**CORPORATE GOVERNANCE AND BOARD MATTERS**

**SELECTION OF DIRECTORS**

**DIRECTOR NOMINATIONS—QUALIFICATIONS, SKILLS, TENURE, DIVERSITY & INCLUSION**

***Qualifications***

The Nominating and Corporate Governance Committee identifies and evaluates all director candidates in accordance with the director qualification standards described in the Nominating and Corporate Governance Committee Charter. In identifying candidates, the Nominating and Corporate Governance Committee has the authority to engage and terminate any third-party search firm that is used to identify director candidates and has the authority to approve the fees and retention terms of any search firm. The Nominating and Corporate Governance Committee evaluates any candidate's qualifications to serve as a member of our Board based on the totality of the merits of the candidate and not based on minimum qualifications or attributes. In evaluating a candidate, the Nominating and Corporate Governance Committee takes into account the background and expertise of individual Board members as well as the background and expertise of our Board as a whole. In addition, the Nominating and Corporate Governance Committee evaluates a candidate's independence and his or her background and relationships, and expertise in the context of our Board's needs.

The Nominating and Corporate Governance Committee Charter requires that the Nominating and Corporate Governance Committee ascertain that each nominee has: (i) demonstrated business and industry experience that is relevant to us; (ii) the ability to meet the suitability requirements of all relevant regulatory agencies; (iii) freedom from potential conflicts of interest with us and independence from management with respect to independent director nominees; (iv) the ability to represent the interests of shareholders; (v) the ability to demonstrate a reasonable level of financial literacy; (vi) the availability to work with us and dedicate sufficient time and energy to his or her board duties; (vii) an established reputation for good character, honesty, integrity, prudent business skills, leadership abilities and moral and ethical bearing; and (viii) the ability to work constructively with our other directors and management. The Nominating and Corporate Governance Committee may also take into consideration whether a candidate's background and skills meet any specific needs of the Board that the Nominating and Corporate Governance Committee has identified.

***Diversity and Inclusion***

In recruiting and evaluating new director candidates, the Nominating and Corporate Governance Committee also considers such factors as gender and diversity. The Nominating and Corporate Governance Committee considers gender and ethnic/racial diversity because having diverse backgrounds and points of view benefits our Board and the Company. Searches for director candidates include persons who bring diversity with respect to self-identified characteristics such as gender, race, ethnicity and sexual orientation in the initial list of qualified candidates. We believe that each director contributes to the Board's overall diversity by way of characteristics, and also by way of each director's unique opinions, perspectives and personal and professional experiences and backgrounds.

Since the Merger, the Board has taken a number of steps to engage in outreach and develop touch points with candidates for the Board who would represent a diverse perspective and background, and will continue with these efforts. As part of this outreach, the Board has identified potential diverse candidates through a variety of channels, word of mouth and other professional relationships. As of the date of this Proxy Statement, two of our nine director nominees self-identify as female. As of the date of the 2022 annual meeting of shareholders, the Company had one director, Ms. Sandra D. Morgan, serving on the Board who self-identified as both African American and Asian. Ms. Morgan resigned from the Board on July 15, 2022 as a result of her appointment as President of the Las Vegas Raiders of the National Football League. The Board understands the importance of maintaining a balanced level of diversity amongst its members and is committed to doing so.

***Skills, Experience and Competencies***

In addition to these baseline qualifications, the Nominating and Corporate Governance Committee considers such factors as industry background, financial and business experience, public company experience and other relevant education and experience. The Nominating and Corporate Governance Committee and other members of the Board believe it is important for the full Board to leverage the individual skills and experience of each director in order to fulfill its oversight role, and support the interests of shareholders as a collective body.

Below is a summary of certain skills, experience and competencies that the Board considers of particular relevance, along with an explanation as to why each such skill, experience and competency supports the overall function of the Board. The yellow shading indicates that the skill, experience or competency is of particular importance to the director's ability to meaningfully contribute to Board discussions and deliberations, given how these skills, experience and competencies relate to our business and long-term strategies (referred to as "core competencies").

**\*Operational/Executive Leadership/Public Company Leadership Experience:** Experience as an executive officer, specifically at a public company, may better allow a director to understand and contribute to matters such as strategic planning, financial reporting and day-to-day operations.

**\*Business Development, Strategy, M&A, Real Estate/Real Estate Investment Experience:** Over time, the Company has engaged in a number of strategic dispositions and acquisitions, and an understanding of M&A and other strategic investments (including those involving real estate (given the nature of our business)) will help a director evaluate the opportunities and risks associated with such transactions.

**\*Consumer/Hospitality/Gaming Industry Experience:** Board members who have an understanding of our core businesses can provide valuable insight into how to continue to build our iconic brands and better engage with our customers and guests around the world.

**\*Social, Governance or Diversity; Environmental/Sustainability/Climate Change Experience:** Experience in these areas can help support management accountability, transparency and promotion of shareholder interests that are increasingly focused on these important issues.

**\*Human Capital/Talent Development Experience:** Given the competitive nature of our business, experience attracting and retaining top talent can help shape the organization's culture and assist with oversight of talent development.

**\*Risk Management/IT Cybersecurity Data Technology Experience:** Directors who have experience managing risks associated with cybersecurity and IT functions can help provide knowledge and guidance to the Board with respect to data protection and oversight of associated security risks.

**\*Finance/Accounting Experience:** Directors who have experience with finance and accounting can help evaluate financial management, capital allocation, internal controls and reporting, which helps support risk management.

**\*Government, Public Policy or Regulatory Affairs/Legal Experience:** Our industry is highly regulated, so directors with knowledge and experience with governmental regulations affecting our business can enhance the full Board's understanding of these matters; legal experience can assist with risk management and evaluation.

The matrix below is intended to capture the competencies of the full Board of Directors, specifically those that relate to skills, experience, expertise and tenure, including the core competencies referred to above.

**CORPORATE GOVERNANCE AND BOARD MATTERS****Board Diversity Matrix as of April 17, 2023**

In August 2021, the SEC approved a proposal by the Nasdaq Stock Market (the "Nasdaq") to adopt new listing rules relating to board diversity and disclosure. As approved by the SEC, the new Nasdaq listing rules require all Nasdaq listed companies to disclose consistent, transparent diversity statistics regarding their boards of directors. The rules also require most Nasdaq listed companies to have, or explain why they do not have, at least one diverse director by December 31, 2023. Under the applicable Nasdaq rule, "diverse" includes an individual who self-identifies in one or more of the following categories: female, underrepresented minority or LGBTQ+. In this regard, Ms. Biumi and Ms. Jones Blackhurst both self-identify as female. Accordingly, the Company is in compliance with Nasdaq's diversity requirement. The Board diversity matrix below presents the Board's diversity statistics in the format prescribed by the Nasdaq rules.

**SHAREHOLDER PROPOSALS FOR THE NEXT MEETING**

Under Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), proposals of shareholders intended for inclusion in the proxy statement for the annual meeting of shareholders to be held in 2024 must be received at our executive offices no later than December 30, 2023. Proponents should submit their proposals by Certified Mail-Return Receipt Requested. Proposals received after that date will be deemed untimely.

To otherwise present a timely proposal or other business for consideration by our shareholders at the annual meeting of shareholders to be held in 2024, pursuant to our current Bylaws (the "Bylaws"), a shareholder's written notice must be delivered to or mailed and received at our principal executive offices no earlier than the close of business on February 13, 2024 nor later than the close of business on March 14, 2024. In addition, not less than 60 days prior to the date of the next meeting of shareholders called for the election of directors (the "Election Meeting"), a shareholder who intends to make a nomination of a candidate for election as director of the Company at the Election Meeting shall, as required by our Bylaws, deliver to our Secretary a notice setting forth (a) the name, age, business address and the residence address of each nominee proposed in such notice, (b) the principal occupation or employment of such nominee, (c) the number of shares of our capital stock which are beneficially owned by each such nominee and (d) such other information concerning each such nominee as would be required, under the rules of the SEC, in a proxy statement soliciting proxies for the election of such nominees. Such notice shall include a signed consent of each such nominee to serve as a director of the corporation, if elected. This notice requirement does not apply to shareholder proposals properly submitted for inclusion in our proxy statements in accordance with the rules of the SEC and shareholder nominations of director candidates which must comply with the Nominating and Corporate Governance Committee Charter described elsewhere in this Proxy Statement. In addition to satisfying the foregoing requirements under our Bylaws, to comply with the universal proxy rules, shareholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 14, 2024. Our Bylaws are posted on the "Governance" page of our website located at <https://investor.caesars.com/corporate-governance>, under "Other Governance Documents".

**DIRECTOR INDEPENDENCE**

For a director to be considered independent, the director must meet the bright line independence standards under the Nasdaq listing standards and the Board must affirmatively determine that the director has no relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board determines director independence based on an analysis of the independence requirements of the Nasdaq listing standards. In addition, the Board will consider all relevant facts and circumstances in making an independence determination.

Our Board has affirmatively determined that each current director, except Messrs. Gary L. Carano and Reeg, is independent under the Nasdaq listing standards. In determining the independence of directors, the Board considered all commercial, industrial, banking, consulting, legal, accounting, charitable, familial or other business and personal relationships any director may have with us.

- Based on the Nasdaq listing standards, Messrs. Gary L. Carano and Reeg are not considered independent because of their current positions as executive officers of the Company.
- In determining that Mr. Pegram is independent, the Board considered the personal and business relationships that Mr. Pegram has had with the Carano family for over 20 years, including co-ownership of local casinos in Northern Nevada. The Board also considered that the Company's digital division leases space from one of Mr. Pegram's casinos to operate a retail sportsbook. The payments made by the Company during 2022 under this lease represented approximately 0.35% of that casino's gross revenues for 2022. Finally, the Board also considered that Mr. Pegram is an investor in a startup business with Messrs. Reeg and Tomick. The Board affirmatively determined that such relationships would not interfere with Mr. Pegram's ability to exercise independent judgment in carrying out his responsibilities as a director.
- In determining that Mr. Tomick is independent, the Board considered that Mr. Tomick is an investor in a start up business with Messrs. Reeg and Pegram. The Board affirmatively determined that such relationship would not interfere with his ability to exercise independent judgement in carrying out his responsibilities as a director.
- In determining that Ms. Jones Blackhurst is independent, the Board considered Ms. Jones Blackhurst's role as the Executive Vice President, Public Policy and Corporate Responsibility of Former Caesars from May 2017 through September 2019, and affirmatively determined that such relationship would not interfere with her ability to exercise independent judgment in carrying out her responsibilities as a director.

To effectively support its responsibilities, the Board currently has four committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and a Corporate Social Responsibility Committee. Each committee is currently comprised solely of independent directors and during 2022 each of our standing committees was comprised solely of independent directors. The Company also has a Compliance Committee, which is discussed in more detail below.

**COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

No member of the Compensation Committee is, or in 2022 was, or has previously been, an officer or employee of us or our subsidiaries. In 2022, no member of the Compensation Committee had any direct or indirect material interest in a transaction or a business relationship with us that would require disclosure under the rules of the SEC relating to disclosure of related party transactions. In 2022, none of our executive officers served on the board of directors or compensation committee of any entity that had one or more of its executive officers serving on our Board or the Compensation Committee.

## BOARD STRUCTURE AND RESPONSIBILITIES

### BOARD LEADERSHIP STRUCTURE

Mr. Gary L. Carano is Executive Chairman of the Board, Mr. Reeg is our Chief Executive Officer (the “CEO”) and Mr. Anthony L. Carano is our President and Chief Operating Officer (the “COO”). In these roles, Messrs. Reeg and Anthony L. Carano have general charge and management of our affairs, property and business, while Mr. Gary L. Carano provides independent oversight of senior management and Board matters and serves as a valuable bridge between our Board and our management. In addition, the Executive Chairman provides guidance to the CEO, sets the agenda of the Board in consultation with the CEO and Lead Independent Director and presides over meetings of shareholders and the Board.

Mr. Tomick is our Lead Independent Director. He has, in addition to the powers and authorities of any member of the Board, the power and authority to chair executive sessions and to work closely with the Executive Chairman in determining the appropriate schedule for the Board meetings. In his role as Lead Independent Director, Mr. Tomick serves as a liaison between the independent directors, Executive Chairman and CEO and leads the Board’s evaluation of the Executive Chairman and CEO. Mr. Tomick also is responsible for being available for consultation and direct communication with major shareholders and responding directly to shareholder questions, as appropriate. The Lead Independent Director position is at all times held by a director who is “independent” as defined in Nasdaq Rule 5605(a)(2).

Mr. Kornstein is our Vice Chair. In his role as Vice Chair, Mr. Kornstein is tasked with providing an additional layer of independent leadership relating to Board matters, including reviewing and approving meeting agendas and overseeing the quality, quantity and timeliness of information sent to the Board. As part of his Vice Chairman duties, and given his extensive industry experience, Mr. Kornstein provides management and the Board with valuable insights and guidance with respect to strategic initiatives, transaction structuring, governance practices, industry-specific regulatory considerations, tax matters, stakeholder relationships and crisis management oversight, to the extent applicable. This includes being available to provide mission-driven leadership for various financial transactions and operating projects and to provide an enhanced level of input and evaluation with respect to strategic initiatives and other operational matters, as well as providing an independent perspective that is rooted in both industry and tactical business experience. Mr. Kornstein’s deep industry relationships and capital markets knowledge complement his public company board and chief executive experiences and qualify him to serve the Company in several capacities beyond those expected of other independent directors.

The Board believes that this leadership structure is appropriate at this time. Although the roles of CEO and Chairman of the Board are currently separate, the Board does not have a policy regarding the separation of the roles of CEO and Chairman of the Board, as the Board believes it is in our best interests and the best interests of our shareholders to make that determination based on the position and direction of our Company and the composition of the Board. Maintaining a position of Lead Independent Director and an independent Vice Chair provides an extra layer of independent oversight, and we believe this structure facilitates independent oversight of management while fostering effective communication between our management and the Board.

### RISK MANAGEMENT & OVERSIGHT

Our Board as a whole oversees risks related to our company and business strategies and operations, exercising this responsibility by considering the risks related to its decision making. Our Board has delegated certain elements of its risk oversight responsibility to its committees to better coordinate with management, and has retained oversight of certain elements of risk where appropriate. The committees report their findings to the full Board on a regular basis. In addition, at its meetings, the Board discusses the risks that we face, including those management has highlighted as the most relevant risks. Furthermore, the Board’s oversight of enterprise risk involves an assessment of the risks inherent in our long-term strategies, as well as other matters brought to the attention of the Board. We believe that the structure and experience of our Board allows our directors to provide effective oversight of risk management.

The Board recognizes that the Board and management are responsible for identifying and attempting to mitigate risks that could cause significant damage to our business or shareholder value. The risks facing us, as outlined in the Risk Factors section of our Annual Report on Form 10-K, include risks associated with our financial position, liquidity, cybersecurity and data privacy, operating performance, ability to meet our debt and master lease obligations and regulations applicable to our operations and compliance therewith.

Below is a list of the risk management responsibilities of each of our Board committees:

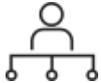

**Audit Committee**

- Managing risk associated with financial reporting processes, financial statements and internal controls
- Managing risks associated with significant financial and accounting policies
- Overseeing effectiveness of management's processes that monitor and manage other key business risks

**Compensation Committee**

- Managing risks associated with compensation structure, benefit plans and programs
- Monitoring the Company's compliance with SEC rules and regulations regarding shareholder approval of certain executive compensation matters
- Monitoring the relationship between risk management policies and compensation programs and practices
- In consultation with the Corporate Social Responsibility Committee, managing risks associated with human capital management oversight

**Nominating and Corporate Governance Committee**

- Managing risks associated with corporate governance practices
- In consultation with the Board, succession planning for the CEO and key executive officers

**Corporate Social Responsibility Committee**

- Managing risks associated with:
- Climate change
  - Responsible gaming
  - Team Member and customer well-being
  - Maintaining sustainable operations
  - Diversity, equity and inclusion
  - Human capital management oversight

**Compliance Committee**

As a publicly traded corporation registered with and licensed by multiple regulatory bodies and as required by the Mississippi Gaming Commission, Nevada Gaming Commission and New Jersey Casino Control Commission, we maintain a Compliance Committee which implements and administers our Compliance Plan. The Compliance Committee's duties include investigating key team members, vendors of goods and services, sources of financing, consultants, lobbyists and others who wish to do substantial business with us or our subsidiaries and making recommendations to our management concerning suitability. Our Compliance Committee currently includes independent directors Messrs. Fahrenkopf and Pegram, and non-director members Mr. A.J. "Bud" Hicks (who serves as the Chairperson and an independent member of the Compliance Committee), Mr. Anthony L. Carano, Ms. Stephanie Lepori (who serves as the Chief Administrative and Accounting Officer) and Mr. Jeffrey Hendricks (who serves as the Compliance Officer). Mr. Quatmann also serves as an ex-officio member of the Compliance Committee. The Compliance Committee held four meetings in 2022.

The Compliance Committee is responsible for overseeing risks associated with our gaming activities and regulatory compliance.

## CORPORATE GOVERNANCE AND BOARD MATTERS

### CYBERSECURITY OVERSIGHT

The Board is responsible for reviewing our cybersecurity risk profile and is regularly updated by our Senior Vice President of Information Technology (who also serves in the role of Chief Information Security Officer) on cybersecurity risks and threats. The Company has not experienced a material information security breach in the past three years. To manage our cybersecurity risk profile and increase our security posture against emerging threats, we do the following:

- We currently follow the National Institute of Standards and Technology's Cybersecurity Framework for Compliance Controls and are in the process of migrating from a strictly compliance-based framework to a risk-aware maturity framework.
- We are migrating key portions of our network toward a so-called "Zero Trust" model as defined in National Institute of Standards and Technology Special Publication 207 and (U)ZT\_RA\_v1.1(U) "Department of Defense (DOD) Zero Trust Reference Architecture".
- We maintain a robust cybersecurity incident response plan that provides a documented framework for handling high and low severity security incidents and facilitates coordination across multiple parts of the business.
- We routinely perform attack and response simulations at the technical level and annually execute tabletop response exercises at the management level.
- We utilize external third-party expertise to audit and test our entire cybersecurity program as required by state-specific regulations and best practices.
- We maintain a formal information security training program for all team members as well as supplemental training on specific matters such as phishing and email security best practices.

The Board has determined that retaining responsibility for risks related to cybersecurity oversight is appropriate, given the complexity of the risks associated with cybersecurity and the attention required to appropriately review and monitor such risks. The full Board lends its collective experience and attention to discussing and overseeing potential risks identified by management and stays up to date on management's risk-mitigation processes related to cybersecurity.

### EXECUTIVE SESSION AND MEETING ATTENDANCE

Our Corporate Governance Guidelines provide that the independent directors must meet at least twice annually in executive session and that independent directors will have the opportunity to convene in executive session at every meeting of the Board, in their discretion. Our independent directors met during in-person executive sessions, without management present, at four regularly scheduled in-person Board meetings during 2022.

During 2022, our Board held seven meetings and also acted by unanimous written consent seven times. Each incumbent director attended 100% of the Board meetings and meetings of the committees of the Board on which such director served during 2022 and that were held during the period for which he or she served as a director or as member of such committee. In addition to Board and committee meetings, directors are encouraged to attend our annual meeting of shareholders. Messrs. Gary L. Carano, Reeg and Kornstein attended our 2022 annual meeting of shareholders.

### BOARD OVERSIGHT

#### *General*

Our Board provides the ultimate oversight of the Company and oversees and advises members of management who are responsible for the day-to-day operations and management of the Company. The Board has developed a number of specific expectations of its directors, set forth in the Company's Corporate Governance Guidelines, to promote the discharge of the Board's responsibilities and the efficient conduct of the Board's business.

#### *Management Succession Planning*

In consultation with the Board, the Nominating and Corporate Governance Committee periodically reviews and makes recommendations to the Board regarding formal and informal policies and procedures as it deems appropriate regarding succession plans in the event of the retirement, death, incapacity, emergency or other eventuality with respect to the CEO, as well as succession plans for other senior management positions. The Company has a formal CEO and key executive officer succession plan. The plan is evaluated by the Nominating and Corporate Governance Committee from time to time (at least annually) and the Nominating and Corporate Governance Committee provides reports to the Board.

**Code of Ethics and Business Conduct**

We have adopted a Code of Ethics and Business Conduct (the “Code”), which includes our Conflicts of Interest Policy, applicable to all directors and team members, including the CEO, Chief Financial Officer (the “CFO”) and Chief Administrative and Accounting Officer. The Code is posted on the “Governance” page of our website located at <https://investor.caesars.com/corporate-governance>, under “Other Governance Documents”, and a printed copy will be delivered on request by writing to the Corporate Secretary at Caesars Entertainment, Inc. c/o Corporate Secretary, 100 West Liberty Street, 12th Floor, Reno, Nevada 89501. We intend to satisfy the disclosure requirement regarding certain amendments to, or waivers from, provisions of the Code by posting such information on our website.

**CORPORATE SOCIAL RESPONSIBILITY**

Our Board and executive officers view corporate social responsibility (“CSR”) as an integral element in the way we do business, in the belief that being a good corporate citizen helps protect the Company against risk, contributes to improved performance and helps foster positive relationships with all those with whom we connect. The Board and our executive management are committed to being an industry leader in CSR (which includes diversity, equity and inclusion (“DEI”), social impact and environmental sustainability). In 2022, the Board and our leadership continued to engage with our CEO-level external CSR Advisory Board comprised of experts representing environmental, social and governance (“ESG”), DEI, sustainability and social impact, and used their guidance to confirm our CSR priorities. These priorities are reflected in our 13th annual CSR report, published in 2022 in accordance with Global Reporting Initiative Standards.

**CSR Committee of the Board**

Led by our Corporate Social Responsibility Committee, our Board oversees the Company’s CSR initiatives.

**Code of Commitment**

The Company is committed to being a responsible corporate citizen and environmental steward through our CSR strategy, PEOPLE PLANET PLAY. This is reflected in our Code of Commitment which is our public pledge to our guests, Team Members, communities, business partners and all those we reach that we will honor the trust they have placed in us through ethical conduct and integrity. We commit to:

- **PEOPLE:** Supporting the wellbeing of our Team Members, guests and local communities.
- **PLANET:** Taking care of the world we all call home.
- **PLAY:** Creating memorable experiences for our guests and leading responsible gaming practices in the industry.

**PEOPLE PLANET PLAY STRATEGY**

Our PEOPLE PLANET PLAY strategy defines how we meet the obligations of our Code of Commitment and is aligned with global priorities articulated by the United Nations as the Sustainable Development Goals. PEOPLE PLANET PLAY establishes multi-year targets in key areas of impact, including science-based greenhouse gas (“GHG”) emissions-reduction, formally approved by the Science Based Targets Initiative (“SBTi”), aligning with global best practices on climate change action. In early 2022, we conducted a comprehensive CSR assessment to evaluate our assumptions. We also used the assessment period to review our business transformations following the COVID-19 pandemic, along with expectations related to social justice and CSR. With the help of an external specialist, our assessment gathered input from internal and external stakeholders, reviewed multiple industry and ESG disclosures, standards and frameworks and yielded 21 material topics. This process allowed us to reassess the role our business plays in society, the way we impact people and the environment and the needs of our stakeholders. Our materiality assessment is available on the “ESG Resource Hub” page of our website located at <https://investor.caesars.com/esg-hub/esg-resource-hub>, under “ESG Disclosures”.

**Responsible Gaming and Compliance**

For more than thirty years, Caesars has maintained its Responsible Gaming (“RG”) program. We train tens of thousands of Team Members each year and a cadre of RG Ambassadors throughout our properties to identify guests in need of assistance and provide support. In recent years, we have contributed to the National Center for Responsible Gaming, the National Council on Problem Gaming and other state programs to help advance responsible practices in the gaming industry. Our newly expanded digital segment (“Caesars Digital”) also maintains responsible gaming programs tailored to each state in which it operates and offers users in-application RG tools such as time on device restrictions and wagering limits.

We maintain a comprehensive risk-based Bank Secrecy Act (“BSA”) and Anti-Money Laundering (“AML”) program. It includes strong governance and effective internal controls and procedures to comply with applicable

**CORPORATE GOVERNANCE AND BOARD MATTERS**

BSA requirements, regulatory guidance and any related laws, and to take measures to prevent its affiliated casinos from being used for money laundering or other criminal activity. Execution of the program is governed with reference to the Financial Crimes Enforcement Network’s guidance on the Culture of Compliance. Our internal AML Policy, Know Your Customer Policy and BSA Identification Policy outline our AML Program and set the minimum standards for the related procedures and internal controls of our casino affiliates. Team members are required to complete annual trainings related company policies, including AML.

We also maintain the Code, which includes standards designed to deter wrongdoing and to promote, amongst other standards, honest and ethical conduct and full, fair, accurate, timely and understandable disclosure in reports and documents that the Company files with the SEC. Our Chief Legal Officer serves as the compliance officer of the Code and we provide periodic training regarding the contents and importance of the Code.

We also maintain an Amended and Restated Gaming Compliance Plan (the “GC Plan”), which is approved by various gaming regulators. The GC Plan is designed to implement procedures to enhance the likelihood that no activities of the Company or any affiliate of the Company will impugn our reputation and integrity. The GC Plan also establishes a Compliance Committee that assists the Company in implementing its strict policy that its business be conducted with honesty and integrity, and in accordance with high moral, legal and ethical standards. Our Senior Vice President & Assistant General Counsel – Regulatory & Compliance serves as the Compliance Officer as defined by the GC Plan.

**Environmental Stewardship**

We take a proactive approach to environmental sustainability through our CodeGreen strategy established by Former Caesars in 2007, striving to improve our performance across energy and GHG emissions efficiencies, reduction of water consumption and increasing diversion of waste from landfills. The Company recognizes the impact climate change can play both on our business and the guests we serve. Identifying, assessing and managing the risks and opportunities therefore plays a vital role in our long-term strategic thinking on climate and water, and how we approach our CSR goals. Former Caesars adopted Science Based Targets (“SBTs”) as part of its strategy to reduce environmental impact. These targets, approved to be in line with well below 2 degrees Celsius per SBTi, are (i) reducing absolute Scope 1 and 2 GHG emissions by 35% by 2025, and 100% by 2050, from a 2011 base-year and (ii) having 60% of suppliers by spend institute science-based GHG reduction targets for their operations by 2023. In 2023, we expect to establish a new baseline to reaffirm GHG emission reduction goals as a combined company, while increasing our ambition to meet a 1.5-degree reduction target. We modeled our GHG emissions data to create an estimate for 2018 and prior years back to 2011. This enabled us to compare our progress against our SBTs using actual data against a modeled 2011 base year. Between 2011 and 2021, Caesars estimated a reduction in absolute Scopes 1 and 2 GHG emissions of 33.9%. Caesars is pursuing renewable energy sources and low-carbon options, including on site solar developments. Our long-term goals include a continued focus on energy efficiency and conservation as well as evaluating renewable energy supply opportunities for each of our properties in pursuit of our forthcoming SBTs.

We voluntarily participate in the CDP (formerly the Carbon Disclosure Project), an international nonprofit that runs a global disclosure system for investors, companies and regions to manage their environmental impacts. In 2022, Caesars achieved A-List status for both climate change and water security and in 2021 earned a spot on the Supplier Engagement Leaderboard from CDP. Less than 3% of companies assessed by CDP in 2022 made the A List for either climate change or water security.

We are engaged in extensive waste reduction efforts across our facilities, including recycling, food donation and manure composting. In 2021, we diverted 40% of our total waste from landfills.

**Community Investment**

We contribute to our local communities to help them develop and prosper through funding community projects, Team Member volunteering and cash donations from the Caesars Foundation, a private foundation funded from our operating income. In 2022, the Caesars Foundation contributed \$3.3 million to communities across the United States. The Caesars Foundation also continued to support significant national relationships that support DEI. During 2022, our Team Members volunteered over 75,000 hours through the HERO program.

Many of our community partners are long-term collaborations. For example, in 2022 we celebrated the 20th anniversary of our partnership with Meals on Wheels America working together to combat the issues of senior hunger and isolation. We also implemented an expanded partnership with Boys and Girls Club of America supported by a \$500,000 grant from the Caesars Foundation to support the mission of enabling young people to reach their full potential as productive, caring, responsible citizens.

We seek to encourage DEI dialogue in our communities as part of our advocacy approach to raise awareness. In 2022, we hosted a DEI Summit bringing together corporate and nonprofit partners and suppliers in supporting and promoting efforts to advance DEI initiatives. The Summit included several educational sessions, keynotes and panel discussions led by notable DEI leaders and practitioners, as well as a panel discussion involving diverse suppliers.

**Diversity, Equity and Inclusion**

We embrace diversity and aim to create an inclusive working environment that celebrates all our Team Members as individuals. Our DEI framework identifies five pillars of activity—advocacy, Team Members, suppliers, communities and guests—for a holistic approach to embedding DEI in everything we do. We publish our DEI data in our annual CSR report (described below).

We set targets to increase the representation of women and people of color in leadership roles (supervisory and above). Our 2025 goals outlined 50% of management roles to be held by women in both the mid-level and senior leadership populations, and 50% of leadership roles to be held by people of color. We also committed to increase the representation of people of color in senior leadership roles by 50%. As of December 31, 2022, 45% of mid-level roles and 30% of senior leadership roles in the Company are held by women. Additionally, 43% of leadership roles are held by people of color and the representation of people of color in senior leadership positions has increased by 106%.

**Team Member Engagement, Compensation, Benefits, Development, Safety and Wellbeing**

We strive to inspire our Team Members through our mission, vision and values, and our Code of Commitment (described below). To evaluate our Team Member experience and our retention efforts, we monitor a number of Team Member measures, such as turnover rates and Team Member satisfaction. In 2021, we implemented new Team Member experience surveys to help us further understand the drivers of engagement and areas where we can improve. These surveys are completed on a regular basis alongside additional surveys targeted at specific events within a Team Member cycle, including new hires, anniversary milestones and exit inquiries.

Our compensation and benefits programs are designed to attract, retain and motivate our Team Members. In addition to competitive salaries and wages, we provide a variety of short-term, long-term and incentive-based compensation programs to reward performance relative to key metrics relevant to our business. We offer comprehensive benefit options including, but not limited to, retirement savings plans, health insurance coverage (including medical, mental health, dental, vision and pharmacy), parental leave, educational assistance, training opportunities, company-paid life insurance and an employee assistance program.

We place utmost importance on creating a safe workplace for our Team Members, embedding procedures so that all our Team Members have the awareness, knowledge and tools to make safe working a habit.

We also maintain a wellness program to help our Team Members improve their health and wellbeing. This program has demonstrated improved health metrics for participating Team Members and their covered family members helping reduce the cost of healthcare for Team Members and for the Company. In 2022, we consolidated our group health plans and made significant enhancements to our offerings and wellness program including a wide range of affordable options, mental health initiatives and expanded onsite and virtual primary care clinics across the US.

The Compensation Committee makes recommendations (and, where appropriate, makes determinations) with respect to salaries, bonuses, equity awards and deferred compensation plans for our named executive officers (the "NEOs") as well as the policies underlying the methods by which we compensate our executives. The Compensation Committee may form and delegate authority to subcommittees and may delegate authority to one or more designated Compensation Committee members to perform certain of its duties on its behalf, including, to the extent permitted by applicable law, the delegation to a subcommittee of one director the authority to grant stock options and equity awards. The Compensation Committee reviews the recommendations of our CEO with respect to individual elements of the total compensation of our executive officers (other than the CEO) and key management. The Compensation Committee delegated authority to Mr. Reeg to grant equity awards to team members who are not executive officers or officers subject to Section 16(a) of the Exchange Act in an aggregate amount not to exceed \$10,000,000 (based on fair market value as of the grant date) for the 2022 calendar year.

It is the responsibility of the Compensation Committee to review our compensation policies and practices in the context of their potential encouragement of excessive risk-taking behavior. We believe that any risks arising from our current compensation policies and practices are not reasonably likely to have a material adverse effect on us. As described in the section entitled "Compensation Discussion and Analysis", we continue to review and develop our compensation policies with the objective of ensuring that management incentives promote disciplined, sustainable achievement of our long-term goals.

Each year the Compensation Committee reviews whether the work of the Company's compensation consultant raises any conflicts of interest, including by evaluating the six independence factors under the Nasdaq listing rules.

**DIRECTOR REFRESHMENT AND PERFORMANCE EVALUATION**

The Company does not have a retirement policy or a tenure limit for members of the Board at this time. The Board believes that regularly adding new members to the Board while maintaining knowledge of longer tenured members is an appropriate mechanism to maintain an engaged, knowledgeable and vibrant Board. Three of our seven independent directors have joined the Board within the past five years.

The Nominating and Corporate Governance Committee, in consultation with the Chairman of the Board, conducts annual evaluations/assessments of each of the Board's members and respective committees. PROPOSAL 2: ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

## PROPOSAL 2

# ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Section 14A of the Exchange Act, we are providing our shareholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers, as disclosed in this Proxy Statement in accordance with the SEC's rules. This proposal, which is commonly referred to as "say-on-pay", gives shareholders the opportunity, on an advisory basis, to approve, reject or abstain from voting with respect to such proposal. At the Company's 2021 annual meeting of shareholders, our shareholders approved, on an advisory basis, to conduct say-on-pay votes on an annual basis (a "say on frequency" vote). Therefore, unless and until our Board decides otherwise, we will continue to hold say-on-pay votes on an annual basis (with the next such vote occurring after the 2023 Annual Meeting to occur at the 2024 annual meeting of shareholders). Unless the Board determines otherwise, the next say-on-frequency vote will occur at the 2027 annual meeting of shareholders.

Our executive compensation program is designed to enhance shareholder value by focusing on the specific performance metrics that drive enterprise value, attract, motivate and retain highly-qualified executives committed to the Company's long-term success and provide competitive salaries relative to their peers. To that end, we provide a program of cash and equity-based awards to promote executive continuity, to align the interests of the Company's executives with those of our shareholders and to reward executives for superior performance, as measured by both financial and nonfinancial metrics.

We urge shareholders to read the "Compensation Discussion and Analysis" section of this Proxy Statement beginning on page 29, which describes the Company's executive compensation programs and the decisions made by the Compensation Committee and the Board with respect to the year ended December 31, 2022.

The Board is asking shareholders to approve the following advisory resolution at the Annual Meeting:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K in the Company's proxy statement, including the Compensation Discussion and Analysis, compensation tables and narrative discussion contained therein, is hereby approved."

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to any named executive officer and will not be binding on or overrule any decisions of the Company, the Board or the Compensation Committee; it will not create or imply any change to the fiduciary duties of, or create or imply any additional duties for, the Company, the Board or the Compensation Committee; and it will not restrict or limit the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation. Although non-binding, the Board and the Compensation Committee will review and consider the voting results in their entirety when making future decisions regarding our executive compensation program.

**THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION AS DISCLOSED IN THIS PROXY STATEMENT.**

Our executive compensation philosophy provides the foundation upon which all of our compensation programs are built. ### EXECUTIVE SUMMARY

#### OUR 2022 NAMED EXECUTIVE OFFICERS (“NEOs”)

The following executive officers are our NEOs for 2022:

<b>Thomas R. Reeg</b>	Chief Executive Officer and member of the Board
<b>Bret Yunker</b>	Chief Financial Officer
<b>Anthony L. Carano</b>	President and Chief Operating Officer
<b>Edmund L. Quatmann, Jr.</b>	Chief Legal Officer
<b>Stephanie Lepori</b>	Chief Administrative and Accounting Officer

#### SIGNIFICANT BUSINESS HIGHLIGHTS

During the year ended December 31, 2022, the Company delivered strong operating results with certain record-setting quarterly results observed within our Las Vegas and Regional segments, despite the initial headwinds experienced in the first quarter of 2022 from the impact of the Omicron variant of COVID-19. Net income improved by 10% as compared to the prior year period and Adjusted EBITDA improved by 8.5% as compared to the same prior year period. These results included the first full year of operations of our expanded digital business, which included the launch of our Caesars Sportsbook app in 2021, following our acquisition of William Hill PLC on April 22, 2021. Our Caesars Digital segment also experienced negative revenues during the first quarter of 2022 as a result of significant promotions offered with the launch of the Caesars Sportsbook app in new jurisdictions, particularly in New York and Louisiana. Following the first quarter of 2022, Caesars Digital’s operations continued to improve for the remainder of 2022, nearly reaching positive net income and adjusted EBITDA during the fourth quarter.

On July 1, 2022, we completed the sale of William Hill International to 888 Holdings Plc. Net proceeds received, including the settlement of related forward contracts, was \$730 million which we utilized to reduce our outstanding debt. In addition to the debt reduction associated with the proceeds from our sale, we continued to prioritize the reduction of debt utilizing free cash flows from our operations. In total, we permanently reduced total debt by over \$1.2 billion during 2022. Further, we successfully extended the maturity of \$7.5 billion of debt facilities maturing in 2024 and 2025 through a \$3.0 billion bank syndication completed in October 2022, and \$4.5 billion of debt capital markets issuance which closed in February 2023.

#### KEY ASPECTS OF 2022 EXECUTIVE COMPENSATION: STRONG EMPHASIS ON PERFORMANCE

##### *Majority of CEO and NEO Total Compensation is Performance-Based*

As shown in the table below, approximately 87% of our CEO’s 2022 regular annual total target compensation was variable and at-risk, with 57% being performance-based. These proportions enhance the strong link between pay and performance for our CEO and other NEOs and the alignment of interests with those of the Company and its shareholders.

In addition to regular annual compensation having a high proportion of performance-based and at-risk pay, as discussed below, in early 2022, the Compensation Committee sought to further motivate our CEO to continue the successful integration and to execute our strategy for our newly-assembled group of premier assets and to make the most of the substantial opportunity before us. To align with this goal, and to align our CEO’s interests with our shareholders, in February 2022, the Board made a one-time grant to our CEO of 100% performance-based RSUs with performance metrics consisting of three stock price hurdles requiring significant growth and dramatic stock price appreciation (the “MSUs”). Any earned MSUs will not be settled until the end of the three-year performance period, and the CEO must hold such awards for an additional one-year holding period. See “2022 One-Time Performance-Based Equity Grant to the CEO” below.

## EXECUTIVE COMPENSATION

The table below illustrates the mix of fixed base salary, annual incentive and long-term target incentive compensation we provided to our CEO in 2022, as well as a one-time MSU grant, and the high percentage that is variable and at-risk.

### 2022 CEO Target Total Direct Compensation

Executive	Nature of Compensation	Base Salary	Target Annual Incentive	2022 Target Long-Term Incentive: PSUs	2022 Target Long-Term Incentive: RSUs	Total
Thomas R. Reeg	Regular Annual	\$2,000,000	\$4,000,000	\$ 4,500,000	\$4,500,000	\$15,000,000
% of Regular Annual Total		13%	27%	30%	30%	
% of Long Term Incentive				50%	50%	
	One Time Grant	—	—	\$15,679,500	—	\$15,679,500
Overall Total		\$2,000,000	\$4,000,000	\$20,179,500	\$4,500,000	\$30,679,500
% of Overall Total		6%	13%	66%	15%	

In order to reinforce the alignment of the interests of the CEO and other NEOs with those of the Company and its shareholders, the CEO and the other NEOs are subject to the Company's stock ownership guidelines, which specify CEO ownership of Company securities having a value of five times his base salary and the other NEO ownership of Company securities having a value of four or two times their base salary, as applicable. Performance-based compensation is also subject to the Company's clawback policy, which enables the Company to recoup amounts of excess incentive compensation in certain situations.

### 50% of CEO and NEO Equity Compensation is Performance-Based

In addition, 50% of our CEO's and other NEOs' target long-term incentive ("LTI") annual equity grant (for Mr. Reeg, outside of the MSU grant, which was 100% performance-based) was in the form of performance-based PSUs. The PSUs are based 65% on total shareholder return ("TSR") compared to the S&P 500 ("rTSR"), and 35% is based on Adjusted EBITDA, both measured over a three year performance period. The threshold levels of performance that must be met before any PSUs are earned are rigorous and challenging. The other 50% of our CEO's and other NEOs' annual LTI equity grant was in the form of RSUs, which vest over three years subject to continued employment.

The proportion of total compensation that was variable and at-risk and the performance-based metrics further enhanced the link between pay and performance for the CEO and NEOs and strengthened the alignment of the interests of the executive officers with those of our shareholders.

### Short-Term Annual Cash Incentive: Challenging, Pre-Set Financial Goals; Payouts Reflecting Pay for Performance Alignment

At the beginning of 2022, we established an annual cash incentive plan target for Adjusted EBITDA that was challenging, attainable only with strong performance, and that took into account the relevant opportunities and risks, including the significant continuing headwinds we were facing.

The 2022 Adjusted EBITDA target was set at \$3,893 million, a 14% increase over the level of 2021 Adjusted EBITDA determined by the Compensation Committee to have been achieved for purposes of calculating 2021 annual incentives.

The Company reported Adjusted EBITDA of \$3,243 million for 2022, prior to adjustments contemplated in determining Company-wide incentive targets. Targets established by the Compensation Committee are exclusive of certain segment performance and rent paid under our Rio lease. Excluding these items, Adjusted EBITDA of \$3,953 million was determined to be attained for purposes of the 2022 annual incentive plan. Based on this, the Compensation Committee determined that the Company's achievement was 101.5% of our 2022 Adjusted EBITDA target. Based on this level of achievement, the Compensation Committee approved an annual incentive plan payout of 110.0% for each of the NEOs.

**Peer Group: Rigorously Determined and Appropriate**

Each year, the Compensation Committee reassesses the group of peer companies used as a reference point for evaluating executive compensation. In connection with determining the compensation of the CEO and other executive officers, in the second half of 2021, the Compensation Committee conducted a review of our peer group to ensure its continued appropriateness. The Compensation Committee gave careful consideration to the selection criteria, the range of values on such criteria and the companies included, ultimately determining that the companies listed on page 34 represented an appropriate and stable peer group. Consistent with best practices for corporate governance, the Compensation Committee has committed to review the peer group annually.

**Results of 2022 Advisory Vote on Executive Compensation (“Say-on-Pay”)**

The Compensation Committee and our Board considered the results of the advisory, non-binding shareholder vote to approve executive compensation presented at our 2022 annual meeting of shareholders, where approximately 90% of votes cast approved the compensation program described in our proxy statement for the 2022 annual meeting of shareholders. We currently hold such say-on-pay votes on an annual basis. The Compensation Committee takes seriously its role in the governance of our compensation programs and values thoughtful input from our shareholders, and will consider the results of future say-on-pay votes in connection with making future compensation-related decisions to the extent it deems it appropriate to do so. We believe our shareholders are supportive of our executive compensation programs, as evidenced by the high level of support these programs have received.

**OUR COMPENSATION PHILOSOPHY**

Our executive compensation program is designed to attract, motivate, and retain critical executive talent, and to motivate actions that drive profitable growth, enhance the Company’s status as one of the leading gaming and entertainment companies in the world, and create long-term value for our shareholders. To that end, our executive compensation program includes base salary and performance-based incentives (including both cash-based and equity-based incentives) and is designed to be flexible, be market competitive, reward achievement of challenging but fair performance criteria, and enhance stock ownership at the executive level. Our compensation philosophy is that clear, distinct and attainable goals should be established in order to enable the assessment of performance by the Compensation Committee.

Pursuant to that philosophy, the Compensation Committee is guided by the general principles that compensation should be designed to:

- enhance shareholder value by focusing our executives’ efforts on the specific performance metrics that drive enterprise value;
- attract, motivate, and retain highly-qualified executives committed to our long-term success;
- assure that our executives receive reasonable compensation opportunities relative to their peers at similar companies, and actual compensation payouts that are aligned with our performance; and
- align critical decision making with our business strategy and goal setting.

**EXECUTIVE COMPENSATION**

The chart below provides an overview of each of the primary pay elements included in our executive compensation program:

**IMPLEMENTING THE PHILOSOPHY**

WHAT WE DO	WHAT WE DON'T DO

**COMPENSATION PROCESS**

**HOW WE DETERMINE COMPENSATION**

***Role of the Compensation Committee***

The Compensation Committee's primary role is to discharge the Board's responsibilities regarding compensation decisions as they relate to our executive officers. The Compensation Committee consists of independent directors and is responsible for the oversight of our executive compensation programs. Among its duties, the Compensation Committee is responsible for:

- reviewing and assessing competitive market data from the Compensation Committee's independent compensation consultant;
- reviewing and, in certain cases, approving incentive goals/objectives and compensation recommendations for directors and executive officers, including the NEOs;

- evaluating the competitiveness of each executive officer's total compensation package;
- approving any changes to the total compensation package, including, but not limited to, base salary, annual incentives, long-term incentive award opportunities and payouts, and retention programs; and
- ensuring our policies and practices relating to compensation do not encourage excessive risk-taking conduct.

Following review and discussion, the Compensation Committee may submit recommendations to the Board for approval. The Compensation Committee is supported in its work by the Chief Administrative and Accounting Officer, the Chief Legal Officer, the CFO and their respective team members (with respect to the establishment of performance metrics), and Aon's Human Capital Solutions practice, a division of Aon plc ("Aon"), the Compensation Committee's independent compensation consultant.

#### **Role of the Independent Compensation Consultant**

The Compensation Committee retained Aon for executive compensation advisory services, namely, to conduct its annual total compensation study for executive and key manager positions. Aon reports directly to the Compensation Committee and the Compensation Committee directly oversees the work performed by, and determines the fees paid to, Aon in connection with the services it provides to the Compensation Committee. The Compensation Committee instructs Aon to give advice to the Compensation Committee independent of management and to provide such advice for our benefit and for the benefit of our shareholders. With the Compensation Committee's approval, Aon may work directly with management on certain executive compensation matters. During 2022, Aon was engaged by the Company to provide additional services related to risk analysis, insurance coverage, healthcare and ESG services and received fees for such services of approximately \$8.8 million (approximately 0.07% of Aon's 2022 revenue). Also in 2022, Aon's professional fees for assisting the Board with executive compensation matters for the NEOs was approximately \$183,000 (approximately 0.0015% of Aon's 2022 revenue). The Compensation Committee reviews the independence of its compensation consultant on an annual basis, taking into account a number of factors, including the six factors articulated in the Nasdaq listing standards and applicable SEC guidance, and also considered the additional services provided by Aon as described above. For 2022, the Compensation Committee determined that Aon was independent and its services to the Compensation Committee did not raise any conflicts of interest among the Compensation Committee or our management.

Specific roles of Aon include, but are not limited to, the following:

- identifying and advising the Compensation Committee on executive compensation trends and regulatory developments;
- providing a total compensation study for executives against peer companies and recommendations for NEO pay;
- providing advice to the Compensation Committee on governance best practices as well as any other areas of concern or risk;
- assisting with the development of a compensation peer group for annual executive compensation study;
- serving as a resource to the Compensation Committee Chair for meeting agendas and supporting materials in advance of each meeting; and
- advising the Compensation Committee on management's pay recommendations.

#### **Role of Management in Compensation Decision**

The CEO makes recommendations to the Compensation Committee concerning the compensation of the NEOs (other than himself). In addition, the CEO, the COO, the Chief Administrative and Accounting Officer and the CFO are involved in setting the business goals that are used as the performance goals for the annual incentive plan and long-term performance units, subject to the Compensation Committee's approval. The CEO, CFO, Chief Legal Officer and Chief Administrative and Accounting Officer work closely with the Compensation Committee, Aon and management to (i) ensure that the Compensation Committee is provided with the appropriate information to make its decisions, (ii) propose recommendations for the Compensation Committee's consideration and (iii) communicate the Compensation Committee's decisions to management for implementation. None of the NEOs, however, play a role in determining their own compensation and are not present at executive sessions in which their pay is discussed, recommended or approved.

#### **Determination of CEO Pay**

In an executive session without management present, the Compensation Committee reviews and evaluates CEO compensation. The Compensation Committee reviews competitive market data, as provided by Aon, and both

**EXECUTIVE COMPENSATION**

corporate financial performance and individual performance. Pay recommendations for the CEO, including base salary, incentive payments for the previous year, and equity grants for the current year, are presented to independent members of the Board. During an executive session of the Board, the Board conducts its own review and evaluation of the CEO's performance.

**Peer Companies and Competitive Benchmarking**

The Compensation Committee believes that obtaining relevant market and benchmark data where the Company competes for talent is very important to making determinations about executive compensation.

Annually, the Compensation Committee reviews total compensation market data provided by Aon. The Compensation Committee reviews and approves the peer group used for comparisons prior to commencement of the pay study. Consistent with prior years, the following peer group development criteria were used to develop competitive market values to assist with fiscal year 2022 pay decisions:

- Industry: Companies from the gaming, hospitality, hotel and leisure industries based on the Global Industry Classification System.
- Company size: Approximately 0.4x to 3x our annual revenues, with a secondary focus on market capitalization.
- Peers: Companies using Caesars as a peer in their compensation peer group.
- Peers of peers: Companies used by potential peers in their peer groups.
- Competitors: Companies that compete with Caesars for business and management talent.
- Management and Board recommendations.

The peer group used as a reference point to assist the Compensation Committee with 2022 compensation decisions was unchanged from the prior year and is set forth below:

Boyd Gaming Corporation	Las Vegas Sands	Penn Entertainment, Inc.
Carnival Corporation	Marriott International	Royal Caribbean Cruises
Hilton Worldwide Holdings	MGM Resorts International	Wynn Resorts
Hyatt Hotels Corporation	Norwegian Cruise Line Holdings	

Exceptions to the primary criteria used for peer group may be applied, to the extent determined appropriate.

The Compensation Committee uses competitive compensation data from the annual total compensation study of peer companies as a reference point to inform decisions about targeted total compensation opportunities and specific compensation elements. The Compensation Committee does not benchmark total compensation to any specific percentile relative to the peer companies or the broader United States market, but is fully informed of the competitive landscape. The Compensation Committee applies judgment and discretion in establishing targeted pay levels, taking into account not only competitive market data, but also factors such as Company, business and individual performance, scope of responsibility, critical needs and skill sets, leadership potential and succession planning.

## OUR COMPENSATION PROGRAMS

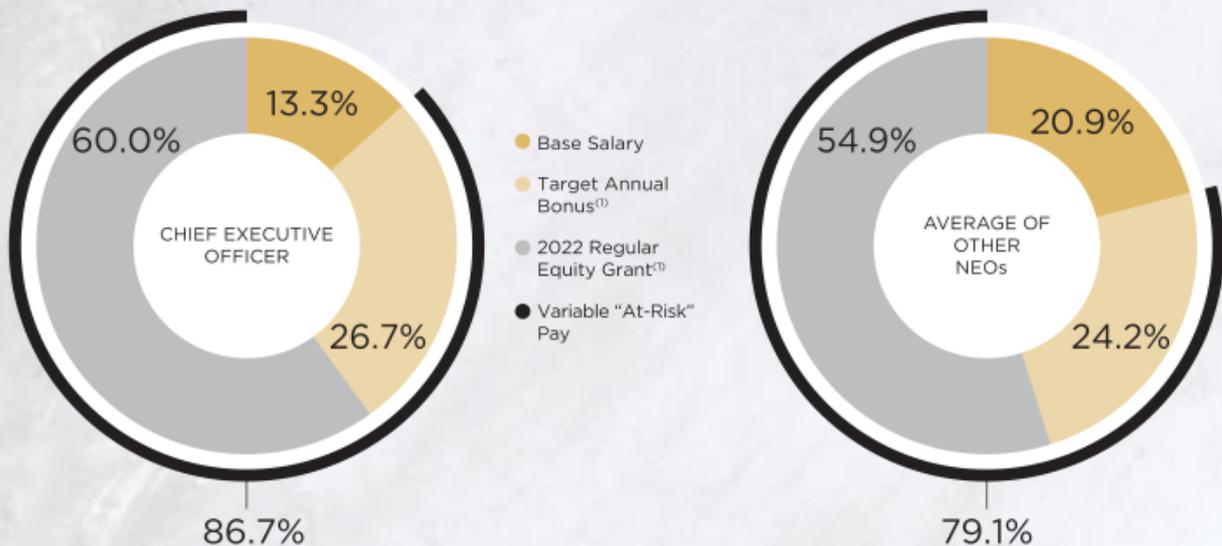

### OVERVIEW

As described below, various Company policies are in place to shape our executive pay plans, including:

- Salaries are linked to (i) competitive factors and (ii) internal equity relative to other members of the executive team and can be (but are not required to be) increased as a result of successful job performance.
- Our annual bonus programs are designed to provide incentive compensation based on our financial performance.
- Long-term equity incentives are tied to our sustained long-term financial performance and enhancement of total shareholder value.
- Retirement and health and welfare programs, are generally on the same terms and conditions as those made available to salaried team members.

### Target Total Compensation Opportunity

A significant portion of our NEOs' compensation is "at risk", meaning the NEOs' right to receive such payment, and the amount of such payment, depends on either operational or stock price performance and continued employment. Our targeted pay mix (fixed salary vs. variable pay) reflects a combination of competitive market conditions and strategic business needs. This variable pay is considered "at risk" compensation. The target total compensation opportunities based on 2022 compensation levels that were considered "at risk" are shown below:

(1) Performance-based compensation as a % of targeted total compensation (in the form of annual bonus and PSUs for the CEO and Other NEOs) are approximately 57% and 52%, respectively. Value of any one-time 2022 payments and equity grants are excluded.

**EXECUTIVE COMPENSATION****ELEMENTS OF EXECUTIVE COMPENSATION AND BENEFITS FOR 2022****BASE SALARY**

The Compensation Committee believes that base salary levels should recognize the skill, competency, experience and performance an executive brings to his or her position. The Compensation Committee determines base salaries using both competitive market data from Aon's annual study and a comprehensive assessment of relevant factors such as experience level, value to shareholders, responsibilities, future leadership potential, critical skills, individual contributions and performance, economic conditions, and the market demands for similar talent.

The NEOs' base salary levels are set forth in the table below.

EXECUTIVE NAME	BASE SALARY AS OF DECEMBER 31, 2022	BASE SALARY AS OF DECEMBER 31, 2021	% Change
Thomas R. Reeg	\$ 2,000,000	\$ 2,000,000	—%
Bret Yunker <sup>(1)</sup>	\$ 1,150,000	\$ 1,000,000	15.0%
Anthony L. Carano <sup>(1)</sup>	\$ 1,350,000	\$ 1,300,000	3.8%
Edmund L. Quatmann, Jr. <sup>(1)</sup>	\$ 775,000	\$ 750,000	3.3%
Stephanie Lepori <sup>(1)</sup>	\$ 700,000	\$ 650,000	7.7%

(1) Increases were based on a combination of merit increases, a review of external competitive market data from the annual Aon study and internal alignment objectives.

**ANNUAL INCENTIVES (CASH BASED BONUS PLAN)**

The goals under our annual incentive plan are designed to be straight-forward in order to focus participants on clearly measurable metrics, balance corporate and property performance by individual participants, and implement the appropriate level of upside/downside reward potential. Annual incentive awards have historically been based on achievement of Adjusted EBITDA. Performance targets are set by the Compensation Committee annually at the start of the applicable fiscal year. Adjusted EBITDA was established as the sole performance metric for 2022 because the Compensation Committee believed that it most accurately reflects our results of operations and represents a key performance metric in the gaming/casino industry.

The Compensation Committee approved the following target bonus opportunities for the 2022 calendar year:

EXECUTIVE NAME	2022 TARGET OPPORTUNITY (AS A % OF BASE SALARY)	2021 TARGET OPPORTUNITY (AS A % OF BASE SALARY)	% Change
Thomas R. Reeg	200%	200%	—%
Bret Yunker	125%	125%	—%
Anthony L. Carano	125%	125%	—%
Edmund L. Quatmann, Jr.	100%	100%	—%
Stephanie Lepori <sup>(1)</sup>	100%	60%	66.7%

(1) Increase was based on a combination of merit increase, a review of external competitive market data from the annual Aon study and internal alignment objectives.

With respect to the Adjusted EBITDA financial metric, performance levels for threshold and maximum bonus opportunities were established at the beginning of 2022 at 90% and 115%, respectively, of target level. At 90% achievement, 50% of the target award is earned, at 100% achievement, 100% of the target award is earned, and at 115% achievement and above, 200% of the target award is earned, subject to linear interpolation between points.

The following table sets forth the threshold, target, and maximum levels established under the 2022 annual incentive plan at the beginning of 2022, based on the budget for 2022, and the levels actually achieved based on performance:

PERFORMANCE LEVEL	PERFORMANCE REQUIREMENT			CONSOLIDATED ADJUSTED EBITDA (TARGETS) ('000'S)
Threshold	90% of target goal			\$ 3,503,700
Target	100% of target goal			\$ 3,893,000
Maximum	115% of target goal			\$ 4,476,950

Dollars in ('000's)	Threshold—90%	Target—100%	Maximum—115%	2022 Actual Adjusted EBITDA and Payout*
Adjusted EBITDA	\$3,503,700	\$3,893,000	\$4,476,950	\$3,952,900
Payout as a % of Target	50%	100%	200%	110%

\* See below for a discussion of the discretionary adjustments to Adjusted EBITDA for compensation purposes which differ from the Adjusted EBITDA as reported on our Form 10-K.

EXECUTIVE NAME	ANNUAL BONUS EARNED FOR 2022	ANNUAL BONUS EARNED FOR 2022 AS % OF TARGET
Thomas R. Reeg	\$4,400,000	110%
Bret Yunker	\$1,581,250	110%
Anthony L. Carano	\$1,856,250	110%
Edmund L. Quatmann, Jr.	\$ 852,500	110%
Stephanie Lepori	\$ 770,000	110%

Adjusted EBITDA is a non-GAAP financial measure. For a reconciliation of Net Income (Loss) to Adjusted EBITDA, see the section entitled "Supplemental Unaudited Presentation of Consolidated Adjusted Earnings before Interest, Taxes, Depreciation and Amortization ("Adjusted EBITDA") for the Year Ended December 31, 2022" on pages 45—46 of our 2022 Annual Report on Form 10-K. For purposes of determining targets for bonus opportunities and achievement of such targets for 2022, consolidated Adjusted EBITDA was calculated as described in our Form 10-K for the year ended December 31, 2022, as further adjusted by the Compensation Committee in its discretion to exclude the impact of certain segments and rent paid under our Rio lease. In determining targets for bonus opportunities and achievements of such targets for future periods, the Compensation Committee may make different or additional adjustments to the calculation of consolidated Adjusted EBITDA.

### Incremental 2022 Performance Bonus

The continued impact of COVID-19 on the Company's operations in early 2022 (the original Omicron wave that began in late 2021) resulted in softer than projected results to begin the year. The timely response of all our team members was vital in suppressing the negative impact to the quarterly operations of our Las Vegas and Regional segments. As a result of the efforts of our team members, despite the continued impact of COVID-19, the Company delivered strong results for the remainder of the year, which included certain record setting quarterly results within our Las Vegas and Regional segments.

Mr. Reeg and the senior management team took into consideration the Company-wide efforts in response to the continued impact of COVID-19 when evaluating the Company's performance relative to the Adjusted EBITDA targets established for non-executive team members. In addition, Mr. Reeg requested that the Compensation Committee similarly take into consideration the efforts, leadership and performance of the executive officers in facing various challenges during 2022. The Compensation Committee evaluated Mr. Reeg's request and, in November 2022, agreed to award an incremental performance bonus to Messrs. Anthony L. Carano (\$286,875), Yunker (\$244,375) and Quatmann (\$131,750) and Ms. Lepori (\$119,000). Mr. Reeg and Mr. Gary L. Carano were not included in this incremental performance bonus. The amounts were determined for each executive based on the estimated continued impact of COVID-19 on the Company's operations in early 2022.

**EXECUTIVE COMPENSATION****LONG-TERM INCENTIVES (EQUITY-BASED AWARDS)**

Our 2015 Equity Incentive Plan allows us to grant incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock awards, restricted stock unit awards, other stock-based awards, and performance awards.

**2022 Equity Mix**

As in past years, for LTI awards made to executive officers during 2022, the equity compensation mix was 50% RSUs and 50% PSUs. For 2022, 35% of the PSUs were based on Adjusted EBITDA achievement over three years, and 65% were based on three-year total shareholder return ranking against the S&P 500. In addition to the regular annual LTI award, Mr. Reeg received a special one-time grant of MSUs during 2022, which was 100% performance-based.

Based on a thorough review of Aon's independent market data described above, the Compensation Committee established annual target LTI levels which were used to determine the target grant date value of LTI awards made to executive officers during 2022.

Each NEO's target grant date LTI award opportunity for 2022 (as a percentage of base salary) is set forth in the table below:

EXECUTIVE NAME	2022 LTI AWARD TARGET OPPORTUNITY (AS A % OF BASE SALARY)	2021 LTI AWARD TARGET OPPORTUNITY (AS A % OF BASE SALARY)
Thomas R. Reeg <sup>(1)</sup>	450%	350%
Bret Yunker <sup>(1)</sup>	300%	200%
Anthony L. Carano <sup>(1)</sup>	300%	200%
Edmund L. Quatmann, Jr. <sup>(1)</sup>	200%	150%
Stephanie Lepori <sup>(1)</sup>	200%	100%

(1) Increases were based on a combination of a review of external competitive market data from the annual Aon study, and internal alignment objectives.

For Mr. Reeg, the LTI award target opportunity shown above does not include his special one-time MSU grant made during 2022, which was 100% performance-based.

**2022 ANNUAL PSU GRANT**

As noted above, for 2022, 35% of the PSUs were based on Adjusted EBITDA achievement, and 65% were based on rTSR, each as measured over a 3-year period.

**Relative Total Shareholder Return**

The portion of the 2022 annual LTI awards that is based on rTSR is intended to motivate our senior management team to maximize the wealth accumulation of our shareholders by outperforming the S&P 500. rTSR is critical because it ties executive officer compensation to the shareholder experience and the creation of shareholder value, and it aligns the interests of executive officers with those of the Company and its shareholders. By measuring our stock performance relative to an index, it mitigates the impact of macroeconomic factors, both positive and negative, that affect the industry and/or stock price performance and are beyond the control of management, and it provides rewards that are more directly aligned with performance through different economic cycles.

The performance and payout slopes for the rTSR portion of the 2022 LTI awards are as follows:

- 75<sup>th</sup> percentile TSR ranking and above: 200% of target payout.
- 50<sup>th</sup> percentile TSR ranking: 100% of target payout.
- 35<sup>th</sup> percentile TSR ranking: 50% of target payout.
- Below 35<sup>th</sup> percentile: No payout.

- Payouts for performance between threshold, target, and maximum percentile requirements are interpolated on a straight-line basis.
- If our 3-year TSR is negative, then the final payout level for these awards will be capped at “target”, even if our TSR falls above the 50th percentile of the TSR ranking against the peer group. For example, if our 3-year TSR is negative, but our TSR ranking was attained at the 75th percentile, the final award payout level would be 100% of target, not 200%.

### Adjusted EBITDA

The portion of the 2022 annual LTI awards that is based on Adjusted EBITDA is intended to motivate our senior management team to achieve operational performance that is aligned to top-line operating metrics. The Board and management view Adjusted EBITDA as a critical indicator of Company performance given the nature of our business, which is why the Compensation Committee determined it was appropriate to include Adjusted EBITDA as a performance metric in both the 2022 annual incentive plan and the 2022 LTI programs. Adjusted EBITDA is a useful indicator of cash flow from operations, which continues to be of importance to our business.

For each calendar year ended or ending December 31st of 2022, 2023 and 2024 (each, a “Performance Year”), the Compensation Committee will establish a “target” level of Adjusted EBITDA to be achieved for such Performance Year (each, a “Performance Year Target”). The percentage at which each Performance Year Target has been achieved will be averaged following the end of the full three-year performance period in order to calculate the cumulative percentage of achievement of the overall Adjusted EBITDA goal (the “Cumulative Percentage”). Based on the payout percentage (the “Payout Percentage”) applicable to the Cumulative Percentage, a number of performance stock units as a percentage of the target number of PSUs granted in respect of the Adjusted EBITDA metric (the “EBITDA Target Award”) will remain eligible to vest at the end of the total three-year performance period, subject to continued employment through the last day of such 3-year period.

The Adjusted EBITDA performance target and actual achievement (as calculated for purposes of determining incentive compensation) is disclosed annually in our CD&A. Please reference “Annual Incentives (Cash-Based Bonus Plan)” on pages 36—37 for the fiscal year 2022 Adjusted EBITDA performance goals and actual achievement.

The payout slopes for this portion of the 2022 LTI awards are the same as the payout slopes established for the 2022 annual incentive plan (i.e., 90% achievement results in 50% payout, 100% achievement results in 100% payout and 115% achievement and above results in 200% payout).

- If the Cumulative Percentage is less than 90%, then the Payout Percentage related to the EBITDA Target Award will be 0%.
- Straight-line interpolation will be used to determine the Payout Percentage for any Cumulative Percentage between 90% and 100% and between 100% and 115%, based upon the Payout Percentages set forth above.

The Compensation Committee reserves the authority to make appropriate adjustments to the calculations and determinations of the applicable performance targets/level of achievement.

The 2022 annual LTI grants to the NEOs were as follows:

EXECUTIVE NAME	TARGET AS A % OF SALARY	RSU* TARGET GRANT VALUE	PSU* TARGET GRANT VALUE
Thomas R. Reeg	450%	\$ 4,500,000	\$ 4,500,000
Bret Yunker	300%	\$ 1,725,000	\$ 1,725,000
Anthony L. Carano	300%	\$ 2,025,000	\$ 2,025,000
Edmund L. Quatmann, Jr.	200%	\$ 775,000	\$ 775,000
Stephanie Lepori	200%	\$ 700,000	\$ 700,000

\* The target grant values set forth in the table above differ from the values reflected in the Summary Compensation Table. The target grant values shown in the table above reflect the target level awards approved by the Compensation Committee for each of the NEOs, whereas the value shown in the Summary Compensation Table is based on the grant date fair value computed in accordance with Accounting Standards Codification 718. The Compensation Committee was aware of the potential difference between target award values and accounting values when it approved target award values for each of the executive officers.

For Mr. Reeg, the awards shown in the table above do not include his special one-time MSU grant made during 2022, which was 100% performance-based.

**EXECUTIVE COMPENSATION****2022 ONE-TIME PERFORMANCE-BASED EQUITY GRANT TO THE CEO**

As previously disclosed in our proxy statement for the 2022 annual meeting of shareholders, in July 2020, the Merger closed amidst the earlier stages of the COVID-19 pandemic, and in 2021, the Company completed its first full calendar year of operation as a combined company. In April 2021, we completed the acquisition of William Hill PLC, a leading sports betting and online gaming company. With the ongoing successful integration of those significant transactions to date and the COVID-19 pandemic shifting, in early 2022, the Compensation Committee sought to further motivate our CEO to continue the successful integration and execute our strategy for our newly assembled group of premier assets and to make the most of the substantial opportunity before us.

To align with this goal, and to align our CEO's interests with our shareholders, in February 2022, the Board made a one-time grant to our CEO of performance-based RSUs with performance metrics consisting of three stock price hurdles requiring significant growth and dramatic stock price appreciation (referred to as "MSUs"), as follows:

TRANCHE	COMPANY STOCK PRICE HURDLE	PERCENTAGE OF ONE-TIME MSUs TO VEST	NUMBER OF ONE-TIME MSUs TO VEST
Tranche 1	\$125	22.2%	50,000
Tranche 2	\$150	33.3%	75,000
Tranche 3	\$175	44.5%	100,000
Total	N/A	100%	225,000

- The closing price of our common stock on the grant date was \$84.69. From that closing price, our stock price would need to increase by 48% to vest in the first tranche and by 107% to earn the full award.
- The performance period is February 25, 2022 through February 25, 2025. The closing price of our common stock on December 31, 2022 was \$41.60. From that closing price, our stock price would need to increase by 200% to vest in the first tranche and by 321% to earn the full award.
- Each tranche of MSUs only vests if the trailing average closing trading price of a share of our common stock measured over any consecutive 20 calendar-day period within the three-year performance period exceeds the respective hurdle.
- In order for any tranche to be earned as a result of stock price performance, our CEO must be serving in such role with the Company at the time the applicable stock hurdle is met.
- Any MSUs that are earned will not be settled (i.e., paid) until the end of the three-year performance period, and our CEO must hold such awards for an additional one-year holding period, thereby incenting and retaining our CEO for a four-year period.
- Based on the closing price of our common stock on the grant date, the stock price would need to increase by approximately 48%, 77% and 107%, respectively, from the grant date closing price in order for the three tranches of MSUs to be earned, corresponding to shareholder value creation of \$8.6 billion, \$13.9 billion and \$19.3 billion, respectively. The Compensation Committee determined that this level of stock price increase was sufficiently incentivizing, and was designed to foster shareholder growth at a rate that is aligned with the Company's growth opportunity potential, with the expectation that our CEO will remain highly motivated to achieve that growth potential over time.
- None of the one-time MSUs have been earned yet because our stock price has not risen to the applicable hurdle levels. Although the Summary Compensation Tables includes a grant date value \$15,679,500 for the one-time MSUs in 2022, as of December 31, 2022 our stock price had not achieved the relevant hurdles for vesting and, had the vesting date of the award been December 31, 2022, the amount of compensation Mr. Reeg would have realized is \$0.
- If Mr. Reeg resigns, or is terminated by the Company for any reason, all then-earned MSUs subject to the award will immediately be forfeited and canceled. Upon Mr. Reeg's termination for Cause (as defined in his employment agreement), all MSUs, whether earned or unearned, will be forfeited. If Mr. Reeg resigns without Good Reason (as defined in his employment agreement), all MSUs earned prior to such resignation will be settled as soon as reasonably practicable following the end of the performance period. In the event Mr. Reeg is terminated without Cause, resigns for Good Reason, or is terminated due to death or Disability (as defined in his employment agreement), all then-earned MSUs will be settled within sixty (60) days of Mr. Reeg executing (and not revoking) a general release of all claims.

### ***Background Leading to the One-Time Performance-Based Grant***

On July 20, 2020, the Merger was consummated, resulting in the transformative combined entity of Caesars Entertainment, Inc. As a result of this historic and transformative business combination, the Company is the largest casino-entertainment company in the U.S., and one of the world's most diversified casino-entertainment providers across the U.S.

The strategic rationale for the Merger included, but was not limited to, the following:

- Creation of the largest owner, operator and manager of U.S. domestic gaming assets;
- Diversification of the Company's domestic footprint;
- Access to iconic brands, rewards programs and new gaming opportunities expected to enhance customer experience; and
- Realization of significant identified synergies.

We continued to identify operating and cost efficiencies, including savings from the purchasing power of the combined Caesars organization, targeted integrated marketing strategies and eliminated certain redundant costs. As a result, we exceeded our stated synergy target and experienced significant margin improvements in our results of operations through 2021. Further, we continue to identify operational efficiencies in the combined company as a result of our other acquisitions and divestitures including William Hill in 2021.

In August, 2021, we launched our Caesars Sportsbook app on our owned and integrated technology platform along with an extensive marketing campaign. Growth in our Caesars Digital segment continues to be realized with the expansion into new states as jurisdictions legalize retail and online sports betting, and continues to exceed our expectations for new customer registrations, deposits and market share.

### ***Strategic Opportunity***

The Merger joined two successful gaming leaders, Former Caesars and ERI, creating the largest and most diversified collection of destinations across the U.S. Our goal is to further our leadership position in the gaming and sports betting industries. We believe our growth strategies position us well to capture market share from competitors and accelerate beyond our industry's attractive growth profile. The Compensation Committee considered the Company's success to date in executing our strategy, the corresponding shareholder value creation and strong relative performance. At this critical moment on our path, the Compensation Committee sought to incentivize our CEO to continue realizing the potential shareholder value creation of the Merger and the acquisition of William Hill and providing strong leadership for the Company.

### ***Alignment of Grant with Strategy; Alignment of Interests of CEO and Shareholders***

Reaching the MSU stock price hurdles and the CEO's receipt of value from the MSUs, if any, are inextricably tied to the successful execution of our strategy to achieve our objective of becoming the unparalleled leader in our industry and the creation of significant shareholder value. In addition, with the performance measure being our stock price, and with the hurdles representing significant increases, the grant completely aligns the interests of the CEO with those of shareholders. The CEO only earns shares if he leads the accomplishment of key objectives and the execution of our strategy in a way that translates to the creation of significant shareholder value. Thus, both the CEO and our other shareholders have a common interest in substantial stock price growth.

## **BENEFITS**

The NEOs are eligible to participate in various benefit plans, including 401(k), health insurance, life insurance and short and long-term disability plans that are generally available to all salaried team members. We offer a deferred compensation plan to certain team members, including our executive officers, in order to give them the ability to elect to defer the payment of all or a portion of their base salary and annual performance bonus earned in respect of a given year.

## EXECUTIVE COMPENSATION

### EMPLOYMENT AGREEMENTS; SEVERANCE ENTITLEMENTS

At the end of 2021, our Compensation Committee undertook a holistic review of the NEOs' existing employment agreements, and the contractual arrangements with our executive officers more generally, in order to ensure that such arrangements provide sufficient retention value for our core executive leadership team and motivation to perform consistent with the Company's long-term goals and objectives. The Compensation Committee views the executive leadership team as being absolutely critical to the Company's success and ability to drive shareholder value, given their collective experience with the Company and in the gaming industry generally. The Compensation Committee also believes that current management is cohesive and has a shared management operating philosophy. After review and consideration, the Compensation Committee approved amended and restated, or new, employment agreements for our NEOs, which are described below in "Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table—Employment Agreements". Entering into these employment agreements with the executive officers achieved the goal of ensuring commitment from the team, and provides for severance payments and benefits as a result of certain involuntary termination events, as described in more detail below. These employment agreements became effective on January 1, 2022 and were subsequently amended and restated in August of 2022.

### CLAWBACKS AND FORFEITURES

Employment agreements with our executive officers provide that, (i) in the event an executive's employment terminates due to the executive's resignation without "good reason" or by the Company for "cause" (as such terms are defined in the Executive Employment Agreements (as defined below)), prior to January 1, 2025, the executive will be required to repay to the Company a pro rata portion of the executive's one-time signing bonus paid in December 2021 and (ii) we may recover compensation that is subject to recovery under, or required to be recovered by, applicable law, government regulation or stock exchange listing requirements. Pursuant to the terms of our Clawback and Recoupment Policy, in the event of an accounting restatement of our financial statements due to a material noncompliance with any financial reporting requirements under any applicable security law(s), our Board may require an executive officer to reimburse, repay or forfeit any excess incentive compensation paid or granted to, or received or earned by, such executive officer during the three-year period preceding the publication of the restatement. In each instance, our Board, in its reasonable business judgment, will determine whether and the extent to which to pursue such reimbursement, repayment or forfeiture from each such executive officer based on those factors that our Board believes to be reasonable and appropriate. Further, the award agreements governing equity awards granted to our executive officers under our long-term incentive plan provide for recoupment of those awards in accordance with or as required by applicable government regulation, stock exchange listing requirements, or other applicable law, or pursuant to any applicable clawback policy of ours, including our Clawback and Recoupment Policy described above. The Compensation Committee and the Board are reviewing the terms of existing clawback policies in connection with the SEC's final clawback rule adopted in 2022 and Nasdaq's listing rules adopted in February 2023 and plans to adopt a clawback policy that complies with such rules.

### COMPENSATION RISK ASSESSMENT

It is the responsibility of the Compensation Committee to review the Company's policies and practices related to compensation in the context of their potential encouragement of excessive risk-taking behavior. The Compensation Committee has worked closely with Aon to design a performance-based compensation system that supports our objective to align shareholder and management interests, supports our strategic business plan, and mitigates the possibility of executives taking unnecessary or excessive risks that would adversely impact us. The following factors mitigate the risk associated with our compensation programs:

- The Compensation Committee approves and, in some instances, the Board ratifies, short and long-term performance objectives for our incentive plans, which we believe are appropriately aligned with the creation of shareholder value;
- The Compensation Committee's discretion to modify final payouts under both short and long-term incentive plans;

- The use of company-wide performance metrics for both the short and long-term incentive programs ensures that no single executive has complete and direct influence over outcomes, encouraging decision making that is in the best long-term interest of shareholders;
- The use of equity and cash opportunities with vesting periods to foster retention and alignment of our executives' interests with those of our shareholders;
- Capping the potential payouts under both short and long-term incentive plans to eliminate the potential for any windfalls; and
- The use of competitive general and change-in-control severance arrangements help to ensure that team members continue to work toward the shareholders' best interests in light of potential employment uncertainty.

Based on a review of these factors, the Compensation Committee believes that its current compensation policies and practices are not reasonably likely to have a material adverse effect on the Company.

**CERTAIN TAX AND ACCOUNTING CONSIDERATIONS—SECTION 162(m)**

In reaching decisions on executive compensation, the Compensation Committee considers the tax and accounting consequences, including that compensation in excess of \$1 million paid to covered executive officers generally will not be deductible for federal income tax purposes under Section 162(m) of the Internal Revenue Code (which deduction limitations will apply to our NEOs). We expect that the Compensation Committee will continue to consider tax and accounting consequences in reaching decisions on executive compensation.

**STOCK OWNERSHIP GUIDELINES**

The Compensation Committee and the Board encourage executives to implement our business strategies and initiatives from the perspective of a shareholder and, to this end, encourage executives to maintain a meaningful equity stake in the Company.

To that end, we maintain the following minimum stock ownership guidelines for our executive officers:

POSITION	MULTIPLE OF BASE SALARY
CEO	5x
CFO and COO	4x
Other Executive Officers	2x

Each of the executive officers have until the later of five years from implementation of the stock ownership guidelines or five years from the executive's date of hire or promotion to a new role to achieve his minimum stock ownership. Once achieved, the Board expects the Executive Officers to comply with the applicable minimum stock ownership guideline for as long as they are subject to the guidelines. For purposes of calculating level of compliance, shares owned outright, vested RSUs, unvested time-based RSUs, PSUs that have been earned based on performance and vested but deferred shares, will count toward the ownership guidelines. Performance units that remain subject to performance conditions do not count toward the guidelines.

In addition, we have minimum stock ownership guidelines for our non-employee directors. The stock ownership guidelines require our non-employee directors to hold shares of our common stock with a minimum value equal to 5x the director's annual cash-base retainer fee. Non-employee directors have five years to achieve their minimum stock ownership. Once achieved, the Board expects non-employee directors to maintain their stated guideline for as long as they are subject to the guidelines. For purposes of calculating level of compliance, shares owned outright, vested RSUs, unvested RSUs, and vested but deferred shares, will count toward the ownership guidelines.

**EQUITY GRANT PRACTICES**

The Compensation Committee's procedure for timing of equity awards helps to provide assurance that grants are not timed to result in favorable pricing for executives. Generally, equity awards are granted by the Compensation Committee as a dollar value from which the number of shares awarded is determined based on the prior 20-day

## EXECUTIVE COMPENSATION

average stock price. Board and committee meeting schedules and award decisions are made without regard to the timing of our SEC filings or press releases. The Compensation Committee approves equity awards during “open window” periods (i.e., does not approve awards at a time when either the Company or the executive(s) are in possession of material non-public information).

## HEDGING POLICY

The Company’s Securities Trading Policy provides that no director, officer or team member of the Company or other controlled businesses (collectively, “Caesars Companies”) may enter into short sales of Company Securities (defined below) or buy or sell exchange-traded options (puts or calls) on Company Securities.

“Company Securities” means any stock, bond, debentures, options, warrants or other marketable equity or debt security issued by any Caesars Company; and any security or other instrument issued by an unrelated third party and based on any equity or debt security (including exchange-traded options and credit default swaps) of any Caesars Company.

## PERSONAL BENEFITS AND PERQUISITES

It is our intent to continually assess business needs and evolving market practices to ensure that perquisite offerings are competitive and in the best interest of our shareholders. We pay short and long-term disability and life insurance premiums for the NEOs.

Certain executive officers, as designated by the CEO, are approved to use Company-owned or leased aircraft for personal travel on a limited basis with prior authorization of the CEO (which authorization was delegated to the CEO by the full Board). The executives are taxed for any such personal travel, and we report the aggregate incremental costs to the Company in the “All Other Compensation” column of the Summary Compensation Table. The Board believes this limited benefit is an appropriate method to provide the executive officers with an occasional convenient way to integrate work and personal responsibilities.

As an owner and operator of full-service resorts and casinos, we are able to offer our team members, including our executive officers, as well as our directors, with the opportunity to use our facilities at comped values, not to exceed \$20,000 per year. This benefit is provided at little or no incremental cost to the Company. This program is designed to provide our team members, executive officers and directors with the opportunity to experience our facilities and provide feedback for the Company to take into account on an on-going basis.

For more information on these benefits, see the footnotes to the “All Other Compensation” column of the Summary Compensation Table.

## COMPENSATION COMMITTEE REPORT

The role of the Compensation Committee is to assist the Board in its oversight of the Company’s executive compensation, including approval and evaluation of director and officer compensation plans, programs and policies and administration of the Company’s bonus and other incentive compensation plans. The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis included in this Proxy Statement. Based on this review and discussion, the Compensation Committee has recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement for the Annual Meeting.

(1) Amounts shown for 2022 represent the Incremental Performance Bonus, described above. Amounts in 2021 represent one-time cash signing bonuses in conjunction with the execution of new employment agreements, described below.

(2) Amounts shown represent the aggregate grant date fair value of RSUs, Mr. Reeg's MSUs, and PSUs computed in accordance with Accounting Standards Codification 718. For a discussion of valuation assumptions, see Note 15 in our Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K filed with the SEC on February 21, 2023. At the grant date, we believed that it was probable that the performance criteria applicable to the non-market-based PSUs would be met at target level and that each individual will remain employed through the vesting period. For the market-based PSUs (i.e., the PSUs based on rTSR and Mr. Reeg's MSUs granted during 2022), the probable outcome of achievement of the market-based TSR goals / applicable stock price hurdles was determined using a Monte Carlo simulation model. For both the market-based and non-market based PSUs (other than Mr. Reeg's MSUs), the maximum number of PSUs eligible to vest is equal to 200% of the target award. Assuming maximum level of achievement of the PSUs with non-market-based performance conditions granted during 2022 (other than Mr. Reeg's MSUs), the grant date fair value of the awards granted to Messrs. Reeg, Yunker, Anthony L. Carano and Quatmann and Ms. Lepori would have been \$2,753,888, \$1,055,584, \$1,239,177, \$474,159 and \$428,334, respectively. The MSUs granted to Mr. Reeg in 2022 are only eligible to vest up to 100% of the awards granted.

(3) Amounts shown for 2022, 2021 and 2020 represent the amounts earned under our annual bonus plan in respect of performance achieved during the applicable year.

**EXECUTIVE COMPENSATION**

- (4) The amount reported for Mr. Reeg for 2021 in the prior year proxy statement unintentionally omitted approximately \$20,734 relating to the use of corporate aircraft. The Company views the omission as immaterial, however we have included the amount in Mr. Reeg's "All Other Compensation" for 2021 in the table above.

All other compensation for 2022 consisted of the following:

NAME	LIFE INSURANCE PREMIUMS (\$)	LONG- TERM DISABILITY (\$)	GROUP TERM LIFE INSURANCE (\$)	USE OF CORPORATE OR LEASED AIRCRAFT (\$) <sup>(1)</sup>	401(K) MATCH (\$)	HEALTH SAVINGS ACCOUNT (\$)	TOTAL (\$)
Thomas R. Reeg	2,352	1,479	5,382	316,993	7,090	—	333,296
Bret Yunker	2,352	1,479	3,510	22,138	6,150	—	35,629
Anthony L. Carano	2,352	1,479	2,340	32,735	—	—	38,906
Edmund L. Quatmann, Jr.	1,765	1,479	4,002	43,470	9,740	495	60,951
Stephanie Lepori	1,529	1,479	3,450	—	8,700	—	15,158

- (1) The amounts disclosed reflect the aggregate incremental cost to the Company of providing certain personal use of Company-owned or leased aircraft. For leased aircraft, this cost is calculated based on the applicable hourly rate charged to the Company, plus fuel and ancillary charges. The cost of Company-owned aircraft is calculated based on an estimate of the aggregate incremental cost to the Company, consisting of the cost to the Company of fuel, trip-related maintenance, crew travel expenses, on-board catering, landing fees, trip-related hangar/parking costs and other miscellaneous variable costs. Since our aircraft is used primarily for business travel, we do not include the fixed costs that do not change based on usage, such as pilots' salaries, depreciation of the purchase costs of our aircraft and the cost of maintenance not specifically related to trips. From time to time, certain family members or other guests will accompany the NEOs on personal trips when using Company-owned aircraft, at little or no incremental cost to the Company.

## Nonqualified Deferred Compensation

### Deferred Compensation Plan

Pursuant to the Caesars Entertainment Corporation Executive Supplemental Savings Plan III (the "Deferred Compensation Plan"), which we assumed from Former Caesars, certain team members, including our executive officers, may elect to defer the payment of all or a portion of their base salary and annual performance bonus earned in respect of a given year. Individual account balances in the Deferred Compensation Plan are adjusted in accordance with deemed investment elections made by the participant using investment vehicles made available from time to time. Distributions from the Deferred Compensation Plan may be made in the form of a lump-sum payment or in installments upon separation of service from the Company.

The Deferred Compensation Plan is an unfunded deferred-compensation arrangement. The table below shows aggregate earnings and balances accrued for the participating NEOs for the year ended December 31, 2022.

NAME	BALANCE AT BEGINNING OF FISCAL YEAR	EXECUTIVE CONTRIBUTIONS IN LAST FISCAL YEAR (\$) <sup>(1)</sup>	COMPANY CONTRIBUTIONS IN LAST FISCAL YEAR (\$)	AGGREGATE EARNINGS (LOSS) IN LAST FISCAL YEAR (\$) <sup>(2)</sup>	AGGREGATE WITHDRAWAL/DISTRIBUTION (\$)	AGGREGATE BALANCE AT LAST FISCAL YEAR END (\$) <sup>(3)</sup>
Edmund L. Quatmann, Jr.	615,536	440,899	—	(80,328)	—	976,107

(1) The amounts shown reflect contributions to the Deferred Compensation Plan, consisting of deferrals of 2022 annual base salary and deferral of a portion of the bonus earned under the 2022 annual incentive plan which was paid in 2023. These amounts are included in the Summary Compensation Table for 2022.

(2) The amount shown reflects earnings (loss) in the Deferred Compensation Plan.

(3) Reflects account balance accrued as of December 31, 2022, consisting of (i) base salary deferrals and any earnings thereon, plus (ii) the deferred portion of the bonus earned under the 2022 annual incentive plan that was paid in 2023 (which amount was \$324,803).

### 2022 Stock Vested Table

The following table sets forth information regarding the vesting of stock awards for each of our NEOs during the year ended December 31, 2022. No stock options were exercised by the NEOs during the year ended December 31, 2022.

EXECUTIVE NAME	NUMBER OF SHARES ACQUIRED ON VESTING OF RSUs AND ANNUAL PSUs	VALUE REALIZED ON VESTING <sup>(1)</sup>
Thomas R. Reeg	135,790	\$ 11,099,444
Bret Yunker	35,091	\$ 2,393,868
Anthony L. Carano	54,590	\$ 4,514,313
Edmund L. Quatmann, Jr.	21,411	\$ 1,744,971
Stephanie Lepori	10,564	\$ 835,135

(1) Value realized was computed by multiplying the number of RSUs and PSUs that vested during 2022 for the applicable NEOs, by the closing stock price of the underlying shares of our common stock on the applicable vesting date. Shares that have vested remain subject to the applicable stock ownership guidelines. The number of shares acquired on vesting does not reflect any reductions for shares withheld to satisfy tax withholding obligations.

### Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table—Employment Agreements

#### New Employment Agreements Effective January 1, 2022

On December 28, 2021, we entered into amended and restated employment agreements with each of our NEOs, other than Ms. Lepori, with whom we entered into a new employment agreement. Each NEO is referred to herein as an "Executive" and, collectively the amended and restated employment agreements and new executive employment agreement are referred to herein as the "Executive Employment Agreements." The Executive Employment Agreements became effective on January 1, 2022 and were subsequently amended and restated in August of 2022.

**EXECUTIVE COMPENSATION**

Each Executive Employment Agreement is for a three-year term until January 1, 2025, with automatic one-year renewals unless a notice of non-renewal is provided by either party at least three months before the scheduled renewal date. If a “change in control” (as defined in the applicable Executive Employment Agreement) occurs during the term of the agreement, the then-current term of such agreement will be extended an additional two years from the change in control, subject to automatic renewal for subsequent periods.

The Executive Employment Agreements provide for a base salary, annual incentive bonus opportunity as a percentage of base salary, and an LTI award opportunity as a percentage of base salary, as shown below, which went into effect on January 1, 2022:

EXECUTIVE	BASE SALARY	ANNUAL INCENTIVE BONUS OPPORTUNITY TARGET AS A PERCENTAGE OF BASE SALARY	LONG-TERM INCENTIVE AWARD AS A PERCENTAGE OF BASE SALARY
Thomas R. Reeg	\$ 2,000,000	200%	450%
Anthony L. Carano	\$ 1,350,000	125%	300%
Bret Yunker	\$ 1,150,000	125%	300%
Edmund L. Quatmann, Jr.	\$ 775,000	100%	200%
Stephanie Lepori	\$ 700,000	100%	200%

Under the Executive Employment Agreements, each of the NEOs received a signing bonus pursuant to their respective Executive Employment Agreement in the following amounts: Mr. Reeg (\$5,000,000), Mr. A. Carano (\$1,500,000), Mr. Yunker (\$1,500,000), Mr. Quatmann (\$1,000,000), and Ms. Lepori (\$1,000,000). In the event an Executive’s employment terminates due to the Executive’s resignation without “good reason” or by the Company for “cause” (as such terms are defined in the Executive Employment Agreements) prior to January 1, 2025, the Executive will be required to repay to the Company a pro rata portion of their signing bonus.

In the event of a termination of Mr. Reeg’s employment by the Company without “cause” or if Mr. Reeg terminates his employment for “good reason” (each as defined in Mr. Reeg’s Executive Employment Agreement), Mr. Reeg is entitled to receive (i) a lump-sum payment equal to 1.0 times the sum of his base salary and annual incentive award target, or 2.99 times such amount in the event of such a termination within two years following a change in control, (ii) a lump-sum payment of a prorated portion of his actual annual incentive award, if any, or a prorated portion of his annual incentive award at target in the event of such a termination within two years following a change in control, (iii) a lump-sum payment equal to 12 months of health benefits coverage, or 24 months if such a termination is within two years following a change in control, and (iv) outplacement services for no more than 12 months and in an amount not to exceed \$10,000.

For each Executive other than Mr. Reeg, in the event of a termination by the Company without cause or if the Executive terminates their employment for good reason, such Executive is entitled to receive (i) a lump-sum payment equal to 1.0 times the sum of such Executive’s base salary and annual incentive award target, or 2.0 times such amount in the event of such a termination within two years following a change in control, (ii) a lump-sum payment of a prorated portion of such Executive’s annual incentive award based on actual performance for the calendar year that includes the date of the termination, if any, or a prorated portion of such Executive’s target annual incentive award in the event of such a termination within two years following a change in control, (iii) a lump-sum payment equal to 12 months of health benefits coverage, or 18 months if such a termination is within two years following a change in control, and (iv) outplacement services for no more than 12 months and in an amount not to exceed \$10,000.

The Executive Employment Agreements contain certain customary non-competition, non-solicitation and confidentiality provisions (namely, 12-month post-termination non-competition and non-solicitation restriction, and perpetual confidentiality provisions).

## Potential Payments Upon Termination or Change in Control Table

The following table describes and quantifies certain compensation that would become payable under existing agreements, plans and arrangements with NEOs, as described above if the triggering event occurred on December 31, 2022, given compensation levels as of such date and, if applicable, based on our closing stock price on that date.

The amounts shown in the table below reflect the severance provisions included in the NEOs' employment agreements that were in effect as of December 31, 2022, as described above.

The amounts included in "Cash Severance" above include the cash severance payments described for each NEO under "New Employment Agreements Effective January 1, 2022" above (i.e., the sum of annual base salary and target incentive bonus, multiplied by the applicable severance multiple). Cash Severance on a termination without cause or for good reason also includes the full amount of the actual annual incentive bonus earned, including any discretionary bonus amounts, in respect of the 2022 calendar year (or, on a termination without cause or for good reason following a change of control, the full target amount), which amount would also become payable assuming such termination happened on December 31, 2022, given there would be no pro-ration. The amounts included under "Other Benefits" includes the amounts payable in respect of COBRA continuation and outplacement services, as applicable.

Under the 2022 Executive Employment Agreements, upon the occurrence of an NEO's death, they would receive a pro-rated target annual incentive bonus for such year, and upon the occurrence of an NEO's disability, they would receive a pro-rated target annual incentive bonus for such year, plus continuation of COBRA benefits for 12 months. The amount shown under "Cash Severance" in the table above under these scenarios includes a full target incentive bonus amount for the year of termination, assuming such event occurred on December 31, 2022, given there would be no pro-ration.

Under the terms of the PSUs and RSUs granted prior to the Merger, all unvested awards would become fully vested upon the NEO's termination by the Company without "cause", by the executive for "good reason", or as a result of the executive's death or disability (with PSUs vesting at target level). For awards granted following the Merger during 2020, upon a termination by the Company without "cause", by the executive for "good reason", or as a result of the executive's death or disability, other than during the 24-month period following a change of control, a pro-rated portion of the next tranche of RSUs would become vested, and a pro-rated portion of the PSUs would remain eligible to be earned following the end of the performance period based on actual

**EXECUTIVE COMPENSATION**

performance. For awards granted during 2021, upon a termination as a result of the executive's death or disability, other than during the 18-month period following a change of control, all unvested RSUs would become vested, and upon death, disability or retirement, a pro-rated portion of the PSUs would remain eligible to be earned following the end of the performance period based on actual performance. For awards granted during 2022 (other than Mr. Reeg's one-time performance-based grant), upon a termination as a result of the executive's death or disability, other than during the 18-month period following a change of control, all unvested RSUs would become vested, and upon death, disability or retirement, a pro-rated portion of the PSUs would remain eligible to be earned following the end of the performance period based on actual performance. For purposes of the chart above, we have assumed "target" level performance for uncompleted performance years (and estimated actual performance for completed performance years) for purposes of calculating the acceleration of unvested PSUs in these termination scenarios.

The award agreement for Mr. Reeg's one-time performance-based grant made in 2022 provides that, upon a termination by the Company without cause, by Mr. Reeg for good reason, or as a result of his death or disability, any awards that have not yet been earned based on the applicable stock price hurdles would be forfeited. For purposes of the chart above, \$0 has been included in respect of this award due to the fact that, as of December 31, 2022, none of the stock price hurdles had been met.

For purposes of calculating the value of RSUs and PSUs upon a change of control, or upon a termination by the company without "cause" or by the executive for "good reason" following a change of control, we have assumed that no replacement award was provided in connection with the change of control and that each NEO's employment was terminated on December 31, 2022, and that all unvested RSUs and PSUs vested at "target" level. For RSUs and PSUs granted following the Merger, unvested awards would not accelerate automatically if a "replacement award" was provided. For purposes of calculating the value of Mr. Reeg's one-time performance-based grant in connection with a change of control, we have assumed that all of the applicable stock price goals would be met and the award would vest upon the change of control.

## CEO PAY RATIO

As required by Section 953(b) of the Dodd-Frank Wall Street and Consumer Protection Act and Item 402(u) of Regulation S-K, we are providing the following information about the relationship of the annual total compensation of Mr. Reeg, our CEO, and the annual total compensation of all of our employees. We believe this pay ratio is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K.

Based on our internal review procedures this year, we do not believe that there have been any changes in our employee population or compensation arrangements that we reasonably believe would result in a significant change to our pay ratio calculation. As permitted under Item 402(u) of Regulation S-K, for purposes of calculating the 2022 CEO pay ratio, we used the same employee who was identified as our median employee for 2021 as reported in our proxy statement filed in 2022, and recalculated that employee's annual total compensation for 2022.

For purposes of determining the median employee in respect of 2021, we determined that, as of December 31, 2021, the employee population of the Company and its consolidated subsidiaries consisted of approximately 48,122 employees as reflected in our internal payroll records. This population included full-time, part-time and seasonal employees employed by us on that date. Less than 5% of our employee population is located outside the U.S. We did not exclude any employees from our population for purposes of calculating the pay ratio.

To identify our median employee from this population for 2021, we used cash compensation paid during 2021, consisting of base cash salary for salaried employees and cash compensation paid at the applicable hourly rate for non-salaried employees, plus bonus payments, other cash-based wages and matching contributions to the employees' 401k plan account for all employees. We annualized the cash compensation for any employees who were hired during 2021. Certain of our non-salaried employees also may receive tip income, which we excluded for purposes of determining the median employee.

We determined that the median employee's annual total compensation for 2022 was \$36,252 and the annual total compensation of our CEO was \$31,349,920 as shown in the "Total" column of the Summary Compensation Table included in this Proxy Statement. Based on this information, for 2022 the ratio of the annual total compensation of Mr. Reeg to the annual total compensation of the median employee was 865 to 1.

### *Supplemental CEO Pay Ratio*

In order to give additional context to the 2022 CEO pay ratio reported above, and as additional context to our CEO's annual total compensation for 2022, we are providing a supplemental ratio that compares Mr. Reeg's 2022 annual total compensation, excluding the one-time 100% performance-based award granted in 2022, to the median employee's annual total compensation. As discussed in the CD&A under the section entitled "2022 One-Time Performance-Based Equity Grant to the CEO", in 2022 Mr. Reeg was awarded a one-time equity grant that is 100% performance-based and subject to achievement of pre-established stock price hurdles. We are providing this supplemental pay ratio excluding the value of this award because there must be significant levels of stock price appreciation in order for the award to be earned, and because this award is not part of Mr. Reeg's regular total annual compensation. After excluding the value of this award as reported in the Summary Compensation Table, Mr. Reeg's annual total compensation as shown in the "Total" column of the Summary Compensation Table would have been \$15,670,420, resulting in a supplemental ratio of 432 to 1.

Because the SEC rules for identifying the median employee of the annual total compensation of our employees and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their employee populations and compensation practices, the pay ratio reported by other companies may not be comparable to our pay ratio, as other companies may utilize different methodologies in calculating their pay ratios.

## Pay Versus Performance

As required by Section 953(a) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(v) of Regulation S-K, we are providing the following information about the relationship between executive compensation actually paid to our Principal Executive Officer ("PEO"), the average of our other Non-PEO NEOs and certain financial performance of the Company. For further information concerning the Company's pay-for-performance philosophy and how the Company seeks to align executive compensation with the Company's performance, refer to the Compensation Discussion and Analysis section of this Proxy Statement.

The dollar amounts do not reflect the actual amount of compensation earned by or paid to Mr. Reeg during the applicable year. In accordance with the requirements of Item 402(v) of Regulation S-K, the following adjustments were made to Mr. Reeg's total compensation for each year to determine the compensation actually paid:

YEAR	PEO

(a) The grant date fair value of equity awards represents the total of the amounts reported in the "Stock Awards" column in the Summary Compensation Table for the applicable year.

(b) The equity award adjustments for each applicable year include the addition (or subtraction, as applicable) of the following: (i) the year-end fair value of any equity awards granted in the applicable year that are outstanding and unvested as of the end of the year; (ii) the amount of change as of the end of the applicable year (from the end of the prior fiscal year) in fair value of any awards granted in prior years that are outstanding and unvested as of the end of the applicable year; and (iii) for awards granted in prior years that vest in the applicable year, the amount equal to the change as of the vesting date (from the end of the prior fiscal year) in fair value. (3) The dollar amounts reported in this column represent the average of the amounts reported for the Company's named executive officers (NEOs) as a group (other than Mr. Reeg) in the "Total" column of the Summary Compensation Table in each applicable year. The names of each of the NEOs (excluding

Mr. Reeg) included for purposes of calculating the average amounts in each applicable year are as follows: (i) for 2022, Bret Yunker, Anthony L. Carano, Edmund L. Quatmann, Jr. and Stephanie Lepori (ii) for 2021, Gary L. Carano, Bret Yunker, Anthony L. Carano and Edmund L. Quatmann, Jr. and (iii) for 2020, Gary L. Carano, Bret Yunker, Anthony L. Carano and Stephanie Lepori.

- (4) The dollar amounts reported in this column represent the average amount of “compensation actually paid” to the NEOs as a group (identified in Footnote 3), as computed in accordance with Item 402(v) of Regulation S-K. The dollar amounts do not reflect the actual average amount of compensation earned by or paid to the NEOs as a group during the applicable year. In accordance with the requirements of Item 402(v) of Regulation S-K, the following adjustments were made to average total compensation for these NEOs as a group for each year to determine the compensation actually paid, using the same methodology described above in Note 2(b):

- (5) Cumulative TSR is calculated by dividing the sum of the cumulative amount of dividends for the measurement period, assuming dividend reinvestment, and the difference between the Company’s share price at the end and the beginning of the measurement period by the Company’s share price at the beginning of the measurement period.
- (6) Represents the weighted peer group TSR, weighted according to the respective companies’ stock market capitalization at the beginning of each period for which a return is indicated. The peer group used for this purpose is the following published industry index: The Dow Jones U.S. Gambling Total Stock Market Index.
- (7) The dollar amounts reported represent the amount of net income reflected in the Company’s audited financial statements for the applicable year.
- (8) While the Company uses numerous financial and non-financial performance measures for the purpose of evaluating performance for the Company’s compensation programs, the Company has determined that Adjusted EBITDA is the financial performance measure that, in the Company’s assessment, represents the most important performance measure (that is not otherwise required to be disclosed in the table) used by the Company to link company performance to compensation actually paid to the company’s NEOs, for the most recently completed fiscal year.

For a reconciliation of Net Income (Loss) to Adjusted EBITDA, see the section entitled “Supplemental Unaudited Presentation of Consolidated Adjusted Earnings before Interest, Taxes, Depreciation and Amortization (“Adjusted EBITDA”) for the Years Ended December 31, 2022, 2021 and 2020” on pages 45—46 of our 2022 Annual Report on Form 10-K.

- a. Adjusted EBITDA
- b. Relative TSR

- d. Revenue

PROPOSAL 3 : RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

PROPOSAL 3

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee reviews the performance and independence of the independent registered public accounting firm annually. During 2022, the Audit Committee continued to retain Deloitte & Touche LLP. If the Company's shareholders do not ratify the appointment of Deloitte & Touche LLP, the Audit Committee will reconsider the appointment and may affirm the appointment or retain another independent accounting firm. Even if the appointment is ratified, the Audit Committee may in the future replace Deloitte & Touche LLP as our independent registered public accounting firm if it is determined that it is in the Company's best interests to do so.

Representatives of Deloitte & Touche LLP will be present at the Annual Meeting, and they will have the opportunity to make a statement if they desire to do so. We also expect that they will be available to respond to appropriate questions.

**THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2023.**

## AUDIT COMMITTEE REPORT

*The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act or the Exchange Act, except to the extent the Company specifically incorporates this Report by reference therein.*

The purpose of the Audit Committee is to oversee our accounting and financial reporting processes and our consolidated financial statements. The Board, in its business judgment, has determined that all members of the Audit Committee are “independent”, as required by applicable listing standards of Nasdaq and the Sarbanes-Oxley Act of 2002 and the rules promulgated thereunder. The Audit Committee operates pursuant to an Audit Committee Charter that was originally adopted in September 2014 and most recently amended in April 2022. As set forth in the Audit Committee Charter, our management is responsible for the preparation, presentation and integrity of our consolidated financial statements and for the effectiveness of internal control over financial reporting. Management is responsible for maintaining our accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Our independent registered public accounting firm is responsible for auditing our consolidated financial statements and expressing an opinion as to their conformity with generally accepted accounting principles in the U.S. In addition, our independent registered public accounting firm expresses an opinion on the effectiveness of our internal controls over financial reporting. The Audit Committee’s responsibility is to monitor and oversee these processes.

As part of its responsibility to monitor and oversee our internal controls over financial reporting the Audit Committee received and reviewed periodic reports and updates from our management and our independent registered public accounting firm on our compliance with our obligations relating to documenting and testing its internal controls over financial reporting. The Audit Committee also discussed with management, and our independent registered public accounting firm, management’s assessment of the effectiveness of our internal controls over financial reporting, which was included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2022.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and our independent registered public accounting firm. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 61, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board (“PCAOB”) in Rule 3200T. The Audit Committee met with our independent registered public accounting firm, with and without management present, to discuss the results of their examinations. Finally, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the PCAOB regarding the independent registered public accounting firm’s communication with the Audit Committee concerning independence, including the PCAOB Ethics and Independence Rule 3526, Communications with Audit Committees Concerning Independence, as currently in effect, and has discussed with the independent registered public accounting firm that firm’s independence.

Our members of the Audit Committee are not full-time employees and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct “field work” or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent registered public accounting firm. Accordingly, the Audit Committee’s considerations and discussions referred to above do not assure that the audit of our consolidated financial statements has been carried out in accordance with the audit standards of the PCAOB, that the consolidated financial statements are presented in accordance with generally accepted accounting principles or that our independent registered public accounting firm is in fact “independent”.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2022.

## POLICY ON AUDIT COMMITTEE PRE-APPROVAL

The Audit Committee's charter provides for the pre-approval of audit and non-audit services performed by our independent registered public accounting firm(s). Under the charter, the Audit Committee may pre-approve specific services, including fee levels, by the independent registered public accounting firm(s) in a designated category (audit, audit-related, tax services and all other services). The Audit Committee may delegate, in writing, this authority to one or more of its members, provided that the member or members to whom such authority is delegated must report their decisions to the Audit Committee at its next scheduled meeting. All audit, tax and other services provided by Deloitte & Touche LLP were pre-approved by the Audit Committee.

Additional audit fees incurred in 2022 and 2021 were attributable to a business acquisition, the disposal of certain international operations, and various nonrecurring standalone audits.

**AUDIT-RELATED MATTERS**

**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM'S INDEPENDENCE**

In considering the nature of the services provided by the independent registered public accounting firm, the Audit Committee discussed these services with the independent registered public accounting firm and Company management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the SEC to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants. The Audit Committee determined that such services are compatible with the provision of independent audit services.

PROPOSAL 4 : APPROVAL AND ADOPTION OF AN AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO LIMIT THE LIABILITY OF CERTAIN OFFICERS AND THE AMENDMENT AND RESTATEMENT OF THE COMPANY'S CERTIFICATE OF INCORPORATION TO REFLECT SUCH AMENDMENT

## PROPOSAL 4

### APPROVAL AND ADOPTION OF AN AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO LIMIT THE LIABILITY OF CERTAIN OFFICERS AND THE AMENDMENT AND RESTATEMENT OF THE COMPANY'S CERTIFICATE OF INCORPORATION TO REFLECT SUCH AMENDMENT

The Board believes that it is important to provide protection from certain liabilities that may discourage prospective or current officers and directors from serving the Company. In the absence of such protection, qualified directors and officers might be deterred from serving as directors and officers due to exposure to personal liability and the risk of incurring substantial expense in defending lawsuits, regardless of merit. Directors and officers must make decisions in response to time-sensitive opportunities and challenges, which can create substantial risk of investigations, claims, actions, suits or proceedings seeking to impose liability on the basis of hindsight, especially in the current litigious environment and regardless of merit. Limiting concern about personal risk would empower both directors and officers to best exercise their business judgment in furtherance of shareholder interests. The Company also expects that many public companies, including certain of the Company's peers, will adopt exculpation clauses that limit the personal liability of officers in their certificates of incorporation and that failing to adopt the amendment to be included in the A&R Certificate of Incorporation could impact our recruitment and retention of exceptional officer candidates who conclude that the potential exposure to liabilities, costs of defense and other risks of proceedings exceed the benefits of serving as an officer of the Company. The Certificate of Incorporation currently provides for exculpation of directors but does not include a provision that allows for exculpation of officers. The amendment to include officer exculpation will more generally align the protections available to our officers with those currently available to our directors.

For the foregoing reasons, the Board unanimously approved and has declared advisable an amendment to the Company's Certificate of Incorporation to limit the liability of certain officers of the Company as permitted by Delaware law and recommends that the shareholders of the Company approve such amendment and the amendment and restatement of the Certificate of Incorporation to reflect such amendment.

Proposed Article VI of the A&R Certificate of Incorporation would read as follows:

"No director or officer of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty by such director or officer as a director or officer, respectively, except for liability (i) for any breach of such director's or officer's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, in the case of directors only, (iv) for any transaction from which such director or officer derived an improper personal benefit, or (v) for any action by or in the right of the Corporation, in the case of officers only. If the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors or officers, then the liability of a director or officer of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

**PROPOSAL 4 : APPROVAL AND ADOPTION OF AN AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO LIMIT THE LIABILITY OF CERTAIN OFFICERS**

Any repeal or modification of the foregoing paragraph shall not adversely affect any right or protection of a director or officer of the Corporation existing at the time of such repeal or modification."

Other than the replacement of the existing Article VI with the proposed Article VI, the remainder of our Certificate of Incorporation will remain unchanged. If approved by the Company's shareholders, the A&R Certificate of Incorporation will become effective upon filing with the Secretary of State of the State of Delaware. We currently plan to file the A&R Certificate of Incorporation promptly after the Annual Meeting if this proposal is approved by shareholders holding a majority of the voting power of the outstanding shares of our Common Stock as of the Record Date.

**THE BOARD RECOMMENDS A VOTE "FOR" THE APPROVAL AND ADOPTION OF THE AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO LIMIT THE LIABILITY OF CERTAIN OFFICERS AND THE AMENDMENT AND RESTATEMENT OF THE COMPANY'S CERTIFICATE OF INCORPORATION TO REFLECT SUCH AMENDMENT.**

PROPOSAL 5 : SHAREHOLDER PROPOSAL REGARDING COMPANY POLITICAL DISCLOSURES

## PROPOSAL 5

# SHAREHOLDER PROPOSAL REGARDING COMPANY POLITICAL DISCLOSURES

The Comptroller of the State of New York, as the trustee of the New York State Common Retirement Fund (the "Fund") and the Administrative Head of the New York State and Local Retirement System, has informed us the Fund intends to solicit proxies at the Annual Meeting for the following proposal. The Fund has also advised us that collectively it beneficially owns 216,344 shares of our common stock, which constitute approximately 0.1% of our outstanding common stock as of April 17, 2023.

The text of the proposal is the sole responsibility of the Fund and is set forth in italics below.

The Board has evaluated the Fund's proposal and has a statement in response to such shareholder proposal as set forth below.

**Resolved**, that the shareholders of Caesars Entertainment, Inc. ("Caesars" or "Company") hereby request that the Company provide a report, updated semiannually, disclosing the Company's:

- a. *Policies and procedures for making, with corporate funds or assets, contributions and expenditures (direct or indirect) to (a) participate or intervene in any campaign on behalf of (or in opposition to) any candidate for public office, or (b) influence the general public, or any segment thereof, with respect to an election or referendum.*
- b. *Monetary and non-monetary contributions and expenditures (direct and indirect) used in the manner described in section 1 above, including:*
  - i. *The identity of the recipient as well as the amount paid to each; and*
  - ii. *The title(s) of the person(s) in the Company responsible for decision-making.*

*The report shall be presented to the board of directors or relevant board committee and posted on the Company's website within 12 months from the date of the annual meeting. This proposal does not encompass lobbying spending.*

### Supporting Statement

*As long-term shareholders of Caesars, we support transparency and accountability in corporate electoral spending. This includes any activity considered intervention in a political campaign under the Internal Revenue Code, such as direct and indirect contributions to political candidates, parties, or organizations, and independent expenditures or electioneering communications on behalf of federal, state, or local candidates.*

*A company's reputation, value, and bottom line can be adversely impacted by political spending. The risk is especially serious when giving to trade associations, Super PACs, 527 committees, and "social welfare" organizations – groups that routinely pass money to or spend on behalf of candidates and political causes that a company might not otherwise wish to support.*

*When the Conference Board released its 2021 "Under a Microscope" report it detailed these risks, and recommended the process suggested in this proposal. The organization also said, "a new era of stakeholder scrutiny, social media, and political polarization has propelled corporate political activity—and the risks that come with it—into the spotlight. Political activity can pose increasingly significant risks for companies, including the perception that political contributions—and other forms of activity—are at odds with core company values."*

*Publicly available records show Caesars has contributed at least \$8 million in corporate funds since the 2010 election cycle.*

**PROPOSAL 5 : SHAREHOLDER PROPOSAL REGARDING COMPANY POLITICAL DISCLOSURES**

*This proposal asks Caesars to disclose all of its electoral spending, including payments to trade associations and other tax-exempt organizations which may be used for electoral purposes—and are otherwise not public. This would bring our Company in line with a growing number of leading companies, including MGM Resorts International, Las Vegas Sands Corp., and Marriott International Inc., which present this information on their websites.*

*Without knowing the recipients of our company's political dollars we cannot sufficiently assess whether our company's election-related spending aligns or conflicts with its policies on climate change and sustainability, or other areas of concern. We urge your support for this critical governance reform.*

**Statement from the Board of Directors in Opposition to the Shareholder Proposal**

The Board unanimously recommends a vote AGAINST the foregoing proposal.

The Board believes that adopting the shareholder proposal would not be in the best interests of the Company or its shareholders. While we share the proponents' interest in transparency and accountability in corporate electoral spending, the Board believes that legal requirements relating to disclosure of political contributions together with the Company's existing policies and practices provide appropriate oversight and accountability and achieve the objectives of this proposal. Although our corporate political contributions serve an important corporate purpose, such contributions represent only a small fraction of our total expenses (less than 0.03% in the year ended December 31, 2022).

Political contributions, where permitted, are an important part of the regulatory and legislative process in the United States. The Company operates within a highly-regulated industry, and our operations and development and expansion opportunities may be significantly affected by the actions of elected and appointed officials at the local, state and national levels. It is important that we actively participate in the electoral and legislative processes in order to further the business objectives and interests of the Company and protect the interests of our shareholders. We do this by contributing prudently (and in compliance with existing disclosure laws) to state and local candidates, political organizations and/or trade associations when we determine that such contributions may advance the Company's business objectives and the interests of our shareholders. We believe that recipients of political contributions take positions and address issues of importance to the Company in a thoughtful manner, and the associations in which we participate take positions and address policy issues in a collective industry manner and often advance positions consistent with Company interests. However, participating in the political process and being a member of various trade associations come with the understanding that we may not always agree with all of the positions of the recipients we support, the organizations in which we participate or the other members of those organizations. While we acknowledge that some of these associations represent a diverse base of companies and industries with interests and policies that at times may not align with our own, we nevertheless believe that participating in these associations is beneficial to advancing our policies and the interests of our shareholders. Additional information related to our public policy engagement efforts is publicly available in the "Corporate Social Responsibility" section of our website located at <https://www.caesars.com/corporate-social-responsibility>. Our Code of Ethics and Business Conduct also contains requirements that apply to the political campaign contribution process. Those requirements are publicly available on the "Governance" page of our website located at <https://investor.caesars.com/corporate-governance>, under "Other Governance Documents".

Political contributions are subject to extensive regulation under federal and state laws. The Company strives to comply with all applicable laws when engaging in any type of lobbying or political activity, including laws requiring public disclosure of political contributions and lobbying expenses to state and federal agencies. Significant information about our political contributions is already publicly available. Additionally, in accordance with federal law, the Company does not use corporate funds to directly contribute or provide anything of value to candidates seeking federal elected office.

Separate from federal requirements, the Company is also subject to state-specific regulatory requirements that influence the Company and corporate governance requirements unique to the gaming industry. Certain states prohibit the Company and licensed individuals from making contributions in those respective jurisdictions. Additionally, the Company's Compliance Committee reviews all political contributions made by the Company on a quarterly basis and the Company's Compliance Officer reports any actual or claimed violations of any federal or state campaign finance or election laws to the Compliance Committee. The Company's management also

**PROPOSAL 5 : SHAREHOLDER PROPOSAL REGARDING COMPANY POLITICAL DISCLOSURES**

regularly discusses regulatory issues, public policy and political activities with our full Board. Given the importance of regulatory requirements to the gaming industry and our business, our Board will continue to exercise oversight with respect to these matters.

We believe that most (if not all) of our competitors also make political contributions. While certain of our competitors have elected to disclose information beyond disclosure required by applicable legal requirements, other competitors disclose only information that is required pursuant to applicable law. If the Company were required to expand its disclosures of political contributions and expenditures beyond those required by applicable law and our competitors elect not to make similar disclosures, the Company could be at a competitive disadvantage. Such additional disclosures could benefit our competitors while harming the interests of the Company and our shareholders by revealing our strategies and priorities.

For these reasons, among others, we believe that the Company should not be required to provide disclosure of political contributions and expenditures made with corporate funds beyond the requirements of applicable law.

**FOR THE REASONS STATED ABOVE, The Board unanimously recommends that YOU vote "AGAINST" THIS Proposal 5 - SHAREHOLDER PROPOSAL REGARDING COMPANY POLITICAL DISCLOSURES.**

PROPOSAL 6 : SHAREHOLDER PROPOSAL REGARDING BOARD MATRIX

PROPOSAL 6

SHAREHOLDER PROPOSAL REGARDING BOARD MATRIX

The Comptroller of the City of New York, as the custodian and trustee of the New York City Employees' Retirement System, the New York City Teachers' Retirement Systems and the New York City Board of Education Retirement System (collectively the "New York Retirement Systems"), has informed us the New York Retirement Systems intend to solicit proxies at the Annual Meeting for the following proposal. The New York Retirement Systems have also advised us that they collectively beneficially own 230,857 shares of our common stock, which constitute approximately 0.1% of our outstanding common stock as of April 17, 2023.

The text of the proposal is the sole responsibility of the New York Retirement Systems and is set forth in italics below.

The Board has evaluated the New York Retirement Systems' proposal and has a statement in response to such shareholder proposal as set forth below.

*RESOLVED: Shareholders of Caesars Entertainment, Inc. ("Caesars") request that its Board of Directors (the "Board") disclose in its annual proxy statement each director/nominee's self-identified gender and race/ethnicity, as well as the skills and attributes that are most relevant in light of Caesars' overall business, long-term strategy, and risks. The requested information shall be presented in matrix format and shall not include any attributes the Board identifies as minimum qualifications for all director candidates (the "Board Matrix").*

**Supporting Statement**

*Investors believe that a diverse board – in terms of relevant skills, gender, and race/ethnicity – is an indicator of a well-functioning board. Among other benefits, diverse boards can better manage risk by avoiding groupthink. Caesars' Board sets the tone from the top, and the disclosure of a Board Matrix would signal to your employees, customers, suppliers, and investors that the directors themselves value diversity and inclusion in the boardroom.*

*Many institutional investors prioritize board diversity in their proxy voting guidelines and engagement initiatives. Significant time and resources must be spent by investors to ascertain director information from ambiguous, and aggregate company disclosures or they must rely on data providers, which also draws from the same, imprecise sources. Even when photographs are provided, investors and data providers may be unable to appropriately determine the race or ethnicity of directors. As a result, it can be unnecessarily challenging for investors to fulfill their fiduciary duties and vote according to their own proxy voting guidelines.*

*Moreover, in its 2022 proxy statement, Caesars provides no particularized data with respect to how its directors' individual qualifications fit together to effectively fulfill the Board's oversight responsibilities. Nor is each director's self-identified race/ethnicity explicitly disclosed.*

*A Board Matrix would enable investors to make better informed proxy voting decisions by providing them with consistent, comparable and accurate data concerning Caesars' directors in a structured and decision-useful format. Such information would enable investors to: (1) assess how well-suited individual director nominees are for Caesars in light of its long-term business strategy and risks, including the overall mix of director attributes and skills; (2) identify any gaps in skills or attributes; and (3) make meaningful, year-over-year comparisons of the Board's composition; and (4) ascertain the self-identified gender, race/ethnicity, skills and attributes of any particular director who has assumed leadership roles on the board/committees, as well as his/her/their tenure.*

*The proposal neither prevents nor discourages Caesars from disclosing any other data or information that the Board believes is relevant. Other leading companies, such as Goldman Sachs, Intel, 3M and Host Hotels & Resorts have published a Board Matrix with individualized director data in a decision-useful format. These matrices use EEO-I categories for disclosing the diversity of individual directors, which allows for consistent and comparable data.*

*We urge shareholders to vote FOR this proposal.*

**Statement from the Board of Directors in Opposition to the Shareholder Proposal**

The Board unanimously recommends a vote AGAINST the foregoing proposal.

The Board believes that adopting the shareholder proposal would not be in the best interests of the Company or its shareholders.

The Board agrees that a diversity of skills and attributes is a key quality of a well-functioning board and is important for shareholders. Diverse Board skills and attributes ensure appropriate Board oversight. As such, the Company provides detailed information regarding the Board in its proxy statement and on its website.

In addition, diversity of experiences and backgrounds are important considerations in identifying and assessing Board candidates. The success of the Board's refreshment program is clearly evident in the results. Three of the last eight most recently elected independent directors were women or racial ethnic minorities. Since the consummation of the Merger, the Board has received significant shareholder support in annual elections, with votes on average ranging from 96.59% from the 2021 annual meeting to 98.80% from the 2022 annual meeting for the candidates recommended for election by the Board.

The Company supplemented this year's proxy statement with several enhancements, including an updated matrix that is intended to be more user-friendly and combines factors such as skills, tenure, age and diversity into a single matrix. This is in addition to the data previously disclosed, including lists of the qualifications and competencies sought by the Board and reasons those qualifications and competencies are important. Additionally, the Board has considered diversity consistently as it engages in candidate searches.

The imposition of a prescriptive matrix by individual director can promote a check-the-box approach to refreshment, thus increasing the risk of bypassing well-qualified candidates, and may lead shareholders to incorrectly believe that only a subset of directors contribute to particular decisions or represent the Board on particular matters. Instead, the Board acts as a collective body, representing the interests of all shareholders. While individual directors leverage their experience and knowledge, Board decisions and perspectives reflect the collective wisdom of the group. The breadth of our disclosures, including the enhancements mentioned above, emphasize the collective strength of our Board and meaningfully address the proposal.

**FOR THE REASONS STATED ABOVE, The Board unanimously recommends that YOU vote "AGAINST" THIS Proposal 6 - SHAREHOLDER PROPOSAL REGARDING BOARD MATRIX.**

## NOTICE REGARDING ABANDONED PROPERTY LAW OF NEW YORK STATE

We have been informed by our transfer agent, Continental Stock Transfer & Trust Company (the "Transfer Agent"), that New York State now requires the Company's Transfer Agent to report and escheat all shares held by our record shareholders if there has been no written communication received from the shareholder for a period of five years. This regulation pertains specifically to corporate issuers who do not pay dividends and their shareholders with New York, foreign or unknown addresses. The law mandates escheatment of shares even though the certificates are not in the Transfer Agent's possession, and even though the shareholder's address of record is apparently correct.

The Transfer Agent has advised us that the law requires the Transfer Agent to search its records as of June 30 each year in order to determine those New York resident shareholders from whom it has had no written communication within the past five years. Written communication would include transfer activity, voted proxies, address changes or other miscellaneous written inquiries. For those shareholders who have not contacted the Transfer Agent in over five years, a first-class letter must be sent notifying them that their shares will be escheated in November if they do not contact the Transfer Agent in writing prior thereto. All written responses will be entered in the Transfer Agent's files, but those who do not respond will have their shares escheated. Shareholders will be able to apply to New York State for the return of their shares.

Accordingly, shareholders that may be subject to New York's Abandoned Property Law should make their inquiries and otherwise communicate, with respect to us, in writing. Shareholders should contact their attorneys with any questions they may have regarding this matter.

## INFORMATION ABOUT VOTING AND THE MEETING

### **Q CAN I ASK QUESTIONS DURING THE MEETING?**

**A** Yes. To submit your questions in advance of the Annual Meeting, please log on to [www.proxyvote.com](http://www.proxyvote.com)

### **Q WHO IS ENTITLED TO VOTE?**

**A** As of the close of business on April 17, 2023, which is the "Record Date", 215,201,450 shares of common stock were outstanding (excluding shares of Caesars common stock being held in escrow trust to satisfy unsecured claims pursuant to the Third Amended Joint Plan of Reorganization, filed with the U.S. Bankruptcy Court for the Northern District of Illinois in Chicago on January 13, 2017, at Docket No. 6318, which are not entitled to vote (the "Escrow Trust Shares")). All record holders of Company common stock (other than the holder of the Escrow Trust Shares) are entitled to vote. Each share of common stock outstanding as of the Record Date is entitled to one vote.

### **Q WHO MAY ATTEND THE ANNUAL MEETING?**

**A** Shareholders of record as of the close of business on the Record Date, or their duly appointed proxies may attend the Annual Meeting.

### **Q WHO IS SOLICITING MY VOTE?**

**A** Our Board is sending you and making available this Proxy Statement in connection with the solicitation of proxies for use at the Annual Meeting. The Company pays the cost of soliciting proxies. Proxies may be solicited in person or by telephone, facsimile, electronic mail or other electronic medium by certain of our directors, officers and employees, without additional compensation. Forms of proxies and proxy materials may also be distributed through brokers, custodians and other like parties to the beneficial owners of shares of our common stock, in which case we will reimburse these parties for their reasonable out-of-pocket expenses. The Company has also made arrangements with D.F. King to assist it in soliciting proxies and has agreed to pay D.F. King approximately \$15,000, plus reasonable expenses for these services.

### **Q HOW MANY SHARES MUST-BE PRESENT TO CONDUCT THE ANNUAL MEETING?**

**A** A majority of the shares of our common stock entitled to vote at the Annual Meeting, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Shares of our common stock represented in person or by proxy (including shares which abstain, broker non-votes and shares that are not voted with respect to one or more of the matters presented for shareholder approval) will be counted for purposes of determining whether a quorum is present at the Annual Meeting.

### **Q WHAT IS THE VOTE REQUIRED TO ELECT DIRECTORS?**

**A** Directors are elected by a majority of the votes cast by shareholders present in person or by proxy at the Annual Meeting and entitled to vote on the election of directors. Shareholders may vote FOR all or some of the nominees or shareholders may vote WITHHOLD with respect to one or more of the nominees. The affirmative vote of the holders of a majority of the shares represented at the meeting in person or by proxy and entitled to vote thereon is required to elect a director. A vote to WITHHOLD will have the effect of a negative vote. Abstentions and broker non-votes will not affect the outcome of the election of directors, because they are not considered votes cast.

### **Q WHAT IS THE VOTE REQUIRED TO APPROVE THE OTHER PROPOSALS?**

**A** The vote required to approve Proposals 2, 3, 5 and 6 is as follows:

The affirmative vote of a majority of the votes cast by shareholders present in person or by proxy at the Annual Meeting and entitled to vote at the Annual Meeting is required to (i) approve, on an advisory, non-binding basis, the compensation of the Company's named executive officers (Proposal 2), (ii) ratify the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2023 (Proposal 3), (iii) approve the shareholder proposal regarding Company political disclosures (Proposal 5) and (iv) approve the shareholder proposal regarding Board matrix (Proposal 6). Abstentions and broker non-votes are not considered votes cast although they are counted toward determining whether or not there

is a quorum. Accordingly, abstentions and broker non-votes will have no effect on Proposals 2, 3, 5 or 6. Proposal 3 is a routine matter and brokers are entitled to exercise their voting discretion without receiving instructions from the beneficial owner of the shares, and therefore no broker non-votes are expected with respect to Proposal 3.

The vote required to approve Proposal 4 is as follows:

An affirmative vote of the majority of the voting power of the outstanding shares of our common stock as of the Record Date is required to approve and adopt an amendment to the Company's Certificate of Incorporation to limit the liability of certain officers and the amendment and restatement of the Company's Certificate of Incorporation to reflect such amendment (Proposal 4). Abstentions and broker non-votes will have the same effect as a vote "against" Proposal 4.

Other matters may be voted on if they are properly brought before the Annual Meeting in accordance with our Bylaws. We know of no other matter to be presented at the meeting. If any other matter should be presented at the meeting upon which a vote properly may be taken, then the persons named as proxies will have discretion to vote on those matters according to their best judgment to the same extent as the person signing the proxy would be entitled to vote. At the date of this Proxy Statement, we do not anticipate that any other matters will be raised at the Annual Meeting.

**Q IS CUMULATIVE VOTING PERMITTED?**

**A** No.

**Q WHAT IF I ABSTAIN FROM VOTING?**

**A** If you attend the meeting or send in your signed proxy card but abstain from voting, you will still be counted for purposes of determining whether a quorum exists. For the effect of abstentions on the outcome of the vote on any proposal, see the questions above "What is the vote required to elect directors?" and "What is the vote required to approve the other proposals?".

**Q WHAT IS A "BROKER NON-VOTE"?**

**A** Under the stock exchange rules, brokers and nominees may exercise their voting discretion without receiving instructions from the beneficial owner of the shares on proposals that are deemed to be routine matters. If a proposal is a non-routine matter, a broker or nominee may not vote the shares on the proposal without receiving instructions from the beneficial owner of the shares. If a broker turns in a proxy card expressly stating that the broker is not voting on a non-routine matter, such action is referred to as a "broker non-vote". Broker non-votes will be counted for purposes of determining the presence of a quorum. Routine matters include ratification of the selection of independent public accountants. Proposals 1, 2, 4, 5 and 6 are non-routine matters. As a result, if you do not instruct your bank, broker or other holder of record on how to vote your shares on Proposals 1, 2, 4, 5 and 6, then your shares may not be voted on these matters at the Annual Meeting. Accordingly, we urge you to give instructions to your bank, broker or other holder of record as to how you wish your shares to be voted so you may participate in the voting on these important matters. For the effect of broker non-votes on the outcome of the vote on any proposal, see the questions above "What is the vote required to elect directors?" and "What is the vote required to approve the other proposals?".

**Q WILL MY SHARES BE VOTED IF I DO NOT SIGN AND RETURN MY PROXY CARD OR VOTE BY TELEPHONE OR OVER THE INTERNET?**

**A** If you are a registered shareholder and you do not sign and return your proxy card or vote by telephone or over the Internet, your shares will not be voted at the Annual Meeting. If your shares are held in street name and you do not issue instructions to your broker, your broker may vote your shares at its discretion on routine matters but may not vote your shares on non-routine matters. Under applicable stock market rules, Proposal 3 relating to the ratification of the appointment of the independent registered public accounting firm is deemed to be a routine matter, and brokers and other nominees may exercise their voting discretion without receiving instructions from the beneficial owners of the shares. Each of Proposals 1, 2, 4, 5 and 6 is a non-routine matter and, therefore, your broker will not be able to vote your shares without your instructions.

## INFORMATION ABOUT VOTING AND THE MEETING

### **Q HOW DO I VOTE IF MY SHARES ARE REGISTERED DIRECTLY IN MY NAME?**

**A** We offer four methods for you to vote your shares: in advance by telephone, through the Internet, by mail, or in person at the Annual Meeting. Instructions for voting in advance are included in the notice at the beginning of this Proxy Statement. **We encourage you to vote through the Internet or by telephone, as they are the most cost-effective methods for the Company.** We also recommend that you vote as soon as possible, even if you are planning to attend the Annual Meeting, so that the vote count will not be delayed. Both the Internet and the telephone provide convenient, cost-effective alternatives to returning your proxy card by mail. There is no charge to vote your shares via the Internet, though you may incur costs associated with electronic access, such as usage charges from Internet access providers. If you choose to vote your shares through the Internet or by telephone, there is no need for you to mail your proxy card. You will need to enter the 16-digit control number received with your Proxy or Notice of Internet Availability of Proxy Materials to vote during the meeting.

### **Q HOW DO I VOTE MY SHARES IF THEY ARE HELD IN THE NAME OF MY BROKER (STREET NAME)?**

**A** If your shares are held in street name, you will receive a form from your broker or other nominee seeking instruction as to how to vote your shares. You should contact your broker or other nominee with questions about how to provide or revoke your instructions.

### **Q WHO WILL COUNT THE VOTE?**

**A** Broadridge Financial Solutions, Inc. has been engaged as our independent inspector of election to tabulate shareholder votes for the Annual Meeting.

### **Q CAN I CHANGE MY VOTE AFTER I RETURN OR SUBMIT MY PROXY?**

**A** Yes. Even after you have submitted your proxy, you can revoke your proxy or change your vote at any time before the proxy is exercised: by submitting a new proxy with a later date; by providing written notice to the Corporate Secretary or acting secretary of the Annual Meeting; or by voting in person at the Annual Meeting.

### **Q MAY I VOTE AT THE ANNUAL MEETING?**

**A** If you are a registered holder and are permitted to attend the Annual Meeting (see "Who may attend the Annual Meeting?" above), you may complete a voting ballot at the meeting. If you already properly submitted your vote in advance and would like to change your vote at the meeting, then please give written notice that you would like to revoke your original proxy to the Corporate Secretary or acting secretary of the Annual Meeting.

If a broker, bank or other nominee holds your shares and you wish to vote in person at the Annual Meeting, you must first obtain a proxy issued in your name from the broker, bank or other nominee, otherwise you will not be permitted to vote in person at the Annual Meeting.

### **Q WHERE CAN I FIND THE VOTING RESULTS OF THE ANNUAL MEETING?**

**A** We intend to announce preliminary voting results at the Annual Meeting and publish final results in a Current Report on Form 8-K that will be filed with the SEC within four business days following the Annual Meeting. All reports we file with the SEC are available when filed. Please see the section "Other Information—Where to Find Additional Information".

### **Q WHERE CAN I FIND A LIST OF THE COMPANY'S SHAREHOLDERS?**

**A** A list of the Company's shareholders is available at the Company's corporate headquarters, located at 100 West Liberty Street, 12<sup>th</sup> Floor, Reno, NV 89501, during ordinary business hours, for 10 days prior to the Annual Meeting.

**Q WHEN ARE SHAREHOLDER PROPOSALS AND SHAREHOLDER NOMINATIONS DUE FOR THE 2024 ANNUAL MEETING OF SHAREHOLDERS?**

**A** Under Rule 14a-8 of the Exchange Act, the Corporate Secretary must receive a shareholder proposal for consideration by our shareholders at the 2024 annual meeting of shareholders no later than December 30, 2023, in order for the proposal to be considered for inclusion in our proxy materials for the 2024 annual meeting of shareholders. To otherwise present a timely proposal or other business for consideration by our shareholders at the 2024 annual meeting of shareholders, pursuant to our current Bylaws, a shareholder's written notice must be delivered to or mailed and received at our principal executive offices no earlier than the close of business on February 13, 2024 nor later than the close of business on March 14, 2024. The purpose of this requirement is to assure adequate notice of, and information regarding, any such matter as to which shareholder action may be sought. If we receive your notice before February 13, 2024 or later than the close of business on March 14, 2024, then your proposal will be untimely.

In addition, a shareholder who intends to make a nomination of a candidate for election as director of the Company at the next Election Meeting shall, as required by our current Bylaws, deliver to our Secretary a notice not less than 60 days prior to the date of the next Election Meeting, setting forth (a) the name, age, business address and the residence address of each nominee proposed in such notice, (b) the principal occupation or employment of such nominee, (c) the number of shares of our capital stock which are beneficially owned by each such nominee, and (d) such other information concerning each such nominee as would be required, under the rules of the SEC, in a proxy statement soliciting proxies for the election of such nominees. Such notice shall include a signed consent of each such nominee to serve as a director of the corporation, if elected. In addition to satisfying the foregoing requirements under our Bylaws, to comply with the universal proxy rules, shareholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 14, 2024. If you do not comply with these procedural provisions, your proposal or nomination can be excluded. Should the Board nevertheless choose to present your proposal, the named proxies will be able to vote on the proposal using their discretion.

**Q HOW MANY COPIES SHOULD I RECEIVE IF I SHARE AN ADDRESS WITH ANOTHER SHAREHOLDER?**

**A** We have adopted a procedure approved by the SEC called "householding". Under this procedure, we are permitted to deliver a single copy of our Notice of Internet Availability of Proxy Materials and, as applicable, any additional proxy materials that are delivered until such time as one or more of these shareholders notifies us that they want to receive separate copies. Householding allows us to reduce our printing and postage costs and reduces the volume of duplicative information you receive. Shareholders of record sharing an address who are receiving multiple copies of our Notice of Internet Availability of Proxy Materials and wish to receive a single copy of such material in the future should submit their request by contacting Broadridge Financial Solutions by telephone at 1-866-540-7095 or sending a written request via mail to Broadridge Financial Solutions, Householding Department, 51 Mercedes Way, Edgewood, NY 11717. If you are the beneficial owner, but not the record holder, of our shares and wish to receive only one copy of the Notice of Internet Availability of Proxy Materials in the future, you will need to contact your broker, bank or other nominee to request that only a single copy of such document be mailed to all shareholders at the shared address in the future.

However, please note that if you want to receive a paper copy of the Proxy Card or vote instruction form or other proxy materials for purposes of the Annual Meeting, you should follow the instructions included in the Notice of Internet Availability of Proxy Materials that was sent to you.
