, the Administrative Agent will have the right to make Term B-1 Facility LIBOR Successor Rate Conforming Changes from time to time with the consent of the Borrowers and, notwithstanding anything to the contrary herein or in any

other Loan Document, any amendments implementing such Term B-1 Facility LIBOR Successor Rate Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Term B-1 Facility LIBOR Successor Conforming Changes to the Lenders reasonably promptly after such amendment becomes effective.

(b) If no Term B-1 Facility LIBOR Successor Rate has been determined and the circumstances under clauses (a)(i) through (a)(iii) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrowers and each Lender holding Term B-1 Loans. Thereafter, (x) the obligation of the Lenders holdings Term B-1 Loans to make or maintain Term B-1 Loans that are Eurocurrency Loans shall be suspended (to the extent of the affected Eurocurrency Loans or Interest Periods), and (y) the Adjusted Eurocurrency Rate component shall no longer be utilized in determining the ABR for Term B-1 Loans. Upon receipt of such notice, the Borrowers may revoke any pending request for a Borrowing of, conversion to or continuation of Term B-1 Loans that are Eurocurrency Loans (to the extent of the affected Eurocurrency Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Term B-1 Loans that are ABR Loans (subject to the foregoing clause (y)) in the amount specified therein.

Each Borrower covenants and agrees with each Lender that until the Termination Date, unless the Required Lenders shall otherwise consent in writing, such Borrower will, and will cause each of its Subsidiaries to:

SECTION 5.01. Existence; Businesses and Properties.

(a) Do or cause to be done all things necessary to preserve, renew and keep in full force and effect its legal existence, except, in the case of a Subsidiary of a Borrower, where the failure to do so would not reasonably be expected to have a Material Adverse Effect, and except as otherwise permitted under Section 6.05; provided that any Borrower may liquidate or dissolve one or more Subsidiaries if the assets of such Subsidiaries (to the extent they exceed estimated liabilities) are acquired by a Borrower or a Wholly-Owned Subsidiary of a Borrower in such liquidation or dissolution, except that the Borrowers and Subsidiary Loan Parties may not be liquidated into Subsidiaries that are not Loan Parties and Domestic Subsidiaries may not be liquidated into Foreign Subsidiaries (except in each case as otherwise permitted under Section 6.05).

(b) Except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, do or cause to be done all things necessary to (i) lawfully obtain, preserve, renew, extend and keep in full force and effect the permits, franchises, authorizations, patents, trademarks, service marks, trade names, copyrights, licenses and rights with respect thereto necessary to the normal conduct of its business, and (ii) at all times maintain and preserve all tangible property necessary to the normal conduct of its business and keep such property in good repair, working order and condition (ordinary wear and tear, casualty and condemnation excepted), from time to time make, or cause to be made, all needful and proper repairs, renewals, additions, improvements and replacements thereto necessary in order that the business carried on in connection therewith, if any, may be properly conducted at all times (in each case except as permitted by this Agreement).

SECTION 5.02. Insurance.

(a) Maintain, with financially sound and reputable insurance companies (as determined in good faith by Borrowers), insurance (subject to customary deductibles and retentions) in such amounts and against such risks as are customarily and reasonably maintained by similarly situated companies engaged in the same or similar businesses operating in the same or similar locations (as determined in good faith by Borrowers and it being understood that any such insurance may be carried pursuant to one or more group or combined insurance policies of CEC or any Parent Entity and its subsidiaries and any such policy may provide for a pro rata or preferential allocation of proceeds in favor of any one or more properties of CEC or such Parent Entity and its subsidiaries) and cause the Loan Parties to be listed as insured and the Collateral Agent to be listed as a co-loss payee on property and property casualty policies and as an additional insured on liability policies. If, however, the insurance policies, as a matter of the internal policy of such insurer, do not provide waiver of subrogation rights against such parties, as required above, then each Borrower, on behalf of itself and behalf of its Subsidiaries, hereby agrees, to the extent permitted by law, to waive, and further agrees to cause each of its Subsidiaries to waive, its right of recovery, if any, against the Administrative Agent, the Lenders, any L/C Issuer and their agents and employees;

(ii) the designation of any form, type or amount of insurance coverage by the Administrative Agent under this Section 5.02 shall in no event be deemed a representation, warranty or advice by the Administrative Agent or the Lenders that such insurance is adequate for the purposes of the business of the Borrowers and the Subsidiaries or the protection of their properties; and

(iii) the amount and type of insurance that the Borrowers and their Subsidiaries have in effect as of the Closing Date satisfies for all purposes the requirements of this Section 5.02.

SECTION 5.10. Further Assurances; Additional Security.

(a) Execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, Mortgages and other documents and recordings of Liens in stock registries), that the Collateral Agent may reasonably request, to satisfy the Collateral and Guarantee Requirement and to cause the Collateral and Guarantee Requirement to be and remain satisfied, all at the expense of the Loan Parties and provide to the Collateral Agent, from time to time upon reasonable request, evidence reasonably satisfactory to the Collateral Agent as to the perfection and priority of the Liens created or intended to be created by the Security Documents, subject in each case to paragraph (g) below.

(b) If any asset (other than Real Property, which is covered by paragraph (c) below) that has an individual fair market value (as determined in good faith by the applicable Borrower) in an amount greater than $35.0 million is acquired by any Loan Party after the Closing Date (in each case other than (x) assets constituting Collateral under a Security Document that become subject to the Lien of such Security Document upon acquisition thereof and (y) assets constituting Excluded Property), such Loan Party will (i) promptly as practicable notify the Collateral Agent thereof and (ii) take or cause the Subsidiary Loan Parties to take such actions as shall be reasonably requested by the Collateral Agent to grant and perfect such Liens (subject to any Permitted Liens), including actions described in paragraph (a) of this Section, all at the expense of the Loan Parties, subject to paragraph (g) below.

(c) Promptly notify the Administrative Agent of the acquisition or lease (which for this clause (c) shall include the improvement of any Real Property that was not Owned Real Property or Material Leased Real Property that results in it qualifying as Owned Real Property or Material Leased Real Property) of and, unless waived by the Collateral Agent, will grant and cause each of the Subsidiary Loan Parties to grant to the Collateral Agent security interests in, and mortgages on, such Owned Real Property or Material Leased Real Property of any Loan Parties that are not Mortgaged Property as of the Closing Date, to the extent acquired or leased after the Closing Date, within 90 days after such acquisition (or such later date as the Collateral Agent may agree in its reasonable discretion), pursuant to documentation substantially in the form of Exhibit D-1, Exhibit D-2, Exhibit D-3 or Exhibit D-4 or in such other form as is reasonably satisfactory to the Collateral Agent (each, an "Additional Mortgage") and constituting valid and enforceable Liens subject to no other Liens except Permitted Liens at the time of recordation thereof, record or file, and cause each such Subsidiary Loan Party to record or file, the Additional Mortgage or instruments related thereto in such manner and in such places as is required by law to establish, perfect,

preserve and protect the Liens in favor of the Collateral Agent required to be granted pursuant to the Additional Mortgages and pay, and cause each such Subsidiary Loan Party to pay, in full, all Taxes, fees and other charges required to be paid in connection therewith, in each case subject to paragraph (g) below. Unless otherwise waived by the Collateral Agent, with respect to each such Additional Mortgage, the Borrowers shall deliver to the Collateral Agent contemporaneously therewith leasehold documentation, including an estoppel and consent agreement and a recorded lease or memorandum thereof, as necessary, opinions of local counsel, a title insurance policy and a survey and otherwise comply with the Collateral and Guarantee Requirements applicable to Mortgages and Mortgaged Property. Notwithstanding the foregoing in this paragraph (c), to the extent that any Borrower anticipates in good faith (1) delivering a Project Notice to the Administrative Agent with respect to any such Owned Real Property or Material Leased Real Property acquired or leased after the Closing Date within ninety (90) days following such acquisition or lease and (2) that such Project Notice would result in the release of a Mortgage securing the Obligations pursuant to Section 5.11(a) (if there were a Mortgage on such Owned Real Property or Material Leased Real Property), then the Borrowers shall not be required to deliver an Additional Mortgage with respect to such Owned Real Property or Material Leased Real Property pursuant to this paragraph (c) (and such Owned Real Property or Material Leased Real Property will instead be subject to Section 5.11 below). (e) If any additional Foreign Subsidiary of any Borrower is formed or acquired after the Closing Date (with any Subsidiary Redesignation resulting in an Unrestricted Subsidiary becoming a Subsidiary being deemed to constitute the acquisition of a Subsidiary) and if such Subsidiary constitutes a "first tier" Foreign Subsidiary of a Loan Party, within fifteen (15) Business Days after the date such Foreign Subsidiary is formed or acquired (or such longer period as the Collateral Agent may agree), notify the Collateral Agent thereof and, within twenty (20) Business Days after the date such Foreign Subsidiary is formed or acquired or such longer period as the Collateral Agent shall agree, cause the Collateral and Guarantee Requirement to be satisfied with respect to any Equity Interest in such Foreign Subsidiary owned by or on behalf of any Loan Party, subject in each case to paragraph (g) below.

(f) Furnish to the Collateral Agent promptly (and in any event within 30 days after such change) written notice of any change (A) in any Loan Party's corporate or organization name, (B) in any Loan Party's identity or organizational structure, (C) in any Loan Party's organizational identification number or (D) in any Loan Party's jurisdiction of organization; provided, that no Loan Party shall effect or permit any such change unless all filings have been made, or will have been made within any statutory period, under the Uniform Commercial Code or otherwise that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral for the benefit of the Secured Parties with the same priority as prior to such change.

(g) The Collateral and Guarantee Requirement and the other provisions of this Section 5.10 and the other provisions of the Loan Documents with respect to Collateral need not be satisfied with respect to any of the following (collectively, the "Excluded Property"): (i) any Real Property held by any Borrower or any of its Subsidiaries as a lessee under a lease other than Material Leased Real Property or any Real Property owned in fee that is not Owned Real Property, (ii) motor vehicles and other assets subject to certificates of title and letter of credit rights (in each case, other than to the extent a Lien on such assets or such rights can be perfected by filing a UCC-1), and commercial tort claims with a value of less than $25.0 million ($50.0 million from and after the occurrence of a CEOC Event), (iii) pledges and security interests (1) prohibited by applicable law (including Gaming Laws), rule, regulation or contractual obligation (with respect to any such contractual obligation, only to the extent such restriction is permitted under Section 6.09(c) and such restriction is binding on such assets (x) on the Closing Date or (y) on the date that the applicable person becomes a Subsidiary of a Borrower) (in each case, except to the extent such prohibition is unenforceable after giving effect to the applicable anti-assignment provisions of Article 9 of the Uniform Commercial Code) or (2) which could require governmental (including Gaming Authority) consent, approval, license or authorization to be pledged (unless such consent, approval, license or authorization has been received and the Borrowers shall be under no obligation to seek such consent (other than commercially reasonable efforts to obtain such consent in respect of Gaming Laws)), (iv) assets to the extent a security interest in such assets could reasonably be expected to result in material adverse tax consequences (as determined in good faith by the Borrowers), (v) those assets as to which the Collateral Agent and the Borrowers reasonably agree that the costs or other consequence of obtaining or perfecting such a security interest or perfection thereof are excessive in relation to the value of the security to be afforded thereby, (vi) any lease, license or other agreement to the extent that a grant of a security interest therein would violate or invalidate such lease, license or agreement or create a right of termination in favor of any other party thereto (other than a Borrower or any other Loan Party) after giving effect to the applicable anti-assignment provisions of Article 9 of the Uniform Commercial Code, (vii) any governmental licenses (including gaming licenses) or state or local franchises, charters and authorizations, to the extent security interests in such licenses, franchises, charters or authorizations are prohibited or restricted thereby or require the consent of any Governmental Authority (to the extent such consent has not been obtained) after giving effect to the applicable anti-assignment provisions of Article 9 of the Uniform Commercial Code, (viii) pending United States "intent-to-use" trademark applications for which a verified statement of use or an amendment to allege use has not been filed with and accepted by the United States Patent and Trademark Office, (ix) other customary exclusions under applicable local law or in applicable local jurisdictions set forth in the Security Documents or otherwise separately agreed in writing between the Administrative Agent and the Borrowers, (x) any Excluded Securities, (xi) for the avoidance of doubt, any assets owned by, or the Equity Interests of, any Qualified Non-Recourse Subsidiary, any Special Purpose Receivables Subsidiary or any other asset securing any Qualified Non-Recourse Debt or any Permitted Receivables Financing (which shall in no event constitute Collateral hereunder, nor shall any Qualified Non-Recourse Subsidiary or Special Purpose Receivables Subsidiary be a Loan Party hereunder)~~;~~, (xii) any Third Party Funds and (xiii) any equipment or other asset that is subject to a Lien permitted by any of clauses (c), (i) and (j) of Section 6.02 or is otherwise subject to a purchase money debt arrangement, slot financing arrangement or a Capitalized Lease Obligation, in each case, as permitted by Section 6.01, if the contract or other agreement providing for such debt, financing arrangement or Capitalized Lease Obligation prohibits or requires the consent of any person (other than any Borrower or any Subsidiary Loan Party) as a condition to the creation of any other security interest on such equipment or asset and, in each case, such prohibition or requirement is permitted hereunder; provided, that the Borrowers may in their sole discretion elect to exclude any property from the definition of Excluded Property. Notwithstanding anything to the contrary in this Agreement, the Collateral Agreement, or any other Loan Document, (A) the Administrative Agent may grant extensions of time or waiver of requirement

for the creation or perfection of security interests in or the obtaining of insurance (including title insurance) and surveys with respect to particular assets (including extensions beyond the Closing Date for the perfection of security interests in the assets of the Loan Parties on such date) where it reasonably determines, in consultation with the Borrowers, that perfection or obtaining of such items cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required by this Agreement or the other Loan Documents, (B) no foreign law governed security documents or perfection actions under foreign law shall be required, (C) no landlord, mortgagee or bailee waivers shall be required, (D) no notice shall be required to be sent to account debtors or other contractual third parties prior to an Event of Default, (E) Liens required to be granted from time to time pursuant to, or any other requirements of, the Collateral and Guarantee Requirement and the Security Documents shall be subject to exceptions and limitations set forth in the Security Documents and, to the extent appropriate in the applicable jurisdiction, as otherwise agreed between the Administrative Agent and the Borrowers, (F) to the extent any Mortgaged Property is located in a jurisdiction with mortgage recording or similar tax, the amount secured by the Security Document with respect to such Mortgaged Property shall be limited to the fair market value of such Mortgaged Property as determined in good faith by the applicable Borrower (subject to any applicable laws in the relevant jurisdiction or such lesser amount agreed to by the Administrative Agent), (G) there shall be no control, lockbox or similar arrangements nor any control agreements relating to the Borrowers' and their subsidiaries' bank accounts (including deposit, securities or commodities accounts), (H) the Administrative Agent and the Borrowers may make such modifications to the Security Documents, and execute and/or consent to such easements, covenants, rights of way or similar instruments (and Administrative Agent may agree to subordinate the lien of any mortgage to any such easement, covenant, right of way or similar instrument or record or may agree to recognize any tenant pursuant to an agreement in a form and substance reasonably acceptable to the Administrative Agent), as are reasonable or necessary in connection with any project or transactions otherwise permitted hereunder and (I) other than with respect to clauses (h)(i) and (h)(ii) of the definition of Collateral and Guarantee Requirement, clauses (g)(ii) and (h) of the definition of Collateral and Guarantee Requirement shall not be required to be satisfied with respect to any Mortgaged Property that has a fair market value of less than $10.0 million (as determined by the Borrower in good faith).

SECTION 7.02. Right to Cure. Notwithstanding anything to the contrary contained in Section 7.01, in the event that the Borrowers fail (or, but for the operation of this Section 7.02, would fail) to comply with the requirements of the Financial Performance Covenant, until the expiration of the 10th Business Day subsequent to the date the certificate calculating such Financial Performance Covenant is required to be delivered pursuant to Section 5.04(c), any Parent Entity and/or any Borrower shall have the right to issue Permitted Cure Securities for cash or otherwise receive cash contributions to the capital of any Parent Entity and/or any Borrower (and, with respect to any Parent Entity, in each case, to contribute any such cash to the capital of a Borrower) (collectively, the "Cure Right"), and upon the receipt by a Borrower of such cash (the "Cure Amount") pursuant to the exercise by any Parent Entity and/or any Borrower of such Cure Right such Financial Performance Covenant shall be recalculated giving effect to a pro forma adjustment by which EBITDA shall be increased with respect to such applicable quarter and any four-quarter period that contains such quarter, solely for the purpose of measuring the Financial Performance Covenant and not for any other purpose under this Agreement, by an amount equal to the Cure Amount; provided, that, (i) in each four consecutive fiscal quarter period there shall be at least two fiscal quarters in which a Cure Right is not exercised, (ii) a Cure Right shall not be exercised more than five times during the term of the Revolving Facility, (iii) for purposes of this Section 7.02, the Cure Amount shall be no greater than the amount required for purposes of complying with the Financial Performance Covenant, (iv) the Cure Amount shall be disregarded for purposes of determining any financial ratio-based conditions, pricing or any baskets with respect to the covenants contained in this Agreement and shall not be included in the calculation of the Cumulative Credit and (v) there shall be no pro forma reduction in Indebtedness with the proceeds of the exercise of the Cure Right for determining compliance with the Financial Performance Covenant for the fiscal quarter in respect of which such Cure Right is exercised (either directly through prepayment or indirectly as a result of the netting of unrestricted cash). If, after giving effect to the adjustments in this Section 7.02, the Borrowers shall then be in compliance with the requirements of the Financial Performance Covenant, the Borrowers shall be deemed to have satisfied the requirements of the Financial Performance Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Performance Covenant that had occurred shall be deemed cured for the purposes of this Agreement.

SECTION 7.03. Treatment of Certain Payments. Subject to the terms of any applicable Intercreditor Agreement and the Collateral Agreement, any amount received by the Administrative Agent or the Collateral Agent from any Loan Party (or from proceeds of any Collateral) following any acceleration of the Obligations under this Agreement or any Event of Default with respect to a Borrower under Section 7.01(h) or Section 7.01(i), in each case that is continuing, shall be applied: (i) first, ratably, to pay any fees, indemnities or expense reimbursements then due to the Administrative Agent or the Collateral Agent from the Borrowers (other than in connection with any Secured Cash Management Agreement or Secured Swap Agreement), (ii) second, towards payment of interest and fees then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, (iii) third, towards payment of unreimbursed L/C Borrowings then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of unreimbursed L/C Borrowings then due to such parties, (iv) fourth, towards payment of other Obligations (including Obligations of the Loan Parties owing under or in respect of any Secured Cash Management Agreement or Secured Swap Agreement) then due from the Loan Parties, ratably among the parties entitled thereto in accordance with the amounts of such Obligations then due to such parties and (v) last, the balance, if any, after all of the Obligations have been paid in full, to the Borrowers or as otherwise required by Requirements of Law.

ARTICLE VIII
The Agents

SECTION 8.01. Appointment.

(a) Each Lender (in its capacity as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Swap Agreements) and each L/C Issuer (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Swap Agreements) hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender or L/C Issuer, as applicable, under this Agreement and the other Loan Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

(b) The Administrative Agent, each Lender (in its capacity as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Swap Agreements) and each L/C Issuer (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Swap Agreements) hereby irrevocably designate and appoint the Collateral Agent as the agent with respect to the Collateral, including to hold and enforce the same, and the Administrative Agent, each Lender and each L/C Issuer irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any of the Administrative Agent, the Lenders or any L/C Issuers, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Collateral Agent.

SECTION 8.02. Delegation of Duties. The Administrative Agent and the Collateral Agent may each execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

SECTION 8.03. Exculpatory Provisions. Neither the Administrative Agent nor the Collateral Agent, nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except for its or such person’s own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency

of this Agreement or any other Loan Document or for any failure of any Loan Party to perform its obligations hereunder or thereunder. Neither the Administrative Agent nor the Collateral Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party.

SECTION 8.04. Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or instruction believed by it to be genuine and correct and to have been signed, sent or made by the proper person or persons and upon advice and statements of legal counsel (including counsel to the Borrowers), independent accountants and other experts selected by the Administrative Agent or the Collateral Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

SECTION 8.05. Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent or Collateral Agent has received written notice from a Lender or a Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders and the Collateral Agent. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders, provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable.

SECTION 8.06. Non-Reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent nor the Collateral Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent or Collateral Agent hereinafter taken, including any review of the affairs of any Loan Party, shall be deemed to constitute any representation or warranty by the Administrative Agent or Collateral Agent to any Lender or any L/C Issuer. Each Lender and each L/C Issuer represents to the Administrative Agent and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent, Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions

in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of any Loan Party that may come into the possession of the Administrative Agent or Collateral Agent, any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates.

SECTION 8.07. Indemnification. The Lenders agree to indemnify the Administrative Agent and the Collateral Agent, each in its capacity as such (to the extent not reimbursed by the Borrowers and without limiting the obligation of the Borrowers to do so), ratably according to their respective portions of the total Term Loans and Revolving Facility Commitments (or, if the Revolving Facility Commitments shall have terminated, in accordance the Revolving Facility Commitments in effect immediately prior to such termination) held on the date on which indemnification is sought, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against the Administrative Agent or the Collateral Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents, or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent or the Collateral Agent under or in connection with any of the foregoing, provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's or the Collateral Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. The agreements in this Section 8.07 shall survive the payment of the Loans and all other amounts payable hereunder.

SECTION 8.08. Agents in their Individual Capacity. The Administrative Agent, the Collateral Agent and their Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such persons were not the Administrative Agent and Collateral Agent hereunder and under the other Loan Documents. With respect to the Loans made by it, the Administrative Agent and the Collateral Agent shall each have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not the Administrative Agent or the Collateral Agent, and the terms "Lender" and "Lenders" shall include the Administrative Agent and the Collateral Agent in their individual capacities.

SECTION 8.09. Successor Agents. Each of the Administrative Agent and Collateral Agent may at any time give notice of its resignation to the Lenders, the L/C Issuer and the Borrowers. Upon receipt of any such notice of resignation, the Borrower Representative shall have the right, subject to the reasonable consent of the Required Lenders (so long as no Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing, in which case the Required Lenders shall have the right), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Borrower Representative (or the Required Lenders, as applicable) and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the L/C Issuer, appoint a successor Agent meeting the qualifications set forth above; provided that if the retiring Agent shall notify the Borrowers and the Lenders that no qualifying person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other

Loan Documents (except in the case of the Collateral Agent holding collateral security on behalf of any Secured Parties, the retiring Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time as the Borrower Representative (or the Required Lenders, as applicable) appoints a successor Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as the Administrative Agent or Collateral Agent, as the case may be, hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrowers (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article VIII and Section 9.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as an Agent.

Any resignation by Credit Suisse as Administrative Agent pursuant to this Section shall also constitute its resignation as L/C Issuer. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer, (b) the retiring L/C Issuer shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (c) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

SECTION 8.10. Payments Set Aside. To the extent that any payment by or on behalf of the Borrowers is made to the Administrative Agent, the L/C Issuer or any Lender, or the Administrative Agent, the L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, the L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and the L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect, in the applicable currency of such recovery or payment. The obligations of the Lenders and the L/C Issuer under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

SECTION 8.11. Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and

unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuer and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer and the Administrative Agent under Article II or Section 9.05) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the L/C Issuer to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuer, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Article II and Section 9.05.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or the L/C Issuer or in any such proceeding.

Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrowers, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent.

SECTION 8.12. Collateral and Guaranty Matters. The Lenders and the L/C Issuer (in each case, in its capacity as a Lender or L/C Issuer, as applicable, and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) irrevocably authorize the Collateral Agent, at its option and in its discretion, to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document if approved, authorized or ratified in writing in accordance with Section 9.08, or pursuant to Section 5.11 or Section 9.18. Upon request by the Collateral Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release its interest in particular types or items of property in accordance with this Section.

SECTION 8.13. Agents and Arrangers. None of the Arrangers shall have any duties or responsibilities hereunder in ~~its capacity~~their respective capacities as such.

SECTION 8.14. Intercreditor Agreements, Master Lease Intercreditor Agreements and Collateral Matters. The Administrative Agent and Collateral Agent shall be authorized from time to time, without the consent of any Lender, to execute or to enter into amendments of, and amendments and restatements of, the Intercreditor Agreements permitted or required hereunder, in each case in order to effect the pari passu treatment or the subordination of and to provide for certain additional rights, obligations and limitations in respect of, any Liens required or permitted by the terms of this Agreement to be Liens pari passu with or junior to the Obligations, that are, in each case, incurred in accordance with Article VI of this

Agreement, and to establish certain relative rights as between the holders of the Obligations and the holders of the Indebtedness secured by such Liens. The Administrative Agent and Collateral Agent shall be authorized, without the consent of any Lender, to execute each of the Master Lease Intercreditor Agreements and to enter into amendments of, and amendments and restatements of, the Master Lease Intercreditor Agreements in order to add or remove parties thereto or properties covered thereby, to cure any ambiguity, omission, defect or inconsistency or to make other modifications that are not materially adverse to the Lenders.

SECTION 8.15. Withholding Tax. To the extent required by any applicable laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.17, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of, withholding Tax ineffective) or as a result of such Lender's failure to comply with Section 9.04(c)(ii) relating to the maintenance of a Participant Register. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 8.15. The agreements in this Section 8.15 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 8.15, include any L/C Issuer.

ARTICLE IX
Miscellaneous

SECTION 9.01. Notices; Communications.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 9.01(b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or electronic email as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to any Loan Party, the Administrative Agent or the L/C Issuer, to the address, facsimile number, electronic mail address or telephone number specified for such person on Schedule 9.01; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders and the L/C Issuer hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall

not apply to notices to any Lender or the L/C Issuer pursuant to Article II if such Lender or the L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. Any of the Administrative Agent or the Borrowers may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by electronic means shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices or communications (i) sent to an e-mail address shall be deemed received when delivered and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefore.

(d) Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Documents required to be delivered pursuant to Section 5.04 (including any such documents that are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrowers post such documents, or provide a link thereto on the Internet at the website(s) address listed on Schedule 9.01, or (ii) on which such documents are posted on the Borrowers' behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that (A) the Borrowers shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrowers to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Borrowers shall notify the Administrative Agent (by facsimile or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Except for certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrowers with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

SECTION 9.02. Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and each L/C Issuer and shall survive the making by the Lenders of the Loans, the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect until the Termination Date. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.16, 2.17, 8.07 and 9.05) shall survive the Termination Date.

SECTION 9.03. Binding Effect. This Agreement shall become effective when it shall have been executed by the Initial Borrower and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of each Borrower, each L/C Issuer, the Administrative Agent, the Collateral Agent and each Lender and their respective permitted successors and assigns.

SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any affiliate of the L/C Issuer that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by a Borrower without such consent shall be null and void) except in connection with the addition of (x) CEOC as a "Borrower" hereunder or (y) one or more Domestic Subsidiaries as a joint and several co-borrower hereunder and the transactions permitted by Section 6.05(b), and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the L/C Issuer that issues any Letter of Credit), Participants (to the extent provided in clause (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the L/C Issuer and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (i) Subject to the conditions set forth in clause (b)(ii) below, any Lender may assign to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower Representative, which consent, with respect to the assignment of a Term B Loan **or a Term B-1 Loan**, will be deemed to have been given if the Borrower Representative has not responded within ten (10) Business Days after the delivery of any request for such consent; provided, that no consent of the Borrower Representative shall be required (i) for an assignment of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund, (ii) for an assignment of a Revolving Facility Commitment to a Revolving Facility Lender, (iii) in the case of assignments during the primary syndication of the Commitments and Loans, for an assignment to persons identified to and agreed by the Initial Borrower in writing prior to the Closing Date or (iv) if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing, any other person;

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the L/C Issuer; provided, that no consent of the L/C Issuer shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's

Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than (x) $1.0 million or an integral multiple of $1.0 million in excess thereof in the case of Term Loans and (y) $5.0 million or an integral multiple of $1.0 million in excess thereof in the case of Revolving Facility Loans or Revolving Facility Commitments, unless each of the Borrower Representative and the Administrative Agent otherwise consent; provided, that (1) no such consent of the Borrower Representative shall be required if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent (or, if required by the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms required to be delivered pursuant to Section 2.17; and

(D) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

For the purposes of this Section 9.04, "Approved Fund" means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(iii) Each assigning Lender shall, in connection with any potential assignment, provide to the Borrower Representative a copy of its request (including the name of the prospective assignee(s)) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not an Event of Default has occurred and is continuing. Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 9.04.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrowers, the Administrative

Agent, the L/C Issuer and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by any Borrower, the L/C Issuer and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, the processing and recordation fee referred to in clause (b) of this Section and any written consent to such assignment required by clause (b) of this Section, the Administrative Agent promptly shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (b)(v).

(c) (i) Any Lender may, without the consent of the Borrowers or the Administrative Agent, sell participations in Loans or Commitments to one or more banks or other entities other than any Ineligible Institution (to the extent that the list of Ineligible Institutions has been made available to all Lenders; provided, that regardless of whether the list of Ineligible Institutions has been made available to all Lenders, no Lender may sell participations in Loans or Commitments to an Ineligible Institution without the consent of the Borrower Representative if the list of Ineligible Institutions has been made available to such Lender) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the L/C Issuer and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to clauses (i), (ii), (iii) or (vi) of the first proviso to Section 9.08(b) and (2) directly and adversely affects such Participant (but, for the avoidance of doubt, not any waiver of any Default or Event of Default) and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to Section 9.04(c)(iii), the Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of those Sections and to the extent such Participant complies with Section 2.17(e) and (f) as though it were a Lender) (it being understood that the documentation required under Section 2.17(e) and (f) shall be delivered to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Participant or potential Participant is an Ineligible Institution and the Administrative Agent shall have no liability with respect to any participation made to an Ineligible Institution.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal and interest amounts of each Participant's interest in the Loans held by it (the "Participant Register"). The entries in the Participant Register shall be conclusive, and such Lender shall

treat each person whose name is recorded in the Participant Register as the owner of the participation in question for all purposes of this Agreement, notwithstanding notice to the contrary; provided that no Lender shall have any obligation to disclose all or any portion of a Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other Obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other Obligation is in registered form for U.S. federal income tax purposes or such disclosure is otherwise required by applicable law.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower Representative's prior written consent (not to be unreasonably withheld), which consent shall state that it is being given pursuant to this Section 9.04(c)(iii); provided that each potential Participant shall provide such information as is reasonably requested by the Borrower Representative in order for the Borrower Representative to determine whether to provide its consent.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrowers, upon receipt of written notice from the relevant Lender, agree to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrowers or the Administrative Agent. Each Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(g) If the Borrowers wish to replace the Loans or Commitments under any Facility with ones having different terms, they shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 9.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 9.08(d)). Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by any Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 9.05(b). By receiving such purchase

price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) Notwithstanding the foregoing or anything to the contrary herein, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement to (A) any Ineligible Institution, (B) any Defaulting Lender or any of its Subsidiaries, or any person who, upon becoming a Lender hereunder, would constitute any of the foregoing persons described in this clause (B), or (C) a natural person. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or potential Lender is an Ineligible Institution and the Administrative Agent shall have no liability with respect to any assignment made to an Ineligible Institution. Any assigning Lender shall, in connection with any potential assignment, provide to the Borrower Representative a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not an Event of Default has occurred and is continuing. Notwithstanding anything to the contrary herein, the rights of the Lenders to make assignments and grant participations shall be subject to the approval of any Gaming Authority, to the extent required by applicable Gaming Laws.

(i) Notwithstanding anything to the contrary in Section 2.08, Section 2.11(a) or Section 2.18(c) (which provisions shall not be applicable to clauses (i) or (j) of this Section 9.04), any Borrower or its Subsidiaries may purchase by way of assignment and become an Assignee with respect to Term Loans and/or Revolving Facility Loans (other than any such Loans held by an Affiliate Lender) at any time and from time to time from Lenders in accordance with Section 9.04(b) hereof or reduce the aggregate amount of any Revolving Facility Commitment of a Lender that has agreed to such reduction ("Permitted Loan Purchases"); provided that (A) no Event of Default has occurred and is continuing or would result from the Permitted Loan Purchase, (B) no Permitted Loan Purchase shall be made from the proceeds of any extensions of credit under the Revolving Facility, (C) upon consummation of any such Permitted Loan Purchase, the Loans and/or Revolving Facility Commitments purchased or terminated pursuant thereto shall be deemed to be automatically and immediately cancelled and extinguished in accordance with Section 9.04(j), (D) to the extent a Borrower is making a Permitted Loan Purchase of Revolving Facility Loans or Revolving Facility Commitments, upon giving effect to such Permitted Loan Purchase, (x) there shall be sufficient aggregate Revolving Facility Commitments among the Revolving Facility Lenders to apply to the Outstanding Amount of the L/C Obligations thereunder as of such date, unless such Borrower shall concurrently with the payment of the purchase price by such Borrower for such Revolving Facility Loans or the termination of such Revolving Facility Commitments, deposit cash collateral in an account with the Administrative Agent pursuant to Section 2.05(g) in the amount of any such excess Outstanding Amount of the L/C Obligations thereunder and (y) there shall be at least five Revolving Facility Lenders remaining holding Revolving Facility Commitments and (E) in connection with any such Permitted Loan Purchase (other than a termination of Revolving Facility Commitments), such Borrower or its Subsidiaries and such Lender that is the assignor shall execute and deliver to the Administrative Agent a Permitted Loan Purchase Assignment and Acceptance (and for the avoidance of doubt, (x) shall make the representations and warranties set forth in the Permitted Loan Purchase Assignment and Acceptance and (y) shall not be required to execute and deliver an Assignment and Acceptance pursuant to Section 9.04(b)(ii)(B)).

(j) Each Permitted Loan Purchase shall, for purposes of this Agreement (including, without limitation, Section 2.08(b)) be deemed to be an automatic and immediate cancellation and extinguishment of such Term Loans and/or Revolving Facility Loans (with a corresponding permanent

reduction in Revolving Facility Commitments) or termination of the Revolving Facility Commitments, if applicable, and the Borrowers shall, upon consummation of any Permitted Loan Purchase, notify the Administrative Agent that the Register be updated to record such event as if it were a prepayment of such Loans (and in the case of Revolving Facility Loans or Revolving Facility Commitment, a permanent reduction in Revolving Facility Commitments).

SECTION 9.05. Expenses; Indemnity.

(a) The Borrowers agree to pay, within 30 days of written demand therefor (including documentation reasonably supporting such request), (i) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent, the Collateral Agent and the Arrangers in connection with the preparation of this Agreement and the other Loan Documents, or by the Administrative Agent or the Collateral Agent in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof (limited, in the case of legal fees and expenses, to the reasonable fees, charges and disbursements of a single primary counsel for the Administrative Agent, the Collateral Agent and the Arrangers, and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction and/or a single firm of regulatory counsel, in each case, for all such persons, taken as a whole), and (ii) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Agents, the L/C Issuers or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made or the Letters of Credit issued hereunder (excluding allocated costs of in-house counsel and limited, (i) in the case of legal fees and expenses, to the reasonable fees, charges and disbursements of a single primary counsel for all such persons, taken as a whole, and, if necessary, the reasonable fees, charges and disbursements of one local counsel in each appropriate jurisdiction and/or regulatory counsel for all such persons, taken as a whole (and, in the event of any actual or perceived conflict of interest where such person affected by such conflict informs the Borrowers of such conflict and thereafter retains its own counsel with the Borrowers' prior written consent (not to be unreasonably withheld), of another single firm of counsel for each group of similarly situated persons) and (ii) in the case of fees or expenses of any other advisor or consultant, solely to the extent the Borrowers have consented to the retention of such person).

(b) The Borrowers agree to indemnify the Administrative Agent, the Agents, the Arrangers, each L/C Issuer, each Lender, each of their respective Affiliates, and each of their respective directors, partners, officers, employees, agents, trustees and advisors (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (limited in the case of legal fees to the reasonable documented out-of-pocket legal expenses incurred in connection with investigating or defending any of the items in clauses (i) through (v) below, and excluding the allocated costs of in house counsel and limited to not more than one counsel for all such Indemnitees, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction and/or a single firm of regulatory counsel, in each case, for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrowers of such conflict and thereafter retains its own counsel with the Borrowers' prior written consent (not to be unreasonably withheld or delayed), of another firm of counsel (and local counsel and/or regulatory counsel, in each case, as applicable) for each group of similarly situated Indemnitees)), and, in the case of fees or expenses with respect to any other advisor or consultant, limited solely to the extent the Borrowers have consented to the retention of such person, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of or otherwise relating to the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans

or the use of any Letter of Credit, (iii) any violation of or liability under Environmental Laws by any Borrower or any Subsidiary, (iv) any actual or alleged presence, Release or threatened Release of or exposure to Hazardous Materials at, under, on, from or to any property owned, leased or operated by any Borrower or any Subsidiary or (v) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by a Borrower or any of their subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (1) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties (for purposes of this proviso only, each of the Agents, any Arranger, any L/C Issuer and any Lender shall be treated as several and separate Indemnitees, but each of them together with its respective Related Parties (other than advisors), shall be treated as a single Indemnitee) or (2) any material breach of any Loan Document, the Engagement Letter or the Fee Letter by such Indemnitee or any of its Related Parties or (y) arose from any claim, actions, suits, inquiries, litigation, investigation or proceeding that does not involve an act or omission of any Borrower or any of its Affiliates and is brought by an Indemnitee against another Indemnitee (other than any claim, actions, suits, inquiries, litigation, investigation or proceeding against any Agent, Arranger or L/C Issuer in its capacity as such); provided further, that such indemnity shall not, as to any Indemnitee, be available with respect to any settlement entered into by such Indemnitee or any of its Related Parties without the Borrowers' written consent (such consent not to be unreasonably withheld, delayed or conditioned); provided further, that such indemnity shall not, as to any Indemnitee, be available with respect to any expenses of the type referred to in Section 9.05(a) except to the extent such expenses would otherwise be of the type referred to in this Section 9.05(b). None of the Indemnitees (or any of their respective Affiliates) shall be responsible or liable to any Borrower or any of their subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Arranger, any L/C Issuer or any Lender. All amounts due under this Section 9.05 shall be payable within fifteen (15) days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative of any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to Taxes, except Taxes that represent damages or losses resulting from a non-Tax claim.

(d) To the fullest extent permitted by applicable law, each of the parties hereto shall not assert, and hereby waives, any claim against any other party hereto or any of their respective Related Parties, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof; provided, that nothing contained in this sentence shall limit the Borrower's indemnification obligations to the extent set forth hereinabove to the extent such special, indirect, consequential or punitive damages are included in any third party claim in connection with which such Indemnitee is entitled to indemnification hereunder. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the Collateral Agent, any L/C Issuer, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

SECTION 9.06. Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender and each L/C Issuer and any Affiliate of the foregoing is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Lender or such L/C Issuer to or for the credit or the account of any Borrower or any Subsidiary against any of and all the obligations of the Borrowers now or hereafter existing under this Agreement or any other Loan Document held by such Lender or such L/C Issuer, irrespective of whether or not such Lender or such L/C Issuer shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and each L/C Issuer under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender or such L/C Issuer may have.

SECTION 9.07. Governing Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

SECTION 9.08. Waivers; Amendment.

(a) No failure or delay of the Administrative Agent, any L/C Issuer or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, each L/C Issuer and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) as provided in Section 2.21 or Section ~~2.22~~2.23, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Administrative Agent (and consented to by the Required Lenders), and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and consented to by the Required Lenders; provided, however, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan or any L/C Obligation, or extend the stated expiration of any Letter of Credit beyond the applicable Revolving Facility Maturity Date (except as provided in Section 2.05(a)(ii)(B) or Section 2.05(b)), without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification); provided, that (x) any amendment to the financial covenant definitions in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (i) and (y) any waiver or modification of conditions precedent, Defaults or Events of Default, in each case for the purpose of obtaining an extension of credit hereunder, or of any mandatory prepayment required hereunder or of any interest required to be paid under Section 2.13(c), shall not constitute a decrease or forgiveness of principal or interest or a decrease in the rate of interest or an extension of maturity for purposes of this clause (i),

(ii) increase or extend the Commitment of any Lender or decrease the Commitment Fees or L/C Participation Fees or other fees of any Lender without the prior written consent of such Lender (which, notwithstanding the foregoing, such consent of such Lender shall be the only consent required hereunder to make such modification); provided, that (x) any amendment to the financial covenant definitions in this Agreement shall not constitute a reduction in the Commitment Fees or any other fees for purposes of this clause (ii) and (y) waivers or modifications of conditions precedent, covenants, Defaults or Events of Default, mandatory prepayments or of a mandatory reduction in the aggregate Commitments shall not constitute an increase or extension of the Commitments of any Lender for purposes of this clause (ii),

(iii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date or extend any date on which payment of interest on any Loan or any L/C Obligation or any Fees is due, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification),

(iv) amend the provisions of Section 5.02 of the Collateral Agreement, or any analogous provision of any other Security Document or Section 7.03 of this Agreement, in a manner that would by its terms alter the pro rata sharing or the order of payments required thereby, without the prior written consent of each Lender adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification),

(v) amend or modify the provisions of this Section 9.08 or the definition of the terms “Required Lenders,” “Majority Lenders”, “Required Revolving Facility Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification) (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date),

(vi) release all or substantially all of the Collateral or release all or substantially all of the Subsidiary Loan Parties from their respective Guarantees under the Guarantee Agreement, unless, in the case of a Subsidiary Loan Party, all or substantially all of the Equity Interests in such Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement or the other Loan Documents, or in the case of any Loan Party such release is otherwise pursuant to the terms of this Agreement, the Collateral Agreement or the Guarantee Agreement, as applicable, without the prior written consent of each Lender;

(vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lenders participating in another Facility, without the consent of the Majority Lenders participating in the adversely affected Facility (it being understood that such consent of the Majority Lenders participating in the adversely affected Facility shall be the only consent required hereunder for such waiver, amendment or modification) (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

(viii) amend, waive or otherwise modify (i) the provisions of Section 4.01, solely as they relate to the Revolving Facility Loans and Letters of Credit and (ii) the provisions of Section 6.11 and any defined term as used therein (but not as used anywhere else in the Loan Documents) (or Article VII or any other provision incorporating such Section 6.11 with respect to the effects thereof) without the written consent of the Required Revolving Facility Lenders (which, notwithstanding the foregoing, such consent of the Required Revolving Facility Lenders shall be the only consent required hereunder to make such amendment, waiver or modification);

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or an L/C Issuer hereunder without the prior written consent of the Administrative Agent or such L/C Issuer acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any successor or assignee of such Lender. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have the right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be affected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.
