20 November 2020

Dear Participant

The William Hill PLC 2012 Savings Related Share Option Plan (“UK Sharesave”) and the recommended cash offer for William Hill PLC by Caesars Entertainment, Inc.

Matured UK Sharesave Options

As you know, William Hill PLC (“**William Hill**”) and Caesars Entertainment, Inc. (“**Caesars**”) announced on 30 September 2020 that they had reached agreement on the terms of a recommended cash offer for the entire issued and to be issued share capital of William Hill by Caesars UK Holdings Limited (“**Caesars UK Bidco**”), a wholly-owned subsidiary of Caesars (the “**Acquisition**”).

1. Why are we writing to you?

We are writing to explain how the Acquisition will affect your Matured UK Sharesave Options and the decisions you need to make.

Please read everything in this letter and its appendix carefully. **Their contents are very important.**

If you participate in other William Hill share plans or hold other options under the UK Sharesave you will receive separate letters about the effect of the Acquisition on your other options or awards. Please also read those letters carefully.

Please be aware that you will need to take action to realise value from your Matured UK Sharesave Options as this will NOT happen automatically. You can do so by completing the online instruction which you can find online on Computershare’s EquatePlus portal via your Taskbar (the “Instruction”) before your Matured UK Sharesave Options lapse and your savings are returned to you.

Please note that if your Matured UK Sharesave Options have not been exercised by (at latest) 20 days after the Effective Date (explained further below), they will cease to be exercisable. It is, therefore, recommended that you take action in respect of your Matured UK Sharesave Options before they lapse. Further details about your choices are explained in section 6 of this letter.

2. The Acquisition

The Acquisition will result in William Hill and its subsidiaries becoming wholly owned by Caesars.

The Acquisition will take place through what is called a “scheme of arrangement” (the “**Scheme**”). This is a procedure that is subject to approval by William Hill Shareholders and the Court. In particular, as part of the Acquisition, the Court will sanction the Scheme on a date referred to throughout this letter as “**Court Sanction**”. This date is not the date on which the Acquisition will be completed. The Acquisition is currently due to complete a few days after Court Sanction on the “**Effective Date**”.

Further information on the Scheme is set out in the Scheme Document dated 26 October 2020 which was sent to William Hill Shareholders. This letter should be read together with the Scheme Document. Copies of the Scheme Document and this letter are available on the William Hill website at <https://www.williamhillplc.com/investors-centre/offer-for-the-company/> and on the Caesars website at <https://investor.caesars.com/>.

A brief explanation of some of the terms used in this letter is given in the appendix to this letter. Terms defined in the Scheme Document will have the same meaning in this letter unless otherwise defined.

3. What are the terms of the Acquisition?

The terms of the Acquisition are set out in full in the Scheme Document. However, in summary, William Hill Shareholders will be entitled to receive **£2.72 in cash** for each William Hill Share they own at the Scheme Record Time.

4. When is the Acquisition likely to take place?

The Acquisition is currently expected to take effect in the second quarter of 2021, subject to receipt of the relevant anti-trust and regulatory approvals. Shareholder approval of the Acquisition was obtained on 19 November 2020. The date of Court Sanction will be announced by a Regulatory Information Service (with such announcement being made available on William Hill's website at <https://www.williamhillplc.com/>) and you will be updated when the timing is confirmed. An expected timetable of key events relating to the Acquisition is available in the Scheme Document.

5. How will the Acquisition affect your Matured UK Sharesave Options?

Please be aware that you will need to take certain actions to realise value from your Matured UK Sharesave Options as this will NOT happen automatically. If you do not take any action, your Matured UK Sharesave Options will lapse and your savings will be returned to you.

Your Matured UK Sharesave Options are currently exercisable or will become exercisable in December 2020, as explained below. The Acquisition will shorten the period during which your Matured UK Sharesave Options will remain exercisable to the earlier of 20 days after the Effective Date or their normal lapse date.

There are two groups of Matured UK Sharesave Options: options granted in 2015 on a five-year savings contract, and options granted in 2017 on a three-year savings contract. Please note the following details:

- If you hold Matured UK Sharesave Options which were granted in 2015 on a five-year savings contract, those options became exercisable in August 2020 (unless maturity of your savings contract was delayed because you took a payment holiday) and you can exercise them until the earlier of 20 days after the Effective Date and their normal lapse date. However, the exercise price of £3.03 per Share for those options exceeds the £2.72 per Share which is payable by Caesars UK Bidco under the Scheme. As the exercise price is more than the cash payment you would receive on exercising those 2015 options, you would receive less money than you would otherwise pay to exercise those options.
- If you hold Matured UK Sharesave Options which were granted in 2017 on a three-year savings contract, those options will become exercisable in December 2020, shortly after you receive this letter (unless maturity of your savings contract has been delayed because you have taken a payment holiday). You can exercise those options from the date of maturity until the earlier of 20 days after the Effective Date and their normal lapse date.

You will need to take action in order to exercise your Matured UK Sharesave Options as this will not happen automatically. Matured UK Sharesave Options will cease to be exercisable (at latest) 20 days after the Effective Date if they are not exercised, and your savings will be returned to you. An explanation of the steps you will need to take to exercise your Matured UK Sharesave Options is set out in section 6 below.

The exercise price for your Matured UK Sharesave Options is £3.03 per Share for Matured UK Sharesave Options granted in 2015 and £1.96 per Share for Matured UK Sharesave Options granted in 2017. If you exercise your Matured UK Sharesave Options on or after the Effective Date, the William Hill Shares you receive for the proportion of your Matured UK Sharesave Options that you exercise will be automatically acquired by Caesars UK Bidco. In consideration, you will receive £2.72 in cash for each William Hill Share (less applicable fees).

6. What do you need to do to realise value from your Matured UK Sharesave Options?

The Acquisition will shorten the period during which your Matured UK Sharesave Options remain exercisable to the earlier of 20 days after the Effective Date and their normal lapse date. You may exercise these in the ordinary way by logging on to the EquatePlus online portal. If you do not exercise your Matured UK Sharesave Options within this period, they will cease to be exercisable and your savings will be returned to you.

Please note that if you hold Matured UK Sharesave Options which were granted in 2015, the exercise price of £3.03 per Share for those options exceeds the £2.72 per Share which is payable by Caesars UK Bidco under the Scheme. As the exercise price is more than the cash payment you would receive on exercising those 2015 options, you would receive less money than you would pay to exercise those options if you chose to exercise.

Please note that if you are a Person Discharging Managerial Responsibilities (“**PDMR**”) or an insider under the William Hill PLC Share Dealing Code (the “**Dealing Code**”), or you have otherwise been told that the Dealing Code applies to you, you must obtain permission to exercise your Matured UK Sharesave Options under that Code before you submit an Instruction and your Instruction must normally be submitted within two business days of permission being granted. You can seek permission to deal by following the process set out in Part A of the Dealing Code. However, unless exceptional circumstances exist it is unlikely you will be granted permission to deal whilst you are an insider or, if you are a PDMR or closely associated person of a PDMR, during a closed period.

7. Can you opt out of the Scheme and retain your existing Matured UK Sharesave Options?

No. If Court Sanction and the Effective Date occur, and you exercise your Matured UK Sharesave Options, the William Hill Shares that you acquire will be automatically acquired by Caesars UK Bidco.

If you choose not to exercise your Matured UK Sharesave Options, they will cease to be exercisable on the earlier of 20 days after the Effective Date and their normal lapse date. If your Matured UK Sharesave Options cease to be exercisable, you will receive no value for your Matured UK Sharesave Options and your accumulated savings will be returned to you.

8. What if you leave employment with the William Hill Group?

If you leave employment with the William Hill Group before the Effective Date (or if you have already left as a “good leaver”), the leaver arrangements under the UK Sharesave will apply in the normal way. This means that (unless your Matured UK Sharesave Options lapse earlier in accordance with their terms):

- (A) If you do **not** qualify as a “good leaver” under the rules of the UK Sharesave, your unexercised Matured UK Sharesave Options will lapse on the date that your employment ceases and you will receive your accumulated savings back; or
- (B) If you **do** qualify as a “good leaver” under the rules of the UK Sharesave (for example, if you leave because of injury, disability, retirement or redundancy), your Matured UK Sharesave Options will be exercisable until the earlier of six months from the date on which you leave employment and 20 days after the Effective Date, to the extent of the savings which you have accumulated on the date of exercise. Special rules apply in the event of death.

If you leave employment with the William Hill Group after the Effective Date, your Matured UK Sharesave Options will remain exercisable for the 20 days after the Effective Date (unless your Matured UK Sharesave Options lapse earlier in accordance with their terms). If you have not yet exercised your Matured UK Sharesave Options:

- (A) If you do **not** qualify as a “good leaver” under the rules of the UK Sharesave, your unexercised Matured UK Sharesave Options will lapse on the date that your employment ceases and you will receive your accumulated savings back; or

- (B) If you **do** qualify as a “good leaver” under the rules of the UK Sharesave (for example, if you leave because of injury, disability, retirement or redundancy), your Matured UK Sharesave Options will be exercisable until 20 days after the Effective Date (that is, leaving employment does not extend this period). Special rules apply in the event of death.

9. What are the UK tax implications?

No income tax will arise and no National Insurance Contributions will be due in respect of the exercise of any Matured UK Sharesave Options.

Receipt of cash proceeds for your William Hill Shares from Caesars UK Bidco will be treated for Capital Gains Tax (“**CGT**”) purposes as a disposal of all the William Hill Shares you acquire on exercise of your Matured UK Sharesave Options. The capital gain is the amount by which the value of a William Hill Share at the time you exercise your UK Sharesave Option exceeds the exercise price paid. CGT is chargeable on your aggregate capital gains (less allowable losses) in a tax year to the extent they exceed your CGT annual exemption in the relevant tax year. For the tax year ending 5 April 2021, the annual exemption is £12,300 but it may change for the tax year beginning 6 April 2021. The transfer of William Hill Shares to your spouse / civil partner is generally tax free and your spouse / civil partner may be able to use their CGT annual exemption to reduce any CGT payable on the disposal of William Hill Shares. Any CGT on the sale of William Hill Shares is payable by you to HMRC under self-assessment. If your aggregate capital gains are likely to exceed your CGT annual exemption, you are strongly recommended to seek your own independent tax advice.

The above assumes you are resident and domiciled in the UK at all relevant times.

The tax position in Gibraltar is under review and further information will be provided in due course.

Please remember that tax law can and often does change, and you should not necessarily assume the current tax position will continue.

Please note that neither Computershare, Caesars, Caesars UK Bidco nor William Hill can provide you with legal, personal tax or financial advice. If you are in any doubt as to the action you should take, you are recommended to seek advice from an independent financial adviser authorised under the Financial Services and Markets Act 2000 (as amended).

10. How will you receive the proceeds from the sale of your William Hill Shares to Caesars UK Bidco?

Any proceeds due to you from the sale of your William Hill Shares to Caesars UK Bidco will be paid to you by Computershare (less applicable fees) via the bank details held within your EquatePlus account. We would recommend that you review the details held within your account to ensure that they are up to date, or to add them should they be missing. The payment of cash consideration will be made as soon as reasonably practicable after Computershare receives the proceeds – meaning the payment is likely

to be approximately three weeks after the Effective Date (or approximately three weeks after you exercise your Matured UK Sharesave Options, if you exercise after the Effective Date). If no bank details are provided, the cash consideration will be held on your EquatePlus account until you enter a valid bank account.

In accordance with the terms and conditions for Computershare's Share Plan Account, available via the Library tab on EquatePlus, there may be a deduction from your payment to cover any banking charges. Intermediary banks may also make a charge for the processing of this payment.

11. What if you have questions?

If you have any questions that relate to your Matured UK Sharesave Options, please contact the Computershare helpline on +44 (0370) 703 6251. Please note that no legal, tax or financial advice on the merits of the Acquisition or its effect on your Matured UK Sharesave Options can be provided.

If you are in any doubt as to the effect the Acquisition will have on your personal tax position (including how you should fill out your tax return, if you have to complete one), you are strongly recommended to seek your own independent financial and/or tax advice.

12. Important notes

Subject to the paragraph below, the William Hill Directors recommend that you exercise your Matured UK Sharesave Options (save for those granted in 2015) before they lapse (in accordance with section 6 of this letter). You should consider your own personal circumstances, including your tax position, when deciding your preferred timing for exercising your Matured UK Sharesave Options.

The recommendation above does not extend to Matured UK Sharesave Options with an exercise price of more than £2.72 (i.e. those granted in 2015), as these Matured UK Sharesave Options have an exercise price that is higher than the amount which you would receive for a William Hill Share in connection with the Acquisition.

The William Hill Directors, who have been so advised by Barclays, Citigroup, and PJT Partners as to the financial terms of the Proposals, consider the terms of the Proposals described above to be fair and reasonable in the context of the Acquisition. In providing their advice to the William Hill Directors, Barclays, Citigroup, and PJT Partners have taken into account the commercial assessments of the William Hill Directors. Barclays is providing independent financial advice to the William Hill Directors for the purposes of Rule 15(b) of the City Code on Takeovers and Mergers.

Nothing in this letter constitutes financial advice to any holder of shares, share awards or share options in William Hill, Caesars or Caesars UK Bidco.

If you have received this letter electronically via the EquatePlus platform, you may request a hard copy of this letter, free of charge, by contacting the Computershare helpline on +44 (0370) 703 6251 or by emailing MyPortfolio@computershare.co.uk and stating your name, and the address to which the hard copy should be sent. You may also request that

all future letters, documents, announcements and information to be sent to you in relation to the Acquisition should be in hard copy form.

If there is a conflict between the information in this letter and appendix and the rules of the UK Sharesave or any relevant legislation, the rules and the legislation will prevail.

Yours faithfully
