HARRAH'S ENTERTAINMENT, INC.
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS
JUNE 30, 2008
(UNAUDITED)

Note 1—Basis of Presentation and Organization

Harrah's Entertainment, Inc. ("Harrah's Entertainment," the "Company," "we," "our" or "us," and including our subsidiaries where the context requires) is a Delaware corporation. As of June 30, 2008, we own or manage 51 casinos, primarily under the Harrah's, Caesars and Horseshoe brand names in the United States. Our casino entertainment facilities include 32 land-based casinos, 12 dockside casinos, three managed casinos on Indian lands, one combination thoroughbred racetrack and casino, one combination greyhound racetrack and casino, one combination harness racetrack and casino and one managed casino in Canada. Our 32 land-based casinos include one in Uruguay, ten in the United Kingdom, two in Egypt and one in South Africa. We view each property as an operating segment and aggregate all operating segments into one reporting segment.

On January 28, 2008, Harrah's Entertainment was acquired by affiliates of Apollo Global Management, LLC ("Apollo") and TPG Capital, LP ("TPG") in an all cash transaction, hereinafter referred to as the "Merger." Although Harrah's Entertainment continued as the same legal entity after the Merger, the accompanying Consolidated Condensed Statement of Operations, the Consolidated Condensed Statement of Cash Flows and the Consolidated Condensed Statement of Comprehensive Income for the six months ended June 30, 2008, are presented as the Predecessor period for the period preceding the Merger and as the Successor period for the period succeeding the Merger. As a result of the application of purchase accounting as of the Merger date, the consolidated condensed financial statements for the Successor period and the Predecessor period are presented on different bases and are, therefore, not comparable.

Certain of our properties were sold in 2006, and prior to their sales, assets and liabilities of these properties were classified in our Consolidated Condensed Balance Sheets as Assets/Liabilities held for sale, and their operating results through the date of their sales were presented as discontinued operations. See Note 12 for further information regarding discontinued operations.

Note 2—The Merger

The Merger was completed on January 28, 2008, and was financed by a combination of borrowings under the Company's new term loan facility due 2015, the issuance of Senior Notes due 2016 and Senior Toggle Notes due 2018, certain real estate term loans and equity investments of Apollo/TPG, co-investors and members of management. See Note 6 for a discussion of our debt.

The purchase price was approximately \$30.7 billion, including the assumption of \$12.4 billion of debt and approximately \$1.0 billion of transaction costs. All of the outstanding shares of Harrah's Entertainment stock were redeemed, with stockholders receiving \$90.00 in cash for each outstanding share of common stock.

As a result of the Merger, the issued and outstanding shares of non-voting common stock and non-voting preferred stock of Harrah's Entertainment are owned by entities affiliated with Apollo/TPG, certain co-investors and members of management, and the issued and outstanding shares of voting common stock of Harrah's Entertainment are owned by Hamlet Holdings LLC, which is owned by certain individuals affiliated with Apollo/TPG. The value assigned to the equity interests issued was determined by the price paid for those interests. As a result of the Merger, our stock is no longer publicly traded.

The purchase price allocation is in process and will be completed within one year of the Merger; thus, for purposes of these financial statements, the preliminary allocation of the purchase price for property and equipment, intangible assets and deferred income taxes is based on preliminary valuation data. The purchase price was allocated to the underlying assets acquired and liabilities assumed based upon their estimated fair values at the date of acquisition. We determined the estimated fair values after review and consideration of relevant information including discounted cash flow analyses, quoted market prices and our own estimates. To the extent that the purchase price exceeded the fair value of the net identifiable tangible and intangible assets, such excess was allocated to goodwill. Goodwill and intangible assets that are determined to have an indefinite life are not amortized.

We account for our goodwill and other intangible assets in accordance with Statement of Financial Accounting Standards ("SFAS") No. 142, which requires assessments for impairment of intangible assets that are not subject to amortization at least annually, or more frequently if events or changes in circumstances indicate that the asset might be impaired. Impairment may result from, among other things, deterioration in the performance of the business, adverse market conditions and adverse changes in applicable laws or regulations.

As discussed above, the purchase price allocation being performed in connection with the Merger has not yet been completed and remains subject to change. As a result, we are not yet able to assess whether any impairments of our assets have occurred in the post-Merger period. We will perform an impairment analysis upon the finalization of the purchase price allocation. If we determine that an impairment has occurred after consideration of the recent decline in the results of operation of the Company, we will record a write-down of the carrying value of the affected asset as an operating expense in the period the determination is made.

The following unaudited pro forma consolidated financial information assumes that the Merger was completed at the beginning of 2008 and 2007.

(In millions)	Second Quarter Ended June 30,		Six Months Ended June 30,	
	2008	2007	2008	2007
Net revenues	<u>\$2,602.1</u>	<u>\$2,701.8</u>	<u>\$5,202.7</u>	<u>\$5,357.4</u>
(Loss)/income from continuing operations	<u>\$ (69.0)</u>	<u>\$ 11.3</u>	<u>\$ (463.1)</u>	<u>\$ (72.0)</u>
Net (loss)/income	<u>\$ (68.7)</u>	<u>\$ 53.3</u>	<u>\$ (375.4)</u>	<u>\$ (11.9)</u>

For the quarter ended June 30, 2008, pro forma results include \$5.1 million of costs related the Merger. Pro forma results for the six months ended June 30, 2008, include non-recurring charges of \$82.8 million related to the accelerated vesting of stock options, stock appreciation rights (“SARs”) and restricted stock and \$64.9 million of other costs related to the Merger. Results for the quarter and six months ended June 30, 2007, included \$3.5 million and \$7.6 million, respectively, for costs related to the Merger.

The unaudited pro forma results are presented for comparative purposes only. The pro forma results are not necessarily indicative of what our actual results would have been had the Merger been completed at the beginning of the periods, or of future results.

Note 3—Stock-Based Employee Compensation

Prior to the completion of the Merger, the Company granted stock options, SARs and restricted stock for a fixed number of shares to employees and directors under share-based compensation plans. The exercise prices of the stock options were equal to the fair market value of the underlying shares at the date of grant. Compensation expense for restricted stock awards was measured at fair value on the date of grant based on the number of shares granted and the quoted market price of the Company’s common stock. Such value was recognized as expense over the vesting period of the award adjusted for actual forfeitures.

In connection with the Merger, on January 28, 2008, outstanding and unexercised stock options and SARs, whether vested or unvested, were cancelled and converted into the right to receive a cash payment equal to the product of (a) the number of shares of common stock underlying the options and (b) the excess, if any, of the merger consideration over the exercise price per share of common stock previously subject to such options, less any required withholding taxes. In addition, outstanding restricted shares vested and became free of restrictions, and each holder received \$90 in cash for each outstanding share.

The following is a summary of activity under the equity incentive plans that were in effect upon adoption of SFAS 123 (Revised 2004) through the effective date of the Merger, when all of the stock options and SARs were cancelled and restricted shares were vested:

Prior to the Merger, our employees were also granted restricted stock or options to purchase shares of common stock under the Harrah's Entertainment, Inc. 2001 Broad-based Stock Incentive Plan (the "2001 Plan"). Two hundred thousand shares were authorized for issuance under the 2001 Plan, which was an equity compensation plan not approved by stockholders.

There were no share-based grants during the period January 1, 2008 through January 27, 2008 (predecessor entity).

The total intrinsic value of stock options and SARs cancelled and restricted shares vested due to the Merger was approximately \$456.9 million, \$225.3 million and \$46.9 million, respectively, for the period January 1, 2008 through January 27, 2008 (predecessor entity).

The total fair value of stock options and SARs cancelled and restricted shares vested during the period from January 1, 2008, through January 27, 2008, (predecessor entity) was approximately \$42.9 million, \$48.6 million and \$51.2 million, respectively.

Share-based Compensation Plans—Successor Entity

In February 2008, the Board of Directors approved and adopted the Harrah's Entertainment, Inc. Management Equity Incentive Plan (the "Equity Plan"). The Board of Directors approved the grant of options to purchase 3,218,020 shares of our non-voting common stock in February 2008. The Equity Plan authorizes equity award options to be granted to management and other personnel and key service providers. Grants may be either shares of time-based options or shares of performance-based options, or a combination. Time-based options generally vest in equal increments of 20% on each of the first five anniversaries of the grant date and have a strike price equivalent to fair market value on the date of grant. The performance-based options vest based on the investment returns of our stockholders. One-half of the performance-based options become eligible to vest upon the stockholders receiving cash proceeds equal to two times their amount vested, and one-half of the performance-based options become eligible to vest upon the stockholders receiving cash proceeds equal to three times their amount vested subject to certain conditions and limitations. In addition, the performance-based options may vest earlier at lower thresholds upon liquidity events prior to December 31, 2009 and 2011, as well as pro-rata, in certain circumstances.

The following is a summary of share-based option activity for the period January 28, 2008 to June 30, 2008:

(2) On January 27, 2008, an executive and the Company entered into a stock option rollover agreement that provides for the conversion of options to purchase shares of the Company prior to the Merger into options to purchase shares of the Company following the Merger with such conversion preserving the intrinsic "spread value" of the converted option. The rollover option is immediately exercisable with respect to 133,133 shares of non-voting common stock of the Company at an exercise price of \$25.00 per share. The rollover options expire on June 17, 2012.

There are no provisions in the Equity Plan for the issuance of SARs or restricted shares.

The weighted-average grant date fair value of options granted during the quarter ended June 30, 2008 was \$37.20. There were no stock option exercises during the period January, 28, 2008 through June 30, 2008.

The Company utilized historical optionee behavioral data to estimate the option exercise and termination rates used in the option-pricing models. The expected term of the options represents the period of time the options were expected to be outstanding based on historical trends. Expected volatility was based on the historical volatility of the common stock of Harrah's Entertainment and its competitor peer group for a period approximating the expected life. The Company does not expect to pay dividends on common stock. The risk-free interest rate within the expected term was based on the U.S. Treasury yield curve in effect at the time of grant.

The assumptions and fair value of options granted during the quarter ended June 30, 2008 and the period January 28, 2008 to June 30, 2008 are as follows:

	Successor Entity Quarter Ended June 30, 2008	Successor Entity January 28 to June 30, 2008
Expected volatility	34.8%	34.9%

Risk-free interest rate	3.2%	3.3%
Weighted average fair value per share of options granted	\$ 37.20	\$ 36.50

As of June 30, 2008, there was approximately \$79.7 million of total unrecognized compensation cost related to stock option grants. This cost is expected to be recognized over a remaining weighted-average period of 2.3 years. The compensation cost that has been charged against income for stock option grants was approximately \$5.2 million and \$6.9 million for the quarter ended June 30, 2008 and for the period January 28, 2008 through June 30, 2008, respectively. \$3.8 million was included in Corporate expense and \$1.4 million was included in Property general, administrative and other in the Consolidated Condensed Statements of Operations for the quarter ended June 30, 2008 and \$5.1 million was included in Corporate expense and \$1.8 million was included in Property general, administrative and other in the Consolidated condensed Statements of Operations for the period January 28, 2008 through June 30, 2008.

Note 5—Preferred and Common Stock*Preferred Stock*

As of June 30, 2008, the authorized Preferred Stock shares are 40,000,000, par value \$0.01 per share, stated value \$100.00 per share.

On January 28, 2008, the Board adopted a resolution authorizing the creation and issuance of a series of Preferred Stock to be known as the Non-Voting Perpetual Preferred Stock. The number of shares constituting such series shall be 20,000,000.

On a quarterly basis, each share of non-voting preferred stock accrues dividends at a rate of 15.0% per annum, compounded quarterly. Dividends will be paid in cash, when, if and as declared by the board of directors, subject to approval by relevant regulators. We currently do not expect to pay cash dividends. Dividends on Non-Voting Perpetual Preferred Stock are cumulative. As of June 30, 2008 such dividends in arrears are \$130.6 million. Shares of the non-voting preferred stock rank prior in right of payment to the non-voting and voting common stock and are entitled to a liquidation preference.

Upon the occurrence of any liquidating event, each holder of non-voting preferred stock shall have the right to require the Company to repurchase each outstanding share of non-voting preferred stock before any payment or distribution shall be made to the holders of non-voting common stock, voting common stock or any other junior stock. After the payment to the holders of non-voting preferred stock of the full preferential amounts, the holders of non-voting preferred stock shall have no right or claim to any of the remaining assets of the Company. Non-voting preferred stock may be converted into non-voting common stock on a pro rata basis with the consent of the holders of a majority of the non-voting preferred stock. Neither the non-voting preferred stock nor the non-voting common stock will have any voting rights.

Common Stock

As of June 30, 2008, the authorized Common Stock of the Company totaled 80,000,020 shares, consisting of 20 shares of Voting Common Stock, par value \$0.01 per share and 80,000,000 shares of Non-Voting Common Stock, par value \$0.01 per share. The voting common stock represents less than 1% of the capital stock of Harrah's Entertainment, with the non-voting common stock and non-voting preferred stock together representing the remainder.

The Voting Common Stock has no economic rights or privileges, including rights in liquidation. The holders of Voting Common Stock shall be entitled to one vote per share on all matters to be voted on by the stockholders of the Company.

Subject to the rights of holders of Preferred Stock, when, as and if dividends are declared on the Common Stock, the holders of Non-Voting Common Stock shall be entitled to share in dividends equally, share for share.

In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company, holders of Non-Voting Common Stock will receive a pro rata distribution of any remaining assets after payment of or provision for liabilities and the liquidation preference on preferred stock (including the Non-Voting Preferred Stock), if any.

In connection with the Merger, \$7.7 billion, face amount, of our debt was retired, \$4.6 billion, face amount, of our debt was retained and \$20.5 billion, face amount, of new debt was issued, resulting in a very different debt structure for the successor entity. The discussion that follows is intended to update the information provided in our 2007 Annual Report on Form 10-K.

Charges of \$211.3 million were recorded in the first quarter of 2008 for premiums paid and write-offs of unamortized deferred financing costs and market value premiums associated with the early retirement of debt in connection with the Merger.

At June 30, 2008, \$5.7 million, face amount, of our 8.875% Senior Subordinated Notes due September 15, 2008 and \$5.1 million, face amount, of our 7.5% Senior Notes due January 15, 2009, are classified as long-term in our Consolidated Condensed Balance Sheet because the Company has both the intent and the ability to refinance these notes. The majority of our debt is due after 2010. Payments of short-term debt obligations and other commitments are expected to be made from operating cash flows and from borrowings under our established debt programs. Long-term obligations are expected to be paid through operating cash flows, refinancing of debt, joint venture partners or, if necessary, additional debt offerings.

In July 2008, HOC made the permitted election under the Indenture governing its 10.75%/11.5% Senior Toggle Notes due 2018 and the Senior Unsecured Interim Loan Agreement dated January 28, 2008, to pay all interest due on January 28, and February 1, 2009, for the loan in kind. The Company intends to use the cash savings generated by this election for general corporate purposes.

Credit Agreement

As of June 30, 2008, our senior secured credit facilities (the “Credit Facilities”) provide for senior secured financing of up to \$9.25 billion, consisting of (i) senior secured term loan facilities in an aggregate principal amount of up to \$7.25 billion maturing on January 28, 2015 and (ii) a senior secured revolving credit facility in an aggregate principal amount of \$2.0 billion, maturing January 28, 2014, including both a letter of credit sub-facility and a swingline loan sub-facility. Interest on the Credit Agreement is based on our debt ratings and leverage ratio and is subject to change. In addition, we may request one or more incremental term loan facilities and/or increase commitments under our revolving facility in an aggregate amount of up to \$1.75 billion, subject to certain conditions and receipt of commitments by existing or additional financial institutions or institutional lenders. As of June 30, 2008, \$7.23 billion in borrowings was outstanding under the Credit Facilities with an additional \$0.2 billion committed to back letters of credit. After consideration of these borrowings and letters of credit, \$1.8 billion of additional borrowing capacity was available to the Company under the Credit Facilities as of June 30, 2008.

Borrowings under the Credit Facilities bear interest at a rate equal to the then-current LIBOR rate or at a rate equal to the alternate base rate, in each case plus an applicable margin. In addition, on a quarterly basis, we are required to pay each lender (i) a commitment fee in respect of any unused commitments under the revolving credit facility and the delayed draw portion of the term facility and (ii) a letter of credit fee in respect of the aggregate face amount of outstanding letters of credit under the revolving credit facility. As of June 30, 2008, the Credit Facilities bore interest based upon 300 basis points over LIBOR and bore a commitment fee for unborrowed amounts of 50 basis points.

The Credit Facilities require scheduled quarterly payments on the term loans in amounts equal to 0.25% of the original principal amount of the term loans for six years and three quarters, with the balance paid at maturity.

CMBS Financing

In connection with the Merger, eight of our properties (“the CMBS properties”) and their related assets were spun out of HOC to Harrah’s Entertainment. As of the Merger date, the CMBS properties were Harrah’s Las Vegas, Rio, Flamingo Las Vegas, Harrah’s Atlantic City, Showboat Atlantic City, Harrah’s Lake Tahoe, Harveys Lake Tahoe and Bill’s Lake Tahoe. The CMBS properties borrowed \$6.5 billion secured by the assets of the CMBS properties. On May 22, 2008, Paris Las Vegas and Harrah’s Laughlin and their related operating assets were spun out of HOC to Harrah’s Entertainment and became property secured under the CMBS loans, and Harrah’s Lake Tahoe, Harveys Lake Tahoe, Bill’s Lake Tahoe and Showboat Atlantic City were transferred to HOC from Harrah’s Entertainment as contemplated under the debt agreements effective pursuant to the Merger.

Derivative Instruments

We account for derivative instruments in accordance with SFAS No. 133, “Accounting for Derivative Instruments and Hedging Activities,” and all amendments thereto. SFAS No. 133 requires that all derivative instruments be recognized in the financial statements at fair value. Any changes in fair value are recorded in the statements of operations or in other comprehensive income/(loss), depending on whether the derivative is designated and qualifies for hedge accounting, the type of hedge transaction and the effectiveness of the hedge. The estimated fair values of our derivative instruments are based on market prices obtained from dealer quotes. Such quotes represent the estimated amounts we would receive or pay to terminate the contracts.

Our derivative instruments contain a credit risk that the counterparties may be unable to meet the terms of the agreements. We minimize that risk by evaluating the creditworthiness of our counterparties, which are limited to major banks and financial institutions, and we do not anticipate nonperformance by the counterparties.

We use interest rate swaps to manage the mix of our debt between fixed and variable rate instruments. As of June 30, 2008, we have ten interest rate swap agreements for notional amounts totaling \$6.5 billion. The difference to be paid or received under the terms of the interest rate swap agreement is accrued as interest rates change and recognized as an adjustment to interest expense for the related debt. Changes in the variable interest rates to be paid or received pursuant to the terms of the interest rate swap agreement will have a corresponding effect on future cash flows. The major terms of the interest rate swap agreements are as follows.

<u>Effective Date</u>	<u>Notional Amount</u> <u>(In millions)</u>	<u>Fixed Rate</u> <u>Paid</u>	<u>Variable Rate</u> <u>Received as of</u> <u>June 30, 2008</u>	<u>Next Reset Date</u>	<u>Maturity Date</u>

Until February 15, 2008, none of our interest rate swap agreements were designated as hedging instruments; therefore, gains or losses resulting from changes in the fair value of the swaps were recognized in earnings in the period of the change. On February 15, 2008, eight of our interest rate swap agreements for notional amounts totaling \$3.5 billion were designated as hedging instruments, and on April 1, 2008, the remaining swap agreements were designated as hedging instruments. Upon designation as hedging instruments, only any measured ineffectiveness is recognized in earnings in the period of change. In the quarter and six months ended June 30, 2008, a credit of \$40.9 million and a net charge of \$68.5 million, respectively, representing the changes in the fair values of our swap agreements are included in Interest expense in our 2008 Consolidated Condensed Statement of Operations compared with \$14.3 million for both the quarter and six months ended June 30, 2007.

Additionally, on January 28, 2008, we entered into an interest rate cap agreement to partially hedge the risk of future increases in the variable rate of the CMBS debt. The interest rate cap agreement, which was effective January 28, 2008, and

terminates February 13, 2013, is for a notional amount of \$6.5 billion at a LIBOR cap rate of 4.5%. The interest rate cap was designated as a hedging instrument on May 1, 2008. In the quarter and six months ended June 30, 2008, a credit of \$20.1 million and a net charge of \$12.3 million, respectively, are included in Interest expense in our Consolidated Condensed Statement of Operations.

Note 7—Fair Value Measurements

We adopted the required provisions of SFAS No. 157, “Fair Value Measurements,” on January 1, 2008. SFAS No. 157 outlines a valuation framework and creates a fair value hierarchy in order to increase the consistency and comparability of fair value measurements and the related disclosures.

FASB Staff Position 157-2, “Effective Date of FASB Statement No. 157,” defers the effective date of Statement 157 to fiscal years beginning after November 15, 2008, and interim periods within those fiscal years for nonfinancial assets and nonfinancial liabilities, except for items that are recognized or disclosed at fair value in an entity’s financial statements on a recurring basis (at least annually). At this time, we have chosen not to apply Statement 157 early for nonrecurring measurements made for nonfinancial assets and nonfinancial liabilities. There were no nonfinancial assets or nonfinancial liabilities recognized or disclosed at fair value during the first six months of 2008.

Under SFAS 159, “The Fair Value Option for Financial Assets and Financial Liabilities,” entities are permitted to choose to measure many financial instruments and certain other items at fair value. We did not elect the fair value measurement option under SFAS No. 159 for any of our financial assets or financial liabilities.

In accordance with the fair value hierarchy described in SFAS No. 157, the following table shows the fair value of our financial assets and financial liabilities that are required to be measured at fair value as of June 30, 2008.

(In millions)	<u>Balance at June 30, 2008</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Assets				
Derivative instruments	\$ 173.5	\$ —	\$ 173.5	\$ —

Liabilities				
Derivative instruments	71.8	—	71.8	—
Deferred compensation plan liabilities	123.4	—	123.4	—

The following section describes the valuation methodologies used to measure fair value, key inputs, and significant assumptions:

Derivative instruments – The estimated fair values of our derivative instruments are based on market prices obtained from dealer quotes. Such quotes represent the estimated amounts we would receive or pay to terminate the contracts. Derivative instruments are included in the Deferred costs and other and Deferred credits and other lines of our Consolidated Condensed Balance Sheets. See Note 6 for more information on our derivative instruments.

Deferred compensation plan assets and liabilities – The estimated fair values of our deferred compensation plan assets and liabilities are based on the market values of the underlying account funds. Deferred compensation plan assets are included in Deferred costs and other and Deferred credits and other lines of our Consolidated Condensed Balance Sheets.

Note 9—Commitments and Contingent Liabilities

Contractual Commitments

We continue to pursue additional casino development opportunities that may require, individually and in the aggregate, significant commitments of capital, up-front payments to third parties and development completion guarantees.

The agreements pursuant to which we manage casinos on Indian lands contain provisions required by law that provide that a minimum monthly payment be made to the tribe. That obligation has priority over scheduled repayments of borrowings for development costs and over the management fee earned and paid to the manager. In the event that insufficient cash flow is generated by the operations to fund this payment, we must pay the shortfall to the tribe. Subject to certain limitations as to time, such advances, if any, would be repaid to us in future periods in which operations generate cash flow in excess of the required minimum payment. These commitments will terminate upon the occurrence of certain defined events, including termination of the management contract. Our aggregate monthly commitment for the minimum guaranteed payments, pursuant to these contracts for the three managed Indian-owned facilities now open, which extend for periods of up to 65 months from June 30, 2008, is \$1.2 million. Each of these casinos currently generates sufficient cash flows to cover all of its obligations, including its debt service.

In February 2008, we entered into an agreement with the State of Louisiana whereby we extended our guarantee of an annual payment obligation of JCC, our wholly-owned subsidiary, of \$60 million owed to the State of Louisiana. The guarantee was extended for one year to end March 31, 2011.

In addition to the guarantees discussed above, as of June 30, 2008, we had commitments and contingencies of \$1,567.3 million, including construction-related commitments.

Severance Agreements

As of June 30, 2008, we have severance agreements with 22 of our executives, which provide for payments to the executives in the event of their termination after a change in control, as defined. These agreements provide, among other things, for a compensation payment of 1.5 to 3.0 times the executive's average annual compensation, as defined. The estimated amount, computed as of June 30, 2008, that would be payable under the agreements to these executives aggregated approximately \$53.9 million. The estimated amount that would be payable to these executives does not include an estimate for the tax gross-up payment, provided for in the agreements, that would be payable to the executive if the executive becomes entitled to severance payments which are subject to federal excise tax imposed on the executive.

Employment Agreements

We entered into an employment agreement with one executive that replaced his severance agreement as of January 28, 2008. The employment agreement provides for payments to the executive in the event of his termination after a change in control, as defined, and provides for, among other things, a compensation payment of 3.0 times the executive's average annual compensation, as defined. The estimated amount, computed as of June 30, 2008, that would be payable under the agreement to the executive based on the compensation payment aggregated approximately \$16.5 million. The estimated amount that would be payable to the executive does not include an estimate for the tax gross-up payment, provided for in the agreement, that would be payable to the executive if the executive becomes entitled to severance payments which are subject to federal excise tax imposed on the executive.

We are self-insured for various levels of general liability, workers' compensation and employee medical coverage. Insurance claims and reserves include accruals of estimated settlements for known claims, as well as accruals of actuarial estimates of incurred but not reported claims.

Note 10—Litigation

Certain of our legal proceedings are reported in our Annual Report on Form 10-K for the year ended December 31, 2007, with material developments since that report described below.

Litigation Related to the Merger

On October 5, 2006, Henoah Kaiman and Joseph Weiss filed a purported class action complaint in the Delaware Court of Chancery, Civil Action No. 2453-N, against Harrah's, its board of directors and the Sponsors, challenging the proposed transaction as inadequate and unfair to Harrah's public stockholders. Two similar putative class actions were subsequently filed in the Delaware Court of Chancery: Phillips v. Loveman, et al., Civil Action No. 2456-N; and Momentum Partners v. Atwood, et al., Civil Action No. 2455-N. On October 19, 2006, the Delaware Court of Chancery consolidated the three Delaware cases under the heading In Re Harrah's Entertainment, Inc. Shareholder Litigation.

On December 22, 2006, Delaware plaintiffs' counsel filed an amended and consolidated class action complaint against Harrah's, its directors, the Sponsors, and added as defendants Apollo Management V, L.P., Hamlet Holdings and Merger Sub. The consolidated complaint alleges that Harrah's board of directors breached their fiduciary duties and that the Sponsors aided and abetted the alleged breaches of fiduciary duty in entering into the merger agreement. The consolidated complaint seeks, among other relief, class certification of the lawsuit, an injunction against the proposed transaction, compensatory and/or rescissory damages to the class, and an award of attorneys' fees and expenses to plaintiffs. On February 14, 2007, defendants began to produce documents in response to plaintiff's initial discovery request.

Subsequent to the entering of a memorandum of understanding and a stipulation of settlement by the parties, a Stipulation and Order of Dismissal was submitted to the Delaware Court of Chancery on April 29, 2008. On June 12, 2008, the court entered an Order and Final Judgment approving the settlement and dismissing the action.

Litigation Related to Development

On March 6, 2008, Caesars Bahamas Investment Corporation ("CBIC"), an indirect subsidiary of Harrah's Operating Company, Inc. ("HOC") terminated its previously announced agreement to enter into a joint venture in the Bahamas with Baha Mar Joint Venture Holdings Ltd. and Baha Mar JV Holding Ltd. (collectively, "Baha Mar"). To enforce its rights, on March 13, 2008, CBIC filed a complaint against Baha Mar, and the Baha Mar Development Company Ltd., in the Supreme Court of the State of New York, seeking a declaratory judgment with respect to CBIC's rights under the Subscription and Contribution Agreement (the "Subscription Agreement"), between CBIC and Baha Mar, dated January 12, 2007. Pursuant to the Subscription Agreement, CBIC agreed, subject to certain conditions, to subscribe for shares in Baha Mar Joint Venture Holdings Ltd., which was formed to develop and construct a casino, golf course and resort project in the Bahamas. The complaint alleges that (i) the Subscription Agreement grants CBIC the right to terminate the agreement at any time prior to the closing of the transactions contemplated therein, if the closing does not occur on time; (ii) the closing did not occur on time; and, (iii) CBIC exercised its right to terminate the Subscription Agreement, and to abandon the transactions contemplated therein. The complaint seeks a declaratory judgment that the Subscription Agreement has been terminated in accordance with its terms and the transactions contemplated therein have been abandoned.

Baha Mar and Baha Mar Development Company Ltd. ("Baha Mar Development") filed an Amended Answer and Counterclaims against CBIC and a Third Party Complaint dated June 18, 2008 against HOC in the Supreme Court of the State of New York. Baha Mar and the Baha Mar Development Company Ltd. allege that CBIC wrongfully terminated the Subscription Agreement and that CBIC wrongfully failed to make capital contributions under the Joint Venture Investors Agreement ("Investors Agreement"), by and between CBIC and Baha Mar, dated January 12, 2007. In addition, Baha Mar and Baha Mar Development allege that HOC wrongfully failed to perform its purported obligations under the Harrah's Baha Mar Joint Venture Guaranty, dated January 12, 2007 ("Guaranty"). Baha Mar and Baha Mar Development assert claims for breach of contract, breach of fiduciary duty, promissory estoppel, equitable estoppel and negligent misrepresentation. Baha Mar and Baha Mar Development seek (i) declaratory relief; (ii) specific performance; (iii) the recovery of alleged monetary damages; (iv) the recovery of attorneys fees, costs, and expenses and (v) the dismissal with prejudice of CBIC's Complaint. CBIC and HOC have each answered, denying all allegations of wrongdoing.

In addition, the Company is party to ordinary and routine litigation incidental to our business. We do not expect the outcome of any pending litigation to have a material adverse effect on our consolidated financial position or results of operations.

Note 11—Income Taxes

We are subject to income taxes in the United States as well as various states and foreign jurisdictions in which we operate. We account for income taxes under SFAS No. 109, "Accounting for Income Taxes," whereby deferred tax assets and liabilities are recognized for the expected future tax consequences of events that have been included in the financial statements or income tax returns. Deferred tax assets and liabilities are determined based on differences between financial statement carrying amounts of existing assets and their respective tax bases using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

We adopted the provisions of FASB Interpretation No. 48, "Accounting for Uncertainty in Income Taxes – an interpretation of FASB Statement No. 109" ("FIN 48"), on January 1, 2007. As a result of the implementation of FIN 48, we recognized an approximate \$12 million reduction to the January 1, 2007, balance of retained earnings.

We file income tax returns, including returns for our subsidiaries, with federal, state, and foreign jurisdictions. As a large taxpayer, we are under continual audit by the Internal Revenue Service ("IRS") on open tax positions, and it is possible that the amount of the liability for unrecognized tax benefits could change during the next twelve months. We are participating in the IRS's Compliance Assurance Program for the 2007 and 2008 tax years. This program accelerates the examination of key transactions with the goal of resolving any issues before the tax return is filed. Our 2004, 2005, and 2006 federal income tax returns are currently being examined by the IRS in a traditional audit process.

We also are subject to exam by various state and foreign tax authorities, although tax years prior to 2004 are generally closed as the statutes of limitations have lapsed. However, various subsidiaries are still being examined by the New Jersey Division of Taxation for tax years beginning with 1999.

We classify reserves for tax uncertainties within Accrued expenses and Deferred credits and other in our Consolidated Condensed Balance Sheets, separate from any related income tax payable or deferred income taxes. In accordance with FIN 48, reserve amounts relate to any uncertain tax position, as well as potential interest or penalties associated with those items.

Note 12—Discontinued Operations

Discontinued operations consist of insurance proceeds from the settlement of claims related to hurricane damages to Grand Casino Gulfport, which we sold in March 2006. Operating results for Grand Casino Gulfport were presented as discontinued operations until its sale. No gain or loss was recorded on this sale. Pursuant to the terms of the sale agreement, we were to retain all insurance proceeds related to Grand Casino Gulfport, and in the six months ended June 30, 2008, \$141.1 million of insurance proceeds related to Mississippi Gulf Coast claims are reported in Discontinued operations in our Consolidated Condensed Statement of Operations.

Note 13—Insurance Proceeds Related to Hurricane-Damaged Properties

In first quarter 2008, we entered into a settlement agreement with our insurance carriers related to the remaining unsettled claims associated with damages incurred in Mississippi from Hurricane Katrina in 2005, and the final payment of \$338.1 million was received in first quarter. Insurance proceeds exceeded the net book value of the impacted assets and costs and expenses that were reimbursed under our business interruption claims, and the excess is recorded as income in the line item, Write-downs, reserves and recoveries, for properties included in continuing operations and in the line item, Income from discontinued operations, for properties included in discontinued operations. In the six months ended June 30, 2008, \$185.4 million of insurance proceeds are included in Write-downs, reserves and recoveries and \$141.1 million of insurance proceeds are included in Discontinued operations in our Consolidated Condensed Statements of Operations.

Note 14—Related Party Transactions

In connection with the Merger, Apollo/TPG and their affiliates entered into a services agreement with Harrah's Entertainment relating to the provision of financial and strategic advisory services and consulting services. We paid Apollo/TPG a one-time transaction fee of \$200 million for structuring the Merger and debt financing negotiations. This amount has been included in the overall purchase price of the Merger. In addition, we pay an annual monitoring fee equal to the greater of \$30 million or 1% of the Company's EBITDA, as defined, for management services and advice.

Note 15—Consolidating Financial Information of Guarantors and Issuers

As of June 30, 2008, HOC, a 100% owned subsidiary of Harrah's Entertainment, is the issuer of certain debt securities that have been guaranteed by Harrah's Entertainment and certain subsidiaries of HOC. The following consolidating schedules present condensed financial information for Harrah's Entertainment, the parent and guarantor; HOC, the subsidiary issuer; guarantor subsidiaries of HOC; and non-guarantor subsidiaries of Harrah's Entertainment and HOC, which includes the CMBS properties, as of June 30, 2008, and December 31, 2007, and for the successor companies for the three months ended June 30, 2008, and the period January 28, 2008, through June 31, 2008, and for the predecessor companies for the periods from January 1, 2008, through January 27, 2008, and for the three months and six months ended June 30, 2007.

Revenues for the second quarter of 2008 were 3.7% lower than second quarter 2007 due primarily to turbulent economic conditions in the United States that have impacted customer visitation to our casinos. Second quarter income from continuing operations was further impacted by higher interest expense due to higher debt levels.

For the six months ended June 30, 2008, revenues were 2.9% lower than in the prior year period, driven by declines in the Las Vegas market due to lower customer spend per trip and fewer hotel rooms available at three of our properties in Las

Vegas, the impact of a smoking ban in Illinois, and heavy rains and flooding affecting visitor volumes at our properties in the midwest. Income from continuing operations was also impacted by expense incurred in connection with the Merger, primarily related to the accelerated vesting of employee stock options, stock appreciation rights (“SARs”) and restricted stock, higher interest expense and losses on the early extinguishments of debt, partially offset by proceeds from the settlement of insurance claims related to hurricane damage in 2005.

The executive officers of our Company review operating results, assess performance and make decisions related to the allocation of resources on a property-by-property basis. We, therefore, believe that each property is an operating segment and that it is appropriate to aggregate and present the operations of our Company as one reportable segment. In order to provide more detail than would be possible on a consolidated basis, our properties have been grouped as follows to facilitate discussion of our operating results:

The declines in revenues and income from operations in the second quarter 2008 reflect lower visitation and spend per trip as our customers reacted to high travel costs and other economic concerns.

For the first six months of 2008, lower revenues and income from operations were driven by lower spend per trip in the market and declines in the number of hotel rooms available at Caesars Palace due to re-modeling and at Harrah's Las Vegas and Rio due to room remediation projects.

In July 2007, we announced plans for an expansion and renovation of Caesars Palace Las Vegas, which is expected to cost approximately \$1.3 billion and will include a 650-room hotel tower, including 75 luxury suites, additional meeting space, a remodeled and expanded pool area and other renovations and improvements. As of June 30, 2008, \$346.6 million had been spent on this project. This expansion is scheduled for completion in phases in 2009 and 2010. In August 2007, Harrah's Entertainment and AEG, a leading sports and entertainment developer and operator, announced plans to enter into a 50/50 joint venture to develop a 20,000-seat arena, which is expected to commence operations in 2011. This development is subject to completion of definitive documents and other customary conditions.

Combined second quarter 2008 revenues for the Atlantic City region were higher than in the second quarter of 2007, as favorable results from Harrah's Atlantic City and Harrah's Chester offset declines at other properties in the region. However, income from operations was lower than in last year's second quarter due to reduced visitor volume and higher advertising costs.

For the six months ended June 30, 2008, Atlantic City regional revenues increased due to the inclusion of Harrah's Chester, which opened for simulcasting and live harness racing on September 10, 2006 and for slots play on January 22, 2007 and strong results from the partial opening of the new hotel tower at Harrah's Atlantic City, but income from operations was flat compared to the prior year six-month period. The Atlantic City market continues to be affected by the opening of three slot competitor parlors in eastern Pennsylvania and one in Yonkers, New York, and smoking restrictions in Atlantic City.

Construction has been completed on an upgrade and expansion of Harrah's Atlantic City, which will include a new hotel tower with approximately 960 rooms, a casino expansion and a retail and entertainment complex. A new 620-seat buffet and substantially all of a retail promenade opened on February 16, 2007. Portions of the new hotel tower opened in the first and second quarters of 2008, and the remaining phase opened in July 2008. This project is expected to cost approximately \$565 million, \$469.2 million of which had been spent as of June 30, 2008.

Combined second quarter 2008 revenues from our properties in Louisiana and Mississippi were lower than in second quarter 2007, driven by lower visitor volume at our Tunica properties, due in part to disruptions related to the renovation and re-branding of Grand Casino Tunica. Income from operations declined from the prior year period as insurance proceeds of \$37.0 million were received in second quarter 2007.

Combined revenues for the six months ended June 30, 2008, were 4.0% lower than in the six month period last year due to declines in visitation to the Tunica market and disruptions during the renovation at the former Grand Tunica. For the six months ended June 30, 2008 and 2007, income from operations includes insurance proceeds of \$185.4 million and \$55.7 million, respectively, that are in excess of the net book value of the impacted assets and costs and expenses that were reimbursed under our business interruption claims. All proceeds from claims related to the 2005 hurricanes have now been received. Insurance proceeds are included in Write-downs, reserves and recoveries in our Consolidated Condensed Statements of Operations.

In May 2008, Grand Casino Resort in Tunica, Mississippi, was re-branded to Harrah's Tunica. In connection with the re-branding, renovations to the property costing approximately \$45 million were completed. In conjunction with the renovation and re-branding project, a strategic alliance with Food Network star, Paula Deen, was formed, and a new Paula Deen Buffet also opened in May 2008.

We have decided to slow down construction of Margaritaville Casino & Resort in Biloxi, Mississippi, as we refine the design of that project and explore all of our alternatives related to the project and its financing. We are adjusting our plan for development to better align with the economic environment, market conditions on the Gulf Coast and the current financing environment. We license the Margaritaville name from an entity affiliated with the singer/songwriter Jimmy Buffett. As of June 30, 2008, \$125.5 million had been spent on this project.

Combined second quarter 2008 total revenues at our Iowa and Missouri properties were lower than in last year's second quarter, driven primarily by Harrah's St. Louis, where the opening of a new facility by a competitor impacted results. Income from operations was higher than in the prior year second quarter due to cost savings and efficiencies, particularly at our Iowa facilities.

For the six months ended June 30, 2008, combined revenues at our Iowa and Missouri properties were 2.9% lower than in the same period last year. Strong results in Iowa and North Kansas City helped offset the impact of the revenue decline in St. Louis due to increased competition.

Second quarter 2008 combined revenues and income from operations were lower than in second quarter 2007 due to reduced customer volumes and spend per trip resulting primarily from the imposition of a smoking ban in Illinois.

Combined revenues and income from operations for the six months ended June 30, 2008, were lower than in the same period last year due to heavy rains and flooding and the smoking ban in Illinois. Caesars Indiana was closed for four days in March 2008 due to flooding in the area.

In June 2008, the Illinois Supreme Court overturned an earlier ruling by a State court that had declared a 3% tax that was assessed on Harrah's Joliet and three unrelated riverboats unconstitutional. Due to the uncertainty of the situation, we had continued to accrue and pay this tax while the matter was decided in the courts; therefore, this decision had no impact on the results of the operations of Harrah's Joliet.

In July 2008, Caesars Indiana was re-branded to Horseshoe Southern Indiana. The re-branding and renovation project cost approximately \$53.0 million.

In August 2008, construction was completed on the renovation and expansion of Horseshoe Hammond, which will include a two-level entertainment vessel including a 108,000-square-foot casino. The project cost approximately \$485 million, \$396.5 million of which had been spent as of June 30, 2008.

Second quarter 2008 revenues and income from operations from our Nevada properties outside of Las Vegas were lower than in second quarter 2007 due to lower customer spend per trip, the opening of an expansion at a competing property in Reno and higher costs aimed at attracting and retaining customers.

The same factors that drove declines in second quarter 2008 also drove lower revenues and income from operations for the six months ended June 30, 2008.

Managed, international and other results include income from our managed properties, results of our international properties and certain marketing and administrative expenses, including development costs, and income from our non-consolidated subsidiaries. Favorable International revenues for second quarter and the six months ended June 30, 2008, are due to inclusion of three new properties of London Clubs International Limited ("London Clubs") that opened during 2007, partially offset by the impact of a new smoking ban enacted in mid-2007. Income from operations for London Clubs was further impacted by a lower table game hold percentage, higher gaming taxes imposed during 2007 and reserves for receivables due from a joint venture member that may not be collectible. As of June 30, 2008, London Clubs owns or manages ten casinos in the United Kingdom, two in Egypt and one South Africa. London Clubs also has one casino under development in the United Kingdom.

Our second quarter and six-month 2008 results from managed properties were lower than in the 2007 periods due to the termination of our contract with the Prairie Band Potawatomi Nation on June 30, 2007, and lower operating results at our other managed casinos.

Corporate expense was higher in the second quarter and first six months of 2008 due to a monitoring fee paid to affiliates of Apollo/TPG in periods subsequent to the Merger, partially offset by the continued realization of cost savings and efficiencies identified in an on-going project that began in September 2006.

2008 merger and integration costs include costs incurred in connection with the Merger, including the expense related to the accelerated vesting of employee stock options, SARs and restricted stock.

Amortization of intangible assets was higher in the second quarter and first six months of 2008 due to higher estimated amortization of intangible assets identified in the preliminary purchase price allocation in connection with the Merger.

Interest expense increased in the second quarter and first six months of 2008 from the same periods in 2007 primarily due to increased borrowings in connection with the Merger. Also included in interest expense in the quarter and six months ended June 30, 2008, are a credit of \$61.0 million and a charge of \$80.8 million, respectively, representing the changes in the fair values of our derivative instruments. In the quarter and six months ended June 30, 2007, the change in the fair value of the swaps was \$14.3 million. A change in interest rates on variable-rate debt will impact our financial results. For example, assuming a constant outstanding balance for our variable-rate debt, excluding \$6.5 billion of variable-rate debt for which we have entered into interest rate swap agreements, for the next twelve months, a hypothetical 1% change in corresponding interest rates would change interest expense for the next twelve months by approximately \$72.6 million, or \$24.4 million per quarter. At June 30, 2008, our variable-rate debt, excluding \$6.5 billion of variable-rate debt for which we have entered into interest rate swap agreements, represents approximately 30.3% of our total debt, while our fixed-rate debt is approximately 69.7% of our total debt.

Losses on early extinguishments of debt represent premiums paid and the write-offs of unamortized deferred financing costs and market value premiums related to debt retired in connection with the Merger.

Other income includes lower interest income on the cash surrender value of life insurance policies in 2008. Other income in the six months ended June 30, 2007, included a gain on the sale of corporate assets.

For the quarter and six months ended June 30, 2008, tax benefits were generated by operating losses caused by higher interest expense, partially offset by non-deductible merger costs, international income taxes and state income taxes. For the quarter and six months ended June 30, 2007, the effective tax provision rate is higher than the federal statutory rate due primarily to state income taxes.

Minority interests reflect minority owners' shares of income from our majority owned subsidiaries.

Discontinued operations for the six months ended June 30, 2008, reflects insurance proceeds of \$87.3 million, after taxes, representing the final funds received that were in excess of the net book value of the impacted assets and costs and expenses that were reimbursed under our business interruption claims for Grand Casino Gulfport. For the quarter and six months ended June 30, 2007, Discontinued operations reflected \$42.0 million and \$60.2 million, after taxes, respectively, that

were reimbursed under our business interruption claims for Grand Casino Gulfport and Harrah's Lake Charles, both of which were sold in 2006. Pursuant to the terms of the sales agreements, we retained all insurance proceeds related to these properties.

CAPITAL SPENDING AND DEVELOPMENT

In addition to the development and expansion projects discussed in the OPERATING RESULTS AND DEVELOPMENT PLANS section, we also perform on-going refurbishment and maintenance at our casino entertainment facilities to maintain our quality standards, and we continue to pursue development and acquisition opportunities for additional casino entertainment facilities that meet our strategic and return on investment criteria. Prior to the receipt of necessary regulatory approvals, the costs of pursuing development projects are expensed as incurred. Construction-related costs incurred after the receipt of necessary approvals are capitalized and depreciated over the estimated useful life of the resulting asset. Project opening costs are expensed as incurred.

Our planned development projects, if they go forward, will require, individually and in the aggregate, significant capital commitments and, if completed, may result in significant additional revenues. The commitment of capital, the timing of completion and the commencement of operations of casino entertainment development projects are contingent upon, among other things, negotiation of final agreements and receipt of approvals from the appropriate political and regulatory bodies. Cash needed to finance projects currently under development as well as additional projects pursued is expected to be made available from operating cash flows, established debt programs (see DEBT AND LIQUIDITY), joint venture partners, specific project financing, guarantees of third-party debt and additional debt offerings. Our capital spending for the first six months of 2008 totaled approximately \$814.5 million. Estimated total capital expenditures for 2008 are expected to be between \$1.75 billion and \$1.95 billion.

DEBT AND LIQUIDITY

We generate substantial cash flows from operating activities, as reflected on the Consolidated Condensed Statements of Cash Flows. These cash flows reflect the impact on our consolidated operations of the success of our marketing programs, our strategic acquisitions and on-going cost containment focus. For the first six months of 2008 and 2007, we reported cash flows from operating activities of \$735.7 million and \$649.9 million, respectively.

We use the cash flows generated by the Company to fund reinvestment in existing properties for both refurbishment and expansion projects, pursue additional growth opportunities via strategic acquisitions of existing companies or properties and new development opportunities and to fund debt services. When necessary, we supplement the cash flows generated by our operations with funds provided by financing activities.

Our cash and cash equivalents totaled approximately \$1.2 billion at June 30, 2008, compared to \$721.0 million at June 30, 2007.

We believe that our cash and cash equivalents balance, our cash flows from operations and the financing sources discussed herein will be sufficient to meet our normal operating requirements during the next twelve months and to fund additional investments. In addition, we may consider issuing additional debt in the future to fund potential acquisitions or growth, to refinance existing debt or to finance specific capital projects. We continue to review additional opportunities to acquire or invest in companies, properties and other investments that meet our strategic and return on investment criteria. If a material acquisition or investment is completed, our operating results and financial condition could change significantly in future periods. In connection with the Merger, we incurred substantial additional debt, which significantly changed our financial position.

We may from time to time seek to retire or purchase our outstanding debt through cash purchases and/or exchanges, in open market purchases, privately negotiated transactions or otherwise. Such repurchases or exchanges, if any, will depend on prevailing market conditions, our liquidity requirements, contractual restrictions and other factors. The amounts involved may be material.

A substantial portion of the financing of the Merger is comprised of bank and bond financing obtained by Harrah's Operating Company, Inc. ("HOC"), a wholly-owned subsidiary of Harrah's Entertainment. This financing is neither secured nor guaranteed by Harrah's Entertainment's other direct, wholly-owned subsidiaries, including certain subsidiaries that own properties that are secured under \$6.5 billion of commercial mortgage-backed securities ("CMBS"). Pro forma information pertaining solely to the consolidated financial position and results of HOC and its subsidiaries can be found in Exhibit 99 of this Form 10-Q.

In connection with the Merger, \$7.7 billion, face amount, of our debt was retired, \$4.6 billion, face amount, of our debt was retained and \$20.5 billion, face amount, of new debt was issued, resulting in a very different debt structure for the Successor company. The discussion that follows is intended to update the information provided in our 2007 Annual Report on Form 10-K.

At June 30, 2008, \$5.7 million, face amount, of our 8.875% Senior Subordinated Notes due September 15, 2008 and \$5.1 million, face amount, of our 7.5% Senior Notes due January 15, 2009, are classified as long-term in our Consolidated Condensed Balance Sheet because the Company has both the intent and the ability to refinance these notes. The majority of our debt is due after 2010. Payments of short-term debt obligations and other commitments are expected to be made from operating cash flows and from borrowings under our established debt programs. Long-term obligations are expected to be paid through operating cash flows, refinancing of debt, joint venture partners or, if necessary, additional debt offerings.

In July 2008, HOC made the permitted election under the Indenture governing its 10.75%/11.5% Senior Toggle Notes due 2018 and the Senior Unsecured Interim Loan Agreement dated January 28, 2008, to pay all interest due on January 28, and February 1, 2009, for the loan in kind. The Company intends to use the cash savings generated by this election for general corporate purposes.

Credit Agreement

As of June 30, 2008, our senior secured credit facilities (the "Credit Facilities") provide for senior secured financing of up to \$9.25 billion, consisting of (i) senior secured term loan facilities in an aggregate principal amount of up to \$7.25 billion maturing on January 28, 2015 and (ii) a senior secured revolving credit facility in an aggregate principal amount of \$2.0 billion, maturing January 28, 2014, including both a letter of credit sub-facility and a swingline loan sub-facility. Interest on the Credit Agreement is based on our debt ratings and leverage ratio and is subject to change. In addition, we may request one or more incremental term loan facilities and/or increase commitments under our revolving facility in an aggregate amount of up to \$1.75 billion, subject to certain conditions and receipt of commitments by existing or additional financial institutions or institutional lenders. As of June 30, 2008, \$7.23 billion in borrowings was outstanding under the Credit Facilities with an additional \$0.2 billion committed to back letters of credit. After consideration of these borrowings and letters of credit, \$1.8 billion of additional borrowing capacity was available to the Company under the Credit Facilities as of June 30, 2008.

Borrowings under the Credit Facilities bear interest at a rate equal to the then-current LIBOR rate or at a rate equal to the alternate base rate, in each case plus an applicable margin. In addition, on a quarterly basis, we are required to pay each lender (i) a commitment fee in respect of any unused commitments under the revolving credit facility and the delayed draw portion of the term facility and (ii) a letter of credit fee in respect of the aggregate face amount of outstanding letters of credit under the revolving credit facility. As of June 30, 2008, the Credit Facilities bore interest based upon 300 basis points over LIBOR and bore a commitment fee for unborrowed amounts of 50 basis points.

The Credit Facilities require scheduled quarterly payments on the term loans in amounts equal to 0.25% of the original principal amount of the term loans for six years and three quarters, with the balance paid at maturity.

CMBS Financing

In connection with the Merger, eight of our properties ("the CMBS properties") and their related assets were spun out of HOC to Harrah's Entertainment. As of the Merger date, the CMBS properties were Harrah's Las Vegas, Rio, Flamingo Las Vegas, Harrah's Atlantic City, Showboat Atlantic City, Harrah's Lake Tahoe, Harveys Lake Tahoe and Bill's Lake Tahoe. The CMBS properties borrowed \$6.5 billion of mortgage loans and/or related mezzanine financing and/or real estate term loans, which are secured by the assets of the CMBS properties. On May 22, 2008, Paris Las Vegas and Harrah's Laughlin and their related operating assets were spun out of HOC to Harrah's Entertainment and Harrah's Lake Tahoe, Harveys Lake Tahoe, Bill's Lake Tahoe and Showboat Atlantic City were transferred to HOC from Harrah's Entertainment as contemplated under the debt agreements effective pursuant to the Merger.

Derivative Instruments

We account for derivative instruments in accordance with SFAS No. 133, "Accounting for Derivative Instruments and Hedging Activities," and all amendments thereto. SFAS No. 133 requires that all derivative instruments be recognized in the financial statements at fair value. Any changes in fair value are recorded in the statements of operations or in other comprehensive income/(loss), depending on whether the derivative is designated and qualifies for hedge accounting, the type of hedge transaction and the effectiveness of the hedge. The estimated fair values of our derivative instruments are based on market prices obtained from dealer quotes. Such quotes represent the estimated amounts we would receive or pay to terminate the contracts.

Our derivative instruments contain a credit risk that the counterparties may be unable to meet the terms of the agreements. We minimize that risk by evaluating the creditworthiness of our counterparties, which are limited to major banks and financial institutions, and we do not anticipate nonperformance by the counterparties.

We use interest rate swaps to manage the mix of our debt between fixed and variable rate instruments. As of June 30, 2008, we have ten interest rate swap agreements for notional amounts totaling \$6.5 billion. The difference to be paid or received under the terms of the interest rate swap agreement is accrued as interest rates change and recognized as an adjustment to interest expense for the related debt. Changes in the variable interest rates to be paid or received pursuant to the terms of the interest rate swap agreement will have a corresponding effect on future cash flows. The major terms of the interest rate swap agreements are as follows.

Effective Date	Notional Amount (In millions)	Fixed Rate Paid	Variable Rate Received as of June 30, 2008	Next Reset Date	Maturity Date
April 25, 2007	\$ 200	4.898%	2.920%	July 25, 2008	April 25, 2011
April 25, 2007	200	4.896%	2.920%	July 25, 2008	April 25, 2011
April 25, 2007	200	4.925%	2.920%	July 25, 2008	April 25, 2011
April 25, 2007	200	4.917%	2.920%	July 25, 2008	April 25, 2011
April 25, 2007	200	4.907%	2.920%	July 25, 2008	April 25, 2011
September 26, 2007	250	4.809%	2.920%	July 25, 2008	April 25, 2011
September 26, 2007	250	4.775%	2.920%	July 25, 2008	April 25, 2011
April 25, 2008	1,000	4.172%	2.920%	July 25, 2008	April 25, 2012
April 25, 2008	2,000	4.276%	2.920%	July 25, 2008	April 25, 2013
April 25, 2008	2,000	4.263%	2.920%	July 25, 2008	April 25, 2013

Until February 15, 2008, none of our interest rate swap agreements were designated as hedging instruments; therefore, gains or losses resulting from changes in the fair value of the swaps were recognized in earnings in the period of the change. On February 15, 2008, eight of our interest rate swap agreements for notional amounts totaling \$3.5 billion were designated as hedging instruments, and on April 1, 2008, the remaining swap agreements were designated as hedging instruments. Upon designation as hedging instruments, only any measured ineffectiveness is recognized in earnings in the period of change. In the quarter and six months ended June 30, 2008, a credit of \$40.9 million and a net charge of \$68.5 million, respectively, representing the changes in the fair values of our swap agreements are included in Interest expense in our 2008 Consolidated Condensed Statement of Operations compared with \$14.3 million for both the quarter and six months ended June 30, 2007.

Additionally, on January 28, 2008, we entered into an interest rate cap agreement to partially hedge the risk of future increases in the variable rate of the CMBS debt. The interest rate cap agreement, which was effective January 28, 2008, and terminates February 13, 2013, is for a notional amount of \$6.5 billion at a LIBOR cap rate of 4.5%. The interest rate cap was designated as a hedging instrument on May 1, 2008. In the quarter and six months ended June 30, 2008, a credit of \$20.1 million and a net charge of \$12.3 million, respectively, are included in Interest expense in our Consolidated Condensed Statement of Operations.

Guarantees of Third-Party Debt and Other Obligations and Commitments

^(a) In addition to the contractual obligations disclosed in this table, we have unrecognized tax benefits that, based on uncertainties associated with the items, we are unable to make reasonably reliable estimates of the period of potential cash settlements, if any, with taxing authorities.

^(b) Estimated interest for variable rate debt is based on rates in effect at June 30, 2008.

Other Commitments (In millions)	Increase/ (Decrease)	Total
Guarantees of loans	\$ (170.6)	\$ —
Letters of credit	5.7	198.9
Minimum payments to tribes	(6.9)	48.4

The agreements pursuant to which we manage casinos on Indian lands contain provisions required by law that provide that a minimum monthly payment be made to the tribe. That obligation has priority over scheduled repayments of borrowings for development costs and over the management fee earned and paid to the manager. In the event that insufficient cash flow is generated by the operations to fund this payment, we must pay the shortfall to the tribe. Subject to certain limitations as to time, such advances, if any, would be repaid to us in future periods in which operations generate cash flow in excess of the required minimum payment. These commitments will terminate upon the occurrence of certain defined events, including termination of the management contract. Our aggregate monthly commitment for the minimum guaranteed payments, pursuant to these contracts for the three managed Indian-owned facilities now open, which extend for periods of up to 65 months from June 30, 2008, is \$1.2 million. Each of these casinos currently generates sufficient cash flows to cover all of its obligations, including its debt service.

Competitive Pressures

Many casino operators are reinvesting in existing markets in an effort to attract new customers, thereby increasing competition in those markets. As companies have completed expansion projects, supply has sometimes grown at a faster pace than demand in certain markets and competition has increased significantly. Furthermore, several operators, including Harrah's Entertainment, have announced plans for additional developments or expansions in some markets.

Several states and Indian tribes are considering legislation enabling the development and operation of casinos or casino-like businesses in their jurisdictions.

Although, historically, the short-term effect of such competitive developments on our Company generally has been negative, we are not able to determine the long-term impact, whether favorable or unfavorable, that development and expansion trends and events will have on current or future markets. We believe that the geographic diversity of our operations; our focus on multi-market customer relationships; our service training, our rewards and customer loyalty programs; and our continuing efforts to establish our brands as premier brands upon which we have built strong customer loyalty have well-positioned us to face the challenges present within our industry. We utilize the unique capabilities of WINet, a sophisticated nationwide customer database, and Total Rewards, a nationwide loyalty program that allows our customers to earn cash, comps and other benefits for playing at our casinos. We believe these sophisticated marketing tools provide us with competitive advantages, particularly with players who visit more than one market.

SIGNIFICANT ACCOUNTING POLICIES AND ESTIMATES

We prepare our Consolidated Condensed Financial Statements in conformity with accounting principles generally accepted in the United States. Certain of our accounting policies, including the estimated lives assigned to our assets, the determination of bad debt, asset impairment, fair value of guarantees and self-insurance reserves, the purchase price allocations made in connection with our acquisitions/merger and the calculation of our income tax liabilities, require that we apply significant judgment in defining the appropriate assumptions for calculating financial estimates. By their nature, these judgments are subject to an inherent degree of uncertainty. Our judgments are based on our historical experience, terms of existing contracts, observance of trends in the industry, information provided by our customers and information available from other outside sources, as appropriate. There can be no assurance that actual results will not differ from our estimates. For a discussion of our significant accounting policies and estimates, please refer to Management's Discussion and Analysis of Financial Condition and Results of Operations and Notes to Consolidated Financial Statements presented in our 2007 Annual Report on Form 10-K. Except for estimates related to the fair values and lives assigned to assets in connection with the Merger, there were no newly identified significant accounting estimates in second quarter 2008, nor were there any material changes to the critical accounting policies and estimates discussed in our 2007 Annual Report.

RECENTLY ISSUED ACCOUNTING STANDARDS

The following are accounting standards adopted or issued in the second quarter of 2008 that could have an impact to our Company.

In September 2006, the FASB issued Statement of Financial Accounting Standards ("SFAS") No. 157, "Fair Value Measurements," which defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. SFAS No. 157 applies under other accounting pronouncements that require or permit fair value measurements, but it does not require any new fair value measurements. The provisions of SFAS No. 157 were to be effective for fiscal years beginning after November 15, 2007, and interim periods within those fiscal years. In February 2008, the FASB issued Staff Position ("FSP") No. 157-2, "Effective Date of FASB Statement No. 157." FSP No. 157-2 defers the effective date of Statement No. 157 to fiscal years beginning after November 15, 2008, and interim periods within those

fiscal years for nonfinancial assets and nonfinancial liabilities, except for items that are recognized or disclosed at fair value in an entity's financial statements on a recurring basis (at least annually). Also in February 2008, the FASB issued FSP No. 157-1, "Application of FASB Statement No. 157 to FASB Statement No. 13 and Other Accounting Pronouncements That Address Fair Value Measurements for Purposes of Lease Classification or Measurement Under Statement 13." FSP No. 157-1 excludes FASB Statement No. 13, "Accounting for Leases," and other accounting pronouncements that address fair value measurements for purposes of lease classification or measurement under Statement 13. We adopted the required provisions of SFAS 157 on January 1, 2008. The required provisions did not have a material impact on our financial statements.

In February 2007, the FASB issued SFAS No. 159, "The Fair Value Option for Financial Assets and Financial Liabilities-including an amendment of SFAS No. 115," which permits an entity to measure certain financial assets and financial liabilities at fair value. Entities that elect the fair value option will report unrealized gains and losses in earnings at each subsequent reporting date. SFAS No. 159 was effective as of January 1, 2008. At this time, we do not expect to adopt the fair value option for assets and liabilities; however, future events and circumstances may impact that decision.

In December 2007, the FASB issued SFAS No. 141 (Revised 2007), "Business Combinations." SFAS No. 141(R) will significantly change the accounting for business combinations. Under SFAS No. 141(R), an acquiring entity will be required to recognize all the assets acquired and liabilities assumed in a transaction at the acquisition-date fair value with limited exceptions. SFAS No. 141(R) will change the accounting treatment for certain specific items, including:

- Acquisition costs will be generally expensed as incurred;
- Assets that an acquirer does not intend to use will be recorded at fair value reflecting the assets' highest and best use;
- Noncontrolling interests (formerly known as "minority interests" — see Statement 160 discussion below) will be valued at fair value at the acquisition date;
- Acquired contingent liabilities will be recorded at fair value at the acquisition date and subsequently measured at either the higher of such amount or the amount determined under existing guidance for non-acquired contingencies;
- In-process research and development will be recorded at fair value as an indefinite-lived intangible asset at the acquisition date;
- Restructuring costs associated with a business combination will be generally expensed subsequent to the acquisition date; and
- Changes in deferred tax asset valuation allowances and income tax uncertainties after the acquisition date generally will affect income tax expense.

SFAS No. 141(R) also includes a substantial number of new disclosure requirements. SFAS No. 141(R) applies prospectively to business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after December 15, 2008. Earlier adoption is prohibited. We are currently evaluating the impact of this statement on our financial statements.

In December 2007, the FASB also issued SFAS No. 160, "Noncontrolling Interests in Consolidated Financial Statements – An Amendment of Accounting Research Bulletin No. 51," the provisions of which are effective for periods beginning after December 15, 2008. This statement requires an entity to classify noncontrolling interests in subsidiaries as a separate component of equity. Additionally, transactions between an entity and noncontrolling interests are required to be treated as equity transactions. We are currently evaluating the impact of this statement on our financial statements.

In March 2008, the FASB issued SFAS No. 161, "Disclosures about Derivative Instruments and Hedging Activities – an amendment of FASB Statement No. 133." SFAS No. 161 requires enhanced disclosures about an entity's derivative and hedging activities. It requires disclosures that allow financial statement users to understand (a) how and why an entity uses derivative instruments, (b) how derivative instruments and related hedged items are accounted for under Statement No. 133 and its related interpretations, and (c) how derivative instruments and related hedged items affect an entity's financial position, financial performance, and cash flows. This Statement is effective for financial statements issued for fiscal years and interim periods beginning after November 15, 2008. Because SFAS No. 161 applies only to financial statement disclosures, it will not have a material impact on our consolidated financial position, results of operations and cash flows.

On April 25, 2008, the FASB issued FSP No. 142-3, "Determination of the Useful Life of Intangible Assets." This Staff Position amends the list of factors an entity should consider in developing renewal or extension assumptions used in determining the useful life of recognized intangible assets under Statement 142. The FSP requires

entities to disclose information for recognized intangible assets that enables financial statement users to understand the extent to which expected future cash flows associated with intangible assets are affected by the entity's intent or ability to renew or extend the arrangement associated with the intangible asset. The FSP also requires the following disclosures in addition to those required by Statement 142:

- The entity's accounting policy on the treatment of costs incurred to renew or extend the term of a recognized intangible asset
- In the period of acquisition or renewal, the weighted-average period prior to the next renewal or extension (both explicit and implicit), by major intangible asset class
- For an entity that capitalizes renewal or extension costs, the total amount of costs incurred in the period to renew or extend the term of a recognized intangible asset for each period for which a statement of financial position is presented by major intangible asset class

This FSP is effective for financial statements issued for fiscal years beginning after December 15, 2008, and interim periods with in those fiscal years. While the guidance on determining the useful life of a recognized intangible asset must be applied prospectively only to intangible assets acquired after the FSP's effective date, the disclosure requirements of the FSP must be applied prospectively to all intangible assets recognized as of, and after, the FSP's effective date. Early adoption is prohibited. This FSP will affect intangible assets acquired by Harrah's after the effective date as well as require additional disclosures for existing intangible assets.

Item 3. Quantitative and Qualitative Disclosure About Market Risk

Market risk is the risk of loss arising from adverse changes in market rates and prices, such as interest rates, foreign currency exchange rates and commodity prices. Our primary exposure to market risk is interest rate risk associated with our debt. We attempt to limit our exposure to interest rate risk by managing the mix of our debt between fixed-rate and variable-rate obligations. Of our approximate \$24.0 billion total debt at June 30, 2008, \$7.3 billion, excluding \$6.5 billion of variable-rate debt for which we have entered into interest rate swap agreements, is subject to variable interest rates. We have hedging arrangements with respect to LIBOR borrowings for a notional amount of \$6.5 billion, all of which fix the floating rates of interest to fixed rates. In addition to the swap agreements, we entered into an interest rate cap agreement for a notional amount of \$6.5 billion at a LIBOR cap rate of 4.5%. Assuming a constant outstanding balance for our variable rate debt for the next twelve months, a hypothetical 1% change in interest rates would change interest expense for the next twelve months by approximately \$72.6 million.

We use interest rate swaps to manage the mix of our debt between fixed and variable rate instruments. We have also utilized treasury rate locks to hedge the risk of future treasury rate increases for certain forecasted debt issuances, but we do not currently have any treasury rate lock agreements. We do not purchase or hold any derivative financial instruments for trading purposes.

Foreign currency translation gains and losses were not material to our results of operations for the second quarter and first six months of 2008. Our only material ownership interest in businesses in foreign countries is London Clubs and an approximate 95% ownership of a casino in Uruguay. Therefore, we have not been subject to material foreign currency exchange rate risk from the effects that exchange rate movements of foreign currencies would have on our future operating results or cash flows. With our acquisition of London Clubs in late 2006 and development opportunities that we are pursuing in international markets, we could become subject to material foreign currency exchange rate risk in the future.

From time to time, we hold investments in various available-for-sale equity securities; however, our exposure to price risk arising from the ownership of these investments is not material to our consolidated financial position, results of operations or cash flows.

Item 4. Controls and Procedures

Our principal executive officer and principal financial officer have evaluated the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the "Exchange Act")), as of June 30, 2008. Based on such evaluation, they have concluded that as of such date, our disclosure controls and procedures are effective and designed to ensure that information required to be disclosed by us in reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in applicable SEC rules and forms, and that such information is accumulated and communicated to management, including our principal executive officer and principal financial officer, to allow timely decisions regarding required disclosure.

There has been no change in our internal control over financial reporting during our most recent fiscal quarter that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

Item 4T. Controls and Procedures

Not applicable.

Item 1. Legal Proceedings.

Certain of our legal proceedings are reported in our Annual Report on Form 10-K for the year ended December 31, 2007, with material developments since that report described below.

Litigation Related to the Merger

On October 5, 2006, Henoah Kaiman and Joseph Weiss filed a purported class action complaint in the Delaware Court of Chancery, Civil Action No. 2453-N, against Harrah's, its board of directors and the Sponsors, challenging the proposed transaction as inadequate and unfair to Harrah's public stockholders. Two similar putative class actions were subsequently filed in the Delaware Court of Chancery: Phillips v. Loveman, et al., Civil Action No. 2456-N; and Momentum Partners v. Atwood, et al., Civil Action No. 2455-N. On October 19, 2006, the Delaware Court of Chancery consolidated the three Delaware cases under the heading In Re Harrah's Entertainment, Inc. Shareholder Litigation.

On December 22, 2006, Delaware plaintiffs' counsel filed an amended and consolidated class action complaint against Harrah's, its directors, the Sponsors, and added as defendants Apollo Management V, L.P., Hamlet Holdings and Merger Sub. The consolidated complaint (the "Complaint") alleges that Harrah's board of directors breached their fiduciary duties and that the Sponsors aided and abetted the alleged breaches of fiduciary duty in entering into the merger agreement. The consolidated complaint seeks, among other relief, class certification of the lawsuit, an injunction against the proposed transaction, compensatory and/or rescissory damages to the class, and an award of attorneys' fees and expenses to plaintiffs. On February 14, 2007, defendants began to produce documents in response to plaintiff's initial discovery request.

Subsequent to the entering of a memorandum of understanding and a stipulation of settlement by the parties, a Stipulation and Order of Dismissal was submitted to the Delaware Court of Chancery on April 29, 2008. On June 12, 2008, the court entered an Order and Final Judgment approving the settlement and dismissing the action.

Litigation Related to Development

On March 6, 2008, Caesars Bahamas Investment Corporation ("CBIC"), an indirect subsidiary of Harrah's Operating Company, Inc. ("HOC") terminated its previously announced agreement to enter into a joint venture in the Bahamas with Baha Mar Joint Venture Holdings Ltd. and Baha Mar JV Holding Ltd. (collectively, "Baha Mar"). To enforce its rights, on March 13, 2008, CBIC filed a complaint against Baha Mar, and the Baha Mar Development Company Ltd., in the Supreme Court of the State of New York, seeking a declaratory judgment with respect to CBIC's rights under the Subscription and Contribution Agreement (the "Subscription Agreement"), between CBIC and Baha Mar, dated January 12, 2007. Pursuant to the Subscription Agreement, CBIC agreed, subject to certain conditions, to subscribe for shares in Baha Mar Joint Venture Holdings Ltd., which was formed to develop and construct a casino, golf course and resort project in the Bahamas. The complaint alleges that (i) the Subscription Agreement grants CBIC the right to terminate the agreement at any time prior to the closing of the transactions contemplated therein, if the closing does not occur on time; (ii) the closing did not occur on time; and, (iii) CBIC exercised its right to terminate the Subscription Agreement, and to abandon the transactions contemplated therein. The complaint seeks a declaratory judgment that the Subscription Agreement has been terminated in accordance with its terms and the transactions contemplated therein have been abandoned.

Baha Mar and Baha Mar Development Company Ltd. ("Baha Mar Development") filed an Amended Answer and Counterclaims against CBIC and a Third Party Complaint dated June 18, 2008 against HOC in the Supreme Court of the State of New York. Baha Mar and the Baha Mar Development Company Ltd. allege that CBIC wrongfully terminated the Subscription Agreement and that CBIC wrongfully failed to make capital contributions under the Joint Venture Investors Agreement ("Investors Agreement"), by and between CBIC and Baha Mar, dated January 12, 2007. In addition, Baha Mar and Baha Mar Development allege that HOC wrongfully failed to perform its purported obligations under the Harrah's Baha Mar Joint Venture Guaranty, dated January 12, 2007 ("Guaranty"). Baha Mar and Baha Mar Development assert claims for breach of contract, breach of fiduciary duty, promissory estoppel, equitable estoppel and negligent misrepresentation. Baha Mar and Baha Mar Development seek (i) declaratory relief; (ii) specific performance; (iii) the recovery of alleged monetary damages; (iv) the recovery of attorneys fees, costs, and expenses and (v) the dismissal with prejudice of CBIC's Complaint. CBIC and HOC have each answered, denying all allegations of wrongdoing.

In addition, the Company is party to ordinary and routine litigation incidental to our business. We do not expect the outcome of any pending litigation to have a material adverse effect on our consolidated financial position or results of operations.

Section 2.2. Interest Rate.

2.2.1. Interest Generally. Except as herein provided with respect to interest accruing at the Default Rate, interest on the principal balance of the Loan outstanding from time to time shall accrue from the Original Closing Date up to and including the Maturity Date (including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through the end of the Interest Period during which the Maturity Date occurs (even if such period extends beyond the Maturity Date)) at the Applicable Interest Rate. Interest on the outstanding principal balance of the Loan existing on the commencement of an Interest Period shall accrue for the entire Interest Period and shall be owed by Borrower for the entire Interest Period regardless of whether any principal portion of the Loan is repaid prior to the expiration of such Interest Period.

2.2.2. Interest Calculation. Interest on the outstanding principal balance of the Loan shall be calculated by multiplying (a) the actual number of days elapsed in the period for which the calculation is being made by (b) a daily rate based on a three hundred sixty (360) day year (that is, the Applicable Interest Rate or the Default Rate, as then applicable, expressed as an annual rate divided by 360) by (c) the outstanding principal balance.

2.2.3. Determination of Interest Rate. (a) The Applicable Interest Rate with respect to the Loan shall be: (i) LIBOR plus the Spread with respect to the applicable Interest Period for a LIBOR Loan or (ii) the Prime Rate plus the Prime Rate Spread for a Prime Rate Loan if the Loan is converted to a Prime Rate Loan pursuant to the provisions of Section 2.2.3(c) or Section 2.2.3(f).

(b) Subject to the terms and conditions of this Section 2.2.3, the Loan shall be a LIBOR Loan and Borrower shall pay interest on the outstanding principal amount of the Loan at LIBOR plus the Spread for the applicable Interest Period. Any change in the rate of interest hereunder due to a change in the Applicable Interest Rate shall become effective as of the opening of business on the first day on which such change in the Applicable Interest Rate shall become effective. Each determination by Lender of the Applicable Interest Rate shall be conclusive and binding for all purposes, absent manifest error.

(c) In the event that Lender shall have determined (which determination shall be conclusive and binding upon Borrower absent manifest error) that by reason of circumstances affecting the interbank eurodollar market, adequate and reasonable means do not exist for ascertaining LIBOR, then Lender shall forthwith give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding LIBOR Loan shall be converted, on the last day of the then current Interest Period, to a Prime Rate Loan.

(d) If, pursuant to the terms of this Agreement, any portion of the Loan has been converted to a Prime Rate Loan and Lender shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable, Lender shall give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding Prime Rate Loan shall be converted to a LIBOR Loan on the last day of the then current Interest Period.

(e) With respect to a LIBOR Loan, all payments made by Borrower hereunder shall be made free and clear of, and without reduction for or on account of, income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings imposed, levied, collected, withheld or assessed by any Governmental Authority and imposed on any non-U.S. Lender due to a change in U.S. law after the date such non-U.S. Lender acquired its interest in the Loan (such non-excluded taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings being referred to collectively as “**Foreign Taxes**”), excluding (i) income and franchise taxes, (ii) any Taxes imposed by reason of any connection between the non-U.S. Lender and the taxing jurisdiction other than entering into this Agreement and receiving payments hereunder, and (iii) any Taxes imposed by reason of the non-U.S. Lender’s failure to complete and deliver to the Borrower, prior to the date on which the first payment to such Lender is due hereunder and (so long as it remains eligible to do so) from time to time thereafter, (x) (i) an Internal Revenue Service Form W-9 (or successor form) establishing that the Lender is not subject to U.S. backup withholding tax, (ii) an Internal Revenue Service Form W-8BEN (or successor form) certifying that such Lender is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of withholding tax on payments of interest to zero, or (iii) an Internal Revenue Service Form W-8ECI certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States, as appropriate; and (y) any successor or additional form required by the Internal Revenue Service or any taxing authority reasonably requested by the Borrower in order to secure an exemption from, or reduction in the rate of, Foreign Taxes. If any Foreign Taxes are required to be withheld from any amounts payable to Lender hereunder, the amounts so payable to Lender shall be increased to the extent necessary to yield to Lender (after payment of all Foreign Taxes) interest or any such other amounts payable hereunder at the rate or in the amounts specified hereunder. Whenever any Foreign Tax is payable pursuant to applicable law by Borrower, as promptly as possible thereafter, Borrower shall send to Lender an original official receipt, if available, or certified copy thereof showing payment of such Foreign Tax. Borrower hereby indemnifies Lender for any incremental Foreign Taxes, interest or penalties that may become payable by Lender which may result from any failure by Borrower to pay any such Foreign Tax when due to the appropriate taxing authority or any failure by Borrower to remit to Lender the required receipts or other required documentary evidence thereof (provided such documents are reasonably available to the Borrower).

(f) If any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to make or maintain a LIBOR Loan as contemplated hereunder and the events giving rise thereto affect similarly situated banks or financial institutions generally, (i) the obligation of Lender hereunder to make a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the next succeeding Payment Date or within such earlier period as required by law.

(g) In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority and the events giving rise thereto affect similarly situated banks or financial institutions generally:

(i) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, the office of Lender that holds the Loan which is not otherwise included in the determination of LIBOR hereunder;

(ii) shall hereafter require the Lender to hold additional capital against the Loan in excess of that currently required by Governmental Authorities to be held against loans similar in nature to the Loan; or

(iii) shall hereafter impose on Lender any other condition affecting loans to borrowers subject to LIBOR-based interest rates and Lender determines that, by reason thereof, the cost to Lender of making or maintaining the Loan to Borrower is increased, or any amount received by Lender hereunder in respect of any portion of the Loan is reduced, in each case by an amount deemed by Lender in good faith to be material;

then, in any such case, Borrower shall promptly pay Lender, upon demand, any additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined in good faith by Lender. If Lender becomes entitled to claim any additional amounts pursuant to this Section 2.2.3(g), Lender shall provide Borrower with not less than ninety (90) days notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to fully compensate Lender for such additional cost or reduced amount. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. This provision shall survive payment of the Note and the satisfaction of all other obligations of Borrower under this Agreement and the Loan Documents.

(h) Lender shall not be entitled to claim compensation pursuant to this Section 2.2.3 for any Foreign Taxes or other amounts incurred or which accrued more than ninety (90) days before the date Lender notified Borrower of the change in law or other circumstance on which such claim of compensation is based and delivered to Borrower a written statement setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.2.3, which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(i) For purposes of this Section 2.2.3, the term "Lender" shall be deemed to include each Noteholder and Lender's (as well as each Noteholder's) present and future participants in the Loan to the extent of Foreign Taxes imposed by reason of such Noteholder or participant's interest in the Loan and each such Noteholder's or participant's increased costs or reduction in amount received or receivable hereunder or any reduced rate of return, in each case payable by Borrower under this Section 2.2.3.

2.2.4. Additional Costs. Lender will use reasonable efforts (consistent with legal and regulatory restrictions) to maintain the availability of the LIBOR Loan and to avoid or reduce any increased or additional costs payable by Borrower under Section 2.2.3, including, if requested by Borrower, a transfer or assignment of the Loan to a branch, office or Affiliate of

Lender in another jurisdiction, or a redesignation of its lending office with respect to the Loan, in order to maintain the availability of the LIBOR Loan or to avoid or reduce such increased or additional costs, provided that the transfer or assignment or redesignation (a) would not result in any material additional costs, expenses or risk to Lender that are not reimbursed by Borrower and (b) would not be disadvantageous in any other material respect to Lender as determined by Lender in its sole but reasonable discretion.

2.2.5. Default Rate. In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

2.2.6. Usury Savings. This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

2.2.7. Interest Rate Cap Agreement. (a) On or prior to 5:00 p.m. (New York time) on the Original Closing Date, Borrower shall enter into an Interest Rate Cap Agreement with a LIBOR strike price equal to the required Strike Price. The Interest Rate Cap Agreement (i) shall be in a form and substance reasonably acceptable to Lender, (ii) shall be with an Acceptable Counterparty, (iii) shall direct such Acceptable Counterparty to pay directly to an account pledged to Lender any amounts due Borrower under such Interest Rate Cap Agreement unless and until otherwise instructed by Lender (it being agreed as between Lender and Borrower that Lender will so instruct the Counterparty at such time as the Debt shall no longer exist, provided that the Debt shall be deemed to exist if the Properties transferred by judicial or non-judicial foreclosure or deed-in-lieu thereof), (iv) shall be for a period equal to the term of the Loan and (v) shall have an initial notional amount equal to the principal balance of the Loan. Borrower shall collaterally assign to Lender, pursuant to the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Interest Rate Cap Agreement, and shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be paid directly into an account pledged to Lender as provided above in this Section 2.2.7). Provided no Event of Default has occurred and is continuing, amounts contained in the foregoing pledged account shall be released to Borrower on a monthly basis to the extent not applied toward debt service on the Loan.

(b) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be deposited immediately into a Collection Account. Borrower shall take all actions reasonably requested by Lender to enforce Lender's rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty and shall not waive, amend or otherwise modify any of its rights thereunder.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty by S&P or Moody's to below the ratings set forth in the definition of "Acceptable Counterparty", Borrower (i) shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement (or cause the Counterparty or an Affiliate thereof to post collateral acceptable to Lender and the Rating Agencies) not more than fifteen (15) Business Days following receipt of notice of such downgrade, withdrawal or qualification (and meeting the requirements set forth in this Section 2.2.7) from an Acceptable Counterparty, (ii) if a new cap is provided to Lender, then if requested by Lender shall provide to Lender an opinion of counsel to such Acceptable Counterparty in the form and containing the substance of the form of opinion set forth in Exhibit A (which such changes as shall be reasonably approved by Lender), and (iii) shall collaterally assign to Lender, pursuant to an assignment in the form of the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Replacement Interest Rate Cap Agreement.

(d) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement or fails to maintain the Interest Rate Cap Agreement in accordance with the terms and provisions of this Agreement, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is reimbursed by Borrower to Lender.

(e) In connection with any Interest Rate Cap Agreement provided to Lender as herein required, if requested by Lender, Borrower shall obtain and deliver to Lender an opinion from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty (upon which Lender and its successors and assigns may rely) in the form and containing the substance of the form of opinion set forth in Exhibit A (which such changes as shall be reasonably approved by Lender).

(f) In connection with any prepayment of the Loan, provided no Event of Default shall have occurred and be continuing, Borrower may reduce the amount of any Interest Rate Cap Agreement (so that the same shall be in an initial notional amount equal to the principal balance of the Loan following such prepayment), provided that such reduction shall not affect any of the other terms of the Interest Rate Cap Agreement or the Collateral Assignment of Interest Rate Cap Agreement (or Lender's rights in respect thereof).

Section 2.3. Loan Payment.

2.3.1. Payments Generally. On the Original Closing Date, Borrower made a payment to Lender of interest accruing hereunder during the period from the Original Closing Date up to and including February 14, 2008, calculated in the manner set forth herein, and on the Payment Date occurring in March 2008 and on each Payment Date thereafter to and including the Maturity Date, Borrower shall make a payment to Lender of interest accruing hereunder during the entire Interest Period in which such Payment Date occurs, calculated in the manner set forth herein. All amounts due pursuant to this Agreement and the other Loan Documents shall be payable without setoff, counterclaim, defense or any other deduction whatsoever. Each payment shall be applied pro rata and pari passu (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

Borrower shall pay to Lender on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Mortgage and the other Loan Documents, including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through and including the end of the Interest Period in which the Maturity Date occurs (even if such Interest Period extends beyond the Maturity Date).

2.3.3. Late Payment Charge. If any principal, interest or any other sums due under the Loan Documents, other than the payment of principal due on the Maturity Date, is not paid by Borrower by the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of one percent (1%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment; provided, however that, except with respect to the payment of any monthly Debt Service payments with respect to which no notice or demand shall be required, no such late payment charge shall be due unless such payment of principal, interest or other sum shall be delinquent for more than five (5) Business Days following the date of demand therefor. Any such amount shall be secured by the Mortgages and the other Loan Documents to the extent permitted by applicable law.

2.3.4. Method and Place of Payment. Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 3:00 P.M., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

Section 2.4. Prepayments.

2.4.1. Voluntary Prepayments. Borrower may, at its option, prepay the Debt in whole or in part, provided, the following conditions are satisfied:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall provide prior written notice to Lender specifying the date upon which the prepayment is to be made (the “**Prepayment Date**”), which notice shall be delivered to Lender not less than ten (10) days prior to such Prepayment Date (or such shorter period of time as may be permitted by Lender in its sole discretion), and which notice shall be irrevocable; provided, that, notwithstanding the foregoing, Lender hereby agrees that Borrower may revoke any notice of prepayment up until the date that is one (1) Business Day prior to the proposed Prepayment Date (provided that Borrower shall be required to pay Lender, promptly upon demand, any actual, out-of-pocket expenses incurred by Lender resulting from any such revocation));

(c) each such prepayment, in the case of partial prepayments, shall be in an amount not less than Five Million and no/100 Dollars (\$5,000,000.00), unless the outstanding principal balance of the Loan (prior to such prepayment) shall be less than Five Million and no/100 Dollars (\$5,000,000.00), in which event the amount of the prepayment shall be in such amount as shall prepay the Debt and all other amounts due in connection therewith in full, as more fully provided herein;

(d) if such prepayment is made on or prior to the Payment Date occurring in the Interest Period in which such prepayment was made, then, in connection with such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, all interest on the principal balance of the Note then being prepaid which would have accrued through the end of the Interest Period then in effect notwithstanding that such Interest Period extends beyond the Prepayment Date;

(e) if such prepayment is made after a Payment Date occurring in the Interest Period in which such prepayment was made, but prior to the last two (2) Business Days in such Interest Period, Borrower shall make such prepayment without paying any interest thereon (Borrower having already paid interest on such amount on the Payment Date occurring in such Interest Period);

(f) if such prepayment is made on either of the last two (2) Business Days in an Interest Period, Borrower will pay to Lender, simultaneously with such prepayment, interest on the principal amount of the Loan prepaid through the last day of the Interest Period immediately following the Interest Period in which such prepayment occurs, calculated at the Applicable Interest Rate;

(g) if such prepayment is a prepayment of the Loan in full, Lender shall have received a written consent to the repayment from the lender under each Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous pro rata prepayment of each Mezzanine Loan if required thereunder; and

(h) if such prepayment is made on or prior to the Spread Maintenance Outside Date, then in connection with any such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, the Spread Maintenance Premium in respect of such prepayment.

Any prepayment received by Lender on a day other than a Payment Date (but not any amount received between a Payment Date and the second to last Business Day in an Interest Period) shall be held by Lender in an interest-bearing account as collateral security for the Loan and shall be applied to the Debt on the next occurring Payment Date (with all interest and other income earned on such amount being for the account of Borrower and being remitted by Lender to Borrower promptly following such next Payment Date). Any prepayment made pursuant to this Section 2.4.1 shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

2.4.2. Mandatory Prepayments from Net Proceeds. On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of any Individual Property, Borrower shall prepay, or authorize Lender to apply Net Proceeds as a prepayment of, the outstanding principal balance of the Note in an amount equal to, (x) if no Event of Default shall have occurred and be continuing, the product of (i) a fraction, the numerator of which is outstanding principal amount of the Loan and the denominator is the outstanding principal amount of the Loan and the Mezzanine Loans times (ii) the Net Proceeds, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such Payment Date occurs (with the balance of the Net Proceeds to be paid over to the First Mezzanine Lender, for application in accordance with the First Mezzanine Loan Agreement), and (y) if an Event of Default shall have occurred and be continuing, 100% of the Net Proceeds. No Spread Maintenance Premium shall be due in connection with any prepayment made pursuant to this Section 2.4.2. Any prepayment received by Lender pursuant to this Section 2.4.2 on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. Following the prepayment made as described in this Section 2.4.2, the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2 shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

2.4.3. Prepayments After Default. If, following the occurrence and during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower or any other Person and accepted by Lender or otherwise recovered by Lender (including through application of any Reserve Funds), Borrower shall pay to Lender, in addition to the outstanding principal balance, (a) all accrued and unpaid interest at the Default Rate (including, without limitation, (i) in the event that such prepayment is received on a Payment Date or on any date in any Interest Period prior to a Payment Date, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which such payment occurs, or (ii) in the event that such prepayment is received on a date after a Payment Date up to (and including) the last day of the Interest Period in which such Payment

Date occurs, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which the next Payment Date occurs, (b) the Spread Maintenance Premium, if such prepayment is made prior to the Spread Maintenance Outside Date, and (c) any and all other amounts payable under the Loan Documents. Any payment under this Section 2.4.3 shall be applied in such order, priority and proportions as Lender may direct in its sole and absolute discretion.

Section 2.5. Release of Properties. Except as set forth in this Section 2.5, no repayment or prepayment of all or any portion of the Note shall cause, give rise to a right to require, or otherwise result in, the release or assignment in lieu of the release of any Lien of any Mortgage on any Individual Property.

2.5.1. Release of Individual Property. Borrower may obtain the release of an Individual Property from the Lien of the Mortgage thereon (and related Loan Documents) and the release of Borrower's obligations under the Loan Documents with respect to such Individual Property (other than those expressly stated to survive), upon the satisfaction of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien (and related Loan Documents) for such Individual Property for execution by Lender. Such release shall be in a form appropriate in each jurisdiction in which the Individual Property is located and that contains standard provisions, if any, protecting the rights of the releasing lender;

(c) After giving effect to such release, the Debt Service Coverage Ratio for the Properties then remaining subject to the Liens of the Mortgages (including giving pro forma effect to the payment of the Release Price and any additional prepayment(s) made by Borrower in connection with such release) shall be equal to or greater than the greatest of (i) the Debt Service Coverage Ratio for the twelve (12) full calendar months immediately preceding the release of the Individual Property (assuming the contemplated release had not occurred, i.e., for all Properties subject to the Liens of the Mortgage prior to the proposed release), (ii) 90% of the Debt Service Coverage Ratio as of the Closing Date, and (iii) 1.0;

(d) (i) The Individual Property to be released shall be conveyed to a Person other than a Borrower or Mezzanine Borrower, and other than to an Affiliate of Borrower unless, in the latter case, such Affiliate is refinancing the Loan with a construction or development loan (or repaying the Loan with equity contributions to such Affiliate) and (ii) it is such Affiliate's immediate intention to materially redevelop such Individual Property, which loan (or equity contribution) and intention shall be described in reasonable detail and represented to in an Officer's Certificate submitted to Lender concurrently with (or prior to) the materials described in clause (b) of this Section 2.5.1;

(e) Lender shall have received a wire transfer of immediately available federal funds in an amount equal to the Release Price for the applicable Individual Property, together with (i) all accrued and unpaid interest calculated at the Applicable Interest Rate on the amount of principal being prepaid as provided in Section 2.4.1(d) or (e), as applicable, (ii) the Spread Maintenance Premium, if applicable and (iii) all other sums due under this Agreement, the Note or the other Loan Documents in connection with a partial prepayment;

(f) Lender shall have received a written consent to the transfer from the lender under each Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender; and

(g) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the release of the Individual Property from the lien of the related Mortgage and the review and approval of the documents and information required to be delivered in connection therewith. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property.

2.5.2. Release of Convention Center Parcel. At any time after the Original Closing Date, Borrower may obtain the release of the Convention Center Parcel and the release of Borrower's obligations under the Loan Documents with respect to such parcel of land (other than those expressly stated to survive), without the payment of a Release Price and upon the satisfaction of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a release of the Convention Center Parcel, the Event of Default relates solely to such parcel and therefore would be fully cured by the release of the Convention Center Parcel);

(b) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien (and related Loan Documents) for the Convention Center Parcel for execution by Lender. Such release shall be in a form appropriate in the jurisdiction in which the Convention Center Parcel is located and that contains standard provisions, if any, protecting the rights of the releasing lender;

(c) The Convention Center Parcel shall be conveyed to a Person other than a Borrower or any Mezzanine Borrower;

(e) Prior to the transfer and release of the Convention Center Parcel, each applicable municipal authority exercising jurisdiction over the Convention Center Parcel shall have approved a lot-split ordinance or other applicable action under local law dividing the Convention Center Parcel from the remainder of the Harrah's Atlantic City Property, and a separate tax identification number has been issued for the Convention Center Parcel (with the

result that, upon the transfer and release of the Convention Center Parcel, no part of the remaining Harrah's Atlantic City Property shall be part of a tax lot which includes any portion of the Convention Center Parcel);

(f) All requirements under all laws, statutes, rules and regulations (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetlands requirements) applicable to the Harrah's Atlantic City Property necessary to accomplish the lot split shall have been fulfilled, and all necessary variances, if any, shall have been obtained, and Borrower shall have delivered to Lender either (1) letters or other evidence from the appropriate municipal authorities confirming such compliance with laws, or (2) a zoning report or legal opinion confirming such compliance with laws, in each case in substance reasonably satisfactory to Lender;

(g) As a result of the lot split, the remaining Harrah's Atlantic City Property with all easements appurtenant and other Permitted Encumbrances thereto will not be in violation of any then applicable law, statute, rule or regulation (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetland requirements) and all necessary variances, if any, shall have been obtained and evidence thereof has been delivered to Lender which in form and substance is appropriate for the jurisdiction in which the Harrah's Atlantic City Property is located;

(h) If reasonably necessary, appropriate reciprocal easement agreements for the benefit and burden of the remaining Harrah's Atlantic City Property and the Convention Center Parcel requiring no cost or expense to Borrower regarding the use of common facilities of such parcels, including, but not limited to, roadways, parking areas, utilities and community facilities, in a form and substance that would be reasonably acceptable to an ordinary prudent lender and which easements will not materially adversely affect the remaining Harrah's Atlantic City Property, shall be declared and recorded, and the remaining Harrah's Atlantic City Property and the Convention Center Parcel shall be in compliance with all applicable covenants under all easements and property agreements contained in the Permitted Encumbrances for the Harrah's Atlantic City Property;

(j) Borrower shall execute such documents and instruments and obtain such opinions of counsel as are typical for similar transactions, including, if a Securitization shall have occurred, an opinion that the release of the Convention Center Parcel will not be a "significant modification" of the Loan within the meaning of Section 1.1001-3 of the regulations of the United States Department of the Treasury;

(k) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the release of the Convention Center Parcel from the lien of the related Mortgage and the review and approval of the documents and information required to be delivered in connection therewith. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of the Convention Center Parcel; and

(l) Lender shall have received evidence reasonably satisfactory to it that the Mezzanine Borrowers shall have satisfied all of the conditions to the proposed release set forth in and each of the Mezzanine Loan Agreements.

2.5.3. Release of O'Sheas. At any time after the date hereof, Borrower may obtain the release of the portion of the Flamingo Las Vegas known as O'Shea's, without the payment of a Release Price, upon the satisfaction of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless the Event of Default relates solely to O'Shea's and therefore would be fully cured by the release of O'Shea's);

(b) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien (and related Loan Documents) for O'Shea's for execution by Lender. (c) O'Shea's shall be conveyed to a Person other than a Borrower or any Mezzanine Borrower;

(d) Prior to the transfer and release of O'Shea's, each applicable municipal authority exercising jurisdiction over the Flamingo Las Vegas shall have approved a lot-split ordinance or other applicable action under local law dividing O'Shea's from the remainder of Flamingo Las Vegas, and a separate tax identification number has been issued for O'Shea's (with the result that, upon the transfer and release of O'Shea's, no part of the remaining Flamingo Las Vegas shall be part of a tax lot which includes any portion of O'Shea's);

(e) All requirements under all laws, statutes, rules and regulations (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetlands requirements) applicable to the Flamingo Las Vegas necessary to accomplish the lot split shall have been fulfilled, and after such lot split, the remaining Flamingo Las Vegas with all easements appurtenant and other Permitted Encumbrances thereto will not be in violation of any then applicable law, statute, rule or regulation (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetland requirements), and all necessary variances (in form and substance is appropriate for the jurisdiction in which the Flamingo Las Vegas is located), if any, shall have been obtained, as evidenced by (1) an Officer's Certificate or (2) Borrower having delivered to Lender, at Borrower's option, either (A) letters or other evidence from the appropriate municipal

(g) Borrower has delivered an Officer's Certificate to the effect that, to such officer's knowledge after diligent inquiry, the conditions in subsection (a)-(f) hereof have occurred or shall occur concurrently with the transfer and release of O'Shea's;

(h) Lender shall have received an appropriate title policy endorsement to the effect that the release of O'Shea's will not have an adverse affect on the priority of the Lien of the related Mortgage on the balance of the Flamingo Las Vegas (following the release of O'Shea's), provided, however, the Lien of the Mortgage on the balance of the Flamingo Las Vegas shall be subordinated to any easements created in connection with the release of O'Shea's pursuant to this Section 2.5.3 (and Lender agrees to execute a subordination agreement in form reasonably requested by Borrower);

(i) Delivery of evidence reasonably satisfactory to Lender, which may be in the form of an Officer's Certificate, that the release will not have either an Individual Material Adverse Effect on the remainder of the Flamingo Las Vegas or an Aggregate Material Adverse Effect (it being understood that, for purposes of such determinations, O'Shea's shall be deemed to have closed as of the Original Closing Date and to have no value) and the representations and warranties set forth in Sections 4.1.4, 4.1.16, 4.1.22, 4.1.39 and 4.1.40 shall continue to be true and complete with respect to the remainder of the Flamingo Las Vegas;

(j) Borrower shall have delivered evidence reasonably satisfactory to Lender, which may be in the form of an Officer's Certificate, that each Mezzanine Borrower has complied with all of the terms and conditions set forth in Section 2.5.1 of the applicable Mezzanine Loan Agreement with respect to such release;

(k) Flamingo Individual Borrower and the related Operator shall have executed and delivered to Lender a certified copy of an amendment to the applicable Operating Lease reflecting the release of O'Shea's and the reduction in the "Initial Annual Rent" (as such term is defined in such Operating Lease relating to the Flamingo Las Vegas) by Fifteen Million and No/100 Dollars (\$15,000,000.00);

(l) delivery of an Additional True Lease Opinion in form and substance similar to the related original True Lease Opinion but with such revisions to evidence the reduction in rent and the release of O'Shea's; and

(m) The payment by Borrower of all Lender's reasonable out-of-pocket costs and expenses in connection with the release contemplated by this paragraph, including reasonable counsel fees and disbursements.

Notwithstanding anything to the contrary contained herein, Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of O'Shea's in accordance with this paragraph. Lender and Borrower acknowledge and agree that (i) pending the release of O'Shea's, EBITDAR shall be computed without regard to O'Shea's, and (ii) the Operating Company in respect of the Flamingo Las Vegas, both before and after the release contemplated by this paragraph, shall be permitted to provide management and other similar services for O'Shea's and shall be reimbursed for the allocable share of expenses attributable to O'Shea's.

2.5.4. Release on Payment in Full. Lender shall, upon the written request and at the expense of Borrower, upon payment in full of all principal and interest due on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of the Mortgage on each Individual Property not theretofore released.

Section 2.6. Cash Management.

2.6.1. Establishment of Collection Accounts. (a) In accordance with the provisions of the Operating Lease, (i) Operating Company will establish within thirty (30) days after the Original Closing Date and will maintain for the benefit of Borrower, as lessor under the Operating Lease, the Collection Accounts with Collection Banks throughout the term of the Loan and (ii) the rights of Borrower (as landlord) under the Operating Lease have been collaterally assigned to Lender or will be collaterally assigned to Lender within such 30 day period. All Revenues, other than amounts retained on-site by each Operating Company as a Gaming Operating Reserve and amounts collected and maintained in Off-Shore Accounts, shall be deposited in the Collection Accounts.

(b) Operating Company shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Collection Accounts (and Operating Company shall be entitled to all such interest and income). The Collection Accounts shall be assigned the federal tax identification numbers of each Operating Company which are as set forth in Schedule III attached hereto. Borrower shall cause Operating Company to provide Lender, at any time upon request of Lender, with a Form W-8 or W-9 to evidence that Operating Company is not subject to any back-up withholding under the Code. All costs and expenses for establishing and maintaining the Collection Accounts shall be at Borrower's or Operating Company's sole cost and expense.

(c) Borrower hereby represents and warrants as follows: when established, the Collection Accounts are the only accounts maintained by Operating Company or Borrower in any jurisdiction that include funds arising out of, or are otherwise attributable to, the Properties or relate to the operation and management of any of the Properties other than accounts (collectively, the “OC Accounts”) that contain amounts theretofore released from Collection Accounts in accordance herewith, and other than Off-Shore Accounts, which shall not be subject to this Agreement); and Borrower maintains no accounts that include funds arising out of, or are otherwise attributable to, any of the Properties or relate to the operation and management of any of the Properties or otherwise (except for accounts containing funds released from the Collection Accounts as herein provided and the Off-Shore Accounts). Borrower shall not (and Borrower shall not permit Operating Company to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), open any accounts or new accounts or in any way alter the flow of funds and payment into such Collection Accounts, including, without limitation, changing the source, type or currency of any payments currently deposited and maintained in any such account (it being understood that the foregoing restriction shall not preclude Operating Company or Borrower from accepting and depositing in any Collection Accounts any capital contributions, or any disbursements from any Collection Accounts in accordance with the provisions of this Agreement). Borrower shall not (and Borrower shall not permit Operating Company to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), establish and maintain any accounts with financial institutions outside of the United States of America, other than the Off-Shore Accounts.

(d) Borrower shall, or shall cause Operating Company to, deliver irrevocable written instructions to each tenant under any Lease at any of the Properties, in form and substance reasonably acceptable to Lender, directing each such tenant to deliver all Rents payable thereunder directly to the Collection Account. Borrower shall, or shall cause Operating Company to, deliver irrevocable written instructions to each of the credit card companies or credit card clearing banks delivering receipts to any of the Collection Accounts, in form and substance reasonably acceptable to Lender, directing each such credit card company or credit card clearing bank to deliver all receipts payable with respect to any of the Properties directly to the Collection Accounts.

(e) Borrower and its Affiliates shall deposit (and Borrower shall cause each Operating Company to deposit) all Revenue received by, paid or payable to or paid for the benefit of Borrower or Operating Company or in connection with any of the Properties (of whatever kind and nature), other than (x) each Gaming Operating Reserve and (y) amounts theretofore released from a Collection Account in accordance herewith, into the Collection Accounts within three (3) Business Days after receipt. Borrower shall diligently and continuously use all commercially reasonable efforts to cause (and shall cause each Operating Company to use all commercially reasonable efforts to cause) any other Person to deposit all Revenue received by, paid or payable to or paid for the benefit of Borrower or Operating Company or in connection with any of the Properties (of whatever kind and nature), other than (x) each Gaming Operating Reserve and (y) amounts theretofore released from a Collection Account in accordance herewith, into the Collection Accounts within three (3) Business Days after receipt.

2.6.2. Disbursements from, Security Interest in, Collection Accounts. The Operating Lease provides, among other things, that all Revenues shall be collaterally assigned by Operating Company to Borrower as additional security for Operating Company's obligations under the Operating Lease and that Borrower shall have the right to collaterally assign and pledge such Revenues to Lender as additional security for the Loan. In furtherance thereof, Lender and Borrower agree as follows:

(a) Borrower hereby grants to Lender a first priority security interest in and to all right, title and interest of Borrower in the Collection Accounts and all deposits at any time contained therein and the proceeds thereof (whether now owned or existing or hereafter acquired or arising and regardless of where located). Except as otherwise provided in subparagraphs (b) and (c) hereof, all amounts collected in the Collection Accounts shall be transferred on each Business Day to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender.

(b) Upon the occurrence and during the continuance of an Event of Default hereunder or under any of the Mezzanine Loan Documents, and provided no Event of Default (as such term is defined in the Operating Lease) shall have occurred and be continuing under any Operating Lease, Borrower shall direct and cause Collection Bank to deposit directly into the Cash Management Account, an amount not less than all Rent payable under the applicable Operating Lease for the next thirty (30) days (it being the intent and agreement that, during the continuance of an Event of Default, the Cash Management Account shall at all times contain such amounts sufficient to cover the ensuing 30-day period), including the Monthly Tax and Insurance Amount and the Monthly FF&E Reserve Amount (the amounts described in the preceding sentence, collectively, the "**Monthly Disbursements**"); provided that, notwithstanding the foregoing, Lender may not apply such Monthly Disbursements to the payment of amounts due hereunder in an amount in excess of the amounts owed by the Operating Company under the Operating Lease. In the event Borrower shall have failed to so instruct Collection Bank, Lender shall have the right to so direct the Collection Bank on behalf of Borrower. Any amounts not required to be so deposited into the Cash Management Account shall be transferred on each Business Day thereafter to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender. If no Event of Default has occurred and is continuing hereunder but an Event of Default has occurred and is continuing under any of the Mezzanine Loan Documents, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, such excess shall be remitted to First Mezzanine Lender (or to an account designated by First Mezzanine Lender); provided that, notwithstanding the foregoing, Lender shall not remit any such amounts in excess of the amounts owed by the Operating Company under the Operating Lease. If an Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, Lender shall have the right to retain such excess as collateral for the Loan and/or apply such excess to the payment of the Debt. Notwithstanding anything to the contrary contained herein (including, without limitation, Section 9.4(a) hereof), Borrower acknowledges and agrees that any and all reasonable and customary costs and expenses (including, without limitation, any reasonable attorneys' fees) incurred by Servicer in remitting to Operating Company pursuant to this Section 2.6.2(b) any amounts in excess of Monthly Disbursements shall be borne by, and be the responsibility of, Borrower. Lender and Servicer shall be entitled to rely on, and shall be held harmless in relying on, any instructions from Borrower and/or Operating Company in connection with the remittance of any funds from the Cash Management Account to Operating Company pursuant to this Section 2.6.2(b).

(c) Upon the occurrence and during the continuance of an Event of Default (as such term is defined in the Operating Lease) under any Operating Lease, Borrower shall notify Collection Bank to transfer to the Cash Management Account on each Business Day in immediately available funds by federal wire transfer all amounts on deposit in each Collection Account and, in the event Borrower shall have failed to do so, Lender shall have the right to so direct the Collection Bank on behalf of Borrower, to transfer to the Cash Management Account on each Business Day in immediately available funds by federal wire transfer, all amounts on deposit in each Collection Account up to the aggregate amount owed by Operating Company under the Operating Lease, including, without limitation, any damages pursuant to Section 12.2(a) thereof, and thereafter (as well as pending the determination of such damages) Operating Company shall not receive any monies from the Collection Account except to the extent they exceed the aggregate amount owed by Operating Company under the Operating Lease (or pending such determination, such aggregate amount estimated by Borrower and Lender), including, without limitation, any damages pursuant to Section 12.2(a) thereof. Lender shall have the right to retain all amounts to be paid into the Cash Management Account in accordance with the first sentence of this Section 2.6.2(c) as collateral for the Loan and/or apply such amounts to the payment of the Debt.

(d) Borrower and its Affiliates shall (and Borrower shall cause Operating Company to) execute and deliver such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect, maintain and perfect Lender's security interest in the Collection Accounts.

2.6.3. Cash Management Account. (a) Lender or Servicer may establish and maintain (upon the occurrence of an Event of Default, or at such time as Lender or Servicer shall determine) a segregated Eligible Account (the "**Cash Management Account**") to be held by Servicer in trust for the benefit of Lender. The Cash Management Account shall be under the sole dominion and control of Lender (which may be exercised through Servicer). Lender (and its agents, including Servicer) shall have the sole right to make withdrawals from the Cash Management Account in accordance with the terms and conditions of this Agreement and the other Loan Documents, except as otherwise expressly provided in this Agreement or the other Loan Documents.

(b) Borrower hereby grants to Lender a first priority security interest in the Cash Management Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Cash Management Account, including, without limitation, executing and filing UCC 1 Financing Statements and continuations thereof upon Lender's request therefor. All costs and expenses for establishing and maintaining the Cash Management Account (and any sub account thereof) shall be at Borrower's sole cost and expense.

Borrower shall provide Lender, at any time upon request of Lender, with a Form W-8 or W-9 to evidence that Borrower is not subject to any back-up withholding under the Code.

(d) Upon the occurrence and during the continuance of an Event of Default, all funds on deposit in the Cash Management Account shall be applied by Lender in such order and priority as Lender shall determine.

(j) if requested by Lender, Borrower shall execute amendments to the Loan Documents reasonably requested by Lender, to reflect the existence of such Permitted Mezzanine Loan, provided that any such amendments or agreements will not alter the payment terms of the Loan set forth in this Agreement or the other Loan Documents or materially and adversely affect Borrower or impose additional material obligations or liabilities upon Borrower;

(k) if required by Lender, Borrower shall deliver (i) Additional Insolvency Opinions and, if the Loan Documents are amended pursuant to Section 2.8(k), opinions regarding due execution and enforceability with respect to the Properties, Borrower, Mezzanine Borrowers, Holdings, Guarantor and their respective Affiliates and the Loan Documents, and such related matters as Lender shall reasonably require, and (ii) revised organizational documents for Borrower, which opinions and organizational documents shall be reasonably satisfactory to Lender;

(l) all necessary or appropriate governmental or other third party consents (including any approvals, notices, filings or other actions under or pursuant to the Gaming Laws or other Legal Requirements) required to be obtained or taken by Borrower, any Mezzanine Borrower or the Permitted Mezzanine Borrower for the execution, delivery and performance by the Permitted Mezzanine Borrower of the Permitted Mezzanine Loan shall have been obtained or taken; and

Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations. Borrower possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to own its properties and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The sole business of Borrower is the ownership of the Properties. The ownership interests of Borrower are as set forth on the organizational chart attached hereto as Schedule VIII.

(a) Each Operating Company has been duly organized and is validly existing and in good standing with requisite power and authority to own its properties or assets, including the Gaming Equipment, and to transact the businesses in which it is now engaged. The ownership interests of each Operating Company are as set forth on the organizational chart attached hereto as Schedule VIII.

4.1.2. Proceedings. Borrower and Operating Company have taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents. 4.1.3. No Conflicts; Approvals. (a) The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower and Operating Company will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default

under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower or Operating Company pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement, material lease or other material agreement or instrument to which Borrower or Operating Company (as applicable) is a party or by which any of Borrower's or Operating Company's property or assets is or are subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or Operating Company any of Borrower's or Operating Company's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any such Governmental Authority required for the execution, delivery and performance by Borrower and Operating Company of this Agreement or any other Loan Documents (and the execution by Lender of the remedies provided in the Loan Documents, subject to the limitations thereon pursuant to applicable Gaming Laws) has been obtained and is in full force and effect.

(a) Borrower and Operating Company have obtained all consents and approvals, including all approvals of Governmental Authorities including Gaming Authorities, if required, in connection with the execution, delivery and performance of the Loan Documents (including by Lender and each Mezzanine Lender), the Operating Lease, the Operating Lease Guaranty, the IP License and the operation of the business currently conducted at any of the Properties, and shall promptly execute any and all such instruments and documents, deliver any certificates and do all such other acts or things required by the Gaming Authorities to maintain or keep current such approvals.

4.1.4. Litigation. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending or, to Borrower's knowledge, threatened against or affecting any Loan Party, any Affiliates of Borrower, including Holdings, Operating Company or any Individual Property, or any prior owner or other holder of any interest in any Individual Property, which actions, suits or proceedings, if determined against any Loan Party, Holdings, Operating Company, any other Affiliate or any Individual Property, (taking into account the reasonably estimated damages payable in connection therewith), is reasonably likely to materially adversely affect the condition (financial or otherwise) or business of any Loan Party, any Affiliate of Borrower that is a direct or indirect owner of Borrower, including Holdings and Operating Company, or the condition or ownership of any Individual Property, or any of the material rights, interests and remedies of Lender under the Loan Documents (taken as a whole). None of the actions described on Schedule XXIV, if determined adversely to Borrower, Operating Company and/or any of their respective Affiliates, as applicable, would result in the payment by Borrower, Operating Company or such Affiliate of an amount in excess of Ten Million and no/100 Dollars (\$10,000,000.00), except to the extent covered by insurance.

4.1.5. Agreements. Neither Borrower nor Operating Company is in default, in any material respect, in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any material agreement or instrument to which it is a party or by which Borrower, Operating Company or any of the Properties are bound. 4.1.6. Title. (a) Borrower has good, marketable and insurable fee simple title to the real property comprising part of each Individual Property and that is owned in fee, and good title to the balance of such Individual Property, free and clear of all Liens whatsoever except the Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. Each Operating Company has good, marketable and insurable leasehold title to the real property demised to it, free and clear of all Liens whatsoever except the Permitted Encumbrances and such other Liens as are permitted pursuant to or created by the Loan Documents. To Borrower's best knowledge, the Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of any of the Properties (as currently used) or Borrower's ability to repay the Loan. Each Mortgage, when properly recorded in the appropriate records, together with any Uniform Commercial Code financing statements required to be filed in connection therewith, will create (a) a valid, perfected first priority lien on each Individual Property, subject only to Permitted Encumbrances and the Liens created by the Loan Documents and (b) perfected security interests in and to, and perfected collateral assignments of, all personalty (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. The fair saleable value of Borrower's assets exceeds and will, immediately following the making of the Loan, exceed Borrower's total liabilities, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. The fair saleable value of Borrower's assets is and will, immediately following the making of the Loan, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into

account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). No petition in bankruptcy has been filed against Borrower, Operating Company, any Loan Party or any constituent Person, and none of Borrower, Operating Company, any Loan Party or any constituent Person has ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for the benefit of debtors. None of Borrower, Operating Company, any Loan Party or any of their respective constituent Persons are contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency laws or the liquidation of all or a major portion of Borrower's, Operating Company's or any Loan Party's assets or properties, and Borrower has no knowledge of any Person contemplating the filing of any such petition against it, Operating Company, any Loan Party or such constituent Persons.

4.1.8. Full and Accurate Disclosure. There is no material fact presently known to Borrower which has not been disclosed to Lender which has, nor as far as Borrower can foresee, might reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect.

4.1.9. No Plan Assets. Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101. In addition, (a) Borrower is not a "governmental plan" within the meaning of Section 3(32) of ERISA and (b) transactions by or with Borrower are not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans similar to the provisions of Section 406 of ERISA or Section 4975 of the Code currently in effect, which prohibit or otherwise restrict the transactions contemplated by this Loan Agreement.

4.1.10. Compliance. Except as disclosed in the zoning reports obtained by Lender in connection with the origination of the Loan, Borrower, Operating Company and each Individual Property (including the use thereof) comply in all material respects with all applicable Legal Requirements, including, without limitation, building and zoning ordinances and codes and Prescribed Laws. Borrower and Operating Company are not in default or violation of (i) any material order, writ, injunction, decree or demand of any Gaming Authority or (ii) any material order, writ, injunction, decree or demand of any other Governmental Authority. There has not been committed by Borrower, Operating Company or any other Person in occupancy of or involved with the operation or use of the Properties any act or omission affording the federal government or any other Governmental Authority the right of forfeiture as against any Individual Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents.

4.1.11. Financial Information. All financial data, including, without limitation, the statements of cash flow and income and operating expense, that have been delivered to Lender in connection with the Loan, the Properties and each Loan Party (i) are true, complete and correct in all material respects, (ii) accurately represent in all material respects the

financial condition of the Properties as of the date of such reports, and (iii) to the extent prepared or audited by an independent certified public accounting firm, have been prepared in accordance with GAAP throughout the periods covered, except as disclosed therein. Except for Permitted Encumbrances, Borrower does not have any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and reasonably likely to have a materially adverse effect on Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. Borrower has no Indebtedness other than the Loan. Except for Permitted Indebtedness (Operating Company), Operating Company does not have any Indebtedness or contingent liabilities, or due and unpaid liabilities for taxes, that are known to Borrower or Operating Company and reasonably likely to have a materially adverse effect on Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. Since the date of such financial statements, there has been no material adverse change in the financial condition, operation or business of Borrower or Operating Company from that set forth in said financial statements.

4.1.12. Condemnation. No Condemnation or other similar proceeding has been commenced or, to Borrower's best knowledge, is threatened or contemplated with respect to all or any portion of any Individual Property or for the relocation of roadways providing access to any Individual Property.

4.1.13. Federal Reserve Regulations. No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose which would be inconsistent with such Regulation U or any other Regulations of such Board of Governors, or for any purposes prohibited by Legal Requirements or by the terms and conditions of this Agreement or the other Loan Documents.

4.1.14. Utilities and Public Access. Each Individual Property has rights of access to public ways and is served by water, sewer, sanitary sewer and storm drain facilities adequate to service such Individual Property for its respective intended uses. All public utilities necessary or convenient to the full use and enjoyment of each Individual Property are located either in the public right-of-way abutting such Individual Property (which are connected so as to serve such Individual Property without passing over other property) or in recorded easements serving such Individual Property and such easements are set forth in and insured by the Title Insurance Policies. All roads necessary for the use of each Individual Property for their current respective purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

4.1.15. Not a Foreign Person. Borrower is not a "foreign person" within the meaning of § 1445(f)(3) of the Code.

4.1.16. Separate Lots. Each Individual Property is comprised of one (1) or more parcels which constitute a separate tax lot or lots and does not constitute a portion of any other tax lot not a part of such Individual Property.

4.1.17. Assessments. There are no pending or, to Borrower's knowledge, proposed special or other assessments for public improvements or otherwise affecting any Individual Property, nor are there any contemplated improvements to any Individual Property that may result in such special or other assessments.

4.1.18. Enforceability. The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower, any Affiliates of Borrower including Holdings, Operating Company or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors' rights and the enforcement of debtors' obligations), and Borrower, any Affiliates of Borrower including Holdings, Operating Company and Guarantor have not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

No material claims have been made under any such Policies except such as have been disclosed to Lender, and no Person, including Borrower and Operating Company, has done, by act or omission, anything which would impair the coverage of any such Policies.

4.1.21. Use of Properties. Each Individual Property is used exclusively as a mixed-use hotel and casino operation, and other appurtenant and related uses.

4.1.22. Gaming Licenses and Operating Permits.

(a) Schedule IX contains a correct and complete list of all Gaming Licenses and other material licenses, certification and permits for each of the Properties (and the holder thereof).

(b) Borrower possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents, including, without limitation, all certificates of occupancy, which are material to the ownership and use of each of the Properties, and Operating Company possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents, including, without limitation, all environmental, liquor, Gaming Licenses, health and safety licenses of all Governmental Authorities which are material to the conduct of their business and the use, occupation and operation of each of the Properties and the failure to possess which would have an Individual Material Adverse Effect (collectively, "**Operating Permits**"); each such Operating Permit is and will be in full force and effect (unless, in the case of any Operating Permit, such Operating Permit is no longer necessary or advisable for the conduct of Borrower's or Operating Company's business); Borrower, Operating Company and each of its Affiliates are in compliance in all material respects with all such Operating Permits, and no event (including,

without limitation, any material violation of any law, rule or regulation) has occurred which would be reasonably likely to lead to the revocation or termination of any such Operating Permit or the imposition of any material restriction thereon.

(c) Operating Company and each of its Affiliates possesses all Gaming Licenses which are material to the conduct of their business and the ownership, use, occupation and operation of each of the Properties. Further, Borrower hereby represents and warrants as follows:

(i) Each Gaming License is in full force and effect (except for such Gaming Licenses as are no longer necessary or advisable for the conduct of Borrower's or Operating Company's business); Operating Company and each of its Affiliates, respective directors, members, managers, officers, key personnel and Persons holding a five percent (5%) or greater equity or economic interest directly or indirectly in Operating Company is in compliance in all material respects with all such Gaming Licenses (to the extent required by Legal Requirements), and no event (including, without limitation, any material violation of any Legal Requirements) has occurred which would be reasonably likely to lead to the revocation or termination of any such Gaming Licenses or the imposition of any restriction thereon;

(ii) Borrower has no reason to believe that it and Operating Company will not be able to maintain in effect all Gaming Licenses necessary for the lawful conduct of their business or operations wherever now conducted and as planned to be conducted, including the ownership and operation of the Casino Components, pursuant to all applicable Legal Requirements;

(iii) All Gaming Licenses are in full force and effect and have not been amended or otherwise modified, rescinded, revoked or assigned in any manner that would reasonably be expected to have an Individual Material Adverse Effect;

(iv) Neither Borrower nor Operating Company is in default in any material respect under, or in violation in any material respect of, any Gaming License (and no event has occurred, and no condition exists, which, with the giving of notice or passage of time or both, would constitute a default thereunder or violation thereof that has caused or would reasonably be expected to cause the loss of any Gaming License) (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Borrower's or Operating Company's business);

(v) Neither Borrower nor Operating Company has received any notice of any violation of Legal Requirements which has caused or would reasonably be expected to cause any Gaming License to be suspended, forfeited, modified in any manner that would have an Individual Material Adverse Effect, not renewed, rescinded or revoked (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Borrower's or Operating Company's business);

(vi) No condition exists or event has occurred which would reasonably be expected to result in the suspension, revocation, impairment, forfeiture, rescission or non-renewal of any Gaming License (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Borrower's or Operating Company's business); and

(vii) The continuation, validity and effectiveness of all Gaming Licenses will not be adversely affected by the transactions contemplated by this Agreement.

(d) There is no proceeding, investigation, or disciplinary action (including, without limitation, before any Gaming Authority, under any Gaming Law or under any Gaming License or other Operating Permit) pending or, to Borrower's knowledge, threatened against any of Borrower, Operating Company or, to Borrower's knowledge, any of their respective directors, members, managers, officers, key personnel or Persons holding a five percent (5%) or greater direct or indirect equity or economic interest in Borrower or Operating Company and that could reasonably be expected to have an Individual Material Adverse Effect.

(e) There is no proceeding (including, without limitation, before any Gaming Authority, under any Gaming Law or under any Gaming License or other Operating Permit) pending or, to Borrower's knowledge, threatened either (a) in connection with, or that seeks to restrain, enjoin, prevent the consummation of or otherwise challenge, any of the Loan Documents or any of the transactions contemplated therein, or (b) that could reasonably be expected to have an Individual Material Adverse Effect.

(f) Neither the execution, delivery or performance of any of the Loan Documents (nor the Securitization or any participations in the Loan, or the creation or sale of any of the Mezzanine Loans) will (i) require the consent of any Gaming Authority not heretofore obtained or (ii) allow or result in the imposition of any material penalty under, or the revocation or termination of, any Gaming License or any material impairment of the rights of the holder of any Gaming License.

4.1.23. Flood Zone. None of the Improvements on any Individual Property are located in an area as identified by the Federal Emergency Management Agency as an area having special flood hazards or, if so located, the flood insurance required pursuant to Section 6.1(a)(i) is in full force and effect with respect to each such Individual Property.

4.1.24. Physical Condition. Except as disclosed in the engineering reports obtained by Lender in connection with the Properties, to Borrower's knowledge, each Individual Property, including, without limitation, all buildings, improvements, parking facilities, sidewalks, storm drainage systems, roofs, plumbing systems, HVAC systems, fire protection systems, electrical systems, equipment, elevators, exterior sidings and doors, landscaping, irrigation systems and all structural components, are in good condition, order and repair in all material respects; there exists no structural or other material defects or damages in any Individual Property, whether latent or otherwise, and Borrower has not received notice from any insurance company or bonding company of any defects or inadequacies in any Individual Property, or any part thereof, which would adversely affect the insurability of the same or cause the imposition of extraordinary premiums or charges thereon or of any termination or threatened termination of any policy of insurance or bond.

4.1.25. Boundaries. To Borrower's knowledge, all of the improvements which were included in determining the appraised value of each Individual Property lie wholly within the boundaries and building restriction lines of such Individual Property. No improvements on adjoining properties encroach upon any Individual Property, and no easements or other encumbrances upon an Individual Property encroach upon any of the improvements, so as to affect the value or marketability of the applicable Individual Property (except those which, in each case, are insured against by the Title Insurance Policy).

4.1.26. Leases. (a) The Operating Leases (together with any certificates and notifications entered into in connection therewith) and the Operating Lease Guaranty provided to Lender on the Closing Date (or, with respect to those Operating Leases relating to Swap Properties, on the Closing Date) are true, correct, accurate and complete copies of such documents and constitute the entire agreement between the parties thereto with respect to the subject matter therein and there are no written agreements modifying, amending, supplementing or restating such documents. Except as set forth on Schedule X, the Properties are not subject to any space Leases other than the Operating Lease and space Leases providing for occupancy of less than one hundred (100) square feet. Each Operating Lease is a "true lease" for all purposes of the Bankruptcy Code (including Section 365(d) and 502(b)(6) thereof) and applicable Legal Requirements, and no Operating Lease constitutes a financing or conveys any interest in the Properties other than the leasehold interest therein demised thereby. Borrower is the owner and lessor of landlord's interest in the Operating Lease and the Operating Lease Guaranty. Currently, no Person has any possessory interest in any Individual Property or right to occupy the same except under and pursuant to the provisions of the Operating Lease, any other space Leases listed on Schedule X and, with respect to a right to occupancy only (and not a possessory interest), hotel guests. Each Operating Lease and Operating Lease Guaranty is in full force and effect and there are no material events of default thereunder by any party thereto and there are no conditions that, with the passage of time or the giving of notice, or both, would constitute such a default thereunder. No Rent under any Operating Lease has been paid more than one (1) month in advance of its due date and no Rents or charges under the Operating Lease have been waived, released or otherwise discharged or compromised. There has been no prior sale, transfer or assignment, hypothecation or pledge of any Operating Lease, Operating Lease Guaranty or of the Rents. No Operating Company has assigned the Operating Lease or sublet all or any portion of any Individual Property except pursuant to the Operating Lease and the terms hereof.

(b) The Properties are not subject to any space Leases other than the Leases described in Schedule X attached hereto. Operating Company is the owner and lessor of landlord's interest in all such space Leases. No Person has any possessory interest in any Individual Property except under and pursuant to the provisions of the space Leases, and no Person has any right to occupy any portion of any Individual Property except under and pursuant to the provisions of the space Leases and hotel guests. The current space Leases are in full force and effect and, except as shown in Schedule X attached hereto, to Borrower's knowledge, there are no material defaults thereunder by either party and there are no conditions that, with the passage of time or the giving of notice, or both, would constitute defaults thereunder. No Rent has been paid more than one (1) month in advance of its due date. Except as shown in Schedule X attached hereto, all work to be performed by Borrower (or Operating Company) under each space Lease has been performed as and to the extent required and has been accepted by the applicable tenant, and any payments, free rent, partial rent, rebate of rent or other payments,

credits, allowances or abatements required to be given by Borrower (or Operating Company) to any tenant has already been received by such tenant. There has been no prior sale, transfer or assignment, hypothecation or pledge of any space Lease or of the Rents received therein which is still in effect. To Borrower's knowledge, except as shown on Schedule X, no tenant listed on Schedule X has assigned its space Lease or sublet all or any portion of the premises demised thereby, no such tenant holds its leased premises under assignment or sublease, nor does anyone except such tenant and its employees occupy such leased premises. No tenant under any space Lease has a right or option pursuant to such Lease or otherwise to purchase all or any part of the leased premises or the building of which the leased premises are a part. No tenant under any space Lease has any right or option for additional space in the Improvements except pursuant to such tenant's space Lease.

4.1.27. Trade Name; Other Intellectual Property. Each Borrower and Operating Company owns and possesses or licenses (as the case may be) all such patents, patent rights, trademarks, trademark rights, trade names, trade name rights, service marks, service mark rights, websites, domain names and copyrights, as more particularly described on Schedule XI, as Borrower and Operating Company consider necessary for the conduct of their respective businesses as now conducted without, individually or in the aggregate, any infringement upon rights of other Persons, in each case except as could not reasonably be expected to materially and adversely (i) affect the value of any of the Properties, (ii) impair the use and operation of any of the Properties or (iii) impair Borrower's and Operating Company's ability to pay their respective obligations (under the Loan Documents or the Operating Lease) in a timely manner.

4.1.28. Principal Place of Business; State of Organization. (a) Borrower's principal place of business as of the date hereof is the address set forth in Schedule I. Each Borrower is organized under the laws of the State of Delaware.

(b) Operating Company's principal place of business as of the date hereof is the address set forth in Schedule I. Each Operating Company is organized under the laws of the state of Delaware.

4.1.29. Filing and Recording Taxes. All transfer taxes, deed stamps, intangible taxes or other amounts in the nature of transfer taxes required to be paid by any Person under applicable Legal Requirements currently in effect in connection with the transfer of the Properties to Borrower have been paid. All mortgage, mortgage recording, stamp, intangible or other similar tax required to be paid by any Person under applicable Legal Requirements currently in effect in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of any of the Loan Documents, including, without limitation, the Mortgages, have been paid, and, under current Legal Requirements, each of the Mortgages is enforceable in accordance with their respective terms by Lender (or any subsequent holder thereof), subject to principles of equity and bankruptcy, insolvency and other laws generally applicable to creditors' rights and the enforcement of debtors' obligations.

4.1.30. Special Purpose Entity/Separateness. From the Original Closing Date, until the Debt has been paid in full, Borrower hereby represents, warrants and covenants that Borrower and each SPE Party (other than Paris Individual Borrower and Laughlin Individual Borrower) is, has been, shall be and shall continue to be a Special Purpose Entity. Until the Debt

has been paid in full, Borrower hereby represents, warrants and covenants that each of Paris Individual Borrower and Laughlin Individual Borrower is, shall be, and shall continue to be a Special Purpose Entity. From the Original Closing Date to, and including, the date hereof, Borrower hereby represents and warrants that each of Original Tahoe Borrower and Original Showboat Borrower has each been a Special Purpose Entity.

(a) The representations, warranties and covenants set forth in Section 4.1.30 shall survive for so long as any amount remains payable to Lender under this Agreement or any other Loan Document.

(b) All of the assumptions made in the Insolvency Opinion, including, but not limited to, any exhibits attached thereto, are true and correct and any assumptions made in any subsequent non-consolidation opinion required to be delivered in connection with the Loan Documents (an “**Additional Insolvency Opinion**”), including, but not limited to, any exhibits attached thereto, will have been and shall be true and correct. Borrower has complied and will comply with, and Borrower shall cause each SPE Party and Operating Company to comply with, all of the assumptions made with respect to the SPE Parties and Operating Company in the Insolvency Opinion. The SPE Parties will have complied and will comply with all of the assumptions made with respect to the SPE Parties in any Additional Insolvency Opinion. Each entity with respect to which an assumption shall be made in any Additional Insolvency Opinion will have complied and will comply with all of the assumptions made with respect to it in any Additional Insolvency Opinion.

(c) All of the assumptions made in the True Lease Opinion, including, but not limited to, any exhibits attached thereto, are true and correct and any assumptions made in any subsequent true lease opinion required to be delivered in connection with the Loan Documents (an “**Additional True Lease Opinion**”), including, but not limited to, any exhibits attached thereto, will have been and shall be true and correct. Each SPE Party has complied and will comply with, and Borrower shall cause Operating Company to comply with, all of the assumptions made with respect to such SPE Parties and Operating Company in the True Lease Opinion. Each SPE Party will have complied and will comply with all of the assumptions made with respect to such SPE Parties in any Additional True Lease Opinion. Each entity with respect to which an assumption shall be made in any Additional True Lease Opinion will have complied and will comply with all of the assumptions made with respect to it in any Additional True Lease Opinion.

4.1.31. Operating Leases; Operating Lease Guaranty. The Operating Leases and the Operating Lease Guaranty are in full force and effect and there is no default thereunder by any party thereto and no event has occurred that, with the passage of time and/or the giving of notice would constitute a default thereunder.

4.1.32. Illegal Activity. No portion of any Individual Property has been or will be purchased with proceeds of any illegal activity.

4.1.33. IP License. The IP License is in full force and effect and there is no default thereunder by any party thereto and no event has occurred that, with the passage of time and/or the giving of notice would constitute a default thereunder.

4.1.34. Investment Company Act. Borrower is not an “investment company” or a company “controlled” by an “investment company,” within the meaning of the Investment Company Act of 1940, as amended.

4.1.35. Embargoed Person. At all times throughout the term of the Loan, including after giving effect to any Transfers permitted pursuant to the Loan Documents, (a) none of the funds or other assets of Borrower, Holdings, Operating Company and Guarantor constitute property of, or are beneficially owned, directly or indirectly, by any person, entity or government subject to trade restrictions under U.S. law, including, but not limited to, the International Emergency Economic Powers Act, 50 U.S.C. §§ 1701 et seq., The Trading with the Enemy Act, 50 U.S.C. App. 1 et seq., and any Executive Orders or regulations promulgated thereunder with the result that the investment in any Loan Party or Operating Company, as applicable (whether directly or indirectly), is prohibited by law or the Loan made by the Lender is in violation of law (“**Embargoed Person**”); (b) no Embargoed Person has any interest of any nature whatsoever in any Loan Party, Holdings or Operating Company, as applicable, with the result that the investment in any Loan Party, Holdings or Operating Company, as applicable (whether directly or indirectly), is prohibited by law or the Loan is in violation of law; and (c) none of the funds of any Loan Party, Holdings or Operating Company, as applicable, have been derived from any unlawful activity with the result that the investment in Loan Party, Holdings or Operating Company, as applicable (whether directly or indirectly), is prohibited by law or the Loan is in violation of law.

4.1.36. Intentionally Omitted.

4.1.37. Taxes including Gaming Taxes and Fees. Borrower and each of its Affiliates, and Operating Company and each of its Affiliates, have filed or caused to be filed all Federal, state, local and foreign tax returns (including, without limitation, all reports relating to gaming taxes and fees to the Gaming Authorities) which are required to be filed by them, on or prior to the Original Closing Date or the date hereof, as applicable, other than tax returns in respect of taxes that (i) are not franchise, capital or income taxes, (ii) in the aggregate are not material and (iii) would not, if unpaid, result in the imposition of any material Lien on any property or assets of Borrower (or any of its Affiliates) or Operating Company (or any of its Affiliates). All such filed tax returns were, to Borrower’s knowledge, true, correct and complete when filed. Borrower and its Affiliates, and Operating Company and its Affiliates, have paid or caused to be paid all taxes shown to be due and payable on such filed returns or on any assessments received by them, other than any taxes or assessments the validity of which Borrower or such Affiliate (or Operating Company and its Affiliates, as applicable) is contesting in good faith by appropriate proceedings, and with respect to which Borrower or such Affiliates (or Operating Company and its Affiliates, as applicable) shall have set aside adequate reserves. Neither Borrower nor any of its Affiliates (nor Operating Company or any of its Affiliates, as applicable) has as of the date hereof requested or been granted any extension of time to file any Federal, state, local or foreign tax return. Neither Borrower nor Operating Company is party to (or has any obligation under) any tax sharing agreement.

4.1.38. Intentionally Omitted.

4.1.39. REA. Each REA is in full force and effect and neither Borrower nor, to Borrower's actual knowledge, any other party to the REA, is in default in any material respect thereunder, and to the best of Borrower's actual knowledge, there are no conditions which, with the passage of time or the giving of notice, or both, would constitute a material default thereunder. To Borrower's actual knowledge, no REA has been modified, amended or supplemented except as disclosed in any Title Insurance Policy.

4.1.40. Operation of Properties. (a) The operation, management and use of each Individual Property by Borrower and Operating Company is in compliance in all material respects with applicable Legal Requirements, including all applicable Gaming Laws, and all other federal, state, or local governmental authorities including, without limitation, those requirements relating to such Individual Property's physical structure and environment, except to the extent that non-compliance would not reasonably be expected to have an Individual Material Adverse Effect.

(b) The licenses, permits, and regulatory agreements, approvals and registrations relating to each Individual Property, including the Gaming Licenses, (i) may not be, and have not been, transferred to any location other than any Individual Property; have not been pledged as collateral security for any other loan or indebtedness; and are held free from restrictions or known conflicts that would materially impair the use or operation of any Individual Property as intended, (b) are in full force and effect and in good standing and (c) are not provisional, conditional or probationary in any manner.

(c) None of Borrower, Holdings, Guarantor or Operating Company is currently the subject of any proceeding by any Governmental Authority, and no notice of any violation has been received from a Governmental Authority that, in either case, would reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect.

(d) None of Borrower or Operating Company has received a statement of charges or deficiencies and no penalty enforcement actions have been undertaken against any of them relating to any Individual Property by any Governmental Authority during the last three (3) calendar years which caused or could cause an Individual Material Adverse Effect or an Aggregate Material Adverse Effect.

(e) Each Operating Lease and Operating Lease Guaranty is in full force and effect and no party to either agreement has defaulted thereunder in any material respect.

(f) None of Borrower or Operating Company has pledged its receivables relating to any of the Properties as collateral security for any other loan or indebtedness.

Section 4.2. Survival of Representations. Borrower agrees that all of the representations and warranties of Borrower set forth in Section 4.1 and elsewhere in this Agreement and in the other Loan Documents shall survive for so long as any amount remains owing to Lender under this Agreement or any of the other Loan Documents by Borrower. All representations, warranties, covenants and agreements made in this Agreement or in the other Loan Documents by Borrower shall be deemed to have been relied upon by Lender notwithstanding any investigation heretofore or hereafter made by Lender or on its behalf.

V. BORROWER COVENANTS

Section 5.1. Affirmative Covenants. From the Original Closing Date (or, with respect to each Swap Property, from the date hereof) and until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Liens of all Mortgages encumbering the Properties (and all related obligations) in accordance with the terms of this Agreement and the other Loan Documents, Borrower hereby covenants and agrees with Lender that:

5.1.1. Existence; Compliance with Legal Requirements. Borrower shall, and shall cause Operating Company to, do or cause to be done all things necessary to preserve, renew and keep in full force and effect their existence, rights, licenses, permits and franchises and comply with all Legal Requirements applicable to Borrower, Operating Company and the Properties, including, without limitation, Prescribed Laws. There shall never be committed by Borrower and Borrower shall not permit any other Person in occupancy of or involved with the operation or use of the Properties, including Operating Company, to commit any act or omission affording the federal government or any state or local government the right of forfeiture against any Individual Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents. Borrower hereby covenants and agrees not to commit, permit or suffer to exist any act or omission affording such right of forfeiture. Borrower shall at all times maintain, preserve and protect all franchises and trade names and preserve all the remainder of its property used or useful in the conduct of its business and shall keep the Properties in good working order and repair. Borrower shall keep the Properties insured at all times as (and in the amounts) provided elsewhere in this Agreement. Borrower shall operate any Individual Property that is the subject of the O&M Agreement in accordance with the terms and provisions thereof in all material respects. After prior notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding promptly initiated and conducted in good faith and with due diligence, the validity of any Legal Requirement, the applicability of any Legal Requirement to Borrower or any Individual Property or any alleged violation of any Legal Requirement, provided that (i) no Event of Default has occurred and remains uncured; (ii) such proceeding shall be permitted under and be conducted in accordance with the provisions of any applicable material instrument to which Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all Legal Requirements; (iii) no Individual Property nor any material part thereof or interest therein will be in imminent danger of being sold, forfeited, terminated, cancelled or lost; (iv) Borrower shall promptly upon receipt of a final, non-appealable determination thereof comply with any such Legal Requirement determined to be valid or applicable or cure any violation of any such Legal Requirement; (v) such proceeding shall suspend the enforcement of the contested Legal Requirement against Borrower and any Individual Property; and (vi) Borrower shall furnish such security as may be required in the proceeding, or as may be reasonably requested by Lender, to insure compliance with such Legal Requirement, together with all interest and penalties payable in connection therewith. Lender may apply any such security, as necessary to cause compliance with such Legal Requirement at any time when, in the reasonable judgment of Lender, the validity, applicability or violation of such Legal Requirement is finally established or any Individual Property (or any part thereof or interest therein) shall be in imminent danger of being sold, forfeited, terminated, cancelled or lost.

5.1.2. Taxes and Other Charges. Borrower shall pay or cause to be paid all Taxes and Other Charges now or hereafter levied or assessed or imposed against the Properties or any part thereof as the same become due and payable; provided, however, Borrower's obligation to directly pay or cause to be paid Taxes shall be suspended for so long as Borrower complies with the terms and provisions of Section 7.2 hereof. Borrower will deliver to Lender receipts for payment or other evidence satisfactory to Lender that the Taxes and Other Charges have been so paid or are not then delinquent no later than the date on which the Taxes and/or Other Charges would otherwise be delinquent if not paid; provided, however, Borrower is not required to furnish such receipts for payment of Taxes in the event that such Taxes have been paid by Lender pursuant to Section 7.2 hereof. Borrower shall not suffer and shall promptly cause to be paid and discharged any Lien or charge whatsoever which may be or become a Lien or charge against the Properties other than Permitted Encumbrances, and shall promptly pay or cause to be paid for all utility services provided to the Properties. After prior notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any Taxes or Other Charges, provided that (a) no Default or Event of Default has occurred and remains uncured; (b) such proceeding shall be permitted under and be conducted in accordance with the provisions of any applicable material other instrument to which Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all Legal Requirements; (c) no Individual Property nor any part thereof or interest therein will be in imminent danger of being sold, forfeited, terminated, cancelled or lost; (d) Borrower shall promptly upon receipt of a final, non-appealable determination thereof pay the amount of any such Taxes or Other Charges, together with all costs, interest and penalties which may be payable in connection therewith; (e) such proceeding shall suspend the collection of such contested Taxes or Other Charges from the applicable Individual Property; and (f) Borrower shall furnish such security as may be required in the proceeding, or as may be reasonably requested by Lender, to insure the payment of any such Taxes or Other Charges, together with all interest and penalties thereon. Lender may pay over any such cash deposit or part thereof held by Lender to the claimant entitled thereto at any time when, in the judgment of Lender, the entitlement of such claimant is established or any Individual Property (or part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, cancelled or lost or there shall be any danger of the Lien of any Mortgage being primed by any related Lien.

5.1.3. Litigation. Borrower shall give prompt notice to Lender of any litigation or governmental proceedings pending or, to Borrower's knowledge, threatened against Borrower, Operating Company, Holdings or Guarantor which, in any such case, might materially adversely affect Borrower's, Operating Company's, Holdings's or Guarantor's condition (financial or otherwise) or business or any Individual Property. Borrower shall not, without the prior written consent of Lender (which may be furnished or withheld at its sole and absolute discretion), give its consent or approval to the settlement of any claim against Borrower, other than a fully insured third party claim, in any amount greater than Five Million and no/100 Dollars (\$5,000,000.00).

5.1.4. Access to Properties. Borrower shall permit agents, representatives and employees of Lender and any Noteholder, and prospective purchasers of any Note or any interest therein, to inspect the Properties or any part thereof at reasonable hours upon reasonable advance notice, and Borrower shall cause Operating Company to permit such access by Lender, in each case subject to the rights of tenants under Leases and Hotel guests.

5.1.5. Notice of Default. Borrower shall promptly advise Lender of any material Default or Event of Default of which Borrower has knowledge.

5.1.6. Cooperate in Legal Proceedings. Borrower shall cooperate fully with Lender with respect to any proceedings before any court, board or other Governmental Authority which may in any way affect the rights of Lender hereunder or any rights obtained by Lender under any of the other Loan Documents and, in connection therewith, permit Lender, at its election, to participate in any such proceedings.

5.1.7. Perform Loan Documents. Borrower shall observe, perform and satisfy all the terms, provisions, covenants and conditions of, and shall pay when due all costs, fees and expenses to the extent required under the Loan Documents executed and delivered by, or applicable to, Borrower.

5.1.8. Award and Insurance Benefits. Borrower shall cooperate with Lender in obtaining for Lender the benefits of any Awards or Insurance Proceeds lawfully or equitably payable in connection with any Individual Property, and Lender shall be reimbursed for any actual, reasonable out-of-pocket expenses incurred in connection therewith (including actual, reasonable out-of-pocket attorneys' fees and disbursements, and, if reasonably required, the payment by Borrower of the expense of an appraisal on behalf of Lender in case of Casualty or Condemnation affecting any Individual Property or any part thereof) out of such Insurance Proceeds.

5.1.9. Further Assurances. Borrower shall and shall cause Guarantor and Operating Company to, at Borrower's sole cost and expense:

(a) furnish to Lender all instruments, documents, boundary surveys, footing or foundation surveys, certificates, plans and specifications, appraisals, title and other insurance reports and agreements, and each and every other document, certificate, agreement and instrument, in each case in such party's possession, not subject to confidentiality restrictions barring the delivery of such materials, and which are either required to be furnished by Borrower or Operating Company pursuant to the terms of the Loan Documents or which are reasonably requested by Lender in connection therewith;

(b) execute and deliver to Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the collateral at any time securing or intended to secure the obligations of Borrower under the Loan Documents, as Lender may reasonably require; and

(c) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of this Agreement and the other Loan Documents, as Lender shall reasonably require from time to time.

5.1.10. Supplemental Mortgage Affidavits. Borrower represents that it has paid all state, county and municipal recording and all other taxes imposed upon the execution and recordation of the Mortgages. If at any time Lender determines, based on applicable law, that Lender is not being afforded the maximum amount of security available from any one or more of the Properties as a direct or indirect result of applicable taxes not having been paid with respect to any Individual Property, Borrower agrees that Borrower will execute, acknowledge and deliver to Lender, immediately upon Lender's request, supplemental affidavits increasing the amount of the Debt attributable to any such Individual Property (as set forth as the Allocated Loan Amount on Schedule II annexed hereto) for which all applicable taxes have been paid to an amount determined by Lender to be equal to the lesser of (a) the greater of the fair market value of the applicable Individual Property (i) as of the Original Closing Date (or, with respect to each Swap Property, as of the date hereof) and (ii) as of the date such supplemental affidavits are to be delivered to Lender, and (b) the amount of the Debt attributable to any such Individual Property (as set forth as the Allocated Loan Amount on Schedule II annexed hereto), and Borrower shall, on demand, pay any additional taxes.

5.1.11. Financial Reporting. (a) Borrower will keep or will cause to be kept and maintained on a Fiscal Year basis, in accordance with GAAP (or such other accounting basis acceptable to Lender), books, records and accounts reflecting all of the financial affairs of Borrower and all items of income and expense in connection with the operation on an individual basis of the Properties. Lender (at Lender's sole cost and expense) shall have the right from time to time at all times during normal business hours upon reasonable notice to examine the books, records and accounts of Borrower at the office of Borrower or any other Person maintaining such books, records and accounts and to make such copies or extracts thereof as Lender shall desire. After the occurrence and during the continuance of an Event of Default, Borrower shall pay any costs and expenses incurred by Lender to examine Borrower's or to the extent permitted under the Operating Lease, Operating Company's accounting records with respect to the Properties, as Lender shall determine to be necessary or appropriate in the protection of Lender's interest.

(b) Borrower will furnish to Lender annually, by no later than April 30, 2009, and thereafter within no more than one hundred twenty (120) days following the end of each Fiscal Year of Borrower, a complete copy of the annual financial statements of the Operating Company and Borrower (and of no other entity or Person), audited by a "Big Four" accounting firm or other independent certified public accountant acceptable to Lender in accordance with GAAP (or such other accounting basis acceptable to Lender) covering the Properties on a combined basis for such Fiscal Year (and no other Persons, Properties or assets) and containing statements of profit and loss for the Operating Companies, Borrower and the Properties (on a combined basis) and a balance sheet for the Operating Company, Borrower and the Properties (on a combined basis), in each case showing no other assets than the Properties (and the interests of Operating Company and Borrower therein). In addition, Borrower will furnish to Lender by no later than April 30, 2008 (i) a "balance sheet only audit" prepared by a "Big Four" accounting firm or other independent certified public accountant acceptable to Lender (for the Fiscal Year ending December 31, 2007) and (ii) a complete copy of annual financial statements for the Operating Company and Borrower prepared in accordance with GAAP (or such other accounting

basis acceptable to Lender), covering the Operating Companies, each Borrower and the Properties on a combined basis for such Fiscal Year (ending December 31, 2007) and containing statements of profit and loss for the Operating Companies, each Borrower and the Properties (in each case, on a combined basis), and a balance sheet for the Operating Companies, Borrowers and the Properties (in each case, on a combined basis). All such statements (including statements for the Fiscal Year ending December 31, 2007, and thereafter for all statements provided yearly to Lender) shall set forth the financial condition and the results of operations for the Properties for such Fiscal Year, and shall include, but not be limited to, amounts representing Borrower's reasonable and good faith determination of aggregate annual EBITDAR from all of the Properties and capital expenditures (allocated between maintenance and growth) at the Properties (it being acknowledged that Borrower's statement of EBITDAR pursuant to the above provisions of this sentence and the balance of this Section 5.1.11 shall not be binding on Lender and shall be subject to Lender's reasonable review). All such statements (including statements for the Fiscal Year ending December 31, 2007, and thereafter for all statements provided yearly to Lender) shall also set forth unaudited schedules for each Individual Property, detailing the statements of profit and loss and a balance sheet for each Individual Property, as well as gross revenues, gross hotel and casino revenues, EBITDAR and capital expenditures (allocated between maintenance and growth). The annual financial statements, as described above, shall be accompanied by (1) a comparison of the budgeted income and expenses and the actual income and expenses for the prior Fiscal Year, (2) in the case of any financial statements for Fiscal Year 2008 and thereafter, an unqualified opinion of a "Big Four" accounting firm or other independent certified public accountant reasonably acceptable to Lender, (3) room rate reports and RevPAR calculations, and (4) an Officer's Certificate certifying (A) that each annual financial statement presents fairly the financial condition and the results of operations of the Operating Companies, Borrowers and the Properties being reported upon, (B) that such financial statements have been prepared in accordance with GAAP (or such other accounting basis acceptable to Lender) and (C) as of the date thereof whether there exists an event or circumstance which constitutes a Default or Event of Default, and if such Default or Event of Default exists, the nature thereof, the period of time it has existed and the action then being taken to remedy the same. Any audits performed by Borrower (and any audited materials and other information provided to Lender, as required hereunder in order for Borrower to comply with the requirements of this subparagraph (b)) may be performed with respect to the Properties on a "combining basis" (so that a single audit of the Properties, rather than individual audits of each of the separate Properties, may be performed and provided).

(c) Borrower will furnish, or cause to be furnished, to Lender on or before sixty (60) days after the end of each fiscal quarter the following items, accompanied by an Officer's Certificate stating that such items fairly present the financial condition and results of the Operating Company, Borrower and the Properties, subject to normal year-end adjustments, as applicable: (i) quarterly and year-to-date operating statements (including Capital Expenditures) noting such information as is necessary and sufficient to fairly represent the financial position and results of operation of the Properties during such quarter, and containing a comparison of budgeted income and expenses and the actual income and expenses together with a detailed explanation of any variances of ten percent (10%) or more between budgeted and actual amounts for such periods, all in form reasonably satisfactory to Lender; and (ii) a calculation reflecting the Debt Service Coverage Ratio, gross revenues, gross hotel and casino revenues, EBITDAR and capital expenditures (allocated between maintenance and growth), in each case for the

immediately preceding twelve (12) month period as of the last day of such quarter (it being acknowledged that Borrower's statement of EBITDAR pursuant to the above provisions of this sentence and the balance of this Section 5.1.11 shall not be binding on Lender and shall be subject to Lender's reasonable review). Borrower shall provide the statements and calculations required hereunder on both a "combined basis" for all Properties and on an Individual Property-by-Individual Property basis. In addition, such Officer's Certificate shall also state that the representations and warranties of Borrower set forth in Section 4.1.30 are true and correct as of the date of such certificate and that there are no trade payables outstanding for more than ninety (90) days. In addition, prior to a Securitization or Syndication, Borrower shall be obligated to provide the statements and calculations, as well as the Officer's Certificate, described in this subparagraph (c) to Lender on a monthly basis (such requirements to be modified as appropriate to reflect the fact that the information shall be required to be provided monthly (e.g., monthly rent rolls, monthly and year-to-date operating statements, a calculation reflecting the Debt Service Coverage Ratio for the immediately preceding twelve (12) month period as of the last day of such month), in each case within no more than thirty (30) days following the end of each calendar month.

(d) For the partial year period commencing on the Original Closing Date, and for each Fiscal Year thereafter, Borrower shall submit to Lender for informational purposes only an Annual Budget not later than the commencement of such period or Fiscal Year in form reasonably satisfactory to Lender.

(e) Intentionally Omitted.

(f) If, at the time one or more Disclosure Documents are being prepared for a public Securitization, Lender expects that Borrower alone or Borrower and one or more Affiliates of Borrower collectively, or the Properties and Related Properties collectively, will be a "**Significant Obligor**", as that term is defined in Item 1101(k) of Regulation AB (as defined below), Borrower shall furnish to Lender upon request (i) the selected financial data or, if applicable, net operating income, required under Item 1112(b)(1) of Regulation AB, if Lender expects that the principal amount of the Loan together with any other loans made to an Affiliate of Borrower or secured by a Related Property, that is included in a Securitization with the Loan (each, a "**Related Loan**") as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed ten percent (10%) (but less than twenty percent (20%)) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in the Securitization or (ii) the financial statements required under Item 1112(b)(2) of Regulation AB, if Lender expects that the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed twenty percent (20%) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in the Securitization. Such financial data or financial statements shall be furnished to Lender (A) within ten (10) Business Days after written notice from Lender in connection with the preparation of Disclosure Documents for the Securitization, (B) not later than thirty (30) days after the end of each fiscal quarter of Borrower and (C) not later than sixty

(60) days after the end of each fiscal year of Borrower; provided, however, that Borrower shall not be obligated to furnish financial data or financial statements pursuant to clauses (B) or (C) of this sentence with respect to any period for which a filing pursuant to the Exchange Act in connection with or relating to the Securitization (an “**Exchange Act Filing**”) is not required. If requested by Lender, in writing, Borrower shall use commercially reasonable efforts to furnish to Lender financial data and/or financial statements for any tenant of any of the Properties (other than a tenant that is a reporting company under the Exchange Act) if, in connection with a Securitization, Lender expects there to be, with respect to such tenant or group of affiliated tenants, a concentration within all of the mortgage loans included or expected to be included, as applicable, in the Securitization such that such tenant or group of affiliated tenants would constitute a Significant Obligor. “**Related Property**” shall mean a parcel of real property, together with improvements thereon and personal property related thereto, that is “related”, within the meaning of the definition of Significant Obligor, to any of the Properties. “**Regulation AB**” shall mean Regulation AB under the Securities Act and the Exchange Act, as such Regulation may be amended from time to time.

(g) All financial data and financial statements provided by Borrower and Operating Company hereunder pursuant to Section 5.1.11(f) shall be prepared in accordance with GAAP, and all such financial statements shall meet the requirements of Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and any other applicable legal requirements. All financial statements referred to in clause (ii) of Section 5.1.11(f) shall be audited by independent accountants of Borrower reasonably acceptable to Lender in accordance with Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and all other applicable legal requirements, shall be accompanied by the manually executed report of the independent accountants thereon, which report shall meet the requirements of Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and all other applicable legal requirements, and shall be further accompanied by a manually executed written consent of the independent accountants, in form and substance reasonably acceptable to Lender, to the inclusion of such financial statements in any Disclosure Document and any Exchange Act Filing and to the use of the name of such independent accountants and the reference to such independent accountants as “experts” in any Disclosure Document and Exchange Act Filing, all of which shall be provided at the same time as the related financial statements are required to be provided, in each case if applicable (i.e., in the case of a public securitization). All financial data and financial statements (audited or unaudited) provided by Borrower under this Section 5.1.11(g) shall be accompanied by an Officer’s Certificate which shall state that such financial statements meet the requirements set forth in the first sentence of this Section 5.1.11(g) to the extent applicable.

(h) If requested by Lender, Borrower shall provide Lender, promptly upon request, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall reasonably determine to be required pursuant to Regulation AB, Regulation S-X, Regulation S-K or any amendment, modification or replacement thereto or other legal requirements in connection with any Disclosure Document or any Exchange Act Filing or as shall otherwise be reasonably requested by the Lender.

(i) In the event Lender reasonably determines, in connection with a Securitization, that the financial data and financial statements required in order to comply with Regulation AB, Regulation S-X, Regulation S-K or any amendment, modification or replacement thereto or other legal requirements are other than as provided herein, then notwithstanding the provisions of Sections 5.1.11(f) and (g), Lender may request, and Borrower shall promptly provide, such other financial statements as Lender determines to be necessary or appropriate for such compliance.

(j) Any reports, statements or other information required to be delivered under this Agreement shall be delivered (i) in paper form, and (ii) if requested by Lender and within the capabilities of Borrower's data systems without change or modification thereto, in electronic form and prepared using a Microsoft Word for Windows or WordPerfect for Windows files (which files may be prepared using a spreadsheet program and saved as word processing files). Borrower agrees that Lender may disclose information regarding any of the Properties, Borrower and Operating Company that is provided to Lender pursuant to this Section in connection with the Securitization to such parties reasonably requesting such information in connection with such Securitization.

5.1.12. Business and Operations. Borrower will, and will cause Operating Company to, continue to engage in the businesses presently conducted by it as and to the extent the same are necessary for the ownership, maintenance, management and operation of the Properties. Borrower will and will cause Operating Company to qualify to do business and will remain in good standing under the laws of each jurisdiction as and to the extent the same are required for the ownership, maintenance, management and operation of the Properties.

5.1.13. Title to the Properties. Borrower will warrant and defend (a) the title to each Individual Property and every part thereof, subject only to Liens permitted hereunder (including Permitted Encumbrances) and (b) the validity and priority of the Liens of the Mortgages and the Assignments of Leases, subject only to Liens permitted hereunder (including Permitted Encumbrances), in each case against the claims of all Persons whomsoever. Borrower shall reimburse Lender for any actual out-of-pocket losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Lender if an interest in any Individual Property, other than as permitted hereunder, is claimed by another Person.

5.1.14. Costs of Enforcement. In the event (a) that any Mortgage encumbering any Individual Property is foreclosed in whole or in part or that any such Mortgage is put into the hands of an attorney for collection, suit, action or foreclosure, (b) of the foreclosure of any mortgage prior to or subsequent to any Mortgage encumbering any Individual Property in which proceeding Lender is made a party, or (c) of the bankruptcy, insolvency, rehabilitation or other similar proceeding in respect of Borrower or Operating Company or an assignment by Borrower or Operating Company for the benefit of its creditors, Borrower, its successors or assigns, shall be chargeable with and agrees to pay all reasonable out-of-pocket costs of collection and defense, including reasonable out-of-pocket attorneys' fees and costs, incurred by Lender or Borrower in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, together with all required service or use taxes.

5.1.15. Estoppel Statement. (a) After request by Lender, Borrower shall within ten (10) Business Days (but, provided there exists no Default or Event of Default, no more often than twice during the course of each Fiscal Year of Borrower) furnish Lender with a

statement, duly acknowledged and certified, setting forth (i) the original principal amount of the Loan, (ii) the unpaid principal amount of the Loan, (iii) the Interest Rate of the Loan, (iv) the date installments of interest and/or principal were last paid, (v) any offsets or defenses to the payment of the Debt, if any, and (vi) that the Note, this Agreement, the Mortgages and the other Loan Documents are valid, legal and binding obligations and have not been modified or if modified, giving particulars of such modification.

(b) Borrower shall exercise reasonable best efforts to deliver to Lender upon request, tenant estoppel certificates from each space tenant leasing space at the Properties, and shall exercise reasonable best efforts to deliver an estoppel certificate from each ground lessor, each in form and substance reasonably satisfactory to Lender, provided that Borrower shall not be required to deliver such certificates more frequently than two (2) times in any calendar year.

(c) After request by Borrower, but not more than twice during the course of each year, Lender shall furnish Borrower with a statement setting forth (i) the original principal amount of the Loan, (ii) the unpaid principal amount of the Loan, (iii) the Interest Rate of the Loan, (iv) the date installments of interest and/or principal were last paid, and (v) that the Loan Documents have not been modified or if modified, giving particulars of such modification.

5.1.16. Loan Proceeds. Borrower shall use the proceeds of the Loan received by it on the Original Closing Date only for the purposes set forth in Section 2.1.4.

5.1.17. Performance by Borrower. Borrower shall in a timely manner observe, perform and fulfill each and every covenant, term and provision of each Loan Document executed and delivered by, or applicable to, Borrower, and shall not enter into or otherwise suffer or permit any amendment, waiver, supplement, termination or other modification of any Loan Document executed and delivered by, or applicable to, Borrower without the prior consent of Lender.

5.1.18. Confirmation of Representations. Borrower shall deliver, in connection with any Securitization, (a) one or more Officer's Certificates certifying as to the accuracy of all representations made by Borrower in the Loan Documents as of the date of the closing of such Securitization in all relevant jurisdictions, and (b) certificates of the relevant Governmental Authorities in all relevant jurisdictions indicating the good standing and qualification of Borrower and Holdings as of the date of the Securitization.

5.1.19. No Joint Assessment. Borrower shall not suffer, permit or initiate the joint assessment of any Individual Property (a) with any other real property constituting a tax lot separate from such Individual Property, and (b) which constitutes real property with any portion of such Individual Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to such real property portion of the Individual Property, except as required by Legal Requirements.

5.1.20. Leasing Matters. (a) Borrower shall not (and shall cause Guarantor (Operating Lease) not to), without the prior written consent of Lender (and, if a Securitization shall have occurred, Borrower shall have obtained and delivered to Lender a Rating Agency

Confirmation) restate, materially modify, materially amend or materially supplement (or permit the restatement, material modification, amendment or supplement of) any Operating Lease or Operating Lease Guaranty (provided, that any modification, amendment or supplement affecting any of the economic terms of any Operating Lease or any of the terms of the Operating Lease Guaranty shall be deemed to be material for purposes hereof), terminate or accept the surrender (or permit the termination or surrender) of any Operating Lease or Operating Lease Guaranty, or release or materially waive (or permit the release or material waiver of) the Operating Company or Guarantor (Operating Lease) from the performance or observance of any obligation or condition under the Operating Leases or Operating Lease Guaranty. In connection with a material modification, Lender may request, and in such event, Borrower shall not effect such modification without, an Additional True Lease Opinion in form and substance reasonably satisfactory to Lender issued by Borrower's counsel (at Borrower's expense). Borrower shall not permit the prepayment of any rents under the Operating Leases for more than one (1) month prior to the due date thereof. Notwithstanding the foregoing, Lender's consent shall not be required in connection with any modification, amendment or waiver of any provision of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document or that makes the provisions of the Operating Lease consistent with the provisions of this Agreement or any other Loan Document. Notwithstanding anything contained in this Section 5.1.20(a) to the contrary, (x) Lender's consent to any amendment, modification or supplement of the Operating Lease (or any new Operating Lease) or the Operating Lease Guaranty may also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and/or an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies), and (y) Lender's consent to any assignment of any Operating Lease or Operating Lease Guaranty (or of any interest therein) or any material amendment, material modification or material supplement of any Operating Lease shall also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies).

(b) Borrower shall not permit (or consent to) an assignment by any Operating Company of any such Operating Company's interest(s) under any Operating Lease and Borrower shall not assign any of its interests in the Operating Lease Guaranty without, in each case, Lender's prior written consent (and, if a Securitization shall have occurred, at Lender's request, without Borrower providing to Lender a Rating Agency Confirmation and an Additional True Lease Opinion).

(c) All space Leases and all renewals of space Leases executed after the Original Closing Date entered into by Operating Company shall (i) provide for rental rates, rent credits and free rent periods comparable to existing local market rates for comparable properties; (ii) be on commercially reasonable terms; (iii) provide that such Lease is subordinate to the Mortgage encumbering the Individual Property in question and that the lessee will attorn to Lender and any purchaser at a foreclosure sale; (iv) not contain any terms which would materially adversely affect Lender's rights under the Loan Documents; (v) not grant to the tenants thereunder any option or right to purchase the applicable Individual Property (or any portion thereof); and (vi) in the case of Major Leases, have initial terms less than twenty (20) consecutive years, in each case (unless otherwise consented to by Lender pursuant to clause (d) below).

(d) (i) Any Major Lease entered into by Operating Company with respect to an Individual Property executed after the Original Closing Date (and any renewal of any Major Lease with respect to an Individual Property), and any space Lease or space Lease renewal proposed to be entered into by Operating Company after the Original Closing Date and that does not meet the criteria set forth in Sections 5.1.20(a) and subparagraph (c) above, shall be subject to the prior written approval of Lender, which approval shall not be unreasonably withheld, conditioned or delayed. Borrower shall not terminate or accept the surrender of (and shall not permit Operating Company to terminate or accept the surrender of) a Major Lease (unless by reason of a tenant default) without the consent of Lender.

(ii) Every submission to Lender of any proposed Major Lease (or Major Lease renewal, amendment, modification or termination) for Lender's approval shall be forwarded to Lender together with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this section.

(iii) If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN FIVE (5) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within five (5) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(e) Borrower shall and shall cause Operating Company to (i) observe and perform the obligations imposed upon the lessor under the Leases in a commercially reasonable manner; (ii) enforce the terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed or performed in a commercially reasonable manner and in a manner not to impair the value of the Individual Property involved; (iii) not collect any of the rents more than one (1) month in advance (other than security deposits); (iv) not execute any other assignment of lessor's interest in the Leases or the Rents (except as contemplated by the Loan Documents); (v) not alter, modify or change the terms of the Leases in a manner inconsistent with the provisions of the Loan Documents; and (vi) execute and deliver at the request of Lender all such further assurances, confirmations and assignments in connection with the Leases as Lender shall from time to time reasonably require.

(f) Upon request, Borrower shall furnish Lender with executed copies of all new Leases or Lease renewals or amendments.

(g) Notwithstanding anything to the contrary contained herein, Borrower shall not enter into (or permit Operating Company to enter into) a lease of all or substantially all of any Individual Property without Lender's prior consent.

(h) Provided the foregoing requirements have been complied with and no Event of Default then exists, (i) Lender agrees to enter into a Recognition Agreement with the tenants under Major Leases defined in clause (a)(i) or (a)(ii) of the definition thereof, in each case on the form annexed as Schedule XII hereto (with such changes as shall be negotiated by Lender in good faith) and, in such event, no fee shall be charged by Lender in connection with any such Recognition Agreement (except that Borrower shall reimburse Lender for any reasonable, out-of-pocket fees and expenses incurred by Lender in connection with same) and (ii) if requested by Borrower, Lender agrees to not unreasonably withhold its consent to entering into (and shall enter into) a Recognition Agreement with other tenants, excluding tenants described in any of clauses (b) and (c) of the definition thereof (as to which Lender shall have no obligation whatsoever to grant nondisturbance), in each case on the form annexed as Schedule XII hereto (with such changes as shall be negotiated by Lender in good faith) and, in such event, no fee shall be charged by Lender in connection with any such Recognition Agreement (except that Borrower shall reimburse Lender for any reasonable, out-of-pocket fees and expenses incurred by Lender in connection with same).

5.1.21. Alterations. (a) Borrower shall cause all Alterations with respect to any portion of any of the Properties to be conducted and performed with due diligence in a good and workmanlike manner, and all materials used and work done shall be in accordance with all applicable Legal Requirements. In addition, with respect to the Convention Center Project and the Tower Project, to the extent such projects are pursued, Borrower agrees to (i) diligently pursue each such project to completion in a timely manner, subject to delays arising from Force Majeure events, (ii) cause the work to be performed in connection with each such project in substantial conformance with the plans and specifications for such project and otherwise in conformity with this Agreement, (iii) provide Lender with reasonably detailed monthly progress reports (and such information as Lender shall reasonably request from time to time) regarding the status of the Convention Center Project and the Tower Project, (iv) upon the substantial completion of each such project, provide Lender with evidence of the substantial completion of each such project, copies of final unconditional lien waivers from the general contractors, construction managers or subcontractors for such project (if requested by Lender) and evidence of the final payment of all amounts due in connection with each such project, and a title search for the affected Individual Property indicating that such Individual Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (v) upon final completion of each such project, provide Lender with a final survey acceptable to Lender showing the "as-built" location of the completed Improvements and all easements appurtenant thereto, "as-built" plans and specifications for Lender's file and a certificate of occupancy to the extent issued by the relevant Governmental Authority.

(b) Borrower shall obtain Lender's prior consent to (i) any Material Alterations (unless collateral or a completion guaranty is provided as set forth in subparagraph (c) below) or (ii) any Alterations to any of the Improvements (even if otherwise described in clause (i) above) that is reasonably likely to have an Individual Material Adverse Effect. Lender's consent shall not be required for any Alterations other than the Alterations described in the preceding sentence. Notwithstanding any provision hereof to the contrary, without Lender's consent, not to be unreasonably withheld or delayed, in no event shall Borrower close or shutter, or undertake or permit any tenant or other Person to undertake, an Alteration that, alone or together with other work then being undertaken, closes or shutters, more than ten percent (10%) of the income-generating space in any Individual Property at any one time. Prior to undertaking any Alteration with respect to an Individual Property in excess of five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mezzanine Loan Agreements for such Individual Property, to afford Lender a prior and reasonable opportunity to determine whether or not the proposed Alteration would have an Individual Material Adverse Effect, Borrower will deliver such plans, specifications, project schedules, logistical plans, construction budgets (including a statement of sources and uses) and such other information as Lender may reasonably request in respect of such Alteration for review by Lender (and its consultants). All reasonable out-of-pocket costs and expenses incurred by Lender in connection with reviewing said Alterations proposal, including, without limitation, reasonable counsel fees and disbursements and Lender's consultants, shall be paid by Borrower. The above-referenced submissions to Lender for confirmation or consent shall be delivered with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR [CONFIRMATION][APPROVAL] WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED [CONFIRMATION][CONSENT] TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for confirmation or approval, as the case may be), then Borrower shall re-submit such documents or materials to Lender for its confirmation or approval, as applicable, together with a second notice from Borrower that complies with this Section. If Lender fails to approve or disapprove (or confirm or deny, as applicable) any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for confirmation or approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's confirmation or approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR [CONFIRMATION][APPROVAL] WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED [CONFIRMATION][CONSENT] TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within ten (10) Business Days of receipt of same, then Lender's confirmation or consent, as applicable, to the proposed request or submission that is the subject of such notice shall be deemed granted.

(c) With respect to any Material Alteration, unless otherwise consented to by Lender, Borrower shall promptly deliver to Lender as security for the payment of such amounts and as additional security for Borrower's obligations under the Loan Documents any of the

following: (A) cash, (B) U.S. Obligations, (C) other securities having a rating acceptable to Lender and that the applicable Rating Agencies have confirmed in writing will not, in and of itself, result in a downgrade, withdrawal or qualification of the initial, or, if higher, then current ratings assigned to any Securities or any class thereof in connection with any Securitization, (D) a completion and performance bond or an irrevocable letter of credit (payable on sight draft only) issued by an Eligible Institution, or (E) a completion guaranty from an Approved Guarantor in the form attached hereto as Exhibit B (with such changes as Lender shall approve), together with evidence reasonably satisfactory to Lender that the Approved Guarantor has reasonable liquidity taking into account the nature and amount of the guaranteed obligations under such completion guaranty (it being agreed that, if the Approved Guarantor in question is Holdings, then the amounts available for repayment of such obligations under any revolving credit facility in effect at such time in favor of Harrah's Operating Company, Inc. will be taken into account in determining whether Holdings has reasonable liquidity) and with, if required by applicable Rating Agency requirements, an Additional Insolvency Opinion. Such security, including the amount of the guaranteed obligations under any completion guaranty delivered as aforesaid, shall be in an amount equal to the sum of (i) the excess of the total unpaid amounts with respect to alterations to the Improvements on the applicable Individual Property (other than such amounts to be paid or reimbursed by tenants under the Leases) over the Threshold Amount and (ii) the costs of collection, and, upon the occurrence and during the continuance of an Event of Default, Lender may apply such security from time to time at the option of Lender to pay for such alterations.

5.1.22. Operation of Property. (a) Borrower shall cause each of the Properties to be operated, in all material respects, in accordance with the Operating Leases and in accordance with all applicable Legal Requirements, including Gaming Laws, and all Gaming Licenses and other Operating Permits and in a manner consistent with their respective use as of the Original Closing Date (or, with respect to each Swap Property, as of the Closing Date). Borrower shall cause Operating Company to post all required bonds, if any, with any Gaming Authority as and in the amounts required under all applicable Legal Requirements (and shall, if Lender makes a request therefor, promptly provide Lender with copies of all such bonds).

(b) Borrower shall not, without Lender's prior written consent, permit Operating Company to assign or transfer, and Operating Company shall not, without Lender's prior written consent, assign or transfer, or delegate any responsibilities with respect to, any material Gaming License or Operating Permit.

(c) Borrower shall cause Operating Company to make all filings required under the Gaming Laws, or in connection with any Gaming Licenses or Operating Permits, including in connection with the origination of the Loan and the Mezzanine Loan, and shall deliver copies of such filings as Lender shall reasonably request to Lender, promptly upon request. Borrower will timely pay all fees, investigative fees and costs required by the Gaming Authorities with respect to any such approvals and licenses. Borrower will diligently and comprehensively respond to any inquiries and requests from the Gaming Authorities and promptly file or cause to be filed any additional information required in connection with any required filings as soon as practicable after receipt of requests therefor.

(d) Upon request of Lender, Borrower shall deliver to Lender (or cause Operating Company to deliver to Lender) such evidence of compliance (by Borrower, Operating Company and each Individual Property) with all Legal Requirements, including Gaming Laws as shall be reasonably requested by Lender. Borrower shall immediately deliver to Lender (and shall cause Operating Company to deliver to Lender) any notice of material non-compliance or material violation of any Legal Requirement, or of any material inquiry or investigation commenced by the Gaming Authorities in connection with any of the Properties. Borrower shall immediately notify Lender if it or Operating Company believe that any material license, including any Gaming License, is being or could be revoked or suspended, or that any action is pending, being considered or being, or could be, taken to revoke or suspend Borrower's or Operating Company's material licenses, including the Gaming Licenses, or to fine, penalize or impose remedies upon Borrower or Operating Company, or that any action is pending, being considered, or being, or could be, taken to discontinue, suspend, deny, decrease or recoup any payments due, made or coming due to Borrower or Operating Company, in each case if same might reasonably be expected to have an Individual Material Adverse Effect. Borrower shall immediately deliver to Lender any notice received by Borrower or Operating Company alleging or relating to the material non-compliance by Borrower or Operating Company with any Legal Requirements, including Gaming Laws.

(e) In the event that any of the Operating Leases expire or are terminated (without limiting any obligation of Borrower to obtain Lender's consent to any termination or modification of any of the Operating Leases in accordance with the terms and provisions of this Agreement), Borrower shall promptly enter into a replacement Operating Lease (in form and substance satisfactory to Lender) with Operating Company or another operating company reasonably satisfactory to Lender, provided Borrower will obtain a Rating Agency Confirmation as a condition to the effectiveness of such replacement Operating Lease and that Borrower will cause Guarantor (Operating Lease) to execute and deliver an operating lease guaranty in the same form and substance as the Operating Lease Guaranty,

(f) Borrower shall: (i) promptly perform and/or observe, in all material respects, all of the covenants and agreements required to be performed and observed by it under the Operating Lease and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any material default under any Operating Lease or Operating Lease Guaranty of which it is aware; (iii) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, notice, report and estimate received by it under each Operating Lease; and (iv) enforce the performance and observance of all of the material covenants and agreements required to be performed and/or observed by each Operating Company under each Operating Lease and by each Guarantor (Operating Lease) under each Operating Lease Guaranty, in a commercially reasonable manner.

(g) Borrower shall cause the Hotel Components to be at all times open for business as a hotel and the Casino Components to be open for business as a casino, except to the extent necessary to undertake any alterations or repairs (subject to the provisions of this Agreement with respect to the performance of any such alterations or repairs). Borrower shall cause each Individual Property to be at all times operated, managed and maintained, at all times and in the manner and accordance with the standards required pursuant to the Operating Leases and all applicable Legal Requirements in all material respects.

(h) If Borrower shall be in material default under any Operating Lease, then, subject to the terms of such Operating Lease, Borrower shall (subject to any applicable Legal Requirements) grant Lender the right (but not the obligation), to cause the default or defaults under such Operating Lease to be remedied and otherwise exercise any and all rights of Borrower under such Operating Lease, as may be necessary to prevent or cure any default provided such actions are necessary to protect Lender's interest under the Loan Documents, and Lender shall have the right to enter all or any portion of the affected Individual Property at such times and in such manner as Lender deems necessary, to prevent or to cure any such default. The actions or payments of Lender to cure any default by Borrower under any Operating Lease shall not remove or waive, as between Borrower and Lender, any default that may occur or occurred under this Agreement by virtue of such default by Borrower under such Operating Lease. All out-of-pocket sums reasonably expended by Lender to cure any such default shall be paid by Borrower to Lender, upon demand, with interest on such sum at the rate set forth in this Agreement from the date such sum is expended to and including the date the reimbursement payment is made to Lender. All such indebtedness shall be deemed to be secured by the Mortgage.

(i) Borrower shall notify Lender promptly in writing of (i) the occurrence, to Borrower's knowledge, of any material default by any party to any Operating Lease or any Operating Lease Guaranty, (ii) the occurrence, to Borrower's knowledge, of any event that, with the passage of time or service of notice, or both, would constitute a material default by any party under any Operating Lease or any Operating Lease Guaranty, and (iii) the receipt by Borrower or its Affiliate of any notice (written or otherwise) from any party under any Operating Lease or any Operating Lease Guaranty noting or claiming the occurrence of any material default by Borrower under such Operating Lease or such Operating Lease Guaranty.

(j) Borrower shall (subject to any applicable Legal Requirements) promptly execute, acknowledge and deliver to Lender such instruments as may reasonably be required to permit Lender to cure any material default under any Operating Lease or permit Lender to take such other action required to enable Lender to cure or remedy the matter in default and preserve the value of the security interest of Lender under the Loan Documents with respect to each of the Properties. Upon the occurrence and during the continuance of an Event of Default, Borrower irrevocably appoints Lender as its true and lawful attorney-in-fact to do, in its name or otherwise, any and all acts and to execute any and all documents that are necessary to preserve any rights of Borrower under or with respect to any Operating Lease, including, without limitation, the right to effectuate any extension or renewal of any Operating Lease, or to preserve any rights of Borrower whatsoever in respect of any part of any Operating Lease (and the above powers granted to Lender are coupled with an interest and shall be irrevocable).

(k) With respect to any Operating Lease or any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days' prior written request from Lender, execute, acknowledge and deliver to Lender, a statement containing the following: (A) a statement that such Operating Lease or such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease or the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications, (B) a statement that Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps

being taken to cure such default, (C) a statement that, to Borrower's knowledge, either the other party thereto is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to the Operating Lease or the Operating Lease Guaranty as Lender shall reasonably request.

(l) With respect to any Operating Lease, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from each Operating Company containing the following: (A) a statement that such Operating Lease is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease is in full force and effect as modified and setting forth such modifications, (B) a statement that the Operating Company is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Operating Company's knowledge, the Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to Operating Company, any Operating Lease and/or any Operating Lease Guaranty as Lender shall reasonably request.

(m) With respect to any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from Guarantor (Operating Lease) containing the following: (A) a statement that such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications; (B) a statement that Guarantor (Operating Lease) is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (C) such other information with respect to Guarantor (Operating Lease) and/or Operating Lease Guaranty as Lender shall reasonably request.

(n) Each Operating Lease and any and all rights and interests (whether choate or inchoate and including, without limitation, all mechanic's and materialmen's liens under applicable law) owed, claimed or held, by any Operating Company thereunder or otherwise are and shall be in all respects subordinate and inferior to the liens and security interests created, or to be created, for the benefit of Lender, and securing the repayment of the Note and the performance of the obligations under the Loan Agreement and the other Loan Documents.

(o) Upon the occurrence of an Event of Default under the Loan Documents, Operating Company shall, at the request of Lender, continue to perform all of Operating Company's obligations under the terms of the Operating Leases. Further, upon and after foreclosure, deed in lieu of foreclosure or other similar transfer of any of the Properties to Lender, its designee or nominee, Operating Company shall not exercise any right to terminate the Operating Lease other than due to any default or breach by Lender, its designee or nominee first occurring thereafter pursuant to the terms of the Operating Lease and, at the request of Lender, shall continue to operate and manage any one or more of the Properties and maintain all applicable Gaming Approvals with respect thereto, either in accordance with the terms of the

Operating Lease or pursuant to a replacement operating lease (or, to the extent permitted by applicable Legal Requirements, a management agreement) in form and substance reasonably acceptable to Lender provided that (i) to the extent such continued operation is conducted pursuant to the Operating Lease, Operating Company shall be obligated to pay the rental rate specified therein, (ii) to the extent such continued operation is conducted pursuant to a management agreement in accordance with applicable Legal Requirements, Lender, its designee or nominee shall pay to Operating Company a then market rate management fee which is reasonable and customary for similar properties in similar locations as the Individual Property in question, and (iii) all other terms and arrangements shall be usual and customary for similar properties in similar locations as such Individual Property and, to the extent required under applicable Gaming Laws, subject to the prior review and/or approval of the Gaming Authorities. In addition, upon the occurrence of an Event of Default under the Loan Documents, and promptly upon receipt of a written request therefor, each Operating Company shall deliver to Lender copies of all customer lists in each such Operating Company's possession (relating to each of the casinos and the hotels at each of the Properties, as applicable).

(p) Notwithstanding the foregoing or any provision hereof or of any of the Loan Documents to the contrary, at any time after foreclosure, deed in lieu of foreclosure or other similar transfer of any Individual Property to Lender, its designee or nominee, at the option of Lender exercised by written notice to Operating Company, Lender, its designee or nominee shall have the right to terminate the Operating Lease and/or, if applicable, any Management Agreement with Operating Company without penalty or termination fee (except that Operating Company shall be entitled to receive any unpaid amounts that relate to the period prior to such termination) and, in connection with the foregoing, Operating Company shall transfer its responsibility for the management of the applicable Individual Property to a replacement operator selected by Lender.

Section 5.2. Negative Covenants. From the Original Closing Date until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Liens of all Mortgages in accordance with the terms of this Agreement and the other Loan Documents, Borrower covenants and agrees with Lender that it will not do, directly or indirectly, any of the following (without, in each case, the prior written consent of Lender):

5.2.1. Operation of Property. (a) Borrower shall not, without Lender's prior consent: (i) surrender, terminate or cancel (or permit to be surrendered, terminated or canceled) any of the Operating Leases; (ii) reduce or consent to the reduction of (or permit the reduction or the consent to the reduction) of the term of any of the Operating Leases or any Operating Lease Guaranty; (iii) decrease or consent to any decrease (or permit to be decreased or the consent to the decrease) of the amount of any rent or other charges payable under any of the Operating Leases; (iv) Transfer, convey, assign, sell, mortgage, encumber, pledge, hypothecate, grant a security interest in, grant an option or options with respect to, or otherwise dispose of (directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, whether or not for consideration) the Properties or any collateral for the Loan (or permit Operating Company to do so), in each case without the prior written consent of Lender or except as expressly permitted in Section 5.2.10, or (v) otherwise modify, change, supplement, alter or amend, or waive or release (or permit to be modified, changed, supplemented, altered, amended, waived or released) any of

the rights and remedies of Borrower or any Operating Company under any of the Operating Leases in any material respect or any Operating Lease Guaranty (provided that Lender shall not unreasonably withhold its consent to any modification, change, supplement, alteration, amendment, waiver or release of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document).

(b) During the continuance of an Event of Default, Borrower shall not exercise any rights, make any decisions, grant any approvals or otherwise take any action under any Operating Lease, Operating Lease Guaranty or any management agreement without, in each instance, the prior written consent of Lender, which consent may be withheld in Lender's sole discretion.

5.2.2. Liens. (a) Borrower shall not create, incur, assume or suffer to exist any Lien on any portion of any Individual Property or permit any such action to be taken, except:

- (i) Permitted Encumbrances;

5.2.3. Dissolution. Borrower shall not, and shall not permit Operating Company to, (a) engage in any dissolution, liquidation or consolidation or merger with or into any other business entity (provided, however, that this negative covenant shall not be construed to apply to an Original Released Borrower from and after the date hereof), (b) engage in any business activity not related to (i) in the case of Borrower, the ownership and operation of the Properties and (ii) in the case of Operating Company, the leasing and operation of the Properties, (c) transfer, lease or sell, in one transaction or any combination of transactions, the assets or all or substantially all of the properties or assets of Borrower except to the extent permitted by the Loan Documents, (d) modify (in any material respect), amend (in any material respect), waive or terminate its organizational documents or its qualification and good standing in any jurisdiction or (e) cause Holdings to (i) dissolve, wind up or liquidate or take any action, or omit to take an action, as a result of which Holdings would be dissolved, wound up or liquidated in whole or in part, or (ii) amend (in any material respect), modify (in any material respect), waive or terminate the certificate of incorporation or bylaws of the Holdings, in each case, without obtaining the prior consent of Lender.

5.2.4. Change in Business. Borrower shall not enter into any line of business other than the ownership and operation of the Properties and activities reasonably ancillary thereto, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business.

5.2.5. Debt Cancellation. Borrower shall not, and shall not permit Operating Company to, cancel or otherwise forgive or release any claim or debt (other than termination of Leases in accordance herewith) owed to Borrower by any Person, except for adequate consideration and in the ordinary course of Borrower's business.

5.2.6. Zoning. Borrower shall not, and shall not permit Operating Company to, initiate or consent to any zoning reclassification of any portion of any Individual Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of any Individual Property in any manner that could result in such use becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of Lender.

5.2.7. Intentionally Omitted.

5.2.8. Principal Place of Business and Organization. Borrower shall not, nor shall Borrower permit Operating Company to, change the place of its organization as set forth in Section 4.1.28 without the consent of Lender, which consent shall not be unreasonably withheld. Upon Lender's request, Borrower shall (and shall cause Operating Company to) execute and deliver additional financing statements, security agreements and other instruments which may be necessary to effectively evidence or perfect Lender's security interest in any of the Properties as a result of such change of place of organization.

5.2.9. ERISA. (a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of the Loan, as requested by Lender in its sole discretion, that (i) Borrower is not an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(32) of ERISA; (ii) Borrower is not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans; and (iii) one or more of the following circumstances is true:

5.2.10. Transfers. (a) Without the prior consent of Lender and except to the extent otherwise set forth in this Section 5.2.10, Borrower shall not, and shall not permit any other Person holding any direct or indirect legal, economic, beneficial or other ownership interest

in Borrower or one or more of the Properties to, (1) Transfer all or any part of one or more of the Properties, (2) permit any Transfer (directly or indirectly) of any direct or indirect interest in Borrower, or (3) permit any Transfer (directly or indirectly) of any direct or indirect interest in Operating Company or any transfer or assignment or subletting (of all or substantially of any Individual Property) by any Operating Company under any Operating Lease.

(b) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) an indirect beneficial interest in Borrower consisting of ownership interests in or at any level above the level of Ninth Mezzanine Borrower shall be permitted without Lender's consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Borrower is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, (iii) subsequent to such Transfer, Borrower will continue to be a Special Purpose Entity, (iv) if (1) such Transfer causes the Transferee to own, in the aggregate with the ownership interests of its Affiliates, more than a forty nine percent (49%) interest in Borrower (and the Transferee (together with the ownership interests of its Affiliates) did not, prior to such Transfer, own more than a forty nine percent (49%) interest in Borrower), or (2) such Transfer, together with all other Transfers by Borrower, whether in a single Transfer or in a series of Transfers and whether or not effected simultaneously, results in a Transfer of more than forty nine percent (49%) of the aggregate interests in Borrower, then, if required by applicable Rating Agency requirements, an acceptable non-consolidation opinion is delivered to the holder of the Loan and to each of the Rating Agencies concerning, as applicable, Borrower, the new Transferee and/or their respective owners, and (v) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions. Further, a Change in Control shall be deemed a Transfer hereunder and, unless clauses (ii) through (v) of this Section 5.2.10(b) shall be satisfied, the same shall be an Event of Default hereunder (and for the sake of clarity, nothing else contained in this Section 5.2.10 or this Agreement shall be deemed to limit or qualify the above terms of this sentence).

(c) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) a direct or indirect beneficial interest in Operating Company shall be permitted without Lender's consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Operating Company is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, and (iii) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions.

(d) In the event that a permitted Transfer of more than a forty nine percent (49%) interest in Borrower is made pursuant to this Section 5.2.10, at Borrower's request, Lender shall release Guarantor from (i) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty,

pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty for obligations and liabilities arising from and after the date of such Transfer, and (ii) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred either prior or subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty, including those which occurred prior to the Transfer. Notwithstanding the foregoing or anything else that may be construed to the contrary, in no event may Borrower effect a Transfer, or permit or suffer any Transfer, that would result in any loss or impairment of any Gaming License or in any similar event that would have an Individual Property Material Adverse Effect or Aggregate Property Material Adverse Effect.

(e) Notwithstanding the foregoing or anything herein to the contrary, but subject to the final sentence of Section 5.2.10(d), nothing contained in this Agreement or the other Loan Documents shall in any way restrict or prohibit, nor shall any notice to Lender or consent of Lender or Rating Agency Confirmation be required in connection with the Transfer or issuance in the ordinary course of any securities in any Person whose securities are publicly traded on a national exchange (except to the extent that the same would cause a Change in Control) or with an initial public offering of securities issued by Holdings or of subsidiary of Holdings (other than the Borrower and any Mezzanine Borrower (provided that, in the case of an issuance by a subsidiary, such issuance would not cause a Change of Control).

(f) Assumptions of the Loan shall be permitted, provided that the following conditions are satisfied and/or occur to Lender's satisfaction:

(i) an assumption of this Agreement, the Note, the Mortgages and the other Loan Documents as so modified by the proposed transferee, subject to the provisions of Section 9.3 hereof;

(iv) the delivery of an Additional Insolvency Opinion reflecting the proposed transfer satisfactory in form and substance to Lender; and the delivery of an Additional True Lease Opinion in form and substance satisfactory to Lender;

(vi) the Operating Company being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees, having sufficient experience (or having a manager that has sufficient experience) in the management of properties similar to the Properties, and such Operating Company or its manager not having materially less than the same level of experience in the operation of properties similar to the Properties as the current Operating Company under the Operating Lease and, in each case, Lender shall be provided with reasonable evidence thereof (and Lender reserves the right to approve the Transferee(s) without approving the substitution of the Operating Company) and the operating tenant shall be either the Operating Company or, if permitted by applicable Legal Requirements, a manager acceptable to Lender under a management agreement acceptable to Lender; provided that so long as the Operating Lease is in force and effect and the current Operating Company shall continue to be the tenant thereunder and owned and Controlled by the same Person(s) that currently own and Control the Operating Company, the condition with respect to the Operating Company set forth in this subclause (vi) shall be deemed to have been met in all respects;

(vii) the delivery of evidence reasonably satisfactory to Lender that the single purpose nature and bankruptcy remoteness of Borrower, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the then current standards of Lender and the Rating Agencies; and the Transferee(s)' continued compliance with the representations and covenants set forth in Section 4.1.30 and Section 5.2.9 hereof;

(xviii) receipt of evidence satisfactory to Lender that all of the entities which own interests in the transferee similar to the interests in Eighth Mezzanine Borrower owned by the Ninth Mezzanine Borrower (1) shall assume the Ninth Mezzanine Loan (if still outstanding) and all the agreements of Ninth Mezzanine Borrower under the Ninth Mezzanine Loan Documents (and without limiting the foregoing, all of the ownership interests in Eighth Mezzanine Borrower, all payments thereon and all proceeds thereof shall be pledged to Lender on terms no less favorable than the pledge of the Collateral under the applicable Pledge Agreement), (2) shall each be a bankruptcy-remote single purpose entity, and (3) shall otherwise have a legal, financial and ownership structure that is (a) substantially the same as the Ninth Mezzanine Borrower or (b) at least as favorable to the Ninth Mezzanine Lender, as determined by the Ninth Mezzanine Lender in its reasonable discretion, as the legal, financial and ownership structure of Ninth Mezzanine Borrower;

(xix) a written consent to the transfer from the lender under each Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender; and

(xx) subsequent to such assumption of the Loan, the beneficial ownership of Borrower and Operating Company will be substantially identical.

(h) Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer without Lender's consent. This provision shall apply to every Transfer regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer.

Section 5.3. General. For avoidance of doubt, all requirements contained in this Article V with respect to the Operating Company shall mean that it shall be a Default or Event of Default hereunder if Operating Company fails to perform in the specified manner, but Lender acknowledges that Operating Company is not a party to this Agreement and that Borrower does not control Operating Company.

VI. INSURANCE; CASUALTY; CONDEMNATION

Section 6.1. Insurance. (a) Borrower shall obtain and maintain, or cause to be maintained, insurance for Borrower and the Properties providing at least the following coverages:

(i) comprehensive all risk insurance on the Improvements and the Insured Personal Property, contingent liability from Operation of Building Laws, Demolition Costs and Increased Cost of Construction Endorsements, in each case (A) in an amount equal to one hundred percent (100%) of the "Full Replacement Cost," which for purposes of this Agreement shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings) with a waiver of depreciation, but the amount shall in no event be less than the outstanding principal balance of the Loan; (B) containing an agreed amount endorsement with respect to the Improvements and Insured Personal Property waiving all co-insurance provisions; (C) providing for no deductible in excess of Five Million and No/100 Dollars (\$5,000,000.00) per occurrence in respect of physical damage plus two days in respect of Business Interruption combined, except in respect of terrorism coverage, where the deductible may be up to \$10,000,000 per occurrence, in respect of earthquake coverage, where the deductible may be up to \$50,000,000 per occurrence for all insured locations in Nevada and \$25,000,000 per occurrence for all other insured locations, named storm coverage (including flood as a result of named storm), where the deductible may be up to \$50,000,000 per occurrence for all insured locations in New Jersey and \$10,000,000 per occurrence for all other insured locations; or, if greater, in respect of terrorism, earthquake, named storm (including flood as a result of named storm) insurance, 5% of the total insured value per insured location per occurrence for all such insurance coverage; and (D) containing an "Ordinance or Law Coverage" or "Enforcement" endorsement in amounts as reasonably required by Lender if any of the Improvements or the use of the Individual Property shall at any time constitute legal non-conforming structures or uses. In addition, Borrower shall obtain: (w) terrorism insurance in amounts equal to the lesser of (1) the outstanding aggregate principal balance of the Note and the Mezzanine Notes or (2) \$1,500,000,000, to the extent available for a premium not in excess of the Terrorism Premium Limit, (x) if

any portion of the Improvements is currently or at any time in the future located in a federally designated "special flood hazard area", flood hazard insurance in an amount equal to the lesser of (1) the outstanding aggregate principal balance of the Note and the Mezzanine Notes or (2) \$250,000,000.00 per occurrence and in the aggregate; (y) earthquake insurance in amounts equal to the lesser of (1) the outstanding aggregate principal balance of the Note and the Mezzanine Notes or (2) \$250,000,000 per occurrence and in the aggregate or such other reasonable amount as Lender shall require and in form and substance satisfactory to Lender in the event the Individual Property is located in an area with a high degree of seismic activity; and (z) coastal windstorm insurance in form and substance satisfactory to Lender in the event the Individual Property is located in any coastal region, in an amount equal to the lesser of (1) the outstanding aggregate principal balance of the Note and the Mezzanine Notes or (2) \$750,000,000.00 per occurrence on a blanket policy basis for all of the insured locations or (3) such other reasonable amount as Lender shall require; it being understood and agreed that coverage is being provided under a blanket policy and on a per occurrence limitation for all insured locations as defined under the policy which includes those collateralized under this agreement, as well as other locations and exposures. In addition to the foregoing, with respect to the flood and coastal windstorm coverages required pursuant to the above, Borrower shall cause the execution and delivery, by each current and future owner of any property located in the Atlantic City, New Jersey area insured under the policy insuring one or more of the Properties and each current and future creditor (other than lenders providing financing concurrently with the making of the Loan) which has a security interest in, or any other loss payee of, the proceeds of any such policy, of the Windstorm Insurance Intercreditor Agreement requiring application of any proceeds from such coverages to the repayment and/or restoration of the Properties (in accordance herewith) subject to the Lien of the Mortgages at the time in question prior to any other application and shall use commercially reasonable efforts to cause each of the insurance companies providing such coverage to make such payment directly to Lender for application as aforesaid. Except as specifically provided in subclauses (w), (x), (y) and (z) of the preceding sentence, the insurance required pursuant to such subclauses (w), (x), (y) and (z) hereof shall otherwise be on terms consistent with the comprehensive all risk insurance policy required under this subsection (i);

(ii) commercial general liability insurance (including liquor law liability) against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Individual Property, such insurance (A) to be on the so-called "occurrence" form with a combined limit of not less than Two Million and No/100 Dollars (\$2,000,000) in the aggregate and One Million and No/100 Dollars (\$1,000,000) per occurrence (and, if on a blanket policy, containing an "Aggregate Per Location" endorsement); (B) to continue at not less than the aforesaid limit until required to be changed by Lender in writing by reason of changed economic conditions making such protection inadequate; (C) to cover at least the following hazards: (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; (4) blanket contractual liability for all legal contracts; and (5) contractual liability covering the indemnities contained in Article 8 of the Mortgages to the extent the same is available; and (D) with deductions and self-insured retentions reasonably acceptable to Lender.

(iii) business income insurance on an actual loss sustained basis for the period of restoration (A) with loss payable to Lender; (B) covering all risks required to be covered by the insurance provided for in subsection (i) above; (C) containing an extended period of indemnity endorsement which provides that after the physical loss to the Improvements and Insured Personal Property has been repaired, the continued loss of income will be insured until such income either returns to the same level it was at prior to the loss, or the expiration of twelve (12) months from the date that the applicable Individual Property is repaired or replaced and full operations are resumed, whichever first occurs, and notwithstanding that the policy may expire prior to the end of such period; and (D) in an amount equal to one hundred percent (100%) of the projected Revenue from each Individual Property for a period of 24 months (in addition to the 12 month extended period of indemnity referred to in clause (C) above) from the date of such Casualty (assuming such Casualty had not occurred) and notwithstanding that the policy may expire at the end of such period. The amount of such business income insurance shall be determined prior to the Original Closing Date and at least once each year thereafter based on Borrower's reasonable estimate of the Revenue from each Individual Property for the succeeding twenty-four (24) month period (in addition to the 12 month extended period of indemnity referred to in clause (C) above). All proceeds payable to Lender pursuant to this subsection shall be held by Lender and shall be applied at Lender's sole discretion to (I) the obligations secured by the Loan Documents from time to time due and payable hereunder and under the Note or (II) operating expenses of the applicable Individual Property approved by Lender in its sole discretion; provided, however, that nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the obligations secured by the Loan Documents on the respective dates of payment provided for in the Note and the other Loan Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

(iv) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the property and liability coverage forms do not otherwise apply, (A) owner's contingent or protective liability insurance covering claims not covered by or under the terms or provisions of the above mentioned commercial general liability insurance policy; and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form, including coverage for 100% of the total construction costs (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Individual Property, and (4) with an agreed amount endorsement waiving co-insurance provisions;

(v) if an Individual Property includes commercial property, worker's compensation insurance, employers' liability and employment practices liability with respect to any employees of Borrower, as required by any Governmental Authority or Legal Requirement and in amounts reasonably required by Lender, comprehensive boiler and machinery insurance, if applicable, in amounts as shall be reasonably required by Lender on terms consistent with the commercial property insurance policy required under subsection (i) above;

(vi) umbrella liability insurance in an amount not less than Two Hundred Million and No/100 Dollars (\$200,000,000.00) per occurrence on terms consistent with the commercial general liability insurance policy required under subsection (ii) above;

(vii) motor vehicle liability coverage for all owned and non-owned vehicles, including rented and leased vehicles containing minimum limits per occurrence, including umbrella coverage, of Fifty Million and No/100 Dollars (\$50,000,000.00);

(viii) if an Individual Property is or becomes a legal "non-conforming" use, ordinance or law coverage and insurance coverage to compensate for the cost of demolition or rebuilding of the undamaged portion of the Individual Property along with any reduced value and the increased cost of construction in amounts as reasonably requested by Lender;

(ix) the commercial property and business income insurance required under Sections 6.1(a)(i) and (iii) above shall cover perils of terrorism and acts of terrorism (both Certified and Non-Certified) and Borrower shall maintain commercial property and business income insurance for loss resulting from perils and acts of terrorism on terms (including amounts) consistent with those required under Sections 6.1(a)(i) and (iii) above at all times during the term of the Loan; provided, however, that Borrower shall not be obligated to spend, for all insured locations per annum, more than the Terrorism Premium Limit to maintain the aforesaid insurance and, in the event that the cost of such insurance premiums (for each Individual Property, to obtain and maintain the aforesaid insurance) exceeds the Terrorism Premium Limit, in each case for each Individual Property, on a per annum basis, then Borrower shall obtain and maintain such insurance covering perils of terrorism and acts of terrorism in such maximum amounts as may be obtained for such Individual Property (covering the risks described in this paragraph (x)) upon payment of the Terrorism Premium Limit, in each case for each such Individual Property;

(x) crime coverage in an amount not less than Twenty-Five Million and No/100 Dollars to (\$25,000,000) protect against employee dishonesty and related incidents; and

(xi) upon sixty (60) days' notice, such other reasonable insurance and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Individual Property located in or around the region in which the Individual Property is located.

(b) All insurance provided for in Section 6.1(a) shall be obtained under valid and enforceable policies (collectively, the "**Policies**" or in the singular, the "**Policy**"), and shall be subject to the approval of Lender as to insurance companies, amounts, deductibles, loss payees and insureds. The Policies shall be issued by (i) financially sound and responsible insurance companies authorized to do business in the State and having a claims paying ability rating of "A-" or better by S&P and, if rated by Moody's, a claims paying ability rating of "A2" or better (and the equivalent thereof); provided, however, that if the insurance required to be

provided pursuant to this Section 6.1 shall be obtained from a syndicate of insurers, then at least seventy-five percent (75%) of the coverage (if there are four (4) or fewer members of the syndicate) or at least sixty percent (60%) of the coverage (if there are five (5) or more members of the syndicate) is provided by insurers having such ratings (but in no event shall the rating of any insurer in such syndicate be less than "BBB" by S&P; provided that any insurer in the syndicate as of the Original Closing Date that is not rated by S&P can remain in the syndicate on the following conditions: (x) such insurer does not insure more than, or change its "first" or other level-of-loss position from, that in effect as of the Original Closing Date (or, with respect to Glacier Reinsurance AG only, as of the date hereof) and (y) such insurer maintains an A.M. Best rating of at least A-/X (except that the rating of Glacier Reinsurance AG may be A-/IX). The Policies described in Section 6.1(a) (other than those strictly limited to liability protection) shall designate Lender as mortgagee and loss payee. Not less than ten (10) days prior to the expiration dates of the Policies theretofore furnished to Lender, certificates of insurance evidencing the Policies accompanied by evidence satisfactory to Lender of payment of the premiums due thereunder (the "**Insurance Premiums**"), shall be delivered by Borrower to Lender.

(c) Notwithstanding anything to the contrary contained in the immediately preceding paragraph (b), any insurance required to be maintained by Borrower under Section 6.1(a)(x) hereof covering perils and acts of terrorism may be provided by a captive insurance company (a "**Captive Insurance Company**") with the prior reasonable written consent of Lender and subject to Lender's review and approval of Policies and other documentation reasonably requested by Lender and the satisfaction of such other conditions as Lender may reasonably require provided that (and for so long as) (i) except with respect to any deductible permitted under Section 6.1(a)(x), those covered losses which are not reinsured by the federal government under TRIA and payable directly to the insured shall be reinsured by an insurance company having a claims paying ability rating of "A-" or better with S&P, (ii) all re-insurance agreements between such Captive Insurance Company and all such re-insurance companies providing the referenced re-insurance shall be reasonably acceptable to Lender, and Borrower shall cause such re-insurance agreements to provide for direct access to such re-insurers through a direct access cut-through endorsement by all named insureds, loss payees and mortgagees, (iii) such Captive Insurance Company shall not be subject to a bankruptcy or similar insolvency proceeding, (iv) such Captive Insurance Company shall be licensed in the States of Nevada, New Jersey and California (to the extent any portion of the improvements are located in California), to the extent required, and qualified to issue the terrorism insurance policy described in Section 6.1(a)(x) and similar terrorism insurance policies in accordance with all Legal Requirements, (v) such Captive Insurance Company shall qualify for the reinsurance and other benefits afforded insurance companies under TRIA as evidenced by a letter or written confirmation provided by the United States Department of the Treasury (it is understood that a written request for such letter has been sent and Borrower shall use its reasonable best efforts to obtain promptly a positive response thereto and, in the event Borrower is unable to obtain such letter from the Department of the Treasury, Borrower shall obtain a comfort letter addressed to Lender, reasonably acceptable to Lender, from a reputable insurance consultant reasonably acceptable to Lender, it being acknowledged that either Willis Insurance or Beecher Carlson would be acceptable to Lender, confirming that such Captive Insurance Company qualifies for reinsurance and other benefits afforded insurance companies under TRIA), (vi) no Governmental Authority shall have issued any statement, opinion, finding or decree that any insurance company which is similar to such Captive Insurance Company (i.e., an insurance company

owned and/or Controlled by a Person insured under an applicable insurance policy) does not qualify for such benefits and TRIA shall be in full force and effect, (vii) Lender shall have received each of the following, each of which shall be reasonably acceptable to Lender: (1) the organizational documents of such Captive Insurance Company; (2) any regulatory agreements of such Captive Insurance Company; (3) the application for licensing in the States of Nevada, California and New Jersey for such Captive Insurance Company; (4) the form of the Policy to be used by such Captive Insurance Company to provide the insurance coverage described herein; (5) a description of the structure and amount of reserves and capitalization of such Captive Insurance Company; (viii) the Insurance Premiums payable to such Captive Insurance Company have been determined and recommended by an independent firm reasonably acceptable to Lender; (ix) the organizational documents of such Captive Insurance Company shall not be materially amended without the prior written consent of Lender, which consent shall not be unreasonably withheld, conditioned or delayed; and (x) except as otherwise expressly set forth in this paragraph (c), all such insurance provided by such Captive Insurance Company shall otherwise comply with all other terms and conditions of Section 6.1. Lender hereby accepts and approves Romulus Risk and Insurance Company, Inc. as a Captive Insurance Company in accordance with the program that is in effect as of the Original Closing Date. If, in connection with any claim under the Policies, Lender shall suffer a loss as a result of (A) Captive Insurance Company's fraud, willful misconduct, gross negligence, illegal action or the failure of Captive Insurance Company to pay any Borrower claim up to the Captive Insurance Company's policy limits, or (B) the refusal or failure of any issuer of the re-insurance agreements and/or the United States of America to pay such issuer's proportional share of any such claim based on any claim or set of facts relating to the organizational structure, licensing, documentation, contracts and agreements or solvency relating to the Captive Insurance Company or for any actual or alleged action or inaction of the Captive Insurance Company (any such loss being referred to as a "**Captive Insurance Loss**"), then Borrower shall pay (without premium or penalty) to Lender within ninety (90) days after receipt of notice of a potential shortfall from Lender an amount equal to the Captive Insurance Loss. Captive Insurance Company's failure to comply with the requirements set forth in this subsection (c) shall be deemed prima facie evidence of a Captive Insurance Loss.

(d) Any blanket insurance Policy (other than a blanket insurance policy for windstorm) shall specifically allocate to the Individual Property the amount of coverage from time to time required hereunder or shall otherwise provide the same protection as would a separate Policy. Furthermore it is agreed that the insurance coverage required under Section 6.1(a) may be effected under a blanket policy or policies covering the Properties and other property and assets not constituting a part of the collateralized properties;

(e) All Policies provided for or contemplated by Section 6.1(a), except for the Policy referenced in Section 6.1(a)(v), shall name Operating Company and Borrower as the insured and Lender as the additional insured, as its interests may appear, and in the case of property damage, boiler and machinery, flood and earthquake insurance, shall contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender.

(f) All Policies provided for in Section 6.1 shall contain clauses or endorsements to the effect that:

(i) no act or negligence of Borrower, or anyone acting for Borrower, or of any tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;

(ii) the Policies shall not be materially changed (other than to increase the coverage provided thereby) or canceled without at least thirty (30) days' notice to Lender and any other party named therein as an additional insured;

(iii) the issuers thereof shall give notice to Lender if the Policies have not been renewed fifteen (15) days prior to its expiration; and

(iv) Lender shall not be liable for any Insurance Premiums thereon or subject to any assessments thereunder.

(g) If at any time Lender is not in receipt of written evidence that all Policies are in full force and effect when and as required hereunder, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in the Properties, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate (but limited to the coverages and amounts required hereunder). All premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and, until paid, shall be secured by the Mortgages and shall bear interest at the Default Rate.

(h) All of the coverages required by this Section 6.1 shall be in place as of the Original Closing Date (or, with respect to the Swap Properties, as of the Closing Date).

Section 6.2. Casualty. If the Individual Property shall be materially damaged or destroyed, in whole or in part, by fire or other casualty (a "Casualty"), Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute the completion of the Restoration of the Individual Property as nearly as possible to the condition the Individual Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Lender and otherwise in accordance with Section 6.4. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than, in the case of each Casualty, an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for the affected Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mezzanine Loan Agreements for the affected Individual Property, and Borrower shall deliver to Lender all instruments required by Lender to permit such participation.

Section 6.3. Condemnation. Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of any Individual Property and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If any Individual Property or any portion thereof is taken by a condemning authority, Borrower shall promptly commence and diligently prosecute the Restoration of the applicable Individual Property and otherwise comply with the provisions of Section 6.4. If any Individual Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

Section 6.4. Restoration. The following provisions shall apply in connection with the Restoration of any Individual Property:

(a) If the Net Proceeds from an Individual Property, or the costs of completing the Restoration of such Individual Property, are less than an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the “Allocated Loan Amounts” under (and as defined in each of) the Mezzanine Loan Agreements for such Individual Property, the Net Proceeds will be disbursed by Lender to Borrower upon receipt, provided that all of the conditions set forth in Section 6.4(b)(i) are met and Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration in accordance with the terms of this Agreement.

(b) If the Net Proceeds from an Individual Property, or the costs of completing the Restoration of such Individual Property, are equal to or greater than an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the “Allocated Loan Amounts” under (and as defined in each of) the Mezzanine Loan Agreements for such Individual Property, the Net Proceeds will be held by Lender and Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this Section 6.4. The term “**Net Proceeds**” for purposes of this Section 6.4 shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Section 6.1(a)(i), (iv), (vi), (ix) and (x) as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same (“**Insurance Proceeds**”), or (ii) the net amount of the Award, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same (“**Condemnation Proceeds**”), together with (in each case) interest accruing thereon, whichever the case may be.

(i) The Net Proceeds shall be made available to Borrower for Restoration upon the approval of Lender in its sole discretion that the following conditions are met:

(A) no Event of Default shall have occurred and be continuing;

(B) (1) in the event the Net Proceeds are Insurance Proceeds, less than forty percent (40%) of the total floor area of the Improvements on the Individual Property has been damaged, destroyed or rendered unusable as a result of such Casualty or (2) in the event the Net Proceeds are Condemnation Proceeds, less than fifteen percent (15%) of the land constituting the Individual Property is taken, and such land is located along the perimeter or periphery of the Individual Property, and no material portion of the Improvements is located on such land;

(C) Intentionally Omitted;

(D) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than sixty (60) days after such Casualty or Condemnation) and shall diligently pursue the same to satisfactory completion;

(E) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note, which will be incurred with respect to the Individual Property as a result of the occurrence of any such Casualty or Condemnation, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Section 6.1(a)(iii), if applicable, or (3) by other funds of Borrower;

(F) Lender shall be satisfied that the Restoration will be completed on or before the earliest to occur of (1) three (3) months prior to the Maturity Date, (2) the earliest date required for such completion under the terms of any Leases, (3) such time as may be required under applicable Legal Requirements or (4) the expiration of the insurance coverage referred to in Section 6.1(a)(iii);

(G) the Individual Property and the use thereof after the Restoration will be in compliance with and permitted under all applicable Legal Requirements;

(H) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements and in compliance with all requirements set forth in the Mezzanine Loan Agreements;

(I) such Casualty or Condemnation, as applicable, does not result in the permanent loss of access to the Individual Property or the related Improvements;

(J) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be reasonably acceptable to Lender; and

(K) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's discretion to cover the cost of the Restoration.

(ii) The Net Proceeds shall be held by Lender in an interest-bearing account and, until disbursed in accordance with the provisions of this Section 6.4(b), shall constitute additional security for the Debt and other obligations under the Loan Documents (with all interest on such Net Proceeds being for the benefit of Borrower). The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence satisfactory to Lender that (A) all materials installed and work and labor theretofore performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full (to the extent payment is due and payable), and (B) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Individual Property which have not either been fully bonded to the satisfaction of Lender and discharged of record or in the alternative fully insured to the satisfaction of Lender by the title company issuing the Title Insurance Policy.

(iii) (A) All plans and specifications required in connection with the Restoration shall be subject to prior reasonable review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "**Casualty Consultant**"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to prior reasonable review and acceptance by Lender and the Casualty Consultant. All reasonable out-of-pocket costs and expenses incurred by Lender in connection with making the Net Proceeds available for the Restoration including, without limitation, reasonable counsel fees and disbursements and the Casualty Consultant's fees, shall be paid by Borrower.

(B) Every submission to Lender of any plans and specifications, information regarding the identity of contractors, subcontractors and materialmen engaged in the Restoration as well as the contracts under which they have been engaged, that are submitted to Lender for Lender's approval, shall be forwarded to Lender together with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject

of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this section.

(C) If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within ten (10) Business Days from the receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term "**Casualty Retainage**" shall mean an amount equal to ten percent (10%) of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until fifty percent (50%) of the Restoration has been completed (and five percent (5%) thereafter)). The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Section 6.4(b), be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b) and that all approvals necessary for the re-occupancy and use of the Individual Property have been obtained from all appropriate governmental and quasi-governmental authorities, and Lender receives evidence satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage; provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the lien of the related Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month or at any time an Event of Default shall have occurred and be continuing.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Lender in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "**Net Proceeds Deficiency**") with Lender before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Section 6.4(b) shall constitute additional security for the Debt and other obligations under the Loan Documents.

(vii) The excess, if any, of the Net Proceeds and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b), and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Section 6.4(b)(vii) may be retained and applied by Lender in accordance with Section 2.4.2 hereof toward the payment of the Debt whether or not then due and payable (without payment of any Spread Maintenance Premium) in such order, priority and proportions as Lender in its sole discretion shall deem proper (but pro-rata among any components of the Debt), or, at the discretion of Lender, the same may be paid, either in whole or in part, to Borrower for such purposes as Lender shall approve, in its discretion.

(d) In the event of foreclosure of the Mortgage with respect to the Individual Property, or other transfer of title to the Individual Property in extinguishment in whole or in part of the Debt all right, title and interest of Borrower in and to the Policies that are not blanket Policies then in force concerning the Individual Property and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lender or other transferee in the event of such other transfer of title.

VII. RESERVE FUNDS

Section 7.1. Intentionally Omitted.

Section 7.2. Tax and Insurance Escrow Fund. (a) If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, on each Payment Date during such period, Borrower shall pay to Lender (or Servicer, as directed by Lender) an amount equal to (i) one-twelfth of the Taxes that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes at least thirty (30) days prior to their respective due dates, and (ii) one-twelfth of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (i) and (ii) above hereinafter called the "**Tax and Insurance Escrow Fund**"). Lender shall apply the Tax and Insurance Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.1.2 hereof and under the Mortgages. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 5.1.2 hereof, provided no Event of Default shall have occurred and be continuing, then Lender shall return any excess to Borrower (or to Operating Company, if so directed by Borrower). In allocating such excess, Lender may deal with the Person shown on the records of Lender to be the owner of the Properties. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes and Insurance Premiums by the dates set forth in (i) and (ii) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

(b) Notwithstanding the foregoing, Borrower shall not be required to make any deposits into the Tax and Insurance Escrow Fund on account of Insurance Premiums if (and for so long as) Borrower shall maintain a blanket insurance policy in respect of the Properties that is in accordance with the provisions of Section 6.1(a) and otherwise satisfactory to Lender in all material respects.

(c) Any amount remaining in the Tax and Insurance Escrow Fund following the occurrence of a Trigger Event Cure shall be returned to Borrower (or Operating Company, as directed by Borrower), provided no Event of Default shall have occurred and be continuing. Any Tax and Insurance Escrow Funds remaining after the Debt has been paid in full shall be remitted (i) first, to the First Mezzanine Lender or (ii) if the First Mezzanine Loan is not then outstanding but the Second Mezzanine Loan is outstanding, then to the Second Mezzanine Lender in accordance with the First Mezzanine Loan Agreement or (iii) if the First Mezzanine Loan and the Second Mezzanine Loan are not then outstanding but the Third Mezzanine Loan is outstanding, then to the Third Mezzanine Lender in accordance with the Second Mezzanine Loan Agreement or (iv) if the First Mezzanine Loan, the Second Mezzanine Loan and the Third Mezzanine Loan are no longer outstanding, then to the Fourth Mezzanine Lender in accordance with the Third Mezzanine Loan Agreement or (v) if the First Mezzanine Loan, the Second

Mezzanine Loan, the Third Mezzanine Loan and the Fourth Mezzanine Loan are no longer outstanding, then to the Fifth Mezzanine Lender in accordance with the Fourth Mezzanine Loan Agreement or (vi) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan and the Fifth Mezzanine Loan are no longer outstanding, then to the Sixth Mezzanine Lender in accordance with the Fifth Mezzanine Loan Agreement or (vii) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan and the Sixth Mezzanine Loan are no longer outstanding, then to the Seventh Mezzanine Lender in accordance with the Sixth Mezzanine Loan Agreement or (viii) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan and the Seventh Mezzanine Loan are no longer outstanding, then to the Eighth Mezzanine Lender in accordance with the Seventh Mezzanine Loan Agreement or (ix) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan, the Seventh Mezzanine Loan and the Eighth Mezzanine Loan are no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (x) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan, the Seventh Mezzanine Loan, the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan

Section 7.3. FF&E Reserve Account.

7.3.1. FF&E Reserve Fund. (a) Unless Borrower shall have delivered to Lender a Guaranty (FF&E) that is in full force and effect, Borrower shall pay to Lender (or Servicer, as directed by Lender) on each Payment Date an amount equal to (i) one-twelfth of three percent (3%) of the amount of all Revenues for the full calendar year prior to the first (1st) day of the month in which such Payment Date occurs, less (ii) any amount spent during the previous calendar month by Borrower or Operating Company on behalf of Borrower in accordance with the Operating Lease on account of FF&E (other than from the FF&E Reserve Fund; it being understood that amounts expended on account of FF&E from the FF&E Reserve Fund shall not be included in any deductions required pursuant to the preceding subclause (i) and that any FF&E that is purchased through disbursements from the FF&E Reserve Fund may not be subsequently financed by Borrower or Operating Company). Notwithstanding anything to the contrary contained herein, in no event shall Borrower be required to maintain in the FF&E Reserve Account an amount in excess of the aggregate amount of all FF&E deposits required to be made in the preceding calendar year (as determined, for purposes of this sentence, utilizing the monthly formula set forth in the preceding sentence). In addition, notwithstanding anything to the contrary contained herein, for purposes of determining the amount of any required FF&E Reserve Fund deposits (and for purposes of calculating such amount, monthly, based on the formula set forth in the first sentence of this Section 7.3.1), Revenues shall include Revenue from the Hotel Component and the Casino Component but shall not include non-Hotel or Casino related Revenues (e.g., Rents from retail tenants).

(b) Amounts deposited by Borrower as described in this Section 7.3.1 shall hereinafter be referred to as the “**FF&E Reserve Fund**” and the account in which such amounts are held shall hereinafter be referred to as the “**FF&E Reserve Account**”.

7.3.2. Disbursements from FF&E Reserve Account. (a) All disbursements from the FF&E Reserve Account shall be made solely for the purpose of reimbursing Borrower (or Operating Company for FF&E bought on behalf and in the name of Borrower in accordance with the Operating Lease, as directed by Borrower) for its costs and expenses incurred, or for paying costs to be incurred, in connection with the repair, replacement and/or upgrade of FF&E owned by Borrower at the Properties. Provided no Event of Default shall have occurred and be continuing, Lender shall, within ten (10) days following request by Borrower, make disbursements from the FF&E Reserve Fund no more frequently than once in any thirty (30) day period, in amounts no less than \$10,000 per disbursement (or a lesser amount if the total amount in the FF&E Reserve Account is less than \$10,000, in which case only one disbursement of the amount remaining in the account shall be made), and upon delivery by Borrower (or Operating Company) of Lender’s standard form of draw request accompanied by copies of invoices for the amounts requested and, if required by Lender for requests in excess of \$50,000 for a single item, receipts and releases from all parties furnishing materials and/or services in connection with the requested payment.

(b) Disbursements may be made from the FF&E Reserve Account, at Borrower’s election, directly to third parties (as directed by Borrower).

(c) In no event shall funds in the FF&E Reserve Account be utilized to pay (or reimburse any Person) for any Capital Expenditures or non-recurring work being performed at the Properties.

7.3.3. Balance in the FF&E Reserve Account. (a) The insufficiency of any balance in the FF&E Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

(b) Any FF&E Reserve Funds remaining after the Debt has been paid in full shall be remitted (i) first, to the First Mezzanine Lender or (ii) if the First Mezzanine Loan is not then outstanding but the Second Mezzanine Loan is outstanding, then to the Second Mezzanine Lender in accordance with the First Mezzanine Loan Agreement or (iii) if the First Mezzanine Loan and the Second Mezzanine Loan are not then outstanding but the Third Mezzanine Loan is outstanding, then to the Third Mezzanine Lender in accordance with the Second Mezzanine Loan Agreement or (iv) if the First Mezzanine Loan, the Second Mezzanine Loan and the Third Mezzanine Loan are no longer outstanding, then to the Fourth Mezzanine Lender in accordance with the Third Mezzanine Loan Agreement or (v) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan and the Fourth Mezzanine Loan are no longer outstanding, then to the Fifth Mezzanine Lender in accordance with the Fourth Mezzanine Loan Agreement or (vi) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan and the Fifth Mezzanine Loan are no longer outstanding, then to the Sixth Mezzanine Lender in accordance with the Fifth Mezzanine Loan Agreement or (vii) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan and the Sixth

Mezzanine Loan are no longer outstanding, then to the Seventh Mezzanine Lender in accordance with the Sixth Mezzanine Loan Agreement or (viii) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan and the Seventh Mezzanine Loan are no longer outstanding, then to the Eighth Mezzanine Lender in accordance with the Seventh Mezzanine Loan Agreement or (ix) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan, the Seventh Mezzanine Loan and the Eighth Mezzanine Loan are no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (x) if the First Mezzanine Loan, the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan, the Seventh Mezzanine Loan, the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower.

Section 7.4. Intentionally Omitted.

Section 7.5. Intentionally Omitted.

Section 7.6. Reserve Funds, Generally. (a) Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt. Upon the occurrence and during the continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender.

(b) Borrower shall not, without obtaining the prior consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(c) The Reserve Funds shall be held by Lender (or Servicer) and may be invested at Borrower's election and direction in Permitted Investments routinely offered by the Servicer of the Securitization for investment by Borrower. All interest or other earnings on a Reserve Fund shall be added to and become a part of such Reserve Fund for the benefit of Borrower and shall be disbursed in the same manner as other monies deposited in such Reserve Fund. Borrower shall have the right to direct Lender (or Servicer) to invest sums on deposit in the Eligible Account in Permitted Investments provided (a) such investments are permitted by applicable federal, state and local rules, regulations and laws, (b) the maturity date of the Permitted Investment is not later than the date on which the applicable Reserve Funds are required for payment of an obligation for which such Reserve Fund was created, and (c) no Event of Default shall have occurred and be continuing. Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Reserve Funds. No other investments of the sums on deposit in the Reserve Funds

shall be permitted except as set forth in this Section 7.6. Borrower shall bear all reasonable costs associated with the investment of the sums in the account in Permitted Investments. Such costs shall be deducted from the income or earnings on such investment, if any, and to the extent such income or earnings shall not be sufficient to pay such costs, such costs shall be paid by Borrower promptly on demand by Lender. Lender shall have no liability for the rate of return earned or losses incurred on the investment of the sums in Permitted Investments.

(d) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Reserve Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all Persons supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

VIII. DEFAULTS

other subsection of this Section 8.1 and which is capable of being cured, Borrower fails to remedy such condition within ten (10) days following notice to Borrower from Lender, in the case of any such breach which can be cured by the payment of a sum of money, or within thirty (30) days following notice from Lender in the case of any other such breach);

(vi) if Borrower, Principal, Holdings, Operating Company or any Guarantor shall make an assignment for the benefit of creditors;

(x) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;

(xi) if any of the assumptions contained in the Insolvency Opinion delivered to Lender in connection with the Loan, or in the Additional Insolvency Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect; or if any of the assumptions contained in the True Lease Opinion delivered to Lender in connection with the Loan, or in the Additional True Lease Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect;

(xii) if Borrower, Operating Company or Guarantor (Operating Lease) is in default of any of its material obligations under any Operating Lease (or under another lease and/or management agreement in substitution for the Operating Lease in accordance herewith) or under any Operating Lease Guaranty (or under another operating lease guaranty in substitution for the Operating Lease Guaranty in accordance herewith) beyond any applicable notice and cure periods contained therein; or if any Operating Lease (or such other lease and/or management agreement) or any Operating Lease Guaranty (or such other operating lease guaranty) shall be surrendered or any Operating Lease or any Operating Lease Guaranty shall be terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of any Operating Lease (or such other lease and/or management agreement) or any Operating Lease Guaranty (or such other operating lease guaranty) shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender except as may otherwise expressly permitted in this Agreement;

(xiii) if Borrower or IP Licensor is in default of any of its material obligations under the IP License beyond any applicable notice and cure periods contained therein; or if the IP License shall be surrendered, terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the IP License shall in any material respect be modified, changed, supplemented, altered, restated or amended without the consent of Lender;

(xiv) if any Affiliate of Borrower that is or becomes a party to the Windstorm Insurance Intercreditor Agreement is in default of any of its material obligations under the Windstorm Insurance Intercreditor Agreement beyond any applicable notice and cure periods contained therein; or if the Windstorm Insurance Intercreditor Agreement shall be surrendered, terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Windstorm Insurance Intercreditor Agreement shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender;

(xv) if Borrower fails to comply with the covenants as to Prescribed Laws set forth in Section 5.1.1 hereof;

(xvi) intentionally omitted;

(xvii) any Gaming License shall be refused, suspended, revoked, modified in a materially adverse manner or canceled or allowed to lapse or any proceeding is commenced by any Governmental Authority for the purpose of suspending, revoking or canceling any Gaming License in any materially adverse respect, or any Governmental Authority shall have appointed a conservator, supervisor or trustee to or for any of the Casino Components and, in each case of the foregoing, such action could reasonably be expected to (A) have an Individual Material Adverse Effect, (B) materially and adversely effect the continued operation of the Casino Components in the usual course of business and in substantially the same manner and to at least the same standard as was maintained prior to such action, or (C) result in any material decrease in the then expected cash flow and revenues to be derived from the Casino Components;

(xviii) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xvii) above, for ten (10) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed one hundred twenty (120) days; or

(xix) if there shall be a default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower or any Individual Property, or if any other such event shall occur or condition shall exist, if the effect of such event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi) or (vii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and in and to all or any Individual Property, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against Borrower and any or all of the Properties, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in clauses (vi) or (vii) above, the Debt and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 8.2. Remedies. (a) Upon the occurrence of an Event of Default, but in compliance with applicable Gaming Laws, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any Individual Property. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity

or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any "one action" or "election of remedies" law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Properties and each Mortgage has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Properties, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any Individual Property for the satisfaction of any of the Debt in preference or priority to any other Individual Property, and Lender may seek satisfaction out of all of the Properties or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose the Mortgages in any manner and for any amounts secured by the Mortgages then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose one or more of the Mortgages to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose one or more of the Mortgages to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by one or more of the Mortgages as Lender may elect. Notwithstanding one or more partial foreclosures, the Properties shall remain subject to the Mortgages to secure payment of sums secured by the Mortgages and not previously recovered.

Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, mortgages and other security documents (the "**Severed Loan Documents**") in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender's intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents. The Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date. The Severed Loan Documents shall (a) not increase the aggregate stated principal amount of the Loan, (b) provide that the weighted average spread of the Loan on the date of such severance shall equal the weighted average spread which was applicable to the Loan immediately prior to such severance (Borrower acknowledging that such Severed Loan

Document may, in connection with the application of principal to the amounts evidenced by such Severed Loan Documents, subsequently cause the weighted average spread of such new notes or modified notes to change), (c) not adversely affect the overall economics to Borrower of the Loan, taken as a whole, or (d) expose Borrower to any additional costs or increased risk of any liability (beyond that or greater than that existing in the Loan Documents in effect on the date hereof).

(c) **Remedies Cumulative; Waivers.** The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

Section 8.3. Administration of Bankruptcy Claims. Borrower and Lender agree that, with respect to each Operating Lease with respect to the Properties, each Borrower hereby transfers to Lender, in the event of any proceeding involving any Operating Company under the Bankruptcy Code or any similar proceeding, all of such Borrower's rights to (a) file any proof of such claims, (b) cast any votes relating to any claims of such Borrower against such Operating Company, as the case may be, in such proceedings, (c) collect and receive any dividends payable with respect to such claims, (d) take any action or commence any proceeding to collect such claims, (e) file any motion for relief from the stay imposed under Section 362(a) of the Bankruptcy Code or any similar statute, (f) file any motion to compel such Operating Company to assume or reject the applicable Leases under the Bankruptcy Code or any similar statute, or (g) take any other actions to collect or protect such claims. Borrower agrees that Lender shall be the sole party permitted to participate in the administration of the estate of Operating Company under any proceeding under the Bankruptcy Code or any similar statute with respect any such claims.

Section 8.4. Costs of Collection. In the event that after an Event of Default and during the continuance thereof: (a) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (b) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents or (c) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Mortgage or any of the Loan Documents, then, in any such instance, Borrower shall pay to Lender all reasonable attorneys' fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

IX. SPECIAL PROVISIONS

Section 9.1. Sale of Notes and Securitization. Borrower acknowledges and agrees that the Lender may sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the “**Securities**”) secured by or evidencing ownership interests in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such sales, participations and/or securitizations, collectively, a “**Securitization**”). At the request of Lender, and to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization including, without limitation, to:

(a) provide additional and/or updated Provided Information, together with appropriate verification and/or consents related to the Provided Information through letters of auditors or opinions of counsel of independent attorneys reasonably acceptable to Lender and the Rating Agencies;

(b) cooperate in good faith in the preparation of descriptive materials for presentations to any or all of the Rating Agencies, and work with, and if requested, supervise, third-party service providers engaged by Borrower, Holdings and their respective affiliates to obtain, collect, and deliver information requested or required by Lender or the Rating Agencies;

(c) deliver, if required or requested by any Rating Agency, (i) updated opinions of counsel as to non-consolidation, due execution and enforceability with respect to the Properties, Borrower, Holdings and their respective Affiliates and the Loan Documents, and (ii) revised organizational documents for Borrower, which counsel opinions and organizational documents shall be reasonably satisfactory to Lender and the Rating Agencies;

(d) if required by any Rating Agency, use commercially reasonable efforts to deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect any of the Properties, which estoppel letters, subordination agreements or other agreements shall be reasonably satisfactory to Lender and the Rating Agencies;

(e) execute such amendments to the Loan Documents as may be requested by Lender or the Rating Agencies to effect the Securitization and/or deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan such that the pricing and marketability of the Securities and the size of each class of Securities and the rating assigned to each such class by the Rating Agencies shall provide the most favorable rating levels and achieve the optimum rating levels for the Loan, provided that (i) the aggregate stated principal amount of the notes, following such amendments or delivery of new or component notes, shall equal the aggregate stated principal amount of the Loan immediately prior thereto, (ii) the weighted average spread of the Loan on the date of such amendment or delivery of new or component notes shall equal the weighted average spread

which was applicable to the Loan immediately prior to such adjustment (Borrower acknowledging that such new notes or modified notes may, in connection with the application of principal to such new notes or modified note following the occurrence of an Event of Default, but not otherwise, subsequently cause the weighted average spread of such new notes or modified notes to change and (iii) the provisions of Section 2.1.5 otherwise shall apply to any such amendments and delivery of new or component notes (such provisions being incorporated herein by this reference);

(f) if requested by Lender, review any information regarding any of the Properties, Borrower, Principal, Holdings, the Operating Company and the Loan which is contained in a preliminary or final private placement memorandum, prospectus, prospectus supplement (including any amendment or supplement to either thereof), or other disclosure document to be used by Lender or any affiliate thereof; and

(g) supply to Lender such documentation, financial statements and reports in form and substance required in order to comply with any applicable securities laws (to the extent in Borrower's possession, or in the possession of Borrower's advisors, agents or employees), including, without limitation, if applicable, information necessary to comply with any applicable reporting or information requirements under Regulation D under the Securities Act of 1933 or Regulation S under the Securities Act of 1933.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters; except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

Section 9.2. Securitization Indemnification. (a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects to the extent in Borrower's possession.

(b) Borrower agrees to provide, in connection with the Securitization, an indemnification agreement (i) certifying that (A) Borrower has carefully examined the Disclosure Documents, including, without limitation, the sections entitled "Risk Factors," "Special Considerations," "Description of the Mortgages," "Description of the Mortgage Loans and Mortgaged Property," "The Operating Company," "The Borrower" and "Certain Legal Aspects of the Mortgage Loan," and (B) such sections and such other information in the Disclosure Documents (to the extent such information relates to or includes any Provided Information or any information regarding the Properties, Borrower and/or Operating Company)

(collectively with the Provided Information, the “**Covered Disclosure Information**”) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (ii) indemnifying Lender, each Noteholder, JPM (whether or not it is the Lender), any Affiliate of JPM or a Noteholder that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of JPM or a Noteholder that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Indemnified Persons**”), for any losses, claims, damages, liabilities, costs or expenses (including, without limitation, legal fees and expenses for enforcement of these obligations (collectively, the “**Liabilities**”)) to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (iii) agreeing to reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Person, as they are incurred, in connection with investigating or defending the Liabilities provided, however, that Borrower shall have liability with respect to Liabilities arising out of or based upon the Covered Disclosure Information only to the extent that such Liabilities arise out of or are based upon any such untrue statement or omission made in the Covered Disclosure Information in reliance upon and in conformity with information furnished to Lender or such Noteholder by or on behalf of Borrower in connection with the preparation of the Disclosure Documents or in connection with the underwriting or the closing of the Loan (including without limitation financial statements of Borrower and operating statements and rent rolls with respect to the Properties), and in no event shall Borrower be liable for Liabilities arising from information contained in a Disclosure Document that was not provided to Borrower for comment at least five (5) Business Days prior to its dissemination or on which Borrower provided comments to Lender in writing and Lender failed to incorporate such comments (assuming such comments were accurate). This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification provided for in clauses (ii) and (iii) above shall be effective whether or not an indemnification agreement described in clause (i) above is provided.

(c) In connection with filings under the Exchange Act (if any), Borrower agrees to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against Borrower, notify Borrower in writing of the claim or the commencement of that action; provided, however, that the failure to notify Borrower shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided, further, that the failure to notify Borrower shall not relieve it from any liability which it may have to an Indemnified Person otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify Borrower thereof, Borrower shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Borrower to an Indemnified Person of its election to assume the defense of such claim or action, Borrower shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both Borrower, on the one hand, and one or more Indemnified Persons on the other hand, and an Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to Borrower, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed billing records to substantiate that such counsel's fees and disbursements are solely related to the defense of a claim for which Borrower is required hereunder to indemnify such Indemnified Person. Borrower shall not be liable for the expenses of more than one (1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior consent of the Indemnified Person in question (which consent shall not be unreasonably withheld), Borrower shall not settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless Borrower shall have given such Indemnified Person reasonable prior notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as Borrower has complied with its obligations to defend and indemnify hereunder, Borrower shall not be liable for any settlement made by any Indemnified Person without the consent of Borrower (which consent shall not be unreasonably withheld).

(f) Borrower agrees that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then Borrower, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to Borrower, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (x) but also the relative faults of Borrower, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) Borrower agrees that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees (by underwriting discount or otherwise) actually received by the Indemnified Persons in connection with the closing of the Loan or the Securitization.

(g) Borrower agrees that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. Borrower further agrees that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and Borrower under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

Section 9.3. Exculpation. (a) Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Mortgages or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender and each Noteholder to enforce and realize upon its interest under the Note, this Agreement, the Mortgages and the other Loan Documents, or in the Properties, the Rents, or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Properties, in the Rents and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Mortgages and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding under, or by reason of, or in connection with, the Note, this Agreement, the Mortgages or the other Loan Documents. The provisions of this Section shall not, however, (a) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (b) impair the right of Lender to name Borrower as a party defendant in

any action or suit for foreclosure and sale under any of the Mortgages; (c) affect the validity or enforceability of or any Guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (d) impair the right of Lender to obtain the appointment of a receiver; (e) impair the enforcement of any of the Assignments of Leases; (f) constitute a prohibition against Lender to seek a deficiency judgment against Borrower in order to fully realize the security granted by each of the Mortgages or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against all of the Properties; or (g) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any actual loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably incurred) arising out of or in connection with the following:

(i) fraud or intentional misrepresentation by Borrower, Operating Company or any Guarantor in connection with the execution and delivery of the Loan Documents and/or the Loan;

(ii) the misappropriation, conversion or misapplication in contravention of the Loan Documents by Borrower, Operating Company or any Guarantor of any funds of Borrower or Operating Company, including, without limitation, (A) any Revenues, (B) any Insurance Proceeds paid by reason of any Casualty, (C) any Awards received in connection with a Condemnation, or (D) any Rents or security deposits (or any item of Revenue, from whatever source) following an Event of Default;

(iii) the misappropriation, conversion or misapplication by Borrower, Operating Company or any Guarantor of any security deposits or Rents paid more than one (1) month in advance;

(iv) any act of actual intentional physical waste by Borrower, Operating Company or any Guarantor;

(v) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity or in the Mortgages concerning environmental laws, hazardous substances and asbestos and any indemnification of Lender with respect thereto in either document;

(vi) if Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary intentional Transfer as required by this Agreement or the Mortgages;

(vii) any security deposits, advance deposits or any other deposits collected with respect to any of the Properties which are not delivered to Lender upon a foreclosure of any of the Properties or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof;

(viii) in the event of: (A) Borrower, Operating Company or any Guarantor filing a voluntary petition under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (B) the filing of an involuntary petition against Borrower,

Operating Company or any Guarantor under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law by any Person in which Borrower, Operating Company or any Guarantor or any of their respective Affiliates, agents or employees colludes with or such other Person, or Borrower, Operating Company or any Guarantor soliciting or causing to be solicited petitioning creditors for any involuntary petition against Borrower, Operating Company or any Guarantor from any Person; (C) Borrower, Operating Company or any Guarantor filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it by any other Person, other than Lender, under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (D) Borrower, Operating Company or any Guarantor consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower, Operating Company or any Guarantor or any of the Properties or any portion thereof, other than at the request of Lender; or (E) Borrower, Operating Company or any Guarantor making an assignment for the benefit of creditors (other than Lender), or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due;

(ix) if Borrower fails to maintain its status as a Special Purpose Entity or breaches any material representation or warranty set forth in Section 4.1.30 of this Agreement; and

(x) if Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary Indebtedness (other than Permitted Indebtedness or Permitted Indebtedness (Operating Company), as applicable) or voluntary Lien (other than Permitted Encumbrances) encumbering any of the Properties as required by this Agreement or the Mortgages.

Notwithstanding anything to the contrary under this Agreement, neither any present or future Affiliate of Borrower (other than Guarantor, to the extent provided under the Guaranty) nor any present or future shareholder, officer, director, employee, trustee, beneficiary, advisor, partner, member, principal, participant or agent of or in any Borrower or of or in any person or entity that is or becomes an Affiliate of any Borrower shall have any personal liability, directly or indirectly, under or in connection with the Loan Documents. Neither the negative capital account of any Affiliate of Borrower in Borrower, or in any other Affiliate of Borrower in any other Affiliate of Borrower, nor any obligation of any Affiliate of Borrower in any Borrower to restore a negative capital account or to contribute or loan capital to any Borrower or to any other Affiliate of Borrower shall at any time be deemed to be the property or an asset of any Borrower (or any other Affiliate of Borrower) and neither Lender nor its successors or assigns shall have any right to collect, enforce or proceed against any such negative capital account or obligation to restore, contribute or loan capital.

(b) Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Indebtedness or to require that all collateral shall continue to secure all of the Indebtedness owing to Lender in accordance with the Loan Documents.

Section 9.4. Servicer. (a) At the option of Lender, the Loan may be serviced by a servicer/trustee (the “**Servicer**”) selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to a servicing agreement (the “**Servicing Agreement**”) between Lender and Servicer. Lender shall be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement (arising in connection with the Securitization) and the payment of the monthly servicing fee due to Servicer under the Servicing Agreement, and, unless otherwise specifically set forth herein, Borrower shall be responsible for the payment of all fees and other reasonable out-of-pocket expenses incurred by Servicer resulting from any Borrower requests (for approvals or otherwise) to Servicer.

(b) In the event of a Securitization or syndication, the grant of participations in the Loan or any secondary marketing by Lender, Borrower and the Mezzanine Borrowers, collectively may rely upon approvals or consents given by one (1) agent or representative in respect of the Lender and the Mezzanine Lenders for the matter in question (which such parties shall designate, and pending further notice from Lender, such agent shall be JPM). Borrower shall only pay legal fees for the outside counsel of one Servicer.

Section 9.5. Assignments and Participations. (a) In addition to the rights Lender has under Section 9.1, Lender shall have the right, subject to this Section 9.5, to assign, sell, negotiate, pledge or hypothecate all or any portion of their rights and obligations hereunder (a “**Syndication**”). Except in connection with a Securitization, no Lender shall assign, sell, negotiate, pledge, hypothecate or otherwise transfer all or any portion of its rights in and to the Loan to any other Person (an “**Assignee**”) (a) other than in compliance with Section 9.9 hereof; and (b) unless such transaction shall be an assignment of a constant (and not varying), ratable percentage of such Lender’s interest in the Loan; provided, however, any Lender shall have the right at any time without the consent of or notice to any other Lender or other Person to grant a security interest in all or any portion of such Lender’s interest in the Loan to any Federal Reserve Bank or the central reserve bank or similar authority of any other country to secure any obligation of such Lender to such bank or similar authority (a “**Central Bank Pledge**”). Effective on any such assignment and assumption by the assignee and on compliance with Section 9.9 hereof, the assigning Lender shall have no further liability hereunder with respect to the interest of such Lender that was the subject of such transfer and such Assignee shall be a Lender with respect to such interest, and Borrower shall have the same rights as to such Assignee with respect to such interest from and after the date of such assignment as if such Lender were an original Lender hereunder. Except for a Central Bank Pledge or financing transaction under a repurchase agreement, a Lender making any such assignment shall notify Borrower of same, specifying the Assignee thereof and the amount of the assignment and shall provide such other detail as Borrower may reasonably request to substantiate compliance with the foregoing.

Section 9.6. Participation. Lender may, without the consent of the Borrower, in compliance with applicable law, sell participations to one or more banks or other entities (a “**Participant**”), in all or a portion of Lender’s rights and obligations under this Agreement (including all or a portion of the Loan owing to it); provided that (A) Lender’s obligations under this Agreement shall remain unchanged, (B) Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower shall continue to deal solely and directly with Lender in connection with Lender’s

rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.2.3 and 2.2.4 (subject to requirements and limitations therein) to the same extent as if it were a Noteholder and had acquired its interest by assignment pursuant to Section 9.5. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary.

Section 9.7. Borrower's Facilitation of Transfer. In order to facilitate permitted assignments and other transfers to Assignees and sales to Participants, Borrower shall execute and deliver to Lender and shall cause Guarantor to execute and deliver to Lender such further documents, instruments or agreements as Lender may reasonably require, including, if required by Lender, supplemental notes in the principal amount of such Lender's pro rata share of the Loan substantially in the form of such Lender's Note against surrender of the prior notes, and such supplemental note shall (i) be payable to such Lender or its registered assigns or registered participants, (ii) be dated as of the date hereof, and (iii) mature on the Maturity Date. Such supplemental note shall provide that it evidences a portion of the existing indebtedness hereunder and under the Notes and not any new or additional indebtedness of Borrower. The term "Note" as used in this Agreement and in all the other Loan Documents shall include all such supplemental notes but exclude any Note it replaces. Notwithstanding the foregoing, such documents, instruments or agreements shall not (a) increase the obligations or liabilities of any such Person hereunder or under the other Loan Documents in excess of the obligations or liabilities intended to be provided herein or in the other Loan Documents or (b) decrease such Person's rights hereunder or under the other Loan Documents to less than what they were prior to the execution of such documents, instruments or agreements. In addition, Borrower agrees to reasonably cooperate with Lender, including providing such information and documentation regarding Borrower, Holdings, the Operating Company and any other Person as Lender or any potential Assignee or Participant may reasonably request and to meet with potential Assignees and Participants upon reasonable notice. Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

Section 9.8. Notice; Registration Requirement. No Syndication of any part of Lender's interest in and to the Loan shall be effective or permitted under Section 9.5 until (a) an assignment and acceptance agreement in a form reasonably acceptable to Lender (an "**Assignment and Acceptance**") with respect to such Syndication shall have been delivered to Lender, (b) Lender shall have registered such Assignee's name and address in the Register which Lender maintains for the recordation of the names, addresses and interests of Noteholders, and (c) if such Assignee is not already a Lender hereunder, such Assignee shall deliver any tax forms required hereunder. The entries in the Register shall be conclusive, absent manifest error. This Section 9.8 shall not apply to any Central Bank Pledge.

Section 9.9. Registry. Borrower hereby designates Lender to serve as Borrower's agent, solely for purposes of this Section 9.9, to maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of each Assignee, and the principal amount of the Loan (or portions thereof) owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Failure to make any such recordation, or any error in such recordation shall not affect Borrower's obligations in respect of the Loan. With respect to any Lender, the transfer of the rights to the principal of, and interest on, its interest in the Loan shall not be effective until such transfer is recorded on the Register maintained by Lender with respect to ownership of such Loan and prior to such recordation all amounts owing to the transferor with respect to such Note shall remain owing to the transferor. The registration of a transfer of all or part of the Loan shall be recorded by Lender on the Register only upon the acceptance by Lender of a properly executed and delivered Assignment and Acceptance by the assignor and assignee. Such Register shall be available for inspection by Borrower from time to time. At the assigning Lender's option, concurrently with the delivery of an Assignment and Acceptance pursuant to which an interest of such Lender in the Loan was assigned to such Assignee, the assigning Lender shall surrender to Borrower its Note, if any, evidencing the portion of the Loan corresponding to the interest so transferred and Borrower shall deliver to Lender one or more new promissory notes in the same aggregate principal amount issued to the assigning Lender and/or the Assignee.

Section 9.10. Cooperation in Syndication. Borrower agrees to assist the Lender in completing a Syndication satisfactory to the Lender. Such assistance shall include (i) direct contact between senior management and advisors of Borrower and the proposed Assignees and/or Participants, (ii) assistance in the preparation of a confidential information memorandum and other marketing materials to be used in connection with the Syndication, (iii) the hosting, with the Lender, of one or more meetings of prospective Assignees and/or Participants, (iv) the delivery of appraisals satisfactory to the Lender if required. To assist the Lender in its Syndication efforts, Borrower agrees promptly to prepare and provide to the Lender all information with respect to Borrower, Holdings, the Operating Company, Guarantor and the Properties contemplated hereby, including all financial information and projections (the "**Projections**"), as the Lender may reasonably request in connection with the Syndication of the Loan. If required in connection with the Syndication, Borrower hereby agrees to:

(a) deliver updated financial and operating statements and other information reasonably required by the Lender to facilitate the Syndication;

(b) use reasonable efforts to deliver reliance letters reasonably satisfactory to the Lender with respect to the environmental assessments and reports delivered to the Lender prior to the Original Closing Date (or, with respect to each Swap Property, prior to the Closing Date), which will run to the Lender and its successors and assigns;

(c) execute modifications to the Loan Documents required by the Lender, provided that such modification will not (except as set forth in (d)) change any material or economic terms of the Loan Documents, or otherwise increase the obligations or decrease the rights of Borrower pursuant to the Loan Documents (except to a de minimis extent); and

(d) if the Lender elects, in its sole discretion, prior to or upon a Syndication, to exercise its rights under Section 2.1.5, Borrower agrees to cooperate with the Lender in connection with the foregoing and to execute the required modifications and amendments to the Notes, this Agreement and the Loan Documents and to use reasonable efforts to provide opinions necessary to effectuate the same. Such Notes or components may be assigned different interest rates, so long as the weighted average of such interest rates does not exceed the Applicable Interest Rate, except in connection with the application of principal to such Notes or components following the occurrence of an Event of Default.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

X. MISCELLANEOUS

Whenever this Agreement expressly provides that Lender may not withhold or shall be reasonable in granting its consent or its approval of an arrangement or term, such provisions shall also be deemed to prohibit Lender from delaying or conditioning such consent or approval.

Notwithstanding the foregoing, any notice by Lender to one or more Borrowers other than Borrower Agent shall be deemed to constitute effective notice to all of the Borrowers.

Section 10.7. Trial by Jury. BORROWER AND LENDER HEREBY AGREE NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVE ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THE LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY BORROWER AND LENDER, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. BORROWER AND LENDER ARE HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER.

Section 10.8. Headings. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 10.9. Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 10.10. Preferences. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder (except that, unless there exists an Event of Default, payments of principal shall be applied to components of the Note on a pro-rata basis). To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 10.11. Waiver of Notice. Borrower hereby expressly waives, and shall not be entitled to, any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice.

Section 10.12. Remedies of Borrower. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment (except in cases of bad faith, gross negligence or willful misconduct). The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 10.13. Expenses; Indemnity. (a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender and each Noteholder upon receipt of notice from such Person for all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements) incurred by such Person in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including, without limitation, any opinions requested by such Person as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Properties); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Original Closing Date, including, without limitation, confirming compliance with environmental, gaming and insurance requirements, if necessary or advisable due to reasonably suspected non-compliance; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Borrower; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement, if Borrower defaults in its obligations hereunder; (v) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender or any Noteholder all required legal opinions, and other similar expenses incurred in creating and perfecting the Liens in favor of Lender (or, as applicable, any Noteholder) pursuant to this Agreement and the other Loan Documents; (vi) enforcing or preserving any rights, either in response to third party claims or in prosecuting or defending any action or proceeding or other litigation, in each case against, under or affecting Borrower, Operating Company, this Agreement, the other Loan Documents, the Properties, or any other security given for the Loan; and (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Properties, Operating Company or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; provided, however, that Borrower shall not be liable for the payment of any such costs and

expenses to any Person to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of such Person. Any cost and expenses due and payable to Lender or any Noteholder may be paid from any amounts in the Cash Management Account upon the occurrence and during the continuance of an Event of Default.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other actual liabilities, obligations, losses, damages (excluding, however, any punitive and consequential damages), penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, (ii) the use or intended use of the proceeds of the Loan, (iii) the Leases or any of the duties, responsibilities or obligations of Borrower or any Operating Company thereunder, (iv) the transactions contemplated in the Collection Account Agreements or (v) any third-party claims alleging that the Loan, the Operating Lease, the Operating Lease Guaranty or any of the Loan Documents violates any agreements or Legal Requirements binding on the Borrower or its Affiliates or their respective properties (collectively, the “**Indemnified Liabilities**”); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any request by Borrower that required Rating Agency Confirmation pursuant to the terms hereof.

Section 10.14. Schedules Incorporated. The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 10.15. Offsets, Counterclaims and Defenses. Any assignee of Lender’s interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 10.16. No Joint Venture or Partnership; No Third Party Beneficiaries. (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or

therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Properties other than that of mortgagee, beneficiary or lender.

(b) Except as expressly provided herein, this Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. Lender and Borrower acknowledge and agree that the Noteholders are intended third party beneficiaries of all rights and remedies of the Lender hereunder. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 10.17. Intentionally Omitted.

Section 10.18. Cross-Default; Cross-Collateralization; Waiver of Marshalling of Assets. (a) Borrower acknowledges that Lender has made the Loan to Borrower upon the security of its collective interest in the Properties and in reliance upon the aggregate of the Properties taken together being of greater value as collateral security than the sum of each Individual Property taken separately. Borrower agrees that the Mortgages are and will be cross-collateralized and cross-defaulted with each other so that (i) an Event of Default under any of the Mortgages shall constitute an Event of Default under each of the other Mortgages which secure the Note; (ii) an Event of Default under the Note or this Loan Agreement shall constitute an Event of Default under each Mortgage; (iii) each Mortgage shall constitute security for the Note as if a single blanket lien were placed on all of the Properties as security for the Note; and (iv) such cross-collateralization shall in no event be deemed to constitute a fraudulent conveyance.

(b) To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Mortgages, any equitable right otherwise available to Borrower which would require the separate sale of the Properties or require Lender to exhaust its remedies against any Individual Property or any combination of the Properties before proceeding against any other Individual Property or

combination of Properties; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorize, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Properties.

Section 10.19. Waiver of Counterclaim. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

Section 10.20. Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Loan Agreement and any of the other Loan Documents, the provisions of this Loan Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 10.21. Brokers and Financial Advisors. Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement (other than those the fees and other claims of which shall be paid by Borrower. Borrower hereby agrees to indemnify, defend and hold Lender and each Noteholder harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated herein. Each of Lender and (by its acceptance of its respective Note) the Noteholders hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

Section 10.22. Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, including, without limitation, the Commitment Letter dated December 19, 2006 between Affiliates of Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

Section 10.23. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which counterparts together shall constitute one agreement with the same effect as if the parties had signed the same signature page.

Section 10.24. Intentionally Omitted.

Section 10.25. Gaming Laws. All rights, remedies and powers in or under this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws.

Section 10.26. Certain Additional Rights of Lender (VCOC). Notwithstanding anything to the contrary contained in this Agreement, Lender shall have:

(a) the right to routinely consult with and advise Borrower's management regarding the significant business activities and business and financial developments of Borrower, provided that any such advice or consultation shall be completely nonbinding on Borrower, and; provided, however, that such consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances;

(b) the right, in accordance with the terms of this Agreement, to examine the books and records of Borrower at any reasonable times upon reasonable notice;

(c) the right, in accordance with the terms of this Agreement, including, without limitation, Section 5.1.11 hereof, to receive monthly, quarterly and year end financial reports, including balance sheets, statements of income, shareholder's equity and cash flow, a management report and schedules of outstanding indebtedness, in each case to the extent explicitly set forth herein; and

(d) the right, without restricting any other rights of Lender under this Agreement (including any similar right), to reasonably approve any acquisition by Borrower of any other significant real property.

The rights described above in this Section 10.26 may be exercised by any entity which owns and controls, directly or indirectly, substantially all of the interests in Lender.

XI. JOINT AND SEVERAL LIABILITY; WAIVERS

Section 11.1. Joint and Several Liability; Primary Obligors. Each entity comprising Borrower (each, a "**Borrower Entity**") shall be a primary obligor with respect to payment of the Debt and performance of Borrower's obligations under the Loan Documents and all such Borrower Entities shall be jointly and severally liable for payment of the Debt and performance of such other obligations. As used in this Article, references to "**Other Borrowers**" shall mean all Borrower Entities other than the particular Borrower Entity referred to.

Section 11.2. Waivers. Without limiting the primary liability of each Borrower Entity as set forth above, to the extent any such Borrower Entity is determined to be secondarily liable with respect to any portion of the Debt or any other obligation hereunder, the following shall apply:

11.2.1. No Duty To Pursue Others. It shall not be necessary for Lender (and each Borrower Entity hereby waives any rights which such Borrower Entity may have to require Lender), in order to enforce the obligations of such Borrower Entity hereunder, first to (a) institute suit or exhaust its remedies against any Other Borrower or others liable on the Debt or any other person, (b) enforce Lender's rights against any collateral mortgaged, pledged or granted by any Other Borrower which shall ever have been given to secure the Debt ("**Other Borrower Collateral**"), (c) enforce Lender's rights against any other guarantors of the Debt, (d) join Borrower or any others liable on the Debt in any action against any Other Borrower seeking to enforce the Loan Documents, (e) exhaust any remedies available to Lender against any collateral which shall ever have been given to secure the Debt, or (f) resort to any other means of obtaining payment of the Loan by any Other Borrower. Lender shall not be required to mitigate damages or take any other action pertaining to any Other Borrower or any Other Borrower Collateral to reduce, collect or enforce the Debt from any Other Borrower.

11.2.2. Waivers. Such Borrower Entity agrees to the provisions of the Loan Documents, and hereby waives notice of (a) any loans or advances made by Lender to any Other Borrower, (b) acceptance of the Loan Documents, (c) any amendment or extension of the Note, this Agreement or of any other Loan Documents entered into by any Other Borrower, (d) the execution and delivery by any Other Borrower and Lender of any other loan or credit agreement or of any Other Borrower's execution and delivery of any promissory notes or other documents arising under the Loan Documents or in connection with the Other Borrower Collateral, (e) the occurrence of any breach by any Other Borrower or an Event of Default with respect to any Other Borrower or Other Borrower Collateral, (f) Lender's transfer or disposition of the Debt, or any part thereof, (g) sale or foreclosure (or posting or advertising for sale or foreclosure) of any Other Borrower Collateral, (h) protest, proof of non-payment or default by any Other Borrower and (i) any other action at any time taken or omitted by Lender, and, generally, all demands and notices to any Other Borrower of every kind in connection with the Loan Documents, any documents or agreements evidencing, securing or relating to any of the Debt.

11.2.3. Waiver of Subrogation, Reimbursement and Contribution. Notwithstanding anything to the contrary contained in the Loan Documents, each Borrower hereby unconditionally and irrevocably waives, releases and abrogates, prior to the payment in full of the Loan and for a period of ninety-one (91) days thereafter any and all rights it may now or hereafter have under any agreement, at law or in equity (including any law subrogating such Borrower Entity to the rights of Lender), to assert any claim against or seek contribution, indemnification or any other form of reimbursement (other than pursuant to the express provisions of the Contribution Agreement) from any Other Borrower or any other party liable for payment of any or all of the Debt for any payment made by such Borrower Entity under or in connection with the Loan Documents or otherwise.

11.2.4. Events And Circumstances Not Reducing Or Discharging Guarantor's Obligations. Each Borrower Entity hereby consents and agrees to each of the following, and agrees that such Borrower Entity's obligations under the Loan Documents shall not be released, diminished, impaired, reduced or adversely affected by any of the following, and waives any common law, equitable, statutory or other rights (including rights to notice) which such Borrower Entity might otherwise have as a result of or in connection with any of the following:

(a) **Modifications.** Any renewal, extension, increase, modification, alteration, restatement or rearrangement entered into by any Other Borrower of all or any part of the Debt, the Note, the Loan Agreement, the other Loan Documents, or any other document, instrument, contract or understanding between any Other Borrower and Lender, or any other parties, pertaining to the Debt or any failure of Lender to notify Borrower Entity of any such action.

(b) **Adjustment.** Any adjustment, indulgence, forbearance or compromise that might be granted or given by Lender to any Other Borrower.

(c) **Condition of Borrower or Borrower Entity.** The insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of any Other Borrower or any other party at any time liable for the payment of all or part of the Debt; or any dissolution of any Other Borrower, or any sale, lease or transfer of any or all of the assets of Borrower or of any Other Borrower, or any changes in the shareholders, partners or members of any Other Borrower; or any reorganization of any Other Borrower.

(e) **Release of Obligors.** Any full or partial release of the liability of any Other Borrower on the Debt, or any part thereof, or of any guarantor(s) thereof, or any other person or entity now or hereafter liable, whether directly or indirectly, jointly, severally, or jointly and severally, to pay, perform, guarantee or assure the payment of the Debt, or any part thereof, it being recognized, acknowledged and agreed by such Borrower Entity that such Borrower Entity may be required to pay the Debt in full without assistance or support of any other party, and such Borrower Entity has not been induced to enter into the Loan Documents on the basis of a contemplation, belief, understanding or agreement that other Persons will be liable to pay or perform the Debt, or that Lender will look to other Persons to pay or perform the Debt.

(f) **Other Collateral.** The taking or accepting of any other security, collateral or guaranty, or other assurance of payment, for all or any part of the Debt.

(g) **Release of Collateral.** Any release, surrender, exchange, subordination, deterioration, waste, loss or impairment (including negligent, willful, unreasonable or unjustifiable impairment) of any collateral, property or security at any time existing in connection with, or assuring or securing payment of, all or any part of the Debt.

(j) **Offset.** Any existing or future right of offset, claim or defense of Borrower against Lender, or any other Person, or against payment of the Debt by any Other Borrower, whether such right of offset, claim or defense arises in connection with the Debt (or the transactions creating the Debt) or otherwise.

Section 11.3. Other Actions Taken or Omitted. Any other action taken or omitted to be taken with respect to the Loan Documents, the Debt, or Other Borrower Collateral, whether or not such action or omission prejudices such Borrower Entity or increases the likelihood that such Borrower Entity will be required to pay the Debt pursuant to the terms hereof, it is the unambiguous and unequivocal intention of such Borrower Entity that such Borrower Entity shall be obligated to pay the Debt when due, notwithstanding any occurrence, circumstance, event, action, or omission whatsoever pertaining to any Other Borrower or any Other Borrower Collateral, whether contemplated or not, and whether or not otherwise or particularly described herein, which obligation shall be deemed satisfied only upon the full and final payment and satisfaction of the Debt.

Section 11.4. No Release or Novation. This Agreement constitutes an amendment and restatement of the Original Agreement and is not intended to and shall not extinguish any of the indebtedness or obligations of Borrower under the Note, the Original Loan Agreement or any other Loan Documents in such a manner as would constitute a release or novation of the original indebtedness or obligations of Borrower under the Note, the Original Loan Agreement or any other Loan Document, nor shall this Agreement affect or impair the priority of any liens created thereby or in connection therewith, it being the intention of the parties hereto to preserve all liens and security interests securing payment of the Note and the Debt, which liens and security interests are acknowledged by Borrower to be valid and subsisting against the Collateral and any other security or collateral for the Debt.

By their signatures below, each of Guarantor (FF&E), Guarantor (Recourse Carveouts) and Guarantor (Operating Lease), and each of their respective successors and representatives, each hereby agree and consent to the amendment and restatement of the Original Agreement and the modification of the other Loan Documents pursuant to this Agreement (and the modification of each of the Original Operating Leases in accordance with the related First Amendment to Operating Lease dated as of the date hereof) and ratify and confirm all of the terms and provisions set forth in the Guaranty (FF&E), the Guaranty (Recourse Carveouts), the Original Environmental Indemnity and each Original Operating Lease Guaranty, as applicable, and each of the other Loan Documents to which they are a party, and each agrees that their respective obligations and liabilities under such agreements shall continue without impairment or limitation by reason of this Agreement. (d) If, pursuant to the terms of this Agreement, any portion of the Loan has been converted to a Prime Rate Loan and Lender shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable, Lender shall give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) Business Day prior to the last day of the related Interest Period. If such notice is given, the related outstanding Prime Rate Loan shall be converted to a LIBOR Loan on the last day of the then current Interest Period.

(e) With respect to a LIBOR Loan, all payments made by Borrower hereunder shall be made free and clear of, and without reduction for or on account of, income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings imposed, levied, collected, withheld or assessed by any Governmental Authority and imposed on any non-U.S. Lender due to a change in U.S. law after the date such non-U.S. Lender acquired its interest in the Loan (such non-excluded taxes, levies, imposts, duties, charges, fees, deductions, reserves or withholdings being referred to collectively as "**Foreign Taxes**"), excluding (i) income and franchise taxes, (ii) any Taxes imposed by reason of any connection between the non-U.S. Lender and the taxing jurisdiction other than entering into this Agreement and receiving payments hereunder, and (iii) any Taxes imposed by reason of the non-U.S. Lender's failure to complete and deliver to the Borrower, prior to the date on which the first payment to such Lender is due hereunder and (so long as it remains eligible to do so) from time to time thereafter, (x) (i) an Internal Revenue Service Form W-9 (or successor form) establishing that the Lender is not subject to U.S. backup withholding tax, (ii) an Internal Revenue Service Form W-8BEN (or successor form) certifying that such Lender is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of withholding tax on payments of interest to zero, or (iii) an Internal Revenue Service Form W-8ECI certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States, as appropriate; and (y) any successor or additional form required by the Internal Revenue Service or any taxing authority reasonably requested by the Borrower in order to secure an exemption from, or reduction in the rate of, Foreign Taxes. If any Foreign Taxes are required to be withheld from any amounts payable to Lender hereunder, the amounts so payable to Lender shall be increased to the extent necessary to yield to Lender (after payment of all Foreign Taxes) interest or any such other amounts payable hereunder at the rate or in the amounts specified hereunder. Whenever any Foreign Tax is payable pursuant to applicable law by Borrower, as promptly as possible thereafter, Borrower shall send to Lender an original official receipt, if available, or certified copy thereof showing payment of such Foreign Tax. Borrower hereby indemnifies Lender for any incremental Foreign Taxes, interest or penalties that may become payable by Lender which may result from any failure by Borrower to pay any such Foreign Tax when due to the appropriate taxing authority or any failure by Borrower to remit to Lender the required receipts or other required documentary evidence thereof (provided such documents are reasonably available to the Borrower).

(f) If any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to make or maintain a LIBOR Loan as contemplated hereunder and the events giving rise thereto affect similarly situated banks or financial institutions generally, (i) the obligation of Lender hereunder to make a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the next succeeding Payment Date or within such earlier period as required by law.

(g) In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority and the events giving rise thereto affect similarly situated banks or financial institutions generally:

(i) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, the office of Lender that holds the Loan which is not otherwise included in the determination of LIBOR hereunder;

(ii) shall hereafter require the Lender to hold additional capital against the Loan in excess of that currently required by Governmental Authorities to be held against loans similar in nature to the Loan; or

(iii) shall hereafter impose on Lender any other condition affecting loans to borrowers subject to LIBOR-based interest rates and Lender determines that, by reason thereof, the cost to Lender of making or maintaining the Loan to Borrower is increased, or any amount received by Lender hereunder in respect of any portion of the Loan is reduced, in each case by an amount deemed by Lender in good faith to be material;

then, in any such case, Borrower shall promptly pay Lender, upon demand, any additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined in good faith by Lender. If Lender becomes entitled to claim any additional amounts pursuant to this Section 2.2.3(g), Lender shall provide Borrower with not less than ninety (90) days notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to fully compensate Lender for such additional cost or reduced amount. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. This provision shall survive payment of the Note and the satisfaction of all other obligations of Borrower under this Agreement and the Loan Documents.

(h) Lender shall not be entitled to claim compensation pursuant to this Section 2.2.3 for any Foreign Taxes or other amounts incurred or which accrued more than ninety (90) days before the date Lender notified Borrower of the change in law or other circumstance on which such claim of compensation is based and delivered to Borrower a written statement setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.2.3, which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(i) For purposes of this Section 2.2.3, the term "Lender" shall be deemed to include each Noteholder and Lender's (as well as each Noteholder's) present and future participants in the Loan to the extent of Foreign Taxes imposed by reason of such Noteholder or participant's interest in the Loan and each such Noteholder's or participant's increased costs or reduction in amount received or receivable hereunder or any reduced rate of return, in each case payable by Borrower under this Section 2.2.3.

2.2.4 Additional Costs. Lender will use reasonable efforts (consistent with legal and regulatory restrictions) to maintain the availability of the LIBOR Loan and to avoid or reduce any increased or additional costs payable by Borrower under Section 2.2.3, including, if requested by Borrower, a transfer or assignment of the Loan to a branch, office or Affiliate of Lender in another jurisdiction, or a redesignation of its lending office with respect to the Loan, in order to maintain the availability of the LIBOR Loan or to avoid or reduce such increased or additional costs, provided that the transfer or assignment or redesignation (a) would not result in any material additional costs, expenses or risk to Lender that are not reimbursed by Borrower and (b) would not be disadvantageous in any other material respect to Lender as determined by Lender in its sole but reasonable discretion.

2.2.5 Default Rate. In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

2.2.6 Usury Savings. This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

2.2.7 Interest Rate Cap Agreement. (a) On or prior to 5:00 p.m. (New York time) on the Original Closing Date, Borrower shall enter into an Interest Rate Cap Agreement with a LIBOR strike price equal to the required Strike Price. The Interest Rate Cap Agreement (i) shall be in a form and substance reasonably acceptable to Lender, (ii) shall be with an Acceptable Counterparty, (iii) shall direct such Acceptable Counterparty to deposit directly with Lender (or into an account or otherwise as directed by Lender) any amounts due Borrower under such Interest Rate Cap Agreement unless and until otherwise instructed by Lender (it being agreed as between Lender and Borrower that Lender will so instruct the Counterparty at such time as the Debt shall no longer exist, provided that the Debt shall be deemed to exist if the Collateral is transferred by secured party sale or otherwise), (iv) shall be for a period equal to the term of the Loan and (v) shall have an initial notional amount equal to the principal balance of the Loan. Borrower shall collaterally assign to Lender, pursuant to the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Interest Rate Cap Agreement, and shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be paid directly into an account pledged to Lender as provided above in this Section 2.2.7). Provided no Event of Default has occurred and is continuing, amounts contained in the foregoing pledged account shall be released to Borrower on a monthly basis to the extent not applied toward debt service on the Loan.

(b) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be paid to Lender (or into an account or otherwise as directed by Lender). Borrower shall take all actions reasonably requested by Lender to enforce Lender's rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty and shall not waive, amend or otherwise modify any of its rights thereunder.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty by S&P or Moody's to below the ratings set forth in the definition of "Acceptable Counterparty", Borrower (i) shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement (or cause the Counterparty or an Affiliate thereof to post collateral acceptable to Lender and the Rating Agencies) not more than fifteen (15) Business Days following receipt of notice of such downgrade, withdrawal or qualification (and meeting the requirements set forth in this Section 2.2.7) from an Acceptable Counterparty, (ii) if a new cap is provided to Lender, then if requested by Lender shall provide to Lender an opinion of counsel to such Acceptable Counterparty in the form and containing the substance of the form of opinion set forth in Exhibit A to the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender), and (iii) shall collaterally assign to Lender, pursuant to an assignment in the form of the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Replacement Interest Rate Cap Agreement.

(d) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement or fails to maintain the Interest Rate Cap Agreement in accordance with the terms and provisions of this Agreement, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is reimbursed by Borrower to Lender.

(e) In connection with any Interest Rate Cap Agreement provided to Lender as herein required, if requested by Lender, Borrower shall obtain and deliver to Lender an opinion from counsel (which counsel may be in house counsel for the Counterparty) for the Counterparty (upon which Lender and its successors and assigns may rely) in the form and containing the substance of the form of opinion set forth in Exhibit A to the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender).

(f) In connection with any prepayment of the Loan, provided no Event of Default shall have occurred and be continuing, Borrower may reduce the amount of any Interest Rate Cap Agreement (so that the same shall be in an initial notional amount equal to the principal balance of the Loan following such prepayment), provided that such reduction shall not affect any of the other terms of the Interest Rate Cap Agreement or the Collateral Assignment of Interest Rate Cap Agreement (or Lender's rights in respect thereof).

Section 2.3. Loan Payment.

2.3.1 Payments Generally. On the Original Closing Date Borrower made a payment to Lender of interest accruing hereunder during the period from the Original Closing Date up to and including February 14, 2008, calculated in the manner set forth herein, and on the Payment Date occurring in March 2008 and on each Payment Date thereafter to and including the Maturity Date, Borrower shall make a payment to Lender of interest accruing hereunder during the entire Interest Period in which such Payment Date occurs, calculated in the manner set forth herein. All amounts due pursuant to this Agreement and the other Loan Documents shall be payable without setoff, counterclaim, defense or any other deduction whatsoever. Each payment shall be applied pro rata and pari passu (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

2.3.2 Payment on Maturity Date. Borrower shall pay to Lender on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Pledge Agreement and the other Loan Documents, including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through and including the end of the Interest Period in which the Maturity Date occurs (even if such Interest Period extends beyond the Maturity Date).

2.3.3 Late Payment Charge. If any principal, interest or any other sums due under the Loan Documents, other than the payment of principal due on the Maturity Date, is not paid by Borrower by the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of one percent (1%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment; provided, however that, except with respect to the payment of any monthly Debt Service payments with respect to which no notice or demand shall be required, no such late payment charge shall be due unless such payment of principal, interest or other sum shall be delinquent for more than five (5) Business Days following the date of demand therefor. Any such amount shall be secured by the Pledge Agreement and the other Loan Documents to the extent permitted by applicable law.

2.3.4 Method and Place of Payment. Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 3:00 P.M., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

Section 2.4. Prepayments.

2.4.1 Voluntary Prepayments. Borrower may, at its option, prepay the Debt in whole or in part, provided, the following conditions are satisfied:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall provide prior written notice to Lender specifying the date upon which the prepayment is to be made (the "**Prepayment Date**"), which notice shall be delivered to Lender not less than ten (10) days prior to such Prepayment Date (or such shorter period of time as may be permitted by Lender in its sole discretion), and which notice shall be irrevocable; provided, that, notwithstanding the foregoing, Lender hereby agrees that Borrower may revoke any notice of prepayment up until the date that is one (1) Business Day prior to the proposed Prepayment Date (provided that Borrower shall be required to pay Lender, promptly upon demand, any actual, out-of-pocket expenses incurred by Lender resulting from any such revocation));

(c) each such prepayment, in the case of partial prepayments, shall be in an amount not less than Five Million and no/100 Dollars (\$5,000,000.00), unless the outstanding principal balance of the Loan (prior to such prepayment) shall be less than Five Million and no/100 Dollars (\$5,000,000.00), in which event the amount of the prepayment shall be in such amount as shall prepay the Debt and all other amounts due in connection therewith in full, as more fully provided herein;

(d) if such prepayment is made on or prior to the Payment Date occurring in the Interest Period in which such prepayment was made, then, in connection with such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, all interest on the principal balance of the Note then being prepaid which would have accrued through the end of the Interest Period then in effect notwithstanding that such Interest Period extends beyond the Prepayment Date;

(e) if such prepayment is made after a Payment Date occurring in the Interest Period in which such prepayment was made, but prior to the last two (2) Business Days in such Interest Period, Borrower shall make such prepayment without paying any interest thereon (Borrower having already paid interest on such amount on the Payment Date occurring in such Interest Period);

(f) if such prepayment is made on either of the last two (2) Business Days in an Interest Period, Borrower will pay to Lender, simultaneously with such prepayment, interest on the principal amount of the Loan prepaid through the last day of the Interest Period immediately following the Interest Period in which such prepayment occurs, calculated at the Applicable Interest Rate;

(g) if such prepayment is a prepayment of the Loan in full, Lender shall have received a written consent to the repayment from the lender under each Other Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Other Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous *pro rata* prepayment of each Other Mezzanine Loan and Permitted Mezzanine Loan if required thereunder; and

(h) if such prepayment is made on or prior to the Spread Maintenance Outside Date, then in connection with any such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, the Spread Maintenance Premium in respect of such prepayment.

Any prepayment received by Lender on a day other than a Payment Date (but not any amount received between a Payment Date and the second to last Business Day in an Interest Period) shall be held by Lender in an interest-bearing account as collateral security for the Loan and shall be applied to the Debt on the next occurring Payment Date (with all interest and other income earned on such amount being for the account of Borrower and being remitted by Lender to Borrower promptly following such next Payment Date). Any prepayment made pursuant to this Section 2.4.1 shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes. Lender agrees that it shall provide a written consent to the repayment of the Loan upon satisfaction of the conditions set forth in clauses (a) through (f) and clause (h) of this Section 2.4.1.

2.4.2 Mandatory Prepayments from Net Proceeds. (a) On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of any Individual Property, Borrower shall prepay, or authorize Lender to apply Net Proceeds as a prepayment of, the outstanding principal balance of the Note in an amount equal to, (x) if no Event of Default shall have occurred and be continuing, the product of (i) a fraction, the numerator of which is outstanding principal amount of the Loan and the denominator is the outstanding principal amount of the Mortgage Loan, the Loan and the Other Mezzanine Loans times (ii) the Net Proceeds, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such Payment Date occurs (with the balance of the Net Proceeds to be paid over to the Second Mezzanine Lender, for application in accordance with the Second Mezzanine Loan Agreement), and (y) if an Event of Default shall have occurred and be continuing, 100% of the Net Proceeds. No Spread Maintenance Premium shall be due in connection with any prepayment made pursuant to this Section 2.4.2(a). Any

prepayment received by Lender pursuant to this Section 2.4.2(a) on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. Following the prepayment made as described in this Section 2.4.2(a), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(a) shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

(b) In the event of (i) a Transfer of any Individual Property in connection with the realization thereon following a Mortgage Loan Default, (ii) any refinancing of any Individual Property or the Mortgage Loan, or (iii) the receipt by Mortgage Borrower of any excess proceeds realized under its owner's title insurance policy after application of such proceeds by Mortgage Borrower to cure any title defect (each, a "**Liquidation Event**"), Borrower shall cause the related Net Liquidation Proceeds After Debt Service to be remitted directly to Lender (or as directed by Lender). On each date on which Lender actually receives a distribution of Net Liquidation Proceeds After Debt Service, Borrower shall prepay the outstanding principal balance of the Note in an amount equal to one hundred percent (100%) of such Net Liquidation Proceeds After Debt Service, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such payment occurs. Any amounts of Net Liquidation Proceeds After Debt Service in excess of the Debt shall be remitted to Second Mezzanine Lender (or to an account designated by Second Mezzanine Lender). Any prepayment received by Lender pursuant to this Section 2.4.2(b) on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. A Spread Maintenance Premium or fee may be due in connection with any prepayment made pursuant to this Section 2.4.2(b) if made prior to the Spread Maintenance Outside Date). Following the prepayment made as described in this Section 2.4.2(b), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(b) shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

(c) Borrower shall immediately notify Lender of any Liquidation Event once Borrower has knowledge of such event. Borrower shall be deemed to have knowledge of (i) a sale (other than a foreclosure sale) of any Individual Property on the date on which a contract of sale for such sale is entered into, and a foreclosure sale, on the date notice of such foreclosure sale is given, and (ii) a refinancing of any Individual Property, on the date on which a commitment for such refinancing has been entered into. The provisions of this Section 2.4.2(c) shall not be construed to contravene in any manner the restrictions and other provisions regarding refinancing of the Mortgage Loan or Transfer of any Individual Property set forth in this Agreement, the other Loan Documents and the Mortgage Loan Documents.

2.4.3 Prepayments After Default. If, following the occurrence and during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower or any other Person and accepted by Lender or otherwise recovered by Lender

(including through application of any Reserve Funds), Borrower shall pay to Lender, in addition to the outstanding principal balance, (a) all accrued and unpaid interest at the Default Rate (including, without limitation, (i) in the event that such prepayment is received on a Payment Date or on any date in any Interest Period prior to a Payment Date, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which such payment occurs, or (ii) in the event that such prepayment is received on a date after a Payment Date up to (and including) the last day of the Interest Period in which such Payment Date occurs, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which the next Payment Date occurs, (b) the Spread Maintenance Premium, if such prepayment is made prior to the Spread Maintenance Outside Date, and (c) any and all other amounts payable under the Loan Documents. Any payment under this Section 2.4.3 shall be applied in such order, priority and proportions as Lender may direct in its sole and absolute discretion.

Section 2.5. Release of Collateral. Except as set forth in this Section 2.5, no repayment or prepayment of all or any portion of the Note shall cause, give rise to a right to require, or otherwise result in, the release or assignment of any Lien of the Pledge Agreement on the Collateral.

2.5.1 Release of Individual Property. Concurrently with the release of an Individual Property from the Lien of the Mortgage (and related Mortgage Loan Documents) pursuant to Section 2.5.1 of the Mortgage Loan Agreement (a “**Release**” and such Individual Property, a “**Release Property**”), Borrower may obtain the release of the related Individual Borrower with an indirect ownership interest in such Individual Property (a “**Release Borrower**”) and such Release Borrower’s obligations under the Loan Documents with respect to the Release Property (other than those expressly stated to survive), upon the satisfaction of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien of the Pledge Agreement (and related Loan Documents), only with respect to such Release Borrower, for execution by Lender. Such release shall contain standard provisions, if any, protecting the rights of the releasing lender;

(c) After giving effect to such release, the Debt Service Coverage Ratio for the Properties then remaining subject to the Liens of the Mortgages (including giving pro forma effect to the payment of the Release Price and any additional prepayment(s) made by Borrower in connection with such release) shall be equal to or greater than the greatest of (i) the Debt Service Coverage Ratio for the twelve (12) full calendar months immediately preceding the release of the Individual Property (assuming the contemplated release had not occurred, i.e., for all Properties subject to the Liens of the Mortgage prior to the proposed release), (ii) 90% of the Debt Service Coverage Ratio as of the Closing Date, and (iii) 1.0;

(d) (i) The Individual Property to be released shall be conveyed to a Person other than a Mortgage Borrower or Mezzanine Borrower, and other than to an Affiliate of Mortgage Borrower unless, in the latter case, such Affiliate is refinancing the Loan with a construction or development loan (or repaying the Loan with equity contributions to such Affiliate) and (ii) it is such Affiliate's immediate intention to materially redevelop such Individual Property, which loan (or equity contribution) and intention shall be described in reasonable detail and represented to in an Officer's Certificate submitted to Lender concurrently with (or prior to) the materials described in clause (b) of this Section 2.5.1;

(e) Lender shall have received a wire transfer of immediately available federal funds in an amount equal to the Release Price for the applicable Individual Property, together with (i) all accrued and unpaid interest calculated at the Applicable Interest Rate on the amount of principal being prepaid as provided in Section 2.4.1(d) or (e), as applicable, (ii) the Spread Maintenance Premium, if applicable and (iii) all other sums due under this Agreement, the Note or the other Loan Documents in connection with a partial prepayment;

(f) Lender shall have received a written consent to the transfer from the lender under the Mortgage Loan and each of the Other Mezzanine Loans (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of the Mortgage Loan, each of the Other Mezzanine Loans and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous *pro rata* prepayment of each Mortgage Loan, the Other Mezzanine Loans and Permitted Mezzanine Loan if required thereunder; and

(g) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the release of the Individual Property and/or Release Borrower from the lien of the Pledge Agreement and the review and approval of the documents and information required to be delivered in connection therewith. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property or Release Borrower.

Lender agrees that it shall provide a written consent to the transfer upon satisfaction of the conditions set forth in clauses (a) through (e) and clause (g) of this Section 2.5.1.

2.5.2 Release of Convention Center Parcel. At any time after the Original Closing Date, Mortgage Borrower may obtain the release of the Convention Center Parcel pursuant to the Mortgage Loan Agreement, without the payment of a Release Price and upon the satisfaction by Borrower of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a release of the Convention Center Parcel, the Event of Default relates solely to such parcel and therefore would be fully cured by the release of the Convention Center Parcel);

(b) The Convention Center Parcel shall be conveyed to a Person other than a Mortgage Borrower or any Mezzanine Borrower;

(c) Mortgage Borrower will enter into a restrictive covenant agreement, restricting the use of the Convention Center Parcel to the development of a Convention Center and ancillary uses which agreement shall be in form and substance reasonably satisfactory to Lender;

(d) Prior to the transfer and release of the Convention Center Parcel, each applicable municipal authority exercising jurisdiction over the Convention Center Parcel shall have approved a lot-split ordinance or other applicable action under local law dividing the Convention Center Parcel from the remainder of the Harrah's Atlantic City Property, and a separate tax identification number has been issued for the Convention Center Parcel (with the result that, upon the transfer and release of the Convention Center Parcel, no part of the remaining Harrah's Atlantic City Property shall be part of a tax lot which includes any portion of the Convention Center Parcel);

(e) All requirements under all laws, statutes, rules and regulations (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetlands requirements) applicable to the Harrah's Atlantic City Property necessary to accomplish the lot split shall have been fulfilled, and all necessary variances, if any, shall have been obtained, and Borrower shall have delivered to Lender either (1) letters or other evidence from the appropriate municipal authorities confirming such compliance with laws, or (2) a zoning report or legal opinion confirming such compliance with laws, in each case in substance reasonably satisfactory to Lender;

(f) As a result of the lot split, the remaining Harrah's Atlantic City Property with all easements appurtenant and other Permitted Encumbrances thereto will not be in violation of any then applicable law, statute, rule or regulation (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetland requirements) and all necessary variances, if any, shall have been obtained and evidence thereof has been delivered to Lender which in form and substance is appropriate for the jurisdiction in which the Harrah's Atlantic City Property is located;

(g) If reasonably necessary, appropriate reciprocal easement agreements for the benefit and burden of the remaining Harrah's Atlantic City Property and the Convention Center Parcel requiring no cost or expense to Mortgage Borrower regarding the use of common facilities of such parcels, including, but not limited to, roadways, parking areas, utilities and community facilities, in a form and substance that would be reasonably acceptable to an ordinary prudent lender and which easements will not materially adversely affect the remaining Harrah's Atlantic City Property, shall be declared and recorded, and the remaining Harrah's Atlantic City Property and the Convention Center Parcel shall be in compliance with all applicable covenants under all easements and property agreements contained in the Permitted Encumbrances for the Harrah's Atlantic City Property;

(i) Borrower shall execute such documents and instruments and obtain such opinions of counsel as are typical for similar transactions;

(j) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the review and approval of the documents and information required to be delivered in connection with the release of the Convention Center Parcel from the Lien of the related Mortgage. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of the Convention Center Parcel;

(k) Lender shall have received evidence reasonably satisfactory to it that Mortgage Borrower and each Other Mezzanine Borrower shall have satisfied all of the conditions to the proposed Release set forth in the Mortgage Loan Agreement and each Other Mezzanine Loan Agreement, as applicable; and

(l) There shall be no release of any portion of the Lien of the Pledge Agreement in connection with this Section 2.5.2.

2.5.3 Release of O'Sheas. At any time after the date hereof, Mortgage Borrower may obtain the release of the portion of the Flamingo Las Vegas known as O'Shea's, without the payment of a Release Price, upon the satisfaction by Borrower of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless the Event of Default relates solely to O'Shea's and therefore would be fully cured by the release of O'Shea's);

(b) O'Shea's shall be conveyed to a Person other than a Mortgage Borrower or any Mezzanine Borrower;

(c) Prior to the transfer and release of O'Shea's, each applicable municipal authority exercising jurisdiction over the Flamingo Las Vegas shall have approved a lot-split ordinance or other applicable action under local law dividing O'Shea's from the remainder of the Flamingo Las Vegas, and a separate tax identification number has been issued for O'Shea's (with the result that, upon the transfer and release of O'Shea's, no part of the remaining Flamingo Las Vegas shall be part of a tax lot which includes any portion of O'Shea's);

(d) All requirements under all laws, statutes, rules and regulations (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetlands requirements) applicable to the Flamingo Las Vegas necessary to accomplish the lot split shall have been fulfilled, and after such lot split, the remaining Flamingo Las Vegas with all easements appurtenant and other Permitted Encumbrances thereto will not be in violation of any then applicable law, statute, rule or regulation (including, without limitation,

(e) If reasonably necessary, appropriate reciprocal easement (or condominium) agreements for the benefit and burden of the remaining Flamingo Las Vegas and O'Shea's requiring no cost or expense to Mortgage Borrower regarding the use of common facilities of such parcels, including, but not limited to, roadways, parking areas, utilities and community facilities, in a form and substance that would be reasonably acceptable to an ordinary prudent lender and which easements will not materially adversely affect the remaining Flamingo Las Vegas, shall be declared and recorded, and the remaining Flamingo Las Vegas and O'Shea's shall be in compliance with all applicable covenants under all easements and property agreements contained in the Permitted Encumbrances for the Flamingo Las Vegas;

(f) Borrower has delivered an Officer's Certificate to the effect that, to such officer's knowledge after diligent inquiry, the conditions in subsection (a)-(e) hereof have occurred or shall occur concurrently with the transfer and release of O'Shea's;

(g) Delivery of evidence reasonably satisfactory to Lender, which may be in the form of an Officer's Certificate, that the release will not have either an Individual Material Adverse Effect on the remainder of the Flamingo Las Vegas or an Aggregate Material Adverse Effect (it being understood that, for purposes of such determinations, O'Shea's shall be deemed to have closed as of the Original Closing Date and to have no value) and the representations and warranties set forth in Sections 4.1.4, 4.1.16, 4.1.22, 4.1.39 and 4.1.40 shall continue to be true and complete with respect to the remainder of the Flamingo Las Vegas;

(h) Borrower shall have delivered evidence reasonably satisfactory to Lender, which may be in the form of an Officer's Certificate, that Mortgage Borrower and each Other Mezzanine Borrower has complied with all of the terms and conditions set forth in Section 2.5.1 of the Mortgage Loan Agreement and the applicable Other Mezzanine Loan Agreement with respect to such release;

(i) Flamingo Mortgage Borrower and the related Operator shall have executed and delivered to Lender a certified copy of an amendment to the applicable Operating Lease reflecting the release of O'Shea's and the reduction in the "Initial Annual Rent" (as such term is defined in such Operating Lease relating to the Flamingo Las Vegas) by Fifteen Million and No/100 Dollars (\$15,000,000.00);

(j) delivery of an Additional True Lease Opinion in form and substance similar to the related original True Lease Opinion but with such revisions to evidence the reduction in rent and the release of O'Shea's;

(k) The payment by Borrower of all Lender's reasonable out-of-pocket costs and expenses in connection with the release contemplated by this paragraph, including reasonable counsel fees and disbursements; and

(l) There shall be no release of any portion of the Lien of the Pledge Agreement in connection with this Section 2.5.3.

Notwithstanding anything to the contrary contained herein, Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of O'Shea's in accordance with this paragraph. Lender and Borrower acknowledge and agree that (i) pending the release of O'Shea's, EBITDAR shall be computed without regard to O'Shea's, and (ii) the Operating Company in respect of the Flamingo Las Vegas, both before and after the release contemplated by this paragraph, shall be permitted to provide management and other similar services for O'Shea's and shall be reimbursed for the allocable share of expenses attributable to O'Shea's.

2.5.4 Release on Payment in Full. Lender shall, upon the written request and at the expense of Borrower, upon payment in full of all principal and interest due on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of the Pledge Agreement on the Collateral.

Section 2.6. Cash Management.

2.6.1 Establishment of Collection Accounts. (a) In accordance with the provisions of the Operating Lease, (i) Operating Company has established and will maintain for the benefit of Mortgage Borrower, as lessor under the Operating Lease, the Collection Accounts with Collection Banks throughout the term of the Mortgage Loan and (ii) the rights of Mortgage Borrower (as landlord) under the Operating Lease have been collaterally assigned to Mortgage Lender. All Revenues, other than amounts retained on-site by each Operating Company as a Gaming Operating Reserve and amounts collected and maintained in Off-Shore Accounts, shall be deposited in the Collection Accounts.

(b) Borrower hereby represents and warrants as follows: the Collection Accounts will be the only accounts maintained by Operating Company in any jurisdiction that include funds arising out of, or are otherwise attributable to, the Properties or relate to the operation and management of any of the Properties other than accounts (collectively, the "**OC Accounts**") that contain amounts theretofore released from Collection Accounts in accordance herewith, and other than Off-Shore Accounts, which shall not be subject to this Agreement; and neither Borrower nor Mortgage Borrower maintains any accounts that include funds arising out of, or are otherwise attributable to, any of the Properties or relate to the operation and management of any of the Properties or otherwise (except for accounts containing funds released from the Collection Accounts as herein provided and the Off-Shore Accounts). Borrower shall

not (and Borrower shall not permit Operating Company or Mortgage Borrower to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), open any accounts or new accounts or in any way alter the flow of funds and payment into such Collection Accounts, including, without limitation, changing the source, type or currency of any payments currently deposited and maintained in any such account (it being understood that the foregoing restriction shall not preclude Operating Company, Borrower or Mortgage Borrower from accepting and depositing in any Collection Accounts any capital contributions, or any disbursements from any Collection Accounts in accordance with the provisions of the Mortgage Loan Agreement and this Agreement). Borrower shall not (and Borrower shall not permit Operating Company or Mortgage Borrower to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), establish and maintain any accounts with financial institutions outside of the United States of America, other than the Off-Shore Accounts.

(c) Borrower shall cause Mortgage Borrower and Operating Company to comply with Section 2.6.1 of the Mortgage Loan Agreement in all respects.

(d) Borrower hereby agrees that in the event that the Mortgage Loan Documents require Mortgage Borrower and/or Operating Company to maintain the Collection Accounts, but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Collection Accounts are not being maintained, Borrower shall establish or cause the Operating Company to establish collection accounts substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Section 2.6.1 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender). In addition, if Borrower is required to deposit amounts with Lender pursuant to Article VII hereof but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Collection Accounts and Cash Management Account are not being maintained, Borrower shall establish collection accounts and a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Sections 2.6.1 and 2.6.2 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender). In addition, if Mortgage Borrower is required to provide security or other collateral to the Mortgage Lender pursuant to the terms of the Mortgage Loan Agreement (excluding any mortgage lien on the Properties or assignment of leases and rents with respect to the Properties) but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) such security or other collateral was not provided to Mortgage Lender, Borrower shall provide such security or other collateral to Lender in substantially the same form and amount as that required under the Mortgage Loan Documents.

2.6.2 Disbursements from, Security Interest in, Collection Accounts. The Operating Lease provides, among other things, that all Revenues shall be collaterally assigned by Operating Company to Mortgage Borrower as additional security for Operating Company's obligations under the Operating Lease and that Mortgage Borrower shall have the right to collaterally assign and pledge such Revenues to Lender as additional security for the Loan. In furtherance thereof, Lender and Borrower agree as follows:

(a) Except as otherwise provided in subparagraphs (b) and (c) hereof, all amounts collected in the Collection Accounts shall be transferred on each Business Day to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender.

(b) Upon the occurrence and during the continuance of an Event of Default hereunder, under the Mortgage Loan Documents or under any of the Other Mezzanine Loan Documents, and provided no Event of Default (as such term is defined in the Operating Lease) shall have occurred and be continuing under any Operating Lease, Borrower shall cause Mortgage Borrower to direct and cause Collection Bank to deposit directly into the Cash Management Account, an amount not less than all Rent payable under the Operating Lease for such the next thirty (30) days (it being the intent and agreement that, during the continuance of an Event of Default, the Cash Management Account shall at all times contain such amounts sufficient to cover the ensuing 30-day period), including the Monthly Tax and Insurance Amount, and Monthly FF&E Reserve Amount (the amounts described in the preceding sentence, collectively, the “**Monthly Disbursements**”); provided that, notwithstanding the foregoing, Lender may not apply such Monthly Disbursements to the payment of amounts due hereunder in an amount in excess of the amounts owed by the Operating Company under the Operating Lease. In the event Borrower shall have failed to cause Mortgage Borrower to so instruct Collection Bank, Lender shall have the right to so direct the Collection Bank on behalf of Mortgage Borrower. Any amounts not required to be so deposited into the Cash Management Account shall be transferred on each Business Day thereafter to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender. If no Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, such excess shall be remitted to Second Mezzanine Lender (or to an account designated by Second Mezzanine Lender); provided that, notwithstanding the foregoing, Lender shall not remit any such amounts in excess of the amounts owed by the Operating Company under the Operating Lease. If an Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, Lender shall have the right to retain such excess as collateral for the Loan and/or apply such excess to the payment of the Debt. Notwithstanding anything to the contrary contained herein (including, without limitation, Section 9.4(a) hereof), Borrower acknowledges and agrees that any and all reasonable and customary costs and expenses (including, without limitation, any reasonable attorneys’ fees) incurred by Servicer in remitting to Operating Company pursuant to this Section 2.6.2(b) any amounts in excess of Monthly Disbursements shall be borne by, and be the responsibility of, Borrower. Lender and Servicer shall be entitled to rely on, and shall be held harmless in relying on, any instructions from Borrower and/or Operating Company in connection with the remittance of any funds from the Cash Management Account to Operating Company pursuant to this Section 2.6.2(b).

(c) Upon the occurrence and during the continuance of an Event of Default (as such term is defined in the Operating Lease) under any Operating Lease, Borrower shall cause Mortgage Borrower to notify Collection Bank to transfer to the Cash Management Account on each Business Day in immediately available funds by federal wire transfer all amounts on deposit in each Collection Account and, in the event Mortgage Borrower shall have failed to do so, Mortgage Lender (or Lender in the event of Mortgage Lender’s failure to so

instruct) shall have the right to so direct the Collection Bank on behalf of Mortgage Borrower. Lender shall have the right to retain all amounts to be paid into the Cash Management Account in accordance with the first sentence of this Section 2.6.2(c) as collateral for the Loan and/or apply such amount to the payment of the Debt.

(d) Borrower and its Affiliates shall (and Borrower shall cause Operating Company to) execute and deliver such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect, maintain and perfect Lender's security interest in the Collection Accounts.

2.6.3 Cash Management Account. (a) During the term of the Loan, Borrower shall cause Mortgage Borrower to comply with Section 2.6.3 of the Mortgage Loan Agreement which may require the establishment of the Cash Management Account to be held by and in trust for the benefit of Mortgage Lender. All costs and expenses for establishing and maintaining the Cash Management Account shall be paid by Mortgage Borrower or Borrower.

(b) Borrower shall not cause or permit Mortgage Borrower or Operating Company to further pledge, assign or grant any security interest in the Cash Management Account or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC 1 Financing Statements, except those naming Mortgage Lender as the secured party, to be filed with respect thereto.

(c) Borrower hereby agrees that in the event that the Mortgage Loan Documents require Mortgage Borrower and/or Operating Company to maintain the Cash Management Account, but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Cash Management Account is not being maintained, Borrower shall establish a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents. If Borrower is required to deposit amounts with Lender pursuant to Article VII hereof, Borrower shall establish a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Section 2.6.2 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender).

2.6.4 Mezzanine Collection Account. (a) Lender or Servicer may establish and maintain, to collect all amounts distributed to Lender under Section 2.6.3 of the Mortgage Loan Agreement, a segregated Eligible Account (the "**Mezzanine Collection Account**") to be held by Servicer in trust for the benefit of Lender, which Mezzanine Collection Account shall be under the sole dominion and control of Lender (which may be exercised through Servicer). Lender (and its agents, including Servicer) shall have the sole right to make withdrawals from the Mezzanine Collection Account in accordance with the terms and conditions of this Agreement and the other Loan Documents, except as otherwise expressly provided in this Agreement or the other Loan Documents.

(b) Borrower hereby grants to Lender a first priority security interest in the Mezzanine Collection Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority

security interest in the Mezzanine Collection Account, including, without limitation, executing and filing UCC 1 Financing Statements and continuations thereof upon Lender's request therefor. All costs and expenses for establishing and maintaining the Mezzanine Collection Account (and any sub account thereof) shall be at Borrower's sole cost and expense.

(c) Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Mezzanine Collection Account and any sub-account thereof. The Mezzanine Collection Account and any sub-account thereof shall be assigned the federal tax identification numbers of each Borrower set forth on Schedule I attached hereto. Borrower shall provide Lender, at any time upon request of Lender, with a Form W-8 or W-9 to evidence that Borrower is not subject to any back-up withholding under the Code.

(d) Upon the occurrence and during the continuance of an Event of Default, all funds on deposit in the Mezzanine Collection Account shall be applied by Lender in such order and priority as Lender shall determine.

(e) The insufficiency of funds on deposit in the Mezzanine Collection Account shall not relieve Borrower from the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

Section 2.7. Intentionally Omitted.

Section 2.8. Permitted Mezzanine Loan. Borrower shall have the one-time right, upon thirty (30) days prior written notice to Lender (the "**Permitted Mezzanine Loan Election**"), to obtain a loan ("**Permitted Mezzanine Loan**") secured by a pledge of the ownership interests in the indirect owners of Borrower (above the level of the Ninth Mezzanine Borrower) provided that the following conditions precedent are satisfied:

(a) no Default or Event of Default shall have occurred and remains uncured;

(b) as of the date the Permitted Mezzanine Loan is advanced, the Permitted Mezzanine Debt Loan-to-Value Ratio for the Properties subject to the Lien of the Mortgage is equal to or less than eighty percent (80%);

(c) as of the date the Permitted Mezzanine Loan is advanced, the Permitted Mezzanine DSCR for the four-quarter period preceding such date for the Properties then subject to the Lien of the Mortgage(s) is equal to or greater than 1.2 to 1.0;

(d) the Permitted Mezzanine Loan shall be evidenced by one (1) loan, that may be advanced in multiple draws provided that Borrower complies with the requirements set forth in this Section 2.8 with respect to each draw;

(e) the Permitted Mezzanine Loan shall be issued by one (1) lender (the "**Permitted Mezzanine Loan Lender**") which shall be an Institutional Lender; provided, however, that such single Lender that is an Institutional Lender may grant participations in such Permitted Mezzanine Loan or syndicate the Permitted Mezzanine Loan to multiple lenders so

long as at least fifty-one percent (51%) of such participants and syndicate lenders are Institutional Lenders and, in addition, so long a single lender serves as agent with respect to all approvals, consents and other matters relating to the Permitted Mezzanine Loan;

(f) the Permitted Mezzanine Loan shall have the same maturity date as the Maturity Date under the Loan, or a maturity date extending beyond the Maturity Date under the Loan;

(g) the Permitted Mezzanine Loan (including all of the terms, provisions and conditions of the Permitted Mezzanine Loan, including, without limitation, the loan documents evidencing and securing the Permitted Mezzanine Loan (“**Permitted Mezzanine Loan Documents**”)) shall be acceptable to Lender in its reasonable discretion (it being agreed that with respect (only) to Lender’s approval of the form of loan documents that loan documents in substantially the same form as the Ninth Mezzanine Loan Documents, appropriately modified to reflect subordination to the Mezzanine Loans still outstanding, shall be deemed to be acceptable);

(h) the Permitted Mezzanine Loan Lender shall enter into a co-lender or intercreditor agreement substantially on the standard CMSA form (or the form entered into by Lender, Other Mezzanine Lenders and Mortgage Lender in connection with the closing of the Loan) or in form and substance reasonably acceptable to Lender, acknowledging the subordination of the Permitted Mezzanine Loan in all respects to each of the Mezzanine Loans and the Mortgage Loan (and Lender agrees to enter into such co-lender or intercreditor agreement upon request);

(i) the Permitted Mezzanine Loan shall be a fixed rate loan, or a floating rate loan containing an interest rate that is capped at an amount that satisfies the debt service coverage ratio requirement set forth in subparagraph (c) above, with interest due and payable monthly (i.e., interest does not accrue) and such interest rate shall not be subject to adjustment except after an event of default (Borrower agreeing to cause the purchase of an interest rate cap to reflect the foregoing);

(j) if requested by Lender, Borrower shall execute amendments to the Loan Documents reasonably requested by Lender, to reflect the existence of such Permitted Mezzanine Loan, provided that any such amendments or agreements will not alter the payment terms of the Loan set forth in this Agreement or the other Loan Documents or materially and adversely affect Borrower or impose additional material obligations or liabilities upon Borrower;

(k) if required by Lender, Borrower shall deliver (i) Additional Insolvency Opinions and, if the Loan Documents are amended pursuant to Section 2.8(k), opinions regarding due execution and enforceability with respect to the Properties, Mortgage Borrower, Mezzanine Borrowers, Holdings, Guarantor and their respective Affiliates and the Loan Documents, and such related matters as Lender shall reasonably require, and (ii) revised organizational documents for Borrower, which opinions and organizational documents shall be reasonably satisfactory to Lender;

(l) all necessary or appropriate governmental or other third party consents (including any approvals, notices, filings or other actions under or pursuant to the Gaming Laws or other Legal Requirements) required to be obtained or taken by Borrower, any Mezzanine Borrower or the Permitted Mezzanine Borrower for the execution, delivery and performance by the Permitted Mezzanine Borrower of the Permitted Mezzanine Loan shall have been obtained or taken; and

(m) all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and expenses) incurred by Lender in connection with this Section 2.8 shall be paid by Borrower (but no approval or consent fees shall be payable in connection therewith).

Borrower represents and warrants as of the date hereof and as of the Original Closing Date (provided that, with respect to Paris Las Vegas, Harrah's Laughlin, Paris Individual Borrower, Paris Mortgage Borrower, Laughlin Individual Borrower and Laughlin Mortgage Borrower, the references in this Article IV to "Original Closing Date" shall be to the date hereof), except as disclosed in Schedule XXIII, that:

4.1.1 Organization. (a) Borrower has been duly organized and is validly existing and in good standing with requisite power and authority to own the Individual Properties and to transact the businesses in which it is (or each of them is) now engaged. Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations. Borrower possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to own its properties and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The sole business of Borrower is the ownership of the Mortgage Borrower. The ownership interests of Borrower are as set forth on the organizational chart attached hereto as Schedule VIII.

(b) Each Operating Company has been duly organized and is validly existing and in good standing with requisite power and authority to own its properties or assets, including the Gaming Equipment, and to transact the businesses in which it is now engaged. Each Operating Company is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations, including the operation of the Casino Components at each Individual Property. Each Operating Company possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to operate the Properties currently operated by each such Operating Company and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The sole business of each Operating Company is the management and operation of the Individual Property or Properties currently operated by each such Operating Company. The ownership interests of each Operating Company are as set forth on the organizational chart attached hereto as Schedule VIII.

(c) Borrower has the power and authority and the requisite ownership interests in Mortgage Borrower to control the actions of Mortgage Borrower, and upon the realization of the Collateral under the Pledge Agreement, Lender or any other party succeeding to the Borrower's interest in the Collateral described in the Pledge Agreement would have such control. Without limiting the foregoing, Borrower has sufficient control over Mortgage Borrower to cause Mortgage Borrower to (i) take any action on Mortgage Borrower's part required by the Loan Documents and (ii) refrain from taking any action prohibited by the Loan Documents.

4.1.2 Proceedings. Borrower and Operating Company have taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents. This Agreement and such other Loan Documents have been duly executed and delivered by or on behalf of Borrower and Operating Company, and constitute legal, valid and binding obligations of Borrower and Operating Company enforceable against Borrower and Operating Company (as applicable) in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

4.1.3 No Conflicts; Approvals. (a) The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower and Operating Company will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower or Operating Company pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement, material lease or other material agreement or instrument to which Borrower or Operating Company (as applicable) is a party or by which any of Borrower's or Operating Company's property or assets is or are subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or Operating Company any of Borrower's or Operating Company's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any such Governmental Authority required for the execution, delivery and performance by Borrower and Operating Company of this Agreement or any other Loan Documents (and the execution by Lender of the remedies provided in the Loan Documents, subject to the limitations thereon pursuant to applicable Gaming Laws) has been obtained and is in full force and effect.

(b) Borrower, Mortgage Borrower and Operating Company have obtained all consents and approvals, including all approvals of Governmental Authorities including Gaming Authorities, if required, in connection with the execution, delivery and performance of the Loan Documents (including by Mortgage Lender and each Mezzanine Lender), the Operating Lease, the Operating Lease Guaranty and the operation of the business currently conducted at any of the Properties, and shall promptly execute any and all such instruments and documents, deliver any certificates and do all such other acts or things required by the Gaming Authorities to maintain or keep current such approvals.

4.1.4 Litigation. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending or, to Borrower's knowledge, threatened against or affecting any Loan Party, any Affiliates of Borrower, including Holdings, Operating Company or any Individual Property, or any prior owner or other holder of any interest in any Individual Property, which actions, suits or proceedings, if determined against any Loan Party, Holdings, Operating Company, any other Affiliate or any Individual Property, (taking into account the reasonably estimated damages payable in connection therewith), is reasonably likely to materially adversely affect the condition (financial or otherwise) or business of any Loan Party, any Affiliate of Borrower that is a direct or indirect owner of Mortgage Borrower, including Holdings and Operating Company, or the condition or ownership of any Individual Property, or any of the material rights, interests and remedies of Lender under the Loan Documents (taken as a whole). None of the actions described on Schedule XXIV, if determined adversely to Borrower, Mortgage Borrower, Operating Company and/or any of their respective Affiliates, as applicable, would result in the payment by Borrower, Operating Company or such Affiliate of an amount in excess of Ten Million and no/100 Dollars (\$10,000,000.00), except to the extent covered by insurance.

4.1.5 Agreements. None of Borrower, Mortgage Borrower or Operating Company is in default, in any material respect, in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any material agreement or instrument to which it is a party or by which Borrower, Mortgage Borrower, Operating Company, the Collateral or any of the Properties are bound. None of Borrower, Mortgage Borrower or Operating Company has any material financial obligation under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower, Mortgage Borrower or Operating Company is a party or by which Borrower, Mortgage Borrower, Operating Company, the Collateral or the Properties is otherwise bound, other than (a) with respect to Mortgage Borrower, obligations incurred in the ordinary course of the operation of the Properties as permitted pursuant to clause (t) of the definition of "Special Purpose Entity" set forth in Section 1.1 of the Mortgage Loan Agreement, (b) with respect to Borrower, obligations under the Loan Documents and (c) with respect to Operating Company, the Operating Lease and Permitted Indebtedness (Operating Company).

4.1.6 Title. (a) The Borrower (as pledgor under the Pledge Agreement) is the record and beneficial owner of, and Borrower has good and marketable title to the Collateral, free and clear of all Liens whatsoever except the Liens created by the Loan Documents. The Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of any of the Properties (as currently used) or Borrower's ability to repay the Loan. The Pledge Agreement, together with the delivery of the certificates evidencing ownership of the Pledged Company Interests and the endorsement in blank, as being delivered concurrently herewith, will create a valid perfected, first priority lien on, and security interest in and to, the Collateral, all in accordance with the terms thereof. There are no claims for payment for work, labor or materials affecting any of the Properties which are or may become a Lien prior to, or of equal priority with, the Liens created by the Mortgage Loan Documents.

(b) Each Operating Company has good, marketable title to the Gaming Equipment, free and clear of all Liens whatsoever (except equipment financing and leasing arrangements entered into by Operating Company in the ordinary course of its business (subject to the limitations set forth in the definition of “Permitted Indebtedness (Operating Company)”).

4.1.7 Solvency. Borrower has (a) not entered into the transaction or executed the Note, this Agreement or any other Loan Documents with the actual intent to hinder, delay or defraud any creditor and (b) received reasonably equivalent value in exchange for its obligations under such Loan Documents. The fair saleable value of Borrower’s assets exceeds and will, immediately following the making of the Loan, exceed Borrower’s total liabilities, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. The fair saleable value of Borrower’s assets is and will, immediately following the making of the Loan, be greater than Borrower’s probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower’s assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). No petition in bankruptcy has been filed against Borrower, Operating Company, any Loan Party or any constituent Person, and none of Borrower, Operating Company, any Loan Party or any constituent Person has ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for the benefit of debtors. None of Borrower, Operating Company, any Loan Party or any of their respective constituent Persons are contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency laws or the liquidation of all or a major portion of Borrower’s, Operating Company’s or any Loan Party’s assets or properties, and Borrower has no knowledge of any Person contemplating the filing of any such petition against it, Operating Company, any Loan Party or such constituent Persons.

4.1.8 Full and Accurate Disclosure. No statement of fact made by Borrower in this Agreement or in any of the other Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained herein or therein not misleading. There is no material fact presently known to Borrower which has not been disclosed to Lender which has, nor as far as Borrower can foresee, might reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect.

4.1.9 No Plan Assets. Borrower is not an “employee benefit plan,” as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of Borrower constitutes or will constitute “plan assets” of one or more such plans within the meaning of 29 C.F.R. Section 2510.3 101. In addition, (a) Borrower is not a “governmental plan” within the meaning of Section 3(32) of ERISA and (b) transactions by or with Borrower are not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans similar to the provisions of Section 406 of ERISA or Section 4975 of the Code currently in effect, which prohibit or otherwise restrict the transactions contemplated by this Loan Agreement.

4.1.10 Compliance. Except as disclosed in the zoning reports obtained by Lender in connection with the origination of the Loan, Borrower, Mortgage Borrower, Operating Company and each Individual Property (including the use thereof) comply in all material respects with all applicable Legal Requirements, including, without limitation, building and zoning ordinances and codes and Prescribed Laws. Borrower, Mortgage Borrower and Operating Company are not in default or violation of (i) any material order, writ, injunction, decree or demand of any Gaming Authority or (ii) any material order, writ, injunction, decree or demand of any other Governmental Authority. There has not been committed by Borrower, Mortgage Borrower, Operating Company or any other Person in occupancy of or involved with the operation or use of the Properties any act or omission affording the federal government or any other Governmental Authority the right of forfeiture as against any Individual Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents.

4.1.11 Financial Information. All financial data, including, without limitation, the statements of cash flow and income and operating expense, that have been delivered to Lender in connection with the Loan, the Collateral, the Properties and each Loan Party (i) are true, complete and correct in all material respects, (ii) accurately represent in all material respects the financial condition of the Properties as of the date of such reports, and (iii) to the extent prepared or audited by an independent certified public accounting firm, have been prepared in accordance with GAAP throughout the periods covered, except as disclosed therein. Except for Permitted Encumbrances, Borrower does not have any contingent liabilities, liabilities for taxes, unusual forward or long term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and reasonably likely to have a materially adverse effect on the Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. Borrower has no Indebtedness other than the Loan. Except for Permitted Indebtedness (Operating Company), Operating Company does not have any Indebtedness or contingent liabilities, or due and unpaid liabilities for taxes, that are known to Borrower, Mortgage Borrower or Operating Company and reasonably likely to have a materially adverse effect on the Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. Since the date of such financial statements, there has been no material adverse change in the financial condition, operation or business of Borrower or Operating Company from that set forth in said financial statements.

4.1.12 Condemnation. No Condemnation or other similar proceeding has been commenced or, to Borrower's best knowledge, is threatened or contemplated with respect to all or any portion of any Individual Property or for the relocation of roadways providing access to any Individual Property.

4.1.13 Federal Reserve Regulations. No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose which would be inconsistent with such Regulation U or any other Regulations of such Board of Governors, or for any purposes prohibited by Legal Requirements or by the terms and conditions of this Agreement or the other Loan Documents.

4.1.14 Utilities and Public Access. Each Individual Property has rights of access to public ways and is served by water, sewer, sanitary sewer and storm drain facilities adequate to service such Individual Property for its respective intended uses. All public utilities necessary or convenient to the full use and enjoyment of each Individual Property are located either in the public right of way abutting such Individual Property (which are connected so as to serve such Individual Property without passing over other property) or in recorded easements serving such Individual Property and such easements are set forth in and insured by the Title Insurance Policies. All roads necessary for the use of each Individual Property for their current respective purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

4.1.15 Not a Foreign Person. Borrower is not a "foreign person" within the meaning of §1445(f)(3) of the Code.

4.1.16 Separate Lots. Each Individual Property is comprised of one (1) or more parcels which constitute a separate tax lot or lots and does not constitute a portion of any other tax lot not a part of such Individual Property.

4.1.17 Assessments. There are no pending or, to Borrower's knowledge, proposed special or other assessments for public improvements or otherwise affecting any Individual Property, nor are there any contemplated improvements to any Individual Property that may result in such special or other assessments.

4.1.18 Enforceability. The Loan Documents are not subject to any right of rescission, set off, counterclaim or defense by Borrower, any Affiliates of Borrower including Holdings, Operating Company or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors' rights and the enforcement of debtors' obligations), and Borrower, any Affiliates of Borrower including Holdings, Operating Company and Guarantor have not asserted any right of rescission, set off, counterclaim or defense with respect thereto.

4.1.19 No Prior Assignment. There are no prior assignments of the Leases (including the Operating Leases) or of the Rents (or any Revenue) due and payable or to become due and payable which are presently outstanding. There are no prior assignments of the Collateral which are presently outstanding except in accordance with the Loan Documents.

4.1.20 Insurance. Borrower (or Mortgage Borrower or Operating Company) has obtained and has delivered to Lender certified copies of all Policies reflecting the insurance coverages, amounts and other requirements set forth in this Agreement. No material claims have been made under any such Policies except such as have been disclosed to Lender, and no Person, including Borrower, Mortgage Borrower and Operating Company, has done, by act or omission, anything which would impair the coverage of any such Policies.

4.1.21 Use of Properties. Each Individual Property is used exclusively as a mixed-use hotel and casino operation, and other appurtenant and related uses.

4.1.22 Gaming Licenses and Operating Permits. (a) Schedule IX contains a correct and complete list of all Gaming Licenses and other material licenses, certification and permits for each of the Properties (and the holder thereof).

(b) Borrower possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents which are material to the ownership of the Collateral. Mortgage Borrower possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents, including, without limitation, all certificates of occupancy, which are material to the ownership and use of each of the Properties, and Operating Company possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents, including, without limitation, all environmental, liquor, Gaming Licenses, health and safety licenses of all Governmental Authorities which are material to the conduct of their business and the use, occupation and operation of each of the Properties and the failure to possess which would have an Individual Material Adverse Effect (collectively, "**Operating Permits**"); each such Operating Permit is and will be in full force and effect (unless, in the case of any Operating Permit, such Operating Permit is no longer necessary or advisable for the conduct of Borrower's, Mortgage Borrower's or Operating Company's business); Borrower, Mortgage Borrower, Operating Company and each of its Affiliates are in compliance in all material respects with all such Operating Permits, and no event (including, without limitation, any material violation of any law, rule or regulation) has occurred which would be reasonably likely to lead to the revocation or termination of any such Operating Permit or the imposition of any material restriction thereon.

(c) Operating Company and each of its Affiliates possesses all Gaming Licenses which are material to the conduct of their business and the ownership, use, occupation and operation of each of the Properties. Further, Borrower hereby represents and warrants as follows:

(ii) Borrower has no reason to believe Mortgage Borrower and Operating Company will not be able to maintain in effect all Gaming Licenses necessary for the lawful conduct of their respective businesses or operations wherever now conducted and as planned to be conducted, including the ownership and operation of the Casino Components, pursuant to all applicable Legal Requirements;

(iii) All Gaming Licenses are in full force and effect and have not been amended or otherwise modified, rescinded, revoked or assigned in any manner that would reasonably be expected to have an Individual Material Adverse Effect;

(iv) Neither Mortgage Borrower nor Operating Company is in default in any material respect under, or in violation in any material respect of, any Gaming License (and no event has occurred, and no condition exists, which, with the giving of notice or passage of time or both, would constitute a default thereunder or violation thereof that has caused or would reasonably be expected to cause the loss of any Gaming License) (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Borrower's or Operating Company's business);

(v) Neither Mortgage Borrower nor Operating Company has received any notice of any violation of Legal Requirements which has caused or would reasonably be expected to cause any Gaming License to be suspended, forfeited, modified in any manner that would have an Individual Material Adverse Effect, not renewed, rescinded or revoked (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Mortgage Borrower's or Operating Company's business);

(vi) No condition exists or event has occurred which would reasonably be expected to result in the suspension, revocation, impairment, forfeiture, rescission or non-renewal of any Gaming License (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Mortgage Borrower's or Operating Company's business); and

(vii) The continuation, validity and effectiveness of all Gaming Licenses will not be adversely affected by the transactions contemplated by this Agreement.

(d) There is no proceeding, investigation, or disciplinary action (including, without limitation, before any Gaming Authority, under any Gaming Law or under any Gaming License or other Operating Permit) pending or, to Borrower's knowledge, threatened against any of Borrower, Mortgage Borrower, Operating Company or, to Borrower's knowledge, any of their respective directors, members, managers, officers, key personnel or Persons holding a five percent (5%) or greater direct or indirect equity or economic interest in Mortgage Borrower or Operating Company and that could reasonably be expected to have an Individual Material Adverse Effect.

Mortgage Borrower, Borrower and each of their respective Affiliates, and Operating Company and each of its Affiliates, have filed or caused to be filed all Federal, state, local and foreign tax returns (including, without limitation, all reports relating to gaming taxes and fees to the Gaming Authorities) which are required to be filed by them, on or prior to the Original Closing Date or on the date hereof, as applicable, other than tax returns in respect of taxes that (i) are not franchise, capital or income taxes, (ii) in the aggregate are not material and (iii) would not, if unpaid, result in the imposition of any material Lien on any property or assets of Mortgage Borrower, Borrower, Operating Company or any of their respective Affiliates. All such filed tax returns were, to Borrower’s knowledge, true, correct and complete when filed. Mortgage Borrower, Borrower, Operating Company and each of their respective Affiliates have paid or caused to be paid all taxes shown to be due and payable on such filed returns or on any assessments received by them, other than any taxes or assessments the validity of which Mortgage Borrower, Borrower, Operating Company or such Affiliate, as applicable, is contesting in good faith by appropriate proceedings, and with respect to which Mortgage Borrower, Borrower, Operating Company or such Affiliate, as applicable, shall have set aside adequate reserves. None of Mortgage Borrower, Borrower, Operating Company or any of their respective Affiliates has as of the date hereof requested or been granted any extension of time to file any Federal, state, local or foreign tax return. None of Mortgage Borrower, Borrower or Operating Company is party to (or has any obligation under) any tax sharing agreement.

4.1.38 Intentionally Omitted.

4.1.39 Intentionally Omitted.

4.1.40 Operation of Properties. (a) The operation, management and use of each Individual Property by Mortgage Borrower and Operating Company is in compliance in all material respects with applicable Legal Requirements, including all applicable Gaming Laws, and all other federal, state, or local governmental authorities including, without limitation, those requirements relating to such Individual Property’s physical structure and environment, except to the extent that non-compliance would not reasonably be expected to have an Individual Material Adverse Effect.

(b) The licenses, permits, and regulatory agreements, approvals and registrations relating to each Individual Property, including the Gaming Licenses, (i) may not be, and have not been, transferred to any location other than any Individual Property; have not been pledged as collateral security for any other loan or indebtedness; and are held free from restrictions or known conflicts that would materially impair the use or operation of any Individual Property as intended, (b) are in full force and effect and in good standing and (c) are not provisional, conditional or probationary in any manner.

(c) None of Mortgage Borrower, Borrower, Holdings, Guarantor or Operating Company is currently the subject of any proceeding by any Governmental Authority, and no notice of any violation has been received from a Governmental Authority that, in either case, would reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect.

(d) None of Mortgage Borrower, Borrower or Operating Company has received a statement of charges or deficiencies and no penalty enforcement actions have been undertaken against any of them relating to any Individual Property by any Governmental Authority during the last three (3) calendar years which caused or could cause an Individual Material Adverse Effect or an Aggregate Material Adverse Effect.

(e) Each Operating Lease and Operating Lease Guaranty is in full force and effect and no party to either agreement has defaulted thereunder in any material respect.

(f) None of Mortgage Borrower or Operating Company has pledged its receivables relating to any of the Properties as collateral security for any other loan or indebtedness.

4.1.41 Mortgage Loan Representations and Warranties. All of the representations and warranties contained in the Mortgage Loan Documents are hereby incorporated into this Agreement and deemed made hereunder as and when made thereunder and shall remain incorporated without regard to any waiver, amendment or other modification thereof by the Mortgage Lender or to whether the related Mortgage Loan Document has been repaid or otherwise terminated, unless otherwise consented to in writing by Lender.

4.1.42 Affiliates. Effective as of the consummation of the transactions contemplated by this Agreement (and still effective as of the date hereof), the sole member of Borrower is Principal, which owns one hundred percent (100%) of the membership interests in Borrower. Borrower does not have any subsidiaries except as set forth in Schedule VIII.

Section 4.2. Survival of Representations. Borrower agrees that all of the representations and warranties of Borrower set forth in Section 4.1 and elsewhere in this Agreement and in the other Loan Documents shall survive for so long as any amount remains owing to Lender under this Agreement or any of the other Loan Documents by Borrower. All representations, warranties, covenants and agreements made in this Agreement or in the other Loan Documents by Borrower shall be deemed to have been relied upon by Lender notwithstanding any investigation heretofore or hereafter made by Lender or on its behalf.

V BORROWER COVENANTS

Section 5.1. Affirmative Covenants. From the date Original Closing Date (or, with respect to each Swap Property and the related Borrowers and Mortgage Borrowers, from the date hereof) and until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Liens of the Pledge Agreement (and all related obligations) in accordance with the terms of this Agreement and the other Loan Documents, Borrower hereby covenants and agrees with Lender that:

5.1.1 Existence; Compliance with Legal Requirements. Borrower shall, and shall cause Mortgage Borrower and Operating Company to, do or cause to be done all things necessary to preserve, renew and keep in full force and effect their existence, rights, licenses, permits and franchises and comply with all Legal Requirements applicable to Borrower, Mortgage Borrower, the Collateral, Operating Company and the Properties, including, without limitation, Prescribed Laws. There shall never be committed by Borrower and Borrower shall not permit Mortgage Borrower to permit any other Person in occupancy of or involved with the operation or use of the Properties, including Operating Company, to commit any act or omission affording the federal government or any state or local government the right of forfeiture against, the Collateral, any Individual Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents. Borrower hereby covenants and agrees not to commit, permit or suffer to exist any act or omission affording such right of forfeiture. Borrower shall, and shall cause Mortgage Borrower to, at all times maintain, preserve and protect all franchises and trade names and preserve all the remainder of its property used or useful in the conduct of its business and shall keep the Properties in good working order and repair. Borrower shall cause Mortgage Borrower to keep the Properties insured at all times as (and in the amounts) provided elsewhere in this Agreement. Borrower shall cause Mortgage Borrower to operate any Individual Property that is the subject of the O&M Agreement in accordance with the terms and provisions thereof in all material respects. After prior notice to Lender, Borrower, at its own expense, may contest (or cause Mortgage Borrower to contest) by appropriate legal proceeding promptly initiated and conducted in good faith and with due diligence, the validity of any Legal Requirement, the applicability of any Legal Requirement to Borrower, Mortgage Borrower, the Collateral or any Individual Property or any alleged violation of any Legal Requirement, provided that (i) no Event of Default has occurred and remains uncured; (ii) such proceeding shall be permitted under and be conducted in accordance with the provisions of any applicable material instrument to which Borrower or Mortgage Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all Legal Requirements; (iii) neither the Collateral nor any Individual Property nor any material part thereof or interest therein will be in imminent danger of being sold, forfeited, terminated, cancelled or lost; (iv) Borrower shall promptly upon receipt of a final, non-appealable determination thereof comply with any such Legal Requirement determined to be valid or applicable or cure any violation of any such Legal Requirement; (v) such proceeding shall suspend the enforcement of the contested Legal Requirement against Borrower, Mortgage Borrower, the Collateral and any Individual Property; and (vi) Borrower shall furnish such security as may be required in the proceeding, or as may be reasonably requested by Lender, to insure compliance with such Legal Requirement, together with all interest and penalties payable in connection therewith. Lender may apply any such security, as necessary to cause compliance with such Legal Requirement at any time when, in the reasonable judgment of Lender, the validity, applicability or violation of such Legal Requirement is finally established or the Collateral or any Individual Property (or any part thereof or interest therein) shall be in imminent danger of being sold, forfeited, terminated, cancelled or lost.

5.1.2 Taxes and Other Charges. Borrower shall pay or shall cause Mortgage Borrower to pay or cause to be paid all Taxes and Other Charges now or hereafter levied or assessed or imposed against the Properties or any part thereof as the same become due and payable; provided, however, Borrower's obligation to cause Mortgage Borrower to directly pay or cause to be paid Taxes shall be suspended for so long as Borrower complies with the terms and provisions of Section 7.2 hereof. Borrower will deliver or cause to be delivered to Lender receipts for payment or other evidence satisfactory to Lender that the Taxes and Other Charges have been so paid or are not then delinquent no later than the date on which the Taxes and/or Other Charges would otherwise be delinquent if not paid; provided, however, Borrower is not required to furnish such receipts for payment of Taxes in the event that such Taxes have been paid by Lender pursuant to Section 7.2 hereof. Borrower shall not suffer (and shall not permit Mortgage Borrower to suffer) and shall promptly pay or cause to be paid and discharged (or cause Mortgage Borrower to pay or cause to be paid and discharged) any Lien or charge whatsoever which may be or become a Lien or charge against the Properties other than Permitted Encumbrances, and shall promptly pay or cause to be paid for all utility services provided to the Properties. After prior notice to Lender, Borrower, at its own expense, may contest (or cause Mortgage Borrower to contest) by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any Taxes or Other Charges, provided that (a) no Default or Event of Default has occurred and remains uncured; (b) such proceeding shall be permitted under and be conducted in accordance with the provisions of any applicable material other instrument to which Borrower or Mortgage Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all Legal Requirements; (c) none of the Collateral, any Individual Property or any part of either or interest in either will be in imminent danger of being sold, forfeited, terminated, cancelled or lost; (d) Borrower shall promptly upon receipt of a final, non-appealable determination thereof pay (or cause Mortgage Borrower to pay) the amount of any such Taxes or Other Charges, together with all costs, interest and penalties which may be payable in connection therewith; (e) such proceeding shall suspend the collection of such contested Taxes or Other Charges from the applicable Individual Property; and (f) Borrower shall furnish or cause Mortgage Borrower to furnish such security as may be required in the proceeding, or as may be reasonably requested by Lender, to insure the payment of any such Taxes or Other Charges, together with all interest and penalties thereon. Lender may pay over any such cash deposit or part thereof held by Lender to the claimant entitled thereto at any time when, in the judgment of Lender, the entitlement of such claimant is established or any Individual Property (or part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, cancelled or lost or there shall be any danger of the Lien of any Mortgage being primed by any related Lien.

5.1.3 Litigation. Borrower shall give prompt notice to Lender of any litigation or governmental proceedings pending or, to Borrower's knowledge, threatened against Borrower, Mortgage Borrower, the Collateral, Operating Company, Holdings or Guarantor which, in any such case, might materially adversely affect Borrower's, Mortgage Borrower's, the Collateral's, Operating Company's, Holdings's or Guarantor's condition (financial or otherwise)

or business or any Individual Property. Borrower shall not, without the prior written consent of Lender (which may be furnished or withheld at its sole and absolute discretion), give its consent or approval to the settlement of any claim against Borrower, other than a fully insured third party claim, in any amount greater than One Hundred Thousand and no/100 Dollars (\$100,000.00).

5.1.4 Access to Properties. Borrower shall cause Mortgage Borrower to permit agents, representatives and employees of Lender and any Noteholder, and prospective purchasers of any Note or any interest therein, to inspect the Properties or any part thereof at reasonable hours upon reasonable advance notice, and Borrower shall cause Operating Company to permit such access by Lender, in each case subject to the rights of tenants under Leases and Hotel guests.

5.1.5 Notice of Default. Borrower shall promptly advise Lender of any material Default or Event of Default of which Borrower has knowledge, including any Mortgage Loan Default or Mortgage Loan Event of Default.

5.1.6 Cooperate in Legal Proceedings. Borrower shall cooperate fully with Lender with respect to any proceedings before any court, board or other Governmental Authority which may in any way affect the rights of Lender hereunder or any rights obtained by Lender under any of the other Loan Documents and, in connection therewith, permit Lender, at its election, to participate in any such proceedings.

5.1.7 Perform Loan Documents. Borrower shall observe, perform and satisfy all the terms, provisions, covenants and conditions of, and shall pay when due all costs, fees and expenses to the extent required under the Loan Documents executed and delivered by, or applicable to, Borrower.

5.1.8 Award and Insurance Benefits. Borrower shall cooperate with Lender in obtaining for Lender the benefits of any Awards or Insurance Proceeds lawfully or equitably payable in connection with any Individual Property, and Lender shall be reimbursed for any actual, reasonable out-of-pocket expenses incurred in connection therewith (including actual, reasonable out-of-pocket attorneys' fees and disbursements, and, if reasonably required, the payment by Borrower of the expense of an appraisal on behalf of Lender in case of Casualty or Condemnation affecting any Individual Property or any part thereof) out of such Insurance Proceeds.

5.1.9 Further Assurances. Borrower shall and shall cause Mortgage Borrower, Guarantor and Operating Company to, at Borrower's sole cost and expense:

(a) furnish to Lender all instruments, documents, boundary surveys, footing or foundation surveys, certificates, plans and specifications, appraisals, title and other insurance reports and agreements, and each and every other document, certificate, agreement and instrument, in each case in such party's possession, not subject to confidentiality restrictions barring the delivery of such materials, and which are either required to be furnished by Borrower or Operating Company pursuant to the terms of the Loan Documents or which are reasonably requested by Lender in connection therewith;

(b) execute and deliver to Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the collateral at any time securing or intended to secure the obligations of Borrower under the Loan Documents, as Lender may reasonably require; and

(c) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of this Agreement and the other Loan Documents, as Lender shall reasonably require from time to time.

5.1.10 Mortgage Taxes. Borrower represents that it has caused Mortgage Borrower to pay all state, county and municipal recording and all other taxes imposed upon the execution and recordation of the Mortgage.

5.1.11 Financial Reporting. (a) Borrower will keep or will cause to be kept and maintained on a Fiscal Year basis, in accordance with GAAP (or such other accounting basis acceptable to Lender), books, records and accounts reflecting all of the financial affairs of Borrower and all items of income and expense in connection with the operation on an individual basis of the Properties. Lender (at Lender's sole cost and expense) shall have the right from time to time at all times during normal business hours upon reasonable notice to examine the books, records and accounts of Borrower and Mortgage Borrower at the office of Borrower or any other Person maintaining such books, records and accounts and to make such copies or extracts thereof as Lender shall desire. After the occurrence and during the continuance of an Event of Default, Borrower shall pay any costs and expenses incurred by Lender to examine Borrower's, Mortgage Borrower's or to the extent permitted under the Operating Lease, Operating Company's accounting records with respect to the Properties, as Lender shall determine to be necessary or appropriate in the protection of Lender's interest.

(b) Borrower will furnish or cause to be furnished to Lender annually, by no later than April 30, 2009, and thereafter within no more than one hundred twenty (120) days following the end of each Fiscal Year of Borrower, a complete copy of the annual financial statements of the Operating Company, Mortgage Borrower and Borrower (and of no other entity or Person), audited by a "Big Four" accounting firm or other independent certified public accountant acceptable to Lender in accordance with GAAP (or such other accounting basis acceptable to Lender) covering the Properties on a combined basis for such Fiscal Year (and no other Persons, Properties or assets) and containing statements of profit and loss for the Operating Companies, Borrower, Mortgage Borrower and the Properties (on a combined basis) and a balance sheet for the Operating Company, Borrower, Mortgage Borrower and the Properties (on a combined basis), in each case showing no other assets than the Properties (and the interests of Operating Company, Borrower and Mortgage Borrower therein). In addition, Borrower will furnish or cause to be furnished to Lender by no later than April 30, 2008 (i) a "balance sheet only audit" prepared by a "Big Four" accounting firm or other independent certified public accountant acceptable to Lender (for the Fiscal Year ending December 31, 2007) and (ii) a complete copy of annual financial statements for the Operating Company, Mortgage Borrower and Borrower prepared in accordance with GAAP (or such other accounting basis acceptable to Lender), covering the Operating Companies, Mortgage Borrower, Borrower and the Properties on a combined basis for such Fiscal Year (ending December 31, 2007) and containing statements

of profit and loss for the Operating Companies, Mortgage Borrower, Borrower and the Properties (in each case, on a combined basis), and a balance sheet for the Operating Companies, Mortgage Borrower, Borrower and the Properties (in each case, on a combined basis). All such statements (including statements for the Fiscal Year ending December 31, 2007, and thereafter for all statements provided yearly to Lender) shall set forth the financial condition and the results of operations for the Properties for such Fiscal Year, and shall include, but not be limited to, amounts representing Borrower's reasonable and good faith determination of aggregate annual EBITDAR from all of the Properties and capital expenditures (allocated between maintenance and growth) at the Properties (it being acknowledged that Borrower's statement of EBITDAR pursuant to the above provisions of this sentence and the balance of this Section 5.1.11 shall not be binding on Lender and shall be subject to Lender's reasonable review). All such statements (including statements for the Fiscal Year ending December 31, 2007, and thereafter for all statements provided yearly to Lender) shall also set forth unaudited schedules for each Individual Property, detailing the statements of profit and loss and a balance sheet for each Individual Property, as well as gross revenues, gross hotel and casino revenues, EBITDAR and capital expenditures (allocated between maintenance and growth). The annual financial statements, as described above, shall be accompanied by (1) a comparison of the budgeted income and expenses and the actual income and expenses for the prior Fiscal Year, (2) in the case of any financial statements for Fiscal Year 2008 and thereafter, an unqualified opinion of a "Big Four" accounting firm or other independent certified public accountant reasonably acceptable to Lender, (3) room rate reports and RevPAR calculations, and (4) an Officer's Certificate certifying (A) that each annual financial statement presents fairly the financial condition and the results of operations of the Operating Companies, Mortgage Borrower, Borrower and the Properties being reported upon, (B) that such financial statements have been prepared in accordance with GAAP (or such other accounting basis acceptable to Lender) and (C) as of the date thereof whether there exists an event or circumstance which constitutes a Default or Event of Default, and if such Default or Event of Default exists, the nature thereof, the period of time it has existed and the action then being taken to remedy the same. Any audits performed by Borrower (and any audited materials and other information provided to Lender, as required hereunder in order for Borrower to comply with the requirements of this subparagraph (b)) may be performed with respect to the Properties on a "combining basis" (so that a single audit of the Properties, rather than individual audits of each of the separate Properties, may be performed and provided).

(c) Borrower will furnish, or cause to be furnished, to Lender on or before sixty (60) days after the end of each fiscal quarter the following items, accompanied by an Officer's Certificate stating that such items fairly present the financial condition and results of the Operating Company, Mortgage Borrower, Borrower and the Properties, subject to normal year end adjustments, as applicable: (i) quarterly and year to date operating statements (including Capital Expenditures) noting such information as is necessary and sufficient to fairly represent the financial position and results of operation of the Properties during such quarter, and containing a comparison of budgeted income and expenses and the actual income and expenses together with a detailed explanation of any variances of ten percent (10%) or more between budgeted and actual amounts for such periods, all in form reasonably satisfactory to Lender; and (ii) a calculation reflecting the Debt Service Coverage Ratio, gross revenues, gross hotel and casino revenues, EBITDAR and capital expenditures (allocated between maintenance and growth), in each case for the immediately preceding twelve (12) month period as of the last day

of such quarter (it being acknowledged that Borrower's statement of EBITDAR pursuant to the above provisions of this sentence and the balance of this Section 5.1.11 shall not be binding on Lender and shall be subject to Lender's reasonable review). Borrower shall provide the statements and calculations required hereunder on both a "combined basis" for all Properties and on an Individual Property-by-Individual Property basis. In addition, such Officer's Certificate shall also state that the representations and warranties of Borrower set forth in Section 4.1.30 are true and correct as of the date of such certificate and that there are no trade payables outstanding for more than ninety (90) days. In addition, prior to a Securitization or Syndication, Borrower shall be obligated to provide the statements and calculations, as well as the Officer's Certificate, described in this subparagraph (c) to Lender on a monthly basis (such requirements to be modified as appropriate to reflect the fact that the information shall be required to be provided monthly (e.g., monthly rent rolls, monthly and year-to-date operating statements, a calculation reflecting the Debt Service Coverage Ratio for the immediately preceding twelve (12) month period as of the last day of such month), in each case within no more than thirty (30) days following the end of each calendar month.

(d) For the partial year period commencing on the Original Closing Date, and for each Fiscal Year thereafter, Borrower shall submit to Lender for informational purposes only an Annual Budget not later than the commencement of such period or Fiscal Year in form reasonably satisfactory to Lender.

(e) Intentionally Omitted.

(f) If, at the time one or more Disclosure Documents are being prepared for a public Securitization, Lender expects that Borrower alone or Borrower and one or more Affiliates of Borrower collectively, or the Properties and Related Properties collectively, will be a "Significant Obligor", as that term is defined in Item 1101(k) of Regulation AB (as defined below), Borrower shall furnish to Lender upon request (i) the selected financial data or, if applicable, net operating income, required under Item 1112(b)(1) of Regulation AB, if Lender expects that the principal amount of the Loan together with any other loans made to an Affiliate of Borrower or secured by a Related Property, that is included in a Securitization with the Loan (each, a "**Related Loan**") as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed ten percent (10%) (but less than twenty percent (20%)) of the aggregate principal amount of all loans included or expected to be included, as applicable, in the Securitization or (ii) the financial statements required under Item 1112(b)(2) of Regulation AB, if Lender expects that the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed twenty percent (20%) of the aggregate principal amount of all loans included or expected to be included, as applicable, in the Securitization. Such financial data or financial statements shall be furnished to Lender (A) within ten (10) Business Days after written notice from Lender in connection with the preparation of Disclosure Documents for the Securitization, (B) not later than thirty (30) days after the end of each fiscal quarter of Borrower and (C) not later than sixty (60) days after the end of each fiscal year of Borrower; provided, however, that Borrower shall not be obligated to

furnish financial data or financial statements pursuant to clauses (B) or (C) of this sentence with respect to any period for which a filing pursuant to the Exchange Act in connection with or relating to the Securitization (an “**Exchange Act Filing**”) is not required. If requested by Lender, in writing, Borrower shall use commercially reasonable efforts to furnish to Lender financial data and/or financial statements for any tenant of any of the Properties (other than a tenant that is a reporting company under the Exchange Act) if, in connection with a Securitization, Lender expects there to be, with respect to such tenant or group of affiliated tenants, a concentration within all of the loans included or expected to be included, as applicable, in the Securitization such that such tenant or group of affiliated tenants would constitute a Significant Obligor. “**Related Property**” shall mean a parcel of real property, together with improvements thereon and personal property related thereto, that is “related”, within the meaning of the definition of Significant Obligor, to any of the Properties. “Regulation AB” shall mean Regulation AB under the Securities Act and the Exchange Act, as such Regulation may be amended from time to time.

(g) All financial data and financial statements provided by Borrower, Mortgage Borrower and Operating Company hereunder pursuant to Section 5.1.11(f) shall be prepared in accordance with GAAP, and all such financial statements shall meet the requirements of Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and any other applicable legal requirements. All financial statements referred to in clause (ii) of Section 5.1.11(f) shall be audited by independent accountants of Borrower reasonably acceptable to Lender in accordance with Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and all other applicable legal requirements, shall be accompanied by the manually executed report of the independent accountants thereon, which report shall meet the requirements of Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and all other applicable legal requirements, and shall be further accompanied by a manually executed written consent of the independent accountants, in form and substance reasonably acceptable to Lender, to the inclusion of such financial statements in any Disclosure Document and any Exchange Act Filing and to the use of the name of such independent accountants and the reference to such independent accountants as “experts” in any Disclosure Document and Exchange Act Filing, all of which shall be provided at the same time as the related financial statements are required to be provided, in each case if applicable (i.e., in the case of a public securitization). All financial data and financial statements (audited or unaudited) provided by Borrower under this Section 5.1.11(g) shall be accompanied by an Officer’s Certificate which shall state that such financial statements meet the requirements set forth in the first sentence of this Section 5.1.11(g) to the extent applicable.

(h) If requested by Lender, Borrower shall provide Lender, promptly upon request, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall reasonably determine to be required pursuant to Regulation AB, Regulation S-X, Regulation S-K or any amendment, modification or replacement thereto or other legal requirements in connection with any Disclosure Document or any Exchange Act Filing or as shall otherwise be reasonably requested by the Lender.

(i) In the event Lender reasonably determines, in connection with a Securitization, that the financial data and financial statements required in order to comply with Regulation AB, Regulation S-X, Regulation S-K or any amendment, modification or

replacement thereto or other legal requirements are other than as provided herein, then notwithstanding the provisions of Sections 5.1.11(f) and (g), Lender may request, and Borrower shall promptly provide, such other financial statements as Lender determines to be necessary or appropriate for such compliance.

(j) Any reports, statements or other information required to be delivered under this Agreement shall be delivered (i) in paper form, and (ii) if requested by Lender and within the capabilities of Borrower's data systems without change or modification thereto, in electronic form and prepared using a Microsoft Word for Windows or WordPerfect for Windows files (which files may be prepared using a spreadsheet program and saved as word processing files). Borrower agrees that Lender may disclose information regarding any of the Properties, the Collateral, Mortgage Borrower, Borrower and Operating Company that is provided to Lender pursuant to this Section in connection with the Securitization to such parties reasonably requesting such information in connection with such Securitization.

5.1.12 Business and Operations. Borrower will, and will cause Mortgage Borrower and Operating Company to, continue to engage in the businesses presently conducted by it as and to the extent the same are necessary for the ownership, maintenance, management and operation of the Properties. Borrower will and will cause Mortgage Borrower and Operating Company to qualify to do business and will remain in good standing under the laws of each jurisdiction as and to the extent the same are required for the ownership, maintenance, management and operation of the Properties.

5.1.13 Title to the Properties and the Collateral. Borrower will cause Mortgage Borrower to warrant and defend (a) the title to each Individual Property and every part thereof, subject only to Liens permitted hereunder (including Permitted Encumbrances) and (b) the validity and priority of the Liens of the Mortgages and the Assignments of Leases, subject only to Liens permitted hereunder (including Permitted Encumbrances), in each case against the claims of all Persons whomsoever. Borrower shall reimburse Lender for any actual out-of-pocket losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Lender if an interest in any Individual Property, other than as permitted hereunder, is claimed by another Person. Borrower will warrant and defend (a) the title to the Collateral and every part thereof, subject only to Liens permitted hereunder and (b) the validity and priority of the Liens of the Pledge Agreement, in each case against the claims of all Persons whomsoever. Borrower shall reimburse Lender for any actual out-of-pocket losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Lender if an interest in any part of the Collateral, other than as permitted hereunder, is claimed by another Person.

5.1.14 Costs of Enforcement. In the event (a) that any Mortgage encumbering any Individual Property or the Lien of the Pledge Agreement is foreclosed in whole or in part or that any such Mortgage or Pledge Agreement is put into the hands of an attorney for collection, suit, action or foreclosure, (b) of the foreclosure of any mortgage prior to or subsequent to any Mortgage or any Lien prior to or subsequent to the Lien of the Pledge Agreement in which proceeding Mortgage Lender or Lender is made a party or exercises any or all of its rights or remedies under such Mortgage or the Pledge Agreement or any other Loan Documents as and when permitted thereby, or (c) of the bankruptcy, insolvency, rehabilitation or other similar proceeding in respect of Borrower, Mortgage Borrower or Operating Company or an assignment

by Borrower, Mortgage Borrower or Operating Company for the benefit of its creditors, Borrower, its successors or assigns, shall be chargeable with and agrees to pay all reasonable out-of-pocket costs of collection and defense, including reasonable out-of-pocket attorneys' fees and costs, incurred by Lender, Mortgage Borrower or Borrower in connection therewith and in connection with any appellate proceeding or post judgment action involved therein, together with all required service or use taxes.

5.1.15 Estoppel Statement. (a) After request by Lender, Borrower shall within ten (10) Business Days (but, provided there exists no Default or Event of Default, no more often than twice during the course of each fiscal year of Borrower) furnish Lender with a statement, duly acknowledged and certified, (i) with respect to the Loan, setting forth (A) the original principal amount of the Note, (B) the unpaid principal amount of the Loan, (C) the Interest Rate of the Loan, (D) the date installments of interest and/or principal were last paid, (E) any offsets or defenses to the payment of the Debt, if any, and (F) that the Note, this Agreement, the Pledge Agreement and the other Loan Documents are valid, legal and binding obligations and have not been modified or if modified, giving particulars of such modification, and (ii) with respect to the Mortgage Loan, setting forth (A) the original principal amount of the Mortgage Loan, (B) the unpaid principal amount of the Mortgage Loan, (C) the interest rate of the Mortgage Loan, (D) the date installments of interest and/or principal were last paid, (E) any offsets or defenses to the payment of the debt, if any, and (F) that the Mortgage Note, the Mortgage Loan Agreement, the Security Instruments and the other Mortgage Loan Documents are valid, legal and binding obligations and have not been modified or if modified, giving particulars of such modification.

(b) Borrower shall exercise reasonable best efforts to deliver to Lender upon request, tenant estoppel certificates from each space tenant leasing space at the Properties, and shall exercise reasonable best efforts to deliver an estoppel certificate from each ground lessor, each in form and substance reasonably satisfactory to Lender, provided that Borrower shall not be required to deliver such certificates more frequently than two (2) times in any calendar year.

(c) After request by Borrower, but not more than twice during the course of each year, Lender shall furnish Borrower with a statement setting forth (i) the original principal amount of the Loan, (ii) the unpaid principal amount of the Loan, (iii) the Interest Rate of the Loan, (iv) the date installments of interest and/or principal were last paid, and (v) that the Loan Documents have not been modified or if modified, giving particulars of such modification.

5.1.16 Loan Proceeds. Borrower shall use the proceeds of the Loan received by it on the Original Closing Date only for the purposes set forth in Section 2.1.4.

5.1.17 Performance by Borrower. Borrower shall in a timely manner observe, perform and fulfill each and every covenant, term and provision of each Loan Document executed and delivered by, or applicable to, Borrower, and shall not enter into or otherwise suffer or permit any amendment, waiver, supplement, termination or other modification of any Loan Document executed and delivered by, or applicable to, Borrower without the prior consent of Lender. Borrower shall cause Mortgage Borrower, in a timely manner, to observe, perform and fulfill each and every covenant, term and provision of each Mortgage Loan Document executed and delivered by, or applicable to, Mortgage Borrower, and

shall not cause or permit Mortgage Borrower to enter into or otherwise suffer or permit any amendment, waiver, supplement, termination or other modification of any Mortgage Loan Document executed and delivered by, or applicable to, Mortgage Borrower without the prior written consent of Lender.

5.1.18 Confirmation of Representations. Borrower shall deliver, in connection with any Securitization, (a) one or more Officer's Certificates certifying as to the accuracy of all representations made by Borrower in the Loan Documents as of the date of the closing of such Securitization in all relevant jurisdictions, and (b) certificates of the relevant Governmental Authorities in all relevant jurisdictions indicating the good standing and qualification of Mortgage Borrower, Borrower and Holdings as of the date of the Securitization.

5.1.19 No Joint Assessment. Borrower shall not, and shall not permit Mortgage Borrower to, suffer, permit or initiate the joint assessment of any Individual Property (a) with any other real property constituting a tax lot separate from such Individual Property, and (b) which constitutes real property with any portion of such Individual Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to such real property portion of the Individual Property, except as required by Legal Requirements.

5.1.20 Leasing Matters. (a) Borrower shall not (and shall cause Mortgage Borrower and Guarantor (Operating Lease) not to), without the prior written consent of Lender (and, if a Securitization shall have occurred, Borrower shall have obtained and delivered to Lender a Rating Agency Confirmation) restate, materially modify, materially amend or materially supplement (or permit the restatement, material modification, amendment or supplement of) any Operating Lease or Operating Lease Guaranty (provided, that any modification, amendment or supplement affecting any of the economic terms of any Operating Lease or any of the terms of the Operating Lease Guaranty shall be deemed to be material for purposes hereof), terminate or accept the surrender (or permit the termination or surrender) of any Operating Lease or Operating Lease Guaranty, or release or materially waive (or permit the release or material waiver of) the Operating Company or Guarantor (Operating Lease) from the performance or observance of any obligation or condition under the Operating Leases or Operating Lease Guaranty. In connection with a material modification, Lender may request, and in such event, Borrower shall not effect such modification without, an Additional True Lease Opinion in form and substance reasonably satisfactory to Lender issued by Borrower's counsel (at Borrower's expense). Borrower shall not permit (or cause or permit Mortgage Borrower to permit) the prepayment of any rents under the Operating Leases for more than one (1) month prior to the due date thereof. Notwithstanding the foregoing, Lender's consent shall not be required in connection with any modification, amendment or waiver of any provision of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document or that makes the provisions of the Operating Lease consistent with the provisions of this Agreement or any other Loan Document. Notwithstanding anything contained in this Section 5.1.20(a) to the contrary, (x) Lender's consent to any amendment, modification or supplement of the Operating Lease (or any new Operating Lease) or the Operating Lease Guaranty may also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and/or an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to

the Rating Agencies), and (y) Lender's consent to any assignment of any Operating Lease or Operating Lease Guaranty (or of any interest therein) or any material amendment, material modification or material supplement of any Operating Lease shall also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies).

(b) Borrower shall not permit (or consent to) an assignment by any Operating Company of any such Operating Company's interest(s) under any Operating Lease or an assignment by any Mortgage Borrower of any such Mortgage Borrower's interest(s) under any Operating Lease Guaranty without, in each case, Lender's prior written consent (and, if a Securitization shall have occurred, at Lender's request, without Borrower providing to Lender a Rating Agency Confirmation and an Additional True Lease Opinion).

(c) All space Leases and all renewals of space Leases executed after the Original Closing Date entered into by Operating Company shall (i) provide for rental rates, rent credits and free rent periods comparable to existing local market rates for comparable properties, (ii) be on commercially reasonable terms, (iii) provide that such Lease is subordinate to the Mortgage encumbering the Individual Property in question and that the lessee will attorn to Mortgage Lender and any purchaser at a foreclosure sale; (iv) not contain any terms which would materially adversely affect Lender's rights under the Loan Documents; (v) not grant to the tenants thereunder any option or right to purchase the applicable Individual Property (or any portion thereof); and (vi) in the case of Major Leases, have initial terms less than twenty (20) consecutive years, in each case (unless otherwise consented to by Lender pursuant to clause (d) below).

(d) (i) Any Major Lease entered into by Operating Company with respect to an Individual Property executed after the Original Closing Date (and any renewal of any Major Lease with respect to an Individual Property), and any space Lease or space Lease renewal proposed to be entered into by Operating Company after the Original Closing Date and that does not meet the criteria set forth in Sections 5.1.20(a) and subparagraph (c) above, shall be subject to the prior written approval of Lender, which approval shall not be unreasonably withheld, conditioned or delayed. Borrower shall not terminate or accept the surrender of (and shall not permit Operating Company or Mortgage Borrower to terminate or accept the surrender of) a Major Lease (unless by reason of a tenant default) without the consent of Lender.

(ii) Every submission to Lender of any proposed Major Lease (or Major Lease renewal, amendment, modification or termination) for Lender's approval shall be forwarded to Lender together with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this section.

(iii) If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN FIVE (5) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within five (5) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(e) Borrower shall and shall cause Mortgage Borrower and Operating Company to (i) observe and perform the obligations imposed upon the lessor under the Leases in a commercially reasonable manner; (ii) enforce the terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed or performed in a commercially reasonable manner and in a manner not to impair the value of the Individual Property involved; (iii) not collect any of the rents more than one (1) month in advance (other than security deposits); (iv) not execute any other assignment of lessor's interest in the Leases or the Rents (except as contemplated by the Loan Documents); (v) not alter, modify or change the terms of the Leases in a manner inconsistent with the provisions of the Loan Documents; and (vi) execute and deliver at the request of Lender all such further assurances, confirmations and assignments in connection with the Leases as Lender shall from time to time reasonably require.

(f) Upon request, Borrower shall furnish Lender with executed copies of all new Leases or Lease renewals or amendments.

(g) Notwithstanding anything to the contrary contained herein, Borrower shall not enter into (or permit Operating Company or Mortgage Borrower to enter into) a lease of all or substantially all of any Individual Property without Lender's prior consent.

5.1.21 Alterations. (a) Borrower shall cause all Alterations with respect to any portion of any of the Properties to be conducted and performed with due diligence in a good and workmanlike manner, and all materials used and work done shall be in accordance with all applicable Legal Requirements. In addition, with respect to the Convention Center Project and the Tower Project, to the extent such projects are pursued, Borrower agrees to cause Mortgage Borrower to (i) diligently pursue each such project to completion in a timely manner, subject to delays arising from Force Majeure events, (ii) cause the work to be performed in connection with each such project in substantial conformance with the plans and specifications for such project and otherwise in conformity with the Mortgage Loan Agreement and this Agreement, (iii) provide Lender with reasonably detailed monthly progress reports (and such information as Lender shall reasonably request from time to time) regarding the status of the Convention Center Project and the Tower Project, (iv) upon the substantial completion of each such project, provide

Lender with evidence of the substantial completion of each such project, copies of final unconditional lien waivers from the general contractors, construction managers or subcontractors for such project (if requested by Lender) and evidence of the final payment of all amounts due in connection with each such project, and a title search for the affected Individual Property indicating that such Individual Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (v) upon final completion of each such project, provide Lender with a final survey acceptable to Lender showing the “as-built” location of the completed Improvements and all easements appurtenant thereto, “as-built” plans and specifications for Lender’s file and a certificate of occupancy to the extent issued by the relevant Governmental Authority.

(b) Borrower shall obtain Lender’s prior consent to (i) any Material Alterations (unless collateral or a completion guaranty is provided as set forth in subparagraph (c) below) or (ii) any Alterations to any of the Improvements (even if otherwise described in clause (i) above) that is reasonably likely to have an Individual Material Adverse Effect. Lender’s consent shall not be required for any Alterations other than the Alterations described in the preceding sentence. Notwithstanding any provision hereof to the contrary, without Lender’s consent, not to be unreasonably withheld or delayed, in no event shall Borrower close or shutter, or undertake or permit any tenant or other Person to undertake, an Alteration that, alone or together with other work then being undertaken, closes or shutters, more than ten percent (10%) of the income-generating space in any Individual Property at any one time. Prior to undertaking any Alteration with respect to an Individual Property in excess of five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the “Allocated Loan Amounts” under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for such Individual Property, to afford Lender a prior and reasonable opportunity to determine whether or not the proposed Alteration would have an Individual Material Adverse Effect, Borrower will deliver such plans, specifications, project schedules, logistical plans, construction budgets (including a statement of sources and uses) and such other information as Lender may reasonably request in respect of such Alteration for review by Lender (and its consultants). All reasonable out-of-pocket costs and expenses incurred by Lender in connection with reviewing said Alterations proposal, including, without limitation, reasonable counsel fees and disbursements and Lender’s consultants, shall be paid by Borrower. The above-referenced submissions to Lender for confirmation or consent shall be delivered with a notice from Borrower (in bold typeface) that states “YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR [CONFIRMATION][APPROVAL] WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED [CONFIRMATION][CONSENT] TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE”. If Lender responds to Borrower’s request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for confirmation or approval, as the case may be), then Borrower shall re-submit such documents or materials to Lender for its confirmation or approval, as applicable, together with a second notice from Borrower that complies with this Section. If Lender fails to approve or disapprove (or confirm or deny, as applicable) any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for confirmation or approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender’s confirmation or approval and give Lender a second notice (in bold typeface) that states

“SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR [CONFIRMATION][APPROVAL] WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED [CONFIRMATION][CONSENT] TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE”. If Lender fails to respond to such second notice within ten (10) Business Days of receipt of same, then Lender’s confirmation or consent, as applicable, to the proposed request or submission that is the subject of such notice shall be deemed granted.

(c) With respect to any Material Alteration, unless otherwise consented to by Lender, Borrower shall promptly deliver to Mortgage Lender as security for the payment of such amounts and as additional security for Borrower’s obligations under the Loan Documents any of the following: (A) cash, (B) U.S. Obligations, (C) other securities having a rating acceptable to Lender and that the applicable Rating Agencies have confirmed in writing will not, in and of itself, result in a downgrade, withdrawal or qualification of the initial, or, if higher, then current ratings assigned to any Securities or any class thereof in connection with any Securitization, (D) a completion and performance bond or an irrevocable letter of credit (payable on sight draft only) issued by an Eligible Institution, or (E) a completion guaranty from an Approved Guarantor in the form attached hereto as Exhibit A (with such changes as Lender shall approve), together with evidence reasonably satisfactory to Lender that the Approved Guarantor has reasonable liquidity taking into account the nature and amount of the guaranteed obligations under such completion guaranty (it being agreed that, if the Approved Guarantor in question is Holdings, then the amounts available for repayment of such obligations under any revolving credit facility in effect at such time in favor of Harrah’s Operating Company, Inc. will be taken into account in determining whether Holdings has reasonable liquidity), and with, if required by applicable Rating Agency requirements, an Additional Insolvency Opinion. Such security, including the amount of the guaranteed obligations under any completion guaranty delivered as aforesaid, shall be in an amount equal to the sum of (i) the excess of the total unpaid amounts with respect to alterations to the Improvements on the applicable Individual Property (other than such amounts to be paid or reimbursed by tenants under the Leases) over the Threshold Amount and (ii) the costs of collection, and, upon the occurrence and during the continuance of an Event of Default, Lender may apply such security from time to time at the option of Lender to pay for such alterations.

5.1.22 Operation of Properties. (a) Borrower shall cause Mortgage Borrower to cause each of the Properties to be operated, in all material respects, in accordance with the Operating Leases and in accordance with all applicable Legal Requirements, including Gaming Laws, and all Gaming Licenses and other Operating Permits and in a manner consistent with their respective use as of the Original Closing Date (or, with respect to each Swap Property, as of the Closing Date). Borrower shall cause Operating Company to post all required bonds, if any, with any Gaming Authority as and in the amounts required under all applicable Legal Requirements (and shall, if Lender makes a request therefor, promptly provide Lender with copies of all such bonds).

(b) Borrower shall not, without Lender’s prior written consent, permit Operating Company to assign or transfer, and Operating Company shall not, without Lender’s prior written consent, assign or transfer, or delegate any responsibilities with respect to, any material Gaming License or Operating Permit.

(c) Borrower shall cause Operating Company to make all filings required under the Gaming Laws, or in connection with any Gaming Licenses or Operating Permits, including in connection with the origination of the Mortgage Loan and the Mezzanine Loans, and shall deliver copies of such filings as Lender shall reasonably request to Lender, promptly upon request. Borrower will timely pay all fees, investigative fees and costs required by the Gaming Authorities with respect to any such approvals and licenses. Borrower will and will cause Mortgage Borrower to diligently and comprehensively respond to any inquiries and requests from the Gaming Authorities and promptly file or cause to be filed any additional information required in connection with any required filings as soon as practicable after receipt of requests therefor.

(d) Upon request of Lender, Borrower shall deliver to Lender (or cause Operating Company to deliver to Lender) such evidence of compliance (by Borrower, Mortgage Borrower, Operating Company and each Individual Property) with all Legal Requirements, including Gaming Laws as shall be reasonably requested by Lender. Borrower shall immediately deliver to Lender (and shall cause Operating Company and Mortgage Borrower to deliver to Lender) any notice of material non-compliance or material violation of any Legal Requirement, or of any material inquiry or investigation commenced by the Gaming Authorities in connection with any of the Properties. Borrower shall immediately notify Lender if it, Mortgage Borrower or Operating Company believe that any material license, including any Gaming License, is being or could be revoked or suspended, or that any action is pending, being considered or being, or could be, taken to revoke or suspend Borrower's, Mortgage Borrower's or Operating Company's material licenses, including the Gaming Licenses, or to fine, penalize or impose remedies upon Borrower, Mortgage Borrower or Operating Company, or that any action is pending, being considered, or being, or could be, taken to discontinue, suspend, deny, decrease or recoup any payments due, made or coming due to Borrower, Mortgage Borrower or Operating Company, in each case if same might reasonably be expected to have an Individual Material Adverse Effect. Borrower shall immediately deliver to Lender any notice received by Borrower, Mortgage Borrower or Operating Company alleging or relating to the material non-compliance by Borrower, Mortgage Borrower or Operating Company with any Legal Requirements, including Gaming Laws.

(e) In the event that any of the Operating Leases expire or are terminated (without limiting any obligation of Borrower to obtain Lender's consent to any termination or modification of any of the Operating Leases in accordance with the terms and provisions of this Agreement), Borrower shall cause Mortgage Borrower to promptly enter into a replacement Operating Lease (in form and substance satisfactory to Lender) with Operating Company or another operating company reasonably satisfactory to Lender, provided Borrower will obtain a Rating Agency Confirmation as a condition to the effectiveness of such replacement Operating Lease and that Borrower will cause Guarantor (Operating Lease) to execute and deliver an operating lease guaranty in the same form and substance as the Operating Lease Guaranty.

(f) Borrower shall cause Mortgage Borrower to: (i) promptly perform and/or observe, in all material respects, all of the covenants and agreements required to be performed and observed by it under the Operating Lease and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any material default under any Operating Lease or Operating Lease Guaranty of which it is aware; (iii) promptly

deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, notice, report and estimate received by it under each Operating Lease; and (iv) enforce the performance and observance of all of the material covenants and agreements required to be performed and/or observed by each Operating Company under each Operating Lease and by each Guarantor (Operating Lease) under each Operating Lease Guaranty, in a commercially reasonable manner.

(g) Borrower shall cause Mortgage Borrower to cause the Hotel Components to be at all times open for business as a hotel and the Casino Components to be open for business as a casino, except to the extent necessary to undertake any alterations or repairs (subject to the provisions of this Agreement with respect to the performance of any such alterations or repairs). Borrower shall cause each Individual Property to be at all times operated, managed and maintained, at all times and in the manner and accordance with the standards required pursuant to the Operating Leases and all applicable Legal Requirements in all material respects.

(h) If Mortgage Borrower shall be in material default under any Operating Lease, then, subject to the terms of such Operating Lease, Borrower shall cause Mortgage Borrower (subject to any applicable Legal Requirements) to grant Lender the right (but not the obligation), to cause the default or defaults under such Operating Lease to be remedied and otherwise exercise any and all rights of Mortgage Borrower under such Operating Lease, as may be necessary to prevent or cure any default provided such actions are necessary to protect Lender's interest under the Loan Documents, and Lender shall have the right to enter all or any portion of the affected Individual Property at such times and in such manner as Lender deems necessary, to prevent or to cure any such default. The actions or payments of Lender to cure any default by Mortgage Borrower under any Operating Lease shall not remove or waive, as between Borrower and Lender, any default that may occur or occurred under this Agreement by virtue of such default by Mortgage Borrower under such Operating Lease. All out-of-pocket sums reasonably expended by Lender to cure any such default shall be paid by Borrower to Lender, upon demand, with interest on such sum at the rate set forth in this Agreement from the date such sum is expended to and including the date the reimbursement payment is made to Lender. All such indebtedness shall be deemed to be secured by the Pledge Agreement and the Collateral.

(i) Borrower shall notify Lender promptly in writing of (i) the occurrence, to Borrower's knowledge, of any material default by any party to any Operating Lease or any Operating Lease Guaranty, (ii) the occurrence, to Borrower's knowledge, of any event that, with the passage of time or service of notice, or both, would constitute a material default by any party under any Operating Lease or any Operating Lease Guaranty, and (iii) the receipt by Borrower or its Affiliate of any notice (written or otherwise) from any party under any Operating Lease or any Operating Lease Guaranty noting or claiming the occurrence of any material default by Borrower under such Operating Lease or such Operating Lease Guaranty.

(j) Borrower shall (subject to any applicable Legal Requirements) promptly cause Mortgage Borrower to execute, acknowledge and deliver to Lender such instruments as may reasonably be required to permit Lender to cure any material default under any Operating Lease or permit Lender to take such other action required to enable Lender to cure or remedy the matter in default and preserve the value of the security interest of Lender under the Loan Documents with respect to the Collateral. Upon the occurrence and during the continuance of an

Event of Default, Borrower irrevocably appoints Lender as its true and lawful attorney-in-fact to do, in its name or otherwise, any and all acts and to execute any and all documents that are necessary to preserve any rights of Mortgage Borrower under or with respect to any Operating Lease, including, without limitation, the right to effectuate any extension or renewal of any Operating Lease, or to preserve any rights of Mortgage Borrower whatsoever in respect of any part of any Operating Lease (and the above powers granted to Lender are coupled with an interest and shall be irrevocable).

(k) With respect to any Operating Lease or any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days' prior written request from Lender, execute, acknowledge and deliver to Lender, a statement containing the following: (A) a statement that such Operating Lease or such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease or the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications, (B) a statement that Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Borrower's knowledge, either the other party thereto is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to the Operating Lease or the Operating Lease Guaranty as Lender shall reasonably request.

(l) With respect to any Operating Lease, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from each Operating Company containing the following: (A) a statement that such Operating Lease is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease is in full force and effect as modified and setting forth such modifications, (B) a statement that Operating Company is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Operating Company's knowledge, the Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to Operating Company, any Operating Lease and/or any Operating Lease Guaranty as Lender shall reasonably request.

(m) With respect to any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from Guarantor (Operating Lease) containing the following: (A) a statement that such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications; (B) a statement that Guarantor (Operating Lease) is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (C) such other information with respect to such Guarantor (Operating Lease) and/or Operating Lease Guaranty as Lender shall reasonably request

5.1.23 Intentionally Omitted.

5.1.24 Mortgage Loan Reserve Funds. Borrower shall cause Mortgage Borrower to deposit and maintain each of the Mortgage Loan Reserve Funds (if any) as more particularly set forth in Article VII of the Mortgage Loan Agreement and to perform and comply with all the terms and provisions relating thereto. Borrower grants to Lender a first-priority perfected security interest in Borrower's interest in each of the Mortgage Loan Reserve Funds, if any, subject to the prior rights of Mortgage Lender, and any and all monies now or hereafter deposited in each Mortgage Loan Reserve Fund as additional security for payment of the Debt to the extent Borrower has an interest in same. Subject to the qualifications regarding Mortgage Lender's interest in the Mortgage Loan Reserve Funds, if any, until expended or applied in accordance with the Mortgage Loan Documents or the Loan Documents, Borrower's interest in the Mortgage Loan Reserve Funds shall constitute additional security for the Debt and upon the occurrence of an Event of Default, Lender may, in addition to any and all other remedies available to Lender, apply any sums then present in any or all of the Mortgage Loan Reserve Funds to the payment of the Debt in any order in its sole discretion and/or hold the same as Collateral for the Loan.

5.1.25 Notices. Borrower shall give notice, or cause notice to be given to Lender promptly upon the occurrence and during the continuance of an Event of Default and upon any of the following:

(a) any Mortgage Loan Event of Default;

(b) any default or event of default under any contractual obligation of Borrower, or, to the knowledge of Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor that could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect;

(c) any litigation or proceeding affecting Borrower, or, to the knowledge of Borrower, affecting any of Mortgage Borrower, Operating Company, Principal or Guarantor, which could or could reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect; or

(d) a change in the business, operations, property or financial or other condition or prospects of Borrower, or, to the knowledge of Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor which could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect.

5.1.26 Special Distributions. On each date on which amounts are required to be paid to Lender under any of the Loan Documents (or required be disbursed to the Mezzanine Collection Account, if applicable) Borrower shall exercise its rights under the Mortgage Borrower Company Agreement to cause Mortgage Borrower to make to Borrower a distribution in an aggregate amount such that Lender shall receive the amount required to be disbursed to the Mezzanine Collection Account or otherwise paid to Lender on such date.

5.1.27 Curing. Lender shall have the right, but shall not have the obligation, to exercise Borrower's rights under the Mortgage Borrower Company Agreement (a) to cure a Mortgage Loan Default or Mortgage Loan Event of Default and (b) to satisfy any Liens, claims or judgments against the Properties (except for Liens permitted by the Mortgage Loan Documents), unless Borrower or Mortgage Borrower shall be diligently pursuing remedies to cure the Mortgage Loan Default or Mortgage Loan Event of Default or to satisfy any such Liens, claims or judgments, in either case to Lender's sole satisfaction. Borrower shall reimburse Lender on demand for any and all costs incurred by Lender in connection with curing any such Mortgage Loan Default or Mortgage Loan Event of Default or satisfying any Liens, claims or judgments against any of the Properties.

5.1.28 Mortgage Borrower Covenants. Borrower shall cause Mortgage Borrower to comply with all obligations with which Mortgage Borrower has covenanted to comply under the Mortgage Loan Agreement and all other Mortgage Loan Documents (including, without limitation, those certain affirmative and negative covenants set forth in Article V of the Mortgage Loan Agreement) unless otherwise consented to in writing by Lender.

Section 5.2. Negative Covenants. From the Original Closing Date until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Liens of the Collateral in accordance with the terms of this Agreement and the other Loan Documents, Borrower covenants and agrees with Lender that it will not do, directly or indirectly, any of the following (without, in each case, the prior written consent of Lender):

5.2.1 Operation of Properties. (a) Borrower shall not cause or permit Mortgage Borrower to, without Lender's prior consent: (i) surrender, terminate or cancel (or permit to be surrendered, terminated or canceled) any of the Operating Leases or any Operating Lease Guaranty; (ii) reduce or consent to the reduction of (or permit the reduction or the consent to the reduction) of the term of any of the Operating Leases; (iii) decrease or consent to any decrease (or permit to be decreased or the consent to the decrease) of the amount of any rent or other charges payable under any of the Operating Leases; (iv) Transfer, convey, assign, sell, mortgage, encumber, pledge, hypothecate, grant a security interest in, grant an option or options with respect to, or otherwise dispose of (directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, whether or not for consideration) the Properties or any collateral for the Mortgage Loan (or permit Operating Company to do so), in each case without the prior written consent of Lender or except as expressly permitted in Section 5.2.10, or (v) otherwise modify, change, supplement, alter or amend, or waive or release (or permit to be modified, changed, supplemented, altered, amended, waived or released) any of the rights and remedies of Borrower, Mortgage Borrower or any Operating Company under any of the Operating Leases in any material respect or any Operating Lease Guaranty (provided that Lender shall not unreasonably withhold its consent to any modification, change, supplement, alteration, amendment, waiver or release of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document).

(b) During the continuance of an Event of Default, Borrower shall not exercise (and shall not cause or permit Mortgage Borrower to exercise) any rights, make any decisions, grant any approvals or otherwise take any action under any Operating Lease, Operating Lease Guaranty or any management agreement without, in each instance, the prior written consent of Lender, which consent may be withheld in Lender's sole discretion.

5.2.2 Liens. Borrower shall not create, incur, assume or suffer to exist any Lien on any of the Collateral, except Liens created by or permitted pursuant to the Loan Documents. Borrower shall not, and shall not cause or permit Mortgage Borrower to create, incur, assume or suffer to exist any Lien on any portion of any Individual Property or permit any such action to be taken, except:

- (i) Permitted Encumbrances;
- (ii) Liens created by or permitted pursuant to the Loan Documents or Mortgage Loan Documents; and
- (iii) Liens for Taxes or Other Charges not yet due.

(b) Borrower shall not incur any Indebtedness other than the Loan and shall not permit Mortgage Borrower to incur any Indebtedness other than the Mortgage Loan and Permitted Indebtedness (as defined in the Mortgage Loan Agreement). Borrower shall not permit any Operating Company to incur Indebtedness in excess or other than Permitted Indebtedness (Operating Company).

5.2.3 Dissolution. Borrower shall not, and shall not permit Mortgage Borrower or Operating Company to, (a) engage in any dissolution, liquidation or consolidation or merger with or into any other business entity (provided, however, that this negative covenant shall not be construed to apply to an Original Released Borrower or an Original Released Mortgage Borrower from and after the date hereof), (b) engage in any business activity not related to (i) in the case of Borrower, the ownership of the Collateral, (ii) in the case of Mortgage Borrower, the ownership and operation of the Properties and (iii) in the case of Operating Company, the leasing and operation of the Properties, (c) transfer, lease or sell, in one transaction or any combination of transactions, the assets or all or substantially all of the properties or assets of Borrower or Mortgage Borrower except to the extent permitted by the Loan Documents, (d) modify (in any material respect), amend (in any material respect), waive or terminate its organizational documents or its qualification and good standing in any jurisdiction or (e) cause Holdings to (i) dissolve, wind up or liquidate or take any action, or omit to take an action, as a result of which Holdings or Mortgage Borrower would be dissolved, wound up or liquidated in whole or in part, or (ii) amend (in any material respect), modify (in any material respect), waive or terminate the certificate of incorporation or bylaws of Holdings or Mortgage Borrower, in each case, without obtaining the prior consent of Lender.

5.2.4 Change in Business. Borrower shall not cause Mortgage Borrower to enter into any line of business other than the ownership and operation of any of the Properties and other activities reasonably ancillary thereto, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. In addition, Borrower shall not permit or cause Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower by any Person, except for adequate consideration and in the ordinary cause of Mortgage Borrower's business. Borrower shall not enter into any line of business other than the ownership of the Collateral, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business.

5.2.5 Debt Cancellation. Borrower shall not, and shall not permit Operating Company to, cancel or otherwise forgive or release any claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower or Borrower by any Person, except for adequate consideration and in the ordinary course of Borrower's or Mortgage Borrower's business. In addition, Borrower shall not permit or cause itself or Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Borrower or Mortgage Borrower by any Person, except for adequate consideration and in the ordinary course of Borrower's or Mortgage Borrower's business.

5.2.6 Zoning. Borrower shall not, and shall not permit Mortgage Borrower or Operating Company to, initiate or consent to any zoning reclassification of any portion of any Individual Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of any Individual Property in any manner that could result in such use becoming a non conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of Lender.

5.2.7 Intentionally Omitted.

5.2.8 Principal Place of Business and Organization. Borrower shall not, nor shall Borrower permit Mortgage Borrower or Operating Company to, change the place of its organization as set forth in Section 4.1.28 without the consent of Lender, which consent shall not be unreasonably withheld. Upon Lender's request, Borrower shall (and shall cause Mortgage Borrower and Operating Company to) execute and deliver additional financing statements, security agreements and other instruments which may be necessary to effectively evidence or perfect Mortgage Lender's security interest in any of the Properties or Lender's security interest in the Collateral as a result of such change of place of organization.

5.2.9 ERISA. (a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of the Loan, as requested by Lender in its sole discretion, that (i) Borrower is not an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(32) of ERISA; (ii) Borrower is not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans; and (iii) one or more of the following circumstances is true:

(A) Equity interests in Borrower are publicly offered securities, within the meaning of 29 C.F.R. §2510.3 101(b)(2);

(B) Less than twenty five percent (25%) of each outstanding class of equity interests in Borrower is held by “benefit plan investors” within the meaning of 29 C.F.R. §2510.3 101(f)(2); or

(C) Borrower qualifies as an “operating company” or a “real estate operating company” within the meaning of 29 C.F.R. §2510.3 101(c) or (e).

5.2.10 Transfers. (a) Without the prior consent of Lender and except to the extent otherwise set forth in this Section 5.2.10, Borrower shall not, and shall not permit any other Person holding any direct or indirect legal, economic, beneficial or other ownership interest in Borrower or the Collateral or one or more of the Properties to, (1) Transfer all or any part of the Collateral or one or more of the Properties, (2) permit any Transfer (directly or indirectly) of any direct or indirect interest in Borrower, or (3) permit any Transfer (directly or indirectly) of any direct or indirect interest in Operating Company or any transfer or assignment or subletting (of all or substantially of any Individual Property) by any Operating Company under any Operating Lease.

(b) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) an indirect beneficial interest in Borrower consisting of ownership interests in or at any level above the level of Ninth Mezzanine Borrower shall be permitted without Lender’s consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Borrower is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, (iii) subsequent to such Transfer, Borrower will continue to be a Special Purpose Entity, (iv) if (1) such Transfer causes the Transferee to own, in the aggregate with the ownership interests of its Affiliates, more than a forty nine percent (49%) interest in Borrower (and the Transferee (together with the ownership interests of its Affiliates) did not, prior to such Transfer, own more than a forty nine percent (49%) interest in Borrower), or (2) such Transfer, together with all other Transfers by Borrower, whether in a single Transfer or in a series of Transfers and whether or not effected simultaneously, results in a Transfer of more than forty nine percent (49%) of the aggregate interests in Borrower, then, if required by applicable Rating Agency requirements, an acceptable non-consolidation opinion is delivered to the holder of the Loan and to each of the Rating Agencies concerning, as applicable, Borrower, the new Transferee and/or their respective owners, and (v) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions. Further, a Change in Control shall be deemed a Transfer hereunder and, unless clauses (ii) through (v) of this Section 5.2.10(b) shall be satisfied, the same shall be an Event of Default hereunder (and for the sake of clarity, nothing else contained in this Section 5.2.10 or this Agreement shall be deemed to limit or qualify the above terms of this sentence).

(c) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) a direct or indirect beneficial interest in Operating Company shall be permitted without Lender’s consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Operating Company is at all times Controlled and at least fifty percent (50%)

owned (directly or indirectly) by Qualified Transferees, and (iii) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions.

(d) In the event that a permitted Transfer of more than a forty nine percent (49%) interest in Borrower is made pursuant to this Section 5.2.10, at Borrower's request, Lender shall release Guarantor from (i) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty for obligations and liabilities arising from and after the date of such Transfer, and (ii) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred either prior or subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty, including those which occurred prior to the Transfer. Notwithstanding the foregoing or anything else that may be construed to the contrary, in no event may Borrower effect a Transfer, or permit or suffer any Transfer, that would result in any loss or impairment of any Gaming License or in any similar event that would have an Individual Property Material Adverse Effect or Aggregate Property Material Adverse Effect.

(e) Notwithstanding the foregoing or anything herein to the contrary, but subject to the final sentence of Section 5.2.10(d), nothing contained in this Agreement or the other Loan Documents shall in any way restrict or prohibit, nor shall any notice to Lender or consent of Lender or Rating Agency Confirmation be required in connection with the Transfer or issuance in the ordinary course of any securities in any Person whose securities are publicly traded on a national exchange (except to the extent that the same would cause a Change of Control) or with an initial public offering of securities issued by Holdings or of subsidiary of Holdings (other than the Borrower and any Mezzanine Borrower (provided that, in the case of an issuance by a subsidiary, such issuance would not cause a Change of Control)).

(f) Assumptions of the Loan shall be permitted, provided that the following conditions are satisfied and/or occur to Lender's satisfaction:

(i) such sale has been approved or deemed approved under the Mortgage Loan Documents and all conditions set forth in the Mortgage Loan Documents relating thereto have been satisfied;

(ii) an assumption of this Agreement, the Note, the Pledge Agreement and the other Loan Documents as so modified by the proposed transferee, subject to the provisions of Section 9.3 hereof;

(iii) payment of all of reasonable out-of-pocket costs and expenses incurred in connection with such Transfer including, without limitation, the cost of any legal fees and expenses, Rating Agency fees and expenses or required legal opinions;

(iv) the payment of a non refundable assumption fee equal to Lender's Share of One Million and No/100 Dollars (\$1,000,000) per transaction (effecting an assumption of the Loan) or series of related transactions (effected to implement an assumption of the Loan);

(v) the delivery of an Additional Insolvency Opinion reflecting the proposed transfer satisfactory in form and substance to Lender; and the delivery of an Additional True Lease Opinion in form and substance satisfactory to Lender;

(vi) the proposed Transferee being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees;

(vii) the Operating Company being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees, having sufficient experience (or having a manager that has sufficient experience) in the management of properties similar to the Properties, and such Operating Company or its manager not having materially less than the same level of experience in the operation of properties similar to the Properties as the current Operating Company under the Operating Lease and, in each case, Lender shall be provided with reasonable evidence thereof (and Lender reserves the right to approve the Transferee(s) without approving the substitution of the Operating Company) and the operating tenant shall be either the Operating Company or, if permitted by applicable Legal Requirements, a manager acceptable to Lender under a management agreement acceptable to Lender; provided that so long as the Operating Lease is in force and effect and the current Operating Company shall continue to be the tenant thereunder and owned and Controlled by the same Person(s) that currently own and Control the Operating Company, the condition with respect to the Operating Company set forth in this subclause (vi) shall be deemed to have been met in all respects;

(viii) the delivery of evidence reasonably satisfactory to Lender that the single purpose nature and bankruptcy remoteness of Borrower, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the then current standards of Lender and the Rating Agencies; and the Transferee(s)' continued compliance with the representations and covenants set forth in Section 4.1.30 and Section 5.2.9 hereof;

(ix) Borrower's delivery to Lender of evidence reasonably satisfactory to Lender of any required approval or consent of any Governmental Authority, including the Gaming Authorities, that has direct or indirect authority or oversight over Borrower, Mortgage Borrower, the Properties, Operating Company or the operations conducted at the Properties to the change in ownership and/or operator of the Properties (or any part thereof);

5.2.11 Intentionally Omitted.

For avoidance of doubt, all requirements contained in this Article V with respect to the Operating Company shall mean that it shall be a Default or Event of Default hereunder if Operating Company fails to perform in the specified manner, but Lender acknowledges that Operating Company is not a party to this Agreement and that Borrower does not control Operating Company.

VI INSURANCE; CASUALTY; CONDEMNATION

Section 6.1. Insurance. (a) Borrower shall cause Mortgage Borrower to maintain at all times during the term of the Loan the Policies required under Section 6.1 of the Mortgage Loan Agreement, including, without limitation, meeting all insurer requirements thereunder. In addition, Borrower shall cause Lender to be named as a named insured together with Mortgage Lender, as their interest may appear, under the Policies required under Sections 6.1(a)(i), (ii), (iii), (iv), (v), (vi), (vii), (viii), (ix), (x) and (xi) of the Mortgage Loan Agreement. Borrower shall also cause all insurance policies required under this Section 6.1 to provide for at least thirty (30) days' prior notice to Lender in the event of policy cancellation or material changes. Borrower shall provide Lender with evidence of all such insurance required hereunder on or before the date on which Mortgage Borrower is required to provide such evidence to Mortgage Lender. For purposes of this Agreement, Lender shall have the same approval rights over the insurance referred to above and in the Mortgage Loan Agreement (including, without limitation, the insurers, deductibles and coverages thereunder, as well as the right to require other reasonable insurance pursuant to Section 6.1 of the Mortgage Loan Agreement) as are provided in favor of the Mortgage Lender in the Mortgage Loan Agreement.

(b) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in any of the Properties or the Collateral, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate (but limited to the coverages and amounts required under the Mortgage Loan Agreement) and all premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and shall bear interest at the Default Rate.

Section 6.2. Casualty. If the Individual Property shall be materially damaged or destroyed, in whole or in part, by fire or other casualty (a "Casualty"), Borrower shall give prompt notice of such damage to Lender and shall cause Mortgage Borrower to promptly commence and diligently prosecute the completion of the Restoration of the Individual Property as nearly as possible to the condition the Individual Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Lender and otherwise in accordance with Section 6.4 of the Mortgage Loan Agreement. Borrower shall cause Mortgage Borrower to pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower or Mortgage Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than, in the case of each Casualty, an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for the affected Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for the affected Individual Property, and Borrower shall deliver to Lender all instruments required by Lender to permit such participation.

Section 6.3. Condemnation. Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of any Individual Property and shall cause Mortgage Borrower to deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If any Individual Property or any portion thereof is taken by a condemning authority, Borrower shall cause Mortgage Borrower to promptly commence and diligently prosecute the Restoration of the applicable Individual Property and otherwise comply with the provisions of Section 6.4 of the Mortgage Loan Agreement. If any Individual Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

Section 6.4. Restoration. Borrower shall, or shall cause Mortgage Borrower to, deliver to Lender all reports, plans, specifications, documents and other materials that are delivered to Mortgage Lender under Section 6.4 of the Mortgage Loan Agreement in connection with the Restoration of any Individual Property after a Casualty or Condemnation.

VII RESERVE FUNDS

Section 7.1. Intentionally Omitted.

Section 7.2. Tax and Insurance Escrow Fund. (a) If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, on each Payment Date during such period, Borrower shall pay to Lender (or Servicer, as directed by Lender) an amount equal to (i) one twelfth of the Taxes that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes at least thirty (30) days prior to their respective due dates, and (ii) one twelfth of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (i) and (ii) above hereinafter called the “**Tax and Insurance Escrow Fund**”). Lender shall apply the Tax and Insurance Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to [Section 5.1.2](#) hereof and under the Mortgage Loan Agreement. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to

Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 5.1.2 hereof, provided no Event of Default shall have occurred and be continuing, then Lender shall return any excess to Borrower (or to Operating Company, if so directed by Borrower). In allocating such excess, Lender may deal with the Person shown on the records of Lender to be the owner of the Properties. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes and Insurance Premiums by the dates set forth in (i) and (ii) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

(b) Notwithstanding the foregoing, Borrower shall not be required to make any deposits into the Tax and Insurance Escrow Fund on account of Insurance Premiums if (and for so long as) Borrower shall maintain a blanket insurance policy in respect of the Properties that is in accordance with the provisions of Section 6.1(a) and otherwise satisfactory to Lender in all material respects.

(c) Any amount remaining in the Tax and Insurance Escrow Fund following the occurrence of a Trigger Event Cure shall be returned to Borrower (or Operating Company, as directed by Borrower).

7.2.1 Waiver of Tax Escrow. Borrower shall be relieved of its obligation to make deposits of Tax and Insurance Escrow Fund under Section 7.2 above, provided that (a) Mortgage Borrower is required to and does make monthly deposits to a tax escrow account under the Mortgage Loan, and (b) Lender receives evidence acceptable to it of the making of such deposits and of the payment of all such Taxes.

7.2.2 Tax and Insurance Escrow Funds After Debt Paid. Any Tax and Insurance Escrow Funds remaining after the Debt has been paid in full shall be remitted (i) if the Second Mezzanine Loan is outstanding, then to the Second Mezzanine Lender or (ii) if the Second Mezzanine Loan is not then outstanding but the Third Mezzanine Loan is outstanding, then to the Third Mezzanine Lender in accordance with the Second Mezzanine Loan Agreement or (iii) if the Second Mezzanine Loan and the Third Mezzanine Loan are no longer outstanding, then to the Fourth Mezzanine Lender in accordance with the Third Mezzanine Loan Agreement or (iv) if the Second Mezzanine Loan, Third Mezzanine Loan and the Fourth Mezzanine Loan are no longer outstanding, then to the Fifth Mezzanine Lender in accordance with the Fourth Mezzanine Loan Agreement or (v) if the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan and the Fifth Mezzanine Loan are no longer outstanding, then to the Sixth Mezzanine Lender in accordance with the Fifth Mezzanine Loan Agreement or (vi) if the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan and the Sixth Mezzanine Loan are no longer outstanding, then to the Seventh Mezzanine Lender in accordance with the Sixth Mezzanine Loan Agreement or (vii) if the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan and the Seventh Mezzanine Loan are no longer

Section 7.3. FF&E Reserve Account.

7.3.1 FF&E Reserve Fund. (a) Unless Borrower shall have delivered to Lender a Guaranty (FF&E) that is in full force and effect, Borrower shall pay to Lender (or Servicer, as directed by Lender) on each Payment Date an amount equal to (i) one twelfth of three percent (3%) of the amount of all Revenues for the full calendar year prior to the first (1st) day of the month in which such Payment Date occurs, less (ii) any amount spent during the previous calendar month by Borrower or Operating Company on behalf of Borrower in accordance with the Operating Lease on account of FF&E (other than from the FF&E Reserve Fund, it being understood that amounts expended on account of FF&E from the FF&E Reserve Fund shall not be included in any deductions required pursuant to the preceding subclause (i) and that any FF&E that is purchased through disbursements from the FF&E Reserve Fund may not be subsequently financed by Borrower or Operating Company). Notwithstanding anything to the contrary contained herein, in no event shall Borrower be required to maintain in the FF&E Reserve Account an amount in excess of the aggregate amount of all FF&E deposits required to be made in the preceding calendar year (as determined, for purposes of this sentence, utilizing the monthly formula set forth in the preceding sentence). In addition, notwithstanding anything to the contrary contained herein, for purposes of determining the amount of any required FF&E Reserve Fund deposits (and for purposes of calculating such amount, monthly, based on the formula set forth in the first sentence of this Section 7.3.1), Revenues shall include Revenue from the Hotel Component and the Casino Component but shall not include non-Hotel or Casino related Revenues (e.g., Rents from retail tenants).

(b) Amounts deposited by Borrower as described in this Section 7.3.1 shall hereinafter be referred to as the "FF&E Reserve Fund" and the account in which such amounts are held shall hereinafter be referred to as the "FF&E Reserve Account".

7.3.2 Disbursements from FF&E Reserve Account. (a) All disbursements from the FF&E Reserve Account shall be made solely for the purpose of reimbursing Borrower (or Operating Company for FF&E bought on behalf and in the name of Borrower in accordance with the Operating Lease, as directed by Borrower) for its costs and expenses incurred, or for paying costs to be incurred, in connection with the repair, replacement and/or upgrade of FF&E at the Properties. Provided no Event of Default shall have occurred and be continuing, Lender shall, within ten (10) days following request by Borrower, make disbursements from the FF&E Reserve Fund no more frequently than once in any thirty (30) day period, in amounts no less than \$10,000 per disbursement (or a lesser amount if the total amount in the FF&E Reserve Account is less than \$10,000, in which case only one disbursement of the amount remaining in the

account shall be made), and upon delivery by Borrower (or Operating Company) of Lender's standard form of draw request accompanied by copies of invoices for the amounts requested and, if required by Lender for requests in excess of \$50,000 for a single item, receipts and releases from all parties furnishing materials and/or services in connection with the requested payment.

(b) Disbursements may be made from the FF&E Reserve Account, at Borrower's election, directly to third parties (as directed by Borrower).

(c) In no event shall funds in the FF&E Reserve Account be utilized to pay (or reimburse any Person) for any Capital Expenditures or non-recurring work being performed at the Properties.

7.3.3 Balance in the FF&E Reserve Account. (a) The insufficiency of any balance in the FF&E Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

7.3.4 Waiver of FF&E Reserve. Borrower shall be relieved of its obligation to make deposits of FF&E Reserve Fund under Section 7.3 above, provided that either (a) (i) Mortgage Borrower is required to and does make monthly deposits to a FF&E reserve account under the Mortgage Loan, and (ii) Lender receives evidence acceptable to it of the making of such deposits or (b) an FF&E Guaranty is provided to Mortgage Lender.

7.3.5 FF&E Reserve Funds After Debt Paid. Any FF&E Reserve Funds remaining after the Debt has been paid in full shall be remitted (i) if the Second Mezzanine Loan is outstanding, to the Second Mezzanine Lender or (ii) if the Second Mezzanine Loan is not then outstanding but the Third Mezzanine Loan is outstanding, then to the Third Mezzanine Lender in accordance with the Second Mezzanine Loan Agreement or (iii) third, if the Second Mezzanine Loan and the Third Mezzanine Loan are no longer outstanding, then to the Fourth Mezzanine Lender in accordance with the Third Mezzanine Loan Agreement or (iv) if the Second Mezzanine Loan, the Third Mezzanine Loan and the Fourth Mezzanine Loan are no longer outstanding, then to the Fifth Mezzanine Lender in accordance with the Fourth Mezzanine Loan Agreement or (v) if the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan and the Fifth Mezzanine Loan are no longer outstanding, then to the Sixth Mezzanine Lender in accordance with the Fifth Mezzanine Loan Agreement or (vi) if the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan and the Sixth Mezzanine Loan are no longer outstanding, then to the Seventh Mezzanine Lender in accordance with the Sixth Mezzanine Loan Agreement or (vii) if the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan and the Seventh Mezzanine Loan are no longer outstanding, then to the Eighth Mezzanine Lender in accordance with the Seventh Mezzanine Loan Agreement or (viii) if the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan, the Seventh Mezzanine Loan and the Eighth Mezzanine Loan are no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (ix) if the Second Mezzanine Loan, the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan, the Seventh Mezzanine Loan, the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower.

Section 7.4. Intentionally Omitted.

Section 7.5. Reserve Funds, Generally. (a) Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt. Upon the occurrence and during the continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender.

(b) Borrower shall not, without obtaining the prior consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(c) The Reserve Funds shall be held by Lender (or Servicer) and may be invested at Borrower's election and direction in Permitted Investments routinely offered by the Servicer of the Securitization for investment by Borrower. All interest or other earnings on a Reserve Fund shall be added to and become a part of such Reserve Fund for the benefit of Borrower and shall be disbursed in the same manner as other monies deposited in such Reserve Fund. Borrower shall have the right to direct Lender (or Servicer) to invest sums on deposit in the Eligible Account in Permitted Investments provided (a) such investments are permitted by applicable federal, state and local rules, regulations and laws, (b) the maturity date of the Permitted Investment is not later than the date on which the applicable Reserve Funds are required for payment of an obligation for which such Reserve Fund was created, and (c) no Event of Default shall have occurred and be continuing. Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Reserve Funds. No other investments of the sums on deposit in the Reserve Funds shall be permitted except as set forth in this Section 7.5. Borrower shall bear all reasonable costs associated with the investment of the sums in the account in Permitted Investments. Such costs shall be deducted from the income or earnings on such investment, if any, and to the extent such income or earnings shall not be sufficient to pay such costs, such costs shall be paid by Borrower promptly on demand by Lender. Lender shall have no liability for the rate of return earned or losses incurred on the investment of the sums in Permitted Investments.

(d) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Reserve Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all Persons supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

Section 7.6. Transfer of Reserve Funds Under Mortgage Loan. (a) If Mortgage Lender waives any reserves or escrow accounts required in accordance with the terms of the Mortgage Loan Agreement which reserves or escrow accounts are also required in accordance with the terms of this Article VII, or if the Mortgage Loan is refinanced or paid off in full (without a prepayment of the Loan) and Reserve Funds that are required hereunder are not required under the new mortgage loan, if any, then Borrower shall cause any amounts that would have been deposited into any reserves or escrow accounts in accordance with the terms of the Mortgage Loan Agreement to be paid to and deposited with Lender in accordance with the terms of this Article VII (and Borrower shall enter into lockbox and cash management agreements for the benefit of Lender in form and substance acceptable to Lender).

(viii) if Borrower attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;

(ix) if Borrower breaches any of its respective negative covenants contained in Section 5.2 or any covenant contained in Section 4.1.30 or Section 5.1.11 hereof (and, with respect to any such breach of any covenant set forth in Section 5.1.11 which is not the subject of any other subsection of this Section 8.1, Borrower fails to remedy such condition within ten (10) days after notice to Borrower from Lender, in the case of any such Default under Section 5.1.11 which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other such Default under Section 5.1.11);

(x) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;

(xi) if any of the assumptions contained in the Insolvency Opinion delivered to Lender in connection with the Loan, or in the Additional Insolvency Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect; or if any of the assumptions contained in the True Lease Opinion delivered to Lender in connection with the Loan, or in the Additional True Lease Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect;

(xii) if Mortgage Borrower, Operating Company or Guarantor (Operating Lease) is in default of any of its material obligations under the Operating Lease (or under another lease and/or management agreement in substitution for the Operating Lease in accordance herewith) or under the Operating Lease Guaranty (or under another operating lease guaranty in substitution for the Operating Lease Guaranty in accordance herewith)

beyond any applicable notice and cure periods contained therein; or if any Operating Lease (or such other lease and/or management agreement) or any Operating Lease Guaranty (or such other operating lease guaranty) shall be surrendered or any Operating Lease or any Operating Lease Guaranty shall be terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Operating Lease (or such other lease and/or management agreement) or the Operating Lease Guaranty (or such other operating lease guaranty) shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender except as may otherwise expressly permitted in this Agreement;

(xiii) if any Affiliate of Borrower that is or becomes a party to the Windstorm Insurance Intercreditor Agreement is in default of any of its material obligations under the Windstorm Insurance Intercreditor Agreement beyond any applicable notice and cure periods contained therein; or if the Windstorm Insurance Intercreditor Agreement shall be surrendered, terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Windstorm Insurance Intercreditor Agreement shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender;

(xiv) if Borrower or Mortgage Borrower fails to comply with the covenants as to Prescribed Laws set forth in Section 5.1.1 hereof;

(xv) intentionally omitted;

(xvi) any Gaming License shall be refused, suspended, revoked, modified in a materially adverse manner or canceled or allowed to lapse or any proceeding is commenced by any Governmental Authority for the purpose of suspending, revoking or canceling any Gaming License in any materially adverse respect, or any Governmental Authority shall have appointed a conservator, supervisor or trustee to or for any of the Casino Components and, in each case of the foregoing, such action could reasonably be expected to (A) have an Individual Material Adverse Effect, (B) materially and adversely effect the continued operation of the Casino Components in the usual course of business and in substantially the same manner and to at least the same standard as was maintained prior to such action, or (C) result in any material decrease in the then expected cash flow and revenues to be derived from the Casino Components;

(xvii) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xv) above, for ten (10) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed one hundred twenty (120) days;

(xviii) if there shall be a default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower, Mortgage Borrower, the Collateral or any Individual Property, or if any other such event shall occur or condition shall exist, if the effect of such event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt; or

(xix) if the Liens created pursuant to any Loan Document shall cease to be a fully protected enforceable first priority security interest in the Collateral, or any portion of the Collateral is Transferred without Lender's prior written consent except as permitted hereunder; or

(xx) if a Mortgage Loan Event of Default shall occur.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi) or (vii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and in and to all or any of the Collateral, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents and may exercise all the rights and remedies of a secured party under the Uniform Commercial Code, as adopted and enacted by the State or States where any of the Collateral is located against Borrower and any or all of the Collateral, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in clauses (vi) or (vii) above, the Debt and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 8.2. Remedies. (a) Upon the occurrence of an Event of Default, but in compliance with applicable Gaming Laws, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any of the Collateral. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to

any “one action” or “election of remedies” law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Collateral and the Collateral has been foreclosed upon, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any portion of the Collateral for the satisfaction of any of the Debt in preference or priority to any other portion of the Collateral, and Lender may seek satisfaction out of all of the Collateral or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose upon the Collateral in any manner and for any amounts secured by the Pledge Agreement then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose upon the Collateral to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose upon the Collateral to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Collateral as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to the Pledge Agreement and the other Loan Documents to secure payment of sums secured by the Pledge Agreement and other Loan Documents and not previously recovered.

(c) Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, pledges and other security documents (the “**Severed Loan Documents**”) in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender’s intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents. The Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date. The Severed Loan Documents shall (a) not increase the aggregate stated principal amount of the Loan, (b) provide that the weighted average spread of the Loan on the date of such severance shall equal the weighted average spread which was applicable to the Loan immediately prior to such severance (Borrower acknowledging that such Severed Loan Document may, in connection with the application of principal to the amounts evidenced by such Severed Loan Documents, subsequently cause the weighted average spread of such new notes or

modified notes to change), (c) not adversely affect the overall economics to Borrower of the Loan, taken as a whole, or (d) expose Borrower to any additional costs or increased risk of any liability (beyond that or greater than that existing in the Loan Documents in effect on the date hereof).

(d) Remedies Cumulative; Waivers. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

(e) Any amounts recovered from the Collateral after an Event of Default may be applied by Lender toward the payment of any interest and/or principal of the Loan and/or any other amounts due under the Loan Documents in such order, priority and proportions as Lender in its sole discretion shall determine.

(f) Upon the occurrence and during the continuance of an Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder or being deemed to have cured any Event of Default hereunder, make, do or perform any obligation of Borrower hereunder in such manner and to such extent as Lender may deem necessary. Borrower shall cause Mortgage Borrower to permit Lender to enter upon any Individual Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in any Individual Property for such purposes, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 8.2, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any action or proceeding shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefore. Upon the occurrence and during the continuance of a Mortgage Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Mortgage Borrower and without releasing Mortgage Borrower from any obligation under the Mortgage Loan Documents or being deemed to have cured any Mortgage Loan Event of Default, make, do or perform any obligation of Mortgage Borrower under Mortgage Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Mortgage Loan Event of Default or such failed payment or act shall bear interest

at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor.

(g) For the purpose of carrying out the provisions and exercising the rights, powers and privileges granted in this Section 8.2, Borrower hereby irrevocably constitutes and appoints the Lender its true and lawful attorney-in-fact to execute, acknowledge and deliver any instruments and do and perform any acts such as are referred to in this subsection in the name and on behalf of Borrower upon the occurrence and during the continuance of an Event of Default. This power of attorney is a power coupled with an interest and cannot be revoked.

Section 8.3. Intentionally Omitted.

Section 8.4. Costs of Collection. In the event that after an Event of Default and during the continuance thereof: (a) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (b) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents or (c) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Pledge Agreement or any of the Loan Documents, then, in any such instance, Borrower shall pay to Lender all reasonable attorneys' fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

IX SPECIAL PROVISIONS

Section 9.1. Sale of Notes and Securitization. Borrower acknowledges and agrees that the Lender may sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the "**Securities**") secured by or evidencing ownership interests in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such sales, participations and/or securitizations, collectively, a "**Securitization**"). At the request of Lender, and to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization including, without limitation, to:

(a) provide or cause Mortgage Borrower to provide additional and/or updated Provided Information, together with appropriate verification and/or consents related to the Provided Information through letters of auditors or opinions of counsel of independent attorneys reasonably acceptable to Lender and the Rating Agencies;

(b) cooperate in good faith in the preparation of descriptive materials for presentations to any or all of the Rating Agencies, and work with, and if requested, supervise, third-party service providers engaged by Borrower, Holdings and their respective affiliates to obtain, collect, and deliver information requested or required by Lender or the Rating Agencies;

(c) deliver, if required or requested by any Rating Agency, (i) updated opinions of counsel as to non-consolidation, due execution and enforceability with respect to the Properties, Borrower, Mortgage Borrower, the Collateral, Principal, Holdings and their respective Affiliates and the Loan Documents, and (ii) revised organizational documents for Borrower, which counsel opinions and organizational documents shall be reasonably satisfactory to Lender and the Rating Agencies;

(d) if required by any Rating Agency, use commercially reasonable efforts to deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect any of the Properties, which estoppel letters, subordination agreements or other agreements shall be reasonably satisfactory to Lender and the Rating Agencies;

(e) execute such amendments to the Loan Documents as may be requested by Lender or the Rating Agencies to effect the Securitization and/or deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan such that the pricing and marketability of the Securities and the size of each class of Securities and the rating assigned to each such class by the Rating Agencies shall provide the most favorable rating levels and achieve the optimum rating levels for the Loan, provided that (i) the aggregate stated principal amount of the notes, following such amendments or delivery of new or component notes, shall equal the aggregate stated principal amount of the Loan immediately prior thereto, (ii) the weighted average spread of the Loan on the date of such amendment or delivery of new or component notes shall equal the weighted average spread which was applicable to the Loan immediately prior to such adjustment (Borrower acknowledging that such new notes or modified notes may, in connection with the application of principal to such new notes or modified note following the occurrence of an Event of Default, but not otherwise, subsequently cause the weighted average spread of such new notes or modified notes to change and (iii) the provisions of Section 2.1.5 otherwise shall apply to any such amendments and delivery of new or component notes (such provisions being incorporated herein by this reference);

(f) if requested by Lender, review any information regarding any of the Properties, Borrower, Mortgage Borrower, Principal, the Collateral, Holdings, the Operating Company and the Loan which is contained in a preliminary or final private placement memorandum, prospectus, prospectus supplement (including any amendment or supplement to either thereof), or other disclosure document to be used by Lender or any affiliate thereof; and

(g) supply to Lender such documentation, financial statements and reports in form and substance required in order to comply with any applicable securities laws (to the extent in Borrower's possession, or in the possession of Borrower's advisors, agents or employees), including, without limitation, if applicable, information necessary to comply with any applicable reporting or information requirements under Regulation D under the Securities Act of 1933 or Regulation S under the Securities Act of 1933.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters; except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

Section 9.2. Securitization Indemnification. (a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the “**Securities Act**”), or the Securities and Exchange Act of 1934, as amended (the “**Exchange Act**”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects to the extent in Borrower’s possession.

(b) Borrower agrees to provide, in connection with the Securitization, an indemnification agreement (i) certifying that (A) Borrower has carefully examined the Disclosure Documents, including, without limitation, the sections entitled “Risk Factors,” “Special Considerations,” “Description of the Collateral,” “Description of the Mezzanine Loans,” “The Operating Company,” “The Borrower” and “Certain Legal Aspects of the Mezzanine Loans,” and (B) such sections and such other information in the Disclosure Documents (to the extent such information relates to or includes any Provided Information or any information regarding the Properties, Borrower, Mortgage Borrower, the Collateral and/or Operating Company) (collectively with the Provided Information, the “**Covered Disclosure Information**”) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (ii) indemnifying Lender, each Noteholder, JPM (whether or not it is the Lender), any Affiliate of JPM or a Noteholder that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of JPM or a Noteholder that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Indemnified Persons**”), for any losses, claims, damages, liabilities, costs or expenses (including, without limitation, legal fees and expenses for enforcement of these obligations (collectively, the “**Liabilities**”)) to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure

Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (iii) agreeing to reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Person, as they are incurred, in connection with investigating or defending the Liabilities provided, however, that Borrower shall have liability with respect to Liabilities arising out of or based upon the Covered Disclosure Information only to the extent that such Liabilities arise out of or are based upon any such untrue statement or omission made in the Covered Disclosure Information in reliance upon and in conformity with information furnished to Lender or such Noteholder by or on behalf of Borrower in connection with the preparation of the Disclosure Documents or in connection with the underwriting or the closing of the Loan (including without limitation financial statements of Borrower and operating statements and rent rolls with respect to the Properties), and in no event shall Borrower be liable for Liabilities arising from information contained in a Disclosure Document that was not provided to Borrower for comment at least five (5) Business Days prior to its dissemination or on which Borrower provided comments to Lender in writing and Lender failed to incorporate such comments (assuming such comments were accurate). This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification provided for in clauses (ii) and (iii) above shall be effective whether or not an indemnification agreement described in clause (i) above is provided.

(c) In connection with filings under the Exchange Act (if any), Borrower agrees to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against Borrower, notify Borrower in writing of the claim or the commencement of that action; provided, however, that the failure to notify Borrower shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided further that the failure to notify Borrower shall not relieve it from any liability which it may have to an Indemnified Person otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify Borrower thereof, Borrower shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Borrower to an Indemnified Person of its election to assume the defense of such claim or action, Borrower shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both Borrower, on the one hand, and one or more Indemnified Persons on the other hand, and an

Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to Borrower, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed billing records to substantiate that such counsel's fees and disbursements are solely related to the defense of a claim for which Borrower is required hereunder to indemnify such Indemnified Person. Borrower shall not be liable for the expenses of more than one (1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior consent of the Indemnified Person in question (which consent shall not be unreasonably withheld), Borrower shall not settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless Borrower shall have given such Indemnified Person reasonable prior notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as Borrower has complied with its obligations to defend and indemnify hereunder, Borrower shall not be liable for any settlement made by any Indemnified Person without the consent of Borrower (which consent shall not be unreasonably withheld).

(f) Borrower agrees that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then Borrower, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to Borrower, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (x) but also the relative faults of Borrower, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) Borrower agrees that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees (by underwriting discount or otherwise) actually received by the Indemnified Persons in connection with the closing of the Loan or the Securitization.

(g) Borrower agrees that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. Borrower further agrees that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and Borrower under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

Section 9.3. Exculpation. (a) Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Pledge Agreement or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender and each Noteholder to enforce and realize upon its interest under the Note, this Agreement, the Pledge Agreement and the other Loan Documents, or in the Collateral or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Collateral and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Pledge Agreement and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding under, or by reason of, or in connection with, the Note, this Agreement, the Pledge Agreement or the other Loan Documents. The provisions of this Section shall not, however, (a) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (b) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Pledge Agreement; (c) affect the validity or enforceability of or any Guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (d) impair the right of Lender to obtain the appointment of a receiver; (e) intentionally omitted; (f) constitute a prohibition against Lender to seek a deficiency judgment against Borrower in order to fully realize the security granted by the Pledge Agreement or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against all of the Collateral; or (g) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any actual loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably incurred) arising out of or in connection with the following:

(i) fraud or intentional misrepresentation by Borrower, Mortgage Borrower, Operating Company or any Guarantor in connection with the execution and delivery of the Loan Documents and/or the Loan;

(ii) the misappropriation, conversion or misapplication in contravention of the Loan Documents by Borrower, Mortgage Borrower, Operating Company or any Guarantor of any funds of Borrower, Mortgage Borrower or Operating Company,

including, without limitation, (A) any Revenues, (B) any Net Liquidation Proceeds or Insurance Proceeds, (C) any Awards received in connection with a Condemnation, (D) any Rents or security deposits (or any item of Revenue, from whatever source) following an Event of Default, or (E) any distribution or other payments made in connection with any part of the Collateral;

(iii) the misappropriation, conversion or misapplication by Borrower, Mortgage Borrower, Operating Company or any Guarantor of any security deposits or Rents paid more than one (1) month in advance;

(iv) any act of actual intentional physical waste by Borrower, Mortgage Borrower, Operating Company or any Guarantor;

(v) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity concerning environmental laws, hazardous substances and asbestos and any indemnification of Lender with respect thereto in either document;

(vi) if Borrower, Mortgage Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary intentional Transfer as required by this Agreement, the Mortgage Loan Agreement or the Mortgages, as applicable;

(vii) any security deposits, advance deposits or any other deposits collected with respect to any of the Properties which are not delivered to Mortgage Lender upon a foreclosure of any of the Properties or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof;

(viii) in the event of: (A) Borrower, Mortgage Borrower, Operating Company or any Guarantor filing a voluntary petition under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (B) the filing of an involuntary petition against Borrower, Mortgage Borrower, Operating Company or any Guarantor under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law by any Person in which Borrower, Mortgage Borrower, Operating Company or any Guarantor or any of their respective Affiliates, agents or employees colludes with or such other Person, or Borrower, Mortgage Borrower, Operating Company or any Guarantor soliciting or causing to be solicited petitioning creditors for any involuntary petition against Borrower, Operating Company or any Guarantor from any Person; (C) Borrower, Mortgage Borrower, Operating Company or any Guarantor filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it by any other Person, other than Lender, under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (D) Borrower, Mortgage Borrower, Operating Company or any Guarantor consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower, Mortgage Borrower, Operating Company or any Guarantor or any of the Properties or the Collateral or any portion thereof, other than at the request of Lender; or (E) Borrower, Mortgage

Borrower, Operating Company or any Guarantor making an assignment for the benefit of creditors (other than Lender), or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due;

(ix) if any of the limited liability companies constituting Borrower or Mortgage Borrower fails to maintain its status as a Special Purpose Entity or breaches any material representation or warranty set forth in Section 4.1.30 of this Agreement; and

(x) if Borrower, Mortgage Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary Indebtedness (other than (x) with respect to Mortgage Borrower, Permitted Indebtedness and (y) with respect to Operating Company, Permitted Indebtedness (Operating Company), as applicable) or voluntary Lien (other than Permitted Encumbrances) encumbering any of the Properties or Collateral as required by this Agreement, the Mortgage Loan Agreement, the Pledge Agreement or the Mortgages.

Notwithstanding anything to the contrary under this Agreement, neither any present or future Affiliate of Borrower (other than Guarantor, to the extent provided under the Guaranty) nor any present or future shareholder, officer, director, employee, trustee, beneficiary, advisor, partner, member, principal, participant or agent of or in any Borrower or of or in any person or entity that is or becomes an Affiliate of any Borrower shall have any personal liability, directly or indirectly, under or in connection with the Loan Documents. Neither the negative capital account of any Affiliate of Borrower in Borrower, or in any other Affiliate of Borrower in any other Affiliate of Borrower, nor any obligation of any Affiliate of Borrower in any Borrower to restore a negative capital account or to contribute or loan capital to any Borrower or to any other Affiliate of Borrower shall at any time be deemed to be the property or an asset of any Borrower (or any other Affiliate of Borrower) and neither Lender nor its successors or assigns shall have any right to collect, enforce or proceed against any such negative capital account or obligation to restore, contribute or loan capital.

(b) Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Indebtedness or to require that all collateral shall continue to secure all of the Indebtedness owing to Lender in accordance with the Loan Documents.

Section 9.4. Servicer. (a) At the option of Lender, the Loan may be serviced by a servicer/trustee (the "**Servicer**") selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to a servicing agreement (the "**Servicing Agreement**") between Lender and Servicer. Lender shall be responsible for any set up fees or any other initial costs relating to or arising under the Servicing Agreement (arising in connection with the Securitization) and the payment of the monthly servicing fee due to Servicer under the Servicing Agreement, and, unless otherwise specifically set forth herein, Borrower shall be responsible for the payment of all fees and other reasonable out-of-pocket expenses incurred by Servicer resulting from any Borrower requests (for approvals or otherwise) to Servicer.

(b) In the event of a Securitization or syndication, the grant of participations in the Loan or any secondary marketing by Lender, Mortgage Borrower and the Mezzanine Borrowers, collectively may rely upon approvals or consents given by one (1) agent or representative in respect of the Mortgage Lender and the Mezzanine Lenders for the matter in question (which such parties shall designate, and pending further notice from Lender, such agent shall be JPM). Borrower shall only pay legal fees for the outside counsel of one Servicer.

Section 9.5. Assignments and Participations. (a) In addition to the rights Lender has under Section 9.1, Lender shall have the right, subject to this Section 9.5, to assign, sell, negotiate, pledge or hypothecate all or any portion of their rights and obligations hereunder (a “**Syndication**”). Except in connection with a Securitization, no Lender shall assign, sell, negotiate, pledge, hypothecate or otherwise transfer all or any portion of its rights in and to the Loan to any other Person (an “**Assignee**”) (a) other than in compliance with Section 9.9 hereof; and (b) unless such transaction shall be an assignment of a constant (and not varying), ratable percentage of such Lender’s interest in the Loan; provided, however, any Lender shall have the right at any time without the consent of or notice to any other Lender or other Person to grant a security interest in all or any portion of such Lender’s interest in the Loan to any Federal Reserve Bank or the central reserve bank or similar authority of any other country to secure any obligation of such Lender to such bank or similar authority (a “**Central Bank Pledge**”). Effective on any such assignment and assumption by the assignee and on compliance with Section 9.9 hereof, the assigning Lender shall have no further liability hereunder with respect to the interest of such Lender that was the subject of such transfer and such Assignee shall be a Lender with respect to such interest, and Borrower shall have the same rights as to such Assignee with respect to such interest from and after the date of such assignment as if such Lender were an original Lender hereunder. Except for a Central Bank Pledge or financing transaction under a repurchase agreement, a Lender making any such assignment shall notify Borrower of same, specifying the Assignee thereof and the amount of the assignment and shall provide such other detail as Borrower may reasonably request to substantiate compliance with the foregoing.

Section 9.6. Participation. Lender may, without the consent of the Borrower, in compliance with applicable law, sell participations to one or more banks or other entities (a “**Participant**”), in all or a portion of Lender’s rights and obligations under this Agreement (including all or a portion of the Loan owing to it); provided that (A) Lender’s obligations under this Agreement shall remain unchanged, (B) Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower shall continue to deal solely and directly with Lender in connection with Lender’s rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.2.3 and 2.2.4 (subject to requirements and limitations therein) to the same extent as if it were a Noteholder and had acquired its interest by assignment pursuant to Section 9.5. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant’s interest in the Loans or other obligations under this Agreement (the “**Participant Register**”). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary.

Section 9.7. Borrower's Facilitation of Transfer. In order to facilitate permitted assignments and other transfers to Assignees and sales to Participants, Borrower shall execute and deliver to Lender and shall cause Guarantor to execute and deliver to Lender such further documents, instruments or agreements as Lender may reasonably require, including, if required by Lender, supplemental notes in the principal amount of such Lender's *pro rata* share of the Loan substantially in the form of such Lender's Note against surrender of the prior notes, and such supplemental note shall (i) be payable to such Lender or its registered assigns or registered participants, (ii) be dated as of the date hereof, and (iii) mature on the Maturity Date. Such supplemental note shall provide that it evidences a portion of the existing indebtedness hereunder and under the Notes and not any new or additional indebtedness of Borrower. The term "Note" as used in this Agreement and in all the other Loan Documents shall include all such supplemental notes but exclude any Note it replaces. Notwithstanding the foregoing, such documents, instruments or agreements shall not (a) increase the obligations or liabilities of any such Person hereunder or under the other Loan Documents in excess of the obligations or liabilities intended to be provided herein or in the other Loan Documents or (b) decrease such Person's rights hereunder or under the other Loan Documents to less than what they were prior to the execution of such documents, instruments or agreements. In addition, Borrower agrees to reasonably cooperate with Lender, including providing such information and documentation regarding Borrower, Mortgage Borrower, Holdings, the Operating Company and any other Person as Lender or any potential Assignee or Participant may reasonably request and to meet with potential Assignees and Participants upon reasonable notice. Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

Section 9.8. Notice; Registration Requirement. No Syndication of any part of Lender's interest in and to the Loan shall be effective or permitted under Section 9.5 until (a) an assignment and acceptance agreement in a form reasonably acceptable to Lender (an "**Assignment and Acceptance**") with respect to such Syndication shall have been delivered to Lender, (b) Lender shall have registered such Assignee's name and address in the Register which Lender maintains for the recordation of the names, addresses and interests of Noteholders, and (c) if such Assignee is not already a Lender hereunder, such Assignee shall deliver any tax forms required hereunder. The entries in the Register shall be conclusive, absent manifest error. This Section 9.8 shall not apply to any Central Bank Pledge.

Section 9.9. Registry. Borrower hereby designates Lender to serve as Borrower's agent, solely for purposes of this Section 9.9, to maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of each Assignee, and the principal amount of the Loan (or portions thereof) owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Failure to make any such recordation, or any error in such recordation shall not affect Borrower's obligations in respect of the Loan. With respect to any Lender, the transfer of the rights to the principal of, and interest on, its interest in the Loan shall not be effective until such transfer is recorded on the Register maintained by Lender with respect to ownership of such Loan and prior to such recordation all amounts owing to the transferor with respect to such Note shall remain

owing to the transferor. The registration of a transfer of all or part of the Loan shall be recorded by Lender on the Register only upon the acceptance by Lender of a properly executed and delivered Assignment and Acceptance by the assignor and assignee. Such Register shall be available for inspection by Borrower from time to time. At the assigning Lender's option, concurrently with the delivery of an Assignment and Acceptance pursuant to which an interest of such Lender in the Loan was assigned to such Assignee, the assigning Lender shall surrender to Borrower its Note, if any, evidencing the portion of the Loan corresponding to the interest so transferred and Borrower shall deliver to Lender one or more new promissory notes in the same aggregate principal amount issued to the assigning Lender and/or the Assignee.

Section 9.10. Cooperation in Syndication. Borrower agrees to assist the Lender in completing a Syndication satisfactory to the Lender. Such assistance shall include (i) direct contact between senior management and advisors of Borrower and the proposed Assignees and/or Participants, (ii) assistance in the preparation of a confidential information memorandum and other marketing materials to be used in connection with the Syndication, (iii) the hosting, with the Lender, of one or more meetings of prospective Assignees and/or Participants, (iv) the delivery of appraisals satisfactory to the Lender if required. To assist the Lender in its Syndication efforts, Borrower agrees promptly to prepare and provide to the Lender all information with respect to Borrower, Mortgage Borrower, Holdings, the Operating Company, Guarantor, the Collateral and the Properties contemplated hereby, including all financial information and projections (the "**Projections**"), as the Lender may reasonably request in connection with the Syndication of the Loan. If required in connection with the Syndication, Borrower hereby agrees to:

(a) deliver updated financial and operating statements and other information reasonably required by the Lender to facilitate the Syndication;

(b) use reasonable efforts to deliver reliance letters reasonably satisfactory to the Lender with respect to the environmental assessments and reports delivered to the Lender prior to the Original Closing Date (or, with respect to each Swap Property, prior to the Closing Date), which will run to the Lender and its successors and assigns;

(c) execute modifications to the Loan Documents required by the Lender, provided that such modification will not (except as set forth in (d)) change any material or economic terms of the Loan Documents, or otherwise increase the obligations or decrease the rights of Borrower pursuant to the Loan Documents (except to a de minimis extent); and

(d) if the Lender elects, in its sole discretion, prior to or upon a Syndication, to exercise its rights under Section 2.1.5, Borrower agrees to cooperate with the Lender in connection with the foregoing and to execute the required modifications and amendments to the Notes, this Agreement and the Loan Documents and to use reasonable efforts to provide opinions necessary to effectuate the same. Such Notes or components may be assigned different interest rates, so long as the weighted average of such interest rates does not exceed the Applicable Interest Rate, except in connection with the application of principal to such Notes or components following the occurrence of an Event of Default.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

X MISCELLANEOUS

Section 10.1. Survival. This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Debt is outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. Whenever this Agreement expressly provides that Lender may not withhold or shall be reasonable in granting its consent or its approval of an arrangement or term, such provisions shall also be deemed to prohibit Lender from delaying or conditioning such consent or approval.

Section 10.5. Delay Not a Waiver. In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement, the Note or any other Loan Document, Lender shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement, the Note or the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount.

Notwithstanding the foregoing, any notice by Lender to one or more Borrowers other than Borrower Agent shall be deemed to constitute effective notice to all of the Borrowers.

Section 10.7. Trial by Jury. BORROWER AND LENDER HEREBY AGREE NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVE ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THE LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY BORROWER AND LENDER, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. BORROWER AND LENDER ARE HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER.

Section 10.8. Headings. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 10.9. Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 10.10. Preferences. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder (except that, unless there exists an Event of Default, payments of principal shall be applied to components of the Note on a pro-rata basis). To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 10.11. Waiver of Notice. Borrower hereby expressly waives, and shall not be entitled to, any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice.

Section 10.12. Remedies of Borrower. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment (except in cases of bad faith, gross negligence or willful misconduct). The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 10.13. Expenses; Indemnity. (a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender and each Noteholder upon receipt of notice from such Person for all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements) incurred by such Person in connection with (i) the

preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including, without limitation, any opinions requested by such Person as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Properties); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Original Closing Date, including, without limitation, confirming compliance with environmental, gaming and insurance requirements, if necessary or advisable due to reasonably suspected non-compliance; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Borrower; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement, if Borrower defaults in its obligations hereunder; (v) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender or any Noteholder all required legal opinions, and other similar expenses incurred in creating and perfecting the Liens in favor of Lender (or, as applicable, any Noteholder) pursuant to this Agreement and the other Loan Documents; (vi) enforcing or preserving any rights, either in response to third party claims or in prosecuting or defending any action or proceeding or other litigation, in each case against, under or affecting Borrower, Mortgage Borrower, Operating Company, this Agreement, the other Loan Documents, the Properties, the Collateral or any other security given for the Loan; and (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Properties, Operating Company or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work out" or of any insolvency or bankruptcy proceedings; provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to any Person to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of such Person. Any cost and expenses due and payable to Lender or any Noteholder may be paid from any amounts in the Mezzanine Collection Account upon the occurrence and during the continuance of an Event of Default.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other actual liabilities, obligations, losses, damages (excluding, however, any punitive and consequential damages), penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, (ii) the use or intended use of the proceeds of the Loan, (iii) the Leases or any of the duties, responsibilities or obligations of Borrower or any Operating Company thereunder, (iv) the transactions contemplated in the Collection Account Agreements or (iv) any third-party claims alleging that the Loan, the Mortgage Loan, the Operating Lease, the Operating Lease Guaranty or any of the Loan Documents violates any agreements or Legal Requirements binding on the Borrower or its Affiliates or their respective properties (collectively, the "**Indemnified**

Liabilities"); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any request by Borrower that required Rating Agency Confirmation pursuant to the terms hereof.

Section 10.14. Schedules Incorporated. The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 10.15. Offsets, Counterclaims and Defenses. Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 10.16. No Joint Venture or Partnership; No Third Party Beneficiaries. (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy in common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Properties other than that of mortgagee, beneficiary or lender.

(b) Except as expressly provided herein, this Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. Lender and Borrower acknowledge and agree that the Noteholders are intended third party beneficiaries of all rights and remedies of the Lender hereunder. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 10.17. Intentionally Omitted.

Section 10.18. Waiver of Marshalling of Assets. To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Collateral, any equitable right otherwise available to Borrower which would require the separate sale of the Collateral with respect to each Mortgage Borrower or require Lender to exhaust its remedies against any Collateral with respect to each Mortgage Borrower or any combination of such Collateral before proceeding against any other Collateral with respect to one or more Mortgage Borrowers; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorize, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Collateral.

Section 10.19. Waiver of Counterclaim. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

Section 10.20. Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Loan Agreement and any of the other Loan Documents, the provisions of this Loan Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 10.21. Brokers and Financial Advisors. Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement (other than those the fees and other claims of which shall be paid by Borrower. Borrower hereby agrees to indemnify, defend and hold Lender and each Noteholder harmless from and against any and all claims,

liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated herein. Each of Lender and (by its acceptance of its respective Note) the Noteholders hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

Section 10.22. Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, including, without limitation, the Commitment Letter dated December 19, 2006 between Affiliates of Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

Section 10.23. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which counterparts together shall constitute one agreement with the same effect as if the parties had signed the same signature page.

Section 10.24. Intentionally Omitted.

Section 10.25. Gaming Laws. All rights, remedies and powers in or under this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws.

Section 10.26. Certain Additional Rights of Lender (VCOC). Notwithstanding anything to the contrary contained in this Agreement, Lender shall have:

(a) the right to routinely consult with and advise Borrower's management regarding the significant business activities and business and financial developments of Borrower and Mortgage Borrower, provided that any such advice or consultation shall be completely nonbinding on Borrower, and; provided, however, that such consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances;

(b) the right, in accordance with the terms of this Agreement, to examine the books and records of Borrower and Mortgage Borrower at any reasonable times upon reasonable notice;

(c) the right, in accordance with the terms of this Agreement, including, without limitation, Section 5.1.11 hereof, to receive monthly, quarterly and year end financial reports, including balance sheets, statements of income, shareholder's equity and cash flow, a management report and schedules of outstanding indebtedness, in each case to the extent explicitly set forth herein; and

(d) the right, without restricting any other rights of Lender under this Agreement (including any similar right), to reasonably approve any acquisition by Borrower or Mortgage Borrower of any other significant real property.

The rights described above in this Section 10.26 may be exercised by any entity which owns and controls, directly or indirectly, substantially all of the interests in Lender.

XI JOINT AND SEVERAL LIABILITY; WAIVERS

Section 11.1. Joint and Several Liability; Primary Obligors. Each entity comprising Borrower (each, a “Borrower Entity”) shall be a primary obligor with respect to payment of the Debt and performance of Borrower’s obligations under the Loan Documents and all such Borrower Entities shall be jointly and severally liable for payment of the Debt and performance of such other obligations. As used in this Article, references to “Other Borrowers” shall mean all Borrower Entities other than the particular Borrower Entity referred to.

Section 11.2. Waivers. Without limiting the primary liability of each Borrower Entity as set forth above, to the extent any such Borrower Entity is determined to be secondarily liable with respect to any portion of the Debt or any other obligation hereunder, the following shall apply:

11.2.1 No Duty To Pursue Others. It shall not be necessary for Lender (and each Borrower Entity hereby waives any rights which such Borrower Entity may have to require Lender), in order to enforce the obligations of such Borrower Entity hereunder, first to (a) institute suit or exhaust its remedies against any Other Borrower or others liable on the Debt or any other person, (b) enforce Lender’s rights against any collateral mortgaged, pledged or granted by any Other Borrower which shall ever have been given to secure the Debt (“**Other Borrower Collateral**”), (c) enforce Lender’s rights against any other guarantors of the Debt, (d) join Borrower or any others liable on the Debt in any action against any Other Borrower seeking to enforce the Loan Documents, (e) exhaust any remedies available to Lender against any collateral which shall ever have been given to secure the Debt, or (f) resort to any other means of obtaining payment of the Loan by any Other Borrower. Lender shall not be required to mitigate damages or take any other action pertaining to any Other Borrower or any Other Borrower Collateral to reduce, collect or enforce the Debt from any Other Borrower.

11.2.2 Waivers. Such Borrower Entity agrees to the provisions of the Loan Documents, and hereby waives notice of (a) any loans or advances made by Lender to any Other Borrower, (b) acceptance of the Loan Documents, (c) any amendment or extension of the Note, the Loan Agreement or of any other Loan Documents entered into by any Other Borrower, (d) the execution and delivery by any Other Borrower and Lender of any other loan or credit agreement or of any Other Borrower’s execution and delivery of any promissory notes or other documents arising under the Loan Documents or in connection with the Other Borrower Collateral, (e) the occurrence of any breach by any Other Borrower or an Event of Default with respect to any Other Borrower or Other Borrower Collateral, (f) Lender’s transfer or disposition of the Debt, or any part thereof, (g) sale or foreclosure (or posting or advertising for sale or foreclosure) of any Other Borrower Collateral, (h) protest, proof of non-payment or default by any Other Borrower and (i) any other action at any time taken or omitted by Lender, and, generally, all demands and notices to any Other Borrower of every kind in connection with the Loan Documents, any documents or agreements evidencing, securing or relating to any of the Debt.

11.2.3 Waiver of Subrogation, Reimbursement and Contribution. Notwithstanding anything to the contrary contained in the Loan Documents, each Borrower hereby unconditionally and irrevocably waives, releases and abrogates, prior to the payment in full of the Loan and for a period of ninety-one (91) days thereafter any and all rights it may now or hereafter have under any agreement, at law or in equity (including any law subrogating such Borrower Entity to the rights of Lender), to assert any claim against or seek contribution, indemnification or any other form of reimbursement (other than pursuant to the express provisions of the Contribution Agreement) from any Other Borrower or any other party liable for payment of any or all of the Debt for any payment made by such Borrower Entity under or in connection with the Loan Documents or otherwise.

11.2.4 Events And Circumstances Not Reducing Or Discharging Guarantor's Obligations. Each Borrower Entity hereby consents and agrees to each of the following, and agrees that such Borrower Entity's obligations under the Loan Documents shall not be released, diminished, impaired, reduced or adversely affected by any of the following, and waives any common law, equitable, statutory or other rights (including rights to notice) which such Borrower Entity might otherwise have as a result of or in connection with any of the following:

(a) Modifications. Any renewal, extension, increase, modification, alteration, restatement or rearrangement entered into by any Other Borrower of all or any part of the Debt, the Note, the Loan Agreement, the other Loan Documents, or any other document, instrument, contract or understanding between any Other Borrower and Lender, or any other parties, pertaining to the Debt or any failure of Lender to notify Borrower Entity of any such action.

(b) Adjustment. Any adjustment, indulgence, forbearance or compromise that might be granted or given by Lender to any Other Borrower.

(c) Condition of Borrower or Borrower Entity. The insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of any Other Borrower or any other party at any time liable for the payment of all or part of the Debt; or any dissolution of any Other Borrower, or any sale, lease or transfer of any or all of the assets of Borrower or of any Other Borrower, or any changes in the shareholders, partners or members of any Other Borrower; or any reorganization of any Other Borrower.

(d) Invalidity of Debt. The invalidity, illegality or unenforceability of all or any part of the Debt, or any document or agreement executed in connection with the Debt, for any reason whatsoever, including the fact that (a) the Debt, or any part thereof, exceeds the amount permitted by law, (b) the act of creating the Debt or any part thereof is ultra vires, (c) the officers or representatives executing the Note, the Loan Agreement or the other Loan Documents or otherwise creating the Debt acted in excess of their authority, (d) the Debt violate applicable usury laws, (e) any Other Borrower has valid defenses, claims or offsets (whether at law, in equity or by agreement) which render the Debt wholly or partially uncollectible from such Other

Borrower, (f) the creation, performance or repayment of the Debt (or the execution, delivery and performance of any document or instrument by any Other Borrower representing part of the Debt or executed in connection with the Debt, or given to secure the repayment of the Debt) is illegal, uncollectible or unenforceable, or (g) the Note, the Loan Agreement or any of the other Loan Documents have been forged or otherwise are irregular or not genuine or authentic, it being agreed that such Borrower Entity shall remain liable hereon regardless of whether any Other Borrower or any other Person be found not liable on the Debt or any part thereof for any reason.

(e) Release of Obligors. Any full or partial release of the liability of any Other Borrower on the Debt, or any part thereof, or of any guarantor(s) thereof, or any other person or entity now or hereafter liable, whether directly or indirectly, jointly, severally, or jointly and severally, to pay, perform, guarantee or assure the payment of the Debt, or any part thereof, it being recognized, acknowledged and agreed by such Borrower Entity that such Borrower Entity may be required to pay the Debt in full without assistance or support of any other party, and such Borrower Entity has not been induced to enter into the Loan Documents on the basis of a contemplation, belief, understanding or agreement that other Persons will be liable to pay or perform the Debt, or that Lender will look to other Persons to pay or perform the Debt.

(f) Other Collateral. The taking or accepting of any other security, collateral or guaranty, or other assurance of payment, for all or any part of the Debt.

(g) Release of Collateral. Any release, surrender, exchange, subordination, deterioration, waste, loss or impairment (including negligent, willful, unreasonable or unjustifiable impairment) of any collateral, property or security at any time existing in connection with, or assuring or securing payment of, all or any part of the Debt.

(h) Care and Diligence. The failure of Lender or any other party to exercise diligence or reasonable care in the preservation, protection, enforcement, sale or other handling or treatment of Other Borrower Collateral, all or any part of such collateral, property or security, including any neglect, delay, omission, failure or refusal of Lender (a) to take or prosecute any action for the collection of any of the Debt or (b) to foreclose, or initiate any action to foreclose, or, once commenced, prosecute to completion any action to foreclose upon Other Borrower Collateral, or (c) to take or prosecute any action in connection with any instrument or agreement evidencing or securing all or any part of the Debt.

(i) Unenforceability. The fact that any collateral, security, security interest or lien contemplated or intended to be given, created or granted as security for the repayment of the Debt, or any part thereof, shall not be properly perfected or created, or shall prove to be unenforceable or subordinate to any other security interest or lien, it being recognized and agreed by such Borrower Entity that such Borrower Entity is not entering into the Loan Documents in reliance on, or in contemplation of the benefits of, the validity, enforceability, collectibility or value of any of the collateral for the Debt.

(j) Offset. Any existing or future right of offset, claim or defense of Borrower against Lender, or any other Person, or against payment of the Debt by any Other Borrower, whether such right of offset, claim or defense arises in connection with the Debt (or the transactions creating the Debt) or otherwise.

(k) Merger. The reorganization, merger or consolidation of any Other Borrower into or with any other corporation or entity.

(l) Preference. Any payment by Borrower to Lender is held to constitute a preference under bankruptcy laws, or for any reason Lender is required to refund such payment or pay such amount to Borrower or someone else.

Section 11.3. Other Actions Taken or Omitted. Any other action taken or omitted to be taken with respect to the Loan Documents, the Debt, or Other Borrower Collateral, whether or not such action or omission prejudices such Borrower Entity or increases the likelihood that such Borrower Entity will be required to pay the Debt pursuant to the terms hereof, it is the unambiguous and unequivocal intention of such Borrower Entity that such Borrower Entity shall be obligated to pay the Debt when due, notwithstanding any occurrence, circumstance, event, action, or omission whatsoever pertaining to any Other Borrower or any Other Borrower Collateral, whether contemplated or not, and whether or not otherwise or particularly described herein, which obligation shall be deemed satisfied only upon the full and final payment and satisfaction of the Debt.

Section 11.4. No Release or Novation. This Agreement constitutes an amendment and restatement of the Original Agreement and is not intended to and shall not extinguish any of the indebtedness or obligations of Borrower under the Note, the Original Loan Agreement or any other Loan Documents in such a manner as would constitute a release or novation of the original indebtedness or obligations of Borrower under the Note, the Original Loan Agreement or any other Loan Document, nor shall this Agreement affect or impair the priority of any liens created thereby or in connection therewith, it being the intention of the parties hereto to preserve all liens and security interests securing payment of the Note and the Debt, which liens and security interests are acknowledged by Borrower to be valid and subsisting against the Collateral and any other security or collateral for the Debt.

Section 11.5. Confirmation of Guarantor. By their signatures below, each of Guarantor (FF&E), Guarantor (Recourse Carveouts) and Guarantor (Operating Lease), and each of their respective successors and representatives, each hereby agree and consent to the amendment and restatement of the Original Agreement and the modification of the other Loan Documents pursuant to this Agreement (and the modification of each of the Original Operating Leases in accordance with the related First Amendment to Operating Lease dated as of the date hereof) and ratify and confirm all of the terms and provisions set forth in the Guaranty (FF&E), the Guaranty (Recourse Carveouts), the Original Environmental Indemnity and each Original Operating Lease Guaranty, as applicable, and each of the other Loan Documents to which they are a party, and each agrees that their respective obligations and liabilities under such agreements shall continue without impairment or limitation by reason of this Agreement. In addition to the aforementioned, each of Harrah's LV Individual Borrower, Harrah's Atlantic City Individual Borrower, Rio Individual Borrower and Flamingo Individual Borrower hereby ratify and confirm all of the terms and provisions set forth in the Original Environmental Indemnity, and each agrees that their respective obligations and liabilities under the Original Environmental Indemnity shall continue without impairment or limitation by reason of this Agreement.

Section 11.6. Confirmation of Original Borrower. Whenever any Foreign Tax is payable pursuant to applicable law by Borrower, as promptly as possible thereafter, Borrower shall send to Lender an original official receipt, if

available, or certified copy thereof showing payment of such Foreign Tax. Borrower hereby indemnifies Lender for any incremental Foreign Taxes, interest or penalties that may become payable by Lender which may result from any failure by Borrower to pay any such Foreign Tax when due to the appropriate taxing authority or any failure by Borrower to remit to Lender the required receipts or other required documentary evidence thereof (provided such documents are reasonably available to the Borrower).

(f) If any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to make or maintain a LIBOR Loan as contemplated hereunder and the events giving rise thereto affect similarly situated banks or financial institutions generally, (i) the obligation of Lender hereunder to make a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to a Prime Rate Loan on the next succeeding Payment Date or within such earlier period as required by law.

(g) In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority and the events giving rise thereto affect similarly situated banks or financial institutions generally:

(i) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, the office of Lender that holds the Loan which is not otherwise included in the determination of LIBOR hereunder;

(ii) shall hereafter require the Lender to hold additional capital against the Loan in excess of that currently required by Governmental Authorities to be held against loans similar in nature to the Loan; or

(iii) shall hereafter impose on Lender any other condition affecting loans to borrowers subject to LIBOR-based interest rates and Lender determines that, by reason thereof, the cost to Lender of making or maintaining the Loan to Borrower is increased, or any amount received by Lender hereunder in respect of any portion of the Loan is reduced, in each case by an amount deemed by Lender in good faith to be material;

then, in any such case, Borrower shall promptly pay Lender, upon demand, any additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined in good faith by Lender. If Lender becomes entitled to claim any additional amounts pursuant to this Section 2.2.3(g), Lender shall provide Borrower with not less than ninety (90) days notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to fully compensate Lender for such additional cost or reduced amount. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. This provision shall survive payment of the Note and the satisfaction of all other obligations of Borrower under this Agreement and the Loan Documents.

(h) Lender shall not be entitled to claim compensation pursuant to this Section 2.2.3 for any Foreign Taxes or other amounts incurred or which accrued more than ninety (90) days before the date Lender notified Borrower of the change in law or other circumstance on which such claim of compensation is based and delivered to Borrower a written statement setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.2.3, which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(i) For purposes of this Section 2.2.3, the term "Lender" shall be deemed to include each Noteholder and Lender's (as well as each Noteholder's) present and future participants in the Loan to the extent of Foreign Taxes imposed by reason of such Noteholder or participant's interest in the Loan and each such Noteholder's or participant's increased costs or reduction in amount received or receivable hereunder or any reduced rate of return, in each case payable by Borrower under this Section 2.2.3.

2.2.4 Additional Costs. Lender will use reasonable efforts (consistent with legal and regulatory restrictions) to maintain the availability of the LIBOR Loan and to avoid or reduce any increased or additional costs payable by Borrower under Section 2.2.3, including, if requested by Borrower, a transfer or assignment of the Loan to a branch, office or Affiliate of Lender in another jurisdiction, or a redesignation of its lending office with respect to the Loan, in order to maintain the availability of the LIBOR Loan or to avoid or reduce such increased or additional costs, provided that the transfer or assignment or redesignation (a) would not result in any material additional costs, expenses or risk to Lender that are not reimbursed by Borrower and (b) would not be disadvantageous in any other material respect to Lender as determined by Lender in its sole, but reasonable discretion.

2.2.5 Default Rate. In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

2.2.6 Usury Savings. This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by

applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

2.2.7 Interest Rate Cap Agreement. (a) On or prior to 5:00 p.m. (New York time) on the Original Closing Date, Borrower shall enter into an Interest Rate Cap Agreement with a LIBOR strike price equal to the required Strike Price. The Interest Rate Cap Agreement (i) shall be in a form and substance reasonably acceptable to Lender, (ii) shall be with an Acceptable Counterparty, (iii) shall direct such Acceptable Counterparty to deposit directly with Lender (or into an account or otherwise as directed by Lender) any amounts due Borrower under such Interest Rate Cap Agreement unless and until otherwise instructed by Lender (it being agreed as between Lender and Borrower that Lender will so instruct the Counterparty at such time as the Debt shall not longer exist, provided that the Debt shall be deemed to exist if the Collateral is transferred by secured party sale or otherwise), (iv) shall be for a period equal to the initial term of the Loan and (v) shall have an initial notional amount equal to the principal balance of the Loan. Borrower shall collaterally assign to Lender, pursuant to the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Interest Rate Cap Agreement, and shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be paid directly into an account pledged to Lender as provided above in this Section 2.2.7). Provided no Event of Default has occurred and is continuing, amounts contained in the foregoing pledged account shall be released to Borrower on a monthly basis to the extent not applied toward debt service on the Loan.

(b) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be paid to Lender (or into an account or otherwise as directed by Lender). Borrower shall take all actions reasonably requested by Lender to enforce Lender's rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty and shall not waive, amend or otherwise modify any of its rights thereunder.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Counterparty by S&P or Moody's to below the ratings set forth in the definition of "Acceptable Counterparty", Borrower (i) shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement (or cause the Counterparty or an Affiliate thereof to post collateral acceptable to Lender and the Rating Agencies) not more than fifteen (15) Business Days following receipt of notice of such downgrade, withdrawal or qualification (and meeting the requirements set forth in this Section 2.2.7) from an Acceptable Counterparty, (ii) if a new cap is provided to Lender, then if requested by Lender shall provide to Lender an opinion of counsel to such Acceptable Counterparty in the form and containing the substance of the form of opinion set forth in Exhibit A to the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender), and (iii) shall collaterally assign to Lender, pursuant to an assignment in the form of the Collateral Assignment of Interest Rate Cap Agreement, all of its right, title and interest to receive any and all payments under the Replacement Interest Rate Cap Agreement.

(d) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement or fails to maintain the Interest Rate Cap Agreement in accordance with the terms and provisions of this Agreement, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is reimbursed by Borrower to Lender.

(e) In connection with any Interest Rate Cap Agreement provided to Lender as herein required, if requested by Lender, Borrower shall obtain and deliver to Lender an opinion from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty (upon which Lender and its successors and assigns may rely) in the form and containing the substance of the form of opinion set forth in Exhibit A to the Mortgage Loan Agreement (which such changes as shall be reasonably approved by Lender).

(f) In connection with any prepayment of the Loan, provided no Event of Default shall have occurred and be continuing, Borrower may reduce the amount of any Interest Rate Cap Agreement (so that the same shall be in an initial notional amount equal to the principal balance of the Loan following such prepayment), provided that such reduction shall not affect any of the other terms of the Interest Rate Cap Agreement or the Collateral Assignment of Interest Rate Cap Agreement (or Lender's rights in respect thereof).

Section 2.3. Loan Payment.

2.3.1 Payments Generally. On the Original Closing Date Borrower made a payment to Lender of interest accruing hereunder during the period from the Original Closing Date up to and including February 14, 2008, calculated in the manner set forth herein, and on the Payment Date occurring in March 2008 and on each Payment Date thereafter to and including the Maturity Date, Borrower shall make a payment to Lender of interest accruing hereunder during the entire Interest Period in which such Payment Date occurs, calculated in the manner set forth herein. All amounts due pursuant to this Agreement and the other Loan Documents shall be payable without setoff, counterclaim, defense or any other deduction whatsoever. Each payment shall be applied *pro rata and pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

2.3.2 Payment on Maturity Date. Borrower shall pay to Lender on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Pledge Agreement and the other Loan Documents, including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through and including the end of the Interest Period in which the Maturity Date occurs (even if such Interest Period extends beyond the Maturity Date).

2.3.3 Late Payment Charge. If any principal, interest or any other sums due under the Loan Documents, other than the payment of principal due on the Maturity Date, is not paid by Borrower by the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of one percent (1%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such

delinquent payment; provided, however that, except with respect to the payment of any monthly Debt Service payments with respect to which no notice or demand shall be required, no such late payment charge shall be due unless such payment of principal, interest or other sum shall be delinquent for more than five (5) Business Days following the date of demand therefor. Any such amount shall be secured by the Pledge Agreement and the other Loan Documents to the extent permitted by applicable law.

2.3.4 Method and Place of Payment. Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 3:00 P.M., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

Section 2.4. Prepayments.

2.4.1 Voluntary Prepayments. Borrower may, at its option, prepay the Debt in whole or in part, provided, the following conditions are satisfied:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall provide prior written notice to Lender specifying the date upon which the prepayment is to be made (the "**Prepayment Date**"), which notice shall be delivered to Lender not less than ten (10) days prior to such Prepayment Date (or such shorter period of time as may be permitted by Lender in its sole discretion), and which notice shall be irrevocable; provided, that, notwithstanding the foregoing, Lender hereby agrees that Borrower may revoke any notice of prepayment up until the date that is one (1) Business Day prior to the proposed Prepayment Date (provided that Borrower shall be required to pay Lender, promptly upon demand, any actual, out-of-pocket expenses incurred by Lender resulting from any such revocation);

(c) each such prepayment, in the case of partial prepayments, shall be in an amount not less than Five Million and no/100 Dollars (\$5,000,000.00), unless the outstanding principal balance of the Loan (prior to such prepayment) shall be less than Five Million and no/100 Dollars (\$5,000,000.00), in which event the amount of the prepayment shall be in such amount as shall prepay the Debt and all other amounts due in connection therewith in full, as more fully provided herein;

(d) if such prepayment is made on or prior to the Payment Date occurring in the Interest Period in which such prepayment was made, then, in connection with such prepayment Borrower shall pay to Lender, simultaneously with such prepayment, all interest on the principal balance of the Note then being prepaid which would have accrued through the end of the Interest Period then in effect notwithstanding that such Interest Period extends beyond the Prepayment Date;

(e) if such prepayment is made after a Payment Date occurring in the Interest Period in which such prepayment was made, but prior to the last two (2) Business Days in such Interest Period, Borrower shall make such prepayment without paying any interest thereon (Borrower having already paid interest on such amount on the Payment Date occurring in such Interest Period);

(f) if such prepayment is made on either of the last two (2) Business Days in an Interest Period, Borrower will pay to Lender, simultaneously with such prepayment, interest on the principal amount of the Loan prepaid through the last day of the Interest Period immediately following the Interest Period in which such prepayment occurs, calculated at the Applicable Interest Rate;

(g) if such prepayment is a prepayment of the Loan in full, Lender shall have received a written consent to the repayment from the lender under each Other Mezzanine Loan (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of each Other Mezzanine Loan and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous pro rata prepayment of each Other Mezzanine Loan and Permitted Mezzanine Loan if required thereunder; and

(h) if such prepayment is made on or prior to the Spread Maintenance Outside Date, then in connection with any such prepayment, Borrower shall pay to Lender, simultaneously with such prepayment, the Spread Maintenance Premium in respect of such prepayment.

Any prepayment received by Lender on a day other than a Payment Date (but not any amount received between a Payment Date and the second to last Business Day in an Interest Period) shall be held by Lender in an interest-bearing account as collateral security for the Loan and shall be applied to the Debt on the next occurring Payment Date (with all interest and other income earned on such amount being for the account of Borrower and being remitted by Lender to Borrower promptly following such next Payment Date). Any prepayment made pursuant to this Section 2.4.1 shall be applied *pro rata* and *pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes. Lender agrees that it shall provide a written consent to the repayment of the Loan upon satisfaction of the conditions set forth in clauses (a) through (f) and clause (h) of this Section 2.4.1.

2.4.2 Mandatory Prepayments from Net Proceeds. (a) On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of any Individual Property, Borrower shall prepay, or authorize Lender to apply Net Proceeds as a prepayment of, the outstanding principal balance of the Note in an amount equal to, (x) if no Event of Default shall have occurred and be continuing, the product of (i) a fraction, the numerator of which is outstanding principal amount of the Loan and the denominator is the outstanding principal amount of the Mortgage Loan, the Loan and the Other Mezzanine Loans times (ii) the Net Proceeds, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such Payment Date occurs (with the balance of the Net Proceeds to be paid over to the Third Mezzanine Lender, for application in accordance

with the Third Mezzanine Loan Agreement), and (y) if an Event of Default shall have occurred and be continuing, 100% of the Net Proceeds. No Spread Maintenance Premium shall be due in connection with any prepayment made pursuant to this Section 2.4.2(a). Any prepayment received by Lender pursuant to this Section 2.4.2(a) on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. Following the prepayment made as described in this Section 2.4.2(a), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(a) shall be applied *pro rata and pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

(b) In the event of (i) a Transfer of any Individual Property or any Senior Mezzanine Collateral in connection with the realization thereon following a Mortgage Loan Default or a Senior Mezzanine Loan Default, as applicable, (ii) any refinancing of any Individual Property, any Senior Mezzanine Collateral, any Senior Mezzanine Loan or the Mortgage Loan, or (iii) the receipt by Mortgage Borrower of any excess proceeds realized under its owner's title insurance policy after application of such proceeds by Mortgage Borrower to cure any title defect (each, a "**Liquidation Event**"), Borrower shall cause the related Net Liquidation Proceeds After Debt Service to be remitted directly to Lender (or as directed by Lender). On each date on which Lender actually receives a distribution of Net Liquidation Proceeds After Debt Service, Borrower shall prepay the outstanding principal balance of the Note in an amount equal to one hundred percent (100%) of such Net Liquidation Proceeds After Debt Service, together with interest accruing on such amount calculated through and including the end of the Interest Period in which such payment occurs. Any amounts of Net Liquidation Proceeds After Debt Service in excess of the Debt shall be remitted to Third Mezzanine Lender (or to an account designated by Third Mezzanine Lender). Any prepayment received by Lender pursuant to this Section 2.4.2(b) on a date other than a Payment Date shall be held by Lender as collateral security for the Loan in an interest bearing account, with such interest accruing to the benefit of Borrower, and shall be applied by Lender on the next Payment Date. A Spread Maintenance Premium or fee may be due in connection with any prepayment made pursuant to this Section 2.4.2(b) if made prior to the Spread Maintenance Outside Date. Following the prepayment made as described in this Section 2.4.2(b), the Allocated Loan Amount for the affected Individual Property, as set forth in this Agreement, shall be reduced in an amount equal to such prepayment. Any prepayment of the Notes made pursuant to this Section 2.4.2(b) shall be applied *pro rata and pari passu* (a) first to accrued and unpaid interest on all of the Notes and (b) the balance shall be applied to principal of all the Notes.

(c) Borrower shall immediately notify Lender of any Liquidation Event once Borrower has knowledge of such event. Borrower shall be deemed to have knowledge of (i) a sale (other than a foreclosure sale) of any Individual Property on the date on which a contract of sale for such sale is entered into, and a foreclosure sale, on the date notice of such foreclosure sale is given, and (ii) a refinancing of any Individual Property, on the date on which a commitment for such refinancing has been entered into. The provisions of this Section 2.4.2(c) shall not be construed to contravene in any manner the restrictions and other provisions regarding refinancing of the Mortgage Loan or Transfer of any Individual Property set forth in this Agreement, the other Loan Documents and the Mortgage Loan Documents.

2.4.3 Prepayments After Default. If, following the occurrence and during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower or any other Person and accepted by Lender or otherwise recovered by Lender (including through application of any Reserve Funds), Borrower shall pay to Lender, in addition to the outstanding principal balance, (a) all accrued and unpaid interest at the Default Rate (including, without limitation, (i) in the event that such prepayment is received on a Payment Date or on any date in any Interest Period prior to a Payment Date, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which such payment occurs, or (ii) in the event that such prepayment is received on a date after a Payment Date up to (and including) the last day of the Interest Period in which such Payment Date occurs, interest accruing (at the Default Rate) on such amount calculated through and including the end of the Interest Period in which the next Payment Date occurs, (b) the Spread Maintenance Premium, if such prepayment is made prior to the Spread Maintenance Outside Date, and (c) any and all other amounts payable under the Loan Documents. Any payment under this Section 2.4.3 shall be applied in such order, priority and proportions as Lender may direct in its sole and absolute discretion.

Section 2.5. Release of Collateral. Except as set forth in this Section 2.5, no repayment or prepayment of all or any portion of the Note shall cause, give rise to a right to require, or otherwise result in, the release or assignment of any Lien of the Pledge Agreement on the Collateral.

2.5.1 Release of Individual Property. Concurrently with the release of an Individual Property from the Lien of the Mortgage (and related Mortgage Loan Documents) pursuant to Section 2.5.1 of the Mortgage Loan Agreement (a “**Release**” and such Individual Property, a “**Release Property**”), Borrower may obtain the release of the related Individual Borrower with an indirect ownership interest in such Individual Property (a “**Release Borrower**”) and such Release Borrower’s obligations under the Loan Documents with respect to the Release Property (other than those expressly stated to survive), upon the satisfaction of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a prepayment upon the release of an Individual Property, the Event of Default relates solely to such Individual Property and therefore would be fully cured by the release of such Individual Property);

(b) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien of the Pledge Agreement (and related Loan Documents), only with respect to such Release Borrower, for execution by Lender. Such release shall contain standard provisions, if any, protecting the rights of the releasing lender;

(c) After giving effect to such release, the Debt Service Coverage Ratio for the Properties then remaining subject to the Liens of the Mortgages (including giving pro forma effect to the payment of the Release Price and any additional prepayment(s) made by Borrower in connection with such release) shall be equal to or greater than the greatest of (i) the Debt Service Coverage Ratio for the twelve (12) full calendar months immediately preceding the release of the Individual Property (assuming the contemplated release had not occurred, *i.e.*, for all Properties subject to the Liens of the Mortgage prior to the proposed release), (ii) 90% of the Debt Service Coverage Ratio as of the Closing Date, and (iii) 1.0;

(d)(i) The Individual Property to be released shall be conveyed to a Person other than a Mortgage Borrower or Mezzanine Borrower, and other than to an Affiliate of Mortgage Borrower unless, in the latter case, such Affiliate is refinancing the Loan with a construction or development loan (or repaying the Loan with equity contributions to such Affiliate) and (ii) it is such Affiliate's immediate intention to materially redevelop such Individual Property, which loan (or equity contribution) and intention shall be described in reasonable detail and represented to in an Officer's Certificate submitted to Lender concurrently with (or prior to) the materials described in clause (b) of this Section 2.5.1;

(e) Lender shall have received a wire transfer of immediately available federal funds in an amount equal to the Release Price for the applicable Individual Property, together with (i) all accrued and unpaid interest calculated at the Applicable Interest Rate on the amount of principal being prepaid as provided in Section 2.4.1(d) or (e), as applicable, (ii) the Spread Maintenance Premium, if applicable and (iii) all other sums due under this Agreement, the Note or the other Loan Documents in connection with a partial prepayment;

(f) Lender shall have received a written consent to the transfer from the lender under the Mortgage Loan and each of the Other Mezzanine Loans (and, if any, a Permitted Mezzanine Loan) or receipt by Lender of other evidence satisfactory to Lender that all conditions imposed under the terms of the Mortgage Loan, and each of the Other Mezzanine Loans and Permitted Mezzanine Loan shall have been complied with by the borrower thereunder or otherwise waived by the applicable lender, including the simultaneous pro rata prepayment of each Mortgage Loan, the Other Mezzanine Loans and Permitted Mezzanine Loan if required thereunder; and

(g) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the release of the Individual Property and or Release Borrower from the lien of the Pledge Agreement and the review and approval of the documents and information required to be delivered in connection therewith. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property or Release Borrower.

Lender agrees that it shall provide a written consent to the transfer upon satisfaction of the conditions set forth in clauses (a) through (e) and clause (g) of this Section 2.5.1.

2.5.2 Release of Convention Center Parcel. At any time after the Original Closing Date, Mortgage Borrower may obtain the release of the Convention Center Parcel pursuant to the Mortgage Loan Agreement, without the payment of a Release Price and upon the satisfaction by Borrower of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless, in the case of a release of the Convention Center Parcel, the Event of Default relates solely to such parcel and therefore would be fully cured by the release of the Convention Center Parcel);

(b) The Convention Center Parcel shall be conveyed to a Person other than a Mortgage Borrower or any Mezzanine Borrower;

(c) Mortgage Borrower will enter into a restrictive covenant agreement, restricting the use of the Convention Center Parcel to the development of a Convention Center and ancillary uses which agreement shall be in form and substance reasonably satisfactory to Lender;

(d) Prior to the transfer and release of the Convention Center Parcel, each applicable municipal authority exercising jurisdiction over the Convention Center Parcel shall have approved, a lot-split ordinance or other applicable action under local law dividing the Convention Center Parcel from the remainder of the Harrah's Atlantic City Property, and a separate tax identification number has been issued for the Convention Center Parcel (with the result that, upon the transfer and release of the Convention Center Parcel, no part of the remaining Harrah's Atlantic City Property shall be part of a tax lot which includes any portion of the Convention Center Parcel);

(e) All requirements under all laws, statutes, rules and regulations (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetlands requirements) applicable to the Harrah's Atlantic City Property necessary to accomplish the lot split shall have been fulfilled, and all necessary variances, if any, shall have been obtained, and Borrower shall have delivered to Lender either (1) letters or other evidence from the appropriate municipal authorities confirming such compliance with laws, or (2) a zoning report or legal opinion confirming such compliance with laws, in each case in substance reasonably satisfactory to Lender;

(f) As a result of the lot split, the remaining Harrah's Atlantic City Property with all easements appurtenant and other Permitted Encumbrances thereto will not be in violation of any then applicable law, statute, rule or regulation (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetland requirements) and all necessary variances, if any, shall have been obtained and evidence thereof has been delivered to Lender which in form and substance is appropriate for the jurisdiction in which the Harrah's Atlantic City Property is located;

(i) Borrower shall execute such documents and instruments and obtain such opinions of counsel as are typical for similar transactions;

(j) Lender shall have received payment of all Lender's reasonable out-of-pocket costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the review and approval of the documents and information required to be delivered in connection with the release of the Convention Center Parcel from the Lien of the related Mortgage. Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of the Convention Center Parcel;

(k) Lender shall have received evidence reasonably satisfactory to it that Mortgage Borrower and each Other Mezzanine Borrower shall have satisfied all of the conditions to the proposed Release set forth in the Mortgage Loan Agreement and each Other Mezzanine Loan Agreement, as applicable; and

(l) There shall be no release of any portion of the Lien of the Pledge Agreement in connection with this Section 2.5.2.

Borrower agrees that it shall promptly use all reasonable best efforts to substitute, and Lender agrees (subject to the terms set forth below in this paragraph) that it shall accept the substitution of, the properties commonly known as "Paris Las Vegas" and "Harrah's Laughlin" for the Individual Properties referred to as "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe", "Showboat Atlantic City" and the portion of the Flamingo Las Vegas Property known as O'Shea's in a reasonably satisfactory manner, provided that Lender's obligation to accept such substitution shall be conditioned on the following:

(i) that no Event of Default shall exist, either before or after giving effect to such substitution (unless such Event of Default would be fully cured by the substitution);

(ii) the satisfaction, with respect to both "Paris Las Vegas" and "Harrah's Laughlin", of the closing conditions set forth in Article III hereof and of the Mortgage Loan Agreement, except that references therein to the Closing Date shall be to the date of such substitution;

(iii) delivery of such agreements, instruments, title insurance policies, surveys, resolutions, certificates and opinions (including, without limitation, substitute notes, amendments to the Loan Documents (including amendments to adjust the Allocated Loan Amounts, the EBITDAR (Closing Date) and any other items that need to be adjusted to reflect the substitution), the Operating Lease, the Operating Lease Guaranty and the Windstorm Insurance Intercreditor Agreement, an appropriate subdivision and a reciprocal easement agreement in respect of O'Shea's, written assurances that the substitution will have no negative effects on the existing Title Policies, updated "tie-in" endorsements for the Title Policies, an Additional True Lease Opinion and an Additional Insolvency Opinion), in each case as are reasonably required by Lender in connection with such substitution;

(iv) with respect to the release of O'Shea's, delivery of evidence reasonably satisfactory to Lender that such release will not have either an Individual Material Adverse Effect on the remainder of the Flamingo Las Vegas Property or an Aggregate Material Adverse Effect (it being understood that, for purposes of such determinations, O'Shea's shall be deemed to have closed as of the Closing Date and to have no value) and that the remainder of the Flamingo Las Vegas Property satisfies the conditions set forth in Sections 3.1.3(b), (c) and (f) of the Mortgage Loan Agreement and the representations and warranties set forth in Sections 4.1.4, 4.1.16, 4.1.22, 4.1.39 and 4.1.40 of the Mortgage Loan Agreement shall continue to be true and complete with respect to the remainder of the Flamingo Las Vegas Property, and satisfaction of conditions similar to those set forth in clauses (c), (d), (e), (f), (g) and (h) of Section 3.1.3 hereof, as applicable, with respect to O'Shea's;

(v) the satisfaction, with respect to "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe", "Showboat Atlantic City" and O'Shea's, of the conditions set forth above in Section 2.5.1(b) and (f) with respect to released Individual Properties to the extent applicable,

(vi) the conveyance of "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe", "Showboat Atlantic City" and O'Shea's to a Person other than a Mortgage Borrower or Mezzanine Borrower;

(vii) unless otherwise extended by Lender, the substitution shall be completed on or prior to May 28, 2008;

(viii) the payment by Borrower of all Lender's reasonable out-of-pocket costs and expenses in connection with the substitution contemplated by this paragraph, including reasonable counsel fees and disbursements, up to an aggregate amount of \$300,000, it being acknowledged that costs incurred to obtain title insurance and surveys in respect of the substituted properties shall be paid by Borrower directly and shall not be taken into account for purposes of the foregoing limitation on the reimbursement of Lender's expenses.

Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of an Individual Property in accordance with this paragraph. In addition, if all of "Harrah's Lake Tahoe", "Harvey's Lake Tahoe", "Bill's Lake Tahoe" and "Showboat Atlantic City" can be transferred from Mortgage Borrower as contemplated above, but O'Shea's cannot (including by reason of an inability to get a separate gaming license for O'Shea's independent of the "Flamingo Las Vegas"), then Borrower shall cause Mortgage Borrower to nevertheless proceed to consummate the swap without transferring O'Shea's (subject to Borrower's ongoing right to obtain the release of O'Shea's from the Lien of the Mortgage in accordance with the following sentence). Upon the satisfaction of such conditions set forth above in this paragraph (including clauses (i) through (viii) hereof),

Borrower will have the right to choose between an immediate release of O'Shea's from the Lien of the Mortgage on the date of the swap or a free release subsequent to the date of the swap without conditions (in either case, subject to the conditions set forth above in this Section 2.5.2, except that the limitation on Borrower's payment of Lender's costs and expenses set forth in clause (viii) above shall not apply to any such costs and expenses incurred by Lender in connection with such release) and, pending such release, EBITDAR shall be computed without regard to O'Shea's; provided further, the Operating Company in respect of the "Flamingo Las Vegas" Individual Property, both before and after such release, shall be permitted to provide management and other similar services for O'Shea's and shall be reimbursed for the allocable share of expenses attributable to O'Shea's.

2.5.3 Release of O'Sheas. At any time after the date hereof, Mortgage Borrower may obtain the release of the portion of the Flamingo Las Vegas known as O'Shea's, without the payment of a Release Price, upon the satisfaction by Borrower of each of the following conditions:

(a) No Event of Default shall have occurred and be continuing (unless the Event of Default relates solely to O'Shea's and therefore would be fully cured by the release of O'Shea's);

(b) O'Shea's shall be conveyed to a Person other than a Mortgage Borrower or any Mezzanine Borrower;

(c) Prior to the transfer and release of O'Shea's, each applicable municipal authority exercising jurisdiction over the Flamingo Las Vegas shall have approved a lot-split ordinance or other applicable action under local law dividing O'Shea's from the remainder of the Flamingo Las Vegas, and a separate tax identification number has been issued for O'Shea's (with the result that, upon the transfer and release of O'Shea's, no part of the remaining Flamingo Las Vegas shall be part of a tax lot which includes any portion of O'Shea's);

(d) All requirements under all laws, statutes, rules and regulations (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetlands requirements) applicable to the Flamingo Las Vegas necessary to accomplish the lot split shall have been fulfilled, and after such lot split, the remaining Flamingo Las Vegas with all easements appurtenant and other Permitted Encumbrances thereto will not be in violation of any then applicable law, statute, rule or regulation (including, without limitation, all zoning and subdivision laws, setback requirements, sideline requirements, parking ratio requirements, use requirements, building and fire code requirements, environmental requirements and wetland requirements), and all necessary variances (in form and substance appropriate for the jurisdiction in which the Flamingo Las Vegas is located), if any, shall have been obtained, as evidenced by (1) an Officer's Certificate or (2) Borrower having delivered to Lender, at Borrower's option, either (A) letters or other evidence from the appropriate municipal authorities confirming such compliance with laws in substance reasonably satisfactory to Lender, or (B) a zoning report confirming such compliance with laws in substance reasonably satisfactory to Lender, or (3) a legal opinion confirming such compliance with laws in substance reasonably satisfactory to Lender;

(e) If reasonably necessary, appropriate reciprocal easement (or condominium) agreements for the benefit and burden of the remaining Flamingo Las Vegas and O'Shea's requiring no cost or expense to Mortgage Borrower regarding the use of common facilities of such parcels, including, but not limited to, roadways, parking areas, utilities and community facilities, in a form and substance that would be reasonably acceptable to an ordinary prudent lender and which easements will not materially adversely affect the remaining Flamingo Las Vegas, shall be declared and recorded, and the remaining Flamingo Las Vegas and O'Shea's shall be in compliance with all applicable covenants under all easements and property agreements contained in the Permitted Encumbrances for the Flamingo Las Vegas;

(f) Borrower has delivered an Officer's Certificate to the effect that, to such officer's knowledge after diligent inquiry, the conditions in subsection (a)-(f) hereof have occurred or shall occur concurrently with the transfer and release of O'Shea's;

(g) Delivery of evidence reasonably satisfactory to Lender, which may be in the form of an Officer's Certificate, that the release will not have either an Individual Material Adverse Effect on the remainder of the Flamingo Las Vegas or an Aggregate Material Adverse Effect (it being understood that, for purposes of such determinations, O'Shea's shall be deemed to have closed as of the Original Closing Date and to have no value) and the representations and warranties set forth in Sections 4.1.4, 4.1.16, 4.1.22, 4.1.39 and 4.1.40 shall continue to be true and complete with respect to the remainder of the Flamingo Las Vegas;

(h) Borrower shall have delivered evidence reasonably satisfactory to Lender, which may be in the form of an Officer's Certificate, that Mortgage Borrower and each Other Mezzanine Borrower has complied with all of the terms and conditions set forth in Section 2.5.1 of the Mortgage Loan Agreement and the applicable Other Mezzanine Loan Agreement with respect to such release;

(i) Flamingo Mortgage Borrower and the related Operator shall have executed and delivered to Lender a certified copy of an amendment to the applicable Operating Lease reflecting the release of O'Shea's and the reduction in the "Initial Annual Rent" (as such term is defined in such Operating Lease relating to the Flamingo Las Vegas) by Fifteen Million and No/100 Dollars (\$15,000,000.00);

(j) delivery of an Additional True Lease Opinion in form and substance similar to the related original True Lease Opinion but with such revisions to evidence the reduction in rent and the release of O'Shea's;

(k) The payment by Borrower of all Lender's reasonable out-of-pocket costs and expenses in connection with the release contemplated by this paragraph, including reasonable counsel fees and disbursements; and

(l) There shall be no release of any portion of the Lien of the Pledge Agreement in connection with this Section 2.5.3.

Notwithstanding anything to the contrary contained herein, Lender acknowledges that it shall not charge any fee (other than costs and expenses, as provided in the preceding sentence) in connection with the release of O'Shea's in accordance with this paragraph. Lender and Borrower acknowledge and agree that (i) pending the release of O'Shea's, EBITDAR shall be computed without regard to O'Shea's, and (ii) the Operating Company in respect of the Flamingo Las Vegas, both before and after the release contemplated by this paragraph, shall be permitted to provide management and other similar services for O'Shea's and shall be reimbursed for the allocable share of expenses attributable to O'Shea's.

2.5.4 Release on Payment in Full. Lender shall, upon the written request and at the expense of Borrower, upon payment in full of all principal and interest due on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of the Pledge Agreement on the Collateral.

Section 2.6. Cash Management.

2.6.1 Establishment of Collection Accounts.

(a) In accordance with the provisions of the Operating Lease, (i) Operating Company has established and will maintain for the benefit of Mortgage Borrower, as lessor under the Operating Lease, the Collection Accounts with Collection Banks throughout the term of the Mortgage Loan and (ii) the rights of Mortgage Borrower (as landlord) under the Operating Lease have been collaterally assigned to Mortgage Lender. All Revenues, other than amounts retained on-site by each Operating Company as a Gaming Operating Reserve and amounts collected and maintained in Off-Shore Accounts, shall be deposited in the Collection Accounts.

(b) Borrower hereby represents and warrants as follows: when established, the Collection Accounts will be the only accounts maintained by Operating Company in any jurisdiction that include funds arising out of, or are otherwise attributable to, the Properties or relate to the operation and management of any of the Properties (other than accounts (collectively, the "**OC Accounts**") that contain amounts theretofore released from Collection Accounts in accordance herewith, and other than Off-Shore Accounts, which shall not be subject to this Agreement; and neither Borrower nor Mortgage Borrower maintains any accounts that include funds arising out of, or are otherwise attributable to, any of the Properties or relate to the operation and management of any of the Properties or otherwise (except for accounts containing funds released from the Collection Accounts as herein provided and the Off-Shore Accounts). None of Mortgage Borrower, Senior Mezzanine Borrower, Borrower or Operating Company may (and Borrower shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), open any accounts or new accounts or in any way alter the flow of funds and payment into such Collection Accounts, including, without limitation, changing the source, type or currency of any payments currently deposited and maintained in any such account (it being understood that the foregoing restriction shall not preclude Operating Company, Mortgage Borrower, Senior Mezzanine Borrower or Borrower from accepting and depositing in any Collection Accounts any capital contributions, or any disbursements from any Collection Accounts in accordance with the provisions of the Mortgage Loan Agreement, this Agreement and the Senior Mezzanine Loan Agreements. None of Mortgage Borrower, Senior Mezzanine Borrower, Borrower or Operating Company may (and Borrower shall not permit Mortgage Borrower, Senior Mezzanine Borrower, or Operating Company to), without the prior consent of Lender (not to be unreasonably withheld, conditioned or delayed), establish and maintain any accounts with financial institutions outside of the United States of America, other than the Off-Shore Accounts).

(c) Borrower shall cause Mortgage Borrower, Senior Mezzanine Borrower and Operating Company to comply with Section 2.6.1 of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement (as applicable) in all respects.

(d) Borrower hereby agrees that in the event that (i) the Mortgage Loan Documents require Mortgage Borrower and/or Operating Company to maintain the Collection Accounts, but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Collection Accounts are not being maintained and (ii) the Collection Accounts are not being maintained under Section 2.6.1(d) of the Senior Mezzanine Loan Agreement, Borrower shall establish or cause the Operating Company to establish or cause the Operating Company to establish collection accounts substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Section 2.6.1 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender). In addition, if Borrower is required to deposit amounts with Lender pursuant to Article VII hereof but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Collection Accounts and Cash Management Account are not being maintained, Borrower shall establish collection accounts and a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Sections 2.6.1 and 2.6.2 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender). In addition, if Mortgage Borrower is required to provide security or other collateral to the Mortgage Lender pursuant to the terms of the Mortgage Loan Agreement (excluding any mortgage lien on the Properties or assignment of leases and rents with respect to the Properties) but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) such security or other collateral was not provided to Mortgage Lender, Borrower shall provide such security or other collateral to Lender in substantially the same form and amount as that required under the Mortgage Loan Documents.

2.6.2 Disbursements from, Security Interest in, Collection Accounts. The Operating Lease provides, among other things, that all Revenues shall be collaterally assigned by Operating Company to Mortgage Borrower as additional security for Operating Company's obligations under the Operating Lease and that Mortgage Borrower shall have the right to collaterally assign and pledge such Revenues to Lender as additional security for the Loan. In furtherance thereof, Lender and Borrower agree as follows:

(a) Except as otherwise provided in subparagraphs (b) and (c) hereof, all amounts collected in the Collection Accounts shall be transferred on each Business Day to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender.

(b) Upon the occurrence and during the continuance of an Event of Default hereunder, under the Mortgage Loan Documents or under any of the Other Mezzanine Loan Documents, and provided no Event of Default (as such term is defined in the Operating Lease) shall have occurred and be continuing under any Operating Lease, Borrower shall cause Mortgage Borrower to direct and cause Collection Bank to deposit directly into the Cash Management Account, an amount not less than all Rent payable under the Operating Lease for the next thirty (30) days (it being the intent and agreement that, during the continuance of an Event of Default, the Cash Management Account shall at all times contain such amounts sufficient to cover the ensuing 30-day period), including the Monthly Tax and Insurance Amount, the Monthly Ground Rent Amount and Monthly FF&E Reserve Amount (the amounts described in the preceding sentence, collectively, the “**Monthly Disbursements**”); provided that, notwithstanding the foregoing, Lender may not apply such Monthly Disbursements to the payment of amounts due hereunder in an amount in excess of the amounts owed by the Operating Company under the Operating Lease. In the event Borrower shall have failed to cause Mortgage Borrower to so instruct Collection Bank, Lender shall have the right to so direct the Collection Bank on behalf of Mortgage Borrower. Any amounts not required to be so deposited into the Cash Management Account shall be transferred on each Business Day thereafter to (or as directed by) Operating Company for use or distribution by the Operating Company in its discretion free of any rights or encumbrances of Lender. If no Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, such excess shall be remitted to Third Mezzanine Lender (or to an account designated by Third Mezzanine Lender); provided that, notwithstanding the foregoing, Lender shall not remit any such amounts in excess of the amounts owed by the Operating Company under the Operating Lease. If an Event of Default has occurred and is continuing hereunder, to the extent Monthly Disbursements are not applied to the payment of amounts due hereunder, Lender shall have the right to retain the amount so remitted to the Collection Account as collateral for the Loan and/or apply such amount to the payment of the Debt. Notwithstanding anything to the contrary contained herein (including, without limitation, Section 9.4(a) hereof), Borrower acknowledges and agrees that any and all reasonable and customary costs and expenses (including, without limitation, any reasonable attorneys’ fees) incurred by Servicer in remitting to Operating Company pursuant to this Section 2.6.2(b) any amounts in excess of Monthly Disbursements shall be borne by, and be the responsibility of, Borrower. Lender and Servicer shall be entitled to rely on, and shall be held harmless in relying on, any instructions from Borrower and/or Operating Company in connection with the remittance of any funds from the Cash Management Account to Operating Company pursuant to this Section 2.6.2(b).

(c) Upon the occurrence and during the continuance of an Event of Default (as such term is defined in the Operating Lease) under any Operating Lease, Borrower shall cause Mortgage Borrower to notify Collection Bank to transfer to the Cash Management Account on each Business Day in immediately available funds by federal wire transfer all amounts on deposit in each Collection Account and, in the event Mortgage Borrower shall have failed to do so, Mortgage Lender (or Lender in the event of Mortgage Lender’s failure to so instruct) shall have the right to so direct the Collection Bank on behalf of Mortgage Borrower. Lender shall have the right to retain all amounts to be paid into the Cash Management Account in accordance with the first sentence of this Section 2.6.2(c) as collateral for the Loan and/or apply such amount to the payment of the Debt.

(d) Borrower and its Affiliates shall (and Borrower shall cause Operating Company to) execute and deliver such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect, maintain and perfect Lender's security interest in the Collection Accounts, if any.

2.6.3 Cash Management Account. (a) During the term of the Loan, Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to comply with Section 2.6.3 of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement (as applicable) which may require the establishment of the Cash Management Account to be held by and in trust for the benefit of Mortgage Lender. All costs and expenses for establishing and maintaining the Cash Management Account shall be paid by Mortgage Borrower.

(b) Borrower shall not cause or permit Mortgage Borrower or Operating Company to further pledge, assign or grant any security interest in the Cash Management Account or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Mortgage Lender as the secured party, to be filed with respect thereto.

(c) Borrower hereby agrees that in the event that (i) the Mortgage Loan Documents require Mortgage Borrower and/or Operating Company to maintain the Cash Management Account, but (due to repayment of the Mortgage Loan, waiver of the requirement by Mortgage Lender, or otherwise) the Cash Management Account is not being maintained and (ii) the Cash Management Account is not being maintained under Section 2.6.3 of the Senior Mezzanine Loan Agreement, Borrower shall establish a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents. If Borrower is required to deposit amounts with Lender pursuant to Article VII hereof, Borrower shall establish a cash management account and system with Lender substantially the same as that required under the Mortgage Loan Documents (and shall otherwise comply with the provisions of Section 2.6.2 of the Mortgage Loan Documents, and grant to Lender security interests in such accounts for the benefit of Lender, as if such provisions were incorporated herein for the benefit of Lender).

2.6.4 Mezzanine Collection Account. (a) Lender or Servicer may establish and maintain, to collect all amounts distributed to Lender under Section 2.6.3 of the Mortgage Loan Agreement, a segregated Eligible Account (the "**Mezzanine Collection Account**") to be held by Servicer in trust for the benefit of Lender, which Mezzanine Collection Account shall be under the sole dominion and control of Lender (which may be exercised through Servicer). Lender (and its agents, including Servicer) shall have the sole right to make withdrawals from the Mezzanine Collection Account in accordance with the terms and conditions of this Agreement and the other Loan Documents, except as otherwise expressly provided in this Agreement or the other Loan Documents. Borrower shall cause Senior Mezzanine Borrower to comply with Section 2.6.4 of the Senior Mezzanine Loan Agreements.

(b) Borrower hereby grants to Lender a first priority security interest in the Mezzanine Collection Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Mezzanine Collection Account, including, without limitation, executing and filing UCC 1 Financing Statements and continuations thereof upon Lender's request therefor. All costs and expenses for establishing and maintaining the Mezzanine Collection Account (and any sub account thereof) shall be at Borrower's sole cost and expense.

(c) Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Mezzanine Collection Account and any sub-account thereof. The Mezzanine Collection Account and any sub-account thereof shall be assigned the federal tax identification numbers of Borrower set forth on Schedule I attached hereto. Borrower shall provide Lender, at any time upon request of Lender, with a Form W-8 or W-9 to evidence that Borrower is not subject to any back-up withholding under the Code.

(d) Upon the occurrence and during the continuance of an Event of Default, all funds on deposit in the Mezzanine Collection Account shall be applied by Lender in such order and priority as Lender shall determine.

(e) The insufficiency of funds on deposit in the Mezzanine Collection Account shall not relieve Borrower from the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

Section 2.7. Intentionally Omitted.

Section 2.8. Permitted Mezzanine Loan. Borrower shall have the one-time right, upon thirty (30) days prior written notice to Lender (the “**Permitted Mezzanine Loan Election**”), to obtain a loan (“**Permitted Mezzanine Loan**”) secured by a pledge of the ownership interests in the indirect owners of Borrower (above the level of the Ninth Mezzanine Borrower) provided that the following conditions precedent are satisfied:

(a) no Default or Event of Default shall have occurred and remains uncured;

(b) as of the date the Permitted Mezzanine Loan is advanced, the Permitted Mezzanine Debt Loan-to-Value Ratio for the Properties subject to the Lien of the Mortgage is equal to or less than eighty percent (80%);

(c) as of the date the Permitted Mezzanine Loan is advanced, Permitted Mezzanine DSCR for the four-quarter period preceding such date for the Properties then subject to the Lien of the Mortgage(s) is equal to or greater than 1.2 to 1.0;

(d) the Permitted Mezzanine Loan shall be evidenced by one (1) Loan, that may be advanced in multiple draws provided that Borrower complies with the requirements set forth in this Section 2.8 with respect to each draw;

(e) the Permitted Mezzanine Loan shall be issued by one (1) lender (the “**Permitted Mezzanine Loan Lender**”) which shall be an Institutional Lender; provided, however, that such single Lender that is an Institutional Lender may grant participations in such Permitted Mezzanine Loan or syndicate the Permitted Mezzanine Loan to multiple lenders so long as at least fifty-one percent (51%) of such participants and syndicate lenders are Institutional Lenders and, in addition, so long a single lender serves as agent with respect to all approvals, consents and other matters relating to the Permitted Mezzanine Loan;

(f) the Permitted Mezzanine Loan shall have the same maturity date as the Maturity Date under the Loan, or a maturity date extending beyond the Maturity Date under the Loan;

(g) the Permitted Mezzanine Loan (including all of the terms, provisions and conditions of the Permitted Mezzanine Loan, including, without limitation, the loan documents evidencing and securing the Permitted Mezzanine Loan (“**Permitted Mezzanine Loan Documents**”)) shall be acceptable to Lender in its reasonable discretion (it being agreed that with respect (only) to Lender’s approval of the form of loan documents that loan documents in substantially the same form as the Ninth Mezzanine Loan Documents, appropriately modified to reflect subordination to the Mezzanine Loans still outstanding, shall be deemed to be acceptable);

(h) the Permitted Mezzanine Loan Lender shall enter into a co-lender or intercreditor agreement substantially on the standard CMSA form (or the form entered into by Lender, Other Mezzanine Lenders and Mortgage Lender in connection with the closing of the Loan) or in form and substance reasonably acceptable to Lender, acknowledging the subordination of the Permitted Mezzanine Loan in all respects to each of the Mezzanine Loans and the Mortgage Loan (and Lender agrees to enter into such co-lender or intercreditor agreement upon request);

(i) the Permitted Mezzanine Loan shall be a fixed rate loan, or a floating rate loan containing an interest rate that is capped at an amount that satisfies the debt service coverage ratio requirement set forth in subparagraph (c) above, with interest due and payable monthly (*i.e.*, interest does not accrue) and such interest rate shall not be subject to adjustment except after an event of default (Borrower agreeing to cause the purchase of an interest rate cap to reflect the foregoing);

(j) if requested by Lender, Borrower shall execute amendments to the Loan Documents reasonably requested by Lender, to reflect the existence of such Permitted Mezzanine Loan, provided that any such amendments or agreements will not alter the payment terms of the Loan set forth in this Agreement or the other Loan Documents or materially and adversely affect Borrower or impose additional material obligations or liabilities upon Borrower;

(k) if required by Lender, Borrower shall deliver (i) Additional Insolvency Opinions and, if the Loan Documents are amended pursuant to Section 2.8(k), opinions regarding due execution and enforceability with respect to the Properties, Mortgage Borrower, Mezzanine Borrowers, Holdings, Guarantor and their respective Affiliates and the Loan Documents, and such related matters as Lender shall reasonably require, and (ii) revised organizational documents for Borrower, which opinions and organizational documents shall be reasonably satisfactory to Lender;

(l) all necessary or appropriate governmental or other third party consents (including any approvals, notices, filings or other actions under or pursuant to the Gaming Laws or other Legal Requirements) required to be obtained or taken by Borrower, Mortgage Borrower, any Mezzanine Borrower or the Permitted Mezzanine Borrower for the execution, delivery and performance by the Permitted Mezzanine Borrower of the Permitted Mezzanine Loan shall have been obtained or taken; and

(m) all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and expenses) incurred by Lender in connection with this Section 2.8 shall be paid by Borrower (but no approval or consent fees shall be payable in connection therewith).

III. CONDITIONS PRECEDENT

Section 3.1. Conditions Precedent to Closing. The obligation of Lender to make the Loan hereunder is subject to the fulfillment by Borrower or waiver by Lender of the following conditions precedent no later than the Original Closing Date (provided, however, with respect to Paris Las Vegas, Harrah's Laughlin, Paris Individual Borrower, Paris Mortgage Borrower, Laughlin Individual Borrower and Laughlin Mortgage Borrower, the references in this Article III to "Original Closing Date" shall be to the date hereof):

3.1.1 Representations and Warranties; Compliance with Conditions. The representations and warranties of Borrower contained in this Agreement and the other Loan Documents shall be true and correct in all material respects on and as of the Original Closing Date and as of the date hereof with the same effect as if made on and as of such dates, and no Default or an Event of Default shall have occurred and be continuing; and Borrower shall be in compliance in all material respects with all terms and conditions set forth in this Agreement and in each other Loan Document on its part to be observed or performed.

3.1.2 Loan Agreement and Note. Lender shall have received a copy of this Agreement and the Note, in each case, duly executed and delivered on behalf of Borrower.

3.1.3 Delivery of Loan Documents; Title Insurance; Reports; Leases.

(a) **Pledge Agreement.** Lender shall have received from Borrower fully executed and acknowledged counterparts of the Pledge Agreement and delivery of the Pledged Company Interests, the UCC Financing Statements, and such other documents required pursuant to the Pledge Agreement, in the reasonable judgment of Lender, so as to effectively create valid and enforceable Liens upon the Collateral, of the requisite priority, in favor of Lender, subject only to the Permitted Encumbrances and such other Liens as are permitted pursuant to the Loan Documents. Lender shall have also received from Borrower fully executed counterparts of the other Loan Documents.

(b) **Title Insurance.** Lender shall have received a UCC Title Insurance Policy (the "UCC Title Insurance Policy") issued by a title company acceptable to Lender and dated as of the Original Closing Date, with reinsurance and direct access agreements acceptable to Lender, and tie-in endorsements dated as of the date hereof acceptable to Lender with respect to all such UCC Title Insurance Policies. Such UCC Title Insurance Policy shall (i) provide coverage in amounts reasonably satisfactory to Lender, (ii) insure Lender that the Pledge Agreement and the documents executed and delivered in connection therewith create a valid lien

on the Collateral of the requisite priority, free and clear of all exceptions from coverage other than Permitted Encumbrances and standard exceptions and exclusions from coverage (as modified by the terms of any endorsements), (iii) contain such endorsements and affirmative coverages as Lender may reasonably request, and (iv) name Lender as the insured. The UCC Title Insurance Policy shall be assignable. Lender also shall have received evidence that all premiums in respect of such UCC Title Insurance Policy have been paid. Lender shall have received each Owner's Title Policy in an amount equal to the value of the Property, together with an endorsement in favor of Lender and in form and substance reasonably satisfactory to Lender.

(c) **Survey.** Lender shall have received a current Survey for each Individual Property, certified to the title company and Lender and their successors and assigns, in form and content reasonably satisfactory to Lender and prepared by a professional and properly licensed land surveyor satisfactory to Lender in accordance with the Accuracy Standards for ALTA/ACSM Land Title Surveys as adopted by ALTA, American Congress on Surveying & Mapping and National Society of Professional Surveyors in 2005. Each such Survey shall reflect the same legal description contained in the Title Insurance Policies relating to such Individual Property and shall include, among other things, a metes and bounds description (or other description reasonably satisfactory to Lender) of the real property comprising part of such Individual Property reasonably satisfactory to Lender. The surveyor's seal shall be affixed to each Survey and the surveyor shall provide a certification for each Survey in form and substance reasonably acceptable to Lender.

(d) **Insurance.** Lender shall have received valid certificates of insurance for the Policies required hereunder, satisfactory to Lender in its reasonable discretion. Lender shall be included as an "additional insured" under such Policies and Lender shall have received evidence of the payment of all Insurance Premiums payable for the existing policy period.

(e) **Environmental Reports.** Lender shall have received a Phase I environmental report (and, if recommended by the Phase I environmental report, a Phase II environmental report) in respect of each Individual Property, in each case satisfactory in form and substance to Lender, Lender acknowledges that the foregoing condition has been satisfied, provided that the underground storage tank at Harrah's Las Vegas shall be registered if and to the extent the same is required under Legal Requirements and Lender shall have received and reasonably approved the O&M Plans contemplated pursuant to the above-referenced environmental reports in respect of Flamingo Las Vegas and Harrah's Las Vegas.

(f) **Zoning.** With respect to each Individual Property, Lender shall have received, at Lender's option, either (i) (A) letters or other evidence with respect to each Individual Property from the appropriate municipal authorities (or other Persons) concerning applicable zoning and building laws, and (B) an ALTA 3.1 zoning endorsement for the applicable Title Insurance Policy or (ii) a zoning report, in each case in substance reasonably satisfactory to Lender.

(g) **Encumbrances.** Borrower shall have taken or caused to be taken such actions in such a manner so that Lender has a valid and perfected first priority Lien as of the Original Closing Date on the Collateral and with respect to the Pledge Agreement and Lender shall have received satisfactory evidence thereof.

(h) **Senior Loan Documents.** The Mortgage Loan Documents and Senior Mezzanine Loan Documents shall have been duly authorized, executed and delivered by all parties thereto, the Mortgage Loan and Senior Mezzanine Loan shall have been contemporaneously funded and Lender shall have received and approved certified copies thereof. All of the conditions precedent set forth in Article III of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreements shall have been satisfied and the Mortgage Loan and Senior Mezzanine Loans shall have closed and been fully advanced in accordance therewith.

3.1.4 Related Documents. Each additional document not specifically referenced herein, but relating to the transactions contemplated herein, shall be in form and substance reasonably satisfactory to Lender, and shall have been duly authorized, executed and delivered by all parties thereto and Lender shall have received and approved certified copies thereof.

3.1.5 Delivery of Organizational Documents. Borrower shall deliver or cause to be delivered to Lender copies certified by Borrower of all organizational documentation related to Borrower and each Loan Party and/or the formation, structure, existence, good standing and/or qualification to do business, as Lender may request in its sole discretion, including, without limitation, good standing certificates, qualifications to do business in the appropriate jurisdictions, resolutions authorizing the entering into of the Loan and incumbency certificates as may be requested by Lender.

3.1.6 Opinions of Borrower's Counsel. 4.1.1 Organization. (a) Borrower has been duly organized and is validly existing and in good standing with requisite power and authority to own the Individual Properties and to transact the businesses in which it is (or each of them is) now engaged. Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations. Borrower possesses all rights, licenses, permits and authorizations (governmental or otherwise) necessary to entitle it to own its properties and to transact the businesses in which it is now engaged and the failure to possess which would reasonably be expected to have an Individual Material Adverse Effect. The sole business of Borrower is the ownership of Senior Mezzanine Borrower. The ownership interests of Borrower are as set forth on the organizational chart attached hereto as Schedule VIII.

(b) Each Operating Company has been duly organized and is validly existing and in good standing with requisite power and authority to own its properties or assets, including the Gaming Equipment, and to transact the businesses in which it is now engaged. The sole business of each Operating Company is the management and operation of the Individual Property or Properties currently operated by each such Operating Company. The ownership interests of each Operating Company are as set forth on the organizational chart attached hereto as Schedule VIII.

(c) Borrower has the power and authority and the requisite ownership interests in Senior Mezzanine Borrower and Mortgage Borrower to control the actions of Senior Mezzanine Borrower and Mortgage Borrower, and upon the realization of the Collateral under the Pledge Agreement, Lender or any other party succeeding to the Borrower's interest in the Collateral described in the Pledge Agreement would have such control. Without limiting the foregoing, Borrower has sufficient control over Senior Mezzanine Borrower and Mortgage Borrower to cause Senior Mezzanine Borrower and Mortgage Borrower to (i) take any action on Senior Mezzanine Borrower's or Mortgage Borrower's part required by the Loan Documents and (ii) refrain from taking any action prohibited by the Loan Documents.

4.1.2 Proceedings. Borrower and Operating Company have taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents. This Agreement and such other Loan Documents have been duly executed and delivered by or on behalf of Borrower and Operating Company and constitute legal, valid and binding obligations of Borrower and Operating Company enforceable against Borrower and Operating Company (as applicable) in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

4.1.3 No Conflicts; Approvals. (a) The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower and Operating Company will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower or Operating Company pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement, material lease or other material agreement or instrument to which Borrower or Operating Company (as applicable) is a party or by which any of Borrower's or Operating Company's property or assets is or are subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or Operating Company any of Borrower's or Operating Company's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any such Governmental Authority required for the execution, delivery and performance by Borrower and Operating Company of this Agreement or any other Loan Documents (and the execution by Lender of the remedies provided in the Loan Documents, subject to the limitations thereon pursuant to applicable Gaming Laws) has been obtained and is in full force and effect.

(b) Borrower, Senior Mezzanine Borrower, Mortgage Borrower and Operating Company have obtained all consents and approvals, including all approvals of Governmental Authorities including Gaming Authorities, if required, in connection with the execution, delivery and performance of the Loan Documents (including by Mortgage Lender and each Mezzanine Lender), the Operating Lease, the Operating Lease Guaranty and the operation of the business currently conducted at any of the Properties, and shall promptly execute any and all such instruments and documents, deliver any certificates and do all such other acts or things required by the Gaming Authorities to maintain or keep current such approvals.

4.1.4 Litigation. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending or, to Borrower's knowledge, threatened against or affecting any Loan Party, any Affiliates of Borrower, including Holdings, Operating Company or any Individual Property, or any prior owner or other holder of any interest in any Individual Property, which actions, suits or proceedings, if determined against any Loan Party, Holdings, Operating Company, any other Affiliate or any Individual Property (taking into account the reasonably estimated damages payable in connection therewith), is reasonably likely to materially adversely affect the condition (financial or otherwise) or business of any Loan Party, any Affiliate of Borrower that is a direct or indirect owner of Mortgage Borrower, including Holdings and Operating Company, or the condition or ownership of any Individual Property, or any of the material rights, interests and remedies of Lender under the Loan Documents (taken as a whole). None of the actions described on Schedule XXIV, if determined adversely to Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company and/or any of their respective Affiliates, as applicable, would result in the payment by Borrower, Mortgage Borrower, Operating Company or such Affiliate of an amount in excess of Ten Million and no/100 Dollars (\$10,000,000.00), except to the extent covered by insurance.

4.1.5 Agreements. None of Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company is in default, in any material respect, in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any material agreement or instrument to which it is a party or by which Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company, the Collateral or any of the Properties are bound. None of Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company has any material financial obligation under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company is a party or by which Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company, the Collateral or the Properties is otherwise bound, other than (a) with respect to Mortgage Borrower, obligations incurred in the ordinary course of the operation of the Properties as permitted pursuant to clause (t) of the definition of "Special Purpose Entity" set forth in Section 1.1 of the Mortgage Loan Agreement, (b) with respect to Borrower, obligations under the Loan Documents, (c) with respect to Senior Mezzanine Borrower, obligations under the Senior Mezzanine Loan Documents, and (d) with respect to Operating Company, the Operating Lease and Permitted Indebtedness (Operating Company).

4.1.6 Title. (a) The Borrower (as pledgor under the Pledge Agreement) is the record and beneficial owner of, and Borrower has good and marketable title to the Collateral, free and clear of all Liens whatsoever except the Liens created by the Loan Documents. The Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of any of the Properties (as currently used) or Borrower's ability to repay the Loan. The Pledge Agreement, together with the delivery of the certificates evidencing ownership of the Pledged Company Interests and the endorsement in blank, as being delivered concurrently herewith, will create a valid perfected, first priority lien on, and security interest in and to, the Collateral, all in accordance with the terms thereof. There are no claims for payment for work, labor or materials affecting any of the Properties which are or may become a Lien prior to, or of equal priority with, the Liens created by the Mortgage Loan Documents.

(b) Each Operating Company has good, marketable title to the Gaming Equipment, free and clear of all Liens whatsoever (except equipment financing and leasing arrangements entered into by Operating Company in the ordinary course of its business (subject to the limitations set forth in the definition of “Permitted Indebtedness (Operating Company)”).

The fair saleable value of Borrower’s assets exceeds and will, immediately following the making of the Loan, exceed Borrower’s total liabilities, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. The fair saleable value of Borrower’s assets is and will, immediately following the making of the Loan, be greater than Borrower’s probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower’s assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). No petition in bankruptcy has been filed against Borrower, Operating Company, any Loan Party or any constituent Person, and none of Borrower, Operating Company, any Loan Party or any constituent Person has ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for the benefit of debtors. None of Borrower, Operating Company, any Loan Party or any of their respective constituent Persons are contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency laws or the liquidation of all or a major portion of Borrower’s, Operating Company’s, or any Loan Party’s assets or properties, and Borrower has no knowledge of any Person contemplating the filing of any such petition against it, Operating Company, any Loan Party or such constituent Persons.

4.1.8 Full and Accurate Disclosure. No statement of fact made by Borrower in this Agreement or in any of the other Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained herein or therein not misleading. There is no material fact presently known to Borrower which has not been disclosed to Lender which has, nor as far as Borrower can foresee, might reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect.

4.1.9 No Plan Assets. Borrower is not an “employee benefit plan,” as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of Borrower constitutes or will constitute “plan assets” of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101. In addition, (a) Borrower is not a “governmental plan” within the meaning of Section 3(32) of ERISA and (b) transactions by or with Borrower are not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans similar to the provisions of Section 406 of ERISA or Section 4975 of the Code currently in effect, which prohibit or otherwise restrict the transactions contemplated by this Loan Agreement.

4.1.10 Compliance. Except as disclosed in the zoning reports obtained by Lender in connection with the origination of the Loan, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company and each Individual Property (including the use thereof) comply in all material respects with all applicable Legal Requirements, including, without limitation, building and zoning ordinances and codes and Prescribed Laws. Borrower, Mortgage Borrower, Senior Mezzanine Borrower and Operating Company are not in default or violation of (i) any material order, writ, injunction, decree or demand of any Gaming Authority or (ii) any material order, writ, injunction, decree or demand of any other Governmental Authority. There has not been committed by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any other Person in occupancy of or involved with the operation or use of the Properties any act or omission affording the federal government or any other Governmental Authority the right of forfeiture as against any Individual Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents.

4.1.11 Financial Information. All financial data, including, without limitation, the statements of cash flow and income and operating expense, that have been delivered to Lender in connection with the Loan, the Collateral, the Senior Mezzanine Collateral, the Properties and each Loan Party (i) are true, complete and correct in all material respects, (ii) accurately represent in all material respects the financial condition of the Properties as of the date of such reports, and (iii) to the extent prepared or audited by an independent certified public accounting firm, have been prepared in accordance with GAAP throughout the periods covered, except as disclosed therein. Except for Permitted Encumbrances, Borrower does not have any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and reasonably likely to have a materially adverse effect on the Collateral, the Senior Mezzanine Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. Borrower has no Indebtedness other than the Loan. Except for Permitted Indebtedness (Operating Company), Operating Company does not have any Indebtedness or contingent liabilities, or due and unpaid liabilities for taxes, that are known to Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company and reasonably likely to have a materially adverse effect on the Collateral, any Senior Mezzanine Collateral, Borrower, any Loan Party, any Individual Property or the operation thereof as mixed-use hotel and casino properties, except as referred to or reflected in said financial statements. Since the date of such financial statements, there has been no material adverse change in the financial condition, operation or business of Borrower or Operating Company from that set forth in said financial statements.

No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose which would be inconsistent with such Regulation U or any other Regulations of such Board of Governors, or for any purposes prohibited by Legal Requirements or by the terms and conditions of this Agreement or the other Loan Documents.

4.1.14 Utilities and Public Access. Each Individual Property has rights of access to public ways and is served by water, sewer, sanitary sewer and storm drain facilities adequate to service such Individual Property for its respective intended uses. All public utilities necessary or convenient to the full use and enjoyment of each Individual Property are located either in the public right-of-way abutting such Individual Property (which are connected so as to serve such Individual Property without passing over other property) or in recorded easements serving such Individual Property and such easements are set forth in and insured by the Title Insurance Policies. All roads necessary for the use of each Individual Property for their current respective purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

4.1.15 Not a Foreign Person. Borrower is not a "foreign person" within the meaning of §1445(f)(3) of the Code.

4.1.16 Separate Lots. Each Individual Property is comprised of one (1) or more parcels which constitute a separate tax lot or lots and does not constitute a portion of any other tax lot not a part of such Individual Property.

4.1.17 Assessments. There are no pending or, to Borrower's knowledge, proposed special or other assessments for public improvements or otherwise affecting any Individual Property, nor are there any contemplated improvements to any Individual Property that may result in such special or other assessments.

4.1.18 Enforceability. The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower, any Affiliates of Borrower including Holdings, Operating Company or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors' rights and the enforcement of debtors' obligations), and Borrower, any Affiliates of Borrower including Holdings, Operating Company and Guarantor have not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

4.1.19 No Prior Assignment. There are no prior assignments of the Collateral which are presently outstanding except in accordance with the Loan Documents.

4.1.20 Insurance. Borrower (or Mortgage Borrower or Operating Company) has obtained and has delivered to Lender certified copies of all Policies reflecting the insurance coverages, amounts and other requirements set forth in this Agreement. No material claims have been made under any such Policies except such as have been disclosed to Lender, and no Person, including Borrower, Mortgage Borrower, Senior Mezzanine Borrower and Operating Company, has done, by act or omission, anything which would impair the coverage of any such Policies.

4.1.21 Use of Property. Each Individual Property is used exclusively as a mixed-use hotel and casino operation, and other appurtenant and related uses.

4.1.22 Gaming Licenses and Operating Permits. (a) Schedule IX contains a correct and complete list of all Gaming Licenses and other material licenses, certification and permits for each of the Properties (and the holder thereof).

(b) Borrower possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents which are material to the ownership of the Collateral. Mortgage Borrower possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents, including, without limitation, all certificates of occupancy, which are material to the ownership and use of each of the Properties, and Operating Company possesses all licenses, permits, franchises, authorizations, certificates, approvals and consents, including, without limitation, all environmental, liquor, Gaming Licenses, health and safety licenses of all Governmental Authorities which are material to the conduct of their business and the use, occupation and operation of each of the Properties and the failure to possess which would have an Individual Material Adverse Effect (collectively, "**Operating Permits**"); each such Operating Permit is and will be in full force and effect (unless, in the case of any Operating Permit, such Operating Permit is no longer necessary or advisable for the conduct of Borrower's, Senior Mezzanine Borrower's, Mortgage Borrower's or Operating Company's business); Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company and each of its Affiliates are in compliance in all material respects with all such Operating Permits, and no event (including, without limitation, any material violation of any law, rule or regulation) has occurred which would be reasonably likely to lead to the revocation or termination of any such Operating Permit or the imposition of any material restriction thereon.

(ii) Borrower has no reason to believe Mortgage Borrower and Operating Company will not be able to maintain in effect all Gaming Licenses necessary for the lawful conduct of their respective businesses or operations wherever now conducted and as planned to be conducted, including the ownership and operation of the Casino Components, pursuant to all applicable Legal Requirements;

(iii) All Gaming Licenses are in full force and effect and have not been amended or otherwise modified, rescinded, revoked or assigned in any manner that would reasonably be expected to have an Individual Material Adverse Effect;

(iv) Neither Mortgage Borrower nor Operating Company is in default in any material respect under, or in violation in any material respect of, any Gaming License (and no event has occurred, and no condition exists, which, with the giving of notice or passage of time or both, would constitute a default thereunder or violation thereof that has caused or would reasonably be expected to cause the loss of any Gaming License) (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Borrower's or Operating Company's business);

(v) Neither Mortgage Borrower nor Operating Company has received any notice of any violation of Legal Requirements which has caused or would reasonably be expected to cause any Gaming License to be suspended, forfeited, modified in any manner that would have an Individual Material Adverse Effect, not renewed, rescinded or revoked (unless, in the case of any Gaming License, such Gaming License is no longer necessary or advisable for the conduct of Mortgage Borrower's or Operating Company's business);

Borrower shall provide the statements and calculations required hereunder on both a “combined basis” for all Properties and on an Individual Property-by-Individual Property basis. In addition, such Officer’s Certificate shall also state that the representations and warranties of Borrower set forth in Section 4.1.30 are true and correct as of the date of such certificate and that there are no trade payables outstanding for more than ninety (90) days. (d) For the partial year period commencing on the date hereof, and for each Fiscal Year thereafter, Borrower shall submit to Lender for informational purposes only an Annual Budget not later than the commencement of such period or Fiscal Year in form reasonably satisfactory to Lender.

(e) Intentionally Omitted.

Such financial data or financial statements shall be furnished to Lender (A) within ten (10) Business Days after written notice from Lender in connection with the preparation of Disclosure Documents for the Securitization, (B) not later than thirty (30) days after the end of each fiscal quarter of Borrower and (C) not later than sixty (60) days after the end of each fiscal year of Borrower; provided, however, that Borrower shall not be obligated to furnish financial data or financial statements pursuant to clauses (B) or (C) of this sentence with respect to any period for which a filing pursuant to the Exchange Act in connection with or relating to the Securitization (an “**Exchange Act Filing**”) is not required. If requested by Lender, in writing, Borrower shall use commercially reasonable efforts to furnish to Lender financial data and/or financial statements for any tenant of any of the Properties (other than a tenant that is a reporting company under the Exchange Act) if, in connection with a Securitization, Lender expects there to be, with respect to such tenant or group of affiliated tenants, a concentration within all of the loans included or expected to be included, as applicable, in the Securitization such that such tenant or group of affiliated tenants would constitute a Significant Obligor. “**Related Property**” shall mean a parcel of real property, together with improvements thereon and personal property related thereto, that is “related”, within the meaning of the definition of Significant Obligor, to any of the Properties. “**Regulation AB**” shall mean Regulation AB under the Securities Act and the Exchange Act, as such Regulation may be amended from time to time.

(g) All financial data and financial statements provided by Borrower, Senior Mezzanine Borrower, Mortgage Borrower and Operating Company hereunder pursuant to Section 5.1.11(f) shall be prepared in accordance with GAAP, and all such financial statements shall meet the requirements of Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and any other applicable legal requirements. accompanied by the manually executed report of the independent accountants thereon, which report shall meet the requirements of Regulation AB, Regulation S-X, Regulation S-K to the extent applicable and all other applicable legal requirements, and shall be further accompanied by a manually executed written consent of the independent accountants, in form and substance reasonably acceptable to Lender, to the inclusion of such financial statements in any Disclosure Document and any Exchange Act Filing and to the use of the name of such independent accountants and the reference to such independent accountants as “experts” in any Disclosure Document and Exchange Act Filing, all of which shall be provided at the same time as the related financial statements are required to be provided, in each case if applicable (i.e., in the case of a public securitization). All financial data and financial statements (audited or unaudited) provided by Borrower under this Section 5.1.11(g) shall be accompanied by an Officer’s Certificate which shall state that such financial statements meet the requirements set forth in the first sentence of this Section 5.1.11(g) to the extent applicable.

(h) If requested by Lender, Borrower shall provide Lender, promptly upon request, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall reasonably determine to be required pursuant to Regulation AB, Regulation S-X, Regulation S-K or any amendment, modification or replacement thereto or other legal requirements in connection with any Disclosure Document or any Exchange Act Filing or as shall otherwise be reasonably requested by the Lender.

(i) In the event Lender reasonably determines, in connection with a Securitization, that the financial data and financial statements required in order to comply with Regulation AB, Regulation S-X, Regulation S-K or any amendment, modification or replacement thereto or other legal requirements are other than as provided herein, then notwithstanding the provisions of Sections 5.1.11(f) and (g), Lender may request, and Borrower shall promptly provide, such other financial statements as Lender determines to be necessary or appropriate for such compliance.

(j) Any reports, statements or other information required to be delivered under this Agreement shall be delivered (i) in paper form, and (ii) if requested by Lender and within the capabilities of Borrower’s data systems without change or modification thereto, in electronic form and prepared using a Microsoft Word for Windows or WordPerfect for Windows files (which files may be prepared using a spreadsheet program and saved as word processing files). Borrower agrees that Lender may disclose information regarding any of the Properties, the Collateral, the Senior Mezzanine Collateral, Mortgage Borrower, Senior Mezzanine Borrower, Borrower and Operating Company that is provided to Lender pursuant to this Section in connection with the Securitization to such parties reasonably requesting such information in connection with such Securitization.

5.1.12 Business and Operations. Borrower will, and will cause Mortgage Borrower and Operating Company to, continue to engage in the businesses presently conducted by it as and to the extent the same are necessary for the ownership, maintenance, management and operation of the Properties. Borrower will and will cause Senior Mezzanine Borrower, Mortgage Borrower and Operating Company to qualify to do business and will remain in good standing under the laws of each jurisdiction as and to the extent the same are required for the ownership, maintenance, management and operation of the Properties.

5.1.13 Title to the Properties. Borrower will cause Mortgage Borrower to warrant and defend (a) the title to each Individual Property and every part thereof, subject only to Liens permitted hereunder (including Permitted Encumbrances) and (b) the validity and priority of the Liens of the Mortgages and the Assignments of Leases, subject only to Liens permitted hereunder (including Permitted Encumbrances), in each case against the claims of all Persons whomsoever. Borrower shall reimburse Lender for any actual out-of-pocket losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Lender if an interest in any Individual Property, other than as permitted hereunder, is claimed by another Person. Borrower will warrant and defend (a) the title to the Collateral and every part thereof, subject only to Liens permitted hereunder and (b) the validity and priority of the Liens of the Pledge Agreement, in each case against the claims of all Persons whomsoever. Borrower shall reimburse Lender for any actual out-of-pocket losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Lender if an interest in any part of the Collateral, other than as permitted hereunder, is claimed by another Person.

5.1.14 Costs of Enforcement. In the event (a) that any Mortgage encumbering any Individual Property or the Lien of the Pledge Agreement is foreclosed in whole or in part or that any such Mortgage or Pledge Agreement is put into the hands of an attorney for collection, suit, action or foreclosure, (b) of the foreclosure of any mortgage prior to or subsequent to any Mortgage or any Lien prior to or subsequent to the Lien of the Pledge Agreement in which proceeding Mortgage Lender or Lender is made a party or exercises any or all of its rights or remedies under such Mortgage or the Pledge Agreement or any other Loan Documents as and when permitted thereby, or (c) of the bankruptcy, insolvency, rehabilitation or other similar proceeding in respect of Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company or an assignment by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company for the benefit of its creditors, Borrower, its successors or assigns, shall be chargeable with and agrees to pay all reasonable out-of-pocket costs of collection and defense, including reasonable out-of-pocket attorneys' fees and costs, incurred by Lender, Mortgage Borrower, Senior Mezzanine Borrower or Borrower in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, together with all required service or use taxes.

5.1.15 Estoppel Statement. (a) After request by Lender, Borrower shall within ten (10) Business Days (but, provided there exists no Default or Event of Default, no more often than twice during the course of each fiscal year of Borrower) furnish Lender with a statement, duly acknowledged and certified, (i) with respect to the Loan, setting forth (A) the original principal amount of the Note, (B) the unpaid principal amount of the Loan, (C) the Interest Rate of the Loan, (D) the date installments of interest and/or principal were last paid, (E) any offsets or defenses to the payment of the Debt, if any, and (F) that the Note, this Agreement, the Pledge Agreement and the other Loan Documents are valid, legal and binding obligations and have not been modified or if modified, giving particulars of such modification, (ii) with respect to any Senior Mezzanine Loan, setting forth (A) the original principal amount of the applicable Senior Mezzanine Loan, (B) the unpaid principal amount of the Senior Mezzanine Loan, (C) the interest rate of the Senior Mezzanine Loan, (D) the date installments of interest and/or principal were last paid, (E) any offsets or defenses to the payment of the debt, if any, and (F) that the Senior Mezzanine Note, the Senior Mezzanine Loan Agreement and the other Senior Mezzanine Loan Documents are valid, legal and binding obligations and have not been modified or if modified,

giving particulars of such modification and (iii) with respect to the Mortgage Loan, setting forth (A) the original principal amount of the Mortgage Loan, (B) the unpaid principal amount of the Mortgage Loan, (C) the interest rate of the Mortgage Loan, (D) the date installments of interest and/or principal were last paid, (E) any offsets or defenses to the payment of the debt, if any, and (F) that the Mortgage Note, the Mortgage Loan Agreement, the Security Instruments and the other Mortgage Loan Documents are valid, legal and binding obligations and have not been modified or if modified, giving particulars of such modification.

(b) Borrower shall exercise reasonable best efforts to deliver to Lender upon request, tenant estoppel certificates from each space tenant leasing space at the Properties, and shall exercise reasonable best efforts to deliver an estoppel certificate from each Ground Lessor, each in form and substance reasonably satisfactory to Lender provided that Borrower shall not be required to deliver such certificates more frequently than two (2) times in any calendar year.

(c) After request by Borrower, but not more than twice during the course of each year, Lender shall furnish Borrower with a statement setting forth (i) the original principal amount of the Loan, (ii) the unpaid principal amount of the Loan, (iii) the Interest Rate of the Loan, (iv) the date installments of interest and/or principal were last paid, and (v) that the Loan Documents have not been modified or if modified, giving particulars of such modification.

5.1.16 Loan Proceeds. Borrower shall use the proceeds of the Loan received by it on the Closing Date only for the purposes set forth in [Section 2.1.4](#).

5.1.17 Performance by Borrower. Borrower shall in a timely manner observe, perform and fulfill each and every covenant, term and provision of each Loan Document executed and delivered by, or applicable to, Borrower, and shall not enter into or otherwise suffer or permit any amendment, waiver, supplement, termination or other modification of any Loan Document executed and delivered by, or applicable to, Borrower without the prior consent of Lender. Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower, in a timely manner, to observe, perform and fulfill each and every covenant, term and provision of each Mortgage Loan Document and Senior Mezzanine Loan Documents executed and delivered by, or applicable to, Mortgage Borrower and Senior Mezzanine Borrower, and shall not cause or permit Mortgage Borrower or Senior Mezzanine Borrower to enter into or otherwise suffer or permit any amendment, waiver, supplement, termination or other modification of any Mortgage Loan Document or Senior Mezzanine Loan Document executed and delivered by, or applicable to, Mortgage Borrower or Senior Mezzanine Borrower without the prior written consent of Lender.

5.1.18 Confirmation of Representations. Borrower shall deliver, in connection with any Securitization, (a) one or more Officer's Certificates certifying as to the accuracy of all representations made by Borrower in the Loan Documents as of the date of the closing of such Securitization in all relevant jurisdictions, and (b) certificates of the relevant Governmental Authorities in all relevant jurisdictions indicating the good standing and qualification of Mortgage Borrower, Senior Mezzanine Borrower, Borrower and Holdings as of the date of the Securitization.

5.1.19 No Joint Assessment. Borrower shall not, and shall not permit Mortgage Borrower to, suffer, permit or initiate the joint assessment of any Individual Property (a) with any other real property constituting a tax lot separate from such Individual Property, and (b) which constitutes real property with any portion of such Individual Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to such real property portion of the Individual Property, except as required by Legal Requirements.

5.1.20 Leasing Matters. (a) Borrower shall not (and shall cause Mortgage Borrower and Guarantor (Operating Lease) not to), without the prior written consent of Lender (and, if a Securitization shall have occurred, Borrower shall have obtained and delivered to Lender a Rating Agency Confirmation) restate, materially modify, materially amend or materially supplement (or permit the restatement, material modification, amendment or supplement of) any Operating Lease or Operating Lease Guaranty (provided, that any modification, amendment or supplement affecting any of the economic terms of any Operating Lease or any of the terms of the Operating Lease Guaranty shall be deemed to be material for purposes hereof), terminate or accept the surrender (or permit the termination or surrender) of any Operating Lease or Operating Lease Guaranty, or release or materially waive (or permit the release or material waiver of) the Operating Company or Guarantor (Operating Lease) from the performance or observance of any obligation or condition under the Operating Leases or Operating Lease Guaranty. In connection with a material modification, Lender may request, and in such event, Borrower shall not effect such modification without, an Additional True Lease Opinion in form and substance reasonably satisfactory to Lender issued by Borrower's counsel (at Borrower's expense). Borrower shall not permit (or cause or permit Mortgage Borrower to permit) the prepayment of any rents under the Operating Leases for more than one (1) month prior to the due date thereof. Notwithstanding the foregoing, Lender's consent shall not be required in connection with any modification, amendment or waiver of any provision of the Operating Lease as may be reasonably necessary to comply with the requirements of this Agreement or any other Loan Document or that makes the provisions of the Operating Lease consistent with the provisions of this Agreement or any other Loan Document. Notwithstanding anything contained in this Section 5.1.20(a), to the contrary, (x) Lender's consent to any amendment, modification or supplement of the Operating Lease (or any new Operating Lease) or the Operating Lease Guaranty may also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and/or an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies), and (y) Lender's consent to any assignment of any Operating Lease or Operating Lease Guaranty (or of any interest therein) or any material amendment, material modification or material supplement of any Operating Lease shall also be conditioned on the delivery by Borrower, upon the reasonable request of Lender, of an Additional Insolvency Opinion and an Additional True Lease Opinion acceptable to Lender (and, if a Securitization shall have occurred, acceptable to the Rating Agencies).

(b) Borrower shall not permit (or consent to) an assignment by any Operating Company of any such Operating Company's interest(s) under any Operating Lease or an assignment by any Mortgage Borrower of any such Mortgage Borrower's interest(s) under any Operating Lease Guaranty without, in each case, Lender's prior written consent (and, if a Securitization shall have occurred, at Lender's request, without Borrower providing to Lender a Rating Agency Confirmation and an Additional True Lease Opinion).

(c) All space Leases and all renewals of space Leases executed after the Original Closing Date entered into by Operating Company shall (i) provide for rental rates, rent credits and free rent periods comparable to existing local market rates for comparable properties, (ii) be on commercially reasonable terms, (iii) provide that such Lease is subordinate to the Mortgage encumbering the Individual Property in question and that the lessee will attorn to Mortgage Lender and any purchaser at a foreclosure sale; (iv) not contain any terms which would materially adversely affect Lender's rights under the Loan Documents; (v) not grant to the tenants thereunder any option or right to purchase the applicable Individual Property (or any portion thereof); and (vi) in the case of Major Leases, have initial terms less than twenty (20) consecutive years, in each case (unless otherwise consented to by Lender pursuant to clause (d) below).

(d)(i) Any Major Lease entered into by Operating Company with respect to an Individual Property executed after the Original Closing Date (and any renewal of any Major Lease with respect to an Individual Property), and any space Lease or space Lease renewal proposed to be entered into by Operating Company after the Original Closing Date and that does not meet the criteria set forth in Section 5.1.20(a) and subparagraph (c) above, shall be subject to the prior written approval of Lender, which approval shall not be unreasonably withheld, conditioned or delayed. Borrower shall not terminate or accept the surrender of (and shall not permit Operating Company or Mortgage Borrower to terminate or accept the surrender of) a Major Lease (unless by reason of a tenant default) without the consent of Lender.

(ii) Every submission to Lender of any proposed Major Lease (or Major Lease renewal, amendment, modification or termination) for Lender's approval shall be forwarded to Lender together with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for approval), then Borrower shall re-submit such documents or materials to Lender for its approval together with a second notice from Borrower that complies with this section.

(iii) If Lender fails to approve or disapprove any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR APPROVAL WITHIN FIVE (5) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED CONSENT TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within five (5) Business Days of receipt of same, then Lender's consent to the proposed request or submission that is the subject of such notice shall be deemed granted.

(e) Borrower shall and shall cause Mortgage Borrower and Operating Company to (i) observe and perform the obligations imposed upon the lessor under the Leases in a commercially reasonable manner; (ii) enforce the terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed or performed in a commercially reasonable manner and in a manner not to impair the value of the Individual Property involved; (iii) not collect any of the rents more than one (1) month in advance (other than security deposits); (iv) not execute any other assignment of lessor's interest in the Leases or the Rents (except as contemplated by the Loan Documents); (v) not alter, modify or change the terms of the Leases in a manner inconsistent with the provisions of the Loan Documents; and (vi) execute and deliver at the request of Lender all such further assurances, confirmations and assignments in connection with the Leases as Lender shall from time to time reasonably require.

(f) Upon request, Borrower shall furnish Lender with executed copies of all new Leases or Lease renewals or amendments.

(g) Notwithstanding anything to the contrary contained herein, Borrower shall not enter into (or permit Operating Company or Mortgage Borrower to enter into) a lease of all or substantially all of any Individual Property without Lender's prior consent.

5.1.21 Alterations. (a) Borrower shall cause all Alterations with respect to any portion of any of the Properties to be conducted and performed with due diligence in a good and workmanlike manner, and all materials used and work done shall be in accordance with all applicable Legal Requirements. In addition, with respect to the Convention Center Project and the Tower Project, to the extent such projects are pursued, Borrower agrees to cause Mortgage Borrower to (i) diligently pursue each such project to completion in a timely manner, subject to delays arising from Force Majeure events, (ii) cause the work to be performed in connection with each such project in substantial conformance with the plans and specifications for such project, and otherwise in conformity with the Mortgage Loan Agreement, each Senior Mezzanine Loan Agreement and this Agreement, (iii) provide Lender with reasonably detailed monthly progress reports (and such information as Lender shall reasonably request from time to time) regarding the status of the Convention Center Project and the Tower Project, (iv) upon the substantial completion of each such project, provide Lender with evidence of the substantial completion of each such project, copies of final unconditional lien waivers from the general contractors, construction managers or subcontractors for such project (if requested by Lender) and evidence of the final payment of all amounts due in connection with each such project, and a title search for the affected Individual Property indicating that such Individual Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (v) upon final completion of each such project, provide Lender with a final survey acceptable to Lender showing the "as-built" location of the completed Improvements and all easements appurtenant thereto, and "as-built" plans and specifications for Lender's file and a certificate of occupancy to the extent issued by the relevant Governmental Authority.

(b) Borrower shall obtain Lender's prior consent to (i) any Material Alterations (unless collateral or a completion guaranty is provided as set forth in subparagraph (c) below) or (ii) any Alterations to any of the Improvements (even if otherwise described in clause (i) above) that is reasonably likely to have an Individual Material Adverse Effect. Lender's consent shall not be required for any Alterations other than the Alterations described in the preceding sentence. Notwithstanding any provision hereof to the contrary, without Lender's consent, not to be unreasonably withheld or delayed, in no event shall Borrower close or shutter,

or undertake or permit any tenant or other Person to undertake, an Alteration that, alone or together with other work then being undertaken, closes or shutters, more than ten percent (10%) of the income-generating space in any Individual Property at any one time. Prior to undertaking any Alteration with respect to an Individual Property in excess of five percent (5%) of the sum of the Allocated Loan Amount for such Individual Property and the "Allocated Loan Amounts" under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for such Individual Property, to afford Lender a prior and reasonable opportunity to determine whether or not the proposed Alteration would have an Individual Material Adverse Effect, Borrower will deliver such plans, specifications, project schedules, logistical plans, construction budgets (including a statement of sources and uses) and such other information as Lender may reasonably request in respect of such Alteration for review by Lender (and its consultants). All reasonable out-of-pocket costs and expenses incurred by Lender in connection with reviewing said Alterations proposal, including, without limitation, reasonable counsel fees and disbursements and Lender's consultants, shall be paid by Borrower. The above-referenced submissions to Lender for confirmation or consent shall be delivered with a notice from Borrower (in bold typeface) that states "YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR [CONFIRMATION][APPROVAL] WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED [CONFIRMATION][CONSENT] TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender responds to Borrower's request by identifying missing documents or materials that are incomplete or inaccurate (and that are the subject of the request for confirmation or approval, as the case may be), then Borrower shall re-submit such documents or materials to Lender for its confirmation or approval, as applicable, together with a second notice from Borrower that complies with this Section. If Lender fails to approve or disapprove (or confirm or deny, as applicable) any such proposed request or submission attached to a first notice or request sent by Borrower (or the matters that are the subject of the re-submitted notice or request for confirmation or approval) within ten (10) Business Days of receipt of same, Borrower shall re-submit such instruments or materials to Lender for Lender's confirmation or approval and give Lender a second notice (in bold typeface) that states "SECOND NOTICE — YOUR FAILURE TO RESPOND TO THIS NOTICE AND REQUEST FOR [CONFIRMATION][APPROVAL] WITHIN TEN (10) BUSINESS DAYS OF YOUR RECEIPT OF THIS NOTICE SHALL CONSTITUTE YOUR DEEMED [CONFIRMATION][CONSENT] TO THE MATTERS DESCRIBED IN OR THAT ARE THE SUBJECT OF THIS NOTICE". If Lender fails to respond to such second notice within ten (10) Business Days of receipt of same, then Lender's confirmation or consent, as applicable, to the proposed request or submission that is the subject of such notice shall be deemed granted.

(c) With respect to any Material Alteration, unless otherwise consented to by Lender, Borrower shall promptly deliver to Mortgage Lender as security for the payment of such amounts and as additional security for Borrower's obligations under the Loan Documents any of the following: (A) cash, (B) U.S. Obligations, (C) other securities having a rating acceptable to Lender and that the applicable Rating Agencies have confirmed in writing will not, in and of itself, result in a downgrade, withdrawal or qualification of the initial, or, if higher, then current ratings assigned to any Securities or any class thereof in connection with any Securitization, (D) a completion and performance bond or an irrevocable letter of credit (payable on sight draft only) issued by an Eligible Institution, or (E) a completion guaranty from an Approved Guarantor in the form attached hereto as Exhibit A (with such changes as Lender shall approve),

together with evidence reasonably satisfactory to Lender that the Approved Guarantor has reasonable liquidity taking into account the nature and amount of the guaranteed obligations under such completion guaranty (it being agreed that, if the Approved Guarantor in question is Holdings, then the amounts available for repayment of such obligations under any revolving credit facility in effect at such time in favor of Harrah's Operating Company, Inc. will be taken into account in determining whether Holdings has reasonable liquidity), and with, if required by applicable Rating Agency requirements, an Additional Insolvency Opinion. Such security, including the amount of the guaranteed obligations under any completion guaranty delivered as aforesaid, shall be in an amount equal to the sum of (i) the excess of the total unpaid amounts with respect to alterations to the Improvements on the applicable Individual Property (other than such amounts to be paid or reimbursed by tenants under the Leases) over the Threshold Amount and (ii) the costs of collection, and, upon the occurrence and during the continuance of an Event of Default, Lender may apply such security from time to time at the option of Lender to pay for such alterations.

5.1.22 Operation of Properties. (a) Borrower shall cause Mortgage Borrower to cause each of the Properties to be operated, in all material respects, in accordance with the Operating Leases and in accordance with all applicable Legal Requirements, including Gaming Laws, and all Gaming Licenses and other Operating Permits and in a manner consistent with their respective use as of the Original Closing Date (or, with respect to each Swap Property, as of the Closing Date). Borrower shall cause Operating Company to post all required bonds, if any, with any Gaming Authority as and in the amounts required under all applicable Legal Requirements (and shall, if Lender makes a request therefor, promptly provide Lender with copies of all such bonds).

(b) Borrower shall not, without Lender's prior written consent, permit Operating Company to assign or transfer, and Operating Company shall not, without Lender's prior written consent, assign or transfer, or delegate any responsibilities with respect to, any material Gaming License or Operating Permit.

(c) Borrower shall cause Operating Company to make all filings required under the Gaming Laws, or in connection with any Gaming Licenses or Operating Permits, including in connection with the origination of the Mortgage Loan and the Mezzanine Loans, and shall deliver copies of such filings as Lender shall reasonably request to Lender, promptly upon request. Borrower will timely pay all fees, investigative fees and costs required by the Gaming Authorities with respect to any such approvals and licenses. Borrower will and will cause Mortgage Borrower to diligently and comprehensively respond to any inquiries and requests from the Gaming Authorities and promptly file or cause to be filed any additional information required in connection with any required filings as soon as practicable after receipt of requests therefor.

(d) Upon request of Lender, Borrower shall deliver to Lender (or cause Operating Company to deliver to Lender) such evidence of compliance (by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company and each Individual Property) with all Legal Requirements, including Gaming Laws as shall be reasonably requested by Lender. Borrower shall immediately deliver to Lender (and shall cause Operating Company and Mortgage Borrower to deliver to Lender) any notice of material non-compliance or material

violation of any Legal Requirement, or of any material inquiry or investigation commenced by the Gaming Authorities in connection with any of the Properties. Borrower shall immediately notify Lender if it, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company believe that any material license, including any Gaming License, is being or could be revoked or suspended, or that any action is pending, being considered or being, or could be, taken to revoke or suspend Borrower's, Senior Mezzanine Borrower's, Mortgage Borrower's or Operating Company's material licenses, including the Gaming Licenses, or to fine, penalize or impose remedies upon Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company, or that any action is pending, being considered, or being, or could be, taken to discontinue, suspend, deny, decrease or recoup any payments due, made or coming due to Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company, in each case if same might reasonably be expected to have an Individual Material Adverse Effect. Borrower shall immediately deliver to Lender any notice received by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company alleging or relating to the material non-compliance by Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company with any Legal Requirements, including Gaming Laws.

(e) In the event that any of the Operating Leases expire or are terminated (without limiting any obligation of Borrower to obtain Lender's consent to any termination or modification of any of the Operating Leases in accordance with the terms and provisions of this Agreement), Borrower shall cause Mortgage Borrower to promptly enter into a replacement Operating Lease (in form and substance satisfactory to Lender) with Operating Company or another operating company reasonably satisfactory to Lender, provided Borrower will obtain a Rating Agency Confirmation as a condition to the effectiveness of such replacement Operating Lease and that Borrower will cause Guarantor (Operating Lease) to execute and deliver an operating lease guaranty in the same form and substance as the Operating Lease Guaranty.

(f) Borrower shall cause Mortgage Borrower to: (i) promptly perform and/or observe, in all material respects, all of the covenants and agreements required to be performed and observed by it under the Operating Lease and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any material default under any Operating Lease or Operating Lease Guaranty of which it is aware; (iii) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, notice, report and estimate received by it under each Operating Lease; and (iv) enforce the performance and observance of all of the material covenants and agreements required to be performed and/or observed by each Operating Company under each Operating Lease and by each Guarantor (Operating Lease) under each Operating Lease Guaranty, in a commercially reasonable manner.

(g) Borrower shall cause Mortgage Borrower to cause the Hotel Components to be at all times open for business as a hotel and the Casino Components to be open for business as a casino, except to the extent necessary to undertake any alterations or repairs (subject to the provisions of this Agreement with respect to the performance of any such alterations or repairs). Borrower shall cause each Individual Property to be at all times operated, managed and maintained, at all times and in the manner and accordance with the standards required pursuant to the Operating Leases and all applicable Legal Requirements in all material respects.

(h) If Mortgage Borrower shall be in material default under any Operating Lease, then, subject to the terms of such Operating Lease, Borrower shall cause Mortgage Borrower (subject to any applicable Legal Requirements) to grant Lender the right (but not the obligation), to cause the default or defaults under such Operating Lease to be remedied and otherwise exercise any and all rights of Mortgage Borrower under such Operating Lease, as may be necessary to prevent or cure any default provided such actions are necessary to protect Lender's interest under the Loan Documents, and Lender shall have the right to enter all or any portion of the affected Individual Property at such times and in such manner as Lender deems necessary, to prevent or to cure any such default. The actions or payments of Lender to cure any default by Mortgage Borrower under any Operating Lease shall not remove or waive, as between Borrower and Lender, any default that may occur or occurred under this Agreement by virtue of such default by Mortgage Borrower under such Operating Lease. All out-of-pocket sums reasonably expended by Lender to cure any such default shall be paid by Borrower to Lender, upon demand, with interest on such sum at the rate set forth in this Agreement from the date such sum is expended to and including the date the reimbursement payment is made to Lender. All such indebtedness shall be deemed to be secured by the Pledge Agreement and the Collateral.

(i) Borrower shall notify Lender promptly in writing of (i) the occurrence, to Borrower's knowledge, of any material default by any party to any Operating Lease or any Operating Lease Guaranty, (ii) the occurrence, to Borrower's knowledge, of any event that, with the passage of time or service of notice, or both, would constitute a material default by any party under any Operating Lease or any Operating Lease Guaranty, and (iii) the receipt by Borrower or its Affiliate of any notice (written or otherwise) from any party under any Operating Lease or any Operating Lease Guaranty noting or claiming the occurrence of any material default by Borrower under such Operating Lease or such Operating Lease Guaranty.

(j) Borrower shall (subject to any applicable Legal Requirements) promptly cause Mortgage Borrower to execute, acknowledge and deliver to Lender such instruments as may reasonably be required to permit Lender to cure any material default under any Operating Lease or permit Lender to take such other action required to enable Lender to cure or remedy the matter in default and preserve the value of the security interest of Lender under the Loan Documents with respect to the Collateral. Upon the occurrence and during the continuance of an Event of Default, Borrower irrevocably appoints Lender as its true and lawful attorney-in-fact to do, in its name or otherwise, any and all acts and to execute any and all documents that are necessary to preserve any rights of Mortgage Borrower under or with respect to any Operating Lease, including, without limitation, the right to effectuate any extension or renewal of any Operating Lease, or to preserve any rights of Mortgage Borrower whatsoever in respect of any part of any Operating Lease (and the above powers granted to Lender are coupled with an interest and shall be irrevocable).

(k) With respect to any Operating Lease or any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days' prior written request from Lender, execute, acknowledge and deliver to Lender, a statement containing the following: (A) a statement that such Operating Lease or such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease or the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications, (B) a statement that Mortgage Borrower is not in default thereunder beyond any applicable grace, cure

or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Borrower's knowledge, either the other party thereto is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to the Operating Lease or the Operating Lease Guaranty as Lender shall reasonably request.

(l) With respect to any Operating Lease, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from each Operating Company containing the following: (A) a statement that such Operating Lease is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease is in full force and effect as modified and setting forth such modifications, (B) a statement that Operating Company is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default, (C) a statement that, to Operating Company's knowledge, the Mortgage Borrower is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default and (D) such other information with respect to Operating Company, any Operating Lease and/or any Operating Lease Guaranty as Lender shall reasonably request.

(m) With respect to any Operating Lease Guaranty, Borrower shall, from time to time, upon ten (10) Business Days of Lender's prior written request from Lender, provide Lender with a statement from Guarantor (Operating Lease) containing the following: (A) a statement that such Operating Lease Guaranty is unmodified and in full force and effect or, if there have been modifications, that the Operating Lease Guaranty is in full force and effect as modified and setting forth such modifications; (B) a statement that Guarantor (Operating Lease) is not in default thereunder beyond any applicable grace, cure or notice period or, if any such default shall exist thereunder, a description of such default and the steps being taken to cure such default; and (C) such other information with respect to such Guarantor (Operating Lease) and/or Operating Lease Guaranty as Lender shall reasonably request

5.1.23 Intentionally Omitted.

5.1.24 Mortgage Loan Reserve Funds. Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to deposit and maintain each of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds (if any) as more particularly set forth in Article VII of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement and to perform and comply with all the terms and provisions relating thereto. Borrower grants to Lender a first-priority perfected security interest in Borrower's interest in each of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds, if any, subject to the prior rights of Mortgage Lender and Senior Mezzanine Lender, and any and all monies now or hereafter deposited in each Mortgage Loan Reserve Fund and Senior Mezzanine Loan Reserve Funds as additional security for payment of the Debt to the extent Borrower has an interest in same. Subject to the qualifications regarding Mortgage Lender's and Senior Mezzanine Lender's interest in the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds (as applicable), if any, until expended or applied in accordance with the Mortgage Loan

Documents, Senior Mezzanine Loan Documents or the Loan Documents, Borrower's interest in the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds shall constitute additional security for the Debt and upon the occurrence of an Event of Default, Lender may, in addition to any and all other remedies available to Lender, apply any sums then present in any or all of the Mortgage Loan Reserve Funds and Senior Mezzanine Loan Reserve Funds to the payment of the Debt in any order in its sole discretion and/or hold the same as Collateral for the Loan.

5.1.25 Notices. Borrower shall give notice, or cause notice to be given to Lender promptly upon the occurrence and during the continuance of an Event of Default and upon any of the following:

(a) any Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default;

(b) any default or event of default under any contractual obligation of Borrower, or, to the knowledge of Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, Principal or Guarantor that could reasonably be expected to have an Individual Material Adverse Affect or an Aggregate Material Adverse Affect;

(c) any litigation or proceeding affecting Borrower, or, to the knowledge of Borrower, affecting any of Mortgage Borrower, Senior Mezzanine Borrower, Operating Company, Principal or Guarantor, which could or could reasonably be expected to have an Individual Material Adverse Effect or an Aggregate Material Adverse Effect; or

5.1.26 Special Distributions. On each date on which amounts are required to be paid to Lender under any of the Loan Documents (or required be disbursed to the Mezzanine Collection Account, if applicable) Borrower shall exercise its rights under the First Mezzanine Borrower Company Agreement to cause Senior Mezzanine Borrower to make to Borrower a distribution in an aggregate amount such that Lender shall receive the amount required to be disbursed to the Mezzanine Collection Account or otherwise paid to Lender on such date.

5.1.27 Curing. Lender shall have the right, but shall not have the obligation, to exercise Borrower's rights under the First Mezzanine Borrower Company Agreement (a) to cure a Mortgage Loan Default, or Senior Mezzanine Loan Default, (b) to cure a Mortgage Loan Event of Default, or Senior Mezzanine Loan Event of Default, (c) to satisfy any Liens, claims or judgments against the Properties (except for Liens permitted by the Mortgage Loan Documents or Senior Mezzanine Loan Documents), (d) to satisfy any Liens, claims or judgments against the Senior Mezzanine Collateral, in the case of either (a), (b) or (c), unless Borrower, Senior Mezzanine Borrower or Mortgage Borrower shall be diligently pursuing remedies to cure the Mortgage Loan Default, the Senior Mezzanine Loan Default, the Senior Mezzanine Loan Event

of Default or Mortgage Loan Event of Default or to satisfy any such Liens, claims or judgments, in either case to Lender's sole satisfaction. Borrower shall reimburse Lender on demand for any and all costs incurred by Lender in connection with curing any such Mortgage Loan Default, Senior Mezzanine Loan Default, Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default or satisfying any Liens, claims or judgments against any of the Properties or the Senior Mezzanine Collateral.

5.1.28 Senior Borrower Covenants. Borrower shall cause Mortgage Borrower and Senior Mezzanine Borrower to comply with all obligations with which Mortgage Borrower and/or Senior Mezzanine Borrower have covenanted to comply under the Mortgage Loan Agreement, Senior Mezzanine Loan Agreement, all Senior Mezzanine Loan Documents and all other Mortgage Loan Documents, as applicable (including, without limitation, those certain affirmative and negative covenants set forth in Article V of the Mortgage Loan Agreement and Senior Mezzanine Loan Agreement), unless otherwise consented to in writing by Lender.

Section 5.2. Negative Covenants. From the Original Closing Date until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Liens of the Collateral in accordance with the terms of this Agreement and the other Loan Documents, Borrower covenants and agrees with Lender that it will not do, directly or indirectly, any of the following (without, in each case, the prior written consent of Lender):

5.2.1 Operation of Properties. (b) During the continuance of an Event of Default, Borrower shall not exercise (and shall not cause or permit Mortgage Borrower to exercise) any rights, make any decisions, grant any approvals or otherwise take any action under any Operating Lease, Operating Lease Guaranty or any management agreement without, in each instance, the prior written consent of Lender, which consent may be withheld in Lender's sole discretion.

5.2.2 Liens. (a) Borrower shall not create, incur, assume or suffer to exist any Lien on any of the Collateral, except Liens created by or permitted pursuant to the Loan Documents. Borrower shall not, and shall not cause or permit Mortgage Borrower or Senior Mezzanine Borrower to create, incur, assume or suffer to exist any Lien on any portion of any Individual Property or Senior Mezzanine Collateral or permit any such action to be taken, except:

(i) Permitted Encumbrances;

(ii) Liens created by or permitted pursuant to the Loan Documents, Senior Mezzanine Loan Documents or Mortgage Loan Documents; and

(iii) Liens for Taxes or Other Charges not yet due.

(b) Borrower shall not incur any Indebtedness other than the Loan, shall not permit Mortgage Borrower to incur any Indebtedness other than the Mortgage Loan and Permitted Indebtedness (as defined in the Mortgage Loan Agreement), and shall not permit Senior Mezzanine Borrower to incur any Indebtedness other than the Senior Mezzanine Loans. Borrower shall not permit any Operating Company to incur Indebtedness in excess or other than Permitted Indebtedness (Operating Company).

5.2.3 Dissolution. Borrower shall not, and shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, (a) engage in any dissolution, liquidation or consolidation or merger with or into any other business entity (provided, however, that this negative covenant shall not be construed to apply to an Original Released Borrower, an Original Released Mortgage Borrower or an Original Released First Mezz Borrower from and after the date hereof), (b) engage in any business activity not related to (i) in the case of Borrower, the ownership of the Collateral, (ii) in the case of Senior Mezzanine Borrower, ownership of the Senior Mezzanine Collateral, (iii) in the case of Mortgage Borrower, the ownership and operation of the Properties and (iv) in the case of Operating Company, the leasing and operation of the Properties, (c) transfer, lease or sell, in one transaction or any combination of transactions, the assets or all or substantially all of the properties or assets of Borrower, Senior Mezzanine Borrower or Mortgage Borrower except to the extent permitted by the Loan Documents, (d) modify (in any material respect), amend (in any material respect), waive or terminate its organizational documents or its qualification and good standing in any jurisdiction or (e) cause Holdings to (i) dissolve, wind up or liquidate or take any action, or omit to take an action, as a result of which Holdings, Senior Mezzanine Borrower or Mortgage Borrower would be dissolved, wound up or liquidated in whole or in part, or (ii) amend (in any material respect), modify (in any material respect), waive or terminate the certificate of incorporation or bylaws of Holdings, Senior Mezzanine Borrower or Mortgage Borrower, in each case, without obtaining the prior consent of Lender.

5.2.4 Change in Business. Borrower shall not cause Mortgage Borrower to enter into any line of business other than the ownership and operation of any of the Properties and other activities reasonably ancillary thereto, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. In addition, Borrower shall not permit or

cause Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's business. Borrower shall not enter into any line of business other than the ownership of the Collateral, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. Borrower shall not allow Senior Mezzanine Borrower to enter into any line of business other than the direct or indirect ownership of the applicable Senior Mezzanine Collateral or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business.

5.2.5 Debt Cancellation. Borrower shall not, and shall not permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, cancel or otherwise forgive or release any claim or debt (other than termination of Leases in accordance herewith) owed to Mortgage Borrower, Borrower or Senior Mezzanine Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's, Borrower's or Senior Mezzanine Borrower's business. In addition, Borrower shall not permit or cause itself, Senior Mezzanine Borrower, or Mortgage Borrower to cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Senior Mezzanine Borrower, Borrower or Mortgage Borrower by any Person, except for adequate consideration and in the ordinary course of Mortgage Borrower's, Borrower's or Senior Mezzanine Borrower's business.

5.2.6 Zoning. Borrower shall not, and shall not permit Mortgage Borrower or Operating Company to, initiate or consent to any zoning reclassification of any portion of any Individual Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of any Individual Property in any manner that could result in such use becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of Lender.

5.2.7 Intentionally Omitted.

5.2.8 Principal Place of Business and Organization. Borrower shall not, nor shall Borrower permit Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to, change the place of its organization as set forth in Section 4.1.28 without the consent of Lender, which consent shall not be unreasonably withheld. Upon Lender's request, Borrower shall (and shall cause Mortgage Borrower, Senior Mezzanine Borrower or Operating Company to) execute and deliver additional financing statements, security agreements and other instruments which may be necessary to effectively evidence or perfect Mortgage Lender's security interest in any of the Properties, any Senior Mezzanine Lender's Security Interest in the related Senior Mezzanine Collateral or Lender's security interest in the Collateral as a result of such change of place of organization.

5.2.9 ERISA. (a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of the Loan, as requested by Lender in its sole discretion, that (i) Borrower is not an “employee benefit plan” as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a “governmental plan” within the meaning of Section 3(32) of ERISA; (ii) Borrower is not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans; and (iii) one or more of the following circumstances is true:

(A) Equity interests in Borrower are publicly offered securities, within the meaning of 29 C.F.R. §2510.3-101(b)(2);

(B) Less than twenty-five percent (25%) of each outstanding class of equity interests in Borrower is held by “benefit plan investors” within the meaning of 29 C.F.R. §2510.3-101(f)(2); or

(C) Borrower qualifies as an “operating company” or a “real estate operating company” within the meaning of 29 C.F.R. §2510.3-101(c) or (e).

5.2.10 Transfers. (a) Without the prior consent of Lender and except to the extent otherwise set forth in this Section 5.2.10, Borrower shall not, and shall not permit any other Person holding any direct or indirect legal, economic, beneficial or other ownership interest in Borrower, the Collateral, the Senior Mezzanine Collateral or one or more of the Properties to, (1) Transfer all or any part of the Collateral, the Senior Mezzanine Collateral or one or more of the Properties, (2) permit any Transfer (directly or indirectly) of any direct or indirect interest in Borrower, or (3) permit any Transfer (directly or indirectly) of any direct or indirect interest in Operating Company or any transfer or assignment or subletting (of all or substantially of any Individual Property) by any Operating Company under any Operating Lease.

(b) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) an indirect beneficial interest in Borrower consisting of ownership interests in or at any level above the level of Ninth Mezzanine Borrower shall be permitted without Lender’s consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Borrower is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, (iii) subsequent to such Transfer, Borrower will continue to be a Special Purpose Entity, (iv) if (1) such Transfer causes the Transferee to own, in the aggregate with the ownership interests of its Affiliates, more than a forty nine percent (49%) interest in Borrower (and the Transferee (together with the ownership interests of its Affiliates) did not, prior to such Transfer, own more than a forty-nine percent (49%) interest in Borrower), or (2) such Transfer, together with all other Transfers by Borrower, whether in a single Transfer or in a series of Transfers and whether or not effected simultaneously, results in a Transfer of more than forty-nine percent (49%) of the aggregate interests in Borrower, then, if required by applicable Rating Agency requirements, an acceptable non-consolidation opinion is delivered to the holder of the Loan and to each of the Rating Agencies concerning, as applicable, Borrower,

the new Transferee and/or their respective owners, and (v) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions. Further, a Change in Control shall be deemed a Transfer hereunder and, unless clauses (ii) through (v) of this Section 5.2.10(b) shall be satisfied, the same shall be an Event of Default hereunder (and for the sake of clarity, nothing else contained in this Section 5.2.10 or this Agreement shall be deemed to limit or qualify the above terms of this sentence).

(c) A Transfer of (but not a mortgage, pledge, hypothecation, encumbrance or grant of a security interest in) a direct or indirect beneficial interest in Operating Company shall be permitted without Lender's consent (but subject to the last sentence of Section 5.2.10(d)), provided that (i) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing, (ii) Operating Company is at all times Controlled and at least fifty percent (50%) owned (directly or indirectly) by Qualified Transferees, and (iii) subsequent to such Transfer, the beneficial ownership of Borrower and Operating Company will be substantially identical. For purposes hereof, Control shall not be deemed absent solely because other parties have veto rights with respect to major decisions.

(d) In the event that a permitted Transfer of more than a forty nine percent (49%) interest in Borrower is made pursuant to this Section 5.2.10, at Borrower's request, Lender shall release Guarantor from (i) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty for obligations and liabilities arising from and after the date of such Transfer, and (ii) the obligations and liabilities under any Guaranty for obligations and liabilities that occurred either prior or subsequent to such Transfer, provided that a replacement guarantor(s) reasonably satisfactory to Lender shall have executed and delivered to Lender replacement guarantees in form and substance substantially similar to the applicable Guaranty, pursuant to which such replacement guarantor(s) expressly assumes all of Guarantor's obligations under the applicable Guaranty, including those which occurred prior to the Transfer. Notwithstanding the foregoing or anything else that may be construed to the contrary, in no event may Borrower effect a Transfer, or permit or suffer any Transfer, that would result in any loss or impairment of any Gaming License or in any similar event that would have an Individual Property Material Adverse Effect or Aggregate Property Material Adverse Effect.

(e) Notwithstanding the foregoing or anything herein to the contrary, but subject to the final sentence of Section 5.2.10(d), nothing contained in this Agreement or the other Loan Documents shall in any way restrict or prohibit, nor shall any notice to Lender or consent of Lender or Rating Agency Confirmation be required in connection with the Transfer or issuance in the ordinary course of any securities in any Person whose securities are publicly traded on a national exchange (except to the extent that the same would cause a Change of Control) or with an initial public offering of securities issued by Holdings or of subsidiary of Holdings (other than the Borrower and any Mezzanine Borrower (provided that, in the case of an issuance by a subsidiary, such issuance would not cause a Change of Control)).

(f) Assumptions of the Loan shall be permitted, provided that the following conditions are satisfied and/or occur to Lender's satisfaction:

(i) such sale has been approved or deemed approved under the Mortgage Loan Documents and Senior Mezzanine Loan Documents and all conditions set forth in the Mortgage Loan Documents and Senior Mezzanine Loan Documents relating thereto have been satisfied;

(ii) an assumption of this Agreement, the Note, the Pledge Agreement and the other Loan Documents as so modified by the proposed transferee, subject to the provisions of Section 9.3 hereof;

(iii) payment of all of reasonable out-of-pocket costs and expenses incurred in connection with such Transfer including, without limitation, the cost of any legal fees and expenses, Rating Agency fees and expenses or required legal opinions;

(iv) the payment of a non-refundable assumption fee equal to Lender's Share of One Million and No/100 Dollars (\$1,000,000) per transaction (effecting an assumption of the Loan) or series of related transactions (effected to implement an assumption of the Loan);

(v) the delivery of an Additional Insolvency Opinion reflecting the proposed transfer satisfactory in form and substance to Lender; and the delivery of an Additional True-Lease Opinion in form and substance satisfactory to Lender;

(vi) the proposed Transferee being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees;

(vii) the Operating Company being Controlled and at least 50% owned, directly or indirectly, by one or more Qualified Transferees, having sufficient experience (or having a manager that has sufficient experience) in the management of properties similar to the Properties, and such Operating Company or its manager not having materially less than the same level of experience in the operation of properties similar to the Properties as the current Operating Company under the Operating Lease and, in each case, Lender shall be provided with reasonable evidence thereof (and Lender reserves the right to approve the Transferee(s) without approving the substitution of the Operating Company) and the operating tenant shall be either the Operating Company or, if permitted by applicable Legal Requirements, a manager acceptable to Lender under a management agreement acceptable to Lender; provided that so long as the Operating Lease is in force and effect and the current Operating Company shall continue to be the tenant thereunder and owned and Controlled by the same Person(s) that currently own and Control the Operating Company, the condition with respect to the Operating Company set forth in this subclause (vi) shall be deemed to have been met in all respects;

(viii) the delivery of evidence reasonably satisfactory to Lender that the single purpose nature and bankruptcy remoteness of Borrower, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the then current standards of Lender and the Rating Agencies; and the Transferee(s)' continued compliance with the representations and covenants set forth in Section 4.1.30 and Section 5.2.9 hereof;

(x) prior to any release of the Guarantor, a substitute guarantor reasonably acceptable to Lender shall have assumed all of the obligations of the Guarantor under the Guaranty (FF&E), the Guaranty (Recourse Carveouts), the Operating Lease Guaranty, any completion guaranty provided under Section 5.1.21 and the Environmental Indemnity or executed replacement guaranties and an environmental indemnity reasonably satisfactory to Lender;

Section 6.1. Insurance. (a) Borrower shall cause Mortgage Borrower to maintain at all times during the term of the Loan the Policies required under Section 6.1 of the Mortgage Loan Agreement, including, without limitation, meeting all insurer requirements thereunder. In addition, Borrower shall cause Lender to be named “as their interest may appear”, under the Policies required under Sections 6.1(a)(i), (ii), (iii), (iv), (v), (vi), (vii), (viii), (ix), (x) and (xi) of the Mortgage Loan Agreement and as an “additional insured” with respect to liability coverages. Borrower shall also cause all insurance policies required under this Section 6.1 to provide for at least thirty (30) days’ prior notice to Lender in the event of policy cancellation or material changes. Borrower shall provide Lender with evidence of all such insurance required hereunder on or before the date on which Mortgage Borrower is required to provide such evidence to Mortgage Lender. For purposes of this Agreement, Lender shall have the same approval rights over the insurance referred to above and in the Mortgage Loan Agreement (including, without limitation, the insurers, deductibles and coverages thereunder, as well as the right to require other reasonable insurance pursuant to Section 6.1 of the Mortgage Loan Agreement) as are provided in favor of the Mortgage Lender in the Mortgage Loan Agreement.

(b) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in any of the Properties or the Collateral, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate (but limited to the coverages and amounts required under the Mortgage Loan Agreement) and all premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and shall bear interest at the Default Rate.

Section 6.2. Casualty. If the Individual Property shall be materially damaged or destroyed, in whole or in part, by fire or other casualty (a “Casualty”), Borrower shall give prompt notice of such damage to Lender and shall cause Mortgage Borrower to promptly commence and diligently prosecute the completion of the Restoration of the Individual Property as nearly as possible to the condition the Individual Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Lender and otherwise in accordance with Section 6.4 of the Mortgage Loan Agreement. Borrower shall cause Mortgage Borrower to pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower or Mortgage Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than, in the case of each Casualty, an amount equal to five percent (5%) of the sum of the Allocated Loan Amount for the affected Individual Property and the “Allocated Loan Amounts” under (and as defined in each of) the Mortgage Loan Agreement and the Other Mezzanine Loan Agreements for the affected Individual Property, and Borrower shall deliver to Lender all instruments required by Lender to permit such participation.

Section 6.3. Condemnation. Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of any Individual Property and shall cause Mortgage Borrower to deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If any Individual Property or any portion thereof is taken by a condemning authority, Borrower shall cause Mortgage Borrower to promptly commence and diligently prosecute the Restoration of the applicable Individual Property and otherwise comply with the provisions of Section 6.4 of the Mortgage Loan Agreement. If any Individual Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

Section 6.4. Restoration. Borrower shall, or shall cause Mortgage Borrower to, deliver to Lender all reports, plans, specifications, documents and other materials that are delivered to Mortgage Lender under Section 6.4 of the Mortgage Loan Agreement in connection with the Restoration of any Individual Property after a Casualty or Condemnation.

VII. RESERVE FUNDS

Section 7.1. Intentionally Omitted.

Section 7.2. Tax and Insurance Escrow Fund. (a) If (and for so long as) a Trigger Event shall have occurred and shall not have been cured by a Trigger Event Cure, on each Payment Date during such period, Borrower shall pay to Lender (or Servicer, as directed by Lender) an amount equal to (i) one-twelfth of the Taxes that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes at least thirty (30) days prior to their respective due dates, and (ii) one-twelfth of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (i) and (ii) above hereinafter called the “**Tax and Insurance Escrow Fund**”). Lender shall apply the Tax and Insurance Escrow Fund to payments

of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.1.2 hereof and under the Mortgage Loan Agreement. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 5.1.2 hereof, provided no Event of Default shall have occurred and be continuing, then Lender shall return any excess to Borrower (or to Operating Company, if so directed by Borrower). In allocating such excess, Lender may deal with the Person shown on the records of Lender to be the owner of the Properties. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes and Insurance Premiums by the dates set forth in (i) and (ii) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

(b) Notwithstanding the foregoing, Borrower shall not be required to make any deposits into the Tax and Insurance Escrow Fund on account of Insurance Premiums if (and for so long as) Borrower shall maintain a blanket insurance policy in respect of the Properties that is in accordance with the provisions of Section 6.1(a) and otherwise satisfactory to Lender in all material respects.

(c) Any amount remaining in the Tax and Insurance Escrow Fund following the occurrence of a Trigger Event Cure shall be returned to Borrower (or Operating Company, as directed by Borrower).

7.2.1 Waiver of Tax Escrow. Borrower shall be relieved of its obligation to make deposits of Tax and Insurance Escrow Fund under Section 7.2 above, provided that (a) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a tax escrow account under the Mortgage Loan or Senior Mezzanine Loan, and (b) Lender receives evidence acceptable to it of the making of such deposits and of the payment of all such Taxes.

7.2.2 Tax and Insurance Escrow Funds After Debt Paid. Any Tax and Insurance Escrow Funds remaining after the Debt has been paid in full shall be remitted (i) if the Third Mezzanine Loan is outstanding, then to the Third Mezzanine Lender or (ii) if the Third Mezzanine Loan is not then outstanding but the Fourth Mezzanine Loan is outstanding, then to the Fourth Mezzanine Lender in accordance with the Third Mezzanine Loan Agreement or (iii) if the Third Mezzanine Loan and the Fourth Mezzanine Loan are no longer outstanding, then to the Fifth Mezzanine Lender in accordance with the Fourth Mezzanine Loan Agreement or (iv) if the Third Mezzanine Loan, the Fourth Mezzanine Loan and the Fifth Mezzanine Loan are no longer outstanding, then to the Sixth Mezzanine Lender in accordance with the Fifth Mezzanine Loan Agreement or (v) if the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan and the Sixth Mezzanine Loan are no longer outstanding, then to the Seventh Mezzanine Lender in accordance with the Sixth Mezzanine Loan Agreement or (vi) if the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan and the

Seventh Mezzanine Loan are no longer outstanding, then to the Eighth Mezzanine Lender in accordance with the Seventh Mezzanine Loan Agreement or (vii) if the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan, the Seventh Mezzanine Loan and the Eighth Mezzanine Loan are no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (viii) if the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan, the Seventh Mezzanine Loan, the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower or, at Borrower's election, shall be credited against the Debt simultaneously with the satisfaction of the balance of the Loan.

Section 7.3. FF&E Reserve Account.

7.3.1 FF&E Reserve Fund. (a) Unless Borrower shall have delivered to Lender a Guaranty (FF&E) that is in full force and effect, Borrower shall pay to Lender (or Servicer, as directed by Lender) on each Payment Date an amount equal to (i) one-twelfth of three percent (3%) of the amount of all Revenues for the full calendar year prior to the first (1st) day of the month in which such Payment Date occurs, less (ii) any amount spent during the previous calendar month by Borrower or Operating Company on behalf of Borrower in accordance with the Operating Lease on account of FF&E (other than from the FF&E Reserve Fund, it being understood that amounts expended on account of FF&E from the FF&E Reserve Fund shall not be included in any deductions required pursuant to the preceding subclause (i) and that any FF&E that is purchased through disbursements from the FF&E Reserve Fund may not be subsequently financed by Borrower or Operating Company). Notwithstanding anything to the contrary contained herein, in no event shall Borrower be required to maintain in the FF&E Reserve Account an amount in excess of the aggregate amount of all FF&E deposits required to be made in the preceding calendar year (as determined, for purposes of this sentence, utilizing the monthly formula set forth in the preceding sentence). In addition, notwithstanding anything to the contrary contained herein, for purposes of determining the amount of any required FF&E Reserve Fund deposits (and for purposes of calculating such amount, monthly, based on the formula set forth in the first sentence of this Section 7.3.1), Revenues shall include Revenue from the Hotel Component and the Casino Component but shall not include non-Hotel or Casino related Revenues (e.g., Rents from retail tenants).

(b) Amounts deposited by Borrower as described in this Section 7.3.1 shall hereinafter be referred to as the “**FF&E Reserve Fund**” and the account in which such amounts are held shall hereinafter be referred to as the “**FF&E Reserve Account**”.

7.3.2 Disbursements from FF&E Reserve Account. (a) All disbursements from the FF&E Reserve Account shall be made solely for the purpose of reimbursing Borrower (or Operating Company for FF&E bought on behalf and in the name of Borrower in accordance with the Operating Lease, as directed by Borrower) for its costs and expenses incurred, or for paying costs to be incurred, in connection with the repair, replacement and/or upgrade of FF&E at the Properties. Provided no Event of Default shall have occurred and be continuing, Lender shall, within ten (10) days following request by Borrower, make disbursements from the FF&E Reserve Fund no more frequently than once in any thirty (30) day period, in amounts no less than \$10,000 per disbursement (or a lesser amount if the total amount in the FF&E Reserve Account

is less than \$10,000, in which case only one disbursement of the amount remaining in the account shall be made), and upon delivery by Borrower (or Operating Company) of Lender's standard form of draw request accompanied by copies of invoices for the amounts requested and, if required by Lender for requests in excess of \$50,000 for a single item, receipts and releases from all parties furnishing materials and/or services in connection with the requested payment.

(b) Disbursements may be made from the FF&E Reserve Account, at Borrower's election, directly to third parties (as directed by Borrower).

(c) In no event shall funds in the FF&E Reserve Account be utilized to pay (or reimburse any Person) for any Capital Expenditures or non-recurring work being performed at the Properties.

7.3.3 Balance in the FF&E Reserve Account. (a) The insufficiency of any balance in the FF&E Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

7.3.4 Waiver of FF&E Reserve. Borrower shall be relieved of its obligation to make deposits of FF&E Reserve Fund under Section 7.3 above, provided that either (a)(i) Mortgage Borrower or Senior Mezzanine Borrower is required to and does make monthly deposits to a FF&E reserve account under the Mortgage Loan or Senior Mezzanine Loan, and (ii) Lender receives evidence acceptable to it of the making of such deposits or (b) an FF&E Guaranty is provided to Mortgage Lender.

7.3.5 FF&E Reserve Funds After Debt Paid. Any FF&E Reserve Funds remaining after the Debt has been paid in full shall be remitted (i) if the Third Mezzanine Loan is outstanding, to the Third Mezzanine Lender or (ii) if the Third Mezzanine Loan is not then outstanding, but the Fourth Mezzanine Loan is outstanding, then to the Fourth Mezzanine Lender in accordance with the Third Mezzanine Loan Agreement or (iii) if the Third Mezzanine Loan and the Fourth Mezzanine Loan are no longer outstanding, then to the Fifth Mezzanine Lender in accordance with the Fourth Mezzanine Loan Agreement or (iv) if the Third Mezzanine Loan, the Fourth Mezzanine Loan and the Fifth Mezzanine Loan are no longer outstanding, then to the Sixth Mezzanine Lender in accordance with the Fifth Mezzanine Loan Agreement or (v) if the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan and the Sixth Mezzanine Loan are no longer outstanding, then to the Seventh Mezzanine Lender in accordance with the Sixth Mezzanine Loan Agreement or (vi) if the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan and the Seventh Mezzanine Loan are no longer outstanding, then to the Eighth Mezzanine Lender in accordance with the Seventh Mezzanine Loan Agreement or (vii) if the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan, the Seventh Mezzanine Loan and the Eighth Mezzanine Loan are no longer outstanding, then to the Ninth Mezzanine Lender in accordance with the Eighth Mezzanine Loan Agreement or (viii) if the Third Mezzanine Loan, the Fourth Mezzanine Loan, the Fifth Mezzanine Loan, the Sixth Mezzanine Loan, the Seventh Mezzanine Loan, the Eighth Mezzanine Loan and the Ninth Mezzanine Loan are no longer outstanding then to Borrower.

Section 7.4. Intentionally Omitted.

Section 7.5. Reserve Funds, Generally. (a) Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt. Upon the occurrence and during the continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender.

(b) Borrower shall not, without obtaining the prior consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(c) The Reserve Funds shall be held by Lender (or Servicer) and may be invested at Borrower's election and direction in Permitted Investments routinely offered by the Servicer of the Securitization for investment by Borrower. All interest or other earnings on a Reserve Fund shall be added to and become a part of such Reserve Fund for the benefit of Borrower and shall be disbursed in the same manner as other monies deposited in such Reserve Fund. Borrower shall have the right to direct Lender (or Servicer) to invest sums on deposit in the Eligible Account in Permitted Investments provided (a) such investments are permitted by applicable federal, state and local rules, regulations and laws, (b) the maturity date of the Permitted Investment is not later than the date on which the applicable Reserve Funds are required for payment of an obligation for which such Reserve Fund was created, and (c) no Event of Default shall have occurred and be continuing. Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest or income earned on the Reserve Funds. No other investments of the sums on deposit in the Reserve Funds shall be permitted except as set forth in this Section 7.5. Borrower shall bear all reasonable costs associated with the investment of the sums in the account in Permitted Investments. Such costs shall be deducted from the income or earnings on such investment, if any, and to the extent such income or earnings shall not be sufficient to pay such costs, such costs shall be paid by Borrower promptly on demand by Lender. Lender shall have no liability for the rate of return earned or losses incurred on the investment of the sums in Permitted Investments.

(d) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Reserve Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all Persons supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

Section 7.6. Transfer of Reserve Funds Under Mortgage Loan and Senior Mezzanine Loan. (a) If Mortgage Lender or Senior Mezzanine Lender waives any reserves or escrow accounts required in accordance with the terms of the Mortgage Loan Agreement or Senior Mezzanine Loan Agreement which reserves or escrow accounts are also required in accordance with the terms of this Article VII, or if the Mortgage Loan or Senior Mezzanine Loan is refinanced or paid off in full (without a prepayment of the Loan) and Reserve Funds that are required hereunder are not required under the new mortgage loan, if any, then Borrower shall cause any amounts that would have been deposited into any reserves or escrow accounts in accordance with the terms of the Mortgage Loan Agreement or Senior Mezzanine Loan Agreement to be paid to and deposited with Lender in accordance with the terms of this Article VII (and Borrower shall enter into lockbox and cash management agreements for the benefit of Lender in form and substance acceptable to Lender).

VIII. DEFAULTS

Section 8.1. Event of Default. (a) Each of the following events shall constitute an event of default hereunder (an “**Event of Default**”):

(vi) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, Holdings, Operating Company or any Guarantor shall make an assignment for the benefit of creditors;

(vii) if a receiver, liquidator or trustee shall be appointed for Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, Holdings, Operating Company or Guarantor, or if Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, Holdings, Operating Company or Guarantor shall be adjudicated a bankrupt or insolvent, or if any petition for bankruptcy, reorganization or arrangement pursuant to federal bankruptcy law, or any similar federal or state law, shall be filed by or against, consented to, or acquiesced in by, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, Holdings, Operating Company or Guarantor, or if any proceeding for the dissolution or liquidation of Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, Holdings, Operating Company or Guarantor shall be instituted; provided, however, if such appointment, adjudication, petition or proceeding was involuntary and not consented to by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, Holdings, Operating Company or Guarantor, upon the same not being discharged, stayed or dismissed within ninety (90) days;

(viii) if Borrower attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;

(ix) if Borrower breaches any of its respective negative covenants contained in Section 5.2 or any covenant contained in Section 4.1.30 or Section 5.1.11 hereof (and, with respect to any such breach of any covenant set forth in Section 5.1.11 which is not the subject of any other subsection of this Section 8.1, Borrower fails to remedy such condition within ten (10) days after notice to Borrower from Lender, in the case of any such Default under Section 5.1.11 which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other such Default under Section 5.1.11);

(x) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;

(xi) if any of the assumptions contained in the Insolvency Opinion delivered to Lender in connection with the Loan, or in the Additional Insolvency Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect; or if any of the assumptions contained in the True Lease Opinion delivered to Lender in connection with the Loan, or in the Additional True Lease Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect;

(xii) if Mortgage Borrower, Operating Company or Guarantor (Operating Lease) is in default of any of its material obligations under the Operating Lease (or under another lease and/or management agreement in substitution for the Operating Lease in accordance herewith) or under the Operating Lease Guaranty (or under another operating lease guaranty in substitution for the Operating Lease Guaranty in accordance herewith) beyond any applicable notice and cure periods contained therein; or if any Operating Lease (or such other lease and/or management agreement) or any Operating Lease Guaranty (or such other operating lease guaranty) shall be surrendered or any Operating Lease or any Operating Lease Guaranty shall be terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Operating Lease (or such other lease and/or management agreement) or the Operating Lease Guaranty (or such other operating lease guaranty) shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender except as may otherwise expressly permitted in this Agreement;

(xiii) if any Affiliate of Borrower that is or becomes a party to the Windstorm Insurance Intercreditor Agreement is in default of any of its material obligations under the Windstorm Insurance Intercreditor Agreement beyond any applicable notice and cure periods contained therein; or if the Windstorm Insurance Intercreditor Agreement shall be surrendered, terminated or canceled for any reason or under any circumstances whatsoever, except with the consent of Lender; or if any of the terms, covenants or conditions of the Windstorm Insurance Intercreditor Agreement shall in any manner be modified, changed, supplemented, altered, restated or amended without the consent of Lender;

(xiv) if Borrower, Senior Mezzanine Borrower or Mortgage Borrower fails to comply with the covenants as to Prescribed Laws set forth in Section 5.1.1 hereof;

(xv) intentionally omitted;

(xvi) any Gaming License shall be refused, suspended, revoked, modified in a materially adverse manner or canceled or allowed to lapse or any proceeding is commenced by any Governmental Authority for the purpose of suspending, revoking or canceling any Gaming License in any materially adverse respect, or any Governmental Authority shall have appointed a conservator, supervisor or trustee to or for any of the Casino Components and, in each case of the foregoing, such action could reasonably be expected to (A) have an Individual Material Adverse Effect, (B) materially and adversely effect the continued operation of the Casino Components in the usual course of business and in substantially the same manner and to at least the same standard as was maintained prior to such action, or (C) result in any material decrease in the then expected cash flow and revenues to be derived from the Casino Components;

(xvii) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xv) above, for ten (10) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from

Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed one hundred twenty (120) days;

(xviii) if there shall be a default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Collateral or any Individual Property, or if any other such event shall occur or condition shall exist, if the effect of such event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt;

(xix) if the Liens created pursuant to any Loan Document shall cease to be a fully protected enforceable first priority security interest in the Collateral, or any portion of the Collateral is Transferred without Lender's prior written consent except as permitted hereunder; or

(xx) if a Mortgage Loan Event of Default or Senior Mezzanine Loan Event of Default shall occur.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi) or (vii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and in and to all or any of the Collateral, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents and may exercise all the rights and remedies of a secured party under the Uniform Commercial Code, as adopted and enacted by the State or States where any of the Collateral is located against Borrower and any or all of the Collateral, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in clauses (vi) or (vii) above, the Debt and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 8.2. Remedies. (a) Upon the occurrence of an Event of Default, but in compliance with applicable Gaming Laws, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any of the Collateral. Any such

actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any "one action" or "election of remedies" law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Collateral and the Collateral has been foreclosed upon, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any portion of the Collateral for the satisfaction of any of the Debt in preference or priority to any other portion of the Collateral, and Lender may seek satisfaction out of all of the Collateral or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose upon the Collateral in any manner and for any amounts secured by the Pledge Agreement then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose upon the Collateral to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose upon the Collateral to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Collateral as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to the Pledge Agreement and the other Loan Documents to secure payment of sums secured by the Pledge Agreement and other Loan Documents and not previously recovered.

(c) Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, pledges and other security documents (the "**Severed Loan Documents**") in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender's intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents. The Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the

Closing Date. The Severed Loan Documents shall (a) not increase the aggregate stated principal amount of the Loan, (b) provide that the weighted average spread of the Loan on the date of such severance shall equal the weighted average spread which was applicable to the Loan immediately prior to such severance (Borrower acknowledging that such Severed Loan Document may, in connection with the application of principal to the amounts evidenced by such Severed Loan Documents, subsequently cause the weighted average spread of such new notes or modified notes to change), (c) not adversely affect the overall economics to Borrower of the Loan, taken as a whole, or (d) expose Borrower to any additional costs or increased risk of any liability (beyond that or greater than that existing in the Loan Documents in effect on the date hereof).

(d) The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

(e) Any amounts recovered from the Collateral after an Event of Default may be applied by Lender toward the payment of any interest and/or principal of the Loan and/or any other amounts due under the Loan Documents in such order, priority and proportions as Lender in its sole discretion shall determine.

(f) Upon the occurrence and during the continuance of an Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder or being deemed to have cured any Event of Default hereunder, make, do or perform any obligation of Borrower hereunder in such manner and to such extent as Lender may deem necessary. Borrower shall cause Mortgage Borrower to permit Lender to enter upon any Individual Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in any Individual Property for such purposes, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 8.2, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any action or proceeding shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefore. Upon the occurrence and during the continuance of a Senior Mezzanine Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Senior Mezzanine

Borrower and without releasing Senior Mezzanine Borrower from any obligation under the Senior Mezzanine Loan Documents or being deemed to have cured any Senior Mezzanine Loan Event of Default, make, do or perform any obligation of Senior Mezzanine Borrower under Senior Mezzanine Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Senior Mezzanine Loan Event of Default or such failed payment or act shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor. Upon the occurrence and during the continuance of a Mortgage Loan Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower or Mortgage Borrower and without releasing Mortgage Borrower from any obligation under the Mortgage Loan Documents or being deemed to have cured any Mortgage Loan Event of Default, make, do or perform any obligation of Mortgage Borrower under Mortgage Loan Documents in such manner and to such extent as Lender may deem necessary. All such costs and expenses incurred by Lender in remedying such Mortgage Loan Event of Default or such failed payment or act shall bear interest at the Default Rate, for the period after such cost or expense was incurred into the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Lender under the Loan Documents and shall be immediately due and payable upon demand by Lender therefor.

(g) For the purpose of carrying out the provisions and exercising the rights, powers and privileges granted in this Section 8.2, Borrower hereby irrevocably constitutes and appoints the Lender its true and lawful attorney-in-fact to execute, acknowledge and deliver any instruments and do and perform any acts such as are referred to in this subsection in the name and on behalf of Borrower upon the occurrence and during the continuance of an Event of Default. This power of attorney is a power coupled with an interest and cannot be revoked.

Section 8.3. Intentionally Omitted.

Section 8.4. Costs of Collection. In the event that after an Event of Default and during the continuance thereof: (a) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (b) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents or (c) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Pledge Agreement or any of the Loan Documents, then, in any such instance, Borrower shall pay to Lender all reasonable attorneys' fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

IX. SPECIAL PROVISIONS

Section 9.1. Sale of Notes and Securitization. Borrower acknowledges and agrees that the Lender may sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the “Securities”) secured by or evidencing ownership interests in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such sales, participations and/or securitizations, collectively, a “Securitization”). At the request of Lender, and to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization including, without limitation, to:

(a) provide or cause Mortgage Borrower and Senior Mezzanine Borrower to provide additional and/or updated Provided Information, together with appropriate verification and/or consents related to the Provided Information through letters of auditors or opinions of counsel of independent attorneys reasonably acceptable to Lender and the Rating Agencies;

(b) cooperate in good faith in the preparation of descriptive materials for presentations to any or all of the Rating Agencies, and work with, and if requested, supervise, third-party service providers engaged by Borrower, Holdings and their respective affiliates to obtain, collect, and deliver information requested or required by Lender or the Rating Agencies;

(c) deliver, if required or requested by any Rating Agency, (i) updated opinions of counsel as to non-consolidation, due execution and enforceability with respect to the Properties, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, the Collateral, the Senior Mezzanine Collateral, Principal, Holdings and their respective Affiliates and the Loan Documents, and (ii) revised organizational documents for Borrower, which counsel opinions and organizational documents shall be reasonably satisfactory to Lender and the Rating Agencies;

(d) if required by any Rating Agency, use commercially reasonable efforts to deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect any of the Properties, which estoppel letters, subordination agreements or other agreements shall be reasonably satisfactory to Lender and the Rating Agencies;

(e) execute such amendments to the Loan Documents as may be requested by Lender or the Rating Agencies to effect the Securitization and/or deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan such that the pricing and marketability of the Securities and the size of each class of Securities and the rating assigned to each such class by the Rating Agencies shall provide the most favorable rating levels and achieve the optimum rating levels for the Loan, provided that, (i) the aggregate stated principal amount of the notes, following such amendments or deliver of new or component notes, shall equal the aggregate stated principal amount of the Loan immediately prior thereto, (ii) the weighted average spread of the Loan on the date of such

amendment or delivery of new or component notes shall equal the weighted average spread which was applicable to the Loan immediately prior to such adjustment (Borrower acknowledging that such new notes or modified notes may, in connection with the application of principal to such new notes or modified note following the occurrence of an Event of Default, but not otherwise, subsequently cause the weighted average spread of such new notes or modified notes to change and (iii) the provisions of Section 2.1.5 otherwise shall apply to any such amendments and delivery of new or component notes (such provisions being incorporated herein by this reference);

(f) if requested by Lender, review any information regarding any of the Properties, Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Principal, the Collateral, the Senior Mezzanine Collateral, Holdings, the Operating Company and the Loan which is contained in a preliminary or final private placement memorandum, prospectus, prospectus supplement (including any amendment or supplement to either thereof), or other disclosure document to be used by Lender or any affiliate thereof; and

(g) supply to Lender such documentation, financial statements and reports in form and substance required in order to comply with any applicable securities laws (to the extent in Borrower's possession, or in the possession of Borrower's advisors, agents or employees), including, without limitation, if applicable, information necessary to comply with any applicable reporting or information requirements under Regulation D under the Securities Act of 1933 or Regulation S under the Securities Act of 1933.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters; except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

Section 9.2. Securitization Indemnification. (a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects to the extent in Borrower's possession.

(b) Borrower agrees to provide, in connection with the Securitization, an indemnification agreement (i) certifying that (A) Borrower has carefully examined the Disclosure Documents, including, without limitation, the sections entitled "Risk Factors", "Special Considerations", "Description of the Collateral", "Description of the Mezzanine Loans", "The Operating Company", "The Borrower" and "Certain Legal Aspects of the Mezzanine Loans", and (B) such sections and such other information in the Disclosure

Documents (to the extent such information relates to or includes any Provided Information or any information regarding the Properties, Borrower, Mortgage Borrower, the Collateral, the Senior Mezzanine Collateral and/or Operating Company) (collectively with the Provided Information, the “**Covered Disclosure Information**”) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (ii) indemnifying Lender, each Noteholder, JPM (whether or not it is the Lender), any Affiliate of JPM or a Noteholder that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of JPM or a Noteholder that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Indemnified Persons**”), for any losses, claims, damages, liabilities, costs or expenses (including, without limitation, legal fees and expenses for enforcement of these obligations (collectively, the “**Liabilities**”)) to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (iii) agreeing to reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Person, as they are incurred, in connection with investigating or defending the Liabilities; provided, however, that Borrower shall have liability with respect to Liabilities arising out of or based upon the Covered Disclosure Information only to the extent that such Liabilities arise out of or are based upon any such untrue statement or omission made in the Covered Disclosure Information in reliance upon and in conformity with information furnished to Lender or such Noteholder by or on behalf of Borrower in connection with the preparation of the Disclosure Documents or in connection with the underwriting or the closing of the Loan (including without limitation financial statements of Borrower and operating statements and rent rolls with respect to the Properties), and in no event shall Borrower be liable for Liabilities arising from information contained in a Disclosure Document that was not provided to Borrower for comment at least five (5) Business Days prior to its dissemination or on which Borrower provided comments to Lender in writing and Lender failed to incorporate such comments (assuming such comments were accurate). This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification provided for in clauses (ii) and (iii) above shall be effective whether or not an indemnification agreement described in clause (i) above is provided.

(c) In connection with filings under the Exchange Act (if any), Borrower agrees to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against Borrower, notify Borrower in writing of the claim or the commencement of that action; provided, however, that the failure to notify Borrower shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided, further, that the failure to notify Borrower shall not relieve it from any liability which it may have to an Indemnified Person otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify Borrower thereof, Borrower shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Borrower to an Indemnified Person of its election to assume the defense of such claim or action, Borrower shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both Borrower, on the one hand, and one or more Indemnified Persons on the other hand, and an Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to Borrower, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed billing records to substantiate that such counsel's fees and disbursements are solely related to the defense of a claim for which Borrower is required hereunder to indemnify such Indemnified Person. Borrower shall not be liable for the expenses of more than one (1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior consent of the Indemnified Person in question (which consent shall not be unreasonably withheld), Borrower shall not settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless Borrower shall have given such Indemnified Person reasonable prior notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as Borrower has complied with its obligations to defend and indemnify hereunder, Borrower shall not be liable for any settlement made by any Indemnified Person without the consent of Borrower (which consent shall not be unreasonably withheld).

(f) Borrower agrees that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then Borrower, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to Borrower, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (x) but also the relative faults of Borrower, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) Borrower agrees that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees (by underwriting discount or otherwise) actually received by the Indemnified Persons in connection with the closing of the Loan or the Securitization.

(g) Borrower agrees that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. Borrower further agrees that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and Borrower under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

Section 9.3. Exculpation. (a) Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Pledge Agreement or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender and each Noteholder to enforce and realize upon its interest under the Note, this Agreement, the Pledge Agreement and the other Loan Documents, or in the Collateral, or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Collateral and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Pledge Agreement and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding under, or by reason of, or in connection with, the Note, this Agreement, the Pledge Agreement or the other Loan Documents. The provisions of this Section shall not, however,

(a) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (b) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Pledge Agreement; (c) affect the validity or enforceability of or any Guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (d) impair the right of Lender to obtain the appointment of a receiver; (e) intentionally omitted; (f) constitute a prohibition against Lender to seek a deficiency judgment against Borrower in order to fully realize the security granted by the Pledge Agreement or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against all of the Collateral; or (g) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any actual loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably incurred) arising out of or in connection with the following:

(i) fraud or intentional misrepresentation by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor in connection with the execution and delivery of the Loan Documents and/or the Loan;

(ii) the misappropriation, conversion or misapplication in contravention of the Loan Documents by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor of any funds of Borrower, Senior Mezzanine Borrower, Mortgage Borrower or Operating Company, including, without limitation, (A) any Revenues, (B) any Net Liquidation Proceeds or Insurance Proceeds, (C) any Awards received in connection with a Condemnation, (D) any Rents or security deposits (or any item of Revenue, from whatever source) following an Event of Default, or (E) any distribution or other payments made in connection with any part of the Collateral or Senior Mezzanine Collateral;

(iii) the misappropriation, conversion or misapplication by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor of any security deposits or Rents paid more than one (1) month in advance;

(iv) any act of actual intentional physical waste by Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor;

(v) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity Agreement concerning environmental laws, hazardous substances and asbestos and any indemnification of Lender with respect thereto in either document;

(vi) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary intentional Transfer as required by this Agreement, the Mortgage Loan Agreement or the Mortgages, as applicable;

(vii) any security deposits, advance deposits or any other deposits collected with respect to any of the Properties which are not delivered to Mortgage Lender upon a foreclosure of any of the Properties or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof;

(viii) in the event of: (A) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor filing a voluntary petition under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (B) the filing of an involuntary petition against Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law by any Person in which Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor or any of their respective Affiliates, agents or employees colludes with or such other Person, or Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor soliciting or causing to be solicited petitioning creditors for any involuntary petition against Borrower, Operating Company or any Guarantor from any Person; (C) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it by any other Person, other than Lender, under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (D) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor or any of the Properties, the Collateral, the Senior Mezzanine Collateral or any portion thereof, other than at the request of Lender; or (E) Borrower, Mortgage Borrower, Senior Mezzanine Borrower, Operating Company or any Guarantor making an assignment for the benefit of creditors (other than Lender), or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due;

(ix) if Borrower, Senior Mezzanine Borrower or Mortgage Borrower fails to maintain its status as a Special Purpose Entity or breaches any material representation or warranty set forth in Section 4.1.30 of this Agreement; and

(x) if Borrower, Mortgage Borrower, Senior Mezzanine Borrower or Operating Company fails to obtain Lender's prior consent to any voluntary Indebtedness (other than (x) with respect to Mortgage Borrower, Permitted Indebtedness and (y) with respect to Operating Company, Permitted Indebtedness (Operating Company), as applicable) or voluntary Lien (other than Permitted Encumbrances) encumbering any of the Properties, Senior Mezzanine Collateral or Collateral as required by this Agreement, the Senior Mezzanine Loan Agreement, the Mortgage Loan Agreement, the Pledge Agreement or the Mortgages.

Notwithstanding anything to the contrary under this Agreement, neither any present or future Affiliate of Borrower (other than Guarantor, to the extent provided under the Guaranty) nor any present or future shareholder, officer, director, employee, trustee, beneficiary, advisor, partner, member, principal, participant or agent of or in any Borrower or of or in any person or entity that

is or becomes an Affiliate of any Borrower shall have any personal liability, directly or indirectly, under or in connection with the Loan Documents. Neither the negative capital account of any Affiliate of Borrower in Borrower, or in any other Affiliate of Borrower in any other Affiliate of Borrower, nor any obligation of any Affiliate of Borrower in any Borrower to restore a negative capital account or to contribute or loan capital to any Borrower or to any other Affiliate of Borrower shall at any time be deemed to be the property or an asset of any Borrower (or any other Affiliate of Borrower) and neither Lender nor its successors or assigns shall have any right to collect, enforce or proceed against any such negative capital account or obligation to restore, contribute or loan capital.

(b) Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Indebtedness or to require that all collateral shall continue to secure all of the Indebtedness owing to Lender in accordance with the Loan Documents.

Section 9.4. Servicer. (a) At the option of Lender, the Loan may be serviced by a servicer/trustee (the “**Servicer**”) selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to a servicing agreement (the “**Servicing Agreement**”) between Lender and Servicer. Lender shall be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement (arising in connection with the Securitization) and the payment of the monthly servicing fee due to Servicer under the Servicing Agreement, and, unless otherwise specifically set forth herein, Borrower shall be responsible for the payment of all fees and other reasonable out-of-pocket expenses incurred by Servicer resulting from any Borrower requests (for approvals or otherwise) to Servicer.

(b) In the event of a Securitization or syndication, the grant of participations in the Loan or any secondary marketing by Lender, Mortgage Borrower and the Mezzanine Borrowers, collectively may rely upon approvals or consents given by one (1) agent or representative in respect of the Mortgage Lender and the Mezzanine Lenders for the matter in question (which such parties shall designate, and pending further notice from Lender, such agent shall be JPM). Borrower shall only pay legal fees for the outside counsel of one Servicer.

Section 9.5. Assignments and Participations. (a) In addition to the rights Lender has under Section 9.1, Lender shall have the right, subject to this Section 9.5, to assign, sell, negotiate, pledge or hypothecate all or any portion of their rights and obligations hereunder (a “**Syndication**”). Except in connection with a Securitization, no Lender shall assign, sell, negotiate, pledge, hypothecate or otherwise transfer all or any portion of its rights in and to the Loan to any other Person (an “**Assignee**”) (a) other than in compliance with Section 9.9 hereof; and (b) unless such transaction shall be an assignment of a constant (and not varying), ratable percentage of such Lender’s interest in the Loan; provided, however, any Lender shall have the right at any time without the consent of or notice to any other Lender or other Person to grant a security interest in all or any portion of such Lender’s interest in the Loan to any Federal Reserve Bank or the central reserve bank or similar authority of any other country to secure any obligation of such Lender to such bank or similar authority (a “**Central Bank Pledge**”).

Effective on any such assignment and assumption by the assignee and on compliance with Section 9.9 hereof, the assigning Lender shall have no further liability hereunder with respect to the interest of such Lender that was the subject of such transfer and such Assignee shall be a Lender with respect to such interest, and Borrower shall have the same rights as to such Assignee with respect to such interest from and after the date of such assignment as if such Lender were an original Lender hereunder. Except for a Central Bank Pledge or financing transaction under a repurchase agreement, a Lender making any such assignment shall notify Borrower of same, specifying the Assignee thereof and the amount of the assignment and shall provide such other detail as Borrower may reasonably request to substantiate compliance with the foregoing.

Section 9.6. Participation. Lender may, without the consent of the Borrower, in compliance with applicable law, sell participations to one or more banks or other entities (a "**Participant**"), in all or a portion of Lender's rights and obligations under this Agreement (including all or a portion of the Loan owing to it); provided that (A) Lender's obligations under this Agreement shall remain unchanged, (B) Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower shall continue to deal solely and directly with Lender in connection with Lender's rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.2.3 and 2.2.4 (subject to requirements and limitations therein) to the same extent as if it were a Noteholder and had acquired its interest by assignment pursuant to Section 9.5. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary.

Section 9.7. Borrower's Facilitation of Transfer. In order to facilitate permitted assignments and other transfers to Assignees and sales to Participants, Borrower shall execute and deliver to Lender and shall cause Guarantor to execute and deliver to Lender such further documents, instruments or agreements as Lender may reasonably require, including, if required by Lender, supplemental notes in the principal amount of such Lender's pro rata share of the Loan substantially in the form of such Lender's Note against surrender of the prior notes, and such supplemental note shall (i) be payable to such Lender or its registered assigns or registered participants, (ii) be dated as of the date hereof, and (iii) mature on the Maturity Date. Such supplemental note shall provide that it evidences a portion of the existing indebtedness hereunder and under the Notes and not any new or additional indebtedness of Borrower. The term "Note" as used in this Agreement and in all the other Loan Documents shall include all such supplemental notes but exclude any Note it replaces. Notwithstanding the foregoing, such documents, instruments or agreements shall not (a) increase the obligations or liabilities of any such Person hereunder or under the other Loan Documents in excess of the obligations or liabilities intended to be provided herein or in the other Loan Documents or (b) decrease such Person's rights hereunder or under the other Loan Documents to less than what they were prior to the execution of such documents, instruments or agreements. In addition, Borrower agrees to reasonably cooperate with Lender, including providing such information and documentation regarding Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Holdings, the Operating

Company and any other Person as Lender or any potential Assignee or Participant may reasonably request and to meet with potential Assignees and Participants upon reasonable notice. Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Section 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

Section 9.8. Notice; Registration Requirement. No Syndication of any part of Lender's interest in and to the Loan shall be effective or permitted under Section 9.5 until (a) an assignment and acceptance agreement in a form reasonably acceptable to Lender (an "**Assignment and Acceptance**") with respect to such Syndication shall have been delivered to Lender, (b) Lender shall have registered such Assignee's name and address in the Register which Lender maintains for the recordation of the names, addresses and interests of Noteholders, and (c) if such Assignee is not already a Lender hereunder, such Assignee shall deliver any tax forms required hereunder. The entries in the Register shall be conclusive, absent manifest error. This Section 9.8 shall not apply to any Central Bank Pledge.

Section 9.9. Registry. Borrower hereby designates Lender to serve as Borrower's agent, solely for purposes of this Section 9.9, to maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of each Assignee, and the principal amount of the Loan (or portions thereof) owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Failure to make any such recordation, or any error in such recordation shall not affect Borrower's obligations in respect of the Loan. With respect to any Lender, the transfer of the rights to the principal of, and interest on, its interest in the Loan shall not be effective until such transfer is recorded on the Register maintained by Lender with respect to ownership of such Loan and prior to such recordation all amounts owing to the transferor with respect to such Note shall remain owing to the transferor. The registration of a transfer of all or part of the Loan shall be recorded by Lender on the Register only upon the acceptance by Lender of a properly executed and delivered Assignment and Acceptance by the assignor and assignee. Such Register shall be available for inspection by Borrower from time to time. At the assigning Lender's option, concurrently with the delivery of an Assignment and Acceptance pursuant to which an interest of such Lender in the Loan was assigned to such Assignee, the assigning Lender shall surrender to Borrower its Note, if any, evidencing the portion of the Loan corresponding to the interest so transferred and Borrower shall deliver to Lender one or more new promissory notes in the same aggregate principal amount issued to the assigning Lender and/or the Assignee.

Section 9.10. Cooperation in Syndication. Borrower agrees to assist the Lender in completing a Syndication satisfactory to the Lender. Such assistance shall include (i) direct contact between senior management and advisors of Borrower and the proposed Assignees and/or Participants, (ii) assistance in the preparation of a confidential information memorandum and other marketing materials to be used in connection with the Syndication, (iii) the hosting, with the Lender, of one or more meetings of prospective Assignees and/or Participants, (iv) the delivery of appraisals satisfactory to the Lender if required. To assist the Lender in its Syndication efforts, Borrower agrees promptly to prepare and provide to the Lender all information with respect to Borrower, Senior Mezzanine Borrower, Mortgage Borrower,

Holdings, the Operating Company, Guarantor, the Collateral, the Senior Mezzanine Collateral and the Properties contemplated hereby, including all financial information and projections (the “**Projections**”), as the Lender may reasonably request in connection with the Syndication of the Loan. If required in connection with the Syndication, Borrower hereby agrees to:

(a) deliver updated financial and operating statements and other information reasonably required by the Lender to facilitate the Syndication;

(b) use reasonable efforts to deliver reliance letters reasonably satisfactory to the Lender with respect to the environmental assessments and reports delivered to the Lender prior to the Original Closing Date (or, with respect to each Swap Property, prior to the Closing Date), which will run to the Lender and its successors and assigns;

(c) execute modifications to the Loan Documents required by the Lender, provided that such modification will not (except as set forth in (d)) change any material or economic terms of the Loan Documents, or otherwise increase the obligations or decrease the rights of Borrower pursuant to the Loan Documents (except to a de minimis extent); and

(d) if the Lender elects, in its sole discretion, prior to or upon a Syndication, to exercise its rights under Section 2.1.5, Borrower agrees to cooperate with the Lender in connection with the foregoing and to execute the required modifications and amendments to the Notes, this Agreement and the Loan Documents and to use reasonable efforts to provide opinions necessary to effectuate the same. Such Notes or components may be assigned different interest rates, so long as the weighted average of such interest rates does not exceed the Applicable Interest Rate, except in connection with the application of principal to such Notes or components following the occurrence of an Event of Default.

Lender and Borrower each shall pay their respective costs and expenses incurred in connection with the foregoing, including, without limitation, legal fees in connection with any of the foregoing matters, except that all costs and expenses of Lender and Borrower associated with any restructuring of the Loan requested by Lender, including under Sections 2.1.5, 2.1.6 and 2.1.7, shall be paid solely by Lender.

X. MISCELLANEOUS

Notwithstanding the foregoing, any notice by Lender to one or more Borrowers other than Borrower Agent shall be deemed to constitute effective notice to all of the Borrowers.

Section 10.7. Trial by Jury. BORROWER AND LENDER HEREBY AGREE NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVE ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THE LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY BORROWER AND LENDER, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. BORROWER AND LENDER ARE HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER.

Section 10.8. Headings. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 10.9. Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 10.10. Preferences. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder (except that, unless there exists an Event of Default, payments of principal shall be applied to components of the Note on a pro-rata basis). To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 10.11. Waiver of Notice. Borrower hereby expressly waives, and shall not be entitled to, any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice.

Section 10.12. Remedies of Borrower. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment (except in cases of bad faith, gross negligence or willful misconduct). The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 10.13. Expenses; Indemnity. (a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender and each Noteholder upon receipt of notice from such Person for all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements) incurred by such Person in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including, without limitation, any opinions requested by such Person as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Properties); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental, gaming and insurance requirements if necessary or advisable due to reasonably suspected non-compliance; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Borrower; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement, if Borrower defaults in its obligations hereunder; (v) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender or any Noteholder all required legal opinions, and other similar expenses incurred in creating and perfecting the Liens in favor of Lender (or, as applicable, any Noteholder) pursuant to this Agreement and the other Loan Documents; (vi) enforcing or preserving any rights, either in response to third party claims or in prosecuting or defending any action or proceeding or other litigation, in each case against, under or affecting Borrower, Senior Mezzanine Borrower, Mortgage Borrower, Operating Company, this Agreement, the other Loan Documents, the Properties, the Collateral or any other security given for the Loan; and (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other

Loan Documents or with respect to the Properties, Operating Company or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a “work-out” or of any insolvency or bankruptcy proceedings; provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to any Person to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of such Person. Any cost and expenses due and payable to Lender or any Noteholder may be paid from any amounts in the Mezzanine Collection Account upon the occurrence and during the continuance of an Event of Default.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other actual liabilities, obligations, losses, damages (excluding, however, any punitive and consequential damages), penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, (ii) the use or intended use of the proceeds of the Loan, (iii) the Leases or any of the duties, responsibilities or obligations of Borrower or any Operating Company thereunder, (iv) the transactions contemplated in the Collection Account Agreements or (v) any third-party claims alleging that the Loan, the Senior Mezzanine Loan, the Mortgage Loan, the Operating Lease, the Operating Lease Guaranty or any of the Loan Documents violates any agreements or Legal Requirements binding on the Borrower or its Affiliates or their respective properties (collectively, the “**Indemnified Liabilities**”); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any request by Borrower that required Rating Agency Confirmation pursuant to the terms hereof.

Section 10.14. Schedules Incorporated. The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 10.15. Offsets, Counterclaims and Defenses. Any assignee of Lender’s interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 10.16. No Joint Venture or Partnership; No Third Party Beneficiaries. (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Properties other than that of mortgagee, beneficiary or lender.

(b) Except as expressly provided herein, this Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. Lender and Borrower acknowledge and agree that the Noteholders are intended third party beneficiaries of all rights and remedies of the Lender hereunder. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 10.17. Intentionally Omitted.

Section 10.18. Waiver of Marshalling of Assets. To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Collateral, any equitable right otherwise available to Borrower which would require the separate sale of the Collateral with respect to each Mortgage Borrower or require Lender to exhaust its remedies against any Collateral with respect to each Mortgage Borrower or any combination of such Collateral before proceeding against any other Collateral with respect to one or more Mortgage Borrowers; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorize, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Collateral.

Section 10.19. Waiver of Counterclaim. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

Section 10.20. Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Loan Agreement and any of the other Loan Documents, the provisions of this Loan Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 10.21. Brokers and Financial Advisors. Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement (other than those the fees and other claims of which shall be paid by Borrower). Borrower hereby agrees to indemnify, defend and hold Lender and each Noteholder harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated herein. Each of Lender and (by its acceptance of its respective Note) the Noteholders hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

Section 10.22. Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, including, without limitation, the Commitment Letter dated December 19, 2006 between Affiliates of Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

Section 10.23. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which counterparts together shall constitute one agreement with the same effect as if the parties had signed the same signature page.

Section 10.24. Intentionally Omitted.

Section 10.25. Gaming Laws. All rights, remedies and powers in or under this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws.

Section 10.26. Certain Additional Rights of Lender (VCOC). Notwithstanding anything to the contrary contained in this Agreement, Lender shall have:

(a) the right to routinely consult with and advise Borrower's management regarding the significant business activities and business and financial developments of Borrower, Senior Mezzanine Borrower and Mortgage Borrower, provided that any such advice or consultation shall be completely nonbinding on Borrower, and; provided, however, that such consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances;

(b) the right, in accordance with the terms of this Agreement, to examine the books and records of Borrower, Senior Mezzanine Borrower and Mortgage Borrower at any reasonable times upon reasonable notice;

(c) the right, in accordance with the terms of this Agreement, including, without limitation, Section 5.1.11 hereof, to receive monthly, quarterly and year end financial reports, including balance sheets, statements of income, shareholder's equity and cash flow, a management report and schedules of outstanding indebtedness, in each case to the extent explicitly set forth herein; and

(d) the right, without restricting any other rights of Lender under this Agreement (including any similar right), to reasonably approve any acquisition by Borrower, Senior Mezzanine Borrower or Mortgage Borrower of any other significant real property.

The rights described above in this Section 10.26 may be exercised by any entity which owns and controls, directly or indirectly, substantially all of the interests in Lender.

XI. JOINT AND SEVERAL LIABILITY; WAIVERS

Section 11.1. Joint and Several Liability; Primary Obligors. Each entity comprising Borrower (each, a "**Borrower Entity**") shall be a primary obligor with respect to payment of the Debt and performance of Borrower's obligations under the Loan Documents and all such Borrower Entities shall be jointly and severally liable for payment of the Debt and performance of such other obligations. As used in this Article, references to "**Other Borrowers**" shall mean all Borrower Entities other than the particular Borrower Entity referred to.

Section 11.2. Waivers. Without limiting the primary liability of each Borrower Entity as set forth above, to the extent any such Borrower Entity is determined to be secondarily liable with respect to any portion of the Debt or any other obligation hereunder, the following shall apply:

11.2.1 No Duty To Pursue Others. It shall not be necessary for Lender (and each Borrower Entity hereby waives any rights which such Borrower Entity may have to require Lender), in order to enforce the obligations of such Borrower Entity hereunder, first to (a) institute suit or exhaust its remedies against any Other Borrower or others liable on the Debt or any other person, (b) enforce Lender's rights against any collateral mortgaged, pledged or granted by any Other Borrower which shall ever have been given to secure the Debt ("**Other Borrower Collateral**"), (c) enforce Lender's rights against any other guarantors of the Debt, (d) join Borrower or any others liable on the Debt in any action against any Other Borrower seeking to enforce the Loan Documents, (e) exhaust any remedies available to Lender against any collateral which shall ever have been given to secure the Debt, or (f) resort to any other means of obtaining payment of the Loan by any Other Borrower. Lender shall not be required to mitigate damages or take any other action pertaining to any Other Borrower or any Other Borrower Collateral to reduce, collect or enforce the Debt from any Other Borrower.

11.2.2 Waivers. 11.2.3 Waiver of Subrogation, Reimbursement and Contribution. Notwithstanding anything to the contrary contained in the Loan Documents, each Borrower hereby unconditionally and irrevocably waives, releases and abrogates, prior to the payment in full of the Loan and for a period of ninety-one (91) days thereafter any and all rights it may now or hereafter have under any agreement, at law or in equity (including any law subrogating such Borrower Entity to the rights of Lender), to assert any claim against or seek contribution, indemnification or any other form of reimbursement (other than pursuant to the express provisions of the Contribution Agreement) from any Other Borrower or any other party liable for payment of any or all of the Debt for any payment made by such Borrower Entity under or in connection with the Loan Documents or otherwise.

11.2.4 Events And Circumstances Not Reducing Or Discharging Guarantor's Obligations. Each Borrower Entity hereby consents and agrees to each of the following, and agrees that such Borrower Entity's obligations under the Loan Documents shall not be released, diminished, impaired, reduced or adversely affected by any of the following, and waives any common law, equitable, statutory or other rights (including rights to notice) which such Borrower Entity might otherwise have as a result of or in connection with any of the following:

(a) Modifications. Any renewal, extension, increase, modification, alteration, restatement or rearrangement entered into by any Other Borrower of all or any part of the Debt, the Note, the Loan Agreement, the other Loan Documents, or any other document, instrument, contract or understanding between any Other Borrower and Lender, or any other parties, pertaining to the Debt or any failure of Lender to notify Borrower Entity of any such action.

(b) Adjustment. Any adjustment, indulgence, forbearance or compromise that might be granted or given by Lender to any Other Borrower.

(c) Condition of Borrower or Borrower Entity. The insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of any Other Borrower or any other party at any time liable for the payment of all or part of the Debt; or any dissolution of any Other Borrower, or any sale, lease or transfer of any or all of the assets of Borrower or of any Other Borrower, or any changes in the shareholders, partners or members of any Other Borrower; or any reorganization of any Other Borrower.

(d) Invalidity of Debt. The invalidity, illegality or unenforceability of all or any part of the Debt, or any document or agreement executed in connection with the Debt, for any reason whatsoever, including the fact that (a) the Debt, or any part thereof, exceeds the amount permitted by law, (b) the act of creating the Debt or any part thereof is ultra vires, (c) the officers or representatives executing the Note, the Loan Agreement or the other Loan Documents or otherwise creating the Debt acted in excess of their authority, (d) the Debt violate applicable usury laws, (e) any Other Borrower has valid defenses, claims or offsets (whether at law, in equity or by agreement) which render the Debt wholly or partially uncollectible from such Other Borrower, (f) the creation, performance or repayment of the Debt (or the execution, delivery and performance of any document or instrument by any Other Borrower representing part of the Debt or executed in connection with the Debt, or given to secure the repayment of the Debt) is illegal, uncollectible or unenforceable, or (g) the Note, the Loan Agreement or any of the other Loan Documents have been forged or otherwise are irregular or not genuine or authentic, it being agreed that such Borrower Entity shall remain liable hereon regardless of whether any Other Borrower or any other Person be found not liable on the Debt or any part thereof for any reason.

(e) Release of Obligors. Any full or partial release of the liability of any Other Borrower on the Debt, or any part thereof, or of any guarantor(s) thereof, or any other person or entity now or hereafter liable, whether directly or indirectly, jointly, severally, or jointly and severally, to pay, perform, guarantee or assure the payment of the Debt, or any part thereof, it being recognized, acknowledged and agreed by such Borrower Entity that such Borrower Entity may be required to pay the Debt in full without assistance or support of any other party, and such Borrower Entity has not been induced to enter into the Loan Documents on the basis of a contemplation, belief, understanding or agreement that other Persons will be liable to pay or perform the Debt, or that Lender will look to other Persons to pay or perform the Debt.

(f) Other Collateral. The taking or accepting of any other security, collateral or guaranty, or other assurance of payment, for all or any part of the Debt.

(g) Release of Collateral. Any release, surrender, exchange, subordination, deterioration, waste, loss or impairment (including negligent, willful, unreasonable or unjustifiable impairment) of any collateral, property or security at any time existing in connection with, or assuring or securing payment of, all or any part of the Debt.

(h) Care and Diligence. The failure of Lender or any other party to exercise diligence or reasonable care in the preservation, protection, enforcement, sale or other handling or treatment of Other Borrower Collateral, all or any part of such collateral, property or security, including any neglect, delay, omission, failure or refusal of Lender (a) to take or prosecute any action for the collection of any of the Debt or (b) to foreclose, or initiate any action to foreclose, or, once commenced, prosecute to completion any action to foreclose upon Other Borrower Collateral, or (c) to take or prosecute any action in connection with any instrument or agreement evidencing or securing all or any part of the Debt.

(i) Unenforceability. The fact that any collateral, security, security interest or lien contemplated or intended to be given, created or granted as security for the repayment of the Debt, or any part thereof, shall not be properly perfected or created, or shall prove to be unenforceable or subordinate to any other security interest or lien, it being recognized and agreed by such Borrower Entity that such Borrower Entity is not entering into the Loan Documents in reliance on, or in contemplation of the benefits of, the validity, enforceability, collectibility or value of any of the collateral for the Debt.

(j) Offset. Any existing or future right of offset, claim or defense of Borrower against Lender, or any other Person, or against payment of the Debt by any Other Borrower, whether such right of offset, claim or defense arises in connection with the Debt (or the transactions creating the Debt) or otherwise.

(k) Merger. The reorganization, merger or consolidation of any Other Borrower into or with any other corporation or entity.

(l) Preference. Any payment by Borrower to Lender is held to constitute a preference under bankruptcy laws, or for any reason Lender is required to refund such payment or pay such amount to Borrower or someone else.

Section 11.3. Other Actions Taken or Omitted. Any other action taken or omitted to be taken with respect to the Loan Documents, the Debt, or Other Borrower Collateral, whether or not such action or omission prejudices such Borrower Entity or increases the likelihood that such Borrower Entity will be required to pay the Debt pursuant to the terms hereof, it is the unambiguous and unequivocal intention of such Borrower Entity that such Borrower Entity shall be obligated to pay the Debt when due, notwithstanding any occurrence, circumstance, event, action, or omission whatsoever pertaining to any Other Borrower or any Other Borrower Collateral, whether contemplated or not, and whether or not otherwise or particularly described herein, which obligation shall be deemed satisfied only upon the full and final payment and satisfaction of the Debt.

Section 11.4. No Release or Novation. This Agreement constitutes an amendment and restatement of the Original Agreement and is not intended to and shall not extinguish any of the indebtedness or obligations of Borrower under the Note, the Original Loan Agreement or any other Loan Documents in such a manner as would constitute a release or novation of the original indebtedness or obligations of Borrower under the Note, the Original Loan Agreement or any other Loan Document, nor shall this Agreement affect or impair the priority of any liens created thereby or in connection therewith, it being the intention of the parties hereto to preserve all liens and security interests securing payment of the Note and the Debt, which liens and security interests are acknowledged by Borrower to be valid and subsisting against the Collateral and any other security or collateral for the Debt.

Section 11.5. Confirmation of Guarantor. By their signatures below, each of Guarantor (FF&E), Guarantor (Recourse Carveouts) and Guarantor (Operating Lease), and each of their respective successors and representatives, each hereby agree and consent to the amendment and restatement of the Original Agreement and the modification of the other Loan Documents pursuant to this Agreement (and the modification of each of the Original Operating Leases in accordance with the related First Amendment to Operating Lease dated as of the date hereof) and ratify and confirm all of the terms and provisions set forth in the Guaranty (FF&E), the Guaranty (Recourse Carveouts), the Original Environmental Indemnity Agreement and each Original Operating Lease Guaranty, as applicable, and each of the other Loan Documents to which they are a party, and each agrees that their respective obligations and liabilities under such agreements shall continue without impairment or limitation by reason of this Agreement. Notwithstanding the aforementioned, except as provided in the preceding sentence, Lender acknowledges and agrees that Original Tahoe Borrower and Original Showboat Borrower are hereby released from any and all liability, claims and obligations under the Loan Documents (as such term is defined in the Original Loan Agreement) resulting from facts, acts or matters first occurring subsequent to the date hereof.
